

A dark, grainy image of a Bigfoot silhouette walking in a forest at night. The Bigfoot is on the left side of the frame, walking towards the right. The background is a dark forest with some trees visible. The overall tone is mysterious and somber.

4
00:00:35,030 --> 00:00:26,630
okay

5
00:00:39,910 --> 00:00:37,510
all right we should probably uh

6
00:00:41,670 --> 00:00:39,920
make sure each one of us has some kind

7
00:00:43,350 --> 00:00:41,680
of weapon

8
00:00:51,990 --> 00:00:43,360
yeah i got the flare gun you got a flare

9
00:00:57,590 --> 00:00:53,110
uh

10
00:01:01,670 --> 00:00:59,029
either one i'll take either the gun or

11
00:01:04,229 --> 00:01:01,680
the right one take the rifle

12
00:01:08,390 --> 00:01:04,239
i'm taking the pistol

13
00:01:14,710 --> 00:01:10,070

don't take the drone

14

00:01:18,390 --> 00:01:16,950

uh i'm gonna grab

15

00:01:19,830 --> 00:01:18,400

i'm gonna grab some meat there's four

16

00:01:21,990 --> 00:01:19,840

meat in here

17

00:01:24,630 --> 00:01:22,000

yeah let me uh

18

00:01:26,630 --> 00:01:24,640

bottle shraws here yeah take some

19

00:01:30,310 --> 00:01:26,640

alcohol

20

00:01:33,190 --> 00:01:31,749

oh okay there's three traps yeah

21

00:01:35,670 --> 00:01:33,200

everybody take a trap

22

00:01:39,830 --> 00:01:37,910

you grab a camera for the cameras

23

00:01:43,270 --> 00:01:39,840

uh we probably should take camera yeah i

24

00:01:45,429 --> 00:01:43,280

got the state cameras i grabbed those

25

00:01:46,950 --> 00:01:45,439

the tablet

26
00:01:48,069 --> 00:01:46,960
oh you grabbed all these cameras right

27
00:01:52,789 --> 00:01:48,079
here

28
00:01:56,870 --> 00:01:52,799
crap i grabbed one

29
00:02:05,749 --> 00:02:00,120
is there anything else that we may need

30
00:02:05,759 --> 00:02:10,869
predator all right

31
00:02:14,470 --> 00:02:12,390
you know i don't have a backup web oh

32
00:02:17,589 --> 00:02:14,480
there i got number three is a backup

33
00:02:22,470 --> 00:02:19,190
at this point you want to make your way

34
00:02:27,110 --> 00:02:22,480
to the 762 ammo in there okay yeah hey

35
00:02:29,670 --> 00:02:28,150
oh

36
00:02:31,750 --> 00:02:29,680
shotgun ammo up here

37
00:02:33,070 --> 00:02:31,760
12 gauge

38
00:02:39,990 --> 00:02:33,080

grab that

39

00:02:45,270 --> 00:02:41,990

flashlight

40

00:02:58,790 --> 00:02:45,280

uh 762 it is up in this upper cabinets

41

00:02:58,800 --> 00:03:05,030

wow

42

00:03:08,790 --> 00:03:07,270

okay it looks like i got

43

00:03:10,869 --> 00:03:08,800

plenty of stuff all right which way do

44

00:03:12,630 --> 00:03:10,879

you want to head out

45

00:03:13,589 --> 00:03:12,640

i think we got a

46

00:03:28,630 --> 00:03:13,599

i

47

00:03:30,630 --> 00:03:28,640

honest

48

00:03:33,110 --> 00:03:30,640

where's that tree blind kind of thing we

49

00:03:40,789 --> 00:03:33,120

saw last time he definitely liked to

50

00:03:44,789 --> 00:03:42,789

yeah

51
00:03:46,949 --> 00:03:44,799
big bigfoot hates water so we should

52
00:03:48,470 --> 00:03:46,959
stay close to the stream

53
00:03:49,910 --> 00:03:48,480
cabin over here

54
00:03:52,470 --> 00:03:49,920
let's go check that out

55
00:03:58,070 --> 00:03:55,910
10-4 on that oh [h__h] there's bigfoot

56
00:03:59,750 --> 00:03:58,080
where it's up the road there

57
00:04:03,910 --> 00:03:59,760
what the hell oh my god right there he

58
00:04:07,750 --> 00:04:05,350
i didn't even see him yeah he's over

59
00:04:09,509 --> 00:04:07,760
there he's

60
00:04:11,270 --> 00:04:09,519
he's to the south

61
00:04:13,110 --> 00:04:11,280
southwest

62
00:04:15,270 --> 00:04:13,120
he wasn't coming at us no he wasn't he

63
00:04:17,749 --> 00:04:15,280

was he was sad

64

00:04:18,870 --> 00:04:17,759

he was his head was down

65

00:04:23,110 --> 00:04:18,880

so he got

66

00:04:28,150 --> 00:04:26,310

he was walking in this direction

67

00:04:33,270 --> 00:04:28,160

hey across that river yeah he crossed

68

00:04:36,629 --> 00:04:35,189

where are you

69

00:04:38,629 --> 00:04:36,639

i got a drone

70

00:04:40,830 --> 00:04:38,639

yep send out the drone

71

00:04:42,550 --> 00:04:40,840

and fly it to the

72

00:04:44,070 --> 00:04:42,560

south

73

00:04:44,870 --> 00:04:44,080

feet okay i'm putting the trap right

74

00:04:47,110 --> 00:04:44,880

here

75

00:04:48,950 --> 00:04:47,120

i pull one not too far away

76

00:04:50,629 --> 00:04:48,960

right here

77

00:04:52,629 --> 00:04:50,639

watch out watch out there's a trap right

78

00:04:54,150 --> 00:04:52,639

here i'm gonna put some meat in here

79

00:05:00,790 --> 00:04:54,160

because that's what i do

80

00:05:05,350 --> 00:05:02,710

probably to come attack us tonight there

81

00:05:07,590 --> 00:05:05,360

we go i put some meat in here

82

00:05:20,070 --> 00:05:07,600

meet right here in this trap

83

00:05:20,080 --> 00:05:22,790

jesus man

84

00:05:26,790 --> 00:05:24,790

i don't guess i'll butcher the animal

85

00:05:29,430 --> 00:05:26,800

one of our traps one of our uh motion

86

00:05:31,830 --> 00:05:29,440

detector lights just went off up north

87

00:05:35,110 --> 00:05:31,840

the second one south of our rv

88

00:05:36,550 --> 00:05:35,120

it just went it went on off again yes

89

00:05:39,270 --> 00:05:36,560

he's gonna he's gonna be coming our way

90

00:05:40,710 --> 00:05:39,280

there's no doubt about that

91

00:05:43,110 --> 00:05:40,720

can we skin this wolf can we use it as

92

00:05:45,590 --> 00:05:43,120

meat yeah i took the meat all right well

93

00:05:47,670 --> 00:05:45,600

hey watch out there's a trap right here

94

00:05:53,510 --> 00:05:47,680

we're in for this watchtower

95

00:05:57,350 --> 00:05:55,270

he will be here

96

00:05:58,950 --> 00:05:57,360

oh yes

97

00:06:00,390 --> 00:05:58,960

all right

98

00:06:02,870 --> 00:06:00,400

let's go check out the other side of

99

00:06:04,070 --> 00:06:02,880

these rocks

100

00:06:05,430 --> 00:06:04,080

i guess we can

101
00:06:07,590 --> 00:06:05,440
explore out here when it gets dark we

102
00:06:10,390 --> 00:06:07,600
can go back to that tower i know

103
00:06:11,990 --> 00:06:10,400
it usually attacks us there

104
00:06:13,749 --> 00:06:12,000
did the last time

105
00:06:15,029 --> 00:06:13,759
where did you see those fallen trees and

106
00:06:17,830 --> 00:06:15,039
rocks

107
00:06:19,590 --> 00:06:17,840
the internet connection is unstable

108
00:06:21,110 --> 00:06:19,600
right here is what what i thought this

109
00:06:22,070 --> 00:06:21,120
rock cave that you guys walked under

110
00:06:26,230 --> 00:06:22,080
this

111
00:06:28,309 --> 00:06:26,240
was like his nest

112
00:06:32,309 --> 00:06:28,319
i'm getting this weird energy

113
00:06:35,110 --> 00:06:33,430

[h__\h]

114

00:06:37,110 --> 00:06:35,120

hey guys

115

00:06:39,430 --> 00:06:37,120

when you guys walk under this

116

00:06:40,790 --> 00:06:39,440

rock v do you hear this weird energy

117

00:06:42,790 --> 00:06:40,800

oh my god we gotta get back to the tree

118

00:06:44,550 --> 00:06:42,800

stand he just triggered one come on

119

00:06:46,710 --> 00:06:44,560

he's coming his way he's gonna be right

120

00:06:50,070 --> 00:06:46,720

down there he's right here

121

00:06:56,309 --> 00:06:52,629

he's coming

122

00:06:56,319 --> 00:06:59,589

i feel it a lot

123

00:06:59,599 --> 00:07:07,990

you just flashlight time

124

00:07:08,000 --> 00:07:16,870

he's coming

125

00:07:22,230 --> 00:07:18,950

i'm gonna get up in the

126

00:07:23,990 --> 00:07:22,240

hunting stand because i'm scared

127

00:07:25,510 --> 00:07:24,000

i think he just knocks that thing over

128

00:07:33,110 --> 00:07:25,520

yeah well

129

00:07:42,629 --> 00:07:36,390

what the heck is going on

130

00:07:45,270 --> 00:07:44,309

i'm gonna put a camera down pretty close

131

00:07:46,710 --> 00:07:45,280

by

132

00:07:56,869 --> 00:07:46,720

okay

133

00:07:56,879 --> 00:08:00,390

i hear him

134

00:08:03,990 --> 00:08:02,390

oh [h__h] there he is

135

00:08:12,230 --> 00:08:04,000

no is that you

136

00:08:12,240 --> 00:08:18,150

i'm scared i'm scared i'm scared

137

00:08:18,160 --> 00:08:23,189

i'll get him with him

138

00:08:23,199 --> 00:08:27,189

oh my god

139

00:08:32,550 --> 00:08:29,670

worked amazingly well

140

00:08:37,190 --> 00:08:34,790

holy crap

141

00:08:39,190 --> 00:08:37,200

this trap uh the trap his toast oh my

142

00:08:40,870 --> 00:08:39,200

god oh my god oh god i don't have any

143

00:08:42,310 --> 00:08:40,880

bullets left yeah i'm down to a knife we

144

00:08:44,710 --> 00:08:42,320

gotta go check out that cabin or

145

00:08:46,630 --> 00:08:44,720

something yeah yeah yeah we gotta go we

146

00:08:48,389 --> 00:08:46,640

gotta move now while he's injured

147

00:08:50,870 --> 00:08:48,399

i got a signal player i can shoot all

148

00:08:52,310 --> 00:08:50,880

right that that's something

149

00:08:57,990 --> 00:08:52,320

oh god

150

00:09:03,590 --> 00:09:00,070

oh my god i got a knife

151
00:09:03,600 --> 00:09:08,070
leave my friend to load

152
00:09:08,080 --> 00:09:17,509
i stabbed him twice

153
00:09:21,030 --> 00:09:19,350
oh my god he's hurting me

154
00:09:22,710 --> 00:09:21,040
he's hurting me

155
00:09:31,590 --> 00:09:22,720
leave me alone

156
00:09:35,590 --> 00:09:34,310
oh my god i'm really hurt

157
00:09:36,710 --> 00:09:35,600
all right we gotta get out of here we

158
00:09:39,430 --> 00:09:36,720
got

159
00:09:43,110 --> 00:09:39,440
i'm hurt how do i use the medical uh hit

160
00:09:46,150 --> 00:09:44,230
uh

161
00:09:48,310 --> 00:09:46,160
i gotta heal myself kill yourself guys

162
00:09:51,110 --> 00:09:48,320
we gotta get the heck out of here don't

163
00:09:54,790 --> 00:09:53,030

holy crap he's pissed

164

00:09:57,030 --> 00:09:54,800

he is pissed

165

00:09:59,030 --> 00:09:57,040

get down this road here oh yeah yeah

166

00:10:00,230 --> 00:09:59,040

yeah we gotta go

167

00:10:02,550 --> 00:10:00,240

we gotta see

168

00:10:04,230 --> 00:10:02,560

shelter is there camp nearby

169

00:10:07,110 --> 00:10:04,240

there's a cabin across the river here

170

00:10:09,910 --> 00:10:07,120

okay we got to get there boogie with us

171

00:10:11,750 --> 00:10:09,920

all right let's go

172

00:10:18,069 --> 00:10:11,760

for that trap yeah yeah we might want to

173

00:10:18,079 --> 00:10:23,269

a trap

174

00:10:23,279 --> 00:10:34,710

i guess good

175

00:10:38,470 --> 00:10:36,710

i don't have a lot of stamina

176
00:10:50,710 --> 00:10:38,480
i'm probably a little

177
00:10:55,350 --> 00:10:52,630
i need some explosives

178
00:10:58,550 --> 00:10:55,360
we do we need like some tnt

179
00:11:00,310 --> 00:10:58,560
i got a car battery i don't know

180
00:11:02,630 --> 00:11:00,320
you get a car battery yeah i found it in

181
00:11:05,110 --> 00:11:02,640
the cabin oh nice we probably can use

182
00:11:06,630 --> 00:11:05,120
that to recharge the drone if we need to

183
00:11:08,790 --> 00:11:06,640
uh do we want to take a right here and

184
00:11:10,310 --> 00:11:08,800
go up to the rv

185
00:11:11,590 --> 00:11:10,320
campsite

186
00:11:13,829 --> 00:11:11,600
on your left there's something like kind

187
00:11:15,110 --> 00:11:13,839
of trapped yeah watch out like yeah

188
00:11:17,350 --> 00:11:15,120

let's go under that they'll go to this

189

00:11:21,750 --> 00:11:17,360

tree here yeah that tree like bigfoot

190

00:11:23,110 --> 00:11:21,760

lays traps some places fyi

191

00:11:24,870 --> 00:11:23,120

that's new i haven't

192

00:11:26,550 --> 00:11:24,880

played with that someone say that first

193

00:11:28,470 --> 00:11:26,560

aid kit i mean if you're not gonna take

194

00:11:30,860 --> 00:11:28,480

it i'm gonna take something you know

195

00:11:33,829 --> 00:11:30,870

kind of hurt

196

00:11:35,030 --> 00:11:33,839

[Applause]

197

00:11:37,829 --> 00:11:35,040

flare gun

198

00:11:39,350 --> 00:11:37,839

okay 162 in here

199

00:11:46,710 --> 00:11:39,360

another first aid kit over here someone

200

00:11:51,110 --> 00:11:48,150

night vision camera battery i'll take

201

00:12:13,509 --> 00:11:54,829

if anybody finds any nine mil let me

202

00:12:18,710 --> 00:12:17,350

oh there's a dead body where oh my god

203

00:12:23,910 --> 00:12:18,720

oh my god

204

00:12:25,829 --> 00:12:23,920

we gotta get shelter somewhere we got to

205

00:12:27,750 --> 00:12:25,839

go pie

206

00:12:29,509 --> 00:12:27,760

monica i'm going with john to the water

207

00:12:33,430 --> 00:12:29,519

maybe john will feel better i'm so

208

00:12:41,190 --> 00:12:33,440

scared well john's probably dead

209

00:12:46,069 --> 00:12:43,509

maybe we go up a high there up on that

210

00:12:46,079 --> 00:12:51,990

that rock area up there

211

00:12:56,560 --> 00:12:53,910

way this this one right here i don't

212

00:12:58,230 --> 00:12:56,570

know i mean if we can

213

00:12:59,590 --> 00:12:58,240

[Applause]

214

00:13:13,509 --> 00:12:59,600

the one you're headed to are towards

215

00:13:13,519 --> 00:13:17,030

we're almost there

216

00:13:24,870 --> 00:13:18,829

rv i see

217

00:13:29,750 --> 00:13:27,590

i found some more 762 ammo here 20

218

00:13:37,110 --> 00:13:29,760

rounds

219

00:13:37,120 --> 00:13:44,790

all right on my way

220

00:13:50,870 --> 00:13:47,829

already got 52 rounds so oh okay you're

221

00:13:55,110 --> 00:13:53,829

uh more 12-gauge ammo no shotgun though

222

00:14:00,389 --> 00:13:55,120

trap

223

00:14:08,710 --> 00:14:01,670

i'm placing a lantern on the ground

224

00:14:14,829 --> 00:14:11,189

i'm gonna put i'm gonna put down a trap

225

00:14:19,110 --> 00:14:17,110

to wait i don't have a truck there we go

226

00:14:21,110 --> 00:14:19,120

i got a trap right here

227

00:14:23,910 --> 00:14:21,120

i'm putting meat in it

228

00:14:25,829 --> 00:14:23,920

boom there we go right at the front

229

00:14:27,509 --> 00:14:25,839

of the

230

00:14:28,710 --> 00:14:27,519

rv maybe it's not the best place to take

231

00:14:31,829 --> 00:14:28,720

it

232

00:14:33,430 --> 00:14:31,839

comes this way all right here where's

233

00:14:34,949 --> 00:14:33,440

your propane tank where where's it at

234

00:14:40,550 --> 00:14:34,959

it's in the road over there

235

00:14:45,030 --> 00:14:43,670

i'm putting the trap right next to it

236

00:14:47,189 --> 00:14:45,040

i'm putting meat in it so he'll get

237

00:14:49,509 --> 00:14:47,199

trapped by the propane tank or by the

238

00:14:51,269 --> 00:14:49,519

trap you shoot the propane tank and

239

00:14:52,710 --> 00:14:51,279

we're good

240

00:14:53,829 --> 00:14:52,720

get a trap out back lined up with a

241

00:14:56,230 --> 00:14:53,839

window

242

00:14:57,269 --> 00:14:56,240

awesome okay this is a great idea this

243

00:15:02,470 --> 00:14:57,279

is this

244

00:15:02,480 --> 00:15:22,629

it should work

245

00:15:22,639 --> 00:15:26,720

all right

246

00:15:29,920 --> 00:15:29,509

[Music]

247

00:15:31,749 --> 00:15:29,930

yeah

248

00:15:34,470 --> 00:15:31,759

[Music]

249

00:15:48,550 --> 00:15:34,480

probably pretty close

250

00:15:51,430 --> 00:15:49,670

well you might want to get yourself in

251
00:15:53,110 --> 00:15:51,440
that tent so you wish you're covered you

252
00:15:56,150 --> 00:15:53,120
know so and you have a good line of

253
00:16:02,949 --> 00:15:56,160
sight for that trap

254
00:16:15,509 --> 00:16:04,470
if he comes that way

255
00:16:15,519 --> 00:16:20,550
that's me

256
00:16:20,560 --> 00:16:30,069
hear movement

257
00:16:37,110 --> 00:16:31,350
holy crap

258
00:16:41,110 --> 00:16:38,949
is that it

259
00:16:44,389 --> 00:16:41,120
uh no he'll be back i got him with that

260
00:16:50,069 --> 00:16:44,399
flare gun he did not like that

261
00:16:53,990 --> 00:16:52,230
he's he's in the trap shoot that thing

262
00:16:55,430 --> 00:16:54,000
yes

263
00:17:02,069 --> 00:16:55,440

i got to get inside the heartbeat i'm

264

00:17:12,230 --> 00:17:05,329

yeah where's the ad oh my god

265

00:17:12,240 --> 00:17:18,470

oh [h__h]

266

00:17:22,949 --> 00:17:20,069

get inside the rv

267

00:17:22,959 --> 00:17:28,549

oh i'm hurt bad i'm hurt real bad

268

00:17:34,390 --> 00:17:30,710

get out of my way

269

00:17:39,380 --> 00:17:36,950

i gotta heal

270

00:17:42,310 --> 00:17:39,390

there you go

271

00:17:43,909 --> 00:17:42,320

[Music]

272

00:17:45,830 --> 00:17:43,919

yeah i don't have much life left yeah

273

00:17:49,750 --> 00:17:45,840

get it inside the rv let's just huddle

274

00:17:53,590 --> 00:17:52,070

just close that window

275

00:17:55,669 --> 00:17:53,600

yeah

276

00:17:58,549 --> 00:17:55,679

i sound like knock you out of the rv oh

277

00:18:01,830 --> 00:17:59,830

got em enough

278

00:18:05,669 --> 00:18:01,840

oh my god i don't have anything on me i

279

00:18:09,750 --> 00:18:07,750

uh let's see here i don't think i have

280

00:18:11,750 --> 00:18:09,760

an extra heel

281

00:18:14,150 --> 00:18:11,760

no i don't

282

00:18:15,830 --> 00:18:14,160

we're gonna have to

283

00:18:17,510 --> 00:18:15,840

oh boy

284

00:18:18,570 --> 00:18:17,520

i have to go explore

285

00:18:19,830 --> 00:18:18,580

yeah yeah

286

00:18:22,070 --> 00:18:19,840

[Music]

287

00:18:23,830 --> 00:18:22,080

holy that i mean i think pretty close

288

00:18:25,750 --> 00:18:23,840

around the north to the west on that

289

00:18:28,390 --> 00:18:25,760

road there's a mink with a large cat did

290

00:18:29,990 --> 00:18:28,400

that idea work with the gas tank i think

291

00:18:31,110 --> 00:18:30,000

it might have hurt him

292

00:18:32,950 --> 00:18:31,120

i don't know if it was close enough but

293

00:18:34,710 --> 00:18:32,960

it definitely blew up yeah the trap

294

00:18:37,669 --> 00:18:34,720

though

295

00:18:47,350 --> 00:18:40,710

all right where we going

296

00:18:51,909 --> 00:18:48,950

yeah we're all pretty injured i'm

297

00:18:53,669 --> 00:18:51,919

assuming at this point yeah i got 25

298

00:18:57,110 --> 00:18:53,679

yeah i got 31.

299

00:19:15,029 --> 00:18:57,120

yeah 13. i won't survive another attack

300

00:19:15,039 --> 00:19:17,830

oh my god

301
00:19:21,510 --> 00:19:19,590
up there i don't know we're being shadow

302
00:19:23,270 --> 00:19:21,520
we gotta we gotta we just gotta go it

303
00:19:25,190 --> 00:19:23,280
doesn't matter if he's following us

304
00:19:26,789 --> 00:19:25,200
we got to get to some sort of campsite

305
00:19:28,630 --> 00:19:26,799
with some

306
00:19:30,150 --> 00:19:28,640
there's something

307
00:19:33,750 --> 00:19:30,160
yeah yeah

308
00:19:33,760 --> 00:19:38,480
everyone take a different house search

309
00:19:49,750 --> 00:19:41,170
[Applause]

310
00:19:53,110 --> 00:19:50,830
that's a

311
00:20:02,070 --> 00:19:53,120
fireworks they're good they should

312
00:20:09,990 --> 00:20:03,350
yeah if you want to stop the fireworks

313
00:20:10,000 --> 00:20:13,430

ah

314

00:20:16,310 --> 00:20:14,789

not sure how to set them up what do you

315

00:20:17,750 --> 00:20:16,320

do just shoot it

316

00:20:26,230 --> 00:20:17,760

yeah you set it down i think it just

317

00:20:29,830 --> 00:20:28,390

well

318

00:20:36,710 --> 00:20:29,840

i don't see them but i bring the drone

319

00:20:44,149 --> 00:20:38,070

oh god

320

00:20:44,159 --> 00:20:47,940

you saw those fireworks

321

00:20:47,950 --> 00:20:53,350

[Applause]

322

00:20:56,870 --> 00:20:54,789

where's that drone

323

00:21:00,149 --> 00:20:56,880

i'm bringing it back right now

324

00:21:02,950 --> 00:21:01,430

remember we got a trap out there right

325

00:21:05,029 --> 00:21:02,960

next to that truck

326
00:21:06,710 --> 00:21:05,039
yeah i set it down by the

327
00:21:09,430 --> 00:21:06,720
red sedan

328
00:21:09,440 --> 00:21:31,990
go grab it

329
00:21:32,000 --> 00:21:38,070
it is very loud my apologies

330
00:21:45,750 --> 00:21:39,430
there we go

331
00:21:49,430 --> 00:21:47,350
i do i have a

332
00:22:04,549 --> 00:21:49,440
where's the bullet it's in that box on

333
00:22:12,470 --> 00:22:06,630
fuel canister by the trap yeah i see

334
00:22:27,110 --> 00:22:15,590
there's meat in that trap

335
00:22:42,710 --> 00:22:38,310
come on

336
00:22:48,310 --> 00:22:44,549
i hear someone coming across the water

337
00:22:48,320 --> 00:23:05,029
oh my god

338
00:23:05,039 --> 00:23:11,029

he just stepped in my face

339

00:23:14,470 --> 00:23:12,800

oh my god oh oh my god

340

00:23:16,950 --> 00:23:14,480

[Music]

341

00:23:18,950 --> 00:23:16,960

holy crap oh my god i'm i'm hurt very

342

00:23:24,789 --> 00:23:18,960

bad very bad

343

00:23:24,799 --> 00:23:27,830

oh no

344

00:23:30,950 --> 00:23:29,830

are you guys still alive

345

00:23:32,549 --> 00:23:30,960

no no

346

00:23:35,270 --> 00:23:32,559

oh no

347

00:23:36,630 --> 00:23:35,280

look he was torn asunder

348

00:23:37,830 --> 00:23:36,640

oh my

349

00:23:40,390 --> 00:23:37,840

oh no

350

00:23:41,269 --> 00:23:40,400

and he's feeding us

351
00:23:44,070 --> 00:23:41,279
yeah

352
00:23:47,190 --> 00:23:44,080
he certainly is

353
00:23:47,200 --> 00:23:53,029
he really bum rushed us didn't he

354
00:23:57,110 --> 00:23:55,190
oh my god

355
00:23:58,950 --> 00:23:57,120
is there an easier setting

356
00:24:02,070 --> 00:23:58,960
i can turn his

357
00:24:06,390 --> 00:24:03,669
oh boy i think that's going to do it for

358
00:24:08,549 --> 00:24:06,400
me guys that's uh okay i gotta go i got

359
00:24:09,990 --> 00:24:08,559
here in a day or two all right yeah yeah

360
00:24:12,390 --> 00:24:10,000
let's try again

361
00:24:15,669 --> 00:24:12,400
if we could turn it felt like i was i i

362
00:24:18,710 --> 00:24:15,679
emptied like 50 shots into him

363
00:24:20,230 --> 00:24:18,720

59 millimeter shots

364

00:24:22,070 --> 00:24:20,240

i shot him with a bunch of shotgun

365

00:24:23,590 --> 00:24:22,080

shells at least probably i mean it

366

00:24:24,630 --> 00:24:23,600

looked like he was wounded his back was
