21

00:00:55,830 --> 00:00:53,520

the show's march on we haven't stopped

22

00:00:58,069 --> 00:00:55,840

it's just we have stopped uploading full

23

00:01:01,990 --> 00:00:58,079

shows and streaming to youtube thanks

24

00:01:04,310 --> 00:01:02,000

and here's another wacky news segment

25

00:01:06,390 --> 00:01:04,320

so the main witness along with seven

26

00:01:08,870 --> 00:01:06,400

other campers had been

27

00:01:11,429 --> 00:01:08,880

uh punished by their camp counselor and

28

00:01:13,109 --> 00:01:11,439

were forced to retire early

29

00:01:16,469 --> 00:01:13,119

the counselor was supposed to be keeping

30

00:01:18,710 --> 00:01:16,479

an eye over them but soon left to watch

31

00:01:20,870 --> 00:01:18,720

a late night basketball game the bed

32

00:01:23,350 --> 00:01:20,880

faced this large screen window

33

00:01:25,749 --> 00:01:23,360

uh where they could see the trees in the

34

00:01:28,630 --> 00:01:25,759

sky when suddenly a round light appeared

35

00:01:30,550 --> 00:01:28,640

blinking on and off finally the ufo

36

00:01:33,350 --> 00:01:30,560

passed out of view five minutes later

37

00:01:35,749 --> 00:01:33,360

two more ufos appeared blinking and

38

00:01:36,870 --> 00:01:35,759

going in different directions as well as

39

00:01:39,270 --> 00:01:36,880

up and down

40

00:01:41,910 --> 00:01:39,280

soon they disappeared from view

41

00:01:44,310 --> 00:01:41,920

uh additional witnesses now saw five

42

00:01:46,789 --> 00:01:44,320

glowing blinking lights

43

00:01:47,830 --> 00:01:46,799

these also soon disappeared

44

00:01:49,990 --> 00:01:47,840

uh

45

00:01:52,230 --> 00:01:50,000

soon most of the witnesses left the main

46

00:01:53,749 --> 00:01:52,240

witness paul geller where they were

47

00:01:57,109 --> 00:01:53,759

gazing out the window would suddenly

48

00:02:00,069 --> 00:01:57,119

without a sound from seemingly

49

00:02:03,350 --> 00:02:00,079

anywhere a bright luminous objects

50

00:02:05,030 --> 00:02:03,360

circular disc shape in appearance was

51  
00:02:07,990 --> 00:02:05,040  
above the trees it was about a hundred

52  
00:02:10,070 --> 00:02:08,000  
feet away five lights in a circuit in a

53  
00:02:12,309 --> 00:02:10,080  
circular clockwise configuration

54  
00:02:13,670 --> 00:02:12,319  
surrounded the disk the main witness was

55  
00:02:16,790 --> 00:02:13,680  
paralyzed

56  
00:02:19,030 --> 00:02:16,800  
as his eyes stayed glued on the ufo

57  
00:02:21,110 --> 00:02:19,040  
as he lay on his bed something almost

58  
00:02:24,070 --> 00:02:21,120  
indescribable occurred instead of seeing

59  
00:02:25,270 --> 00:02:24,080  
a milky instead of seen a milky white

60  
00:02:28,309 --> 00:02:25,280  
glow

61  
00:02:29,350 --> 00:02:28,319  
underbelly of the arrow craft around him

62  
00:02:31,350 --> 00:02:29,360  
by

63  
00:02:33,750 --> 00:02:31,360

five white glowing lights

64

00:02:36,309 --> 00:02:33,760

this picture was replaced by

65

00:02:38,229 --> 00:02:36,319

a superimposed it was superimposed by

66

00:02:41,030 --> 00:02:38,239

like a cutaway

67

00:02:42,949 --> 00:02:41,040

a view of the inside of the ufo so

68

00:02:45,670 --> 00:02:42,959

he was initially seeing like the

69

00:02:46,869 --> 00:02:45,680

underside of the ufo but it materialized

70

00:02:49,030 --> 00:02:46,879

or like was

71

00:02:51,190 --> 00:02:49,040

intangible and lowered down on top of

72

00:02:53,589 --> 00:02:51,200

him next thing he knew he was inside the

73

00:02:55,110 --> 00:02:53,599

craft almost like a cut away

74

00:02:57,190 --> 00:02:55,120

he said it was like watching a movie the

75

00:02:59,670 --> 00:02:57,200

witness noticed that the ufo

76

00:03:01,910 --> 00:02:59,680

had a circular viewing screen

77

00:03:05,190 --> 00:03:01,920

surrounding the viewing screen was a

78

00:03:07,190 --> 00:03:05,200

circular control panel sitting in two

79

00:03:09,509 --> 00:03:07,200

large bucket seats next to

80

00:03:11,990 --> 00:03:09,519

each other and facing the viewing screen

81

00:03:14,710 --> 00:03:12,000

were two operator occupants two

82

00:03:17,509 --> 00:03:14,720

sasquatch type creatures

83

00:03:20,470 --> 00:03:17,519

two bigfoot flying the ufo they were

84

00:03:24,390 --> 00:03:20,480

about nine to ten feet tall had golden

85

00:03:27,990 --> 00:03:24,400

tan orange long shaggy fur hair long

86

00:03:29,110 --> 00:03:28,000

arms and legs stoops shoulders and pink

87

00:03:30,229 --> 00:03:29,120

circular

88

00:03:34,789 --> 00:03:30,239

uh

89

00:03:36,710 --> 00:03:34,799

around their eyes

90

00:03:39,190 --> 00:03:36,720

the two bigfoot wore goggles that

91

00:03:41,190 --> 00:03:39,200

covered about three fifths of the pink

92

00:03:43,509 --> 00:03:41,200

circles around their eyes

93

00:03:45,509 --> 00:03:43,519

uh each bigfoot grasped and clinched a

94

00:03:47,830 --> 00:03:45,519

narrow rectangular control bar

95

00:03:49,030 --> 00:03:47,840

protruding approximately two feet out of

96

00:03:52,229 --> 00:03:49,040

the floor

97

00:03:54,470 --> 00:03:52,239

uh in unison each pump the two bars that

98

00:03:56,309 --> 00:03:54,480

were leveled to the floor like in like

99

00:03:58,550 --> 00:03:56,319

an organ pedal up and down and up and

100

00:04:01,110 --> 00:03:58,560

down again over and over as they watch

101  
00:04:03,190 --> 00:04:01,120  
the witness on their view screen

102  
00:04:05,910 --> 00:04:03,200  
the bigfoot uh closest to the witness

103  
00:04:07,990 --> 00:04:05,920  
point pointed very slowly

104  
00:04:08,949 --> 00:04:08,000  
and then turned 90 degrees so he could

105  
00:04:11,910 --> 00:04:08,959  
face

106  
00:04:13,830 --> 00:04:11,920  
down

107  
00:04:15,910 --> 00:04:13,840  
uh he had the appearance of a super

108  
00:04:17,430 --> 00:04:15,920  
intelligent intelligent orangutan

109  
00:04:20,469 --> 00:04:17,440  
according to the witness

110  
00:04:21,590 --> 00:04:20,479  
he had a huge mouth with two long fangs

111  
00:04:23,749 --> 00:04:21,600  
protruding

112  
00:04:26,310 --> 00:04:23,759  
uh from the upper jaw the witness could

113  
00:04:28,950 --> 00:04:26,320

see uh piercing blue eyes through the

114

00:04:32,710 --> 00:04:28,960

clear goggles the witness formed what he

115

00:04:34,870 --> 00:04:32,720

termed uh an incredible mind link with

116

00:04:36,550 --> 00:04:34,880

this sasquatch although the witness

117

00:04:38,310 --> 00:04:36,560

doesn't say what kind of what was

118

00:04:41,110 --> 00:04:38,320

produced from his mind linked or

119

00:04:43,670 --> 00:04:41,120

telepathy the second bigfoot

120

00:04:45,270 --> 00:04:43,680

uh the one further away was staring at

121

00:04:47,189 --> 00:04:45,280

the witness through the main view screen

122

00:04:50,150 --> 00:04:47,199

watching him lying on his bed he

123

00:04:52,950 --> 00:04:50,160

continued to pump the long narrow bar in

124

00:04:54,790 --> 00:04:52,960

and out of the floor with his huge pink

125

00:04:56,790 --> 00:04:54,800

fist suddenly a visual connection was

126  
00:04:59,189 --> 00:04:56,800  
terminated between uh the person in the

127  
00:05:00,629 --> 00:04:59,199  
bed and the other sasquatch that was

128  
00:05:02,950 --> 00:05:00,639  
looking at him

129  
00:05:05,029 --> 00:05:02,960  
he was again staring at the glowing

130  
00:05:06,550 --> 00:05:05,039  
undercarriage of the ufo two seconds

131  
00:05:09,830 --> 00:05:06,560  
later the craft

132  
00:05:12,870 --> 00:05:09,840  
disappeared without a sound so

133  
00:05:16,390 --> 00:05:12,880  
there you go there is

134  
00:05:19,749 --> 00:05:16,400  
ufo but not only was it a ufo it was

135  
00:05:22,230 --> 00:05:19,759  
bigfoot's big feet operating the ufo

136  
00:05:23,510 --> 00:05:22,240  
1957.

137  
00:05:24,870 --> 00:05:23,520  
i'm curious at

138  
00:05:25,990 --> 00:05:24,880

how were they operating it sounds like

139

00:05:28,469 --> 00:05:26,000

they were

140

00:05:29,590 --> 00:05:28,479

uh cranking a uh uh an old railroad hand

141

00:05:31,510 --> 00:05:29,600

cart

142

00:05:33,909 --> 00:05:31,520

that's what it seemed like they had like

143

00:05:35,110 --> 00:05:33,919

these you see everything seemed super

144

00:05:36,310 --> 00:05:35,120

mechanical

145

00:05:38,390 --> 00:05:36,320

it didn't like

146

00:05:41,110 --> 00:05:38,400

what was described there wasn't like

147

00:05:42,790 --> 00:05:41,120

outlandish technology it all seemed kind

148

00:05:44,870 --> 00:05:42,800

of ordinary

149

00:05:47,590 --> 00:05:44,880

so it was kind of confusing but that's

150

00:05:49,110 --> 00:05:47,600

what he observed that's what he felt

151  
00:05:51,510 --> 00:05:49,120  
and uh

152  
00:05:52,790 --> 00:05:51,520  
now you know the rest of the story we

153  
00:05:54,070 --> 00:05:52,800  
don't know the rest of the story because

154  
00:05:55,749 --> 00:05:54,080  
we don't know what happened with that

155  
00:05:57,590 --> 00:05:55,759  
telepathic mind link we don't know what

156  
00:05:59,270 --> 00:05:57,600  
happened uh i like the idea of the other

157  
00:06:01,270 --> 00:05:59,280  
way it was a transparent ufo you could

158  
00:06:03,270 --> 00:06:01,280  
kind of see through so

159  
00:06:06,469 --> 00:06:03,280  
that's not an uncommon story yeah wonder

160  
00:06:08,309 --> 00:06:06,479  
woman's chat something like that

161  
00:06:11,029 --> 00:06:08,319  
that's not uncommon with abduction

162  
00:06:13,830 --> 00:06:11,039  
scenarios there are oftentimes people

163  
00:06:16,070 --> 00:06:13,840

during an abduction scenario they'll say

164

00:06:17,670 --> 00:06:16,080

uh these entities just materialized

165

00:06:19,270 --> 00:06:17,680

through the wall and they came and

166

00:06:20,950 --> 00:06:19,280

grabbed me and then they took me through

167

00:06:23,189 --> 00:06:20,960

the wall as well as soon as like you

168

00:06:25,670 --> 00:06:23,199

create some sort of physical bond with

169

00:06:27,990 --> 00:06:25,680

these entities you're in their dimension

170

00:06:29,670 --> 00:06:28,000

now and you you can just you're

171

00:06:32,070 --> 00:06:29,680

intangible and you can just walk through

172

00:06:33,670 --> 00:06:32,080

walls at that point so

173

00:06:35,350 --> 00:06:33,680

uh

174

00:06:36,550 --> 00:06:35,360

yeah it's super convenient way to travel

175

00:06:38,790 --> 00:06:36,560

don't got to worry about doors or

176

00:06:39,990 --> 00:06:38,800

handles or anything like that

177

00:06:42,070 --> 00:06:40,000

um

178

00:06:43,870 --> 00:06:42,080

this next story is from corpus christi

179

00:06:45,430 --> 00:06:43,880

texas

180

00:06:47,270 --> 00:06:45,440

1966.

181

00:06:48,950 --> 00:06:47,280

uh the witness was camping near a lake

182

00:06:50,870 --> 00:06:48,960

with a fellow scout

183

00:06:53,909 --> 00:06:50,880

at night he was suddenly awakened by

184

00:06:55,749 --> 00:06:53,919

splashing noises and a strange odor he

185

00:06:57,510 --> 00:06:55,759

looked out of his tent uh he looked out

186

00:07:00,629 --> 00:06:57,520

of his tent door and saw a bright light

187

00:07:03,270 --> 00:07:00,639

gliding over the lake sucking up water

188

00:07:04,469 --> 00:07:03,280

it was curious but frightening at the

189

00:07:06,390 --> 00:07:04,479

same time

190

00:07:08,870 --> 00:07:06,400

he lay face down and watch the light

191

00:07:10,790 --> 00:07:08,880

move over the water worried

192

00:07:12,870 --> 00:07:10,800

he tried to wake up his tent partner but

193

00:07:14,710 --> 00:07:12,880

could not get him awake

194

00:07:16,390 --> 00:07:14,720

he then moved back to the tent door but

195

00:07:18,950 --> 00:07:16,400

stop quickly when he saw what he

196

00:07:22,150 --> 00:07:18,960

described as to

197

00:07:24,150 --> 00:07:22,160

a two-legged hairy monster he backed

198

00:07:26,950 --> 00:07:24,160

away from the door but could still see

199

00:07:29,990 --> 00:07:26,960

their image images because the light was

200

00:07:31,270 --> 00:07:30,000

now closer he doesn't remember much more

201  
00:07:33,350 --> 00:07:31,280  
except that

202  
00:07:40,390 --> 00:07:33,360  
he was

203  
00:07:43,749 --> 00:07:40,400  
and his dreams of being pulled into the

204  
00:07:45,749 --> 00:07:43,759  
lake and emerging inside a cavern

205  
00:07:47,510 --> 00:07:45,759  
under the lake that's what he remembers

206  
00:07:49,990 --> 00:07:47,520  
from the dream you but there he said

207  
00:07:51,029 --> 00:07:50,000  
that there was air uh it was hard to

208  
00:07:54,150 --> 00:07:51,039  
breathe

209  
00:07:54,869 --> 00:07:54,160  
and he could see moving shadows he woke

210  
00:07:56,469 --> 00:07:54,879  
up

211  
00:07:59,189 --> 00:07:56,479  
uh soaked and sweat

212  
00:08:00,390 --> 00:07:59,199  
or was lake water he couldn't remember

213  
00:08:02,550 --> 00:08:00,400

um

214

00:08:03,350 --> 00:08:02,560

he was scared every night to sleep since

215

00:08:06,150 --> 00:08:03,360

then

216

00:08:08,070 --> 00:08:06,160

as he knows that the dreams uh were much

217

00:08:10,070 --> 00:08:08,080

more vivid than he would have normally

218

00:08:11,510 --> 00:08:10,080

in dreams and they just wouldn't stop

219

00:08:13,430 --> 00:08:11,520

uh the witness believes that he was

220

00:08:15,749 --> 00:08:13,440

abducted but he can't prove it

221

00:08:18,629 --> 00:08:15,759

he had uh medical problems ever since

222

00:08:20,950 --> 00:08:18,639

the encounter by the lake so

223

00:08:25,350 --> 00:08:20,960

there you go that was reported by the

224

00:08:28,550 --> 00:08:25,360

uh new fork uh in uforc

225

00:08:30,629 --> 00:08:28,560

so i guess a bigfoot hairy kind of

226

00:08:32,709 --> 00:08:30,639

creature outside of his tent

227

00:08:34,790 --> 00:08:32,719

but the the most peculiar thing to me

228

00:08:37,909 --> 00:08:34,800

and that was that the ufo was sucking up

229

00:08:39,509 --> 00:08:37,919

water which is a very common thing

230

00:08:47,269 --> 00:08:39,519

in

231

00:08:48,870 --> 00:08:47,279

america there's a lot of reports of ufos

232

00:08:50,790 --> 00:08:48,880

sucking up water

233

00:08:53,110 --> 00:08:50,800

uh also curious who's taken to an

234

00:08:55,030 --> 00:08:53,120

underground cavern i want to call that

235

00:08:57,750 --> 00:08:55,040

inner earth or hollow earth who knows

236

00:08:59,990 --> 00:08:57,760

probably to some sort of dimensional

237

00:09:01,430 --> 00:09:00,000

holding place i would assume but he got

238

00:09:03,750 --> 00:09:01,440

out of that one alive

239

00:09:08,150 --> 00:09:05,670

now as i read all these things like i

240

00:09:11,110 --> 00:09:08,160

kept i kept going deeper and deeper and

241

00:09:12,150 --> 00:09:11,120

i had to buy a book to just try to try

242

00:09:13,750 --> 00:09:12,160

to

243

00:09:14,790 --> 00:09:13,760

wrap my head around some of this stuff

244

00:09:17,030 --> 00:09:14,800

there are

245

00:09:18,310 --> 00:09:17,040

instances where there was a guy that was

246

00:09:20,070 --> 00:09:18,320

just out camping

247

00:09:21,350 --> 00:09:20,080

who's out camping and doing a little bit

248

00:09:24,389 --> 00:09:21,360

of hunting

249

00:09:25,190 --> 00:09:24,399

and as he was going about his day out

250

00:09:29,030 --> 00:09:25,200

there

251  
00:09:30,070 --> 00:09:29,040  
he saw a deer that was injured by an

252  
00:09:32,470 --> 00:09:30,080  
arrow

253  
00:09:35,670 --> 00:09:32,480  
and he spent like a day or two tracking

254  
00:09:37,110 --> 00:09:35,680  
his deer to try to help it and so he

255  
00:09:39,509 --> 00:09:37,120  
finally got up close enough he was able

256  
00:09:41,350 --> 00:09:39,519  
to uh to kind of slow it down and

257  
00:09:42,630 --> 00:09:41,360  
capture to remove

258  
00:09:47,110 --> 00:09:42,640  
an arrow

259  
00:09:49,590 --> 00:09:47,120  
from the deer and let it go

260  
00:09:52,150 --> 00:09:49,600  
at which point i'm that that hunter sat

261  
00:09:53,910 --> 00:09:52,160  
down on a log and to just try to enjoy

262  
00:09:56,230 --> 00:09:53,920  
nature next thing he knows out of the

263  
00:09:57,430 --> 00:09:56,240

corner's eye he sees a bigfoot a

264

00:10:00,630 --> 00:09:57,440

sasquatch

265

00:10:02,790 --> 00:10:00,640

about 20 to 30 feet away just behind a

266

00:10:04,310 --> 00:10:02,800

tree kind of peering out looking at him

267

00:10:06,870 --> 00:10:04,320

the guy didn't really freak out that

268

00:10:09,829 --> 00:10:06,880

much he kind of felt calm and he said

269

00:10:11,190 --> 00:10:09,839

the the book the bigfoot just slowly

270

00:10:13,750 --> 00:10:11,200

approached him

271

00:10:15,750 --> 00:10:13,760

um and at the guy sedan log didn't

272

00:10:18,230 --> 00:10:15,760

really feel frightened at all and he

273

00:10:20,870 --> 00:10:18,240

said that he could feel some sort of

274

00:10:22,870 --> 00:10:20,880

mind link like there was a they were

275

00:10:25,350 --> 00:10:22,880

sharing thoughts telepathically the

276

00:10:26,710 --> 00:10:25,360

bigfoot sat down on the log

277

00:10:29,269 --> 00:10:26,720

and the guy claimed that they had a

278

00:10:31,750 --> 00:10:29,279

conversation for about two hours and

279

00:10:33,990 --> 00:10:31,760

what he initially said is that the

280

00:10:36,150 --> 00:10:34,000

bigfoot was

281

00:10:39,190 --> 00:10:36,160

terrified of humans and he was the first

282

00:10:41,910 --> 00:10:39,200

human that the bigfoot had witnessed

283

00:10:42,870 --> 00:10:41,920

help an animal as opposed to just kill

284

00:10:48,150 --> 00:10:42,880

it

285

00:10:50,470 --> 00:10:48,160

bigfoot very wary of humans because they

286

00:10:52,470 --> 00:10:50,480

only know humans to kill

287

00:10:54,790 --> 00:10:52,480

and he figured this might be a good time

288

00:10:57,590 --> 00:10:54,800

to approach the one human that he saw

289

00:10:59,030 --> 00:10:57,600

save another animal's life and according

290

00:11:01,269 --> 00:10:59,040

this gentleman they had a telepathic

291

00:11:03,030 --> 00:11:01,279

communication for about two hours

292

00:11:06,310 --> 00:11:03,040

but he didn't go into detail about what

293

00:11:08,630 --> 00:11:06,320

it was and i spent i spent hours looking

294

00:11:10,949 --> 00:11:08,640

for that interaction to see if i could

295

00:11:13,910 --> 00:11:10,959

find any more details

296

00:11:16,310 --> 00:11:13,920

about that and i couldn't find anything

297

00:11:18,230 --> 00:11:16,320

and so it could be just a bunch of bunk

298

00:11:20,790 --> 00:11:18,240

i i didn't see any

299

00:11:21,910 --> 00:11:20,800

other things i i searched quite quite

300

00:11:24,150 --> 00:11:21,920

a ways

301  
00:11:25,910 --> 00:11:24,160  
up and down all over the internet i even

302  
00:11:27,990 --> 00:11:25,920  
used yahoo

303  
00:11:29,190 --> 00:11:28,000  
oh my god i couldn't find anything the

304  
00:11:30,710 --> 00:11:29,200  
horror

305  
00:11:32,470 --> 00:11:30,720  
but you know it's really interesting

306  
00:11:34,069 --> 00:11:32,480  
with these bigfoot

307  
00:11:36,630 --> 00:11:34,079  
sort of things they they could walk

308  
00:11:38,069 --> 00:11:36,640  
through walls walk the no doors no and

309  
00:11:40,150 --> 00:11:38,079  
then they can also communicate

310  
00:11:43,509 --> 00:11:40,160  
telepathically that's really rad that

311  
00:11:46,310 --> 00:11:43,519  
would save so much time well it it does

312  
00:11:49,350 --> 00:11:46,320  
i think that there are uh different

313  
00:11:52,069 --> 00:11:49,360

species and i can't confuse one with the

314

00:11:54,230 --> 00:11:52,079

other like we have us we have a lot of

315

00:11:56,069 --> 00:11:54,240

abilities in the first world here that

316

00:11:57,750 --> 00:11:56,079

people in the third world just simply do

317

00:11:59,110 --> 00:11:57,760

not have now i'm not talking like we're

318

00:12:00,710 --> 00:11:59,120

not like telepathic but we have

319

00:12:04,230 --> 00:12:00,720

technological abilities so i think

320

00:12:06,150 --> 00:12:04,240

confusing bigfoot piloting uh ufos and

321

00:12:08,310 --> 00:12:06,160

shouldn't confuse those guys with the

322

00:12:10,230 --> 00:12:08,320

the crap like the the run-of-the-mill

323

00:12:12,310 --> 00:12:10,240

people in the woods completely different

324

00:12:14,069 --> 00:12:12,320

things what you're not hearing the end

325

00:12:16,389 --> 00:12:14,079

of the story is that

326

00:12:17,750 --> 00:12:16,399

before they parted ways

327

00:12:19,269 --> 00:12:17,760

he gave uh

328

00:12:21,670 --> 00:12:19,279

bigfoot a handy

329

00:12:26,629 --> 00:12:21,680

exactly that wasn't left in that wasn't

330

00:12:30,310 --> 00:12:28,470

he had a bowl of popcorn with a whole

331

00:12:31,829 --> 00:12:30,320

cup

332

00:12:34,710 --> 00:12:31,839

yeah that was

333

00:12:37,990 --> 00:12:34,720

a different uh a different story there

334

00:12:39,350 --> 00:12:38,000

there is a book called psychic sasquatch

335

00:12:41,350 --> 00:12:39,360

that you guys can look up you can

336

00:12:44,470 --> 00:12:41,360

purchase it on kindle you can buy a hard

337

00:12:47,910 --> 00:12:44,480

copy it is a phenomenal book it's got a

338

00:12:49,470 --> 00:12:47,920

lot of uh stories by the author uh

339

00:12:51,110 --> 00:12:49,480

quinoa

340

00:12:53,190 --> 00:12:51,120

laptops

341

00:12:55,590 --> 00:12:53,200

i think that's his name i think he's

342

00:12:58,230 --> 00:12:55,600

like like the the little

343

00:13:00,870 --> 00:12:58,240

health food king king wani kinwani i

344

00:13:03,430 --> 00:13:00,880

think it's kimwani cute kiwani

345

00:13:04,550 --> 00:13:03,440

lapseseritis

346

00:13:07,350 --> 00:13:04,560

that's right he needs to get that

347

00:13:10,389 --> 00:13:07,360

checked out um

348

00:13:12,790 --> 00:13:10,399

cytopedia thrombothrives

349

00:13:14,389 --> 00:13:12,800

yeah something like that

350

00:13:16,150 --> 00:13:14,399

and um

351  
00:13:17,910 --> 00:13:16,160  
yeah the artwork on the cover on this by

352  
00:13:19,910 --> 00:13:17,920  
the way is is

353  
00:13:23,269 --> 00:13:19,920  
is pretty phenomenal i love it this

354  
00:13:24,389 --> 00:13:23,279  
little disturbing yeah

355  
00:13:26,949 --> 00:13:24,399  
but

356  
00:13:30,110 --> 00:13:26,959  
he has here oh this is his name i'm

357  
00:13:33,590 --> 00:13:30,120  
sorry this is it from

358  
00:13:36,629 --> 00:13:33,600  
boycottia yeah but he's a big researcher

359  
00:13:37,990 --> 00:13:36,639  
he's given a number of talks and uh he's

360  
00:13:40,710 --> 00:13:38,000  
out there in the field doing certain

361  
00:13:43,910 --> 00:13:40,720  
things and so uh he tries to collect as

362  
00:13:45,030 --> 00:13:43,920  
many stories about bigfoot encounters as

363  
00:13:47,030 --> 00:13:45,040

he can

364

00:13:48,790 --> 00:13:47,040

and so one of the stories he did collect

365

00:13:51,430 --> 00:13:48,800

was from a woman

366

00:13:53,750 --> 00:13:51,440

uh who declined to go on record with her

367

00:13:56,069 --> 00:13:53,760

name about the encounter with bigfoot

368

00:13:58,470 --> 00:13:56,079

that she had but it took place back in

369

00:14:01,350 --> 00:13:58,480

the the late 70s early 80s

370

00:14:04,710 --> 00:14:01,360

and she just goes by the name mrs jones

371

00:14:07,030 --> 00:14:04,720

but she uh had like a summer house

372

00:14:08,949 --> 00:14:07,040

out in a rural area

373

00:14:10,550 --> 00:14:08,959

and she lived there with her husband her

374

00:14:12,389 --> 00:14:10,560

husband was working time so she was

375

00:14:15,829 --> 00:14:12,399

mostly alone out there

376

00:14:18,310 --> 00:14:15,839

and one evening she was out on her porch

377

00:14:21,829 --> 00:14:18,320

and she saw this

378

00:14:24,389 --> 00:14:21,839

this large figure standing about 50 to

379

00:14:26,069 --> 00:14:24,399

maybe about 50 feet 70 feet away but she

380

00:14:29,189 --> 00:14:26,079

can only see like the upper part of the

381

00:14:32,310 --> 00:14:29,199

torso because it was standing uh

382

00:14:35,110 --> 00:14:32,320

like just over like a large or small

383

00:14:37,590 --> 00:14:35,120

shed and she wasn't frightened

384

00:14:39,590 --> 00:14:37,600

and next thing she know she heard a

385

00:14:42,790 --> 00:14:39,600

voice in her head

386

00:14:45,189 --> 00:14:42,800

and the voice was asking why do you keep

387

00:14:47,189 --> 00:14:45,199

that animal in a cage now this woman

388

00:14:48,870 --> 00:14:47,199

would often times

389

00:14:52,069 --> 00:14:48,880

be on the front porch sipping and

390

00:14:54,470 --> 00:14:52,079

drinking tea with her cat outside and

391

00:14:55,990 --> 00:14:54,480

her she kept her cat in a cage

392

00:14:57,750 --> 00:14:56,000

outside with her

393

00:14:59,350 --> 00:14:57,760

and she she wasn't startled at all she

394

00:15:01,430 --> 00:14:59,360

was a little perplexed about about where

395

00:15:03,269 --> 00:15:01,440

that voice was coming from

396

00:15:05,030 --> 00:15:03,279

and she responded back just mentally

397

00:15:08,230 --> 00:15:05,040

saying i keep my

398

00:15:10,550 --> 00:15:08,240

my cat which is my pet in a cage because

399

00:15:13,509 --> 00:15:10,560

i don't want it to scurry off into the

400

00:15:15,269 --> 00:15:13,519

woods to be eaten by another animal

401  
00:15:16,310 --> 00:15:15,279  
so at this point she's

402  
00:15:19,189 --> 00:15:16,320  
pretty much

403  
00:15:21,670 --> 00:15:19,199  
sure that she's communicating with this

404  
00:15:23,430 --> 00:15:21,680  
sasquatch type creature fifty to seventy

405  
00:15:26,389 --> 00:15:23,440  
feet away but she's

406  
00:15:27,829 --> 00:15:26,399  
he's not really scared at this point and

407  
00:15:28,870 --> 00:15:27,839  
she continues to communicate with this

408  
00:15:31,110 --> 00:15:28,880  
creature

409  
00:15:34,710 --> 00:15:31,120  
and she has to

410  
00:15:35,670 --> 00:15:34,720  
articulate what certain words

411  
00:15:37,430 --> 00:15:35,680  
mean

412  
00:15:39,910 --> 00:15:37,440  
like because uh

413  
00:15:41,670 --> 00:15:39,920

she was referencing winter well the

414

00:15:44,150 --> 00:15:41,680

sasquatch didn't understand winter but

415

00:15:45,829 --> 00:15:44,160

it understood the time in which snow

416

00:15:47,350 --> 00:15:45,839

falls or the time it where it gets

417

00:15:49,509 --> 00:15:47,360

really cold it didn't understand what

418

00:15:51,990 --> 00:15:49,519

spring was its so she had to describe

419

00:15:55,509 --> 00:15:52,000

spring as as the time when the snow on

420

00:15:57,910 --> 00:15:55,519

the the ground melts and so the over the

421

00:16:00,389 --> 00:15:57,920

course of a few days that's spread out

422

00:16:02,470 --> 00:16:00,399

over you know a few weeks uh they

423

00:16:04,790 --> 00:16:02,480

developed a sort of a relationship she

424

00:16:07,430 --> 00:16:04,800

didn't feel threatened by the sasquatch

425

00:16:11,110 --> 00:16:07,440

in the sasquatch felt bold enough to

426  
00:16:13,350 --> 00:16:11,120  
keep communicating to her

427  
00:16:14,470 --> 00:16:13,360  
and so over time

428  
00:16:16,389 --> 00:16:14,480  
um

429  
00:16:18,230 --> 00:16:16,399  
they developed this relationship and

430  
00:16:20,470 --> 00:16:18,240  
during that time there were some

431  
00:16:23,430 --> 00:16:20,480  
break-ins in the area

432  
00:16:25,509 --> 00:16:23,440  
and one night this woman was uh resting

433  
00:16:28,230 --> 00:16:25,519  
in her house she heard some commotion

434  
00:16:30,870 --> 00:16:28,240  
out on her front porch and she assumed

435  
00:16:33,509 --> 00:16:30,880  
it was these burglars coming to burgle

436  
00:16:35,590 --> 00:16:33,519  
her house so she grabbed a gun and was

437  
00:16:37,670 --> 00:16:35,600  
getting ready to go confront these

438  
00:16:40,470 --> 00:16:37,680

burglars when all of a sudden she heard

439

00:16:42,069 --> 00:16:40,480

his giant roar from outside

440

00:16:44,870 --> 00:16:42,079

and

441

00:16:46,069 --> 00:16:44,880

then the screams of these guys were

442

00:16:48,069 --> 00:16:46,079

running off

443

00:16:50,230 --> 00:16:48,079

and at that point in time she went out

444

00:16:51,670 --> 00:16:50,240

there and the bigfoot was kind of

445

00:16:53,189 --> 00:16:51,680

walking off but they mentally

446

00:16:55,189 --> 00:16:53,199

communicated that

447

00:16:57,990 --> 00:16:55,199

uh she he

448

00:17:00,470 --> 00:16:58,000

sensed that she was in trouble she's uh

449

00:17:02,389 --> 00:17:00,480

he sensed that she was scared so he came

450

00:17:05,829 --> 00:17:02,399

to her rescue so the bigfoot came by and

451

00:17:09,750 --> 00:17:05,839

scared off these uh these criminals

452

00:17:10,630 --> 00:17:09,760

it uh at a later date uh later on in the

453

00:17:13,669 --> 00:17:10,640

season

454

00:17:15,829 --> 00:17:13,679

she witnessed what appeared to be ufos

455

00:17:17,350 --> 00:17:15,839

hovering in the forest

456

00:17:18,710 --> 00:17:17,360

and at the time she didn't she just

457

00:17:20,150 --> 00:17:18,720

thought they were just kind of like

458

00:17:21,189 --> 00:17:20,160

weird lights she didn't really know what

459

00:17:23,510 --> 00:17:21,199

they were

460

00:17:25,750 --> 00:17:23,520

but uh the neighbors came over and they

461

00:17:27,590 --> 00:17:25,760

kind of chit-chatted back and forth and

462

00:17:30,789 --> 00:17:27,600

the neighbors saw the lights in the

463

00:17:33,510 --> 00:17:30,799

force too so the next time the bigfoot

464

00:17:34,950 --> 00:17:33,520

showed up the woman asked about these

465

00:17:37,110 --> 00:17:34,960

lights in the woods

466

00:17:38,710 --> 00:17:37,120

and she said what are those lights in

467

00:17:41,029 --> 00:17:38,720

the woods those ufos you know anything

468

00:17:43,350 --> 00:17:41,039

about them and the bigfoot said you

469

00:17:45,110 --> 00:17:43,360

don't need to know about those don't

470

00:17:47,750 --> 00:17:45,120

worry about those

471

00:17:49,990 --> 00:17:47,760

and so she's like oh okay

472

00:17:52,230 --> 00:17:50,000

so a couple like a couple years passed

473

00:17:54,390 --> 00:17:52,240

and they kind of lost contact because

474

00:17:55,909 --> 00:17:54,400

development in the area just

475

00:17:57,830 --> 00:17:55,919

kind of ramped up so more people were

476  
00:18:01,190 --> 00:17:57,840  
building houses around there so the the

477  
00:18:03,350 --> 00:18:01,200  
bigfoot in sasquatch migrated away

478  
00:18:06,310 --> 00:18:03,360  
but she did go back to the woods uh one

479  
00:18:07,669 --> 00:18:06,320  
more time to try to contact her friend

480  
00:18:10,230 --> 00:18:07,679  
and she

481  
00:18:11,990 --> 00:18:10,240  
saw what was the bigfoot and was

482  
00:18:14,310 --> 00:18:12,000  
mentally communicating with it just for

483  
00:18:15,830 --> 00:18:14,320  
a few seconds in the woods and then it

484  
00:18:17,830 --> 00:18:15,840  
de-materialized right in front of her

485  
00:18:18,549 --> 00:18:17,840  
like it went invisible right in front of

486  
00:18:20,870 --> 00:18:18,559  
her

487  
00:18:23,190 --> 00:18:20,880  
and he says he was moving on and maybe

488  
00:18:25,190 --> 00:18:23,200

someday he would see her again

489

00:18:27,430 --> 00:18:25,200

and that

490

00:18:28,710 --> 00:18:27,440

that startled her and said so i didn't

491

00:18:31,110 --> 00:18:28,720

know a bigfoot was invisible but

492

00:18:31,990 --> 00:18:31,120

apparently they are term

493

00:18:35,510 --> 00:18:32,000

now

494

00:18:38,470 --> 00:18:35,520

this guy uh in the book uh kiwanzi

495

00:18:41,510 --> 00:18:38,480

is a kiwani i think it's kiwani

496

00:18:42,630 --> 00:18:41,520

um he also goes into various detail

497

00:18:45,990 --> 00:18:42,640

about him

498

00:18:48,950 --> 00:18:46,000

himself going out and in hunting bigfoot

499

00:18:51,350 --> 00:18:48,960

he uses various methods to doing that in

500

00:18:53,350 --> 00:18:51,360

ranging from like psychics to

501

00:18:54,150 --> 00:18:53,360

just uh historical data

502

00:18:56,630 --> 00:18:54,160

and

503

00:18:58,470 --> 00:18:56,640

personal accounts there's like a he has

504

00:18:59,909 --> 00:18:58,480

a section in this book

505

00:19:02,630 --> 00:18:59,919

called

506

00:19:05,029 --> 00:19:02,640

bigfoot and the cia which is a

507

00:19:06,710 --> 00:19:05,039

compelling kind of

508

00:19:09,270 --> 00:19:06,720

story in and of itself i won't get into

509

00:19:11,669 --> 00:19:09,280

it here but he did say this so i tracked

510

00:19:12,630 --> 00:19:11,679

down like a talk from the author of the

511

00:19:14,070 --> 00:19:12,640

book

512

00:19:16,230 --> 00:19:14,080

and

513

00:19:19,110 --> 00:19:16,240

as i said he he tries to congregate with

514

00:19:21,590 --> 00:19:19,120

like-minded people he collects stories

515

00:19:22,830 --> 00:19:21,600

and he invited some friends over to his

516

00:19:26,789 --> 00:19:22,840

personal

517

00:19:28,870 --> 00:19:26,799

house uh to maybe uh experience some

518

00:19:30,390 --> 00:19:28,880

bigfoot activity um because some people

519

00:19:32,870 --> 00:19:30,400

are just curious they have experienced

520

00:19:34,390 --> 00:19:32,880

it or they believe them uh but they

521

00:19:36,390 --> 00:19:34,400

still want to experience big foot

522

00:19:37,510 --> 00:19:36,400

activity for himself so here is a little

523

00:19:40,789 --> 00:19:37,520

clip

524

00:19:42,390 --> 00:19:40,799

from the author talking about uh

525

00:19:43,510 --> 00:19:42,400

bigfoot here we go

526  
00:19:45,830 --> 00:19:43,520  
they

527  
00:19:50,950 --> 00:19:48,950  
built a portal 125 feet from my front

528  
00:19:53,430 --> 00:19:50,960  
door so he's talking about bigfoot right

529  
00:19:54,390 --> 00:19:53,440  
there he's saying

530  
00:19:56,390 --> 00:19:54,400  
that

531  
00:19:59,350 --> 00:19:56,400  
bigfoot or big feet

532  
00:20:00,470 --> 00:19:59,360  
built a portal 125 feet from his front

533  
00:20:03,909 --> 00:20:00,480  
door

534  
00:20:07,990 --> 00:20:06,950  
built a portal 125 feet from my front

535  
00:20:09,510 --> 00:20:08,000  
door

536  
00:20:12,470 --> 00:20:09,520  
and so they would come in and out so

537  
00:20:14,230 --> 00:20:12,480  
they were there all the time and

538  
00:20:16,390 --> 00:20:14,240

sometimes they'd wake me up at night and

539

00:20:17,990 --> 00:20:16,400

just say hello they were walking through

540

00:20:19,990 --> 00:20:18,000

from someplace else

541

00:20:21,029 --> 00:20:20,000

on their way to the portal and they

542

00:20:22,870 --> 00:20:21,039

would just

543

00:20:25,350 --> 00:20:22,880

tell me hello wake me up and i said oh

544

00:20:27,830 --> 00:20:25,360

it's youth hi you know god bless you and

545

00:20:28,789 --> 00:20:27,840

just roll over and go back to sleep

546

00:20:32,390 --> 00:20:28,799

so

547

00:20:35,029 --> 00:20:32,400

oh no they're not here that's that's

548

00:20:37,510 --> 00:20:35,039

ridiculous i said of course there i mean

549

00:20:38,710 --> 00:20:37,520

i explained but for whatever reason she

550

00:20:40,710 --> 00:20:38,720

didn't believe me

551  
00:20:43,270 --> 00:20:40,720  
and so i thought that was odd because

552  
00:20:45,270 --> 00:20:43,280  
she had had experiences before not many

553  
00:20:46,390 --> 00:20:45,280  
but she had some and the telepathy as

554  
00:20:47,350 --> 00:20:46,400  
well

555  
00:20:50,149 --> 00:20:47,360  
so

556  
00:20:52,950 --> 00:20:50,159  
uh the last night there i

557  
00:20:54,070 --> 00:20:52,960  
said to them would you please come

558  
00:20:54,950 --> 00:20:54,080  
inside

559  
00:20:57,029 --> 00:20:54,960  
uh

560  
00:20:59,350 --> 00:20:57,039  
tonight and

561  
00:21:00,789 --> 00:20:59,360  
make some noise or do something to let

562  
00:21:03,510 --> 00:21:00,799  
my friend know that you're here you're

563  
00:21:05,990 --> 00:21:03,520

really here and they said they would

564

00:21:08,149 --> 00:21:06,000

because there were two teenagers in the

565

00:21:11,669 --> 00:21:08,159

group of the clan that was there and

566

00:21:12,710 --> 00:21:11,679

they like doing stuff like that you know

567

00:21:14,390 --> 00:21:12,720

so

568

00:21:16,870 --> 00:21:14,400

i went to bed

569

00:21:19,029 --> 00:21:16,880

and i mean i fell right to sleep and i

570

00:21:21,350 --> 00:21:19,039

would woke up the next morning

571

00:21:22,549 --> 00:21:21,360

and i walked down the the steps from the

572

00:21:25,270 --> 00:21:22,559

loft

573

00:21:29,430 --> 00:21:27,909

my friend sat up in bed and said hey on

574

00:21:32,630 --> 00:21:29,440

the couch there and said

575

00:21:34,950 --> 00:21:32,640

gee what a night that was huh

576

00:21:36,470 --> 00:21:34,960

and i said why would happen

577

00:21:38,789 --> 00:21:36,480

she said well you know what happened she

578

00:21:40,070 --> 00:21:38,799

says they were stomping all through here

579

00:21:42,630 --> 00:21:40,080

down here that

580

00:21:44,310 --> 00:21:42,640

her dog was growling and she went up in

581

00:21:47,029 --> 00:21:44,320

the loft afterwards make one hell of a

582

00:21:49,110 --> 00:21:47,039

noise and she says i know they're here

583

00:21:50,710 --> 00:21:49,120

and she's but must have woke you up i

584

00:21:52,789 --> 00:21:50,720

said i didn't hear anything

585

00:21:55,029 --> 00:21:52,799

what they do is they made sure i stayed

586

00:21:57,669 --> 00:21:55,039

asleep they can they have that power to

587

00:22:00,070 --> 00:21:57,679

keep you asleep or put you to sleep

588

00:22:01,669 --> 00:22:00,080

so they did so i could rest and it

589

00:22:03,270 --> 00:22:01,679

wasn't my thing i didn't need to hear

590

00:22:05,029 --> 00:22:03,280

them but she did and

591

00:22:06,149 --> 00:22:05,039

she said okay they're here i believe you

592

00:22:09,190 --> 00:22:06,159

you know

593

00:22:10,789 --> 00:22:09,200

so it may sound wacky to some people uh

594

00:22:13,110 --> 00:22:10,799

probably a good majority of people out

595

00:22:14,470 --> 00:22:13,120

there just just you know hold on to that

596

00:22:15,909 --> 00:22:14,480

that thought and what he said there

597

00:22:16,789 --> 00:22:15,919

about portals and putting people to

598

00:22:19,590 --> 00:22:16,799

sleep

599

00:22:22,310 --> 00:22:19,600

um because a lot of what he is stating

600

00:22:24,070 --> 00:22:22,320

there also applies to the et phenomenon

601

00:22:26,230 --> 00:22:24,080

and then throughout this book

602

00:22:27,350 --> 00:22:26,240

he does reference quite a bit and talk

603

00:22:29,990 --> 00:22:27,360

about how

604

00:22:32,630 --> 00:22:30,000

the bigfoot and sasquatch work hand in

605

00:22:35,350 --> 00:22:32,640

hand with ets for various assignments

606

00:22:37,029 --> 00:22:35,360

essentially he calls them foot soldiers

607

00:22:39,590 --> 00:22:37,039

uh is something that we have speculated

608

00:22:41,909 --> 00:22:39,600

about a number of times in the show

609

00:22:43,669 --> 00:22:41,919

that these bigfoot at least a certain

610

00:22:44,630 --> 00:22:43,679

segment of the population maybe not all

611

00:22:47,110 --> 00:22:44,640

of them

612

00:22:50,870 --> 00:22:47,120

but a certain part of the bigfoot

613

00:22:54,070 --> 00:22:50,880

population do work in conjunction with

614

00:22:55,830 --> 00:22:54,080

et's or some non-terrestrial entity that

615

00:22:57,190 --> 00:22:55,840

is hyper intelligent has access to

616

00:22:59,590 --> 00:22:57,200

technology

617

00:23:01,669 --> 00:22:59,600

um it they guard areas they are

618

00:23:04,470 --> 00:23:01,679

basically the reconnaissance for these

619

00:23:06,630 --> 00:23:04,480

aliens and can do manual labor

620

00:23:08,230 --> 00:23:06,640

um it's a left at the angle it's

621

00:23:10,870 --> 00:23:08,240

probably pretty weird you like if you

622

00:23:12,230 --> 00:23:10,880

just picture these bigfoot as like a big

623

00:23:14,870 --> 00:23:12,240

giant ape he's like they're not

624

00:23:17,750 --> 00:23:14,880

telepathic but i just this book goes

625

00:23:20,710 --> 00:23:17,760

into a deeper kind of lore about it that

626

00:23:22,390 --> 00:23:20,720

they're not really from this dimension

627

00:23:25,510 --> 00:23:22,400

and have various methods

628

00:23:29,350 --> 00:23:25,520

of of traveling and kind of phasing in

629

00:23:31,110 --> 00:23:29,360

and out of this dimension for us to see

630

00:23:33,510 --> 00:23:31,120

now

631

00:23:35,510 --> 00:23:33,520

what he did say uh in his book with one

632

00:23:37,909 --> 00:23:35,520

of the stories in reference to ufos is

633

00:23:38,950 --> 00:23:37,919

that there was a family in the the mid

634

00:23:39,830 --> 00:23:38,960

80s

635

00:23:40,630 --> 00:23:39,840

that

636

00:23:43,750 --> 00:23:40,640

did

637

00:23:46,390 --> 00:23:43,760

go camping at a certain location uh over

638

00:23:48,070 --> 00:23:46,400

the course of the uh a few years and

639

00:23:50,870 --> 00:23:48,080

they got pretty comfortable with the

640

00:23:52,950 --> 00:23:50,880

fact that this area was inhabited by

641

00:23:55,190 --> 00:23:52,960

bigfoot and they went out to the woods

642

00:23:57,590 --> 00:23:55,200

they they kind of

643

00:23:59,909 --> 00:23:57,600

posted up and kinda hunkered down for a

644

00:24:02,149 --> 00:23:59,919

few hours they saw a bunch of bigfoot

645

00:24:03,029 --> 00:24:02,159

come out of the woods carrying this

646

00:24:05,269 --> 00:24:03,039

weird

647

00:24:06,950 --> 00:24:05,279

object that looked like a flashlight

648

00:24:11,350 --> 00:24:06,960

shining up into the sky

649

00:24:14,310 --> 00:24:11,360

make a a howling noise and ufos appeared

650

00:24:16,390 --> 00:24:14,320

and they appear to interact in some way

651  
00:24:19,190 --> 00:24:16,400  
um and so that caught the attention of

652  
00:24:22,070 --> 00:24:19,200  
this author and uh and some other people

653  
00:24:24,390 --> 00:24:22,080  
um but when it comes to the portal

654  
00:24:27,669 --> 00:24:24,400  
the portal aspect of it all

655  
00:24:30,149 --> 00:24:27,679  
uh i will play this little segment from

656  
00:24:32,710 --> 00:24:30,159  
george knapp so in the previous segment

657  
00:24:34,870 --> 00:24:32,720  
uh the author of psychic bigfoot said uh

658  
00:24:36,549 --> 00:24:34,880  
the bigfoot they they created a portal

659  
00:24:37,669 --> 00:24:36,559  
out right you know 100 feet away from my

660  
00:24:40,549 --> 00:24:37,679  
house

661  
00:24:42,390 --> 00:24:40,559  
um but in this this next segment by

662  
00:24:45,669 --> 00:24:42,400  
george knapp

663  
00:24:47,510 --> 00:24:45,679

he talks of a portal on skinwalker ranch

664

00:24:49,830 --> 00:24:47,520

and this is well documented this was

665

00:24:52,789 --> 00:24:49,840

documented during the whole needs

666

00:24:55,350 --> 00:24:52,799

investigation of skinwalker ranch when

667

00:24:57,510 --> 00:24:55,360

bigelow owned the place and they were

668

00:24:59,990 --> 00:24:57,520

recording everything they could

669

00:25:03,190 --> 00:25:00,000

and so this is written down and they

670

00:25:05,510 --> 00:25:03,200

have uh various testimonies uh that this

671

00:25:07,909 --> 00:25:05,520

event did happen so here is george knapp

672

00:25:09,990 --> 00:25:07,919

george knapp recounting the story

673

00:25:11,750 --> 00:25:10,000

these are these are world-class guys who

674

00:25:12,870 --> 00:25:11,760

saw this stuff they had an incident

675

00:25:14,789 --> 00:25:12,880

where their

676  
00:25:15,669 --> 00:25:14,799  
they got two guys up on on skinwalker

677  
00:25:17,830 --> 00:25:15,679  
ridge

678  
00:25:20,470 --> 00:25:17,840  
who are sort of watching with infrared

679  
00:25:22,070 --> 00:25:20,480  
and telescopes and then two other guys

680  
00:25:25,430 --> 00:25:22,080  
are down below and the guys who are

681  
00:25:28,390 --> 00:25:25,440  
below see this like a a dirty

682  
00:25:30,470 --> 00:25:28,400  
snowball of yellow light hanging

683  
00:25:32,950 --> 00:25:30,480  
maybe a foot off the ground in the

684  
00:25:34,230 --> 00:25:32,960  
middle pasture you know george plastic

685  
00:25:35,269 --> 00:25:34,240  
chair pasture

686  
00:25:36,870 --> 00:25:35,279  
um

687  
00:25:38,390 --> 00:25:36,880  
and it's getting bigger and bigger and

688  
00:25:40,390 --> 00:25:38,400

they're talking on the walkie talkie to

689

00:25:42,149 --> 00:25:40,400

the guys upstairs and they said up at

690

00:25:44,630 --> 00:25:42,159

the on the ridge and they say can you

691

00:25:47,190 --> 00:25:44,640

see this thing yeah we're watching it

692

00:25:49,909 --> 00:25:47,200

and this ball starts getting bigger and

693

00:25:52,230 --> 00:25:49,919

then it kind of gets elongated

694

00:25:54,070 --> 00:25:52,240

until it looks like a tunnel

695

00:25:55,990 --> 00:25:54,080

and you guys still watching this yeah

696

00:25:58,230 --> 00:25:56,000

and the guys with the infrared said hey

697

00:25:59,669 --> 00:25:58,240

there's something inside this thing

698

00:26:01,909 --> 00:25:59,679

and sure enough

699

00:26:03,590 --> 00:26:01,919

this large

700

00:26:05,830 --> 00:26:03,600

humanoid looking creature starts

701  
00:26:08,390 --> 00:26:05,840  
wriggling through the tunnel from one

702  
00:26:11,190 --> 00:26:08,400  
side trying to get to the other as if

703  
00:26:13,830 --> 00:26:11,200  
it's coming from somewhere else and it

704  
00:26:16,070 --> 00:26:13,840  
gets to the end of the this uh tunnel of

705  
00:26:19,110 --> 00:26:16,080  
light it stands up it's like eight feet

706  
00:26:22,149 --> 00:26:19,120  
tall uh black featureless

707  
00:26:24,230 --> 00:26:22,159  
and uh it jumps out the tunnel collapses

708  
00:26:25,909 --> 00:26:24,240  
on itself and goes away and this thing

709  
00:26:29,590 --> 00:26:25,919  
this big thing starts running up

710  
00:26:31,430 --> 00:26:29,600  
skinwalker ridge the guys are up there

711  
00:26:32,870 --> 00:26:31,440  
just about had to have to change their

712  
00:26:35,190 --> 00:26:32,880  
underwear because they're they're

713  
00:26:36,470 --> 00:26:35,200

thinking it's coming up after them

714

00:26:39,430 --> 00:26:36,480

and it didn't

715

00:26:41,669 --> 00:26:39,440

it just went poof i mean they these guys

716

00:26:45,269 --> 00:26:41,679

are didn't make this stuff up i mean

717

00:26:47,590 --> 00:26:45,279

they had these experiences themselves

718

00:26:49,510 --> 00:26:47,600

so i in conjunction with everything

719

00:26:51,830 --> 00:26:49,520

talked about like i take that

720

00:26:53,510 --> 00:26:51,840

as what actually was seen there that

721

00:26:55,909 --> 00:26:53,520

there was some sort of portal some sort

722

00:26:58,789 --> 00:26:55,919

of creature came out of it and

723

00:27:00,710 --> 00:26:58,799

ran up and was unable to be tracked by

724

00:27:02,470 --> 00:27:00,720

the the scientists and the people at the

725

00:27:03,909 --> 00:27:02,480

skinwalker ranch

726

00:27:05,669 --> 00:27:03,919

um

727

00:27:06,470 --> 00:27:05,679

so we have some commonalities here

728

00:27:10,390 --> 00:27:06,480

between

729

00:27:13,669 --> 00:27:10,400

a lot of uh some missing 411 cases uh

730

00:27:17,269 --> 00:27:13,679

ufo incidents portals and ufos like the

731

00:27:19,350 --> 00:27:17,279

missing 411 stuff uh often time

732

00:27:21,190 --> 00:27:19,360

uh oftentimes that uh when you go out

733

00:27:24,149 --> 00:27:21,200

hiking with a group of people

734

00:27:26,149 --> 00:27:24,159

uh sometimes the people in the the back

735

00:27:28,149 --> 00:27:26,159

of the group will get a headache they'll

736

00:27:30,149 --> 00:27:28,159

start to not feel well

737

00:27:31,430 --> 00:27:30,159

they will start to just not want to

738

00:27:33,750 --> 00:27:31,440

participate in the rest of the hike in

739

00:27:36,070 --> 00:27:33,760

which time they will turn around and try

740

00:27:38,310 --> 00:27:36,080

to go back to their car or campsite and

741

00:27:39,909 --> 00:27:38,320

that's the last time anyone

742

00:27:42,230 --> 00:27:39,919

ever sees them

743

00:27:44,789 --> 00:27:42,240

um

744

00:27:47,350 --> 00:27:44,799

that kind of correlates to telepathic

745

00:27:48,549 --> 00:27:47,360

bigfoot and what they're able to do with

746

00:27:50,549 --> 00:27:48,559

their mind

747

00:27:54,710 --> 00:27:50,559

uh

748

00:27:57,110 --> 00:27:54,720

talked about that a little bit he

749

00:27:58,149 --> 00:27:57,120

doesn't get he doesn't talk about uh

750

00:28:00,950 --> 00:27:58,159

portals

751  
00:28:03,430 --> 00:28:00,960  
really too much in relation to missing

752  
00:28:06,470 --> 00:28:03,440  
411 but he did talk about it here and i

753  
00:28:10,070 --> 00:28:06,480  
did capture this this is from

754  
00:28:12,389 --> 00:28:10,080  
january 2020 before the pandemic hit and

755  
00:28:13,590 --> 00:28:12,399  
this is david politis talking about

756  
00:28:16,710 --> 00:28:13,600  
portals

757  
00:28:19,110 --> 00:28:16,720  
in relation to bigfoot so here we go

758  
00:28:21,269 --> 00:28:19,120  
now bruce mcafee is a physicist that's

759  
00:28:23,190 --> 00:28:21,279  
done a lot of work for mufon i consider

760  
00:28:24,710 --> 00:28:23,200  
him a really good friend he was in our

761  
00:28:27,430 --> 00:28:24,720  
second movie

762  
00:28:28,549 --> 00:28:27,440  
he's an expert with photo analysis

763  
00:28:32,230 --> 00:28:28,559

expert

764

00:28:37,190 --> 00:28:34,710

he sent me this photo

765

00:28:39,750 --> 00:28:37,200

and if you can see at the top

766

00:28:41,990 --> 00:28:39,760

there's a little orange

767

00:28:45,430 --> 00:28:42,000

and down here

768

00:28:46,549 --> 00:28:45,440

this is an eye and what happened was is

769

00:28:48,870 --> 00:28:46,559

a deer

770

00:28:50,389 --> 00:28:48,880

walked up to a game camera and triggered

771

00:28:52,950 --> 00:28:50,399

it

772

00:28:54,710 --> 00:28:52,960

but this is facing

773

00:28:56,470 --> 00:28:54,720

the west

774

00:28:58,549 --> 00:28:56,480

and it was taken at five in the morning

775

00:29:03,190 --> 00:28:58,559

so it couldn't have been the sun

776

00:29:09,510 --> 00:29:07,110

this is a photo of the top side

777

00:29:11,350 --> 00:29:09,520

there's a conical head

778

00:29:14,870 --> 00:29:11,360

and it's really hard to see in this but

779

00:29:15,909 --> 00:29:14,880

there's also two eyes there

780

00:29:20,070 --> 00:29:15,919

and

781

00:29:22,149 --> 00:29:20,080

i asked bruce what in the heck is that

782

00:29:25,669 --> 00:29:22,159

he says dave this matches about five or

783

00:29:28,710 --> 00:29:25,679

six photos that were sent to me

784

00:29:31,110 --> 00:29:28,720

like a portal opening up in an orange

785

00:29:33,269 --> 00:29:31,120

horizon in the background

786

00:29:34,950 --> 00:29:33,279

folks very similar

787

00:29:38,149 --> 00:29:34,960

very similar to what was seen at

788

00:29:39,909 --> 00:29:38,159

skinwalker ranch by retired fbi agents

789

00:29:43,190 --> 00:29:39,919

when a portal opened up above the

790

00:29:45,350 --> 00:29:43,200

horizon on the land and they saw bigfoot

791

00:29:47,430 --> 00:29:45,360

crawl out of the window frame and jump

792

00:29:49,590 --> 00:29:47,440

down under the land there was this

793

00:29:50,870 --> 00:29:49,600

orange background

794

00:29:53,110 --> 00:29:50,880

so there's the influence they're talking

795

00:29:55,269 --> 00:29:53,120

about portals

796

00:29:58,950 --> 00:29:55,279

so where does this all lead to

797

00:30:00,310 --> 00:29:58,960

um i think in 2022

798

00:30:02,870 --> 00:30:00,320

we're going to see

799

00:30:04,470 --> 00:30:02,880

big stories about bigfoot i think this

800

00:30:05,830 --> 00:30:04,480

is where it's all leading to

801  
00:30:07,830 --> 00:30:05,840  
portal conversations not going to come

802  
00:30:09,669 --> 00:30:07,840  
into it but i got i get i'm seeing these

803  
00:30:11,909 --> 00:30:09,679  
headlines like the headline right here

804  
00:30:13,909 --> 00:30:11,919  
new bigfoot footage uh has experts

805  
00:30:15,830 --> 00:30:13,919  
admitting it could be real and then a

806  
00:30:17,909 --> 00:30:15,840  
second one apparently bigfoot lives in

807  
00:30:19,750 --> 00:30:17,919  
this cage you have to sign a waiver to

808  
00:30:21,750 --> 00:30:19,760  
visit them so

809  
00:30:23,669 --> 00:30:21,760  
um i think there's to be some real

810  
00:30:25,750 --> 00:30:23,679  
bigfoot fever hitting

811  
00:30:27,510 --> 00:30:25,760  
and it's going to fall right in

812  
00:30:28,710 --> 00:30:27,520  
conjunction like the mainstream media is

813  
00:30:31,029 --> 00:30:28,720

not going to make a the connection

814

00:30:33,510 --> 00:30:31,039

between bigfoot and e.t but it's going

815

00:30:37,510 --> 00:30:33,520

to be there but i think bigfoot news

816

00:30:38,950 --> 00:30:37,520

2022 big time

817

00:30:40,630 --> 00:30:38,960

what do you think about it

818

00:30:42,549 --> 00:30:40,640

anyway we can tie big footprint into uh

819

00:30:43,669 --> 00:30:42,559

covid somehow

820

00:30:46,230 --> 00:30:43,679

uh

821

00:30:48,230 --> 00:30:46,240

i don't immediately know

822

00:30:50,389 --> 00:30:48,240

if you do that then bigfoot's on the

823

00:30:52,310 --> 00:30:50,399

news all the time all right

824

00:30:54,710 --> 00:30:52,320

what if uh bigfoot came through the

825

00:30:56,710 --> 00:30:54,720

portal with covid and that was the

826

00:30:58,870 --> 00:30:56,720

animal that they still can't find

827

00:31:00,710 --> 00:30:58,880

possibly

828

00:31:02,870 --> 00:31:00,720

uh i do want to point out that of course

829

00:31:06,070 --> 00:31:02,880

the guys from um

830

00:31:07,430 --> 00:31:06,080

uh skinwalker ranch don't have footage

831

00:31:09,430 --> 00:31:07,440

of any of this stuff happening because

832

00:31:11,830 --> 00:31:09,440

their phone doesn't work

833

00:31:13,350 --> 00:31:11,840

well i think with uh skinwalker ranch

834

00:31:14,950 --> 00:31:13,360

that was done back in the 90s i think

835

00:31:17,509 --> 00:31:14,960

there is footage

836

00:31:19,590 --> 00:31:17,519

uh there is uh there's a lot of phone

837

00:31:22,230 --> 00:31:19,600

there's a lot of documentation it's just

838

00:31:23,830 --> 00:31:22,240

bigelow hasn't released it or didn't

839

00:31:26,310 --> 00:31:23,840

release it hasn't released to the public

840

00:31:28,870 --> 00:31:26,320

so uh there is testimony there's

841

00:31:30,230 --> 00:31:28,880

affidavits there is some data here and

842

00:31:32,470 --> 00:31:30,240

there is some photograph but when it

843

00:31:33,990 --> 00:31:32,480

comes to like that infrared camera that

844

00:31:36,630 --> 00:31:34,000

they were using that footage i don't

845

00:31:40,389 --> 00:31:36,640

think has ever been seen

846

00:31:43,269 --> 00:31:40,399

not by the public the phone's correct

847

00:31:45,590 --> 00:31:43,279

so there's some psychic bigfoot stuff

848

00:31:47,430 --> 00:31:45,600

apparently uh according to the the

849

00:31:50,389 --> 00:31:47,440

author of psychic bigfoot psychic

850

00:31:53,590 --> 00:31:50,399

sasquatch the cia uh knows all this

851

00:31:55,830 --> 00:31:53,600

stuff and uh they want to know

852

00:31:58,310 --> 00:31:55,840

what other people

853

00:32:01,029 --> 00:31:58,320

do when they encounter bigfoot they want

854

00:32:03,190 --> 00:32:01,039

to know how that happens what they see

855

00:32:06,470 --> 00:32:03,200

and the cia will send people to tail

856

00:32:07,590 --> 00:32:06,480

people uh harass them and uh generally

857

00:32:10,310 --> 00:32:07,600

threaten them

858

00:32:14,230 --> 00:32:10,320

um some people fall in love with bigfoot

859

00:32:16,310 --> 00:32:14,240

sometimes bigfoot gives people knobbers

860

00:32:18,710 --> 00:32:16,320

they go through portals he can really he

861

00:32:20,710 --> 00:32:18,720

can give you a handy through the portal

862

00:32:23,430 --> 00:32:20,720

well i mean you know that's one point

863

00:32:25,669 --> 00:32:23,440

joe uh we there was a story that we just

864

00:32:27,029 --> 00:32:25,679

heard with the bigfoots knock a guy out

865

00:32:28,710 --> 00:32:27,039

while he's sleeping to keep him keep him

866

00:32:30,149 --> 00:32:28,720

asleep so what are they doing to you

867

00:32:31,830 --> 00:32:30,159

when you're sleeping

868

00:32:33,350 --> 00:32:31,840

well i mean we can't we we don't want to

869

00:32:35,110 --> 00:32:33,360

assume too many bad things about the

870

00:32:36,630 --> 00:32:35,120

bigfoot here they're teenagers they like

871

00:32:38,950 --> 00:32:36,640

to do that so they go in your house they

872

00:32:41,110 --> 00:32:38,960

knock you out they force knobbers and

873

00:32:43,029 --> 00:32:41,120

who knows what else can you really force

874

00:32:47,750 --> 00:32:43,039

a knobber

875

00:32:49,509 --> 00:32:47,760

you heard the ads for blue chew yet oh

876

00:32:51,110 --> 00:32:49,519

yeah i guess you can yeah i guess you

877

00:32:54,630 --> 00:32:51,120

can

878

00:32:56,950 --> 00:32:54,640

yeah cia's tracking this all i'll bring

879

00:32:58,789 --> 00:32:56,960

up some more stories about uh bigfoot in

880

00:32:59,830 --> 00:32:58,799

the uh in the future

881

00:33:01,590 --> 00:32:59,840

but uh

882

00:33:03,990 --> 00:33:01,600

in the future oh it's the best future

883

00:33:06,950 --> 00:33:04,000

bigfoot but this is for whatever reason

884

00:33:09,669 --> 00:33:06,960

i just dove down the the bigfoot hole

885

00:33:11,029 --> 00:33:09,679

and uh just fascinated by all this stuff

886

00:33:12,470 --> 00:33:11,039

and all these personal accounts and it

887

00:33:15,269 --> 00:33:12,480

goes a lot deeper

888

00:33:16,870 --> 00:33:15,279

with some of these communications and uh

889

00:33:18,630 --> 00:33:16,880

for instance like the other side what's

890

00:33:20,470 --> 00:33:18,640

on the other side of the portal you know

891

00:33:22,470 --> 00:33:20,480

people want to know well apparently on

892

00:33:26,070 --> 00:33:22,480

the other side of the portal it's not

893

00:33:28,470 --> 00:33:26,080

unlike here on earth it's green it's got

894

00:33:30,630 --> 00:33:28,480

uh it's got trees and grass and forest

895

00:33:32,310 --> 00:33:30,640

it's got animals and it's got its own

896

00:33:34,870 --> 00:33:32,320

people over there

897

00:33:36,789 --> 00:33:34,880

uh it's just that this is a different

898

00:33:38,870 --> 00:33:36,799

realm and over there is a different

899

00:33:41,830 --> 00:33:38,880

realm and they travel between the two

900

00:33:43,509 --> 00:33:41,840

and we put like our carbon domain

901  
00:33:46,710 --> 00:33:43,519  
can you put what in there put our carbon

902  
00:33:47,990 --> 00:33:46,720  
in there remember last year oh yeah

903  
00:33:49,029 --> 00:33:48,000  
yeah what if we just store it through

904  
00:33:50,710 --> 00:33:49,039  
the portal

905  
00:33:53,110 --> 00:33:50,720  
well i think these kind of technologies

906  
00:33:57,110 --> 00:33:53,120  
if discovered would be the solution to

907  
00:33:58,789 --> 00:33:57,120  
all these crisis ease that tend to occur

908  
00:34:00,630 --> 00:33:58,799  
especially when it comes to climate

909  
00:34:04,230 --> 00:34:00,640  
change if they be believe this is a real

910  
00:34:05,509 --> 00:34:04,240  
crisis the only real answer is ufo

911  
00:34:07,830 --> 00:34:05,519  
technology

912  
00:34:11,510 --> 00:34:07,840  
when you come to zero point energy and

913  
00:34:13,349 --> 00:34:11,520

all this kind of you know uh resource uh

914

00:34:15,190 --> 00:34:13,359

resource scarcity that we're

915

00:34:16,710 --> 00:34:15,200

we're we're dealing with right now i get

916

00:34:19,669 --> 00:34:16,720

rid of that we give a star trek future

917

00:34:21,190 --> 00:34:19,679

not worry about all this crap but no

918

00:34:23,030 --> 00:34:21,200

maybe that's what the replicators are

919

00:34:24,550 --> 00:34:23,040

it's just they're mini portals

920

00:34:26,149 --> 00:34:24,560

and on the other side they got people

921

00:34:27,589 --> 00:34:26,159

over there making food all the time

922

00:34:29,430 --> 00:34:27,599

you're just taking other people's food

923

00:34:30,149 --> 00:34:29,440

from a different dimension

924

00:34:31,349 --> 00:34:30,159

well

925

00:34:32,950 --> 00:34:31,359

that's what i would do if i had that

926

00:34:34,790 --> 00:34:32,960

sort of technology she's going to bring

927

00:34:35,990 --> 00:34:34,800

a sandwich through the portal that's why

928

00:34:38,629 --> 00:34:36,000

i want my sandwich somebody ate my

929

00:34:41,669 --> 00:34:38,639

sandwich your inter-dimensional sandwich

930

00:34:44,069 --> 00:34:41,679

made by bigfoot you find bigfoot

931

00:34:46,230 --> 00:34:44,079

932

00:34:48,149 --> 00:34:46,240

got some got some mud on it stick in

933

00:34:50,550 --> 00:34:48,159
