DCD/ [REDACTED]  
ATTN [REDACTED]  
FROM DCD/ [REDACTED]  
SUBJECT DCD CASE [REDACTED] - UFO RESEARCH [REDACTED]  
[REDACTED]

**MORE UFO  
SECRECY**

APRIL 1976

PER [REDACTED] REFER [REDACTED] (B), WE ATTEMPTED TO OBTAIN [REDACTED] SUBJECT.

1  
00:00:00,270 --> 00:00:06,309  
[Applause]

2  
00:00:10,150 --> 00:00:08,950  
hey everyone you may be asking where's

3  
00:00:12,549 --> 00:00:10,160  
the show

4  
00:00:15,270 --> 00:00:12,559  
well youtube does not like us that much

5  
00:00:17,510 --> 00:00:15,280  
we only post the wacky news stories here

6  
00:00:19,910 --> 00:00:17,520  
things that are less controversial if

7  
00:00:21,349 --> 00:00:19,920  
you want all the other topics and i

8  
00:00:23,590 --> 00:00:21,359  
think you know what i'm talking about

9  
00:00:24,870 --> 00:00:23,600  
you have to listen to those on other

10  
00:00:26,870 --> 00:00:24,880  
platforms

11  
00:00:29,269 --> 00:00:26,880  
we still stream live

12  
00:00:31,830 --> 00:00:29,279  
we stream live on twitch

13  
00:00:35,190 --> 00:00:31,840

float.appndlive

14

00:00:38,389 --> 00:00:35,200

and those are at 7pm eastern standard

15

00:00:40,790 --> 00:00:38,399

time on wednesday and then 12pm eastern

16

00:00:43,350 --> 00:00:40,800

standard time on saturday

17

00:00:45,590 --> 00:00:43,360

as always you can download the audio

18

00:00:47,670 --> 00:00:45,600

only podcast for free

19

00:00:50,869 --> 00:00:47,680

you can check the description in this

20

00:00:53,510 --> 00:00:50,879

video or go to [obdmpod.com](http://obdmpod.com)

21

00:00:55,830 --> 00:00:53,520

the show's march on we haven't stopped

22

00:00:58,069 --> 00:00:55,840

it's just we have stopped uploading full

23

00:01:00,389 --> 00:00:58,079

shows and streaming to youtube thanks

24

00:01:08,390 --> 00:01:00,399

and here's another wacky news segment

25

00:01:12,230 --> 00:01:09,830

please tell me you have that iso and

26  
00:01:14,310 --> 00:01:12,240  
saved what then now for today's news oh

27  
00:01:15,910 --> 00:01:14,320  
yeah it's right there i got it it's part

28  
00:01:18,950 --> 00:01:15,920  
of the the news

29  
00:01:20,630 --> 00:01:18,960  
now for today's news

30  
00:01:21,830 --> 00:01:20,640  
we need like a real hacking smoker cop

31  
00:01:23,670 --> 00:01:21,840  
right after it

32  
00:01:25,350 --> 00:01:23,680  
i'll see if i can

33  
00:01:26,789 --> 00:01:25,360  
put something together

34  
00:01:27,590 --> 00:01:26,799  
so

35  
00:01:35,030 --> 00:01:27,600  
uh

36  
00:01:37,830 --> 00:01:35,040  
this comes from

37  
00:01:41,510 --> 00:01:37,840  
uh news 10. let's see where is this out

38  
00:01:42,950 --> 00:01:41,520

of this is out of wh ec rochester new

39

00:01:45,350 --> 00:01:42,960

york

40

00:01:47,350 --> 00:01:45,360

and are you worried about ufo we'll play

41

00:01:49,910 --> 00:01:47,360

this on screen here we go are you

42

00:01:51,670 --> 00:01:49,920

worried about ufos one new york senator

43

00:01:53,590 --> 00:01:51,680

is and she's trying to learn more about

44

00:01:55,749 --> 00:01:53,600

them as part of this year's national

45

00:01:57,350 --> 00:01:55,759

defense act kirsten gillibrand has

46

00:01:59,429 --> 00:01:57,360

introduced an amendment to create the

47

00:02:01,510 --> 00:01:59,439

anomaly surveillance and resolution

48

00:02:03,030 --> 00:02:01,520

office its goal would be to use

49

00:02:04,630 --> 00:02:03,040

resources from the intelligence

50

00:02:07,030 --> 00:02:04,640

community to learn more about

51  
00:02:08,710 --> 00:02:07,040  
unidentified aerial phenomena

52  
00:02:10,550 --> 00:02:08,720  
gillibrand says she wants to learn more

53  
00:02:11,910 --> 00:02:10,560  
about the mysterious objects she studied

54  
00:02:14,150 --> 00:02:11,920  
while serving on the senate's armed

55  
00:02:16,869 --> 00:02:14,160  
services committee good luck doesn't

56  
00:02:19,350 --> 00:02:16,879  
bother me and that's just a little ufo

57  
00:02:22,229 --> 00:02:19,360  
segment just a little piece of uh local

58  
00:02:24,309 --> 00:02:22,239  
news talking about ufos and do you have

59  
00:02:25,670 --> 00:02:24,319  
the clip of the senator senator or

60  
00:02:27,670 --> 00:02:25,680  
congressman pushing back against the

61  
00:02:29,350 --> 00:02:27,680  
newly created dod office we talked about

62  
00:02:32,070 --> 00:02:29,360  
two weeks ago no i haven't are you

63  
00:02:34,550 --> 00:02:32,080

worried about ufos no i i don't have

64

00:02:36,070 --> 00:02:34,560

that but i love that intro are you

65

00:02:40,229 --> 00:02:36,080

worried about ufos are you worried about

66

00:02:41,990 --> 00:02:40,239

ufos oh yeah i kind of was i mean i

67

00:02:43,670 --> 00:02:42,000

definitely am now covered and then they

68

00:02:44,949 --> 00:02:43,680

said that kirsten gillibrand is going to

69

00:02:45,830 --> 00:02:44,959

be in charge of it

70

00:02:47,750 --> 00:02:45,840

yeah

71

00:02:49,589 --> 00:02:47,760

i i don't trust that

72

00:02:51,030 --> 00:02:49,599

uh i dropped that it's just one minute

73

00:02:52,710 --> 00:02:51,040

24 it's short i dropped that clip in

74

00:02:55,350 --> 00:02:52,720

carrot job if you want

75

00:02:57,589 --> 00:02:55,360

and who is this yahoo talking this is uh

76  
00:02:59,830 --> 00:02:57,599  
yahoo sirius the comedian from australia

77  
00:03:02,070 --> 00:02:59,840  
this is uh representative tim burchette

78  
00:03:05,830 --> 00:03:02,080  
uh complaining about the dod taking

79  
00:03:07,670 --> 00:03:05,840  
charge of ufos timmy where's tim yeah

80  
00:03:10,070 --> 00:03:07,680  
he's he's talking all right last

81  
00:03:11,910 --> 00:03:10,080  
summer's ufo report mr speaker from the

82  
00:03:14,229 --> 00:03:11,920  
director of national intelligence was

83  
00:03:16,390 --> 00:03:14,239  
bogus the report raised more questions

84  
00:03:18,550 --> 00:03:16,400  
than answers and about unidentified

85  
00:03:20,309 --> 00:03:18,560  
unidentified objects in the skies it

86  
00:03:22,550 --> 00:03:20,319  
stunk of a government cover-up mr

87  
00:03:24,309 --> 00:03:22,560  
speaker now the pentagon is starting a

88  
00:03:26,789 --> 00:03:24,319

new office to collect information on

89

00:03:28,229 --> 00:03:26,799

these unidentified objects the office is

90

00:03:29,990 --> 00:03:28,239

called the airborne object

91

00:03:32,470 --> 00:03:30,000

identification and management

92

00:03:34,149 --> 00:03:32,480

synchronization group i don't know where

93

00:03:35,589 --> 00:03:34,159

they came up with that name

94

00:03:37,190 --> 00:03:35,599

i'm sure they paid somebody a lot of

95

00:03:39,350 --> 00:03:37,200

money to come up with that you mean i do

96

00:03:40,869 --> 00:03:39,360

not trust this new office mr speaker i

97

00:03:42,550 --> 00:03:40,879

don't think it will be transparent with

98

00:03:44,869 --> 00:03:42,560

lawmakers or the public about its

99

00:03:46,550 --> 00:03:44,879

findings this is a national security

100

00:03:49,589 --> 00:03:46,560

issue congress needs to know what is

101  
00:03:51,350 --> 00:03:49,599  
going on so we can respond accordingly

102  
00:03:54,309 --> 00:03:51,360  
today i'm requesting the leaders of this

103  
00:03:56,470 --> 00:03:54,319  
new office bring members of congress on

104  
00:03:58,070 --> 00:03:56,480  
their ufo bring them in on their ufo

105  
00:04:00,149 --> 00:03:58,080  
findings this is a matter of great

106  
00:04:02,470 --> 00:04:00,159  
public interest and has been for a very

107  
00:04:03,830 --> 00:04:02,480  
long time to a lot of americans our

108  
00:04:06,149 --> 00:04:03,840  
government should not hide the truth

109  
00:04:07,750 --> 00:04:06,159  
from us for another second

110  
00:04:09,190 --> 00:04:07,760  
if this new office is to be held

111  
00:04:11,190 --> 00:04:09,200  
accountable our country will get more

112  
00:04:13,270 --> 00:04:11,200  
reports like the one that that came out

113  
00:04:14,789 --> 00:04:13,280

last summer or worse they will be silent

114

00:04:16,229 --> 00:04:14,799

and hope we all just forget about the

115

00:04:18,229 --> 00:04:16,239

phenomena

116

00:04:20,310 --> 00:04:18,239

we do not need to fear these these

117

00:04:21,990 --> 00:04:20,320

airborne unidentified objects they would

118

00:04:23,670 --> 00:04:22,000

have shown themselves to be dangerous a

119

00:04:26,070 --> 00:04:23,680

long time ago by now if they were a

120

00:04:28,550 --> 00:04:26,080

threat our citizens and country can

121

00:04:30,870 --> 00:04:28,560

handle the truth mr speaker thank you mr

122

00:04:32,950 --> 00:04:30,880

speaker i yield the remainder of my time

123

00:04:34,469 --> 00:04:32,960

okay

124

00:04:36,230 --> 00:04:34,479

but he's asking for exactly what you

125

00:04:38,070 --> 00:04:36,240

said mike hey this should be in front of

126  
00:04:40,790 --> 00:04:38,080  
congress they should bring together some

127  
00:04:42,550 --> 00:04:40,800  
some people from industry and science

128  
00:04:45,189 --> 00:04:42,560  
science scientists scientific

129  
00:04:46,950 --> 00:04:45,199  
nations um and shatner and they should

130  
00:04:48,070 --> 00:04:46,960  
they should make all this stuff public

131  
00:04:49,830 --> 00:04:48,080  
and that's what this guy's saying is

132  
00:04:51,590 --> 00:04:49,840  
like look the dod doing this crap means

133  
00:04:53,430 --> 00:04:51,600  
we'll never see anything about it and

134  
00:04:54,790 --> 00:04:53,440  
what they do report will be garbage i

135  
00:04:56,390 --> 00:04:54,800  
did like he called out their report from

136  
00:04:58,790 --> 00:04:56,400  
the summary goes yeah that fbi report

137  
00:04:59,830 --> 00:04:58,800  
the summer that was bogus so

138  
00:05:01,029 --> 00:04:59,840

i don't think we need to be afraid of

139

00:05:03,110 --> 00:05:01,039

these things we need to find out more

140

00:05:05,830 --> 00:05:03,120

about them why are you covering this up

141

00:05:08,469 --> 00:05:05,840

so hey kudos to this guy yeah

142

00:05:10,629 --> 00:05:08,479

lou elizondo the the whistleblower who

143

00:05:12,150 --> 00:05:10,639

is part of the 8th program has come out

144

00:05:15,029 --> 00:05:12,160

and said that this new office in the

145

00:05:17,189 --> 00:05:15,039

pentagon to study ufos and ufp is just a

146

00:05:19,830 --> 00:05:17,199

bottleneck of information it's not meant

147

00:05:22,629 --> 00:05:19,840

for any transparency it's not meant for

148

00:05:24,550 --> 00:05:22,639

any sort of public disclosure and

149

00:05:25,430 --> 00:05:24,560

transparency is there

150

00:05:27,670 --> 00:05:25,440

to

151  
00:05:30,150 --> 00:05:27,680  
collect as much information as possible

152  
00:05:31,670 --> 00:05:30,160  
and prevent anything salacious or

153  
00:05:33,350 --> 00:05:31,680  
interesting from getting out so it's

154  
00:05:34,950 --> 00:05:33,360  
going to be less transparent than what

155  
00:05:37,350 --> 00:05:34,960  
we've seen thus far

156  
00:05:39,590 --> 00:05:37,360  
and that's it so if he's skeptical about

157  
00:05:41,270 --> 00:05:39,600  
it and i'm skeptical of lou by

158  
00:05:43,670 --> 00:05:41,280  
everything i've heard from him thus far

159  
00:05:45,430 --> 00:05:43,680  
he seems to be a fairly stand-up guy i

160  
00:05:47,430 --> 00:05:45,440  
want to believe him and especially when

161  
00:05:50,070 --> 00:05:47,440  
he talks about this new level of

162  
00:05:52,710 --> 00:05:50,080  
bureaucracy for ufos i'm completely on

163  
00:05:54,629 --> 00:05:52,720

board with them um

164

00:05:56,309 --> 00:05:54,639

here's here's the most important

165

00:05:58,230 --> 00:05:56,319

question and i think this will get a lot

166

00:06:02,710 --> 00:05:58,240

of attention

167

00:06:05,350 --> 00:06:04,230

well maybe

168

00:06:06,790 --> 00:06:05,360

we don't know

169

00:06:10,950 --> 00:06:06,800

but we there's only one way to find out

170

00:06:14,710 --> 00:06:12,710

it was wasn't that part of x-files uh

171

00:06:17,270 --> 00:06:14,720

some sort of an alien virus

172

00:06:19,430 --> 00:06:17,280

that uh came down that black goo the

173

00:06:20,790 --> 00:06:19,440

black goo the black goo yeah why's it

174

00:06:23,670 --> 00:06:20,800

gotta be black

175

00:06:25,029 --> 00:06:23,680

it's uh some sort of black goo black oil

176

00:06:26,550 --> 00:06:25,039

or something like that that wasn't as

177

00:06:29,670 --> 00:06:26,560

opposed to all the other oil which isn't

178

00:06:30,550 --> 00:06:29,680

black uh the clear uh white oil texas

179

00:06:33,430 --> 00:06:30,560

tea

180

00:06:35,749 --> 00:06:33,440

i don't know clear pure white oil yeah

181

00:06:36,629 --> 00:06:35,759

lord oh

182

00:06:39,430 --> 00:06:36,639

uh

183

00:06:41,510 --> 00:06:39,440

real quick while we're on the the topic

184

00:06:42,870 --> 00:06:41,520

of ufos we'll just bring up this little

185

00:06:44,870 --> 00:06:42,880

article here

186

00:06:48,390 --> 00:06:44,880

and uh this is

187

00:06:52,150 --> 00:06:48,400

comes from psychology today and

188

00:06:54,390 --> 00:06:52,160

psychology today is talking about ufos

189

00:06:58,270 --> 00:06:54,400

and this headline here is new government

190

00:07:00,629 --> 00:06:58,280

ufo report hints at surprising science a

191

00:07:02,710 --> 00:07:00,639

2021 intelligence report on ufos

192

00:07:04,710 --> 00:07:02,720

describes advanced technology so now we

193

00:07:06,469 --> 00:07:04,720

have psychology today

194

00:07:08,230 --> 00:07:06,479

talking about ufos

195

00:07:09,670 --> 00:07:08,240

and taking it very seriously but here

196

00:07:11,270 --> 00:07:09,680

are the bullet points here the key

197

00:07:13,909 --> 00:07:11,280

points of this article

198

00:07:16,309 --> 00:07:13,919

uh a 2021 report by the u.s intelligence

199

00:07:18,670 --> 00:07:16,319

community describes 143 unexplained

200

00:07:21,350 --> 00:07:18,680

sightings of aircraft that accelerate

201  
00:07:23,670 --> 00:07:21,360  
astonishingly fast the report suggests

202  
00:07:25,589 --> 00:07:23,680  
we may need new scientific knowledge to

203  
00:07:28,950 --> 00:07:25,599  
explain the behavior

204  
00:07:31,270 --> 00:07:28,960  
of these aircraft however extensions of

205  
00:07:33,830 --> 00:07:31,280  
known science might explain the strange

206  
00:07:36,390 --> 00:07:33,840  
aerial objects whether that science is

207  
00:07:38,870 --> 00:07:36,400  
exploited by humans or extraterrestrials

208  
00:07:41,189 --> 00:07:38,880  
for example existing types of directed

209  
00:07:44,710 --> 00:07:41,199  
energy sources theoretically could be

210  
00:07:47,270 --> 00:07:44,720  
upscaled and rapidly steered to achieve

211  
00:07:48,790 --> 00:07:47,280  
high object accelerations

212  
00:07:50,390 --> 00:07:48,800  
those are the key points and takeaways

213  
00:07:52,309 --> 00:07:50,400

so uh

214

00:07:55,189 --> 00:07:52,319

mainstream science mainstream science

215

00:07:58,070 --> 00:07:55,199

publications even more so are getting on

216

00:08:01,270 --> 00:07:58,080

board with ufos and at least asking

217

00:08:02,790 --> 00:08:01,280

questions and uh finally

218

00:08:04,230 --> 00:08:02,800

finally uh considering these

219

00:08:05,830 --> 00:08:04,240

possibilities i think it's a little too

220

00:08:07,670 --> 00:08:05,840

late this year it happened a long time

221

00:08:09,589 --> 00:08:07,680

ago and they're playing catch up to the

222

00:08:11,110 --> 00:08:09,599

government and you never want to do that

223

00:08:12,550 --> 00:08:11,120

you got to be ahead of the curve here

224

00:08:14,469 --> 00:08:12,560

and unfortunately the government is

225

00:08:16,950 --> 00:08:14,479

never going to take much of the ufo

226

00:08:19,110 --> 00:08:16,960

community who has studied this for

227

00:08:20,309 --> 00:08:19,120

almost 70 years at this point seriously

228

00:08:22,070 --> 00:08:20,319

they're going to do their own thing and

229

00:08:23,670 --> 00:08:22,080

then they're just going to selectively

230

00:08:26,150 --> 00:08:23,680

dish things out

231

00:08:28,150 --> 00:08:26,160

for whatever budgetary needs they need

232

00:08:30,950 --> 00:08:28,160

at that time

233

00:08:33,110 --> 00:08:30,960

and they'll say hey we have a need for

234

00:08:35,110 --> 00:08:33,120

a billion dollars for directed energy

235

00:08:36,790 --> 00:08:35,120

energy weapons because of this threat

236

00:08:38,630 --> 00:08:36,800

here uh we don't know what this threat

237

00:08:40,790 --> 00:08:38,640

is but we need we need a budget give it

238

00:08:43,029 --> 00:08:40,800

to us and then they got a reason and

239

00:08:47,670 --> 00:08:43,039

it's justified and boom space tax more

240

00:08:50,470 --> 00:08:48,790

and give them your money too that's what

241

00:08:53,190 --> 00:08:50,480

they want

242

00:08:55,190 --> 00:08:53,200

give me your money well if nothing else

243

00:08:56,710 --> 00:08:55,200

maybe it's it's a it's baby steps but

244

00:08:58,230 --> 00:08:56,720

now you've got people going on the floor

245

00:09:00,710 --> 00:08:58,240

of congress and complaining about the

246

00:09:02,870 --> 00:09:00,720

ufo office not being transparent

247

00:09:05,430 --> 00:09:02,880

and people are not laughing at them so

248

00:09:07,509 --> 00:09:05,440

yeah in 30 years we've made a you know a

249

00:09:11,190 --> 00:09:07,519

few few steps i guess

250

00:09:13,350 --> 00:09:11,200

uh and and and another piece of ufo

251

00:09:15,269 --> 00:09:13,360

related news and mainstream you have uh

252

00:09:18,389 --> 00:09:15,279

northrop drummond

253

00:09:21,910 --> 00:09:18,399

uh defense contractor that on its own

254

00:09:25,750 --> 00:09:21,920

blog has this title exploring the uap

255

00:09:28,949 --> 00:09:25,760

report is alien invasion imminent that's

256

00:09:31,910 --> 00:09:28,959

what they had that's their salacious and

257

00:09:33,750 --> 00:09:31,920

and uh click bait headline for their

258

00:09:35,829 --> 00:09:33,760

blog states

259

00:09:37,509 --> 00:09:35,839

uh because the next line he says in a

260

00:09:39,190 --> 00:09:37,519

word no let's get that out of the way up

261

00:09:41,110 --> 00:09:39,200

front aliens are not coming to conquer

262

00:09:43,670 --> 00:09:41,120

earth or capture the population despite

263

00:09:46,550 --> 00:09:43,680

what some alien enthusiasts may claim

264

00:09:49,350 --> 00:09:46,560

now he says that that first sentence as

265

00:09:51,750 --> 00:09:49,360

a statement of fact we don't know

266

00:09:55,350 --> 00:09:51,760

we don't know if we've already have been

267

00:09:58,389 --> 00:09:55,360

invaded uh if we we have been subverted

268

00:10:00,470 --> 00:09:58,399

over the past 60 to 70 years from the

269

00:10:02,069 --> 00:10:00,480

inside out we have no idea he's he's

270

00:10:05,190 --> 00:10:02,079

saying this this is some sort of fact

271

00:10:07,110 --> 00:10:05,200

like he knows definitively like they are

272

00:10:08,550 --> 00:10:07,120

not a threat and they have not invaded

273

00:10:09,910 --> 00:10:08,560

we don't know and if you look at the

274

00:10:11,430 --> 00:10:09,920

like you said the clickbaity headline

275

00:10:13,030 --> 00:10:11,440

are they coming to get us right now is

276

00:10:14,949 --> 00:10:13,040

alien invasion imminent and their

277

00:10:16,310 --> 00:10:14,959

response no and then most people respond

278

00:10:17,509 --> 00:10:16,320

well that's just what they'd want you to

279

00:10:20,230 --> 00:10:17,519

say

280

00:10:22,389 --> 00:10:20,240

so yeah i don't know it seems what's

281

00:10:25,990 --> 00:10:22,399

what's the point of the article though

282

00:10:27,590 --> 00:10:26,000

so the the pointless article is

283

00:10:29,990 --> 00:10:27,600

um

284

00:10:32,389 --> 00:10:30,000

not everything has an easy answer as a

285

00:10:35,110 --> 00:10:32,399

recent cnn piece examine the report

286

00:10:37,509 --> 00:10:35,120

noted the the uip data breaks down

287

00:10:39,990 --> 00:10:37,519

sightings into five broad categories

288

00:10:42,389 --> 00:10:40,000

airborne clutter natural atmospheric

289

00:10:44,470 --> 00:10:42,399

phenomenon usg

290

00:10:47,030 --> 00:10:44,480

or us development programs foreign

291

00:10:49,110 --> 00:10:47,040

systems and other it's the other

292

00:10:51,030 --> 00:10:49,120

government is the other that is

293

00:10:52,870 --> 00:10:51,040

interesting as it effectively

294

00:10:55,430 --> 00:10:52,880

acknowledges that there are

295

00:10:56,870 --> 00:10:55,440

unexplainable observations while it may

296

00:10:58,790 --> 00:10:56,880

eventually be determined that these

297

00:11:01,269 --> 00:10:58,800

cases are tied to more familiar

298

00:11:04,870 --> 00:11:01,279

operations they open the door to

299

00:11:06,710 --> 00:11:04,880

creative analysis in the meantime so

300

00:11:09,110 --> 00:11:06,720

um

301

00:11:11,269 --> 00:11:09,120

it winds up here making sense of ufo

302

00:11:13,110 --> 00:11:11,279

sightings uh the release of the report

303

00:11:15,030 --> 00:11:13,120

in serious consideration of possible

304

00:11:17,670 --> 00:11:15,040

extraterrestrial interactions are said a

305

00:11:19,269 --> 00:11:17,680

significant step forward for the

306

00:11:21,190 --> 00:11:19,279

government which has historically been

307

00:11:23,190 --> 00:11:21,200

silent on the topic from the

308

00:11:25,990 --> 00:11:23,200

establishment to standardization

309

00:11:27,910 --> 00:11:26,000

censored networks to the acknowledgement

310

00:11:29,910 --> 00:11:27,920

that there are some things people have

311

00:11:32,710 --> 00:11:29,920

seen that simply can't be explained the

312

00:11:34,949 --> 00:11:32,720

report sets the stage for a scientific

313

00:11:37,910 --> 00:11:34,959

rather than speculative framework to

314

00:11:40,790 --> 00:11:37,920

help humankind discover if humans really

315

00:11:43,590 --> 00:11:40,800

are alone out there or if cosmic

316

00:11:46,069 --> 00:11:43,600

neighbors are closer than most people

317

00:11:46,949 --> 00:11:46,079

realize yeah and can we borrow a cup of

318

00:11:49,350 --> 00:11:46,959

sugar

319

00:11:51,990 --> 00:11:49,360

please

320

00:11:53,910 --> 00:11:52,000

space sugar space sugar or that's the

321

00:11:55,990 --> 00:11:53,920

industry

322

00:11:57,670 --> 00:11:56,000

writing that i do like how they said no

323

00:11:59,430 --> 00:11:57,680

no look this isn't a big thing these can

324

00:12:01,190 --> 00:11:59,440

all be explained under these five

325

00:12:03,750 --> 00:12:01,200

categories normal stuff normal stuff

326

00:12:05,430 --> 00:12:03,760

normal stuff normal stuff and other

327

00:12:06,470 --> 00:12:05,440

like well

328

00:12:08,069 --> 00:12:06,480

things that don't fit under the other

329

00:12:09,670 --> 00:12:08,079

categories

330

00:12:10,389 --> 00:12:09,680

swamp gas reflected off a weather

331

00:12:11,580 --> 00:12:10,399

balloon

332

00:12:15,350 --> 00:12:11,590

and venus

333

00:12:20,230 --> 00:12:16,949

these guys are just like we don't know

334

00:12:21,430 --> 00:12:20,240

we don't know whatever

335

00:12:23,509 --> 00:12:21,440

you know what will help them find out

336

00:12:25,430 --> 00:12:23,519

mike if they had a bigger budget

337

00:12:28,230 --> 00:12:25,440

exactly they need more money for

338

00:12:30,150 --> 00:12:28,240

research and development

339

00:12:32,150 --> 00:12:30,160

we need new technologies to detect these

340

00:12:34,230 --> 00:12:32,160

new technologies i need more money to

341

00:12:36,069 --> 00:12:34,240

develop new technology to hire people to

342

00:12:37,590 --> 00:12:36,079

research new technologies to develop

343

00:12:39,350 --> 00:12:37,600

these technologies to see if we can

344

00:12:40,230 --> 00:12:39,360

figure out what's going on and after

345

00:12:41,269 --> 00:12:40,240

five years we're going to go back and

346

00:12:43,110 --> 00:12:41,279

say like we need more money because we

347

00:12:47,030 --> 00:12:43,120

still haven't found it yet give us an

348

00:12:49,670 --> 00:12:47,040

email at our bitcombo gmail.com

349

00:12:51,829 --> 00:12:49,680

check out obdmpo.com

350

00:12:52,320 --> 00:12:51,839

for all the social media and donation

351

00:12:56,150 --> 00:12:52,330

links
