

chris "spanky" hughes

1  
00:00:10,600 --> 00:00:14,910  
[Music]

2  
00:00:14,920 --> 00:00:21,280  
so

3  
00:00:26,230 --> 00:00:24,070  
[Music]

4  
00:00:28,070 --> 00:00:26,240  
squad you have to kill the source no use

5  
00:00:28,470 --> 00:00:28,080  
for crucifixes over stake through the

6  
00:00:30,950 --> 00:00:28,480  
heart

7  
00:00:31,509 --> 00:00:30,960  
the ps has been in the universe from the

8  
00:00:33,270 --> 00:00:31,519  
start

9  
00:00:34,790 --> 00:00:33,280  
look between the planets and the moons

10  
00:00:36,630 --> 00:00:34,800  
on the charts see the star cluster

11  
00:00:38,389 --> 00:00:36,640  
combust into infinite parts

12  
00:00:40,389 --> 00:00:38,399  
another burst of energy to add some

13  
00:00:41,910 --> 00:00:40,399

motivation trap the vein that gives a

14

00:00:43,910 --> 00:00:41,920

life blood to this creation

15

00:00:46,470 --> 00:00:43,920

it's a distraction disguises abstract

16

00:00:48,389 --> 00:00:46,480

fun my self-satisfaction will attract

17

00:00:49,029 --> 00:00:48,399

none when the beat drops heavy like a

18

00:00:51,189 --> 00:00:49,039

megaton

19

00:00:52,229 --> 00:00:51,199

i overwhelm or consume you all like

20

00:00:53,830 --> 00:00:52,239

plankton

21

00:00:55,670 --> 00:00:53,840

gotta find that sanctuary because the

22

00:00:57,830 --> 00:00:55,680

situation is very unpredictable

23

00:00:59,990 --> 00:00:57,840

elliptical scary words in the dictionary

24

00:01:02,389 --> 00:01:00,000

the ps can bring forth a new monastery

25

00:01:04,229 --> 00:01:02,399

got our own property for the apothecary

26  
00:01:04,789 --> 00:01:04,239  
we might not have a plot to carry or to

27  
00:01:06,310 --> 00:01:04,799  
piss in

28  
00:01:08,310 --> 00:01:06,320  
you'll begin to understand if you

29  
00:01:09,990 --> 00:01:08,320  
sincerely listen got the supervision

30  
00:01:11,429 --> 00:01:10,000  
quad times nuclear fission bring the

31  
00:01:12,230 --> 00:01:11,439  
noise together with the poop squat

32  
00:01:14,469 --> 00:01:12,240  
precision

33  
00:01:15,270 --> 00:01:14,479  
scruffs now folks let's go down to the

34  
00:01:17,270 --> 00:01:15,280  
floor where

35  
00:01:19,910 --> 00:01:17,280  
our fighters are making their way to the

36  
00:01:25,030 --> 00:01:22,789  
[Music]

37  
00:01:27,030 --> 00:01:25,040  
i braved the journey imperfectly my dim

38  
00:01:28,950 --> 00:01:27,040

circuitry didn't work with me curse the

39

00:01:30,230 --> 00:01:28,960

free like incarcerated murderers and

40

00:01:32,230 --> 00:01:30,240

fees beg for mercy

41

00:01:34,149 --> 00:01:32,240

a collective victim grieves so let the

42

00:01:35,830 --> 00:01:34,159

wisdom breathe forget about that angle

43

00:01:37,830 --> 00:01:35,840

where the system weaves give them these

44

00:01:38,950 --> 00:01:37,840

musical notes like chemicals knock them

45

00:01:40,950 --> 00:01:38,960

out to christmas eve

46

00:01:43,510 --> 00:01:40,960

strangely optimistic impossible to

47

00:01:44,069 --> 00:01:43,520

achieve goals and realistic idiotic to

48

00:01:45,910 --> 00:01:44,079

believe

49

00:01:47,590 --> 00:01:45,920

any longer in the dream that fueled me

50

00:01:49,990 --> 00:01:47,600

getting stronger while the fools breed

51  
00:01:50,789 --> 00:01:50,000  
i got all the tools i need noted yet

52  
00:01:52,310 --> 00:01:50,799  
forgotten

53  
00:01:54,310 --> 00:01:52,320  
style that you thought was fresh but

54  
00:01:54,710 --> 00:01:54,320  
it's rotten let everybody get their shot

55  
00:01:57,950 --> 00:01:54,720  
in

56  
00:02:00,389 --> 00:01:57,960  
demon faces starlit

57  
00:02:02,230 --> 00:02:00,399  
dematerialize into varmints suck and not

58  
00:02:03,830 --> 00:02:02,240  
karma's literally make the armor fit

59  
00:02:05,749 --> 00:02:03,840  
even though it's hard to sit no one can

60  
00:02:07,030 --> 00:02:05,759  
tarnish it foreman sits on my forehead

61  
00:02:09,029 --> 00:02:07,040  
seated by my stress

62  
00:02:10,070 --> 00:02:09,039  
needed to confess my sins if i begin i

63  
00:02:11,670 --> 00:02:10,080

failed the test

64

00:02:13,750 --> 00:02:11,680

veil thruster lay the rest cause it's

65

00:02:14,790 --> 00:02:13,760

best to me more and say less mutiny

66

00:02:16,550 --> 00:02:14,800

betrayed the quest

67

00:02:18,470 --> 00:02:16,560

scrutiny from all the rest to let the

68

00:02:19,910 --> 00:02:18,480

saved be blessed abandon babies make a

69

00:02:21,750 --> 00:02:19,920

grave out of a bird nest

70

00:02:23,670 --> 00:02:21,760

protest the whole mess and outrage to

71

00:02:36,550 --> 00:02:23,680

downstage and undress your abscess

72

00:02:48,830 --> 00:02:36,560

fakie coming from the p.s

73

00:03:09,350 --> 00:03:04,690

squad sounds

74

00:03:13,910 --> 00:03:11,670

like plastic explosives on last week i'm

75

00:03:15,030 --> 00:03:13,920

toasted the fact she was posted the fat

76

00:03:16,949 --> 00:03:15,040

beads were boasting

77

00:03:18,710 --> 00:03:16,959

that's cheating and you're gloated in

78

00:03:20,710 --> 00:03:18,720

the end when the enemy became your

79

00:03:21,670 --> 00:03:20,720

friend incredibly to the one who sends

80

00:03:23,910 --> 00:03:21,680

me my scheduler

81

00:03:26,070 --> 00:03:23,920

make my presence regular go to the edge

82

00:03:27,589 --> 00:03:26,080

of the universe to see the face of god

83

00:03:29,030 --> 00:03:27,599

ask him to grant a wish to the poop

84

00:03:31,589 --> 00:03:29,040

squad make us famous

85

00:03:32,550 --> 00:03:31,599

cause the means to an end are shameless

86

00:03:35,030 --> 00:03:32,560

and faceless we

87

00:03:36,390 --> 00:03:35,040

create the new sound back to the basics

88

00:03:38,710 --> 00:03:36,400

fiddle for ranch underground

89

00:03:40,710 --> 00:03:38,720

ain't so pathetic as it turns out make a

90

00:03:43,350 --> 00:03:40,720

copacetic as we flush the turds out

91

00:03:45,589 --> 00:03:43,360

birdhouse for the vultures our culture

92

00:03:46,070 --> 00:03:45,599

like a brittle sculpture a tumultuous

93

00:03:48,070 --> 00:03:46,080

structure

94

00:03:49,750 --> 00:03:48,080

set to rupture we will be in trouble

95

00:03:50,710 --> 00:03:49,760

when a bubble gets punctured function

96

00:03:52,710 --> 00:03:50,720

turned to feng shui

97

00:03:53,750 --> 00:03:52,720

elements can keep me from the funk today

98

00:03:55,670 --> 00:03:53,760

like what monks say

99

00:03:57,270 --> 00:03:55,680

after 50 years of silence what a newborn

100

00:03:57,990 --> 00:03:57,280

baby sees when he first opens his

101  
00:03:59,589 --> 00:03:58,000

eyelids

102  
00:04:01,429 --> 00:03:59,599

that's the mission of the squad to keep

103  
00:04:03,589 --> 00:04:01,439

the air thick with funk i'll be chilling

104  
00:04:05,990 --> 00:04:03,599

on the poop deck till on [h\_\_\h] past sunk

105  
00:04:07,990 --> 00:04:06,000

delivering rhymes like babies i attack

106  
00:04:10,070 --> 00:04:08,000

like a dog with freight bees i'm built

107  
00:04:11,670 --> 00:04:10,080

like scabies i thrilled all the ladies

108  
00:04:13,750 --> 00:04:11,680

and still got the will to get my filler

109  
00:04:16,069 --> 00:04:13,760

when i get killed or go chilling hades

110  
00:04:16,789 --> 00:04:16,079

like a radiant sadist along with all of

111  
00:04:18,390 --> 00:04:16,799

the greatest

112  
00:04:21,829 --> 00:04:18,400

group squad getting scratched off the

113  
00:04:24,870 --> 00:04:23,140

[Music]

114

00:04:26,550 --> 00:04:24,880

[Applause]

115

00:04:38,230 --> 00:04:26,560

[Music]

116

00:04:38,240 --> 00:04:43,900

taking some

117

00:04:43,910 --> 00:04:51,510

[Music]

118

00:04:56,150 --> 00:04:53,670

relieve stress but leave less leave test

119

00:04:56,870 --> 00:04:56,160

the reflex be the next reject to seize

120

00:04:58,790 --> 00:04:56,880

the text

121

00:05:00,230 --> 00:04:58,800

correct with eclectic intellect

122

00:05:02,870 --> 00:05:00,240

following the new sect

123

00:05:03,749 --> 00:05:02,880

of aggression unchecked atari paddle to

124

00:05:06,230 --> 00:05:03,759

the sound effect

125

00:05:08,390 --> 00:05:06,240

play through the elements elementary but

126

00:05:09,270 --> 00:05:08,400

relevant benevolent to elevate the

127

00:05:11,510 --> 00:05:09,280

elegance

128

00:05:13,430 --> 00:05:11,520

squad bent on reformation of the social

129

00:05:15,830 --> 00:05:13,440

deformation best for the nation

130

00:05:16,790 --> 00:05:15,840

a quest for recreation to recreate my

131

00:05:18,870 --> 00:05:16,800

situation

132

00:05:21,110 --> 00:05:18,880

alleviate the pitiful vocation

133

00:05:23,189 --> 00:05:21,120

abbreviate the pathetic ps relation
