

EINSTEIN AT ROSWELL

1
00:00:00,270 --> 00:00:06,470

[Applause]

2
00:00:09,910 --> 00:00:08,549

i got one here and i hadn't heard this

3
00:00:12,870 --> 00:00:09,920

before

4
00:00:13,990 --> 00:00:12,880

so uh you guys let me know if this is

5
00:00:15,829 --> 00:00:14,000

something that

6
00:00:17,990 --> 00:00:15,839

is in your wheelhouse but i haven't

7
00:00:21,269 --> 00:00:18,000

heard this before but this headline says

8
00:00:26,150 --> 00:00:21,279

albert einstein was flown to u.s to look

9
00:00:30,790 --> 00:00:28,550

albert einstein was flown to america to

10
00:00:33,030 --> 00:00:30,800

observe the bodies of dead aliens it has

11
00:00:34,870 --> 00:00:33,040

been claimed recently emerged taped

12
00:00:37,350 --> 00:00:34,880

conversations say

13
00:00:39,830 --> 00:00:37,360

the uk based genius

14

00:00:42,229 --> 00:00:39,840

was flown by top secret agents to

15

00:00:44,709 --> 00:00:42,239

roswell in new mexico back in 1947 to

16

00:00:47,990 --> 00:00:44,719

examine the debris of a crashed ufo

17

00:00:50,150 --> 00:00:48,000

complete with the aliens inside the out

18

00:00:52,310 --> 00:00:50,160

of this out of world

19

00:00:54,950 --> 00:00:52,320

the out of this world claim states that

20

00:00:55,910 --> 00:00:54,960

einstein and his assistant dr shirley

21

00:00:57,990 --> 00:00:55,920

wright

22

00:01:00,069 --> 00:00:58,000

were flown to the site under government

23

00:01:03,029 --> 00:01:00,079

direction to examine the bodies of the

24

00:01:03,990 --> 00:01:03,039

crash site and the extraterrestrial

25

00:01:06,230 --> 00:01:04,000

vehicle

26

00:01:08,870 --> 00:01:06,240

audiophiles have since surfaced uh

27

00:01:10,870 --> 00:01:08,880

featuring interview with shirley who

28

00:01:13,670 --> 00:01:10,880

said in the tapes that she felt an

29

00:01:15,590 --> 00:01:13,680

obligation to history to reveal the

30

00:01:17,670 --> 00:01:15,600

truth

31

00:01:19,109 --> 00:01:17,680

uh see here

32

00:01:20,950 --> 00:01:19,119

she said the

33

00:01:22,789 --> 00:01:20,960

that einstein the most renowned

34

00:01:25,109 --> 00:01:22,799

theoretical physicist of the 20th

35

00:01:27,270 --> 00:01:25,119

century who proved the existence of

36

00:01:30,870 --> 00:01:27,280

atoms and molecules was asked to attend

37

00:01:33,990 --> 00:01:30,880

the site in july of 1947 to give his

38

00:01:36,069 --> 00:01:34,000

expert take on the matter like what like

39

00:01:37,429 --> 00:01:36,079

it's like the military found aliens and

40

00:01:39,429 --> 00:01:37,439

they're gonna find einstein just to

41

00:01:42,630 --> 00:01:39,439

confirm that they're aliens i i would

42

00:01:44,230 --> 00:01:42,640

really like to know his insight on this

43

00:01:46,630 --> 00:01:44,240

like uh

44

00:01:49,109 --> 00:01:46,640

is there any greater insight here like

45

00:01:52,710 --> 00:01:49,119

i want to see this okay

46

00:01:55,429 --> 00:01:52,720

dr wright recorded the account in 1993

47

00:01:57,350 --> 00:01:55,439

but only now has been made public with

48

00:01:59,670 --> 00:01:57,360

the tapes she says uh herself and

49

00:02:01,830 --> 00:01:59,680

einstein were asked to attend the crisis

50

00:02:04,149 --> 00:02:01,840

conference which took place

51
00:02:06,550 --> 00:02:04,159
at an air base with other military and

52
00:02:08,710 --> 00:02:06,560
scientists in attendance she said they

53
00:02:11,110 --> 00:02:08,720
were shown an alien aircraft

54
00:02:14,470 --> 00:02:11,120
it was a disc shaped it was this shaped

55
00:02:15,350 --> 00:02:14,480
sort of concave its size stood up to one

56
00:02:17,270 --> 00:02:15,360
uh

57
00:02:20,790 --> 00:02:17,280
is its size

58
00:02:23,670 --> 00:02:20,800
stood up to one of one fourth of the

59
00:02:26,309 --> 00:02:23,680
hangar floor the craft appeared damaged

60
00:02:28,630 --> 00:02:26,319
on one side

61
00:02:31,350 --> 00:02:28,640
the body of the ship was what i could

62
00:02:33,110 --> 00:02:31,360
call a rather reflective material but

63
00:02:35,830 --> 00:02:33,120

when you got up close to it it was

64

00:02:38,949 --> 00:02:35,840

rather dull einstein was not disturbed

65

00:02:42,070 --> 00:02:38,959

at all by seeing the actual evidence i

66

00:02:43,190 --> 00:02:42,080

didn't record in my notes his initial

67

00:02:44,790 --> 00:02:43,200

comments

68

00:02:47,110 --> 00:02:44,800

but he said something to the effect that

69

00:02:49,910 --> 00:02:47,120

he was not surprised that they came to

70

00:02:52,150 --> 00:02:49,920

earth and it gave him hope that we could

71

00:02:54,790 --> 00:02:52,160

learn more about the universe contact he

72

00:02:57,270 --> 00:02:54,800

said should be a benefit for both our

73

00:03:00,070 --> 00:02:57,280

worlds she went on to explain

74

00:03:01,190 --> 00:03:00,080

how they had seen the aliens themselves

75

00:03:03,350 --> 00:03:01,200

she said

76

00:03:06,790 --> 00:03:03,360

some of the specialists were were

77

00:03:09,830 --> 00:03:06,800

allowed closer looks including my boss

78

00:03:11,350 --> 00:03:09,840

to me they all looked alike all five of

79

00:03:13,190 --> 00:03:11,360

them

80

00:03:15,910 --> 00:03:13,200

they were about five feet tall without

81

00:03:18,390 --> 00:03:15,920

hair with big heads and enormous dark

82

00:03:21,589 --> 00:03:18,400

eyes with their skin their skin was

83

00:03:23,990 --> 00:03:21,599

gray with a slight greenish tint

84

00:03:25,110 --> 00:03:24,000

uh a greenish tinge

85

00:03:26,949 --> 00:03:25,120

what's that

86

00:03:29,589 --> 00:03:26,959

green skin you're right green skin and

87

00:03:31,670 --> 00:03:29,599

it was great too it's green gray skin

88

00:03:33,670 --> 00:03:31,680

all the all the skin colors that we love

89

00:03:35,670 --> 00:03:33,680

all the green balls you're looking at a

90

00:03:37,750 --> 00:03:35,680

freaking little green man folks yeah he

91

00:03:41,030 --> 00:03:37,760

had green skin

92

00:03:43,030 --> 00:03:41,040

uh so they ain't balls

93

00:03:44,630 --> 00:03:43,040

well you the guy

94

00:03:45,910 --> 00:03:44,640

einstein returns to new jersey that's

95

00:03:47,430 --> 00:03:45,920

the first thing that he says when

96

00:03:49,830 --> 00:03:47,440

they're like what do you see like

97

00:03:50,710 --> 00:03:49,840

green balls

98

00:03:53,670 --> 00:03:50,720

it was

99

00:03:57,509 --> 00:03:53,680

nuts uh they had uh their skin was green

100

00:03:59,589 --> 00:03:57,519

with a gray with a slight greenish tinge

101
00:04:01,350 --> 00:03:59,599
but for the most part their bodies were

102
00:04:03,830 --> 00:04:01,360
not exposed being dressed in

103
00:04:06,869 --> 00:04:03,840
tight-fitting suits but i

104
00:04:09,750 --> 00:04:06,879
but i heard they had no navels or

105
00:04:13,190 --> 00:04:09,760
genitalia so they didn't have any uh

106
00:04:14,309 --> 00:04:13,200
green balls they had green balls

107
00:04:15,910 --> 00:04:14,319
you just said they were dressed in

108
00:04:17,830 --> 00:04:15,920
tight-fitting suits i assume the bright

109
00:04:19,030 --> 00:04:17,840
silver ones we always see yeah

110
00:04:20,629 --> 00:04:19,040
then immediately they don't have any

111
00:04:22,230 --> 00:04:20,639
navels or genitalia which means did you

112
00:04:23,830 --> 00:04:22,240
unzip because

113
00:04:25,909 --> 00:04:23,840

that's the first thing i do hey check

114

00:04:27,189 --> 00:04:25,919

out that thing's package yes that's the

115

00:04:31,030 --> 00:04:27,199

first thing

116

00:04:37,670 --> 00:04:34,710

uh she then said there was another trip

117

00:04:40,150 --> 00:04:37,680

where an alien was still alive and seen

118

00:04:41,430 --> 00:04:40,160

writhing around in pain but she was

119

00:04:43,510 --> 00:04:41,440

escorted from the building while

120

00:04:46,230 --> 00:04:43,520

einstein who had the correct clearance

121

00:04:49,430 --> 00:04:46,240

was allowed to stay dr wright said she

122

00:04:52,469 --> 00:04:49,440

was sworn to secrecy and told the

123

00:04:54,629 --> 00:04:52,479

was told the visit would be denied by

124

00:04:57,990 --> 00:04:54,639

all official channels if she did speak

125

00:04:59,670 --> 00:04:58,000

out the albert einstein foundation said

126
00:05:02,150 --> 00:04:59,680
they have no records of einstein's

127
00:05:03,029 --> 00:05:02,160
whereabouts on this date

128
00:05:04,550 --> 00:05:03,039
okay

129
00:05:06,710 --> 00:05:04,560
that's right sounds like he was

130
00:05:08,150 --> 00:05:06,720
interrogating a

131
00:05:10,629 --> 00:05:08,160
alien that wasn't writhing around in

132
00:05:13,110 --> 00:05:10,639
pain asking where his balls went

133
00:05:15,110 --> 00:05:13,120
so is was einstein in the room asking

134
00:05:17,830 --> 00:05:15,120
questions or was he there like stripped

135
00:05:19,990 --> 00:05:17,840
down to to his undershirt his hands are

136
00:05:21,029 --> 00:05:20,000
all bloody his knuckles are all raw and

137
00:05:22,230 --> 00:05:21,039
he's you know

138
00:05:24,790 --> 00:05:22,240

sweaty and everything as he's been

139

00:05:25,510 --> 00:05:24,800

working this alien over i mean yeah

140

00:05:27,749 --> 00:05:25,520

we're

141

00:05:29,909 --> 00:05:27,759

like oh my god i can't fit in his balls

142

00:05:31,270 --> 00:05:29,919

i've looked all over his body einstein

143

00:05:32,550 --> 00:05:31,280

go in there and punch that guy a few

144

00:05:35,270 --> 00:05:32,560

times see if you can get anything out of

145

00:05:40,390 --> 00:05:38,629

slam his uh his balls in uh a door if

146

00:05:44,070 --> 00:05:40,400

you can please

147

00:05:46,629 --> 00:05:45,029

all the way through the story it's

148

00:05:48,150 --> 00:05:46,639

implicit they brought einstein in for

149

00:05:49,270 --> 00:05:48,160

his intellect to be like hey let's see

150

00:05:50,390 --> 00:05:49,280

what the smartest guy in the world

151

00:05:51,830 --> 00:05:50,400

thinks of this

152

00:05:53,830 --> 00:05:51,840

maybe he's just really good at like

153

00:05:55,909 --> 00:05:53,840

interrogations yeah good cop bad cop

154

00:05:57,830 --> 00:05:55,919

he's the bad guy bad cop he shows up and

155

00:05:59,189 --> 00:05:57,840

like takes off his coat hangs it on the

156

00:06:00,469 --> 00:05:59,199

door and just starts you know cracking

157

00:06:01,670 --> 00:06:00,479

his knuckles and rolling up his sleeves

158

00:06:02,950 --> 00:06:01,680

and then there's they shut the door and

159

00:06:04,790 --> 00:06:02,960

there's just a bunch of

160

00:06:06,070 --> 00:06:04,800

[h__\h] piece of [h__\h]

161

00:06:08,150 --> 00:06:06,080

he goes in there and just starts

162

00:06:10,390 --> 00:06:08,160

blasting the aliens across the face how

163

00:06:12,950 --> 00:06:10,400

do you make an atomic bomb you [h__h]

164

00:06:17,350 --> 00:06:12,960

goddamn [h__h]

165

00:06:21,189 --> 00:06:19,110

i killed number four bringing number

166

00:06:23,029 --> 00:06:21,199

five

167

00:06:26,950 --> 00:06:23,039

careful with this one it's our last one

168

00:06:26,960 --> 00:06:30,870

how you cut his balls off damn it

169

00:06:33,990 --> 00:06:31,909

uh

170

00:06:36,950 --> 00:06:34,000

i mean maybe einstein's just a tough ass

171

00:06:39,110 --> 00:06:36,960

guy and admit they brought him in

172

00:06:40,230 --> 00:06:39,120

in addition to his astounding uh

173

00:06:41,270 --> 00:06:40,240

intellect

174

00:06:43,110 --> 00:06:41,280

uh

175

00:06:45,029 --> 00:06:43,120

he's a he's great

176

00:06:46,550 --> 00:06:45,039

so

177

00:06:49,029 --> 00:06:46,560

well i mean

178

00:06:51,589 --> 00:06:49,039

this is interesting i i wish she would

179

00:06:52,550 --> 00:06:51,599

have taken notes as soon as this was

180

00:06:54,230 --> 00:06:52,560

done

181

00:06:55,510 --> 00:06:54,240

but she said she didn't she didn't uh

182

00:06:56,790 --> 00:06:55,520

take any notes

183

00:06:57,120 --> 00:06:56,800

about this uh

184

00:06:58,469 --> 00:06:57,130

so

185

00:07:01,270 --> 00:06:58,479

[Music]

186

00:07:02,790 --> 00:07:01,280

but at least it was recorded in 1993

187

00:07:05,189 --> 00:07:02,800

uh it would make sense they want they

188

00:07:06,790 --> 00:07:05,199

would want to assemble the top minds of

189

00:07:08,230 --> 00:07:06,800

the time to come in and give their take

190

00:07:09,189 --> 00:07:08,240

about what's going on but at the same

191

00:07:12,150 --> 00:07:09,199

time

192

00:07:14,309 --> 00:07:12,160

the military if this was an a crashed

193

00:07:15,990 --> 00:07:14,319

alien kind of thing they knew they had

194

00:07:17,350 --> 00:07:16,000

something extraterrestrial or

195

00:07:20,230 --> 00:07:17,360

interdimensional

196

00:07:23,589 --> 00:07:20,240

and so why bring in einstein on this

197

00:07:26,629 --> 00:07:23,599

they probably want to keep it hush-hush

198

00:07:28,390 --> 00:07:26,639

or maybe it was just a big psyop

199

00:07:30,790 --> 00:07:28,400

you can take that angle too this was all

200

00:07:32,070 --> 00:07:30,800

a big psyop and they just wanted to see

201

00:07:35,430 --> 00:07:32,080

if they could fool the best and

202

00:07:37,430 --> 00:07:35,440

brightest of uh the time

203

00:07:39,589 --> 00:07:37,440

well on the other hand to just throw out

204

00:07:41,670 --> 00:07:39,599

this one for occam's razor

205

00:07:43,430 --> 00:07:41,680

einstein studied in germany before he

206

00:07:45,110 --> 00:07:43,440

came to the u.s and

207

00:07:47,670 --> 00:07:45,120

for for a while there was talk about uh

208

00:07:48,710 --> 00:07:47,680

you know the um uh what's the the bell

209

00:07:50,550 --> 00:07:48,720

uh

210

00:07:51,909 --> 00:07:50,560

yeah the nazi belt yeah

211

00:07:53,189 --> 00:07:51,919

so maybe they thought this was that same

212

00:07:54,869 --> 00:07:53,199

sort of thing and this would be like hey

213

00:07:56,309 --> 00:07:54,879

could this have been some sort of german

214

00:07:58,150 --> 00:07:56,319

technology because if you recall there

215

00:07:59,430 --> 00:07:58,160

was that one story of these weren't

216

00:08:01,110 --> 00:07:59,440

aliens that crashed they were like

217

00:08:03,670 --> 00:08:01,120

horribly disfigured and triple little

218

00:08:05,589 --> 00:08:03,680

german people that crashed in a uh and

219

00:08:07,830 --> 00:08:05,599

like a nazi bell so

220

00:08:10,230 --> 00:08:07,840

i i think they just brought in einstein

221

00:08:12,950 --> 00:08:10,240

to interrogate the aliens hey i'm here

222

00:08:15,589 --> 00:08:12,960

to chop your balls off

223

00:08:17,270 --> 00:08:15,599

he comes in with like just a um a tool

224

00:08:19,189 --> 00:08:17,280

roll and start like a wrench on doing it

225

00:08:22,150 --> 00:08:19,199

it's just a bunch of knives and things

226

00:08:24,390 --> 00:08:22,160

yeah that little thing that you put on

227

00:08:32,490 --> 00:08:24,400

the testicles like goats they castrate

228

00:08:35,909 --> 00:08:34,230

[Music]

229

00:08:37,829 --> 00:08:35,919

comes in with a set of tools a car

230

00:08:39,430 --> 00:08:37,839

battery so he's taking his uh his jacket

231

00:08:40,469 --> 00:08:39,440

off rolling up his sleeves this isn't

232

00:08:42,230 --> 00:08:40,479

going to go well so you're going to want

233

00:08:43,350 --> 00:08:42,240

to you want a high-powered uppercut

234

00:08:46,150 --> 00:08:43,360

right up beside your head you're about

235

00:08:51,030 --> 00:08:48,710

oh boy well there's uh

236

00:08:52,550 --> 00:08:51,040

einstein einstein and et's i had not

237

00:08:54,949 --> 00:08:52,560

heard of this one

238

00:08:56,150 --> 00:08:54,959

uh but uh fascinating nonetheless it

239

00:08:58,070 --> 00:08:56,160

would make an interesting little

240

00:08:59,670 --> 00:08:58,080

vignette or something in a in a longer

241

00:09:01,030 --> 00:08:59,680

story because

242

00:09:02,550 --> 00:09:01,040

they'd have to have done this right i

243

00:09:04,389 --> 00:09:02,560

mean if there was a crash at roswell and

244

00:09:05,829 --> 00:09:04,399

they were investigating we have photos

245

00:09:07,350 --> 00:09:05,839

of the the guys from the army air corps

246

00:09:08,949 --> 00:09:07,360

holding up all this stuff you would

247

00:09:11,750 --> 00:09:08,959

think they would reach out to every

248

00:09:13,590 --> 00:09:11,760

scientific expert they they they had you

249

00:09:15,030 --> 00:09:13,600

know available one of whom would be

250

00:09:17,430 --> 00:09:15,040

einstein

251
00:09:20,070 --> 00:09:17,440
so yeah why not

252
00:09:21,870 --> 00:09:20,080
was tesla still alive at this time

253
00:09:24,150 --> 00:09:21,880
what was he here again

254
00:09:26,310 --> 00:09:24,160
1947. pro i don't think so that's

255
00:09:28,870 --> 00:09:26,320
nothing in their early 40s and like

256
00:09:30,470 --> 00:09:28,880
penniless in new york somewhere um

257
00:09:31,509 --> 00:09:30,480
oh yeah they took all of his stuff and

258
00:09:33,350 --> 00:09:31,519
then they

259
00:09:36,310 --> 00:09:33,360
did trump's uncle remember that right

260
00:09:38,310 --> 00:09:36,320
they got a time machine and i can't

261
00:09:39,910 --> 00:09:38,320
remember i think it went back into uh

262
00:09:42,790 --> 00:09:39,920
january 43.

263
00:09:46,230 --> 00:09:42,800

he died oh okay that's too bad he didn't

264

00:09:48,870 --> 00:09:46,240

get a chance to stick around to see this

265

00:09:51,350 --> 00:09:48,880

oh boy well we'll we'll move on that was

266

00:09:53,590 --> 00:09:51,360

a fun little uh story there you got you

267

00:09:56,230 --> 00:09:53,600

got ufo stories up there gretchen i have

268

00:10:01,430 --> 00:09:56,240

one ufo story

269

00:10:04,630 --> 00:10:03,269

well we'll do this next one then we'll

270

00:10:06,230 --> 00:10:04,640

open the phone lines and then i want to

271

00:10:08,150 --> 00:10:06,240

talk about asteroids a little bit

272

00:10:09,509 --> 00:10:08,160

asteroid so this one comes uh this is

273

00:10:11,190 --> 00:10:09,519

comes from credit from herman from

274

00:10:12,790 --> 00:10:11,200

holland who found it

275

00:10:16,949 --> 00:10:12,800

double h

276

00:10:18,870 --> 00:10:16,959

there we go into the carrot shop and

277

00:10:20,470 --> 00:10:18,880

this there is a uh there's video with

278

00:10:22,150 --> 00:10:20,480

this in fact

279

00:10:23,430 --> 00:10:22,160

okay and that's from uh from two days

280

00:10:25,030 --> 00:10:23,440

ago three days ago

281

00:10:27,670 --> 00:10:25,040

okay this uh

282

00:10:29,350 --> 00:10:27,680

new jersey i think this is uh what we're

283

00:10:31,110 --> 00:10:29,360

looking at here right

284

00:10:33,350 --> 00:10:31,120

i think so

285

00:10:35,350 --> 00:10:33,360

oh yeah this is a pretty

286

00:10:37,670 --> 00:10:35,360

pretty new stuff so this year let's go

287

00:10:39,269 --> 00:10:37,680

over here i'll bring it up on screen i'm

288

00:10:41,269 --> 00:10:39,279

sure there's

289

00:10:45,590 --> 00:10:41,279

some sort of audio here that we can play

290

00:10:49,430 --> 00:10:47,590

a enjoy of lights over patterson new

291

00:10:51,509 --> 00:10:49,440

jersey on monday night caused a bit of a

292

00:10:53,910 --> 00:10:51,519

stir with residents on the ground all

293

00:10:57,590 --> 00:10:53,920

trying to make sense of the unidentified

294

00:11:01,030 --> 00:10:59,350

louis stevens who was on the ground i

295

00:11:02,790 --> 00:11:01,040

gotta get the raw audio optical says he

296

00:11:05,110 --> 00:11:02,800

lost count of what he called flying

297

00:11:08,710 --> 00:11:05,120

white circles that he says morphed into

298

00:11:10,870 --> 00:11:08,720

different shapes you see it on youtube

299

00:11:13,590 --> 00:11:10,880

it's always somewhere out in nevada

300

00:11:15,750 --> 00:11:13,600

desert somewhere the shark was more like

301
00:11:17,190 --> 00:11:15,760
is this really real like are we really

302
00:11:17,829 --> 00:11:17,200
looking at what we think we're looking

303
00:11:19,750 --> 00:11:17,839
at

304
00:11:21,430 --> 00:11:19,760
headed toward those mysterious lights

305
00:11:23,030 --> 00:11:21,440
dazzled the skies over downtown

306
00:11:25,110 --> 00:11:23,040
patterson for more than five minutes

307
00:11:27,269 --> 00:11:25,120
stephen said ending their run over

308
00:11:29,509 --> 00:11:27,279
nearby garrett mountain pix 11 avenue

309
00:11:31,590 --> 00:11:29,519
sent the video to the federal aviation

310
00:11:33,829 --> 00:11:31,600
administration where an official

311
00:11:36,470 --> 00:11:33,839
reviewed it checking in with local air

312
00:11:38,630 --> 00:11:36,480
traffic we were told nothing unusual was

313
00:11:40,630 --> 00:11:38,640

reported while theories on the ground

314

00:11:42,470 --> 00:11:40,640

are now running rampant especially after

315

00:11:44,550 --> 00:11:42,480

a government report released over the

316

00:11:46,310 --> 00:11:44,560

summer acknowledged that intelligence

317

00:11:48,949 --> 00:11:46,320

officials cannot explain such

318

00:11:52,520 --> 00:11:48,959

sophisticated movements in the skies one

319

00:11:53,750 --> 00:11:52,530

likely premise leans more toward drones

320

00:11:55,910 --> 00:11:53,760

[Music]

321

00:11:58,230 --> 00:11:55,920

kind of puzzled victor chu the founder

322

00:12:01,030 --> 00:11:58,240

director and executive producer of sky

323

00:12:02,629 --> 00:12:01,040

tech 1 a drone-based photography company

324

00:12:05,030 --> 00:12:02,639

behind numerous award-winning

325

00:12:06,949 --> 00:12:05,040

productions says based on his knowledge

326

00:12:09,030 --> 00:12:06,959

it appears the flying objects were part

327

00:12:11,030 --> 00:12:09,040

of a drone lighting show practice

328

00:12:13,110 --> 00:12:11,040

session that went wrong if you look at a

329

00:12:15,190 --> 00:12:13,120

light show they're all synced together

330

00:12:17,190 --> 00:12:15,200

and they're controlled by a computer and

331

00:12:19,110 --> 00:12:17,200

if you look at the video you'll see that

332

00:12:21,110 --> 00:12:19,120

they're maintaining a formation for the

333

00:12:24,790 --> 00:12:21,120

most part even though it was kind of

334

00:12:26,310 --> 00:12:24,800

scrambled a little bit

335

00:12:28,870 --> 00:12:26,320

whether they were drones or some

336

00:12:30,790 --> 00:12:28,880

supernatural phenomena remains unclear

337

00:12:33,110 --> 00:12:30,800

officials are urging members of the

338

00:12:35,910 --> 00:12:33,120

public who do see this type of activity

339

00:12:38,470 --> 00:12:35,920

to report it to the national ufo

340

00:12:40,870 --> 00:12:38,480

reporting center or if they feel their

341

00:12:44,230 --> 00:12:40,880

life or property are in danger to call

342

00:12:46,710 --> 00:12:44,240

police in paterson i'm andrew ramos pix

343

00:12:48,949 --> 00:12:46,720

11 news we're going to call the aquarium

344

00:12:51,509 --> 00:12:48,959

or something dude

345

00:12:52,470 --> 00:12:51,519

wait so he said call the national ufo

346

00:12:54,150 --> 00:12:52,480

whatever

347

00:12:56,629 --> 00:12:54,160

who the hell is this now

348

00:12:58,069 --> 00:12:56,639

that uh what what was that i yeah you

349

00:13:00,069 --> 00:12:58,079

know that's a good question what was the

350

00:13:02,310 --> 00:13:00,079

national ufo rep

351

00:13:04,150 --> 00:13:02,320

database is that what he said no you

352

00:13:10,310 --> 00:13:04,160

don't call it database i call it the

353

00:13:15,750 --> 00:13:12,870

ufo reporting center or if they feel

354

00:13:17,269 --> 00:13:15,760

their life or problem the national ufo

355

00:13:20,389 --> 00:13:17,279

reporting center does that just ring

356

00:13:22,150 --> 00:13:20,399

like on your desk

357

00:13:24,150 --> 00:13:22,160

what do you mean i mean you just pick it

358

00:13:25,990 --> 00:13:24,160

up you're just like i'm the person yeah

359

00:13:27,269 --> 00:13:26,000

midnight mike also national ufo

360

00:13:28,470 --> 00:13:27,279

reporting center

361

00:13:31,629 --> 00:13:28,480

yeah

362

00:13:35,190 --> 00:13:31,639

uh no i don't get those calls

363

00:13:36,790 --> 00:13:35,200

n-u-f-o-r-c dot org apparently

364

00:13:38,310 --> 00:13:36,800

national ufo i haven't ever heard of

365

00:13:40,150 --> 00:13:38,320

this group

366

00:13:41,590 --> 00:13:40,160

if i have i blocked it out of my memory

367

00:13:42,790 --> 00:13:41,600

yeah

368

00:13:43,670 --> 00:13:42,800

and

369

00:13:45,910 --> 00:13:43,680

never

370

00:13:48,629 --> 00:13:45,920

didn't really bring uh

371

00:13:50,790 --> 00:13:48,639

i don't know they come to earth hey but

372

00:13:52,870 --> 00:13:50,800

they have a hotline do they really oh

373

00:13:54,310 --> 00:13:52,880

yeah i gotta call that hotline use only

374

00:13:57,430 --> 00:13:54,320

if the sighting has occurred in the last

375
