1  
00:00:11,330 --> 00:00:09,140  
I'm here I'm here yeah we got good to go

2  
00:00:13,610 --> 00:00:11,340  
yeah this is just an existing server we

3  
00:00:17,720 --> 00:00:13,620  
already picked our characters for it

4  
00:00:19,640 --> 00:00:17,730  
cool all right so it's we're just gonna

5  
00:00:21,859 --> 00:00:19,650  
run around and grab stuff as fast as we

6  
00:00:31,790 --> 00:00:21,869  
can and then we need to find a location

7  
00:00:39,979 --> 00:00:36,440  
I heard some rumblings but I don't know

8  
00:00:45,319 --> 00:00:39,989  
if his thunder or something else

9  
00:00:46,369 --> 00:00:45,329  
hopefully hopefully well this is less

10  
00:00:49,399 --> 00:00:46,379  
frightening really no you're just gonna

11  
00:00:54,049 --> 00:00:49,409  
beat you up and run away yeah take my

12  
00:01:02,979 --> 00:00:54,059  
lunch money yeah big that's just a bully

13  
00:01:11,560 --> 00:01:08,289

hmm the hunting Tower is on the little

14

00:01:13,710 --> 00:01:11,570

crook in the road up in you go oh if you

15

00:01:16,090 --> 00:01:13,720

guys want to head over to the shelter

16

00:01:31,520 --> 00:01:16,100

now we couldn't put on I just the a

17

00:01:31,530 --> 00:01:39,120

it is getting dark fast up

18

00:01:48,200 --> 00:01:44,609

it is getting dark the Santa tower

19

00:01:51,660 --> 00:01:48,210

you only have five shots Mike I got 10

20

00:01:56,480 --> 00:01:51,670

fracking five regular alright we need to

21

00:02:00,169 --> 00:01:56,490

get you some ammo which is not up here

22

00:02:03,149 --> 00:02:00,179

got the flares all right so the shelter

23

00:02:18,210 --> 00:02:03,159

is in not on that island in the middle

24

00:02:25,650 --> 00:02:22,490

where do you want to put the traps yeah

25

00:02:28,020 --> 00:02:25,660

hmm it's a good question it's a good

26  
00:02:29,850 --> 00:02:28,030  
where did we like hold now at last time

27  
00:02:32,820 --> 00:02:29,860  
not the place that we did help before

28  
00:02:36,240 --> 00:02:32,830  
and now the bridge is Teraflex you I

29  
00:02:45,450 --> 00:02:36,250  
don't know a good idea I feel like we

30  
00:02:49,410 --> 00:02:45,460  
just got ambushed of notation it seems

31  
00:02:55,530 --> 00:02:51,540  
along the bottom of a cliff or something

32  
00:03:02,369 --> 00:02:55,540  
I don't think he jumps off cliffs right

33  
00:03:06,630 --> 00:03:04,410  
it almost seems like we shouldn't set up

34  
00:03:08,130 --> 00:03:06,640  
the traps first we gotta attack him and

35  
00:03:11,250 --> 00:03:08,140  
then he'll be out hacking attack us so

36  
00:03:14,610 --> 00:03:11,260  
on that second or third attack we set

37  
00:03:19,500 --> 00:03:14,620  
him up yeah I know they do the most

38  
00:03:20,699 --> 00:03:19,510

damage the traps do oh yeah we'll wait

39

00:03:23,610 --> 00:03:20,709

till we find a camp spot that's what

40

00:03:27,179 --> 00:03:23,620

screwed us last time was a poor trap

41

00:03:28,770 --> 00:03:27,189

usage yes because we hurt him and we you

42

00:03:35,730 --> 00:03:28,780

know I don't know we put the work end we

43

00:04:02,940 --> 00:03:45,780

ah yes here's the the [h\_\_\h] check the

44

00:04:06,690 --> 00:04:02,950

miners Gavin night-vision okay oh my god

45

00:04:15,420 --> 00:04:06,700

holy crap oh my god he's beating me to

46

00:04:21,650 --> 00:04:15,430

death [h\_\_\h] are you leave it he's leaving

47

00:04:38,910 --> 00:04:29,820

holy [h\_\_\h] off okay he's raped over there

48

00:04:41,340 --> 00:04:38,920

he's not moving too far well he was

49

00:04:42,630 --> 00:04:41,350

really coming after you guys dude like I

50

00:04:45,300 --> 00:04:42,640

don't like that's me

51  
00:04:48,360 --> 00:04:45,310  
one-third health he like hurry down to

52  
00:04:54,440 --> 00:04:48,370  
the ground and then beat me to a pulp I

53  
00:05:03,750 --> 00:05:00,600  
I've got to or he's gonna come back this

54  
00:05:06,290 --> 00:05:03,760  
is where we put her Travis just hold out

55  
00:05:08,640 --> 00:05:06,300  
right here yeah he's gonna come back

56  
00:05:10,410 --> 00:05:08,650  
yeah let's put some traps around here

57  
00:05:12,030 --> 00:05:10,420  
and uh you know what we should do we

58  
00:05:14,130 --> 00:05:12,040  
should put traps around the cabin and

59  
00:05:16,680 --> 00:05:14,140  
stay in the game yes I totally agree I

60  
00:05:19,410 --> 00:05:16,690  
think you have to be like so far from it

61  
00:05:21,540 --> 00:05:19,420  
or else it won't bite you or he won't

62  
00:05:23,430 --> 00:05:21,550  
take him or something I think I read

63  
00:05:24,600 --> 00:05:23,440

something about 13 feet apart but that

64

00:05:32,230 --> 00:05:24,610

might have been the fires

65

00:05:39,510 --> 00:05:35,770

huh well I better make a decision soon

66

00:05:44,680 --> 00:05:39,520

because if he carries on like normal

67

00:05:56,200 --> 00:05:44,690

back here the trap here he's coming back

68

00:05:59,430 --> 00:05:56,210

right now I'm putting a trap down next

69

00:06:07,629 --> 00:05:59,440

to the window right over here yep

70

00:06:12,000 --> 00:06:07,639

it's not on the corner [h\_\_h] man I wasted

71

00:06:12,010 --> 00:06:20,580

watch out for my trap of comebacks

72

00:06:25,030 --> 00:06:23,140

get in the cabin for crying out loud get

73

00:06:32,340 --> 00:06:25,040

in the cabin we're not missing one

74

00:06:42,820 --> 00:06:33,520

coming

75

00:06:46,990 --> 00:06:42,830

feel them God dang radio off Rizzy he's

76  
00:06:55,690 --> 00:06:47,000  
coming up on the window side my bed yeah

77  
00:07:05,500 --> 00:06:55,700  
there is put your net radio on oh my god

78  
00:07:09,640 --> 00:07:05,510  
I don't think you give the Gavin didn't

79  
00:07:15,700 --> 00:07:09,650  
spring any of my [h\_\_\h] job dude like

80  
00:07:21,340 --> 00:07:15,710  
my trap over here yeah he didn't spring

81  
00:07:21,969 --> 00:07:21,350  
this even spring his trap at all Jesus

82  
00:07:27,969 --> 00:07:21,979  
Christ

83  
00:07:32,590 --> 00:07:27,979  
holy moly uh yeah there's a trap over

84  
00:07:35,170 --> 00:07:32,600  
here with me okay let's do it again

85  
00:07:37,180 --> 00:07:35,180  
let's put this I'll get in the cabin and

86  
00:07:38,800 --> 00:07:37,190  
like string I put traps written from the

87  
00:07:41,980 --> 00:07:38,810  
cabin because he rushed in here he

88  
00:07:44,080 --> 00:07:41,990

rushed into the cabin outside the window

89

00:07:46,629 --> 00:07:44,090

I'm right in front of the door when

90

00:07:47,890 --> 00:07:46,639

after we're already in there yeah so

91

00:07:50,110 --> 00:07:47,900

I'll put on one right outside the window

92

00:08:02,960 --> 00:07:50,120

he likes to come up here I got the

93

00:08:10,320 --> 00:08:06,240

just failed to drop the trip I put some

94

00:08:12,659 --> 00:08:10,330

meat there it's like do we even need the

95

00:08:15,930 --> 00:08:12,669

meat I don't know I put them in just for

96

00:08:26,070 --> 00:08:15,940

fun and I don't put me

97

00:08:29,010 --> 00:08:26,080

Radio turns on when he gets close ah at

98

00:08:31,250 --> 00:08:29,020

least that's what I'm guessing IRA lost

99

00:08:34,639 --> 00:08:31,260

the signal

100

00:08:37,560 --> 00:08:34,649

it's a bad idea

101

00:08:42,860 --> 00:08:37,570

the only ones that have good my gift

102

00:08:44,910 --> 00:08:42,870

guide record I mean to do that huh

103

00:08:46,050 --> 00:08:44,920

watch office yeah

104

00:08:53,140 --> 00:08:46,060

I don't know how to get rid of it I

105

00:09:00,740 --> 00:08:55,280

no you could go out the window

106

00:09:01,220 --> 00:09:00,750

oh nice yeah we can close the door here

107

00:09:06,050 --> 00:09:01,230

he comes

108

00:09:09,980 --> 00:09:06,060

oh he's gonna hit my trap yeah you just

109

00:09:16,040 --> 00:09:09,990

hit my trap yeah nice that's everybody's

110

00:09:20,870 --> 00:09:16,050

ammo count six I have 20 I'm Arden oh my

111

00:09:24,320 --> 00:09:20,880

god you trap did you do that we've been

112

00:09:27,230 --> 00:09:24,330

talking about the plan all along did you

113

00:09:30,080 --> 00:09:27,240

do that I forgot yeah if you give you

114

00:09:31,840 --> 00:09:30,090

CMO stuff move it it's oh good that's

115

00:09:40,790 --> 00:09:31,850

pretty funny can you reset that trap

116

00:09:42,470 --> 00:09:40,800

yeah okay I'm trying to help you guys

117

00:09:45,290 --> 00:09:42,480

but finding some more information but

118

00:09:47,120 --> 00:09:45,300

basically only thing I can do is pull up

119

00:09:49,130 --> 00:09:47,130

a map and look at the old stuff and it

120

00:09:51,410 --> 00:09:49,140

doesn't really help schnitz no I've got

121

00:09:53,210 --> 00:09:51,420

a map open I think we got a good

122

00:09:54,920 --> 00:09:53,220

understanding of the game I mean we came

123

00:09:58,870 --> 00:09:54,930

pretty close half-assing it last time oh

124

00:10:01,190 --> 00:09:58,880

yeah okay if I guess I first in there

125

00:10:05,120 --> 00:10:01,200

yeah I figured I'm gonna Sebastian watch

126

00:10:06,920 --> 00:10:05,130

though still entertaining he might not

127

00:10:08,810 --> 00:10:06,930

come in here you just maybe didn't go as

128

00:10:13,550 --> 00:10:08,820

well as he thought it would have last

129

00:10:18,590 --> 00:10:13,560

time so well let's test the learning of

130

00:10:31,120 --> 00:10:18,600

the AI yeah the Bigfoot not the AI he's

131

00:10:40,250 --> 00:10:31,130

not a component mr. Bigfoot come on

132

00:10:49,370 --> 00:10:40,260

we're over here we're all alone we turn

133

00:11:01,080 --> 00:10:59,670

we're not wearing anything well I guess

134

00:11:03,480 --> 00:11:01,090

let's collect all the traps and head

135

00:11:09,270 --> 00:11:03,490

north to hit the old hunting Tower and

136

00:11:13,940 --> 00:11:09,280

then the swamp house yeah I tried that

137

00:11:21,990 --> 00:11:13,950

turn the river that campsite where I

138

00:11:33,660 --> 00:11:28,889

I hear ah goddamnit we've done crap he's

139

00:11:37,019 --> 00:11:33,670

out bad [\h\_\_\h] our big night of it tell

140

00:11:42,820 --> 00:11:37,029

the average you know the hammock I get

141

00:11:47,620 --> 00:11:44,170

[Music]

142

00:11:49,750 --> 00:11:47,630

oh my god yeah I am you kicked my ass oh

143

00:11:52,270 --> 00:11:49,760

but oh my god the hammock did not help

144

00:11:54,070 --> 00:11:52,280

at all under the hammock I am under the

145

00:11:58,840 --> 00:11:54,080

hammock I don't know what the hell's

146

00:12:04,180 --> 00:11:58,850

going on I switched out dude

147

00:12:11,170 --> 00:12:04,190

havoc worked perfectly he's sighs he's

148

00:12:15,100 --> 00:12:11,180

still outside his health went down quite

149

00:12:23,260 --> 00:12:15,110

a bit though he fight [\h\_\_\h] you baby

150

00:12:30,300 --> 00:12:23,270

it's Glynn scallop this dude I'm Jesus

151

00:12:35,380 --> 00:12:30,310

oh my god I'm out of ammo

152

00:12:49,630 --> 00:12:48,550

oh I just got catapulted outside oh well

153

00:12:55,780 --> 00:12:49,640

that was a disaster

154

00:13:01,030 --> 00:12:55,790

oh yeah hilarious best Bigfoot attack

155

00:13:02,280 --> 00:13:01,040

ever got a heal he's on the ground oh

156

00:13:06,639 --> 00:13:02,290

yeah

157

00:13:09,579 --> 00:13:06,649

holy [h\_\_\h] those the most sustained

158

00:13:13,090 --> 00:13:09,589

craziness I've ever seen mrs. houses

159

00:13:15,250 --> 00:13:13,100

helped not lower I don't know he was not

160

00:13:16,690 --> 00:13:15,260

moving right on top of me and I was just

161

00:13:19,840 --> 00:13:16,700

putting bullet after bullet into his

162

00:13:24,759 --> 00:13:19,850

face totally ignored all of our traps

163

00:13:27,190 --> 00:13:24,769

again I I picked mine up uh

164

00:13:29,710 --> 00:13:27,200

his health didn't go down though I was

165

00:13:33,730 --> 00:13:29,720

watching it yeah he definitely fixed the

166

00:13:36,490 --> 00:13:33,740

damage but a glitches out when you hide

167

00:13:39,730 --> 00:13:36,500

by a fake yeah I don't think putting

168

00:13:44,590 --> 00:13:39,740

traps in front of us like works yeah I

169

00:13:46,360 --> 00:13:44,600

don't know it's sure far away like I I

170

00:13:48,189 --> 00:13:46,370

don't know I think we just need to put

171

00:14:00,390 --> 00:13:48,199

him he comes into the cabin we know that

172

00:14:11,850 --> 00:14:05,070

a wall something wolf well is your night

173

00:14:18,690 --> 00:14:11,860

yesterday that damn it oh that is a bear

174

00:14:23,790 --> 00:14:18,700

oh why is your oyster flare over the

175

00:14:27,540 --> 00:14:23,800

night gives your day is wasted all our

176

00:14:31,620 --> 00:14:27,550

yeah oh I have a like a millimeter of

177

00:14:34,170 --> 00:14:31,630

he'll eat some bear meat get tech by a

178

00:14:38,760 --> 00:14:34,180

wolf in a bear what kind of crap is this

179

00:14:46,100 --> 00:14:38,770

[h\_\_h] they both went right after me they

180

00:14:58,070 --> 00:14:48,300

damn you get the meat from those things

181

00:15:05,500 --> 00:15:01,190

if this person is first aid in the tent

182

00:15:11,440 --> 00:15:09,550

I'm just end right here get it maybe

183

00:15:15,760 --> 00:15:11,450

someone else should grab it so when I

184

00:15:17,290 --> 00:15:15,770

die no I I have one just used one so

185

00:15:21,130 --> 00:15:17,300

there's rifle bullets on the ground over

186

00:15:24,370 --> 00:15:21,140

here someone grab him I got my flare gun

187

00:15:30,910 --> 00:15:24,380

I got ten rifle bullets bogey every

188

00:15:35,500 --> 00:15:32,890

we're gonna hide in the test can I hide

189

00:15:40,670 --> 00:15:35,510

the test oh he's got it I hear him yeah

190

00:15:50,410 --> 00:15:42,840

[Music]

191

00:15:57,490 --> 00:15:50,420

no he's stopping up my fetus I I never

192

00:16:01,890 --> 00:15:57,500

did get to use a hell walled be you

193

00:16:05,530 --> 00:16:01,900

never got that health no full health

194

00:16:11,740 --> 00:16:05,540

where are you I'm dying

195

00:16:17,680 --> 00:16:11,750

where are you I'm over if I see you I

196

00:16:21,100 --> 00:16:17,690

see you I had I keep forgetting to hit

197

00:16:25,930 --> 00:16:21,110

my gift buttons okay guide interview

198

00:16:28,390 --> 00:16:25,940

I am glitched into a chair where's that

199

00:16:30,940 --> 00:16:28,400

health did you pick up the health I did

200

00:16:32,830 --> 00:16:30,950

unfortunately I can give you a health he

201  
00:16:34,780 --> 00:16:32,840  
needs it bad over here yeah you got to

202  
00:16:36,640 --> 00:16:34,790  
come to me I'm gonna give you everything

203  
00:16:37,870 --> 00:16:36,650  
I have or I'm gonna give you the health

204  
00:16:39,820 --> 00:16:37,880  
pack and then I'm gonna give everything

205  
00:16:46,270 --> 00:16:39,830  
I see somebody in I don't kind of quit

206  
00:16:46,750 --> 00:16:46,280  
out yeah hammer you word blitz like no

207  
00:16:48,910 --> 00:16:46,760  
other

208  
00:16:52,540 --> 00:16:48,920  
I'm damn stuck in between this you give

209  
00:16:55,750 --> 00:16:52,550  
me a heel yep yep don't get him wait no

210  
00:16:57,600 --> 00:16:55,760  
I didn't what the hell happened all

211  
00:17:14,460 --> 00:16:57,610  
right

212  
00:17:27,740 --> 00:17:17,970  
you're on the ground they're jumping

213  
00:17:31,649 --> 00:17:27,750

oh no you back up there no no okay all

214

00:17:34,649 --> 00:17:31,659

right let's move to uh I don't know

215

00:17:36,779 --> 00:17:34,659

another campsite I guess Dec Yukon guys

216

00:17:39,990 --> 00:17:36,789

I've got a camera pointed at a hammer

217

00:17:42,390 --> 00:17:40,000

okay good I was gonna let me know

218

00:17:43,820 --> 00:17:42,400

Bigfoot cuz they're gonna go up to the

219

00:17:48,570 --> 00:17:43,830

Bigfoot lair

220

00:17:52,380 --> 00:17:48,580

BB's uh around they're gonna hang out

221

00:17:54,180 --> 00:17:52,390

here with my three rifles yeah one of

222

00:17:58,880 --> 00:17:54,190

them is actually ported at an angle that

223

00:18:04,230 --> 00:18:01,320

but I could shoot Bigfoot in the dick

224

00:18:14,399 --> 00:18:04,240

assuming it tanks down to his knee oh

225

00:18:15,510 --> 00:18:14,409

it's got a pic exam about that is there

226

00:18:17,250 --> 00:18:15,520

anything where we're going or do we have

227

00:18:20,279 --> 00:18:17,260

to go oh [h\_\_h] here he is he's back at

228

00:18:22,470 --> 00:18:20,289

the camp he's running through the woods

229

00:18:25,620 --> 00:18:22,480

alright we're coming back just Forrest

230

00:18:27,990 --> 00:18:25,630

Gump - passed me pass you like in our

231

00:18:32,510 --> 00:18:28,000

direction yeah doesn't mean he's coming

232

00:18:36,750 --> 00:18:32,520

for us uh he was running south to north

233

00:18:38,220 --> 00:18:36,760

east of me okay we're coming back but

234

00:18:47,740 --> 00:18:38,230

yeah he could be circling around sure

235

00:18:52,310 --> 00:18:50,090

you do make pretty good bait

236

00:19:02,950 --> 00:18:52,320

I have zero health so yeah he's coming

237

00:19:11,710 --> 00:19:09,610

you said he headed east yeah he's right

238

00:19:19,230 --> 00:19:11,720

along the road over there I just heard

239

00:19:19,240 --> 00:19:27,820

come on

240

00:19:36,110 --> 00:19:31,970

what the hell is there oh you found my

241

00:19:40,790 --> 00:19:36,120

trap likes really good at that it's like

242

00:19:42,410 --> 00:19:40,800

more towel over yet every time every

243

00:19:52,350 --> 00:19:42,420

game we play together Mike I'm falling

244

00:19:56,720 --> 00:19:54,190

[Music]

245

00:20:04,610 --> 00:19:56,730

that's the second trap Boogie's felon

246

00:20:06,110 --> 00:20:04,620

dude in this game we have a theme what

247

00:20:12,670 --> 00:20:06,120

were you laughing my ass off by myself

248

00:20:24,080 --> 00:20:12,680

until where you where is this [h\_\_h]

249

00:20:35,110 --> 00:20:27,240

I'll be charged as sub Scotland's I'm

250

00:20:50,570 --> 00:20:35,120

coming for me those are deer

251  
00:20:50,580 --> 00:20:56,840  
yeah yeah

252  
00:21:03,590 --> 00:20:58,940  
like it's a bear it looks like you're

253  
00:21:05,990 --> 00:21:03,600  
playing like Nintendo DS or something as

254  
00:21:09,650 --> 00:21:06,000  
I could do the cameras and as the camera

255  
00:21:13,130 --> 00:21:09,660  
that's right ear you know I definitely

256  
00:21:35,580 --> 00:21:13,140  
heard him the bear roars a lot more

257  
00:21:44,009 --> 00:21:38,639  
I hear him

258  
00:21:48,259 --> 00:21:44,019  
oh boy there he is I see him he's gotta

259  
00:22:05,490 --> 00:21:48,269  
be you it goes to be MLB I'm dying

260  
00:22:11,239 --> 00:22:05,500  
freebie Bigfoot came in cleaned house

261  
00:22:19,940 --> 00:22:11,249  
[Laughter]

262  
00:22:23,700 --> 00:22:19,950  
damn Bigfoot damage 160 for 30 shots

263  
00:22:26,039 --> 00:22:23,710

five traps installed first aid kits used

264

00:22:30,139 --> 00:22:26,049

two animals killed zero this post you

265

00:22:32,909 --> 00:22:30,149

know I mean we killed a few animals I

266

00:22:35,009 --> 00:22:32,919

said I killed one so maybe you just well

267

00:22:37,049 --> 00:22:35,019

these are these are mine okay oh yeah I

268

00:22:39,989 --> 00:22:37,059

knifed I'm pretty sure I nice that
