

UFO HUNTERS OF SILICON VALLEY

PARENTAL
ADVISORY
EXPLICIT CONTENT

1
00:00:00,300 --> 00:00:07,480
[Applause]

2
00:00:07,490 --> 00:00:13,810
this is a little bit more ufo-related

3
00:00:19,099 --> 00:00:16,460
directly or ufo-related this is a

4
00:00:20,750 --> 00:00:19,109
headline meets Silicon Valley's UFO

5
00:00:23,480 --> 00:00:20,760
Hunters a small group of venture

6
00:00:25,939 --> 00:00:23,490
capitalists and technologists believe

7
00:00:29,390 --> 00:00:25,949
that humans can capture in

8
00:00:31,849 --> 00:00:29,400
reverse-engineer UFOs and that trying to

9
00:00:34,340 --> 00:00:31,859
do so might be a good investment of

10
00:00:35,510 --> 00:00:34,350
course so these guys are a little late

11
00:00:38,990 --> 00:00:35,520
to the game but good for them for

12
00:00:41,180 --> 00:00:39,000
hopping on board there would be nothing

13
00:00:43,040 --> 00:00:41,190

more disruptive than a sudden discovery

14

00:00:44,930 --> 00:00:43,050

of aliens perhaps that's why a small

15

00:00:47,360 --> 00:00:44,940

contingent of Silicon Valley small

16

00:00:49,959 --> 00:00:47,370

contingent of Silicon Valley is so

17

00:00:52,720 --> 00:00:49,969

interested in UFOs in what they know

18

00:00:56,000 --> 00:00:52,730

what they know of whose Pollyanna

19

00:00:57,709 --> 00:00:56,010

piloting them with UF knee with the US

20

00:00:59,779 --> 00:00:57,719

Navy pilots coming forward to talk about

21

00:01:02,990 --> 00:00:59,789

their encounters with anomalous aerial

22

00:01:05,810 --> 00:01:03,000

vehicles UFO hunters are starting to

23

00:01:08,300 --> 00:01:05,820

feel vindicated a cross-section of

24

00:01:10,600 --> 00:01:08,310

technologists who are also UFO

25

00:01:14,120 --> 00:01:10,610

enthusiasts believe that they are not

26

00:01:15,620 --> 00:01:14,130

only that they not only exist but they

27

00:01:17,600 --> 00:01:15,630

can make significant scientific

28

00:01:18,980 --> 00:01:17,610

breakthroughs by studying them well no

29

00:01:22,950 --> 00:01:18,990

[h__\h] [h__\h] you just got to get

30

00:01:27,480 --> 00:01:25,310

who these people are we talking about

31

00:01:29,880 --> 00:01:27,490

Mark Zuckerberg is he going out there

32

00:01:31,649 --> 00:01:29,890

UFO hunting is he out there playing with

33

00:01:34,230 --> 00:01:31,659

the little greys

34

00:01:36,380 --> 00:01:34,240

who knows people for that yeah he hired

35

00:01:38,520 --> 00:01:36,390

his personal assistant is a UFO hunter

36

00:01:41,100 --> 00:01:38,530

yeah go get me a coffee from Starbucks

37

00:01:44,290 --> 00:01:41,110

and go find me somebody from Zeta

38

00:01:52,010 --> 00:01:49,040

let's see here Rizwan zurich plays play

39

00:01:54,980 --> 00:01:52,020

labs he's he's also a Silicon Valley

40

00:01:58,220 --> 00:01:54,990

entrepreneur angel investor author of

41

00:02:01,100 --> 00:01:58,230

the simulation hypothesis hypothesis and

42

00:02:03,500 --> 00:02:01,110

finds UFOs compelling as a technologist

43

00:02:05,000 --> 00:02:03,510

and scientist I am interested in the

44

00:02:07,850 --> 00:02:05,010

phenomenon because I believe mainstream

45

00:02:09,830 --> 00:02:07,860

science may have had only discovered 5%

46

00:02:12,080 --> 00:02:09,840

of the truth about reality and the other

47

00:02:13,760 --> 00:02:12,090

95% is still out there he said an

48

00:02:14,810 --> 00:02:13,770

interview well yeah I think so

49

00:02:17,570 --> 00:02:14,820

science is always a little behind

50

00:02:19,880 --> 00:02:17,580

they're way behind on this wait did they

51
00:02:24,760 --> 00:02:19,890
not figure it all out yet science hasn't

52
00:02:31,870 --> 00:02:29,410
uh Burke said that studying UFOs whether

53
00:02:34,210 --> 00:02:31,880
they are real or not has been had have

54
00:02:36,430 --> 00:02:34,220
challenged his ideas of what he believes

55
00:02:38,770 --> 00:02:36,440
is possible this phenomenon seems to be

56
00:02:40,600 --> 00:02:38,780
about advanced technology that doesn't

57
00:02:44,170 --> 00:02:40,610
always fit into our current model of

58
00:02:49,080 --> 00:02:44,180
what is technology and what isn't he

59
00:02:52,150 --> 00:02:49,090
said well these none of this makes sense

60
00:02:55,330 --> 00:02:52,160
I'll give him credit here that he's our

61
00:02:58,300 --> 00:02:55,340
guy these are people that with a lot of

62
00:03:00,130 --> 00:02:58,310
money they invest in big-time companies

63
00:03:02,770 --> 00:03:00,140

they're probably multi millionaires it's

64

00:03:04,840 --> 00:03:02,780

not billionaires and they're taking some

65

00:03:08,800 --> 00:03:04,850

of their money to do some research

66

00:03:10,900 --> 00:03:08,810

which is great the problem is with the

67

00:03:13,090 --> 00:03:10,910

previous episodes that we've had here

68

00:03:14,770 --> 00:03:13,100

talking about UFOs is that when you go

69

00:03:16,870 --> 00:03:14,780

sniffing around looking at these private

70

00:03:18,370 --> 00:03:16,880

companies wanting to know more about

71

00:03:20,020 --> 00:03:18,380

this information they'll tell you to

72

00:03:22,600 --> 00:03:20,030

pounce and get the [h__h] out of here

73

00:03:26,590 --> 00:03:22,610

we're not telling you what we got and

74

00:03:28,120 --> 00:03:26,600

I'm not I don't really trust that these

75

00:03:32,460 --> 00:03:28,130

guys would do the right thing where they

76
00:03:34,600 --> 00:03:32,470
happen to discover anything look at you

77
00:03:36,340 --> 00:03:34,610
would you [h__h] would you become like

78
00:03:37,660 --> 00:03:36,350
right onto Facebook like dudes I get I

79
00:03:38,830 --> 00:03:37,670
found a UFO or would you want to like

80
00:03:42,940 --> 00:03:38,840
figure it out and be like what do I got

81
00:03:43,930 --> 00:03:42,950
here how much can I charge I would try

82
00:03:45,970 --> 00:03:43,940
to figure it out first I would

83
00:03:47,440 --> 00:03:45,980
definitely go public with it there's no

84
00:03:49,150 --> 00:03:47,450
doubt about it I would definitely go

85
00:03:50,590 --> 00:03:49,160
public with it but I would have to

86
00:03:54,010 --> 00:03:50,600
consider all the consequences of doing

87
00:03:57,160 --> 00:03:54,020
so once you hypothetically UFO comes

88
00:03:59,020 --> 00:03:57,170

down we start playing call of duty

89

00:04:00,070 --> 00:03:59,030

together you know me and the aliens are

90

00:04:03,550 --> 00:04:00,080

playing call of duty I take some

91

00:04:04,810 --> 00:04:03,560

pictures do some selfies and then after

92

00:04:06,670 --> 00:04:04,820

about an hour they leave I have great

93

00:04:08,650 --> 00:04:06,680

video evidence they tell me a lot about

94

00:04:10,030 --> 00:04:08,660

where they come from how their crafts

95

00:04:11,470 --> 00:04:10,040

operate I would document all the

96

00:04:14,760 --> 00:04:11,480

information well once you release that

97

00:04:16,930 --> 00:04:14,770

then everyone will be coming at you

98

00:04:19,960 --> 00:04:16,940

inevitably the government will swoop

99

00:04:22,330 --> 00:04:19,970

sweep in and try to take everything that

100

00:04:24,159 --> 00:04:22,340

you have and make it all seem as this

101
00:04:26,860 --> 00:04:24,169
it's just a swamp gas Mike you weren't

102
00:04:32,470 --> 00:04:26,870
playing PlayStation with an alien you're

103
00:04:37,510 --> 00:04:32,480
playing with swamp gas so you'd have to

104
00:04:38,690 --> 00:04:37,520
be ready for just the storm of media and

105
00:04:40,970 --> 00:04:38,700
government attention

106
00:04:43,850 --> 00:04:40,980
and I think I don't know would public

107
00:04:45,710 --> 00:04:43,860
would be going public would that be

108
00:04:47,060 --> 00:04:45,720
worth it ultimately for you in the end

109
00:04:48,290 --> 00:04:47,070
yeah you might care about the truth and

110
00:04:49,820 --> 00:04:48,300
getting information out there but

111
00:04:54,650 --> 00:04:49,830
ultimately it just might be a headache

112
00:04:56,750 --> 00:04:54,660
you have to write a book oh yeah got to

113
00:05:00,080 --> 00:04:56,760

write a book I would probably do a TV

114

00:05:02,510 --> 00:05:00,090

series with Matt LeBlanc from friends in

115

00:05:04,040 --> 00:05:02,520

a minute and maybe Matthew Perry from

116

00:05:07,160 --> 00:05:04,050

friends we could do like a new friends

117

00:05:08,450 --> 00:05:07,170

spin-off series it has nothing to do

118

00:05:11,360 --> 00:05:08,460

with the alien encounter do something I

119

00:05:13,400 --> 00:05:11,370

want to do but yeah I mean what would

120

00:05:16,310 --> 00:05:13,410

you do Joe if you got if you were in my

121

00:05:17,930 --> 00:05:16,320

situation you came into knowledge and

122

00:05:19,570 --> 00:05:17,940

maybe even possession of some alien

123

00:05:23,370 --> 00:05:19,580

material would you go public I

124

00:05:25,860 --> 00:05:23,380

definitely want to figure it out first

125

00:05:28,710 --> 00:05:25,870

and then I'd make my decision based on

126
00:05:30,660 --> 00:05:28,720
whether or not it you know put something

127
00:05:32,100 --> 00:05:30,670
in my face and burst out of my chest or

128
00:05:33,060 --> 00:05:32,110
whether it was cool and I could do

129
00:05:34,380 --> 00:05:33,070
something fun with it

130
00:05:36,510 --> 00:05:34,390
well I don't know how much we could

131
00:05:38,340 --> 00:05:36,520
figure out like I'm not a scientist

132
00:05:41,940 --> 00:05:38,350
people believe it or not like if they

133
00:05:43,500 --> 00:05:41,950
gave me this like it like let's say like

134
00:05:45,300 --> 00:05:43,510
an orb the size of a basketball inside

135
00:05:47,580 --> 00:05:45,310
here this is our this is our reactor

136
00:05:50,430 --> 00:05:47,590
system it is some sort of antimatter

137
00:05:52,620 --> 00:05:50,440
reactive system and I wouldn't know how

138
00:05:54,540 --> 00:05:52,630

to figure it out I'd be like if there's

139

00:05:55,800 --> 00:05:54,550

batteries that need to be changed I

140

00:05:57,570 --> 00:05:55,810

probably could figure that out you need

141

00:06:00,900 --> 00:05:57,580

me to hammer something beyond that a

142

00:06:02,910 --> 00:06:00,910

thérèse idea would eat the triple a's I

143

00:06:04,320 --> 00:06:02,920

can put in there to fix that well I

144

00:06:06,300 --> 00:06:04,330

wouldn't know how to reverse engineer it

145

00:06:08,310 --> 00:06:06,310

I would have to go to somebody who is

146

00:06:10,110 --> 00:06:08,320

way more knowledgeable at that point

147

00:06:13,340 --> 00:06:10,120

where you just go to NASA with your

148

00:06:16,110 --> 00:06:13,350

antimatter reactor under your arm sure

149

00:06:18,840 --> 00:06:16,120

you're going to return it without a

150

00:06:19,950 --> 00:06:18,850

receipt target will do that but they'll

151

00:06:25,170 --> 00:06:19,960

just give you a store credit

152

00:06:29,690 --> 00:06:25,180

yeah it's fast things read the last

153

00:06:32,250 --> 00:06:29,700

paragraph vice vice yeah it's um vice

154

00:06:34,800 --> 00:06:32,260

I'll read the last little two paragraphs

155

00:06:37,590 --> 00:06:34,810

here some reports of the technology have

156

00:06:40,080 --> 00:06:37,600

said that it gets into areas we are

157

00:06:42,840 --> 00:06:40,090

where we are just starting to explore in

158

00:06:46,860 --> 00:06:42,850

silicon silicon valley mine computer

159

00:06:49,080 --> 00:06:46,870

interfaces somewhere in the liberals of

160

00:06:51,390 --> 00:06:49,090

state somewhere in this liberal state

161

00:06:54,600 --> 00:06:51,400

between humanity and machines between us

162

00:06:58,430 --> 00:06:54,610

and the tools we create rest for lack of

163

00:07:01,050 --> 00:06:58,440

a better term an alien UFOs real or not

164

00:07:04,620 --> 00:07:01,060

abduct not only our culture but the

165

00:07:07,560 --> 00:07:04,630

imaginations and in true intrusions of

166

00:07:10,290 --> 00:07:07,570

some of the brightest minds intuitions

167

00:07:12,360 --> 00:07:10,300

of our brightest minds perhaps this

168

00:07:14,310 --> 00:07:12,370

little band of youth UFO knots in

169

00:07:16,730 --> 00:07:14,320

Silicon Valley served as a reminder that

170

00:07:20,970 --> 00:07:16,740

we ought not take things for granted

171

00:07:23,790 --> 00:07:20,980

that we that what we deem as normal is

172

00:07:25,380 --> 00:07:23,800

often arbitrary UFOs and the people who

173

00:07:28,050 --> 00:07:25,390

are interested in them make society

174

00:07:31,409 --> 00:07:28,060

uncomfortable because they symbolize one

175

00:07:34,230 --> 00:07:31,419

of our greatest fears change apparently

176

00:07:37,020 --> 00:07:34,240

these guys is really they want to grab

177

00:07:41,820 --> 00:07:37,030

this technology and learn how to fuse it

178

00:07:43,920 --> 00:07:41,830

humanity creating the cyborgs which is

179

00:07:47,700 --> 00:07:43,930

not far off if you listen if you listen

180

00:07:49,500 --> 00:07:47,710

to any kind of UFO deep UFO stuff and

181

00:07:52,110 --> 00:07:49,510

it's like people who came out of area 51

182

00:07:56,000 --> 00:07:52,120

even I think Bob Lazar even mentioned it

183

00:08:00,120 --> 00:07:56,010

at a time that they believe that these

184

00:08:02,750 --> 00:08:00,130

crafts have a mind machine interface

185

00:08:05,100 --> 00:08:02,760

they don't know how it works and that

186

00:08:08,430 --> 00:08:05,110

some of the abductees believe that they

187

00:08:10,500 --> 00:08:08,440

were abducted not by aliens but by the

188

00:08:12,720 --> 00:08:10,510

military or some sort of black project

189

00:08:15,020 --> 00:08:12,730

to find out if they have the ability to

190

00:08:19,320 --> 00:08:15,030

do some sort of mind machine melt

191

00:08:21,480 --> 00:08:19,330

they're unable to do it right now and I

192

00:08:23,910 --> 00:08:21,490

find that completely fascinating they

193

00:08:26,610 --> 00:08:23,920

were working on mine machine

194

00:08:28,380 --> 00:08:26,620

interactions right now but you know

195

00:08:31,530 --> 00:08:28,390

we're not there yet for a while yeah

196

00:08:33,420 --> 00:08:31,540

they've been trying as long as I can

197

00:08:35,520 --> 00:08:33,430

remember that's been in science fiction

198

00:08:37,170 --> 00:08:35,530

they were trying to do this stuff Hey

199

00:08:39,990 --> 00:08:37,180

Joe did you watch did you watch that Bob

200

00:08:41,460 --> 00:08:40,000

Lazar Joe Rogan interview no I've

201
00:08:45,380 --> 00:08:41,470
thought about ideas I never got around

202
00:08:47,390 --> 00:08:45,390
to it you know Brogan assistants

203
00:08:51,230 --> 00:08:47,400
got a bad taste in my mouth about him

204
00:08:53,300 --> 00:08:51,240
yeah that's right he's friends with Alex

205
00:08:55,730 --> 00:08:53,310
Jones again but good

206
00:08:58,280 --> 00:08:55,740
I recommend you you watch it there is

207
00:09:01,070 --> 00:08:58,290
one one piece of information that he

208
00:09:03,590 --> 00:09:01,080
stated that I hadn't previously heard in

209
00:09:06,290 --> 00:09:03,600
the documentary or anything he said that

210
00:09:08,150 --> 00:09:06,300
there were nine alien crafts at area 51

211
00:09:10,910 --> 00:09:08,160
he got a chance to work on one of them

212
00:09:16,130 --> 00:09:10,920
he saw a few other and from his reading

213
00:09:19,220 --> 00:09:16,140

of the the background on this stuff what

214

00:09:21,440 --> 00:09:19,230

they gave him at the facility he's under

215

00:09:25,220 --> 00:09:21,450

the impression that at least one of the

216

00:09:27,770 --> 00:09:25,230

craft was produced as as a result of an

217

00:09:29,690 --> 00:09:27,780

archaeological dig meaning they found it

218

00:09:32,000 --> 00:09:29,700

while they're trying to dig around for

219

00:09:34,520 --> 00:09:32,010

stuff I like that that's cool reminds me

220

00:09:41,210 --> 00:09:34,530

that book sphere by Michael Crichton

221

00:09:43,220 --> 00:09:41,220

where they find this spacecraft at the

222

00:09:45,650 --> 00:09:43,230

bottom of the sea and it's been there

223

00:09:47,750 --> 00:09:45,660

for like centuries or whatever do you

224

00:09:49,040 --> 00:09:47,760

remember this no but it sounds vaguely

225

00:09:50,690 --> 00:09:49,050

familiar

226

00:09:51,980 --> 00:09:50,700

ah it was such a cool book they made it

227

00:09:54,110 --> 00:09:51,990

into a movie I don't think they did it

228

00:09:58,130 --> 00:09:54,120

as much justice but it turns out that

229

00:09:59,600 --> 00:09:58,140

the spacecraft was human and it had come

230

00:10:01,400 --> 00:09:59,610

back in time or some [h__h] through a

231

00:10:03,380 --> 00:10:01,410

black hole or some craziness and stuff

232

00:10:05,750 --> 00:10:03,390

it's [h__h] fascinating fun book but

233

00:10:08,240 --> 00:10:05,760

yeah I love that that's cool yeah yeah

234

00:10:10,550 --> 00:10:08,250

that movie I believe had seminal Jackson

235

00:10:12,890 --> 00:10:10,560

and Dustin Hoffman I think the movie is

236

00:10:15,290 --> 00:10:12,900

called yeah it's called spear or

237

00:10:18,740 --> 00:10:15,300

something like that yeah it's crazy in

238

00:10:20,840 --> 00:10:18,750

that machine that or that ship that they

239

00:10:23,030 --> 00:10:20,850

were interacting with did have a mind

240

00:10:24,950 --> 00:10:23,040

machine interaction where anything you

241

00:10:27,170 --> 00:10:24,960

thought of became your reality you

242

00:10:29,540 --> 00:10:27,180

didn't control your thoughts your your

243

00:10:32,390 --> 00:10:29,550

manifesting things that you yourse

244

00:10:33,800 --> 00:10:32,400

absconds was was ingesting that but now

245

00:10:36,200 --> 00:10:33,810

a few days ago so one of the guys in the

246

00:10:38,900 --> 00:10:36,210

movie was reading the book I think

247

00:10:40,760 --> 00:10:38,910

20,000 leagues below below the sea and

248

00:10:42,950 --> 00:10:40,770

so that was filtering into what he was

249

00:10:48,570 --> 00:10:42,960

thinking about thus producing producing

250

00:10:53,100 --> 00:10:50,940

well that's that's the UFO stuff you got

251

00:10:55,350 --> 00:10:53,110

risk people in Silicon Valley hunting

252

00:10:59,509 --> 00:10:55,360

for UFOs and they're gonna make stuff

253

00:11:02,160 --> 00:10:59,519

out of it I love it look for the IPO

254

00:11:03,930 --> 00:11:02,170

it's let's move on a little bit here and

255

00:11:07,860 --> 00:11:03,940

maybe thank some people let's do it

256

00:11:11,090 --> 00:11:07,870

Oh wrong button we want we wanted this

257

00:11:19,670 --> 00:11:16,930

[Music]

258

00:11:22,270 --> 00:11:19,680

we've got to stop them

259

00:11:25,690 --> 00:11:22,280

alright let's do a little bit of a

260

00:11:28,310 --> 00:11:25,700

thank-you segment do the drawbridge of

261

00:11:29,210 --> 00:11:28,320

donations shouldn't we do that it's been

262

00:11:32,000 --> 00:11:29,220

a while since we opened up the

263

00:11:33,320 --> 00:11:32,010

drawbridge yeah yeah you know I tend to

264

00:11:35,720 --> 00:11:33,330

prefer it on a Wednesday because it

265

00:11:37,460 --> 00:11:35,730

tends it's a longer sake no well I I

266

00:11:39,980 --> 00:11:37,470

meant to do it on Wednesday but we'll do

267

00:11:43,370 --> 00:11:39,990

it right now yeah there you go and walk

268

00:11:47,240 --> 00:11:43,380

across the drawbridge of donations open

269

00:11:50,740 --> 00:11:47,250

up the door shut it immediately what's

270

00:11:54,500 --> 00:11:50,750

the truth unzipping the Giant Dipper

271

00:11:56,720 --> 00:11:54,510

272

00:11:57,400 --> 00:11:56,730

the dog and there's the little cat

273

00:12:04,610 --> 00:11:57,410

little

274

00:12:07,730 --> 00:12:04,620

fluff the donkey odesi there we go and I

275

00:12:09,830 --> 00:12:07,740

and supporting the show I wanna say

280

00:12:26,450 --> 00:12:24,080

she moved over to England used to live

282

00:12:31,640 --> 00:12:29,400

in Columbus and just consider show so hi

283

00:12:33,380 --> 00:12:31,650

Holly she's also in a band I'll provide

284

00:12:35,540 --> 00:12:33,390

a link in description I'll play a little

285

00:12:37,430 --> 00:12:35,550

snippet of her of her band at the end of

286

00:12:41,120 --> 00:12:37,440

the show it's like that time will they

287

00:12:42,450 --> 00:12:41,130

go hardcore punk pretty cool stuff so

288

00:12:46,400 --> 00:12:42,460

check it out

289

00:12:51,780 --> 00:12:46,410

no my guys this week all that stop yeah

290

00:12:53,430 --> 00:12:51,790

thank you everyone thank you very much

292

00:12:58,320 --> 00:12:55,960

and we'll do a maybe a longer donation

293

00:13:01,530 --> 00:12:58,330

drawbridge donations next week or the

294

00:13:03,480 --> 00:13:01,540

week after thank you and k-dog has a

295

00:13:05,850 --> 00:13:03,490

good idea from the chat why don't you

296

00:13:09,630 --> 00:13:05,860

add that t-shirt link at the top of the

297

00:13:12,210 --> 00:13:09,640

description to this video for today it's

298

00:13:13,710 --> 00:13:12,220

it's actually at the very bottom oh it's

299

00:13:16,050 --> 00:13:13,720

like why don't you move it up to the top

300

00:13:17,760 --> 00:13:16,060

k-dog see it is in there you just got a

301
00:13:19,440 --> 00:13:17,770
scroll down yeah people got to read a

302
00:13:21,600 --> 00:13:19,450
lot of times like it all get comments on

303
00:13:23,610 --> 00:13:21,610
youtubes okay where's uh how can I find

304
00:13:25,050 --> 00:13:23,620
the article you're you're talking about

305
00:13:27,210 --> 00:13:25,060
it's in the description

306
00:13:31,440 --> 00:13:27,220
yeah that's at the bottom of the links

307
00:13:33,380 --> 00:13:31,450
yeah there you go there you go uh Joe

308
00:13:36,930 --> 00:13:33,390
you got anything you want to talk about

309
00:13:40,199 --> 00:13:36,940
yeah we got to we got to continue with

310
00:13:43,320 --> 00:13:40,209
our gay shame no this is the last last

311
00:13:45,240 --> 00:13:43,330
segment of the gay shame yes last last

312
00:13:49,320 --> 00:13:45,250
segment and we're gonna start it without

313
00:13:50,730 --> 00:13:49,330

being gay at all no exactly so we're

314

00:13:52,470 --> 00:13:50,740

gonna follow up on a story we talked

315

00:13:53,970 --> 00:13:52,480

about on a previous show and I think

316

00:13:55,650 --> 00:13:53,980

there's a video attached to this if you

317

00:13:59,519 --> 00:13:55,660

want to play this not so much

318

00:14:01,410 --> 00:13:59,529

gay shame but somewhat related is this

319

00:14:04,920 --> 00:14:01,420

the Boston shame because this comes from

320

00:14:07,170 --> 00:14:04,930

Boston yep it is so this is Boston shame

321

00:14:09,510 --> 00:14:07,180

okay they know no shame in Boston they

322

00:14:10,410 --> 00:14:09,520

don't care oh my god they're doing

323

00:14:14,280 --> 00:14:10,420

god-knows-what

324

00:14:16,019 --> 00:14:14,290

here we go this is uh from CBS local

325

00:14:18,810 --> 00:14:16,029

organizers heat set first rate

326

00:14:21,240 --> 00:14:18,820

preparation here we go a controversial

327

00:14:23,579 --> 00:14:21,250

parade got their final approval today to

328

00:14:24,750 --> 00:14:23,589

make that event a reality wbz's Liam

329

00:14:26,640 --> 00:14:24,760

Martin joins us now with the details

330

00:14:28,680 --> 00:14:26,650

live Apollo the public events

331

00:14:30,660 --> 00:14:28,690

application for the straight Pride

332

00:14:32,910 --> 00:14:30,670

Parade was approved today by the city of

333

00:14:36,090 --> 00:14:32,920

Boston the group putting on the parade

334

00:14:38,510 --> 00:14:36,100

called super happy fun America be

335

00:14:42,150 --> 00:14:38,520

holding that event Saturday August 31st

336

00:14:44,430 --> 00:14:42,160

they say it is a celebration of quote

337

00:14:47,519 --> 00:14:44,440

being straight saying that they are not

338

00:14:50,190 --> 00:14:47,529

an anti-gay organization the parades

339

00:14:52,500 --> 00:14:50,200

Grand Marshal is set to be my Logan

340

00:14:54,449 --> 00:14:52,510

appeals a political commentator who has

341

00:14:56,210 --> 00:14:54,459

been banned from Facebook and Twitter

342

00:14:58,280 --> 00:14:56,220

for hate speech

343

00:15:00,470 --> 00:14:58,290

Marty Walsh will not be attending the

344

00:15:03,320 --> 00:15:00,480

events but he has previously said that

345

00:15:05,540 --> 00:15:03,330

the city cannot deny a permit based on

346

00:15:08,030 --> 00:15:05,550

an organization chose the parade the

347

00:15:10,940 --> 00:15:08,040

organizer spoke today about what he

348

00:15:13,640 --> 00:15:10,950

hopes can come of the event I agree it's

349

00:15:15,800 --> 00:15:13,650

unusual to have something like this but

350

00:15:17,330 --> 00:15:15,810

a lot of things seem unpopular at first

351
00:15:21,200 --> 00:15:17,340
and then they become mainstream you know

352
00:15:23,090 --> 00:15:21,210
that so we we don't hate anyone and we

353
00:15:25,100 --> 00:15:23,100
just want to have a our own celebration

354
00:15:27,260 --> 00:15:25,110
just like everybody else has a right to

355
00:15:29,060 --> 00:15:27,270
and all people from all communities are

356
00:15:32,300 --> 00:15:29,070
welcome so long as they show mutual

357
00:15:34,610 --> 00:15:32,310
respect ok now in equal rights activist

358
00:15:36,620 --> 00:15:34,620
group fight supremacy is planning a

359
00:15:37,580 --> 00:15:36,630
counter protest in response to the

360
00:15:41,630 --> 00:15:37,590
straight Pride Parade

361
00:15:45,470 --> 00:15:41,640
on August 31st David oh my god oh my god

362
00:15:47,330 --> 00:15:45,480
J so you got a protest that don't you

363
00:15:49,190 --> 00:15:47,340

so the why can't they just let people

364

00:15:51,650 --> 00:15:49,200

but they said it was an all inclusive

365

00:15:55,600 --> 00:15:51,660

event and from what I read it yeah

366

00:15:58,220 --> 00:15:55,610

they're they're inviting a gay straight

367

00:16:00,110 --> 00:15:58,230

every ethnicity every race through this

368

00:16:02,690 --> 00:16:00,120

come out there March and have a good

369

00:16:04,400 --> 00:16:02,700

time what's their what what is there

370

00:16:05,060 --> 00:16:04,410

really to protest besides someone's

371

00:16:07,550 --> 00:16:05,070

sexuality

372

00:16:10,160 --> 00:16:07,560

well isn't that wasn't that what

373

00:16:13,430 --> 00:16:10,170

everything before like the 80s was you'd

374

00:16:16,700 --> 00:16:13,440

have religious right groups go out there

375

00:16:21,110 --> 00:16:16,710

protesting gay people and gay events and

376

00:16:23,090 --> 00:16:21,120

gay clubs yeah well yeah anytime you go

377

00:16:25,640 --> 00:16:23,100

to the Pride festivals you've got these

378

00:16:27,830 --> 00:16:25,650

people with the you know the bull horns

379

00:16:29,390 --> 00:16:27,840

talking about God hates you and you're

380

00:16:31,850 --> 00:16:29,400

all gonna rot in hell and everything and

381

00:16:35,480 --> 00:16:31,860

you're just kind of like fine do your

382

00:16:37,820 --> 00:16:35,490

thing God knows toast and I I find it to

383

00:16:39,230 --> 00:16:37,830

be you know kind of lame that you're

384

00:16:41,480 --> 00:16:39,240

gonna come out here and tell us you know

385

00:16:44,030 --> 00:16:41,490

where we can put our private parts and

386

00:16:46,340 --> 00:16:44,040

and who can touch them it's so weird

387

00:16:47,660 --> 00:16:46,350

but then the gay people are so upset

388

00:16:49,329 --> 00:16:47,670

that the straight people are gonna have

389

00:16:52,790 --> 00:16:49,339

this that they need to protest it it's

390

00:16:55,770 --> 00:16:52,800

okay it's weird they have become what

391

00:16:57,420 --> 00:16:55,780

they once hated yep

392

00:16:59,600 --> 00:16:57,430

they can they don't even see it that

393

00:17:03,210 --> 00:16:59,610

they have become exactly what they once

394

00:17:05,370 --> 00:17:03,220

protested against instead of saying you

395

00:17:07,770 --> 00:17:05,380

know what the these straight Boston guys

396

00:17:10,350 --> 00:17:07,780

they want to get out there and celebrate

397

00:17:12,540 --> 00:17:10,360

their their straightness we should go

398

00:17:17,189 --> 00:17:12,550

out there and support them no it's it's

399

00:17:19,829 --> 00:17:17,199

it's it's the opposite thing I know I

400

00:17:21,900 --> 00:17:19,839

know it's like even as a gay dude I

401
00:17:24,000 --> 00:17:21,910
could go and go over there and celebrate

402
00:17:26,090 --> 00:17:24,010
it and just you know you can make fun of

403
00:17:28,500 --> 00:17:26,100
straight people who look at the tits on

404
00:17:30,660 --> 00:17:28,510
because you know sometimes straight

405
00:17:32,970 --> 00:17:30,670
dudes especially can be really crass and

406
00:17:35,310 --> 00:17:32,980
shitty that's right straight win and you

407
00:17:36,950 --> 00:17:35,320
know like you know I mean they're

408
00:17:39,480 --> 00:17:36,960
they're kind of they're kind of like

409
00:17:41,790 --> 00:17:39,490
sinister you know like Bill they have no

410
00:17:45,480 --> 00:17:41,800
problems talking about all his [h__h]

411
00:17:49,980 --> 00:17:45,490
shitty job is tiny penis or whatever you

412
00:17:51,450 --> 00:17:49,990
know job in tiny penis man that's not

413
00:17:53,550 --> 00:17:51,460

that's not a good combination

414

00:17:55,020 --> 00:17:53,560

no women can be pretty ruthless oh they

415

00:17:57,540 --> 00:17:55,030

certainly can when they're amongst

416

00:17:59,070 --> 00:17:57,550

themselves sure I would say I would say

417

00:18:02,100 --> 00:17:59,080

everyone has the capability of being

418

00:18:04,410 --> 00:18:02,110

shitty but when it comes to like like

419

00:18:06,870 --> 00:18:04,420

catcalling and whatnot that really airs

420

00:18:07,530 --> 00:18:06,880

on the side of guys that's nothing more

421

00:18:09,450 --> 00:18:07,540

of a guy thing

422

00:18:12,660 --> 00:18:09,460

women can be shitty I think they just do

423

00:18:14,880 --> 00:18:12,670

it in private hey sugar tits I think I

424

00:18:17,580 --> 00:18:14,890

think women are can be just as ruthless

425

00:18:21,210 --> 00:18:17,590

but they do it in a very like subdued

426

00:18:24,510 --> 00:18:21,220

quiet whispery kind of way it'll be

427

00:18:26,700 --> 00:18:24,520

outspoken outspoken but yeah mostly guys

428

00:18:29,880 --> 00:18:26,710

who have no shame that will will do that

429

00:18:32,790 --> 00:18:29,890

stuff good luck

430

00:18:35,550 --> 00:18:32,800

so yeah go to the next one in a story

431

00:18:38,590 --> 00:18:35,560

that I don't know who could be surprised

432

00:18:41,980 --> 00:18:40,840

okay I've got the the next story up on

433

434
