14

00:00:49,430 --> 00:00:47,579

convention coming up called DB cooper

con and check it out there's a link in

16

00:00:55,880 --> 00:00:54,180

00:00:59,510 --> 00:00:55,890

surprised that there's an entire

18

00:01:02,299 --> 00:00:59,520

convention an entire symposium devoted

19

00:01:04,189 --> 00:01:02,309

to the mysterious case of DB Cooper so

20

00:01:05,899 --> 00:01:04,199

Darren thank you very much for taking

21

00:01:07,850 --> 00:01:05,909

00:01:14,330 --> 00:01:11,549

oh man no problem we don't often have

25

00:01:15,890 --> 00:01:14,340

Saturday guests because well not a lot

26
00:01:17,510 --> 00:01:15,900
of people want to get up this earlier to

27
00:01:20,240 --> 00:01:17,520
to talk [\h__\h] with us so we really

28
00:01:22,280 --> 00:01:20,250
appreciate it I'm willing to get up at

29
00:01:26,749 --> 00:01:22,290
9:30 to talk [\h__\h] with you guys all

30
00:01:30,850 --> 00:01:26,759
right let's start at the beginning

31
00:01:33,800 --> 00:01:30,860
who is DB Cooper yeah who is DB cooper

32
00:01:37,160 --> 00:01:33,810
DB Cooper

33
00:01:39,770 --> 00:01:37,170
is a name that was given to him by

34
00:01:45,560 --> 00:01:39,780
accident through a meeting mistake on

35
00:01:48,319 --> 00:01:45,570
November 24th 1971 a guy bought a plane

36
00:01:52,700 --> 00:01:48,329
ticket from a flight from Portland to

37
00:01:55,940 --> 00:01:52,710
Seattle one way flight paid \$20 for it

38
00:01:59,120 --> 00:01:55,950

he gave his name is Dan Cooper boarded

39

00:02:01,999 --> 00:01:59,130

the plane shortly after takeoff he gives

40

00:02:04,279 --> 00:02:02,009

a note to a stewardess she assumes it's

41

00:02:06,859 --> 00:02:04,289

just another businessman hitting on her

42

00:02:08,600 --> 00:02:06,869

so she puts her note puts the note in

43

00:02:10,999 --> 00:02:08,610

her pocket and doesn't even look at it

44

00:02:12,259 --> 00:02:11,009

and then she comes by again he grabs her

45

00:02:15,140 --> 00:02:12,269

he's like ma'am you might want to look

46

00:02:17,690 --> 00:02:15,150

at that note I have a bomb so she takes

47

00:02:21,199 --> 00:02:17,700

the note out reads it basically he's

48

00:02:25,940 --> 00:02:21,209

hijacking the plane he wants \$200,000

49

00:02:27,860 --> 00:02:25,950

for parachutes by the time he lands in

50

00:02:29,600 --> 00:02:27,870

Seattle if he gets all that who left the

51
00:02:32,170 --> 00:02:29,610
passengers off the plane and then

52
00:02:35,479 --> 00:02:32,180
they're gonna take off for Mexico City

53
00:02:38,599 --> 00:02:35,489
they landed in Seattle he gets his

54
00:02:42,080 --> 00:02:38,609
demands and then he has really specific

55
00:02:45,099 --> 00:02:42,090
flight instructions for the pilot so

56
00:02:47,780 --> 00:02:45,109
specifically the pilot didn't know that

57
00:02:51,440 --> 00:02:47,790
the plane was able to fly that way

58
00:02:55,220 --> 00:02:51,450
although DB Cooper did that specific

59
00:02:57,170 --> 00:02:55,230
plane he hijacked had rear air stairs so

60
00:03:00,699 --> 00:02:57,180
the these stairs would lower on the back

61
00:03:05,090 --> 00:03:00,709
of the plane and then you could board or

62
00:03:07,440 --> 00:03:05,100
D plane that way so the plane could fly

63
00:03:10,080 --> 00:03:07,450

into smaller airports

64

00:03:13,920 --> 00:03:10,090

anyway so he wants the plane to take off

65

00:03:15,180 --> 00:03:13,930

with those rear air stairs down and the

66

00:03:16,830 --> 00:03:15,190

pilot didn't even know that was possible

67

00:03:18,990 --> 00:03:16,840

so they had to call an air traffic

68

00:03:21,720 --> 00:03:19,000

control air traffic control didn't know

69

00:03:23,699 --> 00:03:21,730

either so they did contact Boeing to see

70

00:03:26,520 --> 00:03:23,709

if that was possible and Boeing said

71

00:03:30,930 --> 00:03:26,530

yeah that's that is possible

72

00:03:32,700 --> 00:03:30,940

so they take off they agreed they

73

00:03:35,370 --> 00:03:32,710

couldn't fly to Mexico City so they

74

00:03:38,490 --> 00:03:35,380

changed it did stop in Reno to refuel on

75

00:03:41,670 --> 00:03:38,500

the way there and in between Seattle and

76

00:03:43,770 --> 00:03:41,680

Reno he jumps out of the plane with the

77

00:03:46,160 --> 00:03:43,780

money and his bomb never to be seen or

78

00:03:49,370 --> 00:03:46,170

heard from again

79

00:03:52,730 --> 00:03:49,380

like as I grew up you know watching

80

00:03:55,160 --> 00:03:52,740

unsolved mysteries and various shows

81

00:03:57,050 --> 00:03:55,170

like that this story would come up over

82

00:04:00,560 --> 00:03:57,060

and over again who is DB cooper was he

83

00:04:01,940 --> 00:04:00,570

ex-military was was he just a bank

84

00:04:04,370 --> 00:04:01,950

robber that got lucky jumping out of

85

00:04:07,010 --> 00:04:04,380

airplanes like that because what was

86

00:04:10,130 --> 00:04:07,020

what was rumored is that one

87

00:04:12,080 --> 00:04:10,140

it was very be a very difficult jump to

88

00:04:15,260 --> 00:04:12,090

do out of that plane is there any

89

00:04:17,810 --> 00:04:15,270

validity to that claim oh it's a very

90

00:04:24,140 --> 00:04:17,820

difficult jump he's jumping from 10,000

91

00:04:27,050 --> 00:04:24,150

feet at night with cloud cover and cold

92

00:04:29,090 --> 00:04:27,060

and wet and he would be jumping into a

93

00:04:33,810 --> 00:04:29,100

pretty harsh environment the area they

94

00:04:35,910 --> 00:04:33,820

believed he jumped to is heavily wooded

95

00:04:38,430 --> 00:04:35,920

why do you why do you think that this

96

00:04:40,680 --> 00:04:38,440

this story is this myth the mist the

97

00:04:43,610 --> 00:04:40,690

mystery of TV Cooper has persisted over

98

00:04:46,310 --> 00:04:43,620

all these years

99

00:04:49,610 --> 00:04:46,320

I think it has persisted for all these

100

00:04:52,010 --> 00:04:49,620

years because people started to root for

101
00:04:56,629 --> 00:04:52,020
him essentially right away that he stuck

102
00:05:00,080 --> 00:04:56,639
it to the man and no one was hurt doing

103
00:05:04,640 --> 00:05:00,090
this did hijack a plane which is bad but

104
00:05:06,440 --> 00:05:04,650
um no one was physically harmed the only

105
00:05:09,810 --> 00:05:06,450
person who may have been injured or

106
00:05:16,260 --> 00:05:12,930
so I listened to a segments of your

107
00:05:20,100 --> 00:05:16,270
podcast the the Cooper vortex and you do

108
00:05:23,300 --> 00:05:20,110
a pretty good job of dissecting who

109
00:05:26,040 --> 00:05:23,310
potentially DB Cooper could have been

110
00:05:28,640 --> 00:05:26,050
some of the the motives behind it and

111
00:05:30,870 --> 00:05:28,650
your latest episode DB Cooper was a

112
00:05:32,340 --> 00:05:30,880
railroader you didn't you had an

113
00:05:34,920 --> 00:05:32,350

interview with a guy who didn't want to

114

00:05:37,140 --> 00:05:34,930

go on record with his with his name or

115

00:05:39,300 --> 00:05:37,150

or who he was

116

00:05:41,670 --> 00:05:39,310

can you talk about your your latest

117

00:05:43,440 --> 00:05:41,680

episode a little bit you have my latest

118

00:05:47,510 --> 00:05:43,450

episode DB Cooper was a railroader

119

00:05:51,960 --> 00:05:47,520

so that guy I've become friends with him

120

00:05:54,810 --> 00:05:51,970

over the last few months he has a pretty

121

00:05:58,290 --> 00:05:54,820

high up position in the army as an

122

00:06:01,020 --> 00:05:58,300

analyst and isn't really interested in

123

00:06:02,760 --> 00:06:01,030

his name being associated with this he

124

00:06:04,890 --> 00:06:02,770

just kind of sees it as a hobby and

125

00:06:09,990 --> 00:06:04,900

there are a bunch of crazies in this

126

00:06:13,460 --> 00:06:10,000

community so I understand that but he he

127

00:06:16,140 --> 00:06:13,470

sort of was interested in the case and a

128

00:06:19,170 --> 00:06:16,150

really smart guy really great researcher

129

00:06:20,880 --> 00:06:19,180

and just thought okay well there's a

130

00:06:23,430 --> 00:06:20,890

couple of avenues that people haven't

131

00:06:25,500 --> 00:06:23,440

explored here and he started to look

132

00:06:28,080 --> 00:06:25,510

into him for himself and ended up with a

133

00:06:29,710 --> 00:06:28,090

suspect with a guy he believes was DB

134

00:06:32,590 --> 00:06:29,720

Cooper

135

00:06:35,050 --> 00:06:32,600

a Pennsylvania Railroad er by the name

136

00:06:38,290 --> 00:06:35,060

of William J Smith

137

00:06:40,900 --> 00:06:38,300

oh really and so what was this guy's

138

00:06:43,420 --> 00:06:40,910

background was he like a paratrooper was

139

00:06:46,150 --> 00:06:43,430

he just a hobbyist when it comes to

140

00:06:49,470 --> 00:06:46,160

parachuting and jumping out of planes he

141

00:06:52,710 --> 00:06:49,480

was was a paratrooper in the military

142

00:06:56,400 --> 00:06:52,720

um and then he was an aerial

143

00:06:58,350 --> 00:06:56,410

photographer which you know would give

144

00:07:00,960 --> 00:06:58,360

him some skills and being able to

145

00:07:02,310 --> 00:07:00,970

identify where he's at in the air which

146

00:07:07,320 --> 00:07:02,320

if you're standing on the rear air

147

00:07:10,450 --> 00:07:07,330

stairs of a 727 10,000 feet over the

148

00:07:13,000 --> 00:07:10,460

Pacific Northwest might be of some use

149

00:07:15,130 --> 00:07:13,010

so when it comes to DB Cooper in the

150

00:07:17,170 --> 00:07:15,140

requested amount of money that he asked

151
00:07:18,670 --> 00:07:17,180
for is there any rumor of why that

152
00:07:20,650 --> 00:07:18,680
specific amount

153
00:07:22,240 --> 00:07:20,660
why not ask for a million dollars was it

154
00:07:23,860 --> 00:07:22,250
just like you couldn't carry that much

155
00:07:25,630 --> 00:07:23,870
weight or it was harder to deal with

156
00:07:27,520 --> 00:07:25,640
that much money why do you think he

157
00:07:30,520 --> 00:07:27,530
asked for that that specific amount of

158
00:07:32,350 --> 00:07:30,530
money that's a good question so if you

159
00:07:36,640 --> 00:07:32,360
want to get into like the conspiracy

160
00:07:38,710 --> 00:07:36,650
theory area they do so this show is yeah

161
00:07:43,600 --> 00:07:38,720
it's interesting that he asked for

162
00:07:45,670 --> 00:07:43,610
200,000 because they had the airline's

163
00:07:46,930 --> 00:07:45,680

had been hijacked and been getting into

164

00:07:49,330 --> 00:07:46,940

trouble before

165

00:07:51,250 --> 00:07:49,340

mostly for political reasons but for

166

00:07:54,880 --> 00:07:51,260

whatever reason they had two hundred and

167

00:07:57,370 --> 00:07:54,890

fifty thousand dollars in cash ready to

168

00:07:58,260 --> 00:07:57,380

go in the event there was something to

169

00:08:01,690 --> 00:07:58,270

happen like this

170

00:08:05,140 --> 00:08:01,700

so the amount he asked for was within

171

00:08:07,140 --> 00:08:05,150

that with cash they had on hand ready to

172

00:08:10,680 --> 00:08:07,150

go

173

00:08:12,930 --> 00:08:10,690

so he knew where did one of the other

174

00:08:16,200 --> 00:08:12,940

people in the chant asked where did is

175

00:08:21,420 --> 00:08:16,210

it does it known where exactly he jumped

176

00:08:22,980 --> 00:08:21,430

out at like what over what state over no

177

00:08:25,680 --> 00:08:22,990

not even over was state you couldn't

178

00:08:29,180 --> 00:08:25,690

even agree on that but there is a drop

179

00:08:32,459 --> 00:08:29,190

zone that people refer to so when

180

00:08:34,560 --> 00:08:32,469

they're flying DB Cooper asked the one

181

00:08:38,250 --> 00:08:34,570

stewardess left on the plane to go back

182

00:08:39,300 --> 00:08:38,260

into the cockpit and so the pilots and

183

00:08:41,339 --> 00:08:39,310

the stewardess are sitting in the

184

00:08:44,370 --> 00:08:41,349

cockpit and they'd noticed at a point in

185

00:08:47,820 --> 00:08:44,380

time there was a pressure bump in the

186

00:08:50,640 --> 00:08:47,830

cabin and the plane needed some

187

00:08:52,290 --> 00:08:50,650

correction enough that he had to come in

188

00:08:55,079 --> 00:08:52,300

over the plane a little bit and they

189

00:08:58,320 --> 00:08:55,089

noted this on this particular time it's

190

00:09:01,560 --> 00:08:58,330

8:11 k13 depending on which transcript

191

00:09:03,900 --> 00:09:01,570

you reading but then they went and

192

00:09:06,750 --> 00:09:03,910

theorized that was when he jumped and

193

00:09:08,519 --> 00:09:06,760

then the air stairs bounced back up so

194

00:09:10,410 --> 00:09:08,529

they actually took that plane flew it

195

00:09:12,720 --> 00:09:10,420

over the ocean with a 200 pound weight

196

00:09:14,400 --> 00:09:12,730

on the back and pushed it off to see if

197

00:09:18,269 --> 00:09:14,410

it would do the exact same thing the

198

00:09:21,090 --> 00:09:18,279

same oscillation and it did so they have

199

00:09:23,760 --> 00:09:21,100

like this point on the flight path

200

00:09:26,670 --> 00:09:23,770

mapped out as where his supposed drop

201
00:09:29,250 --> 00:09:26,680
zone to be that's where they did the the

202
00:09:31,949 --> 00:09:29,260
National Guard did a search there and

203
00:09:35,670 --> 00:09:31,959
that's in the around the town of Ariel

204
00:09:37,650 --> 00:09:35,680
Washington Amboy yacolt

205
00:09:40,019 --> 00:09:37,660
thus the theorized drop zone but

206
00:09:44,040 --> 00:09:40,029
different suspects and other people

207
00:09:45,809 --> 00:09:44,050
theorize it's other places and you're

208
00:09:49,769 --> 00:09:45,819
going with that is you said like over

209
00:09:51,600 --> 00:09:49,779
Washington in somewhere out there yeah

210
00:09:53,609 --> 00:09:51,610
when people talk about where he landed

211
00:09:57,269 --> 00:09:53,619
usually they're referring to that one

212
00:09:59,400 --> 00:09:57,279
drop zone around Ariel Washington but

213
00:10:03,780 --> 00:09:59,410

other people have speculated he landed

214

00:10:05,749 --> 00:10:03,790

in KL in Washington Aurora Oregon in the

215

00:10:08,329 --> 00:10:05,759

river

216

00:10:11,599 --> 00:10:08,339

so when he when he jumped out of the

217

00:10:14,419 --> 00:10:11,609

plane he lands down you have any

218

00:10:16,189 --> 00:10:14,429

speculation as to whether or not he had

219

00:10:19,429 --> 00:10:16,199

a co-conspirator did he have a partner

220

00:10:24,710 --> 00:10:19,439

to pick him up and take him to a safe

221

00:10:27,949 --> 00:10:24,720

place it just depends on what person's

222

00:10:29,989 --> 00:10:27,959

theory I'm going your theory what do you

223

00:10:30,499 --> 00:10:29,999

think happened ha ha ha I really don't

224

00:10:33,940 --> 00:10:30,509

know

225

00:10:36,699 --> 00:10:33,950

I have no idea what happened to him

226

00:10:39,129 --> 00:10:36,709

that's the thing about this is once he

227

00:10:40,329 --> 00:10:39,139

jumped out of that plane no one has seen

228

00:10:44,290 --> 00:10:40,339

or heard from him again

229

00:10:47,319 --> 00:10:44,300

there is no evidence after that there

230

00:10:50,819 --> 00:10:47,329

was there was some evidence I'm sorry

231

00:10:53,620 --> 00:10:50,829

there was \$5,800 found on the beach

232

00:10:57,870 --> 00:10:53,630

outside tina bar washington that's

233

00:11:02,889 --> 00:11:01,240

the eight-year-old boy found it in the

234

00:11:06,160 --> 00:11:02,899

sand when he was having a picnic with

235

00:11:08,740 --> 00:11:06,170

his family and that was from that hijack

236

00:11:10,360 --> 00:11:08,750

that money but that's the only thing

237

00:11:12,160 --> 00:11:10,370

that's ever been found and where it was

238

00:11:15,510 --> 00:11:12,170

found doesn't make any sense and only

239

00:11:18,990 --> 00:11:15,520

adds more question to the story

240

00:11:20,490 --> 00:11:19,000

so the federal government and at this

241

00:11:21,960 --> 00:11:20,500

point you know after africanist they

242

00:11:23,760 --> 00:11:21,970

kind of look like a bunch of Schmucks

243

00:11:26,280 --> 00:11:23,770

they couldn't catch this guy if his guy

244

00:11:28,860 --> 00:11:26,290

got away with two hundred thousand

245

00:11:31,650 --> 00:11:28,870

dollars was able to do this giant caper

246

00:11:34,710 --> 00:11:31,660

cap that captured the mind of the entire

247

00:11:37,470 --> 00:11:34,720

nation probably in the world is is that

248

00:11:39,690 --> 00:11:37,480

this at that point after is the the what

249

00:11:43,260 --> 00:11:39,700

is the mindset of the FBI if you can

250

00:11:45,120 --> 00:11:43,270

even know that well luckily we can know

251
00:11:48,240 --> 00:11:45,130
that because the late agent wrote a book

252
00:11:50,610 --> 00:11:48,250
about this Ralph Hamels Bach who just

253
00:11:56,070 --> 00:11:50,620
recently passed away I want to say it

254
00:11:58,460 --> 00:11:56,080
was 94 but they they looked into

255
00:12:04,740 --> 00:11:58,470
everything I mean they looked into

256
00:12:07,230 --> 00:12:04,750
skydiving clubs because in 1971 sport

257
00:12:08,940 --> 00:12:07,240
parachuting wasn't all that big there

258
00:12:11,579 --> 00:12:08,950
was a couple of small groups around the

259
00:12:14,400 --> 00:12:11,589
country and maybe I think there was one

260
00:12:16,590 --> 00:12:14,410
or two people manufacturing parachutes

261
00:12:18,600 --> 00:12:16,600
for that so there weren't a lot of

262
00:12:20,760 --> 00:12:18,610
people doing it like today so they

263
00:12:24,660 --> 00:12:20,770

looked into all those groups all those

264

00:12:27,630 --> 00:12:24,670

clubs they looked into retired military

265

00:12:29,460 --> 00:12:27,640

personnel because one weird thing about

266

00:12:33,720 --> 00:12:29,470

is you know the stewardesses penned his

267

00:12:36,269 --> 00:12:33,730

age as mid to late 40s and you know

268

00:12:38,790 --> 00:12:36,279

committing such a bold dangerous crime

269

00:12:42,360 --> 00:12:38,800

like this is a weird thing for a man in

270

00:12:44,550 --> 00:12:42,370

his mid to late 40s to do so the FBI

271

00:12:47,340 --> 00:12:44,560

looked they say they've looked into

272

00:12:51,130 --> 00:12:47,350

thousands of people and they've looked

273

00:12:53,949 --> 00:12:51,140

into weirdly dozens of confessions

274

00:12:56,410 --> 00:12:53,959

ah dozens of confessions so these are

275

00:12:59,860 --> 00:12:56,420

probably imposters we want to get the

276

00:13:01,360 --> 00:12:59,870

notoriety of the DB cooper able but

277

00:13:04,540 --> 00:13:01,370

they're probably full of crap is that

278

00:13:08,110 --> 00:13:04,550

the idea yeah but some of them are weird

279

00:13:11,740 --> 00:13:08,120

like Duane Weber confessed only to his

280

00:13:13,269 --> 00:13:11,750

wife on his deathbed hmm that's a hell

281

00:13:15,009 --> 00:13:13,279

of a thing to say you figure your last

282

00:13:16,449 --> 00:13:15,019

words like I love you I wish had more

283

00:13:17,639 --> 00:13:16,459

time we've had know he's like nah I'm

284

00:13:21,069 --> 00:13:17,649

Superman

285

00:13:24,220 --> 00:13:21,079

yeah she claims that he said I'm Dan

286

00:13:28,720 --> 00:13:24,230

Cooper and she didn't even know the name

287

00:13:31,530 --> 00:13:28,730

Dan Cooper so she looked it up at her

288

00:13:34,300 --> 00:13:31,540

library because this was I think like 95

289

00:13:37,420 --> 00:13:34,310

so she looked it up at her library and

290

00:13:40,630 --> 00:13:37,430

realized it was DB cooper and there was

291

00:13:42,759 --> 00:13:40,640

a DB cooper book at her library she

292

00:13:45,100 --> 00:13:42,769

picked it up and it had her dead

293

00:13:47,500 --> 00:13:45,110

husband's writing in the margins of the

294

00:13:52,060 --> 00:13:47,510

book ah Wow

295

00:13:54,449 --> 00:13:52,070

that's better yeah it's so like

296

00:13:59,300 --> 00:13:54,459

handwriting that she thought was

297

00:14:03,710 --> 00:14:02,780

that that's that's fascinating so what

298

00:14:06,710 --> 00:14:03,720

do you think about that do you think

299

00:14:08,780 --> 00:14:06,720

that guy it was actually worse he's just

300

00:14:10,069 --> 00:14:08,790

making [h__h] up on his death I want

301
00:14:13,160 --> 00:14:10,079
to believe that people on their deathbed

302
00:14:15,879 --> 00:14:13,170
are gonna say some sort of truth gonna

303
00:14:19,100 --> 00:14:15,889
say something meaningful and not just

304
00:14:20,960 --> 00:14:19,110
you know [\h__\h] your loved ones right

305
00:14:22,040 --> 00:14:20,970
you're just gonna [\h__\h] your pants and

306
00:14:23,900 --> 00:14:22,050
croak yeah

307
00:14:27,619 --> 00:14:23,910
or croak and [\h__\h] your pants I heard

308
00:14:30,049 --> 00:14:27,629
that happens huh what do you think

309
00:14:32,540 --> 00:14:30,059
there's another guy who confessed on his

310
00:14:34,939 --> 00:14:32,550
deathbed to his brother Kenny

311
00:14:37,350 --> 00:14:34,949
Christianson tried to tell his brother

312
00:14:38,970 --> 00:14:37,360
on his deathbed

313
00:14:40,350 --> 00:14:38,980

I have something to tell you and his

314

00:14:42,900 --> 00:14:40,360

brother was like no no don't worry about

315

00:14:45,240 --> 00:14:42,910

it don't worry about it's fine and then

316

00:14:48,769 --> 00:14:45,250

looks into it and you know believes his

317

00:14:51,800 --> 00:14:48,779

brother's DB Cooper and then sends a

318

00:14:54,329 --> 00:14:51,810

private investigator to look into it and

319

00:14:56,970 --> 00:14:54,339

hires this kind of Robert Blevins to

320

00:14:59,460 --> 00:14:56,980

help out and now Robert Blevins is

321

00:15:00,930 --> 00:14:59,470

completely you know dedicated a large

322

00:15:04,250 --> 00:15:00,940

portion of his life to the fact that

323

00:15:07,190 --> 00:15:04,260

Kenny Christiansen is DB Cooper

324

00:15:10,370 --> 00:15:07,200

I mean unless we live in some sort of a

325

00:15:12,320 --> 00:15:10,380

weird Mandela reality only one of these

326

00:15:13,940 --> 00:15:12,330

people can be telling the truth unless

327

00:15:16,610 --> 00:15:13,950

all of them are telling the truth and

328

00:15:18,710 --> 00:15:16,620

they all lived the same same life and it

329

00:15:21,140 --> 00:15:18,720

all split off in some Mandela of that

330

00:15:27,170 --> 00:15:21,150

kind of scenario oh listen to Mike he's

331

00:15:28,910 --> 00:15:27,180

going crazy but but you know let's let's

332

00:15:31,790 --> 00:15:28,920

stay in reality yeah for a little bit

333

00:15:33,890 --> 00:15:31,800

I'm trying to so obviously only one of

334

00:15:35,990 --> 00:15:33,900

these people can be gonna be telling the

335

00:15:37,700 --> 00:15:36,000

truth on your latest podcast you thought

336

00:15:39,500 --> 00:15:37,710

it was possibly some you guys talked

337

00:15:41,840 --> 00:15:39,510

about the possibility if being someone

338

00:15:44,690 --> 00:15:41,850

of being a railroader

339

00:15:47,450 --> 00:15:44,700

maybe someone in Pennsylvania with every

340

00:15:49,460 --> 00:15:47,460

lead that you get with every new piece

341

00:15:51,590 --> 00:15:49,470

of information you get you get super

342

00:15:53,270 --> 00:15:51,600

excited and say this is it or do you

343

00:15:55,240 --> 00:15:53,280

just throw it in the box of other leads

344

00:15:59,540 --> 00:15:55,250

and go investigate it when I can

345

00:16:01,790 --> 00:15:59,550

I've only had one where I thought oh my

346

00:16:04,040 --> 00:16:01,800

god I need to investigate that myself a

347

00:16:06,080 --> 00:16:04,050

little bit seem serious and that's an

348

00:16:08,390 --> 00:16:06,090

episode is gonna be my next episode to

349

00:16:12,500 --> 00:16:08,400

come out which is about a guy named

350

00:16:17,030 --> 00:16:12,510

Wolfgang Gossett who was a paranormal

351

00:16:20,720 --> 00:16:17,040

investigator a host of a paranormal

352

00:16:25,090 --> 00:16:20,730

radio show he was in Special Forces

353

00:16:27,550 --> 00:16:25,100

himself and a survivalist

354

00:16:29,470 --> 00:16:27,560

well mr. Craig here you feel like if

355

00:16:32,530 --> 00:16:29,480

anybody could do it it would be a person

356

00:16:39,370 --> 00:16:34,510

now he's very interesting I just

357

00:16:42,820 --> 00:16:39,380

interviewed his son Gregg Gossett and I

358

00:16:45,160 --> 00:16:42,830

came away from that feeling like oh my

359

00:16:47,950 --> 00:16:45,170

god this could really be DB cooper and

360

00:16:50,380 --> 00:16:47,960

weirdly Gregg was the third person I'd

361

00:16:55,090 --> 00:16:50,390

interviewed that told me his father was

362

00:16:56,740 --> 00:16:55,100

DD Cooper so at the upcoming convention

363

00:17:02,170 --> 00:16:56,750

that you're believing that this is on

364

00:17:05,930 --> 00:17:02,180

November 22nd DB cooper con how what is

365

00:17:11,110 --> 00:17:07,819

it's going to be eight hours of people

366

00:17:13,510 --> 00:17:11,120

talking about DB Cooper

367

00:17:15,100 --> 00:17:13,520

and so it is just like the first time

368

00:17:16,539 --> 00:17:15,110

that that this is his first annual

369

00:17:17,980 --> 00:17:16,549

second annual like how long has been

370

00:17:20,230 --> 00:17:17,990

going on this is the second annual

371

00:17:22,240 --> 00:17:20,240

version of this conference put together

372

00:17:25,120 --> 00:17:22,250

by Eric Ullis who's been on the show who

373

00:17:29,890 --> 00:17:25,130

has his own suspect but there were other

374

00:17:32,680 --> 00:17:29,900

versions in in 2014 there was a

375

00:17:39,159 --> 00:17:32,690

conference and then in 2011 there was a

376

00:17:43,000 --> 00:17:39,169

symposium and then for like 35 years

377

00:17:44,980 --> 00:17:43,010

there was DB cooper days every every

378

00:17:48,159 --> 00:17:44,990

Friday after Thanksgiving at the areal

379

00:17:51,760 --> 00:17:48,169

store and I did an episode with the

380

00:17:55,990 --> 00:17:51,770

stores the son of the gal who owned that

381

00:18:00,430 --> 00:17:56,000

store and when she died the county took

382

00:18:01,899 --> 00:18:00,440

away all of the business licenses

383

00:18:05,769 --> 00:18:01,909

because there's no way that place would

384

00:18:07,600 --> 00:18:05,779

ever be up to any sort of code which is

385

00:18:11,210 --> 00:18:07,610

sad so that was the end of the DB cooper

386

00:18:14,500 --> 00:18:12,710

do I cut you off I think you may have

387

00:18:17,950 --> 00:18:14,510

had a question

388

00:18:19,780 --> 00:18:17,960

I don't but Ill I mean I I've been

389

00:18:22,240 --> 00:18:19,790

saving one but I don't think you cut me

390

00:18:25,450 --> 00:18:22,250

off but I'll you know accept your

391

00:18:27,970 --> 00:18:25,460

apology and resent you okay hence

392

00:18:29,590 --> 00:18:27,980

henceforth yeah but I did what you know

393

00:18:31,240 --> 00:18:29,600

while we're talking about all this I did

394

00:18:33,250 --> 00:18:31,250

you know do some googling and all this

395

00:18:35,020 --> 00:18:33,260

other stuff so there's this movie what

396

00:18:39,220 --> 00:18:35,030

do you think about the pursuit of DB

397

00:18:42,330 --> 00:18:39,230

cooper from 1981 it's not very good

398

00:18:46,900 --> 00:18:42,340

although it does have luck you know okay

399

00:18:49,480 --> 00:18:46,910

the movie is I would just say weird it

400

00:18:52,510 --> 00:18:49,490

does it has a DB Cooper hijacking in the

401
00:18:56,650 --> 00:18:52,520
first few minutes and then he just goes

402
00:18:59,290 --> 00:18:56,660
like on a drunken defender across the

403
00:19:02,140 --> 00:18:59,300
United States with some gal it's for

404
00:19:05,050 --> 00:19:02,150
it's ridiculous but not the most

405
00:19:08,410 --> 00:19:05,060
ridiculous movie about DB cooper that

406
00:19:11,080 --> 00:19:08,420
would be Bigfoot vs DB Cooper yes is

407
00:19:12,580 --> 00:19:11,090
really creepy that movie no it's more

408
00:19:15,490 --> 00:19:12,590
ridiculous than that it's way more

409
00:19:17,410 --> 00:19:15,500
ridiculous than the title oh man this

410
00:19:20,530 --> 00:19:17,420
sounds like this I'm like we need to

411
00:19:22,180 --> 00:19:20,540
watch this screen I specifically want to

412
00:19:24,340 --> 00:19:22,190
ask about this movie this is this taken

413
00:19:26,860 --> 00:19:24,350

from reality is there any elements of

414

00:19:30,010 --> 00:19:26,870

reality to DB cooper fighting Bigfoot in

415

00:19:32,740 --> 00:19:30,020

the woods i would i would recommend you

416

00:19:36,250 --> 00:19:32,750

guys watch it although to spoil the

417

00:19:38,230 --> 00:19:36,260

movie for you right now I would say 85%

418

00:19:47,520 --> 00:19:38,240

of the movie is shirtless guys working

419

00:19:49,660 --> 00:19:47,530

out oh yeah oh yeah I'm on board dude

420

00:19:53,230 --> 00:19:49,670

we should do like a Mystery Science

421

00:19:55,920 --> 00:19:53,240

Theater viewing you know maybe Darrin

422

00:20:00,040 --> 00:19:55,930

can join us for the weekend we get all

423

00:20:03,640 --> 00:20:00,050

its uh I guess it's a genre of movies

424

00:20:06,700 --> 00:20:03,650

that I wasn't aware of but it's called

425

00:20:11,380 --> 00:20:06,710

Bigfoot versus DB cooper and most of the

426
00:20:15,490 --> 00:20:11,390
movie is guys working out oh yeah I mean

427
00:20:18,160 --> 00:20:15,500
a few a few years ago there was a movie

428
00:20:20,110 --> 00:20:18,170
called the guy who killed Bigfoot and

429
00:20:23,290 --> 00:20:20,120
then Hitler is the part of that genre of

430
00:20:25,090 --> 00:20:23,300
movies no I actually watched that movie

431
00:20:27,490 --> 00:20:25,100
and that movies pretty good I like that

432
00:20:28,300 --> 00:20:27,500
movie okay I heard it was actually kind

433
00:20:31,380 --> 00:20:28,310
of good

434
00:20:34,930 --> 00:20:31,390
it's got a pretty well renowned actor oh

435
00:20:37,540 --> 00:20:34,940
yes MLE yeah absolutely

436
00:20:40,510 --> 00:20:37,550
so you're traveling where is the other

437
00:20:42,430 --> 00:20:40,520
convention located at Daren Vancouver

438
00:20:44,440 --> 00:20:42,440

Washington Vancouver Washington you got

439

00:20:45,490 --> 00:20:44,450

a you got to go all the way up there how

440

00:20:47,770 --> 00:20:45,500

many days you gonna be spending out

441

00:20:49,210 --> 00:20:47,780

there I'm gonna be spending quite a few

442

00:20:52,150 --> 00:20:49,220

days out there I'm gonna do some other

443

00:20:54,070 --> 00:20:52,160

interviews there as part of the

444

00:20:57,790 --> 00:20:54,080

conference everyone's meeting at the bar

445

00:21:00,370 --> 00:20:57,800

and that's listed on on the website but

446

00:21:05,890 --> 00:21:00,380

I'll be there hanging out talking Jamie

447

00:21:07,810 --> 00:21:05,900

Cooper fantastic so you have any parting

448

00:21:11,680 --> 00:21:07,820

words any final things that you'd like

449

00:21:13,400 --> 00:21:11,690

to say about DB cooper and what might be

450

00:21:15,870 --> 00:21:13,410

next for you

451

00:21:17,370 --> 00:21:15,880

parting words about DB cooper i just

452

00:21:19,560 --> 00:21:17,380

tell everyone to listen to the show I

453

00:21:23,430 --> 00:21:19,570

mean I've got episodes where DB Cooper

454

00:21:26,970 --> 00:21:23,440

is transgender really you got a

455

00:21:28,410 --> 00:21:26,980

transgender DB cooper episode yeah do we

456

00:21:30,120 --> 00:21:28,420

need to stop and talk about that first

457

00:21:32,430 --> 00:21:30,130

yeah we can we can pause I want to talk

458

00:21:35,010 --> 00:21:32,440

yeah definitely yes yeah okay so his own

459

00:21:37,020 --> 00:21:35,020

bathroom this is a really good story the

460

00:21:41,370 --> 00:21:37,030

first time I heard that I was like holy

461

00:21:43,700 --> 00:21:41,380

[h__h] that's wild but I ended up going

462

00:21:47,910 --> 00:21:43,710

and meeting with the family that is

463

00:21:50,700 --> 00:21:47,920

pushing that theory and the the

464

00:21:53,460 --> 00:21:50,710

Foreman's R on a patent Tammy they are

465

00:21:58,470 --> 00:21:53,470

the absolute nicest most normal people

466

00:22:02,250 --> 00:21:58,480

I've ever met but they Ron and Pat they

467

00:22:04,380 --> 00:22:02,260

befriended this gal at a small airport

468

00:22:07,380 --> 00:22:04,390

by where they lived and ended up buying

469

00:22:09,000 --> 00:22:07,390

a plane from her and then they just at

470

00:22:11,910 --> 00:22:09,010

the airport hanging out all the time

471

00:22:13,860 --> 00:22:11,920

fixing their planes and he told me was

472

00:22:17,940 --> 00:22:13,870

like it was really weird that there

473

00:22:20,450 --> 00:22:17,950

would be a woman in her 50s fixing her

474

00:22:23,520 --> 00:22:20,460

own and flying her own plane at the time

475

00:22:27,030 --> 00:22:23,530

in the 70s maybe friended her and

476
00:22:28,680 --> 00:22:27,040
eventually found out that she used to be

477
00:22:31,169 --> 00:22:28,690
man

478
00:22:33,629 --> 00:22:31,179
and the wife told me at the time when

479
00:22:37,259 --> 00:22:33,639
she heard that that she didn't even know

480
00:22:39,869 --> 00:22:37,269
that was possible say to go from being a

481
00:22:42,509 --> 00:22:39,879
man to being a woman because this is mid

482
00:22:44,219 --> 00:22:42,519
to late 70s I believe when they were

483
00:22:47,519 --> 00:22:44,229
talking to her

484
00:22:49,649 --> 00:22:47,529
and was the first person in Washington

485
00:22:53,070 --> 00:22:49,659
state to have gender reassignment

486
00:22:55,799 --> 00:22:53,080
surgery are you are you saying that DB

487
00:22:59,009 --> 00:22:55,809
Cooper did this entire heist he got the

488
00:23:03,570 --> 00:22:59,019

money to do the surgery no actually it

489

00:23:06,539 --> 00:23:03,580

was before before the hijacking so born

490

00:23:08,310 --> 00:23:06,549

Robert Dayton he and this is all this

491

00:23:10,169 --> 00:23:08,320

person confessed to the Foreman's and

492

00:23:12,210 --> 00:23:10,179

the Foreman's have told me this you can

493

00:23:16,560 --> 00:23:12,220

listen to the episode DB Cooper was

494

00:23:18,450 --> 00:23:16,570

transgender but born Robert Dayton gets

495

00:23:22,619 --> 00:23:18,460

gender reassignment surgery and I want

496

00:23:23,999 --> 00:23:22,629

to say 66 or 69 I'm sorry I don't know

497

00:23:28,469 --> 00:23:24,009

the year off top of my head right now

498

00:23:31,289 --> 00:23:28,479

but then life sort of gets hard and

499

00:23:34,229 --> 00:23:31,299

she's unhappy with the way things are

500

00:23:39,299 --> 00:23:34,239

going so she wants to prove that she's

501
00:23:41,249 --> 00:23:39,309
still a badass dude so she decides to

502
00:23:45,690 --> 00:23:41,259
pull off the DB Cooper hijacking as a

503
00:23:47,489 --> 00:23:45,700
way to get back at the FAA because she

504
00:23:49,560 --> 00:23:47,499
cannot get her commercial pilot's

505
00:23:53,930 --> 00:23:49,570
license because her vision isn't good

506
00:23:57,060 --> 00:23:53,940
enough so she can only just fly private

507
00:23:59,070 --> 00:23:57,070
okay her never mercial pilot so she

508
00:24:00,810 --> 00:23:59,080
pulls she dresses back up as a man

509
00:24:03,989 --> 00:24:00,820
because she's already transitioned into

510
00:24:05,759 --> 00:24:03,999
being a woman dresses back up as a man

511
00:24:08,849 --> 00:24:05,769
puts shoe polishing her hair pulls off

512
00:24:10,139 --> 00:24:08,859
the hijacking and then basically throws

513
00:24:12,810 --> 00:24:10,149

the money away because she wasn't

514

00:24:16,529 --> 00:24:12,820

interested in the money she was just

515

00:24:19,229 --> 00:24:16,539

interested in doing the crime just for

516

00:24:21,210 --> 00:24:19,239

the thrill just for the thrill and you

517

00:24:24,529 --> 00:24:21,220

know she told the Foreman's all this and

518

00:24:26,879 --> 00:24:24,539

a bunch of other super wild stories and

519

00:24:29,149 --> 00:24:26,889

when she passed away they wanted to

520

00:24:31,129 --> 00:24:29,159

write a book about it

521

00:24:33,289 --> 00:24:31,139

and they weren't even sure if they were

522

00:24:36,320 --> 00:24:33,299

going to include the DB cooper portion

523

00:24:38,049 --> 00:24:36,330

but they were able to verify all these

524

00:24:41,049 --> 00:24:38,059

other wild stories like she was a

525

00:24:43,430 --> 00:24:41,059

prisoner of war in the philippines and

526
00:24:46,039 --> 00:24:43,440
from being a merchant marine and getting

527
00:24:47,299 --> 00:24:46,049
in trouble with the law and just all

528
00:24:49,669 --> 00:24:47,309
these wild stories they're able to

529
00:24:50,960 --> 00:24:49,679
verify all of those so they they thought

530
00:24:55,279 --> 00:24:50,970
we'd you know why would she lie to us

531
00:24:57,830 --> 00:24:55,289
about this man there's so many twists

532
00:25:01,310 --> 00:24:57,840
and turns the DB Hooper can go anywhere

533
00:25:03,589 --> 00:25:01,320
there is another one that that's pretty

534
00:25:06,200 --> 00:25:03,599
interesting is I just had him on my show

535
00:25:10,070 --> 00:25:06,210
it goes by the name of NAT the folk

536
00:25:13,519 --> 00:25:10,080
which is a pendant I'm sorry is a pen

537
00:25:16,430 --> 00:25:13,529
name just like the guy I interviewed

538
00:25:16,940 --> 00:25:16,440

this anonymous this guy wrote a book

539

00:25:20,719 --> 00:25:16,950

about it

540

00:25:21,259 --> 00:25:20,729

the Howard hunt was DB Cooper oh that's

541

00:25:23,469 --> 00:25:21,269

great

542

00:25:25,549 --> 00:25:23,479

he Howard hunt let's go with that let's

543

00:25:28,940 --> 00:25:25,559

elaborate what would that look like

544

00:25:32,469 --> 00:25:28,950

so the timeline kind of lines up and

545

00:25:38,749 --> 00:25:32,479

everything and he's not even sure if he

546

00:25:42,379 --> 00:25:38,759

did it as the CIA instructed him to or

547

00:25:44,330 --> 00:25:42,389

it was his own idea to do it and knew

548

00:25:46,310 --> 00:25:44,340

that he was caught the CIA would have

549

00:25:49,039 --> 00:25:46,320

his back because he was still

550

00:25:51,499 --> 00:25:49,049

accomplishing their agenda of changing

551

00:25:54,889 --> 00:25:51,509

airline security and because there was

552

00:25:57,049 --> 00:25:54,899

all those hijackings yeah I mean there's

553

00:25:59,710 --> 00:25:57,059

so many things were on ie Howard hunt he

554

00:26:01,940 --> 00:25:59,720

was he was part of the the Watergate

555

00:26:05,180 --> 00:26:01,950

Fiasco with Richard Nixon it's also

556

00:26:07,399 --> 00:26:05,190

rumored that he hired hunt on he Howard

557

00:26:09,320 --> 00:26:07,409

hunts deathbed confession he alluded

558

00:26:11,719 --> 00:26:09,330

that he actually shot it was part of the

559

00:26:13,789 --> 00:26:11,729

team that shot Canada Canada yeah yeah

560

00:26:16,609 --> 00:26:13,799

and that's talked about in announced

561

00:26:18,049 --> 00:26:16,619

book also oh my god I like that one

562

00:26:20,389 --> 00:26:18,059

that's interesting so the whole

563

00:26:23,119 --> 00:26:20,399

conspiracy is interesting I think all of

564

00:26:24,919 --> 00:26:23,129

them are really really fun so is just a

565

00:26:27,019 --> 00:26:24,929

little bit about your philosophy because

566

00:26:31,729 --> 00:26:27,029

I think here on the show you know Mike

567

00:26:35,690 --> 00:26:31,739

is very into cryptids and UFOs and and

568

00:26:37,579 --> 00:26:35,700

suppressed government and you know alien

569

00:26:39,049 --> 00:26:37,589

technology and all this stuff and I

570

00:26:41,509 --> 00:26:39,059

entertain a lot of this stuff because

571

00:26:43,190 --> 00:26:41,519

it's like I don't know if it's not true

572

00:26:45,770 --> 00:26:43,200

but it's fun to think about

573

00:26:47,870 --> 00:26:45,780

is this kind of how you approach the DB

574

00:26:49,460 --> 00:26:47,880

cooper mystery and is this how you kind

575

00:26:51,290 --> 00:26:49,470

of approach the world is just to be like

576

00:26:53,840 --> 00:26:51,300

I don't know but let's say you know

577

00:26:54,800 --> 00:26:53,850

might as well like poke at it and in

578

00:26:57,470 --> 00:26:54,810

check

579

00:27:01,100 --> 00:26:57,480

I would say yes that is how I approach

580

00:27:04,220 --> 00:27:01,110

the world the reason I started my show

581

00:27:05,870 --> 00:27:04,230

is I was interested in DB Cooper yeah I

582

00:27:08,600 --> 00:27:05,880

used to live right next to where that

583

00:27:10,570 --> 00:27:08,610

drop zone is in woodland so it was just

584

00:27:13,520 --> 00:27:10,580

a local story I was interested in and

585

00:27:15,980 --> 00:27:13,530

then I you know I got a book as a gift I

586

00:27:18,530 --> 00:27:15,990

read that but then I started going on

587

00:27:21,110 --> 00:27:18,540

these DB cooper forums and reading more

588

00:27:23,870 --> 00:27:21,120

and just the fact that there were so

589

00:27:26,860 --> 00:27:23,880

many different theories and suspects

590

00:27:29,990 --> 00:27:26,870

that all seemed somewhat plausible I

591

00:27:31,970 --> 00:27:30,000

found fascinating and and the people

592

00:27:34,820 --> 00:27:31,980

pushing these different narratives if

593

00:27:38,030 --> 00:27:34,830

you go on the forums or check anything

594

00:27:40,310 --> 00:27:38,040

out it's just people arguing endlessly

595

00:27:42,440 --> 00:27:40,320

and calling names I mean some of these

596

00:27:44,570 --> 00:27:42,450

forms have been shut down because people

597

00:27:49,490 --> 00:27:44,580

were posting other people's like home

598

00:27:51,500 --> 00:27:49,500

addresses and threats online so people

599

00:27:54,770 --> 00:27:51,510

are taking this as seriously so we get a

600

00:27:56,600 --> 00:27:54,780

lot of [h__h] for we do missing for one

601
00:27:58,340 --> 00:27:56,610
one as Big Mike and his brother are

602
00:28:00,980 --> 00:27:58,350
super into missing for one one a lot of

603
00:28:02,740 --> 00:28:00,990
our listeners are into it but then

604
00:28:05,270 --> 00:28:02,750
there's a lot of people who get very

605
00:28:07,430 --> 00:28:05,280
angry because we do not take it as

606
00:28:09,740 --> 00:28:07,440
seriously as some people are taking it

607
00:28:11,810 --> 00:28:09,750
and so I imagine that there are people

608
00:28:13,490 --> 00:28:11,820
who must be in this DB cooper universe

609
00:28:15,680 --> 00:28:13,500
who are just like so serious about it

610
00:28:18,680 --> 00:28:15,690
but it's like if you divert anywhere

611
00:28:21,050 --> 00:28:18,690
from what their orthodoxy might be they

612
00:28:24,770 --> 00:28:21,060
must like lose their minds oh absolutely

613
00:28:26,720 --> 00:28:24,780

I mean talking like small details in the

614

00:28:29,030 --> 00:28:26,730

flight path like know you're an 80 and

615

00:28:34,640 --> 00:28:29,040

the plane was two miles east at that

616

00:28:36,680 --> 00:28:34,650

moment in time wild I appreciate that

617

00:28:39,530 --> 00:28:36,690

that level of passion I appreciate that

618

00:28:41,690 --> 00:28:39,540

level of commitment but it also kind of

619

00:28:44,870 --> 00:28:41,700

sucks a little bit of the fun out of

620

00:28:47,570 --> 00:28:44,880

these topics at the same time yeah well

621

00:28:50,180 --> 00:28:47,580

can't all that constant bickering and

622

00:28:54,200 --> 00:28:50,190

there are people were all see that each

623

00:28:55,970 --> 00:28:54,210

one of them posted in 45 comments just

624

00:28:56,910 --> 00:28:55,980

back and forth with each other in

625

00:29:04,800 --> 00:28:56,920

between one

626

00:29:08,100 --> 00:29:04,810

and 4:00 a.m. dedication is dedication

627

00:29:10,290 --> 00:29:08,110

better appreciate that bad oh I've

628

00:29:12,330 --> 00:29:10,300

dipped my toe into this water you know

629

00:29:14,810 --> 00:29:12,340

when I started the show I was kind of

630

00:29:18,420 --> 00:29:14,820

like above the fray looking down on it

631

00:29:19,860 --> 00:29:18,430

but now now I'm just swimming in it with

632

00:29:22,980 --> 00:29:19,870

them I mean there's days where I've

633

00:29:26,720 --> 00:29:22,990

woken up to 12 emails from one guy and

634

00:29:29,700 --> 00:29:26,730

each email is 10 paragraphs long Oh God

635

00:29:36,360 --> 00:29:29,710

kill me I don't know how you deal with

636

00:29:38,220 --> 00:29:36,370

that but Oh Darren thank you so much for
