

MISSING

411

Hunters
in a tree

1
00:00:00,270 --> 00:00:07,909
[Applause]

2
00:00:20,230 --> 00:00:16,150
what is all this stuff

3
00:00:20,870 --> 00:00:20,240
missing 4 11. uh-oh come back yeah i got

4
00:00:24,070 --> 00:00:20,880
some

5
00:00:27,830 --> 00:00:24,080
missing 411 i guess cases

6
00:00:28,390 --> 00:00:27,840
and some some thoughts um i was reading

7
00:00:30,470 --> 00:00:28,400
through

8
00:00:31,589 --> 00:00:30,480
the most recent book by david played as

9
00:00:35,190 --> 00:00:31,599
missing 411

10
00:00:38,150 --> 00:00:35,200
law lair are land air and water

11
00:00:39,270 --> 00:00:38,160
and towards the back the book he put i

12
00:00:42,389 --> 00:00:39,280
think three or four

13
00:00:45,750 --> 00:00:42,399

cases that i don't think he officially

14

00:00:46,549 --> 00:00:45,760

categorized as traditional missing 411

15

00:00:50,229 --> 00:00:46,559

cases

16

00:00:52,869 --> 00:00:50,239

like you know they they

17

00:00:54,389 --> 00:00:52,879

uh the person goes missing they their

18

00:00:58,549 --> 00:00:54,399

body usually winds up in water

19

00:01:02,549 --> 00:00:58,559

or near large fields of granite or

20

00:01:03,670 --> 00:01:02,559

or or uh some grant deposit a large rock

21

00:01:05,509 --> 00:01:03,680

deposit or

22

00:01:07,350 --> 00:01:05,519

dogs and canines can't find their scent

23

00:01:09,190 --> 00:01:07,360

wasn't a traditional missing four

24

00:01:11,350 --> 00:01:09,200

of 11 cases in the back of the book

25

00:01:14,310 --> 00:01:11,360

there but i found one

26
00:01:14,789 --> 00:01:14,320
and started digging around uh and found

27
00:01:17,910 --> 00:01:14,799
some

28
00:01:20,149 --> 00:01:17,920
interesting things so i'll give you a

29
00:01:23,190 --> 00:01:20,159
rundown on on this case this case is

30
00:01:27,109 --> 00:01:23,200
from 1996

31
00:01:30,710 --> 00:01:27,119
and the guy who went missing is craig

32
00:01:32,149 --> 00:01:30,720
guymon he was an elk hunter uh he was 47

33
00:01:36,149 --> 00:01:32,159
years old

34
00:01:38,149 --> 00:01:36,159
and he wound up dying of hypothermia so

35
00:01:40,710 --> 00:01:38,159
the story behind this is that he was out

36
00:01:42,950 --> 00:01:40,720
elk hunting with uh one of his friends

37
00:01:43,749 --> 00:01:42,960
he uh had his uh his rifle with them he

38
00:01:45,749 --> 00:01:43,759

thought he

39

00:01:47,749 --> 00:01:45,759

shot an elk with his rifle so he

40

00:01:48,550 --> 00:01:47,759

dismounted from his horse to go check it

41

00:01:51,109 --> 00:01:48,560

out

42

00:01:51,670 --> 00:01:51,119

his friend waited around for quite a

43

00:01:55,590 --> 00:01:51,680

while

44

00:01:59,350 --> 00:01:55,600

but craig never showed back up

45

00:02:01,990 --> 00:01:59,360

so each formed a search and rescue party

46

00:02:03,190 --> 00:02:02,000

and they found him two days later on

47

00:02:05,830 --> 00:02:03,200

october 8th

48

00:02:07,270 --> 00:02:05,840

it appeared as though craig fell out of

49

00:02:11,270 --> 00:02:07,280

a tree

50

00:02:13,990 --> 00:02:11,280

and began crawling it uh he had a broken

51
00:02:17,350 --> 00:02:14,000
femur he had other broken bones

52
00:02:21,190 --> 00:02:17,360
and the the curious thing about this

53
00:02:21,990 --> 00:02:21,200
is that he used his belt to kind of tie

54
00:02:25,190 --> 00:02:22,000
himself to

55
00:02:28,790 --> 00:02:25,200
the tree so he wouldn't fall out and his

56
00:02:31,350 --> 00:02:28,800
his boots his coat and hat were still

57
00:02:32,309 --> 00:02:31,360
up in the tree and mind you this is

58
00:02:35,509 --> 00:02:32,319
october

59
00:02:37,589 --> 00:02:35,519
and in wyoming i'm assuming it's fairly

60
00:02:40,229 --> 00:02:37,599
chilly out there so i'm not sure what

61
00:02:42,949 --> 00:02:40,239
would compel you to take off your boots

62
00:02:44,869 --> 00:02:42,959
and your jacket in october especially at

63
00:02:48,470 --> 00:02:44,879

night in wyoming

64

00:02:49,589 --> 00:02:48,480

so the guy died but he didn't die of the

65

00:02:52,470 --> 00:02:49,599

the fall

66

00:02:54,070 --> 00:02:52,480

or anything uh starvation he died of

67

00:02:56,470 --> 00:02:54,080

hypothermia

68

00:02:58,229 --> 00:02:56,480

and the the weird thing about this

69

00:02:59,910 --> 00:02:58,239

particular one

70

00:03:01,990 --> 00:02:59,920

is that he did have a rifle he was a

71

00:03:05,270 --> 00:03:02,000

hunter but his friend

72

00:03:06,630 --> 00:03:05,280

never recalled hearing three shots being

73

00:03:09,350 --> 00:03:06,640

fired so if you're

74

00:03:11,110 --> 00:03:09,360

out in the woods and you're lost or in

75

00:03:12,070 --> 00:03:11,120

distress you fight you crack off three

76

00:03:14,309 --> 00:03:12,080

shots joe

77

00:03:15,350 --> 00:03:14,319

so you can let people know hey i'm in

78

00:03:18,630 --> 00:03:15,360

trouble

79

00:03:20,470 --> 00:03:18,640

and come find me i'm over here never

80

00:03:23,750 --> 00:03:20,480

happened with this guy

81

00:03:24,630 --> 00:03:23,760

now during this little passage david

82

00:03:28,309 --> 00:03:24,640

politis

83

00:03:32,229 --> 00:03:28,319

mentioned another case he mentioned

84

00:03:35,589 --> 00:03:32,239

the the case of donald schrum

85

00:03:38,710 --> 00:03:35,599

from 1964.

86

00:03:41,190 --> 00:03:38,720

and joe this is this is a crazy one

87

00:03:41,830 --> 00:03:41,200

this is so they would play to mention

88

00:03:48,229 --> 00:03:41,840

this

89

00:03:52,149 --> 00:03:48,239
of a man who was out elk hunting as well

90

00:03:53,910 --> 00:03:52,159
and shimmied up a tree to get away from

91

00:03:56,229 --> 00:03:53,920
all the craziness that was going on

92

00:03:58,949 --> 00:03:56,239
around him i'll give you a rundown

93

00:04:00,710 --> 00:03:58,959
of donald trump this is uh uh you can

94

00:04:03,589 --> 00:04:00,720
guys look this up this is it

95

00:04:04,390 --> 00:04:03,599
i just happened out in cisco grove i'll

96

00:04:06,550 --> 00:04:04,400
see if i can bring

97

00:04:08,070 --> 00:04:06,560
the actual place of where it took place

98

00:04:10,149 --> 00:04:08,080
uh on the screen

99

00:04:11,990 --> 00:04:10,159
so this is out in california where it

100

00:04:15,589 --> 00:04:12,000
happened

101
00:04:18,150 --> 00:04:15,599
devil's peak

102
00:04:19,909 --> 00:04:18,160
in tahoe if anybody pays attention to

103
00:04:20,789 --> 00:04:19,919
the mission 411 stuff there's a lot of

104
00:04:22,629 --> 00:04:20,799
things

105
00:04:24,230 --> 00:04:22,639
that happen around places with the name

106
00:04:25,430 --> 00:04:24,240
devil in them so this happened near

107
00:04:29,189 --> 00:04:25,440
devil's peak

108
00:04:29,909 --> 00:04:29,199
so this guy donald was out on a hunting

109
00:04:33,830 --> 00:04:29,919
trip

110
00:04:37,189 --> 00:04:33,840
with a couple of his buddies and

111
00:04:39,590 --> 00:04:37,199
he wound up getting separated from

112
00:04:42,230 --> 00:04:39,600
the group the other two people and as

113
00:04:44,950 --> 00:04:42,240

night fell he decided to uh

114

00:04:46,870 --> 00:04:44,960

sleep the night away up in a tree for

115

00:04:49,030 --> 00:04:46,880

safety because out there he was he

116

00:04:50,629 --> 00:04:49,040

has heard stories that oh yeah you know

117

00:04:52,710 --> 00:04:50,639

there are bears around here just go up

118

00:04:55,510 --> 00:04:52,720

into a tree tie yourself off

119

00:04:56,950 --> 00:04:55,520

and you'll you're at least protect

120

00:04:59,590 --> 00:04:56,960

yourself from any kind of

121

00:05:00,790 --> 00:04:59,600

natural predators out there so as he

122

00:05:03,110 --> 00:05:00,800

went up the tree

123

00:05:05,430 --> 00:05:03,120

and began to tie himself off to the uh

124

00:05:08,230 --> 00:05:05,440

the tree he saw a zigzagging

125

00:05:09,430 --> 00:05:08,240

white light in the sky he at first

126

00:05:10,230 --> 00:05:09,440

thought it was a helicopter he went

127

00:05:13,029 --> 00:05:10,240

missing

128

00:05:14,390 --> 00:05:13,039

uh he uh he didn't know exactly where

129

00:05:15,830 --> 00:05:14,400

his other friends were

130

00:05:18,390 --> 00:05:15,840

and he thought they sent out search and

131

00:05:20,950 --> 00:05:18,400

rescue for me throw the helicopter but

132

00:05:21,590 --> 00:05:20,960

it wasn't the object uh the object came

133

00:05:24,310 --> 00:05:21,600

down

134

00:05:25,430 --> 00:05:24,320

and stopped about fifty yards away from

135

00:05:27,270 --> 00:05:25,440

him

136

00:05:29,590 --> 00:05:27,280

hovering in the sky just above the

137

00:05:32,790 --> 00:05:29,600

canyon the object was

138

00:05:35,670 --> 00:05:32,800

cigar in shape but had windows or panels

139

00:05:37,430 --> 00:05:35,680

that that moves in this whole thing move

140

00:05:39,029 --> 00:05:37,440

silently so you got like a big cigar

141

00:05:42,870 --> 00:05:39,039

cigar shape ufo

142

00:05:46,310 --> 00:05:42,880

moving silently and definitely not

143

00:05:48,629 --> 00:05:46,320

a helicopter uh he has pretty clear

144

00:05:49,749 --> 00:05:48,639

recollection of this entire event

145

00:05:52,629 --> 00:05:49,759

he said it was much bigger than a

146

00:05:54,230 --> 00:05:52,639

helicopter he said zoomed briefly away

147

00:05:57,350 --> 00:05:54,240

it came back

148

00:06:00,550 --> 00:05:57,360

but when he came back it had a scout

149

00:06:02,710 --> 00:06:00,560

ship with at least that's how he uh

150

00:06:04,950 --> 00:06:02,720

put it is that it wasn't that the main

151
00:06:06,790 --> 00:06:04,960
mother ship it was a smaller

152
00:06:08,950 --> 00:06:06,800
scout ship that detached from this much

153
00:06:12,629 --> 00:06:08,960
larger larger uh cigar shape

154
00:06:13,350 --> 00:06:12,639
ufo in this scout ship wound up landing

155
00:06:16,469 --> 00:06:13,360
down

156
00:06:18,950 --> 00:06:16,479
about 50 yards away from him

157
00:06:20,629 --> 00:06:18,960
so at that point in time donald's like

158
00:06:21,909 --> 00:06:20,639
screw this i'm going back up into the

159
00:06:24,230 --> 00:06:21,919
tree

160
00:06:25,590 --> 00:06:24,240
uh you know he came down initially from

161
00:06:26,550 --> 00:06:25,600
the tree because he thought he was being

162
00:06:28,150 --> 00:06:26,560
rescued

163
00:06:29,990 --> 00:06:28,160

when he saw me when he saw the initial

164

00:06:30,790 --> 00:06:30,000

light in the sky but now he wasn't being

165

00:06:34,469 --> 00:06:30,800

rescued he

166

00:06:35,189 --> 00:06:34,479

uh is having a ufo encounter so as one

167

00:06:37,350 --> 00:06:35,199

might do

168

00:06:38,390 --> 00:06:37,360

you get up into a tree for safety when

169

00:06:40,870 --> 00:06:38,400

ufos appear

170

00:06:41,909 --> 00:06:40,880

i know everybody knows that aliens can't

171

00:06:43,909 --> 00:06:41,919

climb trees yeah

172

00:06:47,110 --> 00:06:43,919

i it's it's common knowledge at this

173

00:06:49,510 --> 00:06:47,120

point but this is back in 1964.

174

00:06:51,830 --> 00:06:49,520

and and mind you this guy donald trump

175

00:06:56,390 --> 00:06:51,840

didn't really pay attention ufos

176

00:06:58,950 --> 00:06:56,400

uh he was a pretty um

177

00:07:00,309 --> 00:06:58,960

pretty i would say straight ahead didn't

178

00:07:01,510 --> 00:07:00,319

really go off the beaten path kind of

179

00:07:04,870 --> 00:07:01,520

guy he worked for

180

00:07:06,629 --> 00:07:04,880

um a company aerojet that had numerous

181

00:07:07,670 --> 00:07:06,639

missile contracts with the united states

182

00:07:10,230 --> 00:07:07,680

government

183

00:07:11,189 --> 00:07:10,240

so this guy uh no dummy had a good

184

00:07:13,670 --> 00:07:11,199

career going

185

00:07:14,469 --> 00:07:13,680

didn't really spend a lot of times

186

00:07:17,990 --> 00:07:14,479

indulging

187

00:07:21,670 --> 00:07:18,000

in thoughts of ufos so the scout ship

188

00:07:25,189 --> 00:07:21,680

la lands down about fifty yards away

189

00:07:27,670 --> 00:07:25,199

donald goes back up into the tree

190

00:07:29,110 --> 00:07:27,680

at that point after uh he saw two

191

00:07:31,749 --> 00:07:29,120

humanoids

192

00:07:32,710 --> 00:07:31,759

start to approach him now these two

193

00:07:34,790 --> 00:07:32,720

humanoids

194

00:07:37,189 --> 00:07:34,800

he said they were about five feet tall

195

00:07:40,469 --> 00:07:37,199

dressed in tightly fitting

196

00:07:43,589 --> 00:07:40,479

light-colored one-piece uniforms

197

00:07:44,950 --> 00:07:43,599

uh they both had two large circular eyes

198

00:07:46,150 --> 00:07:44,960

that made it seem like the creatures

199

00:07:48,230 --> 00:07:46,160

were wearing like a

200

00:07:49,990 --> 00:07:48,240

like welder's goggles that's how he put

201
00:07:53,110 --> 00:07:50,000
it and they were just

202
00:07:53,830 --> 00:07:53,120
going around uh collecting samples of

203
00:07:55,189 --> 00:07:53,840
stuff

204
00:07:57,350 --> 00:07:55,199
it didn't seem like they were paying

205
00:08:00,309 --> 00:07:57,360
donald much attention they didn't pay

206
00:08:01,110 --> 00:08:00,319
any attention to the human in the tree

207
00:08:04,629 --> 00:08:01,120
uh

208
00:08:06,629 --> 00:08:04,639
crap in his pants at the site of ufos

209
00:08:08,230 --> 00:08:06,639
and at that point like donald status

210
00:08:09,589 --> 00:08:08,240
like i'm just trying to remain silent

211
00:08:11,670 --> 00:08:09,599
i'm trying to

212
00:08:13,589 --> 00:08:11,680
just pray that they don't notice me up

213
00:08:15,110 --> 00:08:13,599

here while they collect rocks and

214

00:08:18,150 --> 00:08:15,120

lizards whatever they gotta do

215

00:08:21,270 --> 00:08:18,160

i'm just gonna stay quiet and maybe this

216

00:08:22,950 --> 00:08:21,280

go away well the

217

00:08:25,110 --> 00:08:22,960

two humanoid figures wound up

218

00:08:27,589 --> 00:08:25,120

approaching his tree

219

00:08:30,629 --> 00:08:27,599

and they made it to the base of the tree

220

00:08:32,870 --> 00:08:30,639

and they started to look up at him

221

00:08:34,310 --> 00:08:32,880

as is devil's peak that one that's like

222

00:08:37,350 --> 00:08:34,320

super flat on top

223

00:08:38,870 --> 00:08:37,360

you know i'm not sure um it's it looks

224

00:08:39,990 --> 00:08:38,880

absolutely beautiful it's in tahoe you

225

00:08:42,790 --> 00:08:40,000

can just type if you

226

00:08:43,430 --> 00:08:42,800

go to google tower yeah devil's tower

227

00:08:46,550 --> 00:08:43,440

that's in

228

00:08:47,590 --> 00:08:46,560

i believe either one of one of the

229

00:08:49,990 --> 00:08:47,600

dakotas

230

00:08:51,269 --> 00:08:50,000

i believe but yet devil's power was

231

00:08:54,470 --> 00:08:51,279

featured in

232

00:08:55,670 --> 00:08:54,480

those encounters of the third kind very

233

00:08:56,790 --> 00:08:55,680

famous i've been there so it's

234

00:08:59,269 --> 00:08:56,800

absolutely

235

00:09:01,190 --> 00:08:59,279

it looks crazy as hell did you get up on

236

00:09:04,630 --> 00:09:01,200

the top i'd love to get up there

237

00:09:07,910 --> 00:09:04,640

when we uh i was probably i would say

238

00:09:08,710 --> 00:09:07,920

eight at that time and my my parents

239

00:09:11,590 --> 00:09:08,720

decided to do

240

00:09:13,110 --> 00:09:11,600

that drive across the country like uh

241

00:09:15,910 --> 00:09:13,120

the griswold family and

242

00:09:17,190 --> 00:09:15,920

national lampoon's vacation and uh we

243

00:09:19,670 --> 00:09:17,200

all hopped in the station wagon

244

00:09:20,310 --> 00:09:19,680

and one of our first stops was out there

245

00:09:21,990 --> 00:09:20,320

and

246

00:09:23,670 --> 00:09:22,000

i didn't go up to the top there were

247

00:09:26,710 --> 00:09:23,680

rock climbers scaling

248

00:09:28,389 --> 00:09:26,720

the side of devils you know devils tower

249

00:09:29,910 --> 00:09:28,399

it was just crazy

250

00:09:31,910 --> 00:09:29,920

that's what cretchet is saying that's

251

00:09:33,269 --> 00:09:31,920

the only way up there there's no trails

252

00:09:34,389 --> 00:09:33,279

unless you got a helicopter or something

253

00:09:35,430 --> 00:09:34,399

like that you ain't getting up there

254

00:09:40,150 --> 00:09:35,440

yeah

255

00:09:41,990 --> 00:09:40,160

that this thing just juts out from the

256

00:09:43,509 --> 00:09:42,000

earth and i do one of the things i do

257

00:09:45,430 --> 00:09:43,519

remember about that was the native

258

00:09:49,190 --> 00:09:45,440

american folklore around that that

259

00:09:50,310 --> 00:09:49,200

uh their how those those gouges got in

260

00:09:53,190 --> 00:09:50,320

the side of the rock

261

00:09:54,630 --> 00:09:53,200

is uh according to like one of the

262

00:09:57,910 --> 00:09:54,640

native american folklores

263

00:09:58,710 --> 00:09:57,920

a giant bear was trying to scale up and

264

00:10:02,069 --> 00:09:58,720

all those

265

00:10:03,670 --> 00:10:02,079

straight marks are from

266

00:10:05,670 --> 00:10:03,680

like giant bear marks i found that to be

267

00:10:07,910 --> 00:10:05,680

fascinating that that one little piece

268

00:10:09,190 --> 00:10:07,920

stuck with me for 40 years not anything

269

00:10:12,389 --> 00:10:09,200

else

270

00:10:15,430 --> 00:10:12,399

um so back to donald

271

00:10:18,710 --> 00:10:15,440

donald trump in a tree with

272

00:10:19,829 --> 00:10:18,720

two humanoid aliens below him collecting

273

00:10:21,269 --> 00:10:19,839

lizards and rocks

274

00:10:22,710 --> 00:10:21,279

they were collecting lizard rocks they

275

00:10:23,990 --> 00:10:22,720

saw a donald on the streets like hey

276

00:10:25,350 --> 00:10:24,000

look at that human over there let's go

277

00:10:26,790 --> 00:10:25,360

check them out so that now they're

278

00:10:30,230 --> 00:10:26,800

standing below

279

00:10:33,670 --> 00:10:30,240

the tree he was in in and

280

00:10:34,150 --> 00:10:33,680

they looked up at him and what donald

281

00:10:37,350 --> 00:10:34,160

noticed

282

00:10:39,590 --> 00:10:37,360

is that he started to hear

283

00:10:41,350 --> 00:10:39,600

things as if there were there was some

284

00:10:42,870 --> 00:10:41,360

sort of communication going on between

285

00:10:45,990 --> 00:10:42,880

these two entities

286

00:10:48,069 --> 00:10:46,000

and the ship it sounded to him

287

00:10:50,310 --> 00:10:48,079

it sounded it sounded like an almost

288

00:10:52,870 --> 00:10:50,320

like owl noises like cooing

289

00:10:54,150 --> 00:10:52,880

or hooting sounds they would make it and

290

00:10:54,949 --> 00:10:54,160

then they would hear some sort of

291

00:10:58,829 --> 00:10:54,959

transmission

292

00:11:01,190 --> 00:10:58,839

from the ship uh after

293

00:11:03,350 --> 00:11:01,200

uh after that

294

00:11:04,310 --> 00:11:03,360

it seems like the the human that those

295

00:11:08,470 --> 00:11:04,320

these humanoids

296

00:11:09,829 --> 00:11:08,480

really didn't care that much about him

297

00:11:12,310 --> 00:11:09,839

uh and they they went about their

298

00:11:13,670 --> 00:11:12,320

business a little bit then he said after

299

00:11:17,110 --> 00:11:13,680

some time passed

300

00:11:20,230 --> 00:11:17,120

then a robot showed up

301
00:11:21,990 --> 00:11:20,240
i mean coming through the brush and from

302
00:11:22,790 --> 00:11:22,000
the same direction as the two humanoids

303
00:11:26,550 --> 00:11:22,800
a robot

304
00:11:28,870 --> 00:11:26,560
showed up with glowing red eyes

305
00:11:30,550 --> 00:11:28,880
and that kind of illuminated the robotic

306
00:11:31,110 --> 00:11:30,560
uh face this thing where it kind of had

307
00:11:35,590 --> 00:11:31,120
like

308
00:11:40,470 --> 00:11:35,600
traditional

309
00:11:42,150 --> 00:11:40,480
like 50s kind of science fiction robot

310
00:11:43,910 --> 00:11:42,160
and like all the descriptions he's

311
00:11:47,190 --> 00:11:43,920
giving

312
00:11:49,350 --> 00:11:47,200
look like almost like props

313
00:11:51,110 --> 00:11:49,360

from like the 50s and 60s like those

314

00:11:52,310 --> 00:11:51,120
science fiction movies you'd see

315

00:11:53,750 --> 00:11:52,320
maybe that's the only thing he could

316

00:11:55,430 --> 00:11:53,760
relate to at the time when he was

317

00:11:57,190 --> 00:11:55,440
describing these creatures

318

00:11:58,710 --> 00:11:57,200
but when it wasn't like anything

319

00:12:00,470 --> 00:11:58,720
far-fetched uh

320

00:12:02,150 --> 00:12:00,480
it looked everything he was describing

321

00:12:02,949 --> 00:12:02,160
looked like uh they could have been out

322

00:12:06,069 --> 00:12:02,959
of like

323

00:12:09,030 --> 00:12:06,079
um an edward movie so the robot

324

00:12:11,350 --> 00:12:09,040
shows up with glowing red eyes um that

325

00:12:13,030 --> 00:12:11,360
illuminated his uh his face and jaw

326

00:12:16,310 --> 00:12:13,040

it was either covered in metallic

327

00:12:19,190 --> 00:12:16,320

material or it was just like a robot

328

00:12:20,790 --> 00:12:19,200

with you know metal uh it was about the

329

00:12:22,870 --> 00:12:20,800

same height as the others

330

00:12:24,710 --> 00:12:22,880

but it moved very mechanically it wasn't

331

00:12:25,910 --> 00:12:24,720

fluid like it was organic doesn't didn't

332

00:12:29,670 --> 00:12:25,920

move like uh

333

00:12:30,389 --> 00:12:29,680

me or you it kind of very undulated like

334

00:12:34,470 --> 00:12:30,399

a

335

00:12:36,629 --> 00:12:34,480

point

336

00:12:37,509 --> 00:12:36,639

donald remembers being rendered

337

00:12:40,550 --> 00:12:37,519

unconscious

338

00:12:43,110 --> 00:12:40,560

by what the robot breathed

339

00:12:44,310 --> 00:12:43,120

out of his mouth so the robot approached

340

00:12:46,870 --> 00:12:44,320

the bottom of the tree

341

00:12:47,670 --> 00:12:46,880

robot i guess looked up a little bit and

342

00:12:50,870 --> 00:12:47,680

this white

343

00:12:53,190 --> 00:12:50,880

mist came out from the robot's mouth

344

00:12:54,949 --> 00:12:53,200

and donald kind of passed out he said he

345

00:12:58,230 --> 00:12:54,959

passed out for a few minutes

346

00:12:59,910 --> 00:12:58,240

and woke up and

347

00:13:01,670 --> 00:12:59,920

when he woke up you have to like have it

348

00:13:04,069 --> 00:13:01,680

come out of the mouth if it's a robot

349

00:13:04,870 --> 00:13:04,079

doesn't even need a mouth this that's

350

00:13:06,629 --> 00:13:04,880

the thing

351

00:13:08,230 --> 00:13:06,639

that's what makes this story so

352

00:13:10,389 --> 00:13:08,240

interesting why why wouldn't the the

353

00:13:11,750 --> 00:13:10,399

mist come out of like the forearms or

354

00:13:13,110 --> 00:13:11,760

out of some sort of

355

00:13:16,629 --> 00:13:13,120

rifle why does it come out of the mouth

356

00:13:18,550 --> 00:13:16,639

that's a very peculiar detail

357

00:13:20,310 --> 00:13:18,560

but he remembers it coming out like the

358

00:13:23,190 --> 00:13:20,320

mist coming out of the mouth

359

00:13:25,190 --> 00:13:23,200

him passing out waking up and he

360

00:13:27,670 --> 00:13:25,200

immediately starts to drive

361

00:13:28,710 --> 00:13:27,680

like he's kinda trying to puke or

362

00:13:31,750 --> 00:13:28,720

something

363

00:13:34,790 --> 00:13:31,760

and when he wakes up he

364

00:13:35,750 --> 00:13:34,800

uh sees like the the the two humans

365

00:13:39,030 --> 00:13:35,760

trying to scale

366

00:13:40,710 --> 00:13:39,040

up the tree to get them and he would try

367

00:13:41,430 --> 00:13:40,720

to fend them off by stomping down moving

368

00:13:43,590 --> 00:13:41,440

the tree

369

00:13:46,069 --> 00:13:43,600

at which point they got frustrated and

370

00:13:48,389 --> 00:13:46,079

didn't try to go up any further

371

00:13:50,150 --> 00:13:48,399

this continued to happen a few times at

372

00:13:52,870 --> 00:13:50,160

which point donald

373

00:13:54,550 --> 00:13:52,880

said enough is not passed now anymore he

374

00:13:57,910 --> 00:13:54,560

took out his bow

375

00:13:59,269 --> 00:13:57,920

in the racket back and shot an arrow

376

00:14:01,110 --> 00:13:59,279

at the robot hitting it right in the

377

00:14:03,509 --> 00:14:01,120

chest causing sparks to fly

378

00:14:05,670 --> 00:14:03,519

he managed to shoot off two more arrows

379

00:14:07,269 --> 00:14:05,680

uh and it kind of staggered the robot

380

00:14:09,189 --> 00:14:07,279

guy back a little bit but didn't really

381

00:14:11,590 --> 00:14:09,199

appear to do any damage

382

00:14:13,990 --> 00:14:11,600

yeah um i mean it's tough it's tough to

383

00:14:15,509 --> 00:14:14,000

hurt a robot with a bow and arrow

384

00:14:17,430 --> 00:14:15,519

and there are still what do you do with

385

00:14:20,470 --> 00:14:17,440

the aliens

386

00:14:23,110 --> 00:14:20,480

so his rationale is that the

387

00:14:24,230 --> 00:14:23,120

aliens the two humanoids weren't

388

00:14:27,110 --> 00:14:24,240

directly doing

389

00:14:27,829 --> 00:14:27,120

anything to him so he didn't feel

390

00:14:31,430 --> 00:14:27,839

compelled

391

00:14:34,310 --> 00:14:31,440

to shoot them he figured that since the

392

00:14:35,509 --> 00:14:34,320

robot was breathing this miss causing

393

00:14:39,189 --> 00:14:35,519

the pass out

394

00:14:40,550 --> 00:14:39,199

and wake up that he was the main

395

00:14:42,949 --> 00:14:40,560

aggressor here

396

00:14:45,030 --> 00:14:42,959

that was his rationale i don't know if i

397

00:14:46,310 --> 00:14:45,040

would buy that in that situation

398

00:14:48,550 --> 00:14:46,320

i would feel like they're all

399

00:14:49,509 --> 00:14:48,560

accomplices in a potential abduction at

400

00:14:52,069 --> 00:14:49,519

this point

401
00:14:52,949 --> 00:14:52,079
yeah and especially and like if you're i

402
00:14:54,870 --> 00:14:52,959
would yeah

403
00:14:56,150 --> 00:14:54,880
you you use the bow and arrow on the

404
00:14:57,829 --> 00:14:56,160
fleshy thing yeah

405
00:14:59,590 --> 00:14:57,839
and then you piss on the robot here's

406
00:15:00,870 --> 00:14:59,600
your sample i'm with you there that

407
00:15:03,269 --> 00:15:00,880
makes more sense to me

408
00:15:05,590 --> 00:15:03,279
you short that thing out yeah that makes

409
00:15:07,030 --> 00:15:05,600
much more sense to me

410
00:15:08,710 --> 00:15:07,040
but that's not what he did he fired

411
00:15:10,629 --> 00:15:08,720
three arrows wasting all his arrows

412
00:15:12,310 --> 00:15:10,639
basically on a robot that didn't it just

413
00:15:16,310 --> 00:15:12,320

kind of deflected off

414

00:15:18,069 --> 00:15:16,320

um so he donald started to get a little

415

00:15:19,990 --> 00:15:18,079

bit more frustrated at this point so he

416

00:15:21,269 --> 00:15:20,000

had some matches with him and he just

417

00:15:22,230 --> 00:15:21,279

let some match books and started

418

00:15:24,629 --> 00:15:22,240

throwing them down

419

00:15:26,069 --> 00:15:24,639

at the robot into humanoids this seemed

420

00:15:26,470 --> 00:15:26,079

to kind of perplex them and they're like

421

00:15:30,870 --> 00:15:26,480

they

422

00:15:32,150 --> 00:15:30,880

ah i don't know i don't know if i like

423

00:15:33,829 --> 00:15:32,160

fire too much we're going to leave that

424

00:15:35,189 --> 00:15:33,839

human alone for a little bit maybe it'll

425

00:15:38,470 --> 00:15:35,199

stop

426

00:15:40,150 --> 00:15:38,480

um and so they let him burn his matches

427

00:15:41,590 --> 00:15:40,160

at which point they re-approached the

428

00:15:43,189 --> 00:15:41,600

tree

429

00:15:45,269 --> 00:15:43,199

and donald started freaking out again so

430

00:15:45,910 --> 00:15:45,279

he started to tear off pieces of his

431

00:15:48,310 --> 00:15:45,920

clothing

432

00:15:49,110 --> 00:15:48,320

started to burn that throw that down and

433

00:15:51,590 --> 00:15:49,120

down at them

434

00:15:53,110 --> 00:15:51,600

he took off his hat uh set his hat on

435

00:15:54,310 --> 00:15:53,120

fire threw it at him they didn't like

436

00:15:55,829 --> 00:15:54,320

that and so they they

437

00:15:58,310 --> 00:15:55,839

the robots and the humanoids like oh

438

00:16:00,310 --> 00:15:58,320

jesus let's wait for him to stop

439

00:16:01,910 --> 00:16:00,320

burning things then maybe we could

440

00:16:04,310 --> 00:16:01,920

abduct him

441

00:16:05,189 --> 00:16:04,320

cratchit is saying shoes what about the

442

00:16:07,749 --> 00:16:05,199

shoes uh

443

00:16:09,749 --> 00:16:07,759

the shoes i didn't throw his shoes i i

444

00:16:11,990 --> 00:16:09,759

think he threw everything he could

445

00:16:14,230 --> 00:16:12,000

in fact he had a pocket full of he had

446

00:16:15,990 --> 00:16:14,240

some coins in his pocket and the last

447

00:16:17,509 --> 00:16:16,000

item that he started to really chuck at

448

00:16:20,310 --> 00:16:17,519

these things where's coins

449

00:16:22,069 --> 00:16:20,320

he threw some coins down at these uh and

450

00:16:24,230 --> 00:16:22,079

these aliens where they are

451
00:16:25,670 --> 00:16:24,240
uh they bounced off at which point that

452
00:16:28,629 --> 00:16:25,680
perplexed them they

453
00:16:29,829 --> 00:16:28,639
and they started to collect the coins

454
00:16:31,189 --> 00:16:29,839
like they

455
00:16:33,030 --> 00:16:31,199
they didn't care about anything else

456
00:16:33,430 --> 00:16:33,040
they they decided to collect the coins

457
00:16:35,269 --> 00:16:33,440
like

458
00:16:36,550 --> 00:16:35,279
they thought that was interesting so

459
00:16:37,189 --> 00:16:36,560
they took those okay you're gonna give

460
00:16:38,870 --> 00:16:37,199
us some money

461
00:16:40,470 --> 00:16:38,880
cool we'll take good luck finding a

462
00:16:42,949 --> 00:16:40,480
change machine yeah you're not gonna

463
00:16:45,269 --> 00:16:42,959

find one there's an elf centauri pal

464

00:16:46,310 --> 00:16:45,279

yeah there's a u.s find one around here

465

00:16:50,550 --> 00:16:46,320

yeah

466

00:16:53,910 --> 00:16:50,560

for most

467

00:16:58,629 --> 00:16:53,920

of the night until a second

468

00:17:00,470 --> 00:16:58,639

robot showed up a second robot showed up

469

00:17:01,749 --> 00:17:00,480

joined with the first robot at the base

470

00:17:03,590 --> 00:17:01,759

of the tree

471

00:17:05,590 --> 00:17:03,600

they somehow communicated with each

472

00:17:06,549 --> 00:17:05,600

other electronically lightning bolt shot

473

00:17:08,789 --> 00:17:06,559

between them

474

00:17:10,630 --> 00:17:08,799

and then both at the same time mister

475

00:17:12,949 --> 00:17:10,640

rose out of both of their mouths

476

00:17:14,150 --> 00:17:12,959

consuming much of the tree rising up at

477

00:17:16,549 --> 00:17:14,160

which point

478

00:17:18,069 --> 00:17:16,559

donald just passed out and the next

479

00:17:20,470 --> 00:17:18,079

thing he knows he was

480

00:17:21,429 --> 00:17:20,480

he woke up still tied to the tree at the

481

00:17:25,189 --> 00:17:21,439

top

482

00:17:29,350 --> 00:17:25,199

and he was rescued that that next day

483

00:17:31,990 --> 00:17:29,360

and he believes that he wasn't abducted

484

00:17:32,390 --> 00:17:32,000

because he put a fight and that the the

485

00:17:34,230 --> 00:17:32,400

white

486

00:17:36,630 --> 00:17:34,240

vapor for whatever reason initially

487

00:17:38,310 --> 00:17:36,640

wasn't working on him

488

00:17:40,230 --> 00:17:38,320

and so if you parallel that story that i

489

00:17:42,630 --> 00:17:40,240

just told you about donald trump

490

00:17:44,230 --> 00:17:42,640

about him fighting off aliens by using

491

00:17:45,190 --> 00:17:44,240

everything that he possibly could tying

492

00:17:47,590 --> 00:17:45,200

himself to the tree

493

00:17:48,630 --> 00:17:47,600

it mimics kind of what david plays was

494

00:17:53,190 --> 00:17:48,640

talking about

495

00:17:55,029 --> 00:17:53,200

with uh craig gaiman in 1996

496

00:17:56,630 --> 00:17:55,039

uh although diamond wind up falling out

497

00:17:58,310 --> 00:17:56,640

of the tree couldn't mean to

498

00:18:00,150 --> 00:17:58,320

either jumping on the tree or falling on

499

00:18:03,029 --> 00:18:00,160

a tree um

500

00:18:04,390 --> 00:18:03,039

but he wanted dyna hypothermia uh donald

501
00:18:06,470 --> 00:18:04,400
trump did not

502
00:18:08,310 --> 00:18:06,480
he managed to to stay alive although he

503
00:18:10,630 --> 00:18:08,320
did say in his book

504
00:18:12,630 --> 00:18:10,640
he did contemplate throwing himself off

505
00:18:13,669 --> 00:18:12,640
the cliff because he was so consumed

506
00:18:16,150 --> 00:18:13,679
with fear

507
00:18:16,950 --> 00:18:16,160
he didn't know how to uh navigate this

508
00:18:19,350 --> 00:18:16,960
situation

509
00:18:20,230 --> 00:18:19,360
he doesn't know how to fight robots joe

510
00:18:21,750 --> 00:18:20,240
and

511
00:18:23,430 --> 00:18:21,760
since he didn't know how to fight robots

512
00:18:24,870 --> 00:18:23,440
he contemplated suicide

513
00:18:26,549 --> 00:18:24,880

but he didn't do it well that's like a

514

00:18:27,750 --> 00:18:26,559

whole special

515

00:18:29,510 --> 00:18:27,760

you know you have to go through a

516

00:18:30,230 --> 00:18:29,520

separate course that's a different set

517

00:18:31,830 --> 00:18:30,240

of training

518

00:18:33,990 --> 00:18:31,840

and typically you don't get that kind of

519

00:18:35,270 --> 00:18:34,000

training in 1964 just being an al

520

00:18:37,830 --> 00:18:35,280

contour that's a very

521

00:18:39,110 --> 00:18:37,840

particular type of training i minored in

522

00:18:42,390 --> 00:18:39,120

robot fighting

523

00:18:43,830 --> 00:18:42,400

yeah that was my side class yeah

524

00:18:45,750 --> 00:18:43,840

you can get a side class you can do that

525

00:18:48,310 --> 00:18:45,760

and i think skyrim

526
00:18:48,870 --> 00:18:48,320
so one of the weird coincidences about

527
00:18:52,310 --> 00:18:48,880
this

528
00:18:54,710 --> 00:18:52,320
is that uh year so

529
00:18:55,510 --> 00:18:54,720
first off i i skipped ahead real quick

530
00:18:57,909 --> 00:18:55,520
real quick

531
00:18:58,870 --> 00:18:57,919
uh that another member of his hunting

532
00:19:01,990 --> 00:18:58,880
team so when

533
00:19:04,549 --> 00:19:02,000
when they when donald went missing

534
00:19:07,029 --> 00:19:04,559
there's a ufo in the sky well another

535
00:19:10,789 --> 00:19:07,039
member of his party that night did see

536
00:19:13,990 --> 00:19:10,799
a ufo he chalked it up to a a very slow

537
00:19:16,870 --> 00:19:14,000
moving low shooting star

538
00:19:17,830 --> 00:19:16,880

that's what he chalked it up to uh but

539

00:19:19,590 --> 00:19:17,840

years later

540

00:19:22,070 --> 00:19:19,600

uh donald and his wife decided to move

541

00:19:24,310 --> 00:19:22,080

away from that area they just wanted to

542

00:19:25,190 --> 00:19:24,320

to kind of start new and just by sheer

543

00:19:28,070 --> 00:19:25,200

coincidence

544

00:19:30,230 --> 00:19:28,080

they moved in to a house that was owned

545

00:19:34,390 --> 00:19:30,240

by his uh his hunting partner events

546

00:19:36,310 --> 00:19:34,400

so just weird stuff like that um

547

00:19:37,990 --> 00:19:36,320

so that's the the two stories i have for

548

00:19:40,870 --> 00:19:38,000

missing 411 uh

549

00:19:42,070 --> 00:19:40,880

that kind of go together but i did

550

00:19:45,430 --> 00:19:42,080

stumble across

551

00:19:48,070 --> 00:19:45,440

some other weird stuff like i can

552

00:19:49,430 --> 00:19:48,080

i won't go into this at any length today

553

00:19:52,870 --> 00:19:49,440

it might be another segment but

554

00:19:54,390 --> 00:19:52,880

a lot of times when people are in the

555

00:19:56,549 --> 00:19:54,400

presence of something paranormal whether

556

00:19:58,870 --> 00:19:56,559

it's a crop circle a ufo

557

00:20:00,070 --> 00:19:58,880

a lot of times people will see like a

558

00:20:03,350 --> 00:20:00,080

white owl or

559

00:20:04,549 --> 00:20:03,360

hear owl owl noises before or after that

560

00:20:07,029 --> 00:20:04,559

encounter

561

00:20:08,630 --> 00:20:07,039

happens all the time um there's a whole

562

00:20:10,549 --> 00:20:08,640

book written about that

563

00:20:12,789 --> 00:20:10,559

it's called uh stories from messengers

564

00:20:14,549 --> 00:20:12,799

owls ufos and a deeper reality

565

00:20:16,230 --> 00:20:14,559

i'll do a whole other segment at that

566

00:20:19,110 --> 00:20:16,240

point some point in time

567

00:20:20,870 --> 00:20:19,120

but but also joe you have owls at the

568

00:20:22,950 --> 00:20:20,880

bohemian grove

569

00:20:24,310 --> 00:20:22,960

yes don't they have uh moloch is that

570

00:20:24,870 --> 00:20:24,320

the guy's name that they pray to over

571

00:20:26,789 --> 00:20:24,880

there

572

00:20:29,270 --> 00:20:26,799

i believe that's right yeah that the

573

00:20:32,710 --> 00:20:29,280

idea being that if this is

574

00:20:35,510 --> 00:20:32,720

a uh predator a meat eater

575

00:20:36,470 --> 00:20:35,520

uh a hunter a hunter can see in the

576
00:20:40,710 --> 00:20:36,480
darkness

577
00:20:43,750 --> 00:20:40,720
yeah it's the owl is a very interesting

578
00:20:45,669 --> 00:20:43,760
um animal in the occult uh

579
00:20:46,870 --> 00:20:45,679
it's used like a lot and so bohemian

580
00:20:48,710 --> 00:20:46,880
grove um

581
00:20:50,149 --> 00:20:48,720
they use it for a variety of different

582
00:20:52,390 --> 00:20:50,159
reasons i don't even know if i i can

583
00:20:54,390 --> 00:20:52,400
maybe i can bring up the reasons here

584
00:20:55,669 --> 00:20:54,400
um but there's so many different like

585
00:20:58,710 --> 00:20:55,679
little owl things that

586
00:21:00,149 --> 00:20:58,720
that go on um in uh

587
00:21:02,630 --> 00:21:00,159
paranormal and the supernatural and

588
00:21:03,750 --> 00:21:02,640

occult so uh

589

00:21:05,590 --> 00:21:03,760

anyone from at least familiar with

590

00:21:07,750 --> 00:21:05,600

bohemian grove has come across the claim

591

00:21:10,149 --> 00:21:07,760

that a 40-foot stone owl

592

00:21:11,029 --> 00:21:10,159

uh is referenced that is referenced as

593

00:21:13,110 --> 00:21:11,039

moloch

594

00:21:15,029 --> 00:21:13,120

associated with child sacrifice in the

595

00:21:17,029 --> 00:21:15,039

bible and

596

00:21:19,029 --> 00:21:17,039

radic tradition the owl however to the

597

00:21:22,149 --> 00:21:19,039

bohemian club as well

598

00:21:23,990 --> 00:21:22,159

has traditionally symbolized wisdom

599

00:21:25,350 --> 00:21:24,000

where there's no ancient description of

600

00:21:27,750 --> 00:21:25,360

what moloch idol

601
00:21:28,950 --> 00:21:27,760
actually looked like relatively modern

602
00:21:31,590 --> 00:21:28,960
representations have

603
00:21:33,430 --> 00:21:31,600
never uh in invariably depicted a

604
00:21:35,990 --> 00:21:33,440
bullheaded statue

605
00:21:38,470 --> 00:21:36,000
uh throughout history in fact not once

606
00:21:42,310 --> 00:21:38,480
was moloch ever associated with an owl

607
00:21:44,710 --> 00:21:42,320
until that is the age of the internet so

608
00:21:45,909 --> 00:21:44,720
kind of clear that up right there yeah

609
00:21:47,990 --> 00:21:45,919
cratchit shared a link

610
00:21:49,909 --> 00:21:48,000
to uh website talking about the

611
00:21:51,430 --> 00:21:49,919
significance of the owl as it pertains

612
00:21:54,549 --> 00:21:51,440
and this is in care shop

613
00:21:56,230 --> 00:21:54,559

uh to the occult and illuminati

614

00:21:57,909 --> 00:21:56,240

uh it talks about justin bieber to start

615

00:21:59,990 --> 00:21:57,919

i don't give a crap blah blah blah you

616

00:22:01,909 --> 00:22:00,000

don't care about justin bieber and al's

617

00:22:04,070 --> 00:22:01,919

the wing creature that many view as a

618

00:22:05,750 --> 00:22:04,080

representation of wisdom actually has a

619

00:22:07,430 --> 00:22:05,760

range of associations that include

620

00:22:09,190 --> 00:22:07,440

secrets mystery mysticism and a

621

00:22:11,430 --> 00:22:09,200

connection to the underworld

622

00:22:13,510 --> 00:22:11,440

keeper of secrets it's not a coincidence

623

00:22:16,070 --> 00:22:13,520

that the owl serves as a symbol

624

00:22:17,510 --> 00:22:16,080

of the cece of the secret society called

625

00:22:19,669 --> 00:22:17,520

bohemian grove

626

00:22:20,710 --> 00:22:19,679

an elite men's club we know what that is

627

00:22:23,590 --> 00:22:20,720

uh yeah

628

00:22:26,549 --> 00:22:23,600

the club has been shrouded in a cloud of

629

00:22:28,630 --> 00:22:26,559

mr blah blah blah blah

630

00:22:31,190 --> 00:22:28,640

the native americans also see owls as

631

00:22:34,710 --> 00:22:31,200

being a keeper of sacred knowledge

632

00:22:36,470 --> 00:22:34,720

yeah as well as uh value the bird's

633

00:22:38,390 --> 00:22:36,480

ability to see at night

634

00:22:39,990 --> 00:22:38,400

it is this characteristic of the

635

00:22:42,070 --> 00:22:40,000

creature that native americans call

636

00:22:43,750 --> 00:22:42,080

upon during ceremonies when a vision of

637

00:22:46,390 --> 00:22:43,760

secret knowledge is needed

638

00:22:48,630 --> 00:22:46,400

a messenger of secrets linked to death

639

00:22:52,310 --> 00:22:48,640

in the underworld

640

00:22:55,430 --> 00:22:52,320

mineral seals the mineral seals

641

00:22:58,590 --> 00:22:55,440

what is that word i'm not looking at it

642

00:22:59,830 --> 00:22:58,600

and you're a better reader than i am

643

00:23:02,789 --> 00:22:59,840

m-i-n-e-r-v-a-l

644

00:23:05,110 --> 00:23:02,799

whatever when it comes to the bavarian

645

00:23:07,750 --> 00:23:05,120

order of the illuminati owl symbolism

646

00:23:09,350 --> 00:23:07,760

played a role with the secret society

647

00:23:12,710 --> 00:23:09,360

associated with the minerval

648

00:23:14,630 --> 00:23:12,720

academy known as

649

00:23:16,870 --> 00:23:14,640

one of the early foundations of the

650

00:23:17,909 --> 00:23:16,880

society there have been medallions and

651
00:23:20,870 --> 00:23:17,919
other artistic

652
00:23:23,350 --> 00:23:20,880
depictions that have incorporated the

653
00:23:26,789 --> 00:23:23,360
owl to represent the minerals

654
00:23:29,110 --> 00:23:26,799
uh only a few examples of such

655
00:23:30,870 --> 00:23:29,120
exist which were worn around the necks

656
00:23:33,590 --> 00:23:30,880
of minerval initiates

657
00:23:35,750 --> 00:23:33,600
the design centered on an owl holding an

658
00:23:37,750 --> 00:23:35,760
open book interesting

659
00:23:40,310 --> 00:23:37,760
it's it's crazy that the whole book

660
00:23:43,430 --> 00:23:40,320
stories from messengers it relates to

661
00:23:43,750 --> 00:23:43,440
what the owls could represent um it's

662
00:23:45,430 --> 00:23:43,760
just

663
00:23:47,350 --> 00:23:45,440

you know a lot of times the white owl

664

00:23:49,590 --> 00:23:47,360

with large eyes

665

00:23:50,549 --> 00:23:49,600

a if you look at it very quickly that

666

00:23:52,230 --> 00:23:50,559

might look like a

667

00:23:54,149 --> 00:23:52,240

like a gray alien or something like that

668

00:23:54,710 --> 00:23:54,159

so i'll pull some clips from the audio

669

00:23:56,149 --> 00:23:54,720

book and

670

00:23:58,149 --> 00:23:56,159

we'll go over to some point time it goes

671

00:23:59,750 --> 00:23:58,159

very very deep but i don't want to stick

672

00:24:01,430 --> 00:23:59,760

on the owl thing too much and just have

673

00:24:03,510 --> 00:24:01,440

one more kind of

674

00:24:05,750 --> 00:24:03,520

related story to what i talked about

675

00:24:07,350 --> 00:24:05,760

with craig story and donald schrum

676

00:24:09,110 --> 00:24:07,360

the guy who was in the tree fighting

677

00:24:10,950 --> 00:24:09,120

aliens and robots

678

00:24:13,190 --> 00:24:10,960

yeah so and cretchet shared one more

679

00:24:15,430 --> 00:24:13,200

thing where he says that there are owls

680

00:24:17,909 --> 00:24:15,440

on the epstein island and in fact there

681

00:24:18,950 --> 00:24:17,919

are when you go and you look at the

682

00:24:22,390 --> 00:24:18,960

ellen degeneres

683

00:24:24,070 --> 00:24:22,400

set building or whichever came first

684

00:24:25,669 --> 00:24:24,080

that blue and white building with the

685

00:24:26,310 --> 00:24:25,679

false front that's probably like a

686

00:24:29,350 --> 00:24:26,320

secret

687

00:24:30,630 --> 00:24:29,360

downward yeah layer kind of deal there

688

00:24:32,789 --> 00:24:30,640

is a giant owl

689

00:24:34,549 --> 00:24:32,799

gold owl i don't know that whole place

690

00:24:36,710 --> 00:24:34,559

man is this crazy

691

00:24:39,110 --> 00:24:36,720

that whole place is a giant pedo command

692

00:24:41,190 --> 00:24:39,120

base that island probably actually is

693

00:24:42,549 --> 00:24:41,200

the epstein island absolutely a giant

694

00:24:47,029 --> 00:24:42,559

peter commanders

695

00:24:49,909 --> 00:24:47,039

yeah that's definitely probably true

696

00:24:51,750 --> 00:24:49,919

um i'll bring up the story on screen

697

00:24:54,470 --> 00:24:51,760

real quick this is a headline

698

00:24:56,549 --> 00:24:54,480

the cia simulated ufo abductions in

699

00:24:57,990 --> 00:24:56,559

latin america as psychological warfare

700

00:25:01,990 --> 00:24:58,000

experiments

701
00:25:04,070 --> 00:25:02,000
dr uh jacques villa notable ufologist

702
00:25:06,149 --> 00:25:04,080
uh i'll post this link in the

703
00:25:10,710 --> 00:25:06,159
description

704
00:25:13,110 --> 00:25:10,720
uh because this is this is not unlike

705
00:25:14,870 --> 00:25:13,120
what people speculate with my labs

706
00:25:18,390 --> 00:25:14,880
military abductions

707
00:25:19,029 --> 00:25:18,400
um this is fascinating this is like from

708
00:25:20,710 --> 00:25:19,039
jack valley

709
00:25:22,310 --> 00:25:20,720
talking about the stuff in like the in

710
00:25:24,070 --> 00:25:22,320
in the 90s

711
00:25:25,430 --> 00:25:24,080
and just some quotes here i've secured a

712
00:25:27,190 --> 00:25:25,440
document confirming that the cia

713
00:25:28,789 --> 00:25:27,200

simulated ufo abductions in latin

714

00:25:31,269 --> 00:25:28,799

america brazil and argentina

715

00:25:33,269 --> 00:25:31,279

as a psychological uh warfare

716

00:25:37,750 --> 00:25:33,279

experiments

717

00:25:39,510 --> 00:25:37,760

um and he is on record talking with

718

00:25:41,990 --> 00:25:39,520

some colonels and other people within

719

00:25:45,669 --> 00:25:42,000

the air force kind of confirming this

720

00:25:47,430 --> 00:25:45,679

um so as part of the

721

00:25:49,110 --> 00:25:47,440

this is a quote i'm convinced the

722

00:25:51,110 --> 00:25:49,120

government is working on ufos

723

00:25:52,950 --> 00:25:51,120

he told me what are the chances some

724

00:25:54,789 --> 00:25:52,960

witnesses are being fooled by special

725

00:25:55,990 --> 00:25:54,799

effects developed by psychological

726

00:25:58,789 --> 00:25:56,000

warfare experiments

727

00:26:00,149 --> 00:25:58,799

i countered i thinking of cases like

728

00:26:03,029 --> 00:26:00,159

bent waters in the uk

729

00:26:04,230 --> 00:26:03,039

or uh clergy uh pontus in france they're

730

00:26:07,430 --> 00:26:04,240

pretty good he admitted

731

00:26:08,630 --> 00:26:07,440

suppose you shine a weak infrared laser

732

00:26:10,950 --> 00:26:08,640

into people's eyes

733

00:26:11,750 --> 00:26:10,960

it won't hurt them but it may induce

734

00:26:14,230 --> 00:26:11,760

postnatal

735

00:26:16,149 --> 00:26:14,240

effects experiment experiments have been

736

00:26:17,909 --> 00:26:16,159

done where you can send microwave beams

737

00:26:19,830 --> 00:26:17,919

through someone's brain

738

00:26:21,350 --> 00:26:19,840

you pick up and transmit energy patterns

739

00:26:25,430 --> 00:26:21,360

you can influence people

740

00:26:26,310 --> 00:26:25,440

make them hear things holograms have

741

00:26:29,750 --> 00:26:26,320

been used

742

00:26:31,110 --> 00:26:29,760

too so this is uh an article that came

743

00:26:34,390 --> 00:26:31,120

out this few days ago

744

00:26:35,110 --> 00:26:34,400

to kind of give light to what jacqueline

745

00:26:38,870 --> 00:26:35,120

was talking about

746

00:26:40,470 --> 00:26:38,880

in the nineteen nineties um

747

00:26:42,310 --> 00:26:40,480

almost like a project bluebeam kinda

748

00:26:45,990 --> 00:26:42,320

situation

749

00:26:48,710 --> 00:26:46,000

is so i'm i'm i'm i don't know if i

750

00:26:50,310 --> 00:26:48,720

believe this but okay if they're doing

751

00:26:52,950 --> 00:26:50,320

psychological experiments

752

00:26:54,230 --> 00:26:52,960

in latin america they're dressing up c i

753

00:26:56,789 --> 00:26:54,240

a people to look like

754

00:26:58,070 --> 00:26:56,799

aliens or they're using some kind of

755

00:27:00,710 --> 00:26:58,080

technology

756

00:27:02,470 --> 00:27:00,720

to fool latin americans into thinking

757

00:27:05,510 --> 00:27:02,480

that there is

758

00:27:06,470 --> 00:27:05,520

a ufo invasion or alien abductions why

759

00:27:09,750 --> 00:27:06,480

wouldn't they do that

760

00:27:10,549 --> 00:27:09,760

here in america as well as their

761

00:27:13,830 --> 00:27:10,559

patriots

762

00:27:14,149 --> 00:27:13,840

they never do anything like that to us

763

00:27:16,710 --> 00:27:14,159

they

764

00:27:17,510 --> 00:27:16,720

love us it's the government roads and

765

00:27:19,430 --> 00:27:17,520

stuff

766

00:27:20,870 --> 00:27:19,440

well there was a book that came out uh

767

00:27:24,470 --> 00:27:20,880

fairly recently by

768

00:27:27,269 --> 00:27:24,480

nick redfern who did a lot of digging

769

00:27:28,950 --> 00:27:27,279

about the uh rendel shim forest incident

770

00:27:31,110 --> 00:27:28,960

back in the early eighties

771

00:27:32,310 --> 00:27:31,120

a couple of army uh guys went out into

772

00:27:35,350 --> 00:27:32,320

the force because they saw

773

00:27:37,110 --> 00:27:35,360

something crashed down and it was his

774

00:27:38,549 --> 00:27:37,120

opinion that those military people did

775

00:27:40,149 --> 00:27:38,559

not encounter ufo

776

00:27:43,269 --> 00:27:40,159

they're actually part of this very

777

00:27:46,310 --> 00:27:43,279

elaborate uh psychological operation

778

00:27:49,990 --> 00:27:46,320

that it was a combination of using

779

00:27:52,389 --> 00:27:50,000

like practical effects and drugs

780

00:27:54,230 --> 00:27:52,399

to make these guys think that they had

781

00:27:55,029 --> 00:27:54,240

encountered a ufo at which point time

782

00:27:56,789 --> 00:27:55,039

those guys

783

00:27:59,269 --> 00:27:56,799

who's one of them back started reporting

784

00:28:02,710 --> 00:27:59,279

things i i don't know to

785

00:28:05,029 --> 00:28:02,720

what end what is what is the purpose of

786

00:28:07,029 --> 00:28:05,039

this other than to spread misinformation

787

00:28:10,230 --> 00:28:07,039

as some sort of cover story

788

00:28:12,950 --> 00:28:10,240

or to see how far this information

789

00:28:15,110 --> 00:28:12,960

travels word of mouth

790

00:28:15,990 --> 00:28:15,120

i'm convinced that there's probably been

791

00:28:17,430 --> 00:28:16,000

stuff like this happen

792

00:28:19,590 --> 00:28:17,440

that that has happened for a long time

793

00:28:20,470 --> 00:28:19,600

like the flatware flatwoods monster

794

00:28:23,269 --> 00:28:20,480

incident

795

00:28:24,230 --> 00:28:23,279

where all the kids and people involved

796

00:28:26,710 --> 00:28:24,240

who saw

797

00:28:27,269 --> 00:28:26,720

that weird thing on top of the hill in

798

00:28:29,909 --> 00:28:27,279

during

799

00:28:31,190 --> 00:28:29,919

the flatwoods monster monster incident

800

00:28:34,310 --> 00:28:31,200

said it looked mechanical

801
00:28:35,510 --> 00:28:34,320
it just looked like a a weird mechanical

802
00:28:38,710 --> 00:28:35,520
missile that glowed

803
00:28:39,909 --> 00:28:38,720
not unlike what donald trump saw out

804
00:28:40,389 --> 00:28:39,919
there in the woods when he was trapped

805
00:28:43,669 --> 00:28:40,399
in the

806
00:28:45,909 --> 00:28:43,679
the tree it looked like

807
00:28:48,710 --> 00:28:45,919
like kind of costumes you can make in

808
00:28:51,350 --> 00:28:48,720
that day and age

809
00:28:53,029 --> 00:28:51,360
it just makes me wonder oh what

810
00:28:55,029 --> 00:28:53,039
ultimately this is all for i'm not

811
00:28:55,669 --> 00:28:55,039
saying all missing 411 cases are like

812
00:28:57,269 --> 00:28:55,679
this

813
00:28:59,830 --> 00:28:57,279

definitely not there's some real stuff

814

00:29:02,789 --> 00:28:59,840

going on i think it's a mix of

815

00:29:03,830 --> 00:29:02,799

of different things here and it's

816

00:29:05,510 --> 00:29:03,840

important

817

00:29:07,669 --> 00:29:05,520

i think it would be really really funny

818

00:29:09,430 --> 00:29:07,679

like if you're if you're at the cia and

819

00:29:10,870 --> 00:29:09,440

you've got these alien costumes and

820

00:29:12,870 --> 00:29:10,880

you're just bored and maybe you're just

821

00:29:13,590 --> 00:29:12,880

getting into the drug stash that you're

822

00:29:16,389 --> 00:29:13,600

about to ship

823

00:29:17,510 --> 00:29:16,399

off to you know i don't know california

824

00:29:19,350 --> 00:29:17,520

or wherever

825

00:29:20,870 --> 00:29:19,360

and just like ah dude let's do a bunch

826

00:29:22,470 --> 00:29:20,880

of this cocaine smoke some weed and just

827

00:29:24,830 --> 00:29:22,480

pretend we're aliens and go [h__h] with

828

00:29:27,990 --> 00:29:24,840

the japanese

829

00:29:30,310 --> 00:29:28,000

yeah very well good

830

00:29:32,149 --> 00:29:30,320

so i mean the last part of this uh this

831

00:29:35,430 --> 00:29:32,159

article here about this information

832

00:29:36,950 --> 00:29:35,440

um richard doty is also mentioned

833

00:29:39,029 --> 00:29:36,960

multiple times in valley's books he is a

834

00:29:40,149 --> 00:29:39,039

retired air force special investigations

835

00:29:42,789 --> 00:29:40,159

officer

836

00:29:45,909 --> 00:29:42,799

and his job job was to spread this this

837

00:29:47,029 --> 00:29:45,919

information about ufos

838

00:29:49,350 --> 00:29:47,039

during his time with the air force

839

00:29:50,549 --> 00:29:49,360

spreading this information is uh

840

00:29:53,029 --> 00:29:50,559

spreading this information about the

841

00:29:55,110 --> 00:29:53,039

reality of ufos is no secret and doty in

842

00:29:56,789 --> 00:29:55,120

and in dota's case he admitted to

843

00:29:58,389 --> 00:29:56,799

infiltrating ufo circles

844

00:29:59,830 --> 00:29:58,399

along with his colleagues to feed

845

00:30:03,110 --> 00:29:59,840

ufologists and journalists

846

00:30:08,070 --> 00:30:03,120

lies in half truths so they would

847

00:30:12,470 --> 00:30:08,080

never understand any real truth um

848

00:30:14,070 --> 00:30:12,480

i i you know i think sometimes

849

00:30:17,029 --> 00:30:14,080

maybe the government does things and

850

00:30:17,350 --> 00:30:17,039

these these organizations will do things

851
00:30:18,710 --> 00:30:17,360
and

852
00:30:20,630 --> 00:30:18,720
emulate things they don't fully

853
00:30:21,110 --> 00:30:20,640
understand in order to try to understand

854
00:30:23,190 --> 00:30:21,120
them

855
00:30:24,389 --> 00:30:23,200
like they might see genuine alien

856
00:30:26,149 --> 00:30:24,399
abductions and say

857
00:30:28,149 --> 00:30:26,159
why are they taking people and they go i

858
00:30:28,549 --> 00:30:28,159
don't know why don't we start abducting

859
00:30:32,389 --> 00:30:28,559
people

860
00:30:33,909 --> 00:30:32,399
and see what happens maybe we can learn

861
00:30:36,310 --> 00:30:33,919
something about what they're doing by

862
00:30:38,710 --> 00:30:36,320
emulating exactly what they're doing

863
00:30:41,029 --> 00:30:38,720

yeah that guy keeps jacking off at the

864

00:30:43,590 --> 00:30:41,039

bus stop every day at around two o'clock

865

00:30:45,269 --> 00:30:43,600

why but let's give it a shot maybe he's

866

00:30:46,149 --> 00:30:45,279

maybe he learned something that we just

867

00:30:48,230 --> 00:30:46,159

don't know

868

00:30:49,669 --> 00:30:48,240

yeah let's okay so we'll wait until

869

00:30:52,549 --> 00:30:49,679

about 2 30

870

00:30:54,149 --> 00:30:52,559

and then we'll try it yeah i don't know

871

00:30:56,070 --> 00:30:54,159

exactly what's going on there but i

872

00:30:57,750 --> 00:30:56,080

i wanted to read the first story with

873

00:31:01,190 --> 00:30:57,760

the missing 411 case in

874

00:31:02,870 --> 00:31:01,200

missing 411 law and then

875

00:31:04,310 --> 00:31:02,880

actually tell the story of donald trump

876

00:31:05,509 --> 00:31:04,320

what david pallett has mentioned in

877

00:31:07,750 --> 00:31:05,519

there

878

00:31:08,789 --> 00:31:07,760

if you want to join the slack or disco

879

00:31:12,230 --> 00:31:08,799

give us an email

880

00:31:15,430 --> 00:31:12,240

at our big dumb month gmail.com
