1
00:00:00,270 --> 00:00:06,710
[Applause]

2
00:00:09,030 --> 00:00:08,150
okay my second question now i'm gonna

3
00:00:10,870 --> 00:00:09,040
get off air

4
00:00:12,789 --> 00:00:10,880
so you guys can you know um talk about

5
00:00:14,390 --> 00:00:12,799
it so i'm gonna tell you a crazy story

6
00:00:18,390 --> 00:00:14,400
that happened three weeks ago

7
00:00:20,950 --> 00:00:18,400
okay because you know a crazy story

8
00:00:22,310 --> 00:00:20,960
so yeah obviously i you know i quit my

9
00:00:23,590 --> 00:00:22,320
job you know i resign

10
00:00:24,630 --> 00:00:23,600
so i'm going back home because i don't

11
00:00:25,349 --> 00:00:24,640
know what the hell is going to happen in

12
00:00:28,710 --> 00:00:25,359
this world

13
00:00:31,990 --> 00:00:28,720

and just even like my mom and whatnot so

14

00:00:32,470 --> 00:00:32,000

i was taking uber to work okay so i was

15

00:00:33,990 --> 00:00:32,480

like you know

16

00:00:35,350 --> 00:00:34,000

i don't know why the gps isn't working

17

00:00:36,470 --> 00:00:35,360

because i just i just take uber

18

00:00:39,270 --> 00:00:36,480

everywhere

19

00:00:40,869 --> 00:00:39,280

and so you know we get to my work and

20

00:00:41,430 --> 00:00:40,879

i'll take a left here it's just easy

21

00:00:44,790 --> 00:00:41,440

over here

22

00:00:47,590 --> 00:00:44,800

so what happened was

23

00:00:49,350 --> 00:00:47,600

um yeah i'm a lot of cuss right yeah you

24

00:00:51,590 --> 00:00:49,360

can cost a little bit this is a family

25

00:00:54,630 --> 00:00:51,600

show though

26

00:00:56,310 --> 00:00:54,640

at all okay oh okay so

27

00:00:57,430 --> 00:00:56,320

although i'll take a left over here you

28

00:00:58,389 --> 00:00:57,440

know like yeah because i'm looking at

29

00:01:02,069 --> 00:00:58,399

the time

30

00:01:05,590 --> 00:01:02,079

and then he's all what the [h__h] is that

31

00:01:08,950 --> 00:01:05,600

and i looked up i was like holy

32

00:01:11,990 --> 00:01:08,960

[h__h] [h__h] okay so there was this

33

00:01:14,950 --> 00:01:12,000

huge huge like

34

00:01:15,590 --> 00:01:14,960

vehicle it came down from the sky it

35

00:01:18,870 --> 00:01:15,600

made no

36

00:01:19,350 --> 00:01:18,880

noise it was black as hell and and mind

37

00:01:21,510 --> 00:01:19,360

you

38

00:01:23,190 --> 00:01:21,520

it was eight o'clock in the morning it

39

00:01:23,990 --> 00:01:23,200

was at night there was no light it was

40

00:01:25,910 --> 00:01:24,000

like not a

41

00:01:28,310 --> 00:01:25,920

silver fear or tick-tock looking

42

00:01:31,749 --> 00:01:28,320

anything it basically

43

00:01:34,870 --> 00:01:31,759

was huge and it came down

44

00:01:36,789 --> 00:01:34,880

like yo this is my uber driver so i'm

45

00:01:37,749 --> 00:01:36,799

completely sober i don't even do drugs

46

00:01:39,270 --> 00:01:37,759

anyways you know

47

00:01:41,270 --> 00:01:39,280

and he was like what the hell is that i

48

00:01:44,069 --> 00:01:41,280

just looked up and i was like

49

00:01:46,230 --> 00:01:44,079

what the [h__\h] and then it came down but

50

00:01:48,389 --> 00:01:46,240

it was huge it was black

51
00:01:50,870 --> 00:01:48,399
and it had no propellers it made no

52
00:01:52,950 --> 00:01:50,880
noise whatsoever

53
00:01:53,990 --> 00:01:52,960
but the unique thing about that because

54
00:01:55,429 --> 00:01:54,000
now i know when people

55
00:01:57,109 --> 00:01:55,439
get scared and dear to headlights

56
00:01:58,469 --> 00:01:57,119
because usually i'm the first one to run

57
00:02:00,230 --> 00:01:58,479
i was like i don't know what that is

58
00:02:03,270 --> 00:02:00,240
like i i will flee

59
00:02:05,429 --> 00:02:03,280
you know and i just sat there

60
00:02:07,350 --> 00:02:05,439
and i was like oh my gosh and he's like

61
00:02:11,110 --> 00:02:07,360
what the hell is that

62
00:02:14,550 --> 00:02:11,120
so for me to describe it it was huge

63
00:02:17,510 --> 00:02:14,560

and it looked like um

64

00:02:18,790 --> 00:02:17,520

almost it wasn't solid like you're made

65

00:02:20,949 --> 00:02:18,800

out of like metal whatever

66

00:02:21,990 --> 00:02:20,959

it almost looked like a hologram and it

67

00:02:24,949 --> 00:02:22,000

had a little tail on

68

00:02:25,990 --> 00:02:24,959

it like a helicopter okay and it just

69

00:02:29,750 --> 00:02:26,000

flowed down

70

00:02:31,830 --> 00:02:29,760

it just flowed how quickly i got scared

71

00:02:33,190 --> 00:02:31,840

how quickly did it descend like from

72

00:02:35,270 --> 00:02:33,200

where you couldn't see it in

73

00:02:37,030 --> 00:02:35,280

to where you could see it like how many

74

00:02:39,270 --> 00:02:37,040

seconds took place

75

00:02:41,350 --> 00:02:39,280

i i i think it took about like 10

76
00:02:41,589 --> 00:02:41,360
seconds okay but we had a good look at

77
00:02:43,509 --> 00:02:41,599
it

78
00:02:44,790 --> 00:02:43,519
you know and um i've only told two

79
00:02:45,990 --> 00:02:44,800
people because i don't want to sound

80
00:02:47,589 --> 00:02:46,000
crazy you know

81
00:02:49,110 --> 00:02:47,599
it happened in the morning which was

82
00:02:51,589 --> 00:02:49,120
weird and

83
00:02:53,110 --> 00:02:51,599
um yeah so so it disappeared and then i

84
00:02:56,070 --> 00:02:53,120
got scared because it went behind

85
00:02:57,910 --> 00:02:56,080
my works building and i was like uh he

86
00:02:59,509 --> 00:02:57,920
he was just like shocked i was like

87
00:03:01,110 --> 00:02:59,519
wait here for two minutes i'm gonna go

88
00:03:02,710 --> 00:03:01,120

in and pretend like i'm sick

89

00:03:03,589 --> 00:03:02,720

and i you know i want to get out of here

90

00:03:04,550 --> 00:03:03,599

because i don't i don't know what's

91

00:03:06,550 --> 00:03:04,560

going to happen

92

00:03:07,750 --> 00:03:06,560

but he left me he left that girl

93

00:03:09,670 --> 00:03:07,760

frightened the horse

94

00:03:11,110 --> 00:03:09,680

i came back out like he's like oh yeah

95

00:03:12,229 --> 00:03:11,120

he just took off all day

96

00:03:14,550 --> 00:03:12,239

okay now you're going to leave me to get

97

00:03:16,149 --> 00:03:14,560

abducted whether you know and so

98

00:03:17,589 --> 00:03:16,159

i pretend i was sick because i don't

99

00:03:18,630 --> 00:03:17,599

feel well i got a call you know i just

100

00:03:19,750 --> 00:03:18,640

had a cough and i was like well you

101
00:03:21,670 --> 00:03:19,760
better go home

102
00:03:23,350 --> 00:03:21,680
and then have some another uber driver

103
00:03:26,390 --> 00:03:23,360
which you know took 20 minutes

104
00:03:28,070 --> 00:03:26,400
so i don't know what we saw but

105
00:03:29,430 --> 00:03:28,080
my friend you know she graduated from

106
00:03:30,630 --> 00:03:29,440
berkeley she's an architect

107
00:03:32,869 --> 00:03:30,640
you know and that's one of the only

108
00:03:34,550 --> 00:03:32,879
friends you know that that i told

109
00:03:36,550 --> 00:03:34,560
besides my mom you know my mom got

110
00:03:36,869 --> 00:03:36,560
scared whatever and she wanted me drawn

111
00:03:40,869 --> 00:03:36,879
out

112
00:03:42,550 --> 00:03:40,879
but it wasn't

113
00:03:43,990 --> 00:03:42,560

like the typical uniforms like you know

114

00:03:46,229 --> 00:03:44,000

people say you know you know it's like

115

00:03:47,910 --> 00:03:46,239

silver and spear or tick-tock or you

116

00:03:51,910 --> 00:03:47,920

know it was like that

117

00:03:59,990 --> 00:03:54,949

was it like a triangle hologram nope

118

00:04:02,149 --> 00:04:00,000

it was it was like a big black

119

00:04:03,670 --> 00:04:02,159

the only thing that what i would say you

120

00:04:05,589 --> 00:04:03,680

know it's like a helicopter against that

121

00:04:06,149 --> 00:04:05,599

little tail but there's no propellers at

122

00:04:08,869 --> 00:04:06,159

all

123

00:04:10,470 --> 00:04:08,879

and there's no noise whatsoever and

124

00:04:10,949 --> 00:04:10,480

usually we have something that big come

125

00:04:12,390 --> 00:04:10,959

down like

126

00:04:14,550 --> 00:04:12,400

you could see the you know like you know

127

00:04:16,229 --> 00:04:14,560

the trees moving with arab it was like

128

00:04:18,949 --> 00:04:16,239

silent

129

00:04:20,789 --> 00:04:18,959

how far away how far away would you say

130

00:04:23,909 --> 00:04:20,799

you were from it

131

00:04:25,670 --> 00:04:23,919

oh it was like right above us okay

132

00:04:27,590 --> 00:04:25,680

it was like right above us and i think

133

00:04:29,110 --> 00:04:27,600

that's why the uber driver got so scared

134

00:04:32,550 --> 00:04:29,120

he left me i asked him

135

00:04:36,870 --> 00:04:32,560

what to do but he got so scared

136

00:04:40,710 --> 00:04:39,430

because you know i'm thinking like is

137

00:04:42,550 --> 00:04:40,720

this like you know or

138

00:04:44,310 --> 00:04:42,560

is it confirmed no first i'm not

139

00:04:45,510 --> 00:04:44,320

thinking it's a ufo because i think

140

00:04:47,110 --> 00:04:45,520

about the military because i watch the

141

00:04:47,670 --> 00:04:47,120

military channel i'm from military

142

00:04:50,310 --> 00:04:47,680

family

143

00:04:50,710 --> 00:04:50,320

you know and so i know our technology is

144

00:04:54,629 --> 00:04:50,720

like

145

00:04:55,189 --> 00:04:54,639

always told me that you know whatever

146

00:04:57,270 --> 00:04:55,199

you see

147

00:04:58,790 --> 00:04:57,280

you know with the technology you know in

148

00:05:01,350 --> 00:04:58,800

the military

149

00:05:02,950 --> 00:05:01,360

the 30 30 years ahead probably yeah

150

00:05:06,070 --> 00:05:02,960

that's going to show the public

151

00:05:07,670 --> 00:05:06,080

yeah so i don't know what it is but i

152

00:05:10,310 --> 00:05:07,680

was thinking project moving on

153

00:05:10,950 --> 00:05:10,320

or are they starting are they testing

154

00:05:13,189 --> 00:05:10,960

because

155

00:05:14,550 --> 00:05:13,199

i think 90 percent of uofl signings is

156

00:05:15,430 --> 00:05:14,560

basically military testing

157

00:05:18,070 --> 00:05:15,440

because i have a lot of friends in the

158

00:05:21,189 --> 00:05:18,080

military still very blessed

159

00:05:24,390 --> 00:05:21,199

and um so okay

160

00:05:26,390 --> 00:05:24,400

hey thank you for the story okay

161

00:05:27,749 --> 00:05:26,400

was there did you did you experience

162

00:05:33,670 --> 00:05:27,759

real quick did you experience any

163

00:05:37,270 --> 00:05:35,270

um i don't want to keep you guys on the

164

00:05:40,150 --> 00:05:37,280

phone that long so

165

00:05:41,350 --> 00:05:40,160

okay i'll guess what i guess i'll be you

166

00:05:43,350 --> 00:05:41,360

know another call but

167

00:05:45,590 --> 00:05:43,360

i guess the next time i'm going to talk

168

00:05:47,510 --> 00:05:45,600

to you guys is you know after my move so

169

00:05:50,629 --> 00:05:47,520

i'll

170

00:05:51,670 --> 00:05:50,639

i'm moving you know to santa cruz good

171

00:05:56,550 --> 00:05:51,680

luck

172

00:05:58,920 --> 00:05:56,560

and we'll talk to you next time

173

00:06:01,110 --> 00:05:58,930

okay thank you bye

174

00:06:05,270 --> 00:06:01,120

[Music]

175

00:06:07,110 --> 00:06:05,280

wow okay okay thank you for your call

176
00:06:09,029 --> 00:06:07,120
maybe i'll ask her next time maybe maybe

177
00:06:09,430 --> 00:06:09,039
there's more to the missing time thing

178
00:06:13,830 --> 00:06:09,440
than

179
00:06:18,309 --> 00:06:13,840
but a dark vehicle

180
00:06:22,550 --> 00:06:20,070
dark vehicle descending from the sky

181
00:06:25,590 --> 00:06:22,560
hovering scaring the crap out of her her

182
00:06:29,430 --> 00:06:25,600
and her her uber driver

183
00:06:33,990 --> 00:06:29,440
uh and she had to call a new uber

184
00:06:37,990 --> 00:06:34,000
but okay hey so um

185
00:06:40,230 --> 00:06:38,000
play that clip go to the go to the time

186
00:06:42,629 --> 00:06:40,240
look at this quick oh we got a call yeah

187
00:06:45,830 --> 00:06:42,639
hey caller you're on the air

188
00:06:47,990 --> 00:06:45,840

thank you um thank you

189

00:06:48,950 --> 00:06:48,000

hey what's up guys what's going on who

190

00:06:52,070 --> 00:06:48,960

are we talking to

191

00:06:54,309 --> 00:06:52,080

whoa it's jordan again hey jordan you're

192

00:06:57,589 --> 00:06:54,319

riding your neighborhood big city boy

193

00:06:59,670 --> 00:06:57,599

can we call you falcon from now on

194

00:07:00,710 --> 00:06:59,680

if you want to falcon all right all

195

00:07:02,309 --> 00:07:00,720

right

196

00:07:04,070 --> 00:07:02,319

you're a regular caller you're you're

197

00:07:05,909 --> 00:07:04,080

falcon

198

00:07:07,029 --> 00:07:05,919

i like that all right what's up guys

199

00:07:08,390 --> 00:07:07,039

what's going on is that what you were

200

00:07:08,710 --> 00:07:08,400

talking about mike is you were going to

201
00:07:10,309 --> 00:07:08,720

give

202
00:07:11,830 --> 00:07:10,319

people names like you weren't going to

203
00:07:13,670 --> 00:07:11,840

let them have their real names you were

204
00:07:16,870 --> 00:07:13,680

going to give them a sign names like

205
00:07:18,870 --> 00:07:16,880

nicknames yeah exactly okay yeah

206
00:07:20,309 --> 00:07:18,880

not a bad idea joe your falcon from now

207
00:07:21,670 --> 00:07:20,319

on all right falcon go ahead what's on

208
00:07:24,870 --> 00:07:21,680

your mind

209
00:07:26,629 --> 00:07:24,880

uh i was gonna comment on your previous

210
00:07:27,270 --> 00:07:26,639

caller i've heard her before called and

211
00:07:29,749 --> 00:07:27,280

um

212
00:07:31,510 --> 00:07:29,759

she sort of had a similar experience

213
00:07:33,350 --> 00:07:31,520

that i had with my

214

00:07:35,350 --> 00:07:33,360

kind of really only ufo encounter that i

215

00:07:37,350 --> 00:07:35,360

can remember sort of kind of the same

216

00:07:40,230 --> 00:07:37,360

situation it was in a car

217

00:07:41,029 --> 00:07:40,240

um but it was when i was a kid it was

218

00:07:43,749 --> 00:07:41,039

daylight

219

00:07:46,070 --> 00:07:43,759

and the ufo that it to me from what i

220

00:07:48,070 --> 00:07:46,080

can remember it looked like just a

221

00:07:49,510 --> 00:07:48,080

probably there's a helicopter maybe as

222

00:07:52,950 --> 00:07:49,520

big as a um

223

00:07:53,350 --> 00:07:52,960

small airplane size perfect triangle

224

00:07:56,150 --> 00:07:53,360

shaped

225

00:07:58,469 --> 00:07:56,160

ufo didn't make any noise but it did

226

00:08:00,710 --> 00:07:58,479

sped off like a real high speed

227

00:08:02,309 --> 00:08:00,720

i would probably say by the time i

228

00:08:03,990 --> 00:08:02,319

looked at it one more time it just

229

00:08:05,749 --> 00:08:04,000

blinked out of my existence

230

00:08:07,029 --> 00:08:05,759

um so i was like oh that's kind of

231

00:08:08,550 --> 00:08:07,039

interesting we sort of had the same

232

00:08:10,309 --> 00:08:08,560

similar

233

00:08:13,749 --> 00:08:10,319

different type of ufo but it was the

234

00:08:16,710 --> 00:08:13,759

same concept it was near car

235

00:08:17,110 --> 00:08:16,720

daytime or whatever and um it was a pure

236

00:08:19,990 --> 00:08:17,120

black

237

00:08:21,110 --> 00:08:20,000

no lights i couldn't even tell it was

238

00:08:22,469 --> 00:08:21,120

like made out of metal

239

00:08:25,510 --> 00:08:22,479

anything that would be considered metal

240

00:08:28,070 --> 00:08:25,520

it was just pitch black

241

00:08:29,510 --> 00:08:28,080

wow so did you experience any missing

242

00:08:30,950 --> 00:08:29,520

time and how long did your encounter

243

00:08:33,589 --> 00:08:30,960

last for

244

00:08:34,469 --> 00:08:33,599

this well from what i can remember i was

245

00:08:37,269 --> 00:08:34,479

in a car

246

00:08:38,630 --> 00:08:37,279

with my younger brother and my mom's

247

00:08:41,190 --> 00:08:38,640

boyfriend at the time

248

00:08:42,389 --> 00:08:41,200

this is probably maybe a little bit ten

249

00:08:46,470 --> 00:08:42,399

years ago

250

00:08:48,070 --> 00:08:46,480

um you were i mean to me we were stuck

251

00:08:49,269 --> 00:08:48,080

in a traffic light it was like a traffic

252

00:08:52,630 --> 00:08:49,279

on the freeway

253

00:08:54,070 --> 00:08:52,640

um heading towards atlanta and i just

254

00:08:56,870 --> 00:08:54,080

looked on one side of the road

255

00:08:58,070 --> 00:08:56,880

saw a triangle shaped object come by and

256

00:08:59,590 --> 00:08:58,080

then it went on the other side and just

257

00:09:01,910 --> 00:08:59,600

disappeared when i blinked

258

00:09:03,990 --> 00:09:01,920

um so i don't think any time sped away

259

00:09:07,990 --> 00:09:04,000

um

260

00:09:10,070 --> 00:09:08,000

ufo experience and then

261

00:09:11,350 --> 00:09:10,080

um the only other paramount thing i

262

00:09:13,110 --> 00:09:11,360

could think that ever happened to me was

263

00:09:15,190 --> 00:09:13,120

like seeing shadow people

264

00:09:16,790 --> 00:09:15,200

but um i've been dwelling into that a

265

00:09:18,790 --> 00:09:16,800

little bit more and

266

00:09:20,949 --> 00:09:18,800

they kind of go along with either a

267

00:09:23,350 --> 00:09:20,959

poltergeist or maybe it was

268

00:09:24,790 --> 00:09:23,360

some sort of like entity i kept seeing

269

00:09:27,509 --> 00:09:24,800

but um

270

00:09:29,110 --> 00:09:27,519

that was really only two paranormal

271

00:09:32,310 --> 00:09:29,120

experiences i can think of

272

00:09:33,509 --> 00:09:32,320

over the years was the the ufo encounter

273

00:09:36,470 --> 00:09:33,519

10 years ago

274

00:09:36,870 --> 00:09:36,480

can you describe the shape of that it

275

00:09:40,389 --> 00:09:36,880

was

276

00:09:42,630 --> 00:09:40,399

uh like perfect triangle triangle okay

277

00:09:44,230 --> 00:09:42,640

okay this is a black triangle black

278

00:09:46,870 --> 00:09:44,240

triangle but it was a lot smaller than

279

00:09:49,509 --> 00:09:46,880

like the famous um

280

00:09:51,269 --> 00:09:49,519

um i remembered another famous i saw it

281

00:09:52,389 --> 00:09:51,279

on um unsolved mysteries years ago but

282

00:09:53,990 --> 00:09:52,399

it was another famous

283

00:09:56,070 --> 00:09:54,000

sort of triangle ufo i think was in

284

00:09:58,389 --> 00:09:56,080

chicago or illinois

285

00:10:00,630 --> 00:09:58,399

um it was sort of similar to the phoenix

286

00:10:02,310 --> 00:10:00,640

lights where multiple people saw it

287

00:10:04,470 --> 00:10:02,320

and it slowly traveled around in one

288

00:10:06,389 --> 00:10:04,480

area to another area but um

289

00:10:08,150 --> 00:10:06,399

like i said the size of it probably as

290

00:10:11,670 --> 00:10:08,160

big as a helicopter maybe as

291

00:10:14,630 --> 00:10:11,680

large as the um small um biplane

292

00:10:16,310 --> 00:10:14,640

um but he had no noise had the wind i

293

00:10:18,470 --> 00:10:16,320

had the window down everything

294

00:10:19,350 --> 00:10:18,480

no noise whatsoever and the speed of it

295

00:10:21,430 --> 00:10:19,360

was incredible

296

00:10:23,190 --> 00:10:21,440

like like i said i barely even blinked

297

00:10:25,829 --> 00:10:23,200

and it was already

298

00:10:26,790 --> 00:10:25,839

gone in my view just how fast it moved

299

00:10:29,590 --> 00:10:26,800

um

300

00:10:30,069 --> 00:10:29,600

so like she was saying i mean it could

301
00:10:31,670 --> 00:10:30,079
be

302
00:10:33,430 --> 00:10:31,680
i don't know i always thought as growing

303
00:10:36,230 --> 00:10:33,440
up maybe was a

304
00:10:36,870 --> 00:10:36,240
u.s you know special forces kind of

305
00:10:39,910 --> 00:10:36,880
vehicle

306
00:10:42,389 --> 00:10:39,920
um but as i got older now this

307
00:10:43,509 --> 00:10:42,399
to me this seems like just a probably

308
00:10:46,310 --> 00:10:43,519
maybe an alien

309
00:10:47,590 --> 00:10:46,320
who knows but um that was the weirdest

310
00:10:48,710 --> 00:10:47,600
thing i've ever seen in my life and it

311
00:10:49,990 --> 00:10:48,720
was like the only

312
00:10:51,430 --> 00:10:50,000
paranormal experience i've ever had in

313
00:10:52,230 --> 00:10:51,440

my life better than the ufo and the

314

00:10:53,990 --> 00:10:52,240

shadow people

315

00:10:57,269 --> 00:10:54,000

and that was about it oh interesting

316

00:10:59,430 --> 00:10:57,279

stuff well hey thanks talking

317

00:11:01,350 --> 00:10:59,440

no problem and um i was gonna mention

318

00:11:02,470 --> 00:11:01,360

for the that kobe thing that you guys

319

00:11:03,750 --> 00:11:02,480

were talking about that sounded like a

320

00:11:05,990 --> 00:11:03,760

4chan joke

321

00:11:08,150 --> 00:11:06,000

to me with the whole butt plug thing oh

322

00:11:11,590 --> 00:11:08,160

yeah i'm sure

323

00:11:13,590 --> 00:11:11,600

i'm sure so i was just imagining uh

324

00:11:15,030 --> 00:11:13,600

some commercial where it's like if you

325

00:11:16,790 --> 00:11:15,040

like anal sex

326

00:11:18,630 --> 00:11:16,800

but you spray covered why did you just

327

00:11:20,150 --> 00:11:18,640

plug it up a dildo or something

328

00:11:22,069 --> 00:11:20,160

next it was a horrible joke we'll be

329

00:11:24,470 --> 00:11:22,079

walking around with counterfeit chinese

330

00:11:26,310 --> 00:11:24,480

butt plugs to save ourselves from covid

331

00:11:28,150 --> 00:11:26,320

people waddling around outside of the

332

00:11:31,430 --> 00:11:28,160

grocery store likes butt plug

333

00:11:32,870 --> 00:11:31,440

ah gold-plated butt plug yeah

334

00:11:34,870 --> 00:11:32,880

that's the way to go well hey thanks

335

00:11:35,430 --> 00:11:34,880

guys guys i hope you could have a good

336

00:11:38,470 --> 00:11:35,440

show

337

00:11:41,910 --> 00:11:38,480

and talk to you guys later all right bye

338

00:11:42,630 --> 00:11:41,920

mr falcon boom it goes falcon right

339

00:11:44,310 --> 00:11:42,640

there

340

00:11:46,150 --> 00:11:44,320

can we play this last one yeah what

341

00:11:49,509 --> 00:11:46,160

color are you on the air

342

00:11:49,910 --> 00:11:49,519

huh is this better yeah we could hear

343

00:11:53,030 --> 00:11:49,920

you

344

00:11:57,829 --> 00:11:53,040

hello hello oh okay hello hello

345

00:11:59,750 --> 00:11:57,839

hello hello what's going on buddy

346

00:12:01,350 --> 00:11:59,760

uh not too much i just wanted to call

347

00:12:04,310 --> 00:12:01,360

and share my uap

348

00:12:06,470 --> 00:12:04,320

experience uh that i had a long time ago

349

00:12:10,389 --> 00:12:06,480

oh i guess not a long time ago about

350

00:12:12,629 --> 00:12:10,399

back in 2014. um i guess i will

351

00:12:13,430 --> 00:12:12,639

uh just kind of start off by saying the

352

00:12:15,829 --> 00:12:13,440

reason why

353

00:12:17,990 --> 00:12:15,839

i decided to call on this uh specific

354

00:12:18,710 --> 00:12:18,000

topic was uh that one lady that always

355

00:12:21,750 --> 00:12:18,720

calls them

356

00:12:22,710 --> 00:12:21,760

um usually and i usually don't like to

357

00:12:25,269 --> 00:12:22,720

judge people

358

00:12:25,910 --> 00:12:25,279

but uh usually when she calls in i kind

359

00:12:28,069 --> 00:12:25,920

of just do

360

00:12:30,069 --> 00:12:28,079

you know that trump said the one that

361

00:12:33,269 --> 00:12:30,079

you guys always do yeah yeah

362

00:12:36,069 --> 00:12:33,279

um but i mean uh

363

00:12:37,910 --> 00:12:36,079

the more that i listened to her story

364

00:12:38,870 --> 00:12:37,920

the more i started thinking to myself i

365

00:12:41,990 --> 00:12:38,880

was like

366

00:12:43,829 --> 00:12:42,000

it sounds like what i saw just before

367

00:12:47,350 --> 00:12:43,839

you go on to recap she talked about

368

00:12:50,470 --> 00:12:47,360

she was in an uber and this black

369

00:12:52,710 --> 00:12:50,480

uh object dropped out of the sky and

370

00:12:56,470 --> 00:12:52,720

left her and her uber driver kind of

371

00:12:58,629 --> 00:12:56,480

stunned for about 10-15 seconds

372

00:13:00,870 --> 00:12:58,639

yes correct yep that is the story i'm

373

00:13:02,150 --> 00:13:00,880

referring to

374

00:13:03,910 --> 00:13:02,160

and she couldn't quite answer your

375

00:13:05,509 --> 00:13:03,920

question on the shape no she couldn't

376

00:13:06,310 --> 00:13:05,519

answer the question on the shape of this

377

00:13:08,069 --> 00:13:06,320

thing so maybe you

378

00:13:09,670 --> 00:13:08,079

have additional insight so please go

379

00:13:13,350 --> 00:13:09,680

ahead

380

00:13:15,990 --> 00:13:13,360

okay um so i will start off by saying

381

00:13:16,710 --> 00:13:16,000

i was up in uh i was near shelburne

382

00:13:20,230 --> 00:13:16,720

ontario

383

00:13:22,949 --> 00:13:20,240

years i was playing

384

00:13:24,550 --> 00:13:22,959

a junior hockey up there and uh it was

385

00:13:26,470 --> 00:13:24,560

me and four of my friends

386

00:13:28,069 --> 00:13:26,480

and where we were located it was

387

00:13:29,910 --> 00:13:28,079

basically in the middle of nowhere

388

00:13:31,190 --> 00:13:29,920

i mean it was a hockey school and i mean

389

00:13:33,430 --> 00:13:31,200

we would bus

390

00:13:34,870 --> 00:13:33,440

from where we were staying which was

391

00:13:35,509 --> 00:13:34,880

like the hockey school in the middle of

392

00:13:38,790 --> 00:13:35,519

nowhere

393

00:13:40,550 --> 00:13:38,800

and uh we would bus it was like a 45

394

00:13:41,430 --> 00:13:40,560

minute bus ride to like the nearest town

395

00:13:42,790 --> 00:13:41,440

that had a rink

396

00:13:45,110 --> 00:13:42,800

so we were basically in the middle of

397

00:13:46,470 --> 00:13:45,120

nowhere um and just from

398

00:13:47,990 --> 00:13:46,480

you know word of mouth i heard that

399

00:13:49,110 --> 00:13:48,000

there was like some sort of air force

400

00:13:51,670 --> 00:13:49,120

base over there

401
00:13:53,189 --> 00:13:51,680
well anyways it was about i'd say about

402
00:13:55,670 --> 00:13:53,199
like midnight 1am

403
00:13:56,870 --> 00:13:55,680
it was me and for my buddies we were in

404
00:13:59,430 --> 00:13:56,880
there and uh

405
00:14:00,230 --> 00:13:59,440
i will not confirm nor deny that we were

406
00:14:01,990 --> 00:14:00,240
um

407
00:14:03,670 --> 00:14:02,000
partaking in a little bit of the devil's

408
00:14:06,790 --> 00:14:03,680
lettuce uh

409
00:14:09,590 --> 00:14:06,800
and so we were all sitting there and uh

410
00:14:10,230 --> 00:14:09,600
at first like we're all sitting there

411
00:14:16,389 --> 00:14:10,240
and

412
00:14:17,670 --> 00:14:16,399
mean there was you know a lot of pine

413
00:14:20,550 --> 00:14:17,680

trees around us but

414

00:14:22,150 --> 00:14:20,560

beautiful night sky no like radiation or

415

00:14:24,389 --> 00:14:22,160

anything up in the uh

416

00:14:26,389 --> 00:14:24,399

like in the sky or anything that you

417

00:14:28,550 --> 00:14:26,399

could see it was just all stars

418

00:14:30,389 --> 00:14:28,560

well it looked like it was super far off

419

00:14:31,350 --> 00:14:30,399

in the distance and there was like these

420

00:14:35,269 --> 00:14:31,360

this like two

421

00:14:37,350 --> 00:14:35,279

bright lights and i'm looking at them

422

00:14:39,590 --> 00:14:37,360

and like they weren't blinking you know

423

00:14:43,189 --> 00:14:39,600

just like how a plane would or anything

424

00:14:44,470 --> 00:14:43,199

nothing like that um and so i said to my

425

00:14:46,629 --> 00:14:44,480

buddies i'm like hey

426

00:14:48,150 --> 00:14:46,639

like you guys see that out there and

427

00:14:48,550 --> 00:14:48,160

they're like yeah they're like dude

428

00:14:51,110 --> 00:14:48,560

that's

429

00:14:52,470 --> 00:14:51,120

those are just planes and like they told

430

00:14:55,350 --> 00:14:52,480

me they're like it's nothing

431

00:14:56,870 --> 00:14:55,360

so i was like okay whatever well then as

432

00:14:59,269 --> 00:14:56,880

time passed on

433

00:15:00,069 --> 00:14:59,279

those lights started getting closer and

434

00:15:01,590 --> 00:15:00,079

i'm like guys

435

00:15:03,590 --> 00:15:01,600

i mean look at this like they're getting

436

00:15:06,069 --> 00:15:03,600

closer they're not blinking what is that

437

00:15:08,069 --> 00:15:06,079

like they're perfectly spread apart and

438

00:15:10,829 --> 00:15:08,079

they're like oh yeah now i see it

439

00:15:12,790 --> 00:15:10,839

well then a little bit more time passed

440

00:15:14,870 --> 00:15:12,800

and as soon

441

00:15:16,629 --> 00:15:14,880

i don't know it was probably about this

442

00:15:18,150 --> 00:15:16,639

whole this whole encounter lasted maybe

443

00:15:20,230 --> 00:15:18,160

about 10 minutes but

444

00:15:21,750 --> 00:15:20,240

by the time it got to us and i looked

445

00:15:24,470 --> 00:15:21,760

back up it was

446

00:15:27,269 --> 00:15:24,480

maybe i would say not even like a mile

447

00:15:29,670 --> 00:15:27,279

two miles out and it was

448

00:15:30,389 --> 00:15:29,680

wide i mean that's the best way i could

449

00:15:33,189 --> 00:15:30,399

say it

450

00:15:35,030 --> 00:15:33,199

and eventually it finally like we're all

451

00:15:37,189 --> 00:15:35,040

just like watching it and just like out

452

00:15:37,590 --> 00:15:37,199

of nowhere it was just like it went from

453

00:15:39,990 --> 00:15:37,600

one

454

00:15:42,550 --> 00:15:40,000

part of the sky almost right in front of

455

00:15:44,550 --> 00:15:42,560

us and it was right above the treetops

456

00:15:45,749 --> 00:15:44,560

and i mean like we had all of our

457

00:15:47,509 --> 00:15:45,759

windows down

458

00:15:48,949 --> 00:15:47,519

and we're just looking at this thing and

459

00:15:50,790 --> 00:15:48,959

it looked like it was coming straight

460

00:15:52,470 --> 00:15:50,800

for our car

461

00:15:55,350 --> 00:15:52,480

and so like we're all sitting there just

462

00:15:57,829 --> 00:15:55,360

like not saying anything and we're like

463

00:15:59,030 --> 00:15:57,839

it's like like you see what what i see

464

00:16:02,150 --> 00:15:59,040

and everyone's like yeah

465

00:16:04,629 --> 00:16:02,160

we see what you see and so

466

00:16:07,030 --> 00:16:04,639

all of a sudden it was i would say maybe

467

00:16:09,189 --> 00:16:07,040

about 60 to 100 feet above the treetops

468

00:16:11,269 --> 00:16:09,199

and the best way that i can explain it

469

00:16:12,949 --> 00:16:11,279

and it gets to you know like

470

00:16:14,629 --> 00:16:12,959

the way that the shape is of this whole

471

00:16:17,749 --> 00:16:14,639

craft was that

472

00:16:19,910 --> 00:16:17,759

it looked like a stealth bomber but

473

00:16:21,910 --> 00:16:19,920

it was i would say about three or four

474

00:16:23,829 --> 00:16:21,920

times larger than the stealth bomber

475

00:16:25,670 --> 00:16:23,839

there was no visible cockpit

476
00:16:27,110 --> 00:16:25,680
those lights were still on the tip of

477
00:16:30,790 --> 00:16:27,120
the wings

478
00:16:33,350 --> 00:16:30,800
i mean not making a single sound

479
00:16:35,350 --> 00:16:33,360
nothing and the only thing is as it

480
00:16:35,990 --> 00:16:35,360
passed over us there is this bright blue

481
00:16:37,829 --> 00:16:36,000
orb

482
00:16:39,269 --> 00:16:37,839
on the bottom of it i don't know if you

483
00:16:42,150 --> 00:16:39,279
know if that's

484
00:16:44,710 --> 00:16:42,160
like a weapon or what it was but it was

485
00:16:47,670 --> 00:16:44,720
like a pulsating blue light like it was

486
00:16:48,710 --> 00:16:47,680
almost like a bluish purple and it flew

487
00:16:51,670 --> 00:16:48,720
over us

488
00:16:53,189 --> 00:16:51,680

no wind no sound nothing it was just

489

00:16:56,069 --> 00:16:53,199

like it was gliding

490

00:16:57,509 --> 00:16:56,079

and it glided right over our car we all

491

00:16:59,269 --> 00:16:57,519

got out of the car and we just stood

492

00:17:01,189 --> 00:16:59,279

there and we watched it and it just kept

493

00:17:01,829 --> 00:17:01,199

gliding and it just glided off into the

494

00:17:05,429 --> 00:17:01,839

distance

495

00:17:07,669 --> 00:17:05,439

and that was it fascinating

496

00:17:09,990 --> 00:17:07,679

how long how long did that entire uh

497

00:17:13,590 --> 00:17:10,000

experience last

498

00:17:14,630 --> 00:17:13,600

it was about i want to say like five to

499

00:17:17,510 --> 00:17:14,640

ten minutes

500

00:17:19,590 --> 00:17:17,520

if that that's what it was just like we

501
00:17:23,029 --> 00:17:19,600
just noticed it out in the sky

502
00:17:23,669 --> 00:17:23,039
and i was the first one to notice it and

503
00:17:25,829 --> 00:17:23,679
everyone

504
00:17:27,990 --> 00:17:25,839
like i said no one was like ah you know

505
00:17:29,990 --> 00:17:28,000
just don't worry about it you know

506
00:17:31,990 --> 00:17:30,000
but then as it got closer that's when we

507
00:17:34,230 --> 00:17:32,000
all kind of start paying attention

508
00:17:35,110 --> 00:17:34,240
and it sounds very similar it sounds

509
00:17:37,270 --> 00:17:35,120
very similar to

510
00:17:40,390 --> 00:17:37,280
like a phoenix light experience back in

511
00:17:43,669 --> 00:17:42,470
really i'd have to look into that one

512
00:17:45,830 --> 00:17:43,679
more but i mean

513
00:17:47,190 --> 00:17:45,840

yeah that's that's my story with that

514

00:17:48,870 --> 00:17:47,200

and i mean

515

00:17:50,310 --> 00:17:48,880

it's something that i'll never forget i

516

00:17:53,590 --> 00:17:50,320

mean it was massive

517

00:17:56,070 --> 00:17:53,600

and it was as black as night and i mean

518

00:17:58,070 --> 00:17:56,080

if it wasn't for those lights like we

519

00:18:00,310 --> 00:17:58,080

probably would not have seen it

520

00:18:02,150 --> 00:18:00,320

even go over our heads but man i love

521

00:18:04,950 --> 00:18:02,160

that

522

00:18:06,870 --> 00:18:04,960

similar to ones you hear before with

523

00:18:07,909 --> 00:18:06,880

those huge black triangles not the like

524

00:18:09,750 --> 00:18:07,919

stealth type

525

00:18:11,270 --> 00:18:09,760

not the like tier three people but the

526

00:18:13,990 --> 00:18:11,280

big big ones you know the

527

00:18:14,950 --> 00:18:14,000

the light in the center the dark like it

528

00:18:18,070 --> 00:18:14,960

blots out the

529

00:18:18,630 --> 00:18:18,080

stars in half the sky silent over the

530

00:18:21,029 --> 00:18:18,640

trees

531

00:18:23,190 --> 00:18:21,039

it's super similar man i know a few

532

00:18:25,029 --> 00:18:23,200

people that have seen that

533

00:18:28,710 --> 00:18:25,039

so it just makes you wonder it's so

534

00:18:30,310 --> 00:18:28,720

consistent that story yeah and that and

535

00:18:31,909 --> 00:18:30,320

that's the thing too and like even

536

00:18:34,230 --> 00:18:31,919

like i mean me and my fiance were

537

00:18:36,310 --> 00:18:34,240

driving back from her parents and like

538

00:18:38,070 --> 00:18:36,320

even before i even said anything like i

539

00:18:40,070 --> 00:18:38,080

told her this story you know

540

00:18:41,270 --> 00:18:40,080

when we first met because we got on the

541

00:18:44,070 --> 00:18:41,280

topic of you know

542

00:18:45,110 --> 00:18:44,080

aliens and ghosts and the paranormal and

543

00:18:46,950 --> 00:18:45,120

stuff and

544

00:18:48,310 --> 00:18:46,960

she looked at me and just goes that

545

00:18:50,870 --> 00:18:48,320

sounds like what you

546

00:18:51,830 --> 00:18:50,880

described to me like like the thing that

547

00:18:53,830 --> 00:18:51,840

happened to you

548

00:18:55,029 --> 00:18:53,840

and i was like yeah that's almost

549

00:18:57,190 --> 00:18:55,039

identical

550

00:18:58,870 --> 00:18:57,200

but the thing is and that was what i was

551
00:19:01,510 --> 00:18:58,880
going to question about her story was

552
00:19:03,669 --> 00:19:01,520
did she see that in the daytime

553
00:19:05,590 --> 00:19:03,679
or was it the evening when she saw that

554
00:19:08,630 --> 00:19:05,600
that was the part that really

555
00:19:10,710 --> 00:19:08,640
you know kind of boggled my mind

556
00:19:12,549 --> 00:19:10,720
was just the fact that how did she see

557
00:19:14,870 --> 00:19:12,559
that during the day and then how did no

558
00:19:17,510 --> 00:19:14,880
one else see that during the day

559
00:19:19,430 --> 00:19:17,520
that was like what really perplexed me

560
00:19:19,990 --> 00:19:19,440
ufos that size like well you what you

561
00:19:22,310 --> 00:19:20,000
saw

562
00:19:23,029 --> 00:19:22,320
that's like an airship the the phoenix

563
00:19:25,750 --> 00:19:23,039

lights

564

00:19:26,150 --> 00:19:25,760

um and everything that i've i've heard

565

00:19:28,630 --> 00:19:26,160

uh

566

00:19:29,590 --> 00:19:28,640

and read about it that's like an airship

567

00:19:33,669 --> 00:19:29,600

super

568

00:19:35,990 --> 00:19:33,679

defined there are some lights

569

00:19:36,870 --> 00:19:36,000

sometimes some people recall like a

570

00:19:39,590 --> 00:19:36,880

power source

571

00:19:40,150 --> 00:19:39,600

in the center of it um my uncle was uh

572

00:19:42,310 --> 00:19:40,160

working

573

00:19:43,669 --> 00:19:42,320

at the air force base at the time uh

574

00:19:46,870 --> 00:19:43,679

he's like a former

575

00:19:49,990 --> 00:19:46,880

uh pilot and so he's working

576

00:19:51,270 --> 00:19:50,000

pr at the the phoenix

577

00:19:53,430 --> 00:19:51,280

air force base in phoenix during the

578

00:19:56,230 --> 00:19:53,440

phoenix lights and

579

00:19:57,830 --> 00:19:56,240

he confirmed to me that his base

580

00:19:59,830 --> 00:19:57,840

commander

581

00:20:01,350 --> 00:19:59,840

uh the colonel on base there said it

582

00:20:03,590 --> 00:20:01,360

wasn't one of theirs and they scrambled

583

00:20:06,870 --> 00:20:03,600

jets up and that's what he told me

584

00:20:09,190 --> 00:20:06,880

that's what they told the press and uh

585

00:20:11,430 --> 00:20:09,200

i suspect that there are some there are

586

00:20:12,789 --> 00:20:11,440

multiple different types of ufos and

587

00:20:14,070 --> 00:20:12,799

military projects and i think one of

588

00:20:17,510 --> 00:20:14,080

those projects is

589

00:20:20,789 --> 00:20:17,520

giant kind of stealth ships like that

590

00:20:23,350 --> 00:20:20,799

um platforms basically

591

00:20:25,270 --> 00:20:23,360

now very well could be one of them but

592

00:20:26,710 --> 00:20:25,280

but see the thing is is that like from a

593

00:20:28,149 --> 00:20:26,720

physics perspective

594

00:20:30,149 --> 00:20:28,159

like especially with something that

595

00:20:31,430 --> 00:20:30,159

large like it would have to have

596

00:20:34,549 --> 00:20:31,440

something propelling it

597

00:20:36,549 --> 00:20:34,559

and i mean as far as i know like we only

598

00:20:39,029 --> 00:20:36,559

currently really have engines

599

00:20:40,630 --> 00:20:39,039

and i mean that's the part you know what

600

00:20:41,350 --> 00:20:40,640

i mean like if if you have an engine

601
00:20:44,710 --> 00:20:41,360
running

602
00:20:47,350 --> 00:20:44,720
you have to have some sort of exhaust

603
00:20:48,870 --> 00:20:47,360
yeah that's where it gets freaky and

604
00:20:50,789 --> 00:20:48,880
that's where it goes into this

605
00:20:52,470 --> 00:20:50,799
super secret technology and they if they

606
00:20:55,270 --> 00:20:52,480
got this kind of stuff

607
00:20:56,950 --> 00:20:55,280
super powerful engines um that are

608
00:20:59,510 --> 00:20:56,960
really efficient then

609
00:21:00,070 --> 00:20:59,520
they could save the planet you know they

610
00:21:05,110 --> 00:21:00,080
could

611
00:21:07,029 --> 00:21:05,120
stuff with that power source

612
00:21:08,630 --> 00:21:07,039
some people rumored that it's a rotating

613
00:21:11,110 --> 00:21:08,640

mercury like if you rotate

614

00:21:11,669 --> 00:21:11,120

mercury at a certain angle at a certain

615

00:21:15,110 --> 00:21:11,679

speed

616

00:21:17,029 --> 00:21:15,120

it produces some sort of uh lift

617

00:21:18,390 --> 00:21:17,039

kind of capability i don't know these

618

00:21:19,190 --> 00:21:18,400

are those are all rumors and like the

619

00:21:21,669 --> 00:21:19,200

tier 3b

620

00:21:23,510 --> 00:21:21,679

stuff like which is rumored as well and

621

00:21:26,310 --> 00:21:23,520

the project orion

622

00:21:28,149 --> 00:21:26,320

um i i have no doubt you saw something

623

00:21:31,430 --> 00:21:28,159

it's just kind of pinpoint point down

624

00:21:33,350 --> 00:21:31,440

was it made here on earth or not

625

00:21:34,789 --> 00:21:33,360

one other thing that i forgot to mention

626
00:21:37,909 --> 00:21:34,799
in my story too

627
00:21:40,230 --> 00:21:37,919
was that the fact that it

628
00:21:42,230 --> 00:21:40,240
wasn't i mean you look at a stealth

629
00:21:43,909 --> 00:21:42,240
bomber right and i mean i'm talking i'm

630
00:21:44,630 --> 00:21:43,919
not talking about how wide it was i was

631
00:21:48,230 --> 00:21:44,640
talking

632
00:21:51,270 --> 00:21:48,240
about like how

633
00:21:52,470 --> 00:21:51,280
like like the height of it i would say

634
00:21:54,870 --> 00:21:52,480
that i mean it was

635
00:21:57,590 --> 00:21:54,880
thin that was the other part too that

636
00:21:59,510 --> 00:21:57,600
like like i said there was no cockpit

637
00:22:00,950 --> 00:21:59,520
on it or anything it was just that blue

638
00:22:04,390 --> 00:22:00,960

light at the bottom and it was

639

00:22:07,750 --> 00:22:04,400

thin i would say no more than

640

00:22:10,789 --> 00:22:07,760

10 feet in height it's that and it was

641

00:22:12,710 --> 00:22:10,799

very streamlined and i mean

642

00:22:14,390 --> 00:22:12,720

with it being dark too i mean it's hard

643

00:22:17,430 --> 00:22:14,400

to see body lines as it is

644

00:22:19,590 --> 00:22:17,440

but i mean it was i mean

645

00:22:21,190 --> 00:22:19,600

the the closest thing that i could

646

00:22:22,149 --> 00:22:21,200

describe it to is definitely like a

647

00:22:24,710 --> 00:22:22,159

stealth bomber

648

00:22:26,390 --> 00:22:24,720

but i mean the thing is is that with

649

00:22:27,190 --> 00:22:26,400

physics especially with something that

650

00:22:29,430 --> 00:22:27,200

large

651
00:22:31,110 --> 00:22:29,440
it didn't move any of the trees like

652
00:22:32,870 --> 00:22:31,120
anything that is flying like that even

653
00:22:33,750 --> 00:22:32,880
if it's gliding it's going to have some

654
00:22:36,230 --> 00:22:33,760
sort of

655
00:22:37,909 --> 00:22:36,240
you know like wind coming off of it or

656
00:22:38,470 --> 00:22:37,919
it's going to be you know exasperating

657
00:22:40,149 --> 00:22:38,480
when

658
00:22:42,070 --> 00:22:40,159
below it it's going to be pushing the

659
00:22:43,750 --> 00:22:42,080
wind off from the sides

660
00:22:45,830 --> 00:22:43,760
anything like that the trees did not

661
00:22:48,549 --> 00:22:45,840
move one bit and it was

662
00:22:49,990 --> 00:22:48,559
at a height that i mean especially with

663
00:22:51,110 --> 00:22:50,000

something that large moving through the

664

00:22:53,350 --> 00:22:51,120

sky

665

00:22:54,710 --> 00:22:53,360

it definitely would have made some sort

666

00:22:56,149 --> 00:22:54,720

of ruckus or it would have moved the

667

00:22:58,870 --> 00:22:56,159

trees the trees didn't move

668

00:23:00,549 --> 00:22:58,880

it was like time was standing still and

669

00:23:01,830 --> 00:23:00,559

just us and the ship were just like the

670

00:23:03,510 --> 00:23:01,840

only ones actually

671

00:23:05,110 --> 00:23:03,520

moving or just like watching this thing

672

00:23:06,630 --> 00:23:05,120

fly through the sky like everything was

673

00:23:07,990 --> 00:23:06,640

like almost like it stood still it's not

674

00:23:11,110 --> 00:23:08,000

that like we lost time

675

00:23:13,830 --> 00:23:11,120

or anything and i mean none of us

676

00:23:14,310 --> 00:23:13,840

i mean weeds weed you know what i mean

677

00:23:16,789 --> 00:23:14,320

like

678

00:23:17,990 --> 00:23:16,799

no missing time with blaze or anything

679

00:23:20,710 --> 00:23:18,000

like i mean people can

680

00:23:22,149 --> 00:23:20,720

make that and try to you know make that

681

00:23:25,590 --> 00:23:22,159

argument all day

682

00:23:27,110 --> 00:23:25,600

what year was this i want to say it was

683

00:23:30,310 --> 00:23:27,120

like yeah it was 2014.

684

00:23:33,190 --> 00:23:30,320

2014 not that long ago okay

685

00:23:35,190 --> 00:23:33,200

mm-hmm correct and i mean it was just it

686

00:23:37,350 --> 00:23:35,200

was just the whole experience

687

00:23:38,950 --> 00:23:37,360

i mean itself and it's it's like i i

688

00:23:41,350 --> 00:23:38,960

think about it still from time to time

689

00:23:43,110 --> 00:23:41,360

it's like what did i see

690

00:23:44,549 --> 00:23:43,120

i mean when that lady i mean and when

691

00:23:46,710 --> 00:23:44,559

that lady like

692

00:23:48,390 --> 00:23:46,720

brought up that story i mean i'm like

693

00:23:50,149 --> 00:23:48,400

okay well i'm not the only one and i

694

00:23:51,029 --> 00:23:50,159

believe there was another caller that

695

00:23:53,190 --> 00:23:51,039

kind of

696

00:23:54,149 --> 00:23:53,200

i mean i think it was right after her

697

00:23:57,269 --> 00:23:54,159

and he kind of

698

00:23:59,510 --> 00:23:57,279

uh described like the same sort of

699

00:24:00,950 --> 00:23:59,520

type of thing that he saw in the sky too

700

00:24:09,430 --> 00:24:00,960

and i mean

701
00:24:13,269 --> 00:24:11,430
or some sort of secret agency definitely

702
00:24:14,310 --> 00:24:13,279
has some technology that none of us know

703
00:24:16,630 --> 00:24:14,320
about or

704
00:24:17,990 --> 00:24:16,640
it's off this planet and i mean you're a

705
00:24:19,830 --> 00:24:18,000
fool to think that

706
00:24:22,070 --> 00:24:19,840
like we're the only ones in like this

707
00:24:23,669 --> 00:24:22,080
galaxy or i mean just outside of this

708
00:24:24,390 --> 00:24:23,679
earth like only small-minded people

709
00:24:26,950 --> 00:24:24,400
think like that

710
00:24:27,990 --> 00:24:26,960
i mean if you want to be a scientist or

711
00:24:30,470 --> 00:24:28,000
you want

712
00:24:32,070 --> 00:24:30,480
if you have an educated mind or i mean

713
00:24:34,230 --> 00:24:32,080

if you want to know more like

714

00:24:36,630 --> 00:24:34,240

you have to understand and accept the

715

00:24:38,549 --> 00:24:36,640

fact that we are not the only ones

716

00:24:39,909 --> 00:24:38,559

that live in this universe or you know

717

00:24:42,070 --> 00:24:39,919

in this galaxy like

718

00:24:44,070 --> 00:24:42,080

it's it's theoretical they're

719

00:24:46,789 --> 00:24:44,080

theoretically impossible

720

00:24:48,070 --> 00:24:46,799

like i don't know that's just my opinion

721

00:24:49,190 --> 00:24:48,080

well i agree with you hey thank you for

722

00:24:50,070 --> 00:24:49,200

calling up with your story is

723

00:24:52,230 --> 00:24:50,080

fascinating

724

00:24:54,710 --> 00:24:52,240

uh call in again definitely sir thank

725

00:24:56,549 --> 00:24:54,720

you oh definitely i'm gonna uh

726

00:24:58,070 --> 00:24:56,559

give you a call i still have to call you

727

00:24:59,510 --> 00:24:58,080

about those dreams that i had a couple

728

00:25:00,390 --> 00:24:59,520

of months ago definitely want to talk

729

00:25:03,190 --> 00:25:00,400

about those with you

730

00:25:04,230 --> 00:25:03,200

um whenever you guys uh have that uh

731

00:25:09,750 --> 00:25:04,240

conversation again

732

00:25:14,310 --> 00:25:13,669

boom if you want to join the slack or d

733

00:25:17,510 --> 00:25:14,320
