

# HUMANOID ENCOUNTERS

They come in

**Threes**

1  
00:00:12,230 --> 00:00:07,670  
yes

2  
00:00:15,030 --> 00:00:12,240  
great skin get green skin

3  
00:00:15,509 --> 00:00:15,040  
oh yes going to be talking about some

4  
00:00:18,550 --> 00:00:15,519  
some

5  
00:00:21,189 --> 00:00:18,560  
green skinned entities

6  
00:00:21,910 --> 00:00:21,199  
green skin or gray skin which one uh he

7  
00:00:24,150 --> 00:00:21,920  
has

8  
00:00:26,150 --> 00:00:24,160  
gray skin okay he's got green oh no all

9  
00:00:29,750 --> 00:00:26,160  
right thanks green skin

10  
00:00:31,990 --> 00:00:29,760  
alex do not use that man as a character

11  
00:00:33,750 --> 00:00:32,000  
witness for any sort of uh

12  
00:00:35,590 --> 00:00:33,760  
criminal activity i would not just i

13  
00:00:38,150 --> 00:00:35,600

would not trust any of his descriptions

14

00:00:39,750 --> 00:00:38,160

he he could be colorblind my eyes are

15

00:00:41,270 --> 00:00:39,760

going crazy

16

00:00:43,590 --> 00:00:41,280

yeah i'm colorblind and i'll thank you

17

00:00:46,950 --> 00:00:43,600

not to mention it yeah

18

00:00:50,310 --> 00:00:46,960

so what i've been uh uh digging through

19

00:00:51,910 --> 00:00:50,320

are humanoid encounters

20

00:00:53,270 --> 00:00:51,920

and more specifically he went on

21

00:00:53,990 --> 00:00:53,280

encounters that involved the number

22

00:00:56,869 --> 00:00:54,000

three

23

00:00:58,950 --> 00:00:56,879

as i was digging through my my giant

24

00:01:01,670 --> 00:00:58,960

catalog of books and

25

00:01:02,229 --> 00:01:01,680

kindles and all that kind of stuff i

26

00:01:05,270 --> 00:01:02,239

started to

27

00:01:08,550 --> 00:01:05,280

notice a pattern that oftentimes when

28

00:01:11,750 --> 00:01:08,560

dwarves or elves or aliens that

29

00:01:13,190 --> 00:01:11,760

are witnessed they usually come in packs

30

00:01:15,429 --> 00:01:13,200

of threes

31

00:01:17,510 --> 00:01:15,439

i i don't know exactly why that is but i

32

00:01:18,950 --> 00:01:17,520

got some uh interesting stories here

33

00:01:20,390 --> 00:01:18,960

packaged in three like you get them at

34

00:01:22,070 --> 00:01:20,400

the store in packs of three and get a

35

00:01:23,190 --> 00:01:22,080

three pack like a three pack of pringle

36

00:01:26,469 --> 00:01:23,200

you get like uh

37

00:01:28,230 --> 00:01:26,479

you know half a six pack of coca-cola

38

00:01:30,310 --> 00:01:28,240

you know they come in threes and they

39

00:01:32,390 --> 00:01:30,320

come in three packs

40

00:01:34,230 --> 00:01:32,400

and you gotta get one elf one goblin and

41

00:01:36,870 --> 00:01:34,240

one gnome or is it three of one kind

42

00:01:38,230 --> 00:01:36,880

three of one kind a variety pack no it's

43

00:01:41,590 --> 00:01:38,240

not a variety snack pack

44

00:01:44,870 --> 00:01:41,600

it is three of one kind so far i i

45

00:01:47,510 --> 00:01:44,880

found out like i you could be right

46

00:01:48,389 --> 00:01:47,520

in your speculation but so far uh that

47

00:01:51,270 --> 00:01:48,399

i've seen

48

00:01:52,069 --> 00:01:51,280

it's just the three of one kind that's

49

00:01:55,350 --> 00:01:52,079

all i'll read

50

00:01:58,149 --> 00:01:55,360

that's racist um it's certainly not

51  
00:01:59,830 --> 00:01:58,159  
as inclusive as they could be but we

52  
00:02:01,190 --> 00:01:59,840  
don't know the motivations behind these

53  
00:02:04,310 --> 00:02:01,200  
entities at this point

54  
00:02:07,030 --> 00:02:04,320  
uh other than they do for the most part

55  
00:02:07,670 --> 00:02:07,040  
what i've read like to come in groups of

56  
00:02:09,430 --> 00:02:07,680  
threes i

57  
00:02:10,790 --> 00:02:09,440  
read through a couple of these

58  
00:02:13,030 --> 00:02:10,800  
encounters there's some

59  
00:02:14,229 --> 00:02:13,040  
longer ones i don't know you'll have to

60  
00:02:15,110 --> 00:02:14,239  
tell me know if you're getting bored

61  
00:02:18,309 --> 00:02:15,120  
with this or not

62  
00:02:20,309 --> 00:02:18,319  
um he could have to take a

63  
00:02:21,510 --> 00:02:20,319

gauge of what the audience wants and

64

00:02:22,229 --> 00:02:21,520

doesn't want but some of this stuff is

65

00:02:23,670 --> 00:02:22,239

pretty interesting

66

00:02:25,110 --> 00:02:23,680

and there's some articles concerning the

67

00:02:25,910 --> 00:02:25,120

number three and what might be going on

68

00:02:29,750 --> 00:02:25,920

here

69

00:02:33,350 --> 00:02:29,760

i wild speculation coming up people so

70

00:02:36,589 --> 00:02:33,360

uh the first one i have uh is from

71

00:02:37,750 --> 00:02:36,599

new jersey and this story comes from

72

00:02:39,990 --> 00:02:37,760

1964

73

00:02:41,830 --> 00:02:40,000

in the summer and this happened in late

74

00:02:43,990 --> 00:02:41,840

afternoon

75

00:02:46,150 --> 00:02:44,000

the main witness was playing with some

76  
00:02:49,030 --> 00:02:46,160  
friends behind a local department store

77  
00:02:51,270 --> 00:02:49,040  
when a long silvery cigar-shaped object

78  
00:02:53,030 --> 00:02:51,280  
landed nearby in a clearing

79  
00:02:54,309 --> 00:02:53,040  
most of the kids ran away but the

80  
00:02:56,470 --> 00:02:54,319  
witness and two

81  
00:02:58,070 --> 00:02:56,480  
others approached it as they moved

82  
00:03:00,390 --> 00:02:58,080  
closer through the woods

83  
00:03:02,070 --> 00:03:00,400  
the two friends panicked and left the

84  
00:03:05,110 --> 00:03:02,080  
main witness then noticed something

85  
00:03:07,430 --> 00:03:05,120  
moving through the bushes and passed out

86  
00:03:08,550 --> 00:03:07,440  
the next thing he remembers was entering

87  
00:03:12,070 --> 00:03:08,560  
the craft

88  
00:03:15,990 --> 00:03:12,080

once on board he saw three human looking

89

00:03:18,229 --> 00:03:16,000

uh men wearing silvery suits

90

00:03:20,229 --> 00:03:18,239

two had light brown hair and the third

91

00:03:21,589 --> 00:03:20,239

was bald and appeared to have an

92

00:03:23,910 --> 00:03:21,599

enlarged head

93

00:03:25,270 --> 00:03:23,920

he seemed to be the oldest and their

94

00:03:26,949 --> 00:03:25,280

leader

95

00:03:29,030 --> 00:03:26,959

i guess it's like john lew picard over

96

00:03:30,470 --> 00:03:29,040

there or something like that

97

00:03:32,630 --> 00:03:30,480

the oldest one with the biggest head is

98

00:03:33,670 --> 00:03:32,640

their leader yeah you just assume that

99

00:03:34,869 --> 00:03:33,680

you got the biggest head i guess you're

100

00:03:36,309 --> 00:03:34,879

in charge you're the biggest

101  
00:03:38,070 --> 00:03:36,319  
and the baldest so obviously you're in

102  
00:03:40,869 --> 00:03:38,080  
charge around here

103  
00:03:41,830 --> 00:03:40,879  
uh all three had small thin mouths the

104  
00:03:44,390 --> 00:03:41,840  
witness uh

105  
00:03:45,990 --> 00:03:44,400  
was also the witness was then placed on

106  
00:03:49,030 --> 00:03:46,000  
an operating table

107  
00:03:52,149 --> 00:03:49,040  
and examined a long needle was inserted

108  
00:03:53,110 --> 00:03:52,159  
into his groin area he felt terrific

109  
00:03:55,429 --> 00:03:53,120  
pain

110  
00:03:57,429 --> 00:03:55,439  
and the older man placed his hand on the

111  
00:04:00,710 --> 00:03:57,439  
witness's forehead and the pain

112  
00:04:02,789 --> 00:04:00,720  
stopped he then was taken to the front

113  
00:04:04,309 --> 00:04:02,799

of the craft where he saw a large screen

114

00:04:06,309 --> 00:04:04,319

and controls the men communicated

115

00:04:06,869 --> 00:04:06,319

telepathically and apparently taught him

116

00:04:08,710 --> 00:04:06,879

how to

117

00:04:12,309 --> 00:04:08,720

operate the controls they warned him

118

00:04:15,830 --> 00:04:12,319

about the gray type beans

119

00:04:17,430 --> 00:04:15,840

um so i i guess that's uh

120

00:04:18,949 --> 00:04:17,440

interesting right there uh that's good

121

00:04:21,909 --> 00:04:18,959

news

122

00:04:23,909 --> 00:04:21,919

wait okay so there's three guys one of

123

00:04:26,310 --> 00:04:23,919

whom is bald and has an enormous head

124

00:04:31,909 --> 00:04:26,320

so large you can't get into the actual

125

00:04:36,230 --> 00:04:34,629

which teaches them how to fly the

126

00:04:38,150 --> 00:04:36,240

spaceship and also says

127

00:04:40,070 --> 00:04:38,160

don't trust the people with gray skin

128

00:04:42,550 --> 00:04:40,080

exactly

129

00:04:44,070 --> 00:04:42,560

i think you you kind of roughly got it

130

00:04:45,909 --> 00:04:44,080

like these humanoid

131

00:04:47,110 --> 00:04:45,919

looking men there's a whole lot more to

132

00:04:48,310 --> 00:04:47,120

this story where's all the rest of the

133

00:04:49,830 --> 00:04:48,320

details this is

134

00:04:51,430 --> 00:04:49,840

this is all we got to go on right now

135

00:04:53,430 --> 00:04:51,440

cratchit okay

136

00:04:54,870 --> 00:04:53,440

oh come on it just just leaves me

137

00:04:56,870 --> 00:04:54,880

wanting more

138

00:04:58,469 --> 00:04:56,880

well i got more stories like this i mean

139

00:05:00,469 --> 00:04:58,479

this is bizarre these are like

140

00:05:02,310 --> 00:05:00,479

little tidbits of information of people

141

00:05:04,710 --> 00:05:02,320

encountering three

142

00:05:06,310 --> 00:05:04,720

humanoids how many how many aliens was

143

00:05:08,950 --> 00:05:06,320

he uh forced to uh

144

00:05:10,150 --> 00:05:08,960

procreate with in order to um prolong

145

00:05:13,029 --> 00:05:10,160

their species

146

00:05:14,150 --> 00:05:13,039

uh that's not this story and we don't

147

00:05:15,749 --> 00:05:14,160

know that at this point

148

00:05:17,350 --> 00:05:15,759

i'm just saying now that we know that

149

00:05:18,469 --> 00:05:17,360

one's out there as an option when when

150

00:05:20,390 --> 00:05:18,479

you get abducted

151  
00:05:21,670 --> 00:05:20,400  
there's got to be some sex involved

152  
00:05:23,510 --> 00:05:21,680  
right because i mean that's

153  
00:05:25,189 --> 00:05:23,520  
i think we're excited uh it does well it

154  
00:05:26,710 --> 00:05:25,199  
doesn't necessarily have to be sex but

155  
00:05:29,990 --> 00:05:26,720  
there does seem to be

156  
00:05:30,790 --> 00:05:30,000  
some sort of activity around the

157  
00:05:34,150 --> 00:05:30,800  
genitals

158  
00:05:36,629 --> 00:05:34,160  
they're very interested in

159  
00:05:38,230 --> 00:05:36,639  
uh are sexual reproductive organs

160  
00:05:41,510 --> 00:05:38,240  
they're interested in sex

161  
00:05:43,110 --> 00:05:41,520  
and birthing and reproduction so yeah i

162  
00:05:44,870 --> 00:05:43,120  
don't think you're too far off the mark

163  
00:05:47,670 --> 00:05:44,880

there so you're saying these three guys

164

00:05:48,950 --> 00:05:47,680

giant head man and his two friends moe

165

00:05:51,830 --> 00:05:48,960

and curly

166

00:05:53,110 --> 00:05:51,840

said um uh hey you want to have sex with

167

00:05:55,510 --> 00:05:53,120

this guy no let's just

168

00:05:56,150 --> 00:05:55,520

stab him in the groin with the magic

169

00:05:57,510 --> 00:05:56,160

needle

170

00:05:59,749 --> 00:05:57,520

and then have him drive our ship around

171

00:06:01,590 --> 00:05:59,759

for a bit that's right

172

00:06:02,790 --> 00:06:01,600

um i think you're really distilling it

173

00:06:05,270 --> 00:06:02,800

down you're missing but

174

00:06:06,150 --> 00:06:05,280

i essentially i think they they're

175

00:06:08,309 --> 00:06:06,160

trying to harvest

176

00:06:09,350 --> 00:06:08,319

something from his body but we'll go

177

00:06:10,950 --> 00:06:09,360

that's even worse

178

00:06:12,710 --> 00:06:10,960

so we're going to the next one so now

179

00:06:14,469 --> 00:06:12,720

you're saying he got stabbed and he woke

180

00:06:16,950 --> 00:06:14,479

up like missing a kidney

181

00:06:19,590 --> 00:06:16,960

no no we got to move on cratchit we have

182

00:06:23,749 --> 00:06:19,600

too many questions for this short story

183

00:06:27,189 --> 00:06:23,759

uh this next one is from 1990

184

00:06:30,309 --> 00:06:27,199

in yuma arizona and this happened

185

00:06:33,350 --> 00:06:30,319

right around two to three a.m

186

00:06:33,990 --> 00:06:33,360

in the morning the witness had gone

187

00:06:36,309 --> 00:06:34,000

four-wheeling

188

00:06:37,110 --> 00:06:36,319

with a friend in the area and in late

189

00:06:39,189 --> 00:06:37,120

afternoon the

190

00:06:41,350 --> 00:06:39,199

jeep broke down they sat in the jeep and

191

00:06:43,110 --> 00:06:41,360

waited for the next vehicle so they

192

00:06:45,029 --> 00:06:43,120

could get a ride back to town

193

00:06:46,230 --> 00:06:45,039

but it was too late today and no one

194

00:06:48,150 --> 00:06:46,240

showed up

195

00:06:49,670 --> 00:06:48,160

it was clear that they would have to

196

00:06:51,909 --> 00:06:49,680

spend the night there and wait for the

197

00:06:54,469 --> 00:06:51,919

first vehicle in the morning

198

00:06:56,550 --> 00:06:54,479

uh they were not worried since they had

199

00:06:58,309 --> 00:06:56,560

food and water

200

00:07:00,870 --> 00:06:58,319

around two or three in the morning both

201  
00:07:02,790 --> 00:07:00,880  
woke up to a hissing sound

202  
00:07:04,390 --> 00:07:02,800  
it didn't sound like a vehicle or

203  
00:07:05,029 --> 00:07:04,400  
helicopter or anything else that they

204  
00:07:08,790 --> 00:07:05,039  
could

205  
00:07:10,390 --> 00:07:08,800  
there

206  
00:07:12,870 --> 00:07:10,400  
so they were curious they got out of the

207  
00:07:16,390 --> 00:07:12,880  
jeep walked towards the sound

208  
00:07:19,110 --> 00:07:16,400  
it came from behind and then

209  
00:07:19,909 --> 00:07:19,120  
uh it came from behind the first bend in

210  
00:07:22,550 --> 00:07:19,919  
the road

211  
00:07:23,029 --> 00:07:22,560  
they rounded the bend saw a disc shaped

212  
00:07:25,510 --> 00:07:23,039  
object

213  
00:07:26,469 --> 00:07:25,520

sitting there on the road right in front

214

00:07:28,150 --> 00:07:26,479

of their eyes

215

00:07:30,550 --> 00:07:28,160

they both ran behind the bend and

216

00:07:31,029 --> 00:07:30,560

decided to take a very careful look at

217

00:07:34,230 --> 00:07:31,039

it

218

00:07:36,390 --> 00:07:34,240

they snuck up close as they snuck up as

219

00:07:38,710 --> 00:07:36,400

close as they could behind the rocks

220

00:07:41,110 --> 00:07:38,720

by the roadside they found a good spot

221

00:07:43,589 --> 00:07:41,120

to spy on the object

222

00:07:45,430 --> 00:07:43,599

they then saw three alien creatures

223

00:07:48,550 --> 00:07:45,440

entering the disc through a door

224

00:07:51,589 --> 00:07:48,560

on its side they were about six

225

00:07:55,029 --> 00:07:51,599

and a half feet tall with very thin

226

00:07:57,670 --> 00:07:55,039

arms and legs and small in a small torso

227

00:07:58,550 --> 00:07:57,680

their heads seemed quite normal size

228

00:08:01,430 --> 00:07:58,560

they were all

229

00:08:02,710 --> 00:08:01,440

very human-like just out of proportion

230

00:08:05,990 --> 00:08:02,720

the object was about

231

00:08:08,790 --> 00:08:06,000

20 uh 20 feet across and was wider

232

00:08:09,430 --> 00:08:08,800

than the road so it was sticking out on

233

00:08:12,950 --> 00:08:09,440

the slope

234

00:08:15,430 --> 00:08:12,960

side of the road it was a it

235

00:08:16,950 --> 00:08:15,440

was shaped like a giant old-fashioned

236

00:08:18,869 --> 00:08:16,960

hubcap

237

00:08:21,749 --> 00:08:18,879

after the three aliens entered entered

238

00:08:23,990 --> 00:08:21,759

the object it took off and

239

00:08:24,950 --> 00:08:24,000

sideways with the same hissing sound as

240

00:08:26,070 --> 00:08:24,960

they heard before

241

00:08:28,070 --> 00:08:26,080

they didn't sleep for the rest of the

242

00:08:29,830 --> 00:08:28,080

night and at sunrise they went back to

243

00:08:31,270 --> 00:08:29,840

the landing site to investigate

244

00:08:33,750 --> 00:08:31,280

but there was not much to see it

245

00:08:35,190 --> 00:08:33,760

apparently left no traces as far as they

246

00:08:39,430 --> 00:08:35,200

could tell

247

00:08:42,070 --> 00:08:39,440

this is comes from 1990 a lot of times

248

00:08:43,990 --> 00:08:42,080

people see little gray aliens a little

249

00:08:46,389 --> 00:08:44,000

gray skinned

250

00:08:47,190 --> 00:08:46,399

gray skin but these were uh uh well they

251  
00:08:49,750 --> 00:08:47,200  
said uh

252  
00:08:51,509 --> 00:08:49,760  
six foot six six and a half feet tall

253  
00:08:53,190 --> 00:08:51,519  
just kind of very human looking just out

254  
00:08:53,829 --> 00:08:53,200  
of proportion small torsos they've got

255  
00:08:55,750 --> 00:08:53,839  
small

256  
00:08:58,230 --> 00:08:55,760  
little stomachs and chests walking

257  
00:08:59,910 --> 00:08:58,240  
around like sticks i guess

258  
00:09:01,269 --> 00:08:59,920  
but not really long legs and giant heads

259  
00:09:03,670 --> 00:09:01,279  
or what um

260  
00:09:05,030 --> 00:09:03,680  
no these are you said their normal size

261  
00:09:06,230 --> 00:09:05,040  
and they described them as the torsos

262  
00:09:07,990 --> 00:09:06,240  
were smaller but yeah

263  
00:09:10,550 --> 00:09:08,000

does that mean longer arms or well they

264

00:09:14,790 --> 00:09:10,560

said very long arms and legs

265

00:09:17,190 --> 00:09:14,800

but small torsos yeah

266

00:09:18,150 --> 00:09:17,200

and a very this kind of like a

267

00:09:20,870 --> 00:09:18,160

run-of-the-mill kind

268

00:09:23,670 --> 00:09:20,880

not much happened there in that one um

269

00:09:25,990 --> 00:09:23,680

this next one is from 1950

270

00:09:26,870 --> 00:09:26,000

and this is in jacksonville florida the

271

00:09:29,910 --> 00:09:26,880

main witness

272

00:09:31,269 --> 00:09:29,920

and a companion were headed home taking

273

00:09:33,750 --> 00:09:31,279

a shortcut through a neighbor

274

00:09:34,550 --> 00:09:33,760

uh neighborhood park looking up at the

275

00:09:36,630 --> 00:09:34,560

clear star

276

00:09:38,790 --> 00:09:36,640

starry sky one of them remarked how many

277

00:09:41,269 --> 00:09:38,800

stars were out that night when suddenly

278

00:09:43,190 --> 00:09:41,279

he noticed something very strange

279

00:09:44,790 --> 00:09:43,200

almost directly overhead there was a

280

00:09:47,750 --> 00:09:44,800

circle of sky

281

00:09:49,430 --> 00:09:47,760

without any stars in it no clouds no

282

00:09:52,389 --> 00:09:49,440

nothing but a perfectly

283

00:09:53,590 --> 00:09:52,399

round patch of blackness his companion

284

00:09:55,430 --> 00:09:53,600

dismissed the matter

285

00:09:56,710 --> 00:09:55,440

suggesting they sit on the bench in

286

00:09:59,269 --> 00:09:56,720

front of the apartments to

287

00:10:01,430 --> 00:09:59,279

talk for a while when they reach the

288

00:10:04,710 --> 00:10:01,440

bench she pointed to a spot

289

00:10:07,829 --> 00:10:04,720

about half a block away where very

290

00:10:11,190 --> 00:10:07,839

where very quietly a small silver

291

00:10:13,030 --> 00:10:11,200

silver gray craft had appeared it looks

292

00:10:15,990 --> 00:10:13,040

smaller than a school bus

293

00:10:19,350 --> 00:10:16,000

there was a broad shallow dome on top

294

00:10:21,910 --> 00:10:19,360

but no discernible windows or lights

295

00:10:24,069 --> 00:10:21,920

they stared uh for some moments before

296

00:10:25,269 --> 00:10:24,079

something moved on the left side of the

297

00:10:27,670 --> 00:10:25,279

saucer

298

00:10:28,710 --> 00:10:27,680

she could make out what appeared to be

299

00:10:31,829 --> 00:10:28,720

an awning

300

00:10:33,110 --> 00:10:31,839

slowly lifts from the saucer's left side

301  
00:10:35,829 --> 00:10:33,120  
instinctually

302  
00:10:36,870 --> 00:10:35,839  
they began to walking backwards into the

303  
00:10:40,389 --> 00:10:36,880  
apartment building

304  
00:10:42,230 --> 00:10:40,399  
three grays in jumpsuits came in

305  
00:10:43,990 --> 00:10:42,240  
as soon as they were inside the

306  
00:10:46,790 --> 00:10:44,000  
apartment

307  
00:10:47,750 --> 00:10:46,800  
one was stationed at each doorway in a

308  
00:10:50,230 --> 00:10:47,760  
third

309  
00:10:51,509 --> 00:10:50,240  
entered the living room he went straight

310  
00:10:54,069 --> 00:10:51,519  
past the main witness

311  
00:10:55,590 --> 00:10:54,079  
and stared at her companion face to face

312  
00:10:59,190 --> 00:10:55,600  
the creature was short

313  
00:11:01,110 --> 00:10:59,200

bald with a flat face profile

314

00:11:02,630 --> 00:11:01,120

she thought it was wearing some sort of

315

00:11:05,670 --> 00:11:02,640

dark glasses

316

00:11:08,870 --> 00:11:05,680

but she did not see any stems or

317

00:11:11,430 --> 00:11:08,880

on the lenses she heard him

318

00:11:13,190 --> 00:11:11,440

in her head saying we did not come for

319

00:11:15,670 --> 00:11:13,200

you this time

320

00:11:16,949 --> 00:11:15,680

we were able to see us you were able to

321

00:11:19,750 --> 00:11:16,959

see us because

322

00:11:20,310 --> 00:11:19,760

the attachments you will not remember

323

00:11:23,829 --> 00:11:20,320

this

324

00:11:26,630 --> 00:11:23,839

statement the witness only remembered

325

00:11:29,430 --> 00:11:26,640

this episode fifty years later when she

326

00:11:32,870 --> 00:11:29,440

was hypnotized

327

00:11:33,350 --> 00:11:32,880

there he got like another uh number

328

00:11:35,910 --> 00:11:33,360

three

329

00:11:37,030 --> 00:11:35,920

encounter this is a little different the

330

00:11:39,110 --> 00:11:37,040

people walking home

331

00:11:40,389 --> 00:11:39,120

and they see a disc they're basically

332

00:11:41,350 --> 00:11:40,399

they went to the apartment and their

333

00:11:44,790 --> 00:11:41,360

aliens were

334

00:11:47,829 --> 00:11:44,800

pretty much there we but you said

335

00:11:49,509 --> 00:11:47,839

the the craft it was a um uh

336

00:11:51,350 --> 00:11:49,519

small it was small and silver he said it

337

00:11:53,269 --> 00:11:51,360

was smaller than a bus

338

00:11:55,350 --> 00:11:53,279

but it had like an awning or something

339

00:11:56,629 --> 00:11:55,360

that retracted yeah like an awning like

340

00:11:59,590 --> 00:11:56,639

lift it up

341

00:12:01,269 --> 00:11:59,600

the three grays came out of the awning

342

00:12:02,470 --> 00:12:01,279

um so i think i found a good photo of

343

00:12:03,030 --> 00:12:02,480

this craft i just put it up there for

344

00:12:04,470 --> 00:12:03,040

everybody

345

00:12:06,389 --> 00:12:04,480

it did it looks like an airstream

346

00:12:07,990 --> 00:12:06,399

doesn't it i have an exact photo of what

347

00:12:10,310 --> 00:12:08,000

you what they saw

348

00:12:11,910 --> 00:12:10,320

as described so i think this lady was

349

00:12:12,550 --> 00:12:11,920

like super high on mescaline or

350

00:12:14,310 --> 00:12:12,560

something right

351  
00:12:16,230 --> 00:12:14,320  
well but you did this i mean the

352  
00:12:17,190 --> 00:12:16,240  
description does look kind of like an

353  
00:12:18,870 --> 00:12:17,200  
airstream

354  
00:12:20,949 --> 00:12:18,880  
it's smaller than a bus it is

355  
00:12:21,269 --> 00:12:20,959  
technically running i'm not gonna deny

356  
00:12:22,710 --> 00:12:21,279  
that

357  
00:12:24,470 --> 00:12:22,720  
you're right we got three guys came out

358  
00:12:28,069 --> 00:12:24,480  
and they were super high

359  
00:12:29,990 --> 00:12:28,079  
so uh but then another uh number three

360  
00:12:33,110 --> 00:12:30,000  
right there

361  
00:12:33,990 --> 00:12:33,120  
number three so this next one is a

362  
00:12:36,150 --> 00:12:34,000  
little longer

363  
00:12:38,069 --> 00:12:36,160

i got i got so many of these people and

364

00:12:38,550 --> 00:12:38,079

i've been uh posting a few of these up

365

00:12:41,910 --> 00:12:38,560

to

366

00:12:44,310 --> 00:12:41,920

more you look for

367

00:12:45,750 --> 00:12:44,320

for these encounters with with three the

368

00:12:48,310 --> 00:12:45,760

more you're gonna find them

369

00:12:50,310 --> 00:12:48,320

and uh i don't know if it's a biased on

370

00:12:51,190 --> 00:12:50,320

my part because now i'm actively looking

371

00:12:54,550 --> 00:12:51,200

for

372

00:12:56,710 --> 00:12:54,560

humanoid encounters in in threes

373

00:12:58,550 --> 00:12:56,720

so it could i could be biased in some

374

00:12:59,670 --> 00:12:58,560

way now and now that i am looking for

375

00:13:02,870 --> 00:12:59,680

this information

376

00:13:06,150 --> 00:13:02,880

i am finding it but oftentimes

377

00:13:08,710 --> 00:13:06,160

um not only am i noticing that there are

378

00:13:11,030 --> 00:13:08,720

three aliens or dwarves or humanoids

379

00:13:12,310 --> 00:13:11,040

it oftentimes happens right around three

380

00:13:15,910 --> 00:13:12,320

a.m

381

00:13:17,590 --> 00:13:15,920

um that that happens i i see that over

382

00:13:19,670 --> 00:13:17,600

and over again in alien abduction or

383

00:13:22,949 --> 00:13:19,680

alien visitation scenarios

384

00:13:27,670 --> 00:13:22,959

this next one is from missouri

385

00:13:30,470 --> 00:13:27,680

in 1930 this happens at night

386

00:13:31,670 --> 00:13:30,480

the main witness now 96 at the time of

387

00:13:34,629 --> 00:13:31,680

writing this

388

00:13:35,910 --> 00:13:34,639

uh still very sharp lived outside

389

00:13:38,269 --> 00:13:35,920

payment on a farm

390

00:13:39,910 --> 00:13:38,279

that had been in his family since the

391

00:13:41,990 --> 00:13:39,920

1850s

392

00:13:43,670 --> 00:13:42,000

he lived there with his mother father

393

00:13:46,230 --> 00:13:43,680

grandmother and siblings

394

00:13:48,069 --> 00:13:46,240

when he was a child whoever was the

395

00:13:51,350 --> 00:13:48,079

youngest had to sleep on the

396

00:13:53,269 --> 00:13:51,360

sleeping porch of the house you did

397

00:13:54,389 --> 00:13:53,279

you know about sleeping porches cratchit

398

00:13:55,670 --> 00:13:54,399

is that a thing in the south

399

00:13:57,590 --> 00:13:55,680

there's a big thing in the south the

400

00:13:58,629 --> 00:13:57,600

sleeping porch is because

401  
00:13:59,910 --> 00:13:58,639  
the alternative is you turn the air

402  
00:14:00,949 --> 00:13:59,920  
conditioning except when you don't have

403  
00:14:02,150 --> 00:14:00,959  
air conditioning so

404  
00:14:03,990 --> 00:14:02,160  
out and you sleep on a covered porch

405  
00:14:05,670 --> 00:14:04,000  
usually screened in so it's much more

406  
00:14:06,230 --> 00:14:05,680  
comfortable during the uh the summer

407  
00:14:08,310 --> 00:14:06,240  
months

408  
00:14:10,069 --> 00:14:08,320  
okay uh yeah i i had never heard of

409  
00:14:13,509 --> 00:14:10,079  
sleeping porches but apparently

410  
00:14:15,829 --> 00:14:13,519  
uh it's a big thing and so the youngest

411  
00:14:17,750 --> 00:14:15,839  
would sleep out there in the sleeping

412  
00:14:18,790 --> 00:14:17,760  
porch none of them wanted to sleep out

413  
00:14:21,829 --> 00:14:18,800

there because the

414

00:14:23,509 --> 00:14:21,839

little people would visit and they were

415

00:14:25,030 --> 00:14:23,519

all afraid of them

416

00:14:27,350 --> 00:14:25,040

he remembers that his mother and

417

00:14:28,069 --> 00:14:27,360

grandmother told stories about the

418

00:14:31,110 --> 00:14:28,079

little people

419

00:14:33,590 --> 00:14:31,120

who visited the farm at night

420

00:14:36,230 --> 00:14:33,600

and that the stories were in the family

421

00:14:38,389 --> 00:14:36,240

since before the civil war

422

00:14:39,670 --> 00:14:38,399

one night in particular when he was 10

423

00:14:42,150 --> 00:14:39,680

years old he was lying

424

00:14:42,870 --> 00:14:42,160

in his bed on the porch when he saw a

425

00:14:46,389 --> 00:14:42,880

gray

426  
00:14:49,350 --> 00:14:46,399  
bean with big eyes walk up to the window

427  
00:14:49,910 --> 00:14:49,360  
and look inside of him he was frozen in

428  
00:14:51,990 --> 00:14:49,920  
fear

429  
00:14:53,350 --> 00:14:52,000  
the entity just kept staring at him the

430  
00:14:56,949 --> 00:14:53,360  
next thing he knew

431  
00:14:59,350 --> 00:14:56,959  
there were three of them all about

432  
00:15:00,550 --> 00:14:59,360  
four foot tall with no hair big black

433  
00:15:04,069 --> 00:15:00,560  
eyes and a small

434  
00:15:05,189 --> 00:15:04,079  
nose and mouth very thin standing next

435  
00:15:07,590 --> 00:15:05,199  
to his bed

436  
00:15:09,030 --> 00:15:07,600  
and he remembers thinking that he had no

437  
00:15:12,230 --> 00:15:09,040  
idea how he

438  
00:15:14,470 --> 00:15:12,240

how he they got inside

439

00:15:15,430 --> 00:15:14,480

he was even more afraid and wanted to

440

00:15:17,910 --> 00:15:15,440

pull the covers

441

00:15:18,870 --> 00:15:17,920

up over his face but he couldn't he

442

00:15:21,110 --> 00:15:18,880

doesn't know

443

00:15:21,990 --> 00:15:21,120

what happened after that next morning he

444

00:15:24,150 --> 00:15:22,000

woke up

445

00:15:25,750 --> 00:15:24,160

and they were gone he never they never

446

00:15:29,910 --> 00:15:25,760

appeared during the day

447

00:15:30,470 --> 00:15:29,920

only at night he never saw a craft or

448

00:15:35,110 --> 00:15:30,480

any type

449

00:15:35,509 --> 00:15:35,120

night the family would hear a humming

450

00:15:38,870 --> 00:15:35,519

sound

451  
00:15:41,590 --> 00:15:38,880  
coming from a low depression in the area

452  
00:15:42,870 --> 00:15:41,600  
uh near the pond about a hundred feet

453  
00:15:44,470 --> 00:15:42,880  
from the house

454  
00:15:47,189 --> 00:15:44,480  
but they never went to look to see what

455  
00:15:48,629 --> 00:15:47,199  
it was this is just that not a very

456  
00:15:50,150 --> 00:15:48,639  
curious family is it

457  
00:15:51,670 --> 00:15:50,160  
they all they would hear humming sounds

458  
00:15:53,189 --> 00:15:51,680  
come from the pond but they're not going

459  
00:15:54,310 --> 00:15:53,199  
to check that out this is like in the

460  
00:15:56,629 --> 00:15:54,320  
30s

461  
00:15:58,310 --> 00:15:56,639  
wouldn't you be curious uh no you go get

462  
00:16:00,470 --> 00:15:58,320  
the shotgun and you get paw and you go

463  
00:16:04,790 --> 00:16:00,480

out there and you start blasting

464

00:16:08,310 --> 00:16:04,800

yeah that's what joe biden said to do

465

00:16:10,310 --> 00:16:08,320

yeah that is true uh that is uh

466

00:16:11,509 --> 00:16:10,320

said if you see any aliens you shoot

467

00:16:13,110 --> 00:16:11,519

them

468

00:16:14,629 --> 00:16:13,120

well i didn't say that i think now

469

00:16:16,470 --> 00:16:14,639

you're really just putting words in joe

470

00:16:17,430 --> 00:16:16,480

biden's mouth but he did say buy a

471

00:16:19,670 --> 00:16:17,440

shotgun

472

00:16:21,509 --> 00:16:19,680

uh and you could interpret that to mean

473

00:16:23,990 --> 00:16:21,519

uh buy a shotgun

474

00:16:24,710 --> 00:16:24,000

to defend yourself against aliens buy a

475

00:16:27,110 --> 00:16:24,720

shotgun

476

00:16:28,550 --> 00:16:27,120

yeah sure he didn't he wasn't specific

477

00:16:31,350 --> 00:16:28,560

on what to do with it i just

478

00:16:32,949 --> 00:16:31,360

i assume you assume so the the family

479

00:16:34,629 --> 00:16:32,959

didn't ever investigate the humming

480

00:16:36,389 --> 00:16:34,639

sound coming from

481

00:16:37,590 --> 00:16:36,399

the low depression near the pond did

482

00:16:38,710 --> 00:16:37,600

they like sacrifice one of their kids

483

00:16:39,990 --> 00:16:38,720

and throw them into the depression or

484

00:16:40,310 --> 00:16:40,000

something i mean what stopped it because

485

00:16:43,590 --> 00:16:40,320

we

486

00:16:44,870 --> 00:16:43,600

keep coming back no um but i'll i'll

487

00:16:46,949 --> 00:16:44,880

continue to read right here

488

00:16:49,189 --> 00:16:46,959

so he thinks they were afraid to do it

489

00:16:51,910 --> 00:16:49,199

his family were afraid to investigate

490

00:16:52,870 --> 00:16:51,920

uh they also saw small white balls of

491

00:16:55,350 --> 00:16:52,880

light in the yard

492

00:16:56,949 --> 00:16:55,360

and around the farm at dusk and after

493

00:16:58,949 --> 00:16:56,959

dust but never knew

494

00:17:00,629 --> 00:16:58,959

uh what they were the lights were about

495

00:17:02,870 --> 00:17:00,639

the size of a softball

496

00:17:03,749 --> 00:17:02,880

the whole family was sure to be inside

497

00:17:05,990 --> 00:17:03,759

after dark

498

00:17:07,270 --> 00:17:06,000

and they just didn't play outside after

499

00:17:09,350 --> 00:17:07,280

dark after dark

500

00:17:10,710 --> 00:17:09,360

the older family members made sure they

501  
00:17:13,750 --> 00:17:10,720  
came inside

502  
00:17:15,429 --> 00:17:13,760  
and as he thinks back on it it must have

503  
00:17:18,309 --> 00:17:15,439  
been because the little people

504  
00:17:20,390 --> 00:17:18,319  
would take them this is the term that

505  
00:17:20,789 --> 00:17:20,400  
his mother and grandmother used they

506  
00:17:24,549 --> 00:17:20,799  
would

507  
00:17:25,429 --> 00:17:24,559  
them in the night but always brought

508  
00:17:28,069 --> 00:17:25,439  
them back

509  
00:17:28,870 --> 00:17:28,079  
before morning it's almost like taking

510  
00:17:31,990 --> 00:17:28,880  
them

511  
00:17:35,270 --> 00:17:32,000  
like they

512  
00:17:38,549 --> 00:17:35,280  
were fairies or something magical uh

513  
00:17:40,310 --> 00:17:38,559

and that this was their little secret

514

00:17:41,990 --> 00:17:40,320

it was not something that they spoke

515

00:17:43,590 --> 00:17:42,000

about to spoke about

516

00:17:46,470 --> 00:17:43,600

with other people they kept it to

517

00:17:48,230 --> 00:17:46,480

themselves and still to this day

518

00:17:50,789 --> 00:17:48,240

he claims that he can still see them

519

00:17:52,310 --> 00:17:50,799

sometimes only inside the house where he

520

00:17:54,230 --> 00:17:52,320

sleeps

521

00:17:55,590 --> 00:17:54,240

he sees them come in late at night

522

00:17:58,390 --> 00:17:55,600

usually around 3

523

00:17:59,669 --> 00:17:58,400

a.m but for some reason he just falls

524

00:18:01,750 --> 00:17:59,679

asleep and doesn't remember

525

00:18:02,710 --> 00:18:01,760

any interaction with them he doesn't let

526

00:18:04,549 --> 00:18:02,720

anyone sleep

527

00:18:05,750 --> 00:18:04,559

on the porch his children and guilt

528

00:18:08,390 --> 00:18:05,760

grandchildren

529

00:18:09,750 --> 00:18:08,400

have also seen the grey people they are

530

00:18:12,549 --> 00:18:09,760

not afraid of them anymore

531

00:18:13,190 --> 00:18:12,559

they just look at them as be being

532

00:18:15,909 --> 00:18:13,200

visited

533

00:18:16,470 --> 00:18:15,919

rather than something that will harm

534

00:18:19,270 --> 00:18:16,480

them

535

00:18:20,549 --> 00:18:19,280

so that had it all three creatures at 3

536

00:18:22,950 --> 00:18:20,559

a.m

537

00:18:25,590 --> 00:18:22,960

and it's been in the family for

538

00:18:27,590 --> 00:18:25,600

generations generational visitation

539

00:18:29,029 --> 00:18:27,600

crazy [h\_\_h] these kids are getting abused

540

00:18:30,310 --> 00:18:29,039

because the whole thing like they'd come

541

00:18:31,830 --> 00:18:30,320

and take the kids and bring them back i

542

00:18:34,310 --> 00:18:31,840

mean

543

00:18:35,750 --> 00:18:34,320

i don't know about that it is it is kind

544

00:18:37,350 --> 00:18:35,760

of uh

545

00:18:39,190 --> 00:18:37,360

kind of strange i also like the uh the

546

00:18:40,390 --> 00:18:39,200

family is so afraid of these little

547

00:18:42,230 --> 00:18:40,400

aliens that they're

548

00:18:43,750 --> 00:18:42,240

taking the youngest most defenseless

549

00:18:45,510 --> 00:18:43,760

child and locking them out on the

550

00:18:47,029 --> 00:18:45,520

sleeping porch

551  
00:18:49,350 --> 00:18:47,039  
we know about the aliens we know they

552  
00:18:50,070 --> 00:18:49,360  
come at night uh throw the youngest one

553  
00:18:52,230 --> 00:18:50,080  
out there as

554  
00:18:54,310 --> 00:18:52,240  
a sacrifice [\h\_\_\h] up let them deal with

555  
00:18:56,310 --> 00:18:54,320  
that kid and um

556  
00:18:58,470 --> 00:18:56,320  
and they'll leave us alone it is kind of

557  
00:19:00,390 --> 00:18:58,480  
sick if the the parents know that

558  
00:19:02,070 --> 00:19:00,400  
there are little gray aliens that take

559  
00:19:05,510 --> 00:19:02,080  
them at night and

560  
00:19:08,070 --> 00:19:05,520  
they violate they tell a little kid

561  
00:19:09,029 --> 00:19:08,080  
sleep on the porch out front knowing

562  
00:19:14,470 --> 00:19:09,039  
that

563  
00:19:15,909 --> 00:19:14,480

sacrifice

564

00:19:17,669 --> 00:19:15,919

it's kind of messed up for the family to

565

00:19:19,350 --> 00:19:17,679

do [h\_\_h] them

566

00:19:20,710 --> 00:19:19,360

it was also the the height of the great

567

00:19:22,150 --> 00:19:20,720

depression so maybe they were putting

568

00:19:23,430 --> 00:19:22,160

the kid out there hoping that

569

00:19:25,590 --> 00:19:23,440

you wouldn't come back and it's one less

570

00:19:25,990 --> 00:19:25,600

mouth to feed that also could be true

571

00:19:27,830 --> 00:19:26,000

too

572

00:19:28,789 --> 00:19:27,840

1930 is not uh i don't i don't trust

573

00:19:30,150 --> 00:19:28,799

this family i don't trust anything

574

00:19:31,510 --> 00:19:30,160

involved in this this group's not they

575

00:19:31,990 --> 00:19:31,520

don't have the best interest of the kid

576

00:19:34,470 --> 00:19:32,000

that

577

00:19:37,190 --> 00:19:34,480

are here uh no but he's still alive you

578

00:19:38,789 --> 00:19:37,200

know he was 96 when he uh recounted that

579

00:19:40,310 --> 00:19:38,799

and so that house and that property is

580

00:19:43,350 --> 00:19:40,320

still in the family

581

00:19:46,789 --> 00:19:43,360

uh barely jokes on you paw yeah

582

00:19:49,350 --> 00:19:46,799

and i i do have like two longer pieces

583

00:19:50,789 --> 00:19:49,360

uh but i'm going to save that for the

584

00:19:52,310 --> 00:19:50,799

patreon so i'm gonna i'll do these

585

00:19:53,750 --> 00:19:52,320

stories for the patreon people because

586

00:19:55,669 --> 00:19:53,760

it's too long right now

587

00:19:57,510 --> 00:19:55,679

uh but i have one more shorter one then

588

00:19:58,549 --> 00:19:57,520

we'll move on to some other weird things

589

00:20:00,150 --> 00:19:58,559

with three

590

00:20:03,430 --> 00:20:00,160

and just talk about a little bit so this

591

00:20:05,350 --> 00:20:03,440

last one comes from brazil this is 1962.

592

00:20:06,789 --> 00:20:05,360

a rubber plantation worker saw a

593

00:20:09,510 --> 00:20:06,799

round-glowing object amid

594

00:20:10,630 --> 00:20:09,520

sparks come down in a clearing three men

595

00:20:13,590 --> 00:20:10,640

jumped out of it and

596

00:20:15,590 --> 00:20:13,600

attacked a man another worker uh who

597

00:20:17,990 --> 00:20:15,600

happened to be a soccer referee

598

00:20:19,909 --> 00:20:18,000

who was walking in the clearing they

599

00:20:21,270 --> 00:20:19,919

came out of the crash referee's shirt i

600

00:20:24,390 --> 00:20:21,280

don't think so but yeah how do they know

601  
00:20:27,830 --> 00:20:27,190  
uh well the uh the craft came down in

602  
00:20:31,029 --> 00:20:27,840  
the clearing

603  
00:20:33,350 --> 00:20:31,039  
three men jumped out of the craft and

604  
00:20:35,510 --> 00:20:33,360  
they carried the referee

605  
00:20:36,789 --> 00:20:35,520  
onto the craft and then that thing took

606  
00:20:40,470 --> 00:20:36,799  
off back vertically

607  
00:20:43,590 --> 00:20:40,480  
and the referee xavier was never seen

608  
00:20:47,750 --> 00:20:43,600  
again that's a yellow card foul

609  
00:20:50,470 --> 00:20:49,190  
football fans who had been to the

610  
00:20:51,909 --> 00:20:50,480  
previous night's match they did not

611  
00:20:53,750 --> 00:20:51,919  
agree with this guy's call

612  
00:20:55,909 --> 00:20:53,760  
they tracked him down to his workplace

613  
00:20:59,029 --> 00:20:55,919

the next day he kidnapped him

614

00:21:00,710 --> 00:20:59,039

in a ufo i guess actually on second time

615

00:21:03,270 --> 00:21:00,720

maybe they were so impressed with his

616

00:21:05,270 --> 00:21:03,280

referee skills they're like look

617

00:21:06,549 --> 00:21:05,280

we got a game against alpha satari i'm

618

00:21:08,710 --> 00:21:06,559

sorry we have a match against alpha

619

00:21:13,909 --> 00:21:08,720

centauri next week we need a good ref so

620

00:21:20,149 --> 00:21:17,029

just a lot of uh bizarreness but

621

00:21:22,789 --> 00:21:20,159

three men another one with uh three

622

00:21:25,590 --> 00:21:22,799

and i referee bit i just that that's

623

00:21:27,990 --> 00:21:25,600

like a non-sequitur out of nowhere

624

00:21:29,750 --> 00:21:28,000

oh it's just a description like this guy

625

00:21:30,390 --> 00:21:29,760

apparently was a referee that his name

626

00:21:37,750 --> 00:21:30,400

was

627

00:21:39,270 --> 00:21:37,760

oh xavier the soccer referee oh that guy

628

00:21:40,789 --> 00:21:39,280

oh yeah three men took him into a

629

00:21:42,390 --> 00:21:40,799

spaceship and we don't know where he's

630

00:21:43,750 --> 00:21:42,400

at

631

00:21:45,270 --> 00:21:43,760

sounds like an excuse someone gives when

632

00:21:46,710 --> 00:21:45,280

like the guy's drunk he doesn't show up

633

00:21:48,950 --> 00:21:46,720

for for work again he's like

634

00:21:49,909 --> 00:21:48,960

ufo got him i don't know i don't know

635

00:21:53,350 --> 00:21:49,919

yeah

636

00:21:55,110 --> 00:21:53,360

but these are all like these are all uh

637

00:21:57,590 --> 00:21:55,120

encounters that uh that i've talked

638

00:21:58,870 --> 00:21:57,600

about within pretty much the 1900s but

639

00:22:01,750 --> 00:21:58,880

the further you go back i

640

00:22:02,549 --> 00:22:01,760

i do have accounts with dwarves and and

641

00:22:05,190 --> 00:22:02,559

elves and

642

00:22:05,590 --> 00:22:05,200

even like what people would describe as

643

00:22:09,510 --> 00:22:05,600

like

644

00:22:11,669 --> 00:22:09,520

goblins all coming in threes not

645

00:22:12,630 --> 00:22:11,679

all the time not absolutely but for the

646

00:22:15,110 --> 00:22:12,640

most part

647

00:22:16,630 --> 00:22:15,120

i'm just seeing it leaning to three some

648

00:22:19,909 --> 00:22:16,640

individual encounters but

649

00:22:21,750 --> 00:22:19,919

mostly threes he has grey skin

650

00:22:23,270 --> 00:22:21,760

on that on that last story is this the

651  
00:22:24,870 --> 00:22:23,280  
first time to lease to my recollection

652  
00:22:27,750 --> 00:22:24,880  
that we've heard of a ufo described as

653  
00:22:29,190 --> 00:22:27,760  
sparking yeah i wonder if it was having

654  
00:22:30,470 --> 00:22:29,200  
like mechanical issues and on their

655  
00:22:31,830 --> 00:22:30,480  
planet the guy wearing the

656  
00:22:33,270 --> 00:22:31,840  
black and white striped shirt is a

657  
00:22:34,630 --> 00:22:33,280  
mechanic it's a mechanic it was like we

658  
00:22:35,110 --> 00:22:34,640  
need to get this get picked like right

659  
00:22:37,590 --> 00:22:35,120  
now

660  
00:22:38,630 --> 00:22:37,600  
we're not going to make it back to bleep

661  
00:22:41,669 --> 00:22:38,640  
land without this guy

662  
00:22:42,549 --> 00:22:41,679  
i need a mechanic or a referee uh i
