

UFO Abductions & The Secret Alien War

1
00:00:00,270 --> 00:00:06,550
[Applause]

2
00:00:11,430 --> 00:00:08,790
so for the uh headline of this podcast

3
00:00:14,070 --> 00:00:11,440
we're going to talk about alien sex

4
00:00:16,230 --> 00:00:14,080
encounters probably over the next few

5
00:00:19,349 --> 00:00:16,240
wednesdays uh i've been collecting

6
00:00:22,470 --> 00:00:19,359
stories uh about various encounters that

7
00:00:25,670 --> 00:00:22,480
people have had with aliens that

8
00:00:28,470 --> 00:00:25,680
spawn out into some sexual

9
00:00:30,390 --> 00:00:28,480
uh scenario there's quite a few

10
00:00:31,990 --> 00:00:30,400
and i'm just going to be able to really

11
00:00:33,830 --> 00:00:32,000
scratch the surface with this topic

12
00:00:36,790 --> 00:00:33,840
because it goes deep

13
00:00:37,750 --> 00:00:36,800

i think eventually i will go into

14

00:00:40,630 --> 00:00:37,760

some

15

00:00:43,110 --> 00:00:40,640

uh more historical stories of abductions

16

00:00:47,190 --> 00:00:43,120

because it doesn't really

17

00:00:49,430 --> 00:00:47,200

uh start and end with alien encounters

18

00:00:51,990 --> 00:00:49,440

throughout time there have been um

19

00:00:55,189 --> 00:00:52,000

stories of abductions concerning

20

00:00:56,229 --> 00:00:55,199

fairy folk and goblins and all that kind

21

00:00:57,990 --> 00:00:56,239

of stuff

22

00:00:58,950 --> 00:00:58,000

and some of it does turn sexual in

23

00:01:00,229 --> 00:00:58,960

nature

24

00:01:02,389 --> 00:01:00,239

um

25

00:01:04,549 --> 00:01:02,399

there are often uh stories of of

26

00:01:08,310 --> 00:01:04,559

children being kidnapped by fairies and

27

00:01:10,950 --> 00:01:08,320

in their place a change lien is left but

28

00:01:14,789 --> 00:01:10,960

that's not what today is about today we

29

00:01:17,990 --> 00:01:14,799

are talking about a very specific case

30

00:01:20,830 --> 00:01:18,000

of a sexual encounter this comes from

31

00:01:22,469 --> 00:01:20,840

uh south america

32

00:01:25,109 --> 00:01:22,479

1957.

33

00:01:27,510 --> 00:01:25,119

and the gentleman's name who had this

34

00:01:30,630 --> 00:01:27,520

encounter was antonio

35

00:01:34,749 --> 00:01:33,109

so antonio at the time he was a young

36

00:01:37,429 --> 00:01:34,759

man he was

37

00:01:40,390 --> 00:01:37,439

23 years old

38

00:01:42,630 --> 00:01:40,400

and he was out plowing his fields

39

00:01:44,550 --> 00:01:42,640

when all of a sudden he saw a red star

40

00:01:47,190 --> 00:01:44,560

in the sky it's a very bright red star

41

00:01:49,429 --> 00:01:47,200

as he watched it it moved closer to him

42

00:01:50,870 --> 00:01:49,439

and as it moved closer to him it started

43

00:01:54,710 --> 00:01:50,880

to take a shape

44

00:01:57,109 --> 00:01:54,720

uh and it was very egg-shaped in size uh

45

00:01:58,630 --> 00:01:57,119

next thing you know it landed down

46

00:02:00,069 --> 00:01:58,640

on three

47

00:02:01,910 --> 00:02:00,079

protruding legs it's almost like a

48

00:02:04,550 --> 00:02:01,920

stereotypical kind of like

49

00:02:07,030 --> 00:02:04,560

cartoon landing like you would see where

50

00:02:09,510 --> 00:02:07,040

and a ufo comes down and then three

51
00:02:11,910 --> 00:02:09,520
little landing rods come out and that's

52
00:02:13,190 --> 00:02:11,920
what you got we hear the story over and

53
00:02:15,270 --> 00:02:13,200
over again

54
00:02:18,390 --> 00:02:15,280
well at this point

55
00:02:21,030 --> 00:02:18,400
uh antonio started to get pretty freaked

56
00:02:22,790 --> 00:02:21,040
out so you hopped on his tractor

57
00:02:25,990 --> 00:02:22,800
the very tractor he was using to plow

58
00:02:26,949 --> 00:02:26,000
his fields and decided to just take off

59
00:02:29,190 --> 00:02:26,959
so

60
00:02:32,470 --> 00:02:29,200
i don't know how many horsepower this

61
00:02:36,070 --> 00:02:32,480
tractor was or what he had going on

62
00:02:37,910 --> 00:02:36,080
why is it a two-stroke full stick

63
00:02:39,270 --> 00:02:37,920

he couldn't afford a lot you know he's

64

00:02:42,070 --> 00:02:39,280

but a quaint

65

00:02:43,190 --> 00:02:42,080

uh peasant farmer down in south america

66

00:02:44,470 --> 00:02:43,200

and

67

00:02:46,229 --> 00:02:44,480

i don't think this is the very i don't

68

00:02:48,550 --> 00:02:46,239

this doesn't sound like a tractor he'd

69

00:02:50,630 --> 00:02:48,560

use to plow the fields with but

70

00:02:52,070 --> 00:02:50,640

it's the best i could do so it sounded

71

00:02:53,910 --> 00:02:52,080

something like that

72

00:02:55,350 --> 00:02:53,920

but as soon as antonio hopped on his

73

00:02:57,589 --> 00:02:55,360

tractor

74

00:02:59,990 --> 00:02:57,599

pull started it and started to take off

75

00:03:02,790 --> 00:03:00,000

uh he was seized upon by a humanoid

76

00:03:04,949 --> 00:03:02,800

creature this uh this fella was about

77

00:03:07,270 --> 00:03:04,959

five feet tall he was wearing gray

78

00:03:09,030 --> 00:03:07,280

overalls and a helmet how many times

79

00:03:11,270 --> 00:03:09,040

have we heard that i've covered this

80

00:03:13,030 --> 00:03:11,280

extensively like a lot of times that

81

00:03:14,070 --> 00:03:13,040

these aliens these humanoids whatever

82

00:03:16,470 --> 00:03:14,080

they are

83

00:03:18,949 --> 00:03:16,480

they wear like jumpsuits

84

00:03:21,110 --> 00:03:18,959

well next thing he knows

85

00:03:22,869 --> 00:03:21,120

he is being dragged off his tractor

86

00:03:25,430 --> 00:03:22,879

three other humanoid creatures come out

87

00:03:28,070 --> 00:03:25,440

join in and so now there's a total of

88

00:03:29,750 --> 00:03:28,080

four of them they drag him into

89

00:03:31,670 --> 00:03:29,760

their spaceship

90

00:03:33,350 --> 00:03:31,680

once inside some sort of gang tractoring

91

00:03:34,949 --> 00:03:33,360

going on there yeah they realized you

92

00:03:37,110 --> 00:03:34,959

know uh

93

00:03:39,509 --> 00:03:37,120

he didn't describe their physical

94

00:03:41,350 --> 00:03:39,519

stature that much but it was file

95

00:03:42,789 --> 00:03:41,360

accounts fairly slender and they

96

00:03:45,190 --> 00:03:42,799

probably needed

97

00:03:47,110 --> 00:03:45,200

all four of them to to really wrangle

98

00:03:49,190 --> 00:03:47,120

antonio because it didn't sound like he

99

00:03:51,589 --> 00:03:49,200

was going willingly because considering

100

00:03:53,509 --> 00:03:51,599

he said they dragged him into

101

00:03:55,830 --> 00:03:53,519

well he has to he has to phrase it that

102

00:03:59,190 --> 00:03:55,840

way for the for his wife of course yeah

103

00:04:01,429 --> 00:03:59,200

i didn't want to i i had to you know

104

00:04:03,190 --> 00:04:01,439

they forced me to go along and i was

105

00:04:05,990 --> 00:04:03,200

just being nice but

106

00:04:07,509 --> 00:04:06,000

let's just be nice i mean neighborly

107

00:04:08,710 --> 00:04:07,519

being neighborly at that point well i

108

00:04:10,630 --> 00:04:08,720

mean honestly if

109

00:04:12,630 --> 00:04:10,640

first contact no matter how scared you

110

00:04:14,470 --> 00:04:12,640

are you got to put on your your best

111

00:04:16,310 --> 00:04:14,480

face because you don't know if any other

112

00:04:18,550 --> 00:04:16,320

humans have

113

00:04:20,870 --> 00:04:18,560

encountered creatures like this so

114

00:04:23,350 --> 00:04:20,880

i guess you thrash and you resist a

115

00:04:25,350 --> 00:04:23,360

little bit but not enough to to put them

116

00:04:27,749 --> 00:04:25,360

off i guess

117

00:04:30,230 --> 00:04:27,759

um so they dragged him into the craft

118

00:04:31,510 --> 00:04:30,240

and they threw threw him in a room

119

00:04:33,189 --> 00:04:31,520

and

120

00:04:35,670 --> 00:04:33,199

they told him

121

00:04:37,909 --> 00:04:35,680

to strip off his clothes and i it's

122

00:04:41,670 --> 00:04:37,919

unclear if they stripped his clothes off

123

00:04:43,990 --> 00:04:41,680

for him or if antonio willingly decided

124

00:04:44,870 --> 00:04:44,000

to just robe say he's he's already there

125

00:04:47,590 --> 00:04:44,880

fella

126

00:04:50,790 --> 00:04:47,600

i got that off yeah he's like come in i

127

00:04:53,110 --> 00:04:50,800

i guess so uh come in naked just come in

128

00:04:55,270 --> 00:04:53,120

here naked and we'll take care of you oh

129

00:04:58,150 --> 00:04:55,280

no my pants fell off

130

00:05:00,550 --> 00:04:58,160

and the next thing you know antonio

131

00:05:03,029 --> 00:05:00,560

remembers that he was being covered in

132

00:05:04,629 --> 00:05:03,039

this strange gel

133

00:05:08,390 --> 00:05:04,639

like they were covering them his entire

134

00:05:10,870 --> 00:05:08,400

body in this gel uh he didn't say it was

135

00:05:13,350 --> 00:05:10,880

of any particular odor it was just a

136

00:05:15,749 --> 00:05:13,360

weird sensation

137

00:05:17,590 --> 00:05:15,759

and so they covered his gel and then

138

00:05:19,990 --> 00:05:17,600

they took him to

139

00:05:21,990 --> 00:05:20,000

the second room which is like a large

140

00:05:23,350 --> 00:05:22,000

semicircle room

141

00:05:25,270 --> 00:05:23,360

uh in there

142

00:05:27,189 --> 00:05:25,280

they sat him down

143

00:05:30,310 --> 00:05:27,199

antonio said that they took blood

144

00:05:31,670 --> 00:05:30,320

samples from his chin

145

00:05:33,670 --> 00:05:31,680

and so he just kind of that's that's for

146

00:05:36,230 --> 00:05:33,680

the stds you got to test for that but i

147

00:05:37,029 --> 00:05:36,240

mean it's a very particular spot i don't

148

00:05:40,310 --> 00:05:37,039

know

149

00:05:42,150 --> 00:05:40,320

much about human anatomy uh but why the

150

00:05:44,310 --> 00:05:42,160

chin to take blood samples from is it

151
00:05:45,749 --> 00:05:44,320
like maybe it's not as obvious like why

152
00:05:47,590 --> 00:05:45,759
not from the arm typically when you get

153
00:05:49,510 --> 00:05:47,600
blood drawn they want it

154
00:05:51,110 --> 00:05:49,520
at least our human doctors they take it

155
00:05:53,110 --> 00:05:51,120
straight from one of your veins in your

156
00:05:55,189 --> 00:05:53,120
arm that's good enough but no they took

157
00:05:56,950 --> 00:05:55,199
it from antonio's chin

158
00:05:59,590 --> 00:05:56,960
and i don't know i'm not not a ufo

159
00:06:01,270 --> 00:05:59,600
doctor i know we're trying to get there

160
00:06:03,670 --> 00:06:01,280
we're all trying to become ufo doctors

161
00:06:05,909 --> 00:06:03,680
but so once in this semicircular room

162
00:06:07,270 --> 00:06:05,919
they took blood sample took blood sample

163
00:06:08,870 --> 00:06:07,280

from his chin

164

00:06:11,830 --> 00:06:08,880

at which point they said okay we're done

165

00:06:13,430 --> 00:06:11,840

here we're gonna take you to

166

00:06:15,749 --> 00:06:13,440

room three

167

00:06:17,029 --> 00:06:15,759

and so they took antonio

168

00:06:19,909 --> 00:06:17,039

still naked

169

00:06:21,510 --> 00:06:19,919

covered in jelly maybe vaseline we don't

170

00:06:23,270 --> 00:06:21,520

really know so he's probably slipping

171

00:06:24,309 --> 00:06:23,280

and sliding all the way to the third

172

00:06:25,990 --> 00:06:24,319

room

173

00:06:28,469 --> 00:06:26,000

and they bravo and suggest it was

174

00:06:30,710 --> 00:06:28,479

actually soul glow soul glow okay it

175

00:06:32,870 --> 00:06:30,720

could be soul glow

176

00:06:35,430 --> 00:06:32,880

which is uh was featured in the movie

177

00:06:37,670 --> 00:06:35,440

coming to america right

178

00:06:39,590 --> 00:06:37,680

yes i believe it was just let your soul

179

00:06:42,710 --> 00:06:39,600

go soul glow just let it shine through

180

00:06:47,110 --> 00:06:45,510

and so uh they threw him in a third room

181

00:06:47,990 --> 00:06:47,120

and now in his third room he said he was

182

00:06:50,550 --> 00:06:48,000

like

183

00:06:51,749 --> 00:06:50,560

put in there for about 30 minutes then

184

00:06:55,270 --> 00:06:51,759

all of a sudden

185

00:06:58,230 --> 00:06:55,280

this gas started to pour in the room

186

00:07:00,469 --> 00:06:58,240

this gas made him violently ill

187

00:07:02,790 --> 00:07:00,479

and he didn't say it but i i would have

188

00:07:05,430 --> 00:07:02,800

to assume if there's gas porno and it's

189

00:07:09,589 --> 00:07:05,440

making you violently ill he's probably

190

00:07:11,589 --> 00:07:09,599

having uh various bowel movements in in

191

00:07:13,670 --> 00:07:11,599

and puking as well

192

00:07:15,430 --> 00:07:13,680

and he said he was violently ill this

193

00:07:18,150 --> 00:07:15,440

entire time

194

00:07:19,909 --> 00:07:18,160

the gas subsided and he started to feel

195

00:07:21,189 --> 00:07:19,919

a letter a little better then the door

196

00:07:22,790 --> 00:07:21,199

opened

197

00:07:26,710 --> 00:07:22,800

and

198

00:07:29,189 --> 00:07:26,720

a humanoid female walks in

199

00:07:33,110 --> 00:07:29,199

and at that point in time as soon as

200

00:07:34,309 --> 00:07:33,120

antonio saw this humanoid female who was

201
00:07:37,350 --> 00:07:34,319
alien

202
00:07:40,150 --> 00:07:37,360
he became very attracted to her

203
00:07:42,710 --> 00:07:40,160
and she was very naked too

204
00:07:44,070 --> 00:07:42,720
she was uh also about the same height as

205
00:07:46,550 --> 00:07:44,080
the other humanoids who dragged him

206
00:07:49,350 --> 00:07:46,560
inside the uh the craft about five feet

207
00:07:51,350 --> 00:07:49,360
tall she had a pointed chin

208
00:07:54,710 --> 00:07:51,360
and but she wasn't wearing a helmet she

209
00:07:58,150 --> 00:07:54,720
had large eyes that were bluish in

210
00:08:00,790 --> 00:07:58,160
nature and they reminded antonio of like

211
00:08:03,110 --> 00:08:00,800
cat eyes

212
00:08:03,990 --> 00:08:03,120
but what he did notice that she had long

213
00:08:08,390 --> 00:08:04,000

hair

214

00:08:11,029 --> 00:08:08,400

and of course he noticed that she did

215

00:08:13,350 --> 00:08:11,039

have pubic hair that was bright

216

00:08:15,670 --> 00:08:13,360

fiery red

217

00:08:18,390 --> 00:08:15,680

did you bring condoms

218

00:08:20,230 --> 00:08:18,400

uh so he did i mean this is the first

219

00:08:22,230 --> 00:08:20,240

time that i have

220

00:08:23,510 --> 00:08:22,240

read a story where someone decided to

221

00:08:25,430 --> 00:08:23,520

look down

222

00:08:27,189 --> 00:08:25,440

and notice

223

00:08:28,070 --> 00:08:27,199

the genitalia

224

00:08:30,629 --> 00:08:28,080

area

225

00:08:33,029 --> 00:08:30,639

of an alien or

226

00:08:35,029 --> 00:08:33,039

a cryptid beyond the guy in california

227

00:08:37,029 --> 00:08:35,039

who looked at the muscular buttocks of a

228

00:08:39,110 --> 00:08:37,039

bigfoot just focus on those buttocks

229

00:08:40,790 --> 00:08:39,120

yeah yeah and so i was i was happy to

230

00:08:42,709 --> 00:08:40,800

see this he looked down he was attracted

231

00:08:44,389 --> 00:08:42,719

and he was checking her out and so he

232

00:08:47,509 --> 00:08:44,399

did notice that

233

00:08:50,230 --> 00:08:47,519

and uh the attraction for her just

234

00:08:54,150 --> 00:08:50,240

seemed to increase uh and so

235

00:08:56,949 --> 00:08:54,160

uh they had full sexual intercourse

236

00:08:59,350 --> 00:08:56,959

but uh antonio noted that during the

237

00:09:01,590 --> 00:08:59,360

entire ordeal

238

00:09:04,630 --> 00:09:01,600

that she never kissed him

239

00:09:07,350 --> 00:09:04,640

she only like nibbled and nipped at his

240

00:09:08,470 --> 00:09:07,360

chin the very chin where they took blood

241

00:09:10,870 --> 00:09:08,480

from

242

00:09:12,870 --> 00:09:10,880

i don't know what that means

243

00:09:14,790 --> 00:09:12,880

but it's just kind of particular i don't

244

00:09:16,790 --> 00:09:14,800

know if she was like

245

00:09:18,310 --> 00:09:16,800

sucking his chin or sucking the blood

246

00:09:21,430 --> 00:09:18,320

off his chin like she's some sort of

247

00:09:23,590 --> 00:09:21,440

vampire or that's just what they do

248

00:09:24,949 --> 00:09:23,600

in their alien culture this is they

249

00:09:28,470 --> 00:09:24,959

don't kiss in the lips they bite the

250

00:09:32,949 --> 00:09:31,269

so after uh they finished the the alien

251

00:09:34,710 --> 00:09:32,959

female stood up

252

00:09:36,550 --> 00:09:34,720

smiled

253

00:09:39,910 --> 00:09:36,560

rubbed her belly

254

00:09:44,389 --> 00:09:41,990

i do very similar things when i get done

255

00:09:45,910 --> 00:09:44,399

eating at arby's i do the same thing

256

00:09:47,030 --> 00:09:45,920

i rub my belly

257

00:09:52,230 --> 00:09:47,040

smile

258

00:09:54,870 --> 00:09:52,240

that's good i gotta go make a deposit

259

00:09:56,790 --> 00:09:54,880

rub my belly and point to the restaurant

260

00:09:58,150 --> 00:09:56,800

there we go i'll be back

261

00:09:59,110 --> 00:09:58,160

um

262

00:10:01,190 --> 00:09:59,120

so she

263

00:10:03,110 --> 00:10:01,200

she they finished up she stood up she

264

00:10:05,110 --> 00:10:03,120

smiled rubbed her belly and then pointed

265

00:10:07,750 --> 00:10:05,120

up um

266

00:10:11,190 --> 00:10:07,760

and antonio got the impression that uh

267

00:10:13,269 --> 00:10:11,200

that she was relieved that the task was

268

00:10:15,190 --> 00:10:13,279

over and it's never good i guess when

269

00:10:17,110 --> 00:10:15,200

you have like a sexual encounter and you

270

00:10:20,630 --> 00:10:17,120

feel like the other person viewed it as

271

00:10:24,150 --> 00:10:21,910

was she was she reading an alien

272

00:10:26,470 --> 00:10:24,160

magazine the whole time i maybe i don't

273

00:10:28,630 --> 00:10:26,480

know she didn't kiss him so there was no

274

00:10:30,230 --> 00:10:28,640

intimacy there so at any point that she

275

00:10:32,710 --> 00:10:30,240

used the phrase could you just hurry up

276

00:10:33,910 --> 00:10:32,720

already i i maybe have you ever been

277

00:10:36,710 --> 00:10:33,920

spanked

278

00:10:38,710 --> 00:10:36,720

i don't think they got into spanking or

279

00:10:41,670 --> 00:10:38,720

or anything like that have you ever seen

280

00:10:43,990 --> 00:10:41,680

a man's blank well she saw antonio's

281

00:10:45,829 --> 00:10:44,000

blank that's for sure i think so that's

282

00:10:48,310 --> 00:10:45,839

a very generic question

283

00:10:52,069 --> 00:10:48,320

it is have you ever seen a man's blank

284

00:10:54,630 --> 00:10:52,079

nose ear uh rotary hammer uh

285

00:10:56,790 --> 00:10:54,640

swastika shoes

286

00:10:59,269 --> 00:10:56,800

blank uh we'll come back maybe we'll get

287

00:11:02,150 --> 00:10:59,279

more information on that later

288

00:11:04,470 --> 00:11:02,160

so the the sexual intercourse is done uh

289

00:11:05,590 --> 00:11:04,480

she leaves the room with her task

290

00:11:07,829 --> 00:11:05,600

complete

291

00:11:09,430 --> 00:11:07,839

and so antonio is sitting around still

292

00:11:10,310 --> 00:11:09,440

covered in

293

00:11:12,550 --> 00:11:10,320

uh

294

00:11:14,870 --> 00:11:12,560

vaseline or something

295

00:11:17,190 --> 00:11:14,880

yeah some kind of alien soul glow

296

00:11:18,949 --> 00:11:17,200

and the other three aliens come in and

297

00:11:20,870 --> 00:11:18,959

said hey

298

00:11:23,190 --> 00:11:20,880

uh thanks for doing that

299

00:11:24,949 --> 00:11:23,200

let's uh let's take a tour of the ship

300

00:11:25,829 --> 00:11:24,959

because i think i mean maybe that's what

301
00:11:27,670 --> 00:11:25,839
they do

302
00:11:29,350 --> 00:11:27,680
in their culture you get done having sex

303
00:11:31,910 --> 00:11:29,360
and then you take a tour of the person's

304
00:11:33,670 --> 00:11:31,920
home or ship it might be it's a cultural

305
00:11:36,310 --> 00:11:33,680
thing i don't know

306
00:11:38,310 --> 00:11:36,320
but as antonio toured the ship he was

307
00:11:40,150 --> 00:11:38,320
like this is unbelievable i can't

308
00:11:42,630 --> 00:11:40,160
believe what happened to me

309
00:11:44,949 --> 00:11:42,640
i i gotta prove it somehow i gotta prove

310
00:11:46,550 --> 00:11:44,959
to somebody out there that this happened

311
00:11:49,750 --> 00:11:46,560
and so as he was taking a tour of the

312
00:11:52,629 --> 00:11:49,760
ship antonio spotted what he thinks is a

313
00:11:55,590 --> 00:11:52,639

clock like device it could be a timex

314

00:11:57,430 --> 00:11:55,600

rolex is undetermined and so he he tries

315

00:11:59,590 --> 00:11:57,440

to pocket this thing but he doesn't

316

00:12:01,350 --> 00:11:59,600

really have any pockets or anything or

317

00:12:03,350 --> 00:12:01,360

anything he's got he's got nature's

318

00:12:04,949 --> 00:12:03,360

pocket he could have used the old pulp

319

00:12:06,790 --> 00:12:04,959

fiction trick but

320

00:12:09,190 --> 00:12:06,800

he's got a prison pocket there

321

00:12:11,509 --> 00:12:09,200

he didn't antonio didn't specify if he

322

00:12:14,550 --> 00:12:11,519

if he did that or not so he tried to

323

00:12:17,190 --> 00:12:14,560

palm the the clock-like device

324

00:12:19,110 --> 00:12:17,200

but the aliens are like uh-uh no that's

325

00:12:20,710 --> 00:12:19,120

that's our clock-like device you're not

326

00:12:22,790 --> 00:12:20,720

taking that at which point in time the

327

00:12:24,710 --> 00:12:22,800

aliens became offended threw his clothes

328

00:12:26,790 --> 00:12:24,720

at him and pushed him out of the ufo and

329

00:12:28,550 --> 00:12:26,800

they took off wait did this guy

330

00:12:31,670 --> 00:12:28,560

single-handedly ruin first contact for

331

00:12:34,150 --> 00:12:31,680

the rest of us i think so

332

00:12:36,069 --> 00:12:34,160

this is back in 1957

333

00:12:38,069 --> 00:12:36,079

and they haven't been back since

334

00:12:40,389 --> 00:12:38,079

well there have been other aliens that

335

00:12:41,670 --> 00:12:40,399

maybe have attempted the same thing

336

00:12:43,990 --> 00:12:41,680

uh but we don't know this is right

337

00:12:46,310 --> 00:12:44,000

around the same time period where uh

338

00:12:48,949 --> 00:12:46,320

george adaminski had his encounter with

339

00:12:52,069 --> 00:12:48,959

the people from venus out in the the

340

00:12:53,350 --> 00:12:52,079

southwest uh also howard minger had a

341

00:12:56,310 --> 00:12:53,360

very uh

342

00:12:57,509 --> 00:12:56,320

similar encounter with these people that

343

00:12:59,430 --> 00:12:57,519

were

344

00:13:02,150 --> 00:12:59,440

basically coming out to greet him

345

00:13:05,110 --> 00:13:02,160

a much more open encounter

346

00:13:07,990 --> 00:13:05,120

than these nighttime abductions

347

00:13:10,310 --> 00:13:08,000

and so this early mid 50s encounter kind

348

00:13:12,069 --> 00:13:10,320

of falls in line with what was happening

349

00:13:13,509 --> 00:13:12,079

at that point in time

350

00:13:15,829 --> 00:13:13,519

um

351

00:13:16,870 --> 00:13:15,839

after uh this encounter

352

00:13:22,629 --> 00:13:16,880

uh

353

00:13:23,509 --> 00:13:22,639

various lesions and like burn marks

354

00:13:25,590 --> 00:13:23,519

and

355

00:13:26,870 --> 00:13:25,600

i don't think it was in std but we i

356

00:13:27,910 --> 00:13:26,880

mean we don't know

357

00:13:30,230 --> 00:13:27,920

but

358

00:13:32,150 --> 00:13:30,240

it it sounded like possible radiation

359

00:13:33,750 --> 00:13:32,160

poisoning

360

00:13:35,990 --> 00:13:33,760

that's that's what i could just be how

361

00:13:38,629 --> 00:13:36,000

their stds manifest

362

00:13:40,949 --> 00:13:38,639

the yeah they've got space herpes yeah

363

00:13:43,350 --> 00:13:40,959

exactly and maybe

364

00:13:45,189 --> 00:13:43,360

have you ever seen a man's blank we

365

00:13:47,189 --> 00:13:45,199

still don't know what that is cosmic

366

00:13:50,310 --> 00:13:47,199

syphilis yeah why don't you have a seat

367

00:13:54,150 --> 00:13:50,320

there and uh get comfortable from that

368

00:13:56,550 --> 00:13:54,160

well uh and then antonio uh he he uh did

369

00:13:59,590 --> 00:13:56,560

wind up living a full life he became a

370

00:14:01,990 --> 00:13:59,600

lawyer had a family and uh he died in

371

00:14:04,150 --> 00:14:02,000

the the 90s at some point in time now

372

00:14:06,629 --> 00:14:04,160

other people claim that his story uh was

373

00:14:09,430 --> 00:14:06,639

a hoax he just made it all up uh but by

374

00:14:11,910 --> 00:14:09,440

all accounts he went to the grave

375

00:14:15,030 --> 00:14:11,920

uh saying it's true this this actually

376

00:14:18,389 --> 00:14:15,040

happened to me and he stood by his his

377

00:14:20,870 --> 00:14:18,399

tail and uh it's not outside the realm

378

00:14:21,990 --> 00:14:20,880

of what we've heard with other alien

379

00:14:23,590 --> 00:14:22,000

encounters

380

00:14:25,670 --> 00:14:23,600

sexual or not

381

00:14:29,910 --> 00:14:25,680

especially as fits for the time period

382

00:14:33,200 --> 00:14:29,920

and it deserves uh to be put in the ovdn

383

00:14:35,829 --> 00:14:33,210

first run of sexual alien encounters yes

384

00:14:38,150 --> 00:14:35,839

[Applause]

385

00:14:40,069 --> 00:14:38,160

the guy who famously had uh

386

00:14:43,670 --> 00:14:40,079

he had sex over and over and over with

387

00:14:45,910 --> 00:14:43,680

the uh the the the female alien to have

388

00:14:48,790 --> 00:14:45,920

space babies as they can multiple space

389

00:14:52,389 --> 00:14:48,800

babies now that was in that was in the

390

00:14:53,189 --> 00:14:52,399

uh documentary love and saucers now that

391

00:14:55,269 --> 00:14:53,199

guy

392

00:14:57,350 --> 00:14:55,279

um

393

00:15:00,310 --> 00:14:57,360

if i can find it

394

00:15:01,670 --> 00:15:00,320

i have the clips

395

00:15:03,110 --> 00:15:01,680

let's see i remember he described her

396

00:15:04,069 --> 00:15:03,120

she was wearing a blue outfit and she

397

00:15:06,069 --> 00:15:04,079

had

398

00:15:07,670 --> 00:15:06,079

long hair and

399

00:15:08,870 --> 00:15:07,680

he was like a kid when they started but

400

00:15:10,629 --> 00:15:08,880

she kept coming back so they could have

401
00:15:12,949 --> 00:15:10,639
crazy space babies yeah they did have

402
00:15:14,069 --> 00:15:12,959
space babies and so they

403
00:15:17,189 --> 00:15:14,079
um

404
00:15:19,910 --> 00:15:17,199
she he yeah he was first accosted when

405
00:15:21,269 --> 00:15:19,920
he was like 15 or 16 and he had a raging

406
00:15:23,990 --> 00:15:21,279
heart on that's what he might have

407
00:15:26,310 --> 00:15:24,000
hidden that's basically what he said

408
00:15:27,910 --> 00:15:26,320
and

409
00:15:29,110 --> 00:15:27,920
yeah i'm trying to find it i i you know

410
00:15:31,590 --> 00:15:29,120
i have the clips

411
00:15:32,629 --> 00:15:31,600
the movie love and saucers david huggins

412
00:15:34,790 --> 00:15:32,639
was his name

413
00:15:36,389 --> 00:15:34,800

yeah here's the uh

414

00:15:38,790 --> 00:15:36,399

i believe

415

00:15:40,389 --> 00:15:38,800

the encounter you're referring to

416

00:15:43,430 --> 00:15:40,399

[Music]

417

00:15:46,629 --> 00:15:43,440

i was walking in the woods

418

00:15:49,269 --> 00:15:46,639

and i see a woman sitting under a tree

419

00:15:51,590 --> 00:15:49,279

i'm in naked and she gets out and she

420

00:15:54,389 --> 00:15:51,600

starts coming toward me

421

00:15:56,230 --> 00:15:54,399

i become very aroused sexually

422

00:15:57,230 --> 00:15:56,240

have you ever seen just like i am right

423

00:15:59,670 --> 00:15:57,240

now

424

00:16:01,749 --> 00:15:59,680

[Music]

425

00:16:03,030 --> 00:16:01,759

i fall back on the ground and i'm lying

426
00:16:04,790 --> 00:16:03,040
there

427
00:16:05,749 --> 00:16:04,800
and she's looking at me

428
00:16:08,230 --> 00:16:05,759
and

429
00:16:11,110 --> 00:16:08,240
i reached my climax which was quite

430
00:16:13,350 --> 00:16:11,120
painful actually it was very intense

431
00:16:14,290 --> 00:16:13,360
and then i'm looking into her eyes and i

432
00:16:16,389 --> 00:16:14,300
pass out

433
00:16:18,389 --> 00:16:16,399
[Music]

434
00:16:21,030 --> 00:16:18,399
and the next thing i know i wake up i

435
00:16:23,829 --> 00:16:21,040
don't know how much later maybe 15 or 20

436
00:16:25,350 --> 00:16:23,839
minutes my pants are down around my

437
00:16:26,870 --> 00:16:25,360
knees

438
00:16:29,269 --> 00:16:26,880

i couldn't understand what they were

439

00:16:32,310 --> 00:16:29,279

doing down there

440

00:16:39,430 --> 00:16:35,509

got up pulled my pants and underwear up

441

00:16:39,440 --> 00:16:45,030

virginity lost

442

00:16:48,829 --> 00:16:46,790

i figured if anything i'll be losing in

443

00:16:51,910 --> 00:16:48,839

the backseat of a ford something like

444

00:16:54,630 --> 00:16:51,920

that but no no didn't worked out that

445

00:16:56,389 --> 00:16:54,640

way at all damn you're very sexy

446

00:16:58,389 --> 00:16:56,399

[Music]

447

00:17:01,110 --> 00:16:58,399

i couldn't take georgia anymore there

448

00:17:03,430 --> 00:17:01,120

was just nothing there

449

00:17:04,470 --> 00:17:03,440

well i've always enjoyed drawing and

450

00:17:06,949 --> 00:17:04,480

painting

451

00:17:10,309 --> 00:17:06,959

my parents didn't like it

452

00:17:12,549 --> 00:17:10,319

i heard about the art students league

453

00:17:15,189 --> 00:17:12,559

so i wrote a letter to my folks told

454

00:17:17,669 --> 00:17:15,199

them where i was going and that was it

455

00:17:19,909 --> 00:17:17,679

i just got up and i left

456

00:17:21,909 --> 00:17:19,919

i was 19 years old

457

00:17:24,150 --> 00:17:21,919

hello how are you doing can i tease and

458

00:17:27,350 --> 00:17:24,160

please your blank with my tongue and

459

00:17:32,310 --> 00:17:27,360

make you blank over and over

460

00:17:36,070 --> 00:17:33,990

yeah i assume you played two clips back

461

00:17:38,150 --> 00:17:36,080

to back there not that he actually aged

462

00:17:40,470 --> 00:17:38,160

four years during that sexual encounter

463

00:17:42,150 --> 00:17:40,480

uh i think so i think i think he yeah it

464

00:17:43,590 --> 00:17:42,160

was like kind of mushed together he had

465

00:17:45,669 --> 00:17:43,600

sex and then

466

00:17:47,990 --> 00:17:45,679

four years later he he's like i had

467

00:17:50,070 --> 00:17:48,000

enough of georgia for getting out of

468

00:17:56,310 --> 00:17:50,080

here

469

00:17:58,310 --> 00:17:56,320

having uh space babies uh i believe

470

00:17:59,669 --> 00:17:58,320

we play this one the alien space babies

471

00:18:01,510 --> 00:17:59,679

yeah why not we're talking about alien

472

00:18:02,630 --> 00:18:01,520

sex we'll just do a little refresher

473

00:18:04,950 --> 00:18:02,640

here and then we'll move on here we go

474

00:18:06,950 --> 00:18:04,960

this is him um

475

00:18:10,070 --> 00:18:06,960

i think he fathered i think he estimated

476
00:18:12,150 --> 00:18:10,080
in the neighborhood of 50 space babies

477
00:18:13,350 --> 00:18:12,160
we'll see if he's talking about 1 000

478
00:18:15,190 --> 00:18:13,360
maybe

479
00:18:17,029 --> 00:18:15,200
i was doing some painting

480
00:18:19,750 --> 00:18:17,039
and then all at once

481
00:18:21,990 --> 00:18:19,760
the wall opens up and there is crescent

482
00:18:24,230 --> 00:18:22,000
and she's very stressed out

483
00:18:28,470 --> 00:18:24,240
and she says david the baby's dying oh

484
00:18:29,830 --> 00:18:28,480
crescent was his alien lover the female

485
00:18:32,630 --> 00:18:29,840
alien lover

486
00:18:35,909 --> 00:18:32,640
who he had a relationship with

487
00:18:39,029 --> 00:18:35,919
who lives in canada and is totally real

488
00:18:41,430 --> 00:18:39,039

baby what baby your baby but it's dying

489

00:18:43,110 --> 00:18:41,440

and i says show me my baby

490

00:18:46,390 --> 00:18:43,120

at first she wouldn't do it and i had to

491

00:18:48,710 --> 00:18:46,400

yell it out three times really loud show

492

00:18:51,190 --> 00:18:48,720

me my baby she picks the baby up out of

493

00:18:52,150 --> 00:18:51,200

some container and holds it out in front

494

00:18:54,310 --> 00:18:52,160

of her

495

00:18:56,230 --> 00:18:54,320

and the baby's just like dangling and i

496

00:18:58,230 --> 00:18:56,240

said i mean look at

497

00:19:00,230 --> 00:18:58,240

don't hold the baby like that cradle the

498

00:19:02,789 --> 00:19:00,240

baby in your arms

499

00:19:05,430 --> 00:19:02,799

listen i've got to come there no you're

500

00:19:07,669 --> 00:19:05,440

not allowed my baby's dying and i can't

501
00:19:12,870 --> 00:19:07,679
come there watch this

502
00:19:16,630 --> 00:19:14,870
watch this and i go pass out my bed

503
00:19:17,990 --> 00:19:16,640
you're right he's a real man of action

504
00:19:19,909 --> 00:19:18,000
yeah disney

505
00:19:21,990 --> 00:19:19,919
hold on he quickly drank 24 beers and

506
00:19:23,590 --> 00:19:22,000
passed hold on i need a nap

507
00:19:25,750 --> 00:19:23,600
i'm gonna finish this bottle of wild

508
00:19:27,990 --> 00:19:25,760
turkey

509
00:19:30,390 --> 00:19:28,000
the insect being comes over

510
00:19:32,230 --> 00:19:30,400
and he's rather upset with me he says

511
00:19:35,270 --> 00:19:32,240
what are you doing here

512
00:19:38,070 --> 00:19:35,280
i say my baby's dying i want my baby i

513
00:19:40,310 --> 00:19:38,080

see uh crescent holding the baby the

514

00:19:43,350 --> 00:19:40,320

baby is not moving

515

00:19:46,070 --> 00:19:43,360

and i reach over to touch it and just as

516

00:19:48,950 --> 00:19:46,080

i touch it like static electricity

517

00:19:50,230 --> 00:19:48,960

jumped from my hand to the baby

518

00:19:51,270 --> 00:19:50,240

and the baby

519

00:19:53,350 --> 00:19:51,280

moved

520

00:19:55,669 --> 00:19:53,360

maybe i was imparting some of my energy

521

00:19:57,830 --> 00:19:55,679

to it

522

00:19:59,190 --> 00:19:57,840

and i said well did you see that the

523

00:20:01,270 --> 00:19:59,200

baby's moving

524

00:20:04,549 --> 00:20:01,280

the insect being is looking looking at

525

00:20:07,110 --> 00:20:04,559

me and he says come with me

526
00:20:08,789 --> 00:20:07,120
and we go into another room filled with

527
00:20:11,190 --> 00:20:08,799
babies

528
00:20:14,149 --> 00:20:11,200
and i'm looking at them and i say oh my

529
00:20:16,149 --> 00:20:14,159
god whose babies are these

530
00:20:16,950 --> 00:20:16,159
he points to me

531
00:20:29,190 --> 00:20:16,960
i

532
00:20:31,830 --> 00:20:29,200
and uh

533
00:20:35,990 --> 00:20:31,840
but they were my babies and i had to

534
00:20:38,870 --> 00:20:36,000
help them so i wound up touching the law

535
00:20:41,190 --> 00:20:38,880
there you go there is a little bit from

536
00:20:43,029 --> 00:20:41,200
what's his name uh higgins huggins uh

537
00:20:44,950 --> 00:20:43,039
david huggins

538
00:20:47,110 --> 00:20:44,960

was he bouncing a rubber ball in that

539

00:20:49,029 --> 00:20:47,120

last clip what was that i don't know i

540

00:20:50,789 --> 00:20:49,039

don't know what that uh that background

541

00:20:52,870 --> 00:20:50,799

foley work was

542

00:20:54,710 --> 00:20:52,880

well what i mean who am i to judge i

543

00:20:55,909 --> 00:20:54,720

ride tractors non-stop

544

00:20:59,029 --> 00:20:55,919

so

545

00:21:00,310 --> 00:20:59,039

background tractor noise like i do on

546

00:21:02,230 --> 00:21:00,320

everything

547

00:21:04,470 --> 00:21:02,240

it's just in the background in general

548

00:21:06,070 --> 00:21:04,480

yeah just my god gives the illusion that

549

00:21:07,669 --> 00:21:06,080

he loves the moe's lawn very often and

550

00:21:08,950 --> 00:21:07,679

have sex with you should do that every

551
00:21:10,470 --> 00:21:08,960
time you answer the phone just have that

552
00:21:11,750 --> 00:21:10,480
running in the background that's not a

553
00:21:13,909 --> 00:21:11,760
bad idea people are convinced is he

554
00:21:17,669 --> 00:21:13,919
outside again he's constantly on the

555
00:21:19,510 --> 00:21:17,679
lawn you went out there i really should

556
00:21:22,630 --> 00:21:19,520
uh with all these stories yes they're

557
00:21:24,789 --> 00:21:22,640
fantastical uh hard to believe but i i

558
00:21:26,470 --> 00:21:24,799
think in the the coming years they're

559
00:21:27,590 --> 00:21:26,480
going to be taken more and more

560
00:21:31,669 --> 00:21:27,600
seriously

561
00:21:33,270 --> 00:21:31,679
um science right now is just catching up

562
00:21:35,190 --> 00:21:33,280
mainstream science is just catching up

563
00:21:36,549 --> 00:21:35,200

to the ufo phenomenon

564

00:21:39,270 --> 00:21:36,559

and they're they're spending their time

565

00:21:40,470 --> 00:21:39,280

trying to analyze like dna from supposed

566

00:21:42,789 --> 00:21:40,480

uh

567

00:21:46,149 --> 00:21:42,799

you know humanoid corpses or skeletons

568

00:21:48,630 --> 00:21:46,159

found down in peru uh doing uh

569

00:21:51,270 --> 00:21:48,640

experiments on on metals from supposed

570

00:21:53,110 --> 00:21:51,280

ufo craft uh there are certain people

571

00:21:55,190 --> 00:21:53,120

that are taking the

572

00:21:57,110 --> 00:21:55,200

certain people within mainstream science

573

00:21:59,190 --> 00:21:57,120

that are taking the ufo abduction

574

00:22:01,830 --> 00:21:59,200

phenomenon seriously but they're

575

00:22:04,149 --> 00:22:01,840

attributing it to possibly a mental

576

00:22:07,830 --> 00:22:04,159

disorder and they are finding

577

00:22:11,430 --> 00:22:07,840

uh abnormal sections of the human brain

578

00:22:13,990 --> 00:22:11,440

uh in uh people who had had these uh

579

00:22:15,909 --> 00:22:14,000

contacty experiences these abducted

580

00:22:16,870 --> 00:22:15,919

adduction experiences

581

00:22:18,230 --> 00:22:16,880

and most

582

00:22:21,830 --> 00:22:18,240

of the brains that have been examined

583

00:22:24,390 --> 00:22:21,840

they do have a similarity in like this

584

00:22:26,070 --> 00:22:24,400

like the mri that they do or cat scan

585

00:22:28,870 --> 00:22:26,080

they have certain areas of the brain

586

00:22:30,630 --> 00:22:28,880

that are more active than non-contact

587

00:22:32,470 --> 00:22:30,640

ease so it could be some psychological

588

00:22:35,110 --> 00:22:32,480

condition maybe it's part of the brain

589

00:22:39,350 --> 00:22:35,120

that allows them to interface with these

590

00:22:41,110 --> 00:22:39,360

entities and bring it in and typically

591

00:22:43,029 --> 00:22:41,120

when people have these kind of brain or

592

00:22:45,990 --> 00:22:43,039

abnormalities it does run in the family

593

00:22:49,110 --> 00:22:46,000

which definitely does correlate to why

594

00:22:51,470 --> 00:22:49,120

certain people in certain families seem

595

00:22:54,310 --> 00:22:51,480

to have abduction experiences it's

596

00:22:56,630 --> 00:22:54,320

cross-generational it usually will stick

597

00:22:58,070 --> 00:22:56,640

to a family lineage so

598

00:23:00,390 --> 00:22:58,080

uh hopefully

599

00:23:02,230 --> 00:23:00,400

science will dive into it a little bit

600

00:23:04,470 --> 00:23:02,240

more but i think there's gonna they're

601
00:23:05,510 --> 00:23:04,480
gonna discover that it's gonna get so

602
00:23:09,110 --> 00:23:05,520
weird

603
00:23:10,549 --> 00:23:09,120
that they might bow out uh and uh well

604
00:23:11,590 --> 00:23:10,559
especially they start with with david

605
00:23:13,669 --> 00:23:11,600
huggins

606
00:23:16,470 --> 00:23:13,679
and his 27 000 children

607
00:23:21,669 --> 00:23:19,110
one of our favorite topics on this show

608
00:23:23,669 --> 00:23:21,679
is the havana syndrome

609
00:23:25,669 --> 00:23:23,679
you remember this this this syndrome

610
00:23:27,909 --> 00:23:25,679
i'll try to do a brief recap we started

611
00:23:30,630 --> 00:23:27,919
covering this from havana from the very

612
00:23:32,870 --> 00:23:30,640
first uh report of it a lot of people

613
00:23:34,549 --> 00:23:32,880

have and it's gone back and forth

614

00:23:37,110 --> 00:23:34,559

initially this

615

00:23:40,390 --> 00:23:37,120

this uh syndrome

616

00:23:42,470 --> 00:23:40,400

happened in havana cuba a u.s embassy

617

00:23:44,070 --> 00:23:42,480

where workers at this embassy were

618

00:23:46,789 --> 00:23:44,080

experiencing

619

00:23:48,549 --> 00:23:46,799

uh brain image hemorrhaging uh

620

00:23:50,950 --> 00:23:48,559

disorientation

621

00:23:51,830 --> 00:23:50,960

various complications physically

622

00:23:54,070 --> 00:23:51,840

and

623

00:23:56,710 --> 00:23:54,080

initially news reports oh people are

624

00:23:58,630 --> 00:23:56,720

being freaked out by cricket noises and

625

00:24:00,149 --> 00:23:58,640

then it was speculated that it could

626
00:24:03,750 --> 00:24:00,159
have been some sort of directed energy

627
00:24:06,470 --> 00:24:03,760
weapon or some sort of different type of

628
00:24:08,149 --> 00:24:06,480
acoustic weapon that was being focused

629
00:24:10,710 --> 00:24:08,159
on embassy workers

630
00:24:12,950 --> 00:24:10,720
uh to harm them i initially started

631
00:24:15,669 --> 00:24:12,960
there in havana cuba there are reports

632
00:24:18,710 --> 00:24:15,679
that it happened in

633
00:24:20,390 --> 00:24:18,720
china as well or at least near

634
00:24:23,350 --> 00:24:20,400
a chinese embassy

635
00:24:24,630 --> 00:24:23,360
u.s chinese embassy sports vietnam um

636
00:24:26,390 --> 00:24:24,640
and there was another one but it's

637
00:24:29,269 --> 00:24:26,400
always been there was one in europe i

638
00:24:31,190 --> 00:24:29,279

think too but it's always been embassy

639

00:24:33,830 --> 00:24:31,200

or intelligence personnel reporting it

640

00:24:34,950 --> 00:24:33,840

or being affected by it yeah absolutely

641

00:24:37,909 --> 00:24:34,960

uh and

642

00:24:38,950 --> 00:24:37,919

uh then we read a report uh what a few

643

00:24:40,549 --> 00:24:38,960

weeks ago

644

00:24:44,470 --> 00:24:40,559

that

645

00:24:46,789 --> 00:24:44,480

not a directed energy weapon

646

00:24:50,070 --> 00:24:46,799

it is just probably

647

00:24:52,070 --> 00:24:50,080

a normal natural occurrence was ambrose

648

00:24:54,710 --> 00:24:52,080

crickets at one point yeah what they

649

00:24:59,029 --> 00:24:54,720

were saying it was just a normal natural

650

00:25:03,990 --> 00:25:00,950

a directed energy weapon or an acoustic

651
00:25:07,510 --> 00:25:04,000
weapon or any sort of uh malicious

652
00:25:11,350 --> 00:25:07,520
attack by another state and now up on

653
00:25:15,029 --> 00:25:11,360
screen here uh the cbs has yet another

654
00:25:17,350 --> 00:25:15,039
headline that kind of goes back to

655
00:25:19,830 --> 00:25:17,360
a directed energy weapon or some sort of

656
00:25:22,870 --> 00:25:19,840
uh entity that is doing this and this

657
00:25:25,909 --> 00:25:22,880
headline is unexplained injuries similar

658
00:25:28,710 --> 00:25:25,919
to previous havana syndrome cases

659
00:25:32,310 --> 00:25:28,720
afflicted u.s official officials

660
00:25:34,950 --> 00:25:32,320
on white house grounds

661
00:25:37,669 --> 00:25:34,960
so this is at the white house and what

662
00:25:39,029 --> 00:25:37,679
we're going to hear here uh is uh what's

663
00:25:44,390 --> 00:25:39,039

the date on this one

664

00:25:46,230 --> 00:25:44,400

this came out february 17 2022.

665

00:25:47,909 --> 00:25:46,240

and this is uh you're gonna hear john

666

00:25:51,350 --> 00:25:47,919

bolton you know john bolton the

667

00:25:52,470 --> 00:25:51,360

warmonger giant mustache huge mustache

668

00:25:55,430 --> 00:25:52,480

that's where that's where the crickets

669

00:25:56,789 --> 00:25:55,440

are that he keeps the crickets

670

00:25:58,470 --> 00:25:56,799

and we're going to hear him talk about

671

00:26:00,950 --> 00:25:58,480

this and this is what john bolton has to

672

00:26:03,350 --> 00:26:00,960

say former national security adviser

673

00:26:05,510 --> 00:26:03,360

john bolton fears there is a threat to

674

00:26:07,590 --> 00:26:05,520

the highest levels of government

675

00:26:10,390 --> 00:26:07,600

given the two national security

676
00:26:13,669 --> 00:26:10,400
officials who say they were overcome on

677
00:26:16,470 --> 00:26:13,679
west executive avenue by the west wing

678
00:26:19,190 --> 00:26:16,480
inside the white house gates if we were

679
00:26:21,990 --> 00:26:19,200
at war and an adversary could disable

680
00:26:24,310 --> 00:26:22,000
the president and his top advisers or

681
00:26:27,029 --> 00:26:24,320
commanders in the field it could render

682
00:26:29,269 --> 00:26:27,039
us extraordinarily vulnerable we don't

683
00:26:31,669 --> 00:26:29,279
know that that's the threat we're facing

684
00:26:33,830 --> 00:26:31,679
but i would much rather reporting on

685
00:26:35,909 --> 00:26:33,840
finding out the answer now

686
00:26:38,630 --> 00:26:35,919
rather than finding out later when it

687
00:26:40,950 --> 00:26:38,640
may be too late so he's taking it

688
00:26:43,909 --> 00:26:40,960

serious this guy is a warmonger maybe

689

00:26:45,430 --> 00:26:43,919

he's just looking for any reason uh any

690

00:26:47,750 --> 00:26:45,440

event to

691

00:26:49,590 --> 00:26:47,760

push u.s into war

692

00:26:51,269 --> 00:26:49,600

they can scapegoat anybody with this and

693

00:26:53,269 --> 00:26:51,279

i'm they were even at the time

694

00:26:55,909 --> 00:26:53,279

speculation that this was some sort of

695

00:26:58,310 --> 00:26:55,919

russian operation to do it but there's

696

00:27:00,710 --> 00:26:58,320

no evidence that we have seen that would

697

00:27:02,630 --> 00:27:00,720

indicate that is the case definitely but

698

00:27:04,310 --> 00:27:02,640

we know for sure 100 guaranteed it is

699

00:27:05,190 --> 00:27:04,320

not the chinese

700

00:27:07,430 --> 00:27:05,200

uh

701
00:27:09,269 --> 00:27:07,440
probably not because that would be bad

702
00:27:11,750 --> 00:27:09,279
for business yep

703
00:27:13,590 --> 00:27:11,760
because they told us so

704
00:27:15,909 --> 00:27:13,600
and then a little later on during the

705
00:27:19,590 --> 00:27:15,919
same uh cbs segment

706
00:27:22,710 --> 00:27:19,600
they talked to a person at the cia

707
00:27:26,470 --> 00:27:22,720
and get his opinion on this this is the

708
00:27:28,870 --> 00:27:26,480
world's preeminent intelligence agency

709
00:27:31,669 --> 00:27:28,880
why is this so hard to figure out it's a

710
00:27:34,310 --> 00:27:31,679
very complicated issue um you know

711
00:27:35,350 --> 00:27:34,320
dealing with a whole range of incidents

712
00:27:37,430 --> 00:27:35,360
which have

713
00:27:39,669 --> 00:27:37,440

different kinds of explanations for them

714

00:27:42,230 --> 00:27:39,679

as well it's a very charged issue

715

00:27:44,470 --> 00:27:42,240

emotionally as well i understand that

716

00:27:46,870 --> 00:27:44,480

very clearly and that's what makes me

717

00:27:48,710 --> 00:27:46,880

even more determined not only to ensure

718

00:27:50,230 --> 00:27:48,720

people get the care that they deserve

719

00:27:52,310 --> 00:27:50,240

but also that we get to the bottom of

720

00:27:55,110 --> 00:27:52,320

this we just have we got to do better

721

00:27:59,590 --> 00:27:57,430

well they're not saying anything

722

00:28:01,669 --> 00:27:59,600

also this guy this guy made quite the

723

00:28:02,470 --> 00:28:01,679

career change from his early 90s musical

724

00:28:05,830 --> 00:28:02,480

career

725

00:28:09,350 --> 00:28:05,840

uh yeah bolton michael bolton

726

00:28:11,669 --> 00:28:09,360

yeah he sang a lot of those uh

727

00:28:13,190 --> 00:28:11,679

ballots that the women loved and then he

728

00:28:14,789 --> 00:28:13,200

said you know what i'm going to do war

729

00:28:17,909 --> 00:28:14,799

instead you know how with hell with

730

00:28:21,269 --> 00:28:17,919

singing music i want to fight iran

731

00:28:22,389 --> 00:28:21,279

i want to go with the war with iran

732

00:28:24,630 --> 00:28:22,399

i'm going to

733

00:28:26,950 --> 00:28:24,640

give up all my grammys and recording

734

00:28:29,510 --> 00:28:26,960

contracts uh it was vienna austria they

735

00:28:30,470 --> 00:28:29,520

also reported havana syndrome last fall

736

00:28:31,990 --> 00:28:30,480

um

737

00:28:35,350 --> 00:28:32,000

so i brought up all these different

738

00:28:38,310 --> 00:28:35,360

links but it's so i know vietnam uh

739

00:28:41,669 --> 00:28:38,320

austria china and then also obviously

740

00:28:42,830 --> 00:28:41,679

cuba and now washington dc so

741

00:28:45,430 --> 00:28:42,840

these are the ones that are being

742

00:28:49,350 --> 00:28:45,440

reported and i believe this started back

743

00:28:51,190 --> 00:28:49,360

in what 2016 maybe 2015. no no no it was

744

00:28:53,750 --> 00:28:51,200

newer than that it's like 20 it's like

745

00:28:56,950 --> 00:28:53,760

20 uh 19 maybe i think was right before

746

00:29:00,230 --> 00:28:56,960

cove 2019 maybe yes right before covet i

747

00:29:01,669 --> 00:29:00,240

do know it was before kovac uh no i take

748

00:29:05,040 --> 00:29:01,679

it back you were correct havana syndrome

749

00:29:06,630 --> 00:29:05,050

first emerged in cube cuba in 2016. i uh

750

00:29:07,830 --> 00:29:06,640

[Applause]

751
00:29:10,830 --> 00:29:07,840
yeah

752
00:29:13,590 --> 00:29:10,840
yes i'm right again thanks for your

753
00:29:15,750 --> 00:29:13,600
time all right well

754
00:29:17,269 --> 00:29:15,760
uh if they know more

755
00:29:20,389 --> 00:29:17,279
uh they're certainly not telling us this

756
00:29:22,149 --> 00:29:20,399
has been going on for quite a while

757
00:29:23,909 --> 00:29:22,159
and i believe that there's some sort of

758
00:29:27,110 --> 00:29:23,919
secret war going on

759
00:29:29,750 --> 00:29:27,120
and uh i bolton's not even in the

760
00:29:31,350 --> 00:29:29,760
government anymore correct he's just a

761
00:29:33,190 --> 00:29:31,360
privilege not the official government

762
00:29:34,470 --> 00:29:33,200
officially he's not he could he could be

763
00:29:36,710 --> 00:29:34,480

part of

764

00:29:38,070 --> 00:29:36,720

obama's secret government's shadow

765

00:29:40,549 --> 00:29:38,080

government that is kind of operating

766

00:29:43,350 --> 00:29:40,559

behind the scenes

767

00:29:44,310 --> 00:29:43,360

maybe part of like uh hillary clinton's

768

00:29:45,830 --> 00:29:44,320

uh

769

00:29:48,789 --> 00:29:45,840

prospective new

770

00:29:51,029 --> 00:29:48,799

administration that she's going to have

771

00:29:53,110 --> 00:29:51,039

in 2024 who knows

772

00:29:54,789 --> 00:29:53,120

it would be the sort that if if the if

773

00:29:56,389 --> 00:29:54,799

if hillary was president i could see

774

00:29:58,549 --> 00:29:56,399

some you know i could see michael bolton

775

00:30:00,950 --> 00:29:58,559

being part of that administration so yes

776

00:30:02,630 --> 00:30:00,960

definitely absolutely

777

00:30:04,870 --> 00:30:02,640

the guys are hard ass and he can talk

778

00:30:06,149 --> 00:30:04,880

people into doing things and and really

779

00:30:10,389 --> 00:30:06,159

warmonger

780

00:30:13,669 --> 00:30:10,399

if you recall he was on the negotiation

781

00:30:16,310 --> 00:30:13,679

team when trump famously met with um

782

00:30:20,230 --> 00:30:16,320

uh kim jong-un out of uh north korea and

783

00:30:21,750 --> 00:30:20,240

said uh and and it was and

784

00:30:24,789 --> 00:30:21,760

apparently bolton is the one who

785

00:30:26,470 --> 00:30:24,799

single-handedly torpedoed those talks at

786

00:30:29,029 --> 00:30:26,480

the table because he kept pushing

787

00:30:30,470 --> 00:30:29,039

aggressively for for war and for like

788

00:30:32,870 --> 00:30:30,480

really aggressive sanctions and things

789

00:30:33,909 --> 00:30:32,880

on north korea um which was another one

790

00:30:35,510 --> 00:30:33,919

of the mistakes that trump made by

791

00:30:37,190 --> 00:30:35,520

hiring the wrong people and by having

792

00:30:38,230 --> 00:30:37,200

him at the table it screwed up that

793

00:30:40,149 --> 00:30:38,240

whole thing it's the sort of thing where

794

00:30:43,269 --> 00:30:40,159

if you would have had somebody who was

795

00:30:44,870 --> 00:30:43,279

less of a jackass and just trump and uh

796

00:30:45,909 --> 00:30:44,880

um kim jong-un there they would probably

797

00:30:48,470 --> 00:30:45,919

would have

798

00:30:50,870 --> 00:30:48,480

figured that one out back in like 2017

799

00:30:54,710 --> 00:30:50,880

or yeah 2017. yeah trumper's really good

800

00:31:00,149 --> 00:30:57,269

but uh so uh this is cropping up again

801
00:31:03,590 --> 00:31:00,159
so if it's on cbs you know

802
00:31:07,029 --> 00:31:03,600
that there is another agenda there

803
00:31:09,190 --> 00:31:07,039
and uh what is that well i'm going to

804
00:31:10,470 --> 00:31:09,200
speculate here but first here is another

805
00:31:12,950 --> 00:31:10,480
story

806
00:31:14,070 --> 00:31:12,960
and this is this comes from a different

807
00:31:16,149 --> 00:31:14,080
angle

808
00:31:18,230 --> 00:31:16,159
uh this is uh let's see here let me see

809
00:31:19,350 --> 00:31:18,240
if i can bring this up on screen this

810
00:31:21,830 --> 00:31:19,360
comes from

811
00:31:25,029 --> 00:31:21,840
vice.com

812
00:31:27,350 --> 00:31:25,039
and right now uh there are

813
00:31:28,789 --> 00:31:27,360

a lot of stories in mainstream media

814

00:31:31,590 --> 00:31:28,799

about ufos

815

00:31:34,470 --> 00:31:31,600

and crash retrievals

816

00:31:36,870 --> 00:31:34,480

and objects that uh supposedly from ufos

817

00:31:40,149 --> 00:31:36,880

that are being examined by

818

00:31:42,389 --> 00:31:40,159

muckety mucks high muckety mucks at uh

819

00:31:45,029 --> 00:31:42,399

very reputable universities such

820

00:31:46,710 --> 00:31:45,039

such as uh stanford university

821

00:31:48,789 --> 00:31:46,720

now in this

822

00:31:51,269 --> 00:31:48,799

interview you can look this up this is a

823

00:31:54,070 --> 00:31:51,279

headline stanford professor gary nolan

824

00:31:55,830 --> 00:31:54,080

is analyzing anomalous materials from

825

00:31:59,190 --> 00:31:55,840

ufo crashes

826
00:32:01,830 --> 00:31:59,200
now within this interview

827
00:32:02,870 --> 00:32:01,840
uh it is stated here's here's the

828
00:32:04,630 --> 00:32:02,880
question

829
00:32:05,909 --> 00:32:04,640
and i will read it

830
00:32:07,990 --> 00:32:05,919
question did

831
00:32:10,230 --> 00:32:08,000
the people who claimed that they

832
00:32:13,669 --> 00:32:10,240
encountered especially the pilots

833
00:32:17,590 --> 00:32:13,679
describe any perceivable

834
00:32:19,669 --> 00:32:17,600
decrease in neurological capacity answer

835
00:32:20,710 --> 00:32:19,679
of the hundred or so patients that we've

836
00:32:22,789 --> 00:32:20,720
looked at

837
00:32:23,830 --> 00:32:22,799
about a quarter of them died from their

838
00:32:26,070 --> 00:32:23,840

injuries

839

00:32:27,430 --> 00:32:26,080

majority of these patients had

840

00:32:29,909 --> 00:32:27,440

symptomology

841

00:32:32,470 --> 00:32:29,919

that's basically identical to what's now

842

00:32:34,789 --> 00:32:32,480

called havana syndrome

843

00:32:36,070 --> 00:32:34,799

we think amongst this bucket list of

844

00:32:37,750 --> 00:32:36,080

cases

845

00:32:38,870 --> 00:32:37,760

we had the first havana syndrome

846

00:32:40,710 --> 00:32:38,880

patients

847

00:32:43,350 --> 00:32:40,720

once this turned into a national

848

00:32:46,310 --> 00:32:43,360

security problem with havana syndrome i

849

00:32:49,190 --> 00:32:46,320

was locked out of all the access to its

850

00:32:51,590 --> 00:32:49,200

files because it's now seriously because

851
00:32:53,750 --> 00:32:51,600
of this now serious potential

852
00:32:55,990 --> 00:32:53,760
international incident

853
00:32:57,750 --> 00:32:56,000
if they're if they ever figure out who's

854
00:32:59,990 --> 00:32:57,760
doing it

855
00:33:01,269 --> 00:33:00,000
so this guy was looking in

856
00:33:02,710 --> 00:33:01,279
to

857
00:33:05,430 --> 00:33:02,720
the relationship between people

858
00:33:07,110 --> 00:33:05,440
interacting with ufos

859
00:33:09,029 --> 00:33:07,120
or ufo debris

860
00:33:11,750 --> 00:33:09,039
a quarter of the people who did interact

861
00:33:12,950 --> 00:33:11,760
with these ufo debris or encounter ufos

862
00:33:14,630 --> 00:33:12,960
experienced

863
00:33:16,549 --> 00:33:14,640

havana syndrome

864

00:33:18,230 --> 00:33:16,559

like symptoms

865

00:33:21,110 --> 00:33:18,240

he went looking and digging for more

866

00:33:23,269 --> 00:33:21,120

information he was locked out

867

00:33:24,549 --> 00:33:23,279

because now it's a national security

868

00:33:26,149 --> 00:33:24,559

issue

869

00:33:29,029 --> 00:33:26,159

because there are

870

00:33:30,149 --> 00:33:29,039

possible international

871

00:33:31,669 --> 00:33:30,159

uh

872

00:33:34,389 --> 00:33:31,679

international security issues and it's

873

00:33:35,830 --> 00:33:34,399

an international incident at this point

874

00:33:38,230 --> 00:33:35,840

so

875

00:33:41,190 --> 00:33:38,240

if you look into a various ufo

876

00:33:43,990 --> 00:33:41,200

encounters a lot of times people who get

877

00:33:47,269 --> 00:33:44,000

too close to ufo will experience

878

00:33:51,190 --> 00:33:47,279

a variety of symptoms neurological

879

00:33:52,549 --> 00:33:51,200

radiation type of sickness

880

00:33:54,710 --> 00:33:52,559

is often

881

00:33:57,590 --> 00:33:54,720

described as a

882

00:34:00,310 --> 00:33:57,600

result of encountering ufos uh memory

883

00:34:02,470 --> 00:34:00,320

loss uh and so this guy is saying yeah

884

00:34:04,389 --> 00:34:02,480

there is some relation here and he's now

885

00:34:05,430 --> 00:34:04,399

been locked out

886

00:34:08,470 --> 00:34:05,440

so

887

00:34:10,310 --> 00:34:08,480

is this havana syndrome part of a secret

888

00:34:12,470 --> 00:34:10,320

war that is being weighed that started

889

00:34:15,030 --> 00:34:12,480

back in 2016

890

00:34:18,710 --> 00:34:15,040

2016 before the pandemic

891

00:34:21,349 --> 00:34:18,720

by some entity that is off world for

892

00:34:23,109 --> 00:34:21,359

whatever reason and now the united

893

00:34:24,950 --> 00:34:23,119

states security apparatus is really

894

00:34:27,510 --> 00:34:24,960

taking notice

895

00:34:30,149 --> 00:34:27,520

and they can't attribute the the havana

896

00:34:32,710 --> 00:34:30,159

syndrome to china or russia or anyone

897

00:34:34,950 --> 00:34:32,720

like that and so they're looking outward

898

00:34:37,190 --> 00:34:34,960

and they're looking for something

899

00:34:39,030 --> 00:34:37,200

looking for someone here on earth that

900

00:34:39,990 --> 00:34:39,040

is doing it

901
00:34:42,069 --> 00:34:40,000
um

902
00:34:43,669 --> 00:34:42,079
i i that's the only conclusion that i

903
00:34:46,310 --> 00:34:43,679
can come to come to at this point in

904
00:34:48,869 --> 00:34:46,320
time or not less china or russia

905
00:34:50,230 --> 00:34:48,879
or some breakaway group within our

906
00:34:53,829 --> 00:34:50,240
government

907
00:34:55,430 --> 00:34:53,839
is using this technology havana syndrome

908
00:34:58,390 --> 00:34:55,440
tech ufo tech

909
00:35:00,069 --> 00:34:58,400
to cause injury to our own

910
00:35:01,670 --> 00:35:00,079
government workers

911
00:35:03,670 --> 00:35:01,680
maybe

912
00:35:04,950 --> 00:35:03,680
but i think that at this point they're

913
00:35:06,950 --> 00:35:04,960

doing they're trying to do an

914

00:35:09,910 --> 00:35:06,960

investigation to find

915

00:35:11,589 --> 00:35:09,920

someone to find at fault for havana

916

00:35:12,790 --> 00:35:11,599

syndrome

917

00:35:16,550 --> 00:35:12,800

what do you think about that cratchit

918

00:35:17,990 --> 00:35:16,560

that the the this researcher gary noland

919

00:35:19,190 --> 00:35:18,000

is locked out

920

00:35:22,310 --> 00:35:19,200

of

921

00:35:23,910 --> 00:35:22,320

even asking for files related to havana

922

00:35:26,230 --> 00:35:23,920

syndrome now

923

00:35:27,349 --> 00:35:26,240

well i'm i'm not sure yeah

924

00:35:28,950 --> 00:35:27,359

i guess it depends on which way you

925

00:35:30,630 --> 00:35:28,960

approach this if he's looking for

926

00:35:33,190 --> 00:35:30,640

connections between potential

927

00:35:37,030 --> 00:35:33,200

extraterrestrial vehicles and and um

928

00:35:38,630 --> 00:35:37,040

extraterrestrial um uh

929

00:35:40,710 --> 00:35:38,640

proximity

930

00:35:42,550 --> 00:35:40,720

kind of effects of pilots and things and

931

00:35:43,910 --> 00:35:42,560

havana syndrome i'm not sure

932

00:35:45,190 --> 00:35:43,920

i'm not sure i buy that as much as

933

00:35:48,069 --> 00:35:45,200

they're both dealing with high probably

934

00:35:49,750 --> 00:35:48,079

high frequency transmissions uh

935

00:35:52,310 --> 00:35:49,760

but him digging into havana is probably

936

00:35:54,550 --> 00:35:52,320

gonna get locked out only because um

937

00:35:56,550 --> 00:35:54,560

uh it clearly isn't it's not crickets

938

00:35:58,150 --> 00:35:56,560

it's not um

939

00:35:59,670 --> 00:35:58,160

uh well we know it's not china but it's

940

00:36:02,550 --> 00:35:59,680

china um

941

00:36:05,430 --> 00:36:02,560

it's it's not some sort of uh uh uh

942

00:36:07,349 --> 00:36:05,440

unknown ailment or illness it's it's

943

00:36:08,790 --> 00:36:07,359

high frequency microwave transmissions

944

00:36:10,790 --> 00:36:08,800

being used to spy on people through

945

00:36:13,589 --> 00:36:10,800

walls and things and that's even though

946

00:36:15,510 --> 00:36:13,599

low frequency would be better but um

947

00:36:17,589 --> 00:36:15,520

so my guess is what we're seeing the the

948

00:36:19,030 --> 00:36:17,599

parallel between the two is not a

949

00:36:21,430 --> 00:36:19,040

correlation is causation sort of thing

950

00:36:22,710 --> 00:36:21,440

as much as it's just similar physical

951
00:36:23,910 --> 00:36:22,720
effects if you get hit with high

952
00:36:26,069 --> 00:36:23,920
frequency microwave you're going to have

953
00:36:28,790 --> 00:36:26,079
those similar disorientation

954
00:36:31,109 --> 00:36:28,800
nausea illness sickness the same thing

955
00:36:32,950 --> 00:36:31,119
that everybody uh reports

956
00:36:34,390 --> 00:36:32,960
it's you know similar like when you use

957
00:36:36,950 --> 00:36:34,400
your microwave in the studio with no

958
00:36:38,230 --> 00:36:36,960
door on it's not a good idea so i think

959
00:36:41,270 --> 00:36:38,240
he's digging

960
00:36:42,310 --> 00:36:41,280
not necessarily for the right reason

961
00:36:44,630 --> 00:36:42,320
he's not going to find connections

962
00:36:47,109 --> 00:36:44,640
between ufos and

963
00:36:49,349 --> 00:36:47,119

what we term as havana syndrome in the

964

00:36:51,109 --> 00:36:49,359

last five years because that one is

965

00:36:52,950 --> 00:36:51,119

clearly microwave transmissions being

966

00:36:54,630 --> 00:36:52,960

used to spy on people what what else

967

00:36:56,310 --> 00:36:54,640

would it be that's the logical thing and

968

00:36:57,190 --> 00:36:56,320

the fact that nobody will talk about

969

00:36:59,270 --> 00:36:57,200

that

970

00:37:01,349 --> 00:36:59,280

at all is even a possibility

971

00:37:04,069 --> 00:37:01,359

is even more in for more evidence for

972

00:37:05,430 --> 00:37:04,079

why that's what it is so

973

00:37:08,150 --> 00:37:05,440

except except i will say the one in

974

00:37:08,870 --> 00:37:08,160

vietnam where it was um

975

00:37:12,950 --> 00:37:08,880

uh

976
00:37:14,630 --> 00:37:12,960
they all got havana syndrome and then

977
00:37:15,750 --> 00:37:14,640
suddenly got better six hours later

978
00:37:17,030 --> 00:37:15,760
because they were all hung over from

979
00:37:19,109 --> 00:37:17,040
partying the night before remember they

980
00:37:21,910 --> 00:37:19,119
famously missed or had to delay a flight

981
00:37:24,390 --> 00:37:21,920
and had to like reschedule a bunch of um

982
00:37:26,310 --> 00:37:24,400
uh diplomatic uh appointments in other

983
00:37:28,310 --> 00:37:26,320
countries because they were late leaving

984
00:37:29,670 --> 00:37:28,320
uh vietnam famously because of havana

985
00:37:32,470 --> 00:37:29,680
syndrome because they're all just hung

986
00:37:35,190 --> 00:37:32,480
over so come on man

987
00:37:39,190 --> 00:37:35,200
and so my my last article in the

988
00:37:41,270 --> 00:37:39,200

sequence of mike's secret ufo war that

989

00:37:43,030 --> 00:37:41,280

our government is waging and trying to

990

00:37:45,030 --> 00:37:43,040

find out who's doing what

991

00:37:49,109 --> 00:37:45,040

is this article

992

00:37:54,870 --> 00:37:52,230

and this is titled

993

00:37:58,069 --> 00:37:54,880

the cdc says ten percent of covet swabs

994

00:38:00,550 --> 00:37:58,079

sent to genome labs raising questions

995

00:38:02,069 --> 00:38:00,560

about privacy

996

00:38:04,950 --> 00:38:02,079

now

997

00:38:07,910 --> 00:38:04,960

just for research man come on

998

00:38:11,109 --> 00:38:07,920

and so uh this is uh

999

00:38:13,589 --> 00:38:11,119

oh oh interesting

1000

00:38:15,270 --> 00:38:13,599

i i got i got the locked out of this

1001

00:38:16,950 --> 00:38:15,280

what the hell is going on hi is this

1002

00:38:18,390 --> 00:38:16,960

from the cdc uh

1003

00:38:20,550 --> 00:38:18,400

interesting but

1004

00:38:23,190 --> 00:38:20,560

i tried to bring this up on screen and

1005

00:38:25,510 --> 00:38:23,200

it didn't let me do it okay

1006

00:38:27,670 --> 00:38:25,520

uh cdc says ten percent of kova swabs

1007

00:38:30,310 --> 00:38:27,680

sent to genome labs raising questions

1008

00:38:32,230 --> 00:38:30,320

about privacy the center of disease the

1009

00:38:34,150 --> 00:38:32,240

center of disease control and prevention

1010

00:38:37,750 --> 00:38:34,160

process

1011

00:38:40,230 --> 00:38:37,760

says that it has taken a coven 19 pcr

1012

00:38:43,589 --> 00:38:40,240

test your swab if you've taken a covert

1013

00:38:45,589 --> 00:38:43,599

pcr test your swab may have been sent to

1014

00:38:49,030 --> 00:38:45,599

scientists around the world for genome

1015

00:38:51,910 --> 00:38:49,040

sequencing analysis in a tweet the cdc

1016

00:38:53,990 --> 00:38:51,920

says five to ten percent of code pcr

1017

00:38:56,390 --> 00:38:54,000

tests are sent to laboratories for

1018

00:38:57,990 --> 00:38:56,400

mapping genomic sequences genomic

1019

00:39:02,710 --> 00:38:58,000

sequences

1020

00:39:05,109 --> 00:39:02,720

to analyze the genetic makeup

1021

00:39:08,390 --> 00:39:05,119

of viruses however the announcement made

1022

00:39:10,069 --> 00:39:08,400

by the cdc has given rise to human dna

1023

00:39:12,230 --> 00:39:10,079

privacy questions of course we none of

1024

00:39:14,230 --> 00:39:12,240

us agreed to this

1025

00:39:16,069 --> 00:39:14,240

i'm sure a good majority of americans at

1026

00:39:17,990 --> 00:39:16,079

this point have taken

1027

00:39:20,390 --> 00:39:18,000

a covey test because we were all guilty

1028

00:39:22,470 --> 00:39:20,400

into it and a lot of us didn't want to

1029

00:39:25,349 --> 00:39:22,480

spread covet to family members or we had

1030

00:39:27,510 --> 00:39:25,359

to do it for jobs and and so now

1031

00:39:28,710 --> 00:39:27,520

according to this there's a 10 percent

1032

00:39:32,710 --> 00:39:28,720

chance

1033

00:39:35,030 --> 00:39:32,720

your dna is now being sequenced by some

1034

00:39:37,430 --> 00:39:35,040

lab somewhere

1035

00:39:40,230 --> 00:39:37,440

and i saw this

1036

00:39:42,069 --> 00:39:40,240

probably out there um

1037

00:39:44,710 --> 00:39:42,079

and so like for whatever reason this is

1038

00:39:46,790 --> 00:39:44,720

the way my mind works

1039

00:39:49,270 --> 00:39:46,800

and i'm probably completely off here but

1040

00:39:51,750 --> 00:39:49,280

i in a theory

1041

00:39:55,670 --> 00:39:51,760

um that i just invented

1042

00:39:57,430 --> 00:39:55,680

is what what if they're doing this

1043

00:40:00,470 --> 00:39:57,440

because they're looking

1044

00:40:02,069 --> 00:40:00,480

for particular dna

1045

00:40:05,190 --> 00:40:02,079

they're looking for a particular

1046

00:40:06,790 --> 00:40:05,200

signature in the population

1047

00:40:10,630 --> 00:40:06,800

that they want

1048

00:40:13,190 --> 00:40:10,640

it's not necessarily to sequence our dna

1049

00:40:15,750 --> 00:40:13,200

to make more drugs or or

1050

00:40:17,589 --> 00:40:15,760

or drugs that can fight viruses better

1051
00:40:20,390 --> 00:40:17,599
but they're looking for

1052
00:40:22,470 --> 00:40:20,400
a segment of our population that has

1053
00:40:25,430 --> 00:40:22,480
special dna whether it's like an alien

1054
00:40:26,870 --> 00:40:25,440
dna or something like that that just

1055
00:40:29,829 --> 00:40:26,880
doesn't fit

1056
00:40:31,190 --> 00:40:29,839
and so it's almost like a giant dragnet

1057
00:40:33,109 --> 00:40:31,200
operation

1058
00:40:35,670 --> 00:40:33,119
like the event syndrome started back in

1059
00:40:36,790 --> 00:40:35,680
2016 2017 they didn't really know what

1060
00:40:40,790 --> 00:40:36,800
was going on

1061
00:40:43,829 --> 00:40:40,800
uh they realized oh the technology used

1062
00:40:46,950 --> 00:40:43,839
in havana syndrome is very similar to

1063
00:40:49,190 --> 00:40:46,960

uh ufo kind of signatures when it comes

1064

00:40:52,069 --> 00:40:49,200

to craft retrieval or people who

1065

00:40:54,790 --> 00:40:52,079

encounter ufos this is some sort of off

1066

00:40:57,829 --> 00:40:54,800

world bs that's going on here we need a

1067

00:41:00,150 --> 00:40:57,839

dragnet operation to figure out

1068

00:41:02,630 --> 00:41:00,160

who on this planet actually belong he

1069

00:41:03,990 --> 00:41:02,640

belongs here and who doesn't

1070

00:41:05,510 --> 00:41:04,000

and so

1071

00:41:07,829 --> 00:41:05,520

i'm not saying the whole covert thing

1072

00:41:10,710 --> 00:41:07,839

was just a dragnet operation i'm saying

1073

00:41:14,309 --> 00:41:10,720

they have used it as

1074

00:41:16,710 --> 00:41:14,319

an event as a reason to do a mass dna

1075

00:41:19,829 --> 00:41:16,720

dragnet operation to figure out who

1076
00:41:22,550 --> 00:41:19,839
should be here and who shouldn't be here

1077
00:41:23,910 --> 00:41:22,560
i'll agree with half your theory okay uh

1078
00:41:26,309 --> 00:41:23,920
the half i'm going to agree with is the

1079
00:41:28,470 --> 00:41:26,319
drag net for looking for for dna it's

1080
00:41:30,550 --> 00:41:28,480
not going to be for detecting off-world

1081
00:41:32,710 --> 00:41:30,560
uh or hybrid creatures or anything like

1082
00:41:34,870 --> 00:41:32,720
that i think it'll be used to develop

1083
00:41:36,790 --> 00:41:34,880
better bio weapons in the future which

1084
00:41:38,390 --> 00:41:36,800
they are explicitly forbidden from doing

1085
00:41:40,630 --> 00:41:38,400
but do anyway just by funding some

1086
00:41:42,870 --> 00:41:40,640
third-party agency through china so now

1087
00:41:45,990 --> 00:41:42,880
they can say hey here was our test for

1088
00:41:48,150 --> 00:41:46,000

kovid here's how we responded here's 10

1089

00:41:51,190 --> 00:41:48,160

of every person we tested so there's a

1090

00:41:53,750 --> 00:41:51,200

massive data uh um database of

1091

00:41:55,990 --> 00:41:53,760

information on how it affected different

1092

00:41:57,510 --> 00:41:56,000

types of people and how the virus

1093

00:41:59,349 --> 00:41:57,520

mutated for each one so please use that

1094

00:42:00,470 --> 00:41:59,359

developing covet 24 or whatever they're

1095

00:42:03,829 --> 00:42:00,480

coming up with

1096

00:42:05,270 --> 00:42:03,839

listen i i agree you i mean everything

1097

00:42:08,150 --> 00:42:05,280

on this world

1098

00:42:10,390 --> 00:42:08,160

pretty much revolves around money to to

1099

00:42:11,829 --> 00:42:10,400

a certain degree in china and that they

1100

00:42:13,589 --> 00:42:11,839

want

1101

00:42:15,829 --> 00:42:13,599

on the face of it the probably the

1102

00:42:17,670 --> 00:42:15,839

simplest answer here is that they want

1103

00:42:18,630 --> 00:42:17,680

our dna to sell it back to us in some

1104

00:42:20,630 --> 00:42:18,640

way

1105

00:42:23,510 --> 00:42:20,640

they want to sell us back uh

1106

00:42:26,230 --> 00:42:23,520

better drugs that are genetically

1107

00:42:28,470 --> 00:42:26,240

geared towards our genome and it's like

1108

00:42:30,630 --> 00:42:28,480

hey mike you're a tall

1109

00:42:33,270 --> 00:42:30,640

a tall goofy white guy here's a pill for

1110

00:42:35,670 --> 00:42:33,280

you because it works on tall goofy white

1111

00:42:37,670 --> 00:42:35,680

guys is it gone buy that give me the

1112

00:42:40,069 --> 00:42:37,680

tall goofy white guy pill i need that

1113

00:42:42,470 --> 00:42:40,079

it's a racist pill but

1114

00:42:45,510 --> 00:42:42,480

for whatever reason my intuition led me

1115

00:42:47,670 --> 00:42:45,520

to an alien dragnet operation

1116

00:42:49,030 --> 00:42:47,680

uh and

1117

00:42:52,470 --> 00:42:49,040

that

1118

00:42:54,710 --> 00:42:52,480

people who follow the ufo phenomenon uh

1119

00:42:57,109 --> 00:42:54,720

there is the r

1120

00:42:59,829 --> 00:42:57,119

rx blood type that

1121

00:43:03,510 --> 00:42:59,839

seems to fit with people who

1122

00:43:05,430 --> 00:43:03,520

get abducted and are more likely to get

1123

00:43:09,270 --> 00:43:05,440

abducted

1124

00:43:11,349 --> 00:43:09,280

so there's a specific blood type that

1125

00:43:14,230 --> 00:43:11,359

if you have it you're more likely to

1126
00:43:15,750 --> 00:43:14,240
have alien or ufo encounters than if you

1127
00:43:17,910 --> 00:43:15,760
don't and if you're looking for that

1128
00:43:19,910 --> 00:43:17,920
type of blood type then hey they might

1129
00:43:21,910 --> 00:43:19,920
find it through this cova testing a

1130
00:43:25,030 --> 00:43:21,920
little bit more readily and then they

1131
00:43:26,390 --> 00:43:25,040
could monitor so um i don't know like

1132
00:43:27,990 --> 00:43:26,400
what information

1133
00:43:30,230 --> 00:43:28,000
is sent so when you when you did your

1134
00:43:33,030 --> 00:43:30,240
covet swab

1135
00:43:35,190 --> 00:43:33,040
you put it in what that like a little

1136
00:43:36,150 --> 00:43:35,200
beaker that little capsule you give it

1137
00:43:38,230 --> 00:43:36,160
back to

1138
00:43:39,670 --> 00:43:38,240

the person who gave it to you

1139

00:43:41,109 --> 00:43:39,680

i don't know if it has your name on it

1140

00:43:42,630 --> 00:43:41,119

like i don't know what kind of other

1141

00:43:45,430 --> 00:43:42,640

information it has

1142

00:43:46,309 --> 00:43:45,440

that is sent along to the processing

1143

00:43:48,710 --> 00:43:46,319

center

1144

00:43:49,589 --> 00:43:48,720

beyond your contact information to let

1145

00:43:51,349 --> 00:43:49,599

you know

1146

00:43:53,670 --> 00:43:51,359

if you had coveted or not i'm sure they

1147

00:43:55,510 --> 00:43:53,680

had a lot more yeah famously i remember

1148

00:43:56,630 --> 00:43:55,520

when i was filling out information for

1149

00:43:59,270 --> 00:43:56,640

one of these tests they were asking

1150

00:44:01,349 --> 00:43:59,280

things like sexual orientation

1151
00:44:04,230 --> 00:44:01,359
and you know the nice thing about the in

1152
00:44:07,190 --> 00:44:04,240
modern this was in 2020 i guess

1153
00:44:08,950 --> 00:44:07,200
modern times it's not just you know

1154
00:44:10,710 --> 00:44:08,960
heterosexual homosexual but also that

1155
00:44:11,910 --> 00:44:10,720
other and i put in other and i said none

1156
00:44:14,710 --> 00:44:11,920
of your [h__h] business what does this

1157
00:44:16,230 --> 00:44:14,720
have to do with you testing me for covid

1158
00:44:17,829 --> 00:44:16,240
um of course this was the same state

1159
00:44:20,150 --> 00:44:17,839
agency who then sent me a letter about a

1160
00:44:21,670 --> 00:44:20,160
year later went yeah um all the

1161
00:44:24,150 --> 00:44:21,680
information our database yeah that all

1162
00:44:26,470 --> 00:44:24,160
got hacked and we lost all that so

1163
00:44:28,470 --> 00:44:26,480

so it raises questions as to

1164

00:44:30,470 --> 00:44:28,480

yeah what exact information did they

1165

00:44:31,990 --> 00:44:30,480

collect it wasn't just you know

1166

00:44:33,670 --> 00:44:32,000

name and whatnot but even then why would

1167

00:44:35,670 --> 00:44:33,680

they even need that so

1168

00:44:37,109 --> 00:44:35,680

um there was a lot of

1169

00:44:39,030 --> 00:44:37,119

sketchy

1170

00:44:40,309 --> 00:44:39,040

information gathering going on and i

1171

00:44:41,190 --> 00:44:40,319

think under the

1172

00:44:42,790 --> 00:44:41,200

the

1173

00:44:43,910 --> 00:44:42,800

general thought that well states are all

1174

00:44:45,750 --> 00:44:43,920

just trying to figure this out as fast

1175

00:44:47,030 --> 00:44:45,760

as they can but there was a lot of

1176

00:44:48,550 --> 00:44:47,040

questions as to why are you gathering

1177

00:44:50,069 --> 00:44:48,560

this sort of information what does this

1178

00:44:52,630 --> 00:44:50,079

have to do with testing somebody for

1179

00:44:55,349 --> 00:44:52,640

covid so where did that information go

1180

00:44:57,190 --> 00:44:55,359

can they get your blood type from

1181

00:44:58,390 --> 00:44:57,200

genomic sequencing

1182

00:44:59,670 --> 00:44:58,400

uh i

1183

00:45:01,030 --> 00:44:59,680

not smart enough to answer that and i

1184

00:45:03,190 --> 00:45:01,040

don't know if they can even if they can

1185

00:45:05,589 --> 00:45:03,200

i don't know if they can get that from

1186

00:45:07,190 --> 00:45:05,599

um uh from a nasal swab which is what

1187

00:45:09,030 --> 00:45:07,200

they're talking about here yeah so i

1188

00:45:10,950 --> 00:45:09,040

mean that's a question i have because

1189

00:45:13,990 --> 00:45:10,960

the the blood type that

1190

00:45:16,309 --> 00:45:14,000

i was referring to is rh negative and so

1191

00:45:19,430 --> 00:45:16,319

hypothetically like in my in my goofy

1192

00:45:22,309 --> 00:45:19,440

theory uh that they get all these swabs

1193

00:45:25,670 --> 00:45:22,319

and they detect like a hundred people in

1194

00:45:28,630 --> 00:45:25,680

new york city have rh negative blood

1195

00:45:31,670 --> 00:45:28,640

great we know that uh

1196

00:45:34,710 --> 00:45:31,680

that population of rh negative or are

1197

00:45:37,670 --> 00:45:34,720

more likely to encounter ufos and be

1198

00:45:40,870 --> 00:45:37,680

abducted so we're going to add more

1199

00:45:43,910 --> 00:45:40,880

monitoring around that specific area to

1200

00:45:45,030 --> 00:45:43,920

monitor for ufos this is like xcom ufo

1201
00:45:46,630 --> 00:45:45,040
defense

1202
00:45:48,230 --> 00:45:46,640
kind of

1203
00:45:50,470 --> 00:45:48,240
thinking that you you got to get

1204
00:45:53,670 --> 00:45:50,480
involved with or hey there's only two

1205
00:45:54,790 --> 00:45:53,680
people in oklahoma with rh negative

1206
00:45:58,069 --> 00:45:54,800
blood so

1207
00:45:59,589 --> 00:45:58,079
uh pretty easy uh to narrow that down

1208
00:46:00,950 --> 00:45:59,599
just to spat some men and black out

1209
00:46:02,870 --> 00:46:00,960
there keep an eye on them and then when

1210
00:46:04,150 --> 00:46:02,880
a ufo comes we shoot that thing down and

1211
00:46:05,510 --> 00:46:04,160
we know one of them is bigfoot because

1212
00:46:08,550 --> 00:46:05,520
we keep having stories about bigfoot in

1213
00:46:10,309 --> 00:46:08,560

oklahoma yes absolutely two million

1214

00:46:11,910 --> 00:46:10,319

bucks right there so here's i'm digging

1215

00:46:14,630 --> 00:46:11,920

i'm digging to find out can they

1216

00:46:15,910 --> 00:46:14,640

determine blood type from a nasal swab

1217

00:46:17,910 --> 00:46:15,920

and as i'm finding stories there's

1218

00:46:20,470 --> 00:46:17,920

references here to stories this was uh

1219

00:46:23,430 --> 00:46:20,480

early 2021 so after studying the blood

1220

00:46:25,589 --> 00:46:23,440

types of nearly 108 000 patients tested

1221

00:46:26,790 --> 00:46:25,599

for covet 19 what they're saying here is

1222

00:46:29,190 --> 00:46:26,800

blood type doesn't affect covet

1223

00:46:30,150 --> 00:46:29,200

susceptibility but my question is where

1224

00:46:31,750 --> 00:46:30,160

are they getting the blood type

1225

00:46:33,670 --> 00:46:31,760

information from are people giving that

1226

00:46:34,870 --> 00:46:33,680

up on a form are they just asking for

1227

00:46:36,230 --> 00:46:34,880

that another i don't recall if they

1228

00:46:38,069 --> 00:46:36,240

asked me for that and if they didn't ask

1229

00:46:39,190 --> 00:46:38,079

me i did not fill it out if they did

1230

00:46:40,870 --> 00:46:39,200

course i'm the same person when the

1231

00:46:42,390 --> 00:46:40,880

contact tracer is called i was actually

1232

00:46:43,910 --> 00:46:42,400

over a thousand miles away in a major

1233

00:46:46,150 --> 00:46:43,920

airport but

1234

00:46:47,589 --> 00:46:46,160

it can bite my crank um

1235

00:46:49,510 --> 00:46:47,599

so i'm not sure are they getting the

1236

00:46:51,109 --> 00:46:49,520

blood type from the testing or they just

1237

00:46:52,470 --> 00:46:51,119

asking for it on the forum and people

1238

00:46:54,309 --> 00:46:52,480

just will fill out and whatever you want

1239

00:46:56,550 --> 00:46:54,319

on a form

1240

00:46:58,870 --> 00:46:56,560

yeah maybe but i don't recall ever

1241

00:47:00,710 --> 00:46:58,880

putting down my blood type and off the

1242

00:47:02,230 --> 00:47:00,720

top of my head i don't even know my own

1243

00:47:05,109 --> 00:47:02,240

blood type i don't know what it's

1244

00:47:07,190 --> 00:47:05,119

negative all the time yes rh negative um

1245

00:47:08,710 --> 00:47:07,200

predisposed to being abducted by aliens

1246

00:47:10,309 --> 00:47:08,720

you should know this

1247

00:47:11,670 --> 00:47:10,319

cvs should know this put that under

1248

00:47:13,109 --> 00:47:11,680

other like um

1249

00:47:14,230 --> 00:47:13,119

uh what they call it like family history

1250

00:47:16,630 --> 00:47:14,240

of diseases other you're like

1251
00:47:19,510 --> 00:47:16,640
predisposed to being contacted by ufos

1252
00:47:21,430 --> 00:47:19,520
yeah he runs in the family

1253
00:47:23,589 --> 00:47:21,440
uh so that's that's kind of my theory

1254
00:47:25,030 --> 00:47:23,599
that we're in some sort of uh alien

1255
00:47:26,470 --> 00:47:25,040
secret war

1256
00:47:28,549 --> 00:47:26,480
parts of the government knows about it

1257
00:47:31,589 --> 00:47:28,559
john bolton is using it as an excuse to

1258
00:47:33,750 --> 00:47:31,599
go to war with iran and or russia but

1259
00:47:34,870 --> 00:47:33,760
they're pretty much the same or whoever

1260
00:47:35,990 --> 00:47:34,880
whoever i don't think i don't think he's

1261
00:47:37,670 --> 00:47:36,000
particular he'll start a war with

1262
00:47:39,589 --> 00:47:37,680
whoever he'll start a war with uh with

1263
00:47:41,670 --> 00:47:39,599

michigan yeah yeah he doesn't really

1264

00:47:43,190 --> 00:47:41,680

care the dude just wants to blow stuff

1265

00:47:45,190 --> 00:47:43,200

up yep he's like man if we could just

1266

00:47:47,030 --> 00:47:45,200

blow those people up yeah

1267

00:47:49,910 --> 00:47:47,040

great um

1268

00:47:52,870 --> 00:47:49,920

so that that's what i got people and i'm

1269

00:47:56,150 --> 00:47:52,880

probably gonna reach out to generation

1270

00:47:58,549 --> 00:47:56,160

zed about this i contacted him uh he was

1271

00:48:00,950 --> 00:47:58,559

on our show he used to been on higher

1272

00:48:03,190 --> 00:48:00,960

side chats he goes deep into this kind

1273

00:48:05,990 --> 00:48:03,200

of stuff and so i want to pick his brain

1274

00:48:09,109 --> 00:48:06,000

about the alien dragnet operation that's

1275

00:48:11,030 --> 00:48:09,119

going on because a lot of the ufo stuff

1276

00:48:13,510 --> 00:48:11,040

that i've

1277

00:48:16,230 --> 00:48:13,520

presented on the show a lot of it is x

1278

00:48:19,430 --> 00:48:16,240

military x pentagon xcia

1279

00:48:20,630 --> 00:48:19,440

and they're all positioning the ufo as

1280

00:48:23,750 --> 00:48:20,640

unknown

1281

00:48:25,109 --> 00:48:23,760

and maybe we should consider it a threat

1282

00:48:27,109 --> 00:48:25,119

that that's a

1283

00:48:28,069 --> 00:48:27,119

that's what i'm getting at getting out

1284

00:48:30,950 --> 00:48:28,079

of it

1285

00:48:33,430 --> 00:48:30,960

and so this would kind of fit into

1286

00:48:35,589 --> 00:48:33,440

an alien threat scenario and that's how

1287

00:48:36,950 --> 00:48:35,599

they're viewing it and we're just all

1288

00:48:38,630 --> 00:48:36,960

kind of caught up in it we don't really

1289

00:48:39,910 --> 00:48:38,640

know what's going on

1290

00:48:41,829 --> 00:48:39,920

and

1291

00:48:44,390 --> 00:48:41,839

a lot of people

1292

00:48:45,190 --> 00:48:44,400

in the conspiracy community

1293

00:48:46,710 --> 00:48:45,200

uh

1294

00:48:50,230 --> 00:48:46,720

they have a feeling with with this whole

1295

00:48:52,950 --> 00:48:50,240

kobu situation it doesn't seem

1296

00:48:55,990 --> 00:48:52,960

like it's organic like it feels like

1297

00:48:57,030 --> 00:48:56,000

it's some sort of alien agenda rolling

1298

00:49:08,549 --> 00:48:57,040

in

1299

00:49:10,870 --> 00:49:08,559

that uh this whole totalitarian world

1300

00:49:13,510 --> 00:49:10,880

dictatorship that we're all

1301
00:49:15,510 --> 00:49:13,520
moving under thanks to the world

1302
00:49:17,910 --> 00:49:15,520
economic uh forum

1303
00:49:20,710 --> 00:49:17,920
uh it it does feel very alien it feels

1304
00:49:22,710 --> 00:49:20,720
like a borg takeover from

1305
00:49:24,150 --> 00:49:22,720
from star trek like we're all going to

1306
00:49:26,150 --> 00:49:24,160
be forced to

1307
00:49:27,589 --> 00:49:26,160
to do all these kind of things that we

1308
00:49:31,190 --> 00:49:27,599
don't want to do like have

1309
00:49:33,750 --> 00:49:31,200
every purchase we we make tracked a

1310
00:49:36,710 --> 00:49:33,760
digital currency a credit rating system

1311
00:49:38,790 --> 00:49:36,720
like we will all have to become borg

1312
00:49:40,230 --> 00:49:38,800
like to be part of this hive like

1313
00:49:43,430 --> 00:49:40,240

civilization

1314

00:49:45,670 --> 00:49:43,440

for us to even exist and that runs

1315

00:49:46,790 --> 00:49:45,680

counter to

1316

00:49:47,510 --> 00:49:46,800

free will

1317

00:49:48,950 --> 00:49:47,520

and

1318

00:49:52,069 --> 00:49:48,960

our own

1319

00:49:53,589 --> 00:49:52,079

personalities and in in how we want to

1320

00:49:56,069 --> 00:49:53,599

live as humans like we're going to be

1321

00:49:59,829 --> 00:49:56,079

living in this damn hive you will become

1322

00:50:01,030 --> 00:49:59,839

one with the borg so it feels very alien

1323

00:50:02,950 --> 00:50:01,040

and it feels like they're on some sort

1324

00:50:04,710 --> 00:50:02,960

of timeline

1325

00:50:05,670 --> 00:50:04,720

it feels like there's a timeline going

1326
00:50:13,829 --> 00:50:05,680
on

1327
00:50:15,750 --> 00:50:13,839
cratchit us humans

1328
00:50:19,829 --> 00:50:15,760
really try to

1329
00:50:22,069 --> 00:50:19,839
address problems at the very last moment

1330
00:50:25,589 --> 00:50:22,079
uh and and if it doesn't cost much money

1331
00:50:27,190 --> 00:50:25,599
or time yes we're very lazy we wait till

1332
00:50:29,670 --> 00:50:27,200
the last moment

1333
00:50:30,630 --> 00:50:29,680
and then we we do our best to solve the

1334
00:50:33,510 --> 00:50:30,640
problem

1335
00:50:35,829 --> 00:50:33,520
for this whole covet thing it seems well

1336
00:50:38,150 --> 00:50:35,839
well too thought out well too

1337
00:50:40,710 --> 00:50:38,160
pre-planned for it to be a human

1338
00:50:42,870 --> 00:50:40,720

operation

1339

00:50:45,030 --> 00:50:42,880

i don't know you will be obsolete in the

1340

00:50:47,430 --> 00:50:45,040

new order it's not a human operation

1341

00:50:49,589 --> 00:50:47,440

it's a chinese operation

1342

00:50:51,349 --> 00:50:49,599

yeah well um

1343

00:50:54,150 --> 00:50:51,359

the i mean it could be a chinese

1344

00:50:55,270 --> 00:50:54,160

operation those uh

1345

00:50:57,190 --> 00:50:55,280

uh

1346

00:50:59,030 --> 00:50:57,200

those chinese people they they love to

1347

00:51:01,190 --> 00:50:59,040

think they are very well

1348

00:51:04,230 --> 00:51:01,200

they're very good at planning things out

1349

00:51:05,829 --> 00:51:04,240

at long-term planning

1350

00:51:08,069 --> 00:51:05,839

uh so i've been digging to try to

1351
00:51:09,990 --> 00:51:08,079
determine the correlation or any sort of

1352
00:51:11,589 --> 00:51:10,000
connection between nasal swabs and blood

1353
00:51:13,030 --> 00:51:11,599
type i've not found that the biggest

1354
00:51:14,309 --> 00:51:13,040
thing i can find is that when people do

1355
00:51:17,030 --> 00:51:14,319
test positive

1356
00:51:19,349 --> 00:51:17,040
oftentimes confirmation testing as part

1357
00:51:20,790 --> 00:51:19,359
of that they do draw blood

1358
00:51:23,589 --> 00:51:20,800
so

1359
00:51:25,910 --> 00:51:23,599
all right it's a step removed but um i

1360
00:51:27,750 --> 00:51:25,920
did find this this creepy image here of

1361
00:51:30,630 --> 00:51:27,760
a thing labeled coronavirus test and

1362
00:51:32,150 --> 00:51:30,640
it's clearly a blood draw so

1363
00:51:33,829 --> 00:51:32,160

it's just

1364

00:51:34,950 --> 00:51:33,839

i'm sure this is just stock photos and

1365

00:51:36,870 --> 00:51:34,960

things but still

1366

00:51:39,990 --> 00:51:36,880

it does raise those questions as to if

1367

00:51:41,750 --> 00:51:40,000

they're if 10 of all the uh information

1368

00:51:45,349 --> 00:51:41,760

was being sent off to

1369

00:51:46,790 --> 00:51:45,359

unnamed lab 123 for genomic sequencing

1370

00:51:48,309 --> 00:51:46,800

you know what what all information is in

1371

00:51:50,549 --> 00:51:48,319

there

1372

00:51:52,150 --> 00:51:50,559

well yeah it it this could be just a

1373

00:51:53,190 --> 00:51:52,160

chinese operation that has been long

1374

00:51:55,910 --> 00:51:53,200

planned

1375

00:51:57,750 --> 00:51:55,920

and they want all of our dna just for

1376

00:52:00,309 --> 00:51:57,760

fun just to send us

1377

00:52:01,349 --> 00:52:00,319

unique and specific birthday gifts but

1378

00:52:03,270 --> 00:52:01,359

before

1379

00:52:06,230 --> 00:52:03,280

we get to

1380

00:52:15,190 --> 00:52:06,240

human sex talk we need to get to

1381

00:52:15,200 --> 00:52:17,510

yes

1382

00:52:20,309 --> 00:52:18,630

so you're saying it's time for more

1383

00:52:21,990 --> 00:52:20,319

alien sex

1384

00:52:24,470 --> 00:52:22,000

uh

1385

00:52:25,990 --> 00:52:24,480

yes like i said i've been i've been

1386

00:52:27,430 --> 00:52:26,000

collecting a few different stories

1387

00:52:28,230 --> 00:52:27,440

between

1388

00:52:29,430 --> 00:52:28,240

uh

1389

00:52:33,349 --> 00:52:29,440

i don't know

1390

00:52:34,549 --> 00:52:33,359

january now about aliens and human

1391

00:52:36,390 --> 00:52:34,559

abductions

1392

00:52:38,230 --> 00:52:36,400

and sexual encounters

1393

00:52:39,670 --> 00:52:38,240

last week we talked about a south

1394

00:52:42,150 --> 00:52:39,680

american gentleman

1395

00:52:45,030 --> 00:52:42,160

who was abducted and then taken aboard a

1396

00:52:47,750 --> 00:52:45,040

craft and was forced

1397

00:52:49,430 --> 00:52:47,760

to have sex with what he thought was a

1398

00:52:52,230 --> 00:52:49,440

female alien that's with his

1399

00:52:54,309 --> 00:52:52,240

interpretation of the experience

1400

00:52:56,950 --> 00:52:54,319

but he was only able to become aroused

1401

00:52:59,270 --> 00:52:56,960

when they put this jelly all over his

1402

00:53:02,630 --> 00:52:59,280

body that must have had some sort of

1403

00:53:05,670 --> 00:53:02,640

stimulation effect on his uh his groin

1404

00:53:09,430 --> 00:53:05,680

his penis his core his crotchel region

1405

00:53:11,349 --> 00:53:09,440

yes their penis is out and uh

1406

00:53:13,430 --> 00:53:11,359

and this was the guy who had tear away

1407

00:53:15,030 --> 00:53:13,440

pants right he like as soon as the ship

1408

00:53:16,710 --> 00:53:15,040

as soon as he saw the ship his his pants

1409

00:53:17,990 --> 00:53:16,720

were off and he was running towards him

1410

00:53:19,109 --> 00:53:18,000

uh pretty much well they dragged him

1411

00:53:21,030 --> 00:53:19,119

into the ship he tried to get away on

1412

00:53:22,950 --> 00:53:21,040

his john deere tractor but they said no

1413

00:53:24,309 --> 00:53:22,960

you're not getting away that fast and

1414

00:53:26,790 --> 00:53:24,319

they dragged him off that thing and took

1415

00:53:28,870 --> 00:53:26,800

him in and had the ray with them uh this

1416

00:53:31,349 --> 00:53:28,880

story that i have for everyone tonight

1417

00:53:32,150 --> 00:53:31,359

is about a chinese man

1418

00:53:33,990 --> 00:53:32,160

who

1419

00:53:35,829 --> 00:53:34,000

claims to have had sex

1420

00:53:38,549 --> 00:53:35,839

with an alien

1421

00:53:41,349 --> 00:53:38,559

so this guy's name is meng

1422

00:53:44,710 --> 00:53:41,359

uh he worked at a logging camp

1423

00:53:48,069 --> 00:53:44,720

and so this is on the the northeastern

1424

00:53:50,950 --> 00:53:48,079

tip of china bordering russia

1425

00:53:53,510 --> 00:53:50,960

and it was in june of 1994

1426

00:53:55,190 --> 00:53:53,520

uh it was june 1994

1427

00:53:57,829 --> 00:53:55,200

so it's not that long ago

1428

00:54:00,950 --> 00:53:57,839

when he spotted lights and metallic

1429

00:54:02,549 --> 00:54:00,960

flashings from nearby mount phoenix

1430

00:54:05,670 --> 00:54:02,559

assuming it was like some sort of downed

1431

00:54:07,750 --> 00:54:05,680

helicopter he went to go investigate

1432

00:54:11,270 --> 00:54:07,760

when he went to go investigate

1433

00:54:13,670 --> 00:54:11,280

he was hit by a force or some sort of

1434

00:54:17,990 --> 00:54:13,680

entity square right in his forehead

1435

00:54:21,589 --> 00:54:18,000

knocking him out instantly

1436

00:54:23,829 --> 00:54:21,599

so when mang came to

1437

00:54:27,430 --> 00:54:23,839

he was with a 10

1438

00:54:30,309 --> 00:54:27,440

humanoid female alien

1439

00:54:32,870 --> 00:54:30,319

she had six fingers on each hand

1440

00:54:35,190 --> 00:54:32,880

and fur covered legs but otherwise she

1441

00:54:37,349 --> 00:54:35,200

looked completely like a human so i

1442

00:54:40,069 --> 00:54:37,359

guess she's like wookie wookie from the

1443

00:54:42,549 --> 00:54:40,079

waist down and then up she's humanoid

1444

00:54:45,109 --> 00:54:42,559

six fingers yeah

1445

00:54:47,750 --> 00:54:45,119

um so man any

1446

00:54:49,670 --> 00:54:47,760

in the alien were then transported back

1447

00:54:51,030 --> 00:54:49,680

to his home

1448

00:54:54,549 --> 00:54:51,040

where

1449

00:54:55,750 --> 00:54:54,559

he and her engaged in a 40-minute sexual

1450

00:55:00,069 --> 00:54:55,760

encounter

1451
00:55:02,789 --> 00:55:00,079
while hovering above his sleeping wife

1452
00:55:05,670 --> 00:55:02,799
and daughter

1453
00:55:08,390 --> 00:55:05,680
did you catch that wait wait wait how

1454
00:55:10,870 --> 00:55:08,400
how like in the same room hovering above

1455
00:55:13,349 --> 00:55:10,880
so he was knocked out he came too he

1456
00:55:15,829 --> 00:55:13,359
said oh i'm standing next to a 10 foot

1457
00:55:17,910 --> 00:55:15,839
tall half wookie half humanoid and then

1458
00:55:21,910 --> 00:55:17,920
in a blink of an eye

1459
00:55:25,349 --> 00:55:21,920
they were teleported hovering above his

1460
00:55:27,910 --> 00:55:25,359
wife and daughter

1461
00:55:30,230 --> 00:55:27,920
like boom also i do want to clarify so

1462
00:55:32,870 --> 00:55:30,240
the the alien as described ten feet tall

1463
00:55:36,549 --> 00:55:32,880

six fingers and would you say

1464

00:55:38,230 --> 00:55:36,559

hairy legs hairy legs very very like

1465

00:55:41,430 --> 00:55:38,240

unseasonably

1466

00:55:43,430 --> 00:55:41,440

hairy legs got hairy legs

1467

00:55:45,030 --> 00:55:43,440

did they also turn blonde in the sun no

1468

00:55:47,190 --> 00:55:45,040

we don't know not yet and we're not that

1469

00:55:48,549 --> 00:55:47,200

far in the story did she try having

1470

00:55:50,470 --> 00:55:48,559

inner city kids

1471

00:55:52,150 --> 00:55:50,480

rub their hands down her legs to see if

1472

00:55:53,430 --> 00:55:52,160

she could they could smooth out the the

1473

00:55:56,069 --> 00:55:53,440

hair

1474

00:55:57,510 --> 00:55:56,079

listen we're just diverted too much okay

1475

00:55:59,589 --> 00:55:57,520

let's stay focused here a little bit we

1476

00:56:02,789 --> 00:55:59,599

got a laser-like focus for this podcast

1477

00:56:07,750 --> 00:56:04,630

uh so he said

1478

00:56:10,630 --> 00:56:07,760

after the sexual encounter mang

1479

00:56:13,990 --> 00:56:10,640

was left with a mysterious scar on his

1480

00:56:16,549 --> 00:56:14,000

thigh when investigated by doctors in

1481

00:56:19,829 --> 00:56:16,559

september of 2003 the scar

1482

00:56:20,789 --> 00:56:19,839

was deemed to be unusual but not caused

1483

00:56:25,829 --> 00:56:20,799

by

1484

00:56:27,589 --> 00:56:25,839

normal injury or surgery so

1485

00:56:29,030 --> 00:56:27,599

uh i guess he went to a chinese doctor

1486

00:56:30,710 --> 00:56:29,040

and said hey

1487

00:56:32,390 --> 00:56:30,720

it looks unusual

1488

00:56:35,190 --> 00:56:32,400

it doesn't look normal or anything like

1489

00:56:39,510 --> 00:56:35,200

that so there's maybe something there

1490

00:56:41,750 --> 00:56:39,520

but uh so after so this is meng after

1491

00:56:44,870 --> 00:56:41,760

a month after his encounter man claims

1492

00:56:48,950 --> 00:56:44,880

to have ascended through a wall to visit

1493

00:56:52,230 --> 00:56:48,960

the alien on their spaceship on board he

1494

00:56:53,720 --> 00:56:52,240

requested to see his alien lover again

1495

00:56:56,870 --> 00:56:53,730

but was denied

1496

00:56:59,030 --> 00:56:56,880

[Laughter]

1497

00:57:00,950 --> 00:56:59,040

he shut down for the booty call yeah

1498

00:57:02,630 --> 00:57:00,960

he's like hey i had a good time can i uh

1499

00:57:05,030 --> 00:57:02,640

see her again no

1500

00:57:07,349 --> 00:57:05,040

he was he was ready for sex

1501
00:57:10,390 --> 00:57:07,359
but with that with with that he was able

1502
00:57:12,309 --> 00:57:10,400
to levitate like through the walls

1503
00:57:14,390 --> 00:57:12,319
through through his ceiling so the

1504
00:57:16,630 --> 00:57:14,400
aliens brought him there for some reason

1505
00:57:18,549 --> 00:57:16,640
and if not for sex then what maybe we'll

1506
00:57:20,789 --> 00:57:18,559
find out taxes

1507
00:57:23,030 --> 00:57:20,799
uh i doubt they're gonna teleport a

1508
00:57:26,950 --> 00:57:23,040
chinese man through several walls just

1509
00:57:28,549 --> 00:57:26,960
to do taxes i mean taxes do suck but i

1510
00:57:30,069 --> 00:57:28,559
don't know teleportation suck i don't

1511
00:57:31,670 --> 00:57:30,079
know

1512
00:57:34,710 --> 00:57:31,680
so he requested

1513
00:57:37,829 --> 00:57:34,720

to uh see his alien lever again it was

1514

00:57:42,069 --> 00:57:37,839

denied uh mang was told by his alien

1515

00:57:45,750 --> 00:57:42,079

host that his human alien hybrid son

1516

00:57:47,430 --> 00:57:45,760

would be born on a far away planet in 60

1517

00:57:48,630 --> 00:57:47,440

years

1518

00:57:49,750 --> 00:57:48,640

so i'm

1519

00:57:52,870 --> 00:57:49,760

specific

1520

00:57:56,069 --> 00:57:52,880

probably dead he would never get a

1521

00:57:58,710 --> 00:57:56,079

chance to see his alien offspring

1522

00:58:00,470 --> 00:57:58,720

um so it's probably disconcerting but

1523

00:58:03,190 --> 00:58:00,480

this is like some kind of

1524

00:58:05,030 --> 00:58:03,200

weird thing where previously i've read

1525

00:58:07,910 --> 00:58:05,040

stories and we've talked about them

1526

00:58:09,990 --> 00:58:07,920

where a man who has been accosted by

1527

00:58:12,549 --> 00:58:10,000

various aliens over and over again can

1528

00:58:14,789 --> 00:58:12,559

produce multiple offspring

1529

00:58:17,270 --> 00:58:14,799

and a lot of them are just infants like

1530

00:58:19,990 --> 00:58:17,280

he gave birth to 50 infants at once or

1531

00:58:21,750 --> 00:58:20,000

fathered 50 infants at once and just

1532

00:58:24,230 --> 00:58:21,760

like nature intended it seems like

1533

00:58:27,670 --> 00:58:24,240

there's some sort of different time

1534

00:58:30,230 --> 00:58:27,680

uh perception or some time dilation some

1535

00:58:33,030 --> 00:58:30,240

sort of time portal that uh functions

1536

00:58:34,549 --> 00:58:33,040

differently with different alien races

1537

00:58:36,390 --> 00:58:34,559

so um

1538

00:58:38,870 --> 00:58:36,400

meng says that the extraterrestrial

1539

00:58:41,510 --> 00:58:38,880

being spoke chinese to him

1540

00:58:44,069 --> 00:58:41,520

but with a heavy accent so it's hard for

1541

00:58:46,230 --> 00:58:44,079

him to understand exactly what they were

1542

00:58:47,990 --> 00:58:46,240

saying but he did understand that they

1543

00:58:50,230 --> 00:58:48,000

were refugees

1544

00:58:52,309 --> 00:58:50,240

and he said that they wanted to escape

1545

00:58:53,190 --> 00:58:52,319

their former lives

1546

00:58:55,910 --> 00:58:53,200

and

1547

00:58:56,950 --> 00:58:55,920

because their home their home planet was

1548

00:58:59,829 --> 00:58:56,960

dying

1549

00:59:03,829 --> 00:58:59,839

but so why would they have their

1550

00:59:05,270 --> 00:59:03,839

new alien hybrid son be

1551
00:59:06,549 --> 00:59:05,280
on a far away planet maybe it was a

1552
00:59:08,630 --> 00:59:06,559
different planet not necessarily their

1553
00:59:11,030 --> 00:59:08,640
home planet uh it wasn't really

1554
00:59:11,990 --> 00:59:11,040
specified here

1555
00:59:14,230 --> 00:59:12,000
so

1556
00:59:16,630 --> 00:59:14,240
it goes on to say maine claims to have

1557
00:59:19,430 --> 00:59:16,640
never heard of ufos or outer space

1558
00:59:21,589 --> 00:59:19,440
people until he reported his experience

1559
00:59:23,670 --> 00:59:21,599
uh quote i told my wife about it

1560
00:59:26,870 --> 00:59:23,680
afterwards did he get into all that

1561
00:59:29,030 --> 00:59:26,880
detail did he say honey i met

1562
00:59:31,589 --> 00:59:29,040
a half wookiee and we were levitated

1563
00:59:34,870 --> 00:59:31,599

over our bed and i had sex with her

1564

00:59:36,789 --> 00:59:34,880

while you and our daughter slept i don't

1565

00:59:39,270 --> 00:59:36,799

know if you probably didn't i suspect he

1566

00:59:41,910 --> 00:59:39,280

did a little bit of uh selective editing

1567

00:59:44,470 --> 00:59:41,920

yeah he's like i didn't want to do it

1568

00:59:46,390 --> 00:59:44,480

i was i was drunk i don't remember

1569

00:59:48,470 --> 00:59:46,400

anything she meant nothing to me did he

1570

00:59:50,630 --> 00:59:48,480

finish that's that'd be the thing i

1571

00:59:52,710 --> 00:59:50,640

think he did finish because he has an

1572

00:59:55,750 --> 00:59:52,720

alien hybrid son that's going to be born

1573

00:59:58,710 --> 00:59:55,760

in 60 years okay okay yeah yeah

1574

01:00:00,950 --> 00:59:58,720

it's just an intergalactic booty call

1575

01:00:02,710 --> 01:00:00,960

uh yeah but it was only one way when he

1576

01:00:06,309 --> 01:00:02,720

tried to go back for seconds he said

1577

01:00:11,829 --> 01:00:09,430

um so uh like he's like i said uh he

1578

01:00:14,870 --> 01:00:11,839

claims that never have seen or heard

1579

01:00:17,430 --> 01:00:14,880

about ufos before he said i told my wife

1580

01:00:18,789 --> 01:00:17,440

all about it afterwards uh she wasn't

1581

01:00:20,870 --> 01:00:18,799

too angry

1582

01:00:23,349 --> 01:00:20,880

you know that's what he said she wasn't

1583

01:00:25,030 --> 01:00:23,359

too angry kind of angry

1584

01:00:26,950 --> 01:00:25,040

but not too angry

1585

01:00:30,950 --> 01:00:26,960

in addition to

1586

01:00:33,589 --> 01:00:30,960

a medical exam he received in 2003 he

1587

01:00:35,750 --> 01:00:33,599

also was subjected to a polygraph test

1588

01:00:37,349 --> 01:00:35,760

and which it proved at least according

1589

01:00:39,109 --> 01:00:37,359

to the polygraph test that he was

1590

01:00:41,589 --> 01:00:39,119

telling the truth so

1591

01:00:43,030 --> 01:00:41,599

as he remembers the experience he was

1592

01:00:45,910 --> 01:00:43,040

telling the truth

1593

01:00:47,670 --> 01:00:45,920

as a result of his abduction mang

1594

01:00:50,230 --> 01:00:47,680

received numerous gifts including the

1595

01:00:55,589 --> 01:00:50,240

sony television a cow

1596

01:00:57,349 --> 01:00:55,599

and a new job at a nearby university

1597

01:01:00,789 --> 01:00:57,359

as what designated

1598

01:01:03,750 --> 01:01:00,799

uh cosmic booty called guy

1599

01:01:05,829 --> 01:01:03,760

i guess yeah i guess also why a tv

1600

01:01:07,910 --> 01:01:05,839

that's a cool story mike here's a tv

1601
01:01:09,829 --> 01:01:07,920
that's weird i mean you get abducted by

1602
01:01:11,510 --> 01:01:09,839
aliens you have sex you tell about your

1603
01:01:14,870 --> 01:01:11,520
experience and you get gifted stuff

1604
01:01:17,430 --> 01:01:16,470
the question is did the sony tv because

1605
01:01:19,910 --> 01:01:17,440
they're already specific he didn't just

1606
01:01:22,789 --> 01:01:19,920
get atv he got a sony tv yeah it wasn't

1607
01:01:25,510 --> 01:01:22,799
some sort of proprietary chinese tv

1608
01:01:27,750 --> 01:01:25,520
because sony is uh south korean right oh

1609
01:01:30,710 --> 01:01:27,760
sony's japanese man oh really okay oh

1610
01:01:32,789 --> 01:01:30,720
samsung samsung south korea yes um

1611
01:01:35,109 --> 01:01:32,799
samsonite um

1612
01:01:37,349 --> 01:01:35,119
the question is did sony themselves gift

1613
01:01:39,030 --> 01:01:37,359

that to him was somebody at sony so

1614

01:01:40,309 --> 01:01:39,040

taken with this story they said this

1615

01:01:41,829 --> 01:01:40,319

this is fascinating i'm gonna give this

1616

01:01:43,670 --> 01:01:41,839

guy a television

1617

01:01:44,710 --> 01:01:43,680

possibly or did one of his friends did

1618

01:01:45,750 --> 01:01:44,720

he like a bunch of friends get together

1619

01:01:47,430 --> 01:01:45,760

and like hey we're gonna have a barbecue

1620

01:01:49,349 --> 01:01:47,440

for me so we can tell the story the guy

1621

01:01:50,950 --> 01:01:49,359

was like i need the gift so he went and

1622

01:01:52,549 --> 01:01:50,960

broke into a store and stole a

1623

01:01:54,309 --> 01:01:52,559

television

1624

01:01:55,589 --> 01:01:54,319

any of these things are plausible at

1625

01:01:57,990 --> 01:01:55,599

this point it could have been gifted to

1626

01:01:59,510 --> 01:01:58,000

him by his former alien lover

1627

01:02:02,230 --> 01:01:59,520

uh

1628

01:02:03,750 --> 01:02:02,240

as like a parting gift

1629

01:02:06,309 --> 01:02:03,760

like i'm sorry we'll never have

1630

01:02:08,470 --> 01:02:06,319

relations again please take this tv it's

1631

01:02:10,150 --> 01:02:08,480

a 46-inch sony television it's pretty

1632

01:02:13,510 --> 01:02:10,160

much used and we can't find the remote

1633

01:02:15,670 --> 01:02:13,520

but it's it's crt you know it's not flat

1634

01:02:16,870 --> 01:02:15,680

screen it's just like 2003 so you're

1635

01:02:18,630 --> 01:02:16,880

right they didn't specify so probably

1636

01:02:20,470 --> 01:02:18,640

was a crt so yeah i want to get rid of

1637

01:02:22,789 --> 01:02:20,480

this thing give it to ming that alien

1638

01:02:25,029 --> 01:02:22,799

dude that's weird

1639

01:02:27,589 --> 01:02:25,039

so that's all i got on

1640

01:02:29,029 --> 01:02:27,599

alien sex stories for

1641

01:02:31,670 --> 01:02:29,039

this week

1642

01:02:35,029 --> 01:02:31,680

was uh ming the chinese guy that got

1643

01:02:37,109 --> 01:02:35,039

abducted by aliens uh uh um

1644

01:02:39,510 --> 01:02:37,119

you know there's a lot of russian

1645

01:02:42,710 --> 01:02:39,520

stories that deal with ufos and alien

1646

01:02:45,589 --> 01:02:42,720

encounters a lot of chinese stories i i

1647

01:02:48,630 --> 01:02:45,599

i've read some chinese stories about

1648

01:02:49,990 --> 01:02:48,640

bigfoot encounters um i'm sure there's a

1649

01:02:52,069 --> 01:02:50,000

book been written out there about it and

1650

01:02:54,150 --> 01:02:52,079

i'll have to dig in a little bit more

1651
01:02:56,309 --> 01:02:54,160
because i mean we discover pretty much

1652
01:02:58,390 --> 01:02:56,319
the united states and european

1653
01:03:00,630 --> 01:02:58,400
perspective on ufos and i touch on like

1654
01:03:02,870 --> 01:03:00,640
a lot of south american and uh central

1655
01:03:03,990 --> 01:03:02,880
american stories as well when it comes

1656
01:03:06,150 --> 01:03:04,000
to china

1657
01:03:08,950 --> 01:03:06,160
i don't know um

1658
01:03:10,230 --> 01:03:08,960
maybe they're not as open about it

1659
01:03:12,789 --> 01:03:10,240
or maybe i'm just looking in the wrong

1660
01:03:15,430 --> 01:03:12,799
places for these stories

1661
01:03:17,029 --> 01:03:15,440
uh you probably want to go to china

1662
01:03:19,109 --> 01:03:17,039
well yeah and i'm sure the books that

1663
01:03:21,990 --> 01:03:19,119

are written maybe there's some

1664

01:03:23,670 --> 01:03:22,000

some sort of cultural shame around it or

1665

01:03:25,349 --> 01:03:23,680

they attribute this phenomenon to

1666

01:03:27,349 --> 01:03:25,359

something totally different not ufo

1667

01:03:29,109 --> 01:03:27,359

related or alien related

1668

01:03:31,029 --> 01:03:29,119

and so

1669

01:03:33,270 --> 01:03:31,039

i i don't know i'll try to dig into it a

1670

01:03:34,789 --> 01:03:33,280

little bit more and uh see what i find

1671

01:03:36,390 --> 01:03:34,799

you need to you need to change your

1672

01:03:39,349 --> 01:03:36,400

search from

1673

01:03:41,589 --> 01:03:39,359

chinese ufo encounters to whatever to

1674

01:03:42,870 --> 01:03:41,599

chinese cosmic booty call

1675

01:03:45,750 --> 01:03:42,880

uh

1676

01:03:48,789 --> 01:03:45,760

well the book i'm reading is

1677

01:03:51,510 --> 01:03:48,799

it's named something like that it's uh

1678

01:03:53,270 --> 01:03:51,520

i'll give her if anybody wants to

1679

01:03:55,430 --> 01:03:53,280

check out this book i'll give you the

1680

01:03:57,349 --> 01:03:55,440

name of this book that is basically

1681

01:04:00,069 --> 01:03:57,359

about

1682

01:04:02,710 --> 01:04:00,079

sexual encounters of the paranormal kind

1683

01:04:07,510 --> 01:04:02,720

and it is called screwed by the aliens

1684

01:04:10,950 --> 01:04:09,109

that's what it's called screwed by the

1685

01:04:13,190 --> 01:04:10,960

aliens

1686

01:04:14,549 --> 01:04:13,200

i'm looking for the crossover of

1687

01:04:16,549 --> 01:04:14,559

paranormal

1688

01:04:19,349 --> 01:04:16,559

poltergeist ghost

1689

01:04:21,589 --> 01:04:19,359

sex and alien sex like that you need

1690

01:04:24,390 --> 01:04:21,599

that that big story with all that action

1691

01:04:28,069 --> 01:04:24,400

uh i think that's a that's a porn market

1692

01:04:29,510 --> 01:04:28,079

you get yeah ghosts and aliens and and

1693

01:04:31,750 --> 01:04:29,520

sasquatch

1694

01:04:33,510 --> 01:04:31,760

shows up yeah yeah it's like they're

1695

01:04:36,710 --> 01:04:33,520

doing three-way gang bangs and

1696

01:04:39,430 --> 01:04:36,720

everything let's do it

1697

01:04:41,430 --> 01:04:39,440

i i sweaty matted hair everywhere the

1698

01:04:44,309 --> 01:04:41,440

book does go into some of that stuff

1699

01:04:46,390 --> 01:04:44,319

it's just not about alien sex it does go

1700

01:04:48,870 --> 01:04:46,400

back into some like folklore with like

1701

01:04:51,109 --> 01:04:48,880

uh fairies abducting people and having

1702

01:04:53,990 --> 01:04:51,119

their way with them uh and there is some

1703

01:04:55,990 --> 01:04:54,000

demon sex in the book as well uh demon

1704

01:04:58,309 --> 01:04:56,000

sex yeah all right there's some pretty

1705

01:04:59,829 --> 01:04:58,319

horrific stuff and you know it's tough

1706

01:05:02,870 --> 01:04:59,839

to distinguish when you're having some

1707

01:05:04,549 --> 01:05:02,880

sort of wild paranormal sexual encounter

1708

01:05:06,470 --> 01:05:04,559

how do you distinguish really between a

1709

01:05:08,710 --> 01:05:06,480

demon and

1710

01:05:10,789 --> 01:05:08,720

bleep bloop from five light years over

1711

01:05:13,829 --> 01:05:10,799

it's all foreign to you at that point

1712

01:05:15,589 --> 01:05:13,839

it's all craziness and so who knows a

1713

01:05:17,510 --> 01:05:15,599

lot of these aliens are just probably

1714

01:05:19,990 --> 01:05:17,520

preying upon our subconscious to build

1715

01:05:23,430 --> 01:05:20,000

their our reality for them to take our

1716

01:05:26,309 --> 01:05:23,440

life seed our precious life seed yeah to

1717

01:05:29,109 --> 01:05:26,319

make kids get born in 60 years so

1718

01:05:32,069 --> 01:05:29,119

what if you had to have sex with one

1719

01:05:33,510 --> 01:05:32,079

paranormal thing cryptid ghost

1720

01:05:36,470 --> 01:05:33,520

alien

1721

01:05:38,309 --> 01:05:36,480

where where do you go first devil uh if

1722

01:05:42,309 --> 01:05:38,319

i had to leprechaun i'd [h__\h] a

1723

01:05:45,270 --> 01:05:43,750

just for the challenge of it

1724

01:05:48,230 --> 01:05:45,280

[Music]

1725

01:05:50,309 --> 01:05:48,240

it's like [h__\h] them chickens yeah how

1726

01:05:52,150 --> 01:05:50,319

do you even make that work i don't know

1727

01:05:53,589 --> 01:05:52,160

but uh leprechaun that certainly is one

1728

01:05:55,589 --> 01:05:53,599

for the books right that's that's the

1729

01:05:56,630 --> 01:05:55,599

story you have to tell at the bar

1730

01:05:58,230 --> 01:05:56,640

yeah

1731

01:06:02,789 --> 01:05:58,240

after he gives me his pot of gold i'm

1732

01:06:07,670 --> 01:06:05,349

uh i would have to go uh i didn't eat

1733

01:06:10,069 --> 01:06:07,680

leprechauns didn't even enter my mind i

1734

01:06:12,230 --> 01:06:10,079

would go with an uh with aliens at that

1735

01:06:13,990 --> 01:06:12,240

point it seems like it's over with and

1736

01:06:15,829 --> 01:06:14,000

they help black out your memories so you

1737

01:06:19,430 --> 01:06:15,839

don't have to deal with like

1738

01:06:21,349 --> 01:06:19,440

the for the most part psychological

1739

01:06:23,270 --> 01:06:21,359

trauma associated yeah but these recent

1740

01:06:24,789 --> 01:06:23,280

stories we've had of of alien sex have

1741

01:06:27,589 --> 01:06:24,799

all been

1742

01:06:29,829 --> 01:06:27,599

almost human in in appearance and and

1743

01:06:32,710 --> 01:06:29,839

form so what about what about the the

1744

01:06:34,789 --> 01:06:32,720

giant uh you know uh grasshopper aliens

1745

01:06:37,829 --> 01:06:34,799

that got that guy fired from his pet

1746

01:06:40,390 --> 01:06:37,839

food uh job in england the mantis people

1747

01:06:42,710 --> 01:06:40,400

yeah the mantis ones yeah well if one of

1748

01:06:45,670 --> 01:06:42,720

those guys kidnaps you and says mike

1749

01:06:48,789 --> 01:06:45,680

get those pants off i i could not i

1750

01:06:51,750 --> 01:06:48,799

don't think i would want to deal with

1751

01:06:53,190 --> 01:06:51,760

sexual relations with a mantis person it

1752

01:06:55,190 --> 01:06:53,200

doesn't seem like i don't even know how

1753

01:06:57,349 --> 01:06:55,200

that would work i don't think it that's

1754

01:06:58,390 --> 01:06:57,359

what i'm saying

1755

01:07:01,510 --> 01:06:58,400

yeah i don't i don't think that would

1756

01:07:03,430 --> 01:07:01,520

work very well for for anybody involved

1757

01:07:05,190 --> 01:07:03,440

uh i would have to decline i'd politely

1758

01:07:06,630 --> 01:07:05,200

decline and excuse myself from the

1759

01:07:08,390 --> 01:07:06,640

situation

1760

01:07:10,150 --> 01:07:08,400

it's only would work how would you

1761

01:07:13,430 --> 01:07:10,160

excuse yourself if you're like pulled

1762

01:07:14,870 --> 01:07:13,440

aboard a crazy mantis ufo i don't know

1763

01:07:16,630 --> 01:07:14,880

it was a praying mantis man that's the

1764

01:07:18,230 --> 01:07:16,640

only way i could describe it

1765

01:07:19,190 --> 01:07:18,240

i mean do you make do you make a run for

1766

01:07:20,150 --> 01:07:19,200

it

1767

01:07:22,069 --> 01:07:20,160

uh

1768

01:07:23,829 --> 01:07:22,079

you run as fast as you can and you you

1769

01:07:24,710 --> 01:07:23,839

pray that they just won't they'll just

1770

01:07:26,150 --> 01:07:24,720

give up

1771

01:07:27,589 --> 01:07:26,160

and not follow you into the woods or

1772

01:07:29,589 --> 01:07:27,599

wherever else you're going probably back

1773

01:07:32,950 --> 01:07:29,599

to your job selling dog food yes like go

1774

01:07:34,710 --> 01:07:32,960

back to go back to work yeah

1775

01:07:36,870 --> 01:07:34,720

don't want to have sex with the aliens

1776

01:07:38,390 --> 01:07:36,880

from starship troopers that would be no

1777

01:07:40,390 --> 01:07:38,400

i mean that's kind of like when you talk

1778

01:07:43,109 --> 01:07:40,400

about mantis people and like mantis

1779

01:07:45,670 --> 01:07:43,119

humanoids those are huge creatures that

1780

01:07:48,470 --> 01:07:45,680

would just tear you limb from limb and i

1781

01:07:50,950 --> 01:07:48,480

guess it would not be very sexy but

1782

01:07:53,270 --> 01:07:50,960

that's that's how praying mantis is mate

1783

01:07:55,270 --> 01:07:53,280

now on earth yeah

1784

01:07:56,630 --> 01:07:55,280

they devour their uh

1785

01:07:58,549 --> 01:07:56,640

their donors

1786

01:08:02,870 --> 01:07:58,559

i'm gonna i would have to say no to any

1787

01:08:04,710 --> 01:08:02,880

insectoid kind of humanoid person thing

1788

01:08:07,750 --> 01:08:04,720

i'm i'm sorry bleep bloop i'm gonna have

1789

01:08:09,029 --> 01:08:07,760

to say no no we're gonna have to pass on

1790

01:08:11,510 --> 01:08:09,039

this one

1791

01:08:13,670 --> 01:08:11,520

you need your uh space rape whistle

1792

01:08:15,589 --> 01:08:13,680

bring me the bring me the half wookie

1793

01:08:17,430 --> 01:08:15,599

please i i would have better luck with

1794

01:08:19,269 --> 01:08:17,440

that maybe yeah can we give me somebody

1795

01:08:20,390 --> 01:08:19,279

with hairy legs like joe biden yeah

1796

01:08:21,590 --> 01:08:20,400

please

1797

01:08:22,390 --> 01:08:21,600

yeah

1798

01:08:26,309 --> 01:08:22,400

uh

1799

01:08:28,070 --> 01:08:26,319

all these aliens and

1800

01:08:32,470 --> 01:08:28,080

and move on

1801

01:08:41,030 --> 01:08:34,390

all right

1802

01:08:45,110 --> 01:08:41,040

two little tidbits about interesting

1803

01:08:48,470 --> 01:08:45,120

paranormal events concerning ukraine

1804

01:08:51,030 --> 01:08:48,480

i i did a deep dive over the past few

1805

01:08:53,590 --> 01:08:51,040

days i wanted to figure out what kind of

1806

01:08:56,149 --> 01:08:53,600

paranormal events were going on in

1807

01:08:58,870 --> 01:08:56,159

ukraine in relatively recent times and

1808

01:09:01,110 --> 01:08:58,880

also the past uh i i think i'm gonna

1809

01:09:03,990 --> 01:09:01,120

like wherever there is going to be world

1810

01:09:06,550 --> 01:09:04,000

conflict like current world conflict i'm

1811

01:09:08,229 --> 01:09:06,560

gonna take a look at the paranormal

1812

01:09:10,309 --> 01:09:08,239

events that happen there and that may

1813

01:09:11,590 --> 01:09:10,319

inform us of

1814

01:09:13,829 --> 01:09:11,600

their culture

1815

01:09:15,829 --> 01:09:13,839

what they experience and how they

1816

01:09:18,070 --> 01:09:15,839

interact with these

1817

01:09:20,229 --> 01:09:18,080

paranormal events

1818

01:09:22,789 --> 01:09:20,239

so maybe uh next up on the list would be

1819

01:09:24,789 --> 01:09:22,799

taiwan possibly but right now it is

1820

01:09:26,709 --> 01:09:24,799

ukraine and i discovered that it has a

1821

01:09:29,510 --> 01:09:26,719

long and rich history

1822

01:09:33,189 --> 01:09:29,520

of not only of cryptozoological

1823

01:09:36,390 --> 01:09:33,199

encounters but ghosts hauntings and

1824

01:09:38,309 --> 01:09:36,400

ufo abductions now this first little

1825

01:09:40,070 --> 01:09:38,319

tidbit i have for everyone

1826

01:09:44,149 --> 01:09:40,080

it's a bit of a shorter one

1827

01:09:46,950 --> 01:09:44,159

um this took place in the year 2000

1828

01:09:49,749 --> 01:09:46,960

right around 2 a.m

1829

01:09:52,229 --> 01:09:49,759

and so it took place in crimea everyone

1830

01:09:53,590 --> 01:09:52,239

knows the word in town in place crimea

1831

01:09:56,149 --> 01:09:53,600

at this point

1832

01:09:57,590 --> 01:09:56,159

uh so hundreds of crimean residents who

1833

01:09:59,430 --> 01:09:57,600

forgot to switch off their television

1834

01:10:02,470 --> 01:09:59,440

sets or accidentally switched on their

1835

01:10:04,310 --> 01:10:02,480

sets around 2 am or amazed to see

1836

01:10:06,870 --> 01:10:04,320

an unusual broadcast

1837

01:10:08,790 --> 01:10:06,880

on the first channel which had already

1838

01:10:10,950 --> 01:10:08,800

been deactivated and was not

1839

01:10:13,430 --> 01:10:10,960
broadcasting at the time

1840

01:10:16,550 --> 01:10:13,440
for half an hour on their television

1841

01:10:19,350 --> 01:10:16,560
screens hundreds of viewers watched a

1842

01:10:21,830 --> 01:10:19,360
green skinned humanoid

1843

01:10:24,790 --> 01:10:21,840
with unearthly features

1844

01:10:27,189 --> 01:10:24,800
on on the face in unearthly proportions

1845

01:10:29,350 --> 01:10:27,199
to its body the humanoid creatures were

1846

01:10:31,110 --> 01:10:29,360
levitating in an empty room

1847

01:10:33,430 --> 01:10:31,120
gesticulating

1848

01:10:35,910 --> 01:10:33,440
desperately in speaking in unknown

1849

01:10:37,590 --> 01:10:35,920
language at least none no one that was

1850

01:10:42,070 --> 01:10:37,600
watching could understand them

1851
01:10:47,030 --> 01:10:45,110
well yeah i guess i mean it does help to

1852
01:10:49,430 --> 01:10:47,040
see to be able to observe the penis to

1853
01:10:51,110 --> 01:10:49,440
put the rest of the body in proportion

1854
01:10:54,550 --> 01:10:51,120
that certainly is true

1855
01:10:57,270 --> 01:10:54,560
uh but we had uh no indication there uh

1856
01:10:59,990 --> 01:10:57,280
he had green balls no there they were

1857
01:11:02,950 --> 01:11:00,000
green green skin green skin

1858
01:11:04,310 --> 01:11:02,960
um there was a screen on the back wall

1859
01:11:05,750 --> 01:11:04,320
of the room various images were

1860
01:11:09,270 --> 01:11:05,760
displayed on the screen

1861
01:11:11,110 --> 01:11:09,280
war us aircraft carriers in military

1862
01:11:13,110 --> 01:11:11,120
combat aircraft the theater of combat

1863
01:11:14,870 --> 01:11:13,120

resembled the persian gulf remember

1864

01:11:17,430 --> 01:11:14,880

remember this was the year

1865

01:11:19,030 --> 01:11:17,440

two thousand january two thousand

1866

01:11:21,669 --> 01:11:19,040

in the morning about three hundred

1867

01:11:24,470 --> 01:11:21,679

television viewers telephone the

1868

01:11:25,910 --> 01:11:24,480

television studio in kiev asking for the

1869

01:11:28,310 --> 01:11:25,920

name of the film that they had witnessed

1870

01:11:30,390 --> 01:11:28,320

the night before however personnel at

1871

01:11:32,229 --> 01:11:30,400

the time at the television studio

1872

01:11:34,310 --> 01:11:32,239

assured the callers that they had

1873

01:11:36,070 --> 01:11:34,320

nothing to do with the broadcast

1874

01:11:38,229 --> 01:11:36,080

is now assumed that it was some kind of

1875

01:11:40,470 --> 01:11:38,239

alien warning of future events in

1876

01:11:42,790 --> 01:11:40,480

afghanistan in iraq uh there was an

1877

01:11:44,709 --> 01:11:42,800

investigation conducted on this event

1878

01:11:46,870 --> 01:11:44,719

and officials reportedly treated the

1879

01:11:48,070 --> 01:11:46,880

matter very seriously the results of the

1880

01:11:48,870 --> 01:11:48,080

investigation

1881

01:11:50,950 --> 01:11:48,880

were

1882

01:11:52,470 --> 01:11:50,960

never published so

1883

01:11:55,750 --> 01:11:52,480

i found that to be kind of interesting

1884

01:11:56,709 --> 01:11:55,760

you had a mass

1885

01:11:59,189 --> 01:11:56,719

i don't know if i want to call a

1886

01:12:02,070 --> 01:11:59,199

sighting but a mass communication from

1887

01:12:03,910 --> 01:12:02,080

some sort of weird signal whether it was

1888

01:12:06,790 --> 01:12:03,920

maybe some kind of uh

1889

01:12:08,950 --> 01:12:06,800

true alien signal or maybe some kind of

1890

01:12:11,110 --> 01:12:08,960

pirate television station kind of trying

1891

01:12:13,030 --> 01:12:11,120

to freak some people out uh that's also

1892

01:12:15,350 --> 01:12:13,040

very possible

1893

01:12:18,630 --> 01:12:15,360

uh just a very interesting little thing

1894

01:12:20,310 --> 01:12:18,640

there from ukraine yeah i like the path

1895

01:12:23,430 --> 01:12:20,320

that you're going down here

1896

01:12:26,790 --> 01:12:23,440

well i i you know i it's it's targeted

1897

01:12:29,430 --> 01:12:26,800

and uh i i think that there there could

1898

01:12:30,870 --> 01:12:29,440

be something to be gleaned from this i i

1899

01:12:32,550 --> 01:12:30,880

don't know what maybe we'll just have

1900

01:12:35,350 --> 01:12:32,560

fun with these stories

1901

01:12:37,990 --> 01:12:35,360

um but there is another story here this

1902

01:12:39,590 --> 01:12:38,000

is a bit longer and a little bit more

1903

01:12:41,430 --> 01:12:39,600

involved

1904

01:12:44,950 --> 01:12:41,440

um this is

1905

01:12:47,910 --> 01:12:44,960

from uh the ukraine as well from the

1906

01:12:49,950 --> 01:12:47,920

uh ravno region of ukraine this takes

1907

01:12:52,229 --> 01:12:49,960

place in

1908

01:12:53,669 --> 01:12:52,239

2008 so

1909

01:12:57,750 --> 01:12:53,679

very recently

1910

01:13:01,430 --> 01:12:57,760

uh 2008 and this involves a guy named

1911

01:13:03,750 --> 01:13:01,440

vladimir who is 34 he's a martial arts

1912

01:13:06,470 --> 01:13:03,760

instructor and wrestler he's a very

1913

01:13:10,149 --> 01:13:06,480

physically fit individual also his wife

1914

01:13:12,149 --> 01:13:10,159

olga who is 29 years old they uh live in

1915

01:13:14,310 --> 01:13:12,159

a house with their three kids who are

1916

01:13:16,149 --> 01:13:14,320

eight nine and one

1917

01:13:16,870 --> 01:13:16,159

uh they were returning home when they

1918

01:13:19,990 --> 01:13:16,880

saw

1919

01:13:21,189 --> 01:13:20,000

a flying star as how they put it uh they

1920

01:13:24,070 --> 01:13:21,199

they kind of chalked it up to being

1921

01:13:26,229 --> 01:13:24,080

maybe a plane or a satellite uh when

1922

01:13:28,310 --> 01:13:26,239

they got home they stepped outside to

1923

01:13:30,950 --> 01:13:28,320

get a better better look at it

1924

01:13:34,070 --> 01:13:30,960

and they did wind up taking some very

1925

01:13:35,590 --> 01:13:34,080

crappy pictures of it um but after it

1926

01:13:39,430 --> 01:13:35,600

zipped off they just kind of went back

1927

01:13:43,590 --> 01:13:39,440

inside and tried to go to sleep

1928

01:13:46,550 --> 01:13:43,600

around 2 a.m vladimir suddenly woke up

1929

01:13:47,830 --> 01:13:46,560

and saw that their entire bedroom was

1930

01:13:51,430 --> 01:13:47,840

brightly lit

1931

01:13:53,430 --> 01:13:51,440

with like a whitish violet color light

1932

01:13:55,910 --> 01:13:53,440

he tried to wake up his wife but she

1933

01:13:57,510 --> 01:13:55,920

mumbled something and rolled over and

1934

01:13:59,030 --> 01:13:57,520

kind of went back to sleep and he was

1935

01:14:00,390 --> 01:13:59,040

kind of sitting in bed

1936

01:14:02,790 --> 01:14:00,400

kind of

1937

01:14:04,310 --> 01:14:02,800

freaked out about what was going on

1938

01:14:06,390 --> 01:14:04,320

moments later

1939

01:14:09,990 --> 01:14:06,400

one of their kids ran into the room

1940

01:14:11,189 --> 01:14:10,000

screaming and woke up their mom at which

1941

01:14:15,189 --> 01:14:11,199

point in time

1942

01:14:16,390 --> 01:14:15,199

uh the people in the room they looked up

1943

01:14:18,630 --> 01:14:16,400

and saw

1944

01:14:19,669 --> 01:14:18,640

that their roof their ceiling

1945

01:14:22,310 --> 01:14:19,679

was

1946

01:14:24,390 --> 01:14:22,320

transparent and that they could

1947

01:14:25,430 --> 01:14:24,400

literally look through their ceiling and

1948

01:14:27,350 --> 01:14:25,440

they saw

1949

01:14:29,990 --> 01:14:27,360

a ufo

1950

01:14:33,110 --> 01:14:30,000

and this freaked them out even more

1951

01:14:33,990 --> 01:14:33,120

so they jumped out of bed they put their

1952

01:14:36,149 --> 01:14:34,000

uh

1953

01:14:39,030 --> 01:14:36,159

night robes on i suppose their their

1954

01:14:40,470 --> 01:14:39,040

night garments is i guess what they

1955

01:14:42,550 --> 01:14:40,480

they use i don't wear those things i

1956

01:14:43,910 --> 01:14:42,560

wear night pants to bed but i guess they

1957

01:14:47,350 --> 01:14:43,920

have night gowns they put their

1958

01:14:49,590 --> 01:14:47,360

nightgowns on and they walked outside uh

1959

01:14:50,550 --> 01:14:49,600

vladimir and olga did the kids stayed

1960

01:14:53,510 --> 01:14:50,560

inside

1961

01:14:56,470 --> 01:14:53,520

so vladimir and olga walked outside

1962

01:14:58,470 --> 01:14:56,480

and they saw a ufo in the sky

1963

01:15:01,750 --> 01:14:58,480

about a hundred meters away

1964

01:15:05,189 --> 01:15:01,760

and it was projecting that white

1965

01:15:07,750 --> 01:15:05,199

violet kind of of of light that was kind

1966

01:15:09,270 --> 01:15:07,760

of dispersed everywhere very brightly

1967

01:15:11,030 --> 01:15:09,280

lit

1968

01:15:12,470 --> 01:15:11,040

um they were kind of freaked out they

1969

01:15:15,990 --> 01:15:12,480

didn't know what to do with themselves

1970

01:15:19,430 --> 01:15:16,000

all of a sudden they both became very

1971

01:15:21,990 --> 01:15:19,440

uh slow they couldn't move that well and

1972

01:15:24,470 --> 01:15:22,000

vladimir saw his wife started to be

1973

01:15:25,669 --> 01:15:24,480

levitated up in the air he reached very

1974

01:15:28,790 --> 01:15:25,679

couldn't reach for because he was kind

1975

01:15:29,590 --> 01:15:28,800

of paralyzed and they both ascended up

1976

01:15:31,750 --> 01:15:29,600

to

1977

01:15:32,630 --> 01:15:31,760

the ufo

1978

01:15:35,270 --> 01:15:32,640

um

1979

01:15:36,229 --> 01:15:35,280

all of a sudden they both woke up in a

1980

01:15:39,990 --> 01:15:36,239

room

1981

01:15:43,270 --> 01:15:40,000

that was had that had transparent walls

1982

01:15:46,070 --> 01:15:43,280

they saw 12 living entities

1983

01:15:48,390 --> 01:15:46,080

each of these humanoids were about three

1984

01:15:50,470 --> 01:15:48,400

and a half feet tall each were wearing

1985

01:15:54,229 --> 01:15:50,480

tight fitting jumpsuits

1986

01:15:58,070 --> 01:15:54,239

they each had larger heads with large

1987

01:15:59,990 --> 01:15:58,080

eyes uh almost a stereotypical gray and

1988

01:16:02,070 --> 01:16:00,000

they said uh despite that the gray

1989

01:16:05,510 --> 01:16:02,080

jumpsuit they said that the heads

1990

01:16:07,750 --> 01:16:05,520

did have a a gray skin to it and and

1991

01:16:09,510 --> 01:16:07,760

gray skin greenish skin i don't care

1992

01:16:10,390 --> 01:16:09,520

what color they are just it was great

1993

01:16:12,229 --> 01:16:10,400

skin

1994

01:16:14,790 --> 01:16:12,239

um

1995

01:16:18,550 --> 01:16:14,800

but vladimir didn't know that they had

1996

01:16:19,669 --> 01:16:18,560

no visible legs and that when they moved

1997

01:16:22,709 --> 01:16:19,679

around

1998

01:16:25,270 --> 01:16:22,719

they almost had the locomotion of a

1999

01:16:27,669 --> 01:16:25,280

caterpillar that's the the best analogy

2000

01:16:28,550 --> 01:16:27,679

that he was able to make with what he

2001

01:16:31,189 --> 01:16:28,560

saw

2002

01:16:33,510 --> 01:16:31,199

he said that the only one of the aliens

2003

01:16:35,030 --> 01:16:33,520

there was taller than the rest about uh

2004

01:16:36,070 --> 01:16:35,040

two meters stall

2005

01:16:38,790 --> 01:16:36,080

um

2006

01:16:41,590 --> 01:16:38,800

the aliens grabbed at that point on the

2007

01:16:43,030 --> 01:16:41,600

grabbed olga vladimir's wife and started

2008

01:16:44,630 --> 01:16:43,040

to move her

2009

01:16:47,350 --> 01:16:44,640

to a chair

2010

01:16:50,390 --> 01:16:47,360

at this point uh vlad became very

2011

01:16:52,709 --> 01:16:50,400

concerned raced over to defend his wife

2012

01:16:55,189 --> 01:16:52,719

but stumbled over what he

2013

01:16:57,510 --> 01:16:55,199

thought was some kind of invisible wall

2014

01:16:59,750 --> 01:16:57,520

he didn't know what tripped him up uh on

2015

01:17:01,110 --> 01:16:59,760

the ground he looked up and vladimir

2016

01:17:03,910 --> 01:17:01,120

asked the aliens uh

2017

01:17:05,110 --> 01:17:03,920

what's going on guys the aliens replied

2018

01:17:06,950 --> 01:17:05,120

back to them

2019

01:17:08,630 --> 01:17:06,960

uh what he assumed was some sort of

2020

01:17:10,709 --> 01:17:08,640

mental telepathy

2021

01:17:14,830 --> 01:17:10,719

with nothing terrible

2022

01:17:19,990 --> 01:17:17,030

uh that

2023

01:17:20,950 --> 01:17:20,000

uh vlad said uh listen i'm not down with

2024

01:17:23,830 --> 01:17:20,960

this

2025

01:17:25,990 --> 01:17:23,840

and so vlad got up and started

2026

01:17:27,830 --> 01:17:26,000

pushing the humanoids back

2027

01:17:30,310 --> 01:17:27,840

and then two aliens

2028

01:17:34,310 --> 01:17:30,320

uh two additional aliens came over to

2029

01:17:36,950 --> 01:17:34,320

vlad to try to restrain him but vlad

2030

01:17:39,669 --> 01:17:36,960

being the wrestler and martial artist

2031

01:17:42,070 --> 01:17:39,679

that he is started using some kung fu

2032

01:17:44,870 --> 01:17:42,080

moves and some wrestling moves on the

2033

01:17:47,750 --> 01:17:44,880

aliens he was not having any of this he

2034

01:17:51,430 --> 01:17:47,760

wasn't subdued and he wasn't going down

2035

01:17:54,229 --> 01:17:51,440

without a fight so he's dropping elbows

2036

01:17:56,870 --> 01:17:54,239

doing crazy like kicks and like

2037

01:17:58,790 --> 01:17:56,880

judo maneuvers and

2038

01:18:01,669 --> 01:17:58,800

beating them back one at a time but he

2039

01:18:03,030 --> 01:18:01,679

said as he kicked in and punched that

2040

01:18:04,790 --> 01:18:03,040

these aliens

2041

01:18:06,310 --> 01:18:04,800

they would fly away but just as as

2042

01:18:09,430 --> 01:18:06,320

quickly as they flew away they would

2043

01:18:11,189 --> 01:18:09,440

return back to him as if his kicks and

2044

01:18:13,270 --> 01:18:11,199

punches really didn't have any

2045

01:18:14,709 --> 01:18:13,280

significant damage or any any kind of

2046

01:18:16,550 --> 01:18:14,719

force behind him at all where he wasn't

2047

01:18:18,229 --> 01:18:16,560

doing any damage

2048

01:18:21,110 --> 01:18:18,239

uh at which point in time the aliens

2049

01:18:23,830 --> 01:18:21,120

tired of they tired of vlad's

2050

01:18:25,110 --> 01:18:23,840

shenanigans looked into his eyes

2051

01:18:26,390 --> 01:18:25,120

and

2052

01:18:29,110 --> 01:18:26,400

either put him under some kind of

2053

01:18:30,390 --> 01:18:29,120

hypnotic trance or spell

2054

01:18:32,630 --> 01:18:30,400

and vlad

2055

01:18:35,030 --> 01:18:32,640

proceeded to calm down

2056

01:18:36,790 --> 01:18:35,040

and so he just became very docile at

2057

01:18:39,189 --> 01:18:36,800

that point in time

2058

01:18:41,830 --> 01:18:39,199

and that allowed the aliens to perform

2059

01:18:43,030 --> 01:18:41,840

experiments both on himself and his wife

2060

01:18:43,830 --> 01:18:43,040

olga

2061

01:18:46,790 --> 01:18:43,840

they

2062

01:18:49,669 --> 01:18:46,800

the aliens uh inserted four metallic

2063

01:18:53,189 --> 01:18:49,679

rods into vlad's chest

2064

01:18:54,870 --> 01:18:53,199

uh the aliens decided to cut open olga

2065

01:18:58,709 --> 01:18:54,880

as she laid down

2066

01:18:59,910 --> 01:18:58,719

and examined her inner organs uh at

2067

01:19:04,630 --> 01:18:59,920

which point

2068

01:19:06,070 --> 01:19:04,640

uh olga i said uh why are you hurting me

2069

01:19:08,630 --> 01:19:06,080

why are you doing this to me in the

2070

01:19:11,270 --> 01:19:08,640

alien said we don't want to hurt you we

2071

01:19:13,910 --> 01:19:11,280

just want to look

2072

01:19:16,310 --> 01:19:13,920

well after the experiments uh they took

2073

01:19:19,910 --> 01:19:16,320

vlad to the tall alien that was hanging

2074

01:19:22,870 --> 01:19:19,920

around uh the tall and said in exchange

2075

01:19:23,750 --> 01:19:22,880

for the examination we just gave you

2076

01:19:25,910 --> 01:19:23,760

uh

2077

01:19:27,990 --> 01:19:25,920

we agreed to take you on a voyage

2078

01:19:31,270 --> 01:19:28,000

throughout the galaxies

2079

01:19:33,990 --> 01:19:31,280

and vlad was like kind of like okay i

2080

01:19:37,910 --> 01:19:34,000

let i guess show us the galaxies

2081

01:19:39,430 --> 01:19:37,920

uh in the next moment boom they were

2082

01:19:42,149 --> 01:19:39,440

hovering above

2083

01:19:44,229 --> 01:19:42,159

a new planet that was not earth and as

2084

01:19:47,910 --> 01:19:44,239

vlad and olga

2085

01:19:49,030 --> 01:19:47,920

looked down they saw open pits on this

2086

01:19:51,350 --> 01:19:49,040

planet

2087

01:19:53,270 --> 01:19:51,360

and they were told that these were hive

2088

01:19:56,149 --> 01:19:53,280

colonies and that the dwellers of this

2089

01:19:59,910 --> 01:19:56,159

planet lived underground and that this

2090

01:20:02,390 --> 01:19:59,920

planet was in the andromeda galaxy

2091

01:20:04,709 --> 01:20:02,400

the tall alien said that humans

2092

01:20:06,229 --> 01:20:04,719

are very interesting to them because

2093

01:20:08,229 --> 01:20:06,239

they have emotions

2094

01:20:10,870 --> 01:20:08,239

that they do not possess

2095

01:20:13,110 --> 01:20:10,880

so they found that the humans ability to

2096

01:20:16,390 --> 01:20:13,120

have emotion was very interesting to

2097

01:20:19,510 --> 01:20:16,400

them but also indicated that he

2098

01:20:22,310 --> 01:20:19,520

was bewildered how the humans haven't

2099

01:20:24,149 --> 01:20:22,320

destroyed themselves yet because of

2100

01:20:27,510 --> 01:20:24,159

their emotions

2101
01:20:28,310 --> 01:20:27,520
uh vlad and uh became very curious and

2102
01:20:30,390 --> 01:20:28,320
asked

2103
01:20:32,870 --> 01:20:30,400
uh how do you travel

2104
01:20:35,110 --> 01:20:32,880
and they said well we cannot travel

2105
01:20:38,149 --> 01:20:35,120
faster than the speed of light

2106
01:20:40,070 --> 01:20:38,159
but we can tear space and that is our

2107
01:20:41,750 --> 01:20:40,080
means of travel at which point in time

2108
01:20:43,430 --> 01:20:41,760
one of the aliens piped up was like hey

2109
01:20:44,790 --> 01:20:43,440
listen you're telling them too much we

2110
01:20:46,470 --> 01:20:44,800
might have to kill them if you tell

2111
01:20:47,750 --> 01:20:46,480
anything more

2112
01:20:48,709 --> 01:20:47,760
at which point in time the aliens kind

2113
01:20:51,030 --> 01:20:48,719

of

2114

01:20:53,669 --> 01:20:51,040

quieted up and didn't tell vlad anything

2115

01:20:55,350 --> 01:20:53,679

more about their propulsion systems or

2116

01:20:58,470 --> 01:20:55,360

their mode of travel

2117

01:21:01,430 --> 01:20:58,480

but the tall alien did say

2118

01:21:04,790 --> 01:21:01,440

that a space war was going on at this

2119

01:21:07,510 --> 01:21:04,800

time in the universe and said that the

2120

01:21:09,830 --> 01:21:07,520

entity you call god

2121

01:21:12,550 --> 01:21:09,840

has implanted much information into

2122

01:21:15,750 --> 01:21:12,560

earth and its waters

2123

01:21:18,310 --> 01:21:15,760

all over earth so somehow

2124

01:21:20,470 --> 01:21:18,320

there is information stored within earth

2125

01:21:22,790 --> 01:21:20,480

and its waters

2126

01:21:26,310 --> 01:21:22,800

the next morning uh

2127

01:21:28,950 --> 01:21:26,320

at 11 a.m olga and vlad

2128

01:21:31,189 --> 01:21:28,960

returned home and they woke up they

2129

01:21:33,830 --> 01:21:31,199

thought it was all a dream but they

2130

01:21:35,669 --> 01:21:33,840

exchanged information with one another

2131

01:21:38,070 --> 01:21:35,679

and they realized they both experienced

2132

01:21:41,110 --> 01:21:38,080

the exact same thing they reported it to

2133

01:21:42,790 --> 01:21:41,120

some some locals and it uh has gone down

2134

01:21:45,270 --> 01:21:42,800

as a a pretty

2135

01:21:48,149 --> 01:21:45,280

interesting and prominent ufo abduction

2136

01:21:53,030 --> 01:21:50,470

there you go

2137

01:21:54,790 --> 01:21:53,040

ukraine abduction story

2138

01:21:57,189 --> 01:21:54,800

i like this idea of like putting an

2139

01:21:58,629 --> 01:21:57,199

alien in a you know

2140

01:22:00,470 --> 01:21:58,639

cage fighter

2141

01:22:01,910 --> 01:22:00,480

internet on a ufo

2142

01:22:04,070 --> 01:22:01,920

he was really just upset because they

2143

01:22:05,830 --> 01:22:04,080

had a pizza coming

2144

01:22:07,430 --> 01:22:05,840

yeah i mean it's late at night you're

2145

01:22:09,110 --> 01:22:07,440

probably drunk drinking vodka and then

2146

01:22:10,870 --> 01:22:09,120

the aliens abduct you and the pizza gets

2147

01:22:12,470 --> 01:22:10,880

delivered to you what your kids at home

2148

01:22:14,470 --> 01:22:12,480

and you're not even there to eat it so

2149

01:22:17,189 --> 01:22:14,480

i'd be frustrated too

2150

01:22:19,110 --> 01:22:17,199

a lot of these uh abduction stories uh

2151

01:22:21,669 --> 01:22:19,120

they don't get uh

2152

01:22:24,149 --> 01:22:21,679

the occupa or the abductees don't get a

2153

01:22:25,910 --> 01:22:24,159

chance to become too physical with their

2154

01:22:27,430 --> 01:22:25,920

abductors they're either subdued in some

2155

01:22:29,910 --> 01:22:27,440

way tied down

2156

01:22:31,830 --> 01:22:29,920

uh or they're just uh put out

2157

01:22:33,510 --> 01:22:31,840

occasionally you do hear of this truck

2158

01:22:35,430 --> 01:22:33,520

struggle um

2159

01:22:37,669 --> 01:22:35,440

i mean travis from travis walton from

2160

01:22:40,550 --> 01:22:37,679

fire in the sky he claims to have fought

2161

01:22:43,430 --> 01:22:40,560

back against his abductors um

2162

01:22:45,350 --> 01:22:43,440

there is uh a prominent case from uh i

2163

01:22:46,870 --> 01:22:45,360

think louisiana where there are two guys

2164

01:22:49,189 --> 01:22:46,880

that were abducted they fought back so

2165

01:22:52,229 --> 01:22:49,199

it does happen from time to time as the

2166

01:22:54,390 --> 01:22:52,239

first time that i've read that a skilled

2167

01:22:56,790 --> 01:22:54,400

martial artist was able to put up such a

2168

01:22:57,669 --> 01:22:56,800

fight and kind of take on a bunch at one

2169

01:22:59,910 --> 01:22:57,679

time

2170

01:23:01,430 --> 01:22:59,920

and they they still

2171

01:23:03,669 --> 01:23:01,440

were kind of nice you know they didn't

2172

01:23:05,189 --> 01:23:03,679

do anything bad to the humans they just

2173

01:23:06,550 --> 01:23:05,199

said okay let's let us do your thing and

2174

01:23:08,950 --> 01:23:06,560

we'll show you

2175

01:23:10,790 --> 01:23:08,960

this ant colony over here in andromeda

2176
01:23:12,629 --> 01:23:10,800
and i i was just i was assuming from

2177
01:23:15,990 --> 01:23:12,639
what i read

2178
01:23:19,430 --> 01:23:16,000
they the aliens that were the abductors

2179
01:23:23,030 --> 01:23:19,440
they are the hive like entities that are

2180
01:23:25,830 --> 01:23:23,040
doing some of these abduction scenarios

2181
01:23:29,270 --> 01:23:25,840
and from everything that we're seeing

2182
01:23:31,350 --> 01:23:29,280
nowadays with uh the current environment

2183
01:23:35,350 --> 01:23:31,360
how everyone is forced to think the same

2184
01:23:36,709 --> 01:23:35,360
way how they want to get us on uh

2185
01:23:38,870 --> 01:23:36,719
the same news

2186
01:23:40,470 --> 01:23:38,880
they want everyone to eventually have

2187
01:23:43,750 --> 01:23:40,480
brain chips

2188
01:23:46,550 --> 01:23:43,760

it's they they want us they the rulers

2189

01:23:48,709 --> 01:23:46,560

of this earth they want us to become a

2190

01:23:50,149 --> 01:23:48,719

hive colony

2191

01:23:51,750 --> 01:23:50,159

that's what it feels like they want to

2192

01:23:54,229 --> 01:23:51,760

turn us into

2193

01:23:55,350 --> 01:23:54,239

like them but i just described their ant

2194

01:23:57,590 --> 01:23:55,360

colony

2195

01:23:58,870 --> 01:23:57,600

they want us to be like that i think

2196

01:24:00,870 --> 01:23:58,880

yeah

2197

01:24:03,270 --> 01:24:00,880

nah i mean something like that and i'll

2198

01:24:05,990 --> 01:24:03,280

probably get into some of that

2199

01:24:08,149 --> 01:24:06,000

with the stuff i have today but

2200

01:24:11,350 --> 01:24:08,159

yeah i mean is it good or bad apparently

2201

01:24:12,390 --> 01:24:11,360

they had uh the ability to do what is it

2202

01:24:13,669 --> 01:24:12,400

uh

2203

01:24:14,870 --> 01:24:13,679

how do you what do you

2204

01:24:19,189 --> 01:24:14,880

cite

2205

01:24:24,790 --> 01:24:22,390

abilities they can do telepathy uh uh

2206

01:24:27,350 --> 01:24:24,800

obviously from everything that i've read

2207

01:24:29,830 --> 01:24:27,360

with these kind of encounters it's like

2208

01:24:31,510 --> 01:24:29,840

if you walk away if you encounter one of

2209

01:24:33,270 --> 01:24:31,520

these aliens and you're able to just

2210

01:24:35,430 --> 01:24:33,280

kind of think and operate on your own

2211

01:24:37,830 --> 01:24:35,440

consider yourself lucky because

2212

01:24:41,510 --> 01:24:37,840

we are putty in their hands

2213

01:24:43,830 --> 01:24:41,520

apparently our mental ability is nothing

2214

01:24:45,830 --> 01:24:43,840

compared to them we have very little

2215

01:24:48,149 --> 01:24:45,840

resistance to whatever kind of sonic

2216

01:24:51,430 --> 01:24:48,159

abilities they have we are very uh

2217

01:24:54,149 --> 01:24:51,440

docile uh apparently uh occasionally it

2218

01:24:55,590 --> 01:24:54,159

doesn't work um and if you look into

2219

01:24:57,270 --> 01:24:55,600

their eyes though i think that's the key

2220

01:24:59,189 --> 01:24:57,280

though there's something with the the

2221

01:25:01,590 --> 01:24:59,199

communication between the eyes that is

2222

01:25:04,709 --> 01:25:01,600

the the key there but

2223

01:25:06,709 --> 01:25:04,719

um yeah very interesting um

2224

01:25:09,669 --> 01:25:06,719

i do have one other alien story that i

2225

01:25:11,350 --> 01:25:09,679

know people would demand that i would

2226

01:25:13,189 --> 01:25:11,360

cover and i just got to cover it real

2227

01:25:15,030 --> 01:25:13,199

quick and then we'll move on

2228

01:25:16,310 --> 01:25:15,040

and i'll put this up on screen because

2229

01:25:19,830 --> 01:25:16,320

this is

2230

01:25:20,790 --> 01:25:19,840

i think jim carrey can probably fight

2231

01:25:22,149 --> 01:25:20,800

them off

2232

01:25:24,229 --> 01:25:22,159

science uh

2233

01:25:25,990 --> 01:25:24,239

yeah he's got some pretty sweet moves

2234

01:25:28,390 --> 01:25:26,000

ron perlman wouldn't be bad either he's

2235

01:25:30,470 --> 01:25:28,400

a big guy he could probably uh fight

2236

01:25:34,950 --> 01:25:30,480

some aliens if you wanted to

2237

01:25:39,030 --> 01:25:36,229

you can slap

2238

01:25:40,709 --> 01:25:39,040

oh wow i don't know if ro

2239

01:25:42,550 --> 01:25:40,719

pearlman could do it because he just

2240

01:25:43,669 --> 01:25:42,560

seems like a real dummy

2241

01:25:45,110 --> 01:25:43,679

yeah he's

2242

01:25:46,550 --> 01:25:45,120

he's a bit of i don't know he talks a

2243

01:25:49,430 --> 01:25:46,560

big game doesn't he he talks a big game

2244

01:25:50,790 --> 01:25:49,440

on twitter but he yeah i don't know

2245

01:25:54,229 --> 01:25:50,800

well here's a quick headline for

2246

01:25:55,350 --> 01:25:54,239

everyone man claims he fired shotguns at

2247

01:25:58,070 --> 01:25:55,360

aliens

2248

01:25:59,430 --> 01:25:58,080

on neighbors property after he

2249

01:26:01,910 --> 01:25:59,440

smoked meth

2250

01:26:02,950 --> 01:26:01,920

that's a huge piece of news

2251

01:26:05,669 --> 01:26:02,960

okay

2252

01:26:08,070 --> 01:26:05,679

uh police said that uh the man who

2253

01:26:10,470 --> 01:26:08,080

stated he'd smoke cement prior to firing

2254

01:26:12,550 --> 01:26:10,480

a shotgun at aliens on his properties uh

2255

01:26:14,390 --> 01:26:12,560

sunday evening was charged with felony

2256

01:26:17,430 --> 01:26:14,400

reckless endangerment

2257

01:26:19,430 --> 01:26:17,440

he was standing his ground like if you

2258

01:26:21,510 --> 01:26:19,440

see uh these are trespassers as far as

2259

01:26:22,709 --> 01:26:21,520

i'm concerned if he was firing aliens

2260

01:26:24,790 --> 01:26:22,719

and he probably has every right to

2261

01:26:26,950 --> 01:26:24,800

defend his property and his neighbors

2262

01:26:29,350 --> 01:26:26,960

property i think in texas correct me

2263

01:26:32,229 --> 01:26:29,360

from wrong joe you can defend your

2264

01:26:34,229 --> 01:26:32,239

neighbors property correct

2265

01:26:37,270 --> 01:26:34,239

maybe you don't know that yeah

2266

01:26:38,390 --> 01:26:37,280

you know what do i look like a plumber

2267

01:26:42,470 --> 01:26:38,400

yeah

2268

01:26:44,550 --> 01:26:42,480

now this is uh

2269

01:26:49,110 --> 01:26:44,560

jamie lee mcguire

2270

01:26:54,390 --> 01:26:52,390

o hcso using my blocks telepathic

2271

01:26:57,189 --> 01:26:54,400

attacks from aliens

2272

01:27:00,310 --> 01:26:57,199

so if you're all hopped up on meth

2273

01:27:02,310 --> 01:27:00,320

the the psionic attacks from aliens can

2274

01:27:03,590 --> 01:27:02,320

have impact you according to jamie lee

2275

01:27:06,550 --> 01:27:03,600

mcguire here

2276

01:27:09,750 --> 01:27:06,560

the hcso deputy dustin winter stated in

2277

01:27:11,750 --> 01:27:09,760

his report around 7 30 p.m sunday he

2278

01:27:15,110 --> 01:27:11,760

responded to a report of an intoxicated

2279

01:27:18,950 --> 01:27:15,120

man shooting at his neighbor's property

2280

01:27:20,629 --> 01:27:18,960

in on pressman homes road upon arrival

2281

01:27:23,270 --> 01:27:20,639

winter spoke to with mcguire who

2282

01:27:25,669 --> 01:27:23,280

allegedly admitted to firing the shots

2283

01:27:27,750 --> 01:27:25,679

quote the suspect stated to me that the

2284

01:27:29,830 --> 01:27:27,760

aliens had been relentlessly attacking

2285

01:27:31,990 --> 01:27:29,840

him by a telepathic communication

2286

01:27:35,110 --> 01:27:32,000

pointer stated in his report the suspect

2287

01:27:36,790 --> 01:27:35,120

stated that he saw the aliens in a block

2288

01:27:38,470 --> 01:27:36,800

storage building on the other side of

2289

01:27:41,189 --> 01:27:38,480

his neighbor's property the suspect told

2290

01:27:43,750 --> 01:27:41,199

me that he ran got a shotgun and began

2291

01:27:45,350 --> 01:27:43,760

shooting at the aliens

2292

01:27:47,030 --> 01:27:45,360

that's some good news on that that's

2293

01:27:50,390 --> 01:27:47,040

what you want to do

2294

01:27:51,750 --> 01:27:50,400

with all the news going on nowadays

2295

01:27:54,310 --> 01:27:51,760

with what i just told you about the

2296

01:27:56,310 --> 01:27:54,320

alien abduction story and with the uaps

2297

01:27:57,590 --> 01:27:56,320

the navy is coming out about if you go

2298

01:28:01,990 --> 01:27:57,600

before the judge and tell them your

2299

01:28:04,149 --> 01:28:02,000

story it is now in 2022 more plausible

2300

01:28:05,910 --> 01:28:04,159

that the judge would believe you than it

2301

01:28:07,350 --> 01:28:05,920

was 10 years ago

2302

01:28:09,510 --> 01:28:07,360

the whole meth thing is throwing it up

2303

01:28:10,709 --> 01:28:09,520

for a loop but he has to take the meth

2304

01:28:12,830 --> 01:28:10,719

if he's going to fight the aliens

2305

01:28:16,709 --> 01:28:12,840

because of the cyanic

2306

01:28:18,310 --> 01:28:16,719

attacks i have to take meth

2307

01:28:20,790 --> 01:28:18,320

judge

2308

01:28:22,629 --> 01:28:20,800

i think yeah that probably does help i

2309

01:28:24,709 --> 01:28:22,639

have to do it

2310

01:28:26,550 --> 01:28:24,719

uh

2311

01:28:28,390 --> 01:28:26,560

so winter stated in his report that

2312

01:28:29,830 --> 01:28:28,400

maguire appeared to be under the

2313

01:28:31,270 --> 01:28:29,840

influence of meth during their

2314

01:28:33,110 --> 01:28:31,280

conversation

2315

01:28:34,870 --> 01:28:33,120

and gwyer admitted to having smoking

2316

01:28:37,590 --> 01:28:34,880

meth the previous night i mean i was

2317

01:28:40,390 --> 01:28:37,600

going to say uh 7 30 p.m

2318

01:28:42,709 --> 01:28:40,400

i mean how long does a good meth high

2319

01:28:44,070 --> 01:28:42,719

last

2320

01:28:45,830 --> 01:28:44,080

days

2321

01:28:48,470 --> 01:28:45,840

yeah i don't know like i don't know if

2322

01:28:50,229 --> 01:28:48,480

like if you do meth like if you do meth

2323

01:28:53,430 --> 01:28:50,239

like at 7pm

2324

01:28:55,510 --> 01:28:53,440

on monday does it last a full 24 hours

2325

01:28:58,229 --> 01:28:55,520

to where you're good until tuesday night

2326

01:29:01,910 --> 01:28:58,239

i i don't know

2327

01:29:03,750 --> 01:29:01,920

quality of meth this was yeah but it

2328

01:29:06,149 --> 01:29:03,760

sounds like you get your money's worth

2329

01:29:07,910 --> 01:29:06,159

more than if you buy weed so i think you

2330

01:29:09,510 --> 01:29:07,920

get more bang for your buck too and not

2331

01:29:12,790 --> 01:29:09,520

only does it get you high but it

2332

01:29:13,990 --> 01:29:12,800

protects against psionic alien attacks

2333

01:29:15,430 --> 01:29:14,000

i'm just learning this kind of news

2334

01:29:17,110 --> 01:29:15,440

right here but i think there might be

2335

01:29:19,590 --> 01:29:17,120

something to it i think there might be

2336

01:29:21,590 --> 01:29:19,600

something to the altered states of mind

2337

01:29:23,750 --> 01:29:21,600

and encountering aliens and being able

2338

01:29:25,430 --> 01:29:23,760

to kind of like block it out there might

2339

01:29:26,470 --> 01:29:25,440

be some to it

2340

01:29:27,990 --> 01:29:26,480

uh

2341

01:29:29,910 --> 01:29:28,000

he goes on to say the suspect

2342

01:29:32,070 --> 01:29:29,920

spontaneously told me that he smokes

2343

01:29:34,950 --> 01:29:32,080

meth because it makes him feel better

2344

01:29:37,590 --> 01:29:34,960

and that it helps block the telepathic

2345

01:29:39,830 --> 01:29:37,600

communication from aliens

2346

01:29:41,910 --> 01:29:39,840

that's right

2347

01:29:45,189 --> 01:29:41,920

i mean this is i i this is the first i'm

2348

01:29:50,070 --> 01:29:45,199

hearing of it but yeah maybe meth does

2349

01:29:56,390 --> 01:29:53,350

yeah i i just do it for fun

2350

01:29:58,149 --> 01:29:56,400

i mean it's like micro dose yeah

2351

01:29:59,910 --> 01:29:58,159

there's a lot of people that micro dose

2352

01:30:02,229 --> 01:29:59,920

mushrooms i know i know quite a few

2353

01:30:02,950 --> 01:30:02,239

people who do that and they uh swear by

2354

01:30:12,390 --> 01:30:02,960

it

2355

01:30:14,870 --> 01:30:12,400

uh maguire was arraigned monday in

2356

01:30:18,149 --> 01:30:14,880

hawkins county uh hawkins county session

2357

01:30:20,950 --> 01:30:18,159

court and was order and was ordered held

2358

01:30:22,550 --> 01:30:20,960

on five thousand bond pending a

2359

01:30:25,189 --> 01:30:22,560

preliminary hearing

2360

01:30:27,270 --> 01:30:25,199

set on april fourth we gotta get this

2361

01:30:28,149 --> 01:30:27,280

guy out

2362

01:30:30,229 --> 01:30:28,159

i think

2363

01:30:31,910 --> 01:30:30,239

he's fighting aliens

2364

01:30:35,110 --> 01:30:31,920

he's doing god's work

2365

01:30:37,110 --> 01:30:35,120

uh he's out there boots on the ground

2366

01:30:38,470 --> 01:30:37,120

confronting these aliens smoking meth

2367

01:30:39,430 --> 01:30:38,480

doing what no one else appears to be

2368

01:30:45,270 --> 01:30:39,440

doing

2369

01:30:47,750 --> 01:30:45,280

taking pictures god damn it yes i agree

2370

01:30:49,590 --> 01:30:47,760

if you if you had enough sense to smoke

2371

01:30:50,790 --> 01:30:49,600

meth grab your camera

2372

01:30:52,149 --> 01:30:50,800

for sure

2373

01:30:54,470 --> 01:30:52,159

especially if you know you're smoking

2374

01:30:56,950 --> 01:30:54,480

meth to go fight aliens

2375

01:30:58,390 --> 01:30:56,960

get your meth you got your shotgun you

2376

01:31:00,790 --> 01:30:58,400

got your camera

2377

01:31:03,189 --> 01:31:00,800

not it's not that difficult yep you can

2378

01:31:05,990 --> 01:31:03,199

take a photo before or after it really

2379

01:31:07,430 --> 01:31:06,000

doesn't matter yeah i don't know just

2380

01:31:09,669 --> 01:31:07,440

document the damage

2381

01:31:11,590 --> 01:31:09,679

do what you do buddy but i i think he's

2382

01:31:14,070 --> 01:31:11,600

a little wiser now and i think he's

2383

01:31:15,510 --> 01:31:14,080

probably learned from his mistakes and

2384

01:31:17,270 --> 01:31:15,520

that uh

2385

01:31:19,270 --> 01:31:17,280

you know uh i don't know what he learned

2386

01:31:22,550 --> 01:31:19,280

but hopefully he learned something

2387

01:31:25,350 --> 01:31:22,560

uh there is report hundreds uh are

2388

01:31:27,350 --> 01:31:25,360

seeing a v-shaped ufo

2389

01:31:30,070 --> 01:31:27,360
over ireland i'll see if i can bring

2390

01:31:32,070 --> 01:31:30,080
this up on screen

2391

01:31:32,950 --> 01:31:32,080
we go

2392

01:31:35,030 --> 01:31:32,960
uh

2393

01:31:37,830 --> 01:31:35,040
yes yes yes hundreds are seeing a

2394

01:31:40,149 --> 01:31:37,840
v-shaped ufo over ireland uh the

2395

01:31:42,470 --> 01:31:40,159
mysterious object was spotted

2396

01:31:43,430 --> 01:31:42,480
on the night of march 2nd by residents

2397

01:31:45,510 --> 01:31:43,440
of

2398

01:31:47,590 --> 01:31:45,520
cyglo saigo

2399

01:31:50,950 --> 01:31:47,600
sligo are you going to try to pronounce

2400

01:31:54,070 --> 01:31:50,960
irish town names uh

2401
01:31:56,709 --> 01:31:54,080
yeah no no i won't

2402
01:31:59,750 --> 01:31:56,719
you're right just say dublin

2403
01:32:01,910 --> 01:31:59,760
someplace near dublin

2404
01:32:03,990 --> 01:32:01,920
uh in what can only be described as a

2405
01:32:05,830 --> 01:32:04,000
mass ufo sighting

2406
01:32:08,310 --> 01:32:05,840
witnesses from several parts of the

2407
01:32:10,790 --> 01:32:08,320
country near dublin probably

2408
01:32:13,350 --> 01:32:10,800
northwestern region reported seeing a

2409
01:32:15,669 --> 01:32:13,360
silent v-shaped object with rows of

2410
01:32:18,790 --> 01:32:15,679
lights on the underside

2411
01:32:20,629 --> 01:32:18,800
um that's not that different of a

2412
01:32:25,590 --> 01:32:20,639
description of what people saw over

2413
01:32:27,669 --> 01:32:25,600

phoenix in the mid-1990s very similar

2414

01:32:29,990 --> 01:32:27,679

quote it was i was out having a

2415

01:32:31,910 --> 01:32:30,000

cigarette out back and i looked up and i

2416

01:32:33,590 --> 01:32:31,920

see a thing initially i thought it was a

2417

01:32:35,350 --> 01:32:33,600

flock of geese and i realized very

2418

01:32:38,390 --> 01:32:35,360

quickly it wasn't

2419

01:32:39,590 --> 01:32:38,400

said singer tabby callahan i don't know

2420

01:32:40,870 --> 01:32:39,600

why they'd throw a head to throw in that

2421

01:32:42,629 --> 01:32:40,880

she was a singer but maybe that's

2422

01:32:45,189 --> 01:32:42,639

relevant somehow

2423

01:32:46,149 --> 01:32:45,199

uh i would describe it as an upside down

2424

01:32:53,590 --> 01:32:46,159

w

2425

01:32:56,229 --> 01:32:53,600

even a domestic flight

2426

01:32:58,629 --> 01:32:56,239

it went over our house it was very slow

2427

01:33:00,709 --> 01:32:58,639

it wasn't fast and here's the creepy

2428

01:33:03,110 --> 01:33:00,719

thing it was totally silent

2429

01:33:05,430 --> 01:33:03,120

as it went over the house it was

2430

01:33:06,950 --> 01:33:05,440

mind-blowing to be honest with you

2431

01:33:09,669 --> 01:33:06,960

if it was military

2432

01:33:13,590 --> 01:33:09,679

it was very very high-end

2433

01:33:15,830 --> 01:33:13,600

like i say it was huge it was low and it

2434

01:33:18,550 --> 01:33:15,840

was silent that

2435

01:33:21,350 --> 01:33:18,560

that is the phoenix lights incident

2436

01:33:22,870 --> 01:33:21,360

that traveled from the the northern part

2437

01:33:24,390 --> 01:33:22,880

of phoenix probably through

2438

01:33:27,590 --> 01:33:24,400

uh

2439

01:33:28,870 --> 01:33:27,600

nevada down through phoenix and

2440

01:33:30,709 --> 01:33:28,880

went south

2441

01:33:32,390 --> 01:33:30,719

seen by thousands of people

2442

01:33:34,310 --> 01:33:32,400

recorded on video

2443

01:33:36,870 --> 01:33:34,320

multiple different descriptions of a

2444

01:33:38,709 --> 01:33:36,880

very similar thing as to what they saw

2445

01:33:41,350 --> 01:33:38,719

in ireland here

2446

01:33:44,310 --> 01:33:41,360

uh quote i saw a massive ufo over the

2447

01:33:45,590 --> 01:33:44,320

house i know it sounds crazy but my wife

2448

01:33:48,070 --> 01:33:45,600

saw it too

2449

01:33:50,950 --> 01:33:48,080

it looked like a stealth bomber

2450

01:33:53,750 --> 01:33:50,960

but it was kind of translucent

2451
01:33:57,030 --> 01:33:53,760
that's also report that was stated

2452
01:33:58,550 --> 01:33:57,040
with the phoenix lights that people saw

2453
01:34:01,590 --> 01:33:58,560
stars

2454
01:34:03,430 --> 01:34:01,600
on the other side of the ufo um but it

2455
01:34:05,750 --> 01:34:03,440
wasn't like the exact star field it was

2456
01:34:08,229 --> 01:34:05,760
like they're using some sort of stealth

2457
01:34:10,550 --> 01:34:08,239
visual stealth technology

2458
01:34:12,550 --> 01:34:10,560
and by all accounts according to

2459
01:34:15,350 --> 01:34:12,560
some people that uh have really looked

2460
01:34:18,629 --> 01:34:15,360
into the phoenix lights it was in the

2461
01:34:21,830 --> 01:34:18,639
neighborhood of a football field in size

2462
01:34:25,350 --> 01:34:21,840
and length so monstrous craft

2463
01:34:26,790 --> 01:34:25,360

and now it is being cited over in

2464

01:34:28,629 --> 01:34:26,800

ireland

2465

01:34:30,629 --> 01:34:28,639

so i would have to assume

2466

01:34:33,990 --> 01:34:30,639

if it is the same craft at this point

2467

01:34:37,990 --> 01:34:34,000

this is old tech and if it's that old

2468

01:34:39,590 --> 01:34:38,000

they might be rolling it out right now

2469

01:34:42,390 --> 01:34:39,600

and for

2470

01:34:43,910 --> 01:34:42,400

operational use whatever it is it's

2471

01:34:45,830 --> 01:34:43,920

like digging it out of the garage to

2472

01:34:46,950 --> 01:34:45,840

make sure it still works yeah you know

2473

01:34:48,870 --> 01:34:46,960

they got to make sure they jump start

2474

01:34:51,510 --> 01:34:48,880

the battery make sure that thing starts

2475

01:34:53,990 --> 01:34:51,520

up properly drain all the fluids gotta

2476

01:34:56,229 --> 01:34:54,000

do a transmission uh

2477

01:34:57,830 --> 01:34:56,239

flush on that make sure we're good to go

2478

01:34:59,590 --> 01:34:57,840

yeah you guys got to do you got you got

2479

01:35:01,350 --> 01:34:59,600

to do everything that is required to get

2480

01:35:02,870 --> 01:35:01,360

this thing because there's not been a

2481

01:35:05,590 --> 01:35:02,880

lot of reports

2482

01:35:08,070 --> 01:35:05,600

of this large of a ufo

2483

01:35:09,910 --> 01:35:08,080

in a while at least not a mass sighting

2484

01:35:11,189 --> 01:35:09,920

so i'm suspecting this is

2485

01:35:13,590 --> 01:35:11,199

uh older

2486

01:35:14,870 --> 01:35:13,600

u.s tech that is

2487

01:35:16,070 --> 01:35:14,880

going to be

2488

01:35:18,950 --> 01:35:16,080

rolled out

2489

01:35:20,229 --> 01:35:18,960

for ukraine in some sort of surveillance

2490

01:35:21,669 --> 01:35:20,239

capacity that's the they're trying to

2491

01:35:23,109 --> 01:35:21,679

start it up right back there so in the

2492

01:35:25,350 --> 01:35:23,119

original article in the irish mirrors

2493

01:35:27,510 --> 01:35:25,360

described they said shaped like a b-52

2494

01:35:30,390 --> 01:35:27,520

stealth but made of lights

2495

01:35:33,350 --> 01:35:30,400

okay so that i think they mean the b2

2496

01:35:35,669 --> 01:35:33,360

stealth not the b52 stealth um unless

2497

01:35:36,950 --> 01:35:35,679

there's another one b52 that's the band

2498

01:35:38,790 --> 01:35:36,960

you know

2499

01:35:40,790 --> 01:35:38,800

shaped like a crummy rockabilly band

2500

01:35:42,950 --> 01:35:40,800

from the 80s um

2501

01:35:44,709 --> 01:35:42,960

the uh

2502

01:35:45,990 --> 01:35:44,719

but the if if it's like the b2 stealth

2503

01:35:47,910 --> 01:35:46,000

they're basically saying it's a large

2504

01:35:50,390 --> 01:35:47,920

dark triangle shape with with weird

2505

01:35:51,910 --> 01:35:50,400

lights on it so yeah

2506

01:35:53,590 --> 01:35:51,920

which would be odd because if it is a

2507

01:35:54,550 --> 01:35:53,600

surveillance craft if it is a stealth

2508

01:35:55,669 --> 01:35:54,560

craft

2509

01:35:57,030 --> 01:35:55,679

um

2510

01:35:58,550 --> 01:35:57,040

that the us is flying around why would

2511

01:35:59,990 --> 01:35:58,560

they have lights on it

2512

01:36:01,830 --> 01:36:00,000

yeah that's the thing if you want to be

2513

01:36:03,030 --> 01:36:01,840

stealthy just turn those puppies off

2514

01:36:04,709 --> 01:36:03,040

maybe they forgot to turn them off it's

2515

01:36:05,669 --> 01:36:04,719

like a manual switch i was driving

2516

01:36:07,669 --> 01:36:05,679

around with this blinker on the whole

2517

01:36:09,830 --> 01:36:07,679

time it is old tech they didn't have

2518

01:36:11,830 --> 01:36:09,840

those uh those automatic lights come on

2519

01:36:14,229 --> 01:36:11,840

when it gets like dark didn't have those

2520

01:36:16,950 --> 01:36:14,239

sensors until what the late 90s early

2521

01:36:17,990 --> 01:36:16,960

2000s and uh if this is the older tech

2522

01:36:19,270 --> 01:36:18,000

they probably don't have that upgrade

2523

01:36:20,709 --> 01:36:19,280

okay you're saying this is the pilot's

2524

01:36:22,550 --> 01:36:20,719

fault he's so used to his car's

2525

01:36:23,910 --> 01:36:22,560

automatic running lights yeah that he

2526

01:36:25,350 --> 01:36:23,920

just kind of got in and fired this thing

2527

01:36:27,109 --> 01:36:25,360

up was cruising around has blinker

2528

01:36:29,430 --> 01:36:27,119

lights on didn't realize he left his uh

2529

01:36:31,990 --> 01:36:29,440

his headlights on the entire time

2530

01:36:34,390 --> 01:36:32,000

yeah uh or you know it forgot to turn

2531

01:36:37,430 --> 01:36:34,400

them off or they want to be seen they

2532

01:36:39,430 --> 01:36:37,440

want this is like some sort of

2533

01:36:41,189 --> 01:36:39,440

minimal show of force like hey we're

2534

01:36:43,430 --> 01:36:41,199

rolling this thing out putin you know

2535

01:36:44,310 --> 01:36:43,440

what we got buddy you're not escaping

2536

01:36:46,629 --> 01:36:44,320

this

2537

01:36:48,310 --> 01:36:46,639

here comes the ufo attack

2538

01:36:49,590 --> 01:36:48,320

a couple headlines here that i want to

2539

01:36:50,629 --> 01:36:49,600

get to

2540

01:36:53,340 --> 01:36:50,639

and

2541

01:36:54,709 --> 01:36:53,350

this is the first one they last year

2542

01:36:56,950 --> 01:36:54,719

[Music]

2543

01:36:59,590 --> 01:36:56,960

the united states government received a

2544

01:37:03,510 --> 01:36:59,600

uap report

2545

01:37:07,030 --> 01:37:03,520

and uh it was the public version of the

2546

01:37:09,669 --> 01:37:07,040

uap report congress uh demanded some

2547

01:37:10,550 --> 01:37:09,679

action and they released a public report

2548

01:37:13,590 --> 01:37:10,560

well

2549

01:37:15,270 --> 01:37:13,600

uh the guy john i think greenwald over

2550

01:37:17,270 --> 01:37:15,280

at black vault

2551
01:37:19,910 --> 01:37:17,280
he is prolific in the amount of foia

2552
01:37:22,470 --> 01:37:19,920
requests that he sends out to the

2553
01:37:25,030 --> 01:37:22,480
government asking about information

2554
01:37:27,270 --> 01:37:25,040
concerning ufos and all that kind of

2555
01:37:28,070 --> 01:37:27,280
stuff well he got the

2556
01:37:30,070 --> 01:37:28,080
uh

2557
01:37:32,870 --> 01:37:30,080
redacted version

2558
01:37:35,030 --> 01:37:32,880
and there's a lot more tidbits in there

2559
01:37:36,629 --> 01:37:35,040
that were not disclosed to the public

2560
01:37:38,709 --> 01:37:36,639
and there's just indications that

2561
01:37:40,390 --> 01:37:38,719
there's a lot more interesting material

2562
01:37:41,990 --> 01:37:40,400
that wasn't in the the public version in

2563
01:37:43,910 --> 01:37:42,000

2021

2564

01:37:45,510 --> 01:37:43,920

so this is a quick little uh article

2565

01:37:47,510 --> 01:37:45,520

here so last june the department of

2566

01:37:49,750 --> 01:37:47,520

defense released a long the long awaited

2567

01:37:51,990 --> 01:37:49,760

and much hyped document called

2568

01:37:53,910 --> 01:37:52,000

preliminary assessment unidentified

2569

01:37:55,750 --> 01:37:53,920

aerial phenomena detailing the

2570

01:37:57,590 --> 01:37:55,760

government's knowledge about ufos and

2571

01:37:59,030 --> 01:37:57,600

this program trying to detect and

2572

01:38:02,229 --> 01:37:59,040

catalog them

2573

01:38:04,390 --> 01:38:02,239

many ufologists hope that the ufo report

2574

01:38:05,990 --> 01:38:04,400

would be a watershed moment in the field

2575

01:38:09,270 --> 01:38:06,000

showing that the government was taking

2576

01:38:11,189 --> 01:38:09,280

ufo seriously in perhaps explaining what

2577

01:38:13,590 --> 01:38:11,199

the government thought they were

2578

01:38:15,510 --> 01:38:13,600

unfortunately the nine page report was

2579

01:38:18,390 --> 01:38:15,520

pretty underwhelming for the most part

2580

01:38:21,510 --> 01:38:18,400

it revealed things we already knew

2581

01:38:25,109 --> 01:38:21,520

and read primarily like a plea from the

2582

01:38:27,270 --> 01:38:25,119

dod for more funding tantalizingly

2583

01:38:29,510 --> 01:38:27,280

we were told that members of congress

2584

01:38:31,669 --> 01:38:29,520

received a classified briefing with more

2585

01:38:33,669 --> 01:38:31,679

information that would likely never be

2586

01:38:35,510 --> 01:38:33,679

released to the public

2587

01:38:38,310 --> 01:38:35,520

john greenwald

2588

01:38:40,550 --> 01:38:38,320

the government transparency virtuoso

2589

01:38:43,189 --> 01:38:40,560

behind black vault however has a gift

2590

01:38:46,070 --> 01:38:43,199

for us today a redacted version of the

2591

01:38:48,310 --> 01:38:46,080

classified report obtained by filing a

2592

01:38:50,790 --> 01:38:48,320

mandatory declassification review the

2593

01:38:52,950 --> 01:38:50,800

version of the report is longer and much

2594

01:38:55,669 --> 01:38:52,960

more interesting detailing for example

2595

01:38:58,629 --> 01:38:55,679

the most common shapes of ufos spotted

2596

01:38:59,830 --> 01:38:58,639

by the military round uh i think it

2597

01:39:01,430 --> 01:38:59,840

might be

2598

01:39:03,109 --> 01:39:01,440

over i think brown i think round and

2599

01:39:04,709 --> 01:39:03,119

oval is probably going to be tops in

2600

01:39:06,310 --> 01:39:04,719

that list right

2601

01:39:09,350 --> 01:39:06,320

tic tac

2602

01:39:11,669 --> 01:39:09,360

that's round that's a round shape

2603

01:39:13,430 --> 01:39:11,679

there are diamond-shaped ufos is is a

2604

01:39:15,910 --> 01:39:13,440

little bit more rare and they're our

2605

01:39:18,950 --> 01:39:15,920

triangle so

2606

01:39:21,030 --> 01:39:18,960

decahedrons or rhombuses

2607

01:39:23,189 --> 01:39:21,040

i think your standard rhombus very rare

2608

01:39:25,350 --> 01:39:23,199

ufo sighting but that's your standard

2609

01:39:26,470 --> 01:39:25,360

rhyme by ufo over there we don't know

2610

01:39:28,470 --> 01:39:26,480

because

2611

01:39:30,709 --> 01:39:28,480

that's classified

2612

01:39:33,270 --> 01:39:30,719

we don't know so they they say there's a

2613

01:39:35,669 --> 01:39:33,280

there is a a subject

2614

01:39:37,430 --> 01:39:35,679

uh headline called common ufo shapes but

2615

01:39:38,629 --> 01:39:37,440

then the rest of it's blacked out we

2616

01:39:40,709 --> 01:39:38,639

don't know what the most common shapes

2617

01:39:43,109 --> 01:39:40,719

are i don't know why that is critical to

2618

01:39:44,629 --> 01:39:43,119

national security that they have

2619

01:39:47,350 --> 01:39:44,639

that's classified you can't know what

2620

01:39:49,990 --> 01:39:47,360

that shape is okay that's that shape is

2621

01:39:51,510 --> 01:39:50,000

an unidentified shape so

2622

01:39:53,590 --> 01:39:51,520

well uh certain sections of the

2623

01:39:56,470 --> 01:39:53,600

classifier report such as one called a

2624

01:39:59,350 --> 01:39:56,480

handful of uap appear to demonstrate

2625

01:40:01,189 --> 01:39:59,360

advanced technology have far more detail

2626

01:40:03,109 --> 01:40:01,199

on specific incidents that the

2627

01:40:04,149 --> 01:40:03,119

department of defense can and cannot

2628

01:40:06,310 --> 01:40:04,159

explain

2629

01:40:08,470 --> 01:40:06,320

and that are not mentioned in the public

2630

01:40:10,790 --> 01:40:08,480

report including seemingly two different

2631

01:40:12,629 --> 01:40:10,800

incidents witnessed by multiple pilots

2632

01:40:15,510 --> 01:40:12,639

and officers in the navy a section

2633

01:40:17,590 --> 01:40:15,520

called uap probably lack a single

2634

01:40:20,470 --> 01:40:17,600

explanation seemingly attempts to go

2635

01:40:23,189 --> 01:40:20,480

into greater depths exploring what those

2636

01:40:25,669 --> 01:40:23,199

explanations could be and also has an

2637

01:40:27,669 --> 01:40:25,679

extra rejected redacted paragraph about

2638

01:40:31,990 --> 01:40:27,679

what the dod believes could be

2639

01:40:35,350 --> 01:40:32,000

attributed to foreign adversary systems

2640

01:40:37,270 --> 01:40:35,360

most interestingly redacted figure image

2641

01:40:39,669 --> 01:40:37,280

figures images and diagrams in the

2642

01:40:42,550 --> 01:40:39,679

classified report explain what the dod

2643

01:40:45,189 --> 01:40:42,560

believes to be the most common shapes

2644

01:40:47,430 --> 01:40:45,199

of ufos as well as less common irregular

2645

01:40:49,990 --> 01:40:47,440

shapes these sections are completely

2646

01:40:52,390 --> 01:40:50,000

omitted in the public report and are

2647

01:40:55,830 --> 01:40:52,400

unfortunately redacted in the version of

2648

01:40:57,910 --> 01:40:55,840

the report obtained by greenwald

2649

01:41:00,229 --> 01:40:57,920

the classified report also explains that

2650

01:41:02,790 --> 01:41:00,239

the fbi has investigated and will

2651
01:41:05,430 --> 01:41:02,800
continue to investigate ufos in an

2652
01:41:07,830 --> 01:41:05,440
attempt to ascertain the cause of the

2653
01:41:10,310 --> 01:41:07,840
phenomenon a redacted section seems to

2654
01:41:11,510 --> 01:41:10,320
explain which instances it has

2655
01:41:12,950 --> 01:41:11,520
investigated

2656
01:41:14,950 --> 01:41:12,960
uh given the national security

2657
01:41:17,669 --> 01:41:14,960
implications associated with potential

2658
01:41:19,590 --> 01:41:17,679
threats posed by uap operating in close

2659
01:41:21,910 --> 01:41:19,600
proximity to sensitive military

2660
01:41:23,270 --> 01:41:21,920
activities installations critical

2661
01:41:25,910 --> 01:41:23,280
infrastructure

2662
01:41:28,390 --> 01:41:25,920
or other national security sites the fbi

2663
01:41:31,430 --> 01:41:28,400

is positioned to use its investigative

2664

01:41:34,629 --> 01:41:31,440

capabilities and authorities to support

2665

01:41:39,350 --> 01:41:34,639

deliberate dod and interagency efforts

2666

01:41:44,149 --> 01:41:43,189

i will lose my mind today

2667

01:41:46,390 --> 01:41:44,159

they're not going to tell us anything

2668

01:41:47,669 --> 01:41:46,400

they're not going to tell us [h__\h] what

2669

01:41:49,430 --> 01:41:47,679

about wasn't there supposed to be an

2670

01:41:50,310 --> 01:41:49,440

office that was supposed to liaise

2671

01:41:52,390 --> 01:41:50,320

between

2672

01:41:53,669 --> 01:41:52,400

the dod and the faa and kind of go

2673

01:41:55,350 --> 01:41:53,679

through all this stuff for any sort of

2674

01:41:56,950 --> 01:41:55,360

report so they could they could like

2675

01:41:58,390 --> 01:41:56,960

basically federalize the whole thing

2676

01:42:00,950 --> 01:41:58,400

yeah well there's

2677

01:42:03,510 --> 01:42:00,960

a prospective new office but there is a

2678

01:42:06,229 --> 01:42:03,520

new office within the pentagon that is

2679

01:42:07,990 --> 01:42:06,239

supposed to be the liaison the public

2680

01:42:09,910 --> 01:42:08,000

facing so if you want to ask questions

2681

01:42:12,310 --> 01:42:09,920

directly i think to the pentagon you

2682

01:42:14,229 --> 01:42:12,320

talk to this office and then they will

2683

01:42:15,750 --> 01:42:14,239

stonewall you and i believe that person

2684

01:42:17,430 --> 01:42:15,760

who's the new office of people who won't

2685

01:42:20,550 --> 01:42:17,440

answer your questions exactly and that's

2686

01:42:21,750 --> 01:42:20,560

i think headed up by an air force person

2687

01:42:22,870 --> 01:42:21,760

um

2688

01:42:24,229 --> 01:42:22,880

sir we're not allowed to answer that but

2689

01:42:26,229 --> 01:42:24,239

if you call this number they will also

2690

01:42:27,590 --> 01:42:26,239

not answer it

2691

01:42:29,510 --> 01:42:27,600

yeah it's just we have a different

2692

01:42:31,990 --> 01:42:29,520

number to [h__h] you from

2693

01:42:34,070 --> 01:42:32,000

uh it by all accounts at least on the

2694

01:42:35,669 --> 01:42:34,080

surface here it seems like the navy is

2695

01:42:37,350 --> 01:42:35,679

trying to be

2696

01:42:39,510 --> 01:42:37,360

a little bit more out front in this

2697

01:42:41,350 --> 01:42:39,520

maybe this is some ball busting and dick

2698

01:42:43,109 --> 01:42:41,360

waving like the navy feels like they're

2699

01:42:45,910 --> 01:42:43,119

not getting as much money as the air

2700

01:42:47,910 --> 01:42:45,920

force and so they're like hey

2701

01:42:51,510 --> 01:42:47,920

this is what we we need more money

2702

01:42:53,910 --> 01:42:51,520

because we are being tracked and and

2703

01:42:55,750 --> 01:42:53,920

followed by these ufos so give us more

2704

01:42:57,350 --> 01:42:55,760

money so else we're gonna release more

2705

01:42:58,229 --> 01:42:57,360

information we got pilots they want to

2706

01:42:59,750 --> 01:42:58,239

talk

2707

01:43:01,830 --> 01:42:59,760

uh possibly

2708

01:43:03,830 --> 01:43:01,840

uh i i don't really have uh too much

2709

01:43:05,189 --> 01:43:03,840

faith in the fbi to uh

2710

01:43:06,629 --> 01:43:05,199

figure out what's going on with the ufo

2711

01:43:09,109 --> 01:43:06,639

phenomenon if they haven't figured it

2712

01:43:10,390 --> 01:43:09,119

out for the past 60 years what's new

2713

01:43:12,229 --> 01:43:10,400

oh they'll be a new guy they'll hire a

2714

01:43:16,310 --> 01:43:12,239

new kid and i'll crack the case give us

2715

01:43:19,030 --> 01:43:16,320

an email at our big dumb month gmail.com
