

NOT A JOKE

1
00:00:00,270 --> 00:00:06,789
[Applause]

2
00:00:10,870 --> 00:00:08,790
let's see how silly do we want to start

3
00:00:12,789 --> 00:00:10,880
oh right you said you had a very

4
00:00:14,390 --> 00:00:12,799
important arby's story that we needed

5
00:00:17,109 --> 00:00:14,400
okay yes let's start with that one right

6
00:00:19,029 --> 00:00:17,119
into carrot chop that goes arby's

7
00:00:21,269 --> 00:00:19,039
staying with our are keeping up with

8
00:00:22,710 --> 00:00:21,279
fast food news here's this

9
00:00:25,429 --> 00:00:22,720
yeah when people think of fast food they

10
00:00:27,349 --> 00:00:25,439
think of obdm that's for sure and arby's

11
00:00:29,990 --> 00:00:27,359
and toilets oh this there's a news

12
00:00:31,189 --> 00:00:30,000
report here that we can play well i like

13
00:00:33,750 --> 00:00:31,199

this okay

14

00:00:36,150 --> 00:00:33,760

i don't gotta read this is good news

15

00:00:37,910 --> 00:00:36,160

from wcco 4 news i'm jason to russia

16

00:00:40,389 --> 00:00:37,920

minnesota vikings running back dalvin

17

00:00:43,110 --> 00:00:40,399

cook is being sued by his ex-girlfriend

18

00:00:44,950 --> 00:00:43,120

for a lesson on relational abuse lawsuit

19

00:00:46,790 --> 00:00:44,960

stems from an incident in november of

20

00:00:48,950 --> 00:00:46,800

2020 when the woman allegedly showed up

21

00:00:51,510 --> 00:00:48,960

at cook's home unannounced where's the

22

00:00:54,389 --> 00:00:51,520

arby's where does the arby's come in now

23

00:00:55,750 --> 00:00:54,399

there's a there's a tweet that may be a

24

00:00:57,189 --> 00:00:55,760

little more informative or does he get

25

00:00:59,110 --> 00:00:57,199

to it right away because i don't know

26
00:01:00,869 --> 00:00:59,120
they're they're bearing the lead here if

27
00:01:02,549 --> 00:01:00,879
they're talking about an nfl yeah yeah

28
00:01:03,910 --> 00:01:02,559
maybe

29
00:01:06,230 --> 00:01:03,920
see if there is anything was there an

30
00:01:07,590 --> 00:01:06,240
argument over arby's yeah was it arby's

31
00:01:09,750 --> 00:01:07,600
related

32
00:01:11,190 --> 00:01:09,760
i'm not seeing anything i'm scrubbing

33
00:01:13,990 --> 00:01:11,200
through it and i'm not seeing anything

34
00:01:16,469 --> 00:01:14,000
why do news channels do this it's like

35
00:01:18,870 --> 00:01:16,479
i want to read that story oh by the way

36
00:01:21,030 --> 00:01:18,880
here's a video that's completely

37
00:01:22,870 --> 00:01:21,040
uh irrelevant i'm looking for like a

38
00:01:24,550 --> 00:01:22,880

happy rv story and then you give me a

39

00:01:27,350 --> 00:01:24,560

story about this

40

00:01:29,590 --> 00:01:27,360

like this

41

00:01:31,429 --> 00:01:29,600

spouse like that's not related well

42

00:01:33,190 --> 00:01:31,439

there's a tweet go to the tweet okay

43

00:01:33,990 --> 00:01:33,200

well here we go so i'll read this story

44

00:01:36,789 --> 00:01:34,000

here

45

00:01:39,270 --> 00:01:36,799

everyone knows arby's has the meats

46

00:01:42,389 --> 00:01:39,280

thanks to minneapolis minneapolis-based

47

00:01:45,429 --> 00:01:42,399

uh tater stall distilling

48

00:01:47,429 --> 00:01:45,439

they got the vodka now too you read that

49

00:01:50,469 --> 00:01:47,439

right the roast beef based fast food

50

00:01:54,950 --> 00:01:50,479

chain is teaming up with tater saul

51
00:01:56,950 --> 00:01:54,960
uh for a crinkle and curly fry curly fry

52
00:02:00,870 --> 00:01:56,960
flavored vodkas

53
00:02:04,310 --> 00:02:00,880
the vodkas will go on sale november 18th

54
00:02:07,350 --> 00:02:04,320
arby said the quantities are extremely

55
00:02:15,750 --> 00:02:07,360
limited if you want to order

56
00:02:20,150 --> 00:02:17,990
i saw like a pickle vodka i think at one

57
00:02:21,910 --> 00:02:20,160
point pickle brian i love pickled brine

58
00:02:23,589 --> 00:02:21,920
vodka well yeah but you do a lot of

59
00:02:26,070 --> 00:02:23,599
these with pickled brine for in in

60
00:02:30,070 --> 00:02:26,080
version but but like flavored or the

61
00:02:32,309 --> 00:02:30,080
flavor of of curly fries it's just

62
00:02:35,270 --> 00:02:32,319
it's hard i mean i do like curly fries

63
00:02:37,350 --> 00:02:35,280

it's [\h__\h] i like curly flower

64

00:02:38,229 --> 00:02:37,360

i like curly fries and i like vodka but

65

00:02:39,350 --> 00:02:38,239

i don't know about putting those

66

00:02:40,309 --> 00:02:39,360

together

67

00:02:41,350 --> 00:02:40,319

tell you what if i'm going to put this

68

00:02:42,949 --> 00:02:41,360

together

69

00:02:45,190 --> 00:02:42,959

i'm going to be in charge of mixing them

70

00:02:48,710 --> 00:02:45,200

and i'm going to do that in the belly so

71

00:02:51,110 --> 00:02:48,720

there you go yeah and i'm dutch so i put

72

00:02:53,270 --> 00:02:51,120

fries in mayo people still think that's

73

00:02:56,390 --> 00:02:53,280

weird but yeah the vodka thing that's a

74

00:02:58,309 --> 00:02:56,400

little that's a bridge too far

75

00:03:00,630 --> 00:02:58,319

it's just like uh was that a double

76
00:03:02,470 --> 00:03:00,640
dutch reference and because that was an

77
00:03:04,790 --> 00:03:02,480
antwerp

78
00:03:06,710 --> 00:03:04,800
i didn't even think about that but hey

79
00:03:08,470 --> 00:03:06,720
what are the limited quantities like we

80
00:03:11,509 --> 00:03:08,480
read a story in the last show or maybe

81
00:03:14,070 --> 00:03:11,519
two shows ago about uh heinz putting out

82
00:03:16,229 --> 00:03:14,080
limited edition christmas soup and

83
00:03:19,830 --> 00:03:16,239
they're only putting out 500. so what

84
00:03:23,190 --> 00:03:19,840
are the limited quantities of this arby

85
00:03:24,070 --> 00:03:23,200
curly fry flavored vodka like is it 500

86
00:03:25,589 --> 00:03:24,080
again

87
00:03:28,229 --> 00:03:25,599
like this is [h__\h] what if i want to

88
00:03:31,190 --> 00:03:28,239

order vodka i'll drink holidays

89

00:03:32,550 --> 00:03:31,200

it got consumed out on those freighters

90

00:03:34,149 --> 00:03:32,560

on the west coast that's what's

91

00:03:36,470 --> 00:03:34,159

happening these guys have to sit on that

92

00:03:39,750 --> 00:03:36,480

boat it's like let's drink the fried

93

00:03:41,190 --> 00:03:39,760

vodka and now there's not that much left

94

00:03:43,750 --> 00:03:41,200

i get i got to do something out there to

95

00:03:45,110 --> 00:03:43,760

pass the time all right

96

00:03:46,470 --> 00:03:45,120

all right so let's let's let's stay on

97

00:03:48,710 --> 00:03:46,480

the fast food tip and i'm going to

98

00:03:50,630 --> 00:03:48,720

combine combine this with mars

99

00:03:53,589 --> 00:03:50,640

okay

100

00:03:54,470 --> 00:03:53,599

all right let's let's do this

101
00:03:56,630 --> 00:03:54,480
uh

102
00:03:57,670 --> 00:03:56,640
ketchup on mars

103
00:04:01,190 --> 00:03:57,680
okay

104
00:04:04,869 --> 00:04:01,200
i'm interested heinz preps for a future

105
00:04:07,110 --> 00:04:04,879
with condiment on the red planet okay

106
00:04:09,190 --> 00:04:07,120
let's do it

107
00:04:11,670 --> 00:04:09,200
oh my god

108
00:04:13,750 --> 00:04:11,680
matt damon in the martian was one letter

109
00:04:16,229 --> 00:04:13,760
off instead of potatoes he should have

110
00:04:19,270 --> 00:04:16,239
been growing tomatoes with an eye

111
00:04:21,349 --> 00:04:19,280
towards making space ketchup because

112
00:04:23,749 --> 00:04:21,359
what's the point of french fries on mars

113
00:04:26,150 --> 00:04:23,759

if you don't have anything to dip them

114

00:04:29,350 --> 00:04:27,350

the way you're looking at the camera

115

00:04:31,990 --> 00:04:29,360

right now and reading it i think is so

116

00:04:35,270 --> 00:04:32,000

fitting for this article

117

00:04:38,110 --> 00:04:35,280

what is this [h__h] heinz a brand ketchup

118

00:04:40,150 --> 00:04:38,120

you may have heard of enlisted a team of

119

00:04:42,390 --> 00:04:40,160

astrobiologists to answer the most

120

00:04:45,909 --> 00:04:42,400

pressing question of our time will

121

00:04:47,590 --> 00:04:45,919

future human settlers on mars be able to

122

00:04:49,670 --> 00:04:47,600

make their own

123

00:04:51,510 --> 00:04:49,680

ketchup isn't this

124

00:04:54,150 --> 00:04:51,520

john kerry made all his money off of the

125

00:04:57,749 --> 00:04:54,160

heinz family

126

00:04:59,350 --> 00:04:57,759

yeah so maybe he's thinking about the

127

00:05:01,110 --> 00:04:59,360

future he's going to blow up this planet

128

00:05:02,390 --> 00:05:01,120

because climate change and everything so

129

00:05:04,629 --> 00:05:02,400

he's already thinking about mars i'm

130

00:05:06,590 --> 00:05:04,639

going to need ketchup up there

131

00:05:09,189 --> 00:05:06,600

uh heinz collaborated with 14

132

00:05:10,870 --> 00:05:09,199

astrobiologists at the aldrin space

133

00:05:14,390 --> 00:05:10,880

institute do they just walk around this

134

00:05:15,909 --> 00:05:14,400

punch people if they have any questions

135

00:05:17,270 --> 00:05:15,919

that's what buzz aldrin does right he

136

00:05:19,430 --> 00:05:17,280

just punches people who ask him about

137

00:05:22,090 --> 00:05:19,440

the moon

138

00:05:25,749 --> 00:05:22,100

do you like ketchup or mustard

139

00:05:27,830 --> 00:05:25,759

[Laughter]

140

00:05:29,590 --> 00:05:27,840

uh heinz collaborated with 14

141

00:05:31,909 --> 00:05:29,600

astrobiologists at the aldrin space

142

00:05:35,270 --> 00:05:31,919

institute at florida tech to grow

143

00:05:37,670 --> 00:05:35,280

tomatoes in a simulated martian soil the

144

00:05:39,749 --> 00:05:37,680

team success successfully yielded a crop

145

00:05:42,710 --> 00:05:39,759

of heinz tomatoes

146

00:05:43,990 --> 00:05:42,720

from the brand's proprietary tomato seed

147

00:05:46,790 --> 00:05:44,000

with the

148

00:05:49,350 --> 00:05:46,800

exact the exacting qualities that pass

149

00:05:52,390 --> 00:05:49,360

the rigorous quality and taste standards

150

00:05:54,070 --> 00:05:52,400

to become its iconic ketchup the company

151
00:05:55,510 --> 00:05:54,080
said on monday

152
00:05:58,150 --> 00:05:55,520
how much money

153
00:06:00,629 --> 00:05:58,160
uh could be used to uh

154
00:06:02,710 --> 00:06:00,639
house like homeless people or you know

155
00:06:04,790 --> 00:06:02,720
they're like spending almost money on

156
00:06:06,309 --> 00:06:04,800
space ketchup space ketchup and it's

157
00:06:09,670 --> 00:06:06,319
like okay you could you could start a

158
00:06:11,430 --> 00:06:09,680
charity and maybe uh upskill some out of

159
00:06:12,950 --> 00:06:11,440
out of work people like they need some

160
00:06:15,590 --> 00:06:12,960
additional work to become web developed

161
00:06:17,590 --> 00:06:15,600
learn how to code code joe people got to

162
00:06:19,350 --> 00:06:17,600
learn how to code and heinz could be

163
00:06:21,830 --> 00:06:19,360

doing this but no they're making

164

00:06:23,590 --> 00:06:21,840

martian ketchup

165

00:06:24,950 --> 00:06:23,600

i like the comment about how it uh it

166

00:06:26,710 --> 00:06:24,960

was it was what tested to meet their

167

00:06:28,629 --> 00:06:26,720

rigorous standards so is there somebody

168

00:06:30,390 --> 00:06:28,639

is there a guy who works for heinz he

169

00:06:32,550 --> 00:06:30,400

wears a lab coat and he walks around and

170

00:06:35,189 --> 00:06:32,560

he just drinks ketchup to taste it like

171

00:06:37,029 --> 00:06:35,199

the the guys with the uh the the there's

172

00:06:38,950 --> 00:06:37,039

that youtube video of the guy uh tasting

173

00:06:40,390 --> 00:06:38,960

ice cream yeah a guy tastes ice cream

174

00:06:41,990 --> 00:06:40,400

and then every movie there's a guy

175

00:06:43,510 --> 00:06:42,000

designated who tastes cocaine to make

176

00:06:45,189 --> 00:06:43,520

sure it's pure enough

177

00:06:46,870 --> 00:06:45,199

you know it's like it's a like one of

178

00:06:49,189 --> 00:06:46,880

these tomato testers right out there

179

00:06:52,390 --> 00:06:49,199

that's uh jesse and uh

180

00:06:54,070 --> 00:06:52,400

the breaking bad yeah he that's the

181

00:06:55,830 --> 00:06:54,080

purity you can taste

182

00:06:57,589 --> 00:06:55,840

of ketchup he's just testing ketchup no

183

00:07:00,309 --> 00:06:57,599

he that's the the purity of the the

184

00:07:04,070 --> 00:07:00,319

crystal meth i believe right

185

00:07:06,469 --> 00:07:04,080

yeah i think that looks okay yeah

186

00:07:08,390 --> 00:07:06,479

uh so here we go before now most efforts

187

00:07:10,469 --> 00:07:08,400

around discovering

188

00:07:11,749 --> 00:07:10,479

ways to grow in martian simulated

189

00:07:14,469 --> 00:07:11,759

conditions

190

00:07:16,710 --> 00:07:14,479

are short-term plant growth studies uh

191

00:07:19,749 --> 00:07:16,720

what this project has done is look at

192

00:07:21,270 --> 00:07:19,759

long-term food harvesting achieving

193

00:07:24,950 --> 00:07:21,280

a crop that

194

00:07:26,950 --> 00:07:24,960

is of a quality to become heinz ketchup

195

00:07:30,550 --> 00:07:26,960

heinz tomato ketchup

196

00:07:32,950 --> 00:07:30,560

and that that was the dream and it was

197

00:07:36,629 --> 00:07:32,960

the result and we achieved it said astro

198

00:07:38,390 --> 00:07:36,639

biologist andrew palmer who led the two

199

00:07:40,870 --> 00:07:38,400

year project

200

00:07:44,390 --> 00:07:40,880

did this guy waste his time ancient

201
00:07:46,230 --> 00:07:44,400
astronaut theorists say yes okay

202
00:07:47,430 --> 00:07:46,240
i also like how they said that like how

203
00:07:48,390 --> 00:07:47,440
do you phrase it there that was the

204
00:07:53,749 --> 00:07:48,400
dream

205
00:07:55,430 --> 00:07:53,759
and we achieved it

206
00:07:56,710 --> 00:07:55,440
i have a dream when i go to mars i gotta

207
00:07:58,790 --> 00:07:56,720
have ketchup

208
00:08:00,629 --> 00:07:58,800
i was saying going i'm going to step off

209
00:08:01,589 --> 00:08:00,639
the the lander the first footprint on

210
00:08:03,830 --> 00:08:01,599
mars

211
00:08:07,110 --> 00:08:03,840
and i'm going to say for all mankind

212
00:08:07,120 --> 00:08:10,070
jesus christ

213
00:08:13,189 --> 00:08:11,990

heinz is no stranger to space it's

214

00:08:15,749 --> 00:08:13,199

ketchup

215

00:08:18,469 --> 00:08:15,759

is in use on the international space

216

00:08:20,469 --> 00:08:18,479

station it might seem a little silly to

217

00:08:22,390 --> 00:08:20,479

be thinking of uh thinking ahead to

218

00:08:25,189 --> 00:08:22,400

ketchup on mars but

219

00:08:28,070 --> 00:08:25,199

varied food sources say yes flavors will

220

00:08:29,510 --> 00:08:28,080

be important to the well-being of future

221

00:08:31,749 --> 00:08:29,520

astronauts

222

00:08:35,990 --> 00:08:31,759

who uh who are far

223

00:08:41,430 --> 00:08:39,269

this is absolutely an ad it's on c net

224

00:08:42,790 --> 00:08:41,440

of all places they weren't they like a

225

00:08:44,870 --> 00:08:42,800

tech

226

00:08:46,949 --> 00:08:44,880

outfit yeah that's what they were they

227

00:08:49,350 --> 00:08:46,959

do tech news and like space news science

228

00:08:51,110 --> 00:08:49,360

news you know but that but this is just

229

00:08:53,670 --> 00:08:51,120

going to be nothing new

230

00:08:55,750 --> 00:08:53,680

yeah this could be nothing other uh than

231

00:08:58,230 --> 00:08:55,760

a than a than an ad

232

00:08:59,030 --> 00:08:58,240

to be fair has been a disappointment joe

233

00:09:01,030 --> 00:08:59,040

if you want to see that this is

234

00:09:02,790 --> 00:09:01,040

definitely an ad because of all the news

235

00:09:04,790 --> 00:09:02,800

news uh sources covering it just do a

236

00:09:09,430 --> 00:09:04,800

search for mars ketchup and you find

237

00:09:11,829 --> 00:09:09,440

smithsonian msn mental floss kriv daily

238

00:09:14,470 --> 00:09:11,839

mail slash gear cnn so they're all

239

00:09:16,470 --> 00:09:14,480

covered even space.com which i believe

240

00:09:18,230 --> 00:09:16,480

is actually run by nasa or just a bunch

241

00:09:20,630 --> 00:09:18,240

of jerks i don't know

242

00:09:23,110 --> 00:09:20,640

but they're all covering the story yep

243

00:09:24,389 --> 00:09:23,120

everyone's got their own spin on on mars

244

00:09:27,509 --> 00:09:24,399

ketchup

245

00:09:30,949 --> 00:09:27,519

meanwhile try to look uh look at the the

246

00:09:32,470 --> 00:09:30,959

i googled ethics muppets gupta

247

00:09:34,389 --> 00:09:32,480

it's all like

248

00:09:36,790 --> 00:09:34,399

the positive stuff i thought you could

249

00:09:38,870 --> 00:09:36,800

say it said no results no it's all

250

00:09:41,910 --> 00:09:38,880

positive stuff and even that clip that

251
00:09:43,509 --> 00:09:41,920
we played about the muppets it was uh

252
00:09:45,829 --> 00:09:43,519
media matters

253
00:09:49,269 --> 00:09:45,839
like laughing at fox news for getting

254
00:09:51,269 --> 00:09:49,279
upset for seeing it's just like it's so

255
00:09:53,590 --> 00:09:51,279
obvious that these [h__h] are so

256
00:09:56,470 --> 00:09:53,600
bought man this is just like

257
00:09:58,230 --> 00:09:56,480
faith in institutions should be gone it

258
00:09:59,110 --> 00:09:58,240
should be gone

259
00:10:01,030 --> 00:09:59,120
um

260
00:10:03,030 --> 00:10:01,040
i so i did find it they released a one

261
00:10:04,870 --> 00:10:03,040
minute promo video mike if you want to

262
00:10:06,310 --> 00:10:04,880
actually run that i do

263
00:10:07,430 --> 00:10:06,320

i i saw that as soon as you put it in

264

00:10:10,150 --> 00:10:07,440

there it's like oh the heinz is

265

00:10:12,470 --> 00:10:10,160

introducing the mars edition it's a deep

266

00:10:14,550 --> 00:10:12,480

dive into the so wait a second i i need

267

00:10:16,829 --> 00:10:14,560

to get limited edition

268

00:10:20,069 --> 00:10:16,839

heinz christmas

269

00:10:23,269 --> 00:10:20,079

soup i need to get the limited edition

270

00:10:25,190 --> 00:10:23,279

arby's flavored vodka yep

271

00:10:29,030 --> 00:10:25,200

and i need to get the limited edition

272

00:10:31,670 --> 00:10:29,040

heinz mars ketchup even though i am

273

00:10:33,670 --> 00:10:31,680

opposed to condiments i don't use them

274

00:10:35,030 --> 00:10:33,680

and i hate them i'll destroy any comment

275

00:10:36,630 --> 00:10:35,040

i see

276

00:10:38,389 --> 00:10:36,640

but and this is why you can't go to

277

00:10:40,230 --> 00:10:38,399

space mike i can't go to mars i'm not

278

00:10:43,509 --> 00:10:40,240

allowed mars

279

00:10:45,350 --> 00:10:43,519

the packet of taco bell sauce back not

280

00:10:46,949 --> 00:10:45,360

gonna mail those packets back

281

00:10:48,389 --> 00:10:46,959

well that last time you're on the space

282

00:10:52,710 --> 00:10:48,399

station you kept opening the hatch and

283

00:10:57,110 --> 00:10:54,630

i just stuffed a shatner spaceship full

284

00:10:59,110 --> 00:10:57,120

of taco sauce

285

00:11:00,550 --> 00:10:59,120

it insulates you from the heat it's like

286

00:11:02,790 --> 00:11:00,560

just like somebody else keeps stuffing a

287

00:11:04,790 --> 00:11:02,800

bunch of human [h__h] and biting his pants

288

00:11:06,470 --> 00:11:04,800

exactly who put all this [\h__\h] in my

289

00:11:10,150 --> 00:11:06,480

pants yeah that's what he asked the

290

00:11:12,630 --> 00:11:10,160

first thing he's like who [\h__\h] my pants

291

00:11:15,670 --> 00:11:12,640

uh here's the uh the heinz uh mars

292

00:11:19,350 --> 00:11:15,680

edition commercial

293

00:11:22,630 --> 00:11:19,360

with humankind exploring mars

294

00:11:25,030 --> 00:11:22,640

new questions arise

295

00:11:27,430 --> 00:11:25,040

will we live there one day

296

00:11:28,710 --> 00:11:27,440

what will the future look like here on

297

00:11:32,550 --> 00:11:28,720

earth

298

00:11:36,870 --> 00:11:35,509

will we have heinz tomato ketchup well

299

00:11:38,150 --> 00:11:36,880

hello

300

00:11:40,870 --> 00:11:38,160

we will

301
00:11:42,949 --> 00:11:40,880
heinz and the aldern space institute

302
00:11:44,150 --> 00:11:42,959
combine their expertise to create

303
00:11:46,790 --> 00:11:44,160
tomatoes

304
00:11:49,350 --> 00:11:46,800
in the harshest conditions ever

305
00:11:50,949 --> 00:11:49,360
martian soil with regards to our own

306
00:11:52,629 --> 00:11:50,959
survival here on this planet you know

307
00:11:55,990 --> 00:11:52,639
one of the big questions is how do we

308
00:11:58,150 --> 00:11:56,000
grow in soils that are less than ideal

309
00:12:01,430 --> 00:11:58,160
space exploration brought many benefits

310
00:12:02,550 --> 00:12:01,440
to our world gps water filtration

311
00:12:03,910 --> 00:12:02,560
systems

312
00:12:07,110 --> 00:12:03,920
and now

313
00:12:09,829 --> 00:12:07,120

this really if we can grow on mars soil

314

00:12:12,710 --> 00:12:09,839

we can grow in more places on earth

315

00:12:15,670 --> 00:12:12,720

really heinz mars edition grown under

316

00:12:18,710 --> 00:12:15,680

mars soil conditions for generations to

317

00:12:22,150 --> 00:12:18,720

come holy this is a giant snack i mean a

318

00:12:25,910 --> 00:12:22,160

giant step for humanity

319

00:12:27,509 --> 00:12:25,920

good gracious all right oh well we've

320

00:12:29,829 --> 00:12:27,519

done it human human civilization has

321

00:12:31,910 --> 00:12:29,839

peaked i you know these all sound like

322

00:12:34,470 --> 00:12:31,920

very smart people some money went behind

323

00:12:35,910 --> 00:12:34,480

this like don't they know space is fake

324

00:12:36,710 --> 00:12:35,920

and gay

325

00:12:37,750 --> 00:12:36,720

uh

326
00:12:39,350 --> 00:12:37,760
well

327
00:12:40,870 --> 00:12:39,360
that's obvious joe

328
00:12:41,990 --> 00:12:40,880
would i

329
00:12:44,710 --> 00:12:42,000
why what

330
00:12:47,430 --> 00:12:44,720
no the ketchup is this this video is two

331
00:12:49,430 --> 00:12:47,440
days old and this is on the the heinz

332
00:12:52,870 --> 00:12:49,440
youtube channel it's only got 5 000

333
00:12:54,230 --> 00:12:52,880
views and only 45 up votes and only five

334
00:12:55,350 --> 00:12:54,240
down votes and those downloads are going

335
00:12:58,870 --> 00:12:55,360
to go away

336
00:13:00,069 --> 00:12:58,880
because youtube is doing away with the

337
00:13:01,670 --> 00:13:00,079
down vote

338
00:13:03,350 --> 00:13:01,680

so or uh

339

00:13:04,230 --> 00:13:03,360

the thumbs down so

340

00:13:05,430 --> 00:13:04,240

it's

341

00:13:07,509 --> 00:13:05,440

they spent a lot of money in this

342

00:13:10,949 --> 00:13:07,519

commercial in production

343

00:13:12,470 --> 00:13:10,959

and it's only got 5 000 views

344

00:13:14,550 --> 00:13:12,480

i guess it just shows like all the

345

00:13:18,389 --> 00:13:14,560

advertisement they did with space.com

346

00:13:20,949 --> 00:13:18,399

and all these other like space like cnet

347

00:13:23,430 --> 00:13:20,959

we're the only ones driving traffic

348

00:13:25,269 --> 00:13:23,440

the people making fun of it yeah yeah

349

00:13:27,269 --> 00:13:25,279

hey mello horus is saying yeah we're

350

00:13:29,910 --> 00:13:27,279

gonna put you combine this with the

351
00:13:33,110 --> 00:13:29,920
curly fries uh vodka

352
00:13:35,750 --> 00:13:34,550
it's a bloody absolutely

353
00:13:38,230 --> 00:13:35,760
[h__\h] yeah

354
00:13:40,550 --> 00:13:38,240
that's how you do it

355
00:13:42,790 --> 00:13:40,560
arby's needs to partner with nasa right

356
00:13:44,470 --> 00:13:42,800
now arby's needs to get in the space

357
00:13:45,910 --> 00:13:44,480
game asap

358
00:13:49,990 --> 00:13:45,920
yeah

359
00:13:53,590 --> 00:13:51,910
it's funny you brought that up because

360
00:13:55,110 --> 00:13:53,600
this has happened to me on a couple of

361
00:13:57,670 --> 00:13:55,120
occasions where

362
00:13:59,269 --> 00:13:57,680
there's a market over here that i go to

363
00:14:01,350 --> 00:13:59,279

for my groceries and there's an arby's

364

00:14:02,790 --> 00:14:01,360

there and then it got demolished so like

365

00:14:03,910 --> 00:14:02,800

tore it down

366

00:14:05,829 --> 00:14:03,920

and

367

00:14:07,430 --> 00:14:05,839

now they just built an arby's on top of

368

00:14:09,189 --> 00:14:07,440

it so i'm like

369

00:14:10,790 --> 00:14:09,199

the you know like i'm a little confused

370

00:14:11,910 --> 00:14:10,800

when i first moved to atlanta there was

371

00:14:14,470 --> 00:14:11,920

a bp

372

00:14:16,389 --> 00:14:14,480

on the corner of piedmont and

373

00:14:17,269 --> 00:14:16,399

i don't remember which intersection it

374

00:14:20,949 --> 00:14:17,279

was

375

00:14:22,310 --> 00:14:20,959

they leveled the bp and built a bp

376

00:14:25,189 --> 00:14:22,320

what is this

377

00:14:26,629 --> 00:14:25,199

it's like uh it's like a ghost like uh

378

00:14:28,310 --> 00:14:26,639

you can't get rid of it it's like a

379

00:14:30,949 --> 00:14:28,320

poultry guys you can't do anything it

380

00:14:34,069 --> 00:14:30,959

just demands that you you put the exact

381

00:14:35,590 --> 00:14:34,079

same thing that you took away it's it's

382

00:14:37,509 --> 00:14:35,600

like a curse

383

00:14:39,269 --> 00:14:37,519

that's so bizarre so i have an image up

384

00:14:41,990 --> 00:14:39,279

here of uh the first arby's open on the

385

00:14:43,590 --> 00:14:42,000

moon so there it is i see that out there

386

00:14:45,910 --> 00:14:43,600

and uh this image which will appear to

387

00:14:48,870 --> 00:14:45,920

everybody in about five seconds is a

388

00:14:50,550 --> 00:14:48,880

picture of the uh first arby's on mars

389

00:14:52,150 --> 00:14:50,560

so there you go oh wow

390

00:14:53,910 --> 00:14:52,160

that looks

391

00:14:54,870 --> 00:14:53,920

look at that sack of filth

392

00:14:56,710 --> 00:14:54,880

all right

393

00:14:58,310 --> 00:14:56,720

they should put a little portal

394

00:14:59,910 --> 00:14:58,320

in there you know what i mean like it's

395

00:15:01,750 --> 00:14:59,920

just like step through one of the doors

396

00:15:03,910 --> 00:15:01,760

don't go to the restroom it's the one

397

00:15:05,750 --> 00:15:03,920

over there uh and then it just takes you

398

00:15:07,350 --> 00:15:05,760

to the mars harvey's like a pac-man

399

00:15:09,110 --> 00:15:07,360

portal that'd be great if they could do

400

00:15:12,069 --> 00:15:09,120

that with the stargate find yourself on

401
00:15:14,389 --> 00:15:12,079
mars suddenly oh [h__h] are we we need to

402

00:15:19,189 --> 00:15:17,760
to invest into stargate technology

404
00:15:21,269 --> 00:15:19,199

408
00:15:27,590 --> 00:15:26,240
