

Time Traveling UFOs?

1
00:00:00,270 --> 00:00:06,470
[Applause]

2
00:00:09,750 --> 00:00:08,230
that we will get to

3
00:00:12,230 --> 00:00:09,760
this is um

4
00:00:14,709 --> 00:00:12,240
titled sexual experiments

5
00:00:15,749 --> 00:00:14,719
time travel and magnets the strange

6
00:00:19,269 --> 00:00:15,759
world

7
00:00:21,670 --> 00:00:19,279
of alien abductions hello

8
00:00:24,310 --> 00:00:21,680
oh yes

9
00:00:26,790 --> 00:00:24,320
so whatever the true cause of even

10
00:00:28,710 --> 00:00:26,800
abductions might be

11
00:00:31,669 --> 00:00:28,720
it's very real to the people who

12
00:00:35,110 --> 00:00:31,679
experience it a report in june 2000 said

13
00:00:38,470 --> 00:00:35,120

that at least 37 000 people had bought

14

00:00:42,229 --> 00:00:38,480

police uh bought policies i'm sorry

15

00:00:45,029 --> 00:00:42,239

bought policies against being abducted

16

00:00:47,510 --> 00:00:45,039

by extraterrestrials from just one

17

00:00:49,510 --> 00:00:47,520

london-based insurer

18

00:00:51,510 --> 00:00:49,520

now we talked about uh alien abduction

19

00:00:53,830 --> 00:00:51,520

insurance a few years ago on the show i

20

00:00:56,069 --> 00:00:53,840

believe there's a there's a a

21

00:00:58,950 --> 00:00:56,079

company out of florida that was offering

22

00:01:01,110 --> 00:00:58,960

alien abduction insurance yep yeah we we

23

00:01:03,270 --> 00:01:01,120

talked about that uh a while ago that uh

24

00:01:05,429 --> 00:01:03,280

people were worse putting down you know

25

00:01:07,109 --> 00:01:05,439

a million or two or ten million dollars

26

00:01:09,429 --> 00:01:07,119

worth of foot or the footage of uh

27

00:01:11,429 --> 00:01:09,439

coverage on that so yeah yeah you can

28

00:01:14,149 --> 00:01:11,439

you can lay down some money and

29

00:01:16,469 --> 00:01:14,159

you can protect yourself i tell you what

30

00:01:18,149 --> 00:01:16,479

i'll give you fourteen thousand dollars

31

00:01:19,429 --> 00:01:18,159

uh i don't know if the policy is that

32

00:01:21,030 --> 00:01:19,439

yeah hulk i don't think it costs that

33

00:01:22,230 --> 00:01:21,040

much i think you can get it cheaper yeah

34

00:01:24,789 --> 00:01:22,240

okay

35

00:01:26,630 --> 00:01:24,799

like two dollars but hey he's a he's a

36

00:01:29,109 --> 00:01:26,640

rich kid he wants to do what he's got to

37

00:01:30,870 --> 00:01:29,119

do to get the protection he needs

38

00:01:33,270 --> 00:01:30,880

um

39

00:01:34,789 --> 00:01:33,280

so here we go the phenomenon often

40

00:01:37,030 --> 00:01:34,799

starts when

41

00:01:39,429 --> 00:01:37,040

the abductees are very young alien

42

00:01:40,390 --> 00:01:39,439

abduction researcher bud hopkins said

43

00:01:42,389 --> 00:01:40,400

that

44

00:01:44,710 --> 00:01:42,399

uh he has come across children as young

45

00:01:46,950 --> 00:01:44,720

as two who reported a strange presence

46

00:01:49,910 --> 00:01:46,960

entering their room at night many

47

00:01:52,389 --> 00:01:49,920

abductees report regular experiences

48

00:01:55,190 --> 00:01:52,399

going on decades former military of

49

00:01:58,950 --> 00:01:55,200

defense employee hillary porter

50

00:02:02,149 --> 00:01:58,960

said in 2014 i i have been an alien

51

00:02:04,789 --> 00:02:02,159

abductee all my life

52

00:02:06,149 --> 00:02:04,799

that's a bold claim like

53

00:02:08,550 --> 00:02:06,159

right out of the right out of the womb

54

00:02:10,710 --> 00:02:08,560

just just boom abducted and and never

55

00:02:12,550 --> 00:02:10,720

came back that's right

56

00:02:14,390 --> 00:02:12,560

doesn't make any sense well i mean

57

00:02:16,550 --> 00:02:14,400

that's what she is saying she's going on

58

00:02:19,589 --> 00:02:16,560

record with that and she's a person a

59

00:02:21,510 --> 00:02:19,599

person of credibility military uh

60

00:02:25,350 --> 00:02:21,520

ministry defense so there you go

61

00:02:29,190 --> 00:02:25,360

she told uh news.com dot a u about the

62

00:02:33,190 --> 00:02:30,949

the throw away call me like well the

63

00:02:37,190 --> 00:02:33,200

australian version it's we gotta you

64

00:02:38,790 --> 00:02:37,200

gotta say that news.com

65

00:02:41,910 --> 00:02:38,800

about the first time it happened i was

66

00:02:44,710 --> 00:02:41,920

stripped enthroned on some sort of bed

67

00:02:47,350 --> 00:02:44,720

they they looked really horrible sharp

68

00:02:48,869 --> 00:02:47,360

instruments and they were pressing it

69

00:02:54,309 --> 00:02:48,879

right the way

70

00:02:56,309 --> 00:02:54,319

my body i'm i'm i'm assuming they mean

71

00:03:01,110 --> 00:02:56,319

all the way up my body

72

00:03:03,670 --> 00:03:01,120

screaming i can't remember anything

73

00:03:05,350 --> 00:03:03,680

after that hillary was just five years

74

00:03:08,949 --> 00:03:05,360

old at the time

75

00:03:11,270 --> 00:03:08,959

interest interest interestingly

76

00:03:12,550 --> 00:03:11,280

older people seem immune

77

00:03:14,470 --> 00:03:12,560

uh jenny

78

00:03:17,190 --> 00:03:14,480

randles former director of

79

00:03:20,710 --> 00:03:17,200

investigations with the british ufo

80

00:03:22,710 --> 00:03:20,720

research association said abductions uh

81

00:03:25,270 --> 00:03:22,720

is essentially a young person's

82

00:03:28,149 --> 00:03:25,280

experience and note that the phenomenon

83

00:03:30,229 --> 00:03:28,159

seems to be associated with the ability

84

00:03:32,630 --> 00:03:30,239

to have children so i'm guessing i'm out

85

00:03:34,949 --> 00:03:32,640

right now

86

00:03:37,190 --> 00:03:34,959

so you're safe no abductions i'm safe

87

00:03:39,430 --> 00:03:37,200

but i've i've gone over this on the show

88

00:03:42,390 --> 00:03:39,440

i've done video blog posts about this

89

00:03:43,990 --> 00:03:42,400

that i i have a memory i cannot explain

90

00:03:47,110 --> 00:03:44,000

and i've talked to my parents about it

91

00:03:49,589 --> 00:03:47,120

i've talked to doctors about it um

92

00:03:51,190 --> 00:03:49,599

it's a memory of when i was a young kid

93

00:03:53,110 --> 00:03:51,200

i was uh

94

00:03:55,429 --> 00:03:53,120

face down on what feels like a medical

95

00:03:57,270 --> 00:03:55,439

bed my arms are tied at one corner my

96

00:03:59,670 --> 00:03:57,280

feet tied at the other corner and i

97

00:04:03,190 --> 00:03:59,680

managed to get my left foot free of his

98

00:04:05,910 --> 00:04:03,200

bindings and there was a person i that i

99

00:04:08,630 --> 00:04:05,920

felt was right behind me i kicked back i

100

00:04:11,190 --> 00:04:08,640

kicked at him i felt this uh gratitude

101
00:04:13,509 --> 00:04:11,200
that i was able to resist these people

102
00:04:16,550 --> 00:04:13,519
doing something to me they then grabbed

103
00:04:20,710 --> 00:04:16,560
my leg held it down and re-tied it and

104
00:04:25,670 --> 00:04:22,870
to me it doesn't feel like a dream and

105
00:04:27,749 --> 00:04:25,680
that that memory is vivid and i think

106
00:04:30,629 --> 00:04:27,759
about it every other day and i can't get

107
00:04:32,870 --> 00:04:30,639
any resolution on it uh anesthesiologist

108
00:04:35,030 --> 00:04:32,880
said that typically they wouldn't tie

109
00:04:38,390 --> 00:04:35,040
down a kid like that they would never

110
00:04:40,070 --> 00:04:38,400
tie a kid face down um

111
00:04:42,230 --> 00:04:40,080
they'd never admit it they would never

112
00:04:44,150 --> 00:04:42,240
tell anybody about that certainly

113
00:04:45,510 --> 00:04:44,160

wouldn't tell that kid yeah

114

00:04:48,870 --> 00:04:45,520

and they would only do that to protect

115

00:04:50,950 --> 00:04:48,880

themselves in and out of surgery so um

116

00:04:53,110 --> 00:04:50,960

but uh this woman

117

00:04:56,629 --> 00:04:53,120

seems to have something similar

118

00:04:58,390 --> 00:04:56,639

um she was just five at the time and it

119

00:05:01,029 --> 00:04:58,400

goes on to say that older people are

120

00:05:02,629 --> 00:05:01,039

rejected by the abductors

121

00:05:06,390 --> 00:05:02,639

and one man told researchers that the

122

00:05:08,390 --> 00:05:06,400

aliens told him he was no use to them

123

00:05:11,110 --> 00:05:08,400

because he had undergone

124

00:05:13,830 --> 00:05:11,120

a vasectomy oh there you go look at that

125

00:05:16,870 --> 00:05:13,840

look at that that's right it's safe

126

00:05:18,310 --> 00:05:16,880

i'm i'm as safe as they come anymore you

127

00:05:20,230 --> 00:05:18,320

can run around the woods at night

128

00:05:21,590 --> 00:05:20,240

yelling abduct me abduct me and it won't

129

00:05:23,909 --> 00:05:21,600

happen that's some good news on that

130

00:05:24,950 --> 00:05:23,919

front i guess so unless you want it be

131

00:05:28,070 --> 00:05:24,960

abducted

132

00:05:30,469 --> 00:05:28,080

well i mean i'm some people do have uh

133

00:05:32,950 --> 00:05:30,479

horrible alien abduction experiences but

134

00:05:34,469 --> 00:05:32,960

then other people have some

135

00:05:37,029 --> 00:05:34,479

at least what they convey they seem to

136

00:05:39,430 --> 00:05:37,039

have some sort of uh resolution with the

137

00:05:42,629 --> 00:05:39,440

experience they come to accept it and it

138

00:05:43,590 --> 00:05:42,639

is now part of their life and they

139

00:05:45,670 --> 00:05:43,600

are

140

00:05:48,870 --> 00:05:45,680

they get some sort of enjoyment out of

141

00:05:50,469 --> 00:05:48,880

this unique experience that that was the

142

00:05:51,990 --> 00:05:50,479

guy that kept going out and meeting

143

00:05:53,909 --> 00:05:52,000

aliens in the woods and he has like 2

144

00:05:56,550 --> 00:05:53,919

700 children

145

00:05:58,230 --> 00:05:56,560

oh uh the guy was that the

146

00:06:01,110 --> 00:05:58,240

the i forget his name but there's a

147

00:06:03,430 --> 00:06:01,120

documentary uh called love and saucers

148

00:06:05,830 --> 00:06:03,440

he's an older man i believe in new york

149

00:06:07,270 --> 00:06:05,840

and he paints pictures about his sexual

150

00:06:10,550 --> 00:06:07,280

experiences

151
00:06:11,670 --> 00:06:10,560
and uh he's he's probably had sex with a

152
00:06:14,550 --> 00:06:11,680
multitude

153
00:06:16,790 --> 00:06:14,560
david huggins he had sex uh multiple

154
00:06:19,270 --> 00:06:16,800
with multiple different alien partners

155
00:06:21,510 --> 00:06:19,280
over decades at a time and probably has

156
00:06:24,710 --> 00:06:21,520
fathered according to him

157
00:06:28,550 --> 00:06:24,720
uh 20 to 50 different alien babies

158
00:06:31,909 --> 00:06:30,550
so these are uh interesting experiences

159
00:06:34,950 --> 00:06:31,919
i'm gonna hear uh continue on with this

160
00:06:38,070 --> 00:06:34,960
a little bit but uh dr michael p master

161
00:06:40,710 --> 00:06:38,080
speculates that rather than being alien

162
00:06:43,189 --> 00:06:40,720
in origin the ufos the pilots of the

163
00:06:45,670 --> 00:06:43,199

ufos might be as human as we are but

164

00:06:46,870 --> 00:06:45,680

from another time masters calls these

165

00:06:49,990 --> 00:06:46,880

visitors

166

00:06:52,150 --> 00:06:50,000

extra temporal lures

167

00:06:53,510 --> 00:06:52,160

i i it's a whole new phrase i i don't

168

00:06:56,550 --> 00:06:53,520

know what it is

169

00:06:57,990 --> 00:06:56,560

extra tempestrials

170

00:07:00,550 --> 00:06:58,000

i think alex jones can pronounce that

171

00:07:01,590 --> 00:07:00,560

for you uh you're right i think you can

172

00:07:08,390 --> 00:07:01,600

from

173

00:07:12,950 --> 00:07:10,629

it goes on to say we know

174

00:07:15,110 --> 00:07:12,960

that we've had a long evolutionary

175

00:07:16,790 --> 00:07:15,120

history on this planet he says and we

176

00:07:18,309 --> 00:07:16,800

know our technology is going to be more

177

00:07:21,830 --> 00:07:18,319

advanced in the future i think the

178

00:07:24,230 --> 00:07:21,840

simplest explanation innately is that it

179

00:07:25,430 --> 00:07:24,240

is us

180

00:07:27,110 --> 00:07:25,440

uh

181

00:07:28,710 --> 00:07:27,120

that's what he says he says these alien

182

00:07:32,230 --> 00:07:28,720

abductions these

183

00:07:34,150 --> 00:07:32,240

are being done by future

184

00:07:35,270 --> 00:07:34,160

human future us okay i thought him i

185

00:07:36,870 --> 00:07:35,280

thought we were playing into the because

186

00:07:38,309 --> 00:07:36,880

there's there's that that

187

00:07:40,870 --> 00:07:38,319

general theory about

188

00:07:42,150 --> 00:07:40,880

it's the dod you know military dressing

189

00:07:43,510 --> 00:07:42,160

up as aliens what we would think is

190

00:07:46,150 --> 00:07:43,520

aliens to abduct people and mess with

191

00:07:48,070 --> 00:07:46,160

them my labs uh

192

00:07:49,670 --> 00:07:48,080

yeah i i guess i can see how you got

193

00:07:51,270 --> 00:07:49,680

that out of there but with the the

194

00:07:54,790 --> 00:07:51,280

saying that this is from the future and

195

00:07:56,390 --> 00:07:54,800

these are extra temp poor lawyers

196

00:07:58,790 --> 00:07:56,400

thrombocatope

197

00:08:04,790 --> 00:08:01,990

these abductions are from future humans

198

00:08:07,350 --> 00:08:04,800

uh british astronomer and science writer

199

00:08:09,909 --> 00:08:07,360

david darling agrees

200

00:08:13,029 --> 00:08:09,919

uh saying i've often thought that if

201

00:08:14,950 --> 00:08:13,039

some ufos are alien craft it's just as

202

00:08:17,589 --> 00:08:14,960

reasonable to suppose that they might be

203

00:08:20,070 --> 00:08:17,599

time machines from our own future

204

00:08:22,230 --> 00:08:20,080

rather than their spacecraft from

205

00:08:23,589 --> 00:08:22,240

another star system okay yeah i'll buy

206

00:08:26,230 --> 00:08:23,599

that okay

207

00:08:28,230 --> 00:08:26,240

uh dylan dylan stewart's uh he's the

208

00:08:29,990 --> 00:08:28,240

host of paranormal thoughts podcast has

209

00:08:32,230 --> 00:08:30,000

interviewed many abductees and says

210

00:08:34,310 --> 00:08:32,240

there's definitely some distortion of

211

00:08:36,310 --> 00:08:34,320

the normal flow of time

212

00:08:39,269 --> 00:08:36,320

involved in their experiences and that's

213

00:08:41,509 --> 00:08:39,279

what i've read uh very consistently

214

00:08:44,389 --> 00:08:41,519

that uh there there is some sort of

215

00:08:46,710 --> 00:08:44,399

obviously the time distortion if you uh

216

00:08:49,750 --> 00:08:46,720

go back to travis walton's uh fire in

217

00:08:52,310 --> 00:08:49,760

the sky event where he was he was a

218

00:08:55,590 --> 00:08:52,320

by our an art time he was gone for five

219

00:08:57,269 --> 00:08:55,600

to six days i believe but in his time it

220

00:08:58,550 --> 00:08:57,279

was just a few hours

221

00:08:59,990 --> 00:08:58,560

it didn't it didn't seem like it was

222

00:09:02,389 --> 00:09:00,000

that long yeah he thought he thought it

223

00:09:04,070 --> 00:09:02,399

was the next morning yeah

224

00:09:05,750 --> 00:09:04,080

and uh

225

00:09:08,550 --> 00:09:05,760

he he uh

226

00:09:10,389 --> 00:09:08,560

had like some dehydration he was he he

227

00:09:11,829 --> 00:09:10,399

had gone without food and water for for

228

00:09:12,790 --> 00:09:11,839

quite a while but

229

00:09:14,630 --> 00:09:12,800

uh

230

00:09:17,670 --> 00:09:14,640

he should have been much

231

00:09:20,829 --> 00:09:17,680

further gone than what he was so there's

232

00:09:23,190 --> 00:09:20,839

some time dilation that's going on there

233

00:09:24,870 --> 00:09:23,200

um goes on to say i have reason to

234

00:09:27,190 --> 00:09:24,880

believe that they could be traveling

235

00:09:29,590 --> 00:09:27,200

from specific star systems

236

00:09:32,230 --> 00:09:29,600

but at the same time the way in which

237

00:09:33,870 --> 00:09:32,240

people report them operating

238

00:09:36,790 --> 00:09:33,880

the idea that they are

239

00:09:39,030 --> 00:09:36,800

multi-dimensional makes sense dylan says

240

00:09:41,269 --> 00:09:39,040

that he's definitely on the fence about

241

00:09:42,550 --> 00:09:41,279

where the aliens are from

242

00:09:44,870 --> 00:09:42,560

um

243

00:09:47,670 --> 00:09:44,880

so he adds that there's frequently a

244

00:09:49,430 --> 00:09:47,680

sexual dimension to the alien abduction

245

00:09:51,990 --> 00:09:49,440

phenomenon saying that he's interviewed

246

00:09:55,990 --> 00:09:52,000

one victim where her experience was

247

00:09:58,470 --> 00:09:56,000

extremely invasive

248

00:10:00,389 --> 00:09:58,480

me and my boyfriend love to get pregnant

249

00:10:02,069 --> 00:10:00,399

i do want to point out this article used

250

00:10:05,670 --> 00:10:02,079

two different definitions of the word

251
00:10:07,829 --> 00:10:05,680
dimension in two adjacent sentences yeah

252
00:10:09,430 --> 00:10:07,839
well i don't know what dimension these

253
00:10:12,069 --> 00:10:09,440
these aliens are from but there's a

254
00:10:14,069 --> 00:10:12,079
sexual dimension to the story

255
00:10:15,430 --> 00:10:14,079
that's correct that's poor editing blah

256
00:10:16,870 --> 00:10:15,440
blah blah

257
00:10:18,550 --> 00:10:16,880
could be awesome if there's a sex

258
00:10:20,630 --> 00:10:18,560
dimension

259
00:10:22,949 --> 00:10:20,640
uh we're all trying to get there even

260
00:10:24,630 --> 00:10:22,959
the aliens

261
00:10:26,949 --> 00:10:24,640
it's it's tough i mean you gotta you

262
00:10:28,790 --> 00:10:26,959
gotta really work at that i'll

263
00:10:31,269 --> 00:10:28,800

eat a lot of lube

264

00:10:33,030 --> 00:10:31,279

to get to this next dimension

265

00:10:37,110 --> 00:10:33,040

it uh i think they tried that in

266

00:10:42,470 --> 00:10:40,470

uh let's see it goes on to say so uh

267

00:10:45,350 --> 00:10:42,480

um

268

00:10:47,190 --> 00:10:45,360

into a 2005 paper by psychiatrist

269

00:10:49,509 --> 00:10:47,200

richard j mcnelly

270

00:10:52,710 --> 00:10:49,519

uh links the phenomenon with repressed

271

00:10:55,670 --> 00:10:52,720

memories of childhood sexual abuse nigel

272

00:10:57,670 --> 00:10:55,680

watson author of ufo investigations uh

273

00:10:58,790 --> 00:10:57,680

writes that stories of alien abductions

274

00:11:01,829 --> 00:10:58,800

often

275

00:11:04,230 --> 00:11:01,839

with us a sexual dimension

276

00:11:07,350 --> 00:11:04,240

uh twice now date back

277

00:11:08,870 --> 00:11:07,360

uh date back before the era of

278

00:11:10,949 --> 00:11:08,880

flying

279

00:11:13,190 --> 00:11:10,959

super air i don't know what that means

280

00:11:15,430 --> 00:11:13,200

before the flying super maybe the flying

281

00:11:18,230 --> 00:11:15,440

saucer error maybe

282

00:11:20,790 --> 00:11:18,240

he says that they used to blame they

283

00:11:22,630 --> 00:11:20,800

used to be blamed on demons in the 80s

284

00:11:25,030 --> 00:11:22,640

alien abduction researchers in the usa

285

00:11:27,190 --> 00:11:25,040

accepted that women are routinely

286

00:11:29,430 --> 00:11:27,200

abducted impregnated and then

287

00:11:32,949 --> 00:11:29,440

re abducted a few weeks later for the

288

00:11:35,190 --> 00:11:32,959

extraction of the hybrid fetuses

289

00:11:37,030 --> 00:11:35,200

uh these activities explained the

290

00:11:38,870 --> 00:11:37,040

short-lived pregnancies experienced by

291

00:11:42,310 --> 00:11:38,880

female abductees

292

00:11:44,470 --> 00:11:42,320

watson added as for male abductees they

293

00:11:46,710 --> 00:11:44,480

uh either claim to have been

294

00:11:50,230 --> 00:11:46,720

either claimed to have had intercourse

295

00:11:51,750 --> 00:11:50,240

with an alien woman or their sperm was

296

00:11:54,069 --> 00:11:51,760

abstracted

297

00:11:58,550 --> 00:11:54,079

by mechanical means

298

00:12:00,870 --> 00:11:58,560

by the aliens penis man

299

00:12:02,790 --> 00:12:00,880

he says that magnetic penis man

300

00:12:05,269 --> 00:12:02,800

he says that magnetic fields can

301

00:12:07,350 --> 00:12:05,279

overstimulate the temporal lobes

302

00:12:10,470 --> 00:12:07,360

resulting in hallucinations that some

303

00:12:13,110 --> 00:12:10,480

people trapped between sleep and waking

304

00:12:14,949 --> 00:12:13,120

interpret as abduction experiences he

305

00:12:17,190 --> 00:12:14,959

doesn't however explain

306

00:12:19,670 --> 00:12:17,200

where these mysterious magnetic fields

307

00:12:21,910 --> 00:12:19,680

might be coming from

308

00:12:24,949 --> 00:12:21,920

okay

309

00:12:28,470 --> 00:12:24,959

well this this kind of article uh leads

310

00:12:30,629 --> 00:12:28,480

me to this talk i heard

311

00:12:33,030 --> 00:12:30,639

uh and i'll play a few a few clips from

312

00:12:36,230 --> 00:12:33,040

this talk now

313

00:12:39,590 --> 00:12:36,240

this is i'll post the full i posted this

314

00:12:40,870 --> 00:12:39,600

up to uh patreon people this is uh uh

315

00:12:43,509 --> 00:12:40,880

ross

316

00:12:46,629 --> 00:12:43,519

colt hart and he is a journalist out of

317

00:12:48,389 --> 00:12:46,639

australia he's been on the case of ufos

318

00:12:51,030 --> 00:12:48,399

for quite a while

319

00:12:53,430 --> 00:12:51,040

and he's had military contacts

320

00:12:55,190 --> 00:12:53,440

ex-intelligence official contacts he's

321

00:12:56,790 --> 00:12:55,200

talked to everyone he's a very

322

00:12:58,790 --> 00:12:56,800

open-minded journalist when it comes

323

00:13:01,990 --> 00:12:58,800

this he's very well spoken

324

00:13:04,629 --> 00:13:02,000

and he has very particular thoughts on

325

00:13:07,910 --> 00:13:04,639

uh ufos and aliens in general so i'll

326

00:13:11,509 --> 00:13:07,920

play a few clips here it might relate to

327

00:13:14,230 --> 00:13:11,519

exactly what we just uh read there

328

00:13:17,509 --> 00:13:14,240

and so this is uh the first one

329

00:13:21,350 --> 00:13:17,519

that i have and it is about

330

00:13:23,509 --> 00:13:21,360

so if there's so much so many ufos out

331

00:13:26,230 --> 00:13:23,519

there and everyone's got a camera

332

00:13:27,750 --> 00:13:26,240

what is his speculation as to why there

333

00:13:29,190 --> 00:13:27,760

aren't

334

00:13:31,430 --> 00:13:29,200

more

335

00:13:33,430 --> 00:13:31,440

high resolution photos of ufos and this

336

00:13:35,030 --> 00:13:33,440

is what uh russ had to say totally

337

00:13:37,110 --> 00:13:35,040

possible that they are capable of

338

00:13:39,269 --> 00:13:37,120

meddling with our technology that

339

00:13:41,509 --> 00:13:39,279

they're capable of

340

00:13:44,550 --> 00:13:41,519

affecting our capacity to take good

341

00:13:46,550 --> 00:13:44,560

photographs i've struck by the number of

342

00:13:49,110 --> 00:13:46,560

times that i've spoken to people who've

343

00:13:50,790 --> 00:13:49,120

witnessed the phenomenon up close

344

00:13:52,470 --> 00:13:50,800

and i've said to them why the hell

345

00:13:54,470 --> 00:13:52,480

didn't you take a photo you know you

346

00:13:56,870 --> 00:13:54,480

were there you had a bloody camera

347

00:13:58,710 --> 00:13:56,880

and they go you know that's weird i

348

00:14:01,990 --> 00:13:58,720

it didn't occur to me

349

00:14:04,069 --> 00:14:02,000

that has happened time and time again

350

00:14:06,470 --> 00:14:04,079

and it's interesting because uh there's

351

00:14:10,389 --> 00:14:06,480

a series of incidents up around a place

352

00:14:13,430 --> 00:14:10,399

called north west cape a very remote

353

00:14:15,670 --> 00:14:13,440

military base in western australia

354

00:14:18,150 --> 00:14:15,680

called the harold e holt naval

355

00:14:19,949 --> 00:14:18,160

communications station which was an

356

00:14:22,550 --> 00:14:19,959

american base until

357

00:14:24,629 --> 00:14:22,560

1991 1992

358

00:14:26,150 --> 00:14:24,639

and i've spoken to three people who've

359

00:14:29,030 --> 00:14:26,160

witnessed the phenomenon in that part of

360

00:14:31,829 --> 00:14:29,040

the world and each one of them describes

361

00:14:33,350 --> 00:14:31,839

this kind of weird feeling where

362

00:14:35,990 --> 00:14:33,360

they've actually forgotten about their

363

00:14:36,870 --> 00:14:36,000

experience until in one case two years

364

00:14:38,710 --> 00:14:36,880

later

365

00:14:40,629 --> 00:14:38,720

nikolai the guy that i was talking to

366

00:14:42,870 --> 00:14:40,639

was telling me that he'd seen

367

00:14:46,310 --> 00:14:42,880

an object by the side of the road like a

368

00:14:48,790 --> 00:14:46,320

car standing on its end a big solid

369

00:14:51,350 --> 00:14:48,800

oval that was clearly metallic of some

370

00:14:52,790 --> 00:14:51,360

kind but glowing emitting some kind of

371

00:14:54,470 --> 00:14:52,800

plasma glow

372

00:14:57,030 --> 00:14:54,480

and he said he didn't even remember it

373

00:15:00,230 --> 00:14:57,040

until two years after the fact

374

00:15:03,590 --> 00:15:00,240

now this is this is not new um

375

00:15:06,310 --> 00:15:03,600

oftentimes people who witness a ufo just

376

00:15:08,629 --> 00:15:06,320

flying nonchalantly flying casually

377

00:15:09,670 --> 00:15:08,639

across the sky just fly casual black

378

00:15:10,470 --> 00:15:09,680

casual

379

00:15:12,310 --> 00:15:10,480

uh

380

00:15:14,470 --> 00:15:12,320

sometimes they'll get a thought in their

381

00:15:16,629 --> 00:15:14,480

head to take a picture and then they'll

382

00:15:18,710 --> 00:15:16,639

get another thought that they should go

383

00:15:20,870 --> 00:15:18,720

back inside or they should put their

384

00:15:23,030 --> 00:15:20,880

camera down or that

385

00:15:25,030 --> 00:15:23,040

there seems to be some sort of

386

00:15:26,710 --> 00:15:25,040

communication some sort of telepathic

387

00:15:28,310 --> 00:15:26,720

communication that

388

00:15:30,550 --> 00:15:28,320

us humans are

389

00:15:33,910 --> 00:15:30,560

are receiving from these ufos in certain

390

00:15:36,389 --> 00:15:33,920

instances and we're very easily

391

00:15:39,350 --> 00:15:36,399

suggestible uh it is very easy to

392

00:15:41,269 --> 00:15:39,360

manipulate our thoughts and uh we are

393

00:15:44,150 --> 00:15:41,279

fairly for the most part

394

00:15:47,030 --> 00:15:44,160

pretty docile when it comes to

395

00:15:49,670 --> 00:15:47,040

what they want us to do uh not a lot of

396

00:15:52,550 --> 00:15:49,680

people get a chance to to fight back uh

397

00:15:54,470 --> 00:15:52,560

so i've heard that's uh many times where

398

00:15:56,069 --> 00:15:54,480

um the person is like i'm gonna take a

399

00:15:57,509 --> 00:15:56,079

picture and the next thing is like oh

400

00:15:59,670 --> 00:15:57,519

i'm just gonna go inside and kind of

401
00:16:01,430 --> 00:15:59,680
forget about this entire thing so

402
00:16:03,430 --> 00:16:01,440
well so i do wanna put on one thing at

403
00:16:05,030 --> 00:16:03,440
the beginning of this clip the guy said

404
00:16:06,470 --> 00:16:05,040
the the assertion was

405
00:16:09,189 --> 00:16:06,480
the aliens are so advanced they have

406
00:16:11,110 --> 00:16:09,199
some technology to to mess with our

407
00:16:13,350 --> 00:16:11,120
cameras so they don't work very well but

408
00:16:14,470 --> 00:16:13,360
then everything he said was about people

409
00:16:16,949 --> 00:16:14,480
being

410
00:16:18,790 --> 00:16:16,959
you know mentally manipulated to not

411
00:16:20,550 --> 00:16:18,800
want to or even not think about taking a

412
00:16:22,870 --> 00:16:20,560
photo that is correct

413
00:16:25,189 --> 00:16:22,880

so um

414

00:16:26,470 --> 00:16:25,199

there are in what he says yeah i mean

415

00:16:29,670 --> 00:16:26,480

these uh

416

00:16:31,910 --> 00:16:29,680

these craft do appear to affect machines

417

00:16:34,949 --> 00:16:31,920

cars uh and electrical devices quite

418

00:16:37,509 --> 00:16:34,959

frequently um and so that's not alvaro

419

00:16:39,590 --> 00:16:37,519

possibility uh there's also cases in

420

00:16:41,269 --> 00:16:39,600

which there are two people

421

00:16:43,670 --> 00:16:41,279

uh filming this is with film this would

422

00:16:47,110 --> 00:16:43,680

be this is back when it was film and in

423

00:16:50,389 --> 00:16:47,120

video a person was able to capture

424

00:16:52,389 --> 00:16:50,399

a very large event on

425

00:16:54,150 --> 00:16:52,399

it's like eight millimeter film but the

426
00:16:56,710 --> 00:16:54,160
person next to her who was filming on a

427
00:16:58,790 --> 00:16:56,720
video camera wasn't able to to get

428
00:17:00,949 --> 00:16:58,800
anything but just like a ball of light

429
00:17:03,350 --> 00:17:00,959
like this two people same location same

430
00:17:05,990 --> 00:17:03,360
event capture two different things with

431
00:17:07,590 --> 00:17:06,000
two two different pieces of technology

432
00:17:10,069 --> 00:17:07,600
um i don't know what to make of that

433
00:17:11,909 --> 00:17:10,079
other than uh it comes down to the ur

434
00:17:13,189 --> 00:17:11,919
the viewer and the the the type of

435
00:17:14,789 --> 00:17:13,199
technology

436
00:17:16,710 --> 00:17:14,799
maybe they're talking to somebody on

437
00:17:19,270 --> 00:17:16,720
inter-roster they will affect their uh

438
00:17:20,630 --> 00:17:19,280

their cameras what's the anaerosis oh

439

00:17:21,829 --> 00:17:20,640

come on three people got that joke

440

00:17:23,350 --> 00:17:21,839

they've got an interroster over here

441

00:17:25,350 --> 00:17:23,360

come on let me see if i got my yeah i

442

00:17:26,870 --> 00:17:25,360

got an interroster here what let me boot

443

00:17:29,750 --> 00:17:26,880

it up

444

00:17:30,830 --> 00:17:29,760

that's not how an interossetor works

445

00:17:32,390 --> 00:17:30,840

that's how mine

446

00:17:36,150 --> 00:17:32,400

works

447

00:17:36,950 --> 00:17:36,160

uh the inner oscillator was the uh um

448

00:17:39,510 --> 00:17:36,960

uh

449

00:17:41,830 --> 00:17:39,520

it was the alien device from this island

450

00:17:43,750 --> 00:17:41,840

earth when one of the guys went to take

451
00:17:45,590 --> 00:17:43,760
a photo of the alien appearing on it and

452
00:17:47,830 --> 00:17:45,600
then he saw the alien saw that and said

453
00:17:49,110 --> 00:17:47,840
your camera will only pick up a gray fog

454
00:17:50,789 --> 00:17:49,120
oh okay

455
00:17:52,630 --> 00:17:50,799
famously parodied and mystery science

456
00:17:54,230 --> 00:17:52,640
theater 3000 the movie

457
00:17:58,070 --> 00:17:54,240
all right

458
00:17:59,510 --> 00:17:58,080
well in the this clip uh ross uh

459
00:18:01,830 --> 00:17:59,520
talks about

460
00:18:04,710 --> 00:18:01,840
ufo disclosure there's a lot of ufo news

461
00:18:07,750 --> 00:18:04,720
out there obviously the united states

462
00:18:10,470 --> 00:18:07,760
military and certain defense contractors

463
00:18:13,190 --> 00:18:10,480

have known a lot more about this topic

464

00:18:14,390 --> 00:18:13,200

than they have ever let on

465

00:18:16,710 --> 00:18:14,400

um

466

00:18:19,750 --> 00:18:16,720

and quite frankly it has been lying for

467

00:18:21,830 --> 00:18:19,760

for decades and decades but

468

00:18:23,350 --> 00:18:21,840

so why now is why why are we gonna

469

00:18:27,990 --> 00:18:23,360

believe anything that they have to say

470

00:18:29,430 --> 00:18:28,000

now and this is ross's thoughts on uh

471

00:18:31,830 --> 00:18:29,440

your full disclosure

472

00:18:33,750 --> 00:18:31,840

we can't deny it but what we want to do

473

00:18:36,470 --> 00:18:33,760

i think there's been an active decision

474

00:18:39,510 --> 00:18:36,480

made to constrain the

475

00:18:40,830 --> 00:18:39,520

current uap task force's investigations

476
00:18:44,070 --> 00:18:40,840
from

477
00:18:47,270 --> 00:18:44,080
2004. i don't think they want us to know

478
00:18:48,390 --> 00:18:47,280
anything about alleged crash recoveries

479
00:18:49,830 --> 00:18:48,400
or

480
00:18:51,750 --> 00:18:49,840
um

481
00:18:53,270 --> 00:18:51,760
any of the other more extraordinary

482
00:18:55,830 --> 00:18:53,280
claims that have been made over the

483
00:18:58,150 --> 00:18:55,840
years by people like corso it's almost

484
00:18:59,270 --> 00:18:58,160
like what they're trying to do is

485
00:19:01,830 --> 00:18:59,280
present

486
00:19:04,070 --> 00:19:01,840
a scenario to the

487
00:19:06,470 --> 00:19:04,080
american and international public

488
00:19:08,830 --> 00:19:06,480

where the american government can in a

489

00:19:11,990 --> 00:19:08,840

few years time go

490

00:19:14,150 --> 00:19:12,000

guys look what we've discovered this is

491

00:19:16,070 --> 00:19:14,160

amazing um there really is a real

492

00:19:17,110 --> 00:19:16,080

phenomenon and look we're part way there

493

00:19:19,350 --> 00:19:17,120

because they've acknowledged the

494

00:19:20,710 --> 00:19:19,360

phenomenon is real but i suspect we'll

495

00:19:21,669 --> 00:19:20,720

be told that

496

00:19:24,630 --> 00:19:21,679

you know

497

00:19:26,549 --> 00:19:24,640

there is perhaps some intelligence that

498

00:19:28,710 --> 00:19:26,559

we don't yet comprehend that is

499

00:19:32,150 --> 00:19:28,720

operating in our

500

00:19:33,909 --> 00:19:32,160

on our planet i i do i really do suspect

501
00:19:35,510 --> 00:19:33,919
that nothing led to that belief by

502
00:19:37,909 --> 00:19:35,520
people who know

503
00:19:40,390 --> 00:19:37,919
but i do believe that hopes that we're

504
00:19:43,350 --> 00:19:40,400
going to see disclosure of the truth

505
00:19:45,510 --> 00:19:43,360
behind crash recovers the truth behind

506
00:19:47,750 --> 00:19:45,520
alleged alien retrievals the truth

507
00:19:49,909 --> 00:19:47,760
behind mutilations and

508
00:19:51,510 --> 00:19:49,919
my labs and abductions i don't think

509
00:19:52,789 --> 00:19:51,520
we'll ever see that

510
00:19:55,029 --> 00:19:52,799
and i think what's happening at the

511
00:19:56,950 --> 00:19:55,039
moment is there is a desperate i do

512
00:19:59,350 --> 00:19:56,960
believe by the way that the united

513
00:20:01,430 --> 00:19:59,360

states has recovered what it believes is

514

00:20:04,230 --> 00:20:01,440

non-human technology

515

00:20:07,510 --> 00:20:04,240

there upset it

516

00:20:09,669 --> 00:20:07,520

he said it uh this guy's a very

517

00:20:11,909 --> 00:20:09,679

reputable uh reporter but he's got his

518

00:20:13,909 --> 00:20:11,919

own set of uh beliefs too and he he's

519

00:20:16,390 --> 00:20:13,919

pretty measured in respon his response

520

00:20:18,310 --> 00:20:16,400

and i i tend to agree with agree with

521

00:20:20,230 --> 00:20:18,320

him right there we're getting managed

522

00:20:22,870 --> 00:20:20,240

disclosure here they're not going to

523

00:20:24,310 --> 00:20:22,880

reveal anything that is too sensational

524

00:20:27,270 --> 00:20:24,320

they haven't talked about alien

525

00:20:29,350 --> 00:20:27,280

abductions uh they haven't talked about

526

00:20:31,190 --> 00:20:29,360

a lot of the more sensational claims uh

527

00:20:33,510 --> 00:20:31,200

when it comes to the alien phenomenon so

528

00:20:34,950 --> 00:20:33,520

yeah we're getting just a little sliver

529

00:20:37,510 --> 00:20:34,960

probably like two or three percent of

530

00:20:39,990 --> 00:20:37,520

the information

531

00:20:45,190 --> 00:20:40,000

let's see here where do we go next yeah

532

00:20:49,590 --> 00:20:47,350

uh he didn't mention philip corso in

533

00:20:51,190 --> 00:20:49,600

there colonel corso he wrote the book

534

00:20:58,549 --> 00:20:51,200

the day

535

00:21:00,070 --> 00:20:58,559

roswell um and at that in that book it's

536

00:21:03,350 --> 00:21:00,080

about uh

537

00:21:05,909 --> 00:21:03,360

corso at working in uh on office at the

538

00:21:09,190 --> 00:21:05,919

pentagon research and development and he

539

00:21:10,380 --> 00:21:09,200

was handed a bunch of material to kind

540

00:21:11,669 --> 00:21:10,390

of farm it out to

541

00:21:14,710 --> 00:21:11,679

[Music]

542

00:21:16,710 --> 00:21:14,720

uh various contractors and industry

543

00:21:17,669 --> 00:21:16,720

and a lot of like he wrote that with the

544

00:21:21,990 --> 00:21:17,679

book

545

00:21:24,710 --> 00:21:22,000

author and a lot of what he was

546

00:21:26,149 --> 00:21:24,720

conveying was kind of manipulated and

547

00:21:28,310 --> 00:21:26,159

what came out in the book was not

548

00:21:30,070 --> 00:21:28,320

actually what he believed

549

00:21:32,789 --> 00:21:30,080

or not actually what he stated when it

550

00:21:34,230 --> 00:21:32,799

came to farming out this new technology

551
00:21:36,230 --> 00:21:34,240
and so it was kind of misrepresented the

552
00:21:38,310 --> 00:21:36,240
book and he's given interviews uh

553
00:21:40,549 --> 00:21:38,320
afterwards so i highly recommend watch

554
00:21:41,830 --> 00:21:40,559
watching corso's interviews but he did

555
00:21:45,990 --> 00:21:41,840
mention

556
00:21:49,430 --> 00:21:46,000
that the u.s government

557
00:21:51,029 --> 00:21:49,440
uh was in the possession of some sort of

558
00:21:54,230 --> 00:21:51,039
time machine

559
00:21:55,909 --> 00:21:54,240
now as we read the the other article

560
00:21:58,710 --> 00:21:55,919
uh people are speculating that these

561
00:22:02,470 --> 00:21:58,720
ufos are from the future and that would

562
00:22:04,549 --> 00:22:02,480
mean that their craft are time machines

563
00:22:05,990 --> 00:22:04,559

uh so corso has talked about that maybe

564

00:22:07,830 --> 00:22:06,000

he knows something that everyone else

565

00:22:11,029 --> 00:22:07,840

doesn't people are speculating that

566

00:22:14,070 --> 00:22:11,039

right now but as for ross

567

00:22:16,789 --> 00:22:14,080

uh he's got his own theories about what

568

00:22:20,470 --> 00:22:16,799

these could be and this is based upon

569

00:22:22,390 --> 00:22:20,480

what he's hearing from his sources and

570

00:22:25,110 --> 00:22:22,400

we should take everything which is the

571

00:22:26,710 --> 00:22:25,120

grain of salt and consider every

572

00:22:29,510 --> 00:22:26,720

possibility but here's one of them right

573

00:22:32,549 --> 00:22:29,520

here one one group is more open and

574

00:22:35,590 --> 00:22:32,559

transparent also here he's talking about

575

00:22:38,310 --> 00:22:35,600

the united is united states intelligence

576

00:22:40,470 --> 00:22:38,320

agencies and within each agency there's

577

00:22:42,870 --> 00:22:40,480

different factions and they're kind of

578

00:22:45,190 --> 00:22:42,880

going back and forth about how they wish

579

00:22:47,190 --> 00:22:45,200

to disclose secrets

580

00:22:50,789 --> 00:22:47,200

and each one of these people have their

581

00:22:51,830 --> 00:22:50,799

own set of belief systems that uh

582

00:22:54,470 --> 00:22:51,840

will

583

00:22:56,149 --> 00:22:54,480

lead them down to what one path of what

584

00:22:57,590 --> 00:22:56,159

they should or shouldn't do based upon

585

00:22:59,669 --> 00:22:57,600

their belief systems

586

00:23:02,149 --> 00:22:59,679

one one group is more open and

587

00:23:03,990 --> 00:23:02,159

transparent and thinking that their duty

588

00:23:06,710 --> 00:23:04,000

banned under the constitution to be more

589

00:23:08,549 --> 00:23:06,720

open and obliging to reveal what they

590

00:23:10,630 --> 00:23:08,559

know because there's no good reason not

591

00:23:13,029 --> 00:23:10,640

to reveal it but there's another group

592

00:23:16,950 --> 00:23:13,039

that probably also because of religious

593

00:23:19,110 --> 00:23:16,960

ardent zealotry are reluctant to see the

594

00:23:20,950 --> 00:23:19,120

full story told i think for a lot of

595

00:23:23,430 --> 00:23:20,960

people who are of extreme religious

596

00:23:25,669 --> 00:23:23,440

faith and that's not to be in any way

597

00:23:27,350 --> 00:23:25,679

critical of people who are believers

598

00:23:29,029 --> 00:23:27,360

um i think a lot of people because i do

599

00:23:31,110 --> 00:23:29,039

think you know i think the vatican for

600

00:23:32,789 --> 00:23:31,120

example has made it quite clear that if

601
00:23:35,029 --> 00:23:32,799
you are religious and if you believe in

602
00:23:37,750 --> 00:23:35,039
ets we are they are all god's children

603
00:23:39,830 --> 00:23:37,760
you know i don't think the idea of alien

604
00:23:41,750 --> 00:23:39,840
life is incompatible and people should

605
00:23:43,190 --> 00:23:41,760
take a closer look at what religious

606
00:23:44,789 --> 00:23:43,200
institutions like the vatican have

607
00:23:45,990 --> 00:23:44,799
actually said about this

608
00:23:47,909 --> 00:23:46,000
but um

609
00:23:50,470 --> 00:23:47,919
i'm told and i've been told this by

610
00:23:53,510 --> 00:23:50,480
multiple sources that there are people

611
00:23:55,830 --> 00:23:53,520
of extreme conservative religious

612
00:23:57,909 --> 00:23:55,840
viewpoints inside the cia

613
00:24:00,470 --> 00:23:57,919

and also inside the defense intelligence

614

00:24:02,789 --> 00:24:00,480

agency and other agencies who are

615

00:24:04,549 --> 00:24:02,799

hostile to

616

00:24:06,230 --> 00:24:04,559

revealing the extent of what the us

617

00:24:07,669 --> 00:24:06,240

government knows

618

00:24:09,510 --> 00:24:07,679

and i do know because they believe it's

619

00:24:10,870 --> 00:24:09,520

connected to what's demonic

620

00:24:13,190 --> 00:24:10,880

they think it's demonic they think it's

621

00:24:18,390 --> 00:24:13,200

satanic and who knows

622

00:24:23,269 --> 00:24:20,789

i mean uh we've heard that many times a

623

00:24:25,350 --> 00:24:23,279

lot of people uh believe the

624

00:24:27,110 --> 00:24:25,360

uh demonic angle i know teddy spaghetti

625

00:24:28,710 --> 00:24:27,120

calls up every now and again

626

00:24:30,230 --> 00:24:28,720

uh he thinks that that that they're

627

00:24:31,990 --> 00:24:30,240

demons and there's a lot of other people

628

00:24:35,190 --> 00:24:32,000

out there that yeah these are demons

629

00:24:39,750 --> 00:24:37,110

huh yeah i don't know if you think about

630

00:24:41,190 --> 00:24:39,760

that but uh

631

00:24:45,190 --> 00:24:41,200

i don't want to believe that they're

632

00:24:48,870 --> 00:24:46,390

i was gonna say that that was one of the

633

00:24:50,310 --> 00:24:48,880

conceits of um

634

00:24:53,750 --> 00:24:50,320

oh the name of the book trying to give

635

00:24:55,990 --> 00:24:53,760

it uh childhood child childhoods end um

636

00:24:58,230 --> 00:24:56,000

by uh arthur c clarke is that the the

637

00:24:59,990 --> 00:24:58,240

aliens who arrive um have that

638

00:25:01,190 --> 00:25:00,000

appearance and it's a it's a deliberate

639

00:25:02,310 --> 00:25:01,200

manipulation

640

00:25:04,230 --> 00:25:02,320

of the uh

641

00:25:05,510 --> 00:25:04,240

of the populace because they're they

642

00:25:07,110 --> 00:25:05,520

there's so many things that they

643

00:25:08,870 --> 00:25:07,120

associate with that appearance of

644

00:25:11,909 --> 00:25:08,880

demonic creatures

645

00:25:14,789 --> 00:25:11,919

yeah and i i know the the word demon

646

00:25:15,750 --> 00:25:14,799

doesn't necessarily denote uh

647

00:25:16,630 --> 00:25:15,760

evil

648

00:25:17,669 --> 00:25:16,640

or

649

00:25:19,430 --> 00:25:17,679

uh

650

00:25:22,070 --> 00:25:19,440

horribleness but i mean that's what we

651
00:25:22,950 --> 00:25:22,080
know from the bible and uh and like at

652
00:25:24,630 --> 00:25:22,960
least

653
00:25:27,510 --> 00:25:24,640
christian belief systems when you say a

654
00:25:30,950 --> 00:25:27,520
demon you think uh something from hell

655
00:25:31,990 --> 00:25:30,960
that is going to do bad things to you

656
00:25:34,390 --> 00:25:32,000
um

657
00:25:37,669 --> 00:25:34,400
good luck trying to convince any uh the

658
00:25:41,590 --> 00:25:39,909
good luck doesn't bother me

659
00:25:42,870 --> 00:25:41,600
i guess fine with it he's already all

660
00:25:45,430 --> 00:25:42,880
right with it

661
00:25:47,669 --> 00:25:45,440
he does have another uh theory here this

662
00:25:50,630 --> 00:25:47,679
is the last clip that i have

663
00:25:52,870 --> 00:25:50,640

uh from ross but uh fairly interesting

664

00:25:54,830 --> 00:25:52,880

and definitely applicable to the article

665

00:25:58,149 --> 00:25:54,840

we just talked about

666

00:25:59,909 --> 00:25:58,159

i i wish i could tell you what i

667

00:26:02,230 --> 00:25:59,919

i'm being told right now but i don't

668

00:26:04,149 --> 00:26:02,240

think it's responsible for me to talk

669

00:26:05,510 --> 00:26:04,159

about it until i've been able to verify

670

00:26:08,630 --> 00:26:05,520

it more because i don't want to panic

671

00:26:10,630 --> 00:26:08,640

people or uh be irresponsible

672

00:26:12,149 --> 00:26:10,640

i'm already copying a swipe from

673

00:26:14,630 --> 00:26:12,159

different people actually eric davis had

674

00:26:16,230 --> 00:26:14,640

a go at me the other day because i um

675

00:26:18,230 --> 00:26:16,240

i apparently talked about

676

00:26:20,230 --> 00:26:18,240

[Music]

677

00:26:22,310 --> 00:26:20,240

people who told me that the united

678

00:26:24,310 --> 00:26:22,320

states may be actively engaged in

679

00:26:25,909 --> 00:26:24,320

attempting to bring down objects by

680

00:26:28,149 --> 00:26:25,919

using the frequencies that they know

681

00:26:30,149 --> 00:26:28,159

these objects can be tracked at

682

00:26:31,510 --> 00:26:30,159

and uh he said i was clueless on that

683

00:26:32,870 --> 00:26:31,520

point and

684

00:26:34,149 --> 00:26:32,880

i don't want to get a ding dong with

685

00:26:36,789 --> 00:26:34,159

eric davis because i actually like the

686

00:26:38,710 --> 00:26:36,799

guy and respect him enormously but

687

00:26:40,310 --> 00:26:38,720

all i was doing was reporting what i've

688

00:26:44,310 --> 00:26:40,320

been told

689

00:26:46,710 --> 00:26:44,320

in another area certain things about the

690

00:26:48,149 --> 00:26:46,720

phenomenon that are quite disturbing

691

00:26:51,110 --> 00:26:48,159

i mean there are a lot of people

692

00:26:53,350 --> 00:26:51,120

privately claiming to me

693

00:26:55,750 --> 00:26:53,360

things about the implications of the

694

00:26:58,149 --> 00:26:55,760

phenomenon that that go beyond far

695

00:26:59,110 --> 00:26:58,159

beyond the whole notion of just i mean i

696

00:27:00,470 --> 00:26:59,120

wish it was as simple as

697

00:27:02,549 --> 00:27:00,480

extraterrestrials getting in their

698

00:27:05,269 --> 00:27:02,559

little spaceships and flying from

699

00:27:07,830 --> 00:27:05,279

zeta reticuli and coming to this planet

700

00:27:09,590 --> 00:27:07,840

that's the easy explanation

701
00:27:17,669 --> 00:27:09,600
the

702
00:27:19,750 --> 00:27:17,679
i've been exploring in recent months is

703
00:27:21,590 --> 00:27:19,760
more complex and i've already spoken

704
00:27:24,950 --> 00:27:21,600
about this to some extent so i will say

705
00:27:26,870 --> 00:27:24,960
it involves the notion of

706
00:27:27,909 --> 00:27:26,880
future human

707
00:27:31,269 --> 00:27:27,919
time

708
00:27:35,269 --> 00:27:31,279
and look it's only hypothetical i'm not

709
00:27:38,630 --> 00:27:35,279
i'm not saying it's real but if what i'm

710
00:27:41,669 --> 00:27:38,640
being told about that is true then yeah

711
00:27:43,750 --> 00:27:41,679
i i would be somber too

712
00:27:45,190 --> 00:27:43,760
there we go time travelers

713
00:27:48,470 --> 00:27:45,200

that's uh that's what he's leaning

714

00:27:51,029 --> 00:27:48,480

towards and uh i'm on board with that

715

00:27:58,149 --> 00:27:54,149

give us an email at ourbitcommon

716

00:28:00,389 --> 00:27:58,159

gmail.com check out obdmport.com
