you dropped your flashlight as soon as

34
00:02:21,110 --> 00:02:18,480
we got into this haunted house

35
00:02:22,229 --> 00:02:21,120
i was trying to try to open it i was

36
00:02:23,910 --> 00:02:22,239
trying to open the door with

37
00:02:28,949 --> 00:02:23,920
and i couldn't do with the light and

38
00:02:35,750 --> 00:02:32,070

some propane tanks over here

39

00:02:41,910 --> 00:02:35,760

i'll grab the book yeah a book is

40

00:02:48,070 --> 00:02:45,350

42

00:02:50,390 --> 00:02:48,720

where are you at

43

00:02:52,470 --> 00:02:50,400

right here these are the night pickles

44

00:02:57,030 --> 00:02:52,480

right here in the kitchen

45

00:03:01,509 --> 00:02:57,040

oh in the kitchen oh yeah yeah yeah

46

00:03:07,430 --> 00:03:04,949

i got this uh i think it's an

47

00:03:09,030 --> 00:03:07,440

electrical reader wait i hear something

48

00:03:11,910 --> 00:03:09,040

yeah that's my radio i'm trying to just

49

00:03:15,350 --> 00:03:14,149

doing some ghost scans okay oh [h__h] i

50

00:03:18,790 --> 00:03:15,360

took a picture

51
00:03:20,949 --> 00:03:18,800
it's all right five take a picture of me

52
00:03:24,229 --> 00:03:20,959
no you only get five of them oh let's do

53
00:03:27,270 --> 00:03:25,589
you do the clear practice there's a

54
00:03:32,630 --> 00:03:27,280
phone right here

55
00:03:38,789 --> 00:03:32,640
it's off the hook

56
00:03:38,799 --> 00:03:43,350
uh there's a heater over here

57
00:03:50,229 --> 00:03:46,710
maybe we should like

58
00:03:53,190 --> 00:03:50,239
scan the outside of this sound

59
00:03:54,949 --> 00:03:53,200
any bedroom we got we got a bedroom over

60
00:03:56,470 --> 00:03:54,959
here i think

61
00:04:03,030 --> 00:03:56,480
it's a living room and there's a phone

62
00:04:07,190 --> 00:04:05,110
hey can you get can you shine this light

63
00:04:14,149 --> 00:04:07,200

on the couch over here there's like a

64

00:04:16,710 --> 00:04:14,159

it's like a living room over here

65

00:04:18,390 --> 00:04:16,720

what's so haunted about this place

66

00:04:19,909 --> 00:04:18,400

besides like the lack of lighting oh

67

00:04:20,949 --> 00:04:19,919

look at that picture on the wall that's

68

00:04:22,469 --> 00:04:20,959

creepy hey take it

69

00:04:24,390 --> 00:04:22,479

maybe take a picture of that picture up

70

00:04:29,670 --> 00:04:24,400

here look at that guy

71

00:04:32,230 --> 00:04:29,680

hold on back away all right

72

00:04:33,590 --> 00:04:32,240

yeah i'm gonna take it hold on leave it

73

00:04:36,870 --> 00:04:33,600

use your light on that thing i'm gonna

74

00:04:42,790 --> 00:04:36,880

take out my camera i got

75

00:04:45,830 --> 00:04:42,800

i'm recording video i think

76

00:04:50,710 --> 00:04:45,840

i recorded a little video there

77

00:04:54,710 --> 00:04:52,550

where'd you guys go i can't see anything

78

00:04:55,990 --> 00:04:54,720

oh [\h__h] i forgot you have a flashlight

79

00:05:08,830 --> 00:04:56,000

yeah where's why don't i have a

80

00:05:08,840 --> 00:05:15,350

boogie

81

00:05:15,360 --> 00:05:21,590

now

82

00:05:21,600 --> 00:05:26,629

i open this door

83

00:05:33,110 --> 00:05:28,150

three doors over here that probably need

84

00:05:33,120 --> 00:05:36,830

i can't get over there i can't see

85

00:05:36,840 --> 00:05:40,230

anything

86

00:05:40,240 --> 00:05:45,830

yeah we need to buy more flashlights

87

00:05:49,110 --> 00:05:48,469

yeah what kind of janky operation is

88

00:05:50,870 --> 00:05:49,120

this

89

00:05:52,870 --> 00:05:50,880

we only got two flashlights and three

90

00:06:01,270 --> 00:05:52,880

people we can get like a flashlight on

91

00:06:07,270 --> 00:06:04,710

uh okay well it's not work who has a key

92

00:06:08,629 --> 00:06:07,280

we need to open these doors you just

93

00:06:12,070 --> 00:06:08,639

gotta you gotta click it

94

00:06:32,870 --> 00:06:12,080

and uh drag

95

00:06:36,070 --> 00:06:35,430

oh [h__h] who knows did someone hit that

96

00:06:43,830 --> 00:06:36,080

door

97

00:06:46,870 --> 00:06:43,840

shut

98

00:06:53,110 --> 00:06:50,070

i don't got a flashlight all right check

99

00:06:53,120 --> 00:07:00,150

yep shitter's empty let's take a look

100

00:07:03,670 --> 00:07:03,029

oh man have you picked up anything on

101
00:07:08,870 --> 00:07:03,680

102
00:07:12,390 --> 00:07:11,110
uh hey can you get the some flashlight

103
00:07:14,550 --> 00:07:12,400

104
00:07:18,390 --> 00:07:14,560
check this thing

105
00:07:24,710 --> 00:07:18,400
oh wow it's filthy oh my god

106
00:07:30,550 --> 00:07:27,909
all right hey just flash

107
00:07:31,430 --> 00:07:30,560
is these lights on the wall work

108
00:07:34,150 --> 00:07:31,440
something

109
00:07:34,870 --> 00:07:34,160
oh yeah yeah look at that okay yeah yeah

110
00:07:37,670 --> 00:07:34,880
okay cool

111
00:07:40,390 --> 00:07:37,680
let's turn some lights on to this joint

112
00:08:09,270 --> 00:07:44,469
light switches

113
00:08:09,280 --> 00:08:14,390

bone on the floor

114

00:08:14,400 --> 00:08:23,189

pick up the bone i ain't creaking

115

00:08:28,469 --> 00:08:26,550

116

00:08:31,510 --> 00:08:28,479

button action button is f

117

00:08:34,550 --> 00:08:31,520

118

00:08:44,389 --> 00:08:37,509

you pick this up beer can no i don't

119

00:08:44,399 --> 00:08:51,670

game changer journal

120

00:08:57,430 --> 00:08:54,710

take a look in here look for a light

121

00:09:09,670 --> 00:09:02,550

there we go bingo a lot of rabbits

122

00:09:13,030 --> 00:09:09,680

a lot of

123

00:09:13,040 --> 00:09:17,350

man

124

00:09:21,350 --> 00:09:19,190

well we can report back that this place

125

00:09:23,829 --> 00:09:21,360

is totally safe it's not haunted

126

00:09:24,389 --> 00:09:23,839

it's just a re it's really annoying

127

00:09:27,110 --> 00:09:24,399

turning into

128

00:09:27,829 --> 00:09:27,120

clean up really a lot of pain i mean the

129

00:09:29,670 --> 00:09:27,839

the toilet

130

00:09:30,870 --> 00:09:29,680

isn't like it looks functional still

131

00:09:34,949 --> 00:09:30,880

anything to be fixed

132

00:09:37,030 --> 00:09:34,959

incredibly filthy there's some boxes

133

00:09:38,389 --> 00:09:37,040

stuck behind here

134

00:09:42,710 --> 00:09:38,399

looks like we might have a little

135

00:09:46,230 --> 00:09:44,230

now let me go survey the outside of this

136

00:09:49,750 --> 00:09:46,240

thing backyard's full of large

137

00:09:52,550 --> 00:09:49,760

gourds pumpkins oh okay pumpkin patch

138

00:09:53,190 --> 00:09:52,560

where are you how'd you get out back uh

139

00:09:57,750 --> 00:09:53,200

except

140

00:09:59,829 --> 00:09:57,760

door in the main kind of room okay

141

00:10:10,389 --> 00:09:59,839

i dropped a book somewhere in here i

142

00:10:13,910 --> 00:10:12,949

it's hard without a flashlight yeah uh

143

00:10:14,710 --> 00:10:13,920

there's something on the ground right

144

00:10:17,910 --> 00:10:14,720

here what is that

145

00:10:19,190 --> 00:10:17,920

some kind of battery cookie dough yes

146

00:10:23,509 --> 00:10:19,200

cookie dough

147

00:10:30,470 --> 00:10:26,550

oh it's upstairs hey there's stairs

148

00:10:31,670 --> 00:10:30,480

all right yeah nothing bad ever happens

149

00:10:33,750 --> 00:10:31,680

upstairs

150

00:10:35,190 --> 00:10:33,760

hey guys i can't see to go up there so

151
00:10:40,790 --> 00:10:35,200
you once

152
00:10:53,910 --> 00:10:47,190
very creaky goddamn light switch around

153
00:10:53,920 --> 00:10:58,829
i'm gonna try to open this door here

154
00:11:01,990 --> 00:11:00,710
yeah

155
00:11:07,190 --> 00:11:02,000
typically there's a light switch on the

156
00:11:07,200 --> 00:11:13,030
here we go

157
00:11:13,040 --> 00:11:19,030
oh what's going on

158
00:11:19,040 --> 00:11:27,110
you said e is action right

159
00:11:36,949 --> 00:11:31,269
e and uh g i think well jeez drop

160
00:11:44,230 --> 00:11:40,870

161
00:11:44,240 --> 00:11:52,230
there's some kind of ringing

162
00:12:02,310 --> 00:11:56,310
you're clock ticking cooler

163
00:12:02,320 --> 00:12:06,389

the lights don't work in this room

164

00:12:06,399 --> 00:12:11,910

i can't see anything god damn it

165

00:12:11,920 --> 00:12:15,590

this wrench

166

00:12:19,750 --> 00:12:17,910

just a mattress right here that's not

167

00:12:21,350 --> 00:12:19,760

170

00:12:56,710 --> 00:12:54,389
