

The  
Spanky

and

Hambone

Show

1  
00:00:17,510 --> 00:00:14,910

[Music]

2  
00:00:20,470 --> 00:00:17,520

is

3  
00:00:21,109 --> 00:00:20,480

hey welcome back to the spanky and ham

4  
00:00:22,870 --> 00:00:21,119

bone show

5  
00:00:24,230 --> 00:00:22,880

i'm ham bone spanky's over there and

6  
00:00:27,589 --> 00:00:24,240

this is my beautiful wife

7  
00:00:29,440 --> 00:00:27,599

rihanna who's over here in the corner

8  
00:00:32,069 --> 00:00:29,450

you're ham bone i'm

9  
00:00:33,510 --> 00:00:32,079

[Laughter]

10  
00:00:35,510 --> 00:00:33,520

i need to know the story behind that

11  
00:00:38,549 --> 00:00:35,520

name i

12  
00:00:41,590 --> 00:00:38,559

i don't really have a specific one

13  
00:00:45,190 --> 00:00:41,600

although i just back when i was playing

14

00:00:48,470 --> 00:00:45,200

in salvage chris's band uh

15

00:00:49,750 --> 00:00:48,480

spanky's band i swear to god spanky

16

00:00:52,069 --> 00:00:49,760

would call me hambone

17

00:00:52,869 --> 00:00:52,079

like often maybe this is something i

18

00:00:54,630 --> 00:00:52,879

made up in my head

19

00:00:56,470 --> 00:00:54,640

but that's what i remember him calling

20

00:01:00,069 --> 00:00:56,480

me hanbok come on hambone really

21

00:01:03,510 --> 00:01:00,079

yeah i don't remember those days were

22

00:01:07,109 --> 00:01:05,590

those are fun days that's what i do as a

23

00:01:09,910 --> 00:01:07,119

defense mechanism anything i don't

24

00:01:13,190 --> 00:01:09,920

remember never happened

25

00:01:15,429 --> 00:01:13,200

i don't know what you're talking about

26

00:01:16,469 --> 00:01:15,439

but i remember it was at the i don't

27

00:01:18,469 --> 00:01:16,479

know what ranch

28

00:01:20,230 --> 00:01:18,479

which it wasn't the pitiful ranch it was

29

00:01:21,190 --> 00:01:20,240

the the ranch after that where you guys

30

00:01:24,469 --> 00:01:21,200

had

31

00:01:26,950 --> 00:01:24,479

room and

32

00:01:28,870 --> 00:01:26,960

river hill estates yeah the river hill

33

00:01:30,870 --> 00:01:28,880

we recorded some cool songs over there

34

00:01:32,789 --> 00:01:30,880

i swear to god you called me hambone

35

00:01:34,149 --> 00:01:32,799

maybe it was cornetti that did it but i

36

00:01:37,030 --> 00:01:34,159

thought it was you

37

00:01:38,469 --> 00:01:37,040

clearly it stuck yeah yeah it did it was

38

00:01:41,749 --> 00:01:38,479

with a fever

39

00:01:43,350 --> 00:01:41,759

yeah it um i was always trying to give

40

00:01:45,670 --> 00:01:43,360

people nicknames and they were just

41

00:01:46,389 --> 00:01:45,680

like shut up we're not gonna do that i'm

42

00:01:47,590 --> 00:01:46,399

all about

43

00:01:49,910 --> 00:01:47,600

my whole life even when i was a little

44

00:01:51,830 --> 00:01:49,920

kid i was like trying to you know

45

00:01:53,109 --> 00:01:51,840

give people nicknames and like get a

46

00:01:55,990 --> 00:01:53,119

thing going

47

00:01:57,910 --> 00:01:56,000

but it doesn't take usually your

48

00:01:59,990 --> 00:01:57,920

nickname is spanky and that's

49

00:02:03,190 --> 00:02:00,000

you've had it for a long like decades at

50

00:02:05,350 --> 00:02:03,200

this point somebody else gave that to me

51  
00:02:07,109 --> 00:02:05,360  
they're all green like yeah that's the

52  
00:02:09,109 --> 00:02:07,119  
one

53  
00:02:10,469 --> 00:02:09,119  
who gave it to you i've also had the

54  
00:02:13,510 --> 00:02:10,479  
nickname tiny

55  
00:02:15,670 --> 00:02:13,520  
huh and uh

56  
00:02:17,670 --> 00:02:15,680  
this this guy from pikerton wanted to

57  
00:02:21,350 --> 00:02:17,680  
try to call me poop for a while

58  
00:02:22,229 --> 00:02:21,360  
poop yeah why would he want to call you

59  
00:02:25,270 --> 00:02:22,239  
poop

60  
00:02:28,309 --> 00:02:25,280  
because he's a dick yeah you know

61  
00:02:28,630 --> 00:02:28,319  
and i was just like oh whatever and i

62  
00:02:31,910 --> 00:02:28,640  
said

63  
00:02:35,270 --> 00:02:31,920

hey yo poop come here yeah yeah i was in

64

00:02:37,750 --> 00:02:35,280

a band with him he was just a dummy

65

00:02:39,270 --> 00:02:37,760

he said he just said one day hey guess

66

00:02:40,390 --> 00:02:39,280

what spanky you're no longer spanky

67

00:02:42,710 --> 00:02:40,400

you're gonna be called

68

00:02:43,509 --> 00:02:42,720

poop henceforth and i don't think

69

00:02:46,790 --> 00:02:43,519

anybody else

70

00:02:48,390 --> 00:02:46,800

called me poop just

71

00:02:51,030 --> 00:02:48,400

i don't you don't know if it happened or

72

00:02:51,430 --> 00:02:51,040

not yeah it's not one that you want to

73

00:02:55,270 --> 00:02:51,440

like

74

00:02:58,070 --> 00:02:55,280

carry on in your old age no no

75

00:02:59,430 --> 00:02:58,080

i got uh at least when it comes to

76

00:03:01,350 --> 00:02:59,440

nicknames that other people

77

00:03:03,350 --> 00:03:01,360

uh have given me ham bone obviously

78

00:03:04,550 --> 00:03:03,360

that's a big one uh you gave that to me

79

00:03:05,430 --> 00:03:04,560

even though you don't really remember

80

00:03:08,790 --> 00:03:05,440

that one

81

00:03:12,869 --> 00:03:08,800

uh back in high school i was called uh

82

00:03:13,509 --> 00:03:12,879

pine tree uh some people called me pine

83

00:03:15,350 --> 00:03:13,519

tree

84

00:03:17,990 --> 00:03:15,360

okay because you had because of your

85

00:03:20,630 --> 00:03:18,000

cologne no

86

00:03:22,309 --> 00:03:20,640

no it wasn't because of my cologne it

87

00:03:23,430 --> 00:03:22,319

was because on the basketball court i

88

00:03:26,550 --> 00:03:23,440

was very

89

00:03:27,350 --> 00:03:26,560

thin and you were you're stationary you

90

00:03:30,710 --> 00:03:27,360

didn't move at all

91

00:03:32,229 --> 00:03:30,720

yeah it was very fair well i use my

92

00:03:33,670 --> 00:03:32,239

elbows a lot when you're under the hoop

93

00:03:35,910 --> 00:03:33,680

you got to go for the rebound

94

00:03:37,270 --> 00:03:35,920

and so i would get my elbows out there

95

00:03:39,110 --> 00:03:37,280

and just start like

96

00:03:41,670 --> 00:03:39,120

moving around like is that how you did

97

00:03:43,190 --> 00:03:41,680

it yeah that's exactly how i did it and

98

00:03:45,509 --> 00:03:43,200

this referee was like you can't

99

00:03:47,670 --> 00:03:45,519

elbow people mike you shouldn't pine

100

00:03:51,430 --> 00:03:47,680

tree stop doing a jig

101  
00:03:53,670 --> 00:03:51,440  
but uh that's i mean somehow that

102  
00:03:55,030 --> 00:03:53,680  
for a few years you know what a good

103  
00:03:57,110 --> 00:03:55,040  
nickname is evergreen

104  
00:03:58,470 --> 00:03:57,120  
it kind of looks like pine tree i prefer

105  
00:04:00,390 --> 00:03:58,480  
that one that's a little cooler

106  
00:04:01,830 --> 00:04:00,400  
that's like a rapper yeah you know

107  
00:04:04,229 --> 00:04:01,840  
evergreen evergreen

108  
00:04:05,110 --> 00:04:04,239  
snoop dogg snoop dogg featuring

109  
00:04:07,270 --> 00:04:05,120  
evergreen

110  
00:04:09,509 --> 00:04:07,280  
yeah i like that yeah i wonder if

111  
00:04:11,589 --> 00:04:09,519  
there's an evergreen wrapper

112  
00:04:13,270 --> 00:04:11,599  
let's see i'm gonna look uh ever that

113  
00:04:16,949 --> 00:04:13,280

sound cool like everlast

114

00:04:18,710 --> 00:04:16,959

yeah yeah exactly evergreen hip-hop

115

00:04:20,870 --> 00:04:18,720

i'm gonna see if there's an evergreen

116

00:04:22,710 --> 00:04:20,880

hip-hopper and everybody never goes out

117

00:04:24,150 --> 00:04:22,720

of style it's not seasonal it's just

118

00:04:25,430 --> 00:04:24,160

permanent you know what i mean it's fair

119

00:04:28,310 --> 00:04:25,440

permanent fixture

120

00:04:29,670 --> 00:04:28,320

evergreen hip-hop on spotify cool oh of

121

00:04:30,629 --> 00:04:29,680

course well i was thinking beyond

122

00:04:34,150 --> 00:04:30,639

soundcloud but

123

00:04:35,990 --> 00:04:34,160

yeah spotify has taken over yeah

124

00:04:37,189 --> 00:04:36,000

and it says soundcloud's a place for

125

00:04:40,310 --> 00:04:37,199

people to have no

126

00:04:43,590 --> 00:04:40,320

that there's no uh there's nothing

127

00:04:45,270 --> 00:04:43,600

it's just a guy in his basement you know

128

00:04:47,670 --> 00:04:45,280

soundcloud rappers that's the thing

129

00:04:49,430 --> 00:04:47,680

there's been a lot of uh

130

00:04:51,350 --> 00:04:49,440

notable rappers that that have come up

131

00:04:52,150 --> 00:04:51,360

from soundcloud so it ain't no joke man

132

00:04:55,350 --> 00:04:52,160

it happens

133

00:04:57,110 --> 00:04:55,360

no i i know that you're uh what's it

134

00:04:58,870 --> 00:04:57,120

called you just said it ain't no joke i

135

00:05:02,550 --> 00:04:58,880

think that's called uh

136

00:05:05,749 --> 00:05:02,560

code talk is that code yeah i'm talking

137

00:05:06,870 --> 00:05:05,759

yeah it might be soundcloud rappers man

138

00:05:10,629 --> 00:05:06,880

they ain't no joke

139

00:05:11,749 --> 00:05:10,639

them

140

00:05:13,990 --> 00:05:11,759

what's going on in your life spanky

141

00:05:14,550 --> 00:05:14,000

what's going on lately i'm doing okay

142

00:05:20,150 --> 00:05:14,560

i'm

143

00:05:21,430 --> 00:05:20,160

relapse and start drinking again you're

144

00:05:26,070 --> 00:05:21,440

you're thinking about it

145

00:05:28,310 --> 00:05:26,080

i'm i'm i'm uh wearing myself down

146

00:05:30,629 --> 00:05:28,320

i don't know i probably won't what would

147

00:05:34,469 --> 00:05:30,639

happen if you did do that

148

00:05:37,430 --> 00:05:34,479

i well if i drink a lot

149

00:05:37,990 --> 00:05:37,440

i might go back to the hospital yeah

150

00:05:39,670 --> 00:05:38,000

yeah

151

00:05:41,110 --> 00:05:39,680

we don't want you to do that don't do

152

00:05:43,909 --> 00:05:41,120

that it's probably not worth it

153

00:05:44,310 --> 00:05:43,919

it's not fun they know me there now i

154

00:05:46,629 --> 00:05:44,320

mean i

155

00:05:48,150 --> 00:05:46,639

come in they're like what's up i'm like

156

00:05:49,510 --> 00:05:48,160

they got you got your own bed in there

157

00:05:51,189 --> 00:05:49,520

with your own name plate

158

00:05:54,390 --> 00:05:51,199

yeah they're like the usual and i'm like

159

00:05:57,670 --> 00:05:56,309

well so if you really want to drink can

160

00:05:59,830 --> 00:05:57,680

you not does

161

00:06:00,790 --> 00:05:59,840

weed not work or you can't smoke weed

162

00:06:03,830 --> 00:06:00,800

yeah i can

163

00:06:06,309 --> 00:06:03,840

you can it's not the same well the

164

00:06:08,870 --> 00:06:06,319

doctor says i can have two drinks a day

165

00:06:09,350 --> 00:06:08,880

and i'm like well what's you know what's

166

00:06:11,909 --> 00:06:09,360

that

167

00:06:12,550 --> 00:06:11,919

so what if i do three egg and then four

168

00:06:15,990 --> 00:06:12,560

what if i do

169

00:06:17,110 --> 00:06:16,000

seven and you can't get a doctor to say

170

00:06:19,670 --> 00:06:17,120

that seven's okay

171

00:06:20,309 --> 00:06:19,680

you can try they're just gonna be like i

172

00:06:22,469 --> 00:06:20,319

can't

173

00:06:23,830 --> 00:06:22,479

uh you might have to go out of country

174

00:06:25,749 --> 00:06:23,840

to get a doctor to say that

175

00:06:27,830 --> 00:06:25,759

well it's really hard if you're used to

176

00:06:31,029 --> 00:06:27,840

drinking a lot

177

00:06:31,749 --> 00:06:31,039

every day yeah to be told okay you can

178

00:06:35,590 --> 00:06:31,759

have

179

00:06:38,390 --> 00:06:35,600

just two it's hard to stop after two

180

00:06:40,230 --> 00:06:38,400

yeah if you're used to drinking a lot so

181

00:06:42,550 --> 00:06:40,240

i don't know how that would work

182

00:06:43,590 --> 00:06:42,560

what if they're like two 80 ounce

183

00:06:45,909 --> 00:06:43,600

glasses

184

00:06:47,430 --> 00:06:45,919

there's still two or is it did he say

185

00:06:50,230 --> 00:06:47,440

like this to 12 ounce

186

00:06:53,350 --> 00:06:50,240

that's my old trick yeah we drink two

187

00:06:56,710 --> 00:06:53,360

24's we're like that's just two beers

188

00:06:59,270 --> 00:06:56,720

and they would be ice beers or something

189

00:07:00,629 --> 00:06:59,280

so then you're really drinking four or

190

00:07:02,390 --> 00:07:00,639

eight

191

00:07:04,390 --> 00:07:02,400

yeah i know like the whole the not

192

00:07:06,390 --> 00:07:04,400

drinking thing is kind of boring

193

00:07:07,749 --> 00:07:06,400

i remember when i stopped drinking it it

194

00:07:10,870 --> 00:07:07,759

was kind of boring for

195

00:07:13,430 --> 00:07:10,880

a little bit but damn do i appreciate

196

00:07:13,909 --> 00:07:13,440

not being hungover it's really worth it

197

00:07:16,629 --> 00:07:13,919

like i

198

00:07:17,270 --> 00:07:16,639

the the hangovers and just feeling like

199

00:07:19,589 --> 00:07:17,280

total

200

00:07:22,070 --> 00:07:19,599

ass the next day just feeling miserable

201  
00:07:24,070 --> 00:07:22,080  
like it's the worst

202  
00:07:25,189 --> 00:07:24,080  
it uh but i mean i do miss having a

203  
00:07:27,110 --> 00:07:25,199  
drink every now and again

204  
00:07:28,629 --> 00:07:27,120  
i i don't know we have a drink every

205  
00:07:31,110 --> 00:07:28,639  
what

206  
00:07:33,189 --> 00:07:31,120  
two months nicole like i think we have

207  
00:07:35,670 --> 00:07:33,199  
like a drink every two months

208  
00:07:36,550 --> 00:07:35,680  
it's not bad maybe i don't know i think

209  
00:07:39,110 --> 00:07:36,560  
i've gone

210  
00:07:41,430 --> 00:07:39,120  
much much longer than two months myself

211  
00:07:44,950 --> 00:07:42,870  
but we don't smoke we don't smoke the

212  
00:07:46,070 --> 00:07:44,960  
weed we don't do the marijuana like you

213  
00:07:49,830 --> 00:07:46,080

do

214

00:07:52,790 --> 00:07:49,840

marijuana out in the out in the

215

00:07:53,749 --> 00:07:52,800

country why don't we do that beautiful

216

00:07:56,150 --> 00:07:53,759

landscapes

217

00:07:56,790 --> 00:07:56,160

yeah you know it's funny um i even told

218

00:07:59,830 --> 00:07:56,800

mike because i

219

00:08:03,189 --> 00:07:59,840

i haven't smoked i got god i think it's

220

00:08:05,749 --> 00:08:03,199

last time i did was before we left ohio

221

00:08:06,390 --> 00:08:05,759

to move to phoenix and even then it had

222

00:08:09,830 --> 00:08:06,400

been

223

00:08:12,070 --> 00:08:09,840

months i think right mike yeah yeah

224

00:08:13,589 --> 00:08:12,080

yeah and so we didn't smoke at all when

225

00:08:16,869 --> 00:08:13,599

we lived in phoenix for

226

00:08:19,909 --> 00:08:16,879

a couple years and then coming back here

227

00:08:22,550 --> 00:08:19,919

um i even mentioned to mike you know i

228

00:08:24,230 --> 00:08:22,560

i think i i could definitely smokes a

229

00:08:24,830 --> 00:08:24,240

little bit of pot again like that that

230

00:08:28,469 --> 00:08:24,840

might

231

00:08:30,710 --> 00:08:28,479

actually that sounds really good

232

00:08:32,949 --> 00:08:30,720

yeah so yeah but we just haven't

233

00:08:35,990 --> 00:08:32,959

obviously gotten our hands on any so

234

00:08:38,709 --> 00:08:36,000

yeah but that's i don't know we have uh

235

00:08:39,990 --> 00:08:38,719

we have a nice private property here so

236

00:08:43,350 --> 00:08:40,000

who knows what will grow next

237

00:08:47,030 --> 00:08:43,360

year we don't know

238

00:08:51,350 --> 00:08:48,949

i can grow it can you legally grow in

239

00:08:53,750 --> 00:08:51,360

ohio now there's uh

240

00:08:54,550 --> 00:08:53,760

a certain amount you can yeah certain

241

00:08:58,150 --> 00:08:54,560

amount of plants

242

00:09:00,150 --> 00:08:58,160

i think it's under under 99 grams really

243

00:09:01,829 --> 00:09:00,160

calculate the yield from a certain

244

00:09:04,070 --> 00:09:01,839

amount of plants

245

00:09:05,590 --> 00:09:04,080

i guess you can grow five or something

246

00:09:07,269 --> 00:09:05,600

all right let's do it let's grow like uh

247

00:09:08,630 --> 00:09:07,279

if it's legal i guess we can grow like

248

00:09:10,949 --> 00:09:08,640

four or five plants

249

00:09:11,829 --> 00:09:10,959

i mean don't quote me on that you should

250

00:09:13,430 --> 00:09:11,839

do our research

251  
00:09:15,030 --> 00:09:13,440  
my buddy spanky told me that i can grow

252  
00:09:16,470 --> 00:09:15,040  
five plants

253  
00:09:18,630 --> 00:09:16,480  
he's like no you're gonna go to jail for

254  
00:09:24,230 --> 00:09:18,640  
10 years

255  
00:09:27,910 --> 00:09:27,030  
i am not familiar with the the marijuana

256  
00:09:30,389 --> 00:09:27,920  
laws in ohio

257  
00:09:31,350 --> 00:09:30,399  
like a lot of things have changed since

258  
00:09:33,990 --> 00:09:31,360  
we left

259  
00:09:36,389 --> 00:09:34,000  
like we we came back and we saw we went

260  
00:09:36,949 --> 00:09:36,399  
down to like north market we saw this

261  
00:09:38,949 --> 00:09:36,959  
line

262  
00:09:40,550 --> 00:09:38,959  
around like this building we thought it

263  
00:09:42,790 --> 00:09:40,560

was like a club that was opening

264

00:09:44,230 --> 00:09:42,800

like at noon but no it's like a

265

00:09:46,710 --> 00:09:44,240

marijuana shop down there

266

00:09:47,350 --> 00:09:46,720

almost like in downtown columbus i

267

00:09:49,430 --> 00:09:47,360

didn't even

268

00:09:51,509 --> 00:09:49,440

realize they had marijuana shops open or

269

00:09:52,710 --> 00:09:51,519

how you get your marijuana card at this

270

00:09:53,430 --> 00:09:52,720

point i have no idea how that works

271

00:09:55,430 --> 00:09:53,440

around here

272

00:09:56,710 --> 00:09:55,440

yeah yeah do you know how it works

273

00:09:59,750 --> 00:09:56,720

spanky no

274

00:10:03,350 --> 00:09:59,760

no okay i could probably get it maybe

275

00:10:05,590 --> 00:10:03,360

a marijuana card yeah i'm sure you could

276

00:10:09,190 --> 00:10:05,600

at this point my medical problems

277

00:10:11,269 --> 00:10:09,200

yeah you could it's just heart failure

278

00:10:12,949 --> 00:10:11,279

it sounds bad when you say it like that

279

00:10:16,310 --> 00:10:12,959

yeah it does

280

00:10:19,190 --> 00:10:16,320

it seems kind of like yeah anything

281

00:10:21,030 --> 00:10:19,200

failure doesn't sound good no it doesn't

282

00:10:24,069 --> 00:10:21,040

it's hard to really

283

00:10:25,030 --> 00:10:24,079

that's why i like a condition heart

284

00:10:26,389 --> 00:10:25,040

condition yeah

285

00:10:28,150 --> 00:10:26,399

it actually it rolls off the tongue

286

00:10:30,949 --> 00:10:28,160

better you need to take

287

00:10:31,269 --> 00:10:30,959

good care of that heart spinky yeah i

288

00:10:35,350 --> 00:10:31,279

think

289

00:10:37,190 --> 00:10:35,360

condition or something like that where

290

00:10:39,030 --> 00:10:37,200

bob hoskins

291

00:10:41,190 --> 00:10:39,040

receives a donor heart from denzel

292

00:10:43,110 --> 00:10:41,200

washington's character

293

00:10:44,630 --> 00:10:43,120

and bob hoskins is like a cheeseburger

294

00:10:47,350 --> 00:10:44,640

eating detective

295

00:10:48,870 --> 00:10:47,360

it has to find and together they find

296

00:10:50,389 --> 00:10:48,880

the murderer the spirit of denzel

297

00:10:53,910 --> 00:10:50,399

washington and him

298

00:10:56,870 --> 00:10:53,920

find denzel washington's murder

299

00:10:57,829 --> 00:10:56,880

bob hoskins is somehow dating his really

300

00:11:00,550 --> 00:10:57,839

attractive old

301

00:11:01,590 --> 00:11:00,560

girlfriend bob hoskins i don't

302

00:11:03,829 --> 00:11:01,600

understand what

303

00:11:05,990 --> 00:11:03,839

is bob hodgkin's uh like when he gets a

304

00:11:08,230 --> 00:11:06,000

new heart he just starts like drinking

305

00:11:10,230 --> 00:11:08,240

and eating all this awful stuff like

306

00:11:12,230 --> 00:11:10,240

really abusing his new heart now

307

00:11:13,269 --> 00:11:12,240

yeah and denzel washington is like what

308

00:11:15,350 --> 00:11:13,279

are you doing

309

00:11:17,590 --> 00:11:15,360

that's my heart steer him to the right

310

00:11:20,550 --> 00:11:17,600

path

311

00:11:22,150 --> 00:11:20,560

uh it wasn't bob hoskins didn't he play

312

00:11:24,389 --> 00:11:22,160

in who frame roger robert

313

00:11:26,829 --> 00:11:24,399

roger rabbit yeah he always plays the

314

00:11:27,990 --> 00:11:26,839

guy does he he was the handsome male

315

00:11:29,990 --> 00:11:28,000

lead

316

00:11:32,470 --> 00:11:30,000

yeah he played the pretty much the only

317

00:11:34,550 --> 00:11:32,480

human in that movie

318

00:11:35,590 --> 00:11:34,560

well christopher lloyd was kind of like

319

00:11:38,710 --> 00:11:35,600

a

320

00:11:40,550 --> 00:11:38,720

right

321

00:11:43,670 --> 00:11:40,560

i forgot yeah he was in that movie he

322

00:11:45,750 --> 00:11:43,680

was a tune but he wore our human skin

323

00:11:46,790 --> 00:11:45,760

he was a like a like a lizard person

324

00:11:48,949 --> 00:11:46,800

almost

325

00:11:50,470 --> 00:11:48,959

well if you want to segue segway into a

326

00:11:52,470 --> 00:11:50,480

lizard people somehow

327

00:11:53,670 --> 00:11:52,480

yeah well i always try to i always try

328

00:11:55,430 --> 00:11:53,680

to

329

00:11:57,269 --> 00:11:55,440

we just got done building like the

330

00:11:59,190 --> 00:11:57,279

reason why we we started like a half

331

00:12:01,990 --> 00:11:59,200

hour late because we were out

332

00:12:02,550 --> 00:12:02,000

building our garden fence today like a

333

00:12:04,230 --> 00:12:02,560

yeah

334

00:12:05,829 --> 00:12:04,240

it's not i mean it's like you think of a

335

00:12:07,350 --> 00:12:05,839

garden you think of something small but

336

00:12:10,470 --> 00:12:07,360

no this is like

337

00:12:12,790 --> 00:12:10,480

35 feet by 60 feet like uh

338

00:12:13,910 --> 00:12:12,800

chad you know my old drummer chad he

339

00:12:16,949 --> 00:12:13,920

came over help put in

340

00:12:17,990 --> 00:12:16,959

fence posts and concrete and then nick

341

00:12:20,470 --> 00:12:18,000

and i were out there

342

00:12:21,910 --> 00:12:20,480

like hammering in all the fencing stuff

343

00:12:23,750 --> 00:12:21,920

today and it's

344

00:12:26,389 --> 00:12:23,760

it was a lot of work it's a lot of work

345

00:12:28,629 --> 00:12:26,399

spent so you had he's got big muscles

346

00:12:29,829 --> 00:12:28,639

chad does yeah yeah yeah and you had a

347

00:12:31,670 --> 00:12:29,839

real man around the house

348

00:12:32,390 --> 00:12:31,680

i did yeah it was nice it was a nice

349

00:12:35,269 --> 00:12:32,400

change of pace

350

00:12:36,790 --> 00:12:35,279

[Laughter]

351  
00:12:38,710 --> 00:12:36,800  
your muscles are probably getting bigger

352  
00:12:41,190 --> 00:12:38,720  
right mike from lifting i mean

353  
00:12:42,550 --> 00:12:41,200  
wood maybe in like one of those silly

354  
00:12:45,430 --> 00:12:42,560  
mirrors like you see it in the

355  
00:12:45,750 --> 00:12:45,440  
carnival yeah but yeah i'm trying i've

356  
00:12:48,949 --> 00:12:45,760  
been

357  
00:12:51,269 --> 00:12:48,959  
some weights every now and again

358  
00:12:53,509 --> 00:12:51,279  
i can i can bench press like 30 pounds

359  
00:12:57,750 --> 00:12:53,519  
it's not bad

360  
00:13:00,710 --> 00:12:57,760  
don't know we just got we got like a

361  
00:13:01,990 --> 00:13:00,720  
we got a kettle bell yeah and uh just a

362  
00:13:03,590 --> 00:13:02,000  
few like hand weights so

363  
00:13:06,230 --> 00:13:03,600

the kettlebell is like 20 pounds so i

364

00:13:09,590 --> 00:13:06,240

can curl that like no one's business

365

00:13:10,710 --> 00:13:09,600

the kettlebells make a nice imprint on

366

00:13:12,230 --> 00:13:10,720

the carpet

367

00:13:14,710 --> 00:13:12,240

we got hardwood floors here but you're

368

00:13:16,389 --> 00:13:14,720

right yeah

369

00:13:17,910 --> 00:13:16,399

it's just like a piece of furniture

370

00:13:19,750 --> 00:13:17,920

there you move it and this is forever

371

00:13:22,550 --> 00:13:19,760

indented in the carpet

372

00:13:24,069 --> 00:13:22,560

but we actually do move some move some

373

00:13:24,629 --> 00:13:24,079

stuff around here including the weights

374

00:13:25,910 --> 00:13:24,639

and

375

00:13:28,310 --> 00:13:25,920

being out here on the property we're

376

00:13:29,430 --> 00:13:28,320

always kind of hopefully next year we'll

377

00:13:30,310 --> 00:13:29,440

be moving and stuffing around a little

378

00:13:33,190 --> 00:13:30,320

bit more but

379

00:13:35,350 --> 00:13:33,200

uh yeah i like the word i like the word

380

00:13:38,069 --> 00:13:35,360

property it's like

381

00:13:38,629 --> 00:13:38,079

the hell of my property get off my

382

00:13:44,389 --> 00:13:38,639

property

383

00:13:45,750 --> 00:13:44,399

there

384

00:13:47,430 --> 00:13:45,760

we do have a we do have a bit of

385

00:13:47,990 --> 00:13:47,440

property it is nice it's great you know

386

00:13:51,030 --> 00:13:48,000

we're surrounded

387

00:13:53,350 --> 00:13:51,040

by trees by the woods so it's nice and

388

00:13:56,389 --> 00:13:53,360

our driveway is like 750 feet

389

00:13:57,670 --> 00:13:56,399

from the street so no one comes down

390

00:14:00,230 --> 00:13:57,680

here we don't really see

391

00:14:01,350 --> 00:14:00,240

people yeah so it's nice nice and

392

00:14:02,870 --> 00:14:01,360

private

393

00:14:04,629 --> 00:14:02,880

this is this is what we got going on so

394

00:14:07,750 --> 00:14:04,639

we got our properties

395

00:14:11,269 --> 00:14:07,760

recessed back in the woods we got

396

00:14:13,829 --> 00:14:11,279

a giant garden we got a giant fire pit

397

00:14:15,829 --> 00:14:13,839

we have a secondary fire pit for

398

00:14:16,870 --> 00:14:15,839

burning vhs tapes apparently is that a

399

00:14:19,189 --> 00:14:16,880

kid's fire pit

400

00:14:20,310 --> 00:14:19,199

yeah it's this junior starter [h\_\_\h]

401  
00:14:22,629 --> 00:14:20,320  
pit

402  
00:14:24,069 --> 00:14:22,639  
the kids table yeah so we got one of

403  
00:14:24,790 --> 00:14:24,079  
those and then next to the fire pit we

404  
00:14:29,110 --> 00:14:24,800  
have two

405  
00:14:30,310 --> 00:14:29,120  
compost bins for a lot of just uh

406  
00:14:32,389 --> 00:14:30,320  
what do we put in there we pretty much

407  
00:14:35,509 --> 00:14:32,399  
pretty much uh yeah brush

408  
00:14:37,509 --> 00:14:35,519  
uh no no dog [h\_\_\h] no dog [h\_\_\h]

409  
00:14:39,590 --> 00:14:37,519  
no i'm supposed to put it in that

410  
00:14:44,150 --> 00:14:39,600  
attracts all the the rodents the

411  
00:14:47,030 --> 00:14:44,160  
um animals so really yeah yeah

412  
00:14:48,629 --> 00:14:47,040  
it does it sucks and uh if you put meat

413  
00:14:50,150 --> 00:14:48,639

in there that also obviously will

414

00:14:53,430 --> 00:14:50,160

attract the animals

415

00:14:54,949 --> 00:14:53,440

so um no dog [\h\_\_\h] no dog [\h\_\_\h] but we do

416

00:14:57,350 --> 00:14:54,959

put in

417

00:14:58,629 --> 00:14:57,360

all of our food scraps for the most part

418

00:15:01,509 --> 00:14:58,639

um

419

00:15:03,269 --> 00:15:01,519

you know the veggies and whatnot so yeah

420

00:15:05,110 --> 00:15:03,279

just about anything goes in there leaves

421

00:15:08,470 --> 00:15:05,120

we put coffee grounds

422

00:15:09,990 --> 00:15:08,480

um paper bags

423

00:15:12,389 --> 00:15:10,000

you know we'll rip those apart shred

424

00:15:14,069 --> 00:15:12,399

them put that in there you let mike do

425

00:15:15,670 --> 00:15:14,079

that because it's

426

00:15:17,350 --> 00:15:15,680

nice she doesn't mind i don't touch it

427

00:15:19,350 --> 00:15:17,360

for the most part that's mine

428

00:15:20,870 --> 00:15:19,360

it's my thing she does it like eighty

429

00:15:22,150 --> 00:15:20,880

percent of time twenty percent of time

430

00:15:23,910 --> 00:15:22,160

i'll go out there

431

00:15:26,389 --> 00:15:23,920

i'll see if there's any scraps i can eat

432

00:15:26,870 --> 00:15:26,399

and and then then i'll move it around

433

00:15:29,990 --> 00:15:26,880

and

434

00:15:30,949 --> 00:15:30,000

apple couldn't need a snack snack i go

435

00:15:33,910 --> 00:15:30,959

to the compost bin and you're

436

00:15:37,110 --> 00:15:33,920

desperately seeking snacks

437

00:15:38,790 --> 00:15:37,120

i uh madonna movie i think

438

00:15:40,150 --> 00:15:38,800

that's gonna be our new podcast i think

439

00:15:42,949 --> 00:15:40,160

it's desperately seeking

440

00:15:43,749 --> 00:15:42,959

snacks yeah me too yeah yeah you're

441

00:15:45,509 --> 00:15:43,759

involved in that

442

00:15:47,509 --> 00:15:45,519

we we need to talk about the best snacks

443

00:15:48,069 --> 00:15:47,519

i get like five bananas and an apple and

444

00:15:50,870 --> 00:15:48,079

i'm like

445

00:15:51,670 --> 00:15:50,880

these aren't snacks they're not really a

446

00:15:55,030 --> 00:15:51,680

snack

447

00:15:58,310 --> 00:15:55,040

certain point but

448

00:16:00,629 --> 00:15:58,320

not really a good snack but

449

00:16:01,749 --> 00:16:00,639

feels like you just do an exercise when

450

00:16:04,870 --> 00:16:01,759

you eat a banana

451  
00:16:07,189 --> 00:16:04,880  
yeah uh then next to the

452  
00:16:08,710 --> 00:16:07,199  
compost bins we have a chicken coop we

453  
00:16:09,910 --> 00:16:08,720  
got some chickens

454  
00:16:11,509 --> 00:16:09,920  
uh we're gonna be getting some chickens

455  
00:16:13,030 --> 00:16:11,519  
we have a coop so we're gonna get like

456  
00:16:15,430 --> 00:16:13,040  
three or four chickens

457  
00:16:17,189 --> 00:16:15,440  
and then down there uh further down the

458  
00:16:17,509 --> 00:16:17,199  
hill in the pasture we're gonna get some

459  
00:16:19,829 --> 00:16:17,519  
uh

460  
00:16:20,550 --> 00:16:19,839  
goats we're gonna get a few girls to do

461  
00:16:23,110 --> 00:16:20,560  
some stuff

462  
00:16:24,389 --> 00:16:23,120  
yeah yeah that's you guys you're like

463  
00:16:27,430 --> 00:16:24,399

your parents have ghosts don't they

464

00:16:30,389 --> 00:16:27,440

they did they all died or got given away

465

00:16:31,829 --> 00:16:30,399

oh wow do you have any uh goat stories

466

00:16:35,590 --> 00:16:31,839

you'd like to share with us

467

00:16:41,829 --> 00:16:39,269

uh one one of them died and uh the skull

468

00:16:43,350 --> 00:16:41,839

was still hanging around out there what

469

00:16:43,749 --> 00:16:43,360

i took the skull and i was going to give

470

00:16:45,590 --> 00:16:43,759

it to

471

00:16:47,189 --> 00:16:45,600

our friend eric mullins because he knows

472

00:16:49,269 --> 00:16:47,199

how to bleach him

473

00:16:51,269 --> 00:16:49,279

yeah and i kept forgetting to do it and

474

00:16:52,470 --> 00:16:51,279

my dad was like it was in the garage and

475

00:16:53,910 --> 00:16:52,480

my dad was like i'm

476

00:16:55,189 --> 00:16:53,920

he threw it away and i was like you

477

00:16:57,749 --> 00:16:55,199

threw it away he's like yeah i can't

478

00:17:00,230 --> 00:16:57,759

look at that he's like i knew that goat

479

00:17:02,230 --> 00:17:00,240

yeah i know that would be me i would

480

00:17:05,909 --> 00:17:02,240

have a heart a very hard time with that

481

00:17:09,750 --> 00:17:05,919

yeah emotionally i understood yeah

482

00:17:11,669 --> 00:17:09,760

no hey i'm gonna i'm gonna make sure

483

00:17:13,510 --> 00:17:11,679

on my end uh under rihanna the little

484

00:17:15,029 --> 00:17:13,520

microphone is crossed out

485

00:17:16,710 --> 00:17:15,039

yeah yeah does that just mean she

486

00:17:18,870 --> 00:17:16,720

doesn't have the computer audio

487

00:17:20,309 --> 00:17:18,880

uh she's yeah no computer audio she's

488

00:17:23,189 --> 00:17:20,319

actually being fed in through

489

00:17:24,630 --> 00:17:23,199

all my audio but we can hear her oh yeah

490

00:17:27,909 --> 00:17:24,640

cool just want to make sure

491

00:17:28,950 --> 00:17:27,919

oh yeah yeah she's coming through loud

492

00:17:30,390 --> 00:17:28,960

and clear so yeah

493

00:17:32,230 --> 00:17:30,400

anytime someone's in the studio gets

494

00:17:34,230 --> 00:17:32,240

looped into my mixer and

495

00:17:35,350 --> 00:17:34,240

and dumped out with the main audio stuff

496

00:17:38,150 --> 00:17:35,360

so yeah

497

00:17:39,270 --> 00:17:38,160

i see i don't have a mixer yeah you got

498

00:17:40,710 --> 00:17:39,280

a little one

499

00:17:43,029 --> 00:17:40,720

well you probably have like a digital

500

00:17:44,630 --> 00:17:43,039

mixer like a interface yeah yeah you

501  
00:17:45,430 --> 00:17:44,640  
have an interface so it's kind of like a

502  
00:17:47,190 --> 00:17:45,440  
mixer so

503  
00:17:48,470 --> 00:17:47,200  
yeah but i want those faders you push

504  
00:17:50,310 --> 00:17:48,480  
them up you pull them back

505  
00:17:51,669 --> 00:17:50,320  
they're pretty cool they really they

506  
00:17:53,270 --> 00:17:51,679  
really are pretty cool there's no doubt

507  
00:17:54,549 --> 00:17:53,280  
about that

508  
00:17:56,950 --> 00:17:54,559  
you know it's like you just like i'm

509  
00:17:59,830 --> 00:17:56,960  
gonna turn it up man it's like yeah

510  
00:18:00,470 --> 00:17:59,840  
wkrp i can't i can turn everything up

511  
00:18:02,390 --> 00:18:00,480  
and then

512  
00:18:03,669 --> 00:18:02,400  
overdrive and over modulate and sound

513  
00:18:04,870 --> 00:18:03,679

like crap so cool

514

00:18:07,350 --> 00:18:04,880

we can do it if you want to chris

515

00:18:11,029 --> 00:18:07,360

cornetto be like yeah man let's get some

516

00:18:12,549 --> 00:18:11,039

distortion where do you get you want to

517

00:18:14,470 --> 00:18:12,559

do a few headlines i got i picked up

518

00:18:16,230 --> 00:18:14,480

some new stories for us sure

519

00:18:17,290 --> 00:18:16,240

all right why not let's uh let's do it

520

00:18:24,070 --> 00:18:17,300

let me know

521

00:18:30,549 --> 00:18:27,430

spanky look at my camera

522

00:18:34,630 --> 00:18:30,559

this is classic spanky classic

523

00:18:36,390 --> 00:18:34,640

spanky uh there's a mason jar shortage

524

00:18:39,110 --> 00:18:36,400

spanky did you know that

525

00:18:41,510 --> 00:18:39,120

no there is let's see if i can share

526

00:18:44,870 --> 00:18:41,520

this with you i'll put this on screen

527

00:18:47,830 --> 00:18:44,880

uh there is a mason jar

528

00:18:49,190 --> 00:18:47,840

shortage what about ball jars you see

529

00:18:51,990 --> 00:18:49,200

that's a competitor

530

00:18:52,870 --> 00:18:52,000

there's a ball jar ball of the company

531

00:18:54,789 --> 00:18:52,880

ball

532

00:18:56,150 --> 00:18:54,799

they make drugs yeah they make all the

533

00:18:58,230 --> 00:18:56,160

glass jars

534

00:19:00,150 --> 00:18:58,240

yeah and and this is really good to know

535

00:19:01,830 --> 00:19:00,160

because i have actually just been

536

00:19:02,310 --> 00:19:01,840

talking about needing to get more mason

537

00:19:05,990 --> 00:19:02,320

jars

538

00:19:09,110 --> 00:19:06,000

and knowing that there's a shortage

539

00:19:12,070 --> 00:19:09,120

i better try and stock up you better

540

00:19:12,710 --> 00:19:12,080

watch out that you're gonna get your uh

541

00:19:14,470 --> 00:19:12,720

you're gonna get a

542

00:19:18,150 --> 00:19:14,480

bloody nose trying to get those mason

543

00:19:20,230 --> 00:19:18,160

jars i'll have to use mike's moves

544

00:19:22,950 --> 00:19:20,240

the pine tree you mean yes the pine tree

545

00:19:25,110 --> 00:19:22,960

that's what they used to call them

546

00:19:26,470 --> 00:19:25,120

oh boy okay so i'm gonna stop sharing

547

00:19:28,710 --> 00:19:26,480

and go back to the

548

00:19:30,310 --> 00:19:28,720

regular thing because for whatever

549

00:19:31,990 --> 00:19:30,320

reason it didn't it doesn't like to

550

00:19:34,950 --> 00:19:32,000

record the screen share so

551  
00:19:37,270 --> 00:19:34,960  
i'll just read it to you guys um and

552  
00:19:39,590 --> 00:19:37,280  
i'll flash it over on screen so

553  
00:19:40,870 --> 00:19:39,600  
there is a mason jar shortage because so

554  
00:19:43,750 --> 00:19:40,880  
many people are getting

555  
00:19:45,430 --> 00:19:43,760  
into canning yes when the kova 19

556  
00:19:47,510 --> 00:19:45,440  
pandemic first hit the united states

557  
00:19:48,549 --> 00:19:47,520  
earlier this year people began cooking

558  
00:19:51,430 --> 00:19:48,559  
and baking at home

559  
00:19:53,270 --> 00:19:51,440  
much more frequently as both a way to

560  
00:19:54,870 --> 00:19:53,280  
safely feed their families and as a way

561  
00:19:57,350 --> 00:19:54,880  
to relieve some stress

562  
00:19:59,110 --> 00:19:57,360  
a few different food trends emerge like

563  
00:20:02,630 --> 00:19:59,120

sourdough bread

564

00:20:05,430 --> 00:20:02,640

uh dal gana coffee do you know that

565

00:20:06,230 --> 00:20:05,440

dal gonna coffee i have no idea what

566

00:20:07,990 --> 00:20:06,240

that is no

567

00:20:09,669 --> 00:20:08,000

that's not the cat [h\_\_h] coffee is it i

568

00:20:12,470 --> 00:20:09,679

don't think it's cat [h\_\_h] coffee

569

00:20:13,190 --> 00:20:12,480

um and banana bread those are some

570

00:20:15,350 --> 00:20:13,200

trends

571

00:20:17,510 --> 00:20:15,360

but now canning is seen a spike in

572

00:20:20,950 --> 00:20:17,520

popularity and experts believe

573

00:20:24,149 --> 00:20:20,960

this is causing a shortage in mason jars

574

00:20:25,110 --> 00:20:24,159

okay ah you're not a big canner are you

575

00:20:27,190 --> 00:20:25,120

spanky

576

00:20:28,230 --> 00:20:27,200

no i have some jars laying around do you

577

00:20:31,750 --> 00:20:28,240

really got mason jars

578

00:20:35,110 --> 00:20:31,760

hook me up i do i got little ones though

579

00:20:37,510 --> 00:20:35,120

just the uh so wait why do you why do

580

00:20:40,710 --> 00:20:37,520

you got so many jars laying around

581

00:20:42,950 --> 00:20:40,720

oh uh my ex-girlfriend

582

00:20:44,630 --> 00:20:42,960

was doing those uh oats those uh

583

00:20:47,669 --> 00:20:44,640

overnight oats

584

00:20:50,230 --> 00:20:47,679

you put oats in there with milk and

585

00:20:51,990 --> 00:20:50,240

fruit yeah and maybe chia seeds or

586

00:20:54,950 --> 00:20:52,000

protein powder

587

00:20:57,110 --> 00:20:54,960

and you uh close the lid so it was just

588

00:20:59,190 --> 00:20:57,120

the thing she was doing for a minute

589

00:21:00,390 --> 00:20:59,200

i had a i had a she left all the jars

590

00:21:04,390 --> 00:21:00,400

she got the jars

591

00:21:08,230 --> 00:21:06,549

i'm sorry to hear that it's a reminder i

592

00:21:09,750 --> 00:21:08,240

got one with some change in it it's a

593

00:21:12,390 --> 00:21:09,760

pretty nice looking jar

594

00:21:13,350 --> 00:21:12,400

no that's nice i had a roommate in

595

00:21:17,190 --> 00:21:13,360

college

596

00:21:20,390 --> 00:21:17,200

uh his name was bart and he had

597

00:21:22,470 --> 00:21:20,400

a jar uh like we we all had our own

598

00:21:25,750 --> 00:21:22,480

rooms in this house that we lived in

599

00:21:26,870 --> 00:21:25,760

and in his room you know uh he had a jar

600

00:21:29,909 --> 00:21:26,880

in his closet

601  
00:21:31,110 --> 00:21:29,919  
that he would urinate in and keep it in

602  
00:21:32,870 --> 00:21:31,120  
his closet

603  
00:21:34,710 --> 00:21:32,880  
and because he didn't want to walk to

604  
00:21:35,190 --> 00:21:34,720  
the bathroom so he just peed in a jar

605  
00:21:39,110 --> 00:21:35,200  
like he's

606  
00:21:45,909 --> 00:21:39,120  
like his own little bedpan oh yeah

607  
00:21:49,350 --> 00:21:48,070  
my bedroom was in the basement so it's

608  
00:21:52,149 --> 00:21:49,360  
like a half

609  
00:21:53,909 --> 00:21:52,159  
half basement and there was a window

610  
00:21:55,669 --> 00:21:53,919  
that went right to the ground maybe up

611  
00:21:58,070 --> 00:21:55,679  
at like chin level

612  
00:22:01,190 --> 00:21:58,080  
and i had a jar outside i would pee in

613  
00:22:01,200 --> 00:22:03,650

wow

614

00:22:07,909 --> 00:22:05,990

[Laughter]

615

00:22:10,070 --> 00:22:07,919

no different it's no different than i

616

00:22:12,149 --> 00:22:10,080

remember my my grandparents had a cabin

617

00:22:12,950 --> 00:22:12,159

in wisconsin and when i was about 10 or

618

00:22:15,750 --> 00:22:12,960

11

619

00:22:16,470 --> 00:22:15,760

i went on this trip with them and they i

620

00:22:19,830 --> 00:22:16,480

was told

621

00:22:22,230 --> 00:22:19,840

that there was no bathroom like inside

622

00:22:23,590 --> 00:22:22,240

and so the room that i was sharing with

623

00:22:27,430 --> 00:22:23,600

my cousin

624

00:22:29,830 --> 00:22:27,440

we had to use like this this large

625

00:22:30,630 --> 00:22:29,840

pot you know and that's what you used

626  
00:22:34,310 --> 00:22:30,640  
and that

627  
00:22:36,950 --> 00:22:34,320  
that was it a chamber pot a chamber pot

628  
00:22:38,149 --> 00:22:36,960  
yeah i was mortified at 10 or 11 years

629  
00:22:41,270 --> 00:22:38,159  
old of course like

630  
00:22:42,789 --> 00:22:41,280  
you want me to go where yeah when you're

631  
00:22:44,870 --> 00:22:42,799  
when you're young and you're asked to

632  
00:22:46,390 --> 00:22:44,880  
pee in something that like that isn't

633  
00:22:48,710 --> 00:22:46,400  
outside and isn't a toilet

634  
00:22:49,990 --> 00:22:48,720  
it becomes uh very difficult to wrap

635  
00:22:50,549 --> 00:22:50,000  
your head around how to do that i

636  
00:22:55,830 --> 00:22:50,559  
remember

637  
00:22:58,149 --> 00:22:55,840  
know probably

638  
00:23:00,149 --> 00:22:58,159

seven or eight and we were out at a park

639

00:23:02,390 --> 00:23:00,159

and i really had to go to the bathroom

640

00:23:03,190 --> 00:23:02,400

and uh there's no place to go so my mom

641

00:23:05,270 --> 00:23:03,200

just said

642

00:23:06,549 --> 00:23:05,280

pee in this tennis ball container you

643

00:23:08,710 --> 00:23:06,559

know those tennis ball containers like

644

00:23:10,390 --> 00:23:08,720

like three per container nice

645

00:23:11,990 --> 00:23:10,400

and so we took the tennis balls out i

646

00:23:13,990 --> 00:23:12,000

just peed right in there

647

00:23:15,669 --> 00:23:14,000

and i was like ah you know what i can be

648

00:23:17,750 --> 00:23:15,679

anywhere i want it was a life experience

649

00:23:19,350 --> 00:23:17,760

i really learned something that day

650

00:23:20,789 --> 00:23:19,360

and it's the same color as the balls

651

00:23:23,430 --> 00:23:20,799

it's kind of yes it didn't really matter

652

00:23:26,950 --> 00:23:23,440

at that point here's some piss balls

653

00:23:29,669 --> 00:23:26,960

um but uh there is a mason jar

654

00:23:30,470 --> 00:23:29,679

shortage um maybe people are peeing in

655

00:23:32,149 --> 00:23:30,480

them most of

656

00:23:33,669 --> 00:23:32,159

most of people probably are just using

657

00:23:37,430 --> 00:23:33,679

them for stored goods

658

00:23:39,669 --> 00:23:37,440

uh storing uh food or uh

659

00:23:41,909 --> 00:23:39,679

i think they bought them all back in

660

00:23:45,430 --> 00:23:41,919

during the toilet paper crisis of two

661

00:23:45,990 --> 00:23:45,440

probably probably i mean seeds were also

662

00:23:49,190 --> 00:23:46,000

on uh

663

00:23:51,029 --> 00:23:49,200

shortage i think um you know i think

664

00:23:52,390 --> 00:23:51,039

now i'm starting to see a little bit

665

00:23:55,590 --> 00:23:52,400

more available

666

00:23:57,029 --> 00:23:55,600

um but yeah canning

667

00:23:59,190 --> 00:23:57,039

i need that's something i really wanted

668

00:24:00,070 --> 00:23:59,200

to start doing next year too so i really

669

00:24:02,710 --> 00:24:00,080

need to get on

670

00:24:04,630 --> 00:24:02,720

ordering some of those well cnn reported

671

00:24:06,149 --> 00:24:04,640

that there is already a shortage

672

00:24:08,310 --> 00:24:06,159

at many retailers nationwide

673

00:24:11,350 --> 00:24:08,320

specifically for double ring

674

00:24:11,909 --> 00:24:11,360

mason jar lids they spoke with uh mary

675

00:24:15,190 --> 00:24:11,919

bragg

676

00:24:17,110 --> 00:24:15,200

the owner of mason jar merchant who said

677

00:24:18,149 --> 00:24:17,120

her online sales began to spike in the

678

00:24:21,190 --> 00:24:18,159

middle of august

679

00:24:21,909 --> 00:24:21,200

going up 600 percent and haven't really

680

00:24:25,190 --> 00:24:21,919

dropped since

681

00:24:27,510 --> 00:24:25,200

okay so that's kind of late in the covid

682

00:24:28,630 --> 00:24:27,520

yes this is pass code so this is

683

00:24:31,510 --> 00:24:28,640

something else

684

00:24:32,710 --> 00:24:31,520

[Music]

685

00:24:34,470 --> 00:24:32,720

so i'll read this in this little

686

00:24:36,310 --> 00:24:34,480

paragraph here so of course canyon is

687

00:24:37,190 --> 00:24:36,320

nothing new for many people and has been

688

00:24:39,990 --> 00:24:37,200

done for years

689

00:24:40,549 --> 00:24:40,000

centuries even as a way to keep food

690

00:24:43,350 --> 00:24:40,559

fresh

691

00:24:45,190 --> 00:24:43,360

long after you make it and that's that's

692

00:24:45,750 --> 00:24:45,200

precisely why it's gaining popularity

693

00:24:48,549 --> 00:24:45,760

right now

694

00:24:49,110 --> 00:24:48,559

experts told cnn the surge is probably

695

00:24:52,710 --> 00:24:49,120

few

696

00:24:54,870 --> 00:24:52,720

adopting new hobbies

697

00:24:55,830 --> 00:24:54,880

as they spend time at home this could be

698

00:24:58,390 --> 00:24:55,840

canning itself

699

00:25:00,070 --> 00:24:58,400

or even gardening which can lead to an

700

00:25:02,789 --> 00:25:00,080

influx of fresh food that

701  
00:25:03,669 --> 00:25:02,799  
that then leads to canning i think it's

702  
00:25:05,269 --> 00:25:03,679  
something else

703  
00:25:06,789 --> 00:25:05,279  
i don't think it's just a new hobby i

704  
00:25:09,190 --> 00:25:06,799  
think people are

705  
00:25:11,269 --> 00:25:09,200  
preparing for the apocalypse or whatever

706  
00:25:13,029 --> 00:25:11,279  
could be their coverage

707  
00:25:14,950 --> 00:25:13,039  
is different because doesn't this happen

708  
00:25:17,190 --> 00:25:14,960  
maybe every november

709  
00:25:19,269 --> 00:25:17,200  
maybe it's like oh vegetables and

710  
00:25:20,710 --> 00:25:19,279  
eggplants and they have to can them

711  
00:25:22,630 --> 00:25:20,720  
well and i was just gonna say if you

712  
00:25:23,269 --> 00:25:22,640  
think about it kovid when it hit that

713  
00:25:27,110 --> 00:25:23,279

was like

714

00:25:27,590 --> 00:25:27,120

may so um i think at that time a lot of

715

00:25:30,230 --> 00:25:27,600

people

716

00:25:31,990 --> 00:25:30,240

started to freak out and they felt okay

717

00:25:33,990 --> 00:25:32,000

i need to start growing my own food my

718

00:25:36,630 --> 00:25:34,000

own vegetables and so that's when

719

00:25:37,350 --> 00:25:36,640

this the seed shortage started to happen

720

00:25:40,549 --> 00:25:37,360

and people

721

00:25:41,990 --> 00:25:40,559

started to grow their own produce and um

722

00:25:44,710 --> 00:25:42,000

and then of course if you think about

723

00:25:47,029 --> 00:25:44,720

it august you know september that's like

724

00:25:50,310 --> 00:25:47,039

when everyone is you know harvesting and

725

00:25:53,510 --> 00:25:50,320

yeah so i could see that yeah they

726

00:25:56,470 --> 00:25:53,520

no one really thinks about uh jars

727

00:25:57,669 --> 00:25:56,480

until it's too late yeah right yeah i

728

00:25:57,990 --> 00:25:57,679

think about like when i when i think

729

00:26:01,029 --> 00:25:58,000

about

730

00:26:04,149 --> 00:26:01,039

think of

731

00:26:05,909 --> 00:26:04,159

like mason jars like uh glass jars but

732

00:26:07,510 --> 00:26:05,919

i think about cans you know like on my

733

00:26:11,750 --> 00:26:07,520

head like this is radio talking i got a

734

00:26:14,470 --> 00:26:11,760

couple cans on my head

735

00:26:15,430 --> 00:26:14,480

uh i got another story here michigan

736

00:26:18,630 --> 00:26:15,440

entrepreneur

737

00:26:21,269 --> 00:26:18,640

creates world's first mobile

738

00:26:22,070 --> 00:26:21,279

bowling alley you ever do that you ever

739

00:26:24,630 --> 00:26:22,080

go uh

740

00:26:26,470 --> 00:26:24,640

into a mobile bowling alley it's mobile

741

00:26:27,590 --> 00:26:26,480

it just seems very inaccurate it's like

742

00:26:30,710 --> 00:26:27,600

a mobile

743

00:26:32,549 --> 00:26:30,720

pool table it's just like not gonna stay

744

00:26:34,230 --> 00:26:32,559

level what's what's the point of this so

745

00:26:36,390 --> 00:26:34,240

a michigan-based businessman has created

746

00:26:39,750 --> 00:26:36,400

the world's first mobile bowling alley

747

00:26:43,110 --> 00:26:39,760

to uh by converting a 53 foot

748

00:26:43,590 --> 00:26:43,120

long semi truck trailer a semi a semi

749

00:26:47,269 --> 00:26:43,600

truck

750

00:26:48,310 --> 00:26:47,279

trailer into an exclusive entertainment

751  
00:26:50,310 --> 00:26:48,320  
center on wheels

752  
00:26:52,310 --> 00:26:50,320  
inspired by popular companies such as

753  
00:26:54,390 --> 00:26:52,320  
amazon uber and grubhub

754  
00:26:55,750 --> 00:26:54,400  
which relied heavily on convenience to

755  
00:26:58,149 --> 00:26:55,760  
achieve business success

756  
00:26:59,830 --> 00:26:58,159  
a detroit entrepreneurs that decided to

757  
00:27:01,590 --> 00:26:59,840  
bring bowling to the masses

758  
00:27:03,830 --> 00:27:01,600  
instead of the other way around this

759  
00:27:06,870 --> 00:27:03,840  
time to to this end

760  
00:27:07,909 --> 00:27:06,880  
uh terence jackson jr has been working

761  
00:27:11,269 --> 00:27:07,919  
on converting a

762  
00:27:13,029 --> 00:27:11,279  
53-foot long semi trailer truck into a

763  
00:27:16,070 --> 00:27:13,039

mobile bowling alley for years

764

00:27:18,950 --> 00:27:16,080

but due to several obstacles has uh that

765

00:27:23,190 --> 00:27:18,960

he had to overcome the two-lane facility

766

00:27:26,149 --> 00:27:23,200

was only unveiled last month

767

00:27:28,070 --> 00:27:26,159

so i mean i gotta ask can you pick up

768

00:27:31,190 --> 00:27:28,080

can you pick people up and as you

769

00:27:32,149 --> 00:27:31,200

drive down the road can you bowl

770

00:27:35,590 --> 00:27:32,159

if you know you know what i'm talking

771

00:27:38,070 --> 00:27:35,600

about like it seems

772

00:27:39,830 --> 00:27:38,080

like it's not gonna happen they're gonna

773

00:27:42,630 --> 00:27:39,840

you're gonna come to a light and just

774

00:27:44,870 --> 00:27:42,640

fall over onto the lane

775

00:27:46,710 --> 00:27:44,880

it seems very dangerous to be bowling

776

00:27:48,230 --> 00:27:46,720

while driving but this is like great for

777

00:27:49,110 --> 00:27:48,240

bachelor parties instead of getting like

778

00:27:50,710 --> 00:27:49,120

a limo

779

00:27:52,710 --> 00:27:50,720

get your buddies over get a bunch of

780

00:27:54,230 --> 00:27:52,720

drinks and you know one of them maybe

781

00:27:56,230 --> 00:27:54,240

could drive the trailer around while you

782

00:27:58,470 --> 00:27:56,240

guys bowl in the back you know

783

00:28:00,070 --> 00:27:58,480

this has got to be one of those um

784

00:28:02,389 --> 00:28:00,080

entertainment things like

785

00:28:03,510 --> 00:28:02,399

like what they have for kids now where

786

00:28:05,830 --> 00:28:03,520

it's a mobile

787

00:28:06,630 --> 00:28:05,840

they bring like the video game arcade to

788

00:28:08,389 --> 00:28:06,640

you

789

00:28:10,149 --> 00:28:08,399

yes and then they they just park in

790

00:28:11,190 --> 00:28:10,159

front of your house and then all the

791

00:28:14,950 --> 00:28:11,200

kids run in there

792

00:28:15,350 --> 00:28:14,960

they play games and um spend hours doing

793

00:28:16,710 --> 00:28:15,360

that

794

00:28:18,950 --> 00:28:16,720

and so this has got to be something

795

00:28:22,230 --> 00:28:18,960

similar i would i would think but

796

00:28:23,190 --> 00:28:22,240

that size of truck like how you can't

797

00:28:26,230 --> 00:28:23,200

just pull into

798

00:28:29,430 --> 00:28:26,240

most suburban neighborhoods you know

799

00:28:30,710 --> 00:28:29,440

uh with that size of truck no so how how

800

00:28:33,350 --> 00:28:30,720

does that work

801  
00:28:34,549 --> 00:28:33,360  
well they got a video over here with the

802  
00:28:35,909 --> 00:28:34,559  
idea of mobile

803  
00:28:38,470 --> 00:28:35,919  
and uh oh they have an interview with

804  
00:28:42,149 --> 00:28:38,480  
the guy we can listen to him actually

805  
00:28:45,269 --> 00:28:42,159  
uh talk about his uh earth shattering

806  
00:28:48,630 --> 00:28:45,279  
invention which is trying to meet the

807  
00:28:51,190 --> 00:28:48,640  
extremely high demand of of bowlers

808  
00:28:52,149 --> 00:28:51,200  
and people who want people who really

809  
00:28:53,990 --> 00:28:52,159  
miss bullying

810  
00:28:57,029 --> 00:28:54,000  
people like oh [h\_\_\h] covered i wish i

811  
00:28:58,789 --> 00:28:57,039  
could [h\_\_\h] bowl right now

812  
00:29:00,950 --> 00:28:58,799  
because you know the mainstream is just

813  
00:29:03,669 --> 00:29:00,960

eating it up yeah

814

00:29:06,070 --> 00:29:03,679

media hates bowling i came up with the

815

00:29:09,430 --> 00:29:06,080

idea of mobile ball and after a long

816

00:29:11,830 --> 00:29:09,440

career of the conversion uh industry

817

00:29:12,549 --> 00:29:11,840

converting marketing and entertainment

818

00:29:14,870 --> 00:29:12,559

vehicles

819

00:29:16,070 --> 00:29:14,880

and i realized to have an authentic

820

00:29:17,590 --> 00:29:16,080

bowling experience

821

00:29:19,510 --> 00:29:17,600

you have to go to a bowling alley and

822

00:29:21,269 --> 00:29:19,520

why not bring it to your desired

823

00:29:23,430 --> 00:29:21,279

location or doorstep

824

00:29:24,389 --> 00:29:23,440

this is the world's first one no it's

825

00:29:26,710 --> 00:29:24,399

terrance

826

00:29:28,070 --> 00:29:26,720

jr built right here in the detroit the

827

00:29:30,950 --> 00:29:28,080

bowling alley is made of

828

00:29:31,830 --> 00:29:30,960

a 53 foot just sound like it's evergreen

829

00:29:35,269 --> 00:29:31,840

we actually

830

00:29:36,950 --> 00:29:35,279

designed specifically for

831

00:29:38,950 --> 00:29:36,960

this type of setting when you come in

832

00:29:41,669 --> 00:29:38,960

our facility you will see

833

00:29:42,950 --> 00:29:41,679

a luxury bowling alley that you can

834

00:29:45,510 --> 00:29:42,960

connect via bluetooth

835

00:29:46,310 --> 00:29:45,520

to our state-of-the-art sound system and

836

00:29:48,630 --> 00:29:46,320

also

837

00:29:49,590 --> 00:29:48,640

our theater we have available and you'll

838

00:29:51,430 --> 00:29:49,600

be able to control

839

00:29:53,269 --> 00:29:51,440

all the temperature inside while you

840

00:29:55,990 --> 00:29:53,279

enjoy the ambiance

841

00:29:57,430 --> 00:29:56,000

our lands are scaled down it would suck

842

00:29:58,950 --> 00:29:57,440

if you couldn't control the temperature

843

00:30:00,789 --> 00:29:58,960

and somebody else controlled it for you

844

00:30:01,669 --> 00:30:00,799

it's like no you're going to bowl in 100

845

00:30:06,070 --> 00:30:01,679

degree heat

846

00:30:09,750 --> 00:30:09,350

they're about 25 30 feet long our balls

847

00:30:11,750 --> 00:30:09,760

are

848

00:30:13,269 --> 00:30:11,760

a little bit smaller scaled down three

849

00:30:14,950 --> 00:30:13,279

and a half to four inches

850

00:30:16,549 --> 00:30:14,960

but you can still get a great strike out

851

00:30:19,590 --> 00:30:16,559

of it do you get to eat

852

00:30:21,269 --> 00:30:19,600

pizza and drink beer in this thank you

853

00:30:23,350 --> 00:30:21,279

experience you can actually bring

854

00:30:25,430 --> 00:30:23,360

whatever beverages you desire

855

00:30:26,950 --> 00:30:25,440

on board and enjoy with your guests we

856

00:30:29,669 --> 00:30:26,960

are totally different concept from the

857

00:30:32,389 --> 00:30:29,679

traditional bowling alley

858

00:30:33,430 --> 00:30:32,399

like let's play you know the guy's got a

859

00:30:36,630 --> 00:30:33,440

cool voice he's like

860

00:30:39,909 --> 00:30:36,640

yeah my single drop on to thursday

861

00:30:43,590 --> 00:30:39,919

as well yeah sorry that's a

862

00:30:45,190 --> 00:30:43,600

ad so the mobile rapper i think

863

00:30:52,789 --> 00:30:45,200

uh he could be uh he could be a

864

00:30:55,909 --> 00:30:55,110

the mobile bowling alley is available

865

00:30:57,909 --> 00:30:55,919

for rent

866

00:31:00,470 --> 00:30:57,919

uh you can do it for parties corporate

867

00:31:01,430 --> 00:31:00,480

events even church gatherings or small

868

00:31:04,470 --> 00:31:01,440

weddings

869

00:31:08,310 --> 00:31:04,480

and and any other event between

870

00:31:11,590 --> 00:31:08,320

10 to 15 people packages start at 500

871

00:31:14,870 --> 00:31:11,600

for two hours 500

872

00:31:15,590 --> 00:31:14,880

for two hours i don't know he's got to

873

00:31:18,870 --> 00:31:15,600

pay for that

874

00:31:19,350 --> 00:31:18,880

all that [h\_\_h] it's not i mean it looks

875

00:31:22,389 --> 00:31:19,360

cool

876

00:31:24,470 --> 00:31:22,399

it's not a bad idea it's just

877

00:31:26,470 --> 00:31:24,480

i don't know i'm not like that big of a

878

00:31:28,070 --> 00:31:26,480

bowler to where i got a bowl i gotta

879

00:31:29,430 --> 00:31:28,080

rent one and just gotta park outside my

880

00:31:32,470 --> 00:31:29,440

house for

881

00:31:33,909 --> 00:31:32,480

two hours i don't know is it

882

00:31:37,029 --> 00:31:33,919

where do you park this thing and i don't

883

00:31:39,990 --> 00:31:37,039

want to slam the driveway

884

00:31:40,389 --> 00:31:40,000

probably i mean it's a basically a semi

885

00:31:42,149 --> 00:31:40,399

truck

886

00:31:43,590 --> 00:31:42,159

and a tractor trailer it's just going to

887

00:31:45,509 --> 00:31:43,600

occupy space

888

00:31:47,509 --> 00:31:45,519

he's got to work out the how to level

889

00:31:48,470 --> 00:31:47,519

this thing and it's just miniature

890

00:31:51,750 --> 00:31:48,480

bowling

891

00:31:55,110 --> 00:31:51,760

it is this mini ball pins thing yeah

892

00:31:56,789 --> 00:31:55,120

yeah it is pints and pins um bites and

893

00:31:58,630 --> 00:31:56,799

pins

894

00:32:01,110 --> 00:31:58,640

let's see well i guess ever go to the

895

00:32:02,549 --> 00:32:01,120

pins no i haven't been there yeah

896

00:32:04,230 --> 00:32:02,559

oh they're all nightmares there's just

897

00:32:09,750 --> 00:32:04,240

so many

898

00:32:13,110 --> 00:32:09,760

drinks you can't get a drink

899

00:32:13,350 --> 00:32:13,120

two hours for available lane so what is

900

00:32:14,710 --> 00:32:13,360

it

901  
00:32:15,830 --> 00:32:14,720  
describing you the experience i know

902  
00:32:17,029 --> 00:32:15,840  
about it but i don't know what the

903  
00:32:19,590 --> 00:32:17,039  
experience is

904  
00:32:23,110 --> 00:32:19,600  
it's a little short it's a little short

905  
00:32:26,950 --> 00:32:26,149  
and uh the pins are on cables so when

906  
00:32:28,549 --> 00:32:26,960  
you hit them

907  
00:32:30,870 --> 00:32:28,559  
they go flying and then they come back

908  
00:32:34,870 --> 00:32:30,880  
down because they don't

909  
00:32:38,230 --> 00:32:34,880  
they tether the pins i see

910  
00:32:39,590 --> 00:32:38,240  
and uh yeah it takes forever it's fun

911  
00:32:41,590 --> 00:32:39,600  
it'd be nice to sit there and just be

912  
00:32:44,389 --> 00:32:41,600  
like can i have this for an hour but you

913  
00:32:46,789 --> 00:32:44,399

just gotta play a game get up

914

00:32:47,430 --> 00:32:46,799

and that seems kind of annoying it's

915

00:32:49,909 --> 00:32:47,440

very it's

916

00:32:51,430 --> 00:32:49,919

expensive if you go to pins you're just

917

00:32:54,870 --> 00:32:51,440

dropping a hundred dollars

918

00:32:57,590 --> 00:32:54,880

before you before you even know it

919

00:32:59,190 --> 00:32:57,600

otherwise is that popular huh yeah

920

00:33:01,430 --> 00:32:59,200

there's a shitload of pinball though

921

00:33:03,509 --> 00:33:01,440

because it's there's pins and pinball

922

00:33:07,190 --> 00:33:03,519

okay so they have to put them in there

923

00:33:07,590 --> 00:33:07,200

where's it located there's there's some

924

00:33:10,710 --> 00:33:07,600

around

925

00:33:13,669 --> 00:33:10,720

usually in a yuppie area okay well

926  
00:33:14,870 --> 00:33:13,679  
in upper arlington hmm i thought it was

927  
00:33:17,750 --> 00:33:14,880  
just like one or two

928  
00:33:18,710 --> 00:33:17,760  
it's is it so it's kind of like you see

929  
00:33:20,470 --> 00:33:18,720  
like topgolf

930  
00:33:22,230 --> 00:33:20,480  
kind of stuff where you can uh go out

931  
00:33:23,190 --> 00:33:22,240  
there and hit golf balls and you know

932  
00:33:25,669 --> 00:33:23,200  
drink and eat

933  
00:33:27,509 --> 00:33:25,679  
but this is the top top golf crowd yeah

934  
00:33:30,549 --> 00:33:27,519  
okay

935  
00:33:32,389 --> 00:33:30,559  
also kind of a hoe crowd like

936  
00:33:33,490 --> 00:33:32,399  
whole crowd the hoes will go there

937  
00:33:35,909 --> 00:33:33,500  
sometimes

938  
00:33:37,509 --> 00:33:35,919

[Music]

939

00:33:38,520 --> 00:33:37,519

how do you know that looking for a

940

00:33:40,470 --> 00:33:38,530

proper suitor

941

00:33:42,470 --> 00:33:40,480

[Laughter]

942

00:33:43,990 --> 00:33:42,480

is there is there is there like hoe

943

00:33:44,549 --> 00:33:44,000

night you know it's like thursday night

944

00:33:47,350 --> 00:33:44,559

ho night

945

00:33:47,750 --> 00:33:47,360

i mean every night i guess you're right

946

00:33:50,950 --> 00:33:47,760

ladies

947

00:33:54,389 --> 00:33:50,960

80s nights yeah what is a

948

00:33:58,310 --> 00:33:54,399

what does a pints and pins hoe look like

949

00:34:03,010 --> 00:34:01,430

oh you know your hose i know

950

00:34:04,549 --> 00:34:03,020

columbus hoes

951  
00:34:07,830 --> 00:34:04,559  
[Laughter]

952  
00:34:11,349 --> 00:34:07,840  
it's all in my newsletter oh okay

953  
00:34:12,710 --> 00:34:11,359  
chm columbus hoes monthly i like it

954  
00:34:15,349 --> 00:34:12,720  
used to be quarterly but we're really

955  
00:34:23,030 --> 00:34:18,710  
but uh yeah remember the miani's crowd

956  
00:34:24,310 --> 00:34:23,040  
where i do it's kind of like chachi kind

957  
00:34:26,950 --> 00:34:24,320  
of

958  
00:34:29,030 --> 00:34:26,960  
yeah it's like a chachi it's your it's

959  
00:34:32,230 --> 00:34:29,040  
your standard douchebag crowd

960  
00:34:34,470 --> 00:34:32,240  
yeah it's a lot of that okay

961  
00:34:36,069 --> 00:34:34,480  
a lot of white hats my friend used to

962  
00:34:37,430 --> 00:34:36,079  
wrote this song called white hats when i

963  
00:34:38,470 --> 00:34:37,440

was in a band with him and like when i

964

00:34:42,149 --> 00:34:38,480

was 18.

965

00:34:43,909 --> 00:34:42,159

and and white hats is a funny

966

00:34:45,190 --> 00:34:43,919

thing just to see all the backwards

967

00:34:48,389 --> 00:34:45,200

white hats on people

968

00:34:50,149 --> 00:34:48,399

baseball caps

969

00:34:52,310 --> 00:34:50,159

all the white hats are the same i love

970

00:34:53,829 --> 00:34:52,320

when people have like uh visors and they

971

00:34:56,230 --> 00:34:53,839

turn them backwards

972

00:34:57,750 --> 00:34:56,240

or side yeah yeah sideways advisors

973

00:34:58,310 --> 00:34:57,760

they're just like slightly off to the

974

00:35:01,270 --> 00:34:58,320

side

975

00:35:02,870 --> 00:35:01,280

do people wear visors anymore well the

976

00:35:06,550 --> 00:35:02,880

point of a visor is to

977

00:35:08,550 --> 00:35:06,560

it's literally is visual yeah

978

00:35:10,150 --> 00:35:08,560

the root of the word is so to block some

979

00:35:10,950 --> 00:35:10,160

something from your eyes so if you turn

980

00:35:13,030 --> 00:35:10,960

it around

981

00:35:15,109 --> 00:35:13,040

i like it when you people make a hat or

982

00:35:18,390 --> 00:35:15,119

a piece of clothing completely pointless

983

00:35:19,829 --> 00:35:18,400

yes yes because it doesn't it's not even

984

00:35:22,710 --> 00:35:19,839

to look good because it doesn't

985

00:35:23,190 --> 00:35:22,720

and it doesn't serve a purpose there's

986

00:35:25,510 --> 00:35:23,200

nothing

987

00:35:27,190 --> 00:35:25,520

there's no reason it's like the scarf in

988

00:35:27,910 --> 00:35:27,200

the summertime thing or the beanie hat

989

00:35:30,310 --> 00:35:27,920

in the summer

990

00:35:31,589 --> 00:35:30,320

sure right or sunglasses inside

991

00:35:34,790 --> 00:35:31,599

sunglasses inside

992

00:35:36,950 --> 00:35:34,800

yeah like larry david said you know who

993

00:35:38,190 --> 00:35:36,960

wears sunglasses inside or blind people

994

00:35:40,069 --> 00:35:38,200

and [h\_\_h]

995

00:35:42,550 --> 00:35:40,079

[Music]

996

00:35:44,630 --> 00:35:42,560

pretty much i'm still wearing my shoes

997

00:35:46,150 --> 00:35:44,640

on opposite feet like because then you

998

00:35:47,510 --> 00:35:46,160

kind of remove the purpose of the shoe

999

00:35:48,710 --> 00:35:47,520

is like to be comfortable so you can

1000

00:35:50,470 --> 00:35:48,720

walk around

1001  
00:35:51,829 --> 00:35:50,480  
and so if i put my my left foot on my

1002  
00:35:53,030 --> 00:35:51,839  
right foot it i'm just going to look

1003  
00:35:55,910 --> 00:35:53,040  
goofy it's going to look great

1004  
00:35:56,790 --> 00:35:55,920  
it's going to be like a new trend right

1005  
00:35:59,030 --> 00:35:56,800  
i don't know i think

1006  
00:36:00,550 --> 00:35:59,040  
i think it would start to split if you

1007  
00:36:02,390 --> 00:36:00,560  
started walking

1008  
00:36:03,750 --> 00:36:02,400  
your shoes would start walking away from

1009  
00:36:04,870 --> 00:36:03,760  
each other and eventually you'd tear

1010  
00:36:06,470 --> 00:36:04,880  
your groin muscle

1011  
00:36:08,550 --> 00:36:06,480  
oh yeah i mean that seems like a very

1012  
00:36:09,030 --> 00:36:08,560  
cartoon-like situation probably would

1013  
00:36:11,430 --> 00:36:09,040

happen

1014

00:36:12,630 --> 00:36:11,440

yeah yeah it'd be like a pine tree

1015

00:36:14,150 --> 00:36:12,640

splitting

1016

00:36:17,349 --> 00:36:14,160

that that was my name in high school

1017

00:36:21,589 --> 00:36:20,310

uh you watch um you watch the the

1018

00:36:23,829 --> 00:36:21,599

beginning credits of

1019

00:36:24,630 --> 00:36:23,839

twin peaks and you're like this is my

1020

00:36:27,109 --> 00:36:24,640

[h\_\_\h]

1021

00:36:27,670 --> 00:36:27,119

look what they're doing with these words

1022

00:36:28,870 --> 00:36:27,680

awesome

1023

00:36:30,870 --> 00:36:28,880

are you horrified that they're

1024

00:36:31,349 --> 00:36:30,880

sharpening the blades to cut down pine

1025

00:36:33,430 --> 00:36:31,359

trees

1026

00:36:35,270 --> 00:36:33,440

a fellow pine tree i guess i would feel

1027

00:36:36,470 --> 00:36:35,280

some sympathy sure

1028

00:36:37,990 --> 00:36:36,480

it all affects this difference who's

1029

00:36:38,870 --> 00:36:38,000

called your pine tree wasn't like an

1030

00:36:42,150 --> 00:36:38,880

adult

1031

00:36:44,630 --> 00:36:42,160

an older person uh my friend my

1032

00:36:45,670 --> 00:36:44,640

my brother's friend aaron lockhart you

1033

00:36:48,790 --> 00:36:45,680

know he was

1034

00:36:51,430 --> 00:36:48,800

uh two years older than me he was a

1035

00:36:52,230 --> 00:36:51,440

a big dude and he said hey pine tree

1036

00:36:54,790 --> 00:36:52,240

that's your name

1037

00:36:56,710 --> 00:36:54,800

i was like okay i did have a funny

1038

00:36:58,310 --> 00:36:56,720

nickname in fifth grade the alaskan

1039

00:37:04,150 --> 00:36:58,320

bathtub

1040

00:37:05,430 --> 00:37:04,160

[h\_\_\h] no one called you the alaskan back

1041

00:37:06,790 --> 00:37:05,440

up

1042

00:37:08,710 --> 00:37:06,800

because i thought i looked alaskan

1043

00:37:11,109 --> 00:37:08,720

because i was like a kid

1044

00:37:12,870 --> 00:37:11,119

a little bit chubby with like uh slanty

1045

00:37:15,829 --> 00:37:12,880

eyes my eyes are always kind of

1046

00:37:17,270 --> 00:37:15,839

slimy yeah i guess you do have a slash

1047

00:37:19,270 --> 00:37:17,280

and then the bathtub was just because it

1048

00:37:21,910 --> 00:37:19,280

had like a barrel chest or whatever

1049

00:37:23,510 --> 00:37:21,920

and i guess that was it i like it this

1050

00:37:26,069 --> 00:37:23,520

is classic spanky

1051  
00:37:27,510 --> 00:37:26,079  
yeah i like the alaskan bathtub that

1052  
00:37:30,230 --> 00:37:27,520  
must really be a guy thing

1053  
00:37:30,710 --> 00:37:30,240  
like a a boy thing because i don't i

1054  
00:37:33,430 --> 00:37:30,720  
don't

1055  
00:37:35,589 --> 00:37:33,440  
recall ever having nicknames like that

1056  
00:37:38,710 --> 00:37:35,599  
growing up as a

1057  
00:37:41,510 --> 00:37:38,720  
little girl i think tearing down

1058  
00:37:44,310 --> 00:37:41,520  
self-esteem

1059  
00:37:45,750 --> 00:37:44,320  
and uh labeling people might that's a

1060  
00:37:48,470 --> 00:37:45,760  
universal thing but

1061  
00:37:49,910 --> 00:37:48,480  
the nickname is just how boys do it i

1062  
00:37:51,750 --> 00:37:49,920  
assume the girls did it in a different

1063  
00:37:54,710 --> 00:37:51,760

way they would

1064

00:37:55,270 --> 00:37:54,720

yes oh yes some sort of other shame on

1065

00:37:58,150 --> 00:37:55,280

their parent

1066

00:37:59,510 --> 00:37:58,160

for personal appearance you know right

1067

00:38:03,349 --> 00:37:59,520

right

1068

00:38:06,230 --> 00:38:03,359

but yeah i guess girls don't go around

1069

00:38:06,790 --> 00:38:06,240

yeah like calling them nicknames no they

1070

00:38:08,470 --> 00:38:06,800

don't

1071

00:38:10,390 --> 00:38:08,480

at least that never happened to me i

1072

00:38:13,190 --> 00:38:10,400

mean i had a couple nicknames like

1073

00:38:14,230 --> 00:38:13,200

but mine came from adults like my family

1074

00:38:17,270 --> 00:38:14,240

so i had

1075

00:38:18,710 --> 00:38:17,280

a nickname called it was ryan which i

1076

00:38:20,470 --> 00:38:18,720

know i say that

1077

00:38:22,069 --> 00:38:20,480

nickname and a lot of people think oh it

1078

00:38:24,390 --> 00:38:22,079

just stems from rihanna

1079

00:38:26,150 --> 00:38:24,400

but no my parents were obsessed with

1080

00:38:28,550 --> 00:38:26,160

some uh soap opera

1081

00:38:29,750 --> 00:38:28,560

when i was um born and so they started

1082

00:38:31,670 --> 00:38:29,760

to call me ryan

1083

00:38:33,349 --> 00:38:31,680

it was ryan's hope that was the name of

1084

00:38:35,670 --> 00:38:33,359

the soap

1085

00:38:38,310 --> 00:38:35,680

and that one stuck and i still have

1086

00:38:41,430 --> 00:38:38,320

family that uh calls me ryan

1087

00:38:44,150 --> 00:38:41,440

so yeah i don't know go figure but

1088

00:38:45,270 --> 00:38:44,160

i don't think i had any other nicknames

1089

00:38:49,589 --> 00:38:45,280

ryan's hope

1090

00:38:51,270 --> 00:38:49,599

laser

1091

00:38:55,589 --> 00:38:51,280

people used to call me laura from

1092

00:38:59,349 --> 00:38:57,990

some people call me nitro you know like

1093

00:39:00,950 --> 00:38:59,359

american gladiator names that's what

1094

00:39:02,710 --> 00:39:00,960

they call me

1095

00:39:04,069 --> 00:39:02,720

they called me uh equalizer from the

1096

00:39:07,510 --> 00:39:04,079

equalizer show

1097

00:39:09,670 --> 00:39:07,520

that's nice hey equalizer that's cool

1098

00:39:11,270 --> 00:39:09,680

people call me hard cashler mccormick

1099

00:39:16,390 --> 00:39:11,280

it's a long nickname but

1100

00:39:19,510 --> 00:39:18,069

i got another story over here spanx you

1101  
00:39:22,790 --> 00:39:19,520  
might like this one

1102  
00:39:26,069 --> 00:39:22,800  
uh real life orc uh

1103  
00:39:28,470 --> 00:39:26,079  
man has giant tusks implanted

1104  
00:39:29,750 --> 00:39:28,480  
to resemble fictional creature and this

1105  
00:39:36,069 --> 00:39:29,760  
guy

1106  
00:39:37,829 --> 00:39:36,079  
he's got tattoos all over his his head

1107  
00:39:40,870 --> 00:39:37,839  
he's he's got a bald head

1108  
00:39:41,270 --> 00:39:40,880  
he's got like his black tattoos all over

1109  
00:39:43,829 --> 00:39:41,280  
his head

1110  
00:39:45,750 --> 00:39:43,839  
covering almost into his entire head and

1111  
00:39:49,349 --> 00:39:45,760  
then he is he's got these

1112  
00:39:49,750 --> 00:39:49,359  
huge four inch tusks jutting out of his

1113  
00:39:52,230 --> 00:39:49,760

lower

1114

00:39:53,109 --> 00:39:52,240

jaw covering his upper lip almost

1115

00:39:56,470 --> 00:39:53,119

reaching his

1116

00:39:59,510 --> 00:39:56,480

nose and they're implanted in his jaw

1117

00:40:02,790 --> 00:39:59,520

i believe so yeah uh

1118

00:40:05,270 --> 00:40:02,800

he i think he goes by the name orc

1119

00:40:05,990 --> 00:40:05,280

he they're calling him orc the goblin oh

1120

00:40:09,030 --> 00:40:06,000

see he he

1121

00:40:09,750 --> 00:40:09,040

has a nickname he's orc so or who hails

1122

00:40:11,750 --> 00:40:09,760

from

1123

00:40:12,870 --> 00:40:11,760

the brazilian town of i'm not getting

1124

00:40:15,190 --> 00:40:12,880

pronounced it

1125

00:40:16,390 --> 00:40:15,200

got his first tattoo at the age of 15

1126

00:40:18,550 --> 00:40:16,400

and since

1127

00:40:20,309 --> 00:40:18,560

developed a passion for tattoos and body

1128

00:40:22,950 --> 00:40:20,319

modifications undergoing several

1129

00:40:24,390 --> 00:40:22,960

procedures that have left him looking

1130

00:40:27,750 --> 00:40:24,400

rather unique

1131

00:40:31,589 --> 00:40:27,760

the 41 year old father

1132

00:40:33,829 --> 00:40:31,599

uh he's got both eyes tattooed black

1133

00:40:35,030 --> 00:40:33,839

about 80 percent of his entire body

1134

00:40:38,309 --> 00:40:35,040

covered with ink

1135

00:40:41,589 --> 00:40:38,319

a split tongue

1136

00:40:45,430 --> 00:40:41,599

several uh subdermal

1137

00:40:45,829 --> 00:40:45,440

implants a sliced ear but it's his mouth

1138

00:40:48,470 --> 00:40:45,839

that

1139

00:40:49,430 --> 00:40:48,480

draws the most attention from people orc

1140

00:40:51,910 --> 00:40:49,440

his name orc

1141

00:40:52,950 --> 00:40:51,920

has spent 500 having a pair of large

1142

00:40:55,430 --> 00:40:52,960

tusks

1143

00:40:56,630 --> 00:40:55,440

fitted in uh over the bottom of his

1144

00:40:58,069 --> 00:40:56,640

teeth

1145

00:40:59,670 --> 00:40:58,079

to make himself look like a fictional

1146

00:41:03,030 --> 00:40:59,680

character uh

1147

00:41:06,309 --> 00:41:03,040

like a world of warcraft uh orc

1148

00:41:08,710 --> 00:41:06,319

so what i wanna know is what came first

1149

00:41:11,510 --> 00:41:08,720

the nickname

1150

00:41:13,670 --> 00:41:11,520

because if it did then that's a guy

1151

00:41:16,950 --> 00:41:13,680

that's really embodying

1152

00:41:21,130 --> 00:41:16,960

his nickname you kind of have to just

1153

00:41:24,310 --> 00:41:22,550

[Music]

1154

00:41:26,790 --> 00:41:24,320

and he starts eating human flesh

1155

00:41:28,870 --> 00:41:26,800

[Laughter]

1156

00:41:30,870 --> 00:41:28,880

yeah starting wars with elves you know

1157

00:41:32,230 --> 00:41:30,880

uh if you're gonna embody the orc you'd

1158

00:41:34,309 --> 00:41:32,240

embody everything

1159

00:41:35,670 --> 00:41:34,319

uh he's got a quote i am trying to be

1160

00:41:38,069 --> 00:41:35,680

myself these are

1161

00:41:39,030 --> 00:41:38,079

just my ideas my inspiration is coming

1162

00:41:40,790 --> 00:41:39,040

from the heart

1163

00:41:42,790 --> 00:41:40,800

i am not inspired by anyone well that's

1164

00:41:46,069 --> 00:41:42,800

not true uh you're inspired by a tour

1165

00:41:49,589 --> 00:41:46,079

of uh world of warcraft jr token

1166

00:41:52,710 --> 00:41:49,599

yeah yeah you're inspired by uh

1167

00:41:54,470 --> 00:41:52,720

mordor possibly oh my god he's got his

1168

00:41:57,270 --> 00:41:54,480

his eyes are tattooed

1169

00:42:02,069 --> 00:41:57,280

black yeah and never heard of that this

1170

00:42:04,710 --> 00:42:02,079

guy is raising kids

1171

00:42:06,390 --> 00:42:04,720

man and then did they call him work too

1172

00:42:10,230 --> 00:42:06,400

he's like

1173

00:42:13,430 --> 00:42:10,240

little orc papa orc

1174

00:42:15,109 --> 00:42:13,440

uh i don't know you know how he's

1175

00:42:16,470 --> 00:42:15,119

he's got his tongue split and you know

1176

00:42:19,270 --> 00:42:16,480

how sometimes guys

1177

00:42:19,990 --> 00:42:19,280

split something else sure they could

1178

00:42:22,550 --> 00:42:20,000

they can

1179

00:42:24,870 --> 00:42:22,560

see their penis penis splitters yeah and

1180

00:42:29,109 --> 00:42:24,880

then they put rings of up and down

1181

00:42:31,030 --> 00:42:29,119

yeah yeah the two weird uh sections yes

1182

00:42:32,230 --> 00:42:31,040

so he probably has that going on i would

1183

00:42:33,829 --> 00:42:32,240

say so it's not

1184

00:42:35,349 --> 00:42:33,839

in the article but this guy he just he

1185

00:42:39,670 --> 00:42:35,359

doesn't seem like he's holding back much

1186

00:42:43,910 --> 00:42:41,990

uh the brazilian modification enthusiast

1187

00:42:45,190 --> 00:42:43,920

declared himself pleased with the unique

1188

00:42:46,950 --> 00:42:45,200

appearance

1189

00:42:48,870 --> 00:42:46,960

but he admits that his friends and

1190

00:42:50,470 --> 00:42:48,880

family don't really approve of it his

1191

00:42:51,750 --> 00:42:50,480

mother can't stand it his father

1192

00:42:53,190 --> 00:42:51,760

tolerates it

1193

00:42:55,990 --> 00:42:53,200

and most of his friends think it's

1194

00:42:57,589 --> 00:42:56,000

strange but it's his passion

1195

00:43:01,190 --> 00:42:57,599

and he isn't going to give it up for

1196

00:43:03,109 --> 00:43:01,200

anybody i wonder what he does for work

1197

00:43:05,829 --> 00:43:03,119

oh he's a con he's like he's a computer

1198

00:43:09,750 --> 00:43:08,790

you were hey he's a he's an office orc

1199

00:43:12,790 --> 00:43:09,760

you know

1200

00:43:13,380 --> 00:43:12,800

he works a gift shop at a children's

1201  
00:43:15,750 --> 00:43:13,390  
hospital

1202  
00:43:17,589 --> 00:43:15,760  
[Laughter]

1203  
00:43:19,030 --> 00:43:17,599  
it's just like i i you know i respect

1204  
00:43:22,470 --> 00:43:19,040  
people's choices but

1205  
00:43:24,470 --> 00:43:22,480  
this guy looks like he's just an orc

1206  
00:43:26,630 --> 00:43:24,480  
i guess it would be hard to get like a

1207  
00:43:29,829 --> 00:43:26,640  
normal job like i'm going to be a nurse

1208  
00:43:30,870 --> 00:43:29,839  
i want to be the first orc nurse

1209  
00:43:32,870 --> 00:43:30,880  
i don't know if people would take you

1210  
00:43:34,790 --> 00:43:32,880  
serious like if you're if you're an er

1211  
00:43:36,630 --> 00:43:34,800  
person and you like oh my god i'm having

1212  
00:43:37,589 --> 00:43:36,640  
a heart attack and you call like an

1213  
00:43:40,150 --> 00:43:37,599

ambulance and then an

1214

00:43:40,950 --> 00:43:40,160

orc shows up i i don't know if you can

1215

00:43:42,790 --> 00:43:40,960

deal with that

1216

00:43:44,790 --> 00:43:42,800

so just remain calm he's like how can i

1217

00:43:47,109 --> 00:43:44,800

remain calm there's an orc in my kitchen

1218

00:43:48,230 --> 00:43:47,119

there's an orc with like these

1219

00:43:50,790 --> 00:43:48,240

electrical devices

1220

00:43:52,309 --> 00:43:50,800

trying to restart my heart this is not

1221

00:43:53,829 --> 00:43:52,319

normal

1222

00:43:55,589 --> 00:43:53,839

and then and then he starts speaking and

1223

00:43:58,710 --> 00:43:55,599

he has the most soothing voice and is

1224

00:44:03,510 --> 00:44:01,670

showing his soft side good bedside man

1225

00:44:06,710 --> 00:44:03,520

manner

1226

00:44:09,829 --> 00:44:06,720

yeah but or

1227

00:44:11,510 --> 00:44:09,839

could have good bedside manner you would

1228

00:44:13,109 --> 00:44:11,520

you would have to an orc leaves it all

1229

00:44:16,550 --> 00:44:13,119

on the on the battlefield

1230

00:44:19,109 --> 00:44:16,560

he does he holds nothing back also

1231

00:44:19,750 --> 00:44:19,119

and so orc didn't specify whether his

1232

00:44:22,230 --> 00:44:19,760

tux

1233

00:44:22,790 --> 00:44:22,240

tusks are permanently fitted or not uh

1234

00:44:23,829 --> 00:44:22,800

or you can

1235

00:44:26,230 --> 00:44:23,839

or if you can take them out whatever he

1236

00:44:27,030 --> 00:44:26,240

wants although i imagine the later is

1237

00:44:29,990 --> 00:44:27,040

true

1238

00:44:31,829 --> 00:44:30,000

yeah i would have to say that these have

1239

00:44:33,030 --> 00:44:31,839

to be removable tasks because there's

1240

00:44:33,670 --> 00:44:33,040

just no way you're sleeping with that

1241

00:44:35,510 --> 00:44:33,680

stuff in

1242

00:44:37,109 --> 00:44:35,520

yeah i don't see how he could sleep with

1243

00:44:38,790 --> 00:44:37,119

that how do you eat

1244

00:44:40,309 --> 00:44:38,800

i don't know how you eat he tears the

1245

00:44:44,230 --> 00:44:40,319

flesh from you know

1246

00:44:44,240 --> 00:44:48,630

with his orcs

1247

00:44:54,470 --> 00:44:52,069

orchestra now he's talking

1248

00:44:55,990 --> 00:44:54,480

uh it's not orcish and that's actually i

1249

00:44:59,190 --> 00:44:56,000

think portuguese

1250

00:45:02,150 --> 00:44:59,200

so i mean this is crazy

1251

00:45:03,829 --> 00:45:02,160

well he's the first orc so after this

1252

00:45:06,230 --> 00:45:03,839

he's like the caitlyn jenner of

1253

00:45:07,270 --> 00:45:06,240

orcs i said yes but he's he's breaking

1254

00:45:08,870 --> 00:45:07,280

down right ground

1255

00:45:10,950 --> 00:45:08,880

and really make it pull it into the

1256

00:45:14,150 --> 00:45:10,960

heads i mainstream you know

1257

00:45:19,190 --> 00:45:14,160

yeah this guy's uh you can follow him on

1258

00:45:21,270 --> 00:45:19,200

instagram he's got 18 000 followers

1259

00:45:22,550 --> 00:45:21,280

so his friends and family all just don't

1260

00:45:24,870 --> 00:45:22,560

like it yeah it is

1261

00:45:25,910 --> 00:45:24,880

like it's my passion they prefer if he

1262

00:45:28,710 --> 00:45:25,920

was a goblin

1263

00:45:30,790 --> 00:45:28,720

or a gnome not necessarily orc so

1264

00:45:33,750 --> 00:45:30,800

they're speciesist i guess

1265

00:45:34,069 --> 00:45:33,760

gnome it was be pretty passive yeah no

1266

00:45:37,270 --> 00:45:34,079

more

1267

00:45:41,430 --> 00:45:39,030

orcs are inherently evil why would you

1268

00:45:46,230 --> 00:45:41,440

wanna they're they're sub-human

1269

00:45:49,109 --> 00:45:46,240

yeah they're like uh they're not crowd

1270

00:45:50,309 --> 00:45:49,119

yeah when you think of work you don't

1271

00:45:51,510 --> 00:45:50,319

think of like oh that

1272

00:45:52,630 --> 00:45:51,520

they're going to do something positive

1273

00:45:53,589 --> 00:45:52,640

they're going to build a bridge and how

1274

00:45:55,270 --> 00:45:53,599

about the community

1275

00:45:58,069 --> 00:45:55,280

no orcs are known for pillaging and

1276

00:46:01,349 --> 00:45:58,079

killing eating their automatons

1277

00:46:04,470 --> 00:46:01,359

yeah they just obey an evil master

1278

00:46:05,430 --> 00:46:04,480

pretty much yeah they're like the the

1279

00:46:09,829 --> 00:46:05,440

bottom feeders

1280

00:46:16,870 --> 00:46:14,710

got you there oh boy uh

1281

00:46:18,069 --> 00:46:16,880

well let's see here i gotta think i got

1282

00:46:19,670 --> 00:46:18,079

one more

1283

00:46:21,430 --> 00:46:19,680

i think trump's gonna pull it through

1284

00:46:22,550 --> 00:46:21,440

you think he's gonna win yeah that's i

1285

00:46:23,829 --> 00:46:22,560

haven't caught stop counting the votes

1286

00:46:25,510 --> 00:46:23,839

yet maybe there's some votes around

1287

00:46:28,950 --> 00:46:25,520

sitting around

1288

00:46:32,550 --> 00:46:28,960

you know what it you know 20 20

1289

00:46:34,069 --> 00:46:32,560

is crazy it's there is a remote

1290

00:46:38,550 --> 00:46:34,079

possibility

1291

00:46:41,190 --> 00:46:38,560

that he wins in the courts not likely

1292

00:46:41,670 --> 00:46:41,200

but think of everything that's happened

1293

00:46:44,069 --> 00:46:41,680

think of

1294

00:46:46,390 --> 00:46:44,079

everything that has happened within the

1295

00:46:48,309 --> 00:46:46,400

past like four or five years

1296

00:46:50,309 --> 00:46:48,319

you know i wouldn't rule it out the

1297

00:46:55,510 --> 00:46:50,319

crazier things have happened

1298

00:46:57,510 --> 00:46:55,520

it's true greater things have happened

1299

00:46:59,670 --> 00:46:57,520

it would be pretty scary you would think

1300

00:47:03,750 --> 00:46:59,680

he was some sort of uh

1301  
00:47:04,470 --> 00:47:03,760  
evil supreme sorcerer because he could

1302  
00:47:07,910 --> 00:47:04,480  
just

1303  
00:47:10,790 --> 00:47:07,920  
make it so you know with the suggestion

1304  
00:47:12,630 --> 00:47:10,800  
you i mean it would be quite outlandish

1305  
00:47:14,470 --> 00:47:12,640  
but i think everything is just so crazy

1306  
00:47:16,790 --> 00:47:14,480  
now i don't rule anything out

1307  
00:47:19,670 --> 00:47:16,800  
hell i mean they talk about ufos

1308  
00:47:21,750 --> 00:47:19,680  
nonchalantly like on fox news now

1309  
00:47:23,829 --> 00:47:21,760  
you didn't see that five ten years ago

1310  
00:47:24,230 --> 00:47:23,839  
now ufos are just kind of like a thing

1311  
00:47:27,589 --> 00:47:24,240  
uh

1312  
00:47:29,510 --> 00:47:27,599  
so why not if if trump can somehow lose

1313  
00:47:31,349 --> 00:47:29,520

uh everyone thinks he's lost and then

1314

00:47:33,910 --> 00:47:31,359

he's like no i can win in the courts

1315

00:47:35,030 --> 00:47:33,920

why not maybe he's like it's time for me

1316

00:47:45,109 --> 00:47:35,040

to call the orcs

1317

00:47:49,589 --> 00:47:47,990

uh one last headline here okay this is

1318

00:47:51,190 --> 00:47:49,599

uh this is important you're gonna like

1319

00:47:55,109 --> 00:47:51,200

this one spanky

1320

00:47:57,349 --> 00:47:55,119

uh russia in new bid to beat tom cruise

1321

00:47:59,990 --> 00:47:57,359

into space

1322

00:48:00,950 --> 00:48:00,000

russia is attempting to beat the us by

1323

00:48:03,270 --> 00:48:00,960

shooting

1324

00:48:05,510 --> 00:48:03,280

the first feature film in space before

1325

00:48:08,790 --> 00:48:05,520

tom cruise does

1326

00:48:12,870 --> 00:48:08,800

oh that it's tells tom cruise is kind of

1327

00:48:14,950 --> 00:48:12,880

embodies american spirit i guess so

1328

00:48:16,710 --> 00:48:14,960

i guess so american lunacy about wanting

1329

00:48:19,829 --> 00:48:16,720

to do something different

1330

00:48:20,950 --> 00:48:19,839

in bold that's a pretty good lunacy like

1331

00:48:25,829 --> 00:48:20,960

he's they're going to the moon

1332

00:48:27,270 --> 00:48:25,839

yeah yeah i got it back in may

1333

00:48:29,190 --> 00:48:27,280

what's that oh yeah pick up what you're

1334

00:48:31,270 --> 00:48:29,200

putting down uh back in may

1335

00:48:33,510 --> 00:48:31,280

nasa confirmed that it would be working

1336

00:48:35,270 --> 00:48:33,520

alongside veteran hollywood actor tom

1337

00:48:38,230 --> 00:48:35,280

cruise on a new movie

1338

00:48:38,870 --> 00:48:38,240

that would be at least partially filmed

1339

00:48:41,270 --> 00:48:38,880

on the

1340

00:48:43,190 --> 00:48:41,280

international space station that's

1341

00:48:44,390 --> 00:48:43,200

pretty i mean it seems kind of easy to

1342

00:48:45,589 --> 00:48:44,400

do that though

1343

00:48:47,589 --> 00:48:45,599

you would hope that the movie would have

1344

00:48:49,030 --> 00:48:47,599

something to do with space you know

1345

00:48:51,750 --> 00:48:49,040

they're just not going up there for like

1346

00:48:52,309 --> 00:48:51,760

a day criticizing another mission

1347

00:48:56,309 --> 00:48:52,319

impossible

1348

00:48:58,470 --> 00:48:56,319

trying to film something that has

1349

00:49:01,430 --> 00:48:58,480

absolutely nothing to do with space

1350

00:49:03,190 --> 00:49:01,440

like a seinfeld parody why didn't they

1351  
00:49:04,470 --> 00:49:03,200  
film that last scene of inception in

1352  
00:49:06,790 --> 00:49:04,480  
space

1353  
00:49:08,710 --> 00:49:06,800  
you get some really really accurate

1354  
00:49:11,109 --> 00:49:08,720  
weightlessness

1355  
00:49:12,470 --> 00:49:11,119  
the action adventure will reportedly

1356  
00:49:14,470 --> 00:49:12,480  
involve spacex

1357  
00:49:16,069 --> 00:49:14,480  
suggesting that perhaps the private

1358  
00:49:17,750 --> 00:49:16,079  
space firm will be

1359  
00:49:19,750 --> 00:49:17,760  
providing transportation to ferry

1360  
00:49:23,190 --> 00:49:19,760  
equipment and other personnel

1361  
00:49:25,349 --> 00:49:23,200  
to the orbiting outpost if it goes ahead

1362  
00:49:28,470 --> 00:49:25,359  
the movie will be the first feature film

1363  
00:49:30,630 --> 00:49:28,480

shot in space not content with missing

1364

00:49:31,030 --> 00:49:30,640

out however russia has since revealed

1365

00:49:33,430 --> 00:49:31,040

that

1366

00:49:35,349 --> 00:49:33,440

it is seeking a leading actress to

1367

00:49:38,549 --> 00:49:35,359

venture into space as part of a

1368

00:49:41,430 --> 00:49:38,559

a rival plan to beat the us to the punch

1369

00:49:42,710 --> 00:49:41,440

that's just kind of that's a one-upper

1370

00:49:44,390 --> 00:49:42,720

that's what what uppers do

1371

00:49:45,750 --> 00:49:44,400

they've been doing this forever yeah

1372

00:49:47,589 --> 00:49:45,760

yeah

1373

00:49:49,670 --> 00:49:47,599

hasn't tom cruise battled the russians

1374

00:49:51,349 --> 00:49:49,680

before like every day

1375

00:49:53,270 --> 00:49:51,359

he's battling russians one of those in

1376

00:49:58,710 --> 00:49:53,280

mission impossible movies i think so

1377

00:50:01,190 --> 00:49:58,720

yeah i think he's up to the challenge

1378

00:50:01,910 --> 00:50:01,200

the only way tom cruise could now beat

1379

00:50:04,950 --> 00:50:01,920

this

1380

00:50:07,190 --> 00:50:04,960

is if he becomes that leading actress

1381

00:50:09,109 --> 00:50:07,200

that acts in that russian movie so he

1382

00:50:10,870 --> 00:50:09,119

will be the first actor in space he just

1383

00:50:11,349 --> 00:50:10,880

has to act in that russian movie as a

1384

00:50:14,470 --> 00:50:11,359

woman

1385

00:50:15,829 --> 00:50:14,480

so is it who's who is it is it judy

1386

00:50:17,190 --> 00:50:15,839

comer going to be the

1387

00:50:19,270 --> 00:50:17,200

no they're still looking russia's still

1388

00:50:21,829 --> 00:50:19,280

trying to find that that special

1389

00:50:22,470 --> 00:50:21,839

is villanelle going to space uh it's not

1390

00:50:26,710 --> 00:50:22,480

saying

1391

00:50:27,670 --> 00:50:26,720

it is well do you think scientology is

1392

00:50:32,069 --> 00:50:27,680

more

1393

00:50:34,390 --> 00:50:32,079

powerful than the russian space program

1394

00:50:35,990 --> 00:50:34,400

i'm gonna say yeah all right i think i

1395

00:50:39,589 --> 00:50:36,000

think we know what's gonna happen

1396

00:50:41,430 --> 00:50:39,599

i think uh scientology is super powerful

1397

00:50:43,670 --> 00:50:41,440

they probably can apply pressure to the

1398

00:50:44,150 --> 00:50:43,680

uh pressure to the russian space program

1399

00:50:46,309 --> 00:50:44,160

to

1400

00:50:48,870 --> 00:50:46,319

have them delay the record in their

1401  
00:50:50,470 --> 00:50:48,880  
movie and they have interest in space

1402  
00:50:52,230 --> 00:50:50,480  
yeah they love space i mean that's where

1403  
00:50:53,829 --> 00:50:52,240  
they live right or what's where

1404  
00:50:55,430 --> 00:50:53,839  
that's where they live we don't know

1405  
00:50:56,150 --> 00:50:55,440  
which we don't know what they really do

1406  
00:50:59,430 --> 00:50:56,160  
in there

1407  
00:51:02,309 --> 00:50:59,440  
in space but they love space what's that

1408  
00:51:03,349 --> 00:51:02,319  
don't they frequent space i think that

1409  
00:51:06,829 --> 00:51:03,359  
they're

1410  
00:51:10,230 --> 00:51:06,839  
that

1411  
00:51:10,870 --> 00:51:10,240  
then they go in and out of volcanoes but

1412  
00:51:13,109 --> 00:51:10,880  
do

1413  
00:51:14,390 --> 00:51:13,119

like occupy space at some point in time

1414

00:51:18,390 --> 00:51:14,400

i don't know

1415

00:51:21,750 --> 00:51:18,400

imagination is a

1416

00:51:23,030 --> 00:51:21,760

amazing place it is it says the

1417

00:51:25,030 --> 00:51:23,040

applicants will need to be

1418

00:51:26,150 --> 00:51:25,040

fit well proportioned and most

1419

00:51:29,589 --> 00:51:26,160

importantly russian

1420

00:51:31,270 --> 00:51:29,599

so russia says right off the bat uh

1421

00:51:34,230 --> 00:51:31,280

you got to be russian to be in our movie

1422

00:51:36,470 --> 00:51:34,240

which is kind of stupid

1423

00:51:38,069 --> 00:51:36,480

no uh you would want some some heavy

1424

00:51:41,510 --> 00:51:38,079

hollywood hitters you know

1425

00:51:42,630 --> 00:51:41,520

you'd imagine but tom cruise's uh enemy

1426

00:51:45,589 --> 00:51:42,640

who's his like uh

1427

00:51:46,549 --> 00:51:45,599

his arch enemy his arch can race what

1428

00:51:49,750 --> 00:51:46,559

competition

1429

00:51:52,230 --> 00:51:49,760

can reeves yeah probably yeah i would

1430

00:51:55,270 --> 00:51:52,240

say that's probably it

1431

00:51:56,470 --> 00:51:55,280

you nowadays

1432

00:51:58,470 --> 00:51:56,480

i mean they're both but they're both

1433

00:51:59,829 --> 00:51:58,480

about the same age you know they've had

1434

00:52:01,829 --> 00:51:59,839

uh both a

1435

00:52:03,349 --> 00:52:01,839

pretty substantial career what about

1436

00:52:07,430 --> 00:52:03,359

matt damon

1437

00:52:09,829 --> 00:52:07,440

he was jason bourne but that's yeah

1438

00:52:11,829 --> 00:52:09,839

i could see that one i think more than i

1439

00:52:14,630 --> 00:52:11,839

could keanu reeves

1440

00:52:16,710 --> 00:52:14,640

yeah maybe uh i don't know about tom

1441

00:52:19,510 --> 00:52:16,720

hardy

1442

00:52:20,790 --> 00:52:19,520

no he's too young compared to cruz like

1443

00:52:21,829 --> 00:52:20,800

when it comes to like the length of

1444

00:52:23,430 --> 00:52:21,839

career

1445

00:52:26,630 --> 00:52:23,440

and just the amount of work that they've

1446

00:52:28,470 --> 00:52:26,640

done uh tom cruise is uh

1447

00:52:29,750 --> 00:52:28,480

he's unmatched he's one of the best me

1448

00:52:33,109 --> 00:52:29,760

liam neeson

1449

00:52:35,190 --> 00:52:33,119

possibly neeson sure he's got a set of

1450

00:52:38,470 --> 00:52:35,200

skills he's like i

1451  
00:52:39,589 --> 00:52:38,480  
know how to spacewalk i can go into

1452  
00:52:43,030 --> 00:52:39,599  
space

1453  
00:52:45,589 --> 00:52:43,040  
i can fix a solar array

1454  
00:52:47,670 --> 00:52:45,599  
like you didn't know this but i'm

1455  
00:52:50,230 --> 00:52:47,680  
actually an astronaut

1456  
00:52:51,750 --> 00:52:50,240  
i have a certain set of skills well they

1457  
00:52:54,390 --> 00:52:51,760  
say if everything goes as planned the

1458  
00:52:55,990 --> 00:52:54,400  
new movie will be filmed in october 2021

1459  
00:52:58,069 --> 00:52:56,000  
aboard the international space station

1460  
00:53:00,950 --> 00:52:58,079  
which is around the same time

1461  
00:53:02,069 --> 00:53:00,960  
that the u.s tom cruise movie will be

1462  
00:53:03,829 --> 00:53:02,079  
filmed so

1463  
00:53:05,349 --> 00:53:03,839

russia is going to be filming their

1464

00:53:08,230 --> 00:53:05,359

movie the same time as

1465

00:53:09,430 --> 00:53:08,240

uh same time as the spacex tom cruise

1466

00:53:11,349 --> 00:53:09,440

movie so this is

1467

00:53:12,710 --> 00:53:11,359

oh boy this is gonna be a [h\_\_\h]

1468

00:53:13,990 --> 00:53:12,720

this is what happens this is what

1469

00:53:15,430 --> 00:53:14,000

happens you remember when

1470

00:53:18,069 --> 00:53:15,440

armageddon came out and then like a

1471

00:53:19,670 --> 00:53:18,079

month later uh deep impact came out like

1472

00:53:21,510 --> 00:53:19,680

yeah this happens all the time in

1473

00:53:23,510 --> 00:53:21,520

hollywood

1474

00:53:25,109 --> 00:53:23,520

this it's it's they're having their own

1475

00:53:30,790 --> 00:53:25,119

little star war

1476

00:53:34,390 --> 00:53:33,430

oh boy oh wow what was i gonna say i

1477

00:53:36,630 --> 00:53:34,400

can't remember

1478

00:53:37,430 --> 00:53:36,640

i don't know what were you gonna say i

1479

00:53:38,549 --> 00:53:37,440

don't know

1480

00:53:40,790 --> 00:53:38,559

what kind of snacks you got over there

1481

00:53:42,390 --> 00:53:40,800

spanky i don't have anything

1482

00:53:44,069 --> 00:53:42,400

you don't have any snacks over there i

1483

00:53:48,390 --> 00:53:44,079

got some raw eggs

1484

00:53:50,309 --> 00:53:48,400

nice i got some raisins bran

1485

00:53:51,829 --> 00:53:50,319

yeah raisin bran that's not a good

1486

00:53:55,109 --> 00:53:51,839

cereal treat

1487

00:53:56,549 --> 00:53:55,119

no it's not it's like mmm raisin bran

1488

00:53:57,990 --> 00:53:56,559

i'm pretty sure rhianna and i are going

1489

00:53:59,190 --> 00:53:58,000

to go get some snacks what kind of

1490

00:54:00,790 --> 00:53:59,200

snacks we're going to get yeah we need

1491

00:54:03,829 --> 00:54:00,800

some snacks

1492

00:54:05,750 --> 00:54:03,839

hot cheetos flamin hot cheetos hot

1493

00:54:09,589 --> 00:54:05,760

cheetos no

1494

00:54:11,670 --> 00:54:09,599

you know we'll probably get our usual

1495

00:54:13,670 --> 00:54:11,680

i don't know i'm really hungry right now

1496

00:54:17,510 --> 00:54:13,680

i really want a snack

1497

00:54:19,430 --> 00:54:17,520

that's the usual i i typically will get

1498

00:54:23,030 --> 00:54:19,440

like tortilla chips with some sort of

1499

00:54:26,150 --> 00:54:23,040

salsa he is addicted to chips and

1500

00:54:29,430 --> 00:54:26,160

have salsa i have to eat it like

1501  
00:54:29,750 --> 00:54:29,440  
everybody love raymond's dad what'd he

1502  
00:54:31,510 --> 00:54:29,760  
do

1503  
00:54:33,349 --> 00:54:31,520  
i went through a salt there was a salsa

1504  
00:54:36,549 --> 00:54:33,359  
episode where he stopped eating

1505  
00:54:38,069 --> 00:54:36,559  
the wife's cooking and just also

1506  
00:54:39,829 --> 00:54:38,079  
he's like i don't need her anymore i

1507  
00:54:41,750 --> 00:54:39,839  
have salsa yeah

1508  
00:54:43,829 --> 00:54:41,760  
that's what i do it's very filling it's

1509  
00:54:46,309 --> 00:54:43,839  
very good that's mike

1510  
00:54:47,910 --> 00:54:46,319  
yeah so i'll probably have that so they

1511  
00:54:49,750 --> 00:54:47,920  
got a bunch of different things now

1512  
00:54:52,789 --> 00:54:49,760  
there's like a guacamole

1513  
00:54:54,150 --> 00:54:52,799

salsa thing a guacamole cheese

1514

00:54:56,309 --> 00:54:54,160

mix like they're mixing everything

1515

00:54:57,670 --> 00:54:56,319

together ranch salsa

1516

00:54:59,990 --> 00:54:57,680

they're just putting all over mixing it

1517

00:55:01,990 --> 00:55:00,000

together one big vat just taking things

1518

00:55:06,630 --> 00:55:02,000

and mixing them together

1519

00:55:09,430 --> 00:55:06,640

oh no no i like my guacamole separate

1520

00:55:10,870 --> 00:55:09,440

yeah you can you can go through each dip

1521

00:55:12,549 --> 00:55:10,880

and get your own little thing and then

1522

00:55:15,990 --> 00:55:12,559

it marries in your mouth

1523

00:55:17,430 --> 00:55:16,000

huh how about that

1524

00:55:19,109 --> 00:55:17,440

if you mix that all together it's just

1525

00:55:20,870 --> 00:55:19,119

like food soup

1526

00:55:22,549 --> 00:55:20,880

yeah it's like at the end of uh your

1527

00:55:24,069 --> 00:55:22,559

dinner where everything kind of like

1528

00:55:25,190 --> 00:55:24,079

gets mashed together they're not

1529

00:55:26,069 --> 00:55:25,200

separate your food's not separate

1530

00:55:28,789 --> 00:55:26,079

anymore it's just like

1531

00:55:29,349 --> 00:55:28,799

mashed potatoes could you make gravy

1532

00:55:32,069 --> 00:55:29,359

beans

1533

00:55:32,950 --> 00:55:32,079

nachos nacho cereal yeah you get like a

1534

00:55:35,510 --> 00:55:32,960

chips

1535

00:55:36,789 --> 00:55:35,520

i want cereal or the you pour the nacho

1536

00:55:38,950 --> 00:55:36,799

things on it and mix it all

1537

00:55:41,030 --> 00:55:38,960

up and just eat it with a spoon thanks

1538

00:55:43,270 --> 00:55:41,040

spanky you're giving us

1539

00:55:45,510 --> 00:55:43,280

a ton of ideas for snacks wait yeah i

1540

00:55:47,030 --> 00:55:45,520

put nachos like in a cereal bowl put put

1541

00:55:51,589 --> 00:55:47,040

cheese on there and then put

1542

00:55:53,750 --> 00:55:51,599

milk over that so i have nut salsa ranch

1543

00:55:55,430 --> 00:55:53,760

whatever and then mix it up like a bowl

1544

00:55:57,349 --> 00:55:55,440

and you're eating it like with a spoon

1545

00:55:59,109 --> 00:55:57,359

okay i kind of like that it's almost

1546

00:56:02,950 --> 00:55:59,119

like a taco salad

1547

00:56:05,589 --> 00:56:02,960

yeah no it'll be like a soup

1548

00:56:06,950 --> 00:56:05,599

taco soup taco soup yeah don't mess with

1549

00:56:09,430 --> 00:56:06,960

the consistency part it's the most

1550

00:56:11,109 --> 00:56:09,440

important part

1551  
00:56:12,470 --> 00:56:11,119  
i'm playing the outro music spanky we

1552  
00:56:16,710 --> 00:56:12,480  
got to get out of here

1553  
00:56:18,309 --> 00:56:16,720  
all right i'm like i'm hungry

1554  
00:56:20,150 --> 00:56:18,319  
i got it i was talking too much about

1555  
00:56:22,789 --> 00:56:20,160  
snacks i think i gotta get some too

1556  
00:56:24,390 --> 00:56:22,799  
i gotta get food yeah i need to go like

1557  
00:56:25,990 --> 00:56:24,400  
curl up on the couch i think after all

1558  
00:56:27,270 --> 00:56:26,000  
that work on the fence today i'm just

1559  
00:56:30,069 --> 00:56:27,280  
like

1560  
00:56:30,549 --> 00:56:30,079  
done a lot of work on the farms man done

1561  
00:56:33,030 --> 00:56:30,559  
what's going

1562  
00:56:34,710 --> 00:56:33,040  
on you're farm folk we are farmers we

1563  
00:56:35,910 --> 00:56:34,720

are let's try to come back next sunday

1564

00:56:38,470 --> 00:56:35,920

what do you think

1565

00:56:39,510 --> 00:56:38,480

yeah okay that's good do you you guys

1566

00:56:42,630 --> 00:56:39,520

should do

1567

00:56:45,430 --> 00:56:42,640

that famous painting of the guy and the

1568

00:56:47,030 --> 00:56:45,440

with his wife on the farm and the yeah

1569

00:56:48,309 --> 00:56:47,040

we should we should be that for yeah

1570

00:56:49,910 --> 00:56:48,319

we should be that for halloween next

1571

00:56:50,950 --> 00:56:49,920

year yeah next year yeah hey where are

1572

00:56:54,470 --> 00:56:50,960

we going

1573

00:56:56,789 --> 00:56:54,480

totally with you and your compound yeah

1574

00:56:58,150 --> 00:56:56,799

we're gonna do it i like that it's

1575

00:57:01,750 --> 00:56:58,160

perfect just need a pitchfork

1576

00:57:04,789 --> 00:57:01,760

and was the woman holding anything

1577

00:57:06,630 --> 00:57:04,799

just just like just like the guy who was

1578

00:57:10,390 --> 00:57:06,640

embodying the nickname orc

1579

00:57:11,829 --> 00:57:10,400

uh by becoming one will become this

1580

00:57:15,030 --> 00:57:11,839

yeah that's what you are now that's who

1581

00:57:18,630 --> 00:57:16,630

yeah right there i i put it up on the

1582

00:57:21,670 --> 00:57:18,640

screen so yeah uh

1583

00:57:25,109 --> 00:57:23,430

you'll see it on the video on on the

1584

00:57:27,510 --> 00:57:25,119

watch back i can see it

1585

00:57:29,109 --> 00:57:27,520

the yeah the woman oh i had to master

1586

00:57:32,069 --> 00:57:29,119

that very stern

1587

00:57:34,470 --> 00:57:32,079

look and i gotta hold that uh that

1588

00:57:36,950 --> 00:57:34,480

pitchfork very firmly and very sternly

1589

00:57:38,870 --> 00:57:36,960

as well they have those faces like the

1590

00:57:41,349 --> 00:57:38,880

the pissed off faces when

1591

00:57:42,950 --> 00:57:41,359

yeah they do their camera it took 20

1592

00:57:44,309 --> 00:57:42,960

minutes for the camera to take for the

1593

00:57:46,789 --> 00:57:44,319

picture the resting [h\_\_h] face

1594

00:57:48,549 --> 00:57:46,799

yeah yeah yeah they totally have that

1595

00:57:50,230 --> 00:57:48,559

going

1596

00:57:53,109 --> 00:57:50,240

and i've got to get like some shirts

1597

00:57:55,109 --> 00:57:53,119

that are like up to here

1598

00:57:57,349 --> 00:57:55,119

yeah nothing nothing's showing hair

1599

00:57:58,789 --> 00:57:57,359

pulled back low bun

1600

00:58:00,390 --> 00:57:58,799

you could you're gonna have to go bald

1601

00:58:02,150 --> 00:58:00,400

mike yeah no

1602

00:58:03,670 --> 00:58:02,160

i'm on my way but just you know it's

1603

00:58:05,910 --> 00:58:03,680

okay you can have a little bit of hair

1604

00:58:11,910 --> 00:58:05,920

around around this area it's the captain

1605

00:58:14,470 --> 00:58:13,270

all right let's see you guys get that

1606

00:58:16,470 --> 00:58:14,480

done we're getting out of here we're

1607

00:58:19,750 --> 00:58:16,480

gonna it's snack time

1608

00:58:23,430 --> 00:58:19,760

all right snacks go get your pop chips
