

# UFOs ARE TAKING HUMANS

PARENTAL  
ADVISORY  
EXPLICIT CONTENT

1  
00:00:00,300 --> 00:00:06,340  
[Applause]

2  
00:00:13,370 --> 00:00:10,339  
or falling off for everyone I have a bit

3  
00:00:17,050 --> 00:00:13,380  
of a darker story a little bit of a more

4  
00:00:20,390 --> 00:00:17,060  
scary story about human mutilations by

5  
00:00:22,460 --> 00:00:20,400  
extraterrestrials we've heard about cat

6  
00:00:25,070 --> 00:00:22,470  
mutilations we actually did a story not

7  
00:00:28,040 --> 00:00:25,080  
too long ago about cattle mutilations

8  
00:00:30,259 --> 00:00:28,050  
and a more recent event that happened I

9  
00:00:33,260 --> 00:00:30,269  
believe up in Oregon you remember that

10  
00:00:36,860 --> 00:00:33,270  
one Joe oh yeah it was like basically it

11  
00:00:38,540 --> 00:00:36,870  
was like a inflated you know pool toy or

12  
00:00:40,190 --> 00:00:38,550  
something it was crazy we thought we

13  
00:00:40,910 --> 00:00:40,200

looked at the pictures on now that one

14

00:00:44,270 --> 00:00:40,920

was nuts

15

00:00:46,819 --> 00:00:44,280

yeah and they actually you know they did

16

00:00:47,840 --> 00:00:46,829

some pretty interesting reporting we

17

00:00:50,720 --> 00:00:47,850

played some of they can go back and

18

00:00:53,060 --> 00:00:50,730

listen we we actually hit on that story

19

00:00:55,850 --> 00:00:53,070

before it even kind of spread around the

20

00:00:57,410 --> 00:00:55,860

the web and around the around the

21

00:00:59,450 --> 00:00:57,420

internet so we we got it out there

22

00:01:02,599 --> 00:00:59,460

there's a pretty good podcast on that we

23

00:01:04,310 --> 00:01:02,609

play some audio you know cattle militias

24

00:01:06,230 --> 00:01:04,320

are just a fact of life at this point

25

00:01:09,070 --> 00:01:06,240

they've been documented there they

26  
00:01:13,130 --> 00:01:09,080  
haven't really come down on any sort of

27  
00:01:16,330 --> 00:01:13,140  
conclusion as to why or how but this

28  
00:01:19,160 --> 00:01:16,340  
goes into a bit of a darker area of

29  
00:01:20,719 --> 00:01:19,170  
human mutilation so I'm gonna read some

30  
00:01:24,109 --> 00:01:20,729  
of this article I'm gonna peer I'm gonna

31  
00:01:26,450 --> 00:01:24,119  
glance I'm gonna do my best to give you

32  
00:01:30,940 --> 00:01:26,460  
this story how let's say you Joe you

33  
00:01:38,289 --> 00:01:35,249  
you've chicken now let's do it all right

34  
00:01:40,569 --> 00:01:38,299  
in the world of you phonology few topics

35  
00:01:42,940 --> 00:01:40,579  
are more bone-chilling than cattle

36  
00:01:45,399 --> 00:01:42,950  
mutilations hundreds of bovine have been

37  
00:01:46,840 --> 00:01:45,409  
discovered dead under bizarre and

38  
00:01:48,940 --> 00:01:46,850

unusual circumstances throughout the

39

00:01:51,969 --> 00:01:48,950

decades spontaneous surgeries are

40

00:01:53,380 --> 00:01:51,979

performed with meticulous skill organs

41

00:01:56,050 --> 00:01:53,390

are selectively extracted with

42

00:01:58,419 --> 00:01:56,060

laser-like precision all blood is

43

00:02:01,600 --> 00:01:58,429

completely drained from the body's bones

44

00:02:07,660 --> 00:02:01,610

are shattered as if something dropped

45

00:02:09,249 --> 00:02:07,670

them from extremely high heights I've

46

00:02:12,009 --> 00:02:09,259

seen we've seen that a lot of times

47

00:02:13,690 --> 00:02:12,019

that's also a common phenomenon with

48

00:02:15,160 --> 00:02:13,700

missing four eleven victims that they

49

00:02:18,759 --> 00:02:15,170

seems as though they've been dropped on

50

00:02:21,759 --> 00:02:18,769

their heads a perfectly formed circle

51  
00:02:24,610 --> 00:02:21,769  
surrounds the remains and an abdomen

52  
00:02:27,339 --> 00:02:24,620  
abdomen or mele high levels of radiation

53  
00:02:28,750 --> 00:02:27,349  
are present in these cattle mutilations

54  
00:02:32,170 --> 00:02:28,760  
unfortunately it appears that other

55  
00:02:34,360 --> 00:02:32,180  
mammals are not immune to this sickening

56  
00:02:36,670 --> 00:02:34,370  
fate much like our cow counterparts

57  
00:02:38,920 --> 00:02:36,680  
humans have caught the eye of whatever

58  
00:02:41,740 --> 00:02:38,930  
sinister forces is responsible for such

59  
00:02:43,629 --> 00:02:41,750  
horrifying carnage numerous accounts

60  
00:02:47,289 --> 00:02:43,639  
have been studied and repeatedly show a

61  
00:02:50,949 --> 00:02:47,299  
sinister agenda at work so there could

62  
00:02:52,960 --> 00:02:50,959  
be a missing 411 connection my saying

63  
00:02:56,770 --> 00:02:52,970

that there is but there certainly could

64

00:02:59,949 --> 00:02:56,780

be especially if you have animals that

65

00:03:03,069 --> 00:02:59,959

are about a thousand 2,000 pounds that

66

00:03:05,620 --> 00:03:03,079

can be plucked and then sent back to

67

00:03:07,629 --> 00:03:05,630

earth dropped from great height where

68

00:03:10,629 --> 00:03:07,639

they'd either die and organs removed in

69

00:03:12,550 --> 00:03:10,639

a very quick fashion where they're no

70

00:03:15,550 --> 00:03:12,560

one has really seen this and this is if

71

00:03:16,569 --> 00:03:15,560

it has been witnessed I don't know too

72

00:03:19,509 --> 00:03:16,579

many stories like that

73

00:03:21,699 --> 00:03:19,519

so this first case of human mutilation

74

00:03:24,900 --> 00:03:21,709

happened in nineteen oh that I'm gonna

75

00:03:27,250 --> 00:03:24,910

read happened in nineteen eighty eight

76

00:03:29,110 --> 00:03:27,260

so in nineteen eighty one of the

77

00:03:31,740 --> 00:03:29,120

phenomenons most appalling cases

78

00:03:34,320 --> 00:03:31,750

occurred in southern Brazil

79

00:03:37,260 --> 00:03:34,330

um it is an utterly grotesque scene that

80

00:03:39,270 --> 00:03:37,270

unfolded after a man's rabid body well a

81

00:03:41,580 --> 00:03:39,280

ravaged body had surfaced although

82

00:03:43,680 --> 00:03:41,590

deceased for several days vultures and

83

00:03:47,160 --> 00:03:43,690

insects completely avoided the corpse

84

00:03:49,650 --> 00:03:47,170

there was not any post-mortem odor which

85

00:03:51,750 --> 00:03:49,660

is usually present upon decay in fact

86

00:03:54,210 --> 00:03:51,760

the cadaver did not show any signs of

87

00:03:56,820 --> 00:03:54,220

decomposition whatsoever sever proof

88

00:04:00,480 --> 00:03:56,830

several perfectly symmetrical holes had

89

00:04:02,820 --> 00:04:00,490

been carved from the flesh his eyes ears

90

00:04:06,780 --> 00:04:02,830

lips and tongues were all taken out with

91

00:04:09,270 --> 00:04:06,790

astounding expertise each smooth a

92

00:04:11,550 --> 00:04:09,280

smooth cut appeared cauterized and

93

00:04:14,520 --> 00:04:11,560

investigators did not observe any rough

94

00:04:16,620 --> 00:04:14,530

or jagged edges whatever happened to

95

00:04:18,750 --> 00:04:16,630

this unfortunate abductee was a

96

00:04:22,010 --> 00:04:18,760

systematic execution conducted with

97

00:04:24,870 --> 00:04:22,020

morbid brutality even a seasoned

98

00:04:27,840 --> 00:04:24,880

examination corner could barely stomach

99

00:04:30,750 --> 00:04:27,850

the abnormal sight in their detailed

100

00:04:33,180 --> 00:04:30,760

report that states

101

00:04:36,510 --> 00:04:33,190

the lips and face had been cut away

102

00:04:40,230 --> 00:04:36,520

their eyes ears and tongues had been

103

00:04:42,210 --> 00:04:40,240

removed neat round holes one who one and

104

00:04:45,300 --> 00:04:42,220

a half inches in diameter had been made

105

00:04:48,690 --> 00:04:45,310

on the shoulders arms head stomach anus

106

00:04:51,930 --> 00:04:48,700

tissue in muscles had been extracted the

107

00:04:55,170 --> 00:04:51,940

holes and not been made through which

108

00:04:57,510 --> 00:04:55,180

extensive digestive digestive organs had

109

00:05:00,480 --> 00:04:57,520

been extracted let me try that again

110

00:05:02,730 --> 00:05:00,490

the holes had not been made through

111

00:05:05,700 --> 00:05:02,740

which extensive digestive organs had

112

00:05:08,790 --> 00:05:05,710

been extracted the scrotum but not the

113

00:05:11,610 --> 00:05:08,800

penis had been removed and all the pubic

114

00:05:14,940 --> 00:05:11,620

hair that was not made and in all the

115

00:05:17,910 --> 00:05:14,950

pubic hair had disappeared the rectum

116

00:05:20,460 --> 00:05:17,920

had been been cored out despite these

117

00:05:23,150 --> 00:05:20,470

devastating mutilations there was no

118

00:05:26,250 --> 00:05:23,160

signs that the victim had been bound in

119

00:05:27,700 --> 00:05:26,260

any way no signs that the victim has

120

00:05:29,499 --> 00:05:27,710

struggled

121

00:05:32,170 --> 00:05:29,509

now it's terrifying that this sounds

122

00:05:35,409 --> 00:05:32,180

exactly kind of like what you've seen

123

00:05:40,090 --> 00:05:35,419

and heard about with cattle mutilations

124

00:05:42,879 --> 00:05:40,100

this very straightforward approach of a

125

00:05:46,060 --> 00:05:42,889

dissection of a creature with no

126

00:05:48,879 --> 00:05:46,070

struggle at all terrifying is this

127

00:05:51,580 --> 00:05:48,889

person was just plucked up mutilated and

128

00:05:54,490 --> 00:05:51,590

then laid back down but then you had no

129

00:05:57,820 --> 00:05:54,500

signs of decomposition things were not

130

00:06:01,870 --> 00:05:57,830

the creatures were not feeding on its

131

00:06:04,719 --> 00:06:01,880

body or his body at all crazy and so one

132

00:06:07,870 --> 00:06:04,729

more terrifying account of this and this

133

00:06:11,830 --> 00:06:07,880

takes this was an account from white

134

00:06:13,810 --> 00:06:11,840

sands missile test range during the

135

00:06:16,300 --> 00:06:13,820

1950s a similar shocking occurrence took

136

00:06:20,110 --> 00:06:16,310

place at the White Sands Missile missile

137

00:06:22,270 --> 00:06:20,120

testing range in New Mexico sergeant

138

00:06:24,219 --> 00:06:22,280

Jonathan Lovett in Major William

139

00:06:27,189 --> 00:06:24,229

Cunningham embarked on a mission to

140

00:06:29,110 --> 00:06:27,199

gather fallen debris from a recent test

141

00:06:31,659 --> 00:06:29,120

launch both military personnel ventured

142

00:06:34,540 --> 00:06:31,669

into a desolate desolate desert

143

00:06:37,029 --> 00:06:34,550

searching for projectile wreckage while

144

00:06:39,339 --> 00:06:37,039

coming through the barren Tundra love it

145

00:06:42,279 --> 00:06:39,349

travel behind a nearby sand dune

146

00:06:44,320 --> 00:06:42,289

suddenly Cunningham heard his coworker

147

00:06:46,510 --> 00:06:44,330

scream in horror thinking his friend

148

00:06:48,879 --> 00:06:46,520

might be gravely injured he ran towards

149

00:06:52,600 --> 00:06:48,889

the disturbing sound on the other side

150

00:06:54,159 --> 00:06:52,610

of the ridge he was unfathomable be on

151  
00:06:56,320 --> 00:06:54,169  
the other side of the ridge was an

152  
00:06:59,620 --> 00:06:56,330  
unfathomable sight which would change

153  
00:07:02,950 --> 00:06:59,630  
his life forever a large metallic UFO

154  
00:07:05,409 --> 00:07:02,960  
hovered twenty feet ahead with a long

155  
00:07:06,570 --> 00:07:05,419  
snake-like apparatus dangling towards

156  
00:07:09,820 --> 00:07:06,580  
the ground

157  
00:07:12,279 --> 00:07:09,830  
Cunningham on Cunningham realized this

158  
00:07:15,249 --> 00:07:12,289  
device had wrapped itself around his

159  
00:07:18,820 --> 00:07:15,259  
partner's leg in an attempt to drag him

160  
00:07:20,890 --> 00:07:18,830  
into the ominous craft regardless of

161  
00:07:24,520 --> 00:07:20,900  
wanting to rescue loved it he realized

162  
00:07:25,529 --> 00:07:24,530  
his body would not move in a state of

163  
00:07:28,689 --> 00:07:25,539

paralysis

164

00:07:31,659 --> 00:07:28,699

Cunningham witnessed his accomplice get

165

00:07:34,420 --> 00:07:31,669

pulled into the saucer once aboard the

166

00:07:37,119 --> 00:07:34,430

object disappeared at an astonished at

167

00:07:39,359 --> 00:07:37,129

an astonishing speed

168

00:07:42,159 --> 00:07:39,369

after the disk vanished his mobility

169

00:07:44,350 --> 00:07:42,169

instantly became restored and a

170

00:07:46,449 --> 00:07:44,360

trembling officer immediately radio for

171

00:07:48,759 --> 00:07:46,459

help in a panic state he explained the

172

00:07:52,509 --> 00:07:48,769

situation and missile control radar

173

00:07:56,589 --> 00:07:52,519

locked located the unidentified air

174

00:07:58,869 --> 00:07:56,599

vehicle ascending rapidly armed forces

175

00:08:01,329 --> 00:07:58,879

quickly arrived at location and formed a

176

00:08:03,820 --> 00:08:01,339

massive massive search party they

177

00:08:05,829 --> 00:08:03,830

extensively scoured the area for three

178

00:08:08,649 --> 00:08:05,839

days yet no trace of Lovett could be

179

00:08:11,049 --> 00:08:08,659

discovered officials soon pointed

180

00:08:14,139 --> 00:08:11,059

figures fingers at the last person to

181

00:08:15,820 --> 00:08:14,149

witness the missing man alive they

182

00:08:17,739 --> 00:08:15,830

suspected Cunningham fabricated the

183

00:08:21,219 --> 00:08:17,749

preposterous story to cover foul play

184

00:08:23,230 --> 00:08:21,229

and promptly detained him 72 hours into

185

00:08:25,509 --> 00:08:23,240

pursuing the vanished soldier the

186

00:08:27,100 --> 00:08:25,519

sergeant's lifeless body surfaced only

187

00:08:30,579 --> 00:08:27,110

10 miles from where he had last been

188

00:08:33,009 --> 00:08:30,589

seen resilient troopers who previously

189

00:08:35,230 --> 00:08:33,019

witnessed unimaginable unimaginable

190

00:08:38,620 --> 00:08:35,240

atrocities could not fathom the gruesome

191

00:08:41,199 --> 00:08:38,630

state of their fallen comrade former

192

00:08:43,719 --> 00:08:41,209

Green Beret Bill English managed to view

193

00:08:45,879 --> 00:08:43,729

a report called project grudge project

194

00:08:49,150 --> 00:08:45,889

Bluebook which detailed various

195

00:08:53,860 --> 00:08:49,160

frightening injuries an incision in the

196

00:08:57,400 --> 00:08:53,870

lower jaw cut from lowers chin to his

197

00:08:59,590 --> 00:08:57,410

larynx specific innards were extra

198

00:09:01,840 --> 00:08:59,600

expertly removed including the tongue

199

00:09:03,999 --> 00:09:01,850

anus and genitals much the same as what

200

00:09:06,179 --> 00:09:04,009

we read before Jesus something plucked

201  
00:09:08,379 --> 00:09:06,189  
out something plucked out both eyes

202  
00:09:11,019 --> 00:09:08,389  
while leaving the surrounding tissue

203  
00:09:14,319 --> 00:09:11,029  
perfectly intact despite lacking signs

204  
00:09:17,410 --> 00:09:14,329  
of vascular collapse not a single drop

205  
00:09:21,160 --> 00:09:17,420  
of blood remained two days of intense

206  
00:09:23,530 --> 00:09:21,170  
heat engulfed the departed yet no sign

207  
00:09:25,550 --> 00:09:23,540  
of decay showed a perfectly preserved

208  
00:09:29,450 --> 00:09:25,560  
remains

209  
00:09:32,510 --> 00:09:29,460  
there we go to reports Joe of human

210  
00:09:36,370 --> 00:09:32,520  
mutilations one of which a witness

211  
00:09:39,830 --> 00:09:36,380  
claims that they saw a disc with a

212  
00:09:42,490 --> 00:09:39,840  
tentacle a metallic tentacle scooping up

213  
00:09:45,670 --> 00:09:42,500

their their comrade

214

00:09:46,750 --> 00:09:45,680

yeah that's a doozy man that's a real

215

00:09:49,330 --> 00:09:46,760

day wrecker there

216

00:09:54,690 --> 00:09:49,340

it's a Halladay wrecker and furthermore

217

00:10:02,070 --> 00:09:57,750

of kidnapping and mutilating his is his

218

00:10:03,420 --> 00:10:02,080

partner I mean my god I mean that's just

219

00:10:05,970 --> 00:10:03,430

part of the day wrecking thing

220

00:10:08,340 --> 00:10:05,980

Oh his day was wrecked yes I mean I

221

00:10:09,840 --> 00:10:08,350

called it everybody's day was kind of

222

00:10:10,230 --> 00:10:09,850

wrecked it sounds like is what I'm

223

00:10:12,210 --> 00:10:10,240

saying

224

00:10:13,680 --> 00:10:12,220

it's just like you know these these

225

00:10:16,230 --> 00:10:13,690

people have never seen anything like it

226

00:10:19,280 --> 00:10:16,240

they accused this guy like you know I

227

00:10:23,730 --> 00:10:19,290

mean how does one even do it

228

00:10:26,610 --> 00:10:23,740

so author and famed Explorer arthur c

229

00:10:28,770 --> 00:10:26,620

clarke once said two possibilities exist

230

00:10:31,590 --> 00:10:28,780

either we are alone in the universe or

231

00:10:34,260 --> 00:10:31,600

we are not both are equally terrifying

232

00:10:38,610 --> 00:10:34,270

yes he did say that I think that at this

233

00:10:40,200 --> 00:10:38,620

point with stories like that and with

234

00:10:44,280 --> 00:10:40,210

the cattle mutilations that are going on

235

00:10:46,790 --> 00:10:44,290

and something obviously is afoot III

236

00:10:49,470 --> 00:10:46,800

think that there is a mix of

237

00:10:53,070 --> 00:10:49,480

government-sponsored programs like this

238

00:10:57,810 --> 00:10:54,930

I get a V interdimensional or

239

00:10:59,519 --> 00:10:57,820

extraterrestrial operations that are

240

00:11:01,829 --> 00:10:59,529

going on like the whole missing 4:11

241

00:11:04,290 --> 00:11:01,839

stuff is where you know people is white

242

00:11:05,730 --> 00:11:04,300

up going missing in the National Forest

243

00:11:07,860 --> 00:11:05,740

and seems like they just get plucked out

244

00:11:09,840 --> 00:11:07,870

of thin air some some people return

245

00:11:11,460 --> 00:11:09,850

sometimes their remains are found and

246

00:11:14,170 --> 00:11:11,470

sometimes the people are never found or

247

00:11:17,920 --> 00:11:16,540

uh it's tough to know if this is one in

248

00:11:19,720 --> 00:11:17,930

the same when it comes at the cattle

249

00:11:23,380 --> 00:11:19,730

mutilation human mutilations and missing

250

00:11:25,960 --> 00:11:23,390

for 11 I think it's tough to know when

251  
00:11:27,940 --> 00:11:25,970  
to form a search party versus when to

252  
00:11:28,240 --> 00:11:27,950  
form a sausage party that's for damn

253  
00:11:29,800 --> 00:11:28,250  
sure

254  
00:11:32,290 --> 00:11:29,810  
yeah it's tough when you get a bunch of

255  
00:11:34,269 --> 00:11:32,300  
guys together I mean what do you do you

256  
00:11:36,699 --> 00:11:34,279  
go to work where you're going to work at

257  
00:11:38,019 --> 00:11:36,709  
stuff - no that's why a hierarchical

258  
00:11:43,030 --> 00:11:38,029  
command structure that we have in

259  
00:11:45,400 --> 00:11:43,040  
Starfleet is very important wants to do

260  
00:11:47,350 --> 00:11:45,410  
or sausage parties we're trying to find

261  
00:11:50,139 --> 00:11:47,360  
this guy we're not helping anybody out

262  
00:11:53,740 --> 00:11:50,149  
here we're just walking around their

263  
00:11:57,630 --> 00:11:53,750

pants down we're not getting any work

264

00:12:03,660 --> 00:12:00,240

it is isn't it you find anything over

265

00:12:05,550 --> 00:12:03,670

there no he's kidding

266

00:12:08,550 --> 00:12:05,560

he's too busy behind the tree with his

267

00:12:13,110 --> 00:12:08,560

with his pal there's something wrong

268

00:12:16,850 --> 00:12:13,120

with you uh well uh terrifying accounts

269

00:12:19,710 --> 00:12:16,860

of human mutilation and I do have

270

00:12:26,220 --> 00:12:19,720

flowered is the last one dealt with the

271

00:12:31,850 --> 00:12:26,230

military I'll bring up one more UFO

272

00:12:35,460 --> 00:12:31,860

slash military UFO story and that is

273

00:12:39,990 --> 00:12:35,470

that the army partners with former

274

00:12:41,639 --> 00:12:40,000

blink-182 founders of founders UFO

275

00:12:44,280 --> 00:12:41,649

research company to study alien

276  
00:12:46,590 --> 00:12:44,290  
technology so Tom DeLonge and to the

277  
00:12:47,190 --> 00:12:46,600  
Stars Academy claimed to have alien

278  
00:12:49,590 --> 00:12:47,200  
material

279  
00:12:53,430 --> 00:12:49,600  
and the United States Army comes around

280  
00:12:55,889 --> 00:12:53,440  
goes hey whoa we want to see what that's

281  
00:13:02,300 --> 00:12:55,899  
about that's exactly what they sounded

282  
00:13:04,360 --> 00:13:02,310  
like over there

283  
00:13:07,310 --> 00:13:04,370  
much like the universe the military's

284  
00:13:09,650 --> 00:13:07,320  
affiliation with alien related subject

285  
00:13:11,600 --> 00:13:09,660  
matters appears to be ever-expanding in

286  
00:13:16,160 --> 00:13:11,610  
2017 the Pentagon confirmed the

287  
00:13:18,680 --> 00:13:16,170  
existence of a program that existed from

288  
00:13:22,220 --> 00:13:18,690

2007 to 2012 that's the advanced

289

00:13:23,989 --> 00:13:22,230

aerospace threat benefi Cajun program

290

00:13:25,910 --> 00:13:23,999

now the army has joined the

291

00:13:28,939 --> 00:13:25,920

extra-terrestrial fray in a big way

292

00:13:31,550 --> 00:13:28,949

inking a contract with belongs to the

293

00:13:34,790 --> 00:13:31,560

stars Academy to collaborate in the

294

00:13:37,249 --> 00:13:34,800

study of exotic metals that both parties

295

00:13:39,800 --> 00:13:37,259

hope will lead to the development of

296

00:13:43,160 --> 00:13:39,810

advanced technologies

297

00:13:44,809 --> 00:13:43,170

this is comes from the Army Times art

298

00:13:47,809 --> 00:13:44,819

mount as part of the agreement the

299

00:13:50,269 --> 00:13:47,819

Army's ground vehicle system Center and

300

00:13:52,939 --> 00:13:50,279

ground vehicle survivability and

301  
00:13:56,090 --> 00:13:52,949  
protection component component will lend

302  
00:13:59,840 --> 00:13:56,100  
researchers research resources including

303  
00:14:02,840 --> 00:13:59,850  
laboratories to the to the to the stars

304  
00:14:05,569 --> 00:14:02,850  
Academy which in turn will leverage what

305  
00:14:08,629 --> 00:14:05,579  
the company with what the company assets

306  
00:14:11,689 --> 00:14:08,639  
are meaning the alien materials capable

307  
00:14:16,699 --> 00:14:11,699  
of enhancing the effectiveness of army

308  
00:14:19,579 --> 00:14:16,709  
vehicles so Tom DeLonge is selling its

309  
00:14:22,360 --> 00:14:19,589  
supposed alien material or landing it to

310  
00:14:25,440 --> 00:14:22,370  
army research

311  
00:14:27,790 --> 00:14:25,450  
so forgive me but this feels like a

312  
00:14:29,440 --> 00:14:27,800  
something to another distraction

313  
00:14:30,850 --> 00:14:29,450

remember all the UFO stuff started

314

00:14:32,350 --> 00:14:30,860

coming out when the Epstein stuff

315

00:14:34,210 --> 00:14:32,360

started coming out and everything so

316

00:14:38,200 --> 00:14:34,220

yeah I feel like this is just some way

317

00:14:40,329 --> 00:14:38,210

to kind of validate maybe what he's

318

00:14:43,510 --> 00:14:40,339

opening I don't know so this whole thing

319

00:14:46,269 --> 00:14:43,520

so time to long as this company has some

320

00:14:50,640 --> 00:14:46,279

ex-intelligence officers in there the

321

00:14:54,370 --> 00:14:50,650

the Pentagon released Navy footage of

322

00:14:56,200 --> 00:14:54,380

aircraft chasing a UFO now you got the

323

00:14:59,840 --> 00:14:56,210

army going hey what about us now the

324

00:15:03,560 --> 00:14:59,850

Army's partnering with Tom DeLong's

325

00:15:06,230 --> 00:15:03,570

private company who has relations - as

326

00:15:07,520 --> 00:15:06,240

relationships with the the Navy because

327

00:15:08,570 --> 00:15:07,530

of all those fighter pilots that have

328

00:15:10,250 --> 00:15:08,580

been talking I'm sure they have a

329

00:15:12,860 --> 00:15:10,260

relationship with them this sounds like

330

00:15:16,100 --> 00:15:12,870

this is a way for the army to get into

331

00:15:17,000 --> 00:15:16,110

the UFO business now that's exactly what

332

00:15:19,910 --> 00:15:17,010

they're what they're saying

333

00:15:22,190 --> 00:15:19,920

the the - the stars Academy claims to

334

00:15:25,460 --> 00:15:22,200

have acquired designed and procured

335

00:15:28,130 --> 00:15:25,470

these materials which can offer an array

336

00:15:31,960 --> 00:15:28,140

of futuristic modifications like active

337

00:15:35,540 --> 00:15:31,970

camouflage beam energy propulsion in

338

00:15:40,769 --> 00:15:35,550

inertial mass reduction that's what

339

00:15:46,210 --> 00:15:44,019

and there's a quote there's a there's a

340

00:15:47,710 --> 00:15:46,220

quote from a press release our

341

00:15:49,740 --> 00:15:47,720

partnership with the two stars

342

00:15:52,720 --> 00:15:49,750

Academy serves as an exciting

343

00:15:55,329 --> 00:15:52,730

non-traditional source of novel novel

344

00:15:56,920 --> 00:15:55,339

material materials in transformational

345

00:15:59,050 --> 00:15:56,930

technologies to enhance our military

346

00:16:01,300 --> 00:15:59,060

ground systems capability so where to

347

00:16:03,790 --> 00:16:01,310

hell the time to long who exactly gave

348

00:16:07,390 --> 00:16:03,800

him this material if he's been funneling

349

00:16:13,470 --> 00:16:10,440

[Laughter]

350

00:16:15,180 --> 00:16:13,480

I need to know yeah like so he got this

351

00:16:18,780 --> 00:16:15,190

material from somebody probably with

352

00:16:21,000 --> 00:16:18,790

Pentagon connections in turn funneling

353

00:16:22,650 --> 00:16:21,010

it back into the government why didn't

354

00:16:24,950 --> 00:16:22,660

the Pentagon just hand it off to one of

355

00:16:26,560 --> 00:16:24,960

their partners in the army

356

00:16:28,420 --> 00:16:26,570

like

357

00:16:29,740 --> 00:16:28,430

it's I'm curious what do you what do you

358

00:16:31,740 --> 00:16:29,750

really think is going on here because

359

00:16:34,500 --> 00:16:31,750

obviously

360

00:16:36,540 --> 00:16:34,510

there's some shenanigans as my there's

361

00:16:39,740 --> 00:16:36,550

gotta be some shenanigans my overall

362

00:16:41,760 --> 00:16:39,750

thing is that this operation is hold

363

00:16:43,770 --> 00:16:41,770

disclosure was supposed to roll out

364

00:16:48,660 --> 00:16:43,780

underneath Clinton there's got to be

365

00:16:52,050 --> 00:16:48,670

some sort of military contract that the

366

00:16:53,880 --> 00:16:52,060

Army has to partner with in order to to

367

00:16:57,150 --> 00:16:53,890

farm out this technology so there it

368

00:17:00,570 --> 00:16:57,160

means that this material that was behind

369

00:17:03,210 --> 00:17:00,580

locked doors had to be almost laundered

370

00:17:06,420 --> 00:17:03,220

like Tom DeLonge his private company is

371

00:17:08,750 --> 00:17:06,430

a laundering mechanism for this

372

00:17:11,280 --> 00:17:08,760

technology to other private companies

373

00:17:14,510 --> 00:17:11,290

okay alright well I like that there's a

374

00:17:19,490 --> 00:17:16,220

they gotta launder the stuff out there

375

00:17:24,390 --> 00:17:19,500

some way and so I think Huachuca says if

376

00:17:28,009 --> 00:17:25,849

[Music]

377

00:17:32,419 --> 00:17:28,019

it's just it gets crazier and crazier

378

00:17:34,700 --> 00:17:32,429

people be a pontiff yes

379

00:17:37,940 --> 00:17:34,710

I got a follow-up article for that story

380

00:17:43,350 --> 00:17:37,950

in the carrot shop for you okay yeah

381

00:17:43,360 --> 00:17:47,560

let's see

382

00:17:52,690 --> 00:17:49,560

Bethan screeners comes from the dr.com

383

00:17:55,210 --> 00:17:52,700

the army wants to verify the star to the

384

00:17:57,820 --> 00:17:55,220

stars Academy's fantastic UFO mystery

385

00:18:01,870 --> 00:17:57,830

material claims so yeah the drive does a

386

00:18:04,899 --> 00:18:01,880

good job on doing deep dives into this

387

00:18:06,759 --> 00:18:04,909

UFO stuff here it is I don't know if you

388

00:18:08,110 --> 00:18:06,769

had a chance to kind of peruse it

389

00:18:14,169 --> 00:18:08,120

Cratchit but I mean there's there's

390

00:18:19,659 --> 00:18:16,929

to the stars Academy of Arts and

391

00:18:21,069 --> 00:18:19,669

Sciences a company with material and

392

00:18:22,719 --> 00:18:21,079

technology innovations that offer

393

00:18:24,129 --> 00:18:22,729

capability of okay this is kind of what

394

00:18:27,999 --> 00:18:24,139

I read I kind of went on to how they

395

00:18:31,299 --> 00:18:28,009

wrap this up the object had eventually

396

00:18:34,029 --> 00:18:31,309

come to Tom DeLonge who then sold them

397

00:18:37,029 --> 00:18:34,039

to to the Czar's Academy by way of Linda

398

00:18:38,769 --> 00:18:37,039

Moulton Howe then okay an investigation

399

00:18:40,359 --> 00:18:38,779

an investigative journalist who is also

400

00:18:44,559 --> 00:18:40,369

a prominent member of the UFO community

401  
00:18:47,889 --> 00:18:44,569  
how even in-depth presentation a video

402  
00:18:52,299 --> 00:18:47,899  
of which is available below on the spit

403  
00:18:55,389 --> 00:18:52,309  
on these specific objects in 2004 at the

404  
00:18:58,479 --> 00:18:55,399  
X conference a gathering devoted to

405  
00:19:00,669 --> 00:18:58,489  
fringe topics such as UFOs so what I'm

406  
00:19:02,919 --> 00:19:00,679  
just gleaming here is that Linda Moulton

407  
00:19:04,929 --> 00:19:02,929  
Howe did he did she funneled this

408  
00:19:07,790 --> 00:19:04,939  
material to Tom DeLonge who then in turn

409  
00:19:10,380 --> 00:19:07,800  
is partnering with

410  
00:19:14,730 --> 00:19:10,390  
the army

411  
00:19:17,490 --> 00:19:14,740  
looks like comes from there I just

412  
00:19:19,500 --> 00:19:17,500  
dropped a New York Times article link in

413  
00:19:22,110 --> 00:19:19,510

there comes from Bigelow Aerospace is

414

00:19:23,130 --> 00:19:22,120

involved so something about this the way

415

00:19:25,799 --> 00:19:23,140

I'm reading this is something about the

416

00:19:27,450 --> 00:19:25,809

development of this new material this

417

00:19:29,060 --> 00:19:27,460

new compound and the Army's

418

00:19:31,259 --> 00:19:29,070

investigating it from the standpoint of

419

00:19:33,269 --> 00:19:31,269

possible military applications I don't

420

00:19:37,110 --> 00:19:33,279

think that's really playing into the you

421

00:19:38,970 --> 00:19:37,120

know the the verification or you know

422

00:19:40,320 --> 00:19:38,980

you saw disclose your sort of thing as

423

00:19:43,289 --> 00:19:40,330

much as your army goes hey that's if

424

00:19:45,029 --> 00:19:43,299

this if this material is what you say it

425

00:19:46,830 --> 00:19:45,039

is regardless of where it comes from we

426  
00:19:49,350 --> 00:19:46,840  
want to see what we can do with it okay

427  
00:19:51,180 --> 00:19:49,360  
I get that especially since it seems to

428  
00:19:52,649 --> 00:19:51,190  
all be directed through the GV SC which

429  
00:19:55,799 --> 00:19:52,659  
is their ground vehicle survivability

430  
00:19:56,730 --> 00:19:55,809  
and protection program so I guess

431  
00:19:59,759 --> 00:19:56,740  
they're looking at from the standpoint

432  
00:20:01,230 --> 00:19:59,769  
of you know if we slather this with you

433  
00:20:03,090 --> 00:20:01,240  
know a slather a tank with this can we

434  
00:20:03,440 --> 00:20:03,100  
fly around and shoot at UFOs I don't

435  
00:20:06,720 --> 00:20:03,450  
know

436  
00:20:08,370 --> 00:20:06,730  
[Laughter]

437  
00:20:10,670 --> 00:20:08,380  
well I mean she claimed that these

438  
00:20:13,350 --> 00:20:10,680

material of these metal samples

439

00:20:16,050 --> 00:20:13,360

displayed anti-gravitational or

440

00:20:17,610 --> 00:20:16,060

levitational properties when exposed to

441

00:20:20,130 --> 00:20:17,620

certain frequencies of electromagnetic

442

00:20:21,990 --> 00:20:20,140

radiation I'll also discuss how she

443

00:20:23,910 --> 00:20:22,000

presented the materials to a number of

444

00:20:26,250 --> 00:20:23,920

labs in corporations including the

445

00:20:28,860 --> 00:20:26,260

Army's Redstone Arsenal and they could

446

00:20:31,440 --> 00:20:28,870

not reproduce them or identify their

447

00:20:33,660 --> 00:20:31,450

origins okay well she's already I guess

448

00:20:36,090 --> 00:20:33,670

she just gave it like it sounds very

449

00:20:38,660 --> 00:20:36,100

very valuable at this point if they

450

00:20:41,560 --> 00:20:38,670

can't understand exactly its properties

451  
00:20:44,650 --> 00:20:41,570  
then okay

452  
00:20:46,930 --> 00:20:44,660  
very interesting I mean this article

453  
00:20:50,830 --> 00:20:46,940  
this goes on and on and on I want to see

454  
00:20:56,409 --> 00:20:54,070  
so these supposedly advanced materials

455  
00:20:58,149 --> 00:20:56,419  
be the key to the technology to the

456  
00:21:01,419 --> 00:20:58,159  
Stars Academy plans to develop in

457  
00:21:05,860 --> 00:21:01,429  
cooperation with the army these extract

458  
00:21:08,680 --> 00:21:05,870  
samples of metallic materials the TSA

459  
00:21:10,600 --> 00:21:08,690  
claims to possess have been discussed in

460  
00:21:12,700 --> 00:21:10,610  
UFO circles for years the recent

461  
00:21:14,710 --> 00:21:12,710  
partnership with the army and the

462  
00:21:17,049 --> 00:21:14,720  
credentials of the two disturbs Academy

463  
00:21:19,659 --> 00:21:17,059

members discussing them may suggest that

464

00:21:22,779 --> 00:21:19,669

there may be more though might be more

465

00:21:24,399 --> 00:21:22,789

to these samples than unproven claims of

466

00:21:26,049 --> 00:21:24,409

crashed alien spaceships okay

467

00:21:28,749 --> 00:21:26,059

so they're just investigating right now

468

00:21:32,100 --> 00:21:28,759

the army says we want whatever it is we

469

00:21:37,490 --> 00:21:32,110

get first dibs there we go

470

00:21:40,010 --> 00:21:37,500

we get first dibs Joe let's do it

471

00:21:41,960 --> 00:21:40,020

I do find it in you know do you you

472

00:21:44,630 --> 00:21:41,970

don't see any weirdness with the Tom

473

00:21:47,450 --> 00:21:44,640

DeLonge being attached to this oh yeah

474

00:21:50,029 --> 00:21:47,460

absolutely it's weird to me I mean I

475

00:21:51,470 --> 00:21:50,039

know his passion for a UFO topic I mean

476

00:21:54,560 --> 00:21:51,480

the Sun do not have always written books

477

00:21:56,029 --> 00:21:54,570

about it passion about it but it he

478

00:21:58,520 --> 00:21:56,039

seems like he could be used at this

479

00:22:02,140 --> 00:21:58,530

point for some way I don't know if it's

480

00:22:05,870 --> 00:22:02,150

another Mirage man situation it's

481

00:22:08,840 --> 00:22:05,880

genuine I believe he believes he's doing

482

00:22:12,240 --> 00:22:08,850

an honest job

483

00:22:14,700 --> 00:22:12,250

what is your take Joe

484

00:22:18,120 --> 00:22:14,710

uh I mean I've always had my suspicions

485

00:22:19,650 --> 00:22:18,130

about him because I mean it is it's his

486

00:22:22,380 --> 00:22:19,660

passion he's famous he can do whatever

487

00:22:24,030 --> 00:22:22,390

the hell he wants why not yeah you're

488

00:22:26,850 --> 00:22:24,040

the one who pushed the Mirage men on the

489

00:22:28,920 --> 00:22:26,860

show a couple years ago yeah yeah I do

490

00:22:31,640 --> 00:22:28,930

feel like that's as soon as you stick

491

00:22:33,660 --> 00:22:31,650

your neck out for stuff like this

492

00:22:35,430 --> 00:22:33,670

it this is the kind of thing that's

493

00:22:37,650 --> 00:22:35,440

gonna happen like who knows what they're

494

00:22:39,690 --> 00:22:37,660

putting in his hands it's it's the

495

00:22:43,350 --> 00:22:39,700

saying is I think the guys name who was

496

00:22:45,690 --> 00:22:43,360

in whoo that Mirage main documentary was

497

00:22:48,750 --> 00:22:45,700

about it was Paul bennewitz who you know

498

00:22:50,520 --> 00:22:48,760

who was living pretty close to the

499

00:22:52,620 --> 00:22:50,530

United States Air Force Base observed

500

00:22:57,330 --> 00:22:52,630

from some pretty interesting stuff going

501  
00:22:59,970 --> 00:22:57,340  
on and was able to decipher some some

502  
00:23:03,240 --> 00:22:59,980  
codes that they that that use it he was

503  
00:23:05,640 --> 00:23:03,250  
able to crack he didn't think that they

504  
00:23:09,720 --> 00:23:05,650  
were human in nature but it turns out

505  
00:23:12,300 --> 00:23:09,730  
that a lot of them were like NSA stuff

506  
00:23:14,070 --> 00:23:12,310  
and CIA communication he cracked it so I

507  
00:23:16,860 --> 00:23:14,080  
mean so they they've basically

508  
00:23:19,380 --> 00:23:16,870  
surrounded him with military people and

509  
00:23:22,350 --> 00:23:19,390  
fed him a bunch of bogus UFO information

510  
00:23:26,580 --> 00:23:22,360  
and basically drove him insane

511  
00:23:29,240 --> 00:23:26,590  
all the while kind of contaminating a

512  
00:23:32,460 --> 00:23:29,250  
lot of UFO stories and you research and

513  
00:23:34,320 --> 00:23:32,470

a lot of stuff like spawned off of

514

00:23:36,660 --> 00:23:34,330

bennewitz but meanwhile Ben Watts was

515

00:23:39,510 --> 00:23:36,670

having genuine UFO encounters to a

516

00:23:42,900 --> 00:23:39,520

certain degree in other people and I

517

00:23:45,780 --> 00:23:42,910

believe in some army personnel or Air

518

00:23:47,910 --> 00:23:45,790

Force personnel witnessed UFO encounters

519

00:23:51,690 --> 00:23:47,920

so they were inventing a story for Ben

520

00:23:53,430 --> 00:23:51,700

amendments to believe yeah and it got

521

00:23:55,200 --> 00:23:53,440

it's convoluted but it's a second

522

00:23:56,430 --> 00:23:55,210

logical operation there Ryan something

523

00:23:58,110 --> 00:23:56,440

like that could be happening with too

524

00:24:02,000 --> 00:23:58,120

long belong but this might be much more

525

00:24:07,100 --> 00:24:04,039
