4  
00:00:16,870 --> 00:00:14,639  
this is uh going to be very uplifting

5  
00:00:18,950 --> 00:00:16,880  
and a very positive thing when it comes

6  
00:00:20,150 --> 00:00:18,960  
to role models and

7  
00:00:21,429 --> 00:00:20,160  
everything you want you can achieve in

8  
00:00:23,910 --> 00:00:21,439  
life

9  
00:00:26,630 --> 00:00:23,920

and spends ten thousand pounds making

13  
00:00:34,389 --> 00:00:32,880

his home

14

00:00:36,870 --> 00:00:34,399

a shrine

15

00:00:39,670 --> 00:00:36,880

21

00:00:54,790 --> 00:00:52,320

orange boots with high heels he's

22

00:00:59,349 --> 00:00:54,800

sitting on an inflatable orange

23

00:01:02,630 --> 00:00:59,359

24

00:01:04,070 --> 00:01:02,640

25

00:01:07,350 --> 00:01:04,080

all over

26

00:01:10,390 --> 00:01:07,360

his house i mean look at that face

27

00:01:13,510 --> 00:01:10,400

uh yes uh the man whose real name is now

28

00:01:15,510 --> 00:01:13,520

captain beanie spent ten thousand pounds

29

00:01:17,109 --> 00:01:15,520

turning his home into a shrine to bake

30

00:01:20,550 --> 00:01:17,119

beans the

31

00:01:22,550 --> 00:01:20,560

67 year old known as barry kirk until he

32

00:01:25,910 --> 00:01:22,560

changed his name recently

33

00:01:28,230 --> 00:01:25,920

by deed in 1991 has painted his walls

34

00:01:30,310 --> 00:01:28,240

orange stuck hines beans label onto

35

00:01:33,109 --> 00:01:30,320

almost every surface of his house even

36

00:01:35,429 --> 00:01:33,119

created a beans themed christmas tree

37

00:01:37,350 --> 00:01:35,439

you hear about that one a beansteam

38

00:01:38,830 --> 00:01:37,360

christmas tree that's some good news on

39

00:01:41,990 --> 00:01:38,840

that front it

40

00:01:45,030 --> 00:01:42,000

is he also recently showcased his bean

41

00:01:48,149 --> 00:01:45,040

themed coffin on instagram complete with

42

00:01:49,830 --> 00:01:48,159

heinz labels that reads rip

43

00:01:50,870 --> 00:01:49,840

captain beanie so he's going to get

44

00:01:52,149 --> 00:01:50,880

buried

45

00:01:55,109 --> 00:01:52,159

in

46

00:01:57,350 --> 00:01:55,119

uh a bean casket actually mike if you if

47

00:01:59,830 --> 00:01:57,360

you look closely at that second photo it

48

00:02:01,109 --> 00:01:59,840

the uh the the the tombstone actually

49

00:02:03,190 --> 00:02:01,119

says rib

50

00:02:05,990 --> 00:02:03,200

as in rest in beans

51

00:02:07,670 --> 00:02:06,000

oh my bad rib no

52

00:02:09,270 --> 00:02:07,680

the story from daily star is incorrect

53

00:02:11,110 --> 00:02:09,280

it does say rip so you got that correct

54

00:02:13,270 --> 00:02:11,120

but the if you look in that photo you

55

00:02:15,670 --> 00:02:13,280

can see it's actually rest in beans not

56

00:02:17,990 --> 00:02:15,680

rest in peace oh okay well this is

57

00:02:20,550 --> 00:02:18,000

fantastic disgusting this is fantastic

58

00:02:22,550 --> 00:02:20,560

that's a huge piece of news it is thanks

59

00:02:24,790 --> 00:02:22,560

alex for pointing that out

60

00:02:28,150 --> 00:02:24,800

speaking to the

61

00:02:29,030 --> 00:02:28,160

owl bible captain beanie revealed that

62

00:02:33,670 --> 00:02:29,040

he

63

00:02:36,470 --> 00:02:33,680

for charity and generate

64

00:02:37,750 --> 00:02:36,480

resources

65

00:02:39,910 --> 00:02:37,760

okay

66

00:02:41,589 --> 00:02:39,920

where's your you need to buzz that and

67

00:02:43,430 --> 00:02:41,599

going to jail

68

00:02:46,790 --> 00:02:43,440

he recently competed in london's

69

00:02:48,869 --> 00:02:46,800

marathon raising money uh for young lies

70

00:02:52,470 --> 00:02:48,879

versus cancer and supported

71

00:02:55,990 --> 00:02:52,480

charity uh once more one

72

00:02:58,630 --> 00:02:56,000

once more one week later at the

73

00:03:01,750 --> 00:02:58,640

swinston's half marathon so this guy is

74

00:03:04,869 --> 00:03:01,760

running around eating beans farting and

75

00:03:06,630 --> 00:03:04,879

running marathons nonstop

76  
00:03:08,149 --> 00:03:06,640  
one of them makes him slightly faster to

77  
00:03:11,270 --> 00:03:08,159  
run the marathons i don't know like he's

78  
00:03:13,509 --> 00:03:11,280  
being propelled by his flatulence

79  
00:03:15,750 --> 00:03:13,519  
maybe or is he slowing down people

80  
00:03:19,030 --> 00:03:15,760  
behind him with some sort of toxic gas

81  
00:03:21,589 --> 00:03:19,040  
attack oh yeah like spy hunter butt yeah

82  
00:03:24,789 --> 00:03:21,599  
it is just like uh spy hunter yeah you

83  
00:03:26,789 --> 00:03:24,799  
do button yeah serial defecator

84  
00:03:28,949 --> 00:03:26,799  
dude i'll tell you what like as a runner

85  
00:03:30,390 --> 00:03:28,959  
i've run marathons half marathons i've

86  
00:03:32,949 --> 00:03:30,400  
never done iron man but i've always

87  
00:03:34,949 --> 00:03:32,959  
wanted to but uh the um

88  
00:03:36,470 --> 00:03:34,959

the poop thing is a real thing people do

89

00:03:38,229 --> 00:03:36,480

it all the time and the bloody nipples

90

00:03:40,229 --> 00:03:38,239

thing is another factor but yeah this is

91

00:03:41,670 --> 00:03:40,239

hilarious i wonder how is this becoming

92

00:03:43,110 --> 00:03:41,680

a thing now like everybody in the

93

00:03:44,710 --> 00:03:43,120

running community knows well this guy's

94

00:03:46,149 --> 00:03:44,720

eating beans like as he runs instead of

95

00:03:47,990 --> 00:03:46,159

handing him water they hand him a can of

96

00:03:52,070 --> 00:03:48,000

beans

97

00:03:55,750 --> 00:03:52,080

slugs it down

98

00:03:56,630 --> 00:03:55,760

and finish the marathon oh stay hydrated

99

00:03:58,309 --> 00:03:56,640

you do

100

00:03:59,270 --> 00:03:58,319

gives you some protein to give you some

101  
00:04:00,869 --> 00:03:59,280  
extra

102  
00:04:02,470 --> 00:04:00,879  
you know kick in your step

103  
00:04:04,869 --> 00:04:02,480  
it's got i i wonder if this guy is

104  
00:04:06,630 --> 00:04:04,879  
married is captain beanie married i

105  
00:04:11,030 --> 00:04:06,640  
don't know um so based on his first

106  
00:04:18,550 --> 00:04:13,270  
yes goal his goal is to make families

107  
00:04:22,710 --> 00:04:21,189  
my my dad used to do jesus

108  
00:04:24,150 --> 00:04:22,720  
you might know this one beans means the

109  
00:04:26,230 --> 00:04:24,160  
good for the heart the more you eat the

110  
00:04:27,270 --> 00:04:26,240  
more you fart beans means the musical

111  
00:04:29,830 --> 00:04:27,280  
fruit

112  
00:04:31,990 --> 00:04:29,840  
the more you eat the more you toot yeah

113  
00:04:33,590 --> 00:04:32,000

get it right your dad was wrong

114

00:04:36,870 --> 00:04:33,600

well he you know

115

00:04:39,909 --> 00:04:38,070

so this captain beanie being on the

116

00:04:41,350 --> 00:04:39,919

lookout people he's gonna like uh

117

00:04:42,550 --> 00:04:41,360

marvel's running out of characters so he

118

00:04:44,710 --> 00:04:42,560

might be he might have a new marvel

119

00:04:46,629 --> 00:04:44,720

movie who knows i i can see the new

120

00:04:48,629 --> 00:04:46,639

batman after he defeats the joker the

121

00:04:51,189 --> 00:04:48,639

true true villain is captain captain

122

00:04:54,070 --> 00:04:52,490

where's tim pool factory

123

00:04:56,550 --> 00:04:54,080

[Music]

124

00:04:59,270 --> 00:04:56,560

he i guess technically uh kim temple is

125

00:05:00,710 --> 00:04:59,280

captain beanie isn't he yeah yes yeah

126  
00:05:02,150 --> 00:05:00,720  
tim paul got covered by this way i don't

127  
00:05:03,670 --> 00:05:02,160  
think he's ever taken it off he's

128  
00:05:05,990 --> 00:05:03,680  
probably showered with that [h\_\_h] he

129  
00:05:08,469 --> 00:05:06,000  
had coveted and i don't think he had he

130  
00:05:10,710 --> 00:05:08,479  
probably got covered due to his beanie

131  
00:05:12,870 --> 00:05:10,720  
like his his beanie like preserve the

132  
00:05:14,550 --> 00:05:12,880  
coffee

133  
00:05:16,390 --> 00:05:14,560  
it's like his magical power like some

134  
00:05:18,070 --> 00:05:16,400  
superheroes derive their magical

135  
00:05:20,710 --> 00:05:18,080  
abilities from like an

136  
00:05:22,480 --> 00:05:20,720  
amulet or a cape but no temple has a

137  
00:05:31,670 --> 00:05:22,490  
beanie

138  
00:05:35,189 --> 00:05:33,510

before he gets into the news and the ad

139

00:05:38,150 --> 00:05:35,199

comes in like he kind of covers the

140

00:05:39,830 --> 00:05:38,160

story it's unfortunate his format a lot

141

00:05:41,189 --> 00:05:39,840

of it's not to criticize i don't want to

142

00:05:42,469 --> 00:05:41,199

know i will say that i will in our

143

00:05:44,469 --> 00:05:42,479

community

144

00:05:47,749 --> 00:05:44,479

i i will i'll tell them this if tim paul

145

00:05:49,670 --> 00:05:47,759

if you're listening i know you are okay

146

00:05:51,430 --> 00:05:49,680

if you're doing a story

147

00:05:53,590 --> 00:05:51,440

and you read a news like a typical news

148

00:05:55,749 --> 00:05:53,600

story 10 minutes it doesn't need to be

149

00:05:58,550 --> 00:05:55,759

30 minutes just hit the news stories and

150

00:06:00,870 --> 00:05:58,560

do your monologue at the end i think

151

00:06:02,629 --> 00:06:00,880

you know

152

00:06:04,230 --> 00:06:02,639

or at least like do like highlighted

153

00:06:06,390 --> 00:06:04,240

stuff like the way you would circle [h\_\_\h]

154

00:06:07,749 --> 00:06:06,400

in a printed book back in the day like i

155

00:06:09,189 --> 00:06:07,759

want to read you the story here's the

156

00:06:11,590 --> 00:06:09,199

headline and i'm going to just pull out

157

00:06:13,270 --> 00:06:11,600

some certain parts you know and and and

158

00:06:14,870 --> 00:06:13,280

i think that might be it because

159

00:06:16,390 --> 00:06:14,880

you can use screen readers and all kinds

160

00:06:18,629 --> 00:06:16,400

of stuff if you really want the news

161

00:06:20,629 --> 00:06:18,639

read to you um i think he does a good

162

00:06:22,790 --> 00:06:20,639

job and i think he does a great job yeah

163

00:06:24,469 --> 00:06:22,800

and i think that him and like dave rubin

164

00:06:26,070 --> 00:06:24,479

and a lot of the people like even jimmy

165

00:06:26,870 --> 00:06:26,080

dore like you mentioned earlier it's

166

00:06:28,230 --> 00:06:26,880

like

167

00:06:30,309 --> 00:06:28,240

they are

168

00:06:33,350 --> 00:06:30,319

slowly being pushed away from the

169

00:06:35,110 --> 00:06:33,360

reality that the social engineers have

170

00:06:37,749 --> 00:06:35,120

been creating for so long i think

171

00:06:39,430 --> 00:06:37,759

there's a lot left that they can shed

172

00:06:41,670 --> 00:06:39,440

not like a virus because they're all

173

00:06:43,189 --> 00:06:41,680

vaccinated but they could still shed

174

00:06:45,110 --> 00:06:43,199

some of this

175

00:06:46,710 --> 00:06:45,120

woke ideology and all this other

176

00:06:48,629 --> 00:06:46,720

horseshit that ends up in people's

177

00:06:50,390 --> 00:06:48,639

brains like let's simplify things man

178

00:06:53,270 --> 00:06:50,400

roots not branches

179

00:06:58,070 --> 00:06:53,280

yeah well i got one more story here

180

00:06:59,909 --> 00:06:58,080

how dare you and this is furious pizza

181

00:07:01,670 --> 00:06:59,919

hut customer there's still pizza out

182

00:07:04,390 --> 00:07:01,680

there people furious pizza hut customer

183

00:07:06,870 --> 00:07:04,400

says he was sold old food in someone

184

00:07:09,350 --> 00:07:06,880

else's doggy bag man i got mixed

185

00:07:12,469 --> 00:07:09,360

emotions about this one

186

00:07:14,710 --> 00:07:12,479

oh yes a bloke who ordered pizza hut uh

187

00:07:16,550 --> 00:07:14,720

a pizza delivery opened up his lunch to

188

00:07:18,230 --> 00:07:16,560

find that he'd been sent a pile of

189

00:07:20,070 --> 00:07:18,240

leftovers

190

00:07:22,230 --> 00:07:20,080

with the restaurant admitting they sent

191

00:07:23,830 --> 00:07:22,240

him they sent him someone else's doggy

192

00:07:26,950 --> 00:07:23,840

bag by mistake

193

00:07:29,990 --> 00:07:26,960

uh daryl davis 42

194

00:07:31,510 --> 00:07:30,000

from wales said he was dribbling with

195

00:07:34,070 --> 00:07:31,520

anticipation

196

00:07:36,469 --> 00:07:34,080

when the just each driver banged on his

197

00:07:38,309 --> 00:07:36,479

door but his excitement soon turned to

198

00:07:40,950 --> 00:07:38,319

disgust when he opened the unsealed

199

00:07:41,909 --> 00:07:40,960

pizza box inside there were the remains

200

00:07:44,629 --> 00:07:41,919

of

201  
00:07:47,510 --> 00:07:44,639  
dry old pizza with two different

202  
00:07:50,070 --> 00:07:47,520  
toppings in a slice missing and no sign

203  
00:07:51,830 --> 00:07:50,080  
of the american barbecue pizza he had

204  
00:07:52,629 --> 00:07:51,840  
ordered

205  
00:07:55,270 --> 00:07:52,639  
well

206  
00:07:57,990 --> 00:07:55,280  
i will just say that if he ordered

207  
00:07:59,830 --> 00:07:58,000  
british made american barbecue pizza and

208  
00:08:01,670 --> 00:07:59,840  
didn't get it then whatever he got was

209  
00:08:03,350 --> 00:08:01,680  
better

210  
00:08:05,830 --> 00:08:03,360  
all right

211  
00:08:07,990 --> 00:08:05,840  
uh so i'm just amazed that well maybe

212  
00:08:09,189 --> 00:08:08,000  
i'm not i mean i guess i'm not amazed at

213  
00:08:11,589 --> 00:08:09,199

all that

214

00:08:13,589 --> 00:08:11,599

pizza just has old dry pizza laying

215

00:08:15,990 --> 00:08:13,599

around with slices they sell pizza they

216

00:08:17,350 --> 00:08:16,000

sell pizza by the bag is it like

217

00:08:19,029 --> 00:08:17,360

they have a couple of bags behind the

218

00:08:21,350 --> 00:08:19,039

counter

219

00:08:23,990 --> 00:08:21,360

give me a bag of old pizza i'd like a

220

00:08:24,950 --> 00:08:24,000

bag of pizza please like what is this a

221

00:08:27,350 --> 00:08:24,960

thing

222

00:08:29,830 --> 00:08:27,360

yeah i guess it is yeah two i'll take

223

00:08:32,070 --> 00:08:29,840

two yes i'll take two uh old

224

00:08:34,469 --> 00:08:32,080

uh bags of pizza

225

00:08:36,310 --> 00:08:34,479

you wanted to say some slices uh there

226

00:08:38,230 --> 00:08:36,320

the there

227

00:08:40,949 --> 00:08:38,240

some slice on some slices there looks

228

00:08:42,790 --> 00:08:40,959

like some chicken was on it and one was

229

00:08:44,790 --> 00:08:42,800

definitely vegetarian the customer said

230

00:08:46,550 --> 00:08:44,800

there's definitely more than one

231

00:08:49,030 --> 00:08:46,560

different type of pizza in the box it

232

00:08:50,070 --> 00:08:49,040

shouldn't happen during normal times let

233

00:08:52,310 --> 00:08:50,080

alone

234

00:08:54,550 --> 00:08:52,320

when this covered

235

00:08:55,590 --> 00:08:54,560

so i guess it because it's code times

236

00:08:58,150 --> 00:08:55,600

are

237

00:08:59,750 --> 00:08:58,160

more important now and uh they could get

238

00:09:01,190 --> 00:08:59,760

it wrong before but not now they're not

239

00:09:03,190 --> 00:09:01,200

people are not going to put up with this

240

00:09:05,829 --> 00:09:03,200

with covet around it is critical that

241

00:09:07,910 --> 00:09:05,839

you get the correct pizza order yes

242

00:09:11,190 --> 00:09:07,920

but fauci said that the other day joe

243

00:09:13,750 --> 00:09:11,200

when was the last time you had pizza hut

244

00:09:14,630 --> 00:09:13,760

i think it was about 2002

245

00:09:18,389 --> 00:09:14,640

um

246

00:09:20,310 --> 00:09:18,399

i was in loudounville ohio uh camping

247

00:09:22,470 --> 00:09:20,320

uh that might be the last one did you go

248

00:09:24,550 --> 00:09:22,480

in and order a bag of pizza

249

00:09:26,150 --> 00:09:24,560

no i wish i knew they had those though

250

00:09:27,670 --> 00:09:26,160

because it's very convenient because you

251  
00:09:29,750 --> 00:09:27,680  
remember they had all this there was

252  
00:09:31,269 --> 00:09:29,760  
this rage that like they discovered

253  
00:09:31,990 --> 00:09:31,279  
pizza flavoring and they would throw it

254  
00:09:34,230 --> 00:09:32,000  
on

255  
00:09:35,750 --> 00:09:34,240  
whatever any chip you could imagine and

256  
00:09:38,230 --> 00:09:35,760  
all this stuff and so

257  
00:09:39,910 --> 00:09:38,240  
no that's

258  
00:09:41,750 --> 00:09:39,920  
that is weird though like what is this

259  
00:09:43,670 --> 00:09:41,760  
switcheroo is bill cosby running the

260  
00:09:46,310 --> 00:09:43,680  
pizza shop now too like what's going on

261  
00:09:48,870 --> 00:09:46,320  
here did you eat the pizza how did this

262  
00:09:51,030 --> 00:09:48,880  
all end up he said uh they were all

263  
00:09:52,790 --> 00:09:51,040

different slices i ordered the american

264

00:09:55,190 --> 00:09:52,800

barbecue one normally

265

00:10:00,550 --> 00:09:55,200

when you got melted cheese there's a

266

00:10:05,269 --> 00:10:02,630

dude if you have preferences about pizza

267

00:10:07,190 --> 00:10:05,279

hut pizza like this is like

268

00:10:09,670 --> 00:10:07,200

what do you see when you see

269

00:10:12,069 --> 00:10:09,680

tossed out litter beer on the freeway

270

00:10:13,590 --> 00:10:12,079

it's always the shittiest beer

271

00:10:16,829 --> 00:10:13,600

you know what i mean you got what you

272

00:10:18,710 --> 00:10:16,839

[h\_\_h] deserve i don't give a [h\_\_h] well

273

00:10:21,190 --> 00:10:18,720

uh

274

00:10:23,190 --> 00:10:21,200

a spokesperson for pizza said the health

275

00:10:27,110 --> 00:10:23,200

and safety of our customers

276

00:10:29,110 --> 00:10:27,120

is of the almost utmost importance to

277

00:10:31,990 --> 00:10:29,120

pizza hut and we are committed to

278

00:10:34,150 --> 00:10:32,000

maintaining somewhat high standards in

279

00:10:35,430 --> 00:10:34,160

all of our branches i added some extra

280

00:10:37,509 --> 00:10:35,440

words in there it's gonna say there's

281

00:10:39,750 --> 00:10:37,519

also this below the guy says

282

00:10:41,430 --> 00:10:39,760

come on seriously dude you ordered

283

00:10:43,910 --> 00:10:41,440

a bag of pizza from pizza hut what do

284

00:10:46,790 --> 00:10:43,920

you expect yeah and yeah that should

285

00:10:49,590 --> 00:10:46,800

come on the back they said that we

286

00:10:53,829 --> 00:10:49,600

they're launching new slogan pizza

287

00:10:58,790 --> 00:10:56,310

the uh pizza is launching a full-fledged

288

00:11:00,949 --> 00:10:58,800

investigation okay good with you

289

00:11:02,389 --> 00:11:00,959

get the fbi involved

290

00:11:06,700 --> 00:11:02,399

just added two more detectives to the

291

00:11:12,150 --> 00:11:09,990

[Laughter]

292

00:11:13,990 --> 00:11:12,160

i wonder if

293

00:11:16,230 --> 00:11:14,000

if the pizza is going to hire like

294

00:11:17,990 --> 00:11:16,240

people in mcdonald's to stand out front

295

00:11:19,590 --> 00:11:18,000

you know and protest themselves there

296

00:11:21,590 --> 00:11:19,600

you go they get to get some sympathy

297

00:11:22,949 --> 00:11:21,600

kind of like a false flag fast food kind

298

00:11:24,550 --> 00:11:22,959

of thing why would mcdonald's be

299

00:11:25,990 --> 00:11:24,560

protesting at pizza hut

300

00:11:27,590 --> 00:11:26,000

because you know that's what you do when

301  
00:11:29,509 --> 00:11:27,600  
you have rival competition you kind of

302  
00:11:31,350 --> 00:11:29,519  
make it look bad it's like a full swag

303  
00:11:33,430 --> 00:11:31,360  
kind of thing you know there you go and

304  
00:11:35,750 --> 00:11:33,440  
it or little caesars might do it little

305  
00:11:38,870 --> 00:11:35,760  
caesars they have the spears yeah yeah

306  
00:11:41,190 --> 00:11:38,880  
yeah i love that the pizza police's uh

307  
00:11:42,470 --> 00:11:41,200  
anagram is peepee that's just great we

308  
00:11:44,470 --> 00:11:42,480  
should run into this

309  
00:11:51,829 --> 00:11:44,480  
oh i'm part of the pee pee there'd be

310  
00:11:55,430 --> 00:11:53,750  
i i just like weird

311  
00:11:57,430 --> 00:11:55,440  
you can still get a pizza in a bag just

312  
00:11:58,710 --> 00:11:57,440  
like one bag please

313  
00:12:00,150 --> 00:11:58,720

i think that's a good way to measure

314

00:12:02,629 --> 00:12:00,160

stuff and then you just walk out with

315

00:12:04,230 --> 00:12:02,639

this greasy bag that instantly falls

316

00:12:06,550 --> 00:12:04,240

apart

317

00:12:09,190 --> 00:12:06,560

can i get a bag of a hamburger

318

00:12:10,550 --> 00:12:09,200

can i get a bag of hamburgers please

319

00:12:12,710 --> 00:12:10,560

yeah thank you

320

00:12:14,389 --> 00:12:12,720

look at that why is he lawyer

321

00:12:16,629 --> 00:12:14,399

jesus do you remember my parents used to

322

00:12:18,710 --> 00:12:16,639

get like a 30 box and we'd go to white

323

00:12:20,949 --> 00:12:18,720

castle and be like just

324

00:12:22,310 --> 00:12:20,959

we'd kill that [h\_\_h] my dad still loves

325

00:12:23,990 --> 00:12:22,320

it that is my

326

00:12:25,750 --> 00:12:24,000

my dad's uh fast food of choice i

327

00:12:27,910 --> 00:12:25,760

believe is white castle he loves that

328

00:12:28,629 --> 00:12:27,920

it's really good i mean i know i miss

329

00:12:30,629 --> 00:12:28,639

him

330

00:12:31,670 --> 00:12:30,639

hey i'm i miss that stuff i miss i might

331

00:12:33,670 --> 00:12:31,680

have to go out and get taco bell

332

00:12:35,430 --> 00:12:33,680

sometime if i do i'll live stream it

333

00:12:37,269 --> 00:12:35,440

okay

334

00:12:39,030 --> 00:12:37,279

you should go live on instagram follow

335

00:12:40,310 --> 00:12:39,040

us livestream the two hours of cramps

336

00:12:42,550 --> 00:12:40,320

and then live stream your adventures in

337

00:12:45,110 --> 00:12:42,560

the bathroom later

338

00:12:47,030 --> 00:12:45,120

done yes and show us your defecation

339

00:12:49,829 --> 00:12:47,040

done and done as that's part of the del

340

00:12:51,990 --> 00:12:49,839

taco challenge is that you they you like

341

00:12:54,389 --> 00:12:52,000

go to del taco taco bell you start the

342

00:12:55,990 --> 00:12:54,399

app and then you eat the food and then

343

00:12:58,150 --> 00:12:56,000

it's a race against the

344

00:13:00,470 --> 00:12:58,160

race against the clock

345

00:13:02,470 --> 00:13:00,480

24.

346

00:13:04,629 --> 00:13:02,480

i thought the del taco challenge was eat

347

00:13:07,110 --> 00:13:04,639

a bunch of del taco and then watch lord

348

00:13:09,509 --> 00:13:07,120

of the rings no you make it no it is you

349

00:13:11,430 --> 00:13:09,519

start the app and then you ride around

350

00:13:13,110 --> 00:13:11,440

in with stomach cramps and pain on the

351  
00:13:14,629 --> 00:13:13,120  
floor with because you have severe

352  
00:13:16,710 --> 00:13:14,639  
severe diarrhea

353  
00:13:18,470 --> 00:13:16,720  
and the app will only turn off if you

354  
00:13:21,030 --> 00:13:18,480  
take it to the bathroom and then it

355  
00:13:21,910 --> 00:13:21,040  
listens it's audio cues to hear your

356  
00:13:23,750 --> 00:13:21,920  
dump

357  
00:13:25,750 --> 00:13:23,760  
and the longest the longer you can go

358  
00:13:27,670 --> 00:13:25,760  
the more points you score on the dell

359  
00:13:30,550 --> 00:13:27,680  
taco and

360  
00:13:38,330 --> 00:13:32,310  
yeah rewards towards more del taco this

361  
00:13:38,340 --> 00:13:42,150  
[Music]

362  
00:13:47,030 --> 00:13:45,509  
some sort of taco masochism

363  
00:13:48,470 --> 00:13:47,040

it's just it's part of i mean the app is

364

00:13:49,990 --> 00:13:48,480

not totally fleshed out you know they

365
