

BIGFOOT ATTACK

1
00:00:00,270 --> 00:00:06,309
[Applause]

2
00:00:10,150 --> 00:00:08,950
hey everyone you may be asking where's

3
00:00:12,549 --> 00:00:10,160
the show

4
00:00:15,270 --> 00:00:12,559
well youtube does not like us that much

5
00:00:17,510 --> 00:00:15,280
we only post the wacky news stories here

6
00:00:19,910 --> 00:00:17,520
things that are less controversial if

7
00:00:21,349 --> 00:00:19,920
you want all the other topics and i

8
00:00:23,590 --> 00:00:21,359
think you know what i'm talking about

9
00:00:26,310 --> 00:00:23,600
you have to listen to those on other

10
00:00:28,230 --> 00:00:26,320
platforms

11
00:00:30,630 --> 00:00:28,240
we still stream live

12
00:00:33,270 --> 00:00:30,640
we stream live on twitch

13
00:00:36,630 --> 00:00:33,280

float.app and d live

14

00:00:39,350 --> 00:00:36,640

and those are at 7 p.m eastern standard

15

00:00:42,229 --> 00:00:39,360

time on wednesday and then 12 p.m

16

00:00:44,790 --> 00:00:42,239

eastern standard time on saturday

17

00:00:46,950 --> 00:00:44,800

as always you can download the audio

18

00:00:49,029 --> 00:00:46,960

only podcast for free

19

00:00:52,229 --> 00:00:49,039

you can check the description in this

20

00:00:54,869 --> 00:00:52,239

video or go to obdmpod.com

21

00:00:57,270 --> 00:00:54,879

the show's march on we haven't stopped

22

00:00:59,510 --> 00:00:57,280

it's just we have stopped uploading full

23

00:01:02,389 --> 00:00:59,520

shows and streaming to youtube thanks

24

00:01:05,030 --> 00:01:02,399

and here's another wacky news segment

25

00:01:07,109 --> 00:01:05,040

no need to panic we got it under control

26

00:01:09,270 --> 00:01:07,119

i have no idea what i found this morning

27

00:01:11,750 --> 00:01:09,280

this headline is uh

28

00:01:15,030 --> 00:01:11,760

coupled convinced bigfoot lifted heavy

29

00:01:15,990 --> 00:01:15,040

trailer after terrified wife saw two

30

00:01:17,270 --> 00:01:16,000

red

31

00:01:18,950 --> 00:01:17,280

eyes

32

00:01:21,109 --> 00:01:18,960

oh like the stories of like grandma

33

00:01:23,270 --> 00:01:21,119

lifting the car off of people

34

00:01:24,870 --> 00:01:23,280

yeah people like that are so full of

35

00:01:26,950 --> 00:01:24,880

adrenaline that they can list lift a

36

00:01:28,789 --> 00:01:26,960

helicopter off their buddy

37

00:01:29,990 --> 00:01:28,799

you know something like that so when you

38

00:01:31,590 --> 00:01:30,000

get a car wreck just wait because

39

00:01:32,950 --> 00:01:31,600

bigfoot will come by and lift the car up

40

00:01:35,590 --> 00:01:32,960

i'm just waiting for

41

00:01:37,670 --> 00:01:35,600

sasquatch to come by and help me out

42

00:01:39,590 --> 00:01:37,680

i've got a flat tire i just forgot my

43

00:01:41,910 --> 00:01:39,600

jack at home part of triple aaa it's a

44

00:01:43,590 --> 00:01:41,920

special uh special plans for aaa

45

00:01:45,350 --> 00:01:43,600

roadside assistance or roadside

46

00:01:47,270 --> 00:01:45,360

assistance from sasquatch triple b you

47

00:01:48,149 --> 00:01:47,280

know uh bigfoot best friend kind of

48

00:01:49,350 --> 00:01:48,159

thing

49

00:01:50,710 --> 00:01:49,360

bigfoot

50

00:01:52,870 --> 00:01:50,720

um

51
00:01:55,270 --> 00:01:52,880
here is the story here a huge bigfoot

52
00:01:57,670 --> 00:01:55,280
creature lifted a house trailer off its

53
00:02:00,230 --> 00:01:57,680
foundation leaving its inhabitants

54
00:02:02,310 --> 00:02:00,240
frozen stiff with horror according to a

55
00:02:03,270 --> 00:02:02,320
professor investigating the mysterious

56
00:02:06,310 --> 00:02:03,280
beasts

57
00:02:09,510 --> 00:02:06,320
also referred to as sasquatch's i think

58
00:02:12,070 --> 00:02:09,520
it's sasquatch but i don't know

59
00:02:14,790 --> 00:02:12,080
squatches sasquatches

60
00:02:16,150 --> 00:02:14,800
also referred to as sas squatches there

61
00:02:18,470 --> 00:02:16,160
is no proof

62
00:02:20,390 --> 00:02:18,480
that the huge two-legged hairy creature

63
00:02:21,990 --> 00:02:20,400

exists yet there are

64

00:02:23,670 --> 00:02:22,000

and have been numerous stories of

65

00:02:25,990 --> 00:02:23,680

sightings across the us one such

66

00:02:27,110 --> 00:02:26,000

incident alleged to have taken place

67

00:02:35,190 --> 00:02:27,120

near

68

00:02:37,430 --> 00:02:35,200

revealed by theodore bennett a professor

69

00:02:40,390 --> 00:02:37,440

of earth and planetary science

70

00:02:43,030 --> 00:02:40,400

on the force uh fleurier

71

00:02:44,070 --> 00:02:43,040

bigfoot research podcast he explained

72

00:02:46,150 --> 00:02:44,080

that the

73

00:02:48,390 --> 00:02:46,160

he explained that a fascination with the

74

00:02:51,670 --> 00:02:48,400

paranormal from an early age had led him

75

00:02:53,670 --> 00:02:51,680

to studying the supposed species in an

76

00:02:55,509 --> 00:02:53,680

academic arena

77

00:02:56,470 --> 00:02:55,519

so whitehall

78

00:02:59,030 --> 00:02:56,480

um

79

00:02:59,990 --> 00:02:59,040

there is a lot of cryptozoological

80

00:03:01,750 --> 00:03:00,000

stories from

81

00:03:05,190 --> 00:03:01,760

right around there i believe small town

82

00:03:06,149 --> 00:03:05,200

monsters did uh a segment or a movie on

83

00:03:08,869 --> 00:03:06,159

like the

84

00:03:10,949 --> 00:03:08,879

a beast from whitehall um and it is a

85

00:03:13,030 --> 00:03:10,959

bigfoot kind of creature but there are

86

00:03:13,830 --> 00:03:13,040

also kind of uh dogman kind of creatures

87

00:03:16,149 --> 00:03:13,840

too

88

00:03:18,470 --> 00:03:16,159

uh but theodore recalled the story told

89

00:03:20,630 --> 00:03:18,480

him by the couple uh he had once met he

90

00:03:23,190 --> 00:03:20,640

remembered that they claimed that the

91

00:03:25,990 --> 00:03:23,200

event began with the onset of a foul

92

00:03:28,869 --> 00:03:26,000

stench like a rotting meat before the

93

00:03:31,110 --> 00:03:28,879

power of the before the power

94

00:03:33,350 --> 00:03:31,120

to the paris house

95

00:03:34,949 --> 00:03:33,360

was suddenly shut off the professor

96

00:03:36,949 --> 00:03:34,959

suggested that

97

00:03:38,309 --> 00:03:36,959

uh he said they went down to their

98

00:03:41,030 --> 00:03:38,319

trailer they discovered that the

99

00:03:43,350 --> 00:03:41,040

electricity was off they made dinner on

100

00:03:44,630 --> 00:03:43,360

the camp stove and he said that night in

101
00:03:48,789 --> 00:03:44,640
total

102
00:03:50,789 --> 00:03:48,799
trailer began being lifted off its

103
00:03:52,869 --> 00:03:50,799
cinder block foundation

104
00:03:53,830 --> 00:03:52,879
he said that the trailer weighed several

105
00:03:56,390 --> 00:03:53,840
tons

106
00:03:59,670 --> 00:03:56,400
he said whatever was doing it it was

107
00:04:02,229 --> 00:03:59,680
also rattling their doorknobs

108
00:04:04,869 --> 00:04:02,239
so bigfoot was trying to get in

109
00:04:06,390 --> 00:04:04,879
um while he was lifting that's that's

110
00:04:09,030 --> 00:04:06,400
that's good agility

111
00:04:11,589 --> 00:04:09,040
well i would say that at that point

112
00:04:12,830 --> 00:04:11,599
there were probably several sasquatches

113
00:04:15,589 --> 00:04:12,840

if that

114

00:04:16,550 --> 00:04:15,599

was oh they got him working in teams now

115

00:04:17,990 --> 00:04:16,560

yeah so

116

00:04:19,430 --> 00:04:18,000

this this to me sounds like bigfoot's

117

00:04:20,789 --> 00:04:19,440

been working out

118

00:04:23,430 --> 00:04:20,799

something like this

119

00:04:25,430 --> 00:04:23,440

is it also sounds like the same as when

120

00:04:27,990 --> 00:04:25,440

mr mustache my cat is trying to break

121

00:04:31,590 --> 00:04:28,000

into my studio

122

00:04:36,070 --> 00:04:33,350

and i have a horrific mr mustache story

123

00:04:38,550 --> 00:04:36,080

i'll tell at a later date

124

00:04:41,189 --> 00:04:38,560

but uh so uh bigfoot uh picked up the

125

00:04:43,830 --> 00:04:41,199

trailer and tried to get in

126
00:04:46,230 --> 00:04:43,840
using a doorknob uh goes on to say quote

127
00:04:47,909 --> 00:04:46,240
uh he said his wife edith

128
00:04:49,670 --> 00:04:47,919
go look through the window and see if

129
00:04:51,590 --> 00:04:49,680
you can see anything he sent the wife to

130
00:04:53,510 --> 00:04:51,600
go look what was he doing yeah he was

131
00:04:56,150 --> 00:04:53,520
well he was cowering under the bed yeah

132
00:04:59,030 --> 00:04:56,160
he was i'm too scared um i'm crapping

133
00:05:01,270 --> 00:04:59,040
myself in our trailer

134
00:05:02,710 --> 00:05:01,280
you know bathroom go check it out wife

135
00:05:03,830 --> 00:05:02,720
oh man

136
00:05:05,990 --> 00:05:03,840
gotta keep flushing this thing to

137
00:05:08,390 --> 00:05:06,000
prevent a brown friday

138
00:05:10,629 --> 00:05:08,400

uh she she said she looked through the

139

00:05:12,950 --> 00:05:10,639

window and no more than two feet in

140

00:05:15,830 --> 00:05:12,960

front of her outside the window were two

141

00:05:17,749 --> 00:05:15,840

bright red eyes looking at her

142

00:05:19,430 --> 00:05:17,759

edith apparently jumped back hitting the

143

00:05:21,189 --> 00:05:19,440

cabinet uh

144

00:05:23,670 --> 00:05:21,199

on the other side of the trailer and her

145

00:05:24,870 --> 00:05:23,680

husband john appeared with a loaded

146

00:05:27,830 --> 00:05:24,880

shotgun

147

00:05:29,430 --> 00:05:27,840

when the rattling stopped oh that's what

148

00:05:31,670 --> 00:05:29,440

john all of a sudden coming out like a

149

00:05:34,150 --> 00:05:31,680

big hero with a shotgun he sent his wife

150

00:05:36,310 --> 00:05:34,160

to the window without a gun

151

00:05:42,550 --> 00:05:36,320

john was cowering in the back with his

152

00:05:47,670 --> 00:05:45,670

um they both sat there trembling frozen

153

00:05:49,990 --> 00:05:47,680

stiff with horror and the next morning

154

00:05:51,670 --> 00:05:50,000

after not sleeping they got out and saw

155

00:05:53,909 --> 00:05:51,680

a large footprint

156

00:05:55,590 --> 00:05:53,919

was left all around so our footprints

157

00:05:58,710 --> 00:05:55,600

were left all around the yeah so he

158

00:06:01,189 --> 00:05:58,720

didn't he didn't even fire two blasts

159

00:06:03,830 --> 00:06:01,199

no he did not follow the recommendation

160

00:06:04,870 --> 00:06:03,840

by our president joe biden fired two

161

00:06:07,510 --> 00:06:04,880

blasts

162

00:06:09,110 --> 00:06:07,520

outside the house yeah when sasquatch

163

00:06:10,469 --> 00:06:09,120

comes around you fire two blasts chase

164

00:06:14,150 --> 00:06:10,479

them off

165

00:06:16,230 --> 00:06:14,160

uh apparently uh the sasquatches were

166

00:06:18,550 --> 00:06:16,240

were frightened off by the sight of his

167

00:06:20,150 --> 00:06:18,560

wife i don't know what that says maybe

168

00:06:22,150 --> 00:06:20,160

that's why he sent her over there hey

169

00:06:24,150 --> 00:06:22,160

you go look at him show him your face

170

00:06:25,749 --> 00:06:24,160

hey honey you ugly you gonna scare these

171

00:06:28,150 --> 00:06:25,759

bigfoot away

172

00:06:28,950 --> 00:06:28,160

i'm the people before you talk now this

173

00:06:30,629 --> 00:06:28,960

is

174

00:06:33,270 --> 00:06:30,639

when you leave the city

175

00:06:35,670 --> 00:06:33,280

like there are like white hall like

176
00:06:36,629 --> 00:06:35,680
eight miles outside of columbus i don't

177
00:06:39,350 --> 00:06:36,639
know

178
00:06:40,790 --> 00:06:39,360
but once you leave the city there are a

179
00:06:43,510 --> 00:06:40,800
lot of like

180
00:06:45,749 --> 00:06:43,520
like southern accents like everyone kind

181
00:06:48,230 --> 00:06:45,759
of like hey they're they're it's not as

182
00:06:51,589 --> 00:06:48,240
like a heavy as a draw but there is a a

183
00:06:52,629 --> 00:06:51,599
redneck accent that exists in

184
00:06:54,870 --> 00:06:52,639
ohio

185
00:06:57,909 --> 00:06:54,880
okay from downtown capitol square to

186
00:07:00,550 --> 00:06:57,919
whitehall ohio six miles

187
00:07:03,110 --> 00:07:00,560
man that that place gets rural fast

188
00:07:05,029 --> 00:07:03,120

no way they're technically inside the

189

00:07:06,070 --> 00:07:05,039

beltway mike

190

00:07:07,110 --> 00:07:06,080

whitehall

191

00:07:09,430 --> 00:07:07,120

yeah

192

00:07:10,950 --> 00:07:09,440

i thought it was at least 30 miles out

193

00:07:13,189 --> 00:07:10,960

no it's right it's like inside two

194

00:07:15,110 --> 00:07:13,199

centers over by gahanna

195

00:07:16,950 --> 00:07:15,120

it's not the airport bigfoot can you can

196

00:07:19,670 --> 00:07:16,960

escape quickly oh you must been working

197

00:07:21,510 --> 00:07:19,680

for the tsa okay

198

00:07:23,510 --> 00:07:21,520

let's go check this trailer see i don't

199

00:07:25,110 --> 00:07:23,520

know where i'm at like i live around i

200

00:07:26,950 --> 00:07:25,120

live somewhere around here i don't even

201
00:07:28,309 --> 00:07:26,960
know you're like within an hour of this

202
00:07:29,350 --> 00:07:28,319
place and you don't know where it is i

203
00:07:31,670 --> 00:07:29,360
don't know

204
00:07:33,350 --> 00:07:31,680
i i've heard of white hall but i didn't

205
00:07:35,430 --> 00:07:33,360
know like it was that close i thought it

206
00:07:36,710 --> 00:07:35,440
was like 30 minutes outside columbus

207
00:07:39,029 --> 00:07:36,720
what do i know

208
00:07:40,309 --> 00:07:39,039
i got hairy legs that's all i know focus

209
00:07:42,309 --> 00:07:40,319
on your hairy legs is there another is

210
00:07:43,430 --> 00:07:42,319
there like a white something a white

211
00:07:47,029 --> 00:07:43,440
house

212
00:07:49,990 --> 00:07:47,039
where's that probably

213
00:07:51,670 --> 00:07:50,000

uh so uh before the supposed attack took

214

00:07:54,710 --> 00:07:51,680

place it was claimed that the couple

215

00:07:57,270 --> 00:07:54,720

also saw a bright light in the sky

216

00:07:59,510 --> 00:07:57,280

which they took to be a ufo which is not

217

00:08:01,270 --> 00:07:59,520

uncommon for events like this typically

218

00:08:03,430 --> 00:08:01,280

i love that now we're back to ufos

219

00:08:06,150 --> 00:08:03,440

dropping off bigfoot yeah to do work for

220

00:08:08,390 --> 00:08:06,160

them uh something like that that's right

221

00:08:10,950 --> 00:08:08,400

and this is a very common thing this was

222

00:08:12,629 --> 00:08:10,960

explored and documented by stan gordon

223

00:08:14,950 --> 00:08:12,639

in uh

224

00:08:17,189 --> 00:08:14,960

in his book i forget it's called like a

225

00:08:18,710 --> 00:08:17,199

invasion uh something like that or

226

00:08:21,189 --> 00:08:18,720

pennsylvania invasion the invasion of

227

00:08:23,589 --> 00:08:21,199

pennsylvania and this was like about a

228

00:08:26,629 --> 00:08:23,599

ufo in bigfoot flap that took place in

229

00:08:27,749 --> 00:08:26,639

the uh late 60s early 70s

230

00:08:29,749 --> 00:08:27,759

um

231

00:08:32,630 --> 00:08:29,759

where commonly people would see

232

00:08:33,829 --> 00:08:32,640

a ufo and then maybe a day or two later

233

00:08:36,709 --> 00:08:33,839

they would see

234

00:08:40,389 --> 00:08:36,719

bigfoot in the same location and there's

235

00:08:42,709 --> 00:08:40,399

a correlation maybe not directly or but

236

00:08:43,589 --> 00:08:42,719

it's very common to see one if you see

237

00:08:44,949 --> 00:08:43,599

the other

238

00:08:46,710 --> 00:08:44,959

well wasn't there a small town monsters

239

00:08:47,910 --> 00:08:46,720

on this too that talked about um which

240

00:08:49,910 --> 00:08:47,920

one was it where there was a big foot in

241

00:08:52,310 --> 00:08:49,920

the ufo at the same time yeah this was

242

00:08:54,710 --> 00:08:52,320

that small town monsters was called

243

00:08:56,550 --> 00:08:54,720

invasion on chestnut ridge chestnut

244

00:08:58,949 --> 00:08:56,560

ridge yes okay

245

00:09:00,790 --> 00:08:58,959

uh very very well done documentary where

246

00:09:03,430 --> 00:09:00,800

it goes into some of the more

247

00:09:05,750 --> 00:09:03,440

interesting interactions between people

248

00:09:07,190 --> 00:09:05,760

and bigfoot uh one of the the more

249

00:09:08,949 --> 00:09:07,200

interesting ones where

250

00:09:12,310 --> 00:09:08,959

there was a

251

00:09:13,990 --> 00:09:12,320

a guy and two of his kids uh relatives

252

00:09:16,470 --> 00:09:14,000

sitting on a porch and they saw two big

253

00:09:19,110 --> 00:09:16,480

feet marching along the fence line the

254

00:09:21,670 --> 00:09:19,120

guy takes out his rifle uh shoots at one

255

00:09:24,070 --> 00:09:21,680

of them he thinks he blasts

256

00:09:25,990 --> 00:09:24,080

that guy did exactly what joe biden

257

00:09:28,470 --> 00:09:26,000

suggested he fired it called blast but

258

00:09:31,590 --> 00:09:28,480

that i mean he fired him at

259

00:09:34,470 --> 00:09:31,600

the the bigfoot fired two blasts

260

00:09:38,550 --> 00:09:34,480

outside the house and he recalls that he

261

00:09:40,710 --> 00:09:38,560

uh he he reckons that he he got one um

262

00:09:42,470 --> 00:09:40,720

they slowly retreated back into the

263

00:09:45,829 --> 00:09:42,480

woods they got into

264

00:09:47,910 --> 00:09:45,839

a ufo or there was a red light

265

00:09:51,350 --> 00:09:47,920

that they went towards this red light

266

00:09:53,269 --> 00:09:51,360

and the red light took off um so

267

00:09:55,750 --> 00:09:53,279

whether that's did he also yell i got

268

00:09:57,509 --> 00:09:55,760

one after he thinks he had one because i

269

00:09:59,350 --> 00:09:57,519

i don't think that he yelled that but

270

00:10:00,949 --> 00:09:59,360

it's unconfirmed i would make sure to

271

00:10:01,590 --> 00:10:00,959

yell that

272

00:10:05,269 --> 00:10:01,600

so

273

00:10:07,350 --> 00:10:05,279

trying to abduct the people in the

274

00:10:10,069 --> 00:10:07,360

trailer but for some reason it was

275

00:10:11,910 --> 00:10:10,079

caught on something or stuck

276

00:10:14,310 --> 00:10:11,920

so they deployed the big feet to go down

277

00:10:16,389 --> 00:10:14,320

there to lift it off the ground and they

278

00:10:18,790 --> 00:10:16,399

almost succeeded until the guy had his

279

00:10:20,949 --> 00:10:18,800

ugly wife stick her head out the window

280

00:10:22,790 --> 00:10:20,959

so here okay so uh i'll read this last

281

00:10:25,269 --> 00:10:22,800

little thing so theodore

282

00:10:26,710 --> 00:10:25,279

the the the professor here uh suggests

283

00:10:29,350 --> 00:10:26,720

that there's a link between ufo

284

00:10:31,590 --> 00:10:29,360

sightings and bigfoot attacks saying on

285

00:10:33,990 --> 00:10:31,600

more than one occasion witnesses have

286

00:10:35,509 --> 00:10:34,000

seen a ufo coming down very close to the

287

00:10:38,150 --> 00:10:35,519

ground and people have seen bigfoot

288

00:10:39,670 --> 00:10:38,160

creatures being beamed down onto the

289

00:10:42,870 --> 00:10:39,680

surface of the earth and then the

290

00:10:44,710 --> 00:10:42,880

bigfoot just walks away so yeah um there

291

00:10:46,710 --> 00:10:44,720

are multiple

292

00:10:48,550 --> 00:10:46,720

of these stories and maybe i will i will

293

00:10:49,350 --> 00:10:48,560

bring that i'll do a whole segment on

294

00:10:51,990 --> 00:10:49,360

just

295

00:10:54,150 --> 00:10:52,000

ufos and bigfoot stories like they're

296

00:10:56,150 --> 00:10:54,160

all happening i've read a bunch of them

297

00:10:57,990 --> 00:10:56,160

and they're pretty interesting

298

00:11:00,630 --> 00:10:58,000

like there could be just

299

00:11:02,310 --> 00:11:00,640

naturally a occurring bigfoot on earth

300

00:11:04,949 --> 00:11:02,320

they have nothing to do with ufos and

301

00:11:06,550 --> 00:11:04,959

then there also could be uh ufos that

302

00:11:09,590 --> 00:11:06,560

have their own version of bigfoot that

303

00:11:12,069 --> 00:11:09,600

they deploy down here and that they're

304

00:11:15,030 --> 00:11:12,079

some sort of worker for them much like

305

00:11:18,069 --> 00:11:15,040

hey we have us humans here but there are

306

00:11:20,230 --> 00:11:18,079

also other types of humans that do other

307

00:11:23,430 --> 00:11:20,240

things that every human has a different

308

00:11:25,110 --> 00:11:23,440

job a different role um and live in a

309

00:11:26,710 --> 00:11:25,120

different way maybe that's the same

310

00:11:28,870 --> 00:11:26,720

thing with bigfoot are you suggesting we

311

00:11:30,550 --> 00:11:28,880

all keep extra hairy humans in the trunk

312

00:11:33,430 --> 00:11:30,560

of our cars when we need extra work we

313

00:11:36,230 --> 00:11:33,440

just deploy them exactly all right do

314

00:11:38,310 --> 00:11:36,240

that deploy your own hairy human

315

00:11:40,389 --> 00:11:38,320

trunk human yes

316

00:11:43,350 --> 00:11:40,399

i keep my kid back there

317

00:11:45,670 --> 00:11:43,360

i can't afford a a jack it's too hairy

318

00:11:47,110 --> 00:11:45,680

just having better to lift the car

319

00:11:48,470 --> 00:11:47,120

i have a hairy kid back there don't

320

00:11:49,910 --> 00:11:48,480

worry about it

321

00:11:51,590 --> 00:11:49,920

don't look in the trunk sorry man i

322

00:11:55,269 --> 00:11:51,600

gotta hurry kid back there he fears the

323

00:11:59,030 --> 00:11:56,710

all right let's uh

324

00:12:01,990 --> 00:11:59,040

let's bring up your uh your dogman story

325

00:12:04,389 --> 00:12:02,000

i think it might be the same one that uh

326

00:12:06,150 --> 00:12:04,399

that i have

327

00:12:07,590 --> 00:12:06,160

another dog man oh this is this is two

328

00:12:09,590 --> 00:12:07,600

stories and this is two stories tonight

329

00:12:11,509 --> 00:12:09,600

from uh herman from holland there you go

330

00:12:12,790 --> 00:12:11,519

well i i found this one independently

331

00:12:14,870 --> 00:12:12,800

herman okay

332

00:12:16,870 --> 00:12:14,880

no i'm i'm constantly on the trail of

333

00:12:18,790 --> 00:12:16,880

dog man

334

00:12:20,069 --> 00:12:18,800

this is the new york post reporting on

335

00:12:21,990 --> 00:12:20,079

australian dog man because you know

336

00:12:24,710 --> 00:12:22,000

that's where you go for the experts

337

00:12:25,509 --> 00:12:24,720

uh so uh i'll read this one the one

338

00:12:27,509 --> 00:12:25,519

that's uh

339

00:12:29,509 --> 00:12:27,519

i'm sorry yeah i'll read the one that i

340

00:12:30,150 --> 00:12:29,519

have and then we'll compare and see if

341

00:12:32,870 --> 00:12:30,160

it's

342

00:12:35,269 --> 00:12:32,880

the one you have so this one is uh it

343

00:12:36,629 --> 00:12:35,279

says kayaker claims to have photographed

344

00:12:39,750 --> 00:12:36,639

half man

345

00:12:41,269 --> 00:12:39,760

half dog creature

346

00:12:43,910 --> 00:12:41,279

there's a guy named john

347

00:12:44,949 --> 00:12:43,920

i'll find out soon all right oh yeah you

348

00:12:47,509 --> 00:12:44,959

want to read mine at the same time you

349

00:12:50,470 --> 00:12:48,949

we'll pan it left and right and people

350

00:12:52,550 --> 00:12:50,480

can freak out

351
00:12:56,310 --> 00:12:52,560
let's try for a few seconds

352
00:12:59,590 --> 00:12:56,320
okay on the count of three one two three

353
00:12:59,600 --> 00:13:14,320
dogs

354
00:13:18,550 --> 00:13:17,590
[Applause]

355
00:13:19,910 --> 00:13:18,560
i was wondering if it's gonna be the

356
00:13:21,269 --> 00:13:19,920
exact same text too but apparently it's

357
00:13:22,710 --> 00:13:21,279
not i think it's the same it's the same

358
00:13:26,949 --> 00:13:22,720
story so remember it's the same story

359
00:13:32,150 --> 00:13:29,750
uh so i'll read this headline again so

360
00:13:34,550 --> 00:13:32,160
uh kayaker claims we have photograph

361
00:13:36,150 --> 00:13:34,560
half man half half-dog creature

362
00:13:38,949 --> 00:13:36,160
the man had been out fishing in

363
00:13:41,189 --> 00:13:38,959

australia when he captured the image

364

00:13:43,910 --> 00:13:41,199

uh is there a dog-like hominid stalking

365

00:13:45,910 --> 00:13:43,920

the wilds of australia of australia's

366

00:13:48,389 --> 00:13:45,920

outback one man who had been identified

367

00:13:49,750 --> 00:13:48,399

only as john certainly seems to think so

368

00:13:50,629 --> 00:13:49,760

so i'll put the image right up here on

369

00:13:56,509 --> 00:13:50,639

screen

370

00:14:02,389 --> 00:14:00,150

extremely pixelated i will say

371

00:14:04,389 --> 00:14:02,399

it it is very difficult to destroy i see

372

00:14:05,430 --> 00:14:04,399

a black object in the middle of the

373

00:14:07,910 --> 00:14:05,440

screen

374

00:14:09,910 --> 00:14:07,920

um but i'm not seeing anything that's

375

00:14:12,150 --> 00:14:09,920

dog-like or

376

00:14:14,310 --> 00:14:12,160

or man-like or man-like

377

00:14:15,990 --> 00:14:14,320

look at that face

378

00:14:18,150 --> 00:14:16,000

well actually and i'll take that back

379

00:14:20,629 --> 00:14:18,160

okay i do see a snout i see like two

380

00:14:21,590 --> 00:14:20,639

little pointy ears but i'm not seeing

381

00:14:24,310 --> 00:14:21,600

like the

382

00:14:26,949 --> 00:14:24,320

the shoulders and the the broad

383

00:14:29,269 --> 00:14:26,959

shoulders and the uh where are you gonna

384

00:14:31,189 --> 00:14:29,279

see these are now in ears i see muscular

385

00:14:32,949 --> 00:14:31,199

buttocks i see his muscular buttocks

386

00:14:33,750 --> 00:14:32,959

when i don't i see

387

00:14:43,110 --> 00:14:33,760

a

388

00:14:44,790 --> 00:14:43,120

looking for

389

00:14:47,750 --> 00:14:44,800

the story goes that john had been out

390

00:14:49,990 --> 00:14:47,760

fishing in his kayak on boxing day last

391

00:14:52,629 --> 00:14:50,000

year when he had an encounter

392

00:14:54,310 --> 00:14:52,639

that has since likened that he has since

393

00:14:56,870 --> 00:14:54,320

likened to a report of a half-dog

394

00:14:59,829 --> 00:14:56,880

half-man creature or dog man that has

395

00:15:00,949 --> 00:14:59,839

been cited in the united states of uh

396

00:15:03,030 --> 00:15:00,959

the united states of america and the

397

00:15:05,990 --> 00:15:03,040

state of michigan as far back as the

398

00:15:07,990 --> 00:15:06,000

1800s quote i noticed that every time i

399

00:15:11,430 --> 00:15:08,000

took a stroke with the paddle

400

00:15:14,629 --> 00:15:11,440

of my kayak whatever this thing was it

401
00:15:17,509 --> 00:15:14,639
was taking a stride to each paddle i was

402
00:15:19,829 --> 00:15:17,519
taking he told the believe paranormal

403
00:15:21,110 --> 00:15:19,839
and ufo podcast quote

404
00:15:23,590 --> 00:15:21,120
the creature

405
00:15:26,310 --> 00:15:23,600
i actually got it in a photo

406
00:15:29,189 --> 00:15:26,320
and what i think it is i've spoken to a

407
00:15:31,829 --> 00:15:29,199
few people and i reckon it's a dog man

408
00:15:35,430 --> 00:15:33,590
after i couldn't go back to the area to

409
00:15:38,470 --> 00:15:35,440
check it check it up

410
00:15:40,230 --> 00:15:38,480
by myself i was petrified for probably a

411
00:15:41,430 --> 00:15:40,240
month after i was waking up in the

412
00:15:43,590 --> 00:15:41,440
middle of the night and seeing the

413
00:15:46,389 --> 00:15:43,600

creature in my dreams

414

00:15:48,150 --> 00:15:46,399

when he finally did pluck up

415

00:15:50,230 --> 00:15:48,160

this is the story i was talking here

416

00:15:52,230 --> 00:15:50,240

when he did when he did finally pluck up

417

00:15:54,069 --> 00:15:52,240

the courage to return to the area to go

418

00:15:56,310 --> 00:15:54,079

fishing again he heard what he believed

419

00:15:58,870 --> 00:15:56,320

to be a large creature smashing his way

420

00:16:00,710 --> 00:15:58,880

through the bushes followed by a loud

421

00:16:03,030 --> 00:16:00,720

roaring noise

422

00:16:04,629 --> 00:16:03,040

i heard about the dog man and thought it

423

00:16:06,870 --> 00:16:04,639

was a joke but actually i've had

424

00:16:08,470 --> 00:16:06,880

encounters with it now and it is

425

00:16:10,550 --> 00:16:08,480

terrifying he said

426

00:16:11,430 --> 00:16:10,560

unfortunately the photograph didn't that

427

00:16:12,790 --> 00:16:11,440

uh

428

00:16:14,949 --> 00:16:12,800

unfortunately the photograph he did

429

00:16:15,829 --> 00:16:14,959

manage to capture is inconclusive

430

00:16:18,150 --> 00:16:15,839

showing

431

00:16:20,389 --> 00:16:18,160

uh an indistinct shape in the trees that

432

00:16:23,110 --> 00:16:20,399

he could argue that could arguably be

433

00:16:26,710 --> 00:16:23,120

anything at all or perhaps nothing more

434

00:16:29,110 --> 00:16:26,720

than a a gape in the foliage

435

00:16:30,550 --> 00:16:29,120

and then the left

436

00:16:32,790 --> 00:16:30,560

nonetheless the

437

00:16:35,269 --> 00:16:32,800

uh nonetheless john himself remains

438

00:16:37,670 --> 00:16:35,279

absolutely adamant

439

00:16:40,389 --> 00:16:37,680

that what he encountered

440

00:16:42,150 --> 00:16:40,399

was real

441

00:16:43,670 --> 00:16:42,160

so there you go i don't doubt that i

442

00:16:46,230 --> 00:16:43,680

just love that he's like hold on i've

443

00:16:47,990 --> 00:16:46,240

got my special ufo camera here

444

00:16:50,389 --> 00:16:48,000

yeah

445

00:16:55,189 --> 00:16:50,399

it's

446

00:16:57,829 --> 00:16:55,199

is so crappy now there's a lot of dogman

447

00:16:58,870 --> 00:16:57,839

sightings i talked about dog man a lot

448

00:17:02,069 --> 00:16:58,880

and

449

00:17:03,749 --> 00:17:02,079

there's not a lot of good photography or

450

00:17:05,110 --> 00:17:03,759

stories about dogma there's a lot of

451
00:17:06,870 --> 00:17:05,120
there's a lot of awesome stories i would

452
00:17:08,549 --> 00:17:06,880
say when it comes to

453
00:17:09,829 --> 00:17:08,559
like the amount of stories i think there

454
00:17:12,150 --> 00:17:09,839
are more

455
00:17:13,350 --> 00:17:12,160
bigfoot stories than there are dogman

456
00:17:16,949 --> 00:17:13,360
stories

457
00:17:19,029 --> 00:17:16,959
interesting and they're often very

458
00:17:20,870 --> 00:17:19,039
violent they're like yeah he's a bit of

459
00:17:22,309 --> 00:17:20,880
a he's a bit of a jerk we did one where

460
00:17:24,390 --> 00:17:22,319
we talked about dog man versus a

461
00:17:27,590 --> 00:17:24,400
werewolf first to say uh

462
00:17:29,909 --> 00:17:27,600
oh what's the one in in louisiana

463
00:17:30,630 --> 00:17:29,919

uh that is the rogue room

464

00:17:32,070 --> 00:17:30,640

yeah

465

00:17:33,669 --> 00:17:32,080

about how they're all different and the

466

00:17:35,909 --> 00:17:33,679

dog man is just like the absolute utter

467

00:17:37,029 --> 00:17:35,919

jackass of cryptids well what's

468

00:17:41,510 --> 00:17:37,039

interesting about this he mentions

469

00:17:43,350 --> 00:17:41,520

dreams uh in the the ruguru of louisiana

470

00:17:45,510 --> 00:17:43,360

um there is a spiritual nature to that

471

00:17:47,110 --> 00:17:45,520

where if you go out and disturb nature

472

00:17:50,310 --> 00:17:47,120

if you hunt on days you're not supposed

473

00:17:53,350 --> 00:17:50,320

to hunt if you disturb the natural land

474

00:17:56,230 --> 00:17:53,360

you will be haunted by the ruguru and

475

00:17:58,710 --> 00:17:56,240

even uh have your dreams invaded by that

476

00:18:00,230 --> 00:17:58,720

beast so this guy claiming that he was

477

00:18:01,750 --> 00:18:00,240

having he was being woken up by this

478

00:18:03,110 --> 00:18:01,760

beast he actually may encountered

479

00:18:06,070 --> 00:18:03,120

something like a rogue-arrow which is

480

00:18:09,270 --> 00:18:06,080

much more like a dog spirit or some sort

481

00:18:11,350 --> 00:18:09,280

of manifestation of the environment and

482

00:18:12,630 --> 00:18:11,360

not necessarily like a boots on the

483

00:18:15,830 --> 00:18:12,640

ground dog man

484

00:18:17,590 --> 00:18:15,840

but if it was like a dog man and he were

485

00:18:19,430 --> 00:18:17,600

to encounter it it would have been

486

00:18:21,669 --> 00:18:19,440

violent uh everything that i've read

487

00:18:24,230 --> 00:18:21,679

about people encountering dogman

488

00:18:26,390 --> 00:18:24,240

bad news the the bigfoot we read about

489

00:18:28,470 --> 00:18:26,400

they'll come by they'll move your

490

00:18:30,070 --> 00:18:28,480

trailer around you know they'll knock on

491

00:18:31,190 --> 00:18:30,080

your door and run away maybe try to take

492

00:18:33,990 --> 00:18:31,200

some food

493

00:18:37,830 --> 00:18:34,000

by and large i would say the the bigfoot

494

00:18:40,390 --> 00:18:37,840

encounters are mostly benign

495

00:18:41,830 --> 00:18:40,400

um but the dog man ones they always in

496

00:18:43,029 --> 00:18:41,840

horrifically yeah so here's this image

497

00:18:44,710 --> 00:18:43,039

you may want to bring this up on screen

498

00:18:45,669 --> 00:18:44,720

comparing

499

00:18:48,070 --> 00:18:45,679

whether or not you're dealing with a

500

00:18:50,150 --> 00:18:48,080

bigfoot or a dog man that's these

501
00:18:52,950 --> 00:18:50,160
critical differences up on screen how to

502
00:18:56,150 --> 00:18:52,960
tell the difference bigfoot uh black or

503
00:18:58,230 --> 00:18:56,160
brown hair 10 or 8 to 10 feet tall up to

504
00:19:00,230 --> 00:18:58,240
a thousand pounds knocks on trees throw

505
00:19:03,750 --> 00:19:00,240
stones mostly shy

506
00:19:06,789 --> 00:19:03,760
uh yeah curious uh dog man pretty much

507
00:19:09,590 --> 00:19:08,470
i would have to agree with that yeah dog

508
00:19:13,029 --> 00:19:09,600
man's uh

509
00:19:15,510 --> 00:19:13,039
encountering dog man is bad news

510
00:19:17,909 --> 00:19:15,520
yeah uh there are

511
00:19:19,510 --> 00:19:17,919
beyond just like the cryptid dogma

512
00:19:22,230 --> 00:19:19,520
stories there are

513
00:19:24,870 --> 00:19:22,240

kind of uh there are stories of like dog

514

00:19:26,789 --> 00:19:24,880

men cult we could call them almost like

515

00:19:29,110 --> 00:19:26,799

a werewolf cults where there is some

516

00:19:32,870 --> 00:19:29,120

sort of blood sacrifice

517

00:19:34,950 --> 00:19:32,880

that happens in the name of uh

518

00:19:36,870 --> 00:19:34,960

certain spirits and the the people who

519

00:19:39,190 --> 00:19:36,880

make these sacrifices

520

00:19:40,950 --> 00:19:39,200

uh will transform themselves into a

521

00:19:43,909 --> 00:19:40,960

dog-like creature and there i think

522

00:19:46,230 --> 00:19:43,919

there's even like a recent like dogman

523

00:19:48,870 --> 00:19:46,240

cults like that i think even in the late

524

00:19:49,669 --> 00:19:48,880

1800s early 1900s i have to dig back on

525

00:19:51,270 --> 00:19:49,679

that

526

00:19:53,110 --> 00:19:51,280

um i know

527

00:19:55,909 --> 00:19:53,120

cryptozoologist and researcher jack

528

00:19:58,070 --> 00:19:55,919

carey uh he has he has uh talked about

529

00:19:59,830 --> 00:19:58,080

and researched dogman quite a bit and

530

00:20:02,070 --> 00:19:59,840

the the myth and the stories that

531

00:20:04,310 --> 00:20:02,080

happened um and there's a particular

532

00:20:06,630 --> 00:20:04,320

path of those stories that happened from

533

00:20:08,870 --> 00:20:06,640

native americans who lived in michigan

534

00:20:10,789 --> 00:20:08,880

and made their way south through the

535

00:20:12,950 --> 00:20:10,799

plains states uh to

536

00:20:16,070 --> 00:20:12,960

uh the southwest and there is like a

537

00:20:17,350 --> 00:20:16,080

trail of stories along that passageway

538

00:20:18,710 --> 00:20:17,360

concerning

539

00:20:21,750 --> 00:20:18,720

dog man

540

00:20:23,029 --> 00:20:21,760

the dog dogman trail yeah

541

00:20:24,390 --> 00:20:23,039

don't follow that trail that's not one

542

00:20:25,909 --> 00:20:24,400

you want to go hiking on it ain't gonna

543

00:20:27,990 --> 00:20:25,919

be good

544

00:20:29,190 --> 00:20:28,000

down there just a bunch of [h__\h]

545

00:20:30,549 --> 00:20:29,200

um

546

00:20:32,470 --> 00:20:30,559

but there you go there's some dog man

547

00:20:34,090 --> 00:20:32,480

there's some cryptozoology we will move
