

HUMANOID ENCOUNTERS

Greys, Goblins

Dwarves?

1
00:00:03,680 --> 00:00:13,589
[Music]

2
00:00:19,269 --> 00:00:15,430
humanoid encounters

3
00:00:22,390 --> 00:00:19,279
specifically dwarf like creatures

4
00:00:23,990 --> 00:00:22,400
um these uh dwarf-like creatures these

5
00:00:26,150 --> 00:00:24,000
humanoid encounters

6
00:00:27,109 --> 00:00:26,160
it's related to the ufo stuff because a

7
00:00:31,509 --> 00:00:27,119
lot of times when

8
00:00:33,670 --> 00:00:31,519
these weird humanoids are are seen

9
00:00:34,549 --> 00:00:33,680
they're often seen uh coming out of a

10
00:00:37,270 --> 00:00:34,559
ball of light

11
00:00:39,270 --> 00:00:37,280
a craft or there is a ufo sighting in

12
00:00:41,590 --> 00:00:39,280
the vicinity of this but these are

13
00:00:44,069 --> 00:00:41,600

uh dwarf humanoid sightings and

14

00:00:46,310 --> 00:00:44,079

encounters from

15

00:00:47,270 --> 00:00:46,320

all ages so i'll read down a few of

16

00:00:50,869 --> 00:00:47,280

these

17

00:00:51,189 --> 00:00:50,879

and we'll talk about them so this first

18

00:00:56,549 --> 00:00:51,199

one

19

00:00:58,869 --> 00:00:56,559

is from the year 1065

20

00:01:00,310 --> 00:00:58,879

and and this is uh from an ancient

21

00:01:02,549 --> 00:01:00,320

manuscript

22

00:01:03,750 --> 00:01:02,559

uh so it says uh local residents

23

00:01:07,510 --> 00:01:03,760

observed a strange

24

00:01:09,590 --> 00:01:07,520

sign in the sky a huge star with a blood

25

00:01:10,950 --> 00:01:09,600

with blood red beams of light this

26

00:01:13,510 --> 00:01:10,960

phenomenon lasted for

27

00:01:14,390 --> 00:01:13,520

seven days straight it was seen only

28

00:01:16,870 --> 00:01:14,400

during the evening

29

00:01:18,710 --> 00:01:16,880

around that time a child like dwarf type

30

00:01:22,230 --> 00:01:18,720

entity was found by

31

00:01:23,830 --> 00:01:22,240

a fisherman in the river the dwarf was

32

00:01:25,510 --> 00:01:23,840

pulled out of the river in a net

33

00:01:27,510 --> 00:01:25,520

the fishermen kept watching the strange

34

00:01:29,429 --> 00:01:27,520

entity until late afternoon

35

00:01:31,830 --> 00:01:29,439

then threw it back in the river out of

36

00:01:34,230 --> 00:01:31,840

fear and its repugnancy

37

00:01:36,550 --> 00:01:34,240

the dwarf like entity was very strange

38

00:01:39,749 --> 00:01:36,560

and had a wrinkled face

39

00:01:41,670 --> 00:01:39,759

and other shameless details on his face

40

00:01:42,069 --> 00:01:41,680

and body although that wasn't specified

41

00:01:44,069 --> 00:01:42,079

with this

42

00:01:46,230 --> 00:01:44,079

it was a little ugly it was an ugly

43

00:01:47,590 --> 00:01:46,240

little dwarf thing they found in a river

44

00:01:51,109 --> 00:01:47,600

he kept it around for a little bit and

45

00:01:54,469 --> 00:01:52,870

i'm sure that's how he said it it's like

46

00:01:56,310 --> 00:01:54,479

i camp it around for a little bit

47

00:01:58,310 --> 00:01:56,320

after back in the river and that was

48

00:01:59,910 --> 00:01:58,320

from the the ukraine

49

00:02:02,310 --> 00:01:59,920

a lot of these stories are going to be

50

00:02:05,350 --> 00:02:02,320

from eastern europe

51

00:02:07,670 --> 00:02:05,360

ukraine uh area or russia

52

00:02:10,229 --> 00:02:07,680

i've kept it around for a while i threw

53

00:02:13,589 --> 00:02:10,239

it back in the river

54

00:02:15,110 --> 00:02:13,599

and this next one is from the year 1138

55

00:02:17,910 --> 00:02:15,120

in germany

56

00:02:20,390 --> 00:02:17,920

um it was reported that a dwarf was

57

00:02:23,990 --> 00:02:20,400

captured in the cellar of

58

00:02:25,350 --> 00:02:24,000

a german monastery it was dark skinned

59

00:02:27,350 --> 00:02:25,360

and did not speak any

60

00:02:29,030 --> 00:02:27,360

known language in the weeks that

61

00:02:30,390 --> 00:02:29,040

followed the monks attempted to draw

62

00:02:32,869 --> 00:02:30,400

their visitor into

63

00:02:35,030 --> 00:02:32,879

christian society but the little fellow

64

00:02:37,350 --> 00:02:35,040

would not speak a word

65

00:02:39,270 --> 00:02:37,360

he spent time there cross-legged on his

66

00:02:42,229 --> 00:02:39,280

bed looking straight ahead refusing

67

00:02:43,350 --> 00:02:42,239

all foods and drinks he was tied up

68

00:02:47,270 --> 00:02:43,360

briefly by a rope

69

00:02:49,670 --> 00:02:47,280

and was shackled to see what he would do

70

00:02:50,869 --> 00:02:49,680

see that's the part is weird why why

71

00:02:53,350 --> 00:02:50,879

even

72

00:02:53,910 --> 00:02:53,360

tie the guy up well we just want to see

73

00:02:57,110 --> 00:02:53,920

what he

74

00:02:58,949 --> 00:02:57,120

does when he shackled to the wall he

75

00:03:01,910 --> 00:02:58,959

returned to the cellar where

76
00:03:03,190 --> 00:03:01,920
he was found and there raised a stone on

77
00:03:04,790 --> 00:03:03,200
the ground and disappeared through a

78
00:03:05,190 --> 00:03:04,800
tunnel where nobody was able to follow

79
00:03:07,110 --> 00:03:05,200
him

80
00:03:09,270 --> 00:03:07,120
mysterious tunnel was reportedly sealed

81
00:03:11,030 --> 00:03:09,280
with a cross

82
00:03:12,869 --> 00:03:11,040
this is from eleven thirty eight they

83
00:03:14,470 --> 00:03:12,879
found this little dwarf guy

84
00:03:15,670 --> 00:03:14,480
he didn't speak anything so the monks

85
00:03:16,710 --> 00:03:15,680
were like i don't know let's see if we

86
00:03:18,550 --> 00:03:16,720
can christianize this

87
00:03:19,830 --> 00:03:18,560
bastard they take him up there to the

88
00:03:21,350 --> 00:03:19,840

church

89

00:03:23,430 --> 00:03:21,360

he didn't take the christian energy so

90

00:03:26,229 --> 00:03:23,440

they took him back down to the cellar

91

00:03:27,990 --> 00:03:26,239

tied him up just because they wanted to

92

00:03:30,869 --> 00:03:28,000

see what would happen

93

00:03:32,550 --> 00:03:30,879

and then he was a demon he would escape

94

00:03:34,869 --> 00:03:32,560

it's kind of like a test like

95

00:03:35,910 --> 00:03:34,879

throwing a witch in the in the river i

96

00:03:38,710 --> 00:03:35,920

see what you're saying

97

00:03:39,110 --> 00:03:38,720

yeah but he eventually he did escape

98

00:03:43,110 --> 00:03:39,120

under

99

00:03:46,149 --> 00:03:43,120

a stone and uh they sealed that

100

00:03:47,589 --> 00:03:46,159

the tunnel off with a cross so uh that

101
00:03:49,750 --> 00:03:47,599
was from germany

102
00:03:51,110 --> 00:03:49,760
it sounds like a [h__h] story

103
00:03:54,149 --> 00:03:51,120
someone's telling like

104
00:03:54,390 --> 00:03:54,159
well put the little guy in the basement

105
00:03:56,149 --> 00:03:54,400
and

106
00:03:57,509 --> 00:03:56,159
you know still across he you know he

107
00:04:00,390 --> 00:03:57,519
escaped i don't know you know

108
00:04:02,390 --> 00:04:00,400
don't worry about it move on so that was

109
00:04:04,710 --> 00:04:02,400
a double source from extraterrestrials

110
00:04:07,350 --> 00:04:04,720
throughout history that came out in 1970

111
00:04:09,670 --> 00:04:07,360
the original source was uh

112
00:04:11,910 --> 00:04:09,680
just go back even further than that so

113
00:04:15,110 --> 00:04:11,920

um yeah a lot of these are anecdotal

114

00:04:18,150 --> 00:04:15,120

um and as you gotta kind of take it for

115

00:04:19,469 --> 00:04:18,160

what it is so this next one is from

116

00:04:22,150 --> 00:04:19,479

russia

117

00:04:25,590 --> 00:04:22,160

1908

118

00:04:26,310 --> 00:04:25,600

um according to data allegedly obtained

119

00:04:29,030 --> 00:04:26,320

by a

120

00:04:29,749 --> 00:04:29,040

scientific expedition in 1927 to the

121

00:04:34,150 --> 00:04:29,759

area

122

00:04:37,350 --> 00:04:34,160

near the was it explosion

123

00:04:38,790 --> 00:04:37,360

um so there's a giant uh air burst

124

00:04:40,950 --> 00:04:38,800

in in russia that knocked down all those

125

00:04:42,790 --> 00:04:40,960

trees so on

126

00:04:44,710 --> 00:04:42,800

a scientific expedition uh that just

127

00:04:47,350 --> 00:04:44,720

after the catastrophe

128

00:04:49,110 --> 00:04:47,360

uh there was a local resident who

129

00:04:50,150 --> 00:04:49,120

reportedly encountered a bizarre

130

00:04:52,469 --> 00:04:50,160

creature

131

00:04:54,070 --> 00:04:52,479

which he apparently captured and took

132

00:04:56,230 --> 00:04:54,080

home according to the description the

133

00:04:57,350 --> 00:04:56,240

entity resembled more of a devil than a

134

00:04:59,670 --> 00:04:57,360

human

135

00:05:00,790 --> 00:04:59,680

it was dwarf like a little bit more than

136

00:05:04,629 --> 00:05:00,800

a meter high

137

00:05:07,189 --> 00:05:04,639

with large green eyes smooth shiny skin

138

00:05:08,070 --> 00:05:07,199

and with some protrude protrusions on

139

00:05:10,310 --> 00:05:08,080

his forehead

140

00:05:11,189 --> 00:05:10,320

in a short tail local man kept the

141

00:05:13,670 --> 00:05:11,199

creature

142

00:05:15,029 --> 00:05:13,680

in his cattle shed he told the other

143

00:05:16,790 --> 00:05:15,039

residents uh in the village that he

144

00:05:20,070 --> 00:05:16,800

found some creature in the clearing

145

00:05:22,310 --> 00:05:20,080

uh amid the dense pine forest

146

00:05:23,430 --> 00:05:22,320

the creature was reportedly injured and

147

00:05:25,590 --> 00:05:23,440

very weakened

148

00:05:27,189 --> 00:05:25,600

despite protests from his neighbors the

149

00:05:29,670 --> 00:05:27,199

man cared for the creature

150

00:05:32,230 --> 00:05:29,680

feeding it and even taking out taking it

151
00:05:34,710 --> 00:05:32,240
out for walks at night

152
00:05:35,749 --> 00:05:34,720
as a result of this all local dogs from

153
00:05:37,909 --> 00:05:35,759
the village went

154
00:05:39,110 --> 00:05:37,919
crazy barking while the creature was

155
00:05:41,110 --> 00:05:39,120
outside

156
00:05:43,029 --> 00:05:41,120
uh then the creature mysteriously

157
00:05:43,749 --> 00:05:43,039
vanished the man claimed that the entity

158
00:05:46,070 --> 00:05:43,759
had just

159
00:05:47,189 --> 00:05:46,080
walked into the forest soon after the

160
00:05:50,150 --> 00:05:47,199
man was stricken with an

161
00:05:51,270 --> 00:05:50,160
unknown illness his hair and teeth began

162
00:05:52,950 --> 00:05:51,280
to fall out

163
00:05:55,189 --> 00:05:52,960

and he lost a lot of weight he became

164

00:05:57,110 --> 00:05:55,199

very thin and eventually died

165

00:06:00,710 --> 00:05:57,120

speculated that he died from radiation

166

00:06:04,710 --> 00:06:02,469

well i mean just no good d goes

167

00:06:06,309 --> 00:06:04,720

unpunished you find a little uh horned

168

00:06:07,830 --> 00:06:06,319

dwarf devil in the woods you take them

169

00:06:09,350 --> 00:06:07,840

home you try to feed them and next thing

170

00:06:10,710 --> 00:06:09,360

you know boom you're dead from radiation

171

00:06:13,189 --> 00:06:10,720

poisoning

172

00:06:15,830 --> 00:06:13,199

i think what this all comes from is like

173

00:06:17,350 --> 00:06:15,840

a dwarf hatred

174

00:06:19,990 --> 00:06:17,360

it seems like a lot of dwarves are

175

00:06:21,670 --> 00:06:20,000

getting really just kind of painted his

176

00:06:23,749 --> 00:06:21,680

devils and

177

00:06:24,950 --> 00:06:23,759

if i were a dwarf i'd be very offended

178

00:06:28,550 --> 00:06:24,960

by yeah i

179

00:06:31,510 --> 00:06:28,560

i agree historical kind of

180

00:06:31,909 --> 00:06:31,520

there's a historical pi uh bias against

181

00:06:33,830 --> 00:06:31,919

these

182

00:06:34,870 --> 00:06:33,840

dwarf-like creatures if you're a dwarf

183

00:06:36,070 --> 00:06:34,880

you're gonna be at some sort of

184

00:06:38,309 --> 00:06:36,080

diabolical

185

00:06:39,510 --> 00:06:38,319

but you know listen if we find you and

186

00:06:40,629 --> 00:06:39,520

you're small we're gonna we're gonna try

187

00:06:41,990 --> 00:06:40,639

to christianize you

188

00:06:43,990 --> 00:06:42,000

that doesn't work we're chaining up to a

189

00:06:45,270 --> 00:06:44,000

wall and maybe we'll feed you a little

190

00:06:49,110 --> 00:06:45,280

bit just please don't

191

00:06:49,830 --> 00:06:49,120

poison us with but then it also makes me

192

00:06:52,230 --> 00:06:49,840

think

193

00:06:54,469 --> 00:06:52,240

if the other side of it is maybe there's

194

00:06:57,270 --> 00:06:54,479

something to it maybe dwarves

195

00:06:57,990 --> 00:06:57,280

are you know inherently evil and

196

00:07:01,990 --> 00:06:58,000

something

197

00:07:04,390 --> 00:07:02,000

it's possible we have to go with that uh

198

00:07:06,230 --> 00:07:04,400

we have we have to entertain both uh

199

00:07:08,790 --> 00:07:06,240

both sides of the argument

200

00:07:10,230 --> 00:07:08,800

maybe they're just yeah and then uh an

201
00:07:13,430 --> 00:07:10,240
evil biased in them but

202
00:07:16,550 --> 00:07:13,440
i got a a few more here um

203
00:07:19,430 --> 00:07:16,560
this is from 1920 new zealand so

204
00:07:20,070 --> 00:07:19,440
opposite side of the world uh the

205
00:07:21,830 --> 00:07:20,080
witness

206
00:07:23,909 --> 00:07:21,840
had just uh finished hanging some

207
00:07:26,629 --> 00:07:23,919
clothes and had stepped out

208
00:07:28,550 --> 00:07:26,639
uh when she heard a soft galloping

209
00:07:31,670 --> 00:07:28,560
coming the direction of the orca

210
00:07:32,550 --> 00:07:31,680
or orchard as you cross the yard to get

211
00:07:34,870 --> 00:07:32,560
the pegs

212
00:07:36,070 --> 00:07:34,880
not sure that is and heard the galloping

213
00:07:37,990 --> 00:07:36,080

coming closer

214

00:07:41,270 --> 00:07:38,000

as she stood under the clothesline she

215

00:07:45,029 --> 00:07:41,280

saw a little figure riding a tiny pony

216

00:07:48,469 --> 00:07:45,039

close by beside her erode right up

217

00:07:50,390 --> 00:07:48,479

under her uh uplifted arms he looked

218

00:07:51,029 --> 00:07:50,400

around and found herself surrounded by

219

00:07:54,550 --> 00:07:51,039

eight

220

00:07:58,950 --> 00:07:54,560

or ten tiny figures on tiny ponies

221

00:08:01,029 --> 00:07:58,960

resembling dwarven shetlands

222

00:08:03,670 --> 00:08:01,039

the little figures had come close to her

223

00:08:06,230 --> 00:08:03,680

stood out quite clearly in the light

224

00:08:06,790 --> 00:08:06,240

uh that came from the window but she had

225

00:08:09,909 --> 00:08:06,800

uh

226

00:08:11,110 --> 00:08:09,919

but he had his back to it and she could

227

00:08:13,189 --> 00:08:11,120

not see his face the

228

00:08:14,550 --> 00:08:13,199

face of the others were quite brown the

229

00:08:17,350 --> 00:08:14,560

ponies were brown

230

00:08:18,150 --> 00:08:17,360

they were close fitting dark jersey like

231

00:08:20,469 --> 00:08:18,160

clothing

232

00:08:22,309 --> 00:08:20,479

they resembled tiny dwarves or children

233

00:08:24,150 --> 00:08:22,319

about two years old

234

00:08:26,230 --> 00:08:24,160

startled the witness cried out and the

235

00:08:29,990 --> 00:08:26,240

tiny figures gapped away and disappeared

236

00:08:36,709 --> 00:08:33,350

so i mean what do you make of that

237

00:08:38,790 --> 00:08:36,719

tiny dwarf creatures riding tiny ponies

238

00:08:40,709 --> 00:08:38,800

coming up on a woman who's just trying

239

00:08:42,550 --> 00:08:40,719

to dry her clothes

240

00:08:43,909 --> 00:08:42,560

well it's like if i heard a few

241

00:08:45,430 --> 00:08:43,919

different people that didn't know each

242

00:08:45,829 --> 00:08:45,440

other say the same thing then i would

243

00:08:48,150 --> 00:08:45,839

say

244

00:08:50,070 --> 00:08:48,160

there's definitely a bunch of little

245

00:08:51,990 --> 00:08:50,080

people out here doing you know [h__h]

246

00:08:54,710 --> 00:08:52,000

around

247

00:08:55,590 --> 00:08:54,720

so here's the these next two stories

248

00:08:59,430 --> 00:08:55,600

here

249

00:09:01,430 --> 00:08:59,440

and just uh pay attention to

250

00:09:03,990 --> 00:09:01,440

some of the details in here so i got two

251
00:09:07,430 --> 00:09:04,000
stories this first one is from france

252
00:09:09,509 --> 00:09:07,440
this is 1942 in france

253
00:09:10,949 --> 00:09:09,519
a woman peddler went into her garden

254
00:09:13,910 --> 00:09:10,959
where she uh where

255
00:09:15,990 --> 00:09:13,920
uh it was near a bomb shelter then she

256
00:09:18,630 --> 00:09:16,000
suddenly came nose and nose with

257
00:09:20,150 --> 00:09:18,640
three dwarves in the moonlight she was

258
00:09:22,790 --> 00:09:20,160
able to see clearly that they were not

259
00:09:23,430 --> 00:09:22,800
children their heads were large and

260
00:09:26,710 --> 00:09:23,440
round

261
00:09:30,150 --> 00:09:26,720
and they wore short beards most little

262
00:09:30,790 --> 00:09:30,160
most notably their eyes large and had a

263
00:09:33,670 --> 00:09:30,800

luminous

264

00:09:37,269 --> 00:09:33,680

yellow color they were dressed in tight

265

00:09:39,670 --> 00:09:37,279

one-piece suits and shiny metallic sheen

266

00:09:40,630 --> 00:09:39,680

these extended over their heads like

267

00:09:43,430 --> 00:09:40,640

tight fitted

268

00:09:45,030 --> 00:09:43,440

cowls leaving only their faces exposed

269

00:09:47,110 --> 00:09:45,040

they stood there motionless

270

00:09:49,590 --> 00:09:47,120

each one slightly separated from the

271

00:09:51,750 --> 00:09:49,600

other arm slightly bent and rigid

272

00:09:53,430 --> 00:09:51,760

frightened the woman turned and hurried

273

00:09:55,269 --> 00:09:53,440

into the house calling for her husband

274

00:09:57,190 --> 00:09:55,279

by the time he got outside there was

275

00:10:00,310 --> 00:09:57,200

nothing to be seen

276

00:10:03,990 --> 00:10:00,320

so uh those in 1942

277

00:10:06,630 --> 00:10:04,000

france and this next story is from 1945

278

00:10:08,389 --> 00:10:06,640

russia but like did she write that thing

279

00:10:11,670 --> 00:10:08,399

i mean who wrote that

280

00:10:13,030 --> 00:10:11,680

someone wrote that and maybe flowered it

281

00:10:17,269 --> 00:10:13,040

up a bit you know

282

00:10:20,550 --> 00:10:17,279

it's possible um and so that was

283

00:10:23,269 --> 00:10:20,560

source from joel mesnard and jean

284

00:10:24,550 --> 00:10:23,279

mary bighorn now i don't know where they

285

00:10:26,630 --> 00:10:24,560

got that information from

286

00:10:28,310 --> 00:10:26,640

like i like direct witness quotes you

287

00:10:30,870 --> 00:10:28,320

know that's what i want

288

00:10:32,550 --> 00:10:30,880

yeah i agree drawings the witnesses do

289

00:10:33,910 --> 00:10:32,560

that kind of [h__\h]

290

00:10:35,990 --> 00:10:33,920

this next one comes from a problem

291

00:10:39,269 --> 00:10:36,000

newspaper this is 1945

292

00:10:41,509 --> 00:10:39,279

russia local resident um

293

00:10:42,310 --> 00:10:41,519

suddenly encountered three strange

294

00:10:45,670 --> 00:10:42,320

entities

295

00:10:49,269 --> 00:10:45,680

outside his home

296

00:10:51,269 --> 00:10:49,279

all three were dwarf-like and about

297

00:10:53,269 --> 00:10:51,279

hundred and twenty two hundred thirty

298

00:10:56,389 --> 00:10:53,279

centimeters in height and moved

299

00:10:58,389 --> 00:10:56,399

very fast using rapid motions their

300

00:11:00,470 --> 00:10:58,399

demeanor was described as peaceful the

301
00:11:03,030 --> 00:11:00,480
humanoids were dressed in tight

302
00:11:03,910 --> 00:11:03,040
fitting suits with belts gloves and

303
00:11:07,990 --> 00:11:03,920
boots

304
00:11:10,230 --> 00:11:08,000
which appeared uh part of the suit

305
00:11:11,750 --> 00:11:10,240
their heads were totally covered by

306
00:11:14,069 --> 00:11:11,760
round helmets with a huge

307
00:11:17,110 --> 00:11:14,079
oval safe oval shaped tight tight-fitted

308
00:11:19,509 --> 00:11:17,120
dark goggles covering their faces

309
00:11:20,630 --> 00:11:19,519
they had small protrusions on the tops

310
00:11:23,430 --> 00:11:20,640
of their helmet

311
00:11:23,829 --> 00:11:23,440
they had very wide shoulders as if they

312
00:11:27,590 --> 00:11:23,839
had

313
00:11:30,790 --> 00:11:27,600

small covered wings on their back

314

00:11:31,670 --> 00:11:30,800

in place of amount they had uh in place

315

00:11:34,069 --> 00:11:31,680

of amounts

316

00:11:34,870 --> 00:11:34,079

in place of the mouse on their helmet

317

00:11:37,990 --> 00:11:34,880

they had

318

00:11:40,310 --> 00:11:38,000

long slit like openings

319

00:11:41,590 --> 00:11:40,320

they were also some there was also some

320

00:11:43,990 --> 00:11:41,600

kind of straps that

321

00:11:44,870 --> 00:11:44,000

join the coveralls to the elbows ankles

322

00:11:47,190 --> 00:11:44,880

wrists and

323

00:11:49,030 --> 00:11:47,200

neck area the witness was stunned as the

324

00:11:51,509 --> 00:11:49,040

humanoids seem to disappear

325

00:11:54,069 --> 00:11:51,519

in appear at any given moment they

326

00:11:57,030 --> 00:11:54,079

eventually vanished and did not return

327

00:11:57,430 --> 00:11:57,040

so another encounter of three dwarf lake

328

00:12:00,710 --> 00:11:57,440

uh

329

00:12:03,350 --> 00:12:00,720

creatures yeah wearing tight kind of

330

00:12:05,509 --> 00:12:03,360

suits you could almost say like maybe

331

00:12:06,069 --> 00:12:05,519

like some kind of air suit airlock suit

332

00:12:11,110 --> 00:12:06,079

or

333

00:12:13,990 --> 00:12:11,120

concise and

334

00:12:14,790 --> 00:12:14,000

that was that was reported by a moscow

335

00:12:17,350 --> 00:12:14,800

newspaper

336

00:12:19,110 --> 00:12:17,360

paper it was reprinted in 1996. maybe i

337

00:12:21,430 --> 00:12:19,120

just don't like the flowery language of

338

00:12:23,750 --> 00:12:21,440

the other writer

339

00:12:26,069 --> 00:12:23,760

yeah it's a different guy right same

340

00:12:27,750 --> 00:12:26,079

thing though

341

00:12:29,750 --> 00:12:27,760

it's the same kind of thing it's like

342

00:12:31,350 --> 00:12:29,760

you're still it's still based on whoever

343

00:12:33,350 --> 00:12:31,360

was writing the article you know it's

344

00:12:35,670 --> 00:12:33,360

always going to have an influence on it

345

00:12:36,389 --> 00:12:35,680

but yeah right roughly the same exact

346

00:12:39,110 --> 00:12:36,399

thing

347

00:12:40,069 --> 00:12:39,120

the same kind of descriptions like over

348

00:12:43,269 --> 00:12:40,079

over time

349

00:12:45,509 --> 00:12:43,279

like a lot of these dwarven encounters

350

00:12:47,670 --> 00:12:45,519

uh people are like they they have like

351
00:12:48,389 --> 00:12:47,680
tiny little suits on and they they're

352
00:12:50,389 --> 00:12:48,399
dressed up in

353
00:12:51,670 --> 00:12:50,399
in a kind of uniform it's like they if

354
00:12:53,350 --> 00:12:51,680
you have a uniform

355
00:12:55,509 --> 00:12:53,360
and you're hanging out like then you

356
00:12:57,110 --> 00:12:55,519
probably have a job or a purpose

357
00:12:59,190 --> 00:12:57,120
what is their job or purpose because

358
00:13:00,870 --> 00:12:59,200
you're in some sort of outfit yeah

359
00:13:02,389 --> 00:13:00,880
that did conform with the rest of the

360
00:13:03,670 --> 00:13:02,399
people you're with you're trying to

361
00:13:05,509 --> 00:13:03,680
question the purpose of

362
00:13:06,870 --> 00:13:05,519
of little people and i don't appreciate

363
00:13:09,750 --> 00:13:06,880

it it's uh

364

00:13:11,350 --> 00:13:09,760

if we don't like it but there's so many

365

00:13:13,190 --> 00:13:11,360

other stories that i've read that these

366

00:13:17,030 --> 00:13:13,200

are just like some snippets

367

00:13:19,430 --> 00:13:17,040

um that uh that

368

00:13:21,509 --> 00:13:19,440

that i picked out because they're short

369

00:13:23,350 --> 00:13:21,519

and concise but i've read stories where

370

00:13:24,870 --> 00:13:23,360

there was this this young boy who was

371

00:13:27,190 --> 00:13:24,880

out playing he's about 12

372

00:13:28,389 --> 00:13:27,200

he encountered these uh dwarf or elf

373

00:13:30,150 --> 00:13:28,399

like creatures

374

00:13:32,150 --> 00:13:30,160

they were playing together and they told

375

00:13:34,150 --> 00:13:32,160

him and we could take you to a place

376

00:13:35,990 --> 00:13:34,160

where it you could have anything you

377

00:13:37,430 --> 00:13:36,000

want it's always happiness and it's fun

378

00:13:39,670 --> 00:13:37,440

all the time so they take them

379

00:13:41,590 --> 00:13:39,680

through this title and he winds up in

380

00:13:43,269 --> 00:13:41,600

this totally different realm

381

00:13:45,990 --> 00:13:43,279

which is pretty much everything is made

382

00:13:47,910 --> 00:13:46,000

with gold beds are made with gold and

383

00:13:49,110 --> 00:13:47,920

and couches and every like yeah i know

384

00:13:49,990 --> 00:13:49,120

it's not comfortable sit on the gold

385

00:13:51,990 --> 00:13:50,000

couch but

386

00:13:53,430 --> 00:13:52,000

uh everything was just like made with

387

00:13:55,910 --> 00:13:53,440

gold gold couch

388

00:13:56,870 --> 00:13:55,920

and uh he had a uh they played with like

389

00:13:58,790 --> 00:13:56,880

a gold

390

00:13:59,910 --> 00:13:58,800

ball and they just kind of rolled around

391

00:14:02,550 --> 00:13:59,920

he went back

392

00:14:02,949 --> 00:14:02,560

talked to some people and told him what

393

00:14:04,949 --> 00:14:02,959

he'd

394

00:14:06,069 --> 00:14:04,959

he discovered and they said oh yeah

395

00:14:07,750 --> 00:14:06,079

right uh

396

00:14:09,670 --> 00:14:07,760

if if you're actually playing with these

397

00:14:11,990 --> 00:14:09,680

elves in this gold environment

398

00:14:13,509 --> 00:14:12,000

why don't you steal us a gold ball and

399

00:14:14,870 --> 00:14:13,519

so next time he went back he tried to

400

00:14:18,550 --> 00:14:14,880

steal a gold ball

401
00:14:21,189 --> 00:14:18,560
it was too heavy he fumbled with it um

402
00:14:22,310 --> 00:14:21,199
and then they realized the elves and the

403
00:14:23,990 --> 00:14:22,320
dwarves realized that he was trying to

404
00:14:25,509 --> 00:14:24,000
take gold from their realm

405
00:14:27,189 --> 00:14:25,519
they chased him out of there sealed the

406
00:14:29,189 --> 00:14:27,199
hole and he was never able to find that

407
00:14:31,350 --> 00:14:29,199
entrance again

408
00:14:32,870 --> 00:14:31,360
i mean these are the stories throughout

409
00:14:35,670 --> 00:14:32,880
time is

410
00:14:36,310 --> 00:14:35,680
local folklore a lot of uh goes back to

411
00:14:39,910 --> 00:14:36,320
like uh

412
00:14:43,189 --> 00:14:39,920
fairy folklore uh there's always a

413
00:14:45,189 --> 00:14:43,199

big history with goblins kobolds gnomes

414

00:14:47,670 --> 00:14:45,199

all that kind of stuff throughout uh

415

00:14:49,269 --> 00:14:47,680

western european europe
