barringer one of some of the finest and

6  
00:00:14,549 --> 00:00:13,440  
audio equipment

7  
00:00:18,070 --> 00:00:14,559  
it's uh

8  
00:00:19,990 --> 00:00:18,080  
for uh low-rent podcast but it works

9  
00:00:22,790 --> 00:00:20,000  
yeah uh we got the

10  
00:00:24,950 --> 00:00:22,800  
the new uh compressor here what's this

11  
00:00:27,189 --> 00:00:24,960  
thing mike that is the task

12  
00:00:29,509 --> 00:00:27,199  
dr 100

13  
00:00:31,429 --> 00:00:29,519

it's for uh recording with shows and

14

00:00:34,470 --> 00:00:31,439

doing uh live

15

00:00:36,470 --> 00:00:34,480

um out in the field recording spot let's

16

00:00:39,510 --> 00:00:36,480

see that's the compressor below that is

17

00:00:40,549 --> 00:00:39,520

the mic mixer brand new

18

00:00:43,510 --> 00:00:40,559

board

19

00:00:46,069 --> 00:00:43,520

that is mac number one for uh now you

20

00:00:47,910 --> 00:00:46,079

would think just any idiot

21

00:00:49,830 --> 00:00:47,920

grab garage bands

22

00:00:51,189 --> 00:00:49,840

go hit your little podcast section up on

23

00:00:53,110 --> 00:00:51,199

there now

24

00:00:55,110 --> 00:00:53,120

we're gonna do that let's run these here

25

00:00:56,950 --> 00:00:55,120

this is the sound board that's my

26  
00:00:58,709 --> 00:00:56,960  
microphone bradford's actually leaning

27  
00:01:01,349 --> 00:00:58,719  
on jeff's microphone

28  
00:01:03,349 --> 00:01:01,359  
and that would be bradford's section

29  
00:01:05,270 --> 00:01:03,359  
yeah he's quarantined off away from jeff

30  
00:01:08,870 --> 00:01:05,280  
oh wait we're professionals if anyone

31  
00:01:13,750 --> 00:01:10,950  
okay so

32  
00:01:15,990 --> 00:01:13,760  
episode 200 is done and we spent a good

33  
00:01:17,429 --> 00:01:16,000  
deal of the time talking about how messy

34  
00:01:19,749 --> 00:01:17,439  
i mike

35  
00:01:22,950 --> 00:01:19,759  
am and

36  
00:01:25,510 --> 00:01:22,960  
as you can see um the apartment

37  
00:01:27,510 --> 00:01:25,520  
is a bit mismanaged at this point in

38  
00:01:29,190 --> 00:01:27,520

time this is where the kitty eats right

39

00:01:31,749 --> 00:01:29,200

next to the stove that's where he likes

40

00:01:33,910 --> 00:01:31,759

it he likes to be close to the stove

41

00:01:35,590 --> 00:01:33,920

and on top of a cooler

42

00:01:37,830 --> 00:01:35,600

uh he's a party cat

43

00:01:41,350 --> 00:01:37,840

and uh you can see the

44

00:01:43,749 --> 00:01:41,360

the stove is pretty well taken care of

45

00:01:45,270 --> 00:01:43,759

other than there's some pots and they've

46

00:01:47,510 --> 00:01:45,280

cleaned

47

00:01:49,749 --> 00:01:47,520

and some dishes there

48

00:01:51,030 --> 00:01:49,759

i do i clean the dishes here in the sink

49

00:01:54,870 --> 00:01:51,040

and then i put them over here but this

50

00:01:56,709 --> 00:01:54,880

is where the cat also likes to lay down

51

00:01:59,429 --> 00:01:56,719

so it's a catch-22

52

00:02:00,870 --> 00:01:59,439

uh i think that's how you what it means

53

00:02:03,990 --> 00:02:00,880

and then here's a garbage can which is

54

00:02:06,310 --> 00:02:04,000

very nice uh the fridge now

55

00:02:08,309 --> 00:02:06,320

the disgusting bathroom that we were

56

00:02:09,669 --> 00:02:08,319

talking about i actually started working

57

00:02:13,270 --> 00:02:09,679

on a little bit

58

00:02:14,790 --> 00:02:13,280

uh your scott's side uh it looks pretty

59

00:02:16,790 --> 00:02:14,800

it's pretty killer

60

00:02:18,869 --> 00:02:16,800

um

61

00:02:20,550 --> 00:02:18,879

here's my side

62

00:02:22,790 --> 00:02:20,560

it is

63

00:02:25,670 --> 00:02:22,800

not good and as you can see the the the

64

00:02:27,110 --> 00:02:25,680

litter box is directly in front of where

65

00:02:28,869 --> 00:02:27,120

i stand

66

00:02:32,150 --> 00:02:28,879

but there's another mirror right above

67

00:02:34,070 --> 00:02:32,160

so i can look at myself and smell [h\_\_h]

68

00:02:37,509 --> 00:02:34,080

at the same time

69

00:02:40,070 --> 00:02:37,519

now the bathroom the actual toilet area

70

00:02:42,390 --> 00:02:40,080

as you can see there's been uh quite a

71

00:02:46,470 --> 00:02:42,400

quite a bit of urine damage

72

00:02:49,110 --> 00:02:46,480

um usually done by scatter eye

73

00:02:51,910 --> 00:02:49,120

with misplaced urine

74

00:02:54,309 --> 00:02:51,920

over the years due to a drinking

75

00:02:59,030 --> 00:02:56,949

laziness sleepwalking

76

00:03:01,430 --> 00:02:59,040

any number of things i actually just

77

00:03:03,589 --> 00:03:01,440

cleaned the the bathtub

78

00:03:05,110 --> 00:03:03,599

uh it doesn't look that clean i cleaned

79

00:03:07,750 --> 00:03:05,120

it though i used soft scrubbing i mean

80

00:03:10,470 --> 00:03:07,760

there i mean there it is

81

00:03:13,430 --> 00:03:10,480

and it's still it's still dirty it's

82

00:03:14,710 --> 00:03:13,440

still i mean look it's still dirty

83

00:03:16,630 --> 00:03:14,720

and there's it's stained i don't know

84

00:03:19,430 --> 00:03:16,640

where the stain is

85

00:03:21,990 --> 00:03:19,440

we have soap stain and then we have scum

86

00:03:23,030 --> 00:03:22,000

stain i wish i could just combine the

87

00:03:25,270 --> 00:03:23,040

two

88

00:03:28,229 --> 00:03:25,280

and then there's actually some hair

89

00:03:30,869 --> 00:03:28,239

in the toilet from the tub

90

00:03:32,789 --> 00:03:30,879

because uh i'm losing my hair i'm in my

91

00:03:33,589 --> 00:03:32,799

30s and so i was chucking the toilet i

92

00:03:35,350 --> 00:03:33,599

mean where are you gonna where you're

93

00:03:36,229 --> 00:03:35,360

gonna put it i mean we're gonna i don't

94

00:03:38,070 --> 00:03:36,239

know

95

00:03:41,030 --> 00:03:38,080

this um

96

00:03:42,789 --> 00:03:41,040

toilet uh this uh paper

97

00:03:46,229 --> 00:03:42,799

toilet paper

98

00:03:48,949 --> 00:03:46,239

uh roll really doesn't have any

99

00:03:51,509 --> 00:03:48,959

uh toilet paper on it ever there was a

100

00:03:54,070 --> 00:03:51,519

bunch of magazines back here

101  
00:03:55,589 --> 00:03:54,080  
but i actually moved those

102  
00:03:56,789 --> 00:03:55,599  
to the ground

103  
00:03:58,470 --> 00:03:56,799  
right here

104  
00:04:00,390 --> 00:03:58,480  
and they're gonna stay here until i'm

105  
00:04:01,110 --> 00:04:00,400  
done cleaning but as you can see there's

106  
00:04:05,429 --> 00:04:01,120  
like

107  
00:04:06,789 --> 00:04:05,439  
not normally out you know

108  
00:04:08,630 --> 00:04:06,799  
in the hallway

109  
00:04:11,750 --> 00:04:08,640  
and then you know just like a lot of

110  
00:04:13,429 --> 00:04:11,760  
hair in the ground i mean

111  
00:04:16,069 --> 00:04:13,439  
i mean geez i mean this place is really

112  
00:04:18,310 --> 00:04:16,079  
not good i mean my room

113  
00:04:20,469 --> 00:04:18,320

i mean shit's not

114

00:04:21,749 --> 00:04:20,479

it's not very fun in here right now i

115

00:04:22,950 --> 00:04:21,759

mean

116

00:04:27,510 --> 00:04:22,960

it

117

00:04:29,270 --> 00:04:27,520

um

118

00:04:31,909 --> 00:04:29,280

here's i mean this counter probably

119

00:04:33,189 --> 00:04:31,919

could use a little bit more organization

120

00:04:34,230 --> 00:04:33,199

um

121

00:04:37,830 --> 00:04:34,240

i mean

122

00:04:39,350 --> 00:04:37,840

let's see what i can do

123

00:04:41,189 --> 00:04:39,360

it's probably gotta alphabetize a few

124

00:04:42,469 --> 00:04:41,199

things here and there

125

00:04:43,749 --> 00:04:42,479

um

126

00:04:45,590 --> 00:04:43,759

that's where scott likes to keep his

127

00:04:46,550 --> 00:04:45,600

bike in his room

128

00:04:49,350 --> 00:04:46,560

because

129

00:04:51,030 --> 00:04:49,360

he likes to wake up like out of his bed

130

00:04:53,110 --> 00:04:51,040

like right there and then like

131

00:04:54,070 --> 00:04:53,120

immediately trip it's a good wake-up

132

00:04:55,270 --> 00:04:54,080

call

133

00:04:56,550 --> 00:04:55,280

even before you get coffee in the

134

00:04:58,870 --> 00:04:56,560

morning you want to trip over something

135

00:05:01,510 --> 00:04:58,880

so yeah like you get that sensation of

136

00:05:03,830 --> 00:05:01,520

falling so you get a double wake up

137

00:05:07,430 --> 00:05:03,840

uh there is

138

00:05:09,670 --> 00:05:07,440

an apocalypse sized uh pack of toilet

139

00:05:11,510 --> 00:05:09,680

paper so even when we run out of food we

140

00:05:13,670 --> 00:05:11,520

can still wipe our ass

141

00:05:15,830 --> 00:05:13,680

in case the [h\_\_\h] ever goes down

142

00:05:18,390 --> 00:05:15,840

uh there is uh

143

00:05:20,550 --> 00:05:18,400

there's a bust of oprah winfrey

144

00:05:23,430 --> 00:05:20,560

and a white zombie poster you're going

145

00:05:25,749 --> 00:05:23,440

to want that stuff in any house you live

146

00:05:27,749 --> 00:05:25,759

in and then uh

147

00:05:29,189 --> 00:05:27,759

yeah so i mean really we live like

148

00:05:31,590 --> 00:05:29,199

scumballs

149

00:05:34,070 --> 00:05:31,600

uh and actually his door

150

00:05:35,189 --> 00:05:34,080

is not even attached anymore

151

00:05:39,189 --> 00:05:35,199

that

152

00:05:41,029 --> 00:05:39,199

i mean you don't

153

00:05:42,469 --> 00:05:41,039

we don't really know what happened there

154

00:05:44,710 --> 00:05:42,479

i mean

155

00:05:46,310 --> 00:05:44,720

it just doesn't it's not on there i it

156

00:05:47,510 --> 00:05:46,320

happened like about i don't know nine

157

00:05:48,870 --> 00:05:47,520

months ago

158

00:05:50,629 --> 00:05:48,880

and now he just kind of doesn't have a

159

00:05:52,310 --> 00:05:50,639

door i mean he has one it's just always

160

00:05:55,189 --> 00:05:52,320

open

161

00:05:58,790 --> 00:05:57,270

so yeah now it's uh it's time to get
