

**BIG AND BLURRY**  
**BIGFOOT**

1  
00:00:10,390 --> 00:00:07,990  
well we'll uh we'll talk about uh

2  
00:00:12,310 --> 00:00:10,400  
bigfoot here maybe bigfoot's an acid uh

3  
00:00:14,629 --> 00:00:12,320  
we don't know yet uh we'll see we're

4  
00:00:16,470 --> 00:00:14,639  
gonna get him on ass and dmt let's get

5  
00:00:18,150 --> 00:00:16,480  
bigfoot on dmt and see what happens

6  
00:00:21,109 --> 00:00:18,160  
but this uh first store we got here

7  
00:00:24,150 --> 00:00:21,119  
about bigfoot man terrorized by eight

8  
00:00:26,310 --> 00:00:24,160  
foot bigfoot that threw telephone

9  
00:00:29,830 --> 00:00:26,320  
pole-sized trees

10  
00:00:31,750 --> 00:00:29,840  
at his house okay it's [h\_\_\h]

11  
00:00:34,150 --> 00:00:31,760  
one maybe not maybe this this might be

12  
00:00:36,549 --> 00:00:34,160  
some real deal here uh a man has

13  
00:00:39,190 --> 00:00:36,559

recalled the story of a terror for a

14

00:00:40,630 --> 00:00:39,200

terrifying 24-hour encounter with a

15

00:00:42,950 --> 00:00:40,640

bigfoot monster

16

00:00:44,229 --> 00:00:42,960

and uh he did it on a podcast i'll let

17

00:00:46,150 --> 00:00:44,239

you know that podcast you guys want to

18

00:00:47,990 --> 00:00:46,160

check that out but a man described

19

00:00:50,549 --> 00:00:48,000

uh his encounter

20

00:00:52,470 --> 00:00:50,559

uh by bigfoot that threatened his home

21

00:00:53,990 --> 00:00:52,480

the legendary bigfoot also known as

22

00:00:56,549 --> 00:00:54,000

sasquatch

23

00:00:58,790 --> 00:00:56,559

has never been proven to exist but there

24

00:01:01,270 --> 00:00:58,800

are countless believers across the world

25

00:01:03,510 --> 00:01:01,280

who claim to have seen it one such

26

00:01:06,070 --> 00:01:03,520

person is travis who claimed to have

27

00:01:07,350 --> 00:01:06,080

witnessed a two-legged hairy creature in

28

00:01:08,710 --> 00:01:07,360

tennessee

29

00:01:10,630 --> 00:01:08,720

coming home

30

00:01:13,030 --> 00:01:10,640

from work late one night he explained

31

00:01:15,990 --> 00:01:13,040

that he saw a huge figure jumping out of

32

00:01:16,870 --> 00:01:16,000

a bin and scrambling up a hill pulling

33

00:01:18,870 --> 00:01:16,880

over

34

00:01:23,749 --> 00:01:18,880

three nice trees

35

00:01:25,590 --> 00:01:23,759

was going up the hill so i guess it was

36

00:01:28,390 --> 00:01:25,600

this bigfoot was running up the hill and

37

00:01:29,590 --> 00:01:28,400

just kind of toppling trees up along the

38

00:01:31,990 --> 00:01:29,600

way

39

00:01:33,749 --> 00:01:32,000

uh quote if it didn't take more than two

40

00:01:36,069 --> 00:01:33,759

seconds for me to say

41

00:01:37,749 --> 00:01:36,079

well that ain't no bear

42

00:01:40,310 --> 00:01:37,759

uh when

43

00:01:42,389 --> 00:01:40,320

something is twice the size of a bear

44

00:01:45,990 --> 00:01:42,399

you almost know it immediately he said

45

00:01:46,950 --> 00:01:46,000

speaking to the forest fur podcast

46

00:01:48,870 --> 00:01:46,960

okay

47

00:01:56,130 --> 00:01:48,880

forest fuhrer what

48

00:02:00,870 --> 00:01:57,749

[Music]

49

00:02:03,590 --> 00:02:00,880

is this a french podcast

50

00:02:05,109 --> 00:02:03,600

i i why is there not a forest fuhrer

51

00:02:08,070 --> 00:02:05,119

podcast that's

52

00:02:10,150 --> 00:02:08,080

like a a really like a dictator of uh

53

00:02:11,910 --> 00:02:10,160

the force some guy really fear just

54

00:02:13,430 --> 00:02:11,920

means leader so maybe be like king of

55

00:02:15,190 --> 00:02:13,440

the forest so

56

00:02:16,710 --> 00:02:15,200

david the gnome

57

00:02:19,110 --> 00:02:16,720

all right

58

00:02:21,270 --> 00:02:19,120

well uh later on that night travis uh

59

00:02:23,830 --> 00:02:21,280

said he went out

60

00:02:25,750 --> 00:02:23,840

on his porch for a cigarette before he

61

00:02:26,949 --> 00:02:25,760

was threatened again by the beast he

62

00:02:29,510 --> 00:02:26,959

remembered

63

00:02:31,670 --> 00:02:29,520

while i was out there there was at least

64

00:02:34,949 --> 00:02:31,680

three or four trees and i mean

65

00:02:37,270 --> 00:02:34,959

full-sized trees coming crashing down

66

00:02:39,350 --> 00:02:37,280

onto the apartment building it sounded

67

00:02:41,830 --> 00:02:39,360

like when you're outside in a

68

00:02:44,630 --> 00:02:41,840

thunderstorm it was obvious that these

69

00:02:45,430 --> 00:02:44,640

telephone pole size trees were coming

70

00:02:47,589 --> 00:02:45,440

down

71

00:02:49,910 --> 00:02:47,599

onto the building

72

00:02:52,229 --> 00:02:49,920

so i guess this uh bigfoot was pretty

73

00:02:54,790 --> 00:02:52,239

upset that this guy came home

74

00:02:56,550 --> 00:02:54,800

and uh interrupted him rummaging through

75

00:02:57,750 --> 00:02:56,560

the garbage bin that's what i'm assuming

76

00:02:59,430 --> 00:02:57,760

here

77

00:03:01,350 --> 00:02:59,440

so the next evening

78

00:03:03,910 --> 00:03:01,360

evening when travis arrived home from

79

00:03:06,070 --> 00:03:03,920

work he came prepared parking right next

80

00:03:10,470 --> 00:03:06,080

to his apartment door and quickly run

81

00:03:12,949 --> 00:03:10,480

inside looking back he suggested that uh

82

00:03:13,990 --> 00:03:12,959

this had been a smart move saying that i

83

00:03:18,309 --> 00:03:14,000

had not

84

00:03:19,509 --> 00:03:18,319

done that i think something really bad

85

00:03:21,910 --> 00:03:19,519

would have happened

86

00:03:24,149 --> 00:03:21,920

and uh i would have been just a missing

87

00:03:26,630 --> 00:03:24,159

person another statistic

88

00:03:29,110 --> 00:03:26,640

uh quote this thing was waiting in the

89

00:03:30,149 --> 00:03:29,120

driveway on the path where you would

90

00:03:33,110 --> 00:03:30,159

walk

91

00:03:34,630 --> 00:03:33,120

towards my house this giant black shape

92

00:03:37,030 --> 00:03:34,640

just stands out

93

00:03:39,589 --> 00:03:37,040

uh stands up out of a bush and starts

94

00:03:41,190 --> 00:03:39,599

moving towards my backyard it was at

95

00:03:44,949 --> 00:03:41,200

least eight feet tall

96

00:03:49,589 --> 00:03:44,959

and by my estimation 800 pounds

97

00:03:51,990 --> 00:03:49,599

and it was just a giant black shadow

98

00:03:53,830 --> 00:03:52,000

the thing could literally just grab

99

00:03:56,789 --> 00:03:53,840

one uh grab

100

00:03:57,589 --> 00:03:56,799

one into my torso and rip me right in

101  
00:03:59,270 --> 00:03:57,599  
half

102  
00:04:02,149 --> 00:03:59,280  
travis remembered feeling incredibly

103  
00:04:04,630 --> 00:04:02,159  
shaken by the event he said the one

104  
00:04:07,030 --> 00:04:04,640  
thing you take away from the encounter

105  
00:04:08,869 --> 00:04:07,040  
is the fear factor people talk about the

106  
00:04:09,830 --> 00:04:08,879  
hairs standing up on the back of your

107  
00:04:11,990 --> 00:04:09,840  
neck

108  
00:04:15,509 --> 00:04:12,000  
i've been afraid but i remember but i've

109  
00:04:16,789 --> 00:04:15,519  
never felt this fear before or since

110  
00:04:18,710 --> 00:04:16,799  
that

111  
00:04:22,950 --> 00:04:18,720  
so there you go there is uh his

112  
00:04:25,270 --> 00:04:22,960  
encounter of a bigfoot throwing uh trees

113  
00:04:27,110 --> 00:04:25,280

at his house they like he said it was

114

00:04:29,350 --> 00:04:27,120

like an apartment complex but they

115

00:04:32,230 --> 00:04:29,360

referred to it as a house

116

00:04:34,390 --> 00:04:32,240

so yeah it changed the couple details

117

00:04:36,310 --> 00:04:34,400

changed there a few times so not sure

118

00:04:38,469 --> 00:04:36,320

about that also i'm a little skeptical

119

00:04:40,469 --> 00:04:38,479

if if bigfoot is throwing telephone

120

00:04:42,150 --> 00:04:40,479

pole-sized trees

121

00:04:43,510 --> 00:04:42,160

at a building there's going to be a lot

122

00:04:45,030 --> 00:04:43,520

of damage to that building so you don't

123

00:04:46,310 --> 00:04:45,040

just go inside and shut the door to

124

00:04:48,230 --> 00:04:46,320

protect yourself from it like it's

125

00:04:50,310 --> 00:04:48,240

raining yeah that would come right

126  
00:04:51,430 --> 00:04:50,320  
through the roof yeah i would imagine

127  
00:04:53,110 --> 00:04:51,440  
you're you're

128  
00:04:55,430 --> 00:04:53,120  
there'd be structural damage to your

129  
00:04:57,830 --> 00:04:55,440  
apartment or house

130  
00:04:59,749 --> 00:04:57,840  
and photographic video evidence so [h\_\_h]

131  
00:05:02,870 --> 00:04:59,759  
this [h\_\_h] this i [h\_\_h] i don't like

132  
00:05:05,110 --> 00:05:02,880  
your ordinary everyday fool okay

133  
00:05:07,430 --> 00:05:05,120  
yeah thanks jeffy chase um

134  
00:05:09,110 --> 00:05:07,440  
i i like when he said the second night i

135  
00:05:10,710 --> 00:05:09,120  
came home i was prepared i thought he

136  
00:05:13,270 --> 00:05:10,720  
was like he was going to get out wearing

137  
00:05:15,350 --> 00:05:13,280  
like that that like uh that bear armor

138  
00:05:16,950 --> 00:05:15,360

that guy made to like go fight bears and

139

00:05:19,270 --> 00:05:16,960

he was like having a trash can lid and

140

00:05:20,230 --> 00:05:19,280

stuff and a and a bucket on his head and

141

00:05:22,390 --> 00:05:20,240

he was going to be ready to fight

142

00:05:25,510 --> 00:05:22,400

bigfoot no he just drew he just parked

143

00:05:27,749 --> 00:05:25,520

closer to his house and ran put down a

144

00:05:28,950 --> 00:05:27,759

wood chipper and was like this is a mess

145

00:05:31,110 --> 00:05:28,960

yeah

146

00:05:33,909 --> 00:05:31,120

this is awful bigfoot at least aim for

147

00:05:35,590 --> 00:05:33,919

the wood chipper would you

148

00:05:37,110 --> 00:05:35,600

i appreciate you thinning out the forest

149

00:05:38,469 --> 00:05:37,120

back there to prevent overgrowth and

150

00:05:39,670 --> 00:05:38,479

forest fires but could you at least run

151

00:05:42,150 --> 00:05:39,680

them through the wood chipper we can use

152

00:05:43,189 --> 00:05:42,160

that for mulch yeah we compost in this

153

00:05:46,070 --> 00:05:43,199

house

154

00:05:49,189 --> 00:05:46,080

and he didn't come prepared with like uh

155

00:05:51,590 --> 00:05:49,199

a 4k camera or anything like that he

156

00:05:53,189 --> 00:05:51,600

didn't uh you know he prepared himself

157

00:05:55,990 --> 00:05:53,199

by just driving closer to his house

158

00:05:58,309 --> 00:05:56,000

because he's lazy quite frankly

159

00:06:00,629 --> 00:05:58,319

he wanted to walk uh fewer feet to his

160

00:06:02,309 --> 00:06:00,639

house so and to be fair he did this

161

00:06:04,230 --> 00:06:02,319

after his first encounter he did stop at

162

00:06:06,070 --> 00:06:04,240

the cell phone store said i need a new

163

00:06:08,390 --> 00:06:06,080

phone that's got the worst camera you

164

00:06:10,790 --> 00:06:08,400

have give me your big camera give me

165

00:06:14,710 --> 00:06:10,800

your standard bigfoot camera you know 20

166

00:06:19,270 --> 00:06:14,720

uh 240p you know really tinny audio

167

00:06:22,790 --> 00:06:20,870

and sure it's not in focus you have one

168

00:06:26,710 --> 00:06:22,800

that's out of focus all the time it's

169

00:06:28,629 --> 00:06:26,720

the 3gp file format oh yes yeah that's

170

00:06:29,990 --> 00:06:28,639

perfect that's great i love that codex

171

00:06:32,469 --> 00:06:30,000

joe you know

172

00:06:34,870 --> 00:06:32,479

what were those like 152

173

00:06:37,909 --> 00:06:34,880

by like 200 or something it was like

174

00:06:41,110 --> 00:06:37,919

crazy it was like the standard kind of

175

00:06:43,670 --> 00:06:41,120

like yeah the 3g file format that came

176  
00:06:45,590 --> 00:06:43,680  
on blackberry and like nokia and [h\_\_\h]

177  
00:06:48,070 --> 00:06:45,600  
yeah i think there's some audio of this

178  
00:06:50,309 --> 00:06:48,080  
guy talking about infinity con magical

179  
00:06:53,110 --> 00:06:50,319  
things happen when you burst your bubble

180  
00:06:55,430 --> 00:06:53,120  
i was here talking to royce and he has a

181  
00:06:58,550 --> 00:06:55,440  
grade a encounter could you let us know

182  
00:07:00,950 --> 00:06:58,560  
what happened i was uh at home alone my

183  
00:07:03,189 --> 00:07:00,960  
folks had uh left the house and i got a

184  
00:07:05,670 --> 00:07:03,199  
glass of water and i look out the back

185  
00:07:08,230 --> 00:07:05,680  
window and there is

186  
00:07:10,950 --> 00:07:08,240  
i can only describe a bigfoot walking

187  
00:07:12,710 --> 00:07:10,960  
away back out into the woods i

188  
00:07:15,110 --> 00:07:12,720

pause for a second and think to myself

189

00:07:16,390 --> 00:07:15,120

you dummy get your phone take a picture

190

00:07:18,710 --> 00:07:16,400

take a video

191

00:07:21,909 --> 00:07:18,720

i throw my glass water on table spills i

192

00:07:23,749 --> 00:07:21,919

go get my phone i take a quick picture

193

00:07:26,550 --> 00:07:23,759

and try to get a video but by the time i

194

00:07:28,469 --> 00:07:26,560

tried good video it was gone but i got a

195

00:07:30,150 --> 00:07:28,479

picture of it yeah and i just gotta get

196

00:07:31,589 --> 00:07:30,160

my computer working and i can send it to

197

00:07:34,230 --> 00:07:31,599

you oh yeah yeah

198

00:07:36,550 --> 00:07:34,240

uh-huh get my computer working well once

199

00:07:37,270 --> 00:07:36,560

my girlfriend from canada comes back i'm

200

00:07:38,790 --> 00:07:37,280

gonna

201  
00:07:40,469 --> 00:07:38,800  
these computers i'll tell you they just

202  
00:07:41,909 --> 00:07:40,479  
get crazier and crazier

203  
00:07:43,270 --> 00:07:41,919  
so my mom left me a grilled cheese

204  
00:07:44,869 --> 00:07:43,280  
sandwich and while i was having this

205  
00:07:46,469 --> 00:07:44,879  
sandwich i went over to get some more

206  
00:07:48,070 --> 00:07:46,479  
water but there wasn't enough ice cube

207  
00:07:49,270 --> 00:07:48,080  
so i had to make more ice cubes like it

208  
00:07:51,270 --> 00:07:49,280  
goes on for like 30 minutes about

209  
00:07:53,270 --> 00:07:51,280  
anything but bigfoot this could be the

210  
00:07:55,270 --> 00:07:53,280  
most important picture you've ever taken

211  
00:07:57,029 --> 00:07:55,280  
in your entire life you can't send it to

212  
00:07:59,350 --> 00:07:57,039  
somebody like you got to wait for your

213  
00:08:02,629 --> 00:07:59,360

computer to start go to go to fedex go

214

00:08:04,790 --> 00:08:02,639

to kinko's print it out what

215

00:08:06,710 --> 00:08:04,800

do don't all phones now like pretty much

216

00:08:09,350 --> 00:08:06,720

send stuff directly you know yeah we

217

00:08:11,189 --> 00:08:09,360

shoot like on a flip phone like what is

218

00:08:14,150 --> 00:08:11,199

i i just it doesn't make a lot of sense

219

00:08:17,510 --> 00:08:14,160

to me well i wasn't prepared i needed to

220

00:08:22,230 --> 00:08:17,520

fight my shoes and i was very thirsty at

221

00:08:24,710 --> 00:08:22,240

the time yeah yeah yeah hello

222

00:08:27,830 --> 00:08:24,720

if it was just a camera with like an sd

223

00:08:29,110 --> 00:08:27,840

card okay you get an sd card reader for

224

00:08:31,430 --> 00:08:29,120

10 bucks

225

00:08:33,350 --> 00:08:31,440

and then you can go to any computer and

226

00:08:36,070 --> 00:08:33,360

there it is

227

00:08:38,790 --> 00:08:36,080

my sketchbook was closer so i be i did

228

00:08:41,110 --> 00:08:38,800

like a figure sketch of the he's it's i

229

00:08:43,269 --> 00:08:41,120

swear to god this is what he looked like

230

00:08:45,190 --> 00:08:43,279

it's not even that i don't believe him

231

00:08:47,910 --> 00:08:45,200

and like i want to believe him it's just

232

00:08:48,790 --> 00:08:47,920

these kind of little details frustrate

233

00:08:51,750 --> 00:08:48,800

me

234

00:08:54,870 --> 00:08:51,760

because they're easily solved

235

00:08:57,269 --> 00:08:54,880

sue everybody yeah like through that hey

236

00:09:00,150 --> 00:08:57,279

god damn it god damn it that bigfoot ran

237

00:09:02,470 --> 00:09:00,160

away sue his ass my eyes are going crazy

238

00:09:04,630 --> 00:09:02,480

yeah that guy for punitive damages sue

239

00:09:07,509 --> 00:09:04,640

everyone sue everybody

240

00:09:10,389 --> 00:09:07,519

punitive damages here yeah the the

241

00:09:12,230 --> 00:09:10,399

distress of bigfoot walking away uh and

242

00:09:14,870 --> 00:09:12,240

not stained for a photo caused a lot of

243

00:09:17,670 --> 00:09:14,880

emotional uh turmoil in my life why can

244

00:09:20,790 --> 00:09:17,680

bigfoot never be spotted by either a

245

00:09:22,550 --> 00:09:20,800

uh the two boston fishermen or b that

246

00:09:24,550 --> 00:09:22,560

russian fisherman because both of those

247

00:09:25,990 --> 00:09:24,560

guys would just go after them with stuff

248

00:09:28,630 --> 00:09:26,000

they're like

249

00:09:31,430 --> 00:09:28,640

i've got tools in my car or in my boat

250

00:09:33,509 --> 00:09:31,440

i'm going right now the boston guys they

251  
00:09:35,750 --> 00:09:33,519  
would [h\_\_h] up bigfoot well they would

252  
00:09:37,350 --> 00:09:35,760  
attempt to [h\_\_h] up bigfoot they would

253  
00:09:39,190 --> 00:09:37,360  
probably just get mauled but they

254  
00:09:41,750 --> 00:09:39,200  
wouldn't care that [h\_\_h] and get on the

255  
00:09:43,829 --> 00:09:41,760  
news they would just [h\_\_h] do it

256  
00:09:45,590 --> 00:09:43,839  
they would do it and then he would

257  
00:09:47,670 --> 00:09:45,600  
calmly go back to his car smoke another

258  
00:09:49,030 --> 00:09:47,680  
cigarette get his stuff out of the car

259  
00:09:50,710 --> 00:09:49,040  
and just go after him to go up into the

260  
00:09:52,949 --> 00:09:50,720  
woods after bigfoot

261  
00:09:55,750 --> 00:09:52,959  
yeah that story would end with a bigfoot

262  
00:09:58,310 --> 00:09:55,760  
carcass with holes drilled in it

263  
00:10:00,310 --> 00:09:58,320

most likely yeah oh my god jay we're

264

00:10:02,230 --> 00:10:00,320

gonna call the aquarium or something

265

00:10:04,790 --> 00:10:02,240

dude it's a land creature you don't

266

00:10:06,550 --> 00:10:04,800

typically you call the zoo i guess

267

00:10:08,630 --> 00:10:06,560

but if he has

268

00:10:11,350 --> 00:10:08,640

called the land aquarium

269

00:10:13,590 --> 00:10:11,360

and we we do have one la one last little

270

00:10:15,670 --> 00:10:13,600

thing of uh bigfoot news here we do have

271

00:10:17,030 --> 00:10:15,680

video of bigfoot this is pokemon there's

272

00:10:18,470 --> 00:10:17,040

so there's two different stories here

273

00:10:21,030 --> 00:10:18,480

the one is the the large one then

274

00:10:22,870 --> 00:10:21,040

there's a short one which is the um

275

00:10:24,389 --> 00:10:22,880

the bigfoot or naked ugly chick they're

276

00:10:25,509 --> 00:10:24,399

both video footage with people talking

277

00:10:26,870 --> 00:10:25,519

over them you could just play on we can

278

00:10:28,310 --> 00:10:26,880

talk over it but

279

00:10:29,910 --> 00:10:28,320

um

280

00:10:33,350 --> 00:10:29,920

the first one the longer the massive

281

00:10:35,190 --> 00:10:33,360

idaho bigfoot is he's a he's a big unit

282

00:10:38,230 --> 00:10:35,200

yeah so the video i'm playing on screen

283

00:10:39,509 --> 00:10:38,240

here is it looks like uh

284

00:11:16,389 --> 00:10:39,519

a

285

00:11:18,310 --> 00:11:16,399

brownish uh but i don't see like

286

00:11:19,430 --> 00:11:18,320

textures of hair

287

00:11:21,829 --> 00:11:19,440

it looks like

288

00:11:24,870 --> 00:11:21,839

yeah it looks almost like a fat dirty

289

00:11:26,790 --> 00:11:24,880

thing yeah fat dirty drifter well look

290

00:11:29,509 --> 00:11:26,800

at the name of the of the video

291

00:11:32,550 --> 00:11:29,519

look at that greasy lawyer well i mean

292

00:11:33,750 --> 00:11:32,560

we don't know if they pass the bar

293

00:11:35,910 --> 00:11:33,760

ugly

294

00:11:38,230 --> 00:11:35,920

yeah

295

00:11:40,790 --> 00:11:38,240

i don't but if it's if it was a naked

296

00:11:43,750 --> 00:11:40,800

ugly chick i would expect uh to see some

297

00:11:45,509 --> 00:11:43,760

sort of nipple or something like that it

298

00:11:47,350 --> 00:11:45,519

looks like it's written down so far come

299

00:11:49,110 --> 00:11:47,360

on that's so it does look like a body

300

00:11:51,590 --> 00:11:49,120

suit it looks like a body suit yeah it

301  
00:11:54,150 --> 00:11:51,600  
almost looks like a rubber body suit man

302  
00:11:56,230 --> 00:11:54,160  
body suit man

303  
00:11:58,389 --> 00:11:56,240  
look at that face i wish i could see the

304  
00:12:00,949 --> 00:11:58,399  
face body suit foot

305  
00:12:02,949 --> 00:12:00,959  
i'll i'll keep playing this but again

306  
00:12:05,350 --> 00:12:02,959  
this is low resolution they're using a

307  
00:12:10,629 --> 00:12:05,360  
standard bigfoot camera

308  
00:12:15,829 --> 00:12:13,829  
it is curious footage um

309  
00:12:17,750 --> 00:12:15,839  
i i'd like to know more

310  
00:12:18,949 --> 00:12:17,760  
if this region has

311  
00:12:20,470 --> 00:12:18,959  
been

312  
00:12:22,710 --> 00:12:20,480  
inundated with bigfoot sightings what is

313  
00:12:24,230 --> 00:12:22,720

this idaho is this what we're looking at

314

00:12:25,750 --> 00:12:24,240

uh i don't know where this one's from

315

00:12:27,269 --> 00:12:25,760

the other one was idaho well the other

316

00:12:29,110 --> 00:12:27,279

one was idaho okay

317

00:12:31,030 --> 00:12:29,120

yeah i don't know the origins of this

318

00:12:33,670 --> 00:12:31,040

video but it's fairly recent it's from

319

00:12:35,829 --> 00:12:33,680

july 2021 at least that's when it was

320

00:12:39,350 --> 00:12:35,839

uploaded but i saw this going around the

321

00:12:41,350 --> 00:12:39,360

uh the bigfoot rss feeds and uh it's

322

00:12:43,430 --> 00:12:41,360

interesting stuff

323

00:12:44,870 --> 00:12:43,440

it's interesting i just wish uh i had

324

00:12:47,350 --> 00:12:44,880

more details

325

00:12:49,430 --> 00:12:47,360

and i guess i would also like to see

326

00:12:51,350 --> 00:12:49,440

somebody else standing in this exact

327

00:12:53,269 --> 00:12:51,360

location at

328

00:12:56,629 --> 00:12:53,279

in around the same time so we can kind

329

00:12:58,389 --> 00:12:56,639

of get a gauge on how high the water is

330

00:13:01,990 --> 00:12:58,399

yeah size reference

331

00:13:03,829 --> 00:13:02,000

uh very little work done on this

332

00:13:05,590 --> 00:13:03,839

well to be fair they did zoom in

333

00:13:07,750 --> 00:13:05,600

digitally to make it look worse that is

334

00:13:09,750 --> 00:13:07,760

true they didn't do that a

335

00:13:15,670 --> 00:13:09,760

gorgon

336

00:13:17,910 --> 00:13:15,680

how is that word accessible to alex

337

00:13:19,590 --> 00:13:17,920

jones like i mean that i wouldn't say

338

00:13:21,509 --> 00:13:19,600

gorga i think that would be one of the

339

00:13:23,190 --> 00:13:21,519

last words to come to my mind in any

340

00:13:25,350 --> 00:13:23,200

situation well he's probably a dungeon

341

00:13:27,350 --> 00:13:25,360

master back in the back in the heyday he

342

00:13:29,350 --> 00:13:27,360

probably was a dungeon master for d d so

343

00:13:30,870 --> 00:13:29,360

he knows like all those creatures

344

00:13:33,030 --> 00:13:30,880

wasn't medusa one of the gore guns or is

345

00:13:35,190 --> 00:13:33,040

that a different one i don't know

346

00:13:36,470 --> 00:13:35,200

i don't know i thought medusa was one of

347

00:13:37,990 --> 00:13:36,480

the gore guns there were three of them

348

00:13:40,389 --> 00:13:38,000

right am i mixing these up i don't know

349

00:13:42,629 --> 00:13:40,399

maybe maybe maybe king lear and the

350

00:13:44,870 --> 00:13:42,639

other one is a massive bigfoot sighting

351  
00:13:47,670 --> 00:13:44,880  
from idaho video evidence this is from

352  
00:13:48,949 --> 00:13:47,680  
august 25th 2021 you got it sorry people

353  
00:13:51,030 --> 00:13:48,959  
this listening at home we'll try to

354  
00:13:52,870 --> 00:13:51,040  
describe as best we can

355  
00:13:53,750 --> 00:13:52,880  
but this is this is a bigfoot but really

356  
00:13:56,150 --> 00:13:53,760  
big

357  
00:13:59,509 --> 00:13:56,160  
so this is uh titled massive idaho

358  
00:14:01,509 --> 00:13:59,519  
bigfoot on video and i mean look at it

359  
00:14:03,110 --> 00:14:01,519  
so that's pretty clear pictures uh video

360  
00:14:04,389 --> 00:14:03,120  
right there

361  
00:14:09,110 --> 00:14:04,399  
look at that

362  
00:14:13,269 --> 00:14:09,120  
so this is pretty clear uh evidence here

363  
00:14:16,790 --> 00:14:14,870

it's either bigfoot or michael clarke

364

00:14:17,829 --> 00:14:16,800

why do they keep just looping this one

365

00:14:19,829 --> 00:14:17,839

thing

366

00:14:20,949 --> 00:14:19,839

why aren't they playing the entire video

367

00:14:22,389 --> 00:14:20,959

well you know their computer wasn't

368

00:14:24,870 --> 00:14:22,399

working and they got up you know they're

369

00:14:25,590 --> 00:14:24,880

waiting for the uh upgrade and uh

370

00:14:27,269 --> 00:14:25,600

so

371

00:14:30,389 --> 00:14:27,279

we're seeing this kind of like massive

372

00:14:32,310 --> 00:14:30,399

kind of uh humanoid head sling uh

373

00:14:33,590 --> 00:14:32,320

pointed down slightly like it's looking

374

00:14:35,990 --> 00:14:33,600

where it's walking

375

00:14:38,150 --> 00:14:36,000

um looks to be i'm just gonna guess six

376

00:14:40,790 --> 00:14:38,160  
to six foot tall

377

00:14:43,350 --> 00:14:40,800  
and it does have kind of an um

378

00:14:46,230 --> 00:14:43,360  
a butt a muscular butt

379

00:14:48,150 --> 00:14:46,240  
you can definitely see a but

380

00:14:51,509 --> 00:14:48,160  
bigfoot's been working out so where is

381

00:14:53,670 --> 00:14:51,519  
the rest of the video

382

00:14:55,189 --> 00:14:53,680  
it's not clear here well it's it's a

383

00:14:57,189 --> 00:14:55,199  
10-minute long video do they i don't

384

00:14:58,870 --> 00:14:57,199  
know if they show anymore they just keep

385

00:15:01,910 --> 00:14:58,880  
looping that and talking about it

386

00:15:03,750 --> 00:15:01,920  
yeah where's the rest of the video right

387

00:15:06,389 --> 00:15:03,760  
obviously this is clear

388

00:15:08,550 --> 00:15:06,399

the uh it would probably be in frame for

389

00:15:11,430 --> 00:15:08,560

at least 30 seconds before it walked off

390

00:15:12,790 --> 00:15:11,440

where is the rest of the video

391

00:15:14,470 --> 00:15:12,800

uh there is a little bit more of the

392

00:15:15,829 --> 00:15:14,480

footage

393

00:15:17,350 --> 00:15:15,839

not much but there's a slightly

394

00:15:19,189 --> 00:15:17,360

different angle where it's farther away

395

00:15:22,150 --> 00:15:19,199

at about three minutes in

396

00:15:27,189 --> 00:15:24,949

i'm looks like a very sad bigfoot like

397

00:15:29,189 --> 00:15:27,199

it just broke up with its girlfriend

398

00:15:30,790 --> 00:15:29,199

yeah he either got fired from a job yeah

399

00:15:32,949 --> 00:15:30,800

going through garbage bins or something

400

00:15:34,470 --> 00:15:32,959

like that it's it's friday at 4 30 and

401  
00:15:36,550 --> 00:15:34,480  
he's on his way home he's like [h\_\_h] this

402  
00:15:39,110 --> 00:15:36,560  
week i tell you my ass was dragging i

403  
00:15:39,749 --> 00:15:39,120  
had too much to drink at the

404  
00:15:41,189 --> 00:15:39,759  
i just want to bar

405  
00:15:43,350 --> 00:15:41,199  
home and throw some trees at some guy's

406  
00:15:45,749 --> 00:15:43,360  
house [h\_\_h] lost my keys the bar and i

407  
00:15:46,710 --> 00:15:45,759  
gotta walk home i gotta walk home this

408  
00:15:49,269 --> 00:15:46,720  
sucks

409  
00:15:51,670 --> 00:15:49,279  
just finished paying off my 1978 dodge

410  
00:15:54,180 --> 00:15:51,680  
power wagon yeah he is kind of mopey

411  
00:15:55,910 --> 00:15:54,190  
this is a mopey bigfoot

412  
00:15:57,269 --> 00:15:55,920  
[Music]

413  
00:15:59,110 --> 00:15:57,279

some guy's taking a picture of me i

414

00:16:01,030 --> 00:15:59,120

don't need this crap right now we need

415

00:16:01,910 --> 00:16:01,040

we need this this footage but with the

416

00:16:04,389 --> 00:16:01,920

um

417

00:16:07,030 --> 00:16:04,399

incredible hulk piano theme song

418

00:16:09,670 --> 00:16:07,040

oh walking away yeah the the sad hawk

419

00:16:10,870 --> 00:16:09,680

music yes

420

00:16:12,389 --> 00:16:10,880

i'll see you can bring it up because i

421

00:16:14,629 --> 00:16:12,399

mean they're just looping this thing

422

00:16:15,990 --> 00:16:14,639

over and over again there so there's a

423

00:16:17,910 --> 00:16:16,000

text explanation a lot farther on it

424

00:16:19,509 --> 00:16:17,920

says this was filmed in idaho usa we're

425

00:16:21,350 --> 00:16:19,519

not sure why it was only a few seconds

426

00:16:23,430 --> 00:16:21,360

it was sent to us this way like well

427

00:16:25,910 --> 00:16:23,440

okay i'm glad you made a 10 minute video

428

00:16:25,920 --> 00:16:30,150

there you go

429

00:16:33,430 --> 00:16:31,910

yes

430

00:16:37,030 --> 00:16:33,440

i don't know man i was thinking

431

00:16:40,389 --> 00:16:38,870

you could shot what about this this

432

00:16:41,670 --> 00:16:40,399

about what about mash suicide is

433

00:16:43,829 --> 00:16:41,680

painless

434

00:16:45,430 --> 00:16:43,839

oh no click click the link in carrot

435

00:16:47,829 --> 00:16:45,440

shop i think that'll be a good one for

436

00:16:51,269 --> 00:16:47,839

you sad big foot oh yeah play it with

437

00:16:52,870 --> 00:16:51,279

this no come on okay i just [h\_\_\h] fun

438

00:16:55,680 --> 00:16:52,880

at stuff now

439

00:17:00,870 --> 00:16:59,430

[Music]

440

00:17:02,870 --> 00:17:00,880

it's not even yackety sacks with the

441

00:17:04,549 --> 00:17:02,880

same he's not moving if he was moving

442

00:17:05,750 --> 00:17:04,559

faster if he was moving faster

443

00:17:06,870 --> 00:17:05,760

definitely

444

00:17:07,990 --> 00:17:06,880

i could do that well then it'll be like

445

00:17:10,390 --> 00:17:08,000

benny hill if you're just going to speed

446

00:17:11,350 --> 00:17:10,400

up the footage yeah that's true okay

447

00:17:12,789 --> 00:17:11,360

but anyway

448

00:17:14,069 --> 00:17:12,799

regardless of what this is i mean if

449

00:17:16,630 --> 00:17:14,079

this is

450

00:17:18,470 --> 00:17:16,640

if it's a bigfoot or just some guy

451

00:17:21,270 --> 00:17:18,480

he's wearing a suit and he's big and

452

00:17:22,230 --> 00:17:21,280

he's a little upset so it's called big

453

00:17:26,949 --> 00:17:22,240

suit

454

00:17:29,270 --> 00:17:26,959

all right

455

00:17:33,590 --> 00:17:29,280

there's some bigfoot news uh we're gonna

456

00:17:40,789 --> 00:17:36,789

give us an email at ourbitcommon
