

WHO ARE THEY?

MEN IN BLACK

ENFORCERS OF SECRECY

1
00:00:00,270 --> 00:00:06,789
[Applause]

2
00:00:11,430 --> 00:00:09,430
the the men in black have uh

3
00:00:12,629 --> 00:00:11,440
have a fairly long and storied history

4
00:00:15,430 --> 00:00:12,639
throughout the

5
00:00:16,470 --> 00:00:15,440
ufo phenomenon in the ufo community and

6
00:00:19,510 --> 00:00:16,480
there's very

7
00:00:23,429 --> 00:00:19,520
various different angles

8
00:00:25,910 --> 00:00:23,439
on who the men in black are and

9
00:00:26,870 --> 00:00:25,920
what possible organization they

10
00:00:30,310 --> 00:00:26,880
represent and

11
00:00:32,229 --> 00:00:30,320
what they may want now i got a of uh

12
00:00:34,549 --> 00:00:32,239
various clips here cretchet uh that i

13
00:00:36,630 --> 00:00:34,559

will i will do my best to

14

00:00:37,990 --> 00:00:36,640

run through and describe so i'm not

15

00:00:40,069 --> 00:00:38,000

gonna be these are all

16

00:00:42,229 --> 00:00:40,079

audio clips and so i'm probably gonna

17

00:00:43,270 --> 00:00:42,239

turn over the screen to you cratchit so

18

00:00:46,630 --> 00:00:43,280

you'll have a

19

00:00:48,549 --> 00:00:46,640

full run full

20

00:00:50,950 --> 00:00:48,559

you just run rampant over there full

21

00:00:53,990 --> 00:00:50,960

screen with the the gifs

22

00:00:54,389 --> 00:00:54,000

and everything you need to do okay there

23

00:00:57,350 --> 00:00:54,399

you go

24

00:00:58,869 --> 00:00:57,360

all right i know this is the cratchit

25

00:01:01,430 --> 00:00:58,879

show on youtube but i'll be playing

26

00:01:04,390 --> 00:01:01,440

audio clips here

27

00:01:05,910 --> 00:01:04,400

um while these these audio clips are

28

00:01:09,990 --> 00:01:05,920

going to run the gamut on

29

00:01:12,230 --> 00:01:10,000

um men and black encounters ufos

30

00:01:13,990 --> 00:01:12,240

some some crypto zoological stuff and

31

00:01:16,469 --> 00:01:14,000

i'll do my best to describe

32

00:01:18,310 --> 00:01:16,479

uh everything that's going on here so

33

00:01:21,749 --> 00:01:18,320

this first clip

34

00:01:26,310 --> 00:01:21,759

is from the mori island

35

00:01:28,630 --> 00:01:26,320

incident which took place in 1947

36

00:01:29,830 --> 00:01:28,640

which by all accounts is the first

37

00:01:33,429 --> 00:01:29,840

recorded

38

00:01:37,749 --> 00:01:33,439

encounter with a ufo witness and

39

00:01:42,870 --> 00:01:41,429

so i'll play this here and uh kind of

40

00:01:44,789 --> 00:01:42,880

talk about it a little bit afterwards so

41

00:01:47,190 --> 00:01:44,799

here we go

42

00:01:48,310 --> 00:01:47,200

two harbor patrolmen harold dahl and

43

00:01:50,870 --> 00:01:48,320

fred chrisman

44

00:01:51,590 --> 00:01:50,880

were on a work boat when they observed

45

00:01:54,310 --> 00:01:51,600

unusual

46

00:01:55,910 --> 00:01:54,320

saucer-shaped aircraft in the sky what

47

00:01:58,709 --> 00:01:55,920

is that thing

48

00:02:01,190 --> 00:01:58,719

i think we ought to call it in what are

49

00:02:02,870 --> 00:02:01,200

we going to say it is

50

00:02:09,990 --> 00:02:02,880

one of these objects was maneuvering in

51
00:02:15,270 --> 00:02:13,110
and it suddenly exploded in the sky

52
00:02:16,949 --> 00:02:15,280
sharing all this strange wreckage down

53
00:02:19,350 --> 00:02:16,959
into the harbor

54
00:02:21,270 --> 00:02:19,360
one of those objects dropped something

55
00:02:26,150 --> 00:02:21,280
down onto the ship

56
00:02:31,589 --> 00:02:29,430
according to chrisman and doll after

57
00:02:36,480 --> 00:02:31,599
they returned to port

58
00:02:39,589 --> 00:02:36,490
events got even stranger

59
00:02:41,910 --> 00:02:39,599
[Music]

60
00:02:43,750 --> 00:02:41,920
gentlemen perhaps you've seen the

61
00:02:46,949 --> 00:02:43,760
weather balloon

62
00:02:49,270 --> 00:02:46,959
boom it was a random weather bloom test

63
00:02:50,309 --> 00:02:49,280

hey man there was an explosion he's a

64

00:02:53,750 --> 00:02:50,319

mistake

65

00:02:56,150 --> 00:02:53,760

about dahl

66

00:02:58,309 --> 00:02:56,160

was approached by a real man in black

67

00:02:59,750 --> 00:02:58,319

and he was threatened with his life his

68

00:03:01,509 --> 00:02:59,760

family's life was threatened

69

00:03:03,509 --> 00:03:01,519

you will not speak of this to anyone

70

00:03:04,630 --> 00:03:03,519

making it very very clear that under no

71

00:03:07,110 --> 00:03:04,640

circumstances

72

00:03:08,710 --> 00:03:07,120

should he talk about this encounter you

73

00:03:10,550 --> 00:03:08,720

don't want to alarm anyone do you

74

00:03:12,390 --> 00:03:10,560

this particular case is important

75

00:03:14,390 --> 00:03:12,400

because this was the very first

76

00:03:16,229 --> 00:03:14,400

man in black encounter in which a

77

00:03:18,710 --> 00:03:16,239

witness was threatened after having seen

78

00:03:22,070 --> 00:03:18,720

a ufo

79

00:03:25,750 --> 00:03:22,080

so the whole mori island incident is

80

00:03:29,750 --> 00:03:25,760

fairly incredible this was actually

81

00:03:32,869 --> 00:03:29,760

a ufo encounter or

82

00:03:33,509 --> 00:03:32,879

observation before the famous kenneth

83

00:03:37,030 --> 00:03:33,519

arnold

84

00:03:39,589 --> 00:03:37,040

uh flying disc uh

85

00:03:41,990 --> 00:03:39,599

incident that took place by uh i think

86

00:03:44,550 --> 00:03:42,000

right near mount rainier

87

00:03:47,750 --> 00:03:44,560

so as we heard there uh harold dahl was

88

00:03:49,350 --> 00:03:47,760

the witness and the men in black came to

89

00:03:52,710 --> 00:03:49,360

him

90

00:03:55,990 --> 00:03:52,720

and said if you love your family

91

00:03:57,750 --> 00:03:56,000

you'd keep quiet about this and this was

92

00:03:59,429 --> 00:03:57,760

written about in a book called flying

93

00:04:02,710 --> 00:03:59,439

saucers on the attack

94

00:04:04,470 --> 00:04:02,720

and uh there's others very various uh

95

00:04:05,830 --> 00:04:04,480

men and black stories in there but dahl

96

00:04:07,750 --> 00:04:05,840

was later questioned

97

00:04:09,750 --> 00:04:07,760

by two air force intelligence officers

98

00:04:13,670 --> 00:04:09,760

frank brown and william davidson

99

00:04:16,870 --> 00:04:13,680

um when they set off back to their airp

100

00:04:17,830 --> 00:04:16,880

air base the plane crashed and they were

101
00:04:19,590 --> 00:04:17,840
killed

102
00:04:21,430 --> 00:04:19,600
and then two days later kenneth arnold

103
00:04:23,430 --> 00:04:21,440
had um

104
00:04:24,710 --> 00:04:23,440
he was also investigating that affair

105
00:04:27,270 --> 00:04:24,720
was flying home

106
00:04:27,990 --> 00:04:27,280
when his engines cut out and he was

107
00:04:32,230 --> 00:04:28,000
forced to

108
00:04:36,550 --> 00:04:32,240
crash land so kenneth arnold appearing

109
00:04:38,150 --> 00:04:36,560
again in the ufo folklore phenomenon

110
00:04:40,150 --> 00:04:38,160
you i mean kenneth arnold did not see

111
00:04:45,189 --> 00:04:40,160
the the flying disc that day he was this

112
00:04:48,230 --> 00:04:45,199
investigating and i think that um

113
00:04:49,030 --> 00:04:48,240

david politis of missing 411 during his

114

00:04:52,070 --> 00:04:49,040

research

115

00:04:55,030 --> 00:04:52,080

uh in and around mount rainier

116

00:04:55,670 --> 00:04:55,040

uh claimed that kenneth arnold while he

117

00:04:59,350 --> 00:04:55,680

was

118

00:05:01,110 --> 00:04:59,360

in the air and observed the flying discs

119

00:05:02,629 --> 00:05:01,120

uh he was out there searching for

120

00:05:04,710 --> 00:05:02,639

missing people

121

00:05:06,469 --> 00:05:04,720

on mount rainier a missing military

122

00:05:08,150 --> 00:05:06,479

exercise and uh

123

00:05:09,510 --> 00:05:08,160

so while he was out searching for

124

00:05:10,230 --> 00:05:09,520

missing people that's when he came

125

00:05:13,749 --> 00:05:10,240

across

126

00:05:16,710 --> 00:05:13,759

and observed those flying discs

127

00:05:18,070 --> 00:05:16,720

um so interesting right there um the

128

00:05:22,150 --> 00:05:18,080

next few clips i have

129

00:05:25,909 --> 00:05:22,160

are of uh stan gordon and what

130

00:05:28,710 --> 00:05:25,919

stan gordon encountered in the 1970s

131

00:05:30,070 --> 00:05:28,720

stan gordon prolific ufo researcher

132

00:05:32,550 --> 00:05:30,080

cryptid researcher

133

00:05:34,230 --> 00:05:32,560

uh focused a lot in pennsylvania you can

134

00:05:37,270 --> 00:05:34,240

read the book silent invasion

135

00:05:39,029 --> 00:05:37,280

it's just uh filled with really

136

00:05:42,150 --> 00:05:39,039

interesting encounters

137

00:05:45,830 --> 00:05:42,160

um there's a huge ufo in in

138

00:05:48,710 --> 00:05:45,840

crypto flap from the i believe the late

139

00:05:49,909 --> 00:05:48,720

60s to the mid 70s and then it kind of

140

00:05:52,070 --> 00:05:49,919

trailed off a little bit

141

00:05:53,270 --> 00:05:52,080

at least by all accounts but they'd pop

142

00:05:56,950 --> 00:05:53,280

up every now and again

143

00:06:00,230 --> 00:05:56,960

so in uh in in this clip here

144

00:06:03,270 --> 00:06:00,240

um this is stan

145

00:06:06,790 --> 00:06:03,280

and um what happened

146

00:06:09,830 --> 00:06:06,800

in 1973 in august this

147

00:06:10,790 --> 00:06:09,840

creature and that's what is this it's

148

00:06:13,510 --> 00:06:10,800

described as

149

00:06:14,710 --> 00:06:13,520

as the creature the creature the cr the

150

00:06:18,150 --> 00:06:14,720

creature visited

151

00:06:21,270 --> 00:06:18,160

a trailer park and was harassing

152

00:06:22,790 --> 00:06:21,280

uh a mother and her children

153

00:06:24,629 --> 00:06:22,800

the creature it was like standing

154

00:06:28,469 --> 00:06:24,639

outside her trailer park or

155

00:06:31,749 --> 00:06:28,479

her trailer and uh making a huge racket

156

00:06:34,309 --> 00:06:31,759

hype it squealing and by all the

157

00:06:35,189 --> 00:06:34,319

reports according to uh what some of the

158

00:06:37,189 --> 00:06:35,199

police under the

159

00:06:38,230 --> 00:06:37,199

the on the scene said and what she said

160

00:06:40,870 --> 00:06:38,240

it appeared

161

00:06:41,590 --> 00:06:40,880

that it was uh tinkering around with the

162

00:06:42,950 --> 00:06:41,600

electricity

163

00:06:44,870 --> 00:06:42,960

the creature i don't know i think i

164

00:06:47,270 --> 00:06:44,880

don't know if the creature was certified

165

00:06:48,629 --> 00:06:47,280

to do any sort of hvac technician or

166

00:06:49,589 --> 00:06:48,639

anything like that but it was definitely

167

00:06:52,629 --> 00:06:49,599

messing around

168

00:06:55,670 --> 00:06:52,639

with the uh the the electricity

169

00:06:55,990 --> 00:06:55,680

and she reported this she reported this

170

00:07:00,469 --> 00:06:56,000

to

171

00:07:03,990 --> 00:07:00,479

the police she was uh scared frightened

172

00:07:06,870 --> 00:07:04,000

and she also contacted stan gordon

173

00:07:08,150 --> 00:07:06,880

to come out and help explain what the

174

00:07:10,070 --> 00:07:08,160

heck is going around

175

00:07:12,070 --> 00:07:10,080

uh going on around the trailer park and

176

00:07:15,110 --> 00:07:12,080

i have this clip that speaks to

177

00:07:16,950 --> 00:07:15,120

what she had to go through afterwards

178

00:07:19,350 --> 00:07:16,960

the woman's screams drew the attention

179

00:07:20,870 --> 00:07:19,360

of neighbors who immediately called the

180

00:07:22,710 --> 00:07:20,880

police

181

00:07:23,990 --> 00:07:22,720

hey we've got a pretty big and when the

182

00:07:24,870 --> 00:07:24,000

police get out there they find what

183

00:07:30,390 --> 00:07:24,880

appear to be

184

00:07:33,830 --> 00:07:30,400

some footprints that are very unusual

185

00:07:34,390 --> 00:07:33,840

even more unusual the men in black that

186

00:07:44,710 --> 00:07:34,400

arrive

187

00:07:47,589 --> 00:07:44,720

soon after

188

00:07:50,390 --> 00:07:47,599

later that night stan gordon received an

189

00:07:55,430 --> 00:07:53,270

i'm on the line and the operator breaks

190

00:07:56,950 --> 00:07:55,440

in with an emergency call

191

00:07:58,950 --> 00:07:56,960

and the emergency call happened to be

192

00:08:00,070 --> 00:07:58,960

from the woman who lived in that mobile

193

00:08:06,469 --> 00:08:00,080

home

194

00:08:07,270 --> 00:08:06,479

this man here wanted to talk to her

195

00:08:09,270 --> 00:08:07,280

about

196

00:08:11,589 --> 00:08:09,280

seeing the creature that night did the

197

00:08:15,110 --> 00:08:11,599

creature leave any evidence

198

00:08:16,230 --> 00:08:15,120

something on the doorknob stan told me

199

00:08:20,869 --> 00:08:16,240

to keep it

200

00:08:24,150 --> 00:08:23,110

he indicated that he knew me i work with

201
00:08:26,230 --> 00:08:24,160
stan

202
00:08:27,510 --> 00:08:26,240
which of course that wasn't the case

203
00:08:29,749 --> 00:08:27,520
it's okay to give it to me

204
00:08:33,190 --> 00:08:29,759
and if she gave him the samples he would

205
00:08:36,389 --> 00:08:34,790
you never knew when the men in black

206
00:08:38,829 --> 00:08:36,399
were going to show up

207
00:08:41,750 --> 00:08:38,839
and you never knew how they got their

208
00:08:51,190 --> 00:08:41,760
information

209
00:08:51,200 --> 00:08:56,090
he's not with us sorry

210
00:08:59,990 --> 00:08:57,430
[Music]

211
00:09:00,710 --> 00:09:00,000
so stan was pretty angry that she gave

212
00:09:04,230 --> 00:09:00,720
over the

213
00:09:05,110 --> 00:09:04,240

the monster goo to the men in black she

214

00:09:08,870 --> 00:09:05,120

was scared

215

00:09:11,430 --> 00:09:08,880

and she willfully handed over

216

00:09:13,670 --> 00:09:11,440

the the monster goose demon sperm it

217

00:09:15,670 --> 00:09:13,680

could have been demon sperm don't know

218

00:09:17,269 --> 00:09:15,680

um but there was definitely some sort of

219

00:09:19,110 --> 00:09:17,279

like ectoplasm

220

00:09:21,190 --> 00:09:19,120

i mean that's what i imagine in my head

221

00:09:22,389 --> 00:09:21,200

some sort of like ghostbusters kind of

222

00:09:24,949 --> 00:09:22,399

ectoplasm

223

00:09:25,910 --> 00:09:24,959

and from what was conveyed through that

224

00:09:27,750 --> 00:09:25,920

reenactment

225

00:09:29,990 --> 00:09:27,760

it appeared it was on the doorknob so

226

00:09:30,550 --> 00:09:30,000

the creature was trying to make some

227

00:09:34,550 --> 00:09:30,560

sort

228

00:09:37,190 --> 00:09:34,560

of entrance into the the trailer

229

00:09:38,389 --> 00:09:37,200

but the doorknob stop the creature the

230

00:09:39,910 --> 00:09:38,399

creature

231

00:09:41,509 --> 00:09:39,920

and maybe he didn't know how to operate

232

00:09:41,990 --> 00:09:41,519

are we sure this was the creature and

233

00:09:43,910 --> 00:09:42,000

not

234

00:09:45,190 --> 00:09:43,920

you know bill cosby or somebody i don't

235

00:09:47,030 --> 00:09:45,200

know i'm pretty sure it wasn't bill

236

00:09:49,590 --> 00:09:47,040

cosby there was no reports

237

00:09:50,870 --> 00:09:49,600

um of bill clock bill cosby having

238

00:09:52,949 --> 00:09:50,880

glowing red eyes

239

00:09:53,910 --> 00:09:52,959

or glowing eyes in general at least not

240

00:09:55,350 --> 00:09:53,920

that we know but

241

00:09:57,190 --> 00:09:55,360

i did pick up this little tidbit from

242

00:09:57,910 --> 00:09:57,200

that clip did the creature leave any

243

00:09:59,750 --> 00:09:57,920

evidence

244

00:10:01,110 --> 00:09:59,760

i got the creature i like that one does

245

00:10:02,870 --> 00:10:01,120

the creature leave any evidence of the

246

00:10:06,550 --> 00:10:02,880

creature

247

00:10:09,990 --> 00:10:06,560

um and so you have reports

248

00:10:12,310 --> 00:10:10,000

of men in black showing up and they seem

249

00:10:13,990 --> 00:10:12,320

to have an immense amount of ability

250

00:10:15,350 --> 00:10:14,000

to intimidate people intimidate

251
00:10:17,750 --> 00:10:15,360
witnesses

252
00:10:19,269 --> 00:10:17,760
to exhort uh exert some sort of

253
00:10:21,590 --> 00:10:19,279
psychological pressure

254
00:10:22,389 --> 00:10:21,600
over these witnesses to where they want

255
00:10:25,750 --> 00:10:22,399
to

256
00:10:28,870 --> 00:10:25,760
conform with the men and blacks

257
00:10:29,910 --> 00:10:28,880
wishes uh there have been reports that a

258
00:10:33,190 --> 00:10:29,920
lot of people who

259
00:10:36,310 --> 00:10:33,200
encountered the men in black they feel

260
00:10:39,509 --> 00:10:36,320
like a sense of dread they also

261
00:10:42,710 --> 00:10:39,519
feel very uneasy and some of

262
00:10:45,110 --> 00:10:42,720
some witnesses report that they seem to

263
00:10:46,790 --> 00:10:45,120

lose a sense of willpower or a sense of

264

00:10:49,190 --> 00:10:46,800

will as though

265

00:10:50,389 --> 00:10:49,200

they are under some sort of hypnotic

266

00:10:53,190 --> 00:10:50,399

suggestion

267

00:10:54,470 --> 00:10:53,200

or very easily hypnotized that's a

268

00:10:58,710 --> 00:10:54,480

fairly common trait

269

00:11:03,350 --> 00:10:58,720

with a lot of these uh men in black and

270

00:11:06,550 --> 00:11:03,360

men in black uh encounters now

271

00:11:09,190 --> 00:11:06,560

it goes uh a a little

272

00:11:11,269 --> 00:11:09,200

crazy here uh even more so i know but i

273

00:11:13,269 --> 00:11:11,279

can play a longer clip here i

274

00:11:14,949 --> 00:11:13,279

it's five minutes but maybe i'll just

275

00:11:18,630 --> 00:11:14,959

recount it

276

00:11:22,710 --> 00:11:18,640

is that uh in 1973

277

00:11:26,230 --> 00:11:22,720

in october there was a

278

00:11:27,590 --> 00:11:26,240

a ufo sighting in in around uniontown

279

00:11:30,630 --> 00:11:27,600

pennsylvania

280

00:11:33,350 --> 00:11:30,640

and uh this guy was hanging out with

281

00:11:35,670 --> 00:11:33,360

i think two younger younger uh your kids

282

00:11:37,430 --> 00:11:35,680

one of which is i think his son

283

00:11:39,670 --> 00:11:37,440

uh two ten year olds and this guy saw

284

00:11:43,030 --> 00:11:39,680

two large creatures

285

00:11:45,829 --> 00:11:43,040

walking along uh a fence

286

00:11:46,790 --> 00:11:45,839

a fencing area on on in close to his

287

00:11:49,110 --> 00:11:46,800

property so he

288

00:11:51,350 --> 00:11:49,120

he took out his rifle cracked off a

289

00:11:53,910 --> 00:11:51,360

tracer around to it

290

00:11:54,550 --> 00:11:53,920

he said the tracer round went straight

291

00:11:56,710 --> 00:11:54,560

through it

292

00:11:58,310 --> 00:11:56,720

it appeared to do absolutely no damage

293

00:12:00,550 --> 00:11:58,320

to the creature so he loaded

294

00:12:01,590 --> 00:12:00,560

just a full metal jacket boom popped off

295

00:12:04,550 --> 00:12:01,600

another one

296

00:12:05,110 --> 00:12:04,560

and it did no damage none that he could

297

00:12:06,949 --> 00:12:05,120

tell

298

00:12:08,790 --> 00:12:06,959

those two creatures retreated back into

299

00:12:12,230 --> 00:12:08,800

the woods and then

300

00:12:15,269 --> 00:12:12,240

he he saw they saw a saucer

301
00:12:17,509 --> 00:12:15,279
take off and these creatures were

302
00:12:18,949 --> 00:12:17,519
uh much taller he said anywhere from six

303
00:12:21,829 --> 00:12:18,959
to possibly

304
00:12:23,509 --> 00:12:21,839
eight feet tall glowing eyes as well not

305
00:12:25,670 --> 00:12:23,519
unlike the the creature

306
00:12:27,430 --> 00:12:25,680
uh description from the trailer park

307
00:12:29,670 --> 00:12:27,440
that we just talked about

308
00:12:31,110 --> 00:12:29,680
um soon afterwards the the men in black

309
00:12:33,750 --> 00:12:31,120
uh showed up

310
00:12:34,870 --> 00:12:33,760
and uh were basically harassing him to

311
00:12:37,670 --> 00:12:34,880
shut the hell up

312
00:12:37,990 --> 00:12:37,680
it's not worth it um he said he said

313
00:12:41,350 --> 00:12:38,000

that

314

00:12:44,389 --> 00:12:41,360
these men in black uh black hat

315

00:12:45,509 --> 00:12:44,399
but uh cloak carrying uh something like

316

00:12:48,069 --> 00:12:45,519
a sickle

317

00:12:49,030 --> 00:12:48,079
and they they conveyed to him if you

318

00:12:53,590 --> 00:12:49,040
don't straighten up

319

00:12:56,230 --> 00:12:53,600
the end will come soon and um

320

00:12:56,790 --> 00:12:56,240
i guess this guy was plagued by all

321

00:12:59,829 --> 00:12:56,800
these

322

00:13:01,509 --> 00:12:59,839
uh visions and and weird dreams

323

00:13:04,790 --> 00:13:01,519
afterwards and he was just very

324

00:13:07,269 --> 00:13:04,800
uncomfortable uh about the whole

325

00:13:08,629 --> 00:13:07,279
situation and just kind of wanted to uh

326

00:13:12,550 --> 00:13:08,639

not dwell on it too much

327

00:13:14,230 --> 00:13:12,560

but uh very fascinating because uh i'm

328

00:13:16,389 --> 00:13:14,240

always curious when people

329

00:13:17,509 --> 00:13:16,399

they encounter the paranormal if they

330

00:13:20,550 --> 00:13:17,519

encounter a cryptid

331

00:13:23,990 --> 00:13:20,560

and they manage to crack off a few shots

332

00:13:26,949 --> 00:13:24,000

and i it the guy had uh

333

00:13:28,389 --> 00:13:26,959

i guess enough you know sense about him

334

00:13:30,629 --> 00:13:28,399

to say hey

335

00:13:32,629 --> 00:13:30,639

look at that over there i think i want

336

00:13:35,190 --> 00:13:32,639

to shoot it

337

00:13:35,990 --> 00:13:35,200

and he tried a couple times and it did

338

00:13:37,509 --> 00:13:36,000

nothing

339

00:13:40,150 --> 00:13:37,519

the creatures were the creatures

340

00:13:43,990 --> 00:13:40,160

prevailed that instance

341

00:13:47,590 --> 00:13:44,000

so the the next uh clip i have is

342

00:13:48,310 --> 00:13:47,600

also from in a i guess there's like this

343

00:13:52,150 --> 00:13:48,320

little hub

344

00:13:52,470 --> 00:13:52,160

you know uh where ohio and west virginia

345

00:13:55,430 --> 00:13:52,480

and

346

00:13:55,990 --> 00:13:55,440

kind of pennsylvania all meet you know

347

00:13:59,670 --> 00:13:56,000

um

348

00:14:03,750 --> 00:13:59,680

and in that area there's been a lot of

349

00:14:07,430 --> 00:14:03,760

ufo encrypted encounters and stories

350

00:14:10,710 --> 00:14:07,440

this next one is a a pretty famous one

351

00:14:13,590 --> 00:14:10,720

in the ufo community it is of a

352

00:14:15,509 --> 00:14:13,600

a sewing a sewing machine machine

353

00:14:19,750 --> 00:14:15,519

salesman who's traveling from ohio

354

00:14:22,790 --> 00:14:19,760

back to parkersburg west virginia

355

00:14:27,110 --> 00:14:22,800

when he is

356

00:14:30,230 --> 00:14:27,120

confronted by a man in black or

357

00:14:33,269 --> 00:14:30,240

some sort of ufo alien kind of guy so

358

00:14:37,829 --> 00:14:35,189

somehow woody was hearing the grinning

359

00:14:41,110 --> 00:14:37,839

man speak

360

00:14:43,910 --> 00:14:41,120

i'll preface this so what happened

361

00:14:45,750 --> 00:14:43,920

this ufo lands down in front of woody's

362

00:14:48,310 --> 00:14:45,760

truck he was out on the road

363

00:14:49,750 --> 00:14:48,320

selling sewing machines as anybody did

364

00:14:53,670 --> 00:14:49,760

back in the 60s

365

00:14:55,350 --> 00:14:53,680

or 70s for that matter this ufo boom

366

00:14:56,870 --> 00:14:55,360

came over the top of his car landed down

367

00:14:57,990 --> 00:14:56,880

right in front of him he stops his truck

368

00:15:02,870 --> 00:14:58,000

and says hey what the hell is going

369

00:15:05,750 --> 00:15:02,880

on around here this taller slender man

370

00:15:06,550 --> 00:15:05,760

gets out of this ufo kind of dressed in

371

00:15:09,910 --> 00:15:06,560

black

372

00:15:12,949 --> 00:15:09,920

and he is grinning he walks over to

373

00:15:15,269 --> 00:15:12,959

woody's car tells woody

374

00:15:17,990 --> 00:15:15,279

to roll down his window and they start

375

00:15:19,829 --> 00:15:18,000

having a conversation

376
00:15:22,069 --> 00:15:19,839
somehow woody was hearing the grinning

377
00:15:25,189 --> 00:15:22,079
man speak

378
00:15:26,069 --> 00:15:25,199
and as far as i understand this was all

379
00:15:28,069 --> 00:15:26,079
mental

380
00:15:29,910 --> 00:15:28,079
there were no spoken words that came

381
00:15:33,030 --> 00:15:29,920
from him

382
00:15:35,189 --> 00:15:33,040
i knew what he was asking me and that's

383
00:15:36,710 --> 00:15:35,199
what scared dad first because he

384
00:15:37,269 --> 00:15:36,720
couldn't understand how he's hearing

385
00:15:40,150 --> 00:15:37,279
words

386
00:15:42,069 --> 00:15:40,160
he spent his talking but he's not

387
00:15:44,949 --> 00:15:42,079
opening his mouth

388
00:15:46,150 --> 00:15:44,959

and he's told my father that he was a

389

00:15:49,110 --> 00:15:46,160

type of a scout

390

00:15:50,470 --> 00:15:49,120

he told me that that he was a searcher a

391

00:15:58,310 --> 00:15:50,480

searcher

392

00:16:01,670 --> 00:15:58,320

clip there about that now this guy uh

393

00:16:03,990 --> 00:16:01,680

woodrow uh he

394

00:16:05,829 --> 00:16:04,000

went on the radio he went he went to the

395

00:16:08,470 --> 00:16:05,839

media like the day after

396

00:16:09,670 --> 00:16:08,480

he was terrified about this encounter um

397

00:16:10,470 --> 00:16:09,680

he said he's getting telepathic

398

00:16:13,829 --> 00:16:10,480

communication

399

00:16:17,189 --> 00:16:13,839

from this this guy and this man in black

400

00:16:21,350 --> 00:16:17,199

possibly alien and this alien's name uh

401
00:16:26,310 --> 00:16:21,360
he asked was in ingrid cole

402
00:16:27,829 --> 00:16:26,320
colt c o ld ingrid cold

403
00:16:30,389 --> 00:16:27,839
and they just had like this this

404
00:16:31,590 --> 00:16:30,399
conversation uh telepathically

405
00:16:33,910 --> 00:16:31,600
well i guess it was a one-sided

406
00:16:35,030 --> 00:16:33,920
conversation because mr cold was asking

407
00:16:37,829 --> 00:16:35,040
questions about

408
00:16:38,230 --> 00:16:37,839
uh parkersburg west virginia did uh did

409
00:16:43,269 --> 00:16:38,240
uh

410
00:16:44,470 --> 00:16:43,279
how did he earn how did he take care of

411
00:16:46,069 --> 00:16:44,480
his family do you

412
00:16:47,509 --> 00:16:46,079
work in parkersburg is that what you

413
00:16:49,350 --> 00:16:47,519

have to do and so

414

00:16:50,949 --> 00:16:49,360

uh woodrows is kind of answering these

415

00:16:53,269 --> 00:16:50,959

questions the only question that

416

00:16:54,470 --> 00:16:53,279

a woodrow managed to fire off was a what

417

00:16:57,590 --> 00:16:54,480

you got a name

418

00:16:59,749 --> 00:16:57,600

and he answered yeah but mr cold uh

419

00:17:01,189 --> 00:16:59,759

conveyed that hey you know we're gonna

420

00:17:03,670 --> 00:17:01,199

be back you know we're gonna be

421

00:17:04,789 --> 00:17:03,680

uh back in a big way and we're going to

422

00:17:07,270 --> 00:17:04,799

be visiting you

423

00:17:08,789 --> 00:17:07,280

and your family and i believe they made

424

00:17:09,590 --> 00:17:08,799

good on that but i got a longer clip

425

00:17:12,949 --> 00:17:09,600

here

426
00:17:14,309 --> 00:17:12,959
uh concerning this encounter one night

427
00:17:17,189 --> 00:17:14,319
in 1987

428
00:17:17,990 --> 00:17:17,199
in lincoln nebraska reverend beauche and

429
00:17:20,230 --> 00:17:18,000
two colleagues

430
00:17:21,110 --> 00:17:20,240
were researching accounts of men oh i'm

431
00:17:23,909 --> 00:17:21,120
sorry that's a

432
00:17:25,990 --> 00:17:23,919
different clip right there um let me see

433
00:17:29,029 --> 00:17:26,000
here i have oh this is the clip i was

434
00:17:30,789 --> 00:17:29,039
looking for sorry people here we go

435
00:17:32,950 --> 00:17:30,799
as soon as i had stopped there was a

436
00:17:37,510 --> 00:17:32,960
door opened in the side of this

437
00:17:40,950 --> 00:17:37,520
vehicle and this man stepped out

438
00:17:41,430 --> 00:17:40,960

and came directly to me or came to the

439

00:17:43,110 --> 00:17:41,440

truck

440

00:17:45,990 --> 00:17:43,120

he walked to the right hand side of the

441

00:17:47,669 --> 00:17:46,000

truck and he told me to roll down the

442

00:17:50,950 --> 00:17:47,679

window he asked me to roll down the

443

00:17:54,230 --> 00:17:50,960

window on my right-hand side of my truck

444

00:17:55,750 --> 00:17:54,240

and i'd done what he asked and this man

445

00:17:59,990 --> 00:17:55,760

stood there and he

446

00:18:01,990 --> 00:18:00,000

he first asked me what i was called

447

00:18:03,909 --> 00:18:02,000

and i knew he meant my name and i told

448

00:18:06,310 --> 00:18:03,919

him my name

449

00:18:07,270 --> 00:18:06,320

and he asked me he said why are you

450

00:18:10,549 --> 00:18:07,280

frightened

451
00:18:15,270 --> 00:18:10,559
no harm

452
00:18:17,990 --> 00:18:15,280
only happiness

453
00:18:20,470 --> 00:18:18,000
and uh i told him my name and when i

454
00:18:23,750 --> 00:18:20,480
told him my name he said he was called

455
00:18:27,510 --> 00:18:23,760
cold that was the name that

456
00:18:28,789 --> 00:18:27,520
he was called by and he asked me what

457
00:18:31,430 --> 00:18:28,799
the city of

458
00:18:32,630 --> 00:18:31,440
parkinsburg he pointed to the lights he

459
00:18:34,070 --> 00:18:32,640
didn't point

460
00:18:35,909 --> 00:18:34,080
but he gave the impression that he was

461
00:18:37,990 --> 00:18:35,919
pointing and he asked me what that was

462
00:18:41,590 --> 00:18:38,000
called

463
00:18:43,909 --> 00:18:41,600

and i told him it was a parkersburg it

464

00:18:46,470 --> 00:18:43,919

was a city a town

465

00:18:48,230 --> 00:18:46,480

and he asked me if most all the people

466

00:18:52,630 --> 00:18:48,240

lived in my

467

00:18:54,470 --> 00:18:52,640

this city or town and i explained to him

468

00:18:56,470 --> 00:18:54,480

that it was a place of business it's

469

00:18:59,510 --> 00:18:56,480

where we transacted our

470

00:19:01,909 --> 00:18:59,520

business that the people lived in

471

00:19:03,590 --> 00:19:01,919

communities outlying communities most of

472

00:19:05,909 --> 00:19:03,600

the people

473

00:19:08,150 --> 00:19:05,919

and when i told him that this was a city

474

00:19:10,710 --> 00:19:08,160

he said at his

475

00:19:13,510 --> 00:19:10,720

where his home was that that was called

476
00:19:18,549 --> 00:19:16,070
and again he told me not to be

477
00:19:21,750 --> 00:19:18,559
frightened which i was i was

478
00:19:25,830 --> 00:19:21,760
i was very frightened

479
00:19:28,549 --> 00:19:25,840
and as far as i can understand

480
00:19:29,350 --> 00:19:28,559
this was all mental there was no spoken

481
00:19:32,870 --> 00:19:29,360
words from

482
00:19:35,350 --> 00:19:32,880
him i knew what he was asking me

483
00:19:36,390 --> 00:19:35,360
but yet he stood there and his mouth did

484
00:19:39,190 --> 00:19:36,400
not move

485
00:19:41,190 --> 00:19:39,200
he had a smile on his face he was

486
00:19:45,029 --> 00:19:41,200
appearing very courteous

487
00:19:45,510 --> 00:19:45,039
and friendly and that was a direct audio

488
00:19:48,710 --> 00:19:45,520

from

489

00:19:51,510 --> 00:19:48,720

the interview that uh woodrow gave

490

00:19:51,990 --> 00:19:51,520

about his encounter with ingrid cole

491

00:19:54,390 --> 00:19:52,000

there's a lot

492

00:19:55,510 --> 00:19:54,400

of people that think that the the men in

493

00:19:58,150 --> 00:19:55,520

black are

494

00:20:00,230 --> 00:19:58,160

some sort of intelligence organization

495

00:20:01,669 --> 00:20:00,240

part of possibly air force intelligence

496

00:20:03,110 --> 00:20:01,679

and they're just like a very specialized

497

00:20:04,950 --> 00:20:03,120

group that's a possibility

498

00:20:06,630 --> 00:20:04,960

other people think that they are

499

00:20:09,190 --> 00:20:06,640

actually aliens

500

00:20:10,149 --> 00:20:09,200

from a far away galaxy and they they

501
00:20:13,590 --> 00:20:10,159
come down to

502
00:20:14,310 --> 00:20:13,600
intimidate uh ufo uh abductees and

503
00:20:16,549 --> 00:20:14,320
witnesses

504
00:20:17,350 --> 00:20:16,559
to scare them off so they don't tell

505
00:20:20,230 --> 00:20:17,360
tell people about

506
00:20:21,190 --> 00:20:20,240
what's going on uh and then there are

507
00:20:22,789 --> 00:20:21,200
people

508
00:20:25,830 --> 00:20:22,799
that think that is a multi it's a

509
00:20:28,950 --> 00:20:25,840
multi-tiered organization

510
00:20:32,149 --> 00:20:28,960
that is a that has a cult like

511
00:20:33,669 --> 00:20:32,159
practices and then that are uh within

512
00:20:35,750 --> 00:20:33,679
the organization or some that are human

513
00:20:37,110 --> 00:20:35,760

there are some that are women and then

514

00:20:40,149 --> 00:20:37,120

there are other

515

00:20:42,710 --> 00:20:40,159

others that are kind of

516

00:20:43,430 --> 00:20:42,720

almost uh i don't want to use the word

517

00:20:46,470 --> 00:20:43,440

demonic

518

00:20:48,310 --> 00:20:46,480

but to a certain degree maybe they're of

519

00:20:50,630 --> 00:20:48,320

a different plane uh

520

00:20:53,350 --> 00:20:50,640

dark the dark journalist on youtube

521

00:20:55,990 --> 00:20:53,360

thinks that maybe from the astral plane

522

00:20:56,870 --> 00:20:56,000

and he comes to that from various

523

00:20:58,950 --> 00:20:56,880

sources of

524

00:21:00,630 --> 00:20:58,960

uh people who tend to be into the occult

525

00:21:01,830 --> 00:21:00,640

and into this kind of stuff maybe

526
00:21:04,630 --> 00:21:01,840
bring some of that element into their

527
00:21:07,750 --> 00:21:04,640
life in the book

528
00:21:10,230 --> 00:21:07,760
secret rituals of the men in black uh

529
00:21:11,270 --> 00:21:10,240
written by i think alan greenwich i

530
00:21:15,029 --> 00:21:11,280
remember the

531
00:21:19,110 --> 00:21:15,039
the his uh name correctly

532
00:21:22,710 --> 00:21:19,120
um he goes pretty deep into the

533
00:21:24,549 --> 00:21:22,720
occult practices of the men in black

534
00:21:26,549 --> 00:21:24,559
it goes back to aleister crowley and

535
00:21:28,310 --> 00:21:26,559
involves like the knights of malta

536
00:21:30,149 --> 00:21:28,320
and it is like a multi-tiered

537
00:21:33,270 --> 00:21:30,159
organization meant

538
00:21:35,990 --> 00:21:33,280

to be the keepers of this

539

00:21:37,909 --> 00:21:36,000

kind of technology that the the

540

00:21:39,830 --> 00:21:37,919

technology that the ufos

541

00:21:41,110 --> 00:21:39,840

that we see flying around or at least

542

00:21:43,190 --> 00:21:41,120

reports

543

00:21:44,870 --> 00:21:43,200

uh that are flying around that that

544

00:21:48,149 --> 00:21:44,880

technology is so powerful

545

00:21:50,230 --> 00:21:48,159

it needs to be kept very secret and

546

00:21:51,750 --> 00:21:50,240

they'll do anything in order to do that

547

00:21:52,789 --> 00:21:51,760

they'll intimidate witnesses they'll use

548

00:21:54,710 --> 00:21:52,799

hypnosis

549

00:21:57,029 --> 00:21:54,720

they will kill people they will do

550

00:22:00,070 --> 00:21:57,039

anything it takes to maintain

551
00:22:03,350 --> 00:22:00,080
secrecy around

552
00:22:06,230 --> 00:22:03,360
jimmy elements of disinformation

553
00:22:06,950 --> 00:22:06,240
managed information managed leaks to get

554
00:22:08,630 --> 00:22:06,960
out there

555
00:22:10,789 --> 00:22:08,640
that's a coordinated effort to make sure

556
00:22:12,390 --> 00:22:10,799
that only people

557
00:22:13,990 --> 00:22:12,400
who read that kind of stuff well they're

558
00:22:15,669 --> 00:22:14,000
just getting like a little slice of the

559
00:22:18,390 --> 00:22:15,679
story and that's the story that

560
00:22:20,149 --> 00:22:18,400
they want you to know it's a

561
00:22:21,029 --> 00:22:20,159
multifaceted it's hard to wrap your head

562
00:22:23,990 --> 00:22:21,039
around

563
00:22:25,430 --> 00:22:24,000

um what that's all about now there's

564

00:22:28,870 --> 00:22:25,440

some other little tidbits

565

00:22:31,430 --> 00:22:28,880

here uh concerning men in black um

566

00:22:32,630 --> 00:22:31,440

like david bowie uh in the movie the man

567

00:22:35,110 --> 00:22:32,640

who fell to earth it's

568

00:22:35,909 --> 00:22:35,120

reported that he uh dressed himself

569

00:22:37,669 --> 00:22:35,919

after

570

00:22:39,430 --> 00:22:37,679

the reported men in black which there

571

00:22:42,950 --> 00:22:39,440

were stores out at the time

572

00:22:44,950 --> 00:22:42,960

and was kind of like a fairly well known

573

00:22:48,310 --> 00:22:44,960

within the the ufo community

574

00:22:51,430 --> 00:22:48,320

uh phillip k dick his wife

575

00:22:53,510 --> 00:22:51,440

um if i read correctly claims that

576

00:22:56,549 --> 00:22:53,520

men in black tried to kill him phil k

577

00:22:59,830 --> 00:22:56,559

dick with hypnosis and sleeping pills

578

00:23:02,230 --> 00:22:59,840

uh dan aykroyd

579

00:23:04,470 --> 00:23:02,240

claims to have seen men exactly the same

580

00:23:07,430 --> 00:23:04,480

experience at exactly the same time

581

00:23:09,909 --> 00:23:07,440

in exactly the same circumstances it

582

00:23:11,830 --> 00:23:09,919

begins to make me wonder

583

00:23:13,990 --> 00:23:11,840

you know what you know what sort of

584

00:23:15,190 --> 00:23:14,000

external force came into play there to

585

00:23:18,149 --> 00:23:15,200

cause this to happen

586

00:23:20,549 --> 00:23:18,159

something the three of us never forgot

587

00:23:23,510 --> 00:23:20,559

we've never forgotten that

588

00:23:25,990 --> 00:23:23,520

so there you go that is just a a little

589

00:23:29,190 --> 00:23:26,000

overview of a different type of man

590

00:23:30,950 --> 00:23:29,200

in black encounter um

591

00:23:33,430 --> 00:23:30,960

the way it's portrayed there's kind of

592

00:23:34,230 --> 00:23:33,440

demonic uh of a different dimension of a

593

00:23:37,669 --> 00:23:34,240

different realm

594

00:23:39,029 --> 00:23:37,679

just appearing saying hey uh you better

595

00:23:40,950 --> 00:23:39,039

shut the hell up with what you're

596

00:23:43,590 --> 00:23:40,960

researching just drop it leave it alone

597

00:23:45,830 --> 00:23:43,600

move on don't talk about it so

598

00:23:48,310 --> 00:23:45,840

uh fascinating stuff i i'm not even like

599

00:23:50,549 --> 00:23:48,320

this is a scratching the surface
