[Music]

17

00:05:30,570 --> 00:05:19,070

hey on top of the fortification is

18

00:05:42,390 --> 00:05:32,730

Julius Caesar I just gave me stuff from

19

00:05:46,170 --> 00:05:42,400

every direction yeah for the watch yeah

20

00:05:49,350 --> 00:05:46,180

I was ended probably over a hundred

21

00:05:51,029 --> 00:05:49,360

times as we started planning I'm

22

00:05:54,059 --> 00:05:51,039

watching that thought process guy and

23

00:05:57,240 --> 00:05:54,069

his [h__h] people up is he yeah the

24

00:05:59,219 --> 00:05:57,250

shield and the axe with a hammer I'm not

25

00:06:05,610 --> 00:05:59,229

sure but he has 16 pillars of for deaths

26

00:06:06,839 --> 00:06:05,620

OSHA spectating I probably have a lot

27

00:06:10,350 --> 00:06:06,849

more kills but I have like so many like

28

00:06:33,090 --> 00:06:10,360

brilliant misses of people oh yeah yeah

29

00:06:56,940 --> 00:06:55,320

oh come on treat now

30

00:07:13,980 --> 00:06:56,950

31

00:07:30,380 --> 00:07:13,990

up there coming up to you guys all right

32

00:07:34,920 --> 00:07:33,870

goddamn that's it's so bottled neck

33

00:07:36,390 --> 00:07:34,930

right there you can't get through that

34

00:07:37,230 --> 00:07:36,400

doorway going into the forum you gotta

35

00:07:39,060 --> 00:07:37,240

go around the side

36

00:07:40,710 --> 00:07:39,070

it sucks extra bad we both have

37

00:07:41,040 --> 00:07:40,720

two-handed weapons yeah I can't swing

38

00:07:45,450 --> 00:07:41,050

him

39

00:07:55,350 --> 00:07:45,460
you could stab to death and so I hear

40

00:07:56,790 --> 00:07:55,360
that rape here so all I do is stab you

41

00:08:00,240 --> 00:07:56,800
have a lot of plane to do if I make a

42

00:08:04,070 --> 00:08:00,250
nice custom class hey you get you get

43

00:08:11,610 --> 00:08:08,250
yeah that's just the unlocks what

44

00:08:15,460 --> 00:08:11,620
equipment you can buy all right bunk

45

00:08:32,920 --> 00:08:25,030
oh my god I'm gonna cut your head off

46

00:08:57,240 --> 00:08:32,930
yeah we're not a horse got me says it

47

00:08:59,410 --> 00:08:57,250
better be dead [\h__\h] you guys see me why

48

00:09:18,250 --> 00:08:59,420
I'm going around to the right side of

49

00:09:26,880 --> 00:09:19,960
[\h__\h] dammit I think I just need your

50

00:09:33,380 --> 00:09:26,890
bear tribe yeah maybe stuff 37 vehicle

51
00:09:41,490 --> 00:09:38,840
breakfast [\h__\h] that fires dangerous oh

52
00:09:54,180 --> 00:09:41,500
cool we got that it is so careless about

53
00:09:57,560 --> 00:09:54,190
get that the work spawn yeah I think I

54
00:10:30,180 --> 00:09:57,570
learned my lesson I'm following over DM

55
00:10:33,690 --> 00:10:30,190
straight I'm hiding in a tent don't

56
00:10:37,860 --> 00:10:33,700
don't chop down this thing I can't get

57
00:10:43,700 --> 00:10:37,870
out of here now [\h__\h] someone lock me in

58
00:10:47,220 --> 00:10:45,750
which is it collapse

59
00:10:51,030 --> 00:10:47,230
you know it's like I'm stuck in here

60
00:10:52,260 --> 00:10:51,040
they erected this Oh Gaby tell the OIC

61
00:11:04,130 --> 00:10:52,270
yeah they put the barrier in front

62
00:11:21,210 --> 00:11:13,320
protecting that area yeah it is kill me

63
00:11:59,590 --> 00:11:22,750

here they come

64

00:12:01,000 --> 00:11:59,600

yeah I get the fire I guess if you had a

65

00:12:03,190 --> 00:12:01,010

fire grenade you could have just dropped

66

00:12:07,300 --> 00:12:03,200

it on yourself and yourself I didn't

67

00:12:10,920 --> 00:12:07,310

have any like he's someone mercy kill

68

00:12:14,200 --> 00:12:10,930

your did you ask my mercy killed me oh

69

00:12:15,820 --> 00:12:14,210

my god I wish I would've been recording

70

00:12:18,420 --> 00:12:15,830

that with that arrow sticking out of

71

00:12:20,380 --> 00:12:18,430

your forehead that would be nice

72

00:12:27,210 --> 00:12:20,390

how do you how do you switch the third

73

00:12:34,090 --> 00:12:27,220

person view P is it easier or harder no

74

00:12:35,620 --> 00:12:34,100

I see it depends I'm going for it I'll

75

00:12:48,910 --> 00:12:35,630

be able to see arrow sticking out of my

76

00:13:00,980 --> 00:12:51,260

all his guy guys both his hands cut off

77

00:13:03,890 --> 00:13:00,990

oh my god I lost my an - awesome these

78

00:13:05,990 --> 00:13:03,900

guys didn't have any weapon and like

79

00:13:15,790 --> 00:13:06,000

what the [\h__\h] he's just screaming and

80

00:13:18,769 --> 00:13:15,800

then there's a perk that allows you to

81

00:13:21,890 --> 00:13:18,779

live a few seconds after being mortally

82

00:13:24,230 --> 00:13:21,900

wounded so sometimes you'll just see you

83

00:13:29,210 --> 00:13:24,240

guys standing there screaming trance

84

00:13:35,600 --> 00:13:29,220

dump somebody - Jeff yeah that's when I

85

00:13:56,750 --> 00:13:51,949

oh my god ah [\h__\h] oh they're all stormy

86

00:14:02,030 --> 00:13:56,760

in the the fort now hmm what direction

87

00:14:03,650 --> 00:14:02,040

though one entrance there's nothing like

88

00:14:05,090 --> 00:14:03,660

five of the guys running up their ad

89

00:14:06,199 --> 00:14:05,100

they might be stopped at that gate so

90

00:14:18,740 --> 00:14:06,209

you ran in the right direction buck

91

00:14:21,829 --> 00:14:18,750

dancer at one iron spike defences drop

92

00:14:25,940 --> 00:14:21,839

my shield lady

93

00:14:39,500 --> 00:14:25,950

oh god this anymore or even short that

94

00:14:40,850 --> 00:14:39,510

was my sword and burn the bridge oh my

95

00:14:43,630 --> 00:14:40,860

miss time three perry's in a row and I

96

00:14:48,820 --> 00:14:45,610

oh my god my bear dad caught one of my

97

00:14:54,360 --> 00:14:48,830

own men stick it out of the back of my

98

00:15:06,190 --> 00:14:54,370

head all right hammer it behind you oh

99

00:15:10,240 --> 00:15:06,200

dear oh my god I wish better aim this is

100

00:15:13,690 --> 00:15:10,250

our best game yet then we win the first

101
00:15:22,840 --> 00:15:13,700
one we're doing good now well we're it's

102
00:15:24,310 --> 00:15:22,850
it's even Steve inside our buck dancer

103
00:15:37,780 --> 00:15:24,320
oh my god they're storming that they're

104
00:15:40,000 --> 00:15:37,790
storming the fort a lot of them follow

105
00:15:48,400 --> 00:15:40,010
this fire yeah a lot of fire going on

106
00:16:00,110 --> 00:15:57,950
my god what a massacre what [\h__\h] [\h__\h] I

107
00:16:05,650 --> 00:16:00,120
just killed somebody on our team

108
00:16:09,110 --> 00:16:05,660
Oh or [\h__\h] how do you do that

109
00:16:10,790 --> 00:16:09,120
this guy swung forward at somebody else

110
00:16:12,050 --> 00:16:10,800
but he just turned and hit me behind and

111
00:16:14,290 --> 00:16:12,060
you has to be in third person then I

112
00:16:17,570 --> 00:16:14,300
guess you just move yourself and you be

113
00:16:19,220 --> 00:16:17,580

yeah how you swing your your weapon

114

00:16:22,310 --> 00:16:19,230

matters you can like swing in 180

115

00:16:23,960 --> 00:16:22,320

degrees mystery reach people if you have

116

00:16:25,250 --> 00:16:23,970

it he wasn't even he doesn't know I even

117

00:16:49,760 --> 00:16:25,260

like saw me at one point then he's

118

00:16:53,060 --> 00:16:49,770

turning hit two people I just killed

119

00:16:56,180 --> 00:16:53,070

three guys there's one it must be very

120

00:17:03,940 --> 00:16:56,190

pissed off what so it is very sad so I

121

00:17:08,600 --> 00:17:03,950

yeah oh yeah third person so much easy

122

00:17:13,660 --> 00:17:08,610

lords you have a little bit of

123

00:17:31,000 --> 00:17:29,470

oh my god yeah they're coming through

124

00:17:34,950 --> 00:17:31,010

like five at a time are coming through

125

00:17:37,240 --> 00:17:34,960

that gate I think to the east entrance

126

00:18:04,030 --> 00:17:37,250

I'm coming in with a fire though that'll

127

00:18:10,690 --> 00:18:09,010

oh my god this is insane we're gonna

128

00:18:13,750 --> 00:18:10,700

lose that point pretty soon

129

00:18:18,820 --> 00:18:13,760

oh yeah just get overrun yeah we're

130

00:18:51,300 --> 00:18:18,830

losing it right now yeah we're all four

131

00:18:56,860 --> 00:18:53,890

at least I wasn't killed by a team at

132

00:19:25,820 --> 00:18:56,870

that time I was watch it was a shirt

133

00:19:33,390 --> 00:19:29,880

if a bear trap oh my god why would you

134

00:19:50,550 --> 00:19:33,400

put it put it at the gate there's some

135

00:19:52,020 --> 00:19:50,560

take pity for fine [h__h] to practice you

136

00:19:54,870 --> 00:19:52,030

put the bear trap at the gate we're all

137

00:20:09,210 --> 00:19:54,880

trying to storm it was more towards the

138

00:20:21,710 --> 00:20:09,220

secure area and we got a bash we got a

139

00:20:21,720 --> 00:20:29,799

[Music]

140

00:20:37,200 --> 00:20:36,849

Oh bogey I'm coming to help you on that

141

00:20:42,129 --> 00:20:37,210

bridge

142

00:20:45,310 --> 00:20:42,139

look I can you help out in big quotation

143

00:20:51,759 --> 00:20:45,320

marks around help yeah

144

00:20:54,070 --> 00:20:51,769

oh my god burn that bridge I don't

145

00:21:06,999 --> 00:20:54,080

understand super awesome that job you

146

00:21:15,860 --> 00:21:07,009

can [h__h] lift through Albert yes with

147

00:21:15,870 --> 00:21:23,649

oh my god oh my god

148

00:21:44,720 --> 00:21:33,549

the storming yes it must definitely are

149

00:22:05,539 --> 00:21:44,730

they're neutralizing the point Oh balls

150

00:22:08,269 --> 00:22:05,549

it's a whole lot of them oh my god using

151
00:22:22,610 --> 00:22:08,279
that damn horses like a blockade I stole

152
00:22:29,580 --> 00:22:22,620
it and moved it out of there good this

153
00:23:16,680 --> 00:23:01,190
oh my god oh no I'm behind obediently

154
00:23:18,300 --> 00:23:16,690
like bear trap time you guys sitting on

155
00:23:33,039 --> 00:23:18,310
top of warfare on javelins

156
00:23:59,750 --> 00:23:58,100
hammer Lily get some noise oh my god we

157
00:24:03,919 --> 00:23:59,760
get it back yet no I thought we're

158
00:24:16,490 --> 00:24:03,929
neutralizing it up there we all died on

159
00:24:51,980 --> 00:24:16,500
it we're getting the one barrier you

160
00:25:16,640 --> 00:25:12,020
oh crap crap on a parrot wrapped around

161
00:25:21,050 --> 00:25:16,650
there where are you so I can not feel

162
00:25:29,500 --> 00:25:21,060
that way I am a camera watch out for

163
00:25:33,800 --> 00:25:32,870

okay wasn't right right behind me right

164

00:25:35,630 --> 00:25:33,810

by that rock

165

00:25:37,120 --> 00:25:35,640

I'm skating right in front of it I'm

166

00:25:41,870 --> 00:25:37,130

standing right in front of the bear trap

167

00:25:47,720 --> 00:25:41,880

coming Gibby do what killed me

168

00:25:49,190 --> 00:25:47,730

Here I am the fire is a kinetic oh I got

169

00:25:51,800 --> 00:25:49,200

to go up I got to go up and take out

170

00:25:54,430 --> 00:25:51,810

these archers Oh

171

00:25:59,990 --> 00:25:54,440

oh my god and a bear trap up there

172

00:26:06,610 --> 00:26:00,000

that's a good place for a bear trap come

173

00:26:21,350 --> 00:26:09,020

that horse should have reared up and I

174

00:26:26,180 --> 00:26:21,360

hit the rack somebody just stuck

175

00:26:27,409 --> 00:26:26,190

someone's just sitting on that look now

176

00:26:36,490 --> 00:26:27,419

boogies up there okay I'm coming up

177

00:26:51,580 --> 00:26:36,500
