[Applause]

2
00:00:11,980 --> 00:00:08,560
let's talk about

3
00:00:16,510 --> 00:00:11,990
a missing girl in Malaysia and how this

4
00:00:17,650 --> 00:00:16,520
may be missing 411 related I went down

5
00:00:20,109 --> 00:00:17,660
the rabbit hole with this one people

6
00:00:21,970 --> 00:00:20,119
absolutely a caller called in I believe

7
00:00:24,040 --> 00:00:21,980
on the previous show he said hey if he

8
00:00:28,030 --> 00:00:24,050
if you guys take a look at this yet I

9
00:00:30,850 --> 00:00:28,040
had the story didn't get to it and once

10
00:00:32,889 --> 00:00:30,860
I started digging into it I was kind of

11
00:00:36,160 --> 00:00:32,899
blown away that there are some pretty

12
00:00:38,620 --> 00:00:36,170
interesting angles with this I'll just

13
00:00:40,690 --> 00:00:38,630

go over I got a few clips right here

14

00:00:42,970 --> 00:00:40,700

that I'll bring up on screen I'll start

15

00:00:45,400 --> 00:00:42,980

playing them and then we'll read some of

16

00:00:49,150 --> 00:00:45,410

the stories this this first piece of

17

00:00:52,330 --> 00:00:49,160

audio here is from some news anchors I

18

00:00:54,520 --> 00:00:52,340

believe in Australia and we'll play this

19

00:00:57,010 --> 00:00:54,530

right now and this kind of speaks to

20

00:00:59,050 --> 00:00:57,020

what's going on with this with this girl

21

00:01:01,479 --> 00:00:59,060

at this moment in time until they

22

00:01:03,160 --> 00:01:01,489

confirm obviously that it is Nora the

23

00:01:05,830 --> 00:01:03,170

situation was is that Noah left the

24

00:01:08,380 --> 00:01:05,840

bedroom in the early hours of Saturday

25

00:01:10,210 --> 00:01:08,390

Sunday morning and she left in her dress

26

00:01:11,710 --> 00:01:10,220

and gap in her bed clothes she had

27

00:01:13,300 --> 00:01:11,720

nothing on her feet she took their shoes

28

00:01:14,620 --> 00:01:13,310

with her and of course the family then

29

00:01:16,180 --> 00:01:14,630

thought initially this through the third

30

00:01:17,890 --> 00:01:16,190

party to check that out as far as

31

00:01:19,840 --> 00:01:17,900

identification and then once they've

32

00:01:21,460 --> 00:01:19,850

done that treated as a crime scene to

33

00:01:23,140 --> 00:01:21,470

all the forensic analysis to make sure

34

00:01:24,610 --> 00:01:23,150

that there is no third party involvement

35

00:01:27,310 --> 00:01:24,620

and then obviously once they've done

36

00:01:29,020 --> 00:01:27,320

that recover Nora body and then work

37

00:01:30,880 --> 00:01:29,030

with the family in terms of recovery

38

00:01:33,730 --> 00:01:30,890

back to the UK that'll be important for

39

00:01:35,469 --> 00:01:33,740

her family clients and say that they you

40

00:01:36,580 --> 00:01:35,479

know they believe that she was abducted

41

00:01:38,740 --> 00:01:36,590

they didn't think that she'd wandered

42

00:01:40,840 --> 00:01:38,750

off but they will now want to know well

43

00:01:42,640 --> 00:01:40,850

how she got as mark says my heart

44

00:01:44,710 --> 00:01:42,650

obviously goes out to the family if this

45

00:01:47,620 --> 00:01:44,720

does indeed turn out to be Nora as sadly

46

00:01:51,010 --> 00:01:47,630

seems to be the case so what happened

47

00:01:54,190 --> 00:01:51,020

was this fifteen-year-old girl was in

48

00:01:56,950 --> 00:01:54,200

Malaysia I believe near a resort and as

49

00:02:00,780 --> 00:01:56,960

you heard in that clip she left in the

50

00:02:03,330 --> 00:02:00,790

middle of the night without her shoes

51

00:02:05,940 --> 00:02:03,340

that that curious in and of itself

52

00:02:07,890 --> 00:02:05,950

there's another thing that we released a

53

00:02:10,230 --> 00:02:07,900

missing for 11 and that this person this

54

00:02:11,850 --> 00:02:10,240

15 year old girl who had learning

55

00:02:13,650 --> 00:02:11,860

disabilities night but I don't know if

56

00:02:16,830 --> 00:02:13,660

they use the term autistic but she

57

00:02:18,720 --> 00:02:16,840

certainly could be so I will just read a

58

00:02:20,280 --> 00:02:18,730

little bit of the story and then I'll go

59

00:02:21,990 --> 00:02:20,290

to the the second clip little further

60

00:02:27,000 --> 00:02:22,000

down the line the same video so the

61

00:02:29,100 --> 00:02:27,010

family of Nora Nora whoa Iren the

62

00:02:31,350 --> 00:02:29,110

British teenager found dead in the

63

00:02:35,340 --> 00:02:31,360

Malaysian jungle after a 10-day search

64

00:02:37,470 --> 00:02:35,350

have dismissed how unhelpful speculation

65

00:02:39,690 --> 00:02:37,480

about her disappearance the body of the

66

00:02:40,680 --> 00:02:39,700

15 year old who had severe learning

67

00:02:43,290 --> 00:02:40,690

difficulties

68

00:02:46,770 --> 00:02:43,300

well discovered less than two miles from

69

00:02:48,600 --> 00:02:46,780

the Eco holiday resort where her family

70

00:02:50,580 --> 00:02:48,610

was staying

71

00:02:52,920 --> 00:02:50,590

Norris family have said that they're

72

00:02:55,440 --> 00:02:52,930

hoping for more answers to our many

73

00:02:57,840 --> 00:02:55,450

questions after an autopsy revealed the

74

00:03:00,810 --> 00:02:57,850

London school girl probably died due to

75

00:03:03,600 --> 00:03:00,820

starvation and stress after surviving a

76

00:03:05,280 --> 00:03:03,610

week in the jungle

77

00:03:07,410 --> 00:03:05,290

now for anybody doesn't know you

78

00:03:11,400 --> 00:03:07,420

typically don't die of starvation within

79

00:03:12,150 --> 00:03:11,410

10 days no mmm you know dehydration do

80

00:03:13,500 --> 00:03:12,160

you what it is

81

00:03:17,070 --> 00:03:13,510

starvation takes actually a good bit

82

00:03:19,140 --> 00:03:17,080

longer maybe I read anywhere from 30 to

83

00:03:20,670 --> 00:03:19,150

45 days you can die of starvation but

84

00:03:24,410 --> 00:03:20,680

they didn't say dehydration year they

85

00:03:27,810 --> 00:03:24,420

said specifically starvation and stress

86

00:03:29,730 --> 00:03:27,820

but the reports attributed to an unnamed

87

00:03:31,920 --> 00:03:29,740

source have since suggested that her

88

00:03:35,820 --> 00:03:31,930

parents have are considering asking for

89

00:03:38,370 --> 00:03:35,830

a second autopsy to ensure no evidence

90

00:03:41,280 --> 00:03:38,380

was missed on Saturday the family issued

91

00:03:43,050 --> 00:03:41,290

a statement via the Lucy Blackman trust

92

00:03:45,030 --> 00:03:43,060

a charity that supports British

93

00:03:48,360 --> 00:03:45,040

nationals in crisis overseas saying the

94

00:03:50,340 --> 00:03:48,370

family of Nora Nora family would like to

95

00:03:52,470 --> 00:03:50,350

clarify several comments that have been

96

00:03:54,540 --> 00:03:52,480

attributed to the family or do people

97

00:03:56,850 --> 00:03:54,550

claiming to act on their behalf they

98

00:03:58,800 --> 00:03:56,860

wish it to be made absolutely clear that

99

00:04:00,630 --> 00:03:58,810

the only comments and statements

100

00:04:03,480 --> 00:04:00,640

relating to the disappearance death and

101
00:04:05,790 --> 00:04:03,490
investigation of any other matters that

102
00:04:11,130 --> 00:04:05,800
are actually from the family are those

103
00:04:14,220 --> 00:04:11,140
released via Matthew Cyril and this Lucy

104
00:04:16,800 --> 00:04:14,230
Blackman Trust Foundation so there's a

105
00:04:18,330 --> 00:04:16,810
lot of speculation going on about what

106
00:04:20,400 --> 00:04:18,340
happened they the fan was initially

107
00:04:25,800 --> 00:04:20,410
wondering if it was a possible

108
00:04:27,870 --> 00:04:25,810
kidnapping because she went miles into

109
00:04:30,180 --> 00:04:27,880
the jungle without her shoes I read it

110
00:04:31,920 --> 00:04:30,190
an account that they're speculating that

111
00:04:33,450 --> 00:04:31,930
maybe she just up and left in the middle

112
00:04:36,990 --> 00:04:33,460
of night because you really really

113
00:04:38,640 --> 00:04:37,000

wanted to see a waterfall that she found

114

00:04:40,890 --> 00:04:38,650

out about a beautiful waterfall she

115

00:04:44,550 --> 00:04:40,900

wanted to to go there in the middle of

116

00:04:46,920 --> 00:04:44,560

the night it seemed a bit absurd does

117

00:04:49,380 --> 00:04:46,930

seem a bit absurd I've read stories with

118

00:04:51,510 --> 00:04:49,390

missing 411 accounts and I believe I

119

00:04:53,909 --> 00:04:51,520

read one months ago maybe last year

120

00:04:59,340 --> 00:04:53,919

where there was a there was a young man

121

00:05:03,300 --> 00:04:59,350

and he was burning his electronics and

122

00:05:06,360 --> 00:05:03,310

then within 48 hours he had left his

123

00:05:08,700 --> 00:05:06,370

family's home and he was he disappeared

124

00:05:10,710 --> 00:05:08,710

you got missing 411 after that there are

125

00:05:13,200 --> 00:05:10,720

many other accounts of people with

126

00:05:17,070 --> 00:05:13,210

missing in the missing for 11 case files

127

00:05:19,890 --> 00:05:17,080

were there found without shoes or there

128

00:05:23,129 --> 00:05:19,900

or wear their shoes are found quite a

129

00:05:27,300 --> 00:05:23,139

distance away from them this her leaving

130

00:05:29,159 --> 00:05:27,310

without shoes is quite interesting like

131

00:05:30,689 --> 00:05:29,169

like if they could be a little bit more

132

00:05:33,059 --> 00:05:30,699

specific about what her mental condition

133

00:05:36,809 --> 00:05:33,069

wasn't the same she can't learn that

134

00:05:38,490 --> 00:05:36,819

well yeah like is she like obviously

135

00:05:39,749 --> 00:05:38,500

she's like severely autistic or

136

00:05:43,439 --> 00:05:39,759

something why don't they just say it

137

00:05:45,029 --> 00:05:43,449

like she liked dick she had such a

138

00:05:46,260 --> 00:05:45,039

profound learning disability she didn't

139

00:05:47,730 --> 00:05:46,270

learn to take her shoes with her like

140

00:05:49,709 --> 00:05:47,740

her parents needed to do that or like

141

00:05:51,480 --> 00:05:49,719

what's yeah that kind of context would

142

00:05:53,189 --> 00:05:51,490

be a little bit more helpful here yeah

143

00:05:54,540 --> 00:05:53,199

and there would be they did the same

144

00:05:57,300 --> 00:05:54,550

learning disability she could be

145

00:05:58,279 --> 00:05:57,310

dyslexic I mean that's a miscibility

146

00:06:01,230 --> 00:05:58,289

right

147

00:06:03,510 --> 00:06:01,240

she's not good at math it very well

148

00:06:06,119 --> 00:06:03,520

could be but they're not specific at all

149

00:06:09,149 --> 00:06:06,129

so there's one more piece of this audio

150

00:06:12,600 --> 00:06:09,159

this is from this morning in Australia

151
00:06:15,510 --> 00:06:12,610
about this case Nora and they they say

152
00:06:16,709 --> 00:06:15,520
this okay Gerry had to my what about

153
00:06:19,230 --> 00:06:16,719
people getting involved with their

154
00:06:22,140 --> 00:06:19,240
theories of what happened there's a

155
00:06:24,930 --> 00:06:22,150
Shaymin I believed to be able to summon

156
00:06:26,850 --> 00:06:24,940
spirits who joined the search you know

157
00:06:28,140 --> 00:06:26,860
that's really unhelpful for the family

158
00:06:30,089 --> 00:06:28,150
because it's not something that they can

159
00:06:32,309 --> 00:06:30,099
they can actually take away and what

160
00:06:33,629 --> 00:06:32,319
happens in times like this and I've

161
00:06:35,309 --> 00:06:33,639
worked with so many families in that

162
00:06:37,649 --> 00:06:35,319
situation is that they they cling to

163
00:06:39,570 --> 00:06:37,659

anything any bit of hope that they get

164

00:06:40,740 --> 00:06:39,580

they'll they'll go with so when someone

165

00:06:43,589 --> 00:06:40,750

comes forward and says we'll try this

166

00:06:45,240 --> 00:06:43,599

they'll go okay give it a go the family

167

00:06:46,769 --> 00:06:45,250

obviously put up this 10,000 pounds

168

00:06:48,149 --> 00:06:46,779

reward there was a lot of discussion

169

00:06:49,409 --> 00:06:48,159

about whether that was the right thing

170

00:06:51,809 --> 00:06:49,419

to do or the wrong thing to do because

171

00:06:53,490 --> 00:06:51,819

sadly they don't often give information

172

00:06:55,290 --> 00:06:53,500

what they do is they attract a lot of

173

00:06:57,480 --> 00:06:55,300

people from outside you know they had at

174

00:06:59,070 --> 00:06:57,490

least five six mediums that came forward

175

00:07:02,249 --> 00:06:59,080

who giving information they've never

176

00:07:05,820 --> 00:07:02,259

proved a find who wrote there so the

177

00:07:11,290 --> 00:07:05,830

part that I held onto was that a shaman

178

00:07:15,219 --> 00:07:12,760

that's the headline I have up on screen

179

00:07:19,809 --> 00:07:15,229

screen right now malaysian shaman called

180

00:07:22,470 --> 00:07:19,819

to nora search says she was lured into

181

00:07:24,670 --> 00:07:22,480

the jungle by a genie

182

00:07:26,890 --> 00:07:24,680

shamans have before been performing

183

00:07:28,840 --> 00:07:26,900

spirits summoning rituals in a bid to

184

00:07:31,120 --> 00:07:28,850

find the mission and missing British

185

00:07:34,600 --> 00:07:31,130

teenager which she has since been found

186

00:07:37,030 --> 00:07:34,610

dead from servation over a course of ten

187

00:07:39,820 --> 00:07:37,040

days the fifteen-year-old girl from

188

00:07:42,129 --> 00:07:39,830

London has been missing since Sunday

189

00:07:43,810 --> 00:07:42,139

August 4th after disappearing from the

190

00:07:47,800 --> 00:07:43,820

jungle resort in Malaysia

191

00:07:49,690 --> 00:07:47,810

now cadaver dogs are our that are

192

00:07:51,730 --> 00:07:49,700

trained to smell death and spiritual

193

00:07:54,580 --> 00:07:51,740

shamans have been used to assist a team

194

00:07:55,960 --> 00:07:54,590

of 350 search and rescue personnel one

195

00:07:57,880 --> 00:07:55,970

of the shaman says he believes the

196

00:07:59,920 --> 00:07:57,890

school were the school girl was abducted

197

00:08:03,770 --> 00:07:59,930

by a genie who was attracted to her

198

00:08:08,000 --> 00:08:05,030

and then the other little hallmark

199

00:08:10,280 --> 00:08:08,010

hallmarks of missing 411 is that people

200

00:08:12,890 --> 00:08:10,290

with special needs learning disabilities

201

00:08:16,070 --> 00:08:12,900

autism even people with higher than

202

00:08:17,360 --> 00:08:16,080

average IQs they are not I don't know I

203

00:08:19,280 --> 00:08:17,370

want to use the word targets but they're

204

00:08:21,950 --> 00:08:19,290

more more likely to go missing in a

205

00:08:24,080 --> 00:08:21,960

missing 4:11 scenario

206

00:08:26,330 --> 00:08:24,090

yeah but I'm not sure was there ever any

207

00:08:28,310 --> 00:08:26,340

a case covered where someone goes just

208

00:08:29,480 --> 00:08:28,320

is gone in the middle of the night I

209

00:08:32,930 --> 00:08:29,490

remember one of the cases there was a

210

00:08:34,370 --> 00:08:32,940

little boy I think he had like I think

211

00:08:36,350 --> 00:08:34,380

he was deaf or something

212

00:08:37,969 --> 00:08:36,360

he was fishing but he was during the day

213

00:08:41,209 --> 00:08:37,979

like his grandpa was with them or

214

00:08:43,190 --> 00:08:41,219

something it wasn't like this um I I

215

00:08:45,680 --> 00:08:43,200

have heard stories where people will

216

00:08:47,720 --> 00:08:45,690

just up and go but I don't know if

217

00:08:50,240 --> 00:08:47,730

they're directly related to missing 411

218

00:08:54,680 --> 00:08:50,250

listen I forget that a skier last year

219

00:08:57,260 --> 00:08:54,690

who just up and left oh yeah his his his

220

00:08:59,600 --> 00:08:57,270

ski hill in New York State and then

221

00:09:03,920 --> 00:08:59,610

traveled a somehow traveled across the

222

00:09:06,680 --> 00:09:03,930

country who wind up in San Francisco so

223

00:09:07,760 --> 00:09:06,690

he just up and left I'm cleaning them is

224

00:09:09,680 --> 00:09:07,770

there any fault yeah was there any

225

00:09:11,720 --> 00:09:09,690

follow up with that I tried to look for

226

00:09:13,910 --> 00:09:11,730

follow-ups on that case and the guy has

227

00:09:15,440 --> 00:09:13,920

remained tight-lipped as of about four

228

00:09:17,269 --> 00:09:15,450

months ago when I last looked up his

229

00:09:19,070 --> 00:09:17,279

name he hasn't really devolved any

230

00:09:22,310 --> 00:09:19,080

information I believe even David poetess

231

00:09:23,720 --> 00:09:22,320

has tried to contact them and I think he

232

00:09:25,670 --> 00:09:23,730

just wants to move on with his life he's

233

00:09:28,400 --> 00:09:25,680

uh he was a chief at the fire department

234

00:09:29,870 --> 00:09:28,410

oh uh the fire department up there in

235

00:09:31,960 --> 00:09:29,880

Canada and he just kind of wants to

236

00:09:34,400 --> 00:09:31,970

forget this and move on with his life

237

00:09:36,199 --> 00:09:34,410

remember I don't initially you said he

238

00:09:38,199 --> 00:09:36,209

doesn't remember how he got there but I

239

00:09:43,569 --> 00:09:38,209

recall

240

00:09:45,160 --> 00:09:43,579

how he got there at all no so as search

241

00:09:47,379 --> 00:09:45,170

teams combed through the hilly junk

242

00:09:50,019 --> 00:09:47,389

jungle terrain five shamans prefer

243

00:09:54,549 --> 00:09:50,029

performed a ritual in the forest in a

244

00:09:57,699 --> 00:09:54,559

video shaman palace Mohammed said he

245

00:10:00,369 --> 00:09:57,709

believes a girl was lured lured by a

246

00:10:02,439 --> 00:10:00,379

genie who had chose Nora to be his

247

00:10:04,299 --> 00:10:02,449

stepchild he vowed to persuade the

248

00:10:05,499 --> 00:10:04,309

spirit to return her but warned that

249

00:10:09,009 --> 00:10:05,509

they would asked for something in return

250

00:10:11,559 --> 00:10:09,019

he added that will be between me and

251
00:10:13,600 --> 00:10:11,569
them most important now that child will

252
00:10:16,449 --> 00:10:13,610
be released that shaman felt into a

253
00:10:20,049 --> 00:10:16,459
trance earlier today as they summon

254
00:10:22,780 --> 00:10:20,059
spirits spirits who they believe could

255
00:10:24,819 --> 00:10:22,790
help with the rescue mission so I was

256
00:10:26,530 --> 00:10:24,829
like okay you know they got shamans

257
00:10:29,079 --> 00:10:26,540
there it sounds like the shamans just

258
00:10:31,929 --> 00:10:29,089
don't appear out of nowhere there's got

259
00:10:36,699 --> 00:10:31,939
to be something to this

260
00:10:38,109 --> 00:10:36,709
oh so hurt what's that couldn't hurt I

261
00:10:41,230 --> 00:10:38,119
guess to have the shaman do his thing

262
00:10:43,780 --> 00:10:41,240
no never never have a shaman around what

263
00:10:45,249 --> 00:10:43,790

I did find in another report about

264

00:10:46,989 --> 00:10:45,259

discovery of her body

265

00:10:48,669 --> 00:10:46,999

this is quoted somewhere else this

266

00:10:51,879 --> 00:10:48,679

wasn't in a lot of the processes that

267

00:10:55,600 --> 00:10:51,889

her body was discovered on Tuesday

268

00:10:58,210 --> 00:10:55,610

unclothed down a deep ravine it was one

269

00:11:01,359 --> 00:10:58,220

point six miles from the resort where

270

00:11:04,480 --> 00:11:01,369

she was staying not terribly far no I

271

00:11:06,699 --> 00:11:04,490

would say probably in an area where they

272

00:11:09,639 --> 00:11:06,709

have already searched although I cannot

273

00:11:11,340 --> 00:11:09,649

confirm that at all I cannot confirm

274

00:11:13,830 --> 00:11:11,350

that

275

00:11:16,050 --> 00:11:13,840

I should missing what a week she was

276

00:11:18,090 --> 00:11:16,060

missing about ten days yeah okay little

277

00:11:19,770 --> 00:11:18,100

for a week I would I would assume within

278

00:11:21,540 --> 00:11:19,780

1.6 miles at a resort they'd have

279

00:11:23,150 --> 00:11:21,550

probably checked I would yeah I would

280

00:11:28,260 --> 00:11:23,160

assume that they'd probably check that

281

00:11:29,550 --> 00:11:28,270

that already so there is a obviously the

282

00:11:33,630 --> 00:11:29,560

article like there's a couple articles

283

00:11:36,500 --> 00:11:33,640

about the be the Jeannie

284

00:11:40,430 --> 00:11:38,270

people are kind of holding onto this

285

00:11:44,930 --> 00:11:40,440

again there's a there are some shamans

286

00:11:47,060 --> 00:11:44,940

out there and the genie was one of the

287

00:11:50,450 --> 00:11:47,070

suspected culprits but genies and jinns

288

00:11:52,340 --> 00:11:50,460

are part of Middle Eastern culture I

289

00:11:56,030 --> 00:11:52,350

didn't I didn't know they actually were

290

00:11:58,190 --> 00:11:56,040

out in Malaysia but Malaysia um I'm not

291

00:11:59,660 --> 00:11:58,200

sure when Islam arrived there I think it

292

00:12:00,920 --> 00:11:59,670

was enough seven or eight hundreds but

293

00:12:02,390 --> 00:12:00,930

there's a lot of Muslims in Indonesia

294

00:12:04,370 --> 00:12:02,400

and Malaysia so it makes sense but

295

00:12:07,640 --> 00:12:04,380

they'd have the jinn and the the genie

296

00:12:11,060 --> 00:12:07,650

and their yeah their culture yeah

297

00:12:14,810 --> 00:12:11,070

absolutely so I did some other some

298

00:12:18,500 --> 00:12:14,820

other looking around for other any other

299

00:12:22,220 --> 00:12:18,510

cases in Malaysia for concerning missing

300

00:12:24,890 --> 00:12:22,230

people and and this type of activity I

301
00:12:27,890 --> 00:12:24,900
came across two other things that popped

302
00:12:32,000 --> 00:12:27,900
up immediately and this is the the first

303
00:12:34,850 --> 00:12:32,010
one here lost hiker mystery did the

304
00:12:36,950 --> 00:12:34,860
Ourang boonie

305
00:12:40,040 --> 00:12:36,960
I actually I'm a pronounced it there's a

306
00:12:43,700 --> 00:12:40,050
specific type of cryptozoological

307
00:12:44,930 --> 00:12:43,710
creature and is very particular to this

308
00:12:47,920 --> 00:12:44,940
part of the world I'll see if I can

309
00:12:54,140 --> 00:12:47,930
pronounce it so it is pronounced the

310
00:12:56,840 --> 00:12:54,150
whoring boonie on boonie on or ragoon

311
00:13:02,840 --> 00:13:00,860
so these hikers get abducted by by these

312
00:13:05,990 --> 00:13:02,850
cryptids a mysterious disappearance of a

313
00:13:10,240 --> 00:13:06,000

hiker Theo Kim leaned during a running

314

00:13:13,189 --> 00:13:10,250

event on June 16th in the force of

315

00:13:15,650 --> 00:13:13,199

Callao loop or has sparked questions

316

00:13:18,740 --> 00:13:15,660

about the supernatural despite intensive

317

00:13:21,350 --> 00:13:18,750

search efforts by over 150 volunteers in

318

00:13:23,569 --> 00:13:21,360

more than 30 officials searching search

319

00:13:27,050 --> 00:13:23,579

and rescue personnel with tracking dogs

320

00:13:28,759 --> 00:13:27,060

came up with nothing after 10 days the

321

00:13:31,670 --> 00:13:28,769

authorities called author search search

322

00:13:33,860 --> 00:13:31,680

party coordinator said that group then

323

00:13:36,259 --> 00:13:33,870

sought the help of Hindu and Buddhist

324

00:13:37,819 --> 00:13:36,269

media mediums who point in the right

325

00:13:39,800 --> 00:13:37,829

direction after the search efforts had

326

00:13:44,480 --> 00:13:39,810

exhausted every possible means of

327

00:13:47,210 --> 00:13:44,490

finding Theo so many regular hikers

328

00:13:52,160 --> 00:13:47,220

believe that there are spirits in the

329

00:13:55,970 --> 00:13:52,170

jungles known in Malay as the Arang boo

330

00:13:59,449 --> 00:13:55,980

nyan who can whisk unsuspecting victims

331

00:14:01,400 --> 00:13:59,459

off to other worlds or an unseen

332

00:14:04,999 --> 00:14:01,410

dimension as well as having their powers

333

00:14:07,480 --> 00:14:05,009

to cover their vision of the hikers for

334

00:14:11,269 --> 00:14:07,490

what reason we don't know but there

335

00:14:13,970 --> 00:14:11,279

there's so many incidents like this this

336

00:14:17,170 --> 00:14:13,980

is just one one

337

00:14:21,080 --> 00:14:17,180

and so what are these creatures well the

338

00:14:24,920 --> 00:14:21,090

the or Aang boo nyan are supernatural

339

00:14:26,900 --> 00:14:24,930

beans in Malaysia they are they're

340

00:14:30,770 --> 00:14:26,910

invisible to most humans except those

341

00:14:32,690 --> 00:14:30,780

with virtual sight while the term often

342

00:14:35,660 --> 00:14:32,700

translates to elves it literally

343

00:14:37,400 --> 00:14:35,670

translates to hidden people or whistling

344

00:14:39,560 --> 00:14:37,410

people their appearance is nearly

345

00:14:43,280 --> 00:14:39,570

identical to humans dressed in ancient

346

00:14:47,110 --> 00:14:43,290

southeastern Southeast Asian style there

347

00:14:50,360 --> 00:14:47,120

are they're sometimes said to be lack of

348

00:14:54,500 --> 00:14:50,370

let's reom I'm sure that means but are

349

00:14:57,110 --> 00:14:54,510

awesome also uh extra beautiful I think

350

00:15:00,530 --> 00:14:57,120

it's part of them knows yeah okay so the

351
00:15:02,470 --> 00:15:00,540
missing part of a nose but they're also

352
00:15:06,860 --> 00:15:02,480
considered to be extremely beautiful

353
00:15:11,090 --> 00:15:06,870
modern depictions deviate considerably

354
00:15:13,940 --> 00:15:11,100
but the traditional view and they are

355
00:15:16,580 --> 00:15:13,950
increasingly elf like it is now common

356
00:15:19,610 --> 00:15:16,590
in pop culture to see these depicted of

357
00:15:23,110 --> 00:15:19,620
having pointed ears and high fantasy

358
00:15:26,160 --> 00:15:23,120
influence to their appearance

359
00:15:28,260 --> 00:15:26,170
so these are secret people

360
00:15:34,740 --> 00:15:31,620
while they are generally regarded as

361
00:15:39,570 --> 00:15:34,750
benevolent there have been reports of

362
00:15:41,400 --> 00:15:39,580
them taking people or trading trading

363
00:15:43,949 --> 00:15:41,410

people

364

00:15:46,829 --> 00:15:43,959

and so back to this report I mean this

365

00:15:48,749 --> 00:15:46,839

is a fairly lengthy report on the hiker

366

00:15:50,460 --> 00:15:48,759

that went missing and this is this this

367

00:15:51,659 --> 00:15:50,470

this one I was reading about the hiker

368

00:15:55,259 --> 00:15:51,669

that went missing on the runner went

369

00:15:59,759 --> 00:15:55,269

missing that was 2015 and they couldn't

370

00:16:05,879 --> 00:15:59,769

find anything from this hiker so there's

371

00:16:10,079 --> 00:16:05,889

actually another case a family claimed

372

00:16:13,859 --> 00:16:10,089

vanishing girl was abducted by these

373

00:16:16,289 --> 00:16:13,869

secret people in Malaysia remember that

374

00:16:20,699 --> 00:16:16,299

there is also the Arang pen deck which

375

00:16:22,649 --> 00:16:20,709

is the uh I guess Malaysian like smaller

376

00:16:25,949 --> 00:16:22,659

ape creature not like a Bigfoot but like

377

00:16:28,079 --> 00:16:25,959

a different kind of smaller a little

378

00:16:32,789 --> 00:16:28,089

foot if you will yeah well I talked

379

00:16:34,710 --> 00:16:32,799

about even in the in India and Pakistan

380

00:16:37,169 --> 00:16:34,720

there's like a smaller little hairy

381

00:16:40,360 --> 00:16:37,179

humanoid not as big as a Bigfoot but I

382

00:16:42,730 --> 00:16:40,370

mean did they get up there

383

00:16:45,010 --> 00:16:42,740

so here's this last little headline I

384

00:16:50,170 --> 00:16:45,020

have here is family claims vanishing

385

00:16:53,400 --> 00:16:50,180

girl abducted by the brainy the strange

386

00:16:57,100 --> 00:16:53,410

tale of a 22 year old who was said to

387

00:17:00,670 --> 00:16:57,110

sleepwalk and go missing for hours only

388

00:17:04,120 --> 00:17:00,680

to reappear on tree tops and cemeteries

389

00:17:05,860 --> 00:17:04,130

has he keen an intriguing turn she is

390

00:17:08,319 --> 00:17:05,870

him she is missing again and the family

391

00:17:11,350 --> 00:17:08,329

members are claiming she is being held

392

00:17:12,520 --> 00:17:11,360

captive by a group of these supernatural

393

00:17:14,439 --> 00:17:12,530

beings my kind of say that name Anna

394

00:17:18,250 --> 00:17:14,449

marks I'm not Santa right

395

00:17:20,620 --> 00:17:18,260

the secret people it's basically held

396

00:17:24,309 --> 00:17:20,630

for ransom her family says that she went

397

00:17:27,340 --> 00:17:24,319

missing from a family home and they

398

00:17:30,040 --> 00:17:27,350

lodged a missing-persons report and they

399

00:17:32,200 --> 00:17:30,050

failed to to find her in the first

400

00:17:36,190 --> 00:17:32,210

attempts but then she appeared then she

401
00:17:40,870 --> 00:17:38,590
and last week the Malayan media reported

402
00:17:43,149 --> 00:17:40,880
that seven precious stones including a

403
00:17:45,190 --> 00:17:43,159
ruby had fallen from the ceiling of her

404
00:17:46,720 --> 00:17:45,200
house which is some sort of superstition

405
00:17:50,649 --> 00:17:46,730
I kept reading that over and over again

406
00:17:52,090 --> 00:17:50,659
of of crystals and marbles being

407
00:17:53,529 --> 00:17:52,100
involved in the house they're suddenly

408
00:17:56,410 --> 00:17:53,539
appearing suddenly disappearing or

409
00:17:58,990 --> 00:17:56,420
pulling out of things

410
00:18:02,440 --> 00:17:59,000
some weird stuff going on in Malaysia

411
00:18:04,310 --> 00:18:02,450
and so this this girl this most recent

412
00:18:06,710 --> 00:18:04,320
girl Norah

413
00:18:10,430 --> 00:18:06,720

who went missing was missing for 10 days

414

00:18:13,279 --> 00:18:10,440

and they say died of starvation and

415

00:18:16,490 --> 00:18:13,289

stress I've never heard of anybody dying

416

00:18:18,049 --> 00:18:16,500

of stress but that's because maybe I

417

00:18:20,389 --> 00:18:18,059

have heard of it

418

00:18:22,759 --> 00:18:20,399

she is the latest on people that have

419

00:18:25,700 --> 00:18:22,769

gone missing and died in mysterious

420

00:18:27,769 --> 00:18:25,710

circumstances in Malaysia and being

421

00:18:32,100 --> 00:18:27,779

attributed to the Genji knee or these

422

00:18:32,110 --> 00:18:35,350

No

423

00:18:40,419 --> 00:18:37,479

there's a lot here I mean I just kind of

424

00:18:41,979 --> 00:18:40,429

scratched the surface with this this is

425

00:18:44,910 --> 00:18:41,989

what I basically found in a few hours of

426

00:18:47,430 --> 00:18:44,920

searching and reading

427

00:18:49,680 --> 00:18:47,440

I have no doubt that there's some weird

428

00:18:52,830 --> 00:18:49,690

stuff going on and I don't know if David

429

00:18:54,990 --> 00:18:52,840

place has done a missing 411 Southeast

430

00:18:56,790 --> 00:18:55,000

Asia location I know he's done some

431

00:18:59,310 --> 00:18:56,800

stuff in Australia but I don't know if

432

00:19:01,560 --> 00:18:59,320

he's dipped his toes into China or India

433

00:19:01,860 --> 00:19:01,570

or Pakistan or anything like that you

434

00:19:05,220 --> 00:19:01,870

know

435

00:19:09,660 --> 00:19:05,230

uh-uh I don't well as one recovers

436

00:19:10,980 --> 00:19:09,670

global cases but um called North America

437

00:19:13,320 --> 00:19:10,990

and Beyond at the book I should probably

438

00:19:15,870 --> 00:19:13,330

read it I don't think he's done many if

439

00:19:17,670 --> 00:19:15,880

for if any cases in this part of the

440

00:19:21,120 --> 00:19:17,680

world he's gotta sell more books oh I

441

00:19:25,440 --> 00:19:21,130

imagine he will well if he gets on cases

442

00:19:27,630 --> 00:19:25,450

like these not gonna really have a lack

443

00:19:29,100 --> 00:19:27,640

of material that's for sure so I'm gonna

444

00:19:30,930 --> 00:19:29,110

open up the phone lines here six one

445

00:19:35,280 --> 00:19:30,940

four three eight eight nine one oh nine

446

00:19:37,170 --> 00:19:35,290

you guys want to give a call and also

447

00:19:38,400 --> 00:19:37,180

this is the part of the country or part

448

00:19:40,410 --> 00:19:38,410

of the world a part of the country this

449

00:19:43,740 --> 00:19:40,420

is part of the world where there was

450

00:19:46,320 --> 00:19:43,750

that mh370 that plane that would mission

451
00:19:47,400 --> 00:19:46,330
that was a Malaysian plane uh yeah

452
00:19:48,720 --> 00:19:47,410
that's correct

453
00:19:50,670 --> 00:19:48,730
that was the Malaysian plane that went

454
00:19:53,640 --> 00:19:50,680
missing so there's like another mystery

455
00:19:55,770 --> 00:19:53,650
of disappearing people that were in a

456
00:19:58,170 --> 00:19:55,780
plane that was from Malaysia I think

457
00:19:59,820 --> 00:19:58,180
they're going up to up north think maybe

458
00:20:03,330 --> 00:19:59,830
to China I don't really remember exactly

459
00:20:04,890 --> 00:20:03,340
and you're the force and I was there

460
00:20:07,330 --> 00:20:04,900
thought again I can't remember where is

461
00:20:09,270 --> 00:20:07,340
good maybe Australia but

462
00:20:11,860 --> 00:20:09,280
it was going to not to where it landed

463
00:20:12,910 --> 00:20:11,870

they don't even know where you sent that

464

00:20:15,310 --> 00:20:12,920

other story and if you want to talk

465

00:20:17,110 --> 00:20:15,320

about it later or now I don't know

466

00:20:19,500 --> 00:20:17,120

someone did I have no idea what you're

467

00:20:21,790 --> 00:20:19,510

referring to the one that mh370 found

468

00:20:24,010 --> 00:20:21,800

Cambodian crash site of missing

469

00:20:26,800 --> 00:20:24,020

Malaysian Airlines plane 99% likely is

470

00:20:29,320 --> 00:20:26,810

from the Express do you want to send it

471

00:20:32,440 --> 00:20:29,330

over I don't it was in the carriage shop

472

00:20:33,670 --> 00:20:32,450

that's where I saw it well if it's not

473

00:20:36,070 --> 00:20:33,680

at the very bottom right now

474

00:20:42,490 --> 00:20:36,080

I can't scroll up to see it bearish an

475

00:20:47,860 --> 00:20:44,140

bring it up on screen here we go this

476
00:20:50,700 --> 00:20:47,870
one Express UK mh370 found Cambodia

477
00:20:54,430 --> 00:20:50,710
crash site of missing Malaysia airplane

478
00:20:57,310 --> 00:20:54,440
99% likely that this is it I think

479
00:21:02,920 --> 00:20:57,320
that's a dubious claim percent likely

480
00:21:04,840 --> 00:21:02,930
but this is from March of 2019 oh I I

481
00:21:06,550 --> 00:21:04,850
wasn't the one who sent that in but you

482
00:21:10,470 --> 00:21:06,560
know it might as well ya know I mean

483
00:21:15,480 --> 00:21:13,650
all malaysia all the time here

484
00:21:18,330 --> 00:21:15,490
site of malaysian airlines' through 70

485
00:21:20,580 --> 00:21:18,340
is 99% likely to have been identified in

486
00:21:22,800 --> 00:21:20,590
the Cambodian jungle or welcome to

487
00:21:26,880 --> 00:21:22,810
Cambodian jungle according to an amateur

488
00:21:29,850 --> 00:21:26,890

investigator the mh370 disappeared and

489

00:21:35,100 --> 00:21:29,860

on March of 2014

490

00:21:39,390 --> 00:21:35,110

Oh in route from : poor to Beijing I was

491

00:21:41,100 --> 00:21:39,400

right carrying 239 people and remains

492

00:21:43,560 --> 00:21:41,110

one of the biggest aviation mysteries in

493

00:21:46,080 --> 00:21:43,570

history however mr. Boyer believes he

494

00:21:48,510 --> 00:21:46,090

found the plane wreckage in Cambodia via

495

00:21:51,540 --> 00:21:48,520

satellite images and sent an expedition

496

00:21:52,050 --> 00:21:51,550

team to his proposed coordinates earlier

497

00:21:54,090 --> 00:21:52,060

this year

498

00:21:56,420 --> 00:21:54,100

although the team failed to reach this

499

00:21:57,540 --> 00:21:56,430

spot due to its remote location its

500

00:22:01,050 --> 00:21:57,550

leader

501
00:22:05,700 --> 00:22:01,060
Zorba pare allegedly concluded it was

502
00:22:06,990 --> 00:22:05,710
99% likely to be the plane crash site so

503
00:22:09,450 --> 00:22:07,000
this is back in March there's got to be

504
00:22:11,910 --> 00:22:09,460
a follow-up I said I'm looking for and

505
00:22:14,220 --> 00:22:11,920
so there's I got some images up on

506
00:22:18,060 --> 00:22:14,230
screen now of the proposed crash site

507
00:22:20,100 --> 00:22:18,070
it's tough to say it really is I suspect

508
00:22:22,980 --> 00:22:20,110
that they actually found the debris we

509
00:22:24,720 --> 00:22:22,990
would have heard heard it by now like

510
00:22:26,490 --> 00:22:24,730
they would have say we can finally tell

511
00:22:28,590 --> 00:22:26,500
the families they you can leave your

512
00:22:30,510 --> 00:22:28,600
loved ones to rest but I don't think I

513
00:22:34,710 --> 00:22:30,520

got that is quite possible I miss the

514

00:22:40,200 --> 00:22:38,370

jinnns genies I saw Cratchit put some

515

00:22:43,610 --> 00:22:40,210

stuff in the carrot shop I don't know if

516

00:22:48,830 --> 00:22:43,620

that was pertaining to this

517

00:22:54,080 --> 00:22:51,139

what is the other one the he posted a

518

00:22:56,869 --> 00:22:54,090

wiki peaky Oh a wiki pikia a wiki oh

519

00:22:59,480 --> 00:22:56,879

wait a wiki pikia he posted a wiki for

520

00:23:02,539 --> 00:23:01,820

the short hairy person in the orang

521

00:23:05,510 --> 00:23:02,549

pendeks

522

00:23:07,730 --> 00:23:05,520

yeah the orange pendick which is the

523

00:23:10,760 --> 00:23:07,740

most common name given to a cryptid or

524

00:23:13,610 --> 00:23:10,770

zoological name that reportedly inhabits

525

00:23:16,040 --> 00:23:13,620

remote and mountainous forest areas of

526

00:23:25,540 --> 00:23:16,050

Sumatra

527

00:23:30,320 --> 00:23:28,190

caller you're on the air

528

00:23:33,320 --> 00:23:30,330

like hey man we're just hanging out

529

00:23:35,870 --> 00:23:33,330

talking about some cryptids missing 411

530

00:23:38,060 --> 00:23:35,880

and this this most recent case Nora who

531

00:23:41,120 --> 00:23:38,070

went missing in Malaysia

532

00:23:44,020 --> 00:23:41,130

yeah I actually uh I was in Malaysia

533

00:23:46,290 --> 00:23:44,030

this past June

534

00:23:49,930 --> 00:23:46,300

and I flew Malaysian Airlines actually

535

00:23:51,310 --> 00:23:49,940

we was scared nerve-wracking because all

536

00:23:52,510 --> 00:23:51,320

I kept thinking of was this particular

537

00:23:57,670 --> 00:23:52,520

incident

538

00:23:59,110 --> 00:23:57,680

yeah the mh370 yeah yeah 37 I was joking

539

00:24:02,470 --> 00:23:59,120

with my wife I said it should be called

540

00:24:04,030 --> 00:24:02,480

the 50-50 airline yeah they haven't had

541

00:24:06,270 --> 00:24:04,040

a good track record I think they they've

542

00:24:10,540 --> 00:24:06,280

had some aviation problems down there

543

00:24:13,210 --> 00:24:10,550

yeah it's ugly we were traveling to

544

00:24:15,730 --> 00:24:13,220

signa port from the Philippines so I was

545

00:24:18,130 --> 00:24:15,740

only tunnel owner in between staying

546

00:24:20,140 --> 00:24:18,140

there we took Malaysian Airlines so they

547

00:24:21,550 --> 00:24:20,150

stopped over and Malaysia so I didn't

548

00:24:23,950 --> 00:24:21,560

actually get to really explore Malaysia

549

00:24:27,250 --> 00:24:23,960

much but it was uh it was interesting

550

00:24:31,180 --> 00:24:27,260

like just to be involved in that and

551
00:24:33,970 --> 00:24:31,190
have the the stubble my refrigerator as

552
00:24:35,860 --> 00:24:33,980
a reminder that I survived what was the

553
00:24:39,010 --> 00:24:35,870
one of the things that stuck out about

554
00:24:42,780 --> 00:24:39,020
Malaysia that you still remember we find

555
00:24:45,490 --> 00:24:42,790
interesting uh well didn't just the

556
00:24:48,430 --> 00:24:45,500
first of all just how many Muslims were

557
00:24:50,650 --> 00:24:48,440
there like in the traditional garb and

558
00:24:53,170 --> 00:24:50,660
stuff oh it's packed full of Muslims

559
00:24:53,680 --> 00:24:53,180
down there isn't it yeah it was in my

560
00:24:55,540 --> 00:24:53,690
wife

561
00:24:57,190 --> 00:24:55,550
we know she's from the Philippines so

562
00:24:59,800 --> 00:24:57,200
her whole trip was initially to go to

563
00:25:01,600 --> 00:24:59,810

the Philippines and she was wearing like

564

00:25:03,850 --> 00:25:01,610

shorts I was with her whole family and

565

00:25:06,100 --> 00:25:03,860

they're all my insurance through girls

566

00:25:08,080 --> 00:25:06,110

and they were like staring at him crazy

567

00:25:09,880 --> 00:25:08,090

man it was really weird is it really odd

568

00:25:11,350 --> 00:25:09,890

vibe and you shouldn't do that you

569

00:25:13,660 --> 00:25:11,360

should probably respect her culture uh

570

00:25:16,240 --> 00:25:13,670

unless you want to die in just where

571

00:25:18,070 --> 00:25:16,250

Jesus I said yeah I didn't I didn't even

572

00:25:20,050 --> 00:25:18,080

think of it and I even said I was like

573

00:25:22,300 --> 00:25:20,060

you should probably just like changer

574

00:25:24,340 --> 00:25:22,310

cover up or something because I don't

575

00:25:27,250 --> 00:25:24,350

want to you know I'm just one white man

576

00:25:29,560 --> 00:25:27,260

here and uh I see of a whole nother

577

00:25:31,650 --> 00:25:29,570

country you should change into like an

578

00:25:33,970 --> 00:25:31,660

Uncle Sam outfit they would like that

579

00:25:36,340 --> 00:25:33,980

yeah yeah definitely

580

00:25:39,220 --> 00:25:36,350

I should've it may be busted out across

581

00:25:40,810 --> 00:25:39,230

but uh they also they really appreciate

582

00:25:47,200 --> 00:25:40,820

if you dress up as Mohammed they like

583

00:25:50,120 --> 00:25:47,210

that they love it yeah for sure it might

584

00:25:52,810 --> 00:25:50,130

have gotten me in trouble

585

00:25:56,080 --> 00:25:52,820

how long were you in Malaysia for

586

00:25:57,880 --> 00:25:56,090

well I think we were there a total of

587

00:26:00,370 --> 00:25:57,890

like eight hours is waiting

588

00:26:02,650 --> 00:26:00,380

oh wow you're way over else no so you're

589

00:26:05,680 --> 00:26:02,660

just and real quick we actually flew it

590

00:26:07,960 --> 00:26:05,690

twice we flew it twice because we took

591

00:26:09,070 --> 00:26:07,970

we went from lift openings to Cigna for

592

00:26:10,360 --> 00:26:09,080

and then from Singapore back to the

593

00:26:14,289 --> 00:26:10,370

Philippines and we use Malaysian

594

00:26:16,660 --> 00:26:14,299

Airlines for both trips so like I was

595

00:26:19,060 --> 00:26:16,670

only in the airport in Malaysia but it

596

00:26:22,240 --> 00:26:19,070

was um yeah that was my takeaways is

597

00:26:25,240 --> 00:26:22,250

very Muslim or Islam was very dominant

598

00:26:27,789 --> 00:26:25,250

there and I suspect you will need to get

599

00:26:31,090 --> 00:26:27,799

there they have because I can't remember

600

00:26:33,190 --> 00:26:31,100

these root-knot rupees but malai or

601
00:26:35,560 --> 00:26:33,200
soften up their money there but I have

602
00:26:36,010 --> 00:26:35,570
some of their money here one more hot

603
00:26:40,900 --> 00:26:36,020
dogs

604
00:26:44,250 --> 00:26:40,910
it's probably their choice currency

605
00:26:46,930 --> 00:26:44,260
because they love pork and stuff I

606
00:26:48,760 --> 00:26:46,940
suspect if you guys left the airport

607
00:26:51,690 --> 00:26:48,770
they probably wouldn't have been as

608
00:26:54,460 --> 00:26:51,700
lenient with your wife's short shorts

609
00:26:56,200 --> 00:26:54,470
yeah I know I did that was probably that

610
00:26:58,169 --> 00:26:56,210
despot in Malaysia wasn't really on the

611
00:27:04,120 --> 00:26:58,179
list other than a layover you know

612
00:27:06,100 --> 00:27:04,130
definitely yes but on I I wanted to I

613
00:27:07,659 --> 00:27:06,110

was watching something earlier time you

614

00:27:10,140 --> 00:27:07,669

drive time were you guys sure other

615

00:27:11,289 --> 00:27:10,150

things to move on to what is [h__h]

616

00:27:15,340 --> 00:27:11,299

okay

617

00:27:17,320 --> 00:27:15,350

um I wanted to say I even sent you an

618

00:27:19,419 --> 00:27:17,330

email about getting on the street team

619

00:27:22,659 --> 00:27:19,429

and you sent me stuff I'm Josh in

620

00:27:24,970 --> 00:27:22,669

Baltimore okay yeah I did I yeah I got I

621

00:27:28,480 --> 00:27:24,980

got the package and I took the big foot

622

00:27:31,299 --> 00:27:28,490

dick sticker on a very prominent stop

623

00:27:33,130 --> 00:27:31,309

sign good on the Baltimore Street here

624

00:27:35,409 --> 00:27:33,140

while the titty bars they should have

625

00:27:37,200 --> 00:27:35,419

done better by many drunken people good

626

00:27:39,840 --> 00:27:37,210

good

627

00:27:41,880 --> 00:27:39,850

thank you very much yeah no thank you I

628

00:27:44,250 --> 00:27:41,890

love the show they're listening for a

629

00:27:47,220 --> 00:27:44,260

long time I used to participate more but

630

00:27:48,630 --> 00:27:47,230

I just got a lot more going on so I hear

631

00:27:50,310 --> 00:27:48,640

you I had a free night tonight and I

632

00:27:53,250 --> 00:27:50,320

remember you guys were gonna be doing

633

00:27:54,600 --> 00:27:53,260

the YouTube thing so cool yeah thanks

634

00:27:56,750 --> 00:27:54,610

for thanks for hanging out and checking

635

00:27:59,210 --> 00:27:56,760

us not you got anything else for us

636

00:28:01,070 --> 00:27:59,220

ah yeah I'm just gonna say on the whole

637

00:28:03,320 --> 00:28:01,080

I've just been thinking a lot about the

638

00:28:06,110 --> 00:28:03,330

mainstreaming of conspiracy theory in

639

00:28:07,610 --> 00:28:06,120

general how even you know the history of

640

00:28:09,289 --> 00:28:07,620

your show and other things I've listened

641

00:28:11,659 --> 00:28:09,299

to you and just throughout my life of

642

00:28:13,460 --> 00:28:11,669

being interested in this more obscure

643

00:28:16,930 --> 00:28:13,470

topic it's like now they're they're

644

00:28:19,280 --> 00:28:16,940

being kind almost pumped into the

645

00:28:21,470 --> 00:28:19,290

mainstream it's like people talk about

646

00:28:23,360 --> 00:28:21,480

it all the time and it's like becoming

647

00:28:26,770 --> 00:28:23,370

normalized and it just makes me wonder

648

00:28:29,000 --> 00:28:26,780

is that just the further the agenda of

649

00:28:31,220 --> 00:28:29,010

making people not have any type of

650

00:28:32,900 --> 00:28:31,230

grounding in anything or being able to

651
00:28:34,370 --> 00:28:32,910
have a common ground to be able to agree

652
00:28:36,950 --> 00:28:34,380
about anything anymore

653
00:28:40,070 --> 00:28:36,960
is that like part of the old deep fake

654
00:28:41,780 --> 00:28:40,080
technology and this stuff is s name and

655
00:28:43,940 --> 00:28:41,790
you can't trust their lead can trust

656
00:28:46,130 --> 00:28:43,950
this person most of all you can't trust

657
00:28:49,159 --> 00:28:46,140
your neighbor or the person you know

658
00:28:52,909 --> 00:28:49,169
anything and it's just this interesting

659
00:28:55,700 --> 00:28:52,919
and then I remember the the quote from

660
00:28:59,450 --> 00:28:55,710
the CIA director there's something about

661
00:29:00,830 --> 00:28:59,460
like you the goal will be completely the

662
00:29:02,870 --> 00:29:00,840
CIA's goal will be completed once

663
00:29:05,150 --> 00:29:02,880

everything the American people believe

664

00:29:07,700 --> 00:29:05,160

is false like everything we know and

665

00:29:10,370 --> 00:29:07,710

it's like almost going kind of past that

666

00:29:13,310 --> 00:29:10,380

where it's not whether or not what we

667

00:29:15,380 --> 00:29:13,320

know is false it's whatever we think we

668

00:29:18,730 --> 00:29:15,390

know we know is true no matter what and

669

00:29:20,600 --> 00:29:18,740

there's like factors kind of irrelevant

670

00:29:21,110 --> 00:29:20,610

everybody can just google their own

671

00:29:24,710 --> 00:29:21,120

facts

672

00:29:26,720 --> 00:29:24,720

I uh I can see what you're getting at I

673

00:29:30,409 --> 00:29:26,730

think I don't know if conspiracies are

674

00:29:32,990 --> 00:29:30,419

being pushed to make people unfriendly

675

00:29:35,240 --> 00:29:33,000

or unstable or divide us I think

676

00:29:38,090 --> 00:29:35,250

primarily they they see it as a way to

677

00:29:40,430 --> 00:29:38,100

sell ads and make money if the byproduct

678

00:29:40,940 --> 00:29:40,440

camp happens to be divisiveness and so

679

00:29:42,950 --> 00:29:40,950

be it

680

00:29:45,440 --> 00:29:42,960

I you know if you would ask me four

681

00:29:48,080 --> 00:29:45,450

years ago like why would they why would

682

00:29:51,260 --> 00:29:48,090

they do this I would say it was

683

00:29:52,280 --> 00:29:51,270

primarily primarily money driven I think

684

00:29:54,169 --> 00:29:52,290

to a certain degree that's probably

685

00:29:56,240 --> 00:29:54,179

still true but then you have you have

686

00:29:59,900 --> 00:29:56,250

Hollywood putting out stuff that is

687

00:30:01,340 --> 00:29:59,910

perfect purposely divisive that had they

688

00:30:03,230 --> 00:30:01,350

done it another way they would have made

689

00:30:05,659 --> 00:30:03,240

more money so I don't think it's all

690

00:30:06,740 --> 00:30:05,669

about money all the time so I I don't

691

00:30:07,940 --> 00:30:06,750

know when it comes to conspiracies

692

00:30:09,620 --> 00:30:07,950

though they look it they definitely it

693

00:30:11,570 --> 00:30:09,630

clicks no doubt

694

00:30:15,050 --> 00:30:11,580

what's interesting that I mean the CIA's

695

00:30:17,600 --> 00:30:15,060

had many many many well all intelligence

696

00:30:20,030 --> 00:30:17,610

agencies all over the world like pretty

697

00:30:22,340 --> 00:30:20,040

much have had something come out where

698

00:30:23,780 --> 00:30:22,350

they manipulated media on the media I

699

00:30:26,030 --> 00:30:23,790

mean what is the point of that like

700

00:30:28,520 --> 00:30:26,040

control the narrative but now did the

701
00:30:31,010 --> 00:30:28,530
narrative is that you know it's just

702
00:30:33,110 --> 00:30:31,020
constantly contradicting one another

703
00:30:35,090 --> 00:30:33,120
nothing matters anymore it's always like

704
00:30:37,790 --> 00:30:35,100
hey this is what's you know today's

705
00:30:39,830 --> 00:30:37,800
headline is just gone within by

706
00:30:42,500 --> 00:30:39,840
lunchtime you know the morning headline

707
00:30:44,600 --> 00:30:42,510
it's it's interesting I agree it's about

708
00:30:46,010 --> 00:30:44,610
money the shore but I feel like there's

709
00:30:47,750 --> 00:30:46,020
something else there that is we just

710
00:30:49,040 --> 00:30:47,760
can't quite put our finger on but it's

711
00:30:52,550 --> 00:30:49,050
almost like they want to spread the

712
00:30:54,500 --> 00:30:52,560
mindset of questioning things or just

713
00:30:57,070 --> 00:30:54,510

distrust in general because then you

714

00:30:59,840 --> 00:30:57,080

kind of become focus more inwardly and

715

00:31:03,280 --> 00:30:59,850

when you feel bad people buy [h__h] so

716

00:31:05,480 --> 00:31:03,290

yeah I would think it's just more of a

717

00:31:08,030 --> 00:31:05,490

putting your foot down and just

718

00:31:09,980 --> 00:31:08,040

committing all the way to capitalism you

719

00:31:12,410 --> 00:31:09,990

know in the extreme version we're at now

720

00:31:14,240 --> 00:31:12,420

that the late stages of it yeah I just

721

00:31:15,680 --> 00:31:14,250

kind of don't I'm paying attention just

722

00:31:16,460 --> 00:31:15,690

keep buying [h__h] and keep feeling bad

723

00:31:18,830 --> 00:31:16,470

don't trust anyone

724

00:31:22,100 --> 00:31:18,840

it's early there's iceberg in 1984 it's

725

00:31:23,300 --> 00:31:22,110

yeah it certainly is an isolated society

726

00:31:25,280 --> 00:31:23,310

we're living in considering how

727

00:31:27,620 --> 00:31:25,290

connected we are it does isolate people

728

00:31:29,000 --> 00:31:27,630

so hey man thank you thank you very much

729

00:31:31,310 --> 00:31:29,010

for calling in we're gonna move on a

730

00:31:33,110 --> 00:31:31,320

little bit here okay man yeah thanks a

731

734

00:31:45,650 --> 00:31:42,630

735

00:31:48,860 --> 00:31:45,660

father father yes

736

00:32:00,260 --> 00:31:48,870

um I was looking at more articles to

737

00:32:02,270 --> 00:32:00,270

talk about but daddy yes I Pfister

738

00:32:06,020 --> 00:32:02,280

sister yes sister

739

00:32:08,890 --> 00:32:06,030

okay sister no I'm not your sister I am

740

00:32:15,080 --> 00:32:10,970

well that's not me that's I Luke was so

741

00:32:17,780 --> 00:32:15,090

upset [h__h] oh what a revelation

742

00:32:19,520 --> 00:32:17,790

up there on need that ledge Cloud City

743

00:32:20,900 --> 00:32:19,530

last thing you want to hear you thought

744

00:32:24,830 --> 00:32:20,910

I was just gonna cut your head off

745

00:32:30,770 --> 00:32:24,840

no yes no was having Luke Bend oh yeah

746

00:32:34,830 --> 00:32:33,120

okay

747

00:32:36,480 --> 00:32:34,840

did you want to comment anything you

748

00:32:38,310 --> 00:32:36,490

said about that or do you want to just

749

00:32:43,050 --> 00:32:38,320

kind of wrap up the cryptid thing here

750

00:32:45,990 --> 00:32:43,060

we got uh now I was looking at other

751
00:32:47,640 --> 00:32:46,000
articles okay honestly have much to say

752
00:32:50,090 --> 00:32:47,650
that's that's fine I'm looking at other

753
00:32:53,670 --> 00:32:50,100
articles so the Donora

754
00:32:55,890 --> 00:32:53,680
missing girl in Malaysia no longer

755
00:32:58,770 --> 00:32:55,900
missing he's found she's dead died of

756
00:33:01,350 --> 00:32:58,780
starvation somehow after ten days he

757
00:33:05,280 --> 00:33:01,360
left the room without her shoes on in

758
00:33:07,200 --> 00:33:05,290
the middle of the night and they they

759
00:33:10,170 --> 00:33:07,210
don't know why they there's a supposedly

760
00:33:12,720 --> 00:33:10,180
a reward for information and the shamans

761
00:33:17,140 --> 00:33:12,730
in the area claim that a genie or a

762
00:33:20,770 --> 00:33:17,150
Djinn lured her into the jungle

763
00:33:23,740 --> 00:33:20,780

I'd really like to get more on this but

764

00:33:26,380 --> 00:33:23,750

there's no way Seiya and people are out

765

00:33:27,850 --> 00:33:26,390

camping or whatever natok sent some tons

766

00:33:29,590 --> 00:33:27,860

has talked about for about Bigfoot or

767

00:33:32,800 --> 00:33:29,600

sometimes it's about skinwalkers or

768

00:33:34,600 --> 00:33:32,810

flash gates you know people can hear

769

00:33:36,160 --> 00:33:34,610

apparently there's these you know

770

00:33:37,990 --> 00:33:36,170

whatever they are they can imitate

771

00:33:40,540 --> 00:33:38,000

people's voices of people that you know

772

00:33:41,920 --> 00:33:40,550

are people that they've been around yes

773

00:33:43,810 --> 00:33:41,930

listening in conversations where they

774

00:33:45,160 --> 00:33:43,820

sometimes they fake the cry of a baby to

775

00:33:48,400 --> 00:33:45,170

lure people away from camp

776

00:33:51,400 --> 00:33:48,410

oh yeah that's creepy I've heard people

777

00:33:53,860 --> 00:33:51,410

mention that when it comes to they claim

778

00:33:55,420 --> 00:33:53,870

that it's Bigfoot or Sasquatch doing

779

00:33:58,030 --> 00:33:55,430

that I don't know but that's creepy and

780

00:34:00,190 --> 00:33:58,040

like if they want to lure people away

781

00:34:01,480 --> 00:34:00,200

from the base the base camp whatever

782

00:34:03,280 --> 00:34:01,490

they kind of look everywhere they're

783

00:34:04,960 --> 00:34:03,290

kind of safety they have because they

784

00:34:06,730 --> 00:34:04,970

want to go that person that human wants

785

00:34:08,140 --> 00:34:06,740

to go see I want to go protect I want to

786

00:34:10,930 --> 00:34:08,150

go save the baby and then next thing you

787

00:34:12,580 --> 00:34:10,940

know you're snatched right there already

788

00:34:13,990 --> 00:34:12,590

don't imitate you know your voice I got

789

00:34:16,210 --> 00:34:14,000

the hawk why didn't Mike go I didn't

790

00:34:18,670 --> 00:34:16,220

realize out in the woods and then you

791

00:34:21,790 --> 00:34:18,680

know came over if you want to join the

792

00:34:25,810 --> 00:34:21,800
