

Missing a Year

MISSING 411

Animals taking kids

1
00:00:00,270 --> 00:00:06,550
[Applause]

2
00:00:08,710 --> 00:00:08,390
spanky thanks for joining us on the show

3
00:00:10,870 --> 00:00:08,720
man

4
00:00:11,749 --> 00:00:10,880
it's nice to have you back on the obdm

5
00:00:13,830 --> 00:00:11,759
podcast

6
00:00:15,509 --> 00:00:13,840
i think the last time that you were on

7
00:00:18,630 --> 00:00:15,519
the show it was me

8
00:00:20,390 --> 00:00:18,640
you and my uh my brother clown baby and

9
00:00:23,750 --> 00:00:20,400
we were talking about

10
00:00:26,150 --> 00:00:23,760
missing four one one and we were

11
00:00:27,269 --> 00:00:26,160
trying to explain to you uh what that

12
00:00:30,470 --> 00:00:27,279
was all about

13
00:00:32,470 --> 00:00:30,480

how sometimes when uh people go missing

14

00:00:34,310 --> 00:00:32,480

they go missing under very peculiar

15

00:00:36,229 --> 00:00:34,320

circumstances especially out in like

16

00:00:39,430 --> 00:00:36,239

national forests or in the woods

17

00:00:42,630 --> 00:00:39,440

and uh this most recent book uh

18

00:00:45,590 --> 00:00:42,640

called missing 411 montana

19

00:00:46,630 --> 00:00:45,600

is more of these cases and like a brief

20

00:00:49,830 --> 00:00:46,640

overview

21

00:00:50,790 --> 00:00:49,840

uh of what a missing four one one case

22

00:00:53,830 --> 00:00:50,800

is

23

00:00:56,950 --> 00:00:53,840

the woods

24

00:00:59,430 --> 00:00:56,960

and they are if their bodies found

25

00:01:01,110 --> 00:00:59,440

is typically found in a place that has

26

00:01:03,110 --> 00:01:01,120

already been searched

27

00:01:05,590 --> 00:01:03,120

or canines that are brought out they

28

00:01:07,830 --> 00:01:05,600

can't they can't find a cent

29

00:01:09,670 --> 00:01:07,840

yeah uh when they go when a person goes

30

00:01:12,870 --> 00:01:09,680

missing they deploy search and rescue

31

00:01:14,230 --> 00:01:12,880

oftentimes uh severe weather just

32

00:01:17,510 --> 00:01:14,240

happens to

33

00:01:19,830 --> 00:01:17,520

erupt and the search is impaired or

34

00:01:23,190 --> 00:01:19,840

called off for a few days

35

00:01:25,670 --> 00:01:23,200

then sometimes um bodies that are found

36

00:01:26,870 --> 00:01:25,680

that go missing they will either have

37

00:01:30,069 --> 00:01:26,880

their clothes removed

38

00:01:33,109 --> 00:01:30,079

oftentimes their shoes or uh or boots

39

00:01:35,030 --> 00:01:33,119

are removed um and then a lot of times

40

00:01:38,550 --> 00:01:35,040

that people are found near water

41

00:01:40,710 --> 00:01:38,560

or in water lake stream river

42

00:01:42,230 --> 00:01:40,720

what have you and sometimes near boulder

43

00:01:43,190 --> 00:01:42,240

fields those are all just like a brief

44

00:01:46,230 --> 00:01:43,200

overview

45

00:01:47,990 --> 00:01:46,240

of what uh what constitutes a missing

46

00:01:50,550 --> 00:01:48,000

four one one case

47

00:01:51,990 --> 00:01:50,560

and the author of this book series

48

00:01:53,910 --> 00:01:52,000

missing four one one

49

00:01:55,270 --> 00:01:53,920

they would play to put out a new book

50

00:01:58,069 --> 00:01:55,280

specifically about

51
00:01:58,550 --> 00:01:58,079
montana and i've been going through this

52
00:02:01,670 --> 00:01:58,560
i've been

53
00:02:03,910 --> 00:02:01,680
reading it for the past few days um and

54
00:02:06,069 --> 00:02:03,920
it's kind of depressing to read

55
00:02:08,949 --> 00:02:06,079
because you're reading about people that

56
00:02:10,309 --> 00:02:08,959
in most instances like 90

57
00:02:12,150 --> 00:02:10,319
percent of the cases that he writes

58
00:02:13,990 --> 00:02:12,160
about the debt

59
00:02:15,830 --> 00:02:14,000
so it's not like a very christmasy book

60
00:02:17,910 --> 00:02:15,840
you know yeah

61
00:02:19,110 --> 00:02:17,920
uh you're reading about people that have

62
00:02:23,030 --> 00:02:19,120
lost their lives

63
00:02:23,990 --> 00:02:23,040

and we're uh probably alone in the final

64

00:02:27,830 --> 00:02:24,000
moments

65

00:02:28,710 --> 00:02:27,840
of their lives so uh jingle bingle

66

00:02:30,150 --> 00:02:28,720
jingle bingle

67

00:02:32,550 --> 00:02:30,160
uh this is what we're gonna be talking

68

00:02:34,550 --> 00:02:32,560
about for for uh a little bit

69

00:02:36,790 --> 00:02:34,560
today what is the jingle beagle i don't

70

00:02:39,270 --> 00:02:36,800
remember that one i i forget like i

71

00:02:42,309 --> 00:02:39,280
came up with jingle bingle a few years

72

00:02:45,270 --> 00:02:42,319
ago as like a non-specific

73

00:02:47,910 --> 00:02:45,280
holiday greeting yeah you know it was

74

00:02:50,150 --> 00:02:47,920
it's just a jingle bingle jingle bingle

75

00:02:51,670 --> 00:02:50,160
i i forget how i came up with it is that

76

00:02:54,550 --> 00:02:51,680

your voice

77

00:02:55,350 --> 00:02:54,560

that is no this is jingle bingo that is

78

00:02:58,630 --> 00:02:55,360

lionel

79

00:03:01,830 --> 00:02:58,640

uh this guy

80

00:03:03,910 --> 00:03:01,840

jingle bingle is uh ethan van

81

00:03:05,030 --> 00:03:03,920

shriver who's a big comic book artist

82

00:03:07,509 --> 00:03:05,040

they sound jonathan from

83

00:03:08,390 --> 00:03:07,519

the same dude jingle bingle jingle

84

00:03:10,309 --> 00:03:08,400

bingle and

85

00:03:11,670 --> 00:03:10,319

then this third this third guy jingle

86

00:03:14,869 --> 00:03:11,680

bingle [h__h]

87

00:03:17,110 --> 00:03:14,879

that is uh dab and mike dab surgeon

88

00:03:19,430 --> 00:03:17,120

he's a he's a listener he hopped on the

89

00:03:21,910 --> 00:03:19,440

jingle bingle bandwagon very early on

90

00:03:24,390 --> 00:03:21,920

and called him that note sounds like

91

00:03:27,670 --> 00:03:24,400

it's really sweeping the nation

92

00:03:29,910 --> 00:03:27,680

uh it's like a very slow grass fire

93

00:03:31,589 --> 00:03:29,920

you know it's like a grass fire that is

94

00:03:33,110 --> 00:03:31,599

kind of annoying you probably go out and

95

00:03:34,869 --> 00:03:33,120

like stomp it out if you want to but

96

00:03:36,229 --> 00:03:34,879

it'll just burn out on its own

97

00:03:37,670 --> 00:03:36,239

but you just kind of sit there and kind

98

00:03:39,430 --> 00:03:37,680

of watch it like yeah it's not going

99

00:03:41,270 --> 00:03:39,440

anywhere i can just check this out

100

00:03:43,270 --> 00:03:41,280

we have t-shirts fade a little bit we

101
00:03:44,630 --> 00:03:43,280
got jingle bingle t-shirts if you just

102
00:03:47,990 --> 00:03:44,640
search for a teespring

103
00:03:49,589 --> 00:03:48,000
obdm you can purchase uh

104
00:03:51,830 --> 00:03:49,599
a jingle bengal t-shirt it's not too

105
00:03:53,910 --> 00:03:51,840
late you can celebrate jingle bingle i

106
00:03:56,630 --> 00:03:53,920
think up through february

107
00:03:57,750 --> 00:03:56,640
um really yeah i think so it's

108
00:03:58,070 --> 00:03:57,760
indeterminate we don't know when it

109
00:04:00,229 --> 00:03:58,080
starts

110
00:04:01,429 --> 00:04:00,239
right away until valentine's day pretty

111
00:04:04,789 --> 00:04:01,439
much yeah or maybe

112
00:04:06,229 --> 00:04:04,799
for valentine's day too yeah it's just

113
00:04:08,070 --> 00:04:06,239

kind of all rolls into one

114

00:04:09,990 --> 00:04:08,080

we celebrate like three holidays here

115

00:04:12,710 --> 00:04:10,000

jingle bingle kind of thanksgiving and

116

00:04:15,110 --> 00:04:12,720

then we talk about halloween

117

00:04:16,870 --> 00:04:15,120

um all right let's get on over and let's

118

00:04:17,670 --> 00:04:16,880

just talk about missing 411 because this

119

00:04:22,870 --> 00:04:17,680

is some

120

00:04:27,670 --> 00:04:26,390

and then i think uh

121

00:04:29,430 --> 00:04:27,680

i don't have much to show here since

122

00:04:30,070 --> 00:04:29,440

these are just the kind of stories that

123

00:04:32,469 --> 00:04:30,080

i've read

124

00:04:34,870 --> 00:04:32,479

in the book and i'll convey them to uh

125

00:04:36,550 --> 00:04:34,880

all you good people out there

126

00:04:38,469 --> 00:04:36,560

um the two stories i found in the book

127

00:04:41,030 --> 00:04:38,479

that i found most compelling

128

00:04:42,310 --> 00:04:41,040

oh wow there's something that was going

129

00:04:44,629 --> 00:04:42,320

on there

130

00:04:46,310 --> 00:04:44,639

um one of the the two stories that i

131

00:04:49,909 --> 00:04:46,320

found in the book that was uh

132

00:04:53,030 --> 00:04:49,919

fairly compelling where stories that

133

00:04:56,310 --> 00:04:53,040

involved uh younger

134

00:04:59,510 --> 00:04:56,320

kids that were taken by

135

00:05:03,749 --> 00:04:59,520

animals and the first one

136

00:05:05,670 --> 00:05:03,759

is from 1903

137

00:05:10,230 --> 00:05:05,680

and these are both these cases are in

138

00:05:11,270 --> 00:05:10,240

montana um this is uh september 1903 and

139

00:05:15,749 --> 00:05:11,280

uh

140

00:05:18,550 --> 00:05:15,759

it was reported that the dumfree family

141

00:05:19,110 --> 00:05:18,560

uh said that their infant daughter was

142

00:05:25,029 --> 00:05:19,120

carried

143

00:05:27,670 --> 00:05:25,039

off by a wolf in the afternoon

144

00:05:28,230 --> 00:05:27,680

obviously someone must have had seen a

145

00:05:32,070 --> 00:05:28,240

wolf

146

00:05:33,749 --> 00:05:32,080

like carry off their infant child um

147

00:05:36,070 --> 00:05:33,759

that's what was reported in newspaper so

148

00:05:39,670 --> 00:05:36,080

they went out looking for their daughter

149

00:05:42,870 --> 00:05:39,680

and the father said he found a wolf den

150

00:05:44,550 --> 00:05:42,880

he entered the wolf den and he saw a

151
00:05:47,270 --> 00:05:44,560
mother wolf

152
00:05:47,590 --> 00:05:47,280
beating her pups and he also at the same

153
00:05:50,469 --> 00:05:47,600
time

154
00:05:52,790 --> 00:05:50,479
saw his daughter trying to suckle from

155
00:05:54,629 --> 00:05:52,800
the mama wolf

156
00:05:56,230 --> 00:05:54,639
uh he went in there got his daughter

157
00:05:58,230 --> 00:05:56,240
back uh you know the

158
00:06:00,070 --> 00:05:58,240
the wolf growled a little bit but didn't

159
00:06:01,189 --> 00:06:00,080
prevent the father from taking his

160
00:06:03,670 --> 00:06:01,199
daughter back

161
00:06:05,029 --> 00:06:03,680
and how long was she gone is she just

162
00:06:06,390 --> 00:06:05,039
like five minutes and she's already

163
00:06:09,590 --> 00:06:06,400

sucking on a wolf tit

164

00:06:11,270 --> 00:06:09,600

uh yes good question um like you're

165

00:06:12,790 --> 00:06:11,280

saying like there's no loyalty to family

166

00:06:14,469 --> 00:06:12,800

there yeah it's just like oh well i

167

00:06:15,189 --> 00:06:14,479

guess i'm a dog now because i'm a wolf

168

00:06:18,230 --> 00:06:15,199

now

169

00:06:21,189 --> 00:06:18,240

uh it the weight was conveyed it was

170

00:06:22,309 --> 00:06:21,199

within 24 hours that the daughter of the

171

00:06:24,469 --> 00:06:22,319

daughter

172

00:06:27,430 --> 00:06:24,479

he figured in the kid could go without

173

00:06:29,189 --> 00:06:27,440

milk for 24 hours

174

00:06:30,950 --> 00:06:29,199

you know but uh free meals a free meal

175

00:06:32,469 --> 00:06:30,960

spanky

176

00:06:35,990 --> 00:06:32,479

what are you gonna do i would you know i

177

00:06:39,270 --> 00:06:38,550

well be honest this is in one of the

178

00:06:47,029 --> 00:06:39,280

instances

179

00:06:49,110 --> 00:06:47,039

the kid didn't die and was actually

180

00:06:51,029 --> 00:06:49,120

retrieved and and lived but that's how

181

00:06:52,070 --> 00:06:51,039

it was reported in the newspaper that a

182

00:06:54,390 --> 00:06:52,080

wolf

183

00:06:55,670 --> 00:06:54,400

basically abducted the daughter and it

184

00:06:58,390 --> 00:06:55,680

kind of ended there

185

00:06:59,430 --> 00:06:58,400

i would be curious from 1903 uh the

186

00:07:03,350 --> 00:06:59,440

second one in

187

00:07:06,469 --> 00:07:03,360

the book that i want to touch on is

188

00:07:10,309 --> 00:07:06,479

from 1955

189

00:07:13,990 --> 00:07:10,319

and this involved in july 4th 1955

190

00:07:17,270 --> 00:07:14,000

and the the kid who disappeared was

191

00:07:20,469 --> 00:07:17,280

ida may curtis and

192

00:07:21,510 --> 00:07:20,479

her age was two years old and this was

193

00:07:25,510 --> 00:07:21,520

in the

194

00:07:29,270 --> 00:07:25,520

uh [h__h] tiny national forest

195

00:07:33,510 --> 00:07:29,280

um near libby montana

196

00:07:36,230 --> 00:07:33,520

so this is a mic that's kootenai just

197

00:07:36,870 --> 00:07:36,240

kunai yeah and what was the other day

198

00:07:40,309 --> 00:07:36,880

another one

199

00:07:44,070 --> 00:07:40,319

liberty uh libby montana libby okay

200

00:07:47,110 --> 00:07:44,080

it's like a town um

201
00:07:49,270 --> 00:07:47,120
so this is this is at a big logging camp

202
00:07:50,950 --> 00:07:49,280
the father mortimer curtis was a logger

203
00:07:52,469 --> 00:07:50,960
and all the loggers decided to bring out

204
00:07:54,150 --> 00:07:52,479
their families to

205
00:07:56,230 --> 00:07:54,160
to the camp for fourth of july probably

206
00:07:56,790 --> 00:07:56,240
to sell fireworks and just have a a nice

207
00:07:58,950 --> 00:07:56,800
uh

208
00:08:00,150 --> 00:07:58,960
camping and picnic with each other in

209
00:08:02,950 --> 00:08:00,160
the late afternoon

210
00:08:03,909 --> 00:08:02,960
ida and her brother cecil were in their

211
00:08:10,869 --> 00:08:03,919
tent

212
00:08:13,110 --> 00:08:10,879
and carried ida off

213
00:08:14,309 --> 00:08:13,120

uh it was stated that mortimer's father

214

00:08:17,350 --> 00:08:14,319

saw a bear in the woods

215

00:08:19,670 --> 00:08:17,360

about that time now the

216

00:08:21,670 --> 00:08:19,680

the kid cecil said that his uh his

217

00:08:24,790 --> 00:08:21,680

sister was carried off by the bear

218

00:08:27,990 --> 00:08:24,800

and as it picked up uh

219

00:08:31,350 --> 00:08:28,000

his sister with one arm it ran off

220

00:08:34,469 --> 00:08:31,360

on three legs that's what the kid said

221

00:08:36,310 --> 00:08:34,479

and the grandpop mortimer said he did

222

00:08:39,990 --> 00:08:36,320

see a bear in the with the time

223

00:08:43,430 --> 00:08:40,000

uh that provoked the search almost 250

224

00:08:44,710 --> 00:08:43,440

people search for her um then on july

225

00:08:48,230 --> 00:08:44,720

5th the next day

226

00:08:52,070 --> 00:08:48,240

she was found across the creek

227

00:08:55,190 --> 00:08:52,080

not but 300 yards away from

228

00:08:57,670 --> 00:08:55,200

the camp in in in an area that

229

00:08:58,790 --> 00:08:57,680

had been searched dozens of times and

230

00:09:01,829 --> 00:08:58,800

she was found

231

00:09:04,630 --> 00:09:01,839

in a a a sort of a a

232

00:09:05,910 --> 00:09:04,640

cedar shelter uh something that was

233

00:09:09,509 --> 00:09:05,920

almost like a a cedar

234

00:09:13,030 --> 00:09:09,519

lean to and she was unharmed she wasn't

235

00:09:14,710 --> 00:09:13,040

wet and she was in good health

236

00:09:16,550 --> 00:09:14,720

which is all concerning because you'd

237

00:09:19,829 --> 00:09:16,560

imagine that if a bear

238

00:09:20,870 --> 00:09:19,839

did grab her uh it's the bears hunched

239

00:09:22,790 --> 00:09:20,880

over it has to go

240

00:09:24,949 --> 00:09:22,800

through a creek so you'd imagine there'd

241

00:09:27,990 --> 00:09:24,959

be some water splashing up

242

00:09:30,070 --> 00:09:28,000

in a bear uh in my in my recollection i

243

00:09:31,670 --> 00:09:30,080

believe bears do have claws

244

00:09:33,350 --> 00:09:31,680

so there might be some claw marks or

245

00:09:35,269 --> 00:09:33,360

some rip clothing on

246

00:09:37,110 --> 00:09:35,279

on the young girl there wasn't any of

247

00:09:39,430 --> 00:09:37,120

that

248

00:09:40,870 --> 00:09:39,440

and uh like i said it was already in an

249

00:09:41,670 --> 00:09:40,880

area where she it was they already

250

00:09:43,030 --> 00:09:41,680

searched

251
00:09:44,790 --> 00:09:43,040
i think a bear could have a little

252
00:09:46,870 --> 00:09:44,800
finesse if it wanted to you know

253
00:09:49,190 --> 00:09:46,880
and not hurt something with its claws if

254
00:09:52,230 --> 00:09:49,200
it wanted to i suppose so

255
00:09:52,790 --> 00:09:52,240
i guess a bear could be delicate i'm not

256
00:09:54,470 --> 00:09:52,800
sure if

257
00:09:56,790 --> 00:09:54,480
bears are known to be delicate i guess

258
00:09:58,790 --> 00:09:56,800
you can train a dog to pick up

259
00:10:00,550 --> 00:09:58,800
something with this mouth very gently

260
00:10:04,310 --> 00:10:00,560
and not destroy it

261
00:10:05,829 --> 00:10:04,320
um but i i don't know if the bears are

262
00:10:07,190 --> 00:10:05,839
i guess they're capable picking things

263
00:10:08,310 --> 00:10:07,200

up but are they capable capable of

264

00:10:10,550 --> 00:10:08,320

picking up a

265

00:10:11,750 --> 00:10:10,560

a two-year-old and running across a

266

00:10:13,750 --> 00:10:11,760

creek with it

267

00:10:15,190 --> 00:10:13,760

i don't know i i think i don't think

268

00:10:17,110 --> 00:10:15,200

their claws are razor sharp i think

269

00:10:20,230 --> 00:10:17,120

they're kind of pretty sharp and

270

00:10:21,269 --> 00:10:20,240

especially with 500 pounds of force or

271

00:10:24,630 --> 00:10:21,279

whatever behind it

272

00:10:26,310 --> 00:10:24,640

and then it can rip your head off

273

00:10:27,269 --> 00:10:26,320

but they're probably just as sharp they

274

00:10:29,190 --> 00:10:27,279

brought you can probably touch it

275

00:10:32,389 --> 00:10:29,200

without getting cut

276

00:10:33,990 --> 00:10:32,399

it's possible it was cool uh i'm i'm i'm

277

00:10:36,790 --> 00:10:34,000

saying that it is

278

00:10:37,829 --> 00:10:36,800

it's not uh impossible i just think is

279

00:10:41,910 --> 00:10:37,839

unlikely

280

00:10:44,790 --> 00:10:41,920

so they found ida she was unharmed and

281

00:10:46,870 --> 00:10:44,800

the family all stuck to their story that

282

00:10:49,269 --> 00:10:46,880

a bear carried off her dollar

283

00:10:51,110 --> 00:10:49,279

uh but when she was found the sheriff's

284

00:10:52,550 --> 00:10:51,120

uh department told the media that there

285

00:10:55,990 --> 00:10:52,560

was never bear

286

00:10:58,829 --> 00:10:56,000

and uh kept insisting uh

287

00:11:00,870 --> 00:10:58,839

that fact over and over again

288

00:11:02,470 --> 00:11:00,880

disregarding the family's claim and i

289

00:11:04,069 --> 00:11:02,480

think the family actually got a kind of

290

00:11:07,350 --> 00:11:04,079

got air irritated with the

291

00:11:10,069 --> 00:11:07,360

with a sheriff but in a in a subsequent

292

00:11:12,949 --> 00:11:10,079

kind of uh interview with the kid

293

00:11:13,990 --> 00:11:12,959

ida said as she was being carried she

294

00:11:18,550 --> 00:11:14,000

remembered being

295

00:11:21,590 --> 00:11:18,560

hit in the face repeatedly by the bears

296

00:11:23,670 --> 00:11:21,600

breasts okay

297

00:11:25,910 --> 00:11:23,680

so as a furry animal and you it might

298

00:11:30,230 --> 00:11:25,920

have been a sand squanch

299

00:11:33,509 --> 00:11:30,240

i bear uh i'm not like

300

00:11:34,470 --> 00:11:33,519

up on bear biology or anatomy

301

00:11:37,750 --> 00:11:34,480

you don't know if i don't think they

302

00:11:39,590 --> 00:11:37,760

have breasts yeah but they have a chest

303

00:11:44,150 --> 00:11:39,600

breast you know what i mean if it's a

304

00:11:48,790 --> 00:11:45,750

i don't think the i mean what i'm

305

00:11:51,990 --> 00:11:48,800

getting at is the

306

00:11:52,389 --> 00:11:52,000

attribute like the what they saw as a

307

00:11:54,150 --> 00:11:52,399

bear

308

00:11:55,509 --> 00:11:54,160

i think it's probably a sasquatch at

309

00:11:57,110 --> 00:11:55,519

that point

310

00:11:58,870 --> 00:11:57,120

yeah it was a female i might have a

311

00:12:02,310 --> 00:11:58,880

night a big set of tits

312

00:12:04,629 --> 00:12:02,320

yes and uh you know uh

313

00:12:05,670 --> 00:12:04,639

it's not unheard of that there are other

314

00:12:08,870 --> 00:12:05,680

stories out there

315

00:12:10,389 --> 00:12:08,880

of of sasquatch abducting kids or other

316

00:12:13,509 --> 00:12:10,399

kids being abducted by

317

00:12:14,710 --> 00:12:13,519

whatever kind of creature it is and uh

318

00:12:19,509 --> 00:12:14,720

taking care of it

319

00:12:19,829 --> 00:12:19,519

um i i don't know if a bear would build

320

00:12:31,670 --> 00:12:19,839

a

321

00:12:33,990 --> 00:12:31,680

in the woods doing this kind of thing

322

00:12:35,590 --> 00:12:34,000

or it it might be like i was thinking a

323

00:12:38,069 --> 00:12:35,600

really passive bear

324

00:12:39,590 --> 00:12:38,079

that can handle things with care and

325

00:12:41,829 --> 00:12:39,600

artistic

326

00:12:43,590 --> 00:12:41,839

a crafty bear can make a little house

327

00:12:46,710 --> 00:12:43,600

you know for the baby

328

00:12:48,870 --> 00:12:46,720

uh a bear with a liberal arts major

329

00:12:50,470 --> 00:12:48,880

something a bear is very sensitive very

330

00:12:55,110 --> 00:12:50,480

crafty a hippie bear

331

00:12:56,949 --> 00:12:55,120

okay okay you know i mean

332

00:12:58,310 --> 00:12:56,959

i mean if the bear has that much

333

00:13:00,150 --> 00:12:58,320

intelligence to get a

334

00:13:01,990 --> 00:13:00,160

degree and go to college and become a

335

00:13:02,710 --> 00:13:02,000

hippie then sure it probably would

336

00:13:05,990 --> 00:13:02,720

abduct a

337

00:13:08,949 --> 00:13:06,000

a small uh child dude to a rear

338

00:13:10,790 --> 00:13:08,959

on its own it might be one of the it

339

00:13:13,430 --> 00:13:10,800

might be like a crazy

340

00:13:15,030 --> 00:13:13,440

uh one of those you know women that have

341

00:13:17,190 --> 00:13:15,040

duck children and raise them as their

342

00:13:18,949 --> 00:13:17,200

own

343

00:13:21,030 --> 00:13:18,959

uh that's possible with that there's a

344

00:13:22,069 --> 00:13:21,040

word for it yeah there is a specific

345

00:13:25,910 --> 00:13:22,079

medical condition

346

00:13:27,430 --> 00:13:25,920

for a a woman that abducts a child

347

00:13:29,030 --> 00:13:27,440

that i mean that's the whole premise of

348

00:13:31,750 --> 00:13:29,040

miss uh of uh

349

00:13:32,870 --> 00:13:31,760

raising arizona yeah kind of that's a

350

00:13:35,030 --> 00:13:32,880

couple though

351
00:13:37,110 --> 00:13:35,040
yeah and then there's a new movie out on

352
00:13:41,750 --> 00:13:37,120
netflix uh

353
00:13:43,430 --> 00:13:41,760
with uh sarah paulson the woman from

354
00:13:46,069 --> 00:13:43,440
american horror story and how she kind

355
00:13:46,629 --> 00:13:46,079
of uh well i just blew the end of the

356
00:13:50,230 --> 00:13:46,639
movie but

357
00:13:53,430 --> 00:13:50,240
oh no will we move on from that

358
00:13:56,550 --> 00:13:53,440
that's uh uh but um in a a non

359
00:13:59,750 --> 00:13:56,560
montana related story um

360
00:14:02,710 --> 00:13:59,760
i'll bring this up on screen and this is

361
00:14:03,590 --> 00:14:02,720
a three-year-old this is like just from

362
00:14:05,750 --> 00:14:03,600
earlier

363
00:14:06,629 --> 00:14:05,760

um well i guess it was last year i'm

364

00:14:09,910 --> 00:14:06,639

sorry uh

365

00:14:10,870 --> 00:14:09,920

january 2019 we talked about this on the

366

00:14:13,269 --> 00:14:10,880

show

367

00:14:15,430 --> 00:14:13,279

and this is three-year-old who was

368

00:14:16,550 --> 00:14:15,440

missing for days says a bear watched

369

00:14:19,430 --> 00:14:16,560

over him

370

00:14:20,470 --> 00:14:19,440

in the north carolina woods i thought it

371

00:14:23,590 --> 00:14:20,480

was kentucky at

372

00:14:24,550 --> 00:14:23,600

best north north carolina was so a

373

00:14:28,230 --> 00:14:24,560

three-year-old boy

374

00:14:30,389 --> 00:14:28,240

was found alive in the woods in eastern

375

00:14:31,829 --> 00:14:30,399

north carolina after he went missing for

376

00:14:33,269 --> 00:14:31,839

two days

377

00:14:36,069 --> 00:14:33,279

uh he said he spent the time with the

378

00:14:38,790 --> 00:14:36,079

bear casey uh hathaway disappeared

379

00:14:41,670 --> 00:14:38,800

last tuesday had been playing with two

380

00:14:43,590 --> 00:14:41,680

other children in his grandmother's yard

381

00:14:45,829 --> 00:14:43,600

and when he disappeared thursday casey

382

00:14:49,829 --> 00:14:45,839

was found calling for his mother

383

00:14:52,069 --> 00:14:49,839

about a quarter mile away 40 to 50 yards

384

00:14:53,750 --> 00:14:52,079

deep in the woods he was soaking cold

385

00:14:56,629 --> 00:14:53,760

and tangled in a torn

386

00:14:57,110 --> 00:14:56,639

thorn bush uh hugh says rescuers waded

387

00:14:59,430 --> 00:14:57,120

through

388

00:15:00,790 --> 00:14:59,440

nearly waist deep water to get to the

389

00:15:03,430 --> 00:15:00,800

toddler

390

00:15:04,790 --> 00:15:03,440

um how did he get there and how do you

391

00:15:07,829 --> 00:15:04,800

stay alive

392

00:15:08,470 --> 00:15:07,839

uh quote he hung out with a bear for two

393

00:15:11,990 --> 00:15:08,480

days

394

00:15:12,949 --> 00:15:12,000

is what his aunt said and she shared

395

00:15:16,710 --> 00:15:12,959

that in a now

396

00:15:19,829 --> 00:15:16,720

private facebook post she said hung out

397

00:15:23,750 --> 00:15:19,839

hung out with a bear

398

00:15:26,069 --> 00:15:23,760

all right uh his aunt called it a

399

00:15:28,629 --> 00:15:26,079

miracle and said god sent him a friend

400

00:15:30,629 --> 00:15:28,639

to keep him safe casey's mother gave

401
00:15:33,350 --> 00:15:30,639
authorities the same report

402
00:15:35,110 --> 00:15:33,360
and he said of he had a friend in the

403
00:15:39,269 --> 00:15:35,120
woods that was a bear

404
00:15:41,910 --> 00:15:39,279
sheriff hughes told usa today

405
00:15:43,189 --> 00:15:41,920
he said hughes uh hugh said bears are

406
00:15:45,350 --> 00:15:43,199
common in the area

407
00:15:47,030 --> 00:15:45,360
but he thought the comment was more more

408
00:15:50,389 --> 00:15:47,040
cute than factual

409
00:15:54,710 --> 00:15:53,269
um does he remember the bear i mean

410
00:15:57,269 --> 00:15:54,720
three-year-old kids can

411
00:15:58,230 --> 00:15:57,279
talk most of the time and tell you what

412
00:16:01,829 --> 00:15:58,240
happened

413
00:16:02,310 --> 00:16:01,839

uh yeah that's that's uh i i think these

414

00:16:04,150 --> 00:16:02,320

kids

415

00:16:05,590 --> 00:16:04,160

are just seeing what they are used to

416

00:16:08,710 --> 00:16:05,600

seeing and

417

00:16:10,150 --> 00:16:08,720

it could be a very well could be some

418

00:16:13,430 --> 00:16:10,160

sort of bigfoot

419

00:16:15,990 --> 00:16:13,440

some sort of uh hairy human

420

00:16:18,230 --> 00:16:16,000

that is watching over these kids maybe

421

00:16:22,150 --> 00:16:18,240

abducted him like this this kid

422

00:16:24,230 --> 00:16:22,160

was found just forty to fifty yards into

423

00:16:25,509 --> 00:16:24,240

the woods and if i remember correctly

424

00:16:30,230 --> 00:16:25,519

from the story it was just

425

00:16:34,230 --> 00:16:30,240

1500 feet from the house and about

426
00:16:37,829 --> 00:16:34,240
50 feet up on like this this ledge

427
00:16:39,829 --> 00:16:37,839
now that is an area that i would assume

428
00:16:40,949 --> 00:16:39,839
would have been searched within the

429
00:16:44,230 --> 00:16:40,959
three days

430
00:16:46,310 --> 00:16:44,240
that the search and rescue had just like

431
00:16:49,110 --> 00:16:46,320
this the previous story from ida

432
00:16:50,150 --> 00:16:49,120
she was found 300 yards from a campsite

433
00:16:51,910 --> 00:16:50,160
in a in an area

434
00:16:53,829 --> 00:16:51,920
that was definitely searched by search

435
00:16:57,110 --> 00:16:53,839
and rescue and she appeared

436
00:17:00,150 --> 00:16:57,120
there um out of the blue

437
00:17:01,990 --> 00:17:00,160
uh this kid uh you'd imagine he would be

438
00:17:03,749 --> 00:17:02,000

crying the entire time

439

00:17:05,909 --> 00:17:03,759

thrown a fit because it's cold he's

440

00:17:07,270 --> 00:17:05,919

scared he's alone

441

00:17:09,669 --> 00:17:07,280

they would have hurt him through

442

00:17:11,510 --> 00:17:09,679

throughout those three days they did not

443

00:17:13,110 --> 00:17:11,520

he just he was there and the bear is

444

00:17:16,150 --> 00:17:13,120

looking after him

445

00:17:17,429 --> 00:17:16,160

uh i just think that there's a there's

446

00:17:18,069 --> 00:17:17,439

definitely something to those last two

447

00:17:20,230 --> 00:17:18,079

stories

448

00:17:21,270 --> 00:17:20,240

the the wolf carrying off the kid in the

449

00:17:22,870 --> 00:17:21,280

first story

450

00:17:25,270 --> 00:17:22,880

uh don't know about that i don't you

451

00:17:27,110 --> 00:17:25,280

don't hear a lot about that there are

452

00:17:29,990 --> 00:17:27,120

other missing four eleven cases

453

00:17:32,950 --> 00:17:30,000

and and stories from the late 1800s

454

00:17:35,750 --> 00:17:32,960

early 1900s of kids encountering

455

00:17:36,950 --> 00:17:35,760

strange wolf creatures in the woods but

456

00:17:39,510 --> 00:17:36,960

um nothing as

457

00:17:41,350 --> 00:17:39,520

recent as what i i just shared here from

458

00:17:43,590 --> 00:17:41,360

2019

459

00:17:44,630 --> 00:17:43,600
