

Hollow Earth

Area 51

and Abductions

1
00:00:00,270 --> 00:00:06,870
[Applause]

2
00:00:12,950 --> 00:00:09,350
[Music]

3
00:00:16,230 --> 00:00:14,789
well we have uh

4
00:00:17,670 --> 00:00:16,240
it's a fantastic show for everyone out

5
00:00:19,670 --> 00:00:17,680
there as everyone knows if you pay

6
00:00:21,429 --> 00:00:19,680
attention to this show or at least the

7
00:00:23,109 --> 00:00:21,439
last few episodes i've been reading

8
00:00:25,269 --> 00:00:23,119
about hollow earth

9
00:00:28,390 --> 00:00:25,279
and the previous hollow earth segment we

10
00:00:30,950 --> 00:00:28,400
talked about hobbits versus cranes and

11
00:00:32,389 --> 00:00:30,960
some archaeological finds and as i've

12
00:00:34,549 --> 00:00:32,399
been digging through a lot of different

13
00:00:36,150 --> 00:00:34,559

hollow earth material i've been kind of

14

00:00:39,030 --> 00:00:36,160

focusing on

15

00:00:42,150 --> 00:00:39,040

personal stories from people who claim

16

00:00:45,430 --> 00:00:42,160

to have visited hollow earth or inner

17

00:00:47,750 --> 00:00:45,440

earth as some people like to call it

18

00:00:52,310 --> 00:00:47,760

and one of the people that i ran across

19

00:00:54,150 --> 00:00:52,320

in my in my rabbit hole of material

20

00:00:55,990 --> 00:00:54,160

is a guy

21

00:00:59,189 --> 00:00:56,000

who goes by the name

22

00:01:00,549 --> 00:00:59,199

of colonel billy faye woodward

23

00:01:02,869 --> 00:01:00,559

retired

24

00:01:05,270 --> 00:01:02,879

now this guy's story

25

00:01:06,550 --> 00:01:05,280

pretty fascinating you guys can take it

26

00:01:09,429 --> 00:01:06,560

for what it is

27

00:01:10,390 --> 00:01:09,439

okay i i haven't been able to get a lot

28

00:01:13,270 --> 00:01:10,400

of

29

00:01:15,749 --> 00:01:13,280

confirmation if he was a colonel

30

00:01:18,230 --> 00:01:15,759

uh if he was in fact in the air force

31

00:01:20,710 --> 00:01:18,240

but his story is fascinating because it

32

00:01:23,350 --> 00:01:20,720

applies to holler earth and i like

33

00:01:25,190 --> 00:01:23,360

details about what's going on in there

34

00:01:27,590 --> 00:01:25,200

you know we hear about stories of the

35

00:01:32,149 --> 00:01:27,600

nazis trying to get to hollywood to hear

36

00:01:33,910 --> 00:01:32,159

stories in in uh tales from like india

37

00:01:35,429 --> 00:01:33,920

how they believe at least there in india

38

00:01:36,870 --> 00:01:35,439

that there's a race of of serpent

39

00:01:39,830 --> 00:01:36,880

creatures that live

40

00:01:41,590 --> 00:01:39,840

in inner earth but what is going on day

41

00:01:44,149 --> 00:01:41,600

to day what's going on i'm fascinated

42

00:01:47,270 --> 00:01:44,159

with what's going on there right now and

43

00:01:49,749 --> 00:01:47,280

maybe this story from retired

44

00:01:51,350 --> 00:01:49,759

colonel billy faye woodward might shed

45

00:01:52,830 --> 00:01:51,360

some light on this so

46

00:01:55,830 --> 00:01:52,840

according to

47

00:01:57,990 --> 00:01:55,840

this uh

48

00:02:00,950 --> 00:01:58,000

billy was born

49

00:02:03,350 --> 00:02:00,960

on the inside of hollow earth

50

00:02:07,030 --> 00:02:03,360

he was conceived and born there

51
00:02:08,790 --> 00:02:07,040
in september of 1951 but then he was

52
00:02:11,750 --> 00:02:08,800
sent to

53
00:02:14,550 --> 00:02:11,760
here outer earth and he was adopted by a

54
00:02:17,510 --> 00:02:14,560
native american uh family

55
00:02:19,270 --> 00:02:17,520
now during uh during his birth uh it was

56
00:02:21,830 --> 00:02:19,280
also discovered that he had a twin

57
00:02:23,430 --> 00:02:21,840
sister that was bored at the same time

58
00:02:24,869 --> 00:02:23,440
and both of them

59
00:02:27,589 --> 00:02:24,879
were born

60
00:02:28,949 --> 00:02:27,599
as hermaphrodites

61
00:02:31,030 --> 00:02:28,959
for people out there don't know you're

62
00:02:32,949 --> 00:02:31,040
born with both male

63
00:02:34,710 --> 00:02:32,959

and female

64

00:02:36,550 --> 00:02:34,720

sex organs crotch do i have that

65

00:02:40,070 --> 00:02:36,560

correct

66

00:02:41,190 --> 00:02:40,080

uh you mean like the secretary of health

67

00:02:43,750 --> 00:02:41,200

that

68

00:02:46,309 --> 00:02:43,760

guy person he's a man

69

00:02:47,990 --> 00:02:46,319

uh i'm i'm just i i want to make sure i

70

00:02:49,430 --> 00:02:48,000

get the

71

00:02:51,430 --> 00:02:49,440

the definition of

72

00:02:52,869 --> 00:02:51,440

correct and that if it is a true

73

00:02:56,390 --> 00:02:52,879

hermaphrodite and then it is somebody

74

00:02:59,030 --> 00:02:56,400

who's born with with multiple sets of

75

00:03:01,350 --> 00:02:59,040

sexual organs okay i'm a woman

76

00:03:02,790 --> 00:03:01,360

well uh this guy uh

77

00:03:05,030 --> 00:03:02,800

billy because he asked what he goes by

78

00:03:07,509 --> 00:03:05,040

now both him and his twin sister were

79

00:03:09,589 --> 00:03:07,519

born hermaphrodites now they had a

80

00:03:13,670 --> 00:03:09,599

pretty traumatic upbringing

81

00:03:15,670 --> 00:03:13,680

um billy was repeatedly molested by his

82

00:03:16,710 --> 00:03:15,680

stepfather growing up

83

00:03:20,390 --> 00:03:16,720

and

84

00:03:23,190 --> 00:03:20,400

it was habitual over a series of years

85

00:03:24,949 --> 00:03:23,200

until uh a point in time where billy

86

00:03:27,910 --> 00:03:24,959

became so frustrated he started telling

87

00:03:30,710 --> 00:03:27,920

his classmates about it and then that's

88

00:03:34,630 --> 00:03:30,720

when his stepfather took him to

89

00:03:37,910 --> 00:03:34,640

uh the local uh hospital and basically

90

00:03:39,190 --> 00:03:37,920

had his sex decided for him where he

91

00:03:41,589 --> 00:03:39,200

became

92

00:03:44,309 --> 00:03:41,599

a male moving forward so they sewed up

93

00:03:47,509 --> 00:03:44,319

whatever female parts he had he said

94

00:03:50,390 --> 00:03:47,519

moving forward uh you're gonna be a guy

95

00:03:52,630 --> 00:03:50,400

and so obviously he had a very

96

00:03:54,949 --> 00:03:52,640

traumatic upbringing

97

00:03:56,949 --> 00:03:54,959

and so that moves him into

98

00:03:59,270 --> 00:03:56,959

the teenage years and so he was hanging

99

00:04:01,670 --> 00:03:59,280

around uh with his friends they were

100

00:04:04,070 --> 00:04:01,680

they were doing uh like scout meetings

101
00:04:05,750 --> 00:04:04,080
and then one evening uh after he got

102
00:04:08,149 --> 00:04:05,760
done having a scout meeting he was

103
00:04:10,630 --> 00:04:08,159
walking home he saw a lightness guy and

104
00:04:12,630 --> 00:04:10,640
then he's like oh that's that's curious

105
00:04:15,270 --> 00:04:12,640
um i'll just make note of that and then

106
00:04:17,189 --> 00:04:15,280
proceeded home when he got home

107
00:04:19,030 --> 00:04:17,199
his current parents uh were there

108
00:04:21,590 --> 00:04:19,040
because he got moved into a different

109
00:04:22,790 --> 00:04:21,600
foster care system uh his current

110
00:04:25,189 --> 00:04:22,800
parents were there's like where have you

111
00:04:27,189 --> 00:04:25,199
been you've been gone for six months and

112
00:04:28,950 --> 00:04:27,199
billy was like nah i was just walking

113
00:04:31,749 --> 00:04:28,960

home from my friend's house after a

114

00:04:32,629 --> 00:04:31,759

scouse meeting i wasn't anywhere

115

00:04:34,629 --> 00:04:32,639

um

116

00:04:36,390 --> 00:04:34,639

and so he was like

117

00:04:39,830 --> 00:04:36,400

kind of shocked to hear that he was

118

00:04:42,230 --> 00:04:39,840

missing for six months so they did some

119

00:04:43,510 --> 00:04:42,240

hypnotic regression with him and during

120

00:04:45,270 --> 00:04:43,520

that time

121

00:04:47,749 --> 00:04:45,280

uh that he was gone according to the

122

00:04:50,150 --> 00:04:47,759

hypnotic regression he

123

00:04:51,990 --> 00:04:50,160

was walking home from his friend's house

124

00:04:53,909 --> 00:04:52,000

after a scouse meeting looked up in to

125

00:04:55,430 --> 00:04:53,919

the sky saw light

126

00:04:58,550 --> 00:04:55,440

which through hypnotic regression he

127

00:05:01,110 --> 00:04:58,560

remembered was the ufo that came down

128

00:05:03,110 --> 00:05:01,120

landed in front of him and he heard this

129

00:05:05,590 --> 00:05:03,120

kind of angelic music

130

00:05:07,990 --> 00:05:05,600

around him and a voice saying hey do you

131

00:05:10,390 --> 00:05:08,000

want to hop on board our

132

00:05:13,350 --> 00:05:10,400

ufo and go for a ride

133

00:05:15,590 --> 00:05:13,360

and billy said sure why the heck not i

134

00:05:18,230 --> 00:05:15,600

will get on board ufo and let's go for a

135

00:05:22,830 --> 00:05:18,240

ride upon getting onto the ufo billy

136

00:05:24,629 --> 00:05:22,840

said that he saw two giant

137

00:05:26,550 --> 00:05:24,639

human-like

138

00:05:28,390 --> 00:05:26,560

entities beings and

139

00:05:30,870 --> 00:05:28,400

one was like about 12 feet tall he said

140

00:05:33,830 --> 00:05:30,880

that was more of the male and then there

141

00:05:36,390 --> 00:05:33,840

was a female that was about 10 feet tall

142

00:05:38,390 --> 00:05:36,400

and they were very nice she said despite

143

00:05:40,629 --> 00:05:38,400

their large size

144

00:05:42,950 --> 00:05:40,639

and that they took them up into the air

145

00:05:44,950 --> 00:05:42,960

and flew him north

146

00:05:47,590 --> 00:05:44,960

over the united states now he was flying

147

00:05:50,550 --> 00:05:47,600

from the the arizona area and he was

148

00:05:52,150 --> 00:05:50,560

going north and these people told him

149

00:05:53,350 --> 00:05:52,160

that hey we're going to go ahead and

150

00:05:55,830 --> 00:05:53,360

take you

151
00:05:57,350 --> 00:05:55,840
to the inner earth so at which point in

152
00:05:59,749 --> 00:05:57,360
time they're flying

153
00:06:02,469 --> 00:05:59,759
north and and billy was looking down at

154
00:06:04,550 --> 00:06:02,479
the the scenes and scenery of earth as

155
00:06:08,469 --> 00:06:04,560
they traveled

156
00:06:10,550 --> 00:06:08,479
up over canada and into a hole

157
00:06:13,110 --> 00:06:10,560
that is at

158
00:06:14,710 --> 00:06:13,120
the arctic in the arctic region

159
00:06:16,150 --> 00:06:14,720
and then he was taken down

160
00:06:17,670 --> 00:06:16,160
into the

161
00:06:18,629 --> 00:06:17,680
inner earth for a period about six

162
00:06:21,350 --> 00:06:18,639
months

163
00:06:24,550 --> 00:06:21,360

where he hung out and they had just kind

164

00:06:27,189 --> 00:06:24,560

of a free flow of information now while

165

00:06:29,430 --> 00:06:27,199

he was down there initially

166

00:06:30,390 --> 00:06:29,440

um during this first

167

00:06:32,309 --> 00:06:30,400

uh

168

00:06:35,189 --> 00:06:32,319

this first voyage he said who was down

169

00:06:38,150 --> 00:06:35,199

there were a good number of missing

170

00:06:39,990 --> 00:06:38,160

people that had gone missing from outer

171

00:06:43,029 --> 00:06:40,000

earth that included pilots from the

172

00:06:45,749 --> 00:06:43,039

bermuda triangle a lot of children who

173

00:06:47,990 --> 00:06:45,759

were seen like on milk cartons so we

174

00:06:50,070 --> 00:06:48,000

said a lot of the missing people that

175

00:06:51,430 --> 00:06:50,080

had gone missing on outer earth were

176

00:06:54,070 --> 00:06:51,440

down there

177

00:06:56,390 --> 00:06:54,080

in in earth and so he's like oh that's

178

00:06:58,150 --> 00:06:56,400

kind of curious that's where they went

179

00:07:01,110 --> 00:06:58,160

and so after about six months he was

180

00:07:02,629 --> 00:07:01,120

returned back to outer earth and that's

181

00:07:05,189 --> 00:07:02,639

when his foster parents kind of freaked

182

00:07:08,390 --> 00:07:05,199

out and and uh

183

00:07:12,150 --> 00:07:08,400

made him do this hypnotic regression now

184

00:07:14,390 --> 00:07:12,160

at about the age of 18 billy decided to

185

00:07:17,110 --> 00:07:14,400

join the air force

186

00:07:18,710 --> 00:07:17,120

and he joined the air force uh in a in

187

00:07:21,189 --> 00:07:18,720

an agreement that he would pretty much

188

00:07:22,150 --> 00:07:21,199

have a pretty easy gig

189

00:07:23,830 --> 00:07:22,160

but

190

00:07:25,110 --> 00:07:23,840

um that's what all the recruiters yeah i

191

00:07:27,589 --> 00:07:25,120

know that's they that's what they all

192

00:07:28,870 --> 00:07:27,599

tell you a recruiting sergeant

193

00:07:30,070 --> 00:07:28,880

they always say hey don't worry you're

194

00:07:31,990 --> 00:07:30,080

gonna hang out with your friends it's

195

00:07:34,629 --> 00:07:32,000

gonna be a cake walk you're not gonna

196

00:07:37,589 --> 00:07:34,639

see any action it's gonna be a good time

197

00:07:40,230 --> 00:07:37,599

but billy was fed the same line

198

00:07:42,309 --> 00:07:40,240

and uh what he what it turned out he he

199

00:07:43,270 --> 00:07:42,319

was actually sent to

200

00:07:44,950 --> 00:07:43,280

uh

201
00:07:46,230 --> 00:07:44,960
area 51.

202
00:07:48,309 --> 00:07:46,240
now he didn't know this at that time so

203
00:07:51,110 --> 00:07:48,319
he was uh told he's gonna have a cake

204
00:07:53,270 --> 00:07:51,120
cake gig but then they flew him out to

205
00:07:54,469 --> 00:07:53,280
uh on a plane with blacked out windows

206
00:07:55,909 --> 00:07:54,479
and then next thing you know he's

207
00:07:58,869 --> 00:07:55,919
touched down

208
00:08:01,510 --> 00:07:58,879
to a facility which he later discovered

209
00:08:03,670 --> 00:08:01,520
was area 51. and as soon as he left the

210
00:08:06,070 --> 00:08:03,680
plane he was taken to pretty much like

211
00:08:07,029 --> 00:08:06,080
an an elevator that was angled straight

212
00:08:10,309 --> 00:08:07,039
down

213
00:08:12,070 --> 00:08:10,319

and uh he said it was moving so

214

00:08:13,749 --> 00:08:12,080

fast down that is you almost felt like

215

00:08:16,070 --> 00:08:13,759

you're becoming weightless

216

00:08:17,670 --> 00:08:16,080

um at a certain depth you couldn't

217

00:08:18,950 --> 00:08:17,680

recall what depth it was because it's

218

00:08:21,510 --> 00:08:18,960

going so far

219

00:08:24,309 --> 00:08:21,520

far down they told him to get out

220

00:08:26,309 --> 00:08:24,319

take off all your clothes

221

00:08:29,110 --> 00:08:26,319

and then they sprayed him with this pink

222

00:08:31,110 --> 00:08:29,120

mist he said it's the air force well you

223

00:08:32,870 --> 00:08:31,120

know i mean this is this is what he's

224

00:08:34,389 --> 00:08:32,880

saying

225

00:08:36,070 --> 00:08:34,399

there's some goofy stuff going on they

226

00:08:37,990 --> 00:08:36,080

sprayed him with his pink mist as he

227

00:08:40,630 --> 00:08:38,000

disrobed he thought he said this was

228

00:08:42,389 --> 00:08:40,640

because of decant decontamination like

229

00:08:43,269 --> 00:08:42,399

there was some sort of process that he

230

00:08:46,389 --> 00:08:43,279

needed

231

00:08:48,710 --> 00:08:46,399

to to do in order to go down any further

232

00:08:51,110 --> 00:08:48,720

pepto-bismol or what well they said it

233

00:08:54,150 --> 00:08:51,120

was like a pink mist it wasn't like a

234

00:08:56,470 --> 00:08:54,160

slimy substance but it was just like a

235

00:08:58,070 --> 00:08:56,480

pink mist so

236

00:08:59,509 --> 00:08:58,080

um

237

00:09:01,350 --> 00:08:59,519

so then they gave a change of clothes

238

00:09:02,870 --> 00:09:01,360

like a jumpsuit got him back in the

239

00:09:06,630 --> 00:09:02,880

elevator and

240

00:09:09,350 --> 00:09:06,640

and sent him down even further

241

00:09:11,910 --> 00:09:09,360

so as he he got down there he got to his

242

00:09:16,070 --> 00:09:11,920

new office which he believed was on the

243

00:09:19,350 --> 00:09:16,080

the 10th level below the surface of area

244

00:09:21,430 --> 00:09:19,360

51 and he was taken over for this guy

245

00:09:22,870 --> 00:09:21,440

so he walked into his new office this

246

00:09:23,829 --> 00:09:22,880

one guy that was already in there said

247

00:09:29,430 --> 00:09:23,839

hey

248

00:09:31,269 --> 00:09:29,440

now uh i am out of here i'm i'm done

249

00:09:33,110 --> 00:09:31,279

working here and billy's like why you so

250

00:09:34,870 --> 00:09:33,120

frustrated you're you're obviously

251
00:09:37,350 --> 00:09:34,880
working at the super secret location it

252
00:09:39,110 --> 00:09:37,360
seems pretty fascinating

253
00:09:41,190 --> 00:09:39,120
uh why wouldn't you dig this and he's

254
00:09:43,430 --> 00:09:41,200
like ah you'll find out why it's a bunch

255
00:09:45,590 --> 00:09:43,440
of malarkey i'm going golfing so that

256
00:09:46,949 --> 00:09:45,600
guy took off billy took over and as he

257
00:09:49,030 --> 00:09:46,959
looked down at the desk he saw like a

258
00:09:51,910 --> 00:09:49,040
lot of documents pertaining to hollow

259
00:09:53,910 --> 00:09:51,920
earth and a lot of the inhabitants and

260
00:09:56,470 --> 00:09:53,920
civilizations and all the knowledge that

261
00:09:58,230 --> 00:09:56,480
the military has accumulated thus far

262
00:10:00,070 --> 00:09:58,240
about hollow earth and so you sort of

263
00:10:01,829 --> 00:10:00,080

look at it over

264

00:10:03,670 --> 00:10:01,839

and say now this is this is pretty

265

00:10:05,829 --> 00:10:03,680

curious and nasty was getting acclimated

266

00:10:08,069 --> 00:10:05,839

to his new job he got called up

267

00:10:10,790 --> 00:10:08,079

uh by his superiors and his superiors

268

00:10:12,949 --> 00:10:10,800

told him hey you got a new mission

269

00:10:13,670 --> 00:10:12,959

we're gonna need you

270

00:10:19,430 --> 00:10:13,680

to

271

00:10:22,069 --> 00:10:19,440

and contact these people and let us know

272

00:10:24,230 --> 00:10:22,079

what you find out okay we want you to be

273

00:10:25,430 --> 00:10:24,240

our liaison

274

00:10:27,910 --> 00:10:25,440

between

275

00:10:30,710 --> 00:10:27,920

us the the pentagon and

276

00:10:34,630 --> 00:10:30,720

the hollow earth people and so billy's

277

00:10:38,230 --> 00:10:34,640

like all right uh i guess i'll do it

278

00:10:39,430 --> 00:10:38,240

and so uh billy agreed to this mission

279

00:10:41,350 --> 00:10:39,440

although i don't know i guess you can

280

00:10:42,230 --> 00:10:41,360

refuse an order like that but it's such

281

00:11:12,150 --> 00:10:42,240

a

282

00:11:14,389 --> 00:11:12,160

which is uh

283

00:11:15,670 --> 00:11:14,399

by all accounts uh a sacred lumarian

284

00:11:18,470 --> 00:11:15,680

city below

285

00:11:21,509 --> 00:11:18,480

mount shasta uh in california and that

286

00:11:23,990 --> 00:11:21,519

is where billy met somebody from either

287

00:11:26,389 --> 00:11:24,000

the the hollow earth community or a

288

00:11:29,750 --> 00:11:26,399

former lumerian community and that was

289

00:11:32,870 --> 00:11:29,760

the high priestess and his wife they

290

00:11:34,230 --> 00:11:32,880

gave billy a grand tour of this

291

00:11:37,509 --> 00:11:34,240

underground

292

00:11:39,110 --> 00:11:37,519

city now for the next 11 years billy

293

00:11:40,630 --> 00:11:39,120

went around journey

294

00:11:43,030 --> 00:11:40,640

he journeyed to multiple different

295

00:11:46,550 --> 00:11:43,040

locations according to them maybe three

296

00:11:47,990 --> 00:11:46,560

or four different underground locations

297

00:11:50,310 --> 00:11:48,000

all using

298

00:11:52,150 --> 00:11:50,320

this underground rail system which by

299

00:11:54,150 --> 00:11:52,160

the way is connected to pretty much

300

00:11:56,389 --> 00:11:54,160

every major city

301
00:11:57,350 --> 00:11:56,399
in the united states and possibly the

302
00:11:59,430 --> 00:11:57,360
world

303
00:12:02,470 --> 00:11:59,440
and below each city according to billy

304
00:12:03,430 --> 00:12:02,480
there is a a fairly expansive bunker

305
00:12:04,790 --> 00:12:03,440
system

306
00:12:07,269 --> 00:12:04,800
to house

307
00:12:11,110 --> 00:12:07,279
government officials in the event

308
00:12:13,430 --> 00:12:11,120
of a worldwide catastrophe that is only

309
00:12:15,110 --> 00:12:13,440
designated for approved government

310
00:12:17,590 --> 00:12:15,120
officials not for us

311
00:12:19,030 --> 00:12:17,600
silly billy civilians up here so

312
00:12:21,430 --> 00:12:19,040
make no illusions about it people if

313
00:12:23,829 --> 00:12:21,440

there's some kind of worldwide

314

00:12:25,110 --> 00:12:23,839

uh [h__h] hits the fan situation you ain't

315

00:12:27,190 --> 00:12:25,120

getting down there

316

00:12:28,550 --> 00:12:27,200

according to billy uh i would i would

317

00:12:30,870 --> 00:12:28,560

agree with that based on the last two

318

00:12:31,829 --> 00:12:30,880

years of shenanigans that uh it's clear

319

00:12:33,910 --> 00:12:31,839

that the

320

00:12:35,590 --> 00:12:33,920

powers be do not want the rest of us

321

00:12:37,750 --> 00:12:35,600

involved yeah

322

00:12:40,710 --> 00:12:37,760

absolutely

323

00:12:43,509 --> 00:12:40,720

so part of billy's mission was to like i

324

00:12:46,230 --> 00:12:43,519

said uh be a liaison between

325

00:12:48,389 --> 00:12:46,240

uh the the pentagon

326

00:12:50,550 --> 00:12:48,399

and

327

00:12:51,509 --> 00:12:50,560

the underground civilization

328

00:12:53,509 --> 00:12:51,519

now

329

00:12:55,350 --> 00:12:53,519

the underground civilization they have

330

00:12:57,990 --> 00:12:55,360

big at that point in time they had big

331

00:12:59,750 --> 00:12:58,000

problems with what the u.s military was

332

00:13:01,750 --> 00:12:59,760

doing mainly

333

00:13:03,430 --> 00:13:01,760

these the atomic bomb testings where

334

00:13:04,870 --> 00:13:03,440

they're doing air bursts which they were

335

00:13:08,550 --> 00:13:04,880

concerned about because they didn't want

336

00:13:10,550 --> 00:13:08,560

the the outer atmosphere to be polluted

337

00:13:12,310 --> 00:13:10,560

and underground

338

00:13:14,870 --> 00:13:12,320

atomic testing which

339

00:13:18,069 --> 00:13:14,880

would radiate the ground

340

00:13:21,670 --> 00:13:18,079

and cause harm to the people living on

341

00:13:23,509 --> 00:13:21,680

the inside of the earth uh billy said i

342

00:13:26,230 --> 00:13:23,519

understand your concern i will take your

343

00:13:28,470 --> 00:13:26,240

concerns back to my superiors and see

344

00:13:29,990 --> 00:13:28,480

what they say billy did that and his

345

00:13:32,230 --> 00:13:30,000

superior said

346

00:13:34,550 --> 00:13:32,240

basically [h__\h] off uh tell them the [h__\h]

347

00:13:37,430 --> 00:13:34,560

off we are going to test

348

00:13:39,990 --> 00:13:37,440

whatever we want wherever we want

349

00:13:41,910 --> 00:13:40,000

whenever we want and so billy took that

350

00:13:43,430 --> 00:13:41,920

message back to the the underground

351

00:13:44,550 --> 00:13:43,440

people and they were kind of

352

00:13:47,110 --> 00:13:44,560

disheartened

353

00:13:48,790 --> 00:13:47,120

um and when billy was down there he

354

00:13:51,350 --> 00:13:48,800

basically confirmed some of the other

355

00:13:53,910 --> 00:13:51,360

stories uh that have been told about uh

356

00:13:56,550 --> 00:13:53,920

inner earth which is it's pretty lush in

357

00:13:59,750 --> 00:13:56,560

vegetation very large vegetation the

358

00:14:01,750 --> 00:13:59,760

gravity down there is about uh

359

00:14:03,750 --> 00:14:01,760

two-thirds of what we what we experience

360

00:14:04,949 --> 00:14:03,760

here on outer earth

361

00:14:06,150 --> 00:14:04,959

um

362

00:14:11,189 --> 00:14:06,160

the

363

00:14:14,629 --> 00:14:11,199

and inner earth is about

364

00:14:16,310 --> 00:14:14,639

eight to 850 miles of crust once you get

365

00:14:18,150 --> 00:14:16,320

through that 850 miles of crust you'll

366

00:14:19,910 --> 00:14:18,160

come up on the other side

367

00:14:21,750 --> 00:14:19,920

and crust off you got to get through

368

00:14:23,829 --> 00:14:21,760

that cross very very critical but once

369

00:14:27,670 --> 00:14:23,839

you can do that you pop out the other

370

00:14:28,629 --> 00:14:27,680

side and then it's kind of con concave

371

00:14:30,230 --> 00:14:28,639

in there

372

00:14:32,949 --> 00:14:30,240

and there is a large amount of

373

00:14:33,829 --> 00:14:32,959

vegetation there are larger people down

374

00:14:37,670 --> 00:14:33,839

there

375

00:14:39,750 --> 00:14:37,680

and by all accounts is a much healthier

376

00:14:42,389 --> 00:14:39,760

um ecosystem

377

00:14:45,189 --> 00:14:42,399

and people live a very long time

378

00:14:47,110 --> 00:14:45,199

and they have fresh air there's not much

379

00:14:48,629 --> 00:14:47,120

disease down there so it sounds like a

380

00:14:50,790 --> 00:14:48,639

bit of a paradise and a lot of other

381

00:14:52,790 --> 00:14:50,800

people uh who are into hollow earth had

382

00:14:55,829 --> 00:14:52,800

told stories it it's they some people

383

00:14:57,829 --> 00:14:55,839

call it the the original garden of eden

384

00:15:00,310 --> 00:14:57,839

some people claim that the the inner

385

00:15:01,350 --> 00:15:00,320

earth is where the lost tribes of israel

386

00:15:02,389 --> 00:15:01,360

lives

387

00:15:04,069 --> 00:15:02,399

um

388

00:15:06,870 --> 00:15:04,079

people claim that the lost viking

389

00:15:09,750 --> 00:15:06,880

colonies of greenland migrated down

390

00:15:10,870 --> 00:15:09,760

there so basically it has been like a

391

00:15:15,430 --> 00:15:10,880

repo

392

00:15:16,550 --> 00:15:15,440

from everyone who has been

393

00:15:19,269 --> 00:15:16,560

forced

394

00:15:22,470 --> 00:15:19,279

uh from the outer world due to

395

00:15:25,670 --> 00:15:22,480

uh upheavals in in the climate or being

396

00:15:28,389 --> 00:15:25,680

run off by other people they go down and

397

00:15:30,629 --> 00:15:28,399

then they find salvation within the

398

00:15:32,470 --> 00:15:30,639

hollow earth

399

00:15:34,230 --> 00:15:32,480

so billy i did this for like i said

400

00:15:37,350 --> 00:15:34,240

about 11 years

401
00:15:38,150 --> 00:15:37,360
and then he he got out of the military

402
00:15:40,389 --> 00:15:38,160
and

403
00:15:42,949 --> 00:15:40,399
uh he was kind of

404
00:15:45,350 --> 00:15:42,959
when he got out he still was

405
00:15:47,670 --> 00:15:45,360
pulled back to

406
00:15:49,590 --> 00:15:47,680
going to hollow earth and he got the the

407
00:15:53,430 --> 00:15:49,600
coordinates of where to enter hollow

408
00:15:55,030 --> 00:15:53,440
earth from the journals of admiral byrd

409
00:15:56,710 --> 00:15:55,040
uh you know admiral byrd part of

410
00:16:00,389 --> 00:15:56,720
operation high jump and did various

411
00:16:03,509 --> 00:16:00,399
polar expeditions uh according to uh his

412
00:16:06,069 --> 00:16:03,519
journals uh that billy had he got the

413
00:16:06,829 --> 00:16:06,079

exact coordinates of where he could go

414

00:16:09,509 --> 00:16:06,839

to

415

00:16:10,710 --> 00:16:09,519

re-enter hollow earth as a civilian i

416

00:16:13,189 --> 00:16:10,720

think he just wanted to go back down

417

00:16:14,310 --> 00:16:13,199

there and and live in in a non-military

418

00:16:18,310 --> 00:16:14,320

capacity

419

00:16:20,389 --> 00:16:18,320

so billy uh talked some pilot into

420

00:16:23,030 --> 00:16:20,399

uh going there so billy traveled up to

421

00:16:25,030 --> 00:16:23,040

alaska kind of got himself like an a

422

00:16:28,470 --> 00:16:25,040

team of people to

423

00:16:29,910 --> 00:16:28,480

go into hollow earth through an entrance

424

00:16:32,310 --> 00:16:29,920

in the arctic

425

00:16:33,670 --> 00:16:32,320

and the pilot said okay so

426
00:16:35,350 --> 00:16:33,680
you're asking me

427
00:16:38,470 --> 00:16:35,360
to fly you

428
00:16:40,310 --> 00:16:38,480
to the arctic and fly my plane

429
00:16:43,030 --> 00:16:40,320
into a hole

430
00:16:45,030 --> 00:16:43,040
in the ocean and billy's like yes that's

431
00:16:47,829 --> 00:16:45,040
exactly what i want you to do i want you

432
00:16:49,910 --> 00:16:47,839
to take your plane into a hole in the

433
00:16:52,069 --> 00:16:49,920
ocean and i'll pay a good morning money

434
00:16:53,590 --> 00:16:52,079
for it and so the pilot was like okay

435
00:16:54,550 --> 00:16:53,600
let's do it

436
00:16:56,150 --> 00:16:54,560
and so

437
00:16:58,470 --> 00:16:56,160
uh he convinced these people through

438
00:17:01,030 --> 00:16:58,480

money and persuasion to

439

00:17:03,350 --> 00:17:01,040

fly to the hollow earth entrance in the

440

00:17:05,270 --> 00:17:03,360

arctic now during their their travels

441

00:17:07,029 --> 00:17:05,280

they're they're they're making a good

442

00:17:08,870 --> 00:17:07,039

time they get up there

443

00:17:10,870 --> 00:17:08,880

um next thing they know they hear

444

00:17:13,990 --> 00:17:10,880

crackle over the radio

445

00:17:15,909 --> 00:17:14,000

and it is the u.s air force saying you

446

00:17:18,870 --> 00:17:15,919

must turn around you have no

447

00:17:21,110 --> 00:17:18,880

authorization to go any further north if

448

00:17:23,429 --> 00:17:21,120

you choose to continue traveling north

449

00:17:25,750 --> 00:17:23,439

you will be fired upon

450

00:17:27,029 --> 00:17:25,760

uh this gives them pause and say ah i

451
00:17:30,630 --> 00:17:27,039
don't know

452
00:17:33,350 --> 00:17:30,640
as they're determining what they should

453
00:17:34,710 --> 00:17:33,360
do two ufos pop up

454
00:17:35,510 --> 00:17:34,720
from the water

455
00:17:40,710 --> 00:17:35,520
and

456
00:17:43,110 --> 00:17:40,720
they say to billy um

457
00:17:44,710 --> 00:17:43,120
billy it doesn't like you're going to uh

458
00:17:46,950 --> 00:17:44,720
make it this time

459
00:17:50,630 --> 00:17:46,960
you tried very hard

460
00:17:52,549 --> 00:17:50,640
uh but we will see you next time

461
00:17:53,590 --> 00:17:52,559
and i believe they said this in german

462
00:17:56,310 --> 00:17:53,600
to him

463
00:17:58,310 --> 00:17:56,320

as veda zen which means goodbye in

464

00:17:59,350 --> 00:17:58,320

german i probably butchered it oh

465

00:18:01,750 --> 00:17:59,360

feeders in

466

00:18:02,950 --> 00:18:01,760

yes peterson so they said goodbye in

467

00:18:05,990 --> 00:18:02,960

german

468

00:18:07,669 --> 00:18:06,000

and the the ufos blinked out billy and

469

00:18:11,029 --> 00:18:07,679

his crew turned around

470

00:18:14,310 --> 00:18:11,039

and he never made it back to hollow

471

00:18:16,310 --> 00:18:14,320

earth or so i've read so far what about

472

00:18:18,150 --> 00:18:16,320

all the kids on the milk cartons are

473

00:18:19,990 --> 00:18:18,160

they still down there

474

00:18:21,990 --> 00:18:20,000

so according to this

475

00:18:24,390 --> 00:18:22,000

according to uh

476

00:18:26,789 --> 00:18:24,400

this rabbit hole i went down a good

477

00:18:29,029 --> 00:18:26,799

number of the missing kids

478

00:18:32,310 --> 00:18:29,039

according to this were taken to hollow

479

00:18:33,270 --> 00:18:32,320

earth another portion were taken

480

00:18:35,110 --> 00:18:33,280

to

481

00:18:39,190 --> 00:18:35,120

be experimented on

482

00:18:41,669 --> 00:18:39,200

by uh black budget programs to create a

483

00:18:44,390 --> 00:18:41,679

hybridization program to make these

484

00:18:48,070 --> 00:18:44,400

children look like aliens to use in a

485

00:18:51,590 --> 00:18:50,710

that's that one's almost creepier

486

00:18:55,590 --> 00:18:51,600

yeah

487

00:18:57,350 --> 00:18:55,600

of the children that are abducted by

488

00:19:01,350 --> 00:18:57,360

people from hollow earth according to

489

00:19:03,909 --> 00:19:01,360

this are taken down and and educated to

490

00:19:04,789 --> 00:19:03,919

be some sort of like uh

491

00:19:06,070 --> 00:19:04,799

uh

492

00:19:08,070 --> 00:19:06,080

diplomats

493

00:19:10,950 --> 00:19:08,080

between inner earth and hollow earth and

494

00:19:13,350 --> 00:19:10,960

educated in uh the ancient ways whereas

495

00:19:16,230 --> 00:19:13,360

the ones abducted by uh military

496

00:19:18,789 --> 00:19:16,240

programs they're experimented on to make

497

00:19:23,510 --> 00:19:18,799

them look like aliens to be used in a

498

00:19:25,270 --> 00:19:23,520

false flag operation concerning aliens

499

00:19:26,070 --> 00:19:25,280

which is one of the theories about the

500

00:19:30,310 --> 00:19:26,080

uh

501
00:19:32,150 --> 00:19:30,320
not aliens but just genetically modified

502
00:19:34,390 --> 00:19:32,160
humans that had crashed in some sort of

503
00:19:36,390 --> 00:19:34,400
wacky uh craft yeah a lot of people say

504
00:19:38,630 --> 00:19:36,400
it was stalin doing that some people say

505
00:19:40,710 --> 00:19:38,640
it was us doing that or even

506
00:19:41,750 --> 00:19:40,720
uh the the remnants of the third reich

507
00:19:43,830 --> 00:19:41,760
that we're doing that and then the

508
00:19:45,909 --> 00:19:43,840
fourth one is extraterrestrial in a nazi

509
00:19:48,150 --> 00:19:45,919
bell yeah

510
00:19:49,510 --> 00:19:48,160
so that's what i got in this strange

511
00:19:51,350 --> 00:19:49,520
tale

512
00:19:55,830 --> 00:19:51,360
of uh

513
00:19:57,990 --> 00:19:55,840

colonel billy fay woodward retired

514

00:20:01,270 --> 00:19:58,000

i mean there's a lot there and obviously

515

00:20:03,830 --> 00:20:01,280

i had to paraphrase over a lot of that

516

00:20:07,029 --> 00:20:03,840

but it is an interesting story

517

00:20:10,710 --> 00:20:07,039

of a man who started off as a

518

00:20:12,630 --> 00:20:10,720

hermaphrodite abducted by ufos

519

00:20:15,270 --> 00:20:12,640

made it to hollow earth did a tour of

520

00:20:18,830 --> 00:20:15,280

duty down there traveling underground

521

00:20:21,430 --> 00:20:18,840

rail systems and contacting various

522

00:20:23,270 --> 00:20:21,440

royalty from

523

00:20:25,990 --> 00:20:23,280

inner earth

524

00:20:26,950 --> 00:20:26,000

it all makes so much sense queen

525

00:20:30,630 --> 00:20:26,960

uh

526

00:20:32,549 --> 00:20:30,640

some some royalty down there so

527

00:20:36,230 --> 00:20:32,559

specifically let's see if i can come up

528

00:20:38,950 --> 00:20:36,240

with his name um the lizard queen

529

00:20:41,750 --> 00:20:38,960

uh let's see if i can get his name so um

530

00:20:43,669 --> 00:20:41,760

uh at uh so

531

00:20:46,230 --> 00:20:43,679

at a place called the eden billy was

532

00:20:49,430 --> 00:20:46,240

taken before the king of the world who

533

00:20:51,669 --> 00:20:49,440

is also the great high priest over all

534

00:20:53,190 --> 00:20:51,679

the land within hollow earth

535

00:20:55,270 --> 00:20:53,200

uh and the

536

00:20:57,590 --> 00:20:55,280

billy was taken to a beautiful pyramid

537

00:21:01,350 --> 00:20:57,600

type place where the king sat on a great

538

00:21:03,510 --> 00:21:01,360

marble throne billy accompanied uh by

539

00:21:05,350 --> 00:21:03,520

he was accompanied by other personnel

540

00:21:07,430 --> 00:21:05,360

upon this kind of meet and greet

541

00:21:09,190 --> 00:21:07,440

situation between

542

00:21:12,390 --> 00:21:09,200

people from the pentagon

543

00:21:15,669 --> 00:21:12,400

and the king of the world or the king of

544

00:21:18,870 --> 00:21:17,350

i'm just telling you what he said okay i

545

00:21:20,870 --> 00:21:18,880

don't know why you're being such a

546

00:21:22,149 --> 00:21:20,880

doubting thomas i'm just wondering about

547

00:21:24,549 --> 00:21:22,159

this king of the world thing that seems

548

00:21:26,390 --> 00:21:24,559

like a little it's a little much and and

549

00:21:28,789 --> 00:21:26,400

the other thing i'm still tripped up on

550

00:21:30,870 --> 00:21:28,799

how is the gravity two-thirds of what it

551
00:21:32,710 --> 00:21:30,880
is up here when you're closer to the

552
00:21:34,470 --> 00:21:32,720
center of the earth

553
00:21:37,510 --> 00:21:34,480
well you're going on you're you're

554
00:21:40,630 --> 00:21:37,520
basing your thought process on

555
00:21:42,070 --> 00:21:40,640
uh that the the earth is mostly solid i

556
00:21:45,430 --> 00:21:42,080
guess

557
00:21:47,590 --> 00:21:45,440
and round maybe i don't know listen i i

558
00:21:49,830 --> 00:21:47,600
dude i'm calling [h__h] i know i'm

559
00:21:51,909 --> 00:21:49,840
just conveying a story what i what i did

560
00:21:53,830 --> 00:21:51,919
discover like through this so a lot of

561
00:21:55,750 --> 00:21:53,840
the hollow earth inner stuff started

562
00:21:58,710 --> 00:21:55,760
coming into prominence in the early

563
00:22:01,830 --> 00:21:58,720

1800s through the mid-1800s

564

00:22:05,750 --> 00:22:01,840

and uh i discovered that there is an a

565

00:22:07,990 --> 00:22:05,760

hollow earth monument in ohio

566

00:22:09,830 --> 00:22:08,000

and it's down in hamilton ohio just

567

00:22:11,750 --> 00:22:09,840

north of cincinnati there is a hollow

568

00:22:12,390 --> 00:22:11,760

earth monument because there was a guy

569

00:22:16,149 --> 00:22:12,400

named

570

00:22:17,350 --> 00:22:16,159

john sims jr who was pretty prominent

571

00:22:18,870 --> 00:22:17,360

back in the day

572

00:22:20,630 --> 00:22:18,880

who uh

573

00:22:22,870 --> 00:22:20,640

really was pushing the hollow earth

574

00:22:24,950 --> 00:22:22,880

inner earth model and even lobbied

575

00:22:28,390 --> 00:22:24,960

congress to get

576

00:22:29,350 --> 00:22:28,400

funds to do an arctic expedition

577

00:22:35,430 --> 00:22:29,360

to

578

00:22:36,950 --> 00:22:35,440

do this but he traveled the country

579

00:22:39,909 --> 00:22:36,960

doing this and so you can you can go

580

00:22:42,390 --> 00:22:39,919

down to uh hamilton ohio which i will do

581

00:22:43,750 --> 00:22:42,400

and there's a monument to

582

00:22:44,710 --> 00:22:43,760

what he did

583

00:22:46,310 --> 00:22:44,720

and

584

00:22:47,990 --> 00:22:46,320

what he was about which is inner earth

585

00:22:50,470 --> 00:22:48,000

and hollow earth

586

00:22:52,870 --> 00:22:50,480

now if you remember we had on the show

587

00:22:55,350 --> 00:22:52,880

uh howdy who talked about the world's

588

00:22:58,230 --> 00:22:55,360

fair and how the world's fair was used

589

00:23:01,430 --> 00:22:58,240

to create an agreed upon history moving

590

00:23:03,029 --> 00:23:01,440

forward and all this hollow earth stuff

591

00:23:06,830 --> 00:23:03,039

really like started coming to prominence

592

00:23:10,390 --> 00:23:06,840

like i said uh late 1700s 1800s even

593

00:23:11,590 --> 00:23:10,400

1900s and then the world's fair

594

00:23:16,549 --> 00:23:11,600

was

595

00:23:18,710 --> 00:23:16,559

in order to create a new

596

00:23:20,789 --> 00:23:18,720

path forward with an agreed upon history

597

00:23:23,350 --> 00:23:20,799

and so now hollow earth and inner earth

598

00:23:25,029 --> 00:23:23,360

is kind of considered much more bunk not

599

00:23:27,590 --> 00:23:25,039

taken seriously

600

00:23:29,750 --> 00:23:27,600

um and i have to wonder

601
00:23:32,710 --> 00:23:29,760
was the world's fair

602
00:23:34,950 --> 00:23:32,720
part of dismissing some of these old

603
00:23:38,070 --> 00:23:34,960
ways of thinking or this is like i said

604
00:23:40,549 --> 00:23:38,080
it's just a fun theory a fun myth but

605
00:23:41,990 --> 00:23:40,559
there's a lot of people who take the the

606
00:23:43,590 --> 00:23:42,000
inner and

607
00:23:45,110 --> 00:23:43,600
hollow earth theories

608
00:23:47,350 --> 00:23:45,120
very serious

609
00:23:48,870 --> 00:23:47,360
so here's the question i have on the the

610
00:23:50,950 --> 00:23:48,880
tale that you've

611
00:23:52,390 --> 00:23:50,960
related here recently yes

612
00:23:53,669 --> 00:23:52,400
so as part of his thing when he when he

613
00:23:56,310 --> 00:23:53,679

goes to hollow earth and he leaves and

614

00:23:57,269 --> 00:23:56,320

later he privately hires the a team to

615

00:23:59,269 --> 00:23:57,279

um

616

00:24:01,269 --> 00:23:59,279

uh from the los angeles underground to

617

00:24:04,470 --> 00:24:01,279

uh take him to the uh to hollow earth

618

00:24:06,310 --> 00:24:04,480

again that's right it's based on the the

619

00:24:07,269 --> 00:24:06,320

information from admiral byrd on how to

620

00:24:09,350 --> 00:24:07,279

get there

621

00:24:10,950 --> 00:24:09,360

correct he had coordinates admiral

622

00:24:13,110 --> 00:24:10,960

byrd's coordinates were in antarctica

623

00:24:15,269 --> 00:24:13,120

not arctica so

624

00:24:18,070 --> 00:24:15,279

did he wealthy around the planet or

625

00:24:19,909 --> 00:24:18,080

admiral byrd had had information on both

626

00:24:21,990 --> 00:24:19,919

the main entrances there's two main

627

00:24:24,549 --> 00:24:22,000

entrances entertains to hollow earth one

628

00:24:27,350 --> 00:24:24,559

in antarctica and one in the north the

629

00:24:28,549 --> 00:24:27,360

north arctic so there's two main

630

00:24:30,630 --> 00:24:28,559

entrances

631

00:24:32,950 --> 00:24:30,640

to hollow earth

632

00:24:35,590 --> 00:24:32,960

and there are other

633

00:24:38,470 --> 00:24:35,600

different smaller entrances through cave

634

00:24:40,470 --> 00:24:38,480

systems uh that you can get to hollow

635

00:24:41,510 --> 00:24:40,480

earth but if you want to take large

636

00:24:44,070 --> 00:24:41,520

craft

637

00:24:46,630 --> 00:24:44,080

you got to go through the north or south

638

00:24:48,230 --> 00:24:46,640

entrances for hollow earth

639

00:24:49,590 --> 00:24:48,240

ah

640

00:24:51,830 --> 00:24:49,600

but i i just wanted to point out that

641

00:24:53,990 --> 00:24:51,840

the the thing about admiral byrd and

642

00:24:55,909 --> 00:24:54,000

operation high jump was all

643

00:24:58,230 --> 00:24:55,919

yeah yeah it's all in the south but

644

00:25:00,390 --> 00:24:58,240

according to according to billy the the

645

00:25:02,230 --> 00:25:00,400

coordinates to enter

646

00:25:04,470 --> 00:25:02,240

hollow earth are those coordinates zero

647

00:25:07,909 --> 00:25:04,480

zero zero zero

648

00:25:09,990 --> 00:25:07,919

he said that it is 87.7

649

00:25:11,029 --> 00:25:10,000

north latitude

650

00:25:12,070 --> 00:25:11,039

one

651
00:25:14,590 --> 00:25:12,080
four two

652
00:25:19,870 --> 00:25:14,600
two eighty seven

653
00:25:25,190 --> 00:25:21,510
142.2

654
00:25:29,590 --> 00:25:27,510
now that's according to billy and what

655
00:25:32,390 --> 00:25:29,600
he learned from admiral byrd's files

656
00:25:35,669 --> 00:25:32,400
when he was hanging out down there on

657
00:25:37,510 --> 00:25:35,679
the the sixth or tenth floor below area

658
00:25:39,510 --> 00:25:37,520
51.

659
00:25:41,430 --> 00:25:39,520
well there's nothing on google on that i

660
00:25:43,190 --> 00:25:41,440
think of course there's not

661
00:25:47,590 --> 00:25:43,200
why would you expect google to have

662
00:25:52,230 --> 00:25:50,390
that's it i'm done today i i uh

663
00:25:53,590 --> 00:25:52,240

i'm actually it's closer to russia too

664

00:25:54,870 --> 00:25:53,600

uh i nominate dh to go up and

665

00:25:56,950 --> 00:25:54,880

investigate

666

00:25:58,710 --> 00:25:56,960

yeah i mean whoever the guy who

667

00:26:00,470 --> 00:25:58,720

volunteered to get that arby's spicy

668

00:26:02,549 --> 00:26:00,480

sandwich can you also volunteer to go to

669

00:26:05,350 --> 00:26:02,559

hollow earth for us

670

00:26:07,590 --> 00:26:05,360

that'd be great thanks

671

00:26:09,669 --> 00:26:07,600

take this take the sandwich with you

672

00:26:11,909 --> 00:26:09,679

yeah i think they'll appreciate

673

00:26:13,350 --> 00:26:11,919

the cuisine that we have on our yeah

674

00:26:15,110 --> 00:26:13,360

when you meet the hollow earth uh

675

00:26:16,549 --> 00:26:15,120

earthlings uh give when you meet the

676
00:26:17,830 --> 00:26:16,559
king of the world give him one of those

677
00:26:20,470 --> 00:26:17,840
yeah when you meet the king of the

678
00:26:21,830 --> 00:26:20,480
underworld give him an arby's spicy

679
00:26:23,990 --> 00:26:21,840
chicken sandwich i think that'll blow

680
00:26:26,230 --> 00:26:24,000
his mind

681
00:26:28,070 --> 00:26:26,240
blow something blow an o-ring all right

682
00:26:30,149 --> 00:26:28,080
well hey that's all i got uh this week

683
00:26:40,710 --> 00:26:30,159
on hollow earth tune in next saturday

684
00:26:45,990 --> 00:26:44,149
i don't think joe likes my malarkey

685
00:26:48,549 --> 00:26:46,000
i think he tunes it out he's like i i

686
00:26:49,990 --> 00:26:48,559
wanna i wanna

687
00:26:52,470 --> 00:26:50,000
i wanna go to hollow earth i don't wanna

688
00:26:55,110 --> 00:26:52,480

talk about it i you know i listen in and

689

00:26:57,430 --> 00:26:55,120

i think about i i mean i it's it's it's

690

00:26:59,350 --> 00:26:57,440

the whole thing with the

691

00:27:01,669 --> 00:26:59,360

it is the mark of an educated mind to

692

00:27:02,630 --> 00:27:01,679

entertain an idea without accepting it

693

00:27:04,870 --> 00:27:02,640

so

694

00:27:07,350 --> 00:27:04,880

i entertain the idea i think it's all

695

00:27:09,190 --> 00:27:07,360

[h__h] as you describe it but i'm like

696

00:27:11,110 --> 00:27:09,200

well that'll solve the population

697

00:27:12,310 --> 00:27:11,120

problem if that's actually a problem

698

00:27:14,470 --> 00:27:12,320

let's just screw half of the

699

00:27:17,350 --> 00:27:14,480

[h__h] down there

700

00:27:19,590 --> 00:27:17,360

well i i i agree if it is true it could

701
00:27:21,669 --> 00:27:19,600
solve a lot of problems especially when

702
00:27:24,070 --> 00:27:21,679
it comes to the question of ufos

703
00:27:26,710 --> 00:27:24,080
is that a lot of people think ufos come

704
00:27:28,630 --> 00:27:26,720
from outer space when there are a lot of

705
00:27:32,070 --> 00:27:28,640
accounts of ufos

706
00:27:34,389 --> 00:27:32,080
going into the ocean and yeah that ufo's

707
00:27:36,310 --> 00:27:34,399
coming out of rocks you know coming in

708
00:27:38,389 --> 00:27:36,320
wasn't that one of the the the sort of

709
00:27:40,549 --> 00:27:38,399
soft disclosures where it was like the

710
00:27:42,630 --> 00:27:40,559
ufo emerged from the water like one of

711
00:27:45,510 --> 00:27:42,640
the navy reports or whatever

712
00:27:47,669 --> 00:27:45,520
yeah and so are these ufos coming from

713
00:27:49,269 --> 00:27:47,679

like and you can say like

714

00:27:50,789 --> 00:27:49,279

yeah these are like a lot of myths a lot

715

00:27:52,549 --> 00:27:50,799

of stories a lot of legend but there

716

00:27:54,710 --> 00:27:52,559

could at the same time like be a more

717

00:27:56,549 --> 00:27:54,720

reasonable explanation there are large

718

00:28:00,789 --> 00:27:56,559

cavernous areas

719

00:28:03,430 --> 00:28:00,799

deep within the earth that can house

720

00:28:06,230 --> 00:28:03,440

many different kinds of life

721

00:28:08,870 --> 00:28:06,240

quite in in a in a very long-term way

722

00:28:10,470 --> 00:28:08,880

and it could house um

723

00:28:12,630 --> 00:28:10,480

alien civilization down there and we

724

00:28:14,149 --> 00:28:12,640

would not even know it

725

00:28:16,149 --> 00:28:14,159

it's probably more realistic thought

726

00:28:17,909 --> 00:28:16,159

process now than it was five years ago

727

00:28:20,789 --> 00:28:17,919

by mainstream media especially when you

728

00:28:23,990 --> 00:28:20,799

have ufos dipping into the ocean and and

729

00:28:27,830 --> 00:28:24,000

your people have seen ufos go in and out

730

00:28:30,149 --> 00:28:27,840

of places in arizona and uh other rocky

731

00:28:32,710 --> 00:28:30,159

terrain so why not let's entertain it

732

00:28:33,990 --> 00:28:32,720

but we won't dwell on it anymore no no

733

00:28:35,830 --> 00:28:34,000

more okay

734

00:28:38,950 --> 00:28:35,840

yeah we will be the cave people though

735

00:28:40,710 --> 00:28:38,960

like it'll be the elite up here leonardo

736

00:28:42,549 --> 00:28:40,720

dicaprio and

737

00:28:45,669 --> 00:28:42,559

alec baldwin they'll all be shooting

738

00:28:46,389 --> 00:28:45,679

each other up here on the regular earth

739

00:28:51,269 --> 00:28:46,399

and

740

00:28:52,389 --> 00:28:51,279

think it's the opposite i think the by

741

00:28:54,549 --> 00:28:52,399

all accounts

742

00:28:55,350 --> 00:28:54,559

if you have the king of the world down

743

00:29:00,710 --> 00:28:55,360

there

744

00:29:03,350 --> 00:29:00,720

of the accounts that i've read of why

745

00:29:06,310 --> 00:29:03,360

like previous ancient civilizations

746

00:29:08,470 --> 00:29:06,320

seem to have like perished but because

747

00:29:10,230 --> 00:29:08,480

world cataclysm they all go underground

748

00:29:13,990 --> 00:29:10,240

for protection

749

00:29:16,310 --> 00:29:14,000

you know if if the hotel industry is any

750
