

1
00:00:06,240 --> 00:00:10,070
it gets pretty dark around here

2
00:00:14,789 --> 00:00:13,030
during sundown really dark no street

3
00:00:18,390 --> 00:00:14,799
lamps

4
00:00:20,550 --> 00:00:18,400
so a canopy of trees above us so there's

5
00:00:21,990 --> 00:00:20,560
not a whole light a whole lot of star

6
00:00:30,550 --> 00:00:22,000
light

7
00:00:35,830 --> 00:00:30,560
of the back porch or front door it is

8
00:00:39,670 --> 00:00:37,910
it's creepy especially with all the

9
00:00:42,950 --> 00:00:39,680
stories that i read on the podcast

10
00:00:47,590 --> 00:00:42,960
uh concerning weird

11
00:00:51,110 --> 00:00:47,600
predator-like things in the woods

12
00:00:54,709 --> 00:00:51,120
bigfoot dog man

13
00:00:58,389 --> 00:00:54,719

goblins goblins elves and uh dwarves

14

00:01:00,310 --> 00:00:58,399

yeah it's creepy out here big time

15

00:01:01,590 --> 00:01:00,320

i don't even think bogey my dog likes it

16

00:01:02,790 --> 00:01:01,600

out here at night

17

00:01:05,429 --> 00:01:02,800

it's not that it's not the fact that i

18

00:01:16,390 --> 00:01:05,439

don't like it it's just i'm mindful

19

00:01:20,310 --> 00:01:17,990

in case you're wondering i'm using a

20

00:01:23,590 --> 00:01:20,320

cricut or a cr

21

00:01:28,789 --> 00:01:23,600

kt machete got it on a deal from

22

00:01:28,799 --> 00:01:34,870

five years ago pretty good

23

00:01:34,880 --> 00:01:50,230

does need to be sharpened

24

00:01:56,630 --> 00:01:53,429

i've been at this for i don't know feels

25

00:02:05,190 --> 00:02:01,429

there's all this tangled spiky

26

00:02:13,510 --> 00:02:05,200

branches here real pain in the ass

27

00:02:17,430 --> 00:02:15,030

this is not really how i want to spend

28

00:02:18,949 --> 00:02:17,440

my sunday but i'm enjoying it actually

29

00:02:20,550 --> 00:02:18,959

this is not bad it's a good change of

30

00:02:21,589 --> 00:02:20,560

pace since

31

00:02:23,830 --> 00:02:21,599

i've been sitting in front of the

32

00:02:27,270 --> 00:02:23,840

computer

33

00:02:31,990 --> 00:02:27,280

doing some python programming

34

00:02:35,110 --> 00:02:32,000

working on something for the podcast or

35

00:02:37,430 --> 00:02:35,120

my job i really should be reading my

36

00:02:40,470 --> 00:02:37,440

software programming books more

37

00:02:45,509 --> 00:02:40,480

i gotta get better at that

38

00:02:53,350 --> 00:02:50,550

but right now

39

00:02:55,509 --> 00:02:53,360

clearing stuff clearing the land and it

40

00:03:03,030 --> 00:02:55,519

feels nice to be outside

41

00:03:03,040 --> 00:03:11,350

if you can get outside

42

00:03:15,830 --> 00:03:14,390

get to where there's some trees some

43

00:03:21,190 --> 00:03:15,840

leaves
