

HUMANOID ENCOUNTERS

The

“Divers”

1
00:00:08,790 --> 00:00:06,150
well i got

2
00:00:10,549 --> 00:00:08,800
a little bit of ufo news uh i don't know

3
00:00:11,910 --> 00:00:10,559
this is a newer story this was sent to

4
00:00:14,950 --> 00:00:11,920
me on twitter by

5
00:00:18,150 --> 00:00:14,960
black mask so thank you black mask and

6
00:00:21,189 --> 00:00:18,160
this is uh titled aliens in ufos

7
00:00:22,630 --> 00:00:21,199
at world's deepest lake

8
00:00:24,230 --> 00:00:22,640
and before the show crashes like hey

9
00:00:25,990 --> 00:00:24,240
didn't we talk about this already i

10
00:00:28,630 --> 00:00:26,000
think we brought it up

11
00:00:30,790 --> 00:00:28,640
as an aside but we didn't go into the

12
00:00:32,310 --> 00:00:30,800
specifics of this but

13
00:00:35,590 --> 00:00:32,320

uh what is the name of this lake again

14

00:00:38,790 --> 00:00:35,600

this is uh balcony

15

00:00:41,910 --> 00:00:38,800

it's pronounced laurel laurel

16

00:00:42,470 --> 00:00:41,920

lake laurel it's by cal baikal i don't

17

00:00:44,229 --> 00:00:42,480

know

18

00:00:45,910 --> 00:00:44,239

pre-show anyone who listens to the

19

00:00:47,190 --> 00:00:45,920

pre-show on patreon was mike trying to

20

00:00:49,430 --> 00:00:47,200

pronounce this word hi

21

00:00:51,189 --> 00:00:49,440

cow well i'll read a little bit of this

22

00:00:54,709 --> 00:00:51,199

since the uh since ancient times the

23

00:00:57,510 --> 00:00:54,719

vast lake baikal has been known as

24

00:00:58,950 --> 00:00:57,520

uh deeply mysterious but in the closing

25

00:01:01,189 --> 00:00:58,960

years of the soviet era

26

00:01:02,150 --> 00:01:01,199

and era and since it has been the

27

00:01:04,549 --> 00:01:02,160

location of

28

00:01:05,990 --> 00:01:04,559

a number of alleged sightings of aliens

29

00:01:07,750 --> 00:01:06,000

and ufos

30

00:01:10,070 --> 00:01:07,760

these uh initially these were covered up

31

00:01:12,710 --> 00:01:10,080

by the authorities of the ussr

32

00:01:14,550 --> 00:01:12,720

uh but later they were revealed by the

33

00:01:16,070 --> 00:01:14,560

russian media in recent days there have

34

00:01:18,710 --> 00:01:16,080

been unconfirmed reports

35

00:01:20,550 --> 00:01:18,720

in russian in russia that american

36

00:01:22,710 --> 00:01:20,560

director steven spielberg is planning a

37

00:01:24,469 --> 00:01:22,720

documentary based on these weird

38

00:01:27,429 --> 00:01:24,479

unexplained accounts but

39

00:01:27,670 --> 00:01:27,439

uh that has been not confirmed it's just

40

00:01:29,510 --> 00:01:27,680

an

41

00:01:31,990 --> 00:01:29,520

internet rumor there's no confirmation

42

00:01:34,469 --> 00:01:32,000

that spielberg is going out there to do

43

00:01:37,030 --> 00:01:34,479

any sort of ufo documentary

44

00:01:39,350 --> 00:01:37,040

but um but the versions of the

45

00:01:42,149 --> 00:01:39,360

extraterrestrial activity at baikal

46

00:01:42,950 --> 00:01:42,159

uh edged by mountains and containing

47

00:01:45,990 --> 00:01:42,960

one-fifth

48

00:01:47,270 --> 00:01:46,000

of the world's unfrozen unfrozen fresh

49

00:01:50,469 --> 00:01:47,280

water

50

00:01:53,030 --> 00:01:50,479

relate to the supposed aliens uh seen by

51
00:01:56,310 --> 00:01:53,040
military divers in its depths and large

52
00:01:59,749 --> 00:01:56,320
spaceships hovering over its grey moody

53
00:02:02,709 --> 00:01:59,759
expanse so this is this is a huge lake

54
00:02:03,990 --> 00:02:02,719
this is a record record deepness right

55
00:02:07,109 --> 00:02:04,000
absolutely record deepness

56
00:02:11,350 --> 00:02:09,510
and i i i you know read through the

57
00:02:12,710 --> 00:02:11,360
story i did find some interesting little

58
00:02:13,270 --> 00:02:12,720
things here so there's like a lot of

59
00:02:15,670 --> 00:02:13,280
like this

60
00:02:17,030 --> 00:02:15,680
standard accounts people that would be

61
00:02:19,110 --> 00:02:17,040
out in the middle of night

62
00:02:20,229 --> 00:02:19,120
look up at the sky and they see a huge

63
00:02:22,309 --> 00:02:20,239

spacecraft

64

00:02:24,150 --> 00:02:22,319

in the uh in the area of the lake they

65

00:02:25,750 --> 00:02:24,160

all stare at they all agree hey

66

00:02:27,350 --> 00:02:25,760

we're looking at a giant spaceship and

67

00:02:30,470 --> 00:02:27,360

then it zooms off

68

00:02:32,070 --> 00:02:30,480

over the lake um

69

00:02:33,670 --> 00:02:32,080

and then uh there there are other

70

00:02:37,110 --> 00:02:33,680

accounts that

71

00:02:40,229 --> 00:02:37,120

describe entities that are coming

72

00:02:41,830 --> 00:02:40,239

out of these ships and what i found to

73

00:02:44,869 --> 00:02:41,840

be curious

74

00:02:46,550 --> 00:02:44,879

was this very particular one right here

75

00:02:49,430 --> 00:02:46,560

so another resident

76

00:02:51,190 --> 00:02:49,440

uh said that from this dish that came

77

00:02:54,869 --> 00:02:51,200

down

78

00:02:57,990 --> 00:02:54,879

um there were people in shiny

79

00:02:59,030 --> 00:02:58,000

shield shiv uh shimmering costumes there

80

00:03:00,229 --> 00:02:59,040

were uh

81

00:03:02,470 --> 00:03:00,239

there were people as far as i can

82

00:03:06,550 --> 00:03:02,480

remember three people in shiny

83

00:03:08,229 --> 00:03:06,560

yellow suits uh it seems that it seems

84

00:03:10,710 --> 00:03:08,239

that they were people

85

00:03:11,509 --> 00:03:10,720

and they're describing yet again three

86

00:03:15,110 --> 00:03:11,519

people

87

00:03:17,190 --> 00:03:15,120

in shiny suits coming out of a ufo

88

00:03:18,949 --> 00:03:17,200

near this lake you sure there were three

89

00:03:21,670 --> 00:03:18,959

of them i have a picture of four of them

90

00:03:23,350 --> 00:03:21,680

well uh according to this person well

91

00:03:24,710 --> 00:03:23,360

there's a picture of devo for crying out

92

00:03:28,070 --> 00:03:24,720

loud

93

00:03:30,229 --> 00:03:28,080

oh god he said shiny yellow suits i mean

94

00:03:32,789 --> 00:03:30,239

i mean that is right i don't think devo

95

00:03:35,990 --> 00:03:32,799

was descending out of ufo

96

00:03:37,190 --> 00:03:36,000

huh all right i'll find out maybe i got

97

00:03:39,589 --> 00:03:37,200

a better picture in mind

98

00:03:41,430 --> 00:03:39,599

uh but uh this person went on to say uh

99

00:03:43,589 --> 00:03:41,440

it was some kind of circle it came

100

00:03:45,030 --> 00:03:43,599

it can be said it was like a disc it

101
00:03:47,670 --> 00:03:45,040
turned on its edge

102
00:03:48,070 --> 00:03:47,680
and well the windows were visible on

103
00:03:51,750 --> 00:03:48,080
this

104
00:03:54,630 --> 00:03:51,760
myself that these were people

105
00:03:55,670 --> 00:03:54,640
they had some human image remember this

106
00:03:58,869 --> 00:03:55,680
is translated from

107
00:04:01,509 --> 00:03:58,879
russian uh they were the same

108
00:04:03,110 --> 00:04:01,519
straight slender they had arms and legs

109
00:04:03,830 --> 00:04:03,120
they had a gate that was the same as

110
00:04:06,869 --> 00:04:03,840
ours

111
00:04:07,509 --> 00:04:06,879
a little lower down there were three in

112
00:04:10,550 --> 00:04:07,519
orange

113
00:04:13,030 --> 00:04:10,560

suits they when they went down

114

00:04:14,630 --> 00:04:13,040

from the disc like a man and the steps

115

00:04:16,550 --> 00:04:14,640

were very visible

116

00:04:17,909 --> 00:04:16,560

then as they recounted the strange

117

00:04:18,629 --> 00:04:17,919

events the aliens saw the people

118

00:04:20,229 --> 00:04:18,639

watching them

119

00:04:21,909 --> 00:04:20,239

they returned to their spaceship and

120

00:04:24,150 --> 00:04:21,919

flew away

121

00:04:25,830 --> 00:04:24,160

which is you know they had three people

122

00:04:26,390 --> 00:04:25,840

in yellow suits three people in orange

123

00:04:28,870 --> 00:04:26,400

suits

124

00:04:29,830 --> 00:04:28,880

and then like oh [h__h] uh humans are are

125

00:04:31,990 --> 00:04:29,840

watching us

126
00:04:33,350 --> 00:04:32,000
we gotta get the heck out of here uh we

127
00:04:34,230 --> 00:04:33,360
don't need anybody seeing what we're

128
00:04:37,110 --> 00:04:34,240
doing down here

129
00:04:37,670 --> 00:04:37,120
sounds like uh uh alien teenagers who

130
00:04:41,590 --> 00:04:37,680
were up to

131
00:04:43,670 --> 00:04:41,600
up to no good and uh they they saw that

132
00:04:44,710 --> 00:04:43,680
their you know neighbors were watching

133
00:04:46,310 --> 00:04:44,720
them and they

134
00:04:47,350 --> 00:04:46,320
went laughing and running and shoving

135
00:04:49,350 --> 00:04:47,360
each other back into the bushes so they

136
00:04:50,790 --> 00:04:49,360
got back to the car and then left

137
00:04:52,150 --> 00:04:50,800
yeah yeah that's pretty much what you

138
00:04:53,670 --> 00:04:52,160

just described they were they're coming

139

00:04:55,030 --> 00:04:53,680

down the stairs they're humanoid

140

00:04:57,990 --> 00:04:55,040

they see they're being observed they

141

00:04:59,909 --> 00:04:58,000

quickly turn around and run

142

00:05:01,670 --> 00:04:59,919

yeah so there then there's another

143

00:05:04,230 --> 00:05:01,680

account from

144

00:05:07,270 --> 00:05:04,240

uh supposedly from military where

145

00:05:09,590 --> 00:05:07,280

there's some military divers in the area

146

00:05:11,510 --> 00:05:09,600

and they were this is i think in the

147

00:05:14,790 --> 00:05:11,520

late 70s early 80s they went down

148

00:05:16,230 --> 00:05:14,800

into the lake they saw what was a

149

00:05:20,070 --> 00:05:16,240

creature they radioed back

150

00:05:23,830 --> 00:05:20,080

up and the the the commanding officers

151
00:05:27,670 --> 00:05:23,840
said yeah let's get that creature

152
00:05:31,270 --> 00:05:27,680
so as they tried to net this creature

153
00:05:34,790 --> 00:05:31,280
underwater it produced a wave

154
00:05:37,990 --> 00:05:34,800
sending these divers very quickly

155
00:05:40,950 --> 00:05:38,000
out of the depths and onto shore there

156
00:05:41,830 --> 00:05:40,960
were seven of them and of the seven

157
00:05:44,070 --> 00:05:41,840
divers

158
00:05:45,830 --> 00:05:44,080
only four survived because that's all

159
00:05:47,670 --> 00:05:45,840
the all the room they had

160
00:05:49,189 --> 00:05:47,680
in their decompression chambers they

161
00:05:50,950 --> 00:05:49,199
only had two available

162
00:05:53,510 --> 00:05:50,960
you only could fit two people per

163
00:05:55,510 --> 00:05:53,520

chamber and so three of the divers wound

164

00:05:56,629 --> 00:05:55,520

up dying and they did not wind up

165

00:05:59,670 --> 00:05:56,639

capturing

166

00:06:03,029 --> 00:05:59,680

that creature which uh they thought was

167

00:06:06,150 --> 00:06:03,039

some sort of humanoid they likened it to

168

00:06:09,110 --> 00:06:06,160

ancient uh russian folklore

169

00:06:09,990 --> 00:06:09,120

of basically was translated to a shark

170

00:06:16,550 --> 00:06:10,000

boy

171

00:06:17,510 --> 00:06:16,560

uh-uh you ain't capturing me and blasted

172

00:06:20,070 --> 00:06:17,520

them out of the water

173

00:06:22,469 --> 00:06:20,080

and they died so there's a lot of

174

00:06:24,790 --> 00:06:22,479

different strange things around this

175

00:06:26,790 --> 00:06:24,800

um very interesting that they had like

176

00:06:29,189 --> 00:06:26,800

this lake has their own version

177

00:06:29,909 --> 00:06:29,199

of like loch ness monster you know some

178

00:06:31,670 --> 00:06:29,919

some sort of

179

00:06:34,230 --> 00:06:31,680

uh dinosaur that may live below the

180

00:06:37,350 --> 00:06:34,240

surface ufos going in

181

00:06:38,469 --> 00:06:37,360

and out of the water entities living in

182

00:06:41,350 --> 00:06:38,479

the water

183

00:06:43,110 --> 00:06:41,360

and then uh spaceman descending from

184

00:06:43,510 --> 00:06:43,120

disks and just checking out the general

185

00:06:46,070 --> 00:06:43,520

area

186

00:06:47,270 --> 00:06:46,080

it's it seems like a paranormal ufo

187

00:06:49,749 --> 00:06:47,280

hotspot

188

00:06:52,309 --> 00:06:49,759

uh but as i read because that that

189

00:06:55,430 --> 00:06:52,319

number three stuck out to me

190

00:06:59,350 --> 00:06:55,440

and i was like okay you had three

191

00:07:00,950 --> 00:06:59,360

uh aliens descending out of a disc uh we

192

00:07:02,950 --> 00:07:00,960

did the whole last episode i talked

193

00:07:03,830 --> 00:07:02,960

about aliens was like the number three

194

00:07:06,150 --> 00:07:03,840

being

195

00:07:07,029 --> 00:07:06,160

repeated over and over again i was like

196

00:07:13,510 --> 00:07:07,039

how many

197

00:07:16,629 --> 00:07:13,520

uh stories are there of

198

00:07:17,589 --> 00:07:16,639

people who see divers or aliens or

199

00:07:20,710 --> 00:07:17,599

humanoids

200

00:07:23,990 --> 00:07:20,720

that appear to be wearing diving

201
00:07:25,830 --> 00:07:24,000
outfits well quite a few i found

202
00:07:27,189 --> 00:07:25,840
just within my a couple hours of

203
00:07:30,309 --> 00:07:27,199
research probably at least

204
00:07:31,029 --> 00:07:30,319
15 and i'm sure there's many more out

205
00:07:34,309 --> 00:07:31,039
there

206
00:07:38,550 --> 00:07:34,319
of people encountering

207
00:07:41,670 --> 00:07:38,560
aliens or ufos and uh the ufos will

208
00:07:44,790 --> 00:07:41,680
open up and people wearing

209
00:07:46,710 --> 00:07:44,800
diving outfits will come out now it

210
00:07:48,390 --> 00:07:46,720
might just be a skin tight bodysuit but

211
00:07:50,309 --> 00:07:48,400
a lot of times that they

212
00:07:51,670 --> 00:07:50,319
not only have a skin type bodysuit but

213
00:07:54,230 --> 00:07:51,680

they'll have some sort of

214

00:07:56,390 --> 00:07:54,240

helmet on oftentimes without any sort of

215

00:07:59,589 --> 00:07:56,400

hose connected to

216

00:08:02,710 --> 00:07:59,599

oxygen or any sort of apparatus like uh

217

00:08:05,749 --> 00:08:02,720

no no no external tank supplied

218

00:08:06,710 --> 00:08:05,759

so i'll read just a couple of these

219

00:08:09,189 --> 00:08:06,720

because

220

00:08:11,110 --> 00:08:09,199

i'm now i'm on a diver kick i'm i'm kind

221

00:08:13,270 --> 00:08:11,120

of wondering if there's

222

00:08:14,950 --> 00:08:13,280

something more to this and i i think

223

00:08:16,629 --> 00:08:14,960

that i don't know i don't know if we're

224

00:08:19,270 --> 00:08:16,639

on the right track here but

225

00:08:21,749 --> 00:08:19,280

it's a fun track and there's nothing

226

00:08:24,629 --> 00:08:21,759

funnier than alien divers out there

227

00:08:26,309 --> 00:08:24,639

though there is was that a holy diver or

228

00:08:28,150 --> 00:08:26,319

a holy diver uh

229

00:08:28,730 --> 00:08:28,160

uh there's a deal reference i'll allow

230

00:08:32,550 --> 00:08:28,740

it thank you

231

00:08:39,190 --> 00:08:35,430

so there is this uh this is this is from

232

00:08:43,509 --> 00:08:39,200

russia this is from 1997.

233

00:08:45,509 --> 00:08:43,519

so this there's this former officer um

234

00:08:47,350 --> 00:08:45,519

and he's an amateur diver that has been

235

00:08:51,269 --> 00:08:47,360

diving in shallow waters

236

00:08:53,990 --> 00:08:51,279

in the bay this is uh the bay of finland

237

00:08:55,910 --> 00:08:54,000

st petersburg region so he's uh had been

238

00:08:58,550 --> 00:08:55,920

diving in shallow waters in the bay when

239

00:08:59,750 --> 00:08:58,560

he spotted a strange elongated object

240

00:09:02,550 --> 00:08:59,760

shaped like a

241

00:09:03,190 --> 00:09:02,560

cucumber uh he tied a rope around the

242

00:09:05,190 --> 00:09:03,200

object

243

00:09:06,949 --> 00:09:05,200

and tried to pull to the surface however

244

00:09:09,750 --> 00:09:06,959

he was not successful and decided to

245

00:09:12,310 --> 00:09:09,760

attach some slings to the strange

246

00:09:13,590 --> 00:09:12,320

cucumber and connected to his automobile

247

00:09:17,430 --> 00:09:13,600

bumper to pull the thing

248

00:09:18,790 --> 00:09:17,440

out of the bay uh he uh he uh came to

249

00:09:20,790 --> 00:09:18,800

the surface and obtained the necessary

250

00:09:23,269 --> 00:09:20,800

equipment in order to perform the task

251
00:09:24,949 --> 00:09:23,279
he brought a pneumatic drill with him

252
00:09:27,110 --> 00:09:24,959
for the purpose of drilling holes into

253
00:09:28,790 --> 00:09:27,120
the object and attach a sling

254
00:09:30,710 --> 00:09:28,800
uh he descended to the bottom again and

255
00:09:32,870 --> 00:09:30,720
attempted to drill a hole into this

256
00:09:34,710 --> 00:09:32,880
cucumber type object wait wait wait

257
00:09:35,829 --> 00:09:34,720
so it's shaped like a cucumber but

258
00:09:37,509 --> 00:09:35,839
clearly he's a lot larger because he's

259
00:09:40,630 --> 00:09:37,519
tying ropes around it yeah

260
00:09:42,389 --> 00:09:40,640
i'm gonna i'm assuming this thing um is

261
00:09:44,470 --> 00:09:42,399
this man incredibly weak

262
00:09:46,710 --> 00:09:44,480
you can't pick up a cucumber i can't

263
00:09:48,550 --> 00:09:46,720

pick up pickles or cucumbers i'm so weak

264

00:09:50,389 --> 00:09:48,560

this is the scuba pickle uh he goes back

265

00:09:50,870 --> 00:09:50,399

out he ties the rope around the bumper

266

00:09:52,870 --> 00:09:50,880

of his

267

00:09:55,910 --> 00:09:52,880

car so he's going to redneck engineer

268

00:09:59,269 --> 00:09:55,920

this yes and then when he can't do it

269

00:10:01,430 --> 00:09:59,279

um he goes to get a drill

270

00:10:03,430 --> 00:10:01,440

with the intent of now destroying the

271

00:10:05,990 --> 00:10:03,440

thing he was trying to get

272

00:10:06,710 --> 00:10:06,000

that's right how so on a scale of one to

273

00:10:08,949 --> 00:10:06,720

like

274

00:10:10,710 --> 00:10:08,959

all all of it how much vodka did this

275

00:10:11,350 --> 00:10:10,720

guy have beforehand well i mean here's

276
00:10:14,790 --> 00:10:11,360
russia

277
00:10:15,509 --> 00:10:14,800
you know so i i i don't know off the top

278
00:10:17,509 --> 00:10:15,519
my head

279
00:10:18,630 --> 00:10:17,519
but i'm assuming that this is a a

280
00:10:22,069 --> 00:10:18,640
human-sized

281
00:10:25,509 --> 00:10:22,079
uh cucumber this is one big pickle

282
00:10:28,310 --> 00:10:25,519
yeah exactly so he gets a drill

283
00:10:29,750 --> 00:10:28,320
uh he descends to the bottom again and

284
00:10:33,110 --> 00:10:29,760
attempts to drill a hole

285
00:10:35,430 --> 00:10:33,120
in the object suddenly a stream of dark

286
00:10:36,150 --> 00:10:35,440
liquid resembling oil spews out of the

287
00:10:37,750 --> 00:10:36,160
object

288
00:10:39,509 --> 00:10:37,760

hitting him in the face but instead of

289

00:10:41,910 --> 00:10:39,519

switching out the drill

290

00:10:43,269 --> 00:10:41,920

uh he increased its air pressure in an

291

00:10:45,590 --> 00:10:43,279

attempt to make the hole

292

00:10:46,470 --> 00:10:45,600

deeper you heard a loud crunch within

293

00:10:49,030 --> 00:10:46,480

the cucumber

294

00:10:49,990 --> 00:10:49,040

and noticed a bro a blood like substance

295

00:10:53,269 --> 00:10:50,000

in the water

296

00:10:56,389 --> 00:10:53,279

the object suddenly then split in half

297

00:10:59,030 --> 00:10:56,399

revealing a large cavity inside

298

00:10:59,590 --> 00:10:59,040

uh from it a large doll bubble floated

299

00:11:02,389 --> 00:10:59,600

out

300

00:11:03,030 --> 00:11:02,399

at this moment he encountered a strange

301
00:11:05,590 --> 00:11:03,040
entity

302
00:11:07,430 --> 00:11:05,600
apparently human-like with unnaturally

303
00:11:08,630 --> 00:11:07,440
white skin in what appeared to be a

304
00:11:10,550 --> 00:11:08,640
wound on his back

305
00:11:12,230 --> 00:11:10,560
caused by the drill the wound appeared

306
00:11:15,269 --> 00:11:12,240
to be bleeding the entity

307
00:11:18,470 --> 00:11:15,279
the entity's face was distorted by pain

308
00:11:21,670 --> 00:11:18,480
and anger the entity looked at uh this

309
00:11:22,949 --> 00:11:21,680
at the diver with uh some immovable

310
00:11:25,190 --> 00:11:22,959
hypnotic glance

311
00:11:26,949 --> 00:11:25,200
soundlessly opening and closing his

312
00:11:28,470 --> 00:11:26,959
mouth the witness attempted to push away

313
00:11:30,630 --> 00:11:28,480

the cucumber shape object

314

00:11:31,750 --> 00:11:30,640

along with the strange entity but the

315

00:11:34,870 --> 00:11:31,760

entity success

316

00:11:35,750 --> 00:11:34,880

uh succeeded in grabbing his hand the

317

00:11:38,790 --> 00:11:35,760

humanoid

318

00:11:41,110 --> 00:11:38,800

had clawed fingers very sharp which tore

319

00:11:44,310 --> 00:11:41,120

into the sleeve and cutting him deeply

320

00:11:47,430 --> 00:11:44,320

struggling uh he used a drill to

321

00:11:48,230 --> 00:11:47,440

free himself by stabbing the hand of the

322

00:11:52,389 --> 00:11:48,240

entity

323

00:11:54,710 --> 00:11:52,399

and stabbing his chest after that he

324

00:11:56,389 --> 00:11:54,720

uh lost consciousness and somehow was

325

00:11:59,269 --> 00:11:56,399

pulled out of the water

326

00:12:02,150 --> 00:11:59,279

by some fellow passersby yeah there's no

327

00:12:05,750 --> 00:12:02,160

traces of the humanoid or the cucumber

328

00:12:07,990 --> 00:12:05,760

object uh and it just disappeared and he

329

00:12:10,150 --> 00:12:08,000

left the scene without any sort of

330

00:12:12,150 --> 00:12:10,160

souvenir of his cucumber encounter in

331

00:12:16,230 --> 00:12:12,160

the water

332

00:12:17,110 --> 00:12:16,240

1997. uh don't know what to really make

333

00:12:19,269 --> 00:12:17,120

of that

334

00:12:20,790 --> 00:12:19,279

it's just an interesting i would say the

335

00:12:24,069 --> 00:12:20,800

only thing i make of that is is don't

336

00:12:24,790 --> 00:12:24,079

store your giant pickles just off the

337

00:12:27,350 --> 00:12:24,800

coast of st

338

00:12:27,990 --> 00:12:27,360

petersburg well and don't put bodies

339

00:12:30,310 --> 00:12:28,000

don't store

340

00:12:31,509 --> 00:12:30,320

bodies in your hey giant what i do with

341

00:12:34,150 --> 00:12:31,519

my giant pickle

342

00:12:34,870 --> 00:12:34,160

is is my business i just didn't expect

343

00:12:37,990 --> 00:12:34,880

some

344

00:12:41,110 --> 00:12:38,000

russian guy to come by with a rope

345

00:12:42,069 --> 00:12:41,120

a car and a pneumatic drill that starts

346

00:12:43,430 --> 00:12:42,079

ruining it

347

00:12:45,509 --> 00:12:43,440

yeah it's just something like tim allen

348

00:12:48,870 --> 00:12:45,519

would do in home improvement like uh

349

00:12:49,350 --> 00:12:48,880

but uh yeah i it's bizarre it's weird

350

00:12:51,829 --> 00:12:49,360

though

351

00:12:53,110 --> 00:12:51,839

but it isn't it's an underwater entity

352

00:12:54,949 --> 00:12:53,120

story

353

00:12:56,389 --> 00:12:54,959

and there's quite a few of these then as

354

00:12:58,150 --> 00:12:56,399

i was like reading through these stories

355

00:13:02,550 --> 00:12:58,160

i got like one or two more

356

00:13:05,670 --> 00:13:02,560

i was just going over in my head of

357

00:13:08,949 --> 00:13:05,680

the types of movies that came out in the

358

00:13:10,949 --> 00:13:08,959

80s and 90s that dealt with aliens

359

00:13:13,269 --> 00:13:10,959

and water and you had some big ones you

360

00:13:16,069 --> 00:13:13,279

had the abyss james cameron's

361

00:13:17,750 --> 00:13:16,079

the abyss which was dealt with aliens

362

00:13:20,550 --> 00:13:17,760

literally living

363

00:13:22,470 --> 00:13:20,560

at the bottom of the ocean floor not

364

00:13:24,629 --> 00:13:22,480

wanting to be messed with and you had

365

00:13:26,790 --> 00:13:24,639

our military going down there trying to

366

00:13:29,509 --> 00:13:26,800

figure out what they are what they

367

00:13:32,150 --> 00:13:29,519

may want and trying to blow them up

368

00:13:34,150 --> 00:13:32,160

that's a huge one then you had

369

00:13:35,829 --> 00:13:34,160

uh uh do you remember this one graduate

370

00:13:38,949 --> 00:13:35,839

uh sphere

371

00:13:40,550 --> 00:13:38,959

i think again dustin hoffman terrible

372

00:13:42,949 --> 00:13:40,560

movie the book's awesome though

373

00:13:44,230 --> 00:13:42,959

yeah the the the premise is great and i

374

00:13:45,430 --> 00:13:44,240

recommend people watch it i don't know

375

00:13:48,949 --> 00:13:45,440

if i

376

00:13:49,670 --> 00:13:48,959

give a brief synopsis so as dustin

377

00:13:51,990 --> 00:13:49,680

hoffman

378

00:13:53,509 --> 00:13:52,000

samuel jackson they're scientists sent

379

00:13:56,150 --> 00:13:53,519

out to investigate

380

00:13:57,509 --> 00:13:56,160

this weird object at the bottom of the

381

00:14:01,189 --> 00:13:57,519

ocean

382

00:14:04,710 --> 00:14:01,199

and they uh come to figure out that

383

00:14:05,269 --> 00:14:04,720

it is not of this planet correct me from

384

00:14:08,150 --> 00:14:05,279

wrong

385

00:14:08,949 --> 00:14:08,160

gretchen and it uses the human

386

00:14:13,189 --> 00:14:08,959

consciousness

387

00:14:15,829 --> 00:14:14,150

if you're remembering stuff from the

388

00:14:17,110 --> 00:14:15,839

movie yeah i am i can't remember the

389

00:14:18,629 --> 00:14:17,120

story of that because i read the book

390

00:14:19,910 --> 00:14:18,639

several times and saw the movie which

391

00:14:20,710 --> 00:14:19,920

probably changed some of that stuff i

392

00:14:23,110 --> 00:14:20,720

don't want to

393

00:14:24,550 --> 00:14:23,120

there's an interesting twist i guess

394

00:14:25,189 --> 00:14:24,560

reveal towards the end at least in the

395

00:14:26,550 --> 00:14:25,199

book

396

00:14:28,230 --> 00:14:26,560

i don't know if that comes out of the

397

00:14:29,670 --> 00:14:28,240

movie um

398

00:14:31,350 --> 00:14:29,680

in fact i think it's actually that twist

399

00:14:33,509 --> 00:14:31,360

is actually revealed at the beginning

400

00:14:34,790 --> 00:14:33,519

of the book which is part of the premise

401
00:14:35,750 --> 00:14:34,800
but i don't remember so i don't want to

402
00:14:38,310 --> 00:14:35,760
spoil that but

403
00:14:39,590 --> 00:14:38,320
it's an interesting movie um so well

404
00:14:40,949 --> 00:14:39,600
tommy in the in the chat brought up the

405
00:14:44,069 --> 00:14:40,959
two i was thinking it was deep star

406
00:14:47,590 --> 00:14:44,079
six and leviathan okay weird underwater

407
00:14:49,829 --> 00:14:47,600
creature movies totally overlook those

408
00:14:51,030 --> 00:14:49,839
um so yeah some weird creatures there

409
00:14:54,150 --> 00:14:51,040
then in

410
00:14:56,389 --> 00:14:54,160
the 2000s you had ender's game come out

411
00:14:58,710 --> 00:14:56,399
which was a movie based in the book

412
00:14:59,990 --> 00:14:58,720
but i i don't know if this came out this

413
00:15:03,189 --> 00:15:00,000

was in the movie

414

00:15:06,790 --> 00:15:03,199

the movie was that earth was attacked by

415

00:15:09,110 --> 00:15:06,800

this alien race this alien bug race

416

00:15:11,189 --> 00:15:09,120

and they always bugs yeah they're always

417

00:15:13,110 --> 00:15:11,199

bugs and it wasn't really

418

00:15:14,470 --> 00:15:13,120

you know clarified or at least in the

419

00:15:16,629 --> 00:15:14,480

movie this they just thought it was an

420

00:15:18,150 --> 00:15:16,639

unprovoked attack but the real reason

421

00:15:20,230 --> 00:15:18,160

that they chose to attack earth they

422

00:15:21,030 --> 00:15:20,240

just wanted the water that's all they

423

00:15:22,550 --> 00:15:21,040

wanted

424

00:15:24,710 --> 00:15:22,560

and they're from a star system that

425

00:15:26,389 --> 00:15:24,720

didn't have uh a great supply of water

426

00:15:27,590 --> 00:15:26,399

they saw earth and said hey let's go get

427

00:15:30,230 --> 00:15:27,600

some of that

428

00:15:31,110 --> 00:15:30,240

and uh that was our whole motivation was

429

00:15:34,150 --> 00:15:31,120

to come here

430

00:15:34,949 --> 00:15:34,160

for our water and that's just off the

431

00:15:37,910 --> 00:15:34,959

top

432

00:15:39,509 --> 00:15:37,920

of my head and i'm sure there's a good

433

00:15:40,069 --> 00:15:39,519

number of other movies out there that

434

00:15:42,470 --> 00:15:40,079

deal with

435

00:15:43,269 --> 00:15:42,480

aliens and water and all that kind of

436

00:15:45,350 --> 00:15:43,279

stuff maybe that's

437

00:15:46,949 --> 00:15:45,360

there's there's some sort of i don't

438

00:15:49,590 --> 00:15:46,959

know predicted programming

439

00:15:50,870 --> 00:15:49,600

but there might be something in our

440

00:15:54,069 --> 00:15:50,880

subconsciousness that

441

00:15:55,670 --> 00:15:54,079

makes creative people want to

442

00:15:57,189 --> 00:15:55,680

write that kind of scenario maybe

443

00:15:57,670 --> 00:15:57,199

because it's more interesting or maybe

444

00:15:59,509 --> 00:15:57,680

you're

445

00:16:01,110 --> 00:15:59,519

pulling those ideas out of the

446

00:16:01,430 --> 00:16:01,120

simulation who knows well i i think

447

00:16:08,870 --> 00:16:01,440

there's

448

00:16:11,110 --> 00:16:08,880

in the two environments between

449

00:16:12,710 --> 00:16:11,120

you know a deep space a movie a story

450

00:16:15,269 --> 00:16:12,720

about deep space and aliens

451

00:16:17,110 --> 00:16:15,279

and then underwater which is so close so

452

00:16:18,389 --> 00:16:17,120

close that russian guys can tie ropes

453

00:16:19,030 --> 00:16:18,399

around their bumpers and drag [h__h] out

454

00:16:21,350 --> 00:16:19,040

of it

455

00:16:22,790 --> 00:16:21,360

but at the same time you know it's also

456

00:16:25,189 --> 00:16:22,800

a very

457

00:16:26,790 --> 00:16:25,199

unknown and wild and scary play so if

458

00:16:29,030 --> 00:16:26,800

you go deep enough then

459

00:16:31,910 --> 00:16:29,040

there's you could write the same story

460

00:16:34,150 --> 00:16:31,920

whether it takes place on a spaceship

461

00:16:35,509 --> 00:16:34,160

uh and encounters creatures in space it

462

00:16:36,870 --> 00:16:35,519

could also be in a submarine

463

00:16:38,550 --> 00:16:36,880

encountering creatures underwater and

464

00:16:40,629 --> 00:16:38,560

it's the exact same story so

465

00:16:42,629 --> 00:16:40,639

yeah um i think that's probably part of

466

00:16:44,470 --> 00:16:42,639

the attraction to it um

467

00:16:45,990 --> 00:16:44,480

from a hollywood perspective it probably

468

00:16:47,990 --> 00:16:46,000

makes more sense to film them

469

00:16:49,509 --> 00:16:48,000

in water because while filming in water

470

00:16:51,430 --> 00:16:49,519

is expensive it's less expensive than

471

00:16:52,310 --> 00:16:51,440

trying to put people on wires and cgi

472

00:16:54,230 --> 00:16:52,320

and float them around

473

00:16:55,749 --> 00:16:54,240

in space and all that stuff so there's

474

00:16:57,030 --> 00:16:55,759

probably some reason for that

475

00:16:58,310 --> 00:16:57,040

yeah i do want to point out as far as

476
00:16:59,829 --> 00:16:58,320
general underwater movies there's one

477
00:17:02,870 --> 00:16:59,839
called blue or not underwater

478
00:17:05,029 --> 00:17:02,880
from maybe two years ago about a

479
00:17:06,549 --> 00:17:05,039
giant underwater i think it's a drilling

480
00:17:09,029 --> 00:17:06,559
rig oil rig that gets

481
00:17:10,470 --> 00:17:09,039
attacked by unknown creatures and it's

482
00:17:11,750 --> 00:17:10,480
it's a standard kind of horror movie

483
00:17:13,029 --> 00:17:11,760
jump scares and that sort of thing but

484
00:17:15,270 --> 00:17:13,039
there's a really interesting not really

485
00:17:18,069 --> 00:17:15,280
a twist but just the reveal of

486
00:17:19,110 --> 00:17:18,079
what these creatures are at the end um

487
00:17:20,870 --> 00:17:19,120
which is kind of fun

488
00:17:23,429 --> 00:17:20,880

for anybody who's who's a fan of the

489

00:17:24,949 --> 00:17:23,439

show would be well worth the the the

490

00:17:26,870 --> 00:17:24,959

the last scene or the scene at the end

491

00:17:28,630 --> 00:17:26,880

where they kind of reveal the the the

492

00:17:30,150 --> 00:17:28,640

creatures behind this and where they are

493

00:17:32,070 --> 00:17:30,160

or where they're from and all that

494

00:17:33,430 --> 00:17:32,080

um it makes the rest of the movie worth

495

00:17:34,710 --> 00:17:33,440

it otherwise it's really unremarkable

496

00:17:37,110 --> 00:17:34,720

but it's it's a fun movie

497

00:17:38,789 --> 00:17:37,120

yeah i see post-void in the chat saying

498

00:17:40,029 --> 00:17:38,799

water world i'm not going to throw that

499

00:17:41,669 --> 00:17:40,039

in here because that's just a

500

00:17:43,830 --> 00:17:41,679

post-apocalyptic

501
00:17:45,669 --> 00:17:43,840
uh amazing costumer movie it has nothing

502
00:17:46,390 --> 00:17:45,679
to do with anyone kevin costner drinks

503
00:17:48,470 --> 00:17:46,400
his urine

504
00:17:49,750 --> 00:17:48,480
they said mr costner you absolutely do

505
00:17:50,789 --> 00:17:49,760
not he's doing it again

506
00:17:53,350 --> 00:17:50,799
you don't need to be doing that he's

507
00:17:57,669 --> 00:17:56,310
if i have to pick my uh post-apocalyptic

508
00:17:58,230 --> 00:17:57,679
kevin costner movie it's going to be the

509
00:18:03,590 --> 00:17:58,240
postman

510
00:18:05,510 --> 00:18:03,600
for for my post-apocalyptic movie for

511
00:18:07,510 --> 00:18:05,520
kevin costner i like robin hood

512
00:18:08,870 --> 00:18:07,520
oh yeah that was really apocalyptic i

513
00:18:10,549 --> 00:18:08,880

don't remember yeah i like that one

514

00:18:12,070 --> 00:18:10,559

that's a really good post-apocalyptic

515

00:18:13,590 --> 00:18:12,080

actually my favorite kevin costner movie

516

00:18:14,950 --> 00:18:13,600

is actually um [h__h] i'm gonna forget the

517

00:18:15,990 --> 00:18:14,960

name of it now american flyers it's my

518

00:18:17,430 --> 00:18:16,000

favorite one

519

00:18:19,270 --> 00:18:17,440

but no one's ever seen that movie no i

520

00:18:20,470 --> 00:18:19,280

don't know it's a great film

521

00:18:23,669 --> 00:18:20,480

someone in the chat knows american

522

00:18:26,950 --> 00:18:23,679

flyers well i got a

523

00:18:28,950 --> 00:18:26,960

maybe one or two humanoid stories here i

524

00:18:31,990 --> 00:18:28,960

i maybe i'll do this

525

00:18:34,070 --> 00:18:32,000

just one more and this is a

526

00:18:36,390 --> 00:18:34,080

an interesting one this is also another

527

00:18:38,950 --> 00:18:36,400

one dealing with

528

00:18:40,390 --> 00:18:38,960

people in diving suits we like diving

529

00:18:41,350 --> 00:18:40,400

suits they're they're they make your

530

00:18:44,990 --> 00:18:41,360

body look good

531

00:18:47,830 --> 00:18:45,000

you know this uh this comes from mexico

532

00:18:51,669 --> 00:18:47,840

1993 right around 5 00 a.m

533

00:18:54,630 --> 00:18:51,679

in the morning and uh mr chalaga

534

00:18:56,310 --> 00:18:54,640

was sleeping at his home when suddenly a

535

00:18:56,789 --> 00:18:56,320

bright blue light entered through his

536

00:18:58,789 --> 00:18:56,799

window

537

00:19:01,029 --> 00:18:58,799

and woke him up everything seemed to be

538

00:19:04,230 --> 00:19:01,039

very still and all the surroundings

539

00:19:06,789 --> 00:19:04,240
were enveloped in a strange blue

540

00:19:08,070 --> 00:19:06,799
light looking out the window he saw a

541

00:19:10,390 --> 00:19:08,080
gold colored disc

542

00:19:11,270 --> 00:19:10,400
shaped object about 15 meters in

543

00:19:13,430 --> 00:19:11,280
diameter

544

00:19:14,549 --> 00:19:13,440
landed a nearby field the craft was

545

00:19:17,270 --> 00:19:14,559
totally silent

546

00:19:18,390 --> 00:19:17,280
hatch opened up in several huge figures

547

00:19:21,830 --> 00:19:18,400
came out

548

00:19:24,150 --> 00:19:21,840
uh they were about 2.5 meters in height

549

00:19:27,669 --> 00:19:24,160
human-like in wearing tight-fitting

550

00:19:30,070 --> 00:19:27,679
silvery diving suits

551

00:19:31,909 --> 00:19:30,080

uh how big is 2.5 meters is that like

552

00:19:37,830 --> 00:19:31,919

eight foot

553

00:19:38,950 --> 00:19:37,840

so they had the long arms pale

554

00:19:42,230 --> 00:19:38,960

complexions

555

00:19:42,630 --> 00:19:42,240

large blue slanted eyes and long blonde

556

00:19:44,470 --> 00:19:42,640

hair

557

00:19:46,950 --> 00:19:44,480

the witness at this time had walked over

558

00:19:49,510 --> 00:19:46,960

to the craft the visitors saluted him

559

00:19:51,510 --> 00:19:49,520

with a gloved hand and waved him and

560

00:19:54,950 --> 00:19:51,520

waved at him and then invited him

561

00:19:57,669 --> 00:19:54,960

inside the craft so these blue

562

00:19:58,549 --> 00:19:57,679

giant diver people invite him in come on

563

00:20:00,710 --> 00:19:58,559

in buddy hey

564

00:20:03,029 --> 00:20:00,720

thanks for coming out come on inside the

565

00:20:05,029 --> 00:20:03,039

craft well once inside the witness

566

00:20:07,990 --> 00:20:05,039

noticed that the humanoids

567

00:20:09,909 --> 00:20:08,000

also had long pointed ears he saw

568

00:20:10,549 --> 00:20:09,919

numerous consoles and what appeared to

569

00:20:13,190 --> 00:20:10,559

be

570

00:20:14,950 --> 00:20:13,200

comfortable seats i guess they have some

571

00:20:17,750 --> 00:20:14,960

lazy boys up there

572

00:20:20,230 --> 00:20:17,760

uh he saw uh he also saw a metallic

573

00:20:22,390 --> 00:20:20,240

table with several different instruments

574

00:20:23,350 --> 00:20:22,400

one of the humanoids showed him a screen

575

00:20:27,029 --> 00:20:23,360

where he saw

576
00:20:28,789 --> 00:20:27,039
scenes of war destruction and ecological

577
00:20:30,870 --> 00:20:28,799
collapse

578
00:20:32,230 --> 00:20:30,880
after an undetermined amount of time the

579
00:20:35,270 --> 00:20:32,240
craft then landed

580
00:20:37,110 --> 00:20:35,280
in an unknown beautiful field filled

581
00:20:40,390 --> 00:20:37,120
with humans of all ages

582
00:20:43,110 --> 00:20:40,400
a large golden sun illuminated the city

583
00:20:44,870 --> 00:20:43,120
he was taken to a crystalline waterfall

584
00:20:45,909 --> 00:20:44,880
that was surrounded by beautiful colored

585
00:20:48,549 --> 00:20:45,919
stones

586
00:20:49,909 --> 00:20:48,559
there were humanoids um there were

587
00:20:53,350 --> 00:20:49,919
humanoids explained to

588
00:20:55,830 --> 00:20:53,360

mr chalaga uh that his destiny was

589

00:20:57,669 --> 00:20:55,840

that of caring and healing his fellow

590

00:20:59,990 --> 00:20:57,679

human beings

591

00:21:01,350 --> 00:21:00,000

he was also told that humanoids had

592

00:21:04,789 --> 00:21:01,360

several bases

593

00:21:08,230 --> 00:21:04,799

in his area including uh one in

594

00:21:09,590 --> 00:21:08,240

i guess laguana well uh this guy was

595

00:21:12,630 --> 00:21:09,600

also warned

596

00:21:13,110 --> 00:21:12,640

of different types of aliens that were

597

00:21:15,669 --> 00:21:13,120

also

598

00:21:18,549 --> 00:21:15,679

visiting earth and the ones that were

599

00:21:21,430 --> 00:21:18,559

responsible for the report reported

600

00:21:22,470 --> 00:21:21,440

animal mutilations these were described

601
00:21:25,430 --> 00:21:22,480
by

602
00:21:26,630 --> 00:21:25,440
these tall entities as the short large

603
00:21:29,990 --> 00:21:26,640
headed humanoids with

604
00:21:33,029 --> 00:21:30,000
huge black eyes and four fingers on each

605
00:21:34,470 --> 00:21:33,039
hand and protruding stomachs that mostly

606
00:21:37,350 --> 00:21:34,480
were tight fitting

607
00:21:37,909 --> 00:21:37,360
maroon outfits and traveled in small

608
00:21:41,110 --> 00:21:37,919
craft

609
00:21:44,310 --> 00:21:41,120
with ball landing gear that's

610
00:21:46,789 --> 00:21:44,320
super specific it's like all the jetsons

611
00:21:47,669 --> 00:21:46,799
it's it it sounds so ridiculous so it

612
00:21:50,230 --> 00:21:47,679
sounds like

613
00:21:51,029 --> 00:21:50,240

these tall blue aliens wearing diving

614

00:21:54,149 --> 00:21:51,039

suits are going

615

00:21:55,510 --> 00:21:54,159

hey you got to keep an eye on the little

616

00:21:57,430 --> 00:21:55,520

gray aliens because

617

00:21:58,630 --> 00:21:57,440

they're they're taking your cattle

618

00:22:00,870 --> 00:21:58,640

they're taking your people

619

00:22:02,549 --> 00:22:00,880

and they don't give a darn about you

620

00:22:04,870 --> 00:22:02,559

okay they don't give it they don't give

621

00:22:06,870 --> 00:22:04,880

a crap about you

622

00:22:08,230 --> 00:22:06,880

well uh this guy was eventually returned

623

00:22:11,430 --> 00:22:08,240

home he reported

624

00:22:13,190 --> 00:22:11,440

the uh he he reported a drastic

625

00:22:15,430 --> 00:22:13,200

loss of weight soon after the incident

626
00:22:17,350 --> 00:22:15,440
but recovered other locals reported low

627
00:22:17,830 --> 00:22:17,360
flying lights over the area about the

628
00:22:20,549 --> 00:22:17,840
time

629
00:22:20,870 --> 00:22:20,559
that he was uh taken up and taken away

630
00:22:23,029 --> 00:22:20,880
but

631
00:22:24,310 --> 00:22:23,039
uh currently this guy is known as a

632
00:22:26,950 --> 00:22:24,320
local healer

633
00:22:27,590 --> 00:22:26,960
and he uses natural herbs and remedies

634
00:22:31,110 --> 00:22:27,600
to

635
00:22:34,070 --> 00:22:31,120
help his patients i

636
00:22:34,710 --> 00:22:34,080
so i was beyond like the diving suits

637
00:22:36,789 --> 00:22:34,720
and

638
00:22:39,029 --> 00:22:36,799

everything i've also been dwelling on

639

00:22:43,029 --> 00:22:39,039

the the number three

640

00:22:46,789 --> 00:22:43,039

when it comes to humanoid

641

00:22:49,350 --> 00:22:46,799

interactions and i i think i might

642

00:22:50,789 --> 00:22:49,360

have an explanation to this and it's not

643

00:22:51,430 --> 00:22:50,799

going to go to numerology or anything

644

00:22:53,430 --> 00:22:51,440

like this

645

00:22:54,710 --> 00:22:53,440

i'm relating to everything that i that i

646

00:22:58,470 --> 00:22:54,720

know to

647

00:23:00,470 --> 00:22:58,480

um computers and infrastructure

648

00:23:01,750 --> 00:23:00,480

and deployment to what i'm reading

649

00:23:04,870 --> 00:23:01,760

stories

650

00:23:06,230 --> 00:23:04,880

and so when you deploy a couple of

651
00:23:08,870 --> 00:23:06,240
servers

652
00:23:10,470 --> 00:23:08,880
and you have to worry about traffic

653
00:23:12,230 --> 00:23:10,480
you're worried about your site being hit

654
00:23:14,710 --> 00:23:12,240
by by too much talking about internet

655
00:23:16,870 --> 00:23:14,720
balancing yeah load balancing exactly

656
00:23:18,470 --> 00:23:16,880
typically you want to have if if you

657
00:23:22,070 --> 00:23:18,480
have any sort of intelligent

658
00:23:25,590 --> 00:23:22,080
load balancing you want to have three

659
00:23:27,909 --> 00:23:25,600
because whatever decision making process

660
00:23:29,110 --> 00:23:27,919
uh there is there's going to be a vote

661
00:23:32,470 --> 00:23:29,120
and so you want to have an

662
00:23:34,789 --> 00:23:32,480
odd number so that it goes to one side

663
00:23:37,750 --> 00:23:34,799

or the other for the voting process so

664

00:23:39,350 --> 00:23:37,760

three people makes a vote possible if

665

00:23:40,789 --> 00:23:39,360

you just have two entities or four

666

00:23:43,029 --> 00:23:40,799

entities

667

00:23:44,710 --> 00:23:43,039

it is there very well could be a stand

668

00:23:47,990 --> 00:23:44,720

still in decision making

669

00:23:50,549 --> 00:23:48,000

so that third person or fifth person

670

00:23:52,710 --> 00:23:50,559

can if the balance in one decision or

671

00:23:55,909 --> 00:23:52,720

another

672

00:23:59,269 --> 00:23:55,919

makes sense at least to me

673

00:24:01,269 --> 00:23:59,279

well that's where the the the um

674

00:24:03,110 --> 00:24:01,279

the phrase minority report comes from in

675

00:24:05,110 --> 00:24:03,120

the philip k dick

676

00:24:07,029 --> 00:24:05,120

story in the movie later but was there

677

00:24:08,950 --> 00:24:07,039

was three and there was

678

00:24:10,310 --> 00:24:08,960

you know you take the best two out of

679

00:24:11,510 --> 00:24:10,320

three and the minority report was the

680

00:24:13,669 --> 00:24:11,520

dissenting opinion

681

00:24:15,830 --> 00:24:13,679

yeah uh the crux of the story being that

682

00:24:18,630 --> 00:24:15,840

at one point the dissenting opinion was

683

00:24:20,149 --> 00:24:18,640

affecting the uh opinion or the the

684

00:24:21,350 --> 00:24:20,159

majority opinion and so that was when

685

00:24:22,710 --> 00:24:21,360

they had to look at so

686

00:24:24,549 --> 00:24:22,720

you can make decisions with two people

687

00:24:26,470 --> 00:24:24,559

but you you have to talk you can

688

00:24:27,830 --> 00:24:26,480

present your case and then have a

689

00:24:29,110 --> 00:24:27,840

discussion back and forth about what

690

00:24:32,149 --> 00:24:29,120

you're going to do

691

00:24:34,310 --> 00:24:32,159

it just seems like the the using the odd

692

00:24:36,149 --> 00:24:34,320

man or odd entity or out of alien is a

693

00:24:38,710 --> 00:24:36,159

much more efficient way to do that

694

00:24:39,990 --> 00:24:38,720

and if we're seeing things in threes it

695

00:24:42,710 --> 00:24:40,000

might be

696

00:24:44,789 --> 00:24:42,720

like it's speculated that the greys are

697

00:24:46,789 --> 00:24:44,799

a soulless robotic race

698

00:24:48,870 --> 00:24:46,799

and it would make sense they they would

699

00:24:51,909 --> 00:24:48,880

want to abduct people in threes

700

00:24:55,110 --> 00:24:51,919

if they are much more

701
00:24:57,590 --> 00:24:55,120
computer like binary thinking like

702
00:24:59,110 --> 00:24:57,600
their rationale is not primary thinking

703
00:25:01,029 --> 00:24:59,120
yeah trinary thinking it's

704
00:25:02,230 --> 00:25:01,039
it's not like on an emotional level

705
00:25:03,669 --> 00:25:02,240
there's not a lot of discussion they

706
00:25:05,909 --> 00:25:03,679
just make some choices they vote on it

707
00:25:07,029 --> 00:25:05,919
and boom it's done it's very quick

708
00:25:08,710 --> 00:25:07,039
so you're saying they rock they rock

709
00:25:09,510 --> 00:25:08,720
paper scissors it but they they have a

710
00:25:11,830 --> 00:25:09,520
fourth one

711
00:25:12,549 --> 00:25:11,840
i think so i mean rock paper scissors

712
00:25:15,750 --> 00:25:12,559
pickle

713
00:25:18,870 --> 00:25:15,760

yeah pretty much cucumber uh cucumber

714

00:25:19,830 --> 00:25:18,880

yeah water cucumber i mean those are

715

00:25:21,190 --> 00:25:19,840

just like two little

716

00:25:23,590 --> 00:25:21,200

uh things right there i got another one

717

00:25:27,110 --> 00:25:23,600

over here uh from

718

00:25:30,789 --> 00:25:27,120

tacoma washington 1968 where

719

00:25:31,990 --> 00:25:30,799

there's a oh a woman and this is a quick

720

00:25:33,990 --> 00:25:32,000

one i'll just read this and we'll move

721

00:25:36,870 --> 00:25:34,000

on but uh bear jones

722

00:25:38,230 --> 00:25:36,880

uh should have been in bed but instead

723

00:25:41,190 --> 00:25:38,240

she sat in her kitchen

724

00:25:42,710 --> 00:25:41,200

looking out the window this is at night

725

00:25:45,990 --> 00:25:42,720

she had a problem a husband

726
00:25:47,750 --> 00:25:46,000
who drank and mistreated her out uh out

727
00:25:49,029 --> 00:25:47,760
near street light she was amazed to see

728
00:25:51,669 --> 00:25:49,039
what looked like three

729
00:25:53,269 --> 00:25:51,679
large bubbles flowed down she hurried

730
00:25:55,350 --> 00:25:53,279
outside and was watching them

731
00:25:57,269 --> 00:25:55,360
when a big round black object with

732
00:25:58,950 --> 00:25:57,279
bright beautiful red lights

733
00:26:01,590 --> 00:25:58,960
came in over the church across the

734
00:26:03,909 --> 00:26:01,600
street bear rushed back to her house

735
00:26:05,669 --> 00:26:03,919
and peered out the window three

736
00:26:08,789 --> 00:26:05,679
light-skinned tall men

737
00:26:10,630 --> 00:26:08,799
wearing skin-tight divers suits were

738
00:26:12,789 --> 00:26:10,640

standing near the window

739

00:26:13,669 --> 00:26:12,799

they had handsome faces and spoke in a

740

00:26:16,870 --> 00:26:13,679

very pleasant

741

00:26:19,909 --> 00:26:16,880

masculine english voice they

742

00:26:20,470 --> 00:26:19,919

uh the method of communication was mind

743

00:26:23,590 --> 00:26:20,480

to mind

744

00:26:24,950 --> 00:26:23,600

and not vocal uh here is what mrs jones

745

00:26:27,269 --> 00:26:24,960

said happened next

746

00:26:28,789 --> 00:26:27,279

the spacemen asked me if i wanted to go

747

00:26:31,510 --> 00:26:28,799

for a ride

748

00:26:33,350 --> 00:26:31,520

they said they were from saturn they

749

00:26:33,990 --> 00:26:33,360

said they had been watching me for some

750

00:26:37,190 --> 00:26:34,000

time

751
00:26:37,590 --> 00:26:37,200
and that i was a goddess then they got

752
00:26:40,390 --> 00:26:37,600
me

753
00:26:41,669 --> 00:26:40,400
in and said they were going to take my

754
00:26:43,669 --> 00:26:41,679
kids away from me

755
00:26:46,149 --> 00:26:43,679
i asked them how they could do such a

756
00:26:49,029 --> 00:26:46,159
thing then i blew up at them

757
00:26:51,029 --> 00:26:49,039
and they went away in the following days

758
00:26:52,950 --> 00:26:51,039
the witness began hearing the spaceman's

759
00:26:54,870 --> 00:26:52,960
voices in in her front room

760
00:26:55,990 --> 00:26:54,880
they seemed discussing her husband's

761
00:26:58,630 --> 00:26:56,000
treating of her

762
00:26:59,590 --> 00:26:58,640
treatment of her once she heard what

763
00:27:02,549 --> 00:26:59,600

sounded like

764

00:27:03,350 --> 00:27:02,559

swords clashing she heard them talking

765

00:27:06,549 --> 00:27:03,360

about

766

00:27:07,430 --> 00:27:06,559

her as she took a bath at night in bed

767

00:27:12,549 --> 00:27:07,440

she

768

00:27:15,350 --> 00:27:12,559

was making love to her

769

00:27:17,190 --> 00:27:15,360

but could not see anything distraught

770

00:27:17,909 --> 00:27:17,200

and full of fear for her children and

771

00:27:20,789 --> 00:27:17,919

herself

772

00:27:22,230 --> 00:27:20,799

she went to a near by fire station she

773

00:27:24,230 --> 00:27:22,240

began to tell the men

774

00:27:26,149 --> 00:27:24,240

uh there about what was happening to her

775

00:27:27,830 --> 00:27:26,159

they called the police and it was not

776

00:27:32,549 --> 00:27:27,840

long before she found herself

777

00:27:36,230 --> 00:27:35,029

i feel sorry for your mother yeah that

778

00:27:37,909 --> 00:27:36,240

was a very

779

00:27:39,590 --> 00:27:37,919

oddball story i like the idea of the

780

00:27:40,789 --> 00:27:39,600

here's she hears swords going on so the

781

00:27:42,230 --> 00:27:40,799

guy they're now sword fighting

782

00:27:44,630 --> 00:27:42,240

but then they're talking about her while
