

se
parit
pop

1
00:00:00,270 --> 00:00:06,789
[Applause]

2
00:00:09,910 --> 00:00:08,390
what kind of funny news stories you got

3
00:00:11,509 --> 00:00:09,920
out of there crazy well do you want

4
00:00:13,910 --> 00:00:11,519
funny news you want weird news ah

5
00:00:15,030 --> 00:00:13,920
whatever you got you know oh hey joe

6
00:00:17,750 --> 00:00:15,040
brought this one up because he wants to

7
00:00:20,790 --> 00:00:17,760
discuss it okay uh it's i guess it's

8
00:00:24,020 --> 00:00:20,800
funny sad funny not funny haha funny not

9
00:00:25,109 --> 00:00:24,030
not haha funny funny huh okay

10
00:00:28,870 --> 00:00:25,119
[Music]

11
00:00:33,030 --> 00:00:31,269
it's pretty hot funny okay

12
00:00:35,030 --> 00:00:33,040
i just had ideas so i've not read this

13
00:00:36,709 --> 00:00:35,040

story you've not read the story this is

14

00:00:39,350 --> 00:00:36,719

coming out of the blue

15

00:00:42,229 --> 00:00:39,360

and this is titled

16

00:00:45,029 --> 00:00:42,239

outlet challenge could cause fire or

17

00:00:46,549 --> 00:00:45,039

serious injury fire investigators warn i

18

00:00:48,069 --> 00:00:46,559

i don't know about the [h__h] the the

19

00:00:50,150 --> 00:00:48,079

outlet challenge let's let's make

20

00:00:52,630 --> 00:00:50,160

guesses as to what the outlet challenge

21

00:00:54,389 --> 00:00:52,640

is before okay so one part of me hopes

22

00:00:57,029 --> 00:00:54,399

it's really true because that would stop

23

00:00:59,029 --> 00:00:57,039

people from doing stuff like this okay

24

00:01:01,189 --> 00:00:59,039

uh

25

00:01:02,229 --> 00:01:01,199

let's see here i'm gonna say the outlet

26

00:01:05,830 --> 00:01:02,239

challenge

27

00:01:07,030 --> 00:01:05,840

is sticking a fork in the outlet but

28

00:01:08,230 --> 00:01:07,040

what the what's the challenge the

29

00:01:10,070 --> 00:01:08,240

challenge you have to accomplish

30

00:01:13,990 --> 00:01:10,080

something and you you hold on to it

31

00:01:18,310 --> 00:01:14,000

longer than five seconds okay

32

00:01:20,870 --> 00:01:18,320

or oh the ls challenge you have to pee

33

00:01:22,550 --> 00:01:20,880

in the outlet and

34

00:01:26,870 --> 00:01:22,560

in such a way that the electricity

35

00:01:28,789 --> 00:01:26,880

travels up and goes into your p hole

36

00:01:30,230 --> 00:01:28,799

okay i like that i'm just saying i'm

37

00:01:31,990 --> 00:01:30,240

just spitting i'm spitballing here what

38

00:01:33,990 --> 00:01:32,000

people what kids would like to do these

39

00:01:36,469 --> 00:01:34,000

days i don't know for sure

40

00:01:39,270 --> 00:01:36,479

but we'll find out

41

00:01:41,670 --> 00:01:39,280

here we go this is the outlet challenge

42

00:01:43,590 --> 00:01:41,680

uh from i don't know where this is from

43

00:01:45,510 --> 00:01:43,600

this is from boston

44

00:01:47,510 --> 00:01:45,520

oh it's boston here we go

45

00:01:49,590 --> 00:01:47,520

be electrocuted fatally electrocuted

46

00:01:53,030 --> 00:01:49,600

just by an outlet oh man

47

00:01:55,429 --> 00:01:53,040

this is out of like the right ear

48

00:01:58,469 --> 00:01:55,439

all right sucks but we'll go we'll go

49

00:02:01,350 --> 00:01:59,590

there we go

50

00:02:03,270 --> 00:02:01,360

doesn't take much to be electrocuted

51
00:02:05,910 --> 00:02:03,280
fatally electrocuted just by an outlet

52
00:02:07,670 --> 00:02:05,920
in a wall socket firefighters rushed to

53
00:02:09,510 --> 00:02:07,680
plymouth north high school tuesday to

54
00:02:12,309 --> 00:02:09,520
investigate whether this scorched and

55
00:02:14,550 --> 00:02:12,319
burned outlet posed a threat to students

56
00:02:16,390 --> 00:02:14,560
two students had plugged in a cell phone

57
00:02:18,229 --> 00:02:16,400
charger and dropped a penny behind it

58
00:02:20,150 --> 00:02:18,239
causing it to short out turns out the

59
00:02:22,390 --> 00:02:20,160
prank is the latest social media

60
00:02:23,990 --> 00:02:22,400
challenge here's a youtube video the

61
00:02:26,150 --> 00:02:24,000
state fire marshal sent to all

62
00:02:28,309 --> 00:02:26,160
departments

63
00:02:30,630 --> 00:02:28,319

there was a similar incident in holden

64

00:02:33,110 --> 00:02:30,640

and a student at westford high is now

65

00:02:35,190 --> 00:02:33,120

facing charges for starting a fire the

66

00:02:37,110 --> 00:02:35,200

electricity propels that the charger and

67

00:02:38,949 --> 00:02:37,120

the coin now the coin is molten metal at

68

00:02:40,309 --> 00:02:38,959

this point outwards

69

00:02:41,750 --> 00:02:40,319

it could easily get you in the face get

70

00:02:43,030 --> 00:02:41,760

you in the eye it could cause blindness

71

00:02:44,949 --> 00:02:43,040

and it could cause you the clothing to

72

00:02:46,630 --> 00:02:44,959

catch on fire fire chiefs are asking

73

00:02:48,869 --> 00:02:46,640

parents to talk to their kids about

74

00:02:51,589 --> 00:02:48,879

these foolish viral challenges they're

75

00:02:53,430 --> 00:02:51,599

careless and can put everyone at risk

76

00:02:55,030 --> 00:02:53,440

the other issue can be that um you do

77

00:02:57,030 --> 00:02:55,040

some damage to electrical wiring behind

78

00:02:58,309 --> 00:02:57,040

the wall and a fire could be undetected

79

00:02:59,430 --> 00:02:58,319

and burning in the walls you know

80

00:03:01,670 --> 00:02:59,440

endangering everyone that's in the

81

00:03:04,790 --> 00:03:01,680

building

82

00:03:07,270 --> 00:03:04,800

these people are [h__h] stupid dude we

83

00:03:09,990 --> 00:03:07,280

used to think it was like crazy to put a

84

00:03:11,910 --> 00:03:10,000

nine volt on your tongue these kids like

85

00:03:13,430 --> 00:03:11,920

for people listening online it's a story

86

00:03:15,589 --> 00:03:13,440

they have like three

87

00:03:17,509 --> 00:03:15,599

how the family was sorry

88

00:03:19,110 --> 00:03:17,519

like imagine your little iphone box

89

00:03:21,350 --> 00:03:19,120

charger that little

90

00:03:22,790 --> 00:03:21,360

square thing you know it's like whatever

91

00:03:25,110 --> 00:03:22,800

three quarters of an inch square that

92

00:03:27,030 --> 00:03:25,120

you plug in and you think usb they're

93

00:03:30,470 --> 00:03:27,040

putting a coin

94

00:03:32,550 --> 00:03:30,480

in between the outlet wall and the the

95

00:03:33,750 --> 00:03:32,560

charger itself yeah yeah and so it's

96

00:03:35,830 --> 00:03:33,760

like it's going down there it's

97

00:03:37,830 --> 00:03:35,840

electrocuting and frying between the

98

00:03:40,949 --> 00:03:37,840

holes correct that's a technical term

99

00:03:43,670 --> 00:03:40,959

yes and uh what we saw on screen were a

100

00:03:45,509 --> 00:03:43,680

bunch of like teenagers maybe early 20s

101
00:03:48,149 --> 00:03:45,519
doing this this is the kind of stuff you

102
00:03:49,910 --> 00:03:48,159
do when you're three and you see outlets

103
00:03:51,910 --> 00:03:49,920
for the first time and and you stick

104
00:03:53,350 --> 00:03:51,920
like you know fork in there or a penny

105
00:03:55,670 --> 00:03:53,360
and i think i did that when i was a kid

106
00:03:57,910 --> 00:03:55,680
i threw a penny in an outlet in a shot

107
00:03:59,030 --> 00:03:57,920
shot out no now you have to wait until

108
00:04:00,949 --> 00:03:59,040
you're you know

109
00:04:02,630 --> 00:04:00,959
well beyond puberty yeah

110
00:04:06,789 --> 00:04:02,640
but

111
00:04:10,229 --> 00:04:06,799
what the next one is you have to be

112
00:04:12,309 --> 00:04:10,239
doing this while eating a tide pod out

113
00:04:13,990 --> 00:04:12,319

just crossing over your milk crates and

114

00:04:16,550 --> 00:04:14,000

then dump a bucket of ice on yourself

115

00:04:19,189 --> 00:04:16,560

for charity and then the outlet is at

116

00:04:21,349 --> 00:04:19,199

the very top of the pyramid of the milk

117

00:04:22,310 --> 00:04:21,359

crate challenge i love that yes you put

118

00:04:24,710 --> 00:04:22,320

an outlet

119

00:04:26,950 --> 00:04:24,720

on the very top milk crate and you have

120

00:04:29,590 --> 00:04:26,960

to get up there to put a penny in and do

121

00:04:31,909 --> 00:04:29,600

the outlet challenge yeah and if you can

122

00:04:33,510 --> 00:04:31,919

come down without getting electrocuted

123

00:04:34,870 --> 00:04:33,520

that's when you dump the ice on yourself

124

00:04:36,790 --> 00:04:34,880

and then you give a million bucks to

125

00:04:38,629 --> 00:04:36,800

people who have alzheimer's or something

126
00:04:41,350 --> 00:04:38,639
exactly

127
00:04:41,360 --> 00:04:45,030
it's it's too simple

128
00:04:48,629 --> 00:04:46,950
all right that was good i mean anything

129
00:04:50,550 --> 00:04:48,639
that leads to death with

130
00:04:51,830 --> 00:04:50,560
willing to take the challenge one thing

131
00:04:54,310 --> 00:04:51,840
i do want to point out on this one which

132
00:04:55,749 --> 00:04:54,320
i find somewhat interesting is that if

133
00:04:57,030 --> 00:04:55,759
you notice in in probably the last 20

134
00:04:58,950 --> 00:04:57,040
years or so the nec the national

135
00:05:00,550 --> 00:04:58,960
electric code changed the way that

136
00:05:02,469 --> 00:05:00,560
outlets should be oriented so that the

137
00:05:04,469 --> 00:05:02,479
ground plug is at the top

138
00:05:05,670 --> 00:05:04,479

not at the bottom and the reason for

139

00:05:08,150 --> 00:05:05,680

that is so that way things don't

140

00:05:09,909 --> 00:05:08,160

accidentally get dropped behind

141

00:05:11,830 --> 00:05:09,919

plugs going into receptacles and

142

00:05:13,270 --> 00:05:11,840

actually bridge the positive and next

143

00:05:15,510 --> 00:05:13,280

negative terminals causing a short

144

00:05:17,430 --> 00:05:15,520

circuit so now you've got people

145

00:05:19,270 --> 00:05:17,440

deliberately bridging that by wedging

146

00:05:21,430 --> 00:05:19,280

devices behind

147

00:05:22,469 --> 00:05:21,440

uh the uh you know what they're plugging

148

00:05:27,270 --> 00:05:22,479

in

149

00:05:29,430 --> 00:05:27,280

that seems real smart i hate that new

150

00:05:31,510 --> 00:05:29,440

rule it's [h__h] i don't like that new

151
00:05:35,029 --> 00:05:31,520
regulation

152
00:05:38,150 --> 00:05:36,790
uh

153
00:05:40,550 --> 00:05:38,160
let's see here we're going to talk about

154
00:05:42,629 --> 00:05:40,560
bus drivers that came up earlier

155
00:05:44,629 --> 00:05:42,639
uh is that a fun story is that a wacky

156
00:05:45,990 --> 00:05:44,639
store it's just kind of it's interesting

157
00:05:47,909 --> 00:05:46,000
i mean i would rather read that maybe on

158
00:05:48,950 --> 00:05:47,919
like on wednesday we got an email about

159
00:05:52,390 --> 00:05:48,960
that

160
00:05:53,189 --> 00:05:52,400
and uh it seems like wednesday

161
00:05:55,670 --> 00:05:53,199
yeah

162
00:05:58,150 --> 00:05:55,680
i don't hate the tick tock rhino story

163
00:06:00,230 --> 00:05:58,160

or the alligator she loves them that one

164

00:06:01,749 --> 00:06:00,240

seems pretty good well let me go we've

165

00:06:03,590 --> 00:06:01,759

got stuff from previous weeks too i mean

166

00:06:04,870 --> 00:06:03,600

the national guard for the bus is pretty

167

00:06:06,150 --> 00:06:04,880

decent

168

00:06:07,510 --> 00:06:06,160

you

169

00:06:08,710 --> 00:06:07,520

here's what we didn't get to last time

170

00:06:09,909 --> 00:06:08,720

you want to talk about meat vending

171

00:06:10,950 --> 00:06:09,919

machines

172

00:06:12,390 --> 00:06:10,960

ah

173

00:06:13,590 --> 00:06:12,400

you want to talk about michael myers on

174

00:06:17,590 --> 00:06:13,600

the beach

175

00:06:18,390 --> 00:06:17,600

pretty good this is kind of i saw that

176

00:06:20,390 --> 00:06:18,400

one

177

00:06:22,710 --> 00:06:20,400

it just kind of

178

00:06:25,510 --> 00:06:22,720

i don't know i i'd rather hit them both

179

00:06:27,270 --> 00:06:25,520

quick maybe just like oh okay okay i

180

00:06:28,870 --> 00:06:27,280

take it back i do have i do have uh it's

181

00:06:30,309 --> 00:06:28,880

not toilet news i have poop news you

182

00:06:31,430 --> 00:06:30,319

want poop news

183

00:06:33,110 --> 00:06:31,440

sure

184

00:06:35,270 --> 00:06:33,120

really

185

00:06:36,950 --> 00:06:35,280

uh also we do have the 911 parade float

186

00:06:38,469 --> 00:06:36,960

that pissed off a bunch of people

187

00:06:40,230 --> 00:06:38,479

really

188

00:06:41,590 --> 00:06:40,240

so i don't know what you guys want to

189

00:06:44,710 --> 00:06:41,600

um

190

00:06:48,070 --> 00:06:44,720

i'm calling in audible it's your call

191

00:06:49,670 --> 00:06:48,080

that's not how audibles work

192

00:06:51,510 --> 00:06:49,680

you call the audible you have to call

193

00:06:53,430 --> 00:06:51,520

the audible yeah that's like saying i

194

00:06:56,309 --> 00:06:53,440

don't want to eat at all five restaurant

195

00:06:58,550 --> 00:06:56,319

choices you've named and i have no other

196

00:07:00,390 --> 00:06:58,560

suggestion i'm still i'm calling the

197

00:07:02,710 --> 00:07:00,400

audible you go ahead and decide all

198

00:07:04,390 --> 00:07:02,720

right uh this this one here's alex jones

199

00:07:08,469 --> 00:07:04,400

territory it's not goofy but we could

200

00:07:11,110 --> 00:07:09,909

okay

201
00:07:13,270 --> 00:07:11,120
uh

202
00:07:15,430 --> 00:07:13,280
let's see here

203
00:07:16,469 --> 00:07:15,440
let's see witches and satanists have

204
00:07:19,430 --> 00:07:16,479
teamed up

205
00:07:21,110 --> 00:07:19,440
with leftists to destroy

206
00:07:23,589 --> 00:07:21,120
america that's some good news on that

207
00:07:25,749 --> 00:07:23,599
front okay

208
00:07:28,550 --> 00:07:25,759
satanist and witness are invoking evil

209
00:07:31,189 --> 00:07:28,560
powers to aid those participating in the

210
00:07:32,870 --> 00:07:31,199
violence currently uh racking american

211
00:07:34,790 --> 00:07:32,880
cities so this is an older news story

212
00:07:36,390 --> 00:07:34,800
this is from last summer yeah it's from

213
00:07:39,270 --> 00:07:36,400

last year i think we covered this

214

00:07:41,029 --> 00:07:39,280

because there was a coven or a coven of

215

00:07:46,230 --> 00:07:41,039

which is that

216

00:07:51,189 --> 00:07:48,150

a coffin of witches

217

00:07:53,990 --> 00:07:51,199

that were uh hexing donald trump uh

218

00:07:55,749 --> 00:07:54,000

pre-election and for all we know it

219

00:07:57,189 --> 00:07:55,759

worked he's not in he's not in the

220

00:08:00,309 --> 00:07:57,199

office that's right

221

00:08:02,309 --> 00:08:00,319

carbon good job witches yeah way to go

222

00:08:04,790 --> 00:08:02,319

uh the recent pro this is from last year

223

00:08:07,189 --> 00:08:04,800

the recent protests were supposed to be

224

00:08:09,830 --> 00:08:07,199

rallies of concerned americans who were

225

00:08:11,990 --> 00:08:09,840

horrified by the death of george floyd

226

00:08:14,309 --> 00:08:12,000

however many protesters protest

227

00:08:16,869 --> 00:08:14,319

degenerated into riots that destroyed

228

00:08:19,909 --> 00:08:16,879

parts of american cities unfortunately

229

00:08:22,710 --> 00:08:19,919

many capitalize on the events to uh

230

00:08:24,550 --> 00:08:22,720

present other agendas

231

00:08:26,390 --> 00:08:24,560

people who have absolutely nothing to do

232

00:08:28,710 --> 00:08:26,400

with the issue of community policing are

233

00:08:30,150 --> 00:08:28,720

hoping to hijack the debate and it yeah

234

00:08:33,829 --> 00:08:30,160

it did happen

235

00:08:36,550 --> 00:08:33,839

um thus the left used the occasion to

236

00:08:39,269 --> 00:08:36,560

bring together ecologists socialist

237

00:08:42,230 --> 00:08:39,279

feminist lgbt activist pro abortion

238

00:08:43,750 --> 00:08:42,240

advocates and others to push their false

239

00:08:46,150 --> 00:08:43,760

class struggle

240

00:08:48,310 --> 00:08:46,160

narratives upon the american public uh

241

00:08:51,670 --> 00:08:48,320

less known however is the involvement of

242

00:08:54,949 --> 00:08:51,680

darker forces darker forces uh satanists

243

00:08:57,269 --> 00:08:54,959

and witches were invoking evil powers to

244

00:09:01,350 --> 00:08:57,279

aid those participating

245

00:09:03,110 --> 00:09:01,360

in the violence okay

246

00:09:04,630 --> 00:09:03,120

that's right

247

00:09:06,790 --> 00:09:04,640

i don't know i think they could do a lot

248

00:09:09,030 --> 00:09:06,800

better that sounds all very conventional

249

00:09:11,190 --> 00:09:09,040

like i would expect that from satanists

250

00:09:13,430 --> 00:09:11,200

and witches

251
00:09:14,310 --> 00:09:13,440
it sounds like any time there is a mass

252
00:09:19,190 --> 00:09:14,320
of

253
00:09:23,269 --> 00:09:19,200
prime time to start casting spells and

254
00:09:26,070 --> 00:09:23,279
using people's emotion uh against them

255
00:09:28,949 --> 00:09:26,080
and i maybe that's what happened uh

256
00:09:30,710 --> 00:09:28,959
maybe i don't know uh the witches do not

257
00:09:33,590 --> 00:09:30,720
hide their involvement in violent

258
00:09:35,350 --> 00:09:33,600
protest mashable reports that witches

259
00:09:37,110 --> 00:09:35,360
which is covens

260
00:09:40,230 --> 00:09:37,120
are i mean

261
00:09:42,070 --> 00:09:40,240
covens i'm sorry right carbon

262
00:09:44,389 --> 00:09:42,080
uh masterboard reports that witches

263
00:09:47,190 --> 00:09:44,399

covens are actively engaged in hexing

264

00:09:49,190 --> 00:09:47,200

police whom they accuse of brutality

265

00:09:51,829 --> 00:09:49,200

they especially target those who are

266

00:09:54,470 --> 00:09:51,839

risking their lives to stop the riots

267

00:09:57,509 --> 00:09:54,480

the witches also cast bells asking for

268

00:10:00,310 --> 00:09:57,519

protection for protesters that confront

269

00:10:02,949 --> 00:10:00,320

the police which which activists use

270

00:10:06,150 --> 00:10:02,959

their dark arts as cutting edge weapons

271

00:10:08,310 --> 00:10:06,160

for those who want to engage in a more

272

00:10:10,870 --> 00:10:08,320

spiritual class warfare

273

00:10:14,150 --> 00:10:10,880

okay so it's one year later

274

00:10:15,269 --> 00:10:14,160

where are the witches on kovid i'm sorry

275

00:10:16,389 --> 00:10:15,279

kavid

276

00:10:17,590 --> 00:10:16,399

carbon

277

00:10:20,230 --> 00:10:17,600

coven

278

00:10:22,949 --> 00:10:20,240

uh and the vaccine what side are the

279

00:10:26,389 --> 00:10:22,959

witches on are they pro-vaccine or

280

00:10:29,030 --> 00:10:26,399

anti-vaccine are which is pro profouchi

281

00:10:32,069 --> 00:10:29,040

or anti-fouchy

282

00:10:36,389 --> 00:10:34,710

and and besides what is going on with

283

00:10:38,389 --> 00:10:36,399

witches and satanists seriously this is

284

00:10:40,550 --> 00:10:38,399

like hexing like you can't even prove

285

00:10:42,389 --> 00:10:40,560

that this is a this is happening or not

286

00:10:44,710 --> 00:10:42,399

you could say was a coincidence it's

287

00:10:46,230 --> 00:10:44,720

just a bad luck day and you say well i

288

00:10:48,710 --> 00:10:46,240

hexed him and that's why he had bad luck

289

00:10:51,269 --> 00:10:48,720

no no i want you to turn police officers

290

00:10:54,310 --> 00:10:51,279

guns into dildos and [h__h] i want real

291

00:10:56,230 --> 00:10:54,320

magic you can't do that uh so the way

292

00:10:59,670 --> 00:10:56,240

this stuff works when it comes to even

293

00:11:01,430 --> 00:10:59,680

effigy magic or focus psychic attention

294

00:11:05,750 --> 00:11:01,440

is that you can

295

00:11:08,230 --> 00:11:05,760

uh influence certain external remote uh

296

00:11:11,829 --> 00:11:08,240

abilities or remote effects on somebody

297

00:11:13,509 --> 00:11:11,839

so there are uh studies on this that a

298

00:11:16,389 --> 00:11:13,519

combined effort from a group of people

299

00:11:18,949 --> 00:11:16,399

focusing negative emotion on somebody

300

00:11:21,829 --> 00:11:18,959

can have a negative health impact it

301
00:11:24,389 --> 00:11:21,839
just it happens over a period of time

302
00:11:26,870 --> 00:11:24,399
you're not going to be able to turn a

303
00:11:30,310 --> 00:11:26,880
policeman's gun into

304
00:11:32,150 --> 00:11:30,320
a duck or a goat

305
00:11:35,750 --> 00:11:32,160
i don't know man i want the [h__h]

306
00:11:38,710 --> 00:11:35,760
snake piss and bat hearts and a cauldron

307
00:11:41,269 --> 00:11:38,720
you know i want which [h__h] this is all

308
00:11:43,190 --> 00:11:41,279
just you know yeah you want the classic

309
00:11:45,509 --> 00:11:43,200
disney witch stuff but

310
00:11:47,750 --> 00:11:45,519
this is more in the line of mind powers

311
00:11:49,430 --> 00:11:47,760
like uh mind over matter like if you

312
00:11:52,069 --> 00:11:49,440
believe that you're healthy and you can

313
00:11:54,150 --> 00:11:52,079

do certain things you more likely will

314

00:11:56,470 --> 00:11:54,160

be that way and then conversely if you

315

00:11:58,550 --> 00:11:56,480

have a group of people uh channeling and

316

00:12:00,470 --> 00:11:58,560

working against you you can affect

317

00:12:01,829 --> 00:12:00,480

someone's well-being that way no you

318

00:12:02,629 --> 00:12:01,839

can't churn

319

00:12:03,750 --> 00:12:02,639

uh

320

00:12:05,110 --> 00:12:03,760

matter

321

00:12:08,389 --> 00:12:05,120

at least not that i know of something

322

00:12:09,990 --> 00:12:08,399

like a gun into a few bees

323

00:12:11,750 --> 00:12:10,000

uh through a hex now that's not the

324

00:12:13,670 --> 00:12:11,760

right thing okay so then the satanist

325

00:12:15,829 --> 00:12:13,680

why can't they step up their game and

326

00:12:16,629 --> 00:12:15,839

like poke somebody with like a small

327

00:12:18,470 --> 00:12:16,639

like

328

00:12:20,230 --> 00:12:18,480

you know knife or something and then all

329

00:12:22,629 --> 00:12:20,240

of a sudden they're possessed by some

330

00:12:24,150 --> 00:12:22,639

you know demonic creature from hell i i

331

00:12:25,829 --> 00:12:24,160

agree the satanists need to step up

332

00:12:28,710 --> 00:12:25,839

their game they've been pretty up

333

00:12:30,230 --> 00:12:28,720

they've been lazy for far too long

334

00:12:32,389 --> 00:12:30,240

fart fart

335

00:12:34,310 --> 00:12:32,399

there's a black cat right there yeah

336

00:12:36,829 --> 00:12:34,320

yeah do something with the cat man set

337

00:12:38,949 --> 00:12:36,839

that [h__h] on fire make it like a devil

338

00:12:40,389 --> 00:12:38,959

cat a hellcat

339

00:12:43,030 --> 00:12:40,399

well what about all the recent stories

340

00:12:44,790 --> 00:12:43,040

of havana syndrome could that be uh i

341

00:12:47,269 --> 00:12:44,800

see i think that's

342

00:12:50,470 --> 00:12:47,279

i think that's a secret weapon that is

343

00:12:53,750 --> 00:12:50,480

that's some sort of you know spy versus

344

00:12:55,430 --> 00:12:53,760

spy war going on that we're not privy to

345

00:12:58,310 --> 00:12:55,440

from space

346

00:13:01,030 --> 00:12:58,320

space spies spice

347

00:13:02,389 --> 00:13:01,040

i want space black cat fire cat devil

348

00:13:05,030 --> 00:13:02,399

spy

349

00:13:06,470 --> 00:13:05,040

i i i i'm gonna look at the witch i'm

350

00:13:08,870 --> 00:13:06,480

gonna see i'm gonna see if i can find

351

00:13:11,829 --> 00:13:08,880

where these witches are at today

352

00:13:13,750 --> 00:13:11,839

with their position on fouchy and

353

00:13:16,389 --> 00:13:13,760

everything that's going on

354

00:13:17,670 --> 00:13:16,399

because uh

355

00:13:19,670 --> 00:13:17,680

it's critical

356

00:13:22,310 --> 00:13:19,680

we need to know the community the coven

357

00:13:24,389 --> 00:13:22,320

of wishes which is kavan

358

00:13:26,870 --> 00:13:24,399

confident of which is out there which

359

00:13:28,790 --> 00:13:26,880

way are they swaying on these issues

360

00:13:30,629 --> 00:13:28,800

yeah okay

361

00:13:32,710 --> 00:13:30,639

are they still flying around on vacuums

362

00:13:34,949 --> 00:13:32,720

or do they have like a swiffer

363

00:13:36,710 --> 00:13:34,959

now they're on giant syringes

364

00:13:41,189 --> 00:13:36,720

they're flying on the okay no more i

365

00:13:44,790 --> 00:13:43,189

they kind of like have like hover around

366

00:13:46,069 --> 00:13:44,800

in the room but

367

00:13:48,790 --> 00:13:46,079

they can only they can only hex within

368

00:13:50,470 --> 00:13:48,800

about a uh a small radius a very small

369

00:13:52,389 --> 00:13:50,480

room they can go back and recharge it

370

00:13:55,670 --> 00:13:52,399

and they keep on bumping into things and

371

00:13:58,430 --> 00:13:57,030

gmail.com

372

00:14:01,110 --> 00:13:58,440

check out

373

00:14:02,330 --> 00:14:01,120

obdmpport.com for all the social media

374
