1
00:00:06,630 --> 00:00:03,590
hey everyone

2
00:00:09,830 --> 00:00:06,640
this may be a long and

3
00:00:11,270 --> 00:00:09,840
rambling vlog but uh

4
00:00:13,990 --> 00:00:11,280
and i just want to kind of go over some

5
00:00:17,189 --> 00:00:14,000
of the the books that

6
00:00:21,910 --> 00:00:17,199
and material i want to get to at

7
00:00:24,070 --> 00:00:21,920
some point in 2021 i got a lot of

8
00:00:25,349 --> 00:00:24,080
resource material and i don't know just

9
00:00:25,910 --> 00:00:25,359
kind of do a check and i haven't done a

10
00:00:28,950 --> 00:00:25,920
vlog

11
00:00:31,189 --> 00:00:28,960
in a while and uh

12
00:00:33,110 --> 00:00:31,199
you know just kind of bs with some of

13
00:00:36,549 --> 00:00:33,120

you guys and

14

00:00:39,430 --> 00:00:36,559

and show you some stuff so this is the

15

00:00:40,630 --> 00:00:39,440

obdm studio bookcase i got a lot of

16

00:00:43,350 --> 00:00:40,640

things over here

17

00:00:44,549 --> 00:00:43,360

a lot of books that i use for uh source

18

00:00:47,029 --> 00:00:44,559

material

19

00:00:48,069 --> 00:00:47,039

ideas for segments and just general

20

00:00:51,029 --> 00:00:48,079

reading

21

00:00:52,069 --> 00:00:51,039

beyond ufos and paranormal conspiracy

22

00:00:54,869 --> 00:00:52,079

stuff

23

00:00:56,630 --> 00:00:54,879

just a lot of other things things that

24

00:00:57,990 --> 00:00:56,640

are important to me

25

00:01:00,229 --> 00:00:58,000

and have been important to me throughout

26

00:01:03,029 --> 00:01:00,239

my entire life as a

27

00:01:04,630 --> 00:01:03,039

i was going through some older boxes

28

00:01:07,830 --> 00:01:04,640

that i had that i hadn't opened up

29

00:01:11,270 --> 00:01:07,840

uh some boxes uh i've acquired and

30

00:01:12,789 --> 00:01:11,280

uh accumulated a lot of older ufo stuff

31

00:01:16,149 --> 00:01:12,799

that i haven't dug through

32

00:01:19,270 --> 00:01:16,159

like uh case in point this

33

00:01:20,630 --> 00:01:19,280

this pamphlet is like this binded

34

00:01:23,830 --> 00:01:20,640

like it looks like this was done at

35

00:01:26,630 --> 00:01:23,840

kinko's and this is a strange tales

36

00:01:27,749 --> 00:01:26,640

of butler county this is the second

37

00:01:29,830 --> 00:01:27,759

edition prepared for

38

00:01:31,990 --> 00:01:29,840

the 10th annual butler paranormal

39

00:01:35,670 --> 00:01:32,000
conference in 2017.

40

00:01:36,149 --> 00:01:35,680
um i got this i believe this is given to

41

00:01:38,390 --> 00:01:36,159
me

42

00:01:39,270 --> 00:01:38,400
by my younger brother clown baby he

43

00:01:42,149 --> 00:01:39,280
visited

44

00:01:43,910 --> 00:01:42,159
um and went to a ufo conference to see

45

00:01:46,950 --> 00:01:43,920
nick pope and david palladis talk

46

00:01:48,069 --> 00:01:46,960
and he gave me this along with like a

47

00:01:50,310 --> 00:01:48,079
lot of other

48

00:01:52,950 --> 00:01:50,320
ufo stuff i haven't dug through this yet

49

00:01:54,710 --> 00:01:52,960
i've been meaning to

50

00:01:56,230 --> 00:01:54,720
you know this is like boots on the

51

00:01:59,990 --> 00:01:56,240

ground people who are

52

00:02:02,870 --> 00:02:00,000

invested in the uh the local stories

53

00:02:03,190 --> 00:02:02,880

of butler county and what is going on

54

00:02:05,030 --> 00:02:03,200

there

55

00:02:07,350 --> 00:02:05,040

they took the time to put this out so

56

00:02:10,469 --> 00:02:07,360

there's probably things in here

57

00:02:11,190 --> 00:02:10,479

that are not common knowledge at least

58

00:02:13,110 --> 00:02:11,200

to myself

59

00:02:14,390 --> 00:02:13,120

and maybe a lot of other people that are

60

00:02:18,470 --> 00:02:14,400

interested in

61

00:02:21,990 --> 00:02:18,480

the ufo and paranormal topics

62

00:02:24,150 --> 00:02:22,000

but a lot of a lot of cases

63

00:02:25,830 --> 00:02:24,160

in here and i haven't had a chance to

64

00:02:29,350 --> 00:02:25,840

dig through this yet i want to

65

00:02:31,430 --> 00:02:29,360

um and i was also you know i'm giving

66

00:02:32,630 --> 00:02:31,440

like like stickers like uh i'm not sure

67

00:02:33,990 --> 00:02:32,640

if you guys can see that

68

00:02:36,550 --> 00:02:34,000

some interesting stickers like

69

00:02:37,030 --> 00:02:36,560

cryptozoological stickers uh the light's

70

00:02:39,110 --> 00:02:37,040

a little

71

00:02:40,390 --> 00:02:39,120

trying to look too bright on that so

72

00:02:43,990 --> 00:02:40,400

that i got to go through

73

00:02:47,990 --> 00:02:44,000

um i found this this is

74

00:02:51,270 --> 00:02:48,000

a a dvd signed by

75

00:02:54,869 --> 00:02:51,280

travis walton himself

76

00:02:57,910 --> 00:02:54,879

and uh this is the travis walton

77

00:03:01,350 --> 00:02:57,920

true story of uh the guy who

78

00:03:06,869 --> 00:03:01,360

was his character or his character

79

00:03:10,869 --> 00:03:09,990

character in the story and movie fire in

80

00:03:12,630 --> 00:03:10,879

the sky

81

00:03:15,030 --> 00:03:12,640

i've seen him talk seems like a very

82

00:03:17,270 --> 00:03:15,040

nice guy

83

00:03:19,670 --> 00:03:17,280

very authentic with what he has to say

84

00:03:20,949 --> 00:03:19,680

about his uh alien abduction experience

85

00:03:22,710 --> 00:03:20,959

so i have this i've watched this

86

00:03:23,270 --> 00:03:22,720

although i'm pretty familiar with the

87

00:03:26,710 --> 00:03:23,280

story

88

00:03:30,830 --> 00:03:26,720

and i put up a talk of his that he gave

89

00:03:32,309 --> 00:03:30,840

in phoenix about a year and a half ago

90

00:03:34,470 --> 00:03:32,319

um know

91

00:03:36,710 --> 00:03:34,480

i i recommend anybody checking it out if

92

00:03:37,350 --> 00:03:36,720

you guys are into the ufo abduction

93

00:03:40,470 --> 00:03:37,360

experience

94

00:03:43,350 --> 00:03:40,480

in those stories um so i got that dvd

95

00:03:44,710 --> 00:03:43,360

i don't think i've watched it yet and i

96

00:03:45,670 --> 00:03:44,720

was digging through stuff hey i found

97

00:03:48,710 --> 00:03:45,680

one of my

98

00:03:49,190 --> 00:03:48,720

my old bands uh cds well the lighting

99

00:03:52,630 --> 00:03:49,200

here is

100

00:03:55,990 --> 00:03:52,640

very harsh right now um

101
00:04:01,589 --> 00:03:56,000
yeah the it's 1.3 my old metal band this

102
00:04:03,429 --> 00:04:01,599
is our cd we put out in like 2005

103
00:04:06,229 --> 00:04:03,439
i found that i guess there's still a few

104
00:04:10,630 --> 00:04:06,239
copies floating around after 15 years

105
00:04:14,229 --> 00:04:10,640
but then um i found also this this is a

106
00:04:17,749 --> 00:04:14,239
sky look ufo monthly

107
00:04:20,150 --> 00:04:17,759
this is from 1974.

108
00:04:21,349 --> 00:04:20,160
haven't looked at this this was a part

109
00:04:24,790 --> 00:04:21,359
of a

110
00:04:26,950 --> 00:04:24,800
the bunch above the bunch of books and

111
00:04:29,830 --> 00:04:26,960
pamphlets and magazines i was given to

112
00:04:32,070 --> 00:04:29,840
i was given by my my brother clown baby

113
00:04:36,469 --> 00:04:32,080

and

114

00:04:40,870 --> 00:04:36,479

this is some old school stuff

115

00:04:43,510 --> 00:04:40,880

when it comes to ufology euphology

116

00:04:47,189 --> 00:04:43,520

i've been digging back through some

117

00:04:55,590 --> 00:04:50,230

to try to wrap my head around different

118

00:05:00,550 --> 00:04:57,350

just to try to get a better sense of

119

00:05:02,150 --> 00:05:00,560

where it all could be leading

120

00:05:04,469 --> 00:05:02,160

i've been researching humanoid

121

00:05:08,150 --> 00:05:04,479

encounters from the early

122

00:05:12,390 --> 00:05:08,160

uh early parts of the uh

123

00:05:15,189 --> 00:05:12,400

of the millennia like from 1080 up until

124

00:05:15,909 --> 00:05:15,199

the dark ages and just try to get a

125

00:05:18,629 --> 00:05:15,919

sense of

126

00:05:19,990 --> 00:05:18,639

what people have been experiencing

127

00:05:22,230 --> 00:05:20,000

personally and how that

128

00:05:24,150 --> 00:05:22,240

how those experiences have uh have

129

00:05:27,350 --> 00:05:24,160

changed over the years

130

00:05:30,070 --> 00:05:27,360

um i don't know what's in here

131

00:05:32,790 --> 00:05:30,080

it's from 1974. uh this is one of the

132

00:05:36,950 --> 00:05:32,800

things where i want to dig through

133

00:05:40,390 --> 00:05:36,960

and find out what

134

00:05:42,150 --> 00:05:40,400

what was written about um back in 1974

135

00:05:45,990 --> 00:05:42,160

but this headline right here object

136

00:05:48,550 --> 00:05:46,000

in water checked in pennsylvania

137

00:05:49,430 --> 00:05:48,560

arrived at uh carbondale pennsylvania

138

00:05:52,629 --> 00:05:49,440

approximately

139

00:05:54,550 --> 00:05:52,639

at 10 30 a.m november 11th 1974 checked

140

00:05:55,350 --> 00:05:54,560

in with acting police chief he explained

141

00:05:57,189 --> 00:05:55,360

to me

142

00:05:58,870 --> 00:05:57,199

that three teenage boys had reported

143

00:06:01,990 --> 00:05:58,880

seeing an object fall from the

144

00:06:04,950 --> 00:06:02,000

southern sky in land

145

00:06:07,350 --> 00:06:04,960

in a sump pond just at the edge of town

146

00:06:10,390 --> 00:06:07,360

the object was estimated to be between

147

00:06:12,790 --> 00:06:10,400

seven and eight in uh

148

00:06:13,590 --> 00:06:12,800

seven to eight feet of water and about

149

00:06:18,309 --> 00:06:13,600

20 feet

150

00:06:23,510 --> 00:06:22,070

just something that i had not heard of

151

00:06:25,110 --> 00:06:23,520

this could have this this event could

152

00:06:28,950 --> 00:06:25,120

have been written about by uh stan

153

00:06:32,150 --> 00:06:28,960

um uh what's this guy i got

154

00:06:36,390 --> 00:06:32,160

that standstill

155

00:06:41,350 --> 00:06:39,430

where is it stan gordon

156

00:06:43,350 --> 00:06:41,360

this could have been this case could

157

00:06:44,150 --> 00:06:43,360

have been written about by stan gordon

158

00:06:46,950 --> 00:06:44,160

in the book

159

00:06:47,510 --> 00:06:46,960

silent invasion the pennsylvania ufo and

160

00:06:50,150 --> 00:06:47,520

book

161

00:06:51,430 --> 00:06:50,160

bigfoot case i don't know this is from

162

00:06:54,469 --> 00:06:51,440

1974.

163

00:06:58,469 --> 00:06:54,479

i will have to see if stan gordon has

164

00:07:05,110 --> 00:07:01,749

there's just so much that i haven't

165

00:07:06,710 --> 00:07:05,120

researched read explored

166

00:07:09,110 --> 00:07:06,720

uh there's just too many topics out

167

00:07:13,029 --> 00:07:09,120

there but uh something that i will

168

00:07:15,110 --> 00:07:13,039

want to go over um this is just a book

169

00:07:17,110 --> 00:07:15,120

right here

170

00:07:19,430 --> 00:07:17,120

get the light expo that me my wife went

171

00:07:22,550 --> 00:07:19,440

to that's like medium expo

172

00:07:27,749 --> 00:07:22,560

uh this is a 2002

173

00:07:30,309 --> 00:07:27,759

fate magazine talking about uh

174

00:07:31,510 --> 00:07:30,319

ufos in seduction oh i might be into

175

00:07:34,550 --> 00:07:31,520

that

176

00:07:37,909 --> 00:07:36,390

very cool so i haven't dug through this

177

00:07:40,550 --> 00:07:37,919

yet there might be some little

178

00:07:42,469 --> 00:07:40,560

little tidbits of information that um

179

00:07:44,869 --> 00:07:42,479

it's just not on the net hasn't

180

00:07:45,589 --> 00:07:44,879

hasn't been uh scanned and put up on the

181

00:07:47,990 --> 00:07:45,599

internet

182

00:07:50,550 --> 00:07:48,000

um i'll see what i can find and put it

183

00:07:54,790 --> 00:07:52,309

let's see what else like what else i got

184

00:07:58,790 --> 00:07:54,800

over here

185

00:08:02,869 --> 00:07:58,800

i got uh the mufon ufo

186

00:08:06,150 --> 00:08:02,879

journal ufo's the impact of imp

187

00:08:08,950 --> 00:08:06,160

uh et contact upon society

188

00:08:09,589 --> 00:08:08,960

this is the official publication of the

189

00:08:13,110 --> 00:08:09,599

mufon

190

00:08:14,230 --> 00:08:13,120

network uh i'm not sure when this was

191

00:08:19,990 --> 00:08:14,240

printed

192

00:08:27,589 --> 00:08:24,070

and there's no copyright date on this

193

00:08:32,790 --> 00:08:27,599

usually on the inside oh copyright

194

00:08:37,190 --> 00:08:35,029

so this means interesting stuff here i

195

00:08:38,389 --> 00:08:37,200

like headline here florida symposium

196

00:08:43,430 --> 00:08:38,399

era's controversial

197

00:08:48,070 --> 00:08:45,910

over 800 people crowded the pensacola

198

00:08:48,790 --> 00:08:48,080

civic center on the weekend of july 7th

199

00:08:52,310 --> 00:08:48,800

and 8th

200

00:08:55,670 --> 00:08:52,320

8th to attend the annual symposium

201
00:08:57,110 --> 00:08:55,680
of the mutual ufo network in this

202
00:08:59,190 --> 00:08:57,120
otherwise quiet florida

203
00:09:01,829 --> 00:08:59,200
panhandle city the success of the event

204
00:09:04,230 --> 00:09:01,839
was due in large part to the ufo

205
00:09:06,949 --> 00:09:04,240
flap that had been ongoing around

206
00:09:09,590 --> 00:09:06,959
pensacola in its small suburb of gulf

207
00:09:10,710 --> 00:09:09,600
breeze for the past two and a half years

208
00:09:12,630 --> 00:09:10,720
that's one of the things i don't know if

209
00:09:14,710 --> 00:09:12,640
we've dug into on the show is all the

210
00:09:18,470 --> 00:09:14,720
gulf breeze encounters and sightings

211
00:09:22,949 --> 00:09:18,480
that took place in the 90s this i mean

212
00:09:26,710 --> 00:09:22,959
this just reminding me of that

213
00:09:28,310 --> 00:09:26,720

and then we have the mufon mufon ufo

214

00:09:32,550 --> 00:09:28,320

journal of march

215

00:09:33,910 --> 00:09:32,560

of 2013 the abduction of harry joe

216

00:09:36,470 --> 00:09:33,920

turner i'm not familiar with the

217

00:09:37,030 --> 00:09:36,480

abduction case of harry tote harry joe

218

00:09:40,949 --> 00:09:37,040

turner

219

00:09:48,389 --> 00:09:44,710

so on august 28 1979 harry

220

00:09:49,990 --> 00:09:48,399

joe turner 28 of winchester virginia

221

00:09:52,470 --> 00:09:50,000

truck driver says he was abducted by a

222

00:09:53,430 --> 00:09:52,480

ufo large uh larger than his 88-foot

223

00:09:56,070 --> 00:09:53,440

long truck

224

00:09:58,630 --> 00:09:56,080

he in his vehicle he and his vehicle

225

00:10:01,670 --> 00:09:58,640

were taken he believes to a planet

226
00:10:04,710 --> 00:10:01,680
2.5 light years beyond alpha centauri

227
00:10:07,990 --> 00:10:04,720
the closest star to our sun which is

228
00:10:11,269 --> 00:10:08,000
4.3 light years away he

229
00:10:14,470 --> 00:10:11,279
woke three and a half hours later

230
00:10:17,670 --> 00:10:14,480
in fredericksburg virginia 80 miles from

231
00:10:19,030 --> 00:10:17,680
winchester both mile mileage indicators

232
00:10:24,069 --> 00:10:19,040
on his truck says

233
00:10:26,150 --> 00:10:24,079
uh that he traveled only 17 miles

234
00:10:27,430 --> 00:10:26,160
a possible second abduction on september

235
00:10:30,550 --> 00:10:27,440
8th also is

236
00:10:32,150 --> 00:10:30,560
suggested the case features damage to

237
00:10:36,150 --> 00:10:32,160
his truck electromagnetic

238
00:10:39,269 --> 00:10:36,160

effects physical and physiological

239

00:10:42,470 --> 00:10:39,279

and psychological after effects

240

00:10:44,150 --> 00:10:42,480

and memory loss so

241

00:10:45,590 --> 00:10:44,160

uh i'll dig into that a little bit more

242

00:10:49,509 --> 00:10:45,600

so not only was he abducted but

243

00:10:54,790 --> 00:10:51,750

uh then i had this like stapled kind of

244

00:10:58,150 --> 00:10:54,800

thing here which is the

245

00:11:00,550 --> 00:10:58,160

beauroo journal i am not familiar with

246

00:11:04,710 --> 00:11:00,560

the beauroo journal

247

00:11:07,509 --> 00:11:04,720

but this is from fall of 1995.

248

00:11:08,870 --> 00:11:07,519

um digging digging here some more why

249

00:11:10,150 --> 00:11:08,880

not let's just keep going see what else

250

00:11:14,630 --> 00:11:10,160

we've got in here

251

00:11:17,350 --> 00:11:14,640

this is a garden of secrets

252

00:11:18,069 --> 00:11:17,360

this is the garden of secrets right

253

00:11:23,030 --> 00:11:18,079

there

254

00:11:25,990 --> 00:11:23,040

um this looks to be from 2003

255

00:11:27,430 --> 00:11:26,000

it's got interviews with george nori

256

00:11:33,269 --> 00:11:27,440

fairy nice gardens

257

00:11:37,190 --> 00:11:34,949

honestly there's some some pretty

258

00:11:38,790 --> 00:11:37,200

interesting articles here

259

00:11:40,829 --> 00:11:38,800

i'll read the fairy stuff it's got a

260

00:11:43,670 --> 00:11:40,839

nice like a nice

261

00:11:46,930 --> 00:11:43,680

page double page right there garden of

262

00:11:51,030 --> 00:11:48,630

[Applause]

263

00:11:52,350 --> 00:11:51,040

then i have this older one right here

264

00:11:56,550 --> 00:11:52,360

this is from

265

00:11:59,750 --> 00:11:56,560

1972 um it's just called

266

00:12:03,030 --> 00:11:59,760

flying saucers and this is

267

00:12:07,670 --> 00:12:03,040

all black and white uh i'm

268

00:12:14,310 --> 00:12:11,269

but it's very well

269

00:12:15,990 --> 00:12:14,320

laid out and printed this goes into

270

00:12:19,269 --> 00:12:16,000

quarter century of ufos

271

00:12:22,870 --> 00:12:19,279

in north america kind of

272

00:12:25,350 --> 00:12:22,880

this is back in 1974.

273

00:12:26,790 --> 00:12:25,360

so we have shaver saucers and three men

274

00:12:29,030 --> 00:12:26,800

in black i should have read this

275

00:12:30,790 --> 00:12:29,040

before i did the men in black segment

276

00:12:34,710 --> 00:12:30,800

because this is uh

277

00:12:36,949 --> 00:12:34,720

uh an account back then

278

00:12:38,310 --> 00:12:36,959

that hasn't been filtered through all

279

00:12:40,870 --> 00:12:38,320

internet stories and

280

00:12:42,230 --> 00:12:40,880

kind of manipulated that this this might

281

00:12:43,190 --> 00:12:42,240

be actually a little closer to the

282

00:12:45,990 --> 00:12:43,200

source of

283

00:12:47,190 --> 00:12:46,000

what is uh possibly going on with the uh

284

00:12:52,470 --> 00:12:47,200

men in black so

285

00:12:55,110 --> 00:12:52,480

i'm gonna i'm going to

286

00:12:58,069 --> 00:12:55,120

put this aside and read that probably at

287

00:13:01,269 --> 00:12:59,509

see if i can scan it and put it on the

288

00:13:04,829 --> 00:13:01,279

internet i just scan

289

00:13:09,750 --> 00:13:04,839

all this stuff and put it up some

290

00:13:15,910 --> 00:13:12,870

harmonious communication with yourself

291

00:13:19,110 --> 00:13:15,920

this is um

292

00:13:21,269 --> 00:13:19,120

from the gift of light expo that my wife

293

00:13:25,110 --> 00:13:21,279

and i went to a few years ago

294

00:13:29,910 --> 00:13:28,520

using tuning forks and sound to

295

00:13:32,949 --> 00:13:29,920

[Music]

296

00:13:33,590 --> 00:13:32,959

cleanse yourself energetically align

297

00:13:36,310 --> 00:13:33,600

yourself

298

00:13:37,430 --> 00:13:36,320

with the harmonics of the earth and when

299

00:13:38,470 --> 00:13:37,440

i went through that experience it's very

300

00:13:39,829 --> 00:13:38,480

interesting

301

00:13:41,509 --> 00:13:39,839

i talked about a little bit on the show

302

00:13:43,990 --> 00:13:41,519

a few years ago but

303

00:13:46,230 --> 00:13:44,000

this this older woman used tuning forks

304

00:13:49,590 --> 00:13:46,240

to go over my entire body

305

00:13:50,949 --> 00:13:49,600

and kind of cleanse my aura and

306

00:13:52,629 --> 00:13:50,959

there was a very interesting thing that

307

00:13:54,150 --> 00:13:52,639

happened where she clicked two different

308

00:13:57,590 --> 00:13:54,160

tones of a tooting fork

309

00:14:00,550 --> 00:13:57,600

together put it on either side of my ear

310

00:14:03,269 --> 00:14:00,560

and it's very difficult to explain words

311

00:14:07,350 --> 00:14:03,279

but it it felt like it

312

00:14:08,310 --> 00:14:07,360

it shifted my my brain and consciousness

313

00:14:11,509 --> 00:14:08,320

for a little bit

314

00:14:16,389 --> 00:14:11,519

it was very interesting experience

315

00:14:19,430 --> 00:14:16,399

i'm gonna grab some coffee here

316

00:14:21,670 --> 00:14:19,440

i'm drinking coffee out of my uh

317

00:14:23,350 --> 00:14:21,680

lieutenant wharf star trek next

318

00:14:28,829 --> 00:14:23,360

generation

319

00:14:32,230 --> 00:14:31,189

um just to keep digging through some

320

00:14:35,750 --> 00:14:32,240

stuff right here

321

00:14:37,670 --> 00:14:35,760

the ufo magazine the truth is coming

322

00:14:40,629 --> 00:14:37,680

you see that it says it in magazine form

323

00:14:44,470 --> 00:14:40,639

the truth is coming

324

00:14:46,150 --> 00:14:44,480

well we'll see um this was put out

325

00:14:49,350 --> 00:14:46,160

when was this put out when did they say

326

00:14:52,310 --> 00:14:49,360

the the truth is coming

327

00:14:53,829 --> 00:14:52,320

let's see here trying to find a

328

00:14:56,389 --> 00:14:53,839

publication date on this maybe it's on

329

00:14:56,399 --> 00:15:01,030

barcode no

330

00:15:05,110 --> 00:15:03,189

they have an email address down here so

331

00:15:08,310 --> 00:15:05,120

um

332

00:15:09,269 --> 00:15:08,320

2003 2002 2003 because on the back they

333

00:15:11,670 --> 00:15:09,279

have a

334

00:15:14,230 --> 00:15:11,680

an advertisement for the 12th annual

335

00:15:17,430 --> 00:15:14,240

international ufo congress convention

336

00:15:20,550 --> 00:15:17,440

and film festival this was in

337

00:15:22,710 --> 00:15:20,560

nevada i think it has since moved to the

338

00:15:25,430 --> 00:15:22,720

international ufo congress i think has

339

00:15:29,269 --> 00:15:25,440

gone uh to phoenix because i attended

340

00:15:37,829 --> 00:15:32,790

um we got this other one open minds

341

00:15:42,310 --> 00:15:40,470

and the i am not familiar with that i

342

00:15:43,590 --> 00:15:42,320

gotta read through this one

343

00:15:46,710 --> 00:15:43,600

and then at the bottom there is a

344

00:15:49,990 --> 00:15:46,720

different story that says the children

345

00:15:54,150 --> 00:15:50,000

time warp case the strange encounters

346

00:15:56,310 --> 00:15:54,160

of corporeal and seven soldiers

347

00:15:57,269 --> 00:15:56,320

space law legal issues related to space

348

00:16:03,990 --> 00:15:57,279

exploration

349

00:16:09,269 --> 00:16:07,350

okay this is probably put out in 2013

350

00:16:11,990 --> 00:16:09,279

uh just based upon the back cover just

351
00:16:15,189 --> 00:16:12,000
saying 2014 so maybe they're advertising

352
00:16:18,069 --> 00:16:15,199
for something 2014. so i think 2013 when

353
00:16:19,430 --> 00:16:18,079
this was done i want to read about time

354
00:16:23,269 --> 00:16:19,440
traveling children

355
00:16:25,910 --> 00:16:23,279
and the brooklyn ufo case don't know

356
00:16:27,829 --> 00:16:25,920
like all this stuff that i'm going over

357
00:16:31,030 --> 00:16:27,839
like i don't know if i can get to it

358
00:16:32,870 --> 00:16:31,040
on like the main show maybe

359
00:16:35,189 --> 00:16:32,880
i'd probably have to kick off more shows

360
00:16:38,230 --> 00:16:35,199
if um

361
00:16:39,350 --> 00:16:38,240
i want to keep up with all this older

362
00:16:42,069 --> 00:16:39,360
ufo stuff

363
00:16:44,150 --> 00:16:42,079

and also keep up with the current events

364

00:16:46,629 --> 00:16:44,160

and everything that's going on

365

00:16:47,990 --> 00:16:46,639

but maybe i'll just put it out as like

366

00:16:51,670 --> 00:16:48,000

uh

367

00:16:53,670 --> 00:16:51,680

rss feed patreon stuff only

368

00:16:56,550 --> 00:16:53,680

i don't know like there's so much stuff

369

00:16:58,310 --> 00:16:56,560

here that i want to get to

370

00:17:00,310 --> 00:16:58,320

but it's it's tough to because i got a

371

00:17:02,629 --> 00:17:00,320

full-time job and if i could just sit

372

00:17:06,390 --> 00:17:02,639

around and research this stuff all day

373

00:17:09,750 --> 00:17:08,069

i know if i if i had that kind of time

374

00:17:11,189 --> 00:17:09,760

where i could just research all day i

375

00:17:12,390 --> 00:17:11,199

would be able to make some good

376
00:17:15,750 --> 00:17:12,400
correlations

377
00:17:18,230 --> 00:17:15,760
create a database and

378
00:17:20,069 --> 00:17:18,240
figure some stuff out you know i like to

379
00:17:24,789 --> 00:17:20,079
goof around in the show and

380
00:17:27,909 --> 00:17:27,029
all that comes from a place of genuine

381
00:17:30,390 --> 00:17:27,919
curiosity

382
00:17:32,549 --> 00:17:30,400
i mean i love the topic it's absolutely

383
00:17:33,830 --> 00:17:32,559
fascinating to me

384
00:17:35,270 --> 00:17:33,840
but also at the same time i'd like to

385
00:17:36,070 --> 00:17:35,280
goof around and make fun of everything

386
00:17:38,789 --> 00:17:36,080
so

387
00:17:39,750 --> 00:17:38,799
i do my best to balance let's keep going

388
00:17:43,750 --> 00:17:39,760

here i've got a few more

389

00:17:47,510 --> 00:17:43,760

items here this is a huge book this is a

390

00:17:51,510 --> 00:17:47,520

huge book this is from 2008

391

00:17:55,110 --> 00:17:51,520

and this is the mufon ufo network

392

00:17:58,789 --> 00:17:55,120

um this is i think the like the program

393

00:18:00,710 --> 00:17:58,799

guide to the international ufo symposium

394

00:18:03,830 --> 00:18:00,720

so i let's see who's speaking do they

395

00:18:10,950 --> 00:18:06,950

any guest listing for who

396

00:18:14,150 --> 00:18:10,960

would be speaking at this symposium

397

00:18:16,150 --> 00:18:14,160

we got benefactors they got staff

398

00:18:20,549 --> 00:18:16,160

i'm kind of curious to see who was

399

00:18:24,390 --> 00:18:23,110

let's see here 2008 proceeding

400

00:18:27,590 --> 00:18:24,400

dedication about

401
00:18:29,590 --> 00:18:27,600
benefactors state director research

402
00:18:32,470 --> 00:18:29,600
specialist

403
00:18:33,430 --> 00:18:32,480
uh it looks like okay nick pope richard

404
00:18:37,669 --> 00:18:33,440
haynes

405
00:18:41,270 --> 00:18:37,679
anthony choi ted rowe don ledger

406
00:18:44,950 --> 00:18:41,280
jerome flores george knapp and

407
00:18:49,029 --> 00:18:44,960
colin keller general winfred

408
00:18:53,510 --> 00:18:49,039
del broer

409
00:18:57,430 --> 00:18:53,520
rodriguez bravo larry lickins and

410
00:18:59,909 --> 00:18:57,440
farah yazduzzo

411
00:19:01,990 --> 00:18:59,919
um boy the only ones that i'm really

412
00:19:05,669 --> 00:19:02,000
familiar with are nick pope

413
00:19:09,029 --> 00:19:05,679

and uh obviously george knapp

414

00:19:09,510 --> 00:19:09,039

so let's go to page 126 where george

415

00:19:14,190 --> 00:19:09,520

knapp

416

00:19:18,470 --> 00:19:14,200

was being talked about in this

417

00:19:21,750 --> 00:19:18,480

2008 mufon symposium

418

00:19:26,070 --> 00:19:21,760

i'm not sure oh so uh

419

00:19:30,630 --> 00:19:26,080

even back then this so in reference

420

00:19:33,990 --> 00:19:30,640

to george knapp and colin keller

421

00:19:36,470 --> 00:19:34,000

i think this is about the skinwalker

422

00:19:38,310 --> 00:19:36,480

ranch because back in 2008

423

00:19:40,390 --> 00:19:38,320

in this it says science confronts or

424

00:19:43,669 --> 00:19:40,400

confronts the unexplained

425

00:19:44,950 --> 00:19:43,679

at a remote utah ranch

426

00:19:46,870 --> 00:19:44,960

uh while writing the book hunt for

427

00:19:50,870 --> 00:19:46,880

skinwalker authors column caller yes

428

00:19:56,070 --> 00:19:54,470

i believe wrote this book yes

429

00:19:58,150 --> 00:19:56,080

with george knapp and this is the hunt

430

00:19:58,870 --> 00:19:58,160

for skinwalker ranch and you can see at

431

00:20:02,070 --> 00:19:58,880

the bottom

432

00:20:05,430 --> 00:20:02,080

it is george knapp and

433

00:20:07,350 --> 00:20:05,440

colm keller

434

00:20:08,470 --> 00:20:07,360

they wrote it together so his name

435

00:20:12,630 --> 00:20:08,480

should have been familiar with

436

00:20:15,669 --> 00:20:13,909

but yeah they wrote that book together

437

00:20:18,710 --> 00:20:15,679

oh geez

438

00:20:20,230 --> 00:20:18,720

and so um even back then skinwalker

439

00:20:21,430 --> 00:20:20,240

ranch long before the series came out

440

00:20:24,470 --> 00:20:21,440

before it

441

00:20:26,070 --> 00:20:24,480

kind of blew up more in pop culture

442

00:20:27,990 --> 00:20:26,080

but while writing the book hunter

443

00:20:29,510 --> 00:20:28,000

skinwalker ranch authors colm keller and

444

00:20:31,270 --> 00:20:29,520

george knapp

445

00:20:33,350 --> 00:20:31,280

resigned themselves to the likelihood

446

00:20:35,510 --> 00:20:33,360

that they would be criticized

447

00:20:36,789 --> 00:20:35,520

from many sides primarily because the

448

00:20:38,470 --> 00:20:36,799

book on the study

449

00:20:41,029 --> 00:20:38,480

on which is based explores so many

450

00:20:42,789 --> 00:20:41,039

different kinds of strange phenomena

451
00:20:44,549 --> 00:20:42,799
these activities were centered on a

452
00:20:48,310 --> 00:20:44,559
ranch in the rural part of

453
00:20:48,630 --> 00:20:48,320
northeastern utah an area known as a ufo

454
00:20:52,390 --> 00:20:48,640
hop

455
00:20:54,950 --> 00:20:52,400
known for known as a ufo hotbud hotbed

456
00:20:56,950 --> 00:20:54,960
for the last 50 years they led an

457
00:20:59,990 --> 00:20:56,960
in-depth scientific study

458
00:21:00,710 --> 00:21:00,000
of the area by the national institute of

459
00:21:02,310 --> 00:21:00,720
the

460
00:21:03,750 --> 00:21:02,320
national institute for discovery

461
00:21:06,070 --> 00:21:03,760
sciences mids

462
00:21:07,510 --> 00:21:06,080
based in las vegas the work of nids at

463
00:21:10,390 --> 00:21:07,520

the skinwalker ranch

464

00:21:11,350 --> 00:21:10,400

might represent the most intensive study

465

00:21:15,350 --> 00:21:11,360

of

466

00:21:18,310 --> 00:21:15,360

a hair a paranormal hot spot in history

467

00:21:20,230 --> 00:21:18,320

so this is back in 2008 talking about

468

00:21:23,029 --> 00:21:20,240

skinwalker ranch

469

00:21:24,710 --> 00:21:23,039

12 years later are we any closer to

470

00:21:27,110 --> 00:21:24,720

finding

471

00:21:29,190 --> 00:21:27,120

out about skinwalker range and what

472

00:21:31,029 --> 00:21:29,200

might be going on there i

473

00:21:32,950 --> 00:21:31,039

maybe just a little bit closer with the

474

00:21:36,630 --> 00:21:32,960

most recent tv series

475

00:21:38,390 --> 00:21:36,640

uh with the phd travis taylor

476

00:21:40,390 --> 00:21:38,400

and the tv crew that they have there

477

00:21:45,350 --> 00:21:40,400

with this history channel

478

00:21:47,510 --> 00:21:45,360

they're doing more uh documentation

479

00:21:49,029 --> 00:21:47,520

of the phenomenon going on there and

480

00:21:51,830 --> 00:21:49,039

they're doing more

481

00:21:53,590 --> 00:21:51,840

uh instrument investigations using

482

00:21:56,470 --> 00:21:53,600

electromagnetic meters

483

00:21:57,990 --> 00:21:56,480

um and figuring out where a microwave

484

00:22:00,549 --> 00:21:58,000

radiation may be emitting

485

00:22:02,470 --> 00:22:00,559

from emanating from but i don't know if

486

00:22:07,029 --> 00:22:02,480

we're any closer to finding out

487

00:22:10,310 --> 00:22:07,039

the source of these paranormal

488

00:22:12,070 --> 00:22:10,320

events or what is the source what is the

489

00:22:13,590 --> 00:22:12,080

catalyst for all these paranormal events

490

00:22:15,350 --> 00:22:13,600

on skinwalker ranch

491

00:22:16,630 --> 00:22:15,360

is who is in control there i don't think

492

00:22:17,270 --> 00:22:16,640

we're any closer to answering that

493

00:22:19,190 --> 00:22:17,280

question

494

00:22:20,390 --> 00:22:19,200

and they were talking about this back

495

00:22:21,909 --> 00:22:20,400

then um

496

00:22:23,590 --> 00:22:21,919

probably because maybe the book came out

497

00:22:25,669 --> 00:22:23,600

then let's see here i have the book

498

00:22:29,990 --> 00:22:25,679

right here

499

00:22:34,029 --> 00:22:30,000

so this magazine is from 2008

500

00:22:39,350 --> 00:22:37,669

2005. so the book was first published in

501
00:22:40,710 --> 00:22:39,360
2005

502
00:22:47,029 --> 00:22:40,720
so they're probably still going on their

503
00:22:51,430 --> 00:22:49,430
so they got it's a lot of maps here

504
00:22:54,310 --> 00:22:51,440
examination of physical evidence like a

505
00:22:56,870 --> 00:22:54,320
lot of cool stuff

506
00:22:59,190 --> 00:22:56,880
um i didn't even know i had all this

507
00:23:02,310 --> 00:22:59,200
stuff but it is very thorough

508
00:23:03,990 --> 00:23:02,320
with what they found there it's an

509
00:23:09,110 --> 00:23:04,000
abbreviated version

510
00:23:10,549 --> 00:23:09,120
ask you know it's got nice pictures

511
00:23:12,390 --> 00:23:10,559
so probably have to go through that at

512
00:23:15,510 --> 00:23:12,400
some point in time

513
00:23:19,029 --> 00:23:15,520

and then i got this last magazine

514

00:23:22,789 --> 00:23:19,039

here which is called

515

00:23:26,549 --> 00:23:22,799

enigma enigma magazine is exclusive

516

00:23:30,149 --> 00:23:26,559

you know the alien file 16 page feature

517

00:23:33,510 --> 00:23:30,159

uh and it's got a scolder uh scolder

518

00:23:36,070 --> 00:23:33,520

i can't talk skully and motor

519

00:23:39,430 --> 00:23:36,080

at the bottom scolder my god how do you

520

00:23:39,440 --> 00:23:46,710

i appreciate it though this magazine

521

00:23:46,720 --> 00:23:52,149

when was it published i want to know

522

00:23:55,430 --> 00:23:54,070

um he's got the x files on this stuff

523

00:23:58,789 --> 00:23:55,440

i'm going to guess like mid

524

00:24:05,269 --> 00:23:58,799

90s this magazine is from

525

00:24:09,190 --> 00:24:05,279

1997 1997. um

526

00:24:14,230 --> 00:24:11,310

and it's got a whole section on just

527

00:24:17,350 --> 00:24:14,240

crazy conspiracies you see that

528

00:24:21,190 --> 00:24:17,360

crazy conspiracies number one

529

00:24:24,310 --> 00:24:21,200

is moongate the moon hooks uh number two

530

00:24:25,990 --> 00:24:24,320

money watch okay let's take a look

531

00:24:27,269 --> 00:24:26,000

i don't know i'm from with moon oaks but

532

00:24:28,950 --> 00:24:27,279

money watch what is the money watch

533

00:24:31,990 --> 00:24:28,960

crazy conspiracy

534

00:24:34,870 --> 00:24:32,000

the metal strips and banknotes are are

535

00:24:37,190 --> 00:24:34,880

a form of a tracking device which allows

536

00:24:40,549 --> 00:24:37,200

the government to keep tabs on us

537

00:24:43,110 --> 00:24:40,559

and through the use of metal detectors

538

00:24:43,750 --> 00:24:43,120

to know exactly how much money we take

539

00:24:47,110 --> 00:24:43,760

with us

540

00:24:48,070 --> 00:24:47,120

when leaving the country now what's the

541

00:24:50,950 --> 00:24:48,080

verdict on this

542

00:24:52,630 --> 00:24:50,960

according to this magazine absurd and

543

00:24:54,710 --> 00:24:52,640

completely impractical

544

00:24:56,710 --> 00:24:54,720

the british system of covering the

545

00:24:58,710 --> 00:24:56,720

country with a network of

546

00:25:00,149 --> 00:24:58,720

surveillance cameras is far more

547

00:25:02,390 --> 00:25:00,159

effective besides

548

00:25:03,350 --> 00:25:02,400

how would the government know when you

549

00:25:06,549 --> 00:25:03,360

pass a note

550

00:25:07,029 --> 00:25:06,559

to another person would the code in the

551
00:25:08,710 --> 00:25:07,039
strip

552
00:25:10,070 --> 00:25:08,720
change so yeah i agree and there's a

553
00:25:14,390 --> 00:25:10,080
strip of metal

554
00:25:17,510 --> 00:25:14,400
in every u.s dollar but for

555
00:25:21,990 --> 00:25:17,520
tracking a person might be impractical

556
00:25:25,510 --> 00:25:22,000
although this is from the mid 90s

557
00:25:25,909 --> 00:25:25,520
yep at that time alex jones was coming

558
00:25:29,669 --> 00:25:25,919
up

559
00:25:33,029 --> 00:25:29,679
jordan maxwell was still around um

560
00:25:36,390 --> 00:25:33,039
and there's a lot of a

561
00:25:37,990 --> 00:25:36,400
few other people that were doing things

562
00:25:39,590 --> 00:25:38,000
let's see this book i believe came out

563
00:25:42,789 --> 00:25:39,600

then this is uh

564

00:25:47,990 --> 00:25:42,799

none dare call it a conspiracy

565

00:25:54,470 --> 00:25:51,269

let's see this is uh 1971

566

00:25:58,070 --> 00:25:54,480

a good but the 90s was

567

00:26:00,870 --> 00:25:58,080

a good start to a lot of the ufo

568

00:26:02,470 --> 00:26:00,880

books and resurgence of interest into

569

00:26:05,590 --> 00:26:02,480

the topic of ufos

570

00:26:09,029 --> 00:26:05,600

but also conspiracies martial law

571

00:26:10,310 --> 00:26:09,039

and government u.n conspiracies was also

572

00:26:13,590 --> 00:26:10,320

very big

573

00:26:16,310 --> 00:26:13,600

started in the in the mid 90s

574

00:26:17,190 --> 00:26:16,320

got that book right there um so some

575

00:26:20,149 --> 00:26:17,200

interesting stuff there and

576
00:26:21,830 --> 00:26:20,159
then i got some books i've been meaning

577
00:26:24,149 --> 00:26:21,840
to go back through

578
00:26:25,909 --> 00:26:24,159
um the field guide to ufos which i was

579
00:26:27,350 --> 00:26:25,919
planning on just like starting a tic toc

580
00:26:29,590 --> 00:26:27,360
channel for just reading

581
00:26:31,110 --> 00:26:29,600
like every single one of these cases and

582
00:26:33,350 --> 00:26:31,120
this features like

583
00:26:35,830 --> 00:26:33,360
every type of ufo that has been

584
00:26:39,110 --> 00:26:35,840
encountered and is categorized by type

585
00:26:41,029 --> 00:26:39,120
variant skeptic's

586
00:26:43,110 --> 00:26:41,039
suggestion of what it really what it

587
00:26:45,990 --> 00:26:43,120
really could be nice not

588
00:26:47,510 --> 00:26:46,000

or and then the actual incident that

589

00:26:50,710 --> 00:26:47,520

took place in which the

590

00:26:52,470 --> 00:26:50,720

uh the eyewitness observed and

591

00:26:53,830 --> 00:26:52,480

looked at this ufo and it's also got the

592

00:26:56,950 --> 00:26:53,840

date location

593

00:26:58,630 --> 00:26:56,960

and the witness listed so

594

00:27:00,630 --> 00:26:58,640

i have the the field guide to ufos and

595

00:27:01,750 --> 00:27:00,640

also i have a field guide to

596

00:27:04,789 --> 00:27:01,760

extraterrestrials

597

00:27:07,190 --> 00:27:04,799

and there's probably about like a

598

00:27:08,870 --> 00:27:07,200

maybe a hundred hundred different

599

00:27:12,549 --> 00:27:08,880

variants of ufos and then a hundred

600

00:27:16,230 --> 00:27:13,990

i'd like to go through every single one

601
00:27:16,950 --> 00:27:16,240
of them i don't know if it's gonna be

602
00:27:19,350 --> 00:27:16,960
possible

603
00:27:20,070 --> 00:27:19,360
but i would like to that's something i

604
00:27:22,389 --> 00:27:20,080
want to do

605
00:27:24,549 --> 00:27:22,399
i got and then i got this book for

606
00:27:26,950 --> 00:27:24,559
christmas

607
00:27:29,190 --> 00:27:26,960
this is given to me by my future

608
00:27:31,110 --> 00:27:29,200
brother-in-law

609
00:27:33,350 --> 00:27:31,120
and this is the hoopa project bigfoot

610
00:27:35,510 --> 00:27:33,360
encounters in california this is written

611
00:27:39,190 --> 00:27:35,520
by david politis

612
00:27:41,750 --> 00:27:39,200
so he goes into uh great detail

613
00:27:44,230 --> 00:27:41,760

about you uh not ufo but i'm sorry

614

00:27:47,269 --> 00:27:44,240

bigfoot encounters in california

615

00:27:50,789 --> 00:27:47,279

and speculation of

616

00:27:54,310 --> 00:27:50,799

what those big feet

617

00:27:58,070 --> 00:27:54,320

are dna tests and everything

618

00:28:01,190 --> 00:27:58,080

um very thorough research and i'm a big

619

00:28:03,590 --> 00:28:01,200

fan of david politis and his work

620

00:28:04,470 --> 00:28:03,600

um even if he doesn't hit the mark every

621

00:28:06,789 --> 00:28:04,480

time he is

622

00:28:09,269 --> 00:28:06,799

damn close to the target i believe so

623

00:28:10,870 --> 00:28:09,279

that this is a fascinating book

624

00:28:12,789 --> 00:28:10,880

that i'm looking forward to reading

625

00:28:14,870 --> 00:28:12,799

because he's talked about this

626

00:28:17,110 --> 00:28:14,880

um i just i'm i tend to be more

627

00:28:19,830 --> 00:28:17,120

fascinated with the missing 411

628

00:28:20,870 --> 00:28:19,840

stuff than hardcore bigfoot research but

629

00:28:23,029 --> 00:28:20,880

i will dig into this

630

00:28:24,389 --> 00:28:23,039

but at the same time i picked up this

631

00:28:27,669 --> 00:28:24,399

book

632

00:28:28,389 --> 00:28:27,679

last year called bigfoot wildman in

633

00:28:32,070 --> 00:28:28,399

giants

634

00:28:35,110 --> 00:28:32,080

this is an archived this archive article

635

00:28:35,710 --> 00:28:35,120

articles i can't talk archived articles

636

00:28:39,230 --> 00:28:35,720

from

637

00:28:43,350 --> 00:28:39,240

1680 to

638

00:28:46,230 --> 00:28:43,360

1923 this is also by david politis

639

00:28:47,510 --> 00:28:46,240

and in here it's just like scanned

640

00:28:50,630 --> 00:28:47,520

articles

641

00:28:51,590 --> 00:28:50,640

from from newspapers around this country

642

00:28:54,710 --> 00:28:51,600

and i believe

643

00:28:55,590 --> 00:28:54,720

um canada as well maybe even all around

644

00:28:56,950 --> 00:28:55,600

the globe i'll

645

00:28:58,870 --> 00:28:56,960

investigate that a little bit more all

646

00:29:02,389 --> 00:28:58,880

around the globe uh

647

00:29:04,230 --> 00:29:02,399

people encountering big feet sasquatch

648

00:29:04,630 --> 00:29:04,240

uh for instance i'll read this one right

649

00:29:07,830 --> 00:29:04,640

here

650

00:29:08,549 --> 00:29:07,840

this is from the fort worth daily

651
00:29:14,470 --> 00:29:08,559
gazette

652
00:29:17,909 --> 00:29:14,480
texas may 2nd 1894

653
00:29:21,430 --> 00:29:17,919
and it's very blurry but i will

654
00:29:25,269 --> 00:29:21,440
uh try to believe it um and the

655
00:29:29,029 --> 00:29:25,279
the slug is he is clad in long

656
00:29:31,750 --> 00:29:29,039
shaggy hair and runs

657
00:29:33,029 --> 00:29:31,760
i think he says it's blurry and runs

658
00:29:36,230 --> 00:29:33,039
with a scream

659
00:29:39,510 --> 00:29:36,240
of terror on the approach

660
00:29:40,149 --> 00:29:39,520
of observer a particular being it says

661
00:29:43,669 --> 00:29:40,159
so

662
00:29:44,389 --> 00:29:43,679
a wild and very woolly man is reported

663
00:29:47,590 --> 00:29:44,399

by mr

664

00:29:49,830 --> 00:29:47,600

henry hubert to have been seen twice

665

00:29:54,950 --> 00:29:49,840

within the past two weeks near

666

00:29:57,269 --> 00:29:54,960

the jules farm three miles past the city

667

00:29:58,230 --> 00:29:57,279

he is described by two members of mr

668

00:30:00,630 --> 00:29:58,240

cuba's family

669

00:30:02,070 --> 00:30:00,640

who have been who have seen him to be

670

00:30:06,470 --> 00:30:02,080

rather

671

00:30:10,070 --> 00:30:06,480

being covered with

672

00:30:13,190 --> 00:30:10,080

long shaggy hair when seen he gives

673

00:30:16,230 --> 00:30:13,200

a scream and disappears quickly into

674

00:30:19,430 --> 00:30:16,240

the thickets which

675

00:30:21,750 --> 00:30:19,440

which are bound in which are around the

676
00:30:23,990 --> 00:30:21,760
vicinity

677
00:30:25,269 --> 00:30:24,000
are positive their eyes have not

678
00:30:29,190 --> 00:30:25,279
deceived them

679
00:30:31,269 --> 00:30:29,200
and mr hubert says he thinks

680
00:30:33,350 --> 00:30:31,279
he thinks his time the matter was

681
00:30:36,549 --> 00:30:33,360
brought to the attention

682
00:30:40,470 --> 00:30:36,559
of the authorities in order uh

683
00:30:44,630 --> 00:30:40,480
in order that they might investigate

684
00:30:46,389 --> 00:30:44,640
and if possible ascertain it's very

685
00:30:49,669 --> 00:30:46,399
blurry down here

686
00:30:50,470 --> 00:30:49,679
ascertain something about the strange

687
00:30:54,230 --> 00:30:50,480
creature

688
00:30:56,310 --> 00:30:54,240

he says he does he does not appear uh

689

00:30:57,590 --> 00:30:56,320

does not appear to be in any danger from

690

00:31:00,789 --> 00:30:57,600

what he has heard

691

00:31:05,590 --> 00:31:00,799

but does not know what might happen

692

00:31:07,590 --> 00:31:05,600

so that's from 1894.

693

00:31:09,909 --> 00:31:07,600

like this is something that i want to

694

00:31:12,149 --> 00:31:09,919

dig through

695

00:31:14,070 --> 00:31:12,159

and just categorize some of the more

696

00:31:15,990 --> 00:31:14,080

interesting encounters

697

00:31:17,590 --> 00:31:16,000

you know this is like i wish david would

698

00:31:19,669 --> 00:31:17,600

put his stuff on

699

00:31:21,509 --> 00:31:19,679

kindle because it's very easy to search

700

00:31:24,070 --> 00:31:21,519

through kindle take a screenshot and

701
00:31:28,630 --> 00:31:24,080
and then i can put that in my own like

702
00:31:31,830 --> 00:31:29,990
and since he doesn't do that it's hard

703
00:31:33,029 --> 00:31:31,840
to do i'm like i might have to write

704
00:31:34,070 --> 00:31:33,039
some sort of

705
00:31:35,669 --> 00:31:34,080
i'm gonna see if i can do i'm gonna

706
00:31:36,710 --> 00:31:35,679
write some sort of python program that

707
00:31:40,389 --> 00:31:36,720
can convert

708
00:31:43,350 --> 00:31:40,399
text on a jpeg or png file

709
00:31:44,870 --> 00:31:43,360
to text that i can scan through and put

710
00:31:46,549 --> 00:31:44,880
in a database because i have like a lot

711
00:31:49,909 --> 00:31:46,559
of screenshots from stories

712
00:31:53,190 --> 00:31:49,919
that just live in a jpeg

713
00:31:57,750 --> 00:31:53,200

and not searchable so maybe i'll start

714

00:32:01,509 --> 00:31:59,350

but fascinating stuff that's one of the

715

00:32:02,950 --> 00:32:01,519

things i gotta dig through and then i

716

00:32:04,950 --> 00:32:02,960

got this book from this

717

00:32:06,070 --> 00:32:04,960

last book i got too much stuff to go

718

00:32:09,509 --> 00:32:06,080

through my

719

00:32:12,789 --> 00:32:09,519

this last book from

720

00:32:13,430 --> 00:32:12,799

uh christmas and this was given to me by

721

00:32:20,630 --> 00:32:13,440

my

722

00:32:23,350 --> 00:32:20,640

i love her and she got me

723

00:32:24,870 --> 00:32:23,360

this book antarctica and the secret

724

00:32:30,310 --> 00:32:24,880

space program

725

00:32:33,590 --> 00:32:32,389

because i met him nice guy met him at

726

00:32:35,350 --> 00:32:33,600

the ufo conference

727

00:32:36,950 --> 00:32:35,360

i gave him an obd him card and he kind

728

00:32:39,590 --> 00:32:36,960

of like

729

00:32:40,710 --> 00:32:39,600

didn't care but i'll try to reach out to

730

00:32:42,470 --> 00:32:40,720

him again

731

00:32:44,549 --> 00:32:42,480

maybe for the union of the unwanted

732

00:32:46,549 --> 00:32:44,559

he'll appear on that

733

00:32:48,149 --> 00:32:46,559

but this is from world war ii to the

734

00:32:51,750 --> 00:32:48,159

current space race

735

00:32:56,070 --> 00:32:51,760

um and in here man it is detailed

736

00:32:59,190 --> 00:32:56,080

with pictures and accounts

737

00:33:01,190 --> 00:32:59,200

i want to get into antarctica more and

738

00:33:03,430 --> 00:33:01,200

this might be a good place to kind of

739

00:33:04,630 --> 00:33:03,440

jump start that research for me it's got

740

00:33:05,350 --> 00:33:04,640

awesome pictures in here i'll try to

741

00:33:06,870 --> 00:33:05,360

scan this stuff

742

00:33:09,269 --> 00:33:06,880

and put up in high resolution i got a

743

00:33:10,789 --> 00:33:09,279

scanner there's just so much stuff

744

00:33:14,789 --> 00:33:10,799

like what is being pictured on screen

745

00:33:19,350 --> 00:33:14,799

here is a ufo an oblong ufo

746

00:33:22,549 --> 00:33:19,360

busting out of the water um the top left

747

00:33:24,710 --> 00:33:22,559

of this picture it says in march of 2071

748

00:33:27,909 --> 00:33:24,720

the u.s navy submarine

749

00:33:30,149 --> 00:33:27,919

trapang took these photos from of a

750

00:33:31,269 --> 00:33:30,159

cigar-shaped craft coming out of the

751
00:33:34,310 --> 00:33:31,279
ocean

752
00:33:38,310 --> 00:33:34,320
near iceland the displaced water turned

753
00:33:39,029 --> 00:33:38,320
to steam as the craft leveled and flew

754
00:33:41,029 --> 00:33:39,039
off the

755
00:33:43,110 --> 00:33:41,039
second smaller object then came out of

756
00:33:45,029 --> 00:33:43,120
the water

757
00:33:47,669 --> 00:33:45,039
so fascinating stuff i got to get

758
00:33:51,190 --> 00:33:47,679
through all this but this is so much

759
00:33:56,310 --> 00:33:53,669
i got i gotta write all this stuff down

760
00:33:58,870 --> 00:33:56,320
and tackle it one by one but my my next

761
00:34:01,269 --> 00:33:58,880
segment i believe for the show is going

762
00:34:04,389 --> 00:34:01,279
to be hairy humanoids

763
00:34:06,310 --> 00:34:04,399

hairy dwarf-like humanoids um and i'm

764

00:34:11,270 --> 00:34:06,320

gonna try to

765

00:34:14,230 --> 00:34:11,280

stories that i find to be

766

00:34:16,149 --> 00:34:14,240

interesting things that um are just out

767

00:34:17,669 --> 00:34:16,159

of the ordinary beyond encountering a

768

00:34:21,270 --> 00:34:17,679

hairy humanoid

769

00:34:23,829 --> 00:34:21,280

what is the interaction like um

770

00:34:24,629 --> 00:34:23,839

well thanks i for hanging out with me on

771

00:34:27,430 --> 00:34:24,639

this uh

772

00:34:28,790 --> 00:34:27,440

on this morning hope everyone is doing
