

Pascagoula UFO Encounter

THOSE CONSPIRACY GUYS

1
00:00:11,190 --> 00:00:08,390
and i have an example

2
00:00:12,870 --> 00:00:11,200
of an abduction scenario that was

3
00:00:15,589 --> 00:00:12,880
painted in positive light but it turned

4
00:00:17,590 --> 00:00:15,599
out to be completely

5
00:00:19,429 --> 00:00:17,600
um

6
00:00:21,910 --> 00:00:19,439
i i guess you want me to play some audio

7
00:00:25,589 --> 00:00:21,920
on this on this guy yeah do man

8
00:00:27,830 --> 00:00:25,599
so this is from the um

9
00:00:30,310 --> 00:00:27,840
from mississippi i'll play this so this

10
00:00:32,229 --> 00:00:30,320
is uh this clip this initial clip it's

11
00:00:35,830 --> 00:00:32,239
it's a little longer but it's from the

12
00:00:39,110 --> 00:00:35,840
newest netflix ufo series called ufo top

13
00:00:42,229 --> 00:00:39,120

secret projects this is like episode six

14

00:00:44,549 --> 00:00:42,239

and it sets up this scenario where two

15

00:00:46,790 --> 00:00:44,559

guys a 19 year old and a 40 year old guy

16

00:00:48,709 --> 00:00:46,800

that they are on break from

17

00:00:50,229 --> 00:00:48,719

work and they're going out fishing and

18

00:00:53,270 --> 00:00:50,239

next thing you know they're in this

19

00:00:56,389 --> 00:00:53,280

incredible scenario here we go

20

00:01:00,910 --> 00:00:56,399

october 11 1973

21

00:01:07,670 --> 00:01:05,189

[Music]

22

00:01:09,750 --> 00:01:07,680

nineteen-year-old calvin parker and

23

00:01:12,950 --> 00:01:09,760

forty-year-old charles hickson

24

00:01:15,270 --> 00:01:12,960

shared a passion for fishing and on that

25

00:01:17,109 --> 00:01:15,280

fateful october day they were fishing

26
00:01:21,190 --> 00:01:17,119
from the pier of an old abandoned

27
00:01:25,030 --> 00:01:22,469
after a while

28
00:01:26,950 --> 00:01:25,040
they were disturbed by bluish flashes of

29
00:01:29,800 --> 00:01:26,960
light coming from behind them

30
00:01:31,990 --> 00:01:29,810
which calvin took to be a police car

31
00:01:34,789 --> 00:01:32,000
[Music]

32
00:01:36,310 --> 00:01:34,799
but soon they found out that it was

33
00:01:37,830 --> 00:01:36,320
something else

34
00:01:40,870 --> 00:01:37,840
as they looked up

35
00:01:43,590 --> 00:01:40,880
frozen in surprise hovering above them

36
00:01:44,790 --> 00:01:43,600
was an elliptical vessel the size of a

37
00:01:46,710 --> 00:01:44,800
football stadium

38
00:01:49,670 --> 00:01:46,720

[Music]

39

00:01:52,149 --> 00:01:49,680

the men were transfixed with fear as

40

00:01:54,870 --> 00:01:52,159

three robotic creatures descended

41

00:01:56,870 --> 00:01:54,880

silently to them and abducted them

42

00:02:00,789 --> 00:01:56,880

taking them back to their vessel where

43

00:02:07,109 --> 00:02:05,380

well i was just amazed about

44

00:02:09,029 --> 00:02:07,119

[Music]

45

00:02:11,110 --> 00:02:09,039

yeah they they're they're from they're

46

00:02:13,670 --> 00:02:11,120

from mississippi okay yeah i didn't

47

00:02:16,070 --> 00:02:13,680

expect that but then it was so perfect

48

00:02:18,630 --> 00:02:16,080

but uh this is the this is what it's

49

00:02:20,309 --> 00:02:18,640

like here in a in in america all right

50

00:02:23,350 --> 00:02:20,319

you get some of these people

51
00:02:26,949 --> 00:02:23,360
and this is his experience okay okay

52
00:02:29,030 --> 00:02:26,959
gordo this is his experience all right

53
00:02:31,110 --> 00:02:29,040
that light was coming from

54
00:02:33,750 --> 00:02:31,120
well i was scared

55
00:02:36,309 --> 00:02:33,760
too before we got there but you know i

56
00:02:38,869 --> 00:02:36,319
couldn't move for some reason and found

57
00:02:41,190 --> 00:02:38,879
out later on that he had injected us

58
00:02:43,190 --> 00:02:41,200
with some kind of

59
00:02:47,430 --> 00:02:43,200
a shot or drug or something they found

60
00:02:53,030 --> 00:02:50,070
they laid me on a table examination

61
00:02:54,150 --> 00:02:53,040
table with about a 16 to a 45 degree

62
00:02:55,990 --> 00:02:54,160
angle

63
00:02:58,070 --> 00:02:56,000

and i was looking straight up at the

64

00:02:59,990 --> 00:02:58,080

ceiling

65

00:03:02,790 --> 00:03:00,000

the creatures who transported them to

66

00:03:04,869 --> 00:03:02,800

the ship seemed artificial their

67

00:03:07,509 --> 00:03:04,879

somewhat jerky movements are more

68

00:03:09,589 --> 00:03:07,519

indicative of artificial intelligence

69

00:03:11,830 --> 00:03:09,599

but then another

70

00:03:13,830 --> 00:03:11,840

tears on the scene

71

00:03:16,149 --> 00:03:13,840

a being who moves differently and looks

72

00:03:17,190 --> 00:03:16,159

different approaches calvin parker to

73

00:03:19,430 --> 00:03:17,200

this day

74

00:03:21,830 --> 00:03:19,440

parker is convinced that this was the

75

00:03:23,990 --> 00:03:21,840

female of the species

76
00:03:25,830 --> 00:03:24,000
she had normal looking hands and her two

77
00:03:27,910 --> 00:03:25,840
middle fingers was the only thing off

78
00:03:30,309 --> 00:03:27,920
they was a little bit longer than

79
00:03:31,670 --> 00:03:30,319
the rest of her hands she had a normal

80
00:03:34,630 --> 00:03:31,680
looking face

81
00:03:36,550 --> 00:03:34,640
eyes nose ears

82
00:03:38,070 --> 00:03:36,560
she come up and she grabbed me by the

83
00:03:40,149 --> 00:03:38,080
cheek and kind of

84
00:03:41,990 --> 00:03:40,159
pinched my cheek like

85
00:03:44,229 --> 00:03:42,000
somebody's grandmother would rub their

86
00:03:46,229 --> 00:03:44,239
cheek and it didn't have no feelings in

87
00:03:48,149 --> 00:03:46,239
her fingers no warmth or nothing i

88
00:03:51,190 --> 00:03:48,159

couldn't feel anything

89

00:03:53,190 --> 00:03:51,200

then she took her left hand and she took

90

00:03:55,750 --> 00:03:53,200

me by the jaw

91

00:03:58,470 --> 00:03:55,760

and pushed my jaw down and took him

92

00:04:00,229 --> 00:03:58,480

other two fingers and run down my throat

93

00:04:01,670 --> 00:04:00,239

and tried to come up behind that little

94

00:04:03,429 --> 00:04:01,680

thing that hangs down in the back of

95

00:04:05,270 --> 00:04:03,439

your throat

96

00:04:07,350 --> 00:04:05,280

the one that nicky was asking my nose

97

00:04:08,869 --> 00:04:07,360

started bleeding i was choking i

98

00:04:11,350 --> 00:04:08,879

couldn't breathe

99

00:04:12,949 --> 00:04:11,360

and it you know it was getting scary by

100

00:04:15,990 --> 00:04:12,959

then because

101
00:04:19,030 --> 00:04:16,000
it was being abducted what it was

102
00:04:20,310 --> 00:04:19,040
she pulled it out

103
00:04:23,110 --> 00:04:20,320
mentally

104
00:04:25,270 --> 00:04:23,120
she told me she said uh

105
00:04:27,270 --> 00:04:25,280
we don't mean you no harm just like she

106
00:04:29,909 --> 00:04:27,280
was sitting there talking

107
00:04:32,710 --> 00:04:29,919
except it was in a female's voice and it

108
00:04:35,030 --> 00:04:32,720
was in english she backed up and she

109
00:04:37,189 --> 00:04:35,040
made a little mumbling noise and she

110
00:04:38,629 --> 00:04:37,199
summons this big ugly creature that

111
00:04:41,270 --> 00:04:38,639
brought me in there

112
00:04:42,950 --> 00:04:41,280
and he come by and he grabbed me by the

113
00:04:45,670 --> 00:04:42,960

arm and that's when i felt another

114

00:04:48,310 --> 00:04:45,680

injection going into my arm

115

00:04:49,430 --> 00:04:48,320

and i felt you know pretty well at ease

116

00:04:50,390 --> 00:04:49,440

then

117

00:04:53,350 --> 00:04:50,400

so

118

00:04:55,350 --> 00:04:53,360

he took me back out to the riverbank

119

00:04:57,430 --> 00:04:55,360

parker's account confirmed by the

120

00:04:59,430 --> 00:04:57,440

testimony of charles hickson

121

00:05:00,950 --> 00:04:59,440

suggests that in the vast majority of

122

00:05:03,590 --> 00:05:00,960

alien abductions

123

00:05:05,670 --> 00:05:03,600

it is a matter of scientific interest

124

00:05:07,909 --> 00:05:05,680

rather than an intention to harm the

125

00:05:09,830 --> 00:05:07,919

abductees

126

00:05:11,670 --> 00:05:09,840

so that was uh confirmed by there's

127

00:05:14,070 --> 00:05:11,680

another person there that experienced

128

00:05:16,629 --> 00:05:14,080

the same thing and an older gentleman

129

00:05:18,150 --> 00:05:16,639

there was a car with two people present

130

00:05:20,790 --> 00:05:18,160

there in that car they were making out

131

00:05:22,550 --> 00:05:20,800

to uh two people like on makeout ridge

132

00:05:23,909 --> 00:05:22,560

so uh there was

133

00:05:25,110 --> 00:05:23,919

enough evidence there it's like

134

00:05:27,830 --> 00:05:25,120

something happened there were lights in

135

00:05:29,590 --> 00:05:27,840

the sky something happened there yeah

136

00:05:31,350 --> 00:05:29,600

the accent doesn't help

137

00:05:33,510 --> 00:05:31,360

yeah actually this is so good

138

00:05:36,150 --> 00:05:33,520

she grabbed me by the jaw and she with

139

00:05:37,430 --> 00:05:36,160

her ladylock hand and then opened my

140

00:05:39,350 --> 00:05:37,440

mouth and

141

00:05:41,510 --> 00:05:39,360

put her two fingers in and what i

142

00:05:44,629 --> 00:05:41,520

realized she was doing was for feeding

143

00:05:45,990 --> 00:05:44,639

me a hard candy

144

00:05:50,150 --> 00:05:46,000

it

145

00:05:53,749 --> 00:05:50,160

help now he's speaking to me

146

00:05:57,990 --> 00:05:55,430

and it was in a

147

00:06:00,150 --> 00:05:58,000

mississippi accent funny

148

00:06:01,029 --> 00:06:00,160

what happened to my fish she took my

149

00:06:04,830 --> 00:06:01,039

fish

150

00:06:06,790 --> 00:06:04,840

was my

151
00:06:09,110 --> 00:06:06,800
lunch i had

152
00:06:11,430 --> 00:06:09,120
i had a really good spinner that she

153
00:06:14,790 --> 00:06:11,440
took i never got that spinner back man

154
00:06:18,230 --> 00:06:14,800
where's my bait my my tackle box was

155
00:06:21,670 --> 00:06:20,070
it doesn't help the legitimacy of the

156
00:06:23,270 --> 00:06:21,680
claims but um

157
00:06:24,870 --> 00:06:23,280
i mean like that sounds like it could

158
00:06:26,870 --> 00:06:24,880
have been done by you know government

159
00:06:29,510 --> 00:06:26,880
people pretending to be

160
00:06:31,189 --> 00:06:29,520
uh ufos to do to to or to pretend to be

161
00:06:32,629 --> 00:06:31,199
extraterrestrials and ufos that they

162
00:06:35,430 --> 00:06:32,639
made themselves

163
00:06:37,110 --> 00:06:35,440

to continue on uh

164

00:06:38,550 --> 00:06:37,120

possibly illegal human experiments then

165

00:06:40,390 --> 00:06:38,560

we're talking about like you get into

166

00:06:41,749 --> 00:06:40,400

the mufal khan business and you start

167

00:06:43,990 --> 00:06:41,759

looking at how many people are abducted

168

00:06:46,950 --> 00:06:44,000

and how many people have uh abduction

169

00:06:48,390 --> 00:06:46,960

tales and stories and stories of um

170

00:06:49,189 --> 00:06:48,400

medical experiments being

171

00:06:50,629 --> 00:06:49,199

being

172

00:06:52,150 --> 00:06:50,639

done on them against their will and [\h__\h]

173

00:06:54,390 --> 00:06:52,160

like that and it's into the thousands

174

00:06:56,150 --> 00:06:54,400

per year so i mean if it

175

00:06:58,629 --> 00:06:56,160

look okay

176

00:07:00,550 --> 00:06:58,639

way out like way out slap in the left

177

00:07:03,029 --> 00:07:00,560

field there

178

00:07:04,710 --> 00:07:03,039

maybe think about this maybe

179

00:07:06,629 --> 00:07:04,720

the american government

180

00:07:09,350 --> 00:07:06,639

wanted to get into space aliens kind of

181

00:07:11,990 --> 00:07:09,360

stuff but also they had as we know

182

00:07:14,150 --> 00:07:12,000

co-opted a bunch of nazis after world

183

00:07:15,189 --> 00:07:14,160

war ii into the american system through

184

00:07:17,270 --> 00:07:15,199

operation paper clip and those

185

00:07:19,670 --> 00:07:17,280

[h__\h] needed to be like well we

186

00:07:22,629 --> 00:07:19,680

need to keep doing these very important

187

00:07:23,990 --> 00:07:22,639

medical uh examinations but uh

188

00:07:26,550 --> 00:07:24,000

because of your

189

00:07:28,710 --> 00:07:26,560

geneva convention uh we can't uh

190

00:07:32,070 --> 00:07:28,720

continue to do this on to the humans

191

00:07:34,469 --> 00:07:32,080

because you know uh they they uh

192

00:07:36,230 --> 00:07:34,479

they don't like it some way um so how

193

00:07:38,309 --> 00:07:36,240

can we keep doing this and then they're

194

00:07:41,029 --> 00:07:38,319

already deeply into nasa so they're like

195

00:07:42,550 --> 00:07:41,039

okay let's make the spaceships and then

196

00:07:44,710 --> 00:07:42,560

flies the spaceships and pretend to be

197

00:07:45,830 --> 00:07:44,720

the aliens and do the experiments on the

198

00:07:47,990 --> 00:07:45,840

humans

199

00:07:49,990 --> 00:07:48,000

but make them think it's aliens and then

200

00:07:52,550 --> 00:07:50,000

when they tell people no one will

201
00:07:54,869 --> 00:07:52,560
believe them and we get our results we

202
00:07:56,469 --> 00:07:54,879
also make propaganda of the fear we get

203
00:07:58,710 --> 00:07:56,479
to test out the

204
00:08:01,029 --> 00:07:58,720
vehicles that we are making and how the

205
00:08:03,029 --> 00:08:01,039
cloaking technology since uh the

206
00:08:04,070 --> 00:08:03,039
anti-gravity and such i mean it's a vin

207
00:08:06,230 --> 00:08:04,080
vin win

208
00:08:08,710 --> 00:08:06,240
for all for everybody you know i that's

209
00:08:09,830 --> 00:08:08,720
a totally plausible explanation for that

210
00:08:12,790 --> 00:08:09,840
to me

211
00:08:14,629 --> 00:08:12,800
it's just uh it's on the same level as

212
00:08:15,830 --> 00:08:14,639
aliens um

213
00:08:17,830 --> 00:08:15,840

yeah i mean

214

00:08:19,510 --> 00:08:17,840

you know that the nazis were

215

00:08:21,749 --> 00:08:19,520

experimenting with some pretty radical

216

00:08:23,589 --> 00:08:21,759

technology at the time and through

217

00:08:25,189 --> 00:08:23,599

operation paperclip we took a lot of

218

00:08:28,309 --> 00:08:25,199

that technology a lot of the scientists

219

00:08:31,110 --> 00:08:28,319

over and uh they helped run you know our

220

00:08:32,949 --> 00:08:31,120

cia or our intelligence agencies nasa

221

00:08:35,509 --> 00:08:32,959

over here and they did the same thing

222

00:08:37,750 --> 00:08:35,519

over in russia also i think that there

223

00:08:40,790 --> 00:08:37,760

probably were alien abductions

224

00:08:43,029 --> 00:08:40,800

and that the

225

00:08:44,630 --> 00:08:43,039

if we did have that technology they

226

00:08:47,269 --> 00:08:44,640

probably said to themselves look the

227

00:08:49,829 --> 00:08:47,279

aliens are abducting our own

228

00:08:51,829 --> 00:08:49,839

populations for some reason we should

229

00:08:54,070 --> 00:08:51,839

probably do the same thing

230

00:08:56,150 --> 00:08:54,080

just to see if we can glean any sort of

231

00:08:58,070 --> 00:08:56,160

information from this operation we don't

232

00:09:00,870 --> 00:08:58,080

know what we're doing we're going to do

233

00:09:03,910 --> 00:09:00,880

it and maybe we'll get some information

234

00:09:06,310 --> 00:09:03,920

um so they are acting like the aliens in

235

00:09:08,230 --> 00:09:06,320

an effort to learn more about them

236

00:09:10,310 --> 00:09:08,240

that's a possibility would the

237

00:09:12,700 --> 00:09:10,320

statistics stand up to that scrutiny

238

00:09:14,150 --> 00:09:12,710

like i mean uh wouldn't it be

239

00:09:16,230 --> 00:09:14,160

[Music]

240

00:09:17,750 --> 00:09:16,240

if it was if it was just a random

241

00:09:19,430 --> 00:09:17,760

sampling if the aliens were trying to

242

00:09:22,630 --> 00:09:19,440

get a random sampling of human tissue

243

00:09:25,910 --> 00:09:22,640

and dna and genetic code wouldn't there

244

00:09:28,389 --> 00:09:25,920

be as many reports of

245

00:09:31,110 --> 00:09:28,399

abductions and experiments done in say

246

00:09:33,190 --> 00:09:31,120

very high density population areas like

247

00:09:35,750 --> 00:09:33,200

in india and china for example like how

248

00:09:38,310 --> 00:09:35,760

many reports

249

00:09:41,110 --> 00:09:38,320

of alien abductions with such detail and

250

00:09:43,910 --> 00:09:41,120

veracity come from like russia or from

251
00:09:46,550 --> 00:09:43,920
the continent of africa like how many

252
00:09:49,030 --> 00:09:46,560
how many people in the congo are in in

253
00:09:51,430 --> 00:09:49,040
botswana or sierra leone have been

254
00:09:53,269 --> 00:09:51,440
abducted and come back and go like

255
00:09:54,870 --> 00:09:53,279
tell the whole story

256
00:09:56,630 --> 00:09:54,880
and it was like little gray

257
00:09:58,790 --> 00:09:56,640
lads who were like poking around it

258
00:10:00,949 --> 00:09:58,800
seems a lot of them come from america

259
00:10:04,949 --> 00:10:00,959
because they're pirating

260
00:10:06,790 --> 00:10:04,959
media that they've consumed and whatever

261
00:10:08,470 --> 00:10:06,800
i guess like i'm not like poo poo in

262
00:10:09,750 --> 00:10:08,480
anyone's abduction experience but i'm

263
00:10:11,269 --> 00:10:09,760

saying like

264

00:10:12,870 --> 00:10:11,279

they're apparently telling the same

265

00:10:14,069 --> 00:10:12,880

story it's the same as the tread that

266

00:10:15,430 --> 00:10:14,079

goes through and it seems to be stuff

267

00:10:18,389 --> 00:10:15,440

that's come from

268

00:10:20,949 --> 00:10:18,399

uh mainstream entertainment media are

269

00:10:22,870 --> 00:10:20,959

indeed like true listen to other people

270

00:10:24,470 --> 00:10:22,880

tell their stories and go oh

271

00:10:27,190 --> 00:10:24,480

i'd like a bit of that kind of attention

272

00:10:29,269 --> 00:10:27,200

it happened to me as well you know it

273

00:10:30,949 --> 00:10:29,279

why does america have the most amount of

274

00:10:33,990 --> 00:10:30,959

abductions

275

00:10:36,310 --> 00:10:34,000

it's possible and i i think that so

276

00:10:38,389 --> 00:10:36,320

abductions and have been happening

277

00:10:40,310 --> 00:10:38,399

throughout uh recorded human history in

278

00:10:42,949 --> 00:10:40,320

some magical mystical thing whether it's

279

00:10:45,829 --> 00:10:42,959

fairies elves dwarves taking you to this

280

00:10:47,030 --> 00:10:45,839

underground mystical uh cavern there's

281

00:10:49,590 --> 00:10:47,040

there seems to be some sort of

282

00:10:52,310 --> 00:10:49,600

paranormal interaction between us humans

283

00:10:55,030 --> 00:10:52,320

and some other force out there it does

284

00:10:57,269 --> 00:10:55,040

appear if it's a genuine abduction it

285

00:11:00,150 --> 00:10:57,279

appears to use our consciousness and

286

00:11:02,310 --> 00:11:00,160

experience to build the scenario in

287

00:11:05,430 --> 00:11:02,320

which you remember that abduction

288

00:11:08,230 --> 00:11:05,440

uh i think that's a possibility but with

289

00:11:10,870 --> 00:11:08,240

this guy's abduction the the pascagoula

290

00:11:13,430 --> 00:11:10,880

mississippi encounter they leave it on

291

00:11:15,350 --> 00:11:13,440

oh you know what people who are abducted

292

00:11:17,269 --> 00:11:15,360

and continue to be abducted they have a

293

00:11:19,430 --> 00:11:17,279

positive experience

294

00:11:22,389 --> 00:11:19,440

they left out there's more of this guy

295

00:11:24,790 --> 00:11:22,399

that where it got bad and this guy went

296

00:11:26,710 --> 00:11:24,800

into he got abducted again

297

00:11:29,590 --> 00:11:26,720

a couple more times he went into

298

00:11:32,870 --> 00:11:29,600

hypnosis under hypnosis to try to

299

00:11:34,150 --> 00:11:32,880

uh get some more information

300

00:11:35,269 --> 00:11:34,160

to do butt stuff

301

00:11:36,870 --> 00:11:35,279

uh

302

00:11:39,829 --> 00:11:36,880

they got into a fight

303

00:11:42,710 --> 00:11:39,839

this guy started actually fighting back

304

00:11:43,990 --> 00:11:42,720

against these aliens and grabbed the

305

00:11:46,069 --> 00:11:44,000

uh then

306

00:11:48,069 --> 00:11:46,079

i've had me a couple of kinds of pbr and

307

00:11:49,910 --> 00:11:48,079

i was just i'm you're not he ain't

308

00:11:52,150 --> 00:11:49,920

sticking fingers down my fruit tonight

309

00:11:54,550 --> 00:11:52,160

baby al here here's a little bit of

310

00:11:55,750 --> 00:11:54,560

here's a little bit of his uh encounter

311

00:11:58,470 --> 00:11:55,760

and fight

312

00:12:00,629 --> 00:11:58,480

but these things had came back

313

00:12:02,150 --> 00:12:00,639

and when i went on board the ship i said

314

00:12:04,550 --> 00:12:02,160

uh

315

00:12:06,389 --> 00:12:04,560

i know this [\h__\h] i know her she's here

316

00:12:09,030 --> 00:12:06,399

to kill me this time

317

00:12:11,030 --> 00:12:09,040

and i was saying that on the tape

318

00:12:13,750 --> 00:12:11,040

and i was telling that to bud hopkins

319

00:12:15,430 --> 00:12:13,760

while i was under hypnosis on that but

320

00:12:16,870 --> 00:12:15,440

we actually got in the physical

321

00:12:17,750 --> 00:12:16,880

competition

322

00:12:20,310 --> 00:12:17,760

she

323

00:12:23,190 --> 00:12:20,320

did the same thing and i think they had

324

00:12:25,110 --> 00:12:23,200

installed a tracker in my nose and she

325

00:12:27,430 --> 00:12:25,120

was going to pull it out

326

00:12:29,670 --> 00:12:27,440

and i finally just got tired of it you

327

00:12:31,190 --> 00:12:29,680

know you eventually get bullied around

328

00:12:33,430 --> 00:12:31,200

enough you're going to get tired of it

329

00:12:36,470 --> 00:12:33,440

you're going to fight back

330

00:12:39,190 --> 00:12:36,480

so uh while this was going on is she had

331

00:12:41,990 --> 00:12:39,200

this her fingers down my throat choking

332

00:12:44,069 --> 00:12:42,000

me again and me bleeding i yanked her

333

00:12:45,590 --> 00:12:44,079

hand out and i grabbed her by the head

334

00:12:46,550 --> 00:12:45,600

and i started beating it against the

335

00:12:48,550 --> 00:12:46,560

wall

336

00:12:49,990 --> 00:12:48,560

she actually started bleeding out her

337

00:12:52,310 --> 00:12:50,000

ears now

338

00:12:54,710 --> 00:12:52,320

she got blood all over my shirt me and

339

00:12:57,670 --> 00:12:54,720

her was both bloody because she called

340

00:12:59,910 --> 00:12:57,680

her big ugly friend back a big robotic

341

00:13:01,910 --> 00:12:59,920

looking creature they tested the shirts

342

00:13:03,910 --> 00:13:01,920

this is the my intentions were that's

343

00:13:06,550 --> 00:13:03,920

what i was like if they're bloody there

344

00:13:08,629 --> 00:13:06,560

should be some evidence left over on him

345

00:13:10,870 --> 00:13:08,639

right yeah where where yeah ted's not my

346

00:13:12,629 --> 00:13:10,880

shirt yeah

347

00:13:14,710 --> 00:13:12,639

her around the neck

348

00:13:17,750 --> 00:13:14,720

and i was gonna jump out of that craft

349

00:13:19,350 --> 00:13:17,760

or where i was if i could find a door

350

00:13:21,670 --> 00:13:19,360

and i was taking her with me i didn't

351
00:13:24,150 --> 00:13:21,680
care how high off the ground i was where

352
00:13:27,509 --> 00:13:24,160
i was they hit in the water i didn't

353
00:13:30,790 --> 00:13:27,519
care if it killed me i was ready to die

354
00:13:33,269 --> 00:13:30,800
to prove a point i guess and i was tired

355
00:13:35,750 --> 00:13:33,279
of being bullied

356
00:13:38,230 --> 00:13:35,760
so i went through all this

357
00:13:41,030 --> 00:13:38,240
and i described what happened

358
00:13:43,350 --> 00:13:41,040
and i've described in great detail

359
00:13:46,069 --> 00:13:43,360
even detail that's hard for me to

360
00:13:49,590 --> 00:13:46,079
remember right now

361
00:13:51,110 --> 00:13:49,600
and so he does go back into like i have

362
00:13:52,949 --> 00:13:51,120
some audio of him they didn't play that

363
00:13:55,750 --> 00:13:52,959

in the net the netflix series i had to

364

00:13:58,710 --> 00:13:55,760

dig and find that in a different movie

365

00:13:59,509 --> 00:13:58,720

uh and he doesn't go under hypnosis

366

00:14:02,150 --> 00:13:59,519

and

367

00:14:04,710 --> 00:14:02,160

through hypnosis he is communicating

368

00:14:06,949 --> 00:14:04,720

with this alien woman

369

00:14:08,389 --> 00:14:06,959

and they they say to him they say to bud

370

00:14:09,750 --> 00:14:08,399

the guy the human say hey you're not

371

00:14:13,269 --> 00:14:09,760

going to be a threat to us anymore they

372

00:14:15,670 --> 00:14:13,279

injected him with some sort of

373

00:14:17,110 --> 00:14:15,680

drug that paralyzed him

374

00:14:18,310 --> 00:14:17,120

she was communicating with this guy

375

00:14:20,069 --> 00:14:18,320

telepathically he said you're not going

376

00:14:21,590 --> 00:14:20,079

to be a threat to us anymore and then

377

00:14:23,829 --> 00:14:21,600

they started trading thoughts back and

378

00:14:25,030 --> 00:14:23,839

forth and he started getting all these

379

00:14:28,230 --> 00:14:25,040

uh

380

00:14:31,509 --> 00:14:28,240

thoughts and feelings and images of

381

00:14:34,310 --> 00:14:31,519

events to come and the the future and

382

00:14:35,269 --> 00:14:34,320

the past and he got this sense of evil

383

00:14:37,269 --> 00:14:35,279

but

384

00:14:39,670 --> 00:14:37,279

i i'll i'm gonna play like a little bit

385

00:14:42,949 --> 00:14:39,680

of this hypnosis thing because he goes

386

00:14:47,750 --> 00:14:42,959

into like an alien he's getting a sense

387

00:14:49,189 --> 00:14:47,760

of an alien takeover of our bodies

388

00:14:50,069 --> 00:14:49,199

yeah so that's something that's

389

00:14:52,230 --> 00:14:50,079

something like that's something like

390

00:14:53,750 --> 00:14:52,240

xenu and the and the uh the spirits from

391

00:14:55,590 --> 00:14:53,760

the volcano are taking us over the

392

00:14:57,430 --> 00:14:55,600

thetans yeah

393

00:14:59,910 --> 00:14:57,440

but like is it not before you play it is

394

00:15:01,670 --> 00:14:59,920

it not like kind of okay bud

395

00:15:03,670 --> 00:15:01,680

on your first time it's weird second

396

00:15:05,590 --> 00:15:03,680

time not great third time you know

397

00:15:07,670 --> 00:15:05,600

what's happening fourth time

398

00:15:09,990 --> 00:15:07,680

i'd be saving that shirt the dna will

399

00:15:11,509 --> 00:15:10,000

last for a while to get it tested i'd

400

00:15:13,110 --> 00:15:11,519

also be going and straight away getting

401
00:15:14,949 --> 00:15:13,120
a toxicology report to find out what it

402
00:15:18,069 --> 00:15:14,959
was injected with and if you find out

403
00:15:20,150 --> 00:15:18,079
that the blood is human and the drug is

404
00:15:21,670 --> 00:15:20,160
like fentanyl or something like that

405
00:15:23,350 --> 00:15:21,680
then

406
00:15:25,110 --> 00:15:23,360
you know you have a you have a human

407
00:15:26,230 --> 00:15:25,120
abduction

408
00:15:28,389 --> 00:15:26,240
you know purporting themselves to be

409
00:15:30,230 --> 00:15:28,399
aliens on your hands like that's ghb i

410
00:15:32,150 --> 00:15:30,240
mean that's uh in psp or whatever

411
00:15:33,910 --> 00:15:32,160
ketamine or whatever they got going on

412
00:15:36,790 --> 00:15:33,920
i'd be straight away in after that going

413
00:15:40,230 --> 00:15:36,800

like okay give me an alien rape kit

414

00:15:43,509 --> 00:15:40,240

and test whatever [h__h] is on me

415

00:15:46,629 --> 00:15:43,519

i uh i would tend to agree like you have

416

00:15:50,150 --> 00:15:46,639

to preserve all evidence yeah and it's

417

00:15:52,069 --> 00:15:50,160

just it it's it's frustrating that uh it

418

00:15:54,310 --> 00:15:52,079

doesn't exist or if it does it's not

419

00:15:56,150 --> 00:15:54,320

being reported on or i didn't see it

420

00:15:57,990 --> 00:15:56,160

mentioned in any of the documentaries i

421

00:15:59,509 --> 00:15:58,000

watched or ready to read about in any of

422

00:16:01,350 --> 00:15:59,519

the articles so

423

00:16:03,670 --> 00:16:01,360

uh here's just a little bit of his of

424

00:16:06,310 --> 00:16:03,680

his hypnosis it's not the best quality

425

00:16:08,470 --> 00:16:06,320

but you can hear him uh talk about uh

426

00:16:10,389 --> 00:16:08,480

his experience in the the

427

00:16:12,629 --> 00:16:10,399

the very last part of his interaction

428

00:16:16,230 --> 00:16:12,639

with these aliens she's pulling thoughts

429

00:16:19,030 --> 00:16:16,240

out of my head everything that i know

430

00:16:22,310 --> 00:16:19,040

and she's pulling dogs out and she tells

431

00:16:24,470 --> 00:16:22,320

me she tells me she says you're not

432

00:16:26,230 --> 00:16:24,480

going to be any danger to us

433

00:16:27,910 --> 00:16:26,240

and i don't remember sending a signal

434

00:16:30,790 --> 00:16:27,920

back i said to us

435

00:16:33,110 --> 00:16:30,800

who is us she said you will no longer be

436

00:16:35,269 --> 00:16:33,120

a threat i didn't know i was a threat to

437

00:16:37,030 --> 00:16:35,279

start with but you can bet i will be a

438

00:16:38,710 --> 00:16:37,040

threat from that one

439

00:16:40,550 --> 00:16:38,720

she's evil

440

00:16:43,030 --> 00:16:40,560

she's really evil

441

00:16:45,269 --> 00:16:43,040

i can see destruction

442

00:16:48,870 --> 00:16:45,279

i'm able to see things that i've never

443

00:16:52,389 --> 00:16:48,880

seen before now what do you see

444

00:16:59,749 --> 00:16:56,389

and that's like it for me now excuse me

445

00:17:01,269 --> 00:16:59,759

and she's afraid of this life

446

00:17:03,590 --> 00:17:01,279

she's really afraid of this life she's

447

00:17:05,270 --> 00:17:03,600

turning her head now she's she's getting

448

00:17:06,949 --> 00:17:05,280

back into a corner and trying to get out

449

00:17:09,350 --> 00:17:06,959

the door while there's light shining on

450

00:17:11,350 --> 00:17:09,360

me and through this light i can see

451
00:17:13,270 --> 00:17:11,360
things just to come and things that's

452
00:17:16,390 --> 00:17:13,280
the past

453
00:17:19,350 --> 00:17:16,400
i know things that i never know again

454
00:17:21,669 --> 00:17:19,360
it's not right i hate the fellow man

455
00:17:23,429 --> 00:17:21,679
but i hate what's going on

456
00:17:26,230 --> 00:17:23,439
it's like shouting on me that she's

457
00:17:28,789 --> 00:17:26,240
afraid of when i see the destruction i

458
00:17:29,909 --> 00:17:28,799
see the world being changed for what

459
00:17:32,710 --> 00:17:29,919
it's not

460
00:17:35,029 --> 00:17:32,720
i see them possessing bodies

461
00:17:36,549 --> 00:17:35,039
and taking them over and yet i have the

462
00:17:39,430 --> 00:17:36,559
power to fight it

463
00:17:42,470 --> 00:17:39,440

i have the power to know who it is i can

464

00:17:44,950 --> 00:17:42,480

see through her now in the last game i'm

465

00:17:48,549 --> 00:17:44,960

a total peace with myself

466

00:17:51,510 --> 00:17:48,559

she's evil she's really evil

467

00:17:54,630 --> 00:17:51,520

i mean he goes yeah he says i see them

468

00:17:56,390 --> 00:17:54,640

possessing bodies and taking over

469

00:17:58,310 --> 00:17:56,400

i i mean i mean is this a feather that

470

00:18:00,470 --> 00:17:58,320

grew up on movies like invasion of body

471

00:18:03,270 --> 00:18:00,480

snatchers in the late 70s well of course

472

00:18:06,870 --> 00:18:03,280

i mean that's that's his age

473

00:18:09,190 --> 00:18:06,880

sci-fi early 60s sci-fi in the in the um

474

00:18:11,669 --> 00:18:09,200

in his in his

475

00:18:12,870 --> 00:18:11,679

extraterrestrial zeitgeist

476
00:18:15,909 --> 00:18:12,880
they're coming down they're taking over

477
00:18:18,549 --> 00:18:15,919
bodies you know

478
00:18:21,510 --> 00:18:18,559
i'd love to know the imagery

479
00:18:23,750 --> 00:18:21,520
more in depth from from movies of that

480
00:18:25,510 --> 00:18:23,760
time alien movies at that time

481
00:18:27,270 --> 00:18:25,520
like the robots and it did the earth

482
00:18:30,230 --> 00:18:27,280
stood still maybe something like that

483
00:18:33,350 --> 00:18:30,240
well i will say so the the robots that

484
00:18:36,470 --> 00:18:33,360
took this guy he describes them as like

485
00:18:39,510 --> 00:18:36,480
seven to eight feet tall they basically

486
00:18:40,789 --> 00:18:39,520
were gray and with like a lot of like

487
00:18:42,710 --> 00:18:40,799
ridges around them like they're just

488
00:18:46,390 --> 00:18:42,720

kind of like

489

00:18:48,630 --> 00:18:46,400

they have like uh

490

00:18:50,470 --> 00:18:48,640

almost what you look like carrots coming

491

00:18:52,950 --> 00:18:50,480

out of their ears and a carrot for a

492

00:18:55,590 --> 00:18:52,960

nose like that object but gray

493

00:18:57,350 --> 00:18:55,600

and just like like

494

00:19:00,230 --> 00:18:57,360

from doctor who or some [h__h] like yeah

495

00:19:02,549 --> 00:19:00,240

just a ridiculous looking alien yeah why

496

00:19:05,029 --> 00:19:02,559

why do aliens need uh ears and a nose

497

00:19:06,150 --> 00:19:05,039

and a robot to humanize them so we can

498

00:19:07,510 --> 00:19:06,160

look at them in the face like they don't

499

00:19:10,549 --> 00:19:07,520

need that [h__h] it's [h__h] it's

500

00:19:13,909 --> 00:19:12,870

i don't know bud could have something

501
00:19:14,630 --> 00:19:13,919
there

502
00:19:16,870 --> 00:19:14,640
but

503
00:19:19,669 --> 00:19:16,880
probably it's like

504
00:19:21,750 --> 00:19:19,679
not a thing if i'm to be honest like my

505
00:19:23,990 --> 00:19:21,760
good feeling is like he could be one of

506
00:19:26,070 --> 00:19:24,000
these guys like you ever listen to uh s

507
00:19:28,230 --> 00:19:26,080
town you know that that podcast

508
00:19:30,230 --> 00:19:28,240
no that's town from uh from the people

509
00:19:31,669 --> 00:19:30,240
that brought you uh cereal

510
00:19:33,830 --> 00:19:31,679
and it's one of these lads that came

511
00:19:35,590 --> 00:19:33,840
down from new york and he went down to

512
00:19:37,190 --> 00:19:35,600
i don't know alabama or somewhere like

513
00:19:40,310 --> 00:19:37,200

that and he ended up meeting this guy

514

00:19:41,990 --> 00:19:40,320

who was like super smart and he was a

515

00:19:44,230 --> 00:19:42,000

closeted homosexual and he was getting

516

00:19:45,750 --> 00:19:44,240

tattoos from this other lad and

517

00:19:48,470 --> 00:19:45,760

he buried a lot of gold and all this

518

00:19:51,590 --> 00:19:48,480

kind of [h__h] crazy story great series

519

00:19:53,990 --> 00:19:51,600

you know really really well made um

520

00:19:56,549 --> 00:19:54,000

journalistic podcast river but this guy

521

00:19:58,549 --> 00:19:56,559

like was playing country dumb

522

00:20:00,310 --> 00:19:58,559

but he was a [h__h] super smart dude

523

00:20:02,230 --> 00:20:00,320

partaking in

524

00:20:04,149 --> 00:20:02,240

the uh

525

00:20:06,789 --> 00:20:04,159

i guess the trappings of his

526
00:20:08,230 --> 00:20:06,799
locality it was like very rural for

527
00:20:09,190 --> 00:20:08,240
backwoods

528
00:20:10,470 --> 00:20:09,200
you know

529
00:20:12,149 --> 00:20:10,480
um

530
00:20:13,990 --> 00:20:12,159
and he was super intelligent and he was

531
00:20:15,990 --> 00:20:14,000
manipulating people he wrote this letter

532
00:20:17,190 --> 00:20:16,000
to this [h__h] office in new york and

533
00:20:18,230 --> 00:20:17,200
was like come down and make a podcast

534
00:20:19,830 --> 00:20:18,240
about me and ended up being one of the

535
00:20:22,870 --> 00:20:19,840
most successful

536
00:20:24,470 --> 00:20:22,880
series ever made uh s town check it out

537
00:20:25,830 --> 00:20:24,480
like and uh

538
00:20:27,270 --> 00:20:25,840

he knew what he was doing he was telling

539

00:20:29,830 --> 00:20:27,280

a story he wanted to get he was [h__h]

540

00:20:31,270 --> 00:20:29,840

depressed and he was a bit you know

541

00:20:32,950 --> 00:20:31,280

mentally unstable and he wanted to get a

542

00:20:34,630 --> 00:20:32,960

bit of attention so he just [h__h]

543

00:20:36,390 --> 00:20:34,640

fabricated this story about this person

544

00:20:37,510 --> 00:20:36,400

trying to kill him and it's like a true

545

00:20:39,669 --> 00:20:37,520

crime thing because he knew true crime

546

00:20:40,390 --> 00:20:39,679

podcasts were getting big and this whole

547

00:20:41,990 --> 00:20:40,400

big

548

00:20:43,430 --> 00:20:42,000

you know

549

00:20:45,190 --> 00:20:43,440

[h__h] story to get a bunch of

550

00:20:46,549 --> 00:20:45,200

attention to get the cameras to come

551
00:20:48,710 --> 00:20:46,559
down every year you get people to come

552
00:20:49,909 --> 00:20:48,720
down year on year to inve to to

553
00:20:51,590 --> 00:20:49,919
investigate and keep them company and

554
00:20:53,669 --> 00:20:51,600
keep them busy and

555
00:20:55,110 --> 00:20:53,679
like maybe budd is like a secret super

556
00:20:56,870 --> 00:20:55,120
smart guy

557
00:20:58,470 --> 00:20:56,880
who's like i'm going to

558
00:21:00,390 --> 00:20:58,480
you know i'm a great story writer but i

559
00:21:02,310 --> 00:21:00,400
ain't got a tap rather or a word

560
00:21:03,909 --> 00:21:02,320
processor so i'm going to just tell the

561
00:21:05,110 --> 00:21:03,919
story and i hope

562
00:21:08,310 --> 00:21:05,120
some people are going to come down with

563
00:21:10,230 --> 00:21:08,320

their recorders and video cameras and

564

00:21:11,590 --> 00:21:10,240

i can talk to them like maybe he's just

565

00:21:12,710 --> 00:21:11,600

looking for a bit of notice and he's

566

00:21:13,909 --> 00:21:12,720

super smart and he doesn't get to

567

00:21:16,470 --> 00:21:13,919

exercise it

568

00:21:18,630 --> 00:21:16,480

like very possible it's possible

569

00:21:21,029 --> 00:21:18,640

uh in that case then you have people

570

00:21:23,669 --> 00:21:21,039

like travis walton fire in the sky

571

00:21:25,510 --> 00:21:23,679

where there is uh

572

00:21:28,470 --> 00:21:25,520

multiple people involved with that story

573

00:21:30,789 --> 00:21:28,480

then you have a betty in barney hill yes

574

00:21:32,789 --> 00:21:30,799

a mixed race couple they probably didn't

575

00:21:34,470 --> 00:21:32,799

want any unwanted attention especially

576

00:21:35,669 --> 00:21:34,480

around this subject

577

00:21:37,510 --> 00:21:35,679

so

578

00:21:39,669 --> 00:21:37,520

if it is a government operation and

579

00:21:42,230 --> 00:21:39,679

these are like this is this is

580

00:21:44,789 --> 00:21:42,240

government military abductions my labs

581

00:21:46,549 --> 00:21:44,799

to what end what is the purpose beyond

582

00:21:49,350 --> 00:21:46,559

scaring the hell out of the population

583

00:21:50,950 --> 00:21:49,360

and creating this narrative of

584

00:21:53,909 --> 00:21:50,960

alien abductions that they could then

585

00:21:56,310 --> 00:21:53,919

use later to usher in

586

00:21:58,870 --> 00:21:56,320

unlimited control and space taxes for

587

00:22:01,510 --> 00:21:58,880

everyone well like i said maybe they are

588

00:22:03,669 --> 00:22:01,520

putting some microchips into the people

589

00:22:06,310 --> 00:22:03,679

and finding them again because of the

590

00:22:09,270 --> 00:22:06,320

tracking devices that are

591

00:22:12,390 --> 00:22:09,280

you know indiscernible from

592

00:22:14,310 --> 00:22:12,400

metal detectors and from mri machines

593

00:22:15,669 --> 00:22:14,320

and x-rays and such

594

00:22:18,630 --> 00:22:15,679

maybe they're putting [h__h] into people
