

PHOENIX

1
00:00:04,789 --> 00:00:03,830
hey youtube so you might be wondering

2
00:00:08,150 --> 00:00:04,799
what's going on

3
00:00:11,110 --> 00:00:08,160
with obdm and why aren't we streaming to

4
00:00:12,310 --> 00:00:11,120
youtube anymore well we just got done

5
00:00:15,669 --> 00:00:12,320
serving our time

6
00:00:17,590 --> 00:00:15,679
for our second strike and

7
00:00:19,189 --> 00:00:17,600
we still are doing live shows it's just

8
00:00:21,910 --> 00:00:19,199
that we're broadcasting to

9
00:00:23,590 --> 00:00:21,920
d live and twitch those are the

10
00:00:26,910 --> 00:00:23,600
platforms that we're streaming live to

11
00:00:30,630 --> 00:00:26,920
currently we probably

12
00:00:32,389 --> 00:00:30,640
99 sure that we won't be streaming live

13
00:00:34,950 --> 00:00:32,399

to youtube anymore

14

00:00:36,709 --> 00:00:34,960

uh it's uh the rules are a little too

15

00:00:37,350 --> 00:00:36,719

ambiguous about what we can and can't

16

00:00:40,790 --> 00:00:37,360

say and since

17

00:00:43,670 --> 00:00:40,800

it's a live show um it's hard to

18

00:00:45,430 --> 00:00:43,680

uh temper yourself in some of what we

19

00:00:48,950 --> 00:00:45,440

say even though i'm very diplomatic

20

00:00:50,950 --> 00:00:48,960

and uh even-handed on a lot of subjects

21

00:00:52,630 --> 00:00:50,960

sometimes you you accidentally say

22

00:00:55,430 --> 00:00:52,640

something or

23

00:00:56,869 --> 00:00:55,440

misspeak and that is a strike against

24

00:01:00,709 --> 00:00:56,879

your channel

25

00:01:04,950 --> 00:01:00,719

so moving forward i will try to upload

26

00:01:08,390 --> 00:01:04,960

uh clips of the show here on youtube

27

00:01:10,469 --> 00:01:08,400

but primarily d live and twitch will be

28

00:01:12,469 --> 00:01:10,479

the avenues for people to

29

00:01:13,830 --> 00:01:12,479

watch us live and if you want to watch

30

00:01:16,550 --> 00:01:13,840

live and call in

31

00:01:18,590 --> 00:01:16,560

the show is continuing on as normal i

32

00:01:21,830 --> 00:01:18,600

highly recommend people go to

33

00:01:25,109 --> 00:01:21,840

obdmpod.com and there are links there to

34

00:01:27,910 --> 00:01:25,119

those live channels and also subscribe

35

00:01:30,630 --> 00:01:27,920

to the rss feed that is the podcast

36

00:01:33,270 --> 00:01:30,640

subscribe to the audio only podcast

37

00:01:35,670 --> 00:01:33,280

uh when crank out shows you get a you

38

00:01:39,109 --> 00:01:35,680

get a better sound quality over there

39

00:01:42,469 --> 00:01:39,119

it's very consistent and that will be

40

00:01:44,550 --> 00:01:42,479

around as long as the the podcast and

41

00:01:47,190 --> 00:01:44,560

rss feed stays up through

42

00:01:48,230 --> 00:01:47,200

uh libsyn that is our service provider

43

00:01:51,749 --> 00:01:48,240

in storage

44

00:01:53,429 --> 00:01:51,759

host over there so sorry for the lack of

45

00:01:56,389 --> 00:01:53,439

communication

46

00:01:57,830 --> 00:01:56,399

but i i haven't been able to uh post

47

00:02:00,870 --> 00:01:57,840

anything here

48

00:02:02,709 --> 00:02:00,880

on youtube for a couple weeks

49

00:02:04,069 --> 00:02:02,719

besides like replying to some stuff in

50

00:02:07,510 --> 00:02:04,079

the comments so

51

00:02:10,070 --> 00:02:07,520

uh thanks for hanging in there everyone

52

00:02:10,790 --> 00:02:10,080

and we will try to get some stuff up
