

I LIKE TO EAT!

1
00:00:00,270 --> 00:00:07,430
[Applause]

2
00:00:11,350 --> 00:00:09,830
i gotta know christmas in a can

3
00:00:13,749 --> 00:00:11,360
not then this through those listing this

4
00:00:15,190 --> 00:00:13,759
is not christmas in the can nothing like

5
00:00:16,710 --> 00:00:15,200
taking a [h__h] and having christmas at

6
00:00:19,510 --> 00:00:16,720
the same time

7
00:00:21,029 --> 00:00:19,520
this is christmas in a can

8
00:00:25,990 --> 00:00:21,039
oh yes

9
00:00:27,429 --> 00:00:26,000
christmas dinner in a can promises

10
00:00:29,029 --> 00:00:27,439
answers to

11
00:00:30,550 --> 00:00:29,039
supermarket

12
00:00:33,590 --> 00:00:30,560
shortages

13
00:00:35,510 --> 00:00:33,600

oh good that's good news

14

00:00:37,510 --> 00:00:35,520

that's right uh for many

15

00:00:41,110 --> 00:00:37,520

it is the most stressful meal of the

16

00:00:43,590 --> 00:00:41,120

year to get right and make and can make

17

00:00:45,510 --> 00:00:43,600

or break christmas day celebrations but

18

00:00:46,630 --> 00:00:45,520

in 2021

19

00:00:48,630 --> 00:00:46,640

there is an

20

00:00:51,029 --> 00:00:48,640

added anxiety that

21

00:00:54,389 --> 00:00:51,039

vital ingredients could be scarce or

22

00:00:56,389 --> 00:00:54,399

non-existent on supermarket shelves one

23

00:00:58,950 --> 00:00:56,399

uh but one company believes it may have

24

00:01:01,430 --> 00:00:58,960

solved both problems in one fell swoop

25

00:01:03,430 --> 00:01:01,440

with its christmas dinner

26

00:01:05,670 --> 00:01:03,440

in a can all right

27

00:01:11,590 --> 00:01:05,680

look at this this is heinz

28

00:01:15,830 --> 00:01:13,350

that's right sounds terrible all the way

29

00:01:18,390 --> 00:01:15,840

around the days of peeling potatoes

30

00:01:20,870 --> 00:01:18,400

prepping prepping sprouts and

31

00:01:23,830 --> 00:01:20,880

basting turkeys could be numbered if

32

00:01:24,630 --> 00:01:23,840

this new festive offering catches on all

33

00:01:27,910 --> 00:01:24,640

right

34

00:01:30,710 --> 00:01:27,920

the dinner uh more accurately soup from

35

00:01:33,190 --> 00:01:30,720

heinz contains big chunks of turkey pigs

36

00:01:34,550 --> 00:01:33,200

in a blanket brussels sprouts stuffing

37

00:01:38,310 --> 00:01:34,560

balls

38

00:01:41,030 --> 00:01:38,320

and potatoes with gravy and cranberry

39

00:01:42,389 --> 00:01:41,040

sauce balls i just like that their

40

00:01:43,830 --> 00:01:42,399

method is like let's take all the

41

00:01:46,389 --> 00:01:43,840

ingredients of christmas dinner and just

42

00:01:48,149 --> 00:01:46,399

put it all in one bowl just give it all

43

00:01:51,270 --> 00:01:48,159

to me it doesn't matter yeah throw it

44

00:01:56,870 --> 00:01:51,280

all give it to me inject it put it in me

45

00:02:00,230 --> 00:01:58,630

wait a second

46

00:02:02,310 --> 00:02:00,240

what's the original premise the original

47

00:02:04,870 --> 00:02:02,320

premise is that there's going to be

48

00:02:08,949 --> 00:02:04,880

shortages and

49

00:02:10,550 --> 00:02:08,959

possibly non-existent super market uh

50

00:02:12,869 --> 00:02:10,560

ingredients that you need

51
00:02:14,630 --> 00:02:12,879
and they're pitching this as a way to

52
00:02:17,510 --> 00:02:14,640
help alleviate

53
00:02:19,270 --> 00:02:17,520
those stresses those shortages but

54
00:02:22,710 --> 00:02:19,280
go ahead if you if this next sentence

55
00:02:25,350 --> 00:02:22,720
here heinz will produce only 500 cans of

56
00:02:27,430 --> 00:02:25,360
his christmas big dinner soup this year

57
00:02:29,990 --> 00:02:27,440
but as hinted a coal could roll out

58
00:02:33,350 --> 00:02:30,000
greater numbers next year if it proves

59
00:02:34,790 --> 00:02:33,360
to be a hit with shoppers

60
00:02:35,990 --> 00:02:34,800
that's some good news i'm going to buy a

61
00:02:37,750 --> 00:02:36,000
bunch of these i'm gonna save them for

62
00:02:38,550 --> 00:02:37,760
the apocalypse so uh that's what i'm

63
00:02:39,750 --> 00:02:38,560

gonna do

64

00:02:41,270 --> 00:02:39,760

no power and be like yeah well we still

65

00:02:44,949 --> 00:02:41,280

have christmas dinner christmas dinner

66

00:02:49,350 --> 00:02:46,790

where can we get these like if there's

67

00:02:52,630 --> 00:02:49,360

only 500 cans well they're going to give

68

00:02:54,309 --> 00:02:52,640

like like send 10 to new york city 10 to

69

00:02:56,309 --> 00:02:54,319

paris france

70

00:02:58,550 --> 00:02:56,319

maybe even from their website maybe i

71

00:03:01,670 --> 00:02:58,560

gotta order special order of these

72

00:03:05,030 --> 00:03:01,680

the cans which cost uh one pound 50 plus

73

00:03:07,030 --> 00:03:05,040

post and packaging are available online

quick uh hank van heinstein the brand

107
00:04:30,870 --> 00:04:26,840
manager for heinz soup

108
00:04:33,749 --> 00:04:30,880
said is made for those with big love for

109
00:04:36,070 --> 00:04:33,759
hearty festive flavors and tastes just

110
00:04:37,110 --> 00:04:36,080
perfect with a slice of warm crusty

111
00:04:38,870 --> 00:04:37,120
bread

112
00:04:40,469 --> 00:04:38,880
gross

113
00:04:42,629 --> 00:04:40,479

soup are you poor can you not afford

114

00:04:45,030 --> 00:04:42,639

dinner because if not if you if so we

115

00:04:46,629 --> 00:04:45,040

have soup

116

00:04:49,189 --> 00:04:46,639

uh any

117

00:04:52,469 --> 00:04:49,199

any soup that includes pigs in a blanket

118

00:04:53,990 --> 00:04:52,479

and roasties is a war is a winner in our

119

00:04:56,710 --> 00:04:54,000

eyes

120

00:04:59,110 --> 00:04:56,720

this is damn exciting stuff they do give

121

00:05:01,270 --> 00:04:59,120

you instructions on how to cook it says

122

00:05:03,830 --> 00:05:01,280

put in the microwave up you just put it

123

00:05:06,070 --> 00:05:03,840

in the microwave hey christmas dinner in

124

00:05:07,749 --> 00:05:06,080

the microwave i'm not i mean

125

00:05:09,350 --> 00:05:07,759

for families out there that maybe can't

126
00:05:11,749 --> 00:05:09,360
afford

127
00:05:14,070 --> 00:05:11,759
a lot of items up this might be a good

128
00:05:15,510 --> 00:05:14,080
solution but for them only rolling out

129
00:05:17,350 --> 00:05:15,520
500

130
00:05:19,749 --> 00:05:17,360
is kind of [h__h]

131
00:05:20,870 --> 00:05:19,759
they should have done better

132
00:05:22,310 --> 00:05:20,880
but you can get with decorative

133
00:05:25,110 --> 00:05:22,320
packaging

134
00:05:27,350 --> 00:05:25,120
i would buy some i would buy like listen

135
00:05:28,629 --> 00:05:27,360
times are tough out there and if you

136
00:05:31,029 --> 00:05:28,639
want your

137
00:05:33,270 --> 00:05:31,039
the the the flavors and and taste that

138
00:05:34,710 --> 00:05:33,280

you're familiar growing up with with

139

00:05:36,150 --> 00:05:34,720

these big christmas dinners this might

140

00:05:38,870 --> 00:05:36,160

be the best solution

141

00:05:41,110 --> 00:05:38,880

uh biden's economy ain't doing so good

142

00:05:43,909 --> 00:05:41,120

come on

143

00:05:47,189 --> 00:05:43,919

people are asking uh where's the turkey

144

00:05:49,990 --> 00:05:47,199

where's the the stuffing uh where's

145

00:05:52,790 --> 00:05:50,000

where's the yams for christmas

146

00:05:54,070 --> 00:05:52,800

where's mom and where's mom um

147

00:05:56,469 --> 00:05:54,080

are you thinking that maybe as part of

148

00:05:58,390 --> 00:05:56,479

this 1.2 whatever trillion dollar

149

00:06:00,790 --> 00:05:58,400

infrastructure build maybe

150

00:06:04,309 --> 00:06:00,800

a can of soup for every family i like

151
00:06:05,909 --> 00:06:04,319
that a can a can of hines christmas soup

152
00:06:07,590 --> 00:06:05,919
part of the trillion dollar

153
00:06:09,189 --> 00:06:07,600
infrastructure bill look we can't give

154
00:06:10,950 --> 00:06:09,199
you a basic universal income we can't

155
00:06:12,469 --> 00:06:10,960
pay a couple grand a month but we can

156
00:06:14,550 --> 00:06:12,479
give you a can of soup we can give you a

157
00:06:16,469 --> 00:06:14,560
can of soup and big massive dumps big

158
00:06:18,230 --> 00:06:16,479
massive dumps

159
00:06:21,110 --> 00:06:18,240
i only ate a can of soup how am i having

160
00:06:24,550 --> 00:06:21,120
this much dunk how am i producing more

161
00:06:27,430 --> 00:06:24,560
dump uh than soup what's the dump

162
00:06:29,270 --> 00:06:27,440
to super ratio that is coming from

163
00:06:31,270 --> 00:06:29,280

like shouldn't be the law of like

164

00:06:33,270 --> 00:06:31,280

thermodynamics uh

165

00:06:34,550 --> 00:06:33,280

prevent me from producing more crap that

166

00:06:35,830 --> 00:06:34,560

i'm taking in

167

00:06:36,950 --> 00:06:35,840

so we have a suggestion from the chat

168

00:06:39,749 --> 00:06:36,960

saying we need to get one of these and

169

00:06:41,350 --> 00:06:39,759

eat it on the air uh i agree

170

00:06:42,710 --> 00:06:41,360

i think we i think since he's not here

171

00:06:45,909 --> 00:06:42,720

we need to get one of these and make joe

172

00:06:49,760 --> 00:06:45,919

eat it we should send joe 500 cans of

173

00:06:56,150 --> 00:06:53,990

[Laughter]

174

00:07:01,189 --> 00:06:56,160

we're going to fill his apartment in

175

00:07:01,199 --> 00:07:07,430

his only currency will be soup

176

00:07:11,830 --> 00:07:09,990

good luck doesn't bother me i like this

177

00:07:14,150 --> 00:07:11,840

it's very festive soup i like it this is

178

00:07:14,950 --> 00:07:14,160

a winner i guess i just i fundamentally

179

00:07:16,070 --> 00:07:14,960

they're just like we're going to take

180

00:07:17,189 --> 00:07:16,080

all the stuff that you enjoy for

181

00:07:19,350 --> 00:07:17,199

christmas dinner we're just going to put

182

00:07:21,990 --> 00:07:19,360

it on the can here you go

183

00:07:23,589 --> 00:07:22,000

of course eat this hines needs it needs

184

00:07:25,670 --> 00:07:23,599

to partner with taco bell so i can get

185

00:07:27,350 --> 00:07:25,680

taco bell soup

186

00:07:31,270 --> 00:07:27,360

so i can get like a celery

187

00:07:33,589 --> 00:07:31,280

a steak quesadilla taco bell hines

188

00:07:34,790 --> 00:07:33,599

soup you can get like tortilla soup sort

189

00:07:36,629 --> 00:07:34,800

of thing so is there such a thing as

190

00:07:38,550 --> 00:07:36,639

like but you want to taco bell branded

191

00:07:40,790 --> 00:07:38,560

soup i want a co-brand i want to

192

00:07:43,270 --> 00:07:40,800

co-brand i want i want to marry taco

193

00:07:45,589 --> 00:07:43,280

bell with heinz

194

00:07:48,629 --> 00:07:45,599

what if you just got some um what's the

195

00:07:51,510 --> 00:07:48,639

cheese dip people like uh

196

00:07:53,110 --> 00:07:51,520

cheese cheese whiz and just ate that

197

00:07:56,150 --> 00:07:53,120

with a spoon isn't that pretty much the

198

00:07:59,029 --> 00:07:56,160

same thing i like that cheese whiz soup

199

00:08:01,350 --> 00:07:59,039

brought to you by heinz god i can i can

200

00:08:05,589 --> 00:08:01,360

get like empathetic stomach pains just

201

00:08:09,909 --> 00:08:08,070

all right well uh what other kind of uh

202

00:08:12,150 --> 00:08:09,919

news we get i'm gonna do like one more

203

00:08:14,550 --> 00:08:12,160

here before we get out of here

204

00:08:16,550 --> 00:08:14,560

i'm going to the gift of light expo in

205

00:08:19,510 --> 00:08:16,560

columbus

206

00:08:21,350 --> 00:08:19,520

it's a it's a it's a uh a psychic fair

207

00:08:23,270 --> 00:08:21,360

so my wife and i are going down there

208

00:08:24,950 --> 00:08:23,280

we're going to browse through some

209

00:08:28,390 --> 00:08:24,960

psychic booths and possibly get some

210

00:08:30,790 --> 00:08:28,400

readings and uh it's gonna be a fun time

211

00:08:32,149 --> 00:08:30,800

so as soon as the show gonna go see some

212

00:08:33,909 --> 00:08:32,159

psychics

213

00:08:35,350 --> 00:08:33,919

all right so do you want um you want to

214

00:08:36,709 --> 00:08:35,360

stay with christmas related i know

215

00:08:38,790 --> 00:08:36,719

people are in the chat are upset that

216

00:08:40,949 --> 00:08:38,800

we're talking christmas stuff already

217

00:08:42,469 --> 00:08:40,959

here

218

00:08:44,470 --> 00:08:42,479

but i mean they're playing christmas

219

00:08:46,630 --> 00:08:44,480

music on the radio and it's jingle

220

00:08:48,230 --> 00:08:46,640

bingle time jingle bingle [\h__\h]

221

00:08:49,910 --> 00:08:48,240

it is the hardy jingle bengal to

222

00:08:52,630 --> 00:08:49,920

midnight mike see even

223

00:08:54,389 --> 00:08:52,640

adam curry says his jingle bingle time

224

00:08:57,430 --> 00:08:54,399

of year

225

00:09:01,030 --> 00:08:58,790

all right so here's one more christmas

226

00:09:05,269 --> 00:09:01,040

story there for you all right here we go

227

00:09:07,030 --> 00:09:05,279

judge issues order no more elves

228

00:09:09,110 --> 00:09:07,040

on a shelf

229

00:09:11,269 --> 00:09:09,120

okay that's some good news on that front

230

00:09:12,949 --> 00:09:11,279

i would agree okay i don't even know

231

00:09:15,509 --> 00:09:12,959

what an elf on a shelf is but we're

232

00:09:18,310 --> 00:09:15,519

gonna find consider yourself lucky

233

00:09:21,110 --> 00:09:18,320

they are stealthy little creatures that

234

00:09:23,509 --> 00:09:21,120

sit on shelves keeping tabs on children

235

00:09:26,470 --> 00:09:23,519

during the holiday season ready to

236

00:09:29,190 --> 00:09:26,480

drop a lump of coal in the stocking of

237

00:09:31,829 --> 00:09:29,200

any mischievous kid

238

00:09:33,990 --> 00:09:31,839

oh these are these like spy cameras spy

239

00:09:36,389 --> 00:09:34,000

elves pretty much it's the idea is the

240

00:09:37,990 --> 00:09:36,399

elves worked for santa and they reported

241

00:09:40,230 --> 00:09:38,000

and you move it around the house every

242

00:09:42,389 --> 00:09:40,240

day so those of you who are kids spoiled

243

00:09:43,670 --> 00:09:42,399

it for you but it's to watch kids to

244

00:09:45,910 --> 00:09:43,680

determine if you end up on the naughty

245

00:09:46,790 --> 00:09:45,920

or nice list so it's trying to and this

246

00:09:48,630 --> 00:09:46,800

thing i don't like about it

247

00:09:49,430 --> 00:09:48,640

fundamentally trying to get kids okay

248

00:09:51,509 --> 00:09:49,440

with

249

00:09:55,670 --> 00:09:51,519

oversight and government surveillance in

250

00:09:58,310 --> 00:09:55,680

your house oh my but a bob county judge

251
00:10:01,750 --> 00:09:58,320
is going uh is doing what he can to stop

252
00:10:04,790 --> 00:10:01,760
the tyranny of the so-called

253
00:10:06,870 --> 00:10:04,800
elf on a shelf christmas tradition how

254
00:10:08,069 --> 00:10:06,880
is this a traditional ring it's also not

255
00:10:09,670 --> 00:10:08,079
a tradition it's something that was

256
00:10:11,990 --> 00:10:09,680
incredible it was created like whole

257
00:10:13,430 --> 00:10:12,000
cloth as a commercial enterprise like i

258
00:10:15,030 --> 00:10:13,440
don't know what eight ten years ago it

259
00:10:17,430 --> 00:10:15,040
is not a tradition

260
00:10:19,829 --> 00:10:17,440
cobb county superior court judge chief

261
00:10:30,470 --> 00:10:19,839
judge

262
00:10:32,710 --> 00:10:30,480
banished all elves

263
00:10:35,030 --> 00:10:32,720

from all shells throughout cobb county

264

00:10:38,069 --> 00:10:35,040

in a tongue-in-cheek order

265

00:10:39,750 --> 00:10:38,079

filed in court thursday he said it was a

266

00:10:42,069 --> 00:10:39,760

playful gesture born out of a

267

00:10:44,310 --> 00:10:42,079

conversation that began on social media

268

00:10:46,949 --> 00:10:44,320

with parents sharing their

269

00:10:49,350 --> 00:10:46,959

elfish bloopers

270

00:10:53,030 --> 00:10:49,360

the goblin

271

00:10:54,550 --> 00:10:53,040

uh quote what came out was that i i gave

272

00:10:58,470 --> 00:10:54,560

some folks

273

00:11:00,949 --> 00:10:58,480

an out he told the a jc with a hearty

274

00:11:04,069 --> 00:11:00,959

laugh late thursday you could give your

275

00:11:06,230 --> 00:11:04,079

elf on a shelf a break if you need to

276

00:11:08,470 --> 00:11:06,240

leonard who may be unaware that the

277

00:11:11,350 --> 00:11:08,480

elves uh the elves are cow county

278

00:11:12,389 --> 00:11:11,360

natives tweeted news of the order and

279

00:11:14,310 --> 00:11:12,399

said that

280

00:11:15,590 --> 00:11:14,320

it was a favor to parents whose elves

281

00:11:18,069 --> 00:11:15,600

may

282

00:11:20,310 --> 00:11:18,079

forget to move at night i don't what the

283

00:11:21,829 --> 00:11:20,320

[h__h] is this all about so so here's

284

00:11:23,910 --> 00:11:21,839

here's how it came out it's kind of like

285

00:11:25,509 --> 00:11:23,920

what's that um uh polar express same

286

00:11:26,949 --> 00:11:25,519

thing it came out of nowhere and all of

287

00:11:29,670 --> 00:11:26,959

a sudden it's like it's a tradition

288

00:11:31,350 --> 00:11:29,680

[h__h] so the elf on the shelf is a it

289

00:11:32,470 --> 00:11:31,360

is not they literally called the book

290

00:11:33,350 --> 00:11:32,480

when it came out like a christmas

291

00:11:34,870 --> 00:11:33,360

tradition or something like a new

292

00:11:36,630 --> 00:11:34,880

christmas tradition it was such a

293

00:11:38,710 --> 00:11:36,640

commercial enterprise and you have to

294

00:11:40,470 --> 00:11:38,720

buy these little toys and it's an elf

295

00:11:42,870 --> 00:11:40,480

and you tell your kids this [h__h]

296

00:11:44,630 --> 00:11:42,880

thing is spying on you and he's going to

297

00:11:46,389 --> 00:11:44,640

report back to santa if you're naughty

298

00:11:49,190 --> 00:11:46,399

or nice and then you move it around the

299

00:11:51,509 --> 00:11:49,200

house as if the elf is spying on them so

300

00:11:53,269 --> 00:11:51,519

this guy clearly is is probably up you

301
00:11:56,230 --> 00:11:53,279
know headed up to here with that and

302
00:11:57,670 --> 00:11:56,240
he's like look [\h__\h] this [\h__\h] uh and

303
00:11:59,910 --> 00:11:57,680
they so i'm gonna issue an order that

304
00:12:01,350 --> 00:11:59,920
says you don't have to do this uh and

305
00:12:03,110 --> 00:12:01,360
you all need to knock it off because

306
00:12:04,870 --> 00:12:03,120
this is clearly just a you know it's

307
00:12:07,829 --> 00:12:04,880
getting kids used to authoritarians and

308
00:12:09,750 --> 00:12:07,839
and surveillance systems

309
00:12:11,990 --> 00:12:09,760
this is creepy stuff like i didn't even

310
00:12:14,550 --> 00:12:12,000
know about the elf on the shelf and this

311
00:12:18,550 --> 00:12:14,560
this is a creepy looking elf oh look at

312
00:12:20,629 --> 00:12:18,560
that face yeah it's um it's a mess like

313
00:12:22,790 --> 00:12:20,639

i know if i was a kid

314

00:12:24,389 --> 00:12:22,800

and i had an elf on a shelf it might

315

00:12:25,990 --> 00:12:24,399

accidentally fall off that shelf

316

00:12:27,750 --> 00:12:26,000

repeatedly

317

00:12:29,910 --> 00:12:27,760

you know like this but now you're on the

318

00:12:31,990 --> 00:12:29,920

naughty list mike see how it works

319

00:12:33,350 --> 00:12:32,000

yeah but if you sneak up behind that elf

320

00:12:35,030 --> 00:12:33,360

and crack its neck there's not going to

321

00:12:37,350 --> 00:12:35,040

be any video of you doing anything to

322

00:12:38,550 --> 00:12:37,360

that elf let's just put the elf into the

323

00:12:41,190 --> 00:12:38,560

campbell's

324

00:12:43,509 --> 00:12:41,200

christmas christmas soup

325

00:12:46,470 --> 00:12:43,519

now includes elf

326

00:12:48,150 --> 00:12:46,480

made with 100 real elf meat it's creepy

327

00:12:49,590 --> 00:12:48,160

it's creepy stuff out there but yeah

328

00:12:51,350 --> 00:12:49,600

there's some sort of psychological

329

00:12:53,910 --> 00:12:51,360

aspect there getting kids familiar with

330

00:12:55,190 --> 00:12:53,920

the idea that that their every move is

331

00:12:56,389 --> 00:12:55,200

being

332

00:12:58,629 --> 00:12:56,399

uh

333

00:13:00,710 --> 00:12:58,639

categorized or cataloged and then you're

334

00:13:02,870 --> 00:13:00,720

going to go on the naughty or nice list

335

00:13:04,629 --> 00:13:02,880

this is whether intentional or not is

336

00:13:05,509 --> 00:13:04,639

getting people used to the social credit

337

00:13:06,389 --> 00:13:05,519

score

338

00:13:07,670 --> 00:13:06,399

so the

339

00:13:09,509 --> 00:13:07,680

there's an interesting turn to this

340

00:13:11,590 --> 00:13:09,519

story here at the end when they said

341

00:13:13,829 --> 00:13:11,600

the judge drew from a horrific real life

342

00:13:15,750 --> 00:13:13,839

incident in his family when elf failed

343

00:13:16,949 --> 00:13:15,760

to move to a new location overnight his

344

00:13:19,110 --> 00:13:16,959

two daughters came down saw it in the

345

00:13:21,190 --> 00:13:19,120

same spot they blamed their brother for

346

00:13:23,030 --> 00:13:21,200

touching the elf and killing it so some

347

00:13:24,949 --> 00:13:23,040

people tell their kids if you mess with

348

00:13:26,550 --> 00:13:24,959

the elf he will die and you get nothing

349

00:13:28,550 --> 00:13:26,560

for christmas

350

00:13:30,550 --> 00:13:28,560

so the children went to school in tears

351

00:13:31,670 --> 00:13:30,560

with one child being labeled an elf

352

00:13:33,110 --> 00:13:31,680

murderer

353

00:13:35,990 --> 00:13:33,120

and making being accused of making the

354

00:13:38,470 --> 00:13:36,000

elf lose his magic

355

00:13:40,550 --> 00:13:38,480

we're being murdered this is the the

356

00:13:44,550 --> 00:13:40,560

child abuse that you're you're laying

357

00:13:45,990 --> 00:13:44,560

upon kids with this crap oh my god

358

00:13:47,990 --> 00:13:46,000

it's crazy

359

00:13:50,310 --> 00:13:48,000

i just killed like five elves oopsie

360

00:13:51,829 --> 00:13:50,320

daisy

361

00:13:54,550 --> 00:13:51,839

don't worry they're not human so you can

362

00:13:55,990 --> 00:13:54,560

kill as many elves you want

363

00:13:57,829 --> 00:13:56,000

but you do still have to ask permission

364

00:13:59,110 --> 00:13:57,839

if you're you know building a road in in

365

00:14:01,189 --> 00:13:59,120

iceland to make sure the elves are okay

366

00:14:03,590 --> 00:14:01,199

with that yeah and the bible tells us

367

00:14:06,710 --> 00:14:03,600

that it does it's in the back

368

00:14:10,790 --> 00:14:06,720

give us an email at our big dumb month
