

A ghost figure made of a white sheet with two black eye holes is positioned on the left side of the image. The background shows a sunset or sunrise over a dark horizon. The text 'GHOST STORIES' is written in large, bold, yellow letters with a black outline on the right side.

GHOST STORIES

1
00:00:00,270 --> 00:00:07,110
[Applause]

2
00:00:10,870 --> 00:00:08,390
this is a good one

3
00:00:13,190 --> 00:00:10,880
this is uh 11 of the scariest ghost

4
00:00:14,629 --> 00:00:13,200
stories from reddit

5
00:00:16,870 --> 00:00:14,639
but this is on the travel channel's

6
00:00:18,150 --> 00:00:16,880
website yeah the travel channel

7
00:00:19,830 --> 00:00:18,160
let's just go to reddit and get some

8
00:00:21,910 --> 00:00:19,840
stuff rather than actually doing any any

9
00:00:25,029 --> 00:00:21,920
writing on things

10
00:00:27,670 --> 00:00:25,039
and uh all right we'll we'll read this

11
00:00:28,950 --> 00:00:27,680
and until it's a listicle so you can

12
00:00:31,029 --> 00:00:28,960
we can kind of go through this a little

13
00:00:33,910 --> 00:00:31,039

bit okay

14

00:00:36,790 --> 00:00:33,920

well we do like listicles we love lists

15

00:00:38,069 --> 00:00:36,800

and okay we'll go through they're not

16

00:00:40,310 --> 00:00:38,079

numbered at all

17

00:00:42,069 --> 00:00:40,320

okay

18

00:00:43,830 --> 00:00:42,079

let's see well you could just say number

19

00:00:45,430 --> 00:00:43,840

one and say but i don't think they're in

20

00:00:48,310 --> 00:00:45,440

any sort of order because again this was

21

00:00:50,229 --> 00:00:48,320

a a half-assed article written by a 22

22

00:00:52,310 --> 00:00:50,239

year old at the travel channel just went

23

00:00:55,750 --> 00:00:52,320

to reddit

24

00:00:58,630 --> 00:00:55,760

yeah it's true okay well

25

00:01:01,910 --> 00:00:58,640

uh i will i'll do my best to to get

26

00:01:05,030 --> 00:01:01,920

through this and uh we will we will all

27

00:01:07,590 --> 00:01:05,040

be frightened together okay sure

28

00:01:09,750 --> 00:01:07,600

this let's make it happen come on

29

00:01:11,350 --> 00:01:09,760

well this first one's titled it wasn't a

30

00:01:13,750 --> 00:01:11,360

little girl

31

00:01:15,670 --> 00:01:13,760

and this is uh after maybe i went and

32

00:01:17,590 --> 00:01:15,680

big in this on the screen there we go so

33

00:01:19,670 --> 00:01:17,600

it's easier to read here we go

34

00:01:22,070 --> 00:01:19,680

i was camping with my husband and his

35

00:01:24,390 --> 00:01:22,080

family at a small remote lake in new

36

00:01:27,270 --> 00:01:24,400

mexico there was about 10 people in our

37

00:01:29,030 --> 00:01:27,280

group and another group of six people in

38

00:01:30,550 --> 00:01:29,040

the next campsite

39

00:01:32,870 --> 00:01:30,560

it was night time and both groups were

40

00:01:35,190 --> 00:01:32,880

doing typical activities making s'mores

41

00:01:37,350 --> 00:01:35,200

having a few drinks and telling stories

42

00:01:39,910 --> 00:01:37,360

when we all heard what sounded like a

43

00:01:42,630 --> 00:01:39,920

little girl yelling out for help neither

44

00:01:44,550 --> 00:01:42,640

group had children with them but we were

45

00:01:47,270 --> 00:01:44,560

all positive we were hearing a little

46

00:01:49,510 --> 00:01:47,280

girl and decided to search the area we

47

00:01:51,510 --> 00:01:49,520

heard the noise coming from there was a

48

00:01:54,550 --> 00:01:51,520

field behind our campsite

49

00:01:56,389 --> 00:01:54,560

and we all saw a very tall pure white

50

00:01:58,469 --> 00:01:56,399

figure standing maybe a hundred feet

51
00:01:59,749 --> 00:01:58,479
away from us in the field making the

52
00:02:01,510 --> 00:01:59,759
noises

53
00:02:03,590 --> 00:02:01,520
we all agreed

54
00:02:05,109 --> 00:02:03,600
this thing looked maybe about six feet

55
00:02:07,510 --> 00:02:05,119
tall skinny

56
00:02:09,910 --> 00:02:07,520
and white as can be we made our way

57
00:02:12,150 --> 00:02:09,920
closer to the uh area to investigate but

58
00:02:14,630 --> 00:02:12,160
whatever it was that we saw started

59
00:02:17,270 --> 00:02:14,640
backing off as we got closer it

60
00:02:18,229 --> 00:02:17,280
disappeared into the trees as and in

61
00:02:23,350 --> 00:02:18,239
night

62
00:02:24,949 --> 00:02:23,360
girl calling for help as we tried to

63
00:02:27,990 --> 00:02:24,959

sleep

64

00:02:30,309 --> 00:02:28,000

now i will say this

65

00:02:31,910 --> 00:02:30,319

um

66

00:02:35,509 --> 00:02:31,920

bigfoot

67

00:02:37,589 --> 00:02:35,519

in the woods okay it's often rumored

68

00:02:40,309 --> 00:02:37,599

that uh you can you can attribute it to

69

00:02:42,869 --> 00:02:40,319

bigfoot or other types of you can say

70

00:02:45,430 --> 00:02:42,879

skinwalkers ghoulies or

71

00:02:46,869 --> 00:02:45,440

ghouls you say ghoulies i say i did say

72

00:02:49,509 --> 00:02:46,879

ghoulies i was asked to say ghoulies

73

00:02:52,229 --> 00:02:49,519

more often like the 1980s terrible

74

00:02:55,350 --> 00:02:52,239

horror crap movie that one uh yeah

75

00:02:57,670 --> 00:02:55,360

that's more yeah ghoulies the goblin or

76

00:02:59,589 --> 00:02:57,680

goblins but a lot of times in these

77

00:03:00,710 --> 00:02:59,599

instances when you're in the woods and

78

00:03:02,309 --> 00:03:00,720

you hear

79

00:03:04,710 --> 00:03:02,319

like a baby crying

80

00:03:08,149 --> 00:03:04,720

or child calling for help

81

00:03:10,710 --> 00:03:08,159

it's a trap or trick you know you gotta

82

00:03:11,990 --> 00:03:10,720

be careful it's not a treat though it's

83

00:03:14,949 --> 00:03:12,000

most likely not a treat what they're

84

00:03:18,229 --> 00:03:14,959

trying to do is to get you away from the

85

00:03:19,670 --> 00:03:18,239

group so they can abduct you and have

86

00:03:20,869 --> 00:03:19,680

their way with you

87

00:03:23,509 --> 00:03:20,879

uh

88

00:03:25,670 --> 00:03:23,519

this this is fairly common it's a it's a

89

00:03:28,789 --> 00:03:25,680

common story in the bigfoot community a

90

00:03:31,589 --> 00:03:28,799

lot of people attribute it to um

91

00:03:33,750 --> 00:03:31,599

just a lure that bigfoot will will use

92

00:03:36,070 --> 00:03:33,760

uh other people attribute to other like

93

00:03:39,030 --> 00:03:36,080

types of supernatural or paranormal

94

00:03:41,350 --> 00:03:39,040

entities to do this kind of activity to

95

00:03:42,550 --> 00:03:41,360

to get somebody to to lose leave their

96

00:03:43,430 --> 00:03:42,560

group so

97

00:03:45,830 --> 00:03:43,440

um

98

00:03:47,509 --> 00:03:45,840

very interesting it was uh all white

99

00:03:49,750 --> 00:03:47,519

moving back into the woods

100

00:03:52,949 --> 00:03:49,760

i i wish they would have went further

101
00:03:54,390 --> 00:03:52,959
into detail if somebody out of the 16

102
00:03:56,309 --> 00:03:54,400
people you figured there would have been

103
00:03:57,750 --> 00:03:56,319
two drunk guys that said [h__h] it we're

104
00:04:00,550 --> 00:03:57,760
gonna go chase the thing thing in the

105
00:04:01,990 --> 00:04:00,560
woods but apparently not or fire fire a

106
00:04:04,470 --> 00:04:02,000
couple blasts that random into the

107
00:04:07,270 --> 00:04:04,480
bushes yeah yeah fire two blasts and

108
00:04:12,309 --> 00:04:10,229
uh here's another one here uh the un

109
00:04:14,309 --> 00:04:12,319
arrest stop

110
00:04:16,390 --> 00:04:14,319
i was driving across the country with my

111
00:04:19,830 --> 00:04:16,400
mom and sister when i was 16 and my

112
00:04:22,469 --> 00:04:19,840
sister was 20. it was late but we were

113
00:04:24,629 --> 00:04:22,479

all but we were well rested

114

00:04:26,310 --> 00:04:24,639

still and alert

115

00:04:28,870 --> 00:04:26,320

i don't know what that means well rested

116

00:04:30,790 --> 00:04:28,880

still okay we were well-rested still in

117

00:04:32,550 --> 00:04:30,800

alert we were driving along the

118

00:04:34,550 --> 00:04:32,560

interstate and needed some gas and a

119

00:04:36,070 --> 00:04:34,560

bathroom break so we decided to stop at

120

00:04:37,909 --> 00:04:36,080

the only rest stop

121

00:04:40,310 --> 00:04:37,919

in 200 miles

122

00:04:42,390 --> 00:04:40,320

there was a a van full of teenagers on

123

00:04:45,510 --> 00:04:42,400

the road trip at the gas station as well

124

00:04:47,270 --> 00:04:45,520

as a small grape car parked at the pump

125

00:04:48,629 --> 00:04:47,280

in front of us with two young men

126
00:04:50,230 --> 00:04:48,639
standing still

127
00:04:53,830 --> 00:04:50,240
outside of it

128
00:04:56,469 --> 00:04:53,840
when we got there everything felt wrong

129
00:04:58,950 --> 00:04:56,479
we've been on the road for days and seen

130
00:05:01,749 --> 00:04:58,960
many rest stops at night and had never

131
00:05:04,150 --> 00:05:01,759
been afraid until then my mom and sister

132
00:05:05,990 --> 00:05:04,160
went inside and i stayed in the car i

133
00:05:07,909 --> 00:05:06,000
heard the teenagers say

134
00:05:10,710 --> 00:05:07,919
they were creeped out

135
00:05:11,590 --> 00:05:10,720
and couldn't get the pump to work and

136
00:05:13,749 --> 00:05:11,600
then

137
00:05:16,070 --> 00:05:13,759
they left in a hurry i was watching the

138
00:05:18,390 --> 00:05:16,080

car in front uh i was watching the car

139

00:05:20,870 --> 00:05:18,400

in front of us and the two men had not

140

00:05:22,870 --> 00:05:20,880

moved at all not an inch they weren't

141

00:05:25,749 --> 00:05:22,880

talk they weren't talking they weren't

142

00:05:28,790 --> 00:05:25,759

on phones they were just standing there

143

00:05:31,270 --> 00:05:28,800

still at the stone my my sister and mom

144

00:05:33,749 --> 00:05:31,280

came running out to the car

145

00:05:35,909 --> 00:05:33,759

when they got in the two men slowly

146

00:05:37,749 --> 00:05:35,919

turned to look at us

147

00:05:39,909 --> 00:05:37,759

while not moving or

148

00:05:42,550 --> 00:05:39,919

pivoting the rest of their bodies and i

149

00:05:45,590 --> 00:05:42,560

swear to [h__h] [h__h] we all saw the

150

00:05:48,710 --> 00:05:45,600

same thing they had eyes

151
00:05:51,110 --> 00:05:48,720
dark as pitch black and empty as they

152
00:05:54,710 --> 00:05:51,120
could be a truly empty not black not

153
00:05:57,350 --> 00:05:54,720
reflecting any light at all just a void

154
00:05:59,189 --> 00:05:57,360
uh we sped out of there and didn't stop

155
00:06:00,790 --> 00:05:59,199
until we reached the next city the worst

156
00:06:02,469 --> 00:06:00,800
thing about the entire experience we

157
00:06:04,390 --> 00:06:02,479
couldn't find a place

158
00:06:05,189 --> 00:06:04,400
on we couldn't find that place on any

159
00:06:07,189 --> 00:06:05,199
map

160
00:06:09,590 --> 00:06:07,199
we knew exactly which spot on the

161
00:06:12,390 --> 00:06:09,600
interstate uh to look but we couldn't

162
00:06:14,230 --> 00:06:12,400
find it on google maps or any paper map

163
00:06:15,909 --> 00:06:14,240

that we had we even asked locals about

164

00:06:18,230 --> 00:06:15,919

the creepy gas station

165

00:06:20,150 --> 00:06:18,240

out on that stretch of road and only got

166

00:06:23,350 --> 00:06:20,160

confused looks we traveled on the

167

00:06:24,629 --> 00:06:23,360

interstate since and there was no rest

168

00:06:26,309 --> 00:06:24,639

stop

169

00:06:28,469 --> 00:06:26,319

so they found some kind of like

170

00:06:29,830 --> 00:06:28,479

inter-dimensional rest stop

171

00:06:31,510 --> 00:06:29,840

yeah reminds me of a twilight zone

172

00:06:32,870 --> 00:06:31,520

episode the ghosts they were upset

173

00:06:34,550 --> 00:06:32,880

they're like hey

174

00:06:35,830 --> 00:06:34,560

this is you have to pre-pay before you

175

00:06:39,270 --> 00:06:35,840

pump what are you doing over there get

176

00:06:42,870 --> 00:06:41,270

let's see here that's a it's kind of

177

00:06:45,270 --> 00:06:42,880

creepy okay

178

00:06:46,710 --> 00:06:45,280

haunted gas station haunted gas station

179

00:06:48,870 --> 00:06:46,720

now the question is if you get gas from

180

00:06:50,469 --> 00:06:48,880

a haunted gas station and then you leave

181

00:06:53,670 --> 00:06:50,479

does your car still run normally or is

182

00:06:56,710 --> 00:06:53,680

your car now haunted hmm

183

00:06:58,550 --> 00:06:56,720

if you get haunted gas

184

00:07:00,469 --> 00:06:58,560

i'm gonna say that

185

00:07:01,189 --> 00:07:00,479

if you get haunted gas you try to pump

186

00:07:03,830 --> 00:07:01,199

your

187

00:07:06,150 --> 00:07:03,840

car with some sort of haunted gas i'm

188

00:07:09,670 --> 00:07:06,160

gonna say it's gonna work because

189

00:07:12,309 --> 00:07:09,680

um between the the paranormal realm

190

00:07:13,749 --> 00:07:12,319

uh and the physical realm i think if you

191

00:07:14,950 --> 00:07:13,759

commit

192

00:07:20,230 --> 00:07:14,960

the

193

00:07:21,270 --> 00:07:20,240

gas to a physical

194

00:07:24,070 --> 00:07:21,280

uh

195

00:07:25,430 --> 00:07:24,080

object it solidifies and then it will

196

00:07:27,110 --> 00:07:25,440

work

197

00:07:28,870 --> 00:07:27,120

alternatively

198

00:07:30,390 --> 00:07:28,880

if i were running a haunted gas station

199

00:07:31,830 --> 00:07:30,400

i would let people get gas which would

200

00:07:33,670 --> 00:07:31,840

only let them get about a mile down the

201
00:07:35,510 --> 00:07:33,680
road and the cars would break down and

202
00:07:36,390 --> 00:07:35,520
then you go get them

203
00:07:39,110 --> 00:07:36,400
okay

204
00:07:41,589 --> 00:07:39,120
i see like uh the old switcheroo

205
00:07:42,790 --> 00:07:41,599
they felt they feel safe and secure but

206
00:07:43,990 --> 00:07:42,800
no

207
00:07:46,710 --> 00:07:44,000
i think that's the kind of gas that

208
00:07:48,629 --> 00:07:46,720
jason voorhees uses in like uh friday

209
00:07:50,710 --> 00:07:48,639
the 13th because everyone's running out

210
00:07:52,230 --> 00:07:50,720
of gas in those movies constantly

211
00:07:53,670 --> 00:07:52,240
running does he run his own fueling

212
00:07:54,869 --> 00:07:53,680
station

213
00:07:57,430 --> 00:07:54,879

um

214

00:07:59,110 --> 00:07:57,440

jason's discount fuels and murders yeah

215

00:08:00,950 --> 00:07:59,120

it's kind of like uh

216

00:08:02,629 --> 00:08:00,960

he runs like a general store out there

217

00:08:04,309 --> 00:08:02,639

at camp crystal lake

218

00:08:05,670 --> 00:08:04,319

giving me a knobber he also gives

219

00:08:06,950 --> 00:08:05,680

knobbers

220

00:08:09,189 --> 00:08:06,960

whether whether or not you want it you

221

00:08:11,350 --> 00:08:09,199

get a novel he just he knobs yet until

222

00:08:12,950 --> 00:08:11,360

you die he pumps you until you're dead

223

00:08:14,869 --> 00:08:12,960

jason will come and kick open your door

224

00:08:18,390 --> 00:08:14,879

and give you a forced knobber he pumps

225

00:08:20,710 --> 00:08:18,400

you dry giving me a knobber

226

00:08:21,749 --> 00:08:20,720

you see here um

227

00:08:22,950 --> 00:08:21,759

let's read

228

00:08:26,469 --> 00:08:22,960

read this last one here then we'll get

229

00:08:31,350 --> 00:08:26,479

over to another ghost story

230

00:08:33,589 --> 00:08:31,360

this one is titled death came for him

231

00:08:36,230 --> 00:08:33,599

i was standing in my parents room

232

00:08:38,630 --> 00:08:36,240

talking to my very sick dad at the time

233

00:08:41,110 --> 00:08:38,640

he was dying of stage four esophageal

234

00:08:43,509 --> 00:08:41,120

esophageal cancer i got the feeling

235

00:08:45,990 --> 00:08:43,519

something was behind me i looked towards

236

00:08:48,150 --> 00:08:46,000

the doorway to the living room and

237

00:08:48,949 --> 00:08:48,160

something about four foot six inches

238

00:08:51,350 --> 00:08:48,959

tall

239

00:08:52,550 --> 00:08:51,360

and fully black is peeking around the

240

00:08:55,350 --> 00:08:52,560

corner

241

00:08:56,470 --> 00:08:55,360

with his hands on the doorframe i ran

242

00:08:57,670 --> 00:08:56,480

towards it

243

00:09:00,150 --> 00:08:57,680

and

244

00:09:02,310 --> 00:09:00,160

it slipped back around the door

245

00:09:03,269 --> 00:09:02,320

when i got outside the doorway there was

246

00:09:05,030 --> 00:09:03,279

nothing

247

00:09:07,030 --> 00:09:05,040

my dad was completely confused when i

248

00:09:09,590 --> 00:09:07,040

stepped back inside the room to tell him

249

00:09:12,550 --> 00:09:09,600

people who stayed at my house in my dad

250

00:09:15,269 --> 00:09:12,560

my dad's final days claimed to have seen

251
00:09:17,269 --> 00:09:15,279
it too my mom saw the figure on multiple

252
00:09:18,150 --> 00:09:17,279
occasions in multiple places until he

253
00:09:19,990 --> 00:09:18,160
passed

254
00:09:21,269 --> 00:09:20,000
we haven't seen it since

255
00:09:23,590 --> 00:09:21,279
i didn't know

256
00:09:26,550 --> 00:09:23,600
what possession or what what possesses

257
00:09:29,590 --> 00:09:26,560
me to binge read reddit true life ghost

258
00:09:32,389 --> 00:09:29,600
stories about uh twice a year

259
00:09:34,949 --> 00:09:32,399
when each place i

260
00:09:37,350 --> 00:09:34,959
i live always has some kind of resident

261
00:09:40,150 --> 00:09:37,360
spirit okay sounds like a shadow person

262
00:09:41,509 --> 00:09:40,160
um or that or the grim reaper in some

263
00:09:43,269 --> 00:09:41,519

capacity but i've never heard the grim

264

00:09:45,030 --> 00:09:43,279

reaper being described as four feet tall

265

00:09:46,470 --> 00:09:45,040

no near of eye that's like a rope that's

266

00:09:48,470 --> 00:09:46,480

like the replacement grim reaper because

267

00:09:49,750 --> 00:09:48,480

the other one was busy that day

268

00:09:51,350 --> 00:09:49,760

you had like a dental appointment he

269

00:09:53,030 --> 00:09:51,360

couldn't miss because he'll get charged

270

00:09:55,030 --> 00:09:53,040

anyway so he has to go

271

00:09:56,790 --> 00:09:55,040

and he sends his intern in his place i

272

00:09:58,230 --> 00:09:56,800

wonder

273

00:09:59,269 --> 00:09:58,240

maybe some people out there know more

274

00:10:02,150 --> 00:09:59,279

about this

275

00:10:02,949 --> 00:10:02,160

if there are other stories that are

276

00:10:07,990 --> 00:10:02,959

that

277

00:10:11,110 --> 00:10:08,000

and if they are more likely to see

278

00:10:12,870 --> 00:10:11,120

shadow people than you know people

279

00:10:14,150 --> 00:10:12,880

just leaving their everyday life not not

280

00:10:16,630 --> 00:10:14,160

close to death like maybe there's

281

00:10:18,790 --> 00:10:16,640

something that shadow people are or

282

00:10:20,470 --> 00:10:18,800

these entities are attracted to people

283

00:10:22,630 --> 00:10:20,480

who are about ready to pass on for

284

00:10:24,389 --> 00:10:22,640

whatever reason they want access to

285

00:10:26,630 --> 00:10:24,399

their spirit and their soul as at least

286

00:10:28,949 --> 00:10:26,640

that leaves the body or that there's

287

00:10:30,389 --> 00:10:28,959

some sort of energetic psychic

288

00:10:32,389 --> 00:10:30,399

phenomenon there that they want to

289

00:10:33,910 --> 00:10:32,399

witness or be a part of

290

00:10:35,750 --> 00:10:33,920

uh

291

00:10:37,030 --> 00:10:35,760

you know there's some interesting things

292

00:10:39,990 --> 00:10:37,040

that will happen we also have that story

293

00:10:41,750 --> 00:10:40,000

of the uh the the greys wanting to to uh

294

00:10:43,190 --> 00:10:41,760

basically capture people as they die or

295

00:10:44,389 --> 00:10:43,200

abduct them and use their souls so they

296

00:10:46,470 --> 00:10:44,399

can move on to the next level of

297

00:10:48,470 --> 00:10:46,480

existence so yeah yeah that's great

298

00:10:51,990 --> 00:10:48,480

isn't it it is the rumor that the the

299

00:10:53,430 --> 00:10:52,000

the grey aliens want to hijack

300

00:10:54,949 --> 00:10:53,440

our souls

301
00:10:56,470 --> 00:10:54,959
to uh

302
00:10:59,430 --> 00:10:56,480
for their own

303
00:11:01,829 --> 00:10:59,440
use which is for them to use our soul

304
00:11:03,509 --> 00:11:01,839
system so they can get to the the other

305
00:11:06,470 --> 00:11:03,519
dimensions so they can get to the

306
00:11:08,949 --> 00:11:06,480
glorious afterlife that us humans have

307
00:11:10,870 --> 00:11:08,959
access to once we pass on

308
00:11:12,710 --> 00:11:10,880
maybe

309
00:11:14,550 --> 00:11:12,720
some people apparently get reincarnated

310
00:11:15,990 --> 00:11:14,560
they decide to come back to this or

311
00:11:18,470 --> 00:11:16,000
maybe they have to

312
00:11:20,389 --> 00:11:18,480
a lot of people think that uh

313
00:11:22,310 --> 00:11:20,399

the the death

314

00:11:25,350 --> 00:11:22,320

that that tunnel of light that a lot of

315

00:11:27,110 --> 00:11:25,360

people claim to see is a trap where

316

00:11:29,430 --> 00:11:27,120

if you go through

317

00:11:31,590 --> 00:11:29,440

that tunnel of light it's part of the

318

00:11:33,110 --> 00:11:31,600

soul recycling like you should this is

319

00:11:35,269 --> 00:11:33,120

what some people speculate that you

320

00:11:36,949 --> 00:11:35,279

shouldn't go into the tunnel of light

321

00:11:39,829 --> 00:11:36,959

because then that forces you back to

322

00:11:41,350 --> 00:11:39,839

being reincarnated where if you avoid

323

00:11:44,150 --> 00:11:41,360

that ton of light you can actually move

324

00:11:46,230 --> 00:11:44,160

on to other dimensions and and and live

325

00:11:47,750 --> 00:11:46,240

a completely different existence

326

00:11:50,069 --> 00:11:47,760

so i don't know to think about that

327

00:11:52,069 --> 00:11:50,079

maybe i'll do a longer segment on

328

00:11:53,829 --> 00:11:52,079

the soul recycling system

329

00:11:55,269 --> 00:11:53,839

hey if you do that make sure you uh

330

00:11:57,030 --> 00:11:55,279

cover the film defending your life by

331

00:11:58,870 --> 00:11:57,040

albert brooks 1991

332

00:12:00,389 --> 00:11:58,880

yes i will

333

00:12:01,990 --> 00:12:00,399

and that's a really i think that's a

334

00:12:02,949 --> 00:12:02,000

really modern take on but the exact same

335

00:12:05,750 --> 00:12:02,959

system

336

00:12:06,710 --> 00:12:05,760

it kind of is this is damn exciting

337

00:12:08,150 --> 00:12:06,720

stuff

338

00:12:11,910 --> 00:12:08,160

that clips from it today that clip is

339

00:12:14,790 --> 00:12:13,350

uh if you need a if you need like a

340

00:12:15,990 --> 00:12:14,800

slightly this is an older story but it's

341

00:12:17,430 --> 00:12:16,000

interesting i put it in the uh in the

342

00:12:19,269 --> 00:12:17,440

character as well it's the one from the

343

00:12:20,949 --> 00:12:19,279

irish times there at the bottom which is

344

00:12:23,750 --> 00:12:20,959

kind of an interesting semi-paranormal

345

00:12:24,710 --> 00:12:23,760

story but it has a has a happy ending i

346

00:12:26,629 --> 00:12:24,720

guess

347

00:12:29,509 --> 00:12:26,639

okay not in the sense of bigfoot you

348

00:12:31,990 --> 00:12:29,519

know in knobbers but

349

00:12:35,430 --> 00:12:32,000

let's see here so this is uh titled

350

00:12:37,269 --> 00:12:35,440

voices told women she had brain tumor

351
00:12:39,269 --> 00:12:37,279
a woman was correctly told that she had

352
00:12:41,750 --> 00:12:39,279
a brain tumor by voices in her head

353
00:12:43,430 --> 00:12:41,760
doctors in britain have said the woman

354
00:12:45,829 --> 00:12:43,440
who had no previous psychological

355
00:12:47,590 --> 00:12:45,839
problems first heard a voice while at

356
00:12:50,230 --> 00:12:47,600
home reading

357
00:12:52,550 --> 00:12:50,240
whis asked her not to be afraid and said

358
00:12:53,590 --> 00:12:52,560
it was a friend and wanted to help her

359
00:12:55,910 --> 00:12:53,600
fearing

360
00:13:00,310 --> 00:12:55,920
she had gone mad she sought medical help

361
00:13:02,550 --> 00:13:00,320
consul a consultant psychiatrist

362
00:13:04,629 --> 00:13:02,560
wrote about his treatment of the woman

363
00:13:07,750 --> 00:13:04,639

in the british medical journal

364

00:13:09,910 --> 00:13:07,760

he said she appeared to be cured after

365

00:13:11,509 --> 00:13:09,920

receiving counseling and medication but

366

00:13:13,990 --> 00:13:11,519

while on holiday

367

00:13:16,550 --> 00:13:14,000

her hallucinations returned this time

368

00:13:18,550 --> 00:13:16,560

there were two voices they told her to

369

00:13:20,310 --> 00:13:18,560

return to england immediately because

370

00:13:22,949 --> 00:13:20,320

there was something wrong with her back

371

00:13:24,069 --> 00:13:22,959

in london the voices gave her an address

372

00:13:26,310 --> 00:13:24,079

to go to

373

00:13:27,750 --> 00:13:26,320

and uh the brain scan department of a

374

00:13:30,389 --> 00:13:27,760

large london hospital the woman

375

00:13:32,310 --> 00:13:30,399

persuaded her husband to drive her there

376

00:13:35,590 --> 00:13:32,320

the brain tumor brain tumor was

377

00:13:38,550 --> 00:13:35,600

discovered uh which was dually removed

378

00:13:41,030 --> 00:13:38,560

after which she made a full recovery

379

00:13:43,430 --> 00:13:41,040

as she regained consciousness after the

380

00:13:45,509 --> 00:13:43,440

operation she heard the voices for a

381

00:13:48,069 --> 00:13:45,519

final time they told her we are pleased

382

00:13:51,430 --> 00:13:48,079

to have helped you goodbye that's

383

00:13:56,470 --> 00:13:51,440

[h__\h] good news that's good news

384

00:14:02,230 --> 00:13:59,829

this is from the irish times my friend

385

00:14:03,829 --> 00:14:02,240

that'll be lying over there at the irish

386

00:14:05,030 --> 00:14:03,839

times oh no

387

00:14:08,069 --> 00:14:05,040

i think it was a bunch of kids from

388

00:14:10,310 --> 00:14:08,079

caltech playing a prank on her but still

389

00:14:12,230 --> 00:14:10,320

well regardless if it was somebody that

390

00:14:14,870 --> 00:14:12,240

had some piece of technology shooting

391

00:14:17,430 --> 00:14:14,880

beams of sound into her head they knew

392

00:14:18,629 --> 00:14:17,440

she had a brain tumor havana syndrome

393

00:14:20,470 --> 00:14:18,639

something

394

00:14:23,990 --> 00:14:20,480

when was the story from this is from

395

00:14:27,910 --> 00:14:26,550

uh i like this kind of story i like the

396

00:14:28,829 --> 00:14:27,920

fact that they gave her an actual street

397

00:14:30,710 --> 00:14:28,839

address

398

00:14:32,790 --> 00:14:30,720

yeah like they didn't go they didn't say

399

00:14:34,550 --> 00:14:32,800

go see a doctor or go to the hospital or

400

00:14:37,030 --> 00:14:34,560

go to surgery they just said

401
00:14:39,990 --> 00:14:37,040
go to this address and tell them you

402
00:14:42,310 --> 00:14:40,000
have a brain tumor yeah

403
00:14:44,629 --> 00:14:42,320
that is fascinating

404
00:14:47,670 --> 00:14:44,639
and then they they chimed so

405
00:14:48,550 --> 00:14:47,680
after the tumor was removed

406
00:14:50,550 --> 00:14:48,560
uh

407
00:14:52,790 --> 00:14:50,560
they chimed in again and they said well

408
00:14:54,629 --> 00:14:52,800
uh goodbye you know we're pleased that

409
00:14:56,790 --> 00:14:54,639
yeah you did the right thing here and

410
00:14:58,949 --> 00:14:56,800
we'll maybe talk to you later meaning

411
00:15:01,829 --> 00:14:58,959
that the the tumor

412
00:15:03,670 --> 00:15:01,839
was not was not producing the voices you

413
00:15:05,829 --> 00:15:03,680

know what i'm saying so the tumor was

414

00:15:06,870 --> 00:15:05,839

not applying pressure to the brain

415

00:15:09,269 --> 00:15:06,880

um

416

00:15:10,790 --> 00:15:09,279

causing maybe auditory hallucinations

417

00:15:13,910 --> 00:15:10,800

the tumor was removed and then the

418

00:15:14,790 --> 00:15:13,920

voices chimed in again saying you're all

419

00:15:17,590 --> 00:15:14,800

good

420

00:15:19,430 --> 00:15:17,600

and uh we'll see you later you know

421

00:15:20,949 --> 00:15:19,440

that's it i'm done today could the

422

00:15:22,710 --> 00:15:20,959

voices have been like the parent

423

00:15:24,629 --> 00:15:22,720

paranormal mobsters who were gonna do

424

00:15:26,470 --> 00:15:24,639

her a favor and then they could reach

425

00:15:28,790 --> 00:15:26,480

out to her again when they when they

426

00:15:30,150 --> 00:15:28,800

need her to do something for them

427

00:15:31,509 --> 00:15:30,160

yeah we got rid of that tumor we're

428

00:15:33,590 --> 00:15:31,519

gonna need you to uh

429

00:15:35,430 --> 00:15:33,600

drive this delivery truck to this bank

430

00:15:37,189 --> 00:15:35,440

in las vegas don't ask questions listen

431

00:15:39,110 --> 00:15:37,199

i'm gonna give you an address you're

432

00:15:40,870 --> 00:15:39,120

gonna go there you're not gonna ask any

433

00:15:42,389 --> 00:15:40,880

questions you're going to talk to tommy

434

00:15:44,069 --> 00:15:42,399

he's going to give you a bag you're

435

00:15:45,590 --> 00:15:44,079

going to go to a bush

436

00:15:47,590 --> 00:15:45,600

and you're going to put the bag in the

437

00:15:49,670 --> 00:15:47,600

bush all right

438

00:15:50,790 --> 00:15:49,680

439

00:15:52,069 --> 00:15:50,800

also you have a tumor you might want to

440

00:15:53,829 --> 00:15:52,079

get that checked out

441

00:15:54,870 --> 00:15:53,839

here's the address of my doctor here's

442

00:15:56,150 --> 00:15:54,880

the address

443

00:15:58,629 --> 00:15:56,160

he's a good guy

444

00:16:00,310 --> 00:15:58,639

dr vinnie boombotz all right

445

00:16:01,590 --> 00:16:00,320

and that guy was told

446

00:16:03,590 --> 00:16:01,600

a woman's going to show up she's going

447

00:16:05,670 --> 00:16:03,600
