

X-Files &

**Black
Eyed
Kids**

1
00:00:08,210 --> 00:00:01,240
[Applause]

2
00:00:15,450 --> 00:00:08,220
I would like to actually start off with

3
00:00:15,460 --> 00:00:19,689
[Music]

4
00:00:25,189 --> 00:00:22,189
you've watched it twice the the premiere

5
00:00:28,370 --> 00:00:25,199
or a watch on Fox's website and yeah I

6
00:00:32,150 --> 00:00:28,380
mean I've watched both episodes okay I

7
00:00:33,740 --> 00:00:32,160
enjoyed it and I watched the first two

8
00:00:36,410 --> 00:00:33,750
episodes so obviously I wouldn't watched

9
00:00:38,389 --> 00:00:36,420
the night they came on I actually

10
00:00:40,639 --> 00:00:38,399
watched live television for the first

11
00:00:42,740 --> 00:00:40,649
time in a long time and the premiere

12
00:00:45,049 --> 00:00:42,750
night we actually had people over spanky

13
00:00:46,819 --> 00:00:45,059

came over spanking I and his girlfriend

14

00:00:49,010 --> 00:00:46,829

and we hung out and we were joking

15

00:00:52,279 --> 00:00:49,020

around bullshitting and we had a good

16

00:00:53,360 --> 00:00:52,289

time watching it and it's very

17

00:00:55,610 --> 00:00:53,370

interesting to watch it with other

18

00:00:58,069 --> 00:00:55,620

people because as the premiere episode

19

00:01:00,889 --> 00:00:58,079

was playing they were running down every

20

00:01:03,049 --> 00:01:00,899

conspiracy theory that we have ever

21

00:01:04,729 --> 00:01:03,059

talked about yeah all wrapped up into

22

00:01:06,200 --> 00:01:04,739

one and all that [h__h] Mulder talked

23

00:01:09,649 --> 00:01:06,210

about was I was just like well that's

24

00:01:12,770 --> 00:01:09,659

actually all true like how the overall

25

00:01:16,160 --> 00:01:12,780

theory of episode was one was that the

26

00:01:18,109 --> 00:01:16,170

government was behind and not only 9/11

27

00:01:20,090 --> 00:01:18,119

and chemtrails but also alien abductions

28

00:01:22,310 --> 00:01:20,100

that the government was faking alien

29

00:01:25,190 --> 00:01:22,320

abductions posing as aliens to create

30

00:01:27,770 --> 00:01:25,200

fear against the crazy [h__h] was Warner

31

00:01:31,310 --> 00:01:27,780

on bran because he said that they would

32

00:01:34,550 --> 00:01:31,320

use alien technology to stage attacks on

33

00:01:35,840 --> 00:01:34,560

the United States to make it look an

34

00:01:37,969 --> 00:01:35,850

extraterrestrial threat which is the

35

00:01:40,520 --> 00:01:37,979

exact of threat warning that we're never

36

00:01:42,859 --> 00:01:40,530

on bran gave to um I think Jill brought

37

00:01:44,389 --> 00:01:42,869

this up a long time ago in secretary or

38

00:01:46,010 --> 00:01:44,399

something yeah in this this is

39

00:01:49,730 --> 00:01:46,020

everything that we talked about with

40

00:01:52,069 --> 00:01:49,740

with dr. Richard Greer so it's got

41

00:01:53,569 --> 00:01:52,079

elements of of Alex Jones there's

42

00:01:55,730 --> 00:01:53,579

definitely a radio personality in there

43

00:01:57,469 --> 00:01:55,740

that's kind of modeled after Alex Jones

44

00:01:59,420 --> 00:01:57,479

but Alex Jones doesn't talk about UFOs

45

00:02:02,109 --> 00:01:59,430

and that stuff at all he doesn't really

46

00:02:04,130 --> 00:02:02,119

touch on it no and then they talk about

47

00:02:06,859 --> 00:02:04,140

9/11 and they talk about gun

48

00:02:09,710 --> 00:02:06,869

conversation in in the x-files they talk

49

00:02:12,699 --> 00:02:09,720

about alien hybrids they talk about the

50

00:02:13,820 --> 00:02:12,709

markets crashing and cashless society

51

00:02:16,280 --> 00:02:13,830

yes

52

00:02:18,650 --> 00:02:16,290

it is all every conspiracy theory that

53

00:02:20,420 --> 00:02:18,660

we've talked about and is kind of

54

00:02:22,370 --> 00:02:20,430

mainstream I in the conspiracy culture

55

00:02:24,380 --> 00:02:22,380

it's all wrapped up in the one and as I

56

00:02:26,750 --> 00:02:24,390

was like watching it with other people I

57

00:02:28,610 --> 00:02:26,760

was like this is this is everything that

58

00:02:30,640 --> 00:02:28,620

we talked about on the podcast literally

59

00:02:34,430 --> 00:02:30,650

on a weekly basis all wrapped up into a

60

00:02:36,140 --> 00:02:34,440

fictionalized TV show and so what is the

61

00:02:38,120 --> 00:02:36,150

purpose of this is it for just

62

00:02:42,200 --> 00:02:38,130

fictionalization or is it for some kind

63

00:02:44,630 --> 00:02:42,210

of disinformation or some kind of

64

00:02:45,770 --> 00:02:44,640

programming that's the question that all

65

00:02:47,960 --> 00:02:45,780

conspiracy theories are asking

66

00:02:49,520 --> 00:02:47,970

themselves well I was ok so I didn't

67

00:02:52,010 --> 00:02:49,530

care about aliens back in the day I

68

00:02:53,900 --> 00:02:52,020

liked the ghost story I was a guy I had

69

00:02:55,550 --> 00:02:53,910

ghost story books and haunted books and

70

00:02:57,410 --> 00:02:55,560

all that I loved all that stuff and then

71

00:02:59,990 --> 00:02:57,420

x-files came out you had a haunted a

72

00:03:02,780 --> 00:03:00,000

books yeah I don't think the books

73

00:03:05,360 --> 00:03:02,790

themselves were haunted ok wanted one be

74

00:03:11,050 --> 00:03:05,370

clear like watch Barton's guy with them

75

00:03:15,380 --> 00:03:13,970

yes a good movie I liked that one there

76

00:03:17,870 --> 00:03:15,390

are lagers out there doing some log

77

00:03:23,270 --> 00:03:17,880

jamming and then they like there's like

78

00:03:26,240 --> 00:03:23,280

15 or 14 and I was like six yeah very

79

00:03:28,850 --> 00:03:26,250

scary movie but I'm sorry glad you know

80

00:03:31,160 --> 00:03:28,860

that's why I mean when Xbox came out I

81

00:03:33,949 --> 00:03:31,170

really didn't give a damn about aliens

82

00:03:37,070 --> 00:03:33,959

but that totally lit the fire under me

83

00:03:40,280 --> 00:03:37,080

too I mean I really was into aliens for

84

00:03:42,229 --> 00:03:40,290

a while but hopefully this is gonna get

85

00:03:44,210 --> 00:03:42,239

people into the idea of like well maybe

86

00:03:45,920 --> 00:03:44,220

there is something more you know maybe

87

00:03:48,650 --> 00:03:45,930

there is something to this 9/11 stuff

88

00:03:50,720 --> 00:03:48,660

maybe maybe you know hopefully it lights

89

00:03:52,490 --> 00:03:50,730

a little fire in certain people that you

90

00:03:54,410 --> 00:03:52,500

know people who wouldn't entertain the

91

00:03:57,380 --> 00:03:54,420

idea of conspiracy theory before maybe

92

00:04:00,560 --> 00:03:57,390

they will possibly but as before this

93

00:04:03,890 --> 00:04:00,570

new series any time you bring up aliens

94

00:04:06,860 --> 00:04:03,900

or something paranormal people be like

95

00:04:11,259 --> 00:04:06,870

oh you believe the x-files are real it's

96

00:04:15,350 --> 00:04:11,269

a TV show grow up my my um kind of

97

00:04:17,060 --> 00:04:15,360

conspiracies and this conspiracy theory

98

00:04:19,159 --> 00:04:17,070

is that perhaps he brought the x-files

99

00:04:19,490 --> 00:04:19,169

back do you have a show to where you can

100

00:04:20,960 --> 00:04:19,500

just pick

101
00:04:23,240 --> 00:04:20,970
oh you're watching the x-files too much

102
00:04:25,190 --> 00:04:23,250
you're just thinking that that very well

103
00:04:26,930 --> 00:04:25,200
could be to and that's I think maybe

104
00:04:29,300 --> 00:04:26,940
part of it but then you read

105
00:04:30,620 --> 00:04:29,310
about Chris kurta the guy who actually

106
00:04:33,590 --> 00:04:30,630
raised the series he does a lot of

107
00:04:35,270 --> 00:04:33,600
research and I would assume I would I

108
00:04:37,790 --> 00:04:35,280
would have to I would have to hope I'm

109
00:04:39,530 --> 00:04:37,800
not gonna assume I have to hope that the

110
00:04:41,630 --> 00:04:39,540
writer Chris Carter if he's looking for

111
00:04:44,390 --> 00:04:41,640
material and he's looking for genuine

112
00:04:46,370 --> 00:04:44,400
like realistically researched material

113
00:04:47,930 --> 00:04:46,380

about UFOs and paranormal stuff and

114

00:04:50,030 --> 00:04:47,940

conspiracies think the more he dug into

115

00:04:51,740 --> 00:04:50,040

9/11 the more he would say oh yeah the

116

00:04:53,030 --> 00:04:51,750

financial aspect at 9/11 is pretty

117

00:04:55,310 --> 00:04:53,040

curious so maybe there's some validity

118

00:04:56,750 --> 00:04:55,320

to that the more I read about the black

119

00:04:58,670 --> 00:04:56,760

budget oh yeah there might be some

120

00:05:00,530 --> 00:04:58,680

secret space program going on there

121

00:05:02,570 --> 00:05:00,540

might be some limit to that so he

122

00:05:03,860 --> 00:05:02,580

actually might be a believer in some of

123

00:05:05,870 --> 00:05:03,870

the stuff and he the only way he can

124

00:05:08,660 --> 00:05:05,880

talk about it is through a TV show

125

00:05:10,790 --> 00:05:08,670

that's fictionalized absolutely yeah

126

00:05:12,260 --> 00:05:10,800

that could be that's very plausible as

127

00:05:13,430 --> 00:05:12,270

well I don't think there's anything

128

00:05:15,260 --> 00:05:13,440

wrong with that I don't think there's

129

00:05:17,570 --> 00:05:15,270

anything wrong with like you can't do a

130

00:05:19,220 --> 00:05:17,580

documentary about it that's not going to

131

00:05:22,160 --> 00:05:19,230

generate the numbers that x-files is

132

00:05:25,580 --> 00:05:22,170

gonna get and I don't even know like I

133

00:05:27,410 --> 00:05:25,590

watched I'm a fairly big x-files fan I'm

134

00:05:30,730 --> 00:05:27,420

not a dire if I do like the series but I

135

00:05:32,720 --> 00:05:30,740

did watch Jimmy Kimmel when they had a

136

00:05:37,400 --> 00:05:32,730

molder and Scully I forget her name I

137

00:05:41,450 --> 00:05:37,410

thought my head but me and me and the

138

00:05:42,950 --> 00:05:41,460

Jillian yeah Anderson they were very

139

00:05:44,180 --> 00:05:42,960

good-natured and I don't I think they

140

00:05:46,280 --> 00:05:44,190

asked a question I don't have a clip or

141

00:05:50,570 --> 00:05:46,290

anything but I think the company's open

142

00:05:52,130 --> 00:05:50,580

to the idea of UFOs and and Jimmy Kimmel

143

00:05:54,080 --> 00:05:52,140

you know Jimmy Kimmel is on board with

144

00:05:55,970 --> 00:05:54,090

UFOs and aliens he asks every president

145

00:05:57,200 --> 00:05:55,980

that that he meets hey where's the

146

00:05:59,150 --> 00:05:57,210

aliens and can I see him and they

147

00:06:02,270 --> 00:05:59,160

actually showed that on the x-files

148

00:06:04,550 --> 00:06:02,280

premiere yeah he did Emel asking barack

149

00:06:06,260 --> 00:06:04,560

obama about it yeah that was kind of

150

00:06:09,290 --> 00:06:06,270

weird there's some kind of weird meta

151
00:06:13,010 --> 00:06:09,300
stuff going on where they're using like

152
00:06:15,140 --> 00:06:13,020
mocking yeah it's a very mocking kind of

153
00:06:18,230 --> 00:06:15,150
thing that's going on it's it's almost

154
00:06:20,120 --> 00:06:18,240
regurgitating itself at some point like

155
00:06:22,640 --> 00:06:20,130
it's it's hard to make head or tail of

156
00:06:24,050 --> 00:06:22,650
it and what the actual stated goal of

157
00:06:25,220 --> 00:06:24,060
this is because we're at it we're gonna

158
00:06:26,180 --> 00:06:25,230
have to watch the entire series to

159
00:06:28,280 --> 00:06:26,190
figure out what they're trying to say

160
00:06:33,020 --> 00:06:28,290
well I think they got out some some

161
00:06:35,510 --> 00:06:33,030
stuff right when it came to if let's say

162
00:06:37,460 --> 00:06:35,520
suppose all Joel McHale character is

163
00:06:38,810 --> 00:06:37,470

completely Alex Jones and most of the

164

00:06:39,769 --> 00:06:38,820

stuff what he said is actually right

165

00:06:42,799 --> 00:06:39,779

yeah

166

00:06:45,259 --> 00:06:42,809

I actually I thought Joel McHale I mean

167

00:06:47,809 --> 00:06:45,269

I liked him anyway I loved the soup I

168

00:06:49,879 --> 00:06:47,819

like he was in community whose great oh

169

00:06:52,249 --> 00:06:49,889

I like soup - I like chicken noodle and

170

00:06:53,389 --> 00:06:52,259

I like diam wedding that's very good oh

171

00:06:54,799 --> 00:06:53,399

good yeah

172

00:06:58,339 --> 00:06:54,809

Italian Wedding is really are there so

173

00:07:00,049 --> 00:06:58,349

sausage sausage E stuff in there really

174

00:07:02,509 --> 00:07:00,059

good what his character was very good

175

00:07:04,159 --> 00:07:02,519

and they they basically caught him on

176

00:07:06,769 --> 00:07:04,169

hey you're just doing this for the money

177

00:07:12,469 --> 00:07:06,779

and Mikhail's character a cage alex

178

00:07:16,009 --> 00:07:12,479

jones said [h__h] yeah he said sucking

179

00:07:18,229 --> 00:07:16,019

yeah buddy yeah he's kind of admitted

180

00:07:19,579 --> 00:07:18,239

yeah he's making money off but but even

181

00:07:22,219 --> 00:07:19,589

see anything wrong with it

182

00:07:24,439 --> 00:07:22,229

links in the TV series and i think alex

183

00:07:28,549 --> 00:07:24,449

jones he's getting divorced in the show

184

00:07:32,959 --> 00:07:28,559

in the show no no well Joey baby I'm

185

00:07:36,949 --> 00:07:32,969

here polar opposite of Alex Jones balls

186

00:07:39,549 --> 00:07:36,959

in terms of aesthetics yeah Mikhail's of

187

00:07:44,989 --> 00:07:39,559

a tall handsome good-looking guy and a

188

00:07:46,850 --> 00:07:44,999

fat Texan yeah yeah well I put that

189

00:07:49,269 --> 00:07:46,860

video on our Facebook in he actually

190

00:07:54,439 --> 00:07:49,279

paid looks like he got his abs going

191

00:07:54,919 --> 00:07:54,449

yeah as soon as the x-files premiere was

192

00:07:57,019 --> 00:07:54,929

done

193

00:07:59,749 --> 00:07:57,029

Jones felt obligated to post up a

194

00:08:02,119 --> 00:07:59,759

shirtless video on underwear apparently

195

00:08:04,579 --> 00:08:02,129

and his cousins places is white like

196

00:08:06,109 --> 00:08:04,589

what though so yeah Alex Jones got on

197

00:08:09,159 --> 00:08:06,119

can you send me that link real quick

198

00:08:12,139 --> 00:08:09,169

I'll play it here that I'm yeah grab it

199

00:08:16,459 --> 00:08:12,149

house Jones likes to watch The X Files

200

00:08:19,189 --> 00:08:16,469

in his cousin's bedroom naked I don't

201
00:08:23,359 --> 00:08:19,199
understand it but that's what Alex Jones

202
00:08:25,040 --> 00:08:23,369
does yeah it's bizarre Alex Jones has

203
00:08:29,109 --> 00:08:25,050
been going on and on insisting that this

204
00:08:32,329 --> 00:08:29,119
entire thing is based after him and that

205
00:08:33,649 --> 00:08:32,339
he doesn't know how Jones does not know

206
00:08:35,740 --> 00:08:33,659
I actually I found it here's here's a

207
00:08:36,949 --> 00:08:35,750
clip right here oh you got it alright

208
00:08:39,189 --> 00:08:36,959
yeah

209
00:08:44,230 --> 00:08:39,199
ladies and gentlemen the new x-files

210
00:08:49,940 --> 00:08:44,240
I've got to say is a hit I'm intrigued

211
00:08:51,470 --> 00:08:49,950
I'm impressed and I'm here at my home or

212
00:08:52,820 --> 00:08:51,480
actually here at my cousin's home

213
00:08:54,020 --> 00:08:52,830

Buckley I'm about to throw my shirt on

214

00:08:58,160 --> 00:08:54,030

after getting out of the hot tub and

215

00:09:02,000 --> 00:08:58,170

drive home when I'm here and I just

216

00:09:05,390 --> 00:09:02,010

watched it with his lovely wife with my

217

00:09:10,220 --> 00:09:05,400

shirt off and I have to say that it is

218

00:09:12,260 --> 00:09:10,230

very intriguing very complex five

219

00:09:15,980 --> 00:09:12,270

minutes in I gotta say at this point I

220

00:09:17,900 --> 00:09:15,990

think Alex Jones is a free drunk he has

221

00:09:20,990 --> 00:09:17,910

to be yeah he's drunk I'm here my home

222

00:09:22,610 --> 00:09:21,000

oh my cousin's blaze yeah maybe he

223

00:09:24,950 --> 00:09:22,620

bought a first cousin I don't know said

224

00:09:28,400 --> 00:09:24,960

oh my god they're gonna connect me the

225

00:09:30,770 --> 00:09:28,410

UFOs and aliens run everything and

226

00:09:32,540 --> 00:09:30,780

within 30 minutes into it it's there

227

00:09:35,810 --> 00:09:32,550

geoengineering the planet they're

228

00:09:38,300 --> 00:09:35,820

creating famines to bring in economic

229

00:09:40,490 --> 00:09:38,310

collapse to consolidate control shadow

230

00:09:44,210 --> 00:09:40,500

government breakaway civilization

231

00:09:46,490 --> 00:09:44,220

eugenics human engineering aliens are

232

00:09:48,190 --> 00:09:46,500

coming to get us the elite are creating

233

00:09:52,010 --> 00:09:48,200

AI

234

00:09:55,220 --> 00:09:52,020

and creating new humanoids that are

235

00:09:57,980 --> 00:09:55,230

alien and what I'm saying is not even

236

00:10:00,710 --> 00:09:57,990

revolutionary when I was first on air 21

237

00:10:02,930 --> 00:10:00,720

years ago it was in trade publications

238

00:10:05,420 --> 00:10:02,940

that they were creating human embryos

239

00:10:08,270 --> 00:10:05,430

and planting them in cows pigs sheep and

240

00:10:10,160 --> 00:10:08,280

others now just he goes on and on and on

241

00:10:13,400 --> 00:10:10,170

and on about this and he basically

242

00:10:16,520 --> 00:10:13,410

ransom from the camera shirtless for 12

243

00:10:19,490 --> 00:10:16,530

minutes straight and Joe just sent me a

244

00:10:21,710 --> 00:10:19,500

text message saying that there ain't no

245

00:10:23,870 --> 00:10:21,720

way his internet went down okay

246

00:10:25,430 --> 00:10:23,880

well it's just us yes it's just me and

247

00:10:31,280 --> 00:10:25,440

you until he can get his internet back

248

00:10:34,280 --> 00:10:31,290

up something oh my Billy sent him a

249

00:10:37,250 --> 00:10:34,290

little message right here I'll say get

250

00:10:39,010 --> 00:10:37,260

back on when you can still hop I wonder

251
00:10:42,080 --> 00:10:39,020
you can if you can

252
00:10:44,210 --> 00:10:42,090
but Instapaper we can go

253
00:10:46,160 --> 00:10:44,220
I'm okay you talked about the the the

254
00:10:49,910 --> 00:10:46,170
Xbox Live limit I'm not done with it yet

255
00:10:51,320 --> 00:10:49,920
all right neither am i I mean this trend

256
00:10:54,380 --> 00:10:51,330
kind of transitions back into something

257
00:10:56,800 --> 00:10:54,390
also they're trying to figure out who's

258
00:11:01,630 --> 00:11:00,130
this alien abduction to trying to figure

259
00:11:03,520 --> 00:11:01,640
out what government agencies are

260
00:11:06,820 --> 00:11:03,530
responsible for abducting people they're

261
00:11:08,800 --> 00:11:06,830
trying to figure out who is not only the

262
00:11:10,660 --> 00:11:08,810
ducking but doing the genetic

263
00:11:13,420 --> 00:11:10,670

experiments what is the purpose of the

264

00:11:15,310 --> 00:11:13,430

genetic experiments and so I think it's

265

00:11:17,530 --> 00:11:15,320

it's gonna be a very intriguing series I

266

00:11:20,200 --> 00:11:17,540

I I'm kind of sad that it's only six

267

00:11:21,700 --> 00:11:20,210

episodes but I'm also glad that it's

268

00:11:25,330 --> 00:11:21,710

actually whining and wrap it up

269

00:11:27,970 --> 00:11:25,340

Rael to see I guess a market test could

270

00:11:29,560 --> 00:11:27,980

very well could be both Anderson said

271

00:11:32,560 --> 00:11:29,570

they would both be back if they wanted

272

00:11:34,630 --> 00:11:32,570

to have more series or more yeah I think

273

00:11:36,270 --> 00:11:34,640

it Fox will if if Fox is willing to have

274

00:11:40,300 --> 00:11:36,280

them back and the numbers are there I'm

275

00:11:44,080 --> 00:11:40,310

sure that people like us would love to

276

00:11:46,360 --> 00:11:44,090

watch it so I think I'll do all right I

277

00:11:47,770 --> 00:11:46,370

mean I watched it live I'm sure other

278

00:11:49,120 --> 00:11:47,780

people did too they were very excited

279

00:11:50,740 --> 00:11:49,130

about it I'm sure I don't even know one

280

00:11:52,150 --> 00:11:50,750

to saw they came on like Sunday and

281

00:11:54,160 --> 00:11:52,160

Monday I don't know if they're gonna do

282

00:11:55,720 --> 00:11:54,170

a Sunday Monday again this time around

283

00:11:58,210 --> 00:11:55,730

oh no it's going to be I think it's

284

00:12:01,810 --> 00:11:58,220

Monday at like eight or nine okay yeah

285

00:12:07,090 --> 00:12:01,820

time well I'm all in and so that kind of

286

00:12:09,700 --> 00:12:07,100

leads me to the parallel of this x-files

287

00:12:10,980 --> 00:12:09,710

thing which is there any expose the

288

00:12:15,850 --> 00:12:10,990

second episode they talked about

289

00:12:18,370 --> 00:12:15,860

genetically modified embryos Kinect we

290

00:12:22,120 --> 00:12:18,380

modified humans that are incubated in a

291

00:12:24,760 --> 00:12:22,130

woman and then or Sulli removed from

292

00:12:26,410 --> 00:12:24,770

that woman and then they're raised on

293

00:12:28,180 --> 00:12:26,420

their own and there's like a weird

294

00:12:31,300 --> 00:12:28,190

scientist doctor basically against all

295

00:12:33,970 --> 00:12:31,310

mostly equated to some kind of Nazi

296

00:12:36,340 --> 00:12:33,980

doctor doing experiments on these babies

297

00:12:38,980 --> 00:12:36,350

and raising them trying to find the

298

00:12:41,079 --> 00:12:38,990

perfect mixture of alien DNA in human

299

00:12:45,610 --> 00:12:41,089

DNA to create the next step in evolution

300

00:12:47,200 --> 00:12:45,620

in on the on earth and there's been

301
00:12:51,010 --> 00:12:47,210
stories like this going on for a long

302
00:12:52,960 --> 00:12:51,020
time not not just within like alien

303
00:12:56,100 --> 00:12:52,970
abductions and what people think that

304
00:13:01,090 --> 00:12:56,110
the alien abductions are about but also

305
00:13:04,829 --> 00:13:01,100
reports of black-eyed children and it's

306
00:13:07,570 --> 00:13:04,839
Rubin rumor that the some of these

307
00:13:09,340 --> 00:13:07,580
observations and reports of black-eyed

308
00:13:12,780 --> 00:13:09,350
children

309
00:13:17,830 --> 00:13:12,790
that people have have seen might be

310
00:13:19,540 --> 00:13:17,840
alien hybrids that are walking earth

311
00:13:22,000 --> 00:13:19,550
right now and interacting with people

312
00:13:23,830 --> 00:13:22,010
and it's pretty interesting so I okay I

313
00:13:27,550 --> 00:13:23,840

can give you a synopsis of what I've

314

00:13:28,840 --> 00:13:27,560

read about these black eye kids I've

315

00:13:32,620 --> 00:13:28,850

read a lot of stories on these are done

316

00:13:33,340 --> 00:13:32,630

uh some some some research this is

317

00:13:35,700 --> 00:13:33,350

pretty interesting

318

00:13:39,240 --> 00:13:35,710

I don't know them this is this is where

319

00:13:41,230 --> 00:13:39,250

paranormal and UFOs kind of collide I

320

00:13:42,910 --> 00:13:41,240

don't know what to make of this [h__h]

321

00:13:44,710 --> 00:13:42,920

because this is all eyewitness accounts

322

00:13:46,960 --> 00:13:44,720

there's no there's no pictures there's

323

00:13:48,520 --> 00:13:46,970

no video evidence this is all this is

324

00:13:50,470 --> 00:13:48,530

all like blog post these are all this

325

00:13:52,000 --> 00:13:50,480

kind of diary post no one wants to

326

00:13:54,730 --> 00:13:52,010

really be associate with this there's no

327

00:13:56,230 --> 00:13:54,740

besides what if I told you I was

328

00:13:56,800 --> 00:13:56,240

abducted by aliens people think you're

329

00:14:00,790 --> 00:13:56,810

crazy

330

00:14:03,070 --> 00:14:00,800

Oh [h__\h] yeah people say all [h__\h]

331

00:14:04,540 --> 00:14:03,080

here you got to get there you got to go

332

00:14:07,900 --> 00:14:04,550

to the house hospital you need some

333

00:14:12,400 --> 00:14:07,910

medication yeah take your SS all right

334

00:14:15,400 --> 00:14:12,410

mm-hmm you have some soup make you feel

335

00:14:18,790 --> 00:14:15,410

bad soup you homeless trash so these

336

00:14:21,060 --> 00:14:18,800

these black-eyed kids black-eyed

337

00:14:23,560 --> 00:14:21,070

children there have been reports that

338

00:14:26,500 --> 00:14:23,570

these kids

339

00:14:30,430 --> 00:14:26,510

lilia kids ranging from six to twelve

340

00:14:32,290 --> 00:14:30,440

years old before I don't I don't know if

341

00:14:35,230 --> 00:14:32,300

I don't that's true

342

00:14:39,330 --> 00:14:35,240

we'll encounter somebody on the street

343

00:14:44,100 --> 00:14:39,340

and say hey can we use your phone or hey

344

00:14:46,510 --> 00:14:44,110

can you let us in and their kids so

345

00:14:50,050 --> 00:14:46,520

people instantly when they encounter

346

00:14:52,030 --> 00:14:50,060

these kids they're immediately feel

347

00:14:54,280 --> 00:14:52,040

unnerved there's something unnerving

348

00:14:55,750 --> 00:14:54,290

about these kids in picture I don't know

349

00:14:57,610 --> 00:14:55,760

if anybody's old enough to remember this

350

00:15:01,360 --> 00:14:57,620

movie or or know this reference but

351

00:15:03,160 --> 00:15:01,370

Village of the Damned where it's a

352

00:15:06,670 --> 00:15:03,170

that's a movie the village of them is

353

00:15:10,060 --> 00:15:06,680

about a village or town that's overtaken

354

00:15:11,950 --> 00:15:10,070

by kiss evil kids yeah and they look

355

00:15:13,600 --> 00:15:11,960

creepy as [h__\h] and that's what these

356

00:15:17,800 --> 00:15:13,610

people are kind of reporting creepy as

357

00:15:19,360 --> 00:15:17,810

[h__\h] kids asking people adults to come

358

00:15:21,580 --> 00:15:19,370

into their house or to use their phone

359

00:15:22,960 --> 00:15:21,590

and there was one it could kind of

360

00:15:25,960 --> 00:15:22,970

relate to you like screen

361

00:15:28,300 --> 00:15:25,970

raise I've heard a lot serious universe

362

00:15:30,130 --> 00:15:28,310

where it's the aliens are trying to like

363

00:15:31,570 --> 00:15:30,140

relate to your brain so these are the

364

00:15:34,900 --> 00:15:31,580

things that you like rationalize when

365

00:15:37,000 --> 00:15:34,910

you see an alien yeah so they'll

366

00:15:39,970 --> 00:15:37,010

basically put like a some kind of

367

00:15:43,150 --> 00:15:39,980

projection in your head so it seems like

368

00:15:46,900 --> 00:15:43,160

a kid but maybe it's not who knows some

369

00:15:48,280 --> 00:15:46,910

kind of hypnotic suggestion but one one

370

00:15:49,930 --> 00:15:48,290

story I'll recount here before I move on

371

00:15:52,150 --> 00:15:49,940

to what happens when you let these kids

372

00:15:54,910 --> 00:15:52,160

in is that one woman is walking home and

373

00:15:56,950 --> 00:15:54,920

these two kids approach her hey we're

374

00:16:00,550 --> 00:15:56,960

waiting for our parents can you let us

375

00:16:02,770 --> 00:16:00,560

in your house she said no and she felt

376

00:16:04,240 --> 00:16:02,780

very scared and she walked into her

377

00:16:07,660 --> 00:16:04,250

apartment and the kids followed her she

378

00:16:10,660 --> 00:16:07,670

shut the door locked it and one of her

379

00:16:12,400 --> 00:16:10,670

pets started to freak out and she's like

380

00:16:14,320 --> 00:16:12,410

what the hell's going on so she won't

381

00:16:16,660 --> 00:16:14,330

look at the people the kids are still

382

00:16:18,490 --> 00:16:16,670

standing there and the kid said hey will

383

00:16:21,790 --> 00:16:18,500

you let us in we need to wait for our

384

00:16:23,620 --> 00:16:21,800

parents and she said no no no and she

385

00:16:25,060 --> 00:16:23,630

felt very scared didn't call the cops or

386

00:16:27,790 --> 00:16:25,070

in fact that so there's no rule official

387

00:16:30,430 --> 00:16:27,800

report of this and eventually the kids

388

00:16:32,500 --> 00:16:30,440

went away and there's been various

389

00:16:35,590 --> 00:16:32,510

stories like that paraphrase obviously

390

00:16:39,700 --> 00:16:35,600

paraphrasing of there's been various

391

00:16:44,170 --> 00:16:39,710

stories of adults being approached by

392

00:16:46,450 --> 00:16:44,180

his kids asking for help and there's

393

00:16:48,490 --> 00:16:46,460

been no reports of people actually

394

00:16:50,170 --> 00:16:48,500

letting these kids in until this this

395

00:16:52,150 --> 00:16:50,180

one that I'm about to kind of paraphrase

396

00:16:54,550 --> 00:16:52,160

and run down for you right now this

397

00:16:56,890 --> 00:16:54,560

comes from the weekend weird witnesses

398

00:16:59,080 --> 00:16:56,900

report I let the black-eyed children

399

00:17:14,429 --> 00:16:59,090

into my home and now I'm slowly dying

400

00:17:15,579 --> 00:17:14,439

slowly dying not dying slowly does 40 Oh

401

00:17:25,449 --> 00:17:15,589

Joey

402

00:17:26,740 --> 00:17:25,459

you're on the phone with 18t I can't

403

00:17:28,990 --> 00:17:26,750

hear you we can't hear anything white

404

00:17:31,990 --> 00:17:29,000

you're really quiet thought I was away

405

00:17:33,220 --> 00:17:32,000

from mine oh yeah don't do that what

406

00:17:35,919 --> 00:17:33,230

happened you're on the phone with AT&T

407

00:17:36,730 --> 00:17:35,929

or now you are no I'm gonna I'm on the

408

00:17:39,940 --> 00:17:36,740

phone with them right

409

00:17:45,060 --> 00:17:39,950

now they're doing that we're talking

410

00:17:49,390 --> 00:17:45,070

about black-eyed children and the

411

00:17:53,410 --> 00:17:49,400

phenomenon surrounding that black-eyed

412

00:17:55,060 --> 00:17:53,420

children oh yeah yeah so it's been

413

00:17:57,580 --> 00:17:55,070

rumored that these black-eyed children

414

00:18:02,710 --> 00:17:57,590

actually could be alien hybrids or some

415

00:18:05,410 --> 00:18:02,720

kind of alien mixture who knows but very

416

00:18:07,600 --> 00:18:05,420

very rarely have been reports of

417

00:18:09,190 --> 00:18:07,610

actually people letting these children

418

00:18:13,710 --> 00:18:09,200

into their house but there is a report

419

00:18:16,510 --> 00:18:13,720

that comes from The Weeknd weird where

420

00:18:18,549 --> 00:18:16,520

I'll read I'll read a little bit of this

421

00:18:20,310 --> 00:18:18,559

in the last few years the frightening

422

00:18:22,720 --> 00:18:20,320

phenomenon of the black-eyed children

423

00:18:24,970 --> 00:18:22,730

visitation has swept the internet

424

00:18:26,230 --> 00:18:24,980

whether or not the stories of midnight

425

00:18:28,510 --> 00:18:26,240

encounters with the mysterious

426
00:18:31,660 --> 00:18:28,520
black-eyed kids have any truth to them

427
00:18:33,370 --> 00:18:31,670
has been a hotly debated topic but it

428
00:18:35,169 --> 00:18:33,380
hasn't stopped the tails of the

429
00:18:37,419 --> 00:18:35,179
black-eyed kids from popping up on

430
00:18:40,060 --> 00:18:37,429
message boards in chat rooms or on

431
00:18:41,500 --> 00:18:40,070
paranormal podcasts so who are they

432
00:18:44,320 --> 00:18:41,510
where do they come from and what do they

433
00:18:46,240 --> 00:18:44,330
want we aren't sure no matter who tells

434
00:18:48,760 --> 00:18:46,250
it the encounters always occur the same

435
00:18:50,890 --> 00:18:48,770
way someone home alone in the middle of

436
00:18:52,690 --> 00:18:50,900
the night hears a knock at the door when

437
00:18:56,830 --> 00:18:52,700
they peek through the window children

438
00:19:01,030 --> 00:18:56,840

normally in a pair are seen standing in

439

00:19:03,790 --> 00:19:01,040

the cold as the resident here as a

440

00:19:05,530 --> 00:19:03,800

resident cautiously cracks the door to

441

00:19:07,960 --> 00:19:05,540

see what might be wrong a familiar

442

00:19:09,970 --> 00:19:07,970

feeling of dread washes over them the

443

00:19:12,490 --> 00:19:09,980

strange children beg to be let inside

444

00:19:15,640 --> 00:19:12,500

but something isn't right there's

445

00:19:18,010 --> 00:19:15,650

something off about these kids as the

446

00:19:21,790 --> 00:19:18,020

lonely resident looks closer they see

447

00:19:25,660 --> 00:19:21,800

the children's eyes are black as oil and

448

00:19:28,480 --> 00:19:25,670

unnerving causing the miss lemon door

449

00:19:30,430 --> 00:19:28,490

and deny their pleas for entrance some

450

00:19:33,190 --> 00:19:30,440

of them call the police others clutch a

451
00:19:37,840 --> 00:19:33,200
weapon but never ever do they let the

452
00:19:39,669 --> 00:19:37,850
black-eyed children inside until now the

453
00:19:42,520 --> 00:19:39,679
following chilling eyewitness account

454
00:19:44,350 --> 00:19:42,530
comes from a woman who emailed us to say

455
00:19:46,480 --> 00:19:44,360
that she made the mistake of letting the

456
00:19:48,430 --> 00:19:46,490
black-eyed kids into her home and now

457
00:19:50,010 --> 00:19:48,440
she claims it's paying the ultimate

458
00:19:52,260 --> 00:19:50,020
price her

459
00:19:56,270 --> 00:19:52,270
story comes as a warning to those

460
00:19:59,430 --> 00:19:56,280
willing to open a door more than a crack

461
00:20:04,320 --> 00:19:59,440
they've edited down so what happened is

462
00:20:07,050 --> 00:20:04,330
that this husband and wife were there

463
00:20:09,900 --> 00:20:07,060

both home and they looked out and they

464

00:20:11,850 --> 00:20:09,910

came upon they were actually coming home

465

00:20:15,630 --> 00:20:11,860

I was wait a night and they saw two kids

466

00:20:18,630 --> 00:20:15,640

in in the coal no this is in Vermont in

467

00:20:21,150 --> 00:20:18,640

the wintertime which Vermont's cold

468

00:20:22,590 --> 00:20:21,160

people especially the winter it's right

469

00:20:23,910 --> 00:20:22,600

there off the lake to get the lake in

470

00:20:24,920 --> 00:20:23,920

fact there's a lot of snow out there in

471

00:20:27,420 --> 00:20:24,930

Vermont

472

00:20:29,160 --> 00:20:27,430

well that likes called the Atlantic

473

00:20:31,290 --> 00:20:29,170

Ocean but well I'm Vermont's pretty

474

00:20:34,070 --> 00:20:31,300

close to the [h__h] the Great Lakes

475

00:20:44,280 --> 00:20:34,080

they get the part of the lake effect

476
00:20:47,250 --> 00:20:44,290
yeah yeah what happened was these uh

477
00:20:50,400 --> 00:20:47,260
this couple came home is all these two

478
00:20:52,650 --> 00:20:50,410
kids standing out in the in the snow and

479
00:20:54,720 --> 00:20:52,660
the kids asked me let inside saying hey

480
00:20:57,480 --> 00:20:54,730
we're waiting for our parents that's

481
00:20:59,670 --> 00:20:57,490
what they said so they they bring him on

482
00:21:02,070 --> 00:20:59,680
it inside the house and every question

483
00:21:04,800 --> 00:21:02,080
they basically asked these kids they

484
00:21:06,360 --> 00:21:04,810
basically only kind of said hey we're

485
00:21:10,650 --> 00:21:06,370
just waiting for our parents to come we

486
00:21:12,660 --> 00:21:10,660
use your phone the the couples had bad

487
00:21:16,050 --> 00:21:12,670
luck for cats as soon as these two kids

488
00:21:19,980 --> 00:21:16,060

walk in all the cats scattered besides

489

00:21:23,130 --> 00:21:19,990

one who was cowering underneath a table

490

00:21:26,190 --> 00:21:23,140

with his hair completely standing up on

491

00:21:27,810 --> 00:21:26,200

his back and they were insane like the

492

00:21:29,730 --> 00:21:27,820

cat was just like completely insane

493

00:21:34,470 --> 00:21:29,740

didn't want to do anything their wannabe

494

00:21:35,910 --> 00:21:34,480

types anyone be moved it was around two

495

00:21:37,260 --> 00:21:35,920

o'clock two o'clock the morning so at

496

00:21:39,870 --> 00:21:37,270

this point the only reasonable thought

497

00:21:41,580 --> 00:21:39,880

in my head was that there must be some

498

00:21:43,200 --> 00:21:41,590

accent that these kids and these kids

499

00:21:46,710 --> 00:21:43,210

got lost so that's why they were let

500

00:21:49,230 --> 00:21:46,720

into the house as to why do you let this

501
00:21:51,900 --> 00:21:49,240
weird people in your house they didn't

502
00:21:54,480 --> 00:21:51,910
notice the black eyes of the kids until

503
00:21:58,380 --> 00:21:54,490
they got into a bit of until they handed

504
00:21:59,970 --> 00:21:58,390
to them their their their water they

505
00:22:01,980 --> 00:21:59,980
asked well they asked for like a water

506
00:22:03,680 --> 00:22:01,990
and so they didn't the parents didn't

507
00:22:06,600 --> 00:22:03,690
notice that these kids had

508
00:22:08,490 --> 00:22:06,610
black eyes not just like black like not

509
00:22:10,500 --> 00:22:08,500
like Marilyn Manson eyes you know I'm

510
00:22:12,660 --> 00:22:10,510
talking about Joe you like Manson like

511
00:22:15,650 --> 00:22:12,670
contact lens is like a giant like that

512
00:22:18,090 --> 00:22:15,660
oily [h__h] yeah so kind x-files they had

513
00:22:21,690 --> 00:22:18,100

really black yeah it covered the entire

514

00:22:26,960 --> 00:22:21,700

I think I not so there was no white

515

00:22:30,420 --> 00:22:26,970

scene at all and so they get down to it

516

00:22:35,790 --> 00:22:30,430

these kids hung around for about an hour

517

00:22:39,510 --> 00:22:35,800

and after after that point in time they

518

00:22:43,530 --> 00:22:39,520

heard a car come up to the house the

519

00:22:45,930 --> 00:22:43,540

kids left they saw two tall men outside

520

00:22:50,280 --> 00:22:45,940

of the car the kids went into the

521

00:22:51,900 --> 00:22:50,290

vehicle and the tall men quote-unquote

522

00:22:54,180 --> 00:22:51,910

men and black got into the vehicle they

523

00:22:55,500 --> 00:22:54,190

drove away that was it that was that was

524

00:22:57,480 --> 00:22:55,510

the encounter it was a very creepy

525

00:23:00,120 --> 00:22:57,490

encounter there the interaction wasn't

526

00:23:01,440 --> 00:23:00,130

like there was no real dialogue the kids

527

00:23:05,820 --> 00:23:01,450

came in waited for an hour and then they

528

00:23:07,850 --> 00:23:05,830

left but since that time the one of the

529

00:23:10,530 --> 00:23:07,860

cats the only one that stuck around

530

00:23:13,440 --> 00:23:10,540

became very sick and started vomiting

531

00:23:16,560 --> 00:23:13,450

the husband immediately started to vomit

532

00:23:18,900 --> 00:23:16,570

and become very sick both indications of

533

00:23:22,200 --> 00:23:18,910

some kind of weird radiation poisoning

534

00:23:24,530 --> 00:23:22,210

yeah radiation yeah exam and and and I

535

00:23:27,780 --> 00:23:24,540

think the the husband has since died

536

00:23:30,450 --> 00:23:27,790

they don't the cat survived cancer um

537

00:23:31,650 --> 00:23:30,460

you can look in the in the story they

538

00:23:33,480 --> 00:23:31,660

mean it goes it goes through it like the

539

00:23:36,330 --> 00:23:33,490

husband had nosebleeds and became

540

00:23:38,940 --> 00:23:36,340

regular currents and when he was a

541

00:23:41,130 --> 00:23:38,950

doctor he didn't know the doctor said

542

00:23:42,090 --> 00:23:41,140

was possibly dryden nasal passage I

543

00:23:44,400 --> 00:23:42,100

don't know if they officially got

544

00:23:48,300 --> 00:23:44,410

diagnosed with cancer but they had dizzy

545

00:23:50,790 --> 00:23:48,310

spells yeah and all that kind of stuff

546

00:23:53,340 --> 00:23:50,800

we heard from the 90s yeah this is

547

00:23:58,260 --> 00:23:53,350

classic kind of like getting too close

548

00:23:59,970 --> 00:23:58,270

to radiation kind of symptoms you we've

549

00:24:02,940 --> 00:23:59,980

heard these stories when people have

550

00:24:04,710 --> 00:24:02,950

observed UFOs probably military created

551
00:24:07,440 --> 00:24:04,720
UFOs they were running on nuclear power

552
00:24:09,120 --> 00:24:07,450
and they step out the car they go a wash

553
00:24:10,950 --> 00:24:09,130
and energy and they have radiation

554
00:24:14,520 --> 00:24:10,960
poisoning many encounters like that in

555
00:24:16,830 --> 00:24:14,530
90s so it appears like everything that

556
00:24:17,520 --> 00:24:16,840
I've read through these few articles

557
00:24:19,110 --> 00:24:17,530
people

558
00:24:21,480 --> 00:24:19,120
come in contact with these black-eyed

559
00:24:24,090 --> 00:24:21,490
kids get loose with this instance when

560
00:24:27,000 --> 00:24:24,100
they come to your house your pets die

561
00:24:29,460 --> 00:24:27,010
they don't like them and you start

562
00:24:31,790 --> 00:24:29,470
bleeding for your nose and vomiting so

563
00:24:34,560 --> 00:24:31,800

like you're like doing cocaine all night

564

00:24:37,710 --> 00:24:34,570

without all the fun I think that's like

565

00:24:41,100 --> 00:24:37,720

any kid really any kid makes you want to

566

00:24:42,870 --> 00:24:41,110

puke and have a man of bloody nose pets

567

00:24:44,700 --> 00:24:42,880

don't really like them and yeah they're

568

00:24:46,650 --> 00:24:44,710

awful just I don't want to be around

569

00:24:49,290 --> 00:24:46,660

them what do you think about this black

570

00:24:51,390 --> 00:24:49,300

eyed peas black-eyed kids Joe I don't

571

00:24:53,520 --> 00:24:51,400

even like the UFO stuff and his paranoid

572

00:24:55,890 --> 00:24:53,530

stuff but there's a lot of reports

573

00:24:58,290 --> 00:24:55,900

nosebleeds are a symptom of radiation

574

00:25:00,960 --> 00:24:58,300

poisoning yeah like yeah everybody's got

575

00:25:05,810 --> 00:25:00,970

a video camera and their goddamn pocket

576
00:25:09,510 --> 00:25:05,820
show me the proof honestly show I know I

577
00:25:11,610 --> 00:25:09,520
know I mean I can read about this stuff

578
00:25:13,770 --> 00:25:11,620
all day but I don't buy it at all period

579
00:25:15,960 --> 00:25:13,780
I don't buy any anything that I can I

580
00:25:18,360 --> 00:25:15,970
mean even with an 11 it's like I don't

581
00:25:20,820 --> 00:25:18,370
know exactly what happened but I don't

582
00:25:24,240 --> 00:25:20,830
you know claim disobey that I do and

583
00:25:25,740 --> 00:25:24,250
show me the video you want to see Dick

584
00:25:26,100 --> 00:25:25,750
Cheney with this [h__\h] hand on the

585
00:25:27,750 --> 00:25:26,110
button

586
00:25:29,370 --> 00:25:27,760
you know like blowing [h__\h] up or

587
00:25:31,380 --> 00:25:29,380
something I you know I don't know what

588
00:25:36,540 --> 00:25:31,390

happened the night you this black-eyed

589

00:25:38,640 --> 00:25:36,550

stuff yeah whatever I don't buy it it's

590

00:25:40,710 --> 00:25:38,650

it's the same as chupacabra it's like

591

00:25:42,750 --> 00:25:40,720

yeah I so you know so anybody on the

592

00:25:43,710 --> 00:25:42,760

street can say I saw this I saw that I

593

00:25:48,450 --> 00:25:43,720

don't buy it

594

00:25:50,880 --> 00:25:48,460

I like evidence it's stuff and I told

595

00:25:53,280 --> 00:25:50,890

you with you why wouldn't there be some

596

00:25:56,190 --> 00:25:53,290

security camera footage why can't there

597

00:25:58,980 --> 00:25:56,200

be why can't there be some photographic

598

00:26:02,250 --> 00:25:58,990

evidence of these kids it always comes

599

00:26:04,680 --> 00:26:02,260

back at them because look everything is

600

00:26:06,450 --> 00:26:04,690

so unbelievable it really is and so when

601
00:26:07,950 --> 00:26:06,460
he comes down to the UFO phenomenon or

602
00:26:10,290 --> 00:26:07,960
any of this paranormal stuff especially

603
00:26:12,390 --> 00:26:10,300
Bigfoot to take a goddamn picture at

604
00:26:13,320 --> 00:26:12,400
high resolution and if you're taking a

605
00:26:15,570 --> 00:26:13,330
video

606
00:26:17,940 --> 00:26:15,580
my biggest concern with these Bigfoot

607
00:26:18,420 --> 00:26:17,950
things is you can't take a picture on

608
00:26:21,420 --> 00:26:18,430
your phone

609
00:26:23,430 --> 00:26:21,430
which there are many megapixels and did

610
00:26:25,880 --> 00:26:23,440
not even be shaky okay same with UFO

611
00:26:28,380 --> 00:26:25,890
guys have the Verizon have some kind of

612
00:26:30,419 --> 00:26:28,390
other visual element they're not just

613
00:26:32,399 --> 00:26:30,429

the sky and also leaned up

614

00:26:35,999 --> 00:26:32,409

against a wall to balance yourself or

615

00:26:37,019 --> 00:26:36,009

get on the ground it's yes so that we're

616

00:26:40,739 --> 00:26:37,029

not all getting nauseous

617

00:26:43,440 --> 00:26:40,749

yeah crappy video there's I I'm troubled

618

00:26:45,960 --> 00:26:43,450

by all this stuff I'm troubled that we

619

00:26:48,029 --> 00:26:45,970

don't have a basic entry-level

620

00:26:50,930 --> 00:26:48,039

photography class in high school now

621

00:26:52,919 --> 00:26:50,940

I mean everyone has a basically a camera

622

00:26:57,539 --> 00:26:52,929

everyone should know how to [h__\h] use

623

00:27:00,419 --> 00:26:57,549

it for all these such instances shoot

624

00:27:04,680 --> 00:27:00,429

your camera and stop doing it vertical

625

00:27:07,919 --> 00:27:04,690

you dull studied the news this that's me

626

00:27:09,539 --> 00:27:07,929

this this makes me angry but I may be up

627

00:27:11,159 --> 00:27:09,549

maybe people will become more aware of

628

00:27:12,239 --> 00:27:11,169

this stuff or be willing to take

629

00:27:14,460 --> 00:27:12,249

pictures of this stuff now that the

630

00:27:16,769 --> 00:27:14,470

x-files is popular once again I don't

631

00:27:18,840 --> 00:27:16,779

know I mean maybe maybe that's know

632

00:27:20,009 --> 00:27:18,850

maybe are maybe x-files will make people

633

00:27:21,600 --> 00:27:20,019

a little bit more curious about the

634

00:27:26,899 --> 00:27:21,610

stuff that is on the show I think before

635

00:27:29,430 --> 00:27:26,909

I I want airily will myself to go to the

636

00:27:31,470 --> 00:27:29,440

space with the aliens and they get probe

637

00:27:33,090 --> 00:27:31,480

me or whatever I mean don't kill me I

638

00:27:35,070 --> 00:27:33,100

don't want to die or anything but I out

639

00:27:36,960 --> 00:27:35,080

go and I'd be like alright so you need

640

00:27:39,029 --> 00:27:36,970

to take out the bushes the clintons kind

641

00:27:40,889 --> 00:27:39,039

of suck if you want this planet to be

642

00:27:43,289 --> 00:27:40,899

peaceful like here's here's the thing I

643

00:27:45,169 --> 00:27:43,299

would die well I would welcome an alien

644

00:27:49,739 --> 00:27:45,179

invasion as long as they took out these

645

00:27:54,060 --> 00:27:49,749

a-hole oligarch elites you know be fine

646

00:27:56,129 --> 00:27:54,070

by me yeah I hear what you're saying and

647

00:28:00,029 --> 00:27:56,139

this sounds like some kind of plot for a

648

00:28:01,919 --> 00:28:00,039

movie it would be a good movie it would

649

00:28:03,720 --> 00:28:01,929

be it would be a very cool movie there's

650

00:28:07,529 --> 00:28:03,730

this place in Austin that's the total

651
00:28:10,310 --> 00:28:07,539
sidenote but they have a terminator you

652
00:28:12,090 --> 00:28:10,320
know they like I big into the sci-fi

653
00:28:13,350 --> 00:28:12,100
post-apocalyptic stuff but there's a

654
00:28:14,820 --> 00:28:13,360
place called recess and they have all

655
00:28:17,249 --> 00:28:14,830
these old-school arcade games they just

656
00:28:20,509 --> 00:28:17,259
cost a quarter and you can play like

657
00:28:23,159 --> 00:28:20,519
Street Fighter or a Marvel vs. Capcom to

658
00:28:25,320 --> 00:28:23,169
Teenage Mutant Ninja Turtles they have

659
00:28:27,720 --> 00:28:25,330
the new Terminator the they have a Mario

660
00:28:30,119 --> 00:28:27,730
Kart game that is based off of an arcade

661
00:28:32,430 --> 00:28:30,129
or it's based off the game but it's an

662
00:28:35,789 --> 00:28:32,440
arcade version exclusive and it's - damn

663
00:28:38,039 --> 00:28:35,799

dollars what her game - yeah two bucks

664

00:28:39,659 --> 00:28:38,049

per game yeah I want to play it looks

665

00:28:41,549 --> 00:28:39,669

really cool and it's like you get the

666

00:28:43,590 --> 00:28:41,559

shells all that crazy [h__h] what am i

667

00:28:44,010 --> 00:28:43,600

sorry I can't pay for that I can't pay

668

00:28:47,640 --> 00:28:44,020

for that

669

00:28:49,590 --> 00:28:47,650

no no I don't have a pipeline Oh God I

670

00:28:53,550 --> 00:28:49,600

mean long story short these black-eyed

671

00:28:55,650 --> 00:28:53,560

kids are dumb I don't care clown babe

672

00:28:56,970 --> 00:28:55,660

you got anything else on x-files or UFOs

673

00:29:02,160 --> 00:28:56,980

you want to touch on before you move on

674

00:29:03,960 --> 00:29:02,170

anything else I think I think he does

675

00:29:05,640 --> 00:29:03,970

I'll take that as a no you might have

676

00:29:08,310 --> 00:29:05,650

died he may have dipped out for a second

677

00:29:10,980 --> 00:29:08,320

okay yeah I think we can wrap up the UFO

678

00:29:12,540 --> 00:29:10,990

segment if Jeff wants to touch on

679

00:29:17,970 --> 00:29:12,550

anything when he comes back so be it but

680

00:29:21,690 --> 00:29:17,980

here we go we're sending help

681

00:29:23,880 --> 00:29:21,700

immediately mrs. Fletcher if you want to

682

00:29:26,070 --> 00:29:23,890

join the snake or die's call give us an

683

00:29:30,180 --> 00:29:26,080

email at our botamo

684

00:29:32,730 --> 00:29:30,190

at gmail.com check out obdam protocol
