

A close-up photograph of Steven Seagal. He is wearing orange-tinted glasses and has a goatee. He is holding a carrot in his mouth with his right hand, and a bunch of green beans is visible in his left hand. The background is dark and out of focus.

**STEVEN SEAGAL**

**CRYPTO &  
CARROTS**

1  
00:00:00,270 --> 00:00:08,390  
[Applause]

2  
00:00:14,470 --> 00:00:11,190  
uh moved to russia to escape u.s crypto

3  
00:00:17,189 --> 00:00:14,480  
fine but it didn't help interesting

4  
00:00:19,189 --> 00:00:17,199  
so steven seagal no longer a u.s citizen

5  
00:00:20,150 --> 00:00:19,199  
that means he's also not

6  
00:00:23,109 --> 00:00:20,160  
um

7  
00:00:24,950 --> 00:00:23,119  
a deputy in louisiana

8  
00:00:26,150 --> 00:00:24,960  
what was from florida i thought he was

9  
00:00:27,990 --> 00:00:26,160  
in louisiana i thought he's in new

10  
00:00:29,429 --> 00:00:28,000  
orleans

11  
00:00:31,830 --> 00:00:29,439  
i was in florida somewhere i don't know

12  
00:00:32,950 --> 00:00:31,840  
whatever

13  
00:00:35,430 --> 00:00:32,960

okay

14

00:00:39,030 --> 00:00:35,440

i'll look it up all right look it up and

15

00:00:40,709 --> 00:00:39,040

uh i'll read a little bit of

16

00:00:42,790 --> 00:00:40,719

the story here sorry you're right

17

00:00:45,350 --> 00:00:42,800

jefferson parish sheriff's office in

18

00:00:47,029 --> 00:00:45,360

louisiana okay good

19

00:00:49,510 --> 00:00:47,039

and this is steve this is where for the

20

00:00:50,790 --> 00:00:49,520

record this is uh steven seagal right

21

00:00:52,229 --> 00:00:50,800

here

22

00:00:53,670 --> 00:00:52,239

that's just him

23

00:00:54,950 --> 00:00:53,680

click

24

00:00:58,229 --> 00:00:54,960

where did you find this picture of

25

00:01:00,630 --> 00:00:58,239

steven seagal with a carrot

26

00:01:02,389 --> 00:01:00,640

it's actually a gift too

27

00:01:03,510 --> 00:01:02,399

there's full motion on that let me put

28

00:01:07,670 --> 00:01:03,520

that up on the screen right there he

29

00:01:11,429 --> 00:01:09,350

that's that's amazing

30

00:01:14,550 --> 00:01:11,439

like there's a a full picture of stephen

31

00:01:20,950 --> 00:01:17,190

eating a carrot in in

32

00:01:23,910 --> 00:01:22,390

ah that's fascinating

33

00:01:25,109 --> 00:01:23,920

oh that's why he can't live in the u.s

34

00:01:26,550 --> 00:01:25,119

anymore

35

00:01:28,870 --> 00:01:26,560

they're like dude if you've done this

36

00:01:32,230 --> 00:01:28,880

you can't beat mr tough guy anymore

37

00:01:34,870 --> 00:01:32,240

he's rick wearing like a japanese like

38

00:01:38,390 --> 00:01:34,880

he's a kimono he's got the dyed black

39

00:01:41,190 --> 00:01:38,400

hair and uh like an evil villain goatee

40

00:01:42,630 --> 00:01:41,200

with like orange glasses on eating a

41

00:01:44,469 --> 00:01:42,640

carrot

42

00:01:45,190 --> 00:01:44,479

uh what about if i use this version of

43

00:01:49,030 --> 00:01:45,200

it

44

00:01:52,789 --> 00:01:50,550

i'm just guys

45

00:01:55,429 --> 00:01:52,799

look kevin crazy lawyer you haven't

46

00:01:57,590 --> 00:01:55,439

busted out the tracker in a long time

47

00:01:59,270 --> 00:01:57,600

the tracker wait or is the snowman the

48

00:02:01,670 --> 00:01:59,280

snowman yeah i haven't busted out the

49

00:02:03,429 --> 00:02:01,680

snowman in a long time but that that is

50

00:02:04,630 --> 00:02:03,439

definitely a carrot right there

51

00:02:06,870 --> 00:02:04,640

god i don't you know

52

00:02:08,949 --> 00:02:06,880

i can't believe you reminded me of a

53

00:02:10,949 --> 00:02:08,959

snowman

54

00:02:12,550 --> 00:02:10,959

it's a character that we don't do

55

00:02:13,750 --> 00:02:12,560

anymore here's another one of him taking

56

00:02:15,030 --> 00:02:13,760

the carrot away from somebody than

57

00:02:17,190 --> 00:02:15,040

biting it it's apparently this was a

58

00:02:17,990 --> 00:02:17,200

thing

59

00:02:19,750 --> 00:02:18,000

this one looks like he's not even

60

00:02:23,830 --> 00:02:19,760

wearing a kimono he's wearing a cape

61

00:02:26,710 --> 00:02:23,840

he's wearing a dress he's wearing a a a

62

00:02:28,630 --> 00:02:26,720

a bedroom comforter from his hotel

63

00:02:30,150 --> 00:02:28,640

yeah he's wearing wow

64

00:02:32,470 --> 00:02:30,160

a dress there's nothing yeah there's

65

00:02:35,830 --> 00:02:32,480

like people handing him carrots he loves

66

00:02:37,830 --> 00:02:35,840

to eat carrots maybe the the

67

00:02:39,190 --> 00:02:37,840

they specialize in carrot growing over

68

00:02:40,869 --> 00:02:39,200

there maybe they say they say eating

69

00:02:42,630 --> 00:02:40,879

carrots improves your eyesight so you

70

00:02:43,589 --> 00:02:42,640

notice his glasses there

71

00:02:45,190 --> 00:02:43,599

uh

72

00:02:46,630 --> 00:02:45,200

they're tinted because his eyesight is

73

00:02:49,270 --> 00:02:46,640

so good now

74

00:02:50,949 --> 00:02:49,280

that he has to kind of back it off a bit

75

00:02:52,150 --> 00:02:50,959

ah yes

76

00:02:54,550 --> 00:02:52,160

well uh this would be a little bit of

77

00:02:55,830 --> 00:02:54,560

this article here this is uh

78

00:02:57,910 --> 00:02:55,840

somebody played any bobby lupu what's

79

00:03:00,390 --> 00:02:57,920

going on news24 i got i got plenty of

80

00:03:01,509 --> 00:03:00,400

clips here question of everything steven

81

00:03:03,910 --> 00:03:01,519

seagal but let's get into the story a

82

00:03:07,830 --> 00:03:03,920

little bit steven seagal who starred in

83

00:03:11,430 --> 00:03:07,840

the film beyond uh beyond the law

84

00:03:15,990 --> 00:03:14,390

beyond the grave beyond the law is not

85

00:03:23,630 --> 00:03:16,000

uh seems to go a little movie not unless

86

00:03:23,640 --> 00:03:30,309

[Music]

87

00:03:35,830 --> 00:03:32,869

[h\_\_\h] you

88

00:03:39,430 --> 00:03:35,840

that guy uh so steve steven seagal who

89

00:03:42,149 --> 00:03:39,440  
starred in the film beyond the law

90

00:03:44,229 --> 00:03:42,159  
uh found out that even relocating to

91

00:03:47,110 --> 00:03:44,239  
russia doesn't mean he's beyond the

92

00:03:49,430 --> 00:03:47,120  
reach of u.s courts as the security and

93

00:03:52,390 --> 00:03:49,440  
exchange commission won a judgment

94

00:03:54,789 --> 00:03:52,400  
against him a federal judge in brooklyn

95

00:03:56,789 --> 00:03:54,799  
said the sec can go through segal's

96

00:03:57,990 --> 00:03:56,799  
business manager to try to collect more

97

00:03:59,990 --> 00:03:58,000  
than

98

00:04:02,070 --> 00:04:00,000  
two hundred thousand dollars that the

99

00:04:04,630 --> 00:04:02,080  
actor owes the us government for failing

100

00:04:06,789 --> 00:04:04,640  
to disclose that he was being paid

101  
00:04:08,390 --> 00:04:06,799  
to promote a digital

102  
00:04:09,429 --> 00:04:08,400  
token okay

103  
00:04:10,630 --> 00:04:09,439  
okay

104  
00:04:14,869 --> 00:04:10,640  
what if i show you what it's like to be

105  
00:04:20,949 --> 00:04:17,509  
well see uh steven seagal agreed to

106  
00:04:22,069 --> 00:04:20,959  
settle the commission's allegations but

107  
00:04:26,629 --> 00:04:22,079  
uh

108  
00:04:30,390 --> 00:04:26,639  
the commission's allegations that he's

109  
00:04:32,790 --> 00:04:30,400  
been promised 250 000 in cash and 750

110  
00:04:34,070 --> 00:04:32,800  
000 in tokens for promoting the initial

111  
00:04:36,390 --> 00:04:34,080  
coin offering

112  
00:04:38,629 --> 00:04:36,400  
for turkey cheese tokens uh i think

113  
00:04:40,070 --> 00:04:38,639

these are digital tokens scratches much

114

00:04:43,350 --> 00:04:40,080

like uh

115

00:04:45,189 --> 00:04:43,360

two big dump trucks

116

00:04:49,510 --> 00:04:45,199

here's your here's your tokens yeah you

117

00:04:54,629 --> 00:04:52,230

uh in social media posts seagal had

118

00:04:55,990 --> 00:04:54,639

urged his fans not to miss out on the

119

00:04:58,550 --> 00:04:56,000

offering the actor settled the

120

00:05:00,550 --> 00:04:58,560

allegations without admitting or denying

121

00:05:02,150 --> 00:05:00,560

wrongdoing so he's paid to promote this

122

00:05:04,070 --> 00:05:02,160

cryptocurrency

123

00:05:06,390 --> 00:05:04,080

and as a is a classic pump and dump

124

00:05:08,629 --> 00:05:06,400

scheme someone hired him to promote this

125

00:05:11,510 --> 00:05:08,639

token he got on social media all the

126  
00:05:12,790 --> 00:05:11,520  
steven seagal heads the the seagulls as

127  
00:05:14,469 --> 00:05:12,800  
i like to call them they all got out

128  
00:05:16,150 --> 00:05:14,479  
there steven seagulls that's right the

129  
00:05:18,629 --> 00:05:16,160  
seagulls got out there and they started

130  
00:05:21,990 --> 00:05:18,639  
going crazy buying the tokens that

131  
00:05:24,550 --> 00:05:22,000  
elevated the price of the coin

132  
00:05:28,070 --> 00:05:24,560  
uh steven seagal got paid off he got his

133  
00:05:30,230 --> 00:05:28,080  
money and now these sec wants their cut

134  
00:05:31,749 --> 00:05:30,240  
of the action

135  
00:05:33,110 --> 00:05:31,759  
and this was the same thing that um

136  
00:05:34,469 --> 00:05:33,120  
wesley snipes tried to do a number of

137  
00:05:35,749 --> 00:05:34,479  
years ago where he basically said i

138  
00:05:36,469 --> 00:05:35,759

don't live in the u.s i don't have to

139

00:05:38,870 --> 00:05:36,479

pay

140

00:05:40,230 --> 00:05:38,880

u.s taxes and sounds like stevenson went

141

00:05:42,310 --> 00:05:40,240

one step further and

142

00:05:44,469 --> 00:05:42,320

uh renounced his citizenship but the sec

143

00:05:45,909 --> 00:05:44,479

is kind of going after him anyway saying

144

00:05:47,189 --> 00:05:45,919

you know doesn't matter exposed factor

145

00:05:49,270 --> 00:05:47,199

you got to pay it

146

00:05:51,590 --> 00:05:49,280

do you think russia ought to

147

00:05:54,629 --> 00:05:51,600

give edward snowden over to the u.s is

148

00:06:02,309 --> 00:05:54,639

that a good idea or are not a good idea

149

00:06:07,350 --> 00:06:05,590

uh yeah this is my favorite one well uh

150

00:06:09,189 --> 00:06:07,360

it looks like steven seagal is gonna

151

00:06:11,510 --> 00:06:09,199

take that money to the bank but not

152

00:06:13,029 --> 00:06:11,520

before the sec

153

00:06:16,230 --> 00:06:13,039

is gonna get their hands on it too i'm

154

00:06:18,950 --> 00:06:16,240

gonna take you to the bank senator trent

155

00:06:21,510 --> 00:06:18,960

onto the blood bank that is some whisper

156

00:06:23,029 --> 00:06:21,520

acting i love that yeah maybe maybe

157

00:06:25,189 --> 00:06:23,039

that's what biden's trying to do he

158

00:06:27,590 --> 00:06:25,199

watches late night steven seagal movies

159

00:06:29,110 --> 00:06:27,600

oh he's like i'm gonna i'm gonna whisper

160

00:06:30,550 --> 00:06:29,120

yeah i'm gonna act

161

00:06:31,970 --> 00:06:30,560

coach

162

00:06:33,029 --> 00:06:31,980

i'm

163

00:06:35,430 --> 00:06:33,039

[Music]

164

00:06:37,670 --> 00:06:35,440

blood bank gay mom

165

00:06:40,950 --> 00:06:37,680

i'm transgender that's some good acting

166

00:06:43,029 --> 00:06:41,990

somebody i don't know what the context

167

00:06:44,150 --> 00:06:43,039

was but i wonder if somebody just typed

168

00:06:45,430 --> 00:06:44,160

that in the teleprompter he's just

169

00:06:47,189 --> 00:06:45,440

reading

170

00:06:53,110 --> 00:06:47,199

maybe

171

00:06:59,589 --> 00:06:55,990

uh so seagal who now lives in moscow

172

00:07:01,189 --> 00:06:59,599

hasn't registered to the sec's repeated

173

00:07:02,950 --> 00:07:01,199

or hasn't responded to the sec's

174

00:07:05,270 --> 00:07:02,960

repeated demands after making his

175

00:07:06,309 --> 00:07:05,280

initial payment according to the

176

00:07:08,150 --> 00:07:06,319

commission

177

00:07:11,830 --> 00:07:08,160

russian president vladimir putin issued

178

00:07:14,950 --> 00:07:11,840

a presidential decree in 2016 granting

179

00:07:18,710 --> 00:07:14,960

the actor russian citizenship

180

00:07:19,830 --> 00:07:18,720

so uh it looks like uh you know seagal

181

00:07:21,830 --> 00:07:19,840

uh

182

00:07:24,550 --> 00:07:21,840

perhaps is

183

00:07:26,390 --> 00:07:24,560

above the law

184

00:07:28,830 --> 00:07:26,400

you mean beyond the land

185

00:07:30,150 --> 00:07:28,840

beyond beyond the law look at this

186

00:07:32,230 --> 00:07:30,160

[h\_\_\h] i understand you're a

187

00:07:34,710 --> 00:07:32,240

disappointment this week

188

00:07:36,710 --> 00:07:34,720

steven seagal starring in out to lunch

189

00:07:41,350 --> 00:07:36,720

but the sec

190

00:07:47,749 --> 00:07:46,230

and now his bank account is under siege

191

00:07:52,150 --> 00:07:47,759

if he pisses off putin he'll be marked

192

00:07:54,869 --> 00:07:53,749

what's well run some of the other ones

193

00:07:56,629 --> 00:07:54,879

uh

194

00:07:59,990 --> 00:07:56,639

i can look him up i'm gonna have to do

195

00:08:03,110 --> 00:08:00,000

imdb to even participate i know

196

00:08:04,790 --> 00:08:03,120

that's not one of his movies joe

197

00:08:07,430 --> 00:08:04,800

by renouncing his u.s citizenship he's a

198

00:08:12,070 --> 00:08:07,440

true patriot

199

00:08:14,070 --> 00:08:12,080

i don't know what was the one he did in

200

00:08:16,710 --> 00:08:14,080

alaska uh

201  
00:08:19,510 --> 00:08:16,720  
oh on deadly ground deadly ground yes so

202  
00:08:20,869 --> 00:08:19,520  
now that he's living in moscow he's

203  
00:08:23,589 --> 00:08:20,879  
definitely living

204  
00:08:25,510 --> 00:08:23,599  
on deadly ground

205  
00:08:27,029 --> 00:08:25,520  
how could you have done this

206  
00:08:28,629 --> 00:08:27,039  
it's time for him to make some executive

207  
00:08:30,550 --> 00:08:28,639  
decisions wasn't he that yeah his

208  
00:08:33,269 --> 00:08:30,560  
executive decision

209  
00:08:35,269 --> 00:08:33,279  
this has been a disappointment this is

210  
00:08:36,310 --> 00:08:35,279  
terrible

211  
00:08:38,230 --> 00:08:36,320  
uh

212  
00:08:40,469 --> 00:08:38,240  
all right

213  
00:08:41,990 --> 00:08:40,479

i mean so students this is i mean i

214

00:08:44,230 --> 00:08:42,000

wouldn't expect anything less than

215

00:08:46,550 --> 00:08:44,240

steven seagal to get in to a slimy

216

00:08:47,590 --> 00:08:46,560

cryptocurrency uh scheme

217

00:08:49,030 --> 00:08:47,600

okay so first of all mike there

218

00:08:51,750 --> 00:08:49,040

apparently is a movie called beyond the

219

00:08:53,269 --> 00:08:51,760

law so whoever wrote this this story

220

00:08:56,470 --> 00:08:53,279

just went and looked at his most recent

221

00:09:00,550 --> 00:08:58,870

oh yeah 2019

222

00:09:02,230 --> 00:09:00,560

that's not important what's important is

223

00:09:04,310 --> 00:09:02,240

he's got one in production right now

224

00:09:15,500 --> 00:09:04,320

called above the law too

225

00:09:22,790 --> 00:09:18,710
