[Applause]

2
00:00:14,330 --> 00:00:11,120

this is a little article taken based off

3
00:00:16,790 --> 00:00:14,340

of a New York Times article and this is

4
00:00:19,689 --> 00:00:16,800

the titled Navy pilots reported multiple

5
00:00:24,349 --> 00:00:19,699

UFO sightings off the East Coast and

6
00:00:26,080 --> 00:00:24,359

this is a shorter article of the big New

7
00:00:28,820 --> 00:00:26,090

York Times article our reader down

8
00:00:31,250 --> 00:00:28,830

fighter pilots for the US Navy claimed

9
00:00:33,950 --> 00:00:31,260

to have seen UFOs off the east coast

10
00:00:36,350 --> 00:00:33,960

during training missions in 2014 and

11
00:00:39,049 --> 00:00:36,360

2015 a new report from the New York

12
00:00:41,540 --> 00:00:39,059

Times a new report from the New York

13
00:00:43,729 --> 00:00:41,550

Times as pilots reported the unusual

14

00:00:46,970 --> 00:00:43,739

sightings who their superior officers

15

00:00:49,400 --> 00:00:46,980

and in one instance almost collided with

16

00:00:50,930 --> 00:00:49,410

the strange aircraft in some cases the

17

00:00:53,029 --> 00:00:50,940

unidentified aircraft performed

18

00:00:56,170 --> 00:00:53,039

maneuvers that were beyond the physical

19

00:01:00,080 --> 00:00:56,180

limits of a human crew all that we know

20

00:01:02,569 --> 00:01:00,090

at am taking an astronaut ice cream yet

21

00:01:05,660 --> 00:01:02,579

but we'll see the pilots reported that

22

00:01:07,399 --> 00:01:05,670

the UFOs lacked visible engines with no

23

00:01:09,070 --> 00:01:07,409

exhaust plumes and we're hitting

24

00:01:12,140 --> 00:01:09,080

supersonic speeds while making

25

00:01:14,120 --> 00:01:12,150

instantaneous turns these things would

26

00:01:18,859 --> 00:01:14,130

be out there all day lieutenant Ryan

27

00:01:21,340 --> 00:01:18,869

graves an f-18 Super Hornet pilots who

28

00:01:24,050 --> 00:01:21,350

had been with the Navy for ten years

29

00:01:25,730 --> 00:01:24,060

told the New York Times keeping an

30

00:01:28,160 --> 00:01:25,740

aircraft in the air requires a

31

00:01:30,950 --> 00:01:28,170

significant amount of energy with the

32

00:01:35,050 --> 00:01:30,960

speeds we observed 12 hours in the air

33

00:01:37,520 --> 00:01:35,060

and is 11 hours longer than we'd expect

34

00:01:40,039 --> 00:01:37,530

some of the encounters were recorded on

35

00:01:42,319 --> 00:01:40,049

video including one in which was

36

00:01:44,450 --> 00:01:42,329

recently Declassified showing

37

00:01:47,740 --> 00:01:44,460

unidentified aircraft crossing the

38

00:01:50,450 --> 00:01:47,750

flight path of f f/a 18 super hornets

39

00:01:52,819 --> 00:01:50,460

the Pentagon has confirmed the sightings

40

00:01:55,550 --> 00:01:52,829

but does not believe they are Exeter

41

00:02:00,289 --> 00:01:55,560

Estoril and Origin Navy spokesperson

42

00:02:02,959 --> 00:02:00,299

Joseph Bradshaw Grad sure suggested that

43

00:02:05,990 --> 00:02:02,969

the UFOs could have been commercial

44

00:02:08,300 --> 00:02:06,000

drones were other experimental aircraft

45

00:02:10,520 --> 00:02:08,310

he added that they were not able to

46

00:02:14,000 --> 00:02:10,530

determine the source of all the UFO

47

00:02:16,039 --> 00:02:14,010

sightings saying that we don't know who

48

00:02:18,410 --> 00:02:16,049

doing this we don't have enough data to

49

00:02:21,350 --> 00:02:18,420

track this which is [h__\h] [h__\h]

50

00:02:22,850 --> 00:02:21,360

the pilots interviewed by The Times will

51
00:02:24,920 --> 00:02:22,860
be speaking about their strange

52
00:02:28,089 --> 00:02:24,930
encounters in their upcoming six-part

53
00:02:32,080 --> 00:02:28,099
History Channel series oh good

54
00:02:34,789 --> 00:02:32,090
called unidentified inside America's UFO

55
00:02:38,030 --> 00:02:34,799
investigation which will begin airing on

56
00:02:40,160 --> 00:02:38,040
Friday May 31st

57
00:02:43,009 --> 00:02:40,170
you can bet I will have some clips from

58
00:02:47,930 --> 00:02:43,019
that it seems like a coordinated effort

59
00:02:50,569 --> 00:02:47,940
Joe you got a brand-new History Channel

60
00:02:51,860 --> 00:02:50,579
show you have a couple big articles

61
00:02:53,420 --> 00:02:51,870
coming out with coming out within the

62
00:02:56,599 --> 00:02:53,430
past two years you have the Navy

63
00:02:58,879 --> 00:02:56,609

acknowledging that they are UFOs but

64

00:03:04,789 --> 00:02:58,889

maybe not aliens

65

00:03:10,599 --> 00:03:04,799

commercial drones or another form of

66

00:03:14,149 --> 00:03:10,609

commercial aviation yeah oh right yeah

67

00:03:16,309 --> 00:03:14,159

it's a multi pronged soft disclosure

68

00:03:18,530 --> 00:03:16,319

coming from all sides well I'll think

69

00:03:20,030 --> 00:03:18,540

that I think they're really trying some

70

00:03:24,439 --> 00:03:20,040

different things out here there's

71

00:03:28,039 --> 00:03:24,449

youtuber and ufologist Richard Dolan has

72

00:03:30,409 --> 00:03:28,049

been he's been on this continuously he

73

00:03:32,059 --> 00:03:30,419

actually wrote a book called after

74

00:03:33,979 --> 00:03:32,069

disclosure I highly recommend everyone

75

00:03:35,780 --> 00:03:33,989

rate i certainly have and there's a

76
00:03:37,490 --> 00:03:35,790
couple different ways that they're doing

77
00:03:41,539 --> 00:03:37,500
this he absolutely does alia this is

78
00:03:43,369 --> 00:03:41,549
part of a managed disclosure he did say

79
00:03:45,080 --> 00:03:43,379
this this is my thought on it is that I

80
00:03:47,420 --> 00:03:45,090
think they're they're they're testing

81
00:03:49,550 --> 00:03:47,430
the waters here they're seeing how the

82
00:03:53,150 --> 00:03:49,560
public responds initially to the

83
00:03:56,240 --> 00:03:53,160
possibility of aliens with the the

84
00:03:58,039 --> 00:03:56,250
footage that has been seen I think that

85
00:04:00,409 --> 00:03:58,049
they could easily pivot if people are

86
00:04:02,449 --> 00:04:00,419
too standoffish with the aliens and are

87
00:04:04,759 --> 00:04:02,459
becoming too fair fearful I think they

88
00:04:08,390 --> 00:04:04,769

could easily pivot all the lights in the

89

00:04:11,290 --> 00:04:08,400

sky the craft to some sort of space

90

00:04:11,300 --> 00:04:16,410

what do you think about space jellyfish

91

00:04:23,520 --> 00:04:19,750

like you know I'm serious about this

92

00:04:27,930 --> 00:04:23,530

some sort of like high altitude high

93

00:04:33,040 --> 00:04:27,940

altitude fish I open dude fast moving

94

00:04:34,930 --> 00:04:33,050

jellyfish do you still have to pee on

95

00:04:36,220 --> 00:04:34,940

where it's stung yeah I don't think and

96

00:04:37,570 --> 00:04:36,230

I think that's an urban myth I don't

97

00:04:40,540 --> 00:04:37,580

think you do that though I think it does

98

00:04:42,430 --> 00:04:40,550

work I'm pretty sure that you can pee on

99

00:04:44,410 --> 00:04:42,440

a jellyfish sting or something like that

100

00:04:46,660 --> 00:04:44,420

well we'll be trying to detonate it so

101
00:04:48,760 --> 00:04:46,670
you're like an organic that's an organic

102
00:04:51,670 --> 00:04:48,770
thing in the hi guys that's my like

103
00:04:53,680 --> 00:04:51,680
that's around I think that if people are

104
00:04:56,760 --> 00:04:53,690
getting a little too fearful of like

105
00:04:58,720 --> 00:04:56,770
aliens and an actual extraterrestrial

106
00:04:59,860 --> 00:04:58,730
civilization out there that they might

107
00:05:01,840 --> 00:04:59,870
try to pave it to something that's a

108
00:05:04,690 --> 00:05:01,850
little bit more organic and doesn't have

109
00:05:07,750 --> 00:05:04,700
a mind and that they're just as

110
00:05:11,080 --> 00:05:07,760
innocuous and maybe as curious sometimes

111
00:05:14,230 --> 00:05:11,090
as a deep ocean jellyfish or some deep

112
00:05:16,540 --> 00:05:14,240
ocean creature there's obviously there's

113
00:05:17,230 --> 00:05:16,550

very deep ocean creatures that we have

114

00:05:19,510 --> 00:05:17,240

yet to discover

115

00:05:21,100 --> 00:05:19,520

I'm sure they'll they'll say you know

116

00:05:22,600 --> 00:05:21,110

what there's a bunch of things in the

117

00:05:25,240 --> 00:05:22,610

air we haven't been able to track or

118

00:05:27,190 --> 00:05:25,250

properly view there's just the inverse

119

00:05:29,380 --> 00:05:27,200

we have high altitude creatures that we

120

00:05:31,720 --> 00:05:29,390

are just now discovering I think they

121

00:05:34,930 --> 00:05:31,730

would position it like that alright I

122

00:05:36,930 --> 00:05:34,940

mean is this a theory you picked up

123

00:05:39,640 --> 00:05:36,940

something somewhere or you're just

124

00:05:44,710 --> 00:05:39,650

spitballing yeah I I believe I read a

125

00:05:46,150 --> 00:05:44,720

theory like that years ago and there you

126

00:05:48,970 --> 00:05:46,160

can look them up there's something

127

00:05:52,180 --> 00:05:48,980

called a roswell rods that was a

128

00:05:54,910 --> 00:05:52,190

ufologist theory that some of the some

129

00:05:57,060 --> 00:05:54,920

of the UFOs yeah they're super secret

130

00:06:00,070 --> 00:05:57,070

technologies some possibly

131

00:06:03,640 --> 00:06:00,080

extraterrestrial spacecraft but as a

132

00:06:06,420 --> 00:06:03,650

person has claimed does this say yeah

133

00:06:10,660 --> 00:06:06,430

these are actually high-altitude flying

134

00:06:13,570 --> 00:06:10,670

jellyfish that's like okay why not let's

135

00:06:14,529 --> 00:06:13,580

do that excuse me

136

00:06:15,580 --> 00:06:14,539

I think that's how they're going to test

137

00:06:17,709 --> 00:06:15,590

this thing Joe

138

00:06:19,779 --> 00:06:17,719

[Music]

139

00:06:22,659 --> 00:06:19,789

there is actual there's a YouTube

140

00:06:26,079 --> 00:06:22,669

channel from the from some of the ex

141

00:06:30,129 --> 00:06:26,089

crew crew members of the USS Nimitz and

142

00:06:34,689 --> 00:06:30,139

on that on that YouTube channel they do

143

00:06:36,819 --> 00:06:34,699

recount some of the stories of what they

144

00:06:40,839 --> 00:06:36,829

experienced out there on the sea with

145

00:06:42,579 --> 00:06:40,849

some of their encounters so I don't know

146

00:06:46,779 --> 00:06:42,589

if I would actually get any trouble from

147

00:06:48,519 --> 00:06:46,789

playing some of this stuff I might I

148

00:06:53,049 --> 00:06:48,529

won't tell if you don't

149

00:06:57,639 --> 00:06:53,059

oh you won't tell okay no okay maybe I

150

00:06:58,989 --> 00:06:57,649

can play a little bit of this see I mean

151

00:07:02,769 --> 00:06:58,999

you know what I won't I'll actually uh

152

00:07:04,689 --> 00:07:02,779

I'll provide the link in in the in the

153

00:07:06,040 --> 00:07:04,699

the slack chat in discord what people

154

00:07:09,429 --> 00:07:06,050

want to check it out but it's just

155

00:07:10,689 --> 00:07:09,439

people just telling their the stories

156

00:07:12,489 --> 00:07:10,699

about what they encountered out there I

157

00:07:14,049 --> 00:07:12,499

know some of the the crew members had a

158

00:07:16,389 --> 00:07:14,059

sign like a nine non-disclosure

159

00:07:18,399 --> 00:07:16,399

agreement and so it's it's pretty

160

00:07:19,509 --> 00:07:18,409

curious that these military people who

161

00:07:21,549 --> 00:07:19,519

originally had to sign not

162

00:07:23,079 --> 00:07:21,559

non-disclosure agreements were

163

00:07:25,600 --> 00:07:23,089

originally told to shut up about this

164

00:07:29,079 --> 00:07:25,610

kind of stuff or naughty or guilted into

165

00:07:30,729 --> 00:07:29,089

not reporting these UFO events and

166

00:07:33,100 --> 00:07:30,739

sightings that now it's just the

167

00:07:34,689 --> 00:07:33,110

floodgates are kind of open and now

168

00:07:36,939 --> 00:07:34,699

they're openly talking about it and

169

00:07:39,159 --> 00:07:36,949

History Channel has a whole series a

170

00:07:41,589 --> 00:07:39,169

brand-new series based upon this yeah

171

00:07:43,619 --> 00:07:41,599

yeah that's probably what I mean it

172

00:07:49,679 --> 00:07:43,629

probably all just points to money and

173

00:07:55,169 --> 00:07:52,149

but this is a pretty big distraction Joe

174

00:07:59,290 --> 00:07:55,179

I mean this is like a world-shaking

175

00:08:01,569 --> 00:07:59,300

distraction if proven true uh you know

176

00:08:04,299 --> 00:08:01,579

I'd love it I'd love it too

177

00:08:05,889 --> 00:08:04,309

I I think this is the terribly

178

00:08:07,540 --> 00:08:05,899

interesting this is like some of the

179

00:08:09,999 --> 00:08:07,550

most interesting stuff to me obviously

180

00:08:15,669 --> 00:08:10,009

because I talk about it every show come

181

00:08:19,869 --> 00:08:15,679

on um phone lines are open six one four

182

00:08:21,219 --> 00:08:19,879

three eight eight nine 109 and the would

183

00:08:23,949 --> 00:08:21,229

be mostly have a take some phone calls

184

00:08:26,379 --> 00:08:23,959

let's mostly that's it that's that's all

185

00:08:29,799 --> 00:08:26,389

I want to talk about UFO disclosure we

186

00:08:31,600 --> 00:08:29,809

certainly can that's until I want to

187

00:08:34,909 --> 00:08:31,610

actually see what the History Channel

188

00:08:41,960 --> 00:08:34,919

does with this series fili frame it

189

00:08:47,360 --> 00:08:45,920

I think all to say of the space aliens

190

00:08:56,590 --> 00:08:47,370

are breeding with humans according to a

191

00:08:59,330 --> 00:08:56,600

university caller you are on the air

192

00:09:03,320 --> 00:08:59,340

this is John Johannesburg FEMA region 3

193

00:09:08,900 --> 00:09:03,330

hey John what's going on hey I want to

194

00:09:11,420 --> 00:09:08,910

talk about aliens ok great so um when I

195

00:09:12,290 --> 00:09:11,430

was a young man when you guys were young

196

00:09:15,320 --> 00:09:12,300

man

197

00:09:19,460 --> 00:09:15,330

aliens were like scary right there was

198

00:09:21,910 --> 00:09:19,470

the alien autopsy x-files had scary

199

00:09:25,190 --> 00:09:21,920

themes I don't even remember one

200

00:09:27,080 --> 00:09:25,200

benevolent alien theme in x-files you

201
00:09:28,910 --> 00:09:27,090
know what I mean yeah it was always an

202
00:09:31,100 --> 00:09:28,920
affair it was always like they're coming

203
00:09:36,290 --> 00:09:31,110
to do something to you and it's probably

204
00:09:38,570 --> 00:09:36,300
not good they took his sister no we're

205
00:09:41,990 --> 00:09:38,580
kind of sweet now right they're not so

206
00:09:43,580 --> 00:09:42,000
mean anymore and and people are even

207
00:09:45,680 --> 00:09:43,590
like boy I hope the aliens come and fix

208
00:09:48,530 --> 00:09:45,690
everything and you know killed Arnold

209
00:09:50,000 --> 00:09:48,540
Bluhm and I and all that jazz I have

210
00:09:51,920 --> 00:09:50,010
been seeing that quite a bit and that

211
00:09:53,660 --> 00:09:51,930
mean that theory goes has been going

212
00:09:56,060 --> 00:09:53,670
around that the aliens are observing us

213
00:09:57,920 --> 00:09:56,070

to possibly one day step in and fix the

214

00:10:00,320 --> 00:09:57,930

earth and all our problems but I don't

215

00:10:01,850 --> 00:10:00,330

know if I buy that I remember things

216

00:10:04,760 --> 00:10:01,860

that they were talking about where like

217

00:10:07,510 --> 00:10:04,770

they're these military reports where

218

00:10:10,070 --> 00:10:07,520

they've got the missile Bay's and

219

00:10:12,170 --> 00:10:10,080

somebody's ready to shoot a missile you

220

00:10:15,230 --> 00:10:12,180

know with a nuclear you know warhead or

221

00:10:17,690 --> 00:10:15,240

whatever and an alien flies by and the

222

00:10:19,370 --> 00:10:17,700

alien just you know twinkles as twinkles

223

00:10:21,230 --> 00:10:19,380

a little light and the missile shuts

224

00:10:23,930 --> 00:10:21,240

down can't shoot the missile anymore you

225

00:10:27,640 --> 00:10:23,940

were that one oh yeah there's tons of

226

00:10:30,980 --> 00:10:27,650

reports of of UFOs interacting with

227

00:10:34,310 --> 00:10:30,990

missile silos other aircraft and being

228

00:10:36,110 --> 00:10:34,320

able to shut down weapons systems you

229

00:10:39,230 --> 00:10:36,120

know right in that sweet oh my god

230

00:10:43,280 --> 00:10:39,240

aliens they can save us aliens are now

231

00:10:45,470 --> 00:10:43,290

benevolent blink one blank 182 guy he's

232

00:10:50,859 --> 00:10:45,480

he's tight with the with the Navy

233

00:10:56,989 --> 00:10:53,480

so we've been talking about the

234

00:10:58,340 --> 00:10:56,999

disclosure think disclosure right

235

00:11:00,379 --> 00:10:58,350

because we know that aliens are not

236

00:11:03,829 --> 00:11:00,389

material you know we know they're

237

00:11:08,449 --> 00:11:03,839

spirits whatever but we've talked about

238

00:11:12,290 --> 00:11:08,459

fake disclosure where an external threat

239

00:11:13,669 --> 00:11:12,300

is going to unify the earth and bring in

240

00:11:16,730 --> 00:11:13,679

one-world government right because we're

241

00:11:18,559 --> 00:11:16,740

so [h__h] scared I'm with you we're not

242

00:11:20,929 --> 00:11:18,569

being that's right we're not being we're

243

00:11:23,299 --> 00:11:20,939

not being geared up for that we're

244

00:11:25,309 --> 00:11:23,309

actually being geared up for it but then

245

00:11:30,189 --> 00:11:25,319

a benevolent God like entity so here's

246

00:11:34,129 --> 00:11:30,199

what I think disclosure is going to be a

247

00:11:37,970 --> 00:11:34,139

benevolent all-knowing practically

248

00:11:41,569 --> 00:11:37,980

godlike alien they're gonna Project Blue

249

00:11:44,769 --> 00:11:41,579

Beam over the Levant and then they're

250

00:11:49,609 --> 00:11:44,779

gonna drop a bunch of orbital nukes on

251
00:11:52,429 --> 00:11:49,619
Iran totally glass Iran and then the

252
00:11:55,939 --> 00:11:52,439
aliens are gonna say we did that because

253
00:11:58,489 --> 00:11:55,949
we're benevolent that huge Dresden style

254
00:12:02,299 --> 00:11:58,499
civilian slaughter we did that because

255
00:12:04,939 --> 00:12:02,309
we're all knowing we were God the whole

256
00:12:09,169 --> 00:12:04,949
time we were protecting our chosen

257
00:12:10,819 --> 00:12:09,179
people and and we're all gonna say Thank

258
00:12:14,660 --> 00:12:10,829
You aliens that's my that's my

259
00:12:16,220 --> 00:12:14,670
contribution to the Jews doesn't it i l

260
00:12:18,079 --> 00:12:16,230
don't I didn't say anything about I

261
00:12:21,049 --> 00:12:18,089
didn't say anything about you know any

262
00:12:23,840 --> 00:12:21,059
sort of sophisticated you know

263
00:12:28,220 --> 00:12:23,850

population like that I would I would I

264

00:12:31,400 --> 00:12:28,230

would adjust it I would say that that

265

00:12:34,549 --> 00:12:31,410

the the aliens or the oh if I just to

266

00:12:37,280 --> 00:12:34,559

amend your your theory here is that all

267

00:12:39,829 --> 00:12:37,290

the damage would get done then the

268

00:12:42,230 --> 00:12:39,839

aliens come down so they can be the

269

00:12:46,970 --> 00:12:42,240

arbiters of peace and Beebe eleventh and

270

00:12:48,650 --> 00:12:46,980

and be all-knowing in wises culture to

271

00:12:51,410 --> 00:12:48,660

teach us because I think so you're gonna

272

00:12:53,720 --> 00:12:51,420

have to have some some [h__\h] popping off

273

00:12:55,789 --> 00:12:53,730

before they come down I don't think they

274

00:12:58,129 --> 00:12:55,799

come down and and then it happens I

275

00:13:01,410 --> 00:12:58,139

don't think that would might also help

276

00:13:04,250 --> 00:13:01,420

to explain all of the shitty CGI that

277

00:13:06,300 --> 00:13:04,260

in the movies lately you know it's been

278

00:13:08,730 --> 00:13:06,310

highly underwhelming

279

00:13:09,930 --> 00:13:08,740

I agree four years now right you think

280

00:13:12,720 --> 00:13:09,940

they're all hiring all the good ones are

281

00:13:16,170 --> 00:13:12,730

hired out they've got they've got

282

00:13:18,150 --> 00:13:16,180

actually tight CGI in the works and

283

00:13:21,810 --> 00:13:18,160

there's this getting us conditioned to

284

00:13:24,000 --> 00:13:21,820

like lame stuff also that in a few years

285

00:13:28,530 --> 00:13:24,010

they can roll out the current up-to-date

286

00:13:30,330 --> 00:13:28,540

CGI and show us video of these aliens

287

00:13:35,160 --> 00:13:30,340

you know like a you know holding

288

00:13:37,290 --> 00:13:35,170

tribunals and you know trying war

289

00:13:40,110 --> 00:13:37,300

criminals and orbiting orbiting peace

290

00:13:42,960 --> 00:13:40,120

and it'll be convincing right because we

291

00:13:44,160 --> 00:13:42,970

just saw Avengers endgame and it looks

292

00:13:47,850 --> 00:13:44,170

so bad

293

00:13:49,980 --> 00:13:47,860

you know I I but how's anybody and Joe's

294

00:13:53,550 --> 00:13:49,990

got a got to be with me here how can

295

00:13:56,130 --> 00:13:53,560

anybody believe anything they see on TV

296

00:13:58,560 --> 00:13:56,140

with all the deep fake video stuff going

297

00:14:01,620 --> 00:13:58,570

on and with how good technology really

298

00:14:04,800 --> 00:14:01,630

is you're gonna need some really really

299

00:14:06,440 --> 00:14:04,810

concrete proof some video proof before

300

00:14:10,840 --> 00:14:06,450

anybody's gonna believe at least for me

301
00:14:12,130 --> 00:14:10,850
considering everything that we read yep

302
00:14:13,540 --> 00:14:12,140
not gonna be enough but you know who

303
00:14:15,310 --> 00:14:13,550
knows I mean people believe the okay

304
00:14:16,690 --> 00:14:15,320
simple thing it was that all this

305
00:14:19,030 --> 00:14:16,700
precondition with all this

306
00:14:20,890 --> 00:14:19,040
preconditioning you know work we're

307
00:14:22,720 --> 00:14:20,900
ready to believe it we want to believe

308
00:14:25,860 --> 00:14:22,730
it then and that is sort of the danger

309
00:14:30,240 --> 00:14:25,870
with with you know deep fakes is that

310
00:14:32,710 --> 00:14:30,250
they'll say something plausible you know

311
00:14:34,000 --> 00:14:32,720
nobody's worried about them saying

312
00:14:35,590 --> 00:14:34,010
something ridiculous

313
00:14:39,010 --> 00:14:35,600

it's something that's that's almost

314

00:14:40,990 --> 00:14:39,020

plausible and fake quotes and fake

315

00:14:44,800 --> 00:14:41,000

quotes in mainstream media and all this

316

00:14:47,650 --> 00:14:44,810

stuff it's it only works because we've

317

00:14:51,820 --> 00:14:47,660

been primed for it for the last couple

318

00:14:53,560 --> 00:14:51,830

of years an alien disclosure sweetheart

319

00:14:56,400 --> 00:14:53,570

aliens they've been priming us on this

320

00:14:59,710 --> 00:14:56,410

for a while well the they've been Prime

321

00:15:02,050 --> 00:14:59,720

Minister did off with good aliens with

322

00:15:04,480 --> 00:15:02,060

ithi and Close Encounters of the Third

323

00:15:07,150 --> 00:15:04,490

Kind then it switched in the mid-90s to

324

00:15:10,330 --> 00:15:07,160

the evil aliens with with an

325

00:15:11,950 --> 00:15:10,340

Independence Day and Mars Attacks yeah I

326

00:15:15,310 --> 00:15:11,960

don't know if it's if it's swinging back

327

00:15:18,130 --> 00:15:15,320

to the good guy aliens I I haven't seen

328

00:15:19,870 --> 00:15:18,140

too many movies where it big powerful

329

00:15:21,610 --> 00:15:19,880

great blockbuster movies where the

330

00:15:23,110 --> 00:15:21,620

aliens come and save us and are nice I

331

00:15:25,109 --> 00:15:23,120

haven't seen that yet so maybe you're

332

00:15:28,139 --> 00:15:25,119

right

333

00:15:34,799 --> 00:15:28,149

you

334

00:15:37,289 --> 00:15:34,809

absolutely bye he talks with an
