18

00:01:06,660 --> 00:01:05,080

guess there's a cave in the upper

19

00:01:08,940 --> 00:01:06,670

left-hand part of the map that you can

20

00:01:12,029 --> 00:01:08,950

27

00:01:36,059 --> 00:01:34,139

alright got a gun got a bullet grab at

28

00:01:37,710 --> 00:01:36,069

the trap of the camera yeah yeah where's

29

00:01:38,910 --> 00:01:37,720

a let's see it trapped down there I'll

30

00:01:44,309 --> 00:01:38,920

grab that grab some we're gonna grab

31

00:01:46,470 --> 00:01:44,319

some meat - I need that meat yeah play

32

00:01:47,800 --> 00:01:46,480

the guitar

33

00:01:52,490 --> 00:01:47,810

[Music]

34

00:01:56,200 --> 00:01:52,500

okay I gotta put my my rifle on okay I

35

00:02:00,219 --> 00:01:56,210

just reloaded my rifle got five rounds

36

00:02:03,950 --> 00:02:00,229

we're looking pretty badass right now

37

00:02:06,139 --> 00:02:03,960

alright I got a camera I got a trap I

38

00:02:08,630 --> 00:02:06,149

got some meat in my pocket and it's not

39

00:02:11,750 --> 00:02:08,640

like super freezing so it's like 60

40

00:02:14,360 --> 00:02:11,760

degrees isn't it I don't know how to do

41

00:02:19,400 --> 00:02:14,370

Celsius the lumber camp is right off

42

00:02:27,229 --> 00:02:19,410

this alright now there's some kind of

43

00:02:33,199 --> 00:02:31,640

well it's dark now it's very dark what

44

00:02:36,380 --> 00:02:33,209

is this some kind of look at this bag

45

00:02:38,209 --> 00:02:36,390

over here whose bag is this I don't know

46

00:02:39,349 --> 00:02:38,219

but you can't do anything with it maybe

47

00:02:43,640 --> 00:02:39,359

it's that missing camper they were

48

00:02:50,740 --> 00:02:43,650

trying to find look at this picnic bench

49

00:02:57,649 --> 00:02:55,039

we got a totem it's a big Bigfoot

50

00:03:00,229 --> 00:02:57,659

spotting oh my God look at this Bigfoot

51

00:03:03,649 --> 00:03:00,239

sign this look at this

52

00:03:05,050 --> 00:03:03,659

this is awful this is this littering

53

00:03:08,000 --> 00:03:05,060

here

54

00:03:11,720 --> 00:03:08,010

if you get shoot a flare Bigfoot will

55

00:03:18,949 --> 00:03:11,730

will run away okay that doesn't look

56

00:03:20,539 --> 00:03:18,959

like a human skull either well oh wait

57

00:03:26,659 --> 00:03:20,549

till a hammer hits him with a tracking

58

00:03:30,409 --> 00:03:26,669

that I'll shoot the player okay OOP what

59

00:03:33,589 --> 00:03:30,419

was that I don't know city I heard a BB

60

00:03:39,259 --> 00:03:33,599

beep yeah these mushrooms over here I

61

00:03:40,909 --> 00:03:39,269

found mushrooms set the camera noise me

62

00:03:43,429 --> 00:03:40,919

I don't know if I can jack let's go just

63

00:03:44,420 --> 00:03:43,439

go see that thing I don't know there's

64

00:03:52,540 --> 00:03:44,430

my traffic

65

00:03:52,550 --> 00:04:03,330

I'm gonna humo foe and I see the trap

66

00:04:13,270 --> 00:04:07,150

our trap is still there and our meat is

67

00:04:20,530 --> 00:04:15,540

[Music]

68

00:04:25,660 --> 00:04:20,540

hearing owls maybe we should go back to

69

00:04:26,950 --> 00:04:25,670

the camp and sleep so it works if hit

70

00:04:30,070 --> 00:04:26,960

tab and you hit that little camera

71

00:04:32,920 --> 00:04:30,080

button you're gonna see see what our

72

00:04:34,420 --> 00:04:32,930

that's how you look through it okay well

73

00:04:40,860 --> 00:04:34,430

there's probably more beer back at the

74

00:04:44,140 --> 00:04:40,870

camp - I'm saying you can't see anything

75

00:04:45,670 --> 00:04:44,150

hold press F for the flashlight yeah I'm

76
00:04:46,900 --> 00:04:45,680
trying not to use my flashlight too much

77
00:04:49,630 --> 00:04:46,910
because I figured that scare Bigfoot

78
00:04:50,260 --> 00:04:49,640
away oh no it doesn't he'll run right

79
00:04:53,020 --> 00:04:50,270
out here

80
00:04:56,920 --> 00:04:53,030
he likes flashlights okay I might notice

81
00:05:01,390 --> 00:04:56,930
us a little bit better all right let's

82
00:05:07,480 --> 00:05:01,400
keep moving up to the press to the

83
00:05:10,630 --> 00:05:07,490
northwest this is a pretty good vantage

84
00:05:10,870 --> 00:05:10,640
point up here so that I've got something

85
00:05:22,330 --> 00:05:10,880
here

86
00:05:26,230 --> 00:05:22,340
I saw this an expedition Bigfoot looks

87
00:05:29,790 --> 00:05:26,240
like some sort of Bigfoot [h__h] nest oh

88
00:05:33,550 --> 00:05:29,800

my god ladies oh my god look at all the

89

00:05:35,800 --> 00:05:33,560

bones and rib cages [h__h] creep

90

00:05:37,920 --> 00:05:35,810

victims no this is where they took some

91

00:05:40,840 --> 00:05:37,930

people to kill them and eat them

92

00:05:42,030 --> 00:05:40,850

look at all this set a trap here yeah

93

00:05:47,830 --> 00:05:42,040

I'm doing it right now

94

00:05:52,330 --> 00:05:47,840

I don't I got one big time it's not

95

00:05:57,430 --> 00:05:54,610

oh my god and there's a skull hanging

96

00:06:09,460 --> 00:05:57,440

this is his this is his home this is his

97

00:06:11,920 --> 00:06:09,470

shitty home there oh you're good dude

98

00:06:12,880 --> 00:06:11,930

I hit it with a tractor bullet okay I

99

00:06:14,920 --> 00:06:12,890

shot him like twice

100

00:06:17,740 --> 00:06:14,930

where'd he go you read it on the hill

101
00:06:19,540 --> 00:06:17,750
he's a blip on the map he was a blip on

102
00:06:23,380 --> 00:06:19,550
the map yeah there he is I'm a Fire's

103
00:06:29,850 --> 00:06:23,390
I'm gonna shoot him in the face that

104
00:06:34,840 --> 00:06:32,620
you just rent there goes Mike let's

105
00:06:39,360 --> 00:06:34,850
catch up with Mike she's fast as [h__h]

106
00:06:43,630 --> 00:06:39,370
yet I see we got a mess this trap yeah

107
00:06:46,090 --> 00:06:43,640
way to pick up leaves and masks traps it

108
00:06:48,040 --> 00:06:46,100
says hold II I don't know if that helps

109
00:06:51,160 --> 00:06:48,050
it no it doesn't it doesn't

110
00:06:54,730 --> 00:06:51,170
oh they do anything well I'm [h__h]

111
00:06:55,990 --> 00:06:54,740
useless then come on down here with us

112
00:06:57,970 --> 00:06:56,000
we're gonna find his [h__h] he's gonna

113
00:07:03,250 --> 00:06:57,980

heal circle back to his lair sooner or

114

00:07:05,320 --> 00:07:03,260

later so there's these little tiny

115

00:07:07,420 --> 00:07:05,330

bushes that are around trees they're

116

00:07:10,000 --> 00:07:07,430

real small but there's called branches

117

00:07:13,660 --> 00:07:10,010

but they're bushes okay use those to

118

00:07:16,660 --> 00:07:13,670

mess the traps you guys waiting on the

119

00:07:25,900 --> 00:07:16,670

trail for he's come back he's come back

120

00:07:30,580 --> 00:07:25,910

this way oh my god shoulder boogie get

121

00:07:32,560 --> 00:07:30,590

over here we might yeah Stan don't fire

122

00:07:42,810 --> 00:07:32,570

- you see the whites of his eyes where

123

00:07:42,820 --> 00:07:46,770

I'm scared

124

00:07:53,830 --> 00:07:50,530

I'm just a bum I stab him

125

00:07:54,220 --> 00:07:53,840

I stab him I send him buggy read your

126

00:07:57,400 --> 00:07:54,230

help

127

00:08:03,900 --> 00:07:57,410

I hit over the flare he was beating my

128

00:08:12,330 --> 00:08:08,010

where'd he go he's around here somewhere

129

00:08:26,120 --> 00:08:15,160

you think I am yeah we need to find more

130

00:08:34,070 --> 00:08:30,860

holy crap he's right by the camera he's

131

00:08:37,640 --> 00:08:34,080

right by her other trap I'm serious I'm

132

00:08:41,600 --> 00:08:37,650

looking for me I can make a campfire yes

133

00:08:44,029 --> 00:08:41,610

I think we should circle back to us he

134

00:08:46,250 --> 00:08:44,039

hates us yeah

135

00:08:48,700 --> 00:08:46,260

six sticks to make a campfire we need to

136

00:08:51,050 --> 00:08:48,710

get back to our camp we I need more ammo

137

00:08:52,070 --> 00:08:51,060

there's no more ammo that we cleaned it

138

00:08:53,750 --> 00:08:52,080

out we need to get through another

139

00:08:57,950 --> 00:08:53,760

landmark and see if there's any there I

140

00:09:00,500 --> 00:08:57,960

got 18 shots though but here's a tower

141

00:09:10,760 --> 00:09:00,510

up ahead forget some distance in between

142

00:09:15,650 --> 00:09:10,770

you okay I'm getting up here don't be

143

00:09:17,090 --> 00:09:15,660

blipped out where'd he go he's gonna

144

00:09:20,210 --> 00:09:17,100

come back here and he's gonna knock us

145

00:09:22,700 --> 00:09:20,220

all right to the ground yeah see if I

146

00:09:30,120 --> 00:09:22,710

can hit with the tracking bullet that it

147

00:09:34,320 --> 00:09:32,970

you know try to shoot him first with a

148

00:09:37,170 --> 00:09:34,330

bullet and then he'll shoot the flare

149

00:09:38,490 --> 00:09:37,180

huh yeah don't hit with the Fleur till

150

00:09:43,680 --> 00:09:38,500

he's like right on top of us

151
00:09:49,020 --> 00:09:43,690
I hear him coming ups there is I see him

152
00:09:51,650 --> 00:09:49,030
oh yeah I see him got him he's hurting

153
00:09:55,980 --> 00:09:51,660
me he's hurting me

154
00:09:59,100 --> 00:09:55,990
hey [ʌ__ʌ] get back here

155
00:10:04,410 --> 00:09:59,110
I hit him no the [ʌ__ʌ] tragic it did

156
00:10:06,330 --> 00:10:04,420
not look like it you hit him an [ʌ__ʌ]

157
00:10:07,710 --> 00:10:06,340
oh my god we did it find more ammo yeah

158
00:10:09,420 --> 00:10:07,720
and it comes out about that

159
00:10:12,060 --> 00:10:09,430
which way did he run did he run to the

160
00:10:13,440 --> 00:10:12,070
he ran back to our where our cameras the

161
00:10:16,770 --> 00:10:13,450
one was on the screen close to the

162
00:10:19,620 --> 00:10:16,780
camera let's sprint south I totally

163
00:10:25,680 --> 00:10:19,630

agree we got to he'd really doesn't like

164

00:10:32,060 --> 00:10:25,690

water he's not afraid of he's a mean

165

00:10:37,530 --> 00:10:34,980

also they say signal flare calls a

166

00:10:40,140 --> 00:10:37,540

helicopter in but it never does

167

00:10:46,260 --> 00:10:40,150

so I don't know what the thing about

168

00:10:49,020 --> 00:10:46,270

that baby's uu signal flares when you

169

00:10:51,330 --> 00:10:49,030

have them captured to bring enough mmm

170

00:10:52,950 --> 00:10:51,340

oh maybe it probably still scare him off

171

00:10:56,400 --> 00:10:52,960

though at least from what I'm reading

172

00:10:57,630 --> 00:10:56,410

from these big-ass avulsion guides you

173

00:11:00,390 --> 00:10:57,640

know what I'm thinking next to me runs

174

00:11:03,240 --> 00:11:00,400

towards us hurry up and lay some tracks

175

00:11:07,320 --> 00:11:03,250

down traps down in front of us and he

176

00:11:15,090 --> 00:11:07,330

has to run over them yeah triple doesn't

177

00:11:16,380 --> 00:11:15,100

do [h__h] I hear oh my god I just stabbed

178

00:11:22,920 --> 00:11:16,390

him in the butt I just stabbed him in

179

00:11:23,940 --> 00:11:22,930

the butt oh my god hammer out oh my god

180

250

00:15:48,990 --> 00:15:44,710

oh yeah I hear him get that tracking

251

00:15:54,300 --> 00:15:49,000

bullet ready I see him there he is kind

252

00:15:57,450 --> 00:15:54,310

256

00:16:13,960 --> 00:16:12,520

from us yeah Northwest digging the drone

257

00:16:17,529 --> 00:16:13,970

after him

258

00:16:23,559 --> 00:16:17,539

oh boy I got some drone backup unarmed

259

00:16:25,599 --> 00:16:23,569

260

00:16:27,519 --> 00:16:25,609

262

00:16:33,789 --> 00:16:29,859

yeah yes he's faster than this drone I

263

00:16:36,549 --> 00:16:33,799

wanna see what he's doing the that

264

00:16:39,339 --> 00:16:36,559

265

00:16:39,939 --> 00:16:39,349

losing the track him I should be right

266

00:16:43,479 --> 00:16:39,949

over him

267

00:16:45,669 --> 00:16:43,489

no I see I see him I see it's two

268

00:16:46,960 --> 00:16:45,679

minutes two minutes per tractor I see

269

00:16:50,649 --> 00:16:46,970

him he's gonna just go right back

270

00:16:55,960 --> 00:16:50,659

towards you yeah might the drones

271

00:17:08,829 --> 00:16:55,970

harassing him he's walking slowly Toria

272

00:17:12,639 --> 00:17:08,839

I hit him hand with the drone he doesn't

273

00:17:14,529 --> 00:17:12,649

seem to care about the drone at all he's

274

00:17:17,409 --> 00:17:14,539

unfazed by the the harassment for the

275

00:17:19,649 --> 00:17:17,419

drone oh my god he looks very angry he's

276

00:17:24,279 --> 00:17:19,659

coming right back to it toward you I

277

00:17:26,019 --> 00:17:24,289

lost the blip still there he's walking

278

00:17:29,649 --> 00:17:26,029

right towards you look at the Droid icon

279

00:17:36,129 --> 00:17:29,659

this one yeah this yet the drone icon is

280

00:17:42,890 --> 00:17:36,139

the blood I got a tent not that anybody

281

00:17:42,900 --> 00:17:57,769

it's by camera four

282

00:18:09,450 --> 00:18:01,320

you're him here he I hear him he's

283

00:18:12,330 --> 00:18:09,460

coming wait for me [\h__\h] I'm dying I'm

284

00:18:16,710 --> 00:18:12,340

dying I shot him with the tracking

285

00:18:22,049 --> 00:18:19,259

just back here to be right away I headed

286

00:18:24,359 --> 00:18:22,059

with the flare okay oh my god I'm dying

287

00:18:29,190 --> 00:18:24,369

oh my god uh-huh

288

00:18:36,090 --> 00:18:29,200

we didn't do much damage oh he ran

289

00:18:38,399 --> 00:18:36,100

lightly down like 5% oh he ran over my

290

00:18:41,090 --> 00:18:38,409

trap did it did he trigger it no he

291

00:18:47,909 --> 00:18:41,100

didn't [h__\h]

292

00:18:54,149 --> 00:18:47,919

he didn't even trigger my trap well I've

293

00:18:58,259 --> 00:18:54,159

got two bullets left eight I got seven

294

00:19:12,090 --> 00:18:58,269

tracking yeah tracking but they don't

295

00:19:19,649 --> 00:19:14,310

that's all I got you know I don't got

296

00:19:21,930 --> 00:19:19,659

any of your like real bullets I drink

297

00:19:27,539 --> 00:19:21,940

more than a [h__\h] hunting rifle if I

298

00:19:28,200 --> 00:19:27,549

try to take out Bigfoot so we got ya

299

00:19:31,169 --> 00:19:28,210

we're [h__\h]

300

00:19:33,359 --> 00:19:31,179

I kind of thought you Cal bit of them

301
00:19:37,560 --> 00:19:33,369
something that would drop our charging

302
00:19:41,509 --> 00:19:37,570
rhino douche our traps are all out there

303
00:19:41,519 --> 00:19:50,310
bait him in

304
00:19:59,159 --> 00:19:55,140
he's gonna run up his road he's all the

305
00:20:01,080 --> 00:19:59,169
way north of us she took off yeah it

306
00:20:05,190 --> 00:20:01,090
looks like he's static he's just chillin

307
00:20:09,289 --> 00:20:05,200
yeah how do i unset this trap oh here he

308
00:20:17,310 --> 00:20:14,720
yep I'm slowly making his way back I

309
00:20:19,650 --> 00:20:17,320
don't always and pick up an option you

310
00:20:34,580 --> 00:20:19,660
know I can't what just I don't know I

311
00:20:39,840 --> 00:20:37,770
okay I took it we gotta get back there

312
00:20:42,030 --> 00:20:39,850
we got to get back right to our door all

313
00:20:43,740 --> 00:20:42,040

right lost my leaves [h__h] doesn't matter

314

00:20:49,169 --> 00:20:43,750

who's won him or all he's coming he's

315

00:20:59,080 --> 00:20:49,179

get back here we got to do it I messed

316

00:21:07,680 --> 00:21:05,139

yeah I see him no I don't [h__h] is he

317

00:21:25,090 --> 00:21:07,690

coming right up this [h__h] mountain

318

00:21:28,110 --> 00:21:25,100

looks like it yep leave him alone I

319

00:21:31,509 --> 00:21:28,120

can't see anything

320

00:21:36,999 --> 00:21:31,519

hey I'm dying he's right in front of us

321

00:21:42,600 --> 00:21:37,009

where the hell is he it's [h__h]

322

00:21:51,639 --> 00:21:49,509

though he's down to 50% so you really

323

00:21:54,369 --> 00:21:51,649

had that trap and there's no denying

324

00:21:55,869 --> 00:21:54,379

that he was supposed to come up my other

325

00:21:57,129 --> 00:21:55,879

trap yeah he's supposed to come up the

326

00:22:01,989 --> 00:21:57,139

road yeah he was supposed to come up the

327

00:22:03,879 --> 00:22:01,999

road and he didn't wait I just put a

328

00:22:08,519 --> 00:22:03,889

trap down right here don't walk over it

329

00:22:14,489 --> 00:22:08,529

ok ok ok right every uh we chasing or

330

00:22:24,279 --> 00:22:22,239

all right there he is yeah where'd he go

331

00:22:38,180 --> 00:22:24,289

he was running fast yeah he's just went

332

00:22:38,190 --> 00:22:51,350

are you still over there

333

00:23:06,320 --> 00:22:55,160

now see him there he is leave me alone

334

00:23:11,530 --> 00:23:06,330

leave us alone oh my god Jesus Christ

335

00:23:16,190 --> 00:23:14,330

got one player left the bridge you just

336

00:23:17,930 --> 00:23:16,200

like jumped up here yeah I don't know

337

00:23:20,300 --> 00:23:17,940

how you got up here it was scary yeah

338

00:23:22,610 --> 00:23:20,310

you totally attacked from the side yeah

339

00:23:24,440 --> 00:23:22,620

we it was unprecedented

340

00:23:33,350 --> 00:23:24,450

asymmetrical attack well we weren't

341

00:23:35,180 --> 00:23:33,360

prepared let's uh keep moving to try to

342

00:23:38,290 --> 00:23:35,190

find that cave we gotta walk this

343

00:23:41,660 --> 00:23:38,300

doesn't work we totally ignored our trap

344

00:23:50,210 --> 00:23:41,670

uh this is just [h__h] head north we got

345

00:23:58,030 --> 00:23:50,220

to take all this [h__h] I think I hated

346

00:24:03,160 --> 00:24:00,870

and man he did his health go down at all

347

00:24:06,430 --> 00:24:03,170

doesn't look like it looks the same but

348

00:24:08,950 --> 00:24:06,440

also the flare gun only does like one or

349

00:24:09,730 --> 00:24:08,960

two percent damage oh my god I got him

350

00:24:14,290 --> 00:24:09,740

with one shot

351

00:24:31,210 --> 00:24:14,300

I missed with my last bullet that's not

352

00:24:54,010 --> 00:24:47,860

the only God I hear yep I see oh no Mike

353

00:24:58,000 --> 00:24:54,020

oh my god oh my god hammer

354

00:25:01,300 --> 00:24:58,010

Oh bother [h__\h]

355

00:25:03,340 --> 00:25:01,310

Oh Mike he definitely went down he's at

356

00:25:03,880 --> 00:25:03,350

like 20% no he definitely went down a

357

00:25:08,350 --> 00:25:03,890

362

00:25:22,840 --> 00:25:20,420

cameras had the most shots on Bigfoot

363

00:25:31,420 --> 00:25:22,850

this this whole time he shot him so many

364

00:25:33,370 --> 00:25:31,430

[\h__\h] times it's hilarious wish I

365

00:25:40,960 --> 00:25:33,380

366

00:25:43,030 --> 00:25:40,970

367

00:25:46,660 --> 00:25:43,040

368

00:25:48,160 --> 00:25:46,670

recording right right right let's figure

369

00:25:54,480 --> 00:25:48,170

that out for some other time and

370

00:25:54,490 --> 00:26:01,300

371

00:26:06,650 --> 00:26:04,580

372

00:26:12,050 --> 00:26:06,660

373

00:26:14,210 --> 00:26:12,060

coming he's coming he's like now could

374

00:26:17,840 --> 00:26:14,220

I'll record with OBS and send it to Mike

375

00:26:21,100 --> 00:26:17,850

now I think I think that's work do you

376

00:26:30,320 --> 00:26:26,870

379

00:26:44,760 --> 00:26:49,900

you see if I can

380

00:26:49,910 --> 00:26:56,259

and see here

381

00:27:07,990 --> 00:26:58,299

and take note of where all these camps

382

00:27:08,000 --> 00:27:11,490

383

00:27:19,620 --> 00:27:16,920

384

00:27:24,630 --> 00:27:19,630

back to a pickup bogie sorry buddy

385

00:27:37,080 --> 00:27:24,640

386

00:27:45,390 --> 00:27:37,090

387

00:27:46,710 --> 00:27:45,400

a roar oh my god the newspaper for next

388

00:27:50,160 --> 00:27:46,720

time I found a way to switch to your

389

00:27:53,130 --> 00:27:50,170

screen so next time that was a good run

390

00:27:57,990 --> 00:27:53,140

guys Jesus Christ that was the deal I

391

00:28:00,150 --> 00:27:58,000

did three 6s similars I did 288 first 60

392

00:28:02,600 --> 00:28:00,160

shots I think I think it hit some of my

393

00:28:05,670 --> 00:28:02,610

traps that's why yeah

394

00:28:09,570 --> 00:28:05,680

395

00:28:12,690 --> 00:28:09,580

try again yeah good job good job an

396

00:28:14,670 --> 00:28:12,700

honest attempt I think next time I will

397

00:28:18,270 --> 00:28:14,680

be able to get it you know focus traps
