1  
00:00:15,020 --> 00:00:13,129

oh yes

2  
00:00:19,970 --> 00:00:15,030

speaking of George Knapp I do have a

3  
00:00:20,929 --> 00:00:19,980

video of him is talking about area 51 in

4  
00:00:23,960 --> 00:00:20,939

this storm

5  
00:00:27,679 --> 00:00:23,970

area 51 meme that's been spraying across

6  
00:00:29,450 --> 00:00:27,689

the internet but just like a virus that

7  
00:00:30,890 --> 00:00:29,460

no one has seen before it's just all

8  
00:00:32,900 --> 00:00:30,900

over the place I believe right now the

9  
00:00:35,180 --> 00:00:32,910

confirmed people going to the storm area

10  
00:00:38,270 --> 00:00:35,190

51 is well over a million with people

11  
00:00:41,180 --> 00:00:38,280

interested in going and a million the

12  
00:00:42,440 --> 00:00:41,190

the United States Air Force has to has

13  
00:00:45,319 --> 00:00:42,450

had to come out and address the

14

00:00:48,200 --> 00:00:45,329

situation and George Knapp is going to

15

00:00:50,779 --> 00:00:48,210

be telling us what is going on there

16

00:00:54,200 --> 00:00:50,789

what you can expect he breaks out a map

17

00:00:57,110 --> 00:00:54,210

on his TV station just comes from 8:00

18

00:01:00,860 --> 00:00:57,120

news now and it's Jordan at George Knapp

19

00:01:02,660 --> 00:01:00,870

maps out area 51 and I'll see if I can

20

00:01:06,620 --> 00:01:02,670

play this for everyone so we can all

21

00:01:11,410 --> 00:01:06,630

listen together we can all look together

22

00:01:15,580 --> 00:01:11,420

and consume this information together

23

00:01:17,529 --> 00:01:15,590

here we go let's play this thing

24

00:01:19,450 --> 00:01:17,539

on Georgie four locations are in the mix

25

00:01:21,910 --> 00:01:19,460

is gathering places for the big area51

26

00:01:23,709 --> 00:01:21,920

shindig on September 20th but a word of

27

00:01:26,950 --> 00:01:23,719

warning some of them aren't really close

28

00:01:29,590 --> 00:01:26,960

to area 51 the alien visitor center is

29

00:01:31,929 --> 00:01:29,600

in a Berglas Valley it was mentioned on

30

00:01:34,270 --> 00:01:31,939

the original storm area 51 Facebook post

31

00:01:36,039 --> 00:01:34,280

that's right there and it's next door to

32

00:01:37,749 --> 00:01:36,049

a alien cathouse

33

00:01:39,069 --> 00:01:37,759

which is a legal brothel that sells

34

00:01:41,349 --> 00:01:39,079

gifts of a different kind

35

00:01:43,749 --> 00:01:41,359

but that location is on the far western

36

00:01:46,480 --> 00:01:43,759

side of the sprawling Nevada National

37

00:01:48,609 --> 00:01:46,490

Security site not really near area 51

38

00:01:51,639 --> 00:01:48,619

the extra-terrestrial highway that's up

39

00:01:53,469 --> 00:01:51,649

here that's highway 375 you start on

40

00:01:56,410 --> 00:01:53,479

it's on the other side of the test site

41

00:01:58,839 --> 00:01:56,420

to the north it starts in this area near

42

00:02:00,490 --> 00:01:58,849

Hico and right there is the alien

43

00:02:02,319 --> 00:02:00,500

research center we've mentioned that

44

00:02:03,969 --> 00:02:02,329

some of our reports it's a gift shop

45

00:02:06,279 --> 00:02:03,979

it's a business that's planning to host

46

00:02:09,069 --> 00:02:06,289

a day-long series of events on the 20th

47

00:02:11,110 --> 00:02:09,079

then as you travel west westward you'll

48

00:02:12,699 --> 00:02:11,120

pass by groom Lake Road you see it's a

49

00:02:15,970 --> 00:02:12,709

blown dirt road that leads to the base

50

00:02:19,030 --> 00:02:15,980

and you keep going up highway 375 to the

51  
00:02:20,860 --> 00:02:19,040  
tiny humidity of Rachel that is home to

52  
00:02:22,660 --> 00:02:20,870  
the little alien which hosts its own

53  
00:02:24,970 --> 00:02:22,670  
events and is providing a camping area

54  
00:02:27,879 --> 00:02:24,980  
on the 20th Rachel is the occlusion

55  
00:02:30,129 --> 00:02:27,889  
settlement to area 51 it has about 50

56  
00:02:32,349 --> 00:02:30,139  
residents limited services no gas

57  
00:02:34,629 --> 00:02:32,359  
station the et highway continues up

58  
00:02:36,400 --> 00:02:34,639  
north you go up there to highway 6 at

59  
00:02:38,199 --> 00:02:36,410  
Warm Springs and if you're looking at

60  
00:02:40,270 --> 00:02:38,209  
this on Google Maps they've gotten in on

61  
00:02:42,430 --> 00:02:40,280  
the fun if you pull the street view guy

62  
00:02:44,589 --> 00:02:42,440  
on to any of these things in the area of

63  
00:02:47,860 --> 00:02:44,599

the Nevada National Security site it

64

00:02:51,380 --> 00:02:47,870

turns the icon into a flying saucer so

65

00:02:54,650 --> 00:02:51,390

someone at Google has a sense of humor

66

00:02:56,450 --> 00:02:54,660

what else is going on there you go there

67

00:02:58,250 --> 00:02:56,460

is the update from George Knapp

68

00:03:01,520 --> 00:02:58,260

concerning the area it's a storm

69

00:03:03,590 --> 00:03:01,530

area 51 meme and even Google got into it

70

00:03:06,170 --> 00:03:03,600

by putting changing the icon in Google

71

00:03:10,619 --> 00:03:06,180

Maps to a little UFO this is gone this

72

00:03:14,910 --> 00:03:13,259

it's uh it's quite insane and then not

73

00:03:16,770 --> 00:03:14,920

only do you have the storm area 51 thing

74

00:03:20,580 --> 00:03:16,780

you also have the the raid Epstein

75

00:03:25,339 --> 00:03:20,590

Island thing there is another one that I

76

00:03:27,809 --> 00:03:25,349

just found called it has to do with

77

00:03:30,990 --> 00:03:27,819

thousands have signed up to storm Loch

78

00:03:33,539 --> 00:03:31,000

Ness I'll bring this up on screen the

79

00:03:35,099 --> 00:03:33,549

storm Loch Ness to my car these are the

80

00:03:37,170 --> 00:03:35,109

same people storming these these

81

00:03:37,979 --> 00:03:37,180

different areas I don't think that they

82

00:03:40,140 --> 00:03:37,989

they can't be

83

00:03:41,849 --> 00:03:40,150

I mean Nautilus they're independently

84

00:03:44,940 --> 00:03:41,859

wealthy to travel all across the world

85

00:03:46,860 --> 00:03:44,950

who storm these areas but no nothing's

86

00:03:47,970 --> 00:03:46,870

been stormed as of yet I would just be

87

00:03:49,259 --> 00:03:47,980

worried about them being able to get a

88

00:03:51,479 --> 00:03:49,269

ride from their mom to each of these

89

00:03:53,280 --> 00:03:51,489

things yeah well that is a quite a

90

00:03:54,629 --> 00:03:53,290

concern but we start carpooling at that

91

00:03:56,879 --> 00:03:54,639

point that's very important for the

92

00:03:59,390 --> 00:03:56,889

environment there's something I think

93

00:04:02,009 --> 00:03:59,400

there's something else going on here I

94

00:04:03,800 --> 00:04:02,019

Alex Jones touched on this a little bit

95

00:04:06,809 --> 00:04:03,810

on a show that this is kind of

96

00:04:09,990 --> 00:04:06,819

desensitizes desensitizing people to the

97

00:04:12,110 --> 00:04:10,000

concept of storming things and I think

98

00:04:14,280 --> 00:04:12,120

that maybe he's got a point there that

99

00:04:16,110 --> 00:04:14,290

once she I think yeah we're storming

100

00:04:18,839 --> 00:04:16,120

area51 we're storming Loch Ness

101  
00:04:20,849 --> 00:04:18,849  
paranormal kind of things but once they

102  
00:04:22,409 --> 00:04:20,859  
start once they start turning these

103  
00:04:25,050 --> 00:04:22,419  
crowds on something that's a little bit

104  
00:04:27,629 --> 00:04:25,060  
more political like what if they want to

105  
00:04:28,950 --> 00:04:27,639  
storm Tucker Carlson's house and you

106  
00:04:30,990 --> 00:04:28,960  
have a bunch of people signing signing

107  
00:04:33,450 --> 00:04:31,000  
up to do that they could that be seen as

108  
00:04:35,640 --> 00:04:33,460  
a threat of violence I would say so

109  
00:04:38,310 --> 00:04:35,650  
this is where kind of turns a little bit

110  
00:04:40,800 --> 00:04:38,320  
more interesting I I you know I had

111  
00:04:42,450 --> 00:04:40,810  
considered to go I was considering going

112  
00:04:45,390 --> 00:04:42,460  
up to area 51 to cover this I'm about

113  
00:04:45,990 --> 00:04:45,400

five hours away I don't think I'm gonna

114

00:04:49,439 --> 00:04:46,000

do that

115

00:04:51,719 --> 00:04:49,449

I think that's there's a lot of problems

116

00:04:53,279 --> 00:04:51,729

with that I think you're gonna we're

117

00:04:55,020 --> 00:04:53,289

gonna find out there's gonna be a maybe

118

00:04:57,260 --> 00:04:55,030

a couple hundred people that are going

119

00:04:59,730 --> 00:04:57,270

to go out gonna show up for this Meetup

120

00:05:02,070 --> 00:04:59,740

but within that group there's probably

121

00:05:03,600 --> 00:05:02,080

gonna be undercover operatives there's

122

00:05:06,450 --> 00:05:03,610

gonna be people that are just not

123

00:05:09,510 --> 00:05:06,460

mentally stable as well and I couldn't I

124

00:05:12,749 --> 00:05:09,520

think that there might wind up being one

125

00:05:15,029 --> 00:05:12,759

or two people that actually try to throw

126

00:05:16,830 --> 00:05:15,039

themselves over the fence a very 51 and

127

00:05:17,189 --> 00:05:16,840

wind up dying or never being heard from

128

00:05:19,110 --> 00:05:17,199

again

129

00:05:23,189 --> 00:05:19,120

I think it's just a bad situation I

130

00:05:24,300 --> 00:05:23,199

don't think it's gonna go quite right

131

00:05:27,390 --> 00:05:24,310

they have to commit and throw their head

132

00:05:29,580 --> 00:05:27,400

over the wall for that one yeah that's

133

00:05:31,230 --> 00:05:29,590

uh I mean listen it's a huge commitment

134

00:05:33,570 --> 00:05:31,240

you're basically gonna say to yourself

135

00:05:37,519 --> 00:05:33,580

and your loved ones I am never coming

136

00:05:41,010 --> 00:05:37,529

home again I I have to storm area 51

137

00:05:43,379 --> 00:05:41,020

right now look man I made a mistake well

138

00:05:46,050 --> 00:05:43,389

no I mean you can say that you made a

139

00:05:48,230 --> 00:05:46,060

mistake but it's kind of all or nothing

140

00:05:49,870 --> 00:05:48,240

at that point

141

00:05:51,770 --> 00:05:49,880

if there's something else going on here

142

00:05:53,210 --> 00:05:51,780

logistically I'd be worried about the

143

00:05:54,230 --> 00:05:53,220

amount of people you know it's only a

144

00:05:55,999 --> 00:05:54,240

couple hundred you mind people showing

145

00:05:58,760 --> 00:05:56,009

up in these tiny tiny little towns and

146

00:06:01,159 --> 00:05:58,770

these dirt roads and the traffic in the

147

00:06:02,930 --> 00:06:01,169

congestion and just nut bars running

148

00:06:04,070 --> 00:06:02,940

everywhere and it may be fun if you're

149

00:06:06,020 --> 00:06:04,080

at a distance but I would want to get

150

00:06:08,779 --> 00:06:06,030

stuck in that yeah that's another reason

151

00:06:10,730 --> 00:06:08,789

why I kind of decided against this not

152

00:06:13,810 --> 00:06:10,740

only not only the the traffic and

153

00:06:18,010 --> 00:06:13,820

dealing with bad but I suspect that

154

00:06:20,629 --> 00:06:18,020

whatever military police is is really a

155

00:06:22,249 --> 00:06:20,639

surveying the perimeter of area 51 they

156

00:06:24,020 --> 00:06:22,259

might just randomly pull over people and

157

00:06:26,499 --> 00:06:24,030

go through their cars that very well

158

00:06:29,210 --> 00:06:26,509

could happen they could say look we have

159

00:06:30,650 --> 00:06:29,220

we have an idea that there is we saw

160

00:06:33,560 --> 00:06:30,660

that they could say we saw the Facebook

161

00:06:36,200 --> 00:06:33,570

event you're not from around here

162

00:06:38,930 --> 00:06:36,210

are you participating in the rain area

163

00:06:41,450 --> 00:06:38,940

51 they that might give them the the

164

00:06:43,760 --> 00:06:41,460

cause that they need no justification

165

00:06:45,350 --> 00:06:43,770

they need is to pull anybody over search

166

00:06:46,909 --> 00:06:45,360

their car and just put them through hell

167

00:06:50,860 --> 00:06:46,919

I don't know if I want to deal with that

168

00:06:52,550 --> 00:06:50,870

I suspect that there will be other news

169

00:06:56,560 --> 00:06:52,560

organizations on the ground they're

170

00:06:59,029 --> 00:06:56,570

covering as well so I I just it for me

171

00:07:01,430 --> 00:06:59,039

to do that and put myself in that

172

00:07:04,670 --> 00:07:01,440

position probably not a good idea also

173

00:07:06,980 --> 00:07:04,680

considering that I'm going on my

174

00:07:09,170 --> 00:07:06,990

honeymoon the week after so me being

175

00:07:10,000 --> 00:07:09,180

locked up in jail possibly not good for

176  
00:07:13,369 --> 00:07:10,010  
my honeymoon

177  
00:07:21,659 --> 00:07:13,379  
blame yeah

178  
00:07:24,059 --> 00:07:21,669  
Hey Joe what's going on you know sitting

179  
00:07:26,730 --> 00:07:24,069  
in traffic having a great time so I am

180  
00:07:29,520 --> 00:07:26,740  
late you're like it's like we're gonna

181  
00:07:31,409 --> 00:07:29,530  
sitcom and you just like walked in no I

182  
00:07:34,499 --> 00:07:31,419  
feel that way he's like oh there he is

183  
00:07:41,429 --> 00:07:34,509  
I need intro music you should I got this

184  
00:07:43,409 --> 00:07:41,439  
one there you go hey you know Ill get

185  
00:07:45,420 --> 00:07:43,419  
this sense that this whole thing's a

186  
00:07:47,969 --> 00:07:45,430  
PSYOP no one's going do you know anybody

187  
00:07:49,200 --> 00:07:47,979  
who says they're going I don't know

188  
00:07:51,059 --> 00:07:49,210

anybody personally says they're going

189

00:07:54,659 --> 00:07:51,069

but I don't think that there are enough

190

00:07:56,820 --> 00:07:54,669

people out there that our UFO buffs

191

00:07:58,860 --> 00:07:56,830

they're really into the paranormal and

192

00:08:00,149 --> 00:07:58,870

love the the lore around area 51 that I

193

00:08:03,480 --> 00:08:00,159

think there's gonna be a couple hundred

194

00:08:06,350 --> 00:08:03,490

that do go I think someone's gonna die I

195

00:08:09,170 --> 00:08:06,360

[Laughter]

196

00:08:11,189 --> 00:08:09,180

think I think that's gonna happen I

197

00:08:13,350 --> 00:08:11,199

think the best we can hope for is

198

00:08:15,119 --> 00:08:13,360

whatever happens that they don't film it

199

00:08:15,990 --> 00:08:15,129

with vertical video on their phone there

200

00:08:18,869 --> 00:08:16,000

you go yeah

201  
00:08:21,209 --> 00:08:18,879  
[h\_\_h] that I want I want high resolution

202  
00:08:22,800 --> 00:08:21,219  
video in the proper aspect ratio of

203  
00:08:26,399 --> 00:08:22,810  
these idiots getting shot by military

204  
00:08:30,719 --> 00:08:26,409  
contractors we might get that maybe if

205  
00:08:33,420 --> 00:08:30,729  
we're lucky I got I got one more piece

206  
00:08:36,360 --> 00:08:33,430  
of alien news to cover UFO news to cover

207  
00:08:39,149 --> 00:08:36,370  
right now this comes from Fox News this

208  
00:08:42,600 --> 00:08:39,159  
is Tucker Carlson who does a pretty good

209  
00:08:44,219 --> 00:08:42,610  
job at covering the recent UFO news I

210  
00:08:45,660 --> 00:08:44,229  
think he's the kind of like the only one

211  
00:08:46,740 --> 00:08:45,670  
on mainstream news that covers it I

212  
00:08:50,780 --> 00:08:46,750  
don't know if you've seen in does this

213  
00:08:54,449 --> 00:08:50,790

stuff so this is Tucker Carlson talking

214

00:08:56,069 --> 00:08:54,459

decades to do a another government

215

00:08:58,680 --> 00:08:56,079

official I believe it's a congressman

216

00:09:02,269 --> 00:08:58,690

about what the military actually knows

217

00:09:05,939 --> 00:09:02,279

about UFOs so we'll start this right now

218

00:09:07,920 --> 00:09:05,949

well after decades of denial and secrecy

219

00:09:10,949 --> 00:09:07,930

and flat-out lying America's defense

220

00:09:14,310 --> 00:09:10,959

establishment is finally admitting some

221

00:09:15,960 --> 00:09:14,320

of what it knows about UFOs the Navy has

222

00:09:18,569 --> 00:09:15,970

admitted that its pilots encounter

223

00:09:19,949 --> 00:09:18,579

unidentified aircraft so often that

224

00:09:21,840 --> 00:09:19,959

they've had to draft new reporting

225

00:09:23,939 --> 00:09:21,850

guidelines to allow pilots to come

226

00:09:25,810 --> 00:09:23,949

forward it's easy to find this funny but

227

00:09:27,280 --> 00:09:25,820

it's also scary if you think about it

228

00:09:29,080 --> 00:09:27,290

our vast well-funded defense

229

00:09:31,750 --> 00:09:29,090

establishment is seeing things in the

230

00:09:34,240 --> 00:09:31,760

sky they cannot account for doing things

231

00:09:36,310 --> 00:09:34,250

they cannot understand should we be

232

00:09:37,660 --> 00:09:36,320

worried congressman mark Walker's

233

00:09:39,160 --> 00:09:37,670

Republican representing the state of

234

00:09:40,720 --> 00:09:39,170

North Carolina he just sent a letter to

235

00:09:42,430 --> 00:09:40,730

the Secretary of the Navy Richard

236

00:09:44,830 --> 00:09:42,440

Spencer about the military's UFO

237

00:09:47,490 --> 00:09:44,840

investigations we recently spoke to the

238

00:09:51,100 --> 00:09:47,500

congressman here's part of what he said

239

00:09:53,110 --> 00:09:51,110

should we be worried about this well we

240

00:09:54,580 --> 00:09:53,120

we are concerned about it as the ranking

241

00:09:57,070 --> 00:09:54,590

member of terrorism and

242

00:09:58,630 --> 00:09:57,080

counterintelligence we have questions it

243

00:10:00,190 --> 00:09:58,640

comes down to some of the new infrared

244

00:10:02,350 --> 00:10:00,200

radar 'test systems that we're putting

245

00:10:04,510 --> 00:10:02,360

on some of our new jets are detecting

246

00:10:06,850 --> 00:10:04,520

some things out there we call them

247

00:10:08,800 --> 00:10:06,860

unidentified aerial threats and that's

248

00:10:10,480 --> 00:10:08,810

something that we're looking at are you

249

00:10:12,130 --> 00:10:10,490

ApS is what we call it we want to know

250

00:10:15,310 --> 00:10:12,140

the information and that's why it's

251  
00:10:16,540 --> 00:10:15,320  
important that we take a look at this so

252  
00:10:18,250 --> 00:10:16,550  
this has been going on an awfully long

253  
00:10:20,470 --> 00:10:18,260  
time there's a lot of data the

254  
00:10:22,060 --> 00:10:20,480  
government have has stored about this

255  
00:10:24,160 --> 00:10:22,070  
most of it I think is still classified

256  
00:10:25,870 --> 00:10:24,170  
but there must be theories about what

257  
00:10:28,630 --> 00:10:25,880  
these objects are what these aircraft

258  
00:10:30,940 --> 00:10:28,640  
are what's the most plausible theory do

259  
00:10:33,760 --> 00:10:30,950  
you think well we don't know for sure

260  
00:10:35,530 --> 00:10:33,770  
obviously what we do know is the

261  
00:10:37,540 --> 00:10:35,540  
question that we're wanting to get to is

262  
00:10:39,610 --> 00:10:37,550  
is this something that's a defense

263  
00:10:41,410 --> 00:10:39,620

mechanism from another country we do

264

00:10:44,290 --> 00:10:41,420

know that china is looking at hypersonic

265

00:10:45,940 --> 00:10:44,300

missiles that's 25,000 kilometers or to

266

00:10:48,490 --> 00:10:45,950

break it down into our language that's

267

00:10:50,680 --> 00:10:48,500

getting from DC where I'm head to LA in

268

00:10:52,480 --> 00:10:50,690

about nine minutes we don't know that

269

00:10:55,030 --> 00:10:52,490

the nuclear warheads can be attached to

270

00:10:57,010 --> 00:10:55,040

those is it something like that or is it

271

00:10:58,990 --> 00:10:57,020

something more we don't know but I feel

272

00:11:00,430 --> 00:10:59,000

like it's something that we must take a

273

00:11:04,750 --> 00:11:00,440

look at and that's why we've written

274

00:11:07,030 --> 00:11:04,760

secretary Spencer of the Navy is there

275

00:11:10,110 --> 00:11:07,040

any indication that you're aware of that

276

00:11:13,480 --> 00:11:10,120

these sightings are foreign aircraft

277

00:11:15,940 --> 00:11:13,490

Russian or Chinese aircraft we don't

278

00:11:17,980 --> 00:11:15,950

know what we have no evidence to support

279

00:11:19,750 --> 00:11:17,990

that we do know there's something that's

280

00:11:22,060 --> 00:11:19,760

traveling at that speed of what we call

281

00:11:24,430 --> 00:11:22,070

hypersonic now which is a Mach four or

282

00:11:26,230 --> 00:11:24,440

five not too technical that is something

283

00:11:28,180 --> 00:11:26,240

that we want to know is this something

284

00:11:30,400 --> 00:11:28,190

that that another defense system in

285

00:11:31,690 --> 00:11:30,410

another country is more advanced or is

286

00:11:34,470 --> 00:11:31,700

it something else we're not trying to

287

00:11:36,850 --> 00:11:34,480

spook people out but the a the AAT IP

288

00:11:38,650 --> 00:11:36,860

which basically a program

289

00:11:41,380 --> 00:11:38,660

that the government monitors this was to

290

00:11:43,690 --> 00:11:41,390

close down in 2017 so part of my

291

00:11:46,330 --> 00:11:43,700

question Tucker is it really closed down

292

00:11:48,400 --> 00:11:46,340

are we still spending resources or is

293

00:11:50,320 --> 00:11:48,410

there more documentation that this

294

00:11:51,760 --> 00:11:50,330

program is still being able to file

295

00:11:53,440 --> 00:11:51,770

somewhere that's that's something that

296

00:11:55,710 --> 00:11:53,450

we need to know even if it's just for

297

00:11:57,820 --> 00:11:55,720

defense purposes alone

298

00:12:00,310 --> 00:11:57,830

we spoke to a government employee who

299

00:12:02,590 --> 00:12:00,320

has worked on this issue who said that

300

00:12:03,850 --> 00:12:02,600

the u.s. government has wreckage from

301  
00:12:06,130 --> 00:12:03,860  
one of these aircraft do you know

302  
00:12:07,570 --> 00:12:06,140  
anything about that we don't know but

303  
00:12:09,760 --> 00:12:07,580  
that's one of the four questions that we

304  
00:12:11,680 --> 00:12:09,770  
are asking is there evidence being held

305  
00:12:13,810 --> 00:12:11,690  
somewhere not to get 2spooky once again

306  
00:12:15,580 --> 00:12:13,820  
but if there is evidence that I believe

307  
00:12:17,860 --> 00:12:15,590  
it's important for people specifically

308  
00:12:19,390 --> 00:12:17,870  
in my position as the ranking member of

309  
00:12:22,450 --> 00:12:19,400  
terrorism and counterintelligence we

310  
00:12:23,860 --> 00:12:22,460  
need to know what this is of course

311  
00:12:24,760 --> 00:12:23,870  
that's and those are all legitimate

312  
00:12:27,070 --> 00:12:24,770  
questions

313  
00:12:29,020 --> 00:12:27,080

I'm sorry fully you're not being bullied

314

00:12:30,130 --> 00:12:29,030

or mocked into not asking them please I

315

00:12:31,840 --> 00:12:30,140

hope you'll come back and tell us what

316

00:12:33,130 --> 00:12:31,850

the answers are we look forward when we

317

00:12:37,720 --> 00:12:33,140

find out they're coming back Thank You

318

00:12:40,210 --> 00:12:37,730

Tucker we need space force we do I think

319

00:12:42,940 --> 00:12:40,220

there's so much information coming out

320

00:12:44,740 --> 00:12:42,950

about your hose it's it's obviously I've

321

00:12:46,420 --> 00:12:44,750

been covering it for the past few years

322

00:12:49,480 --> 00:12:46,430

but it's really picked up the snowball

323

00:12:52,240 --> 00:12:49,490

over the the past year and a half it's

324

00:12:54,880 --> 00:12:52,250

it feels like it's coming to a head like

325

00:12:56,880 --> 00:12:54,890

I know with all this stuff with all the

326

00:13:00,130 --> 00:12:56,890

paranormal stuff it's just like another

327

00:13:01,330 --> 00:13:00,140

glimpse of UFO or a Bigfoot's jacking

328

00:13:04,480 --> 00:13:01,340

off behind a tree but we don't have a

329

00:13:09,100 --> 00:13:04,490

clear picture of it but here it feels

330

00:13:10,960 --> 00:13:09,110

like there's some real information about

331

00:13:14,140 --> 00:13:10,970

to be released about about this subject

332

00:13:17,080 --> 00:13:14,150

and I hope they're not gonna to say it's

333

00:13:19,480 --> 00:13:17,090

the Chinese have some amazing technology

334

00:13:23,040 --> 00:13:19,490

and we've lost the war we've lost

335

00:13:25,840 --> 00:13:23,050

whatever cold where we have with them

336

00:13:27,400 --> 00:13:25,850

that's kind of what it feels like random

337

00:13:29,440 --> 00:13:27,410

they're trying to pin it like during the

338

00:13:31,480 --> 00:13:29,450

newscast up on up on the up on the

339

00:13:35,440 --> 00:13:31,490

screen there they said is this like a

340

00:13:38,290 --> 00:13:35,450

Chinese supersonic drone or supersonic

341

00:13:40,270 --> 00:13:38,300

missile they're trying to come back with

342

00:13:42,220 --> 00:13:40,280

more earthly explanations for this stuff

343

00:13:44,500 --> 00:13:42,230

but I don't think there really is one

344

00:13:46,540 --> 00:13:44,510

unless they spill the beans on all this

345

00:13:49,630 --> 00:13:46,550

cool propulsion systems that that they

346

00:13:52,810 --> 00:13:49,640

have and they're testing or that the

347

00:13:54,639 --> 00:13:52,820

we're really being visited by aliens

348

00:13:56,259 --> 00:13:54,649

well they're gonna make a choice here be

349

00:13:58,900 --> 00:13:56,269

being visited by aliens we have crashed

350

00:14:03,660 --> 00:13:58,910

recovered material or did we invent this

351  
00:14:06,579 --> 00:14:03,670  
awesome technology or is it gas lighting

352  
00:14:08,560 --> 00:14:06,589  
that could be - I mean this is in them

353  
00:14:10,540 --> 00:14:08,570  
this is being broadcast in the

354  
00:14:13,569 --> 00:14:10,550  
mainstream so there's a narrative that

355  
00:14:16,420 --> 00:14:13,579  
they're pushing for a reason i I think

356  
00:14:19,900 --> 00:14:16,430  
that these these uh these drones that

357  
00:14:22,480 --> 00:14:19,910  
were seen by the USS Nimitz I think that

358  
00:14:24,069 --> 00:14:22,490  
those are actually pieces of our

359  
00:14:29,199 --> 00:14:24,079  
technology that's our technology being

360  
00:14:31,389 --> 00:14:29,209  
tested out there against our own Jets I

361  
00:14:34,360 --> 00:14:31,399  
think that's our technology we control

362  
00:14:36,550 --> 00:14:34,370  
that stuff I don't know if it came from

363  
00:14:39,250 --> 00:14:36,560

I don't know if the original technology

364

00:14:41,139 --> 00:14:39,260

came from Earth or not but I think what

365

00:14:44,769 --> 00:14:41,149

we're seeing in the footage released I

366

00:14:46,900 --> 00:14:44,779

think that's our own technology the

367

00:14:50,290 --> 00:14:46,910

United States Navy has a long history of

368

00:14:52,870 --> 00:14:50,300

uh of doing this this kind of stuff and

369

00:14:54,460 --> 00:14:52,880

in fact it ties directly into the person

370

00:14:57,550 --> 00:14:54,470

we're gonna interview next week Joe of

371

00:15:00,819 --> 00:14:57,560

Robert Duffy he has written a book

372

00:15:03,639 --> 00:15:00,829

called Camellia about about the Navy and

373

00:15:07,269 --> 00:15:03,649

some of the insane technology that they

374

00:15:09,480 --> 00:15:07,279

have and have tested out in the wild it

375

00:15:12,040 --> 00:15:09,490

doesn't go into the tactics - because he

376

00:15:13,600 --> 00:15:12,050

won't listen to that episode and there's

377

00:15:17,019 --> 00:15:13,610

a lot of the tactics for people who are

378

00:15:18,939 --> 00:15:17,029

like walking out of areas with certain

379

00:15:20,800 --> 00:15:18,949

technology and then those people become

380

00:15:22,840 --> 00:15:20,810

targets of gang stalking which is

381

00:15:25,060 --> 00:15:22,850

basically gasps gasps that's Lenny oh

382

00:15:28,120 --> 00:15:25,070

yeah he does go into tactics a little

383

00:15:29,829 --> 00:15:28,130

bit and there's actually an anti gang

384

00:15:31,720 --> 00:15:29,839

stalking website what you can do to

385

00:15:34,780 --> 00:15:31,730

combat gang stalking so we'll talk about

386

00:15:37,720 --> 00:15:34,790

the US Navy and what technology they may

387

00:15:40,180 --> 00:15:37,730

or may not have with Robert Duffy next

388

00:15:42,400 --> 00:15:40,190

week but the US Navy is all over this

389

00:15:44,019 --> 00:15:42,410

this uh a tip program then then you have

390

00:15:47,560 --> 00:15:44,029

United States Air Force which probably

391

00:15:49,180 --> 00:15:47,570

has his own competing technology doing

392

00:15:52,030 --> 00:15:49,190

his own thing they have their own

393

00:15:53,949 --> 00:15:52,040

narrative but we're seeing it's it's

394

00:15:55,780 --> 00:15:53,959

just a [h\_\_\h] of information and

395

00:15:57,670 --> 00:15:55,790

people are trying to attribute it to one

396

00:15:58,630 --> 00:15:57,680

thing and I don't think it's one thing I

397

00:16:01,150 --> 00:15:58,640

think you have a bunch of different

398

00:16:03,460 --> 00:16:01,160

agencies trying to control a narrative

399

00:16:04,900 --> 00:16:03,470

and get the budget and the tech

400

00:16:06,400 --> 00:16:04,910

you for this stuff you got the US Navy

401  
00:16:08,200 --> 00:16:06,410  
you got the Air Force doing its own

402  
00:16:09,880 --> 00:16:08,210  
thing you got the army then you have the

403  
00:16:16,329 --> 00:16:09,890  
private sector doing its own thing as

404  
00:16:19,030 --> 00:16:16,339  
well you can't tell who's is who yeah

405  
00:16:22,179 --> 00:16:19,040  
I got one more story I have to I have to

406  
00:16:26,199 --> 00:16:22,189  
bring this up because this is you said

407  
00:16:30,160 --> 00:16:26,209  
yeah I know I lied oh yeah when I lit on

408  
00:16:33,910 --> 00:16:30,170  
one more on four no no yeah and this is

409  
00:16:36,759 --> 00:16:33,920  
a because blink-182 guy hasn't found

410  
00:16:40,900 --> 00:16:36,769  
aliens yet but he did find some weird

411  
00:16:43,749 --> 00:16:40,910  
medals like any thirty something with a

412  
00:16:46,660 --> 00:16:43,759  
one-time purchase for power chords and

413  
00:16:49,660 --> 00:16:46,670

poop jokes I'm a recovering blink-182

414

00:16:51,970 --> 00:16:49,670

fan if you were impressionable teen in

415

00:16:54,790 --> 00:16:51,980

late 90s or early aughts the gateway for

416

00:16:57,819 --> 00:16:54,800

pop punk trios patented mix of Slurpee

417

00:17:01,269 --> 00:16:57,829

er syrupy harmonies and non-stop f-bombs

418

00:17:02,590 --> 00:17:01,279

hooks terrible music yeah it's okay I'm

419

00:17:05,319 --> 00:17:02,600

just gonna read down low when they get

420

00:17:07,929 --> 00:17:05,329

to the actual metal part of this because

421

00:17:09,850 --> 00:17:07,939

that's what I'm interested in so DeLong

422

00:17:13,299 --> 00:17:09,860

is getting somewhere even if he hasn't

423

00:17:15,730 --> 00:17:13,309

found aliens yet he may not have even if

424

00:17:18,130 --> 00:17:15,740

he hasn't found aliens yet and might not

425

00:17:21,189 --> 00:17:18,140

have enough coin pending a lucrative

426  
00:17:23,889 --> 00:17:21,199  
blink reunion to see his mission through

427  
00:17:26,649 --> 00:17:23,899  
but he marches on in search of the truth

428  
00:17:31,600 --> 00:17:26,659  
one discovery of a strange space metal

429  
00:17:33,010 --> 00:17:31,610  
at a time last week the stars to the

430  
00:17:35,080 --> 00:17:33,020  
Stars Academy announced that it has

431  
00:17:36,789 --> 00:17:35,090  
acquired several pieces of meta

432  
00:17:39,970 --> 00:17:36,799  
materials from investigative journalist

433  
00:17:41,860 --> 00:17:39,980  
Linda Moulton Howe her a press release

434  
00:17:44,230 --> 00:17:41,870  
the metals are reported to have come

435  
00:17:47,850 --> 00:17:44,240  
from an advanced aerospace vier vehicle

436  
00:17:50,769 --> 00:17:47,860  
of unknown origin the structure income

437  
00:17:52,899 --> 00:17:50,779  
composition of these materials are not

438  
00:17:56,169 --> 00:17:52,909

from any known existing military or

439

00:17:59,950 --> 00:17:56,179

commercial application Steve justice see

440

00:18:02,799 --> 00:17:59,960

oh oh of to the stars Academy and for an

441

00:18:04,990 --> 00:18:02,809

former head of advanced systems at

442

00:18:08,010 --> 00:18:05,000

Lockheed Martin skunk works said in a

443

00:18:12,500 --> 00:18:09,900

so they've been collected from sources

444

00:18:14,900 --> 00:18:12,510

with varying levels of chain-of-custody

445

00:18:17,580 --> 00:18:14,910

documentation so we are focusing on

446

00:18:20,010 --> 00:18:17,590

verifiable facts and are working to

447

00:18:22,970 --> 00:18:20,020

develop independent scientific proof of

448

00:18:25,590 --> 00:18:22,980

the materials properties in attributes

449

00:18:27,270 --> 00:18:25,600

justice says in some cases the

450

00:18:29,100 --> 00:18:27,280

manufacturing technology required to

451

00:18:31,590 --> 00:18:29,110

fabricate the material is only now

452

00:18:33,840 --> 00:18:31,600

becoming available but material have

453

00:18:36,390 --> 00:18:33,850

been in document documented possessions

454

00:18:39,090 --> 00:18:36,400

since the mid 90s we currently have

455

00:18:42,060 --> 00:18:39,100

multiple material samples being analyzed

456

00:18:45,350 --> 00:18:42,070

by contracted laboratories and have

457

00:18:47,670 --> 00:18:45,360

plans to extend the scope of the study

458

00:18:51,390 --> 00:18:47,680

so there you go night we have time to

459

00:18:52,830 --> 00:18:51,400

long in possession of meta materials so

460

00:18:54,690 --> 00:18:52,840

he's probably gonna build like an Iron

461

00:18:57,570 --> 00:18:54,700

Man suit or possibly some doomsday

462

00:18:59,850 --> 00:18:57,580

device right Oh sir see maybe some

463

00:19:01,890 --> 00:18:59,860

booster seats yes you're gonna need

464

00:19:05,100 --> 00:19:01,900

those on their spacecraft which I find

465

00:19:06,510 --> 00:19:05,110

it curious that he got this material to

466

00:19:09,330 --> 00:19:06,520

dastar's academy got this material from

467

00:19:11,130 --> 00:19:09,340

Linda Moulton Howe you know she is now

468

00:19:14,370 --> 00:19:11,140

who is that he's a big-time UFO

469

00:19:16,410 --> 00:19:14,380

researcher she was one of the main

470

00:19:18,630 --> 00:19:16,420

people that documented the cattle

471

00:19:21,660 --> 00:19:18,640

mutilations in the late late 70s early

472

00:19:25,260 --> 00:19:21,670

early eighties he put the he did a very

473

00:19:26,640 --> 00:19:25,270

very good job at documenting that entire

474

00:19:28,170 --> 00:19:26,650

event and I think it there's stole

475

00:19:30,990 --> 00:19:28,180

cattle mutilations going on today

476

00:19:33,270 --> 00:19:31,000

but at the time it was came out of the

477

00:19:35,190 --> 00:19:33,280

blue so she was boots on the ground did

478

00:19:38,010 --> 00:19:35,200

a lot of research on that she still does

479

00:19:41,540 --> 00:19:38,020

UFO investigations and does some pretty

480

00:19:47,220 --> 00:19:41,550

interesting stuff I just heard a talk

481

00:19:51,870 --> 00:19:47,230

with her a couple days ago where she did

482

00:19:53,580 --> 00:19:51,880

some research on that guy in LA who was

483

00:19:54,840 --> 00:19:53,590

found dead in his SUV do you remember

484

00:19:57,180 --> 00:19:54,850

that story where this guy was found that

485

00:19:59,970 --> 00:19:57,190

his SUV with all the guns with all the

486

00:20:01,530 --> 00:19:59,980

guns and money yeah yeah I can provide a

487

00:20:04,020 --> 00:20:01,540

link to people who want to listen to

488

00:20:08,210 --> 00:20:04,030

this while Kretsch had found a very old

489

00:20:12,120 --> 00:20:08,220

photo of blink-182 oh really

490

00:20:13,680 --> 00:20:12,130

yeah that's a great got photo of Tom

491

00:20:19,170 --> 00:20:13,690

DeLonge his Iron Man suit coming up oh

492

00:20:21,690 --> 00:20:19,180

oh nice yep yeah look I'm getting I

493

00:20:23,700 --> 00:20:21,700

think I have that is that is

494

00:20:25,799 --> 00:20:23,710

something I hate can have you can have a

495

00:20:27,139 --> 00:20:25,809

neighbor okay just put my neighbor's to

496

00:20:29,519 --> 00:20:27,149

go around

497

00:20:31,440 --> 00:20:29,529

anyways real quick I'll wrap this up you

498

00:20:33,690 --> 00:20:31,450

know Moulton Howe went on this talk and

499

00:20:35,549 --> 00:20:33,700

this research where she invested she

500

00:20:38,009 --> 00:20:35,559

interviewed some family members and

501  
00:20:41,340 --> 00:20:38,019  
people around that person who died it

502  
00:20:44,100 --> 00:20:41,350  
was initially in the report speculation

503  
00:20:46,200 --> 00:20:44,110  
is part of the CIA but people around him

504  
00:20:47,850 --> 00:20:46,210  
said that he flattened this person who

505  
00:20:50,820 --> 00:20:47,860  
died flat out stated that he was an

506  
00:20:52,769 --> 00:20:50,830  
alien hybrid and no good one of the

507  
00:20:56,789 --> 00:20:52,779  
items that were found in one of his many

508  
00:20:58,950 --> 00:20:56,799  
storage areas was a vehicle that was

509  
00:21:02,009 --> 00:20:58,960  
waterproof and could go under the water

510  
00:21:05,220 --> 00:21:02,019  
some crazy stuff yeah somehow was a

511  
00:21:07,460 --> 00:21:05,230  
crazy one insane stuff so so what was

512  
00:21:09,779 --> 00:21:07,470  
what did we get any verdict on that

513  
00:21:15,590 --> 00:21:09,789

what's our take away with that guy on

514

00:21:18,840 --> 00:21:15,600

lash yeah the gun wallet guy thing gun

515

00:21:20,159 --> 00:21:18,850

SUV guy there's no verdict on that and I

516

00:21:22,169 --> 00:21:20,169

don't believe as of this time there's

517

00:21:24,529 --> 00:21:22,179

been any sort of DNA testing done on the

518

00:21:28,139 --> 00:21:24,539

body the weird thing is that they found

519

00:21:31,129 --> 00:21:28,149

his partner at the time his female

520

00:21:33,779 --> 00:21:31,139

partner time actually packed his body in

521

00:21:36,899 --> 00:21:33,789

dry ice so he's left in the vehicle and

522

00:21:39,720 --> 00:21:36,909

dry ice was found around him that's what

523

00:21:42,120 --> 00:21:39,730

he I guess instructed them to do in case

524

00:21:45,029 --> 00:21:42,130

of he in case the in the event that he

525

00:21:46,710 --> 00:21:45,039

died so he the CIA could come grab him

526  
00:21:50,879 --> 00:21:46,720  
or whatever you can come grab him and

527  
00:21:52,409 --> 00:21:50,889  
revive him at a later day there's weird

528  
00:21:55,169 --> 00:21:52,419  
things and there were actually people

529  
00:21:57,090 --> 00:21:55,179  
with him at the time when he died and

530  
00:22:01,409 --> 00:21:57,100  
they just left his body there which is

531  
00:22:02,879 --> 00:22:01,419  
not against the law it's not even up not

532  
00:22:04,740 --> 00:22:02,889  
against the law in California you can

533  
00:22:06,690 --> 00:22:04,750  
just literally leave if you see it that

534  
00:22:07,110 --> 00:22:06,700  
body you do not have to report it to the

535  
00:22:09,899 --> 00:22:07,120  
authorities

536  
00:22:11,220 --> 00:22:09,909  
yeah that's a speech issue but I will I

537  
00:22:13,470 --> 00:22:11,230  
watched Li do a follow-up because she

538  
00:22:16,350 --> 00:22:13,480

gave that the the talk I listen to about

539

00:22:18,840 --> 00:22:16,360

that was from a few years ago so pretty

540

00:22:21,060 --> 00:22:18,850

soon I'll do an update on I think his

541

00:22:23,399 --> 00:22:21,070

name was Jeffrey lash the guy who died

542

00:22:26,250 --> 00:22:23,409

with a lot of guns and money Gretch had

543

00:22:27,930 --> 00:22:26,260

put that link in the carrot shop if you

544

00:22:31,649 --> 00:22:27,940

do want to dive in a little bit further

545

00:22:32,850 --> 00:22:31,659

for a flashback we're here why not let's

546

00:22:35,009 --> 00:22:32,860

so let's take a look at this before we

547

00:22:37,400 --> 00:22:35,019

get on to any other news so yeah this is

548

00:22:46,320 --> 00:22:43,230

see here dead I a man who had 1,200 guns

549

00:22:48,360 --> 00:22:46,330

underwater car identified believed to be

550

00:22:51,150 --> 00:22:48,370

part alien secret government worker

551  
00:22:54,090 --> 00:22:51,160  
there he goes it comes from such a crazy

552  
00:22:56,160 --> 00:22:54,100  
interesting headline the mystery behind

553  
00:22:58,470 --> 00:22:56,170  
the Los Angeles gun fanatic found

554  
00:23:01,470 --> 00:22:58,480  
decomposing in his car last week has

555  
00:23:03,420 --> 00:23:01,480  
deepened as his fiance as as his

556  
00:23:05,400 --> 00:23:03,430  
fiance's family said he was an alien

557  
00:23:07,050 --> 00:23:05,410  
hybrid secretly working for the

558  
00:23:10,290 --> 00:23:07,060  
government the bizarre statement came

559  
00:23:12,240 --> 00:23:10,300  
Wednesday as the betrothed woman's

560  
00:23:15,690 --> 00:23:12,250  
lawyer identified the dead man as

561  
00:23:17,760 --> 00:23:15,700  
Jeffrey Allen lash almost one week after

562  
00:23:21,710 --> 00:23:17,770  
he was discovered rotting in his car

563  
00:23:23,600 --> 00:23:21,720

parked on the street in the Tony Pacific

564

00:23:27,210 --> 00:23:23,610

[Music]

565

00:23:28,770 --> 00:23:27,220

palutena or Palestine neighborhood Los

566

00:23:31,320 --> 00:23:28,780

Angeles police found more than 1,000

567

00:23:34,050 --> 00:23:31,330

guns nearly seven tons of ammunition bow

568

00:23:35,640 --> 00:23:34,060

and arrows knives machetes two hundred

569

00:23:39,390 --> 00:23:35,650

and thirty thousand dollars in cash

570

00:23:41,750 --> 00:23:39,400

inside his home last Friday they also

571

00:23:44,790 --> 00:23:41,760

discovered a Toyota a Toyota SUV

572

00:23:48,710 --> 00:23:44,800

designed to drive underwater among the

573

00:23:51,300 --> 00:23:48,720

14 vehicles registered to his name crazy

574

00:23:52,650 --> 00:23:51,310

give that one to Tucker Carlson because

575

00:23:54,210 --> 00:23:52,660

you know what that's one of those

576  
00:23:56,070 --> 00:23:54,220  
stories where when it came up I know a

577  
00:23:57,000 --> 00:23:56,080  
lot of people were like what the hell

578  
00:23:59,610 --> 00:23:57,010  
this is crazy

579  
00:24:01,860 --> 00:23:59,620  
and where was the follow-up there was

580  
00:24:04,770 --> 00:24:01,870  
nobody was like hey we need to whatever

581  
00:24:06,990 --> 00:24:04,780  
happened to that thing yeah whatever

582  
00:24:12,510 --> 00:24:07,000  
happened to the guy with like almost

583  
00:24:14,940 --> 00:24:12,520  
2000 guns and cash on hand in an

584  
00:24:22,110 --> 00:24:14,950  
underwater cart and claiming that he was

585  
00:24:26,430 --> 00:24:22,120  
an alien shut up he kept asking stupid

586  
00:24:28,770 --> 00:24:26,440  
questions I lash the guy who died was

587  
00:24:31,170 --> 00:24:28,780  
also believed to be an alien sent to

588  
00:24:34,500 --> 00:24:31,180

earth to protect us according to Laura

589

00:24:38,460 --> 00:24:34,510

vant van bunker van de bunker the mother

590

00:24:42,510 --> 00:24:38,470

of the 39 year old Don VAD bunker who

591

00:24:44,790 --> 00:24:42,520

used to work for never on so there's

592

00:24:46,500 --> 00:24:44,800

just people I just it's it's this insane

593

00:24:47,910 --> 00:24:46,510

story it's it's crazy

594

00:24:50,460 --> 00:24:47,920

I'll do it I'll do a follow-up on this

595

00:24:51,150 --> 00:24:50,470

and see if there's anything new to talk

596

00:24:52,980 --> 00:24:51,160

about this may

597

00:24:56,310 --> 00:24:52,990

we did a good enough job right here but

598

00:24:58,860 --> 00:24:56,320

the the the daughter dawn van bunker who

599

00:25:01,170 --> 00:24:58,870

used to work for Jeffrey lash the guy

600

00:25:03,420 --> 00:25:01,180

who died she definitely believed he was

601  
00:25:05,700 --> 00:25:03,430  
part alien and then after his death she

602  
00:25:07,800 --> 00:25:05,710  
just took off she left the state like

603  
00:25:09,780 --> 00:25:07,810  
went up north her parents couldn't find

604  
00:25:13,350 --> 00:25:09,790  
her so they they filed a missing-persons

605  
00:25:15,780 --> 00:25:13,360  
report on her if you have appeared 17

606  
00:25:18,810 --> 00:25:15,790  
days later up near Sacramento she wrote

607  
00:25:22,280 --> 00:25:18,820  
a letter to her family saying I'm not

608  
00:25:25,020 --> 00:25:22,290  
coming home ever again I'm going to be

609  
00:25:27,480 --> 00:25:25,030  
up at this some compound she didn't say

610  
00:25:30,570 --> 00:25:27,490  
where she was to basically focus and do

611  
00:25:33,660 --> 00:25:30,580  
healing for the coming changes to the

612  
00:25:38,340 --> 00:25:33,670  
earth in 2023 and those changes are a

613  
00:25:40,020 --> 00:25:38,350

brand new government in 2023 something

614

00:25:42,140 --> 00:25:40,030

biggs gonna happen according to this

615

00:25:46,080 --> 00:25:42,150

person and this whole entire incident

616

00:25:47,910 --> 00:25:46,090

all right crazy stuff go crazy alien

617

00:25:49,860 --> 00:25:47,920

stuff all kind of circling the drain

618

00:25:51,510 --> 00:25:49,870

let's see if it goes anywhere might just

619

00:25:53,880 --> 00:25:51,520

bubble back up yeah maybe

620

00:25:57,150 --> 00:25:53,890

all right uh let's move on Jo how about

621

00:26:00,120 --> 00:25:57,160

that ah I like to dwell on the past me

622

00:26:00,130 --> 00:26:05,510

[Music]

623

00:26:11,990 --> 00:26:07,399

they're not dumping so much anymore you

624

00:26:16,430 --> 00:26:12,000

notice ah I love the way you kind of tux

625

00:26:19,220 --> 00:26:16,440

626

00:26:25,450 --> 00:26:19,230
