

THE SLEEPLESS WOMAN

*and taco news
and mysterious explosions*

1
00:00:00,270 --> 00:00:06,869
[Applause]

2
00:00:11,430 --> 00:00:09,430
so this is this is not covered related

3
00:00:13,990 --> 00:00:11,440
uh this has nothing to do with well i

4
00:00:15,430 --> 00:00:14,000
guess maybe in a real tangential system

5
00:00:17,750 --> 00:00:15,440
something to do with the cove everything

6
00:00:19,990 --> 00:00:17,760
is something to covet uh this is this is

7
00:00:22,150 --> 00:00:20,000
critical taco bell news this is coming

8
00:00:24,310 --> 00:00:22,160
up we've talked about this

9
00:00:26,230 --> 00:00:24,320
uh this is but this is keeps coming this

10
00:00:29,109 --> 00:00:26,240
is from september 10th it's from

11
00:00:31,109 --> 00:00:29,119
yesterday so this is brand new

12
00:00:33,750 --> 00:00:31,119
news about taco bell we've got to know

13
00:00:35,350 --> 00:00:33,760

gotta here go bell sauce update

14

00:00:37,270 --> 00:00:35,360

well this is the kind of stuff that's

15

00:00:39,270 --> 00:00:37,280

critical to me and

16

00:00:41,430 --> 00:00:39,280

the first story was that there wasn't

17

00:00:43,510 --> 00:00:41,440

enough taco bell sauce to go around now

18

00:00:44,790 --> 00:00:43,520

there's too much to go around probably

19

00:00:46,709 --> 00:00:44,800

here we go

20

00:00:49,750 --> 00:00:46,719

the garbage but now taco bell wants you

21

00:00:52,470 --> 00:00:49,760

to return your sauce packets so they can

22

00:00:54,630 --> 00:00:52,480

be refilled it's gross the fast food

23

00:00:56,470 --> 00:00:54,640

chain teaming up with recycling company

24

00:00:59,110 --> 00:00:56,480

terracycle on the new program customers

25

00:01:00,549 --> 00:00:59,120

can recycle the packets by mailing them

26

00:01:02,630 --> 00:01:00,559

the empty ones

27

00:01:06,149 --> 00:01:02,640

taco bell says its goal is to save 8

28

00:01:08,070 --> 00:01:06,159

billion pounds of used sauce packets

29

00:01:09,990 --> 00:01:08,080

from going into the landfill every year

30

00:01:12,310 --> 00:01:10,000

within the next four years taco bell

31

00:01:14,310 --> 00:01:12,320

hopes all of its packaging will be

32

00:01:16,789 --> 00:01:14,320

recyclable or reusable but here's an

33

00:01:18,070 --> 00:01:16,799

idea how about you don't hand me a

34

00:01:19,510 --> 00:01:18,080

handful

35

00:01:21,830 --> 00:01:19,520

of the sauce

36

00:01:23,109 --> 00:01:21,840

they always give you five i end up with

37

00:01:25,030 --> 00:01:23,119

buildback

38

00:01:26,870 --> 00:01:25,040

it doesn't go bad [\h__\h]

39

00:01:28,950 --> 00:01:26,880

that's good news it's not like it

40

00:01:31,429 --> 00:01:28,960

expires yeah and what are you gonna do

41

00:01:34,069 --> 00:01:31,439

like you know when you save these little

42

00:01:36,310 --> 00:01:34,079

baggies of salsa and they're just like

43

00:01:38,789 --> 00:01:36,320

if you crumple them all up in your hands

44

00:01:41,030 --> 00:01:38,799

you end up with salsa or sauce like in

45

00:01:42,230 --> 00:01:41,040

random finger crevices and so forth like

46

00:01:44,469 --> 00:01:42,240

no one's what are you going to save

47

00:01:46,389 --> 00:01:44,479

these for you to put them in your pocket

48

00:01:47,510 --> 00:01:46,399

mail them people put them in a drawer at

49

00:01:49,030 --> 00:01:47,520

home and they save them for the

50

00:01:51,350 --> 00:01:49,040

apocalypse it's going to be traded as

51
00:01:53,910 --> 00:01:51,360
currency i'm going to be sucking salsa

52
00:01:55,270 --> 00:01:53,920
out of an empty packet or near empty

53
00:01:57,270 --> 00:01:55,280
packet don't you guys have a sauce

54
00:01:59,510 --> 00:01:57,280
drawer at home

55
00:02:01,190 --> 00:01:59,520
kitchen sauce drawer i actually do carry

56
00:02:03,030 --> 00:02:01,200
around salt pepper those little salt

57
00:02:05,590 --> 00:02:03,040
pepper packs and salsa every now and

58
00:02:07,350 --> 00:02:05,600
again and avocados and a knife to cut

59
00:02:08,389 --> 00:02:07,360
them with just like

60
00:02:10,150 --> 00:02:08,399
all the time when you're just like at

61
00:02:11,830 --> 00:02:10,160
the store i'm just walking around with

62
00:02:13,190 --> 00:02:11,840
them no joke

63
00:02:15,110 --> 00:02:13,200

i grab it like a hand they give me them

64

00:02:16,710 --> 00:02:15,120

i throw them in my socks that's it so i

65

00:02:18,949 --> 00:02:16,720

walk around with like taco bell sauce in

66

00:02:21,270 --> 00:02:18,959

my socks they call them old salty socks

67

00:02:22,229 --> 00:02:21,280

oh old saucy sauce saucy

68

00:02:23,910 --> 00:02:22,239

socks

69

00:02:25,670 --> 00:02:23,920

so i guess my question would be could

70

00:02:27,270 --> 00:02:25,680

they could they because a lot of uh fast

71

00:02:28,309 --> 00:02:27,280

food places have done away with instead

72

00:02:30,630 --> 00:02:28,319

of giving you package they just have the

73

00:02:32,309 --> 00:02:30,640

big pumper things there to that they

74

00:02:34,150 --> 00:02:32,319

tell you to stop pumping yeah stop

75

00:02:36,150 --> 00:02:34,160

pumping couldn't taco bell just do that

76

00:02:37,430 --> 00:02:36,160

just have a big like bin of the sauce

77

00:02:38,309 --> 00:02:37,440

you just dip whatever you want in there

78

00:02:42,790 --> 00:02:38,319

but you have to take it with you when

79

00:02:46,470 --> 00:02:44,470

well i got a

80

00:02:48,869 --> 00:02:46,480

some strange stores over here maybe

81

00:02:52,070 --> 00:02:48,879

someone in tennessee could tell us

82

00:02:53,990 --> 00:02:52,080

what's going on over here yes

83

00:02:55,430 --> 00:02:54,000

we got a couple of chris's maybe there's

84

00:02:56,949 --> 00:02:55,440

a bunch of chris's and there's a bunch

85

00:02:58,470 --> 00:02:56,959

of people just over the border in

86

00:03:01,589 --> 00:02:58,480

kentucky

87

00:03:03,190 --> 00:03:01,599

so uh unknown phenomenon reported in

88

00:03:05,190 --> 00:03:03,200

tennessee this is

89

00:03:06,790 --> 00:03:05,200

this as of this morning authorities in

90

00:03:08,309 --> 00:03:06,800

tennessee were left scratching their

91

00:03:11,190 --> 00:03:08,319

heads at the

92

00:03:14,309 --> 00:03:11,200

uh at the weekend after reports

93

00:03:17,190 --> 00:03:14,319

of a mysterious rep explosion

94

00:03:20,949 --> 00:03:17,200

okay uh yeah okay left scratching their

95

00:03:22,949 --> 00:03:20,959

heads at the weekend after

96

00:03:25,270 --> 00:03:22,959

reports of a mysterious explosion and

97

00:03:26,309 --> 00:03:25,280

this is written very weird yeah dude i'm

98

00:03:28,229 --> 00:03:26,319

gonna go over that sentence several

99

00:03:30,710 --> 00:03:28,239

times scratching their heads at the week

100

00:03:32,710 --> 00:03:30,720

scratching their heads at the weekend

101
00:03:34,390 --> 00:03:32,720
after report yeah

102
00:03:36,390 --> 00:03:34,400
like i guess the

103
00:03:37,990 --> 00:03:36,400
the weekends making them confused they

104
00:03:41,509 --> 00:03:38,000
were confused about the weekend because

105
00:03:43,670 --> 00:03:41,519
there was a report exactly i guess

106
00:03:45,750 --> 00:03:43,680
yeah what is this this is like the most

107
00:03:47,030 --> 00:03:45,760
grammatically [h__h] also what the

108
00:03:49,670 --> 00:03:47,040
hell is going on with the image credit

109
00:03:51,990 --> 00:03:49,680
there that says nasa just randomly like

110
00:03:54,789 --> 00:03:52,000
here's some [h__h] nasa blue i'm starting

111
00:03:56,710 --> 00:03:54,799
to get a bad sense for this article it

112
00:04:01,830 --> 00:03:56,720
is the image we're looking at is just a

113
00:04:03,190 --> 00:04:01,840

random explosion and is credited to nasa

114

00:04:05,509 --> 00:04:03,200

and that's not the that's not the

115

00:04:07,110 --> 00:04:05,519

government agency that's steve nasa just

116

00:04:09,110 --> 00:04:07,120

let's shut up

117

00:04:11,030 --> 00:04:09,120

let's see what's going on in

118

00:04:13,429 --> 00:04:11,040

tennessee

119

00:04:15,509 --> 00:04:13,439

uh the alarm was raised on saturday

120

00:04:17,590 --> 00:04:15,519

evening when a number of local residents

121

00:04:18,710 --> 00:04:17,600

called up to clarksville police

122

00:04:19,430 --> 00:04:18,720

department

123

00:04:21,830 --> 00:04:19,440

uh

124

00:04:24,070 --> 00:04:21,840

their 911 dispatch center to report

125

00:04:27,030 --> 00:04:24,080

hearing a loud unidentified explosion

126
00:04:29,670 --> 00:04:27,040
across many parts of montgomery county

127
00:04:32,310 --> 00:04:29,680
has a guy again the force the blast was

128
00:04:34,469 --> 00:04:32,320
so great that in some areas people

129
00:04:36,230 --> 00:04:34,479
reported feeling the ground shake the

130
00:04:38,310 --> 00:04:36,240
source of such an event should have been

131
00:04:40,950 --> 00:04:38,320
relatively easy to track down however

132
00:04:42,710 --> 00:04:40,960
the mysterious the mystery only deepens

133
00:04:45,350 --> 00:04:42,720
when neither the clocksville police

134
00:04:47,510 --> 00:04:45,360
department or fire department were able

135
00:04:48,710 --> 00:04:47,520
to determine what had caused the

136
00:04:50,710 --> 00:04:48,720
explosion

137
00:04:52,710 --> 00:04:50,720
and where it had taken place

138
00:04:55,350 --> 00:04:52,720

uh to further add to the mystery there

139

00:04:57,990 --> 00:04:55,360

were no reports of damage or injury

140

00:04:59,189 --> 00:04:58,000

anywhere in the area investigations into

141

00:05:01,350 --> 00:04:59,199

the instance that's what happens an

142

00:05:03,029 --> 00:05:01,360

explosion massive explosions always

143

00:05:04,230 --> 00:05:03,039

leave no damage

144

00:05:05,270 --> 00:05:04,240

it's just

145

00:05:07,350 --> 00:05:05,280

we've had

146

00:05:09,110 --> 00:05:07,360

reports about this like

147

00:05:10,550 --> 00:05:09,120

i'm i don't know it's every few months

148

00:05:13,590 --> 00:05:10,560

there's if you

149

00:05:15,749 --> 00:05:13,600

look up uh mysterious explosions uh

150

00:05:17,590 --> 00:05:15,759

every few months you'll hear those uh

151

00:05:19,270 --> 00:05:17,600

and see those reports uh across the

152

00:05:21,189 --> 00:05:19,280

country and the world just random

153

00:05:23,990 --> 00:05:21,199

mysterious explosions that no one really

154

00:05:25,110 --> 00:05:24,000

can't account for so i got video of it

155

00:05:27,430 --> 00:05:25,120

uh you do

156

00:05:29,909 --> 00:05:27,440

yeah this is uh this is somebody's um

157

00:05:31,510 --> 00:05:29,919

home security camera picked up the sound

158

00:05:33,510 --> 00:05:31,520

really okay

159

00:05:34,790 --> 00:05:33,520

let me see here let me break it open

160

00:05:38,629 --> 00:05:34,800

isn't the carry shop

161

00:05:45,270 --> 00:05:41,110

okay here we here we go this is

162

00:05:49,909 --> 00:05:47,670

yeah that's a tough one

163

00:05:52,070 --> 00:05:49,919

i mean you yeah very difficult here very

164

00:05:53,510 --> 00:05:52,080

difficult to hear i there also i found

165

00:05:54,710 --> 00:05:53,520

another story on this related says

166

00:05:56,150 --> 00:05:54,720

someone said well they pointed out that

167

00:05:58,150 --> 00:05:56,160

fort campbell kentucky is just down the

168

00:05:59,749 --> 00:05:58,160

road they're like and somebody said

169

00:06:03,189 --> 00:05:59,759

fort campbell's on a four-day weekend

170

00:06:04,469 --> 00:06:03,199

due to labor day so like army is closed

171

00:06:05,990 --> 00:06:04,479

it wasn't us

172

00:06:08,230 --> 00:06:06,000

i found some additional audio here this

173

00:06:10,469 --> 00:06:08,240

might be a little bit more clear boom

174

00:06:12,390 --> 00:06:10,479

boom boom boom

175

00:06:13,830 --> 00:06:12,400

oh do we have the story of the uh the

176

00:06:15,270 --> 00:06:13,840

remember the guy doing his own fireworks

177

00:06:16,150 --> 00:06:15,280

noises and people were complaining about

178

00:06:17,110 --> 00:06:16,160

that

179

00:06:18,629 --> 00:06:17,120

uh

180

00:06:21,270 --> 00:06:18,639

that that would that would work bohemian

181

00:06:23,670 --> 00:06:21,280

grove satellite boom run by black ops

182

00:06:25,110 --> 00:06:23,680

boom right as usual

183

00:06:27,990 --> 00:06:25,120

it's gonna be black ops why are you so

184

00:06:29,350 --> 00:06:28,000

racist i don't know

185

00:06:31,670 --> 00:06:29,360

so what what do you think on this story

186

00:06:34,870 --> 00:06:31,680

do we uh theories

187

00:06:35,670 --> 00:06:34,880

my theory is experimental aircraft

188

00:06:36,710 --> 00:06:35,680

okay

189

00:06:38,070 --> 00:06:36,720

not the one i would go with but all

190

00:06:40,870 --> 00:06:38,080

right

191

00:06:43,670 --> 00:06:40,880

invisible experimental aircraft

192

00:06:45,590 --> 00:06:43,680

flown by alex jones yes

193

00:06:47,430 --> 00:06:45,600

i'm kind of serious about that i think

194

00:06:49,430 --> 00:06:47,440

it could be some sort of a experimental

195

00:06:51,749 --> 00:06:49,440

aircraft sonic boom

196

00:06:53,909 --> 00:06:51,759

shakes windows feels like a it depends

197

00:06:55,670 --> 00:06:53,919

on how you know big the craft is and how

198

00:06:57,510 --> 00:06:55,680

big the shock wave is that could explain

199

00:06:59,270 --> 00:06:57,520

some stuff well i'll go with sonic boom

200

00:07:01,189 --> 00:06:59,280

i'm going with a meteorite

201
00:07:02,309 --> 00:07:01,199
oh okay well

202
00:07:03,990 --> 00:07:02,319
because that ain't gonna leave [\h__\h] on

203
00:07:05,670 --> 00:07:04,000
the ground if that if that if you have a

204
00:07:07,990 --> 00:07:05,680
one of those ones comes down and you it

205
00:07:10,950 --> 00:07:08,000
breaks up at 30 or 40 000 feet there

206
00:07:13,029 --> 00:07:10,960
ain't nothing hit the ground okay

207
00:07:14,469 --> 00:07:13,039
i don't know

208
00:07:17,029 --> 00:07:14,479
coach

209
00:07:19,510 --> 00:07:17,039
i'm gay uh

210
00:07:21,110 --> 00:07:19,520
it has nothing to do with anything

211
00:07:24,070 --> 00:07:21,120
here is that that link is not the same

212
00:07:25,990 --> 00:07:24,080
thing you said to your doctor

213
00:07:27,749 --> 00:07:26,000

so this is better audio of the sound

214

00:07:42,950 --> 00:07:27,759

actually being made there i just dropped

215

00:07:48,580 --> 00:07:44,390

okay here we go

216

00:07:51,830 --> 00:07:49,990

[Music]

217

00:07:56,550 --> 00:07:51,840

people living on a cape coral canal got

218

00:08:00,070 --> 00:07:58,390

it wasn't one you could see but you

219

00:08:03,110 --> 00:08:00,080

could definitely hear it the dogs were

220

00:08:06,309 --> 00:08:03,120

barking and we go outside and and this

221

00:08:08,550 --> 00:08:06,319

guy is screaming i mean so loud sarah

222

00:08:10,710 --> 00:08:08,560

warnicky came outside this is where she

223

00:08:12,790 --> 00:08:10,720

could hear someone screaming from across

224

00:08:14,469 --> 00:08:12,800

the darkness of the canal putting on his

225

00:08:16,420 --> 00:08:14,479

own show

226

00:08:18,469 --> 00:08:16,430

pyrotechnics

227

00:08:20,710 --> 00:08:18,479

[Music]

228

00:08:21,589 --> 00:08:20,720

he seemed to be upset that people oh you

229

00:08:23,589 --> 00:08:21,599

know what

230

00:08:27,589 --> 00:08:23,599

i'll grab those clips so we can have

231

00:08:35,190 --> 00:08:29,270

uh

232

00:08:36,790 --> 00:08:35,200

that i can

233

00:08:41,350 --> 00:08:36,800

i can do real

234

00:08:42,389 --> 00:08:41,360

quick here let's see here yes yes oh yes

235

00:08:45,670 --> 00:08:42,399

here we go

236

00:08:46,790 --> 00:08:45,680

uh this is uh a woman claims she hasn't

237

00:08:47,750 --> 00:08:46,800

slept

238

00:08:49,430 --> 00:08:47,760

in

239

00:08:51,910 --> 00:08:49,440

40 years

240

00:08:53,750 --> 00:08:51,920

what i am tired

241

00:08:55,829 --> 00:08:53,760

of congress or something a woman in

242

00:08:57,910 --> 00:08:55,839

china maintains that she hasn't needed

243

00:09:01,509 --> 00:08:57,920

to close her eyes or go to sleep for

244

00:09:02,470 --> 00:09:01,519

over four decades

245

00:09:04,710 --> 00:09:02,480

uh

246

00:09:07,269 --> 00:09:04,720

that's that's incredible

247

00:09:08,949 --> 00:09:07,279

that is absolutely incredible okay yeah

248

00:09:11,509 --> 00:09:08,959

that's some good news on that front

249

00:09:13,269 --> 00:09:11,519

wasn't uh um was it thomas edison who

250

00:09:14,710 --> 00:09:13,279

claimed to um

251
00:09:16,310 --> 00:09:14,720
have a different sleep pattern because

252
00:09:17,590 --> 00:09:16,320
he was more productive something like

253
00:09:20,070 --> 00:09:17,600
that so

254
00:09:22,389 --> 00:09:20,080
he did power naps right

255
00:09:24,230 --> 00:09:22,399
there's a power napper

256
00:09:25,910 --> 00:09:24,240
well it goes on to say for most of us

257
00:09:28,310 --> 00:09:25,920
several days without sleep would leave

258
00:09:30,310 --> 00:09:28,320
us barely able to function yet for this

259
00:09:31,590 --> 00:09:30,320
woman whose name i'm not going to

260
00:09:34,070 --> 00:09:31,600
pronounce but

261
00:09:38,550 --> 00:09:34,080
uh you know what just for fun i i will

262
00:09:40,470 --> 00:09:38,560
try from boccato

263
00:09:41,829 --> 00:09:40,480

from burkato

264

00:09:42,630 --> 00:09:41,839

pina

265

00:09:44,230 --> 00:09:42,640

uh

266

00:09:46,870 --> 00:09:44,240

it's

267

00:09:49,030 --> 00:09:46,880

the idea of falling asleep

268

00:09:51,430 --> 00:09:49,040

is itself nothing more than a distant

269

00:09:53,509 --> 00:09:51,440

memory now in her mid-40s last time she

270

00:09:55,750 --> 00:09:53,519

recalls sleeping was when she was a

271

00:09:58,150 --> 00:09:55,760

small child while this might seem

272

00:09:59,030 --> 00:09:58,160

implausible nobody has actually seen her

273

00:10:01,350 --> 00:09:59,040

sleep

274

00:10:03,269 --> 00:10:01,360

she's a vampire maybe i don't know

275

00:10:05,670 --> 00:10:03,279

several of her friends and neighbors

276
00:10:08,389 --> 00:10:05,680
have reportedly or repeatedly attempted

277
00:10:10,790 --> 00:10:08,399
to catch her in the act but to no avail

278
00:10:13,110 --> 00:10:10,800
incredibly police claims of having never

279
00:10:15,590 --> 00:10:13,120
slept in forty years is actually true

280
00:10:19,269 --> 00:10:15,600
well sort of doctors have now determined

281
00:10:22,150 --> 00:10:19,279
that she suffers from a rare condition

282
00:10:23,590 --> 00:10:22,160
that sees her sleeping while awake in

283
00:10:26,389 --> 00:10:23,600
fully conscious

284
00:10:28,310 --> 00:10:26,399
meaning she can be technically sleeping

285
00:10:29,670 --> 00:10:28,320
even while having a conversation with

286
00:10:31,110 --> 00:10:29,680
somebody

287
00:10:32,389 --> 00:10:31,120
oh well

288
00:10:33,670 --> 00:10:32,399

i get sometimes when i talk to people

289

00:10:36,389 --> 00:10:33,680

i'm just so incredibly bored i go to

290

00:10:38,870 --> 00:10:36,399

sleep but this is different i guess i've

291

00:10:40,230 --> 00:10:38,880

heard of people with a um

292

00:10:42,230 --> 00:10:40,240

a condition where they're able to

293

00:10:43,430 --> 00:10:42,240

functionally sleep like standing or

294

00:10:44,949 --> 00:10:43,440

sitting or whatever and it doesn't look

295

00:10:46,150 --> 00:10:44,959

like they're sleeping but

296

00:10:47,509 --> 00:10:46,160

i never heard of anybody who can sleep

297

00:10:48,389 --> 00:10:47,519

while having a conversation but i guess

298

00:10:51,269 --> 00:10:48,399

you could

299

00:10:54,150 --> 00:10:51,279

so the medical team used data collected

300

00:10:55,670 --> 00:10:54,160

during a 48-hour brainwave monitoring

301
00:10:57,750 --> 00:10:55,680
session to reveal

302
00:11:01,030 --> 00:10:57,760
that this woman whose name i will not

303
00:11:03,350 --> 00:11:01,040
pronounce but it might sound like from

304
00:11:05,990 --> 00:11:03,360
boccatopenia

305
00:11:08,790 --> 00:11:06,000
she got light to moderate sleep despite

306
00:11:11,030 --> 00:11:08,800
neither going to bed or closing her eyes

307
00:11:13,590 --> 00:11:11,040
this sleep while awake phenomenon is

308
00:11:15,190 --> 00:11:13,600
similar to sleepwalking well she hasn't

309
00:11:17,509 --> 00:11:15,200
technically gone without sleep for 40

310
00:11:20,069 --> 00:11:17,519
years she doesn't need to go to sleep

311
00:11:21,269 --> 00:11:20,079
like a normal person as a result she has

312
00:11:23,110 --> 00:11:21,279
lived a

313
00:11:24,790 --> 00:11:23,120

a life twice as long as the rest of us

314

00:11:26,230 --> 00:11:24,800

because she's constantly doing stuff i

315

00:11:27,750 --> 00:11:26,240

wonder if the military is going to try

316

00:11:30,230 --> 00:11:27,760

to like the chinese military is going to

317

00:11:32,150 --> 00:11:30,240

try to dissect her brain and use her as

318

00:11:35,190 --> 00:11:32,160

some sort of super soldier that never

319

00:11:37,110 --> 00:11:35,200

has to sleep well duh how is she living

320

00:11:39,269 --> 00:11:37,120

twice as long wouldn't it only be an

321

00:11:41,110 --> 00:11:39,279

additional third as long so 50 percent

322

00:11:43,430 --> 00:11:41,120

is long maybe they should say she's

323

00:11:46,310 --> 00:11:43,440

twice as productive as the rest of us

324

00:11:47,829 --> 00:11:46,320

because she doesn't really go to sleep

325

00:11:49,670 --> 00:11:47,839

so she must have invented like cold

326

00:11:51,670 --> 00:11:49,680

fusion by now or something oh yeah what

327

00:11:53,750 --> 00:11:51,680

is she doing with all this extra time

328

00:11:57,509 --> 00:11:53,760

she's just playing xbox she's probably

329

00:11:59,670 --> 00:11:57,519

not joe yeah

330

00:12:01,590 --> 00:11:59,680

all right well good for her

331

00:12:03,590 --> 00:12:01,600

by the way on the side i found a uh

332

00:12:05,190 --> 00:12:03,600

image that has the name of that

333

00:12:09,190 --> 00:12:05,200

affliction that alex jones keeps trying

334

00:12:10,190 --> 00:12:09,200

to uh pronounce that's for damn sure

335

00:12:12,710 --> 00:12:10,200

there you go

336

00:12:15,350 --> 00:12:12,720

thromboycottopenia oh there he is yeah

337

00:12:17,829 --> 00:12:15,360

normal blood and then the platelet

338

00:12:20,230 --> 00:12:17,839

deficiency okay

339

00:12:22,550 --> 00:12:20,240

all right

340

00:12:26,069 --> 00:12:22,560

oh boy i think it's about time people i

341

00:12:28,550 --> 00:12:26,079

think we got to get out of here yeah

342

00:12:30,389 --> 00:12:28,560

recycle some taco bell packets yes i

343

00:12:31,350 --> 00:12:30,399

think we all have to go recycle our taco

344

00:12:33,110 --> 00:12:31,360

bell

345

00:12:35,910 --> 00:12:33,120
