

**STRANGE
SPACE
FORCE
LOGOS**

1
00:00:00,270 --> 00:00:06,389
[Applause]

2
00:00:10,790 --> 00:00:08,070
visual story and it's a it's a listicle

3
00:00:13,350 --> 00:00:10,800
or something let's call it a slideshow

4
00:00:17,189 --> 00:00:13,360
a slideshow slideshow okay i like

5
00:00:22,150 --> 00:00:19,990
all right space forces mysterious unit

6
00:00:25,910 --> 00:00:22,160
logo

7
00:00:29,189 --> 00:00:25,920
uh that's good news

8
00:00:30,870 --> 00:00:29,199
okay so this is very visual

9
00:00:34,709 --> 00:00:30,880
which is great for an audio podcast yeah

10
00:00:36,389 --> 00:00:34,719
it looks like this story so in 2018

11
00:00:37,910 --> 00:00:36,399
uh president donald trump i would not

12
00:00:39,350 --> 00:00:37,920
read this article it just goes on and on

13
00:00:40,950 --> 00:00:39,360

and on and on just click the thing that

14

00:00:42,709 --> 00:00:40,960

says start slideshow and you can kind of

15

00:00:44,069 --> 00:00:42,719

start slideshow okay

16

00:00:47,190 --> 00:00:44,079

and then so we're just looking at

17

00:00:50,630 --> 00:00:47,200

various logos that i think were

18

00:00:52,709 --> 00:00:50,640

that are the logo so number 15 is space

19

00:00:54,630 --> 00:00:52,719

systems command which is a delta shape

20

00:00:58,950 --> 00:00:54,640

which is very common the delta shape is

21

00:01:01,830 --> 00:00:58,960

very common in all space travel logos

22

00:01:02,709 --> 00:01:01,840

and uh it's got the number 45 on there

23

00:01:04,630 --> 00:01:02,719

and

24

00:01:07,270 --> 00:01:04,640

it's got a globe with something going

25

00:01:09,429 --> 00:01:07,280

around it so flat earthers are not going

26

00:01:10,830 --> 00:01:09,439

to like this logo

27

00:01:14,310 --> 00:01:10,840

not at

28

00:01:17,990 --> 00:01:14,320

all again uh the the the other one has

29

00:01:18,950 --> 00:01:18,000

an owl and all an owl holding a delta

30

00:01:21,749 --> 00:01:18,960

shape

31

00:01:24,149 --> 00:01:21,759

that is hovering above a globe you know

32

00:01:25,590 --> 00:01:24,159

with a unibrow by the way yeah with one

33

00:01:28,070 --> 00:01:25,600

unibrow

34

00:01:29,190 --> 00:01:28,080

of course that's a bit of a oxymoron i

35

00:01:30,230 --> 00:01:29,200

guess

36

00:01:33,590 --> 00:01:30,240

uh

37

00:01:34,950 --> 00:01:33,600

and it's a it's only a delta shape

38

00:01:37,270 --> 00:01:34,960

and

39

00:01:38,469 --> 00:01:37,280

a redundant oxymoron redundant

40

00:01:41,910 --> 00:01:38,479

um

41

00:01:44,630 --> 00:01:41,920

okay the more symbolism i call symbolism

42

00:01:46,630 --> 00:01:44,640

and then we have another one for space

43

00:01:49,590 --> 00:01:46,640

delta 11 which i'm not even sure what

44

00:01:51,109 --> 00:01:49,600

space delta is what's space delta 11.

45

00:01:52,469 --> 00:01:51,119

space delta 11 sounds like a good name

46

00:01:55,109 --> 00:01:52,479

for a uh

47

00:01:56,630 --> 00:01:55,119

like a chuck norris movie yeah i was

48

00:01:59,670 --> 00:01:56,640

gonna say or some sort of like crappy

49

00:02:01,990 --> 00:01:59,680

techno band again uh the delta space

50

00:02:03,030 --> 00:02:02,000

delta eleven thank you

51
00:02:05,670 --> 00:02:03,040
and then

52
00:02:07,670 --> 00:02:05,680
there's a there's space delta two

53
00:02:09,270 --> 00:02:07,680
which is my favorite one

54
00:02:10,949 --> 00:02:09,280
and it's got a ram's head with two

55
00:02:13,270 --> 00:02:10,959
swords below it that's a pretty badass

56
00:02:15,350 --> 00:02:13,280
logo another delta logo in it though it

57
00:02:16,790 --> 00:02:15,360
does have a delta logo right on the brow

58
00:02:19,589 --> 00:02:16,800
yep

59
00:02:21,350 --> 00:02:19,599
and then we have space delta 10

60
00:02:24,309 --> 00:02:21,360
which has

61
00:02:26,390 --> 00:02:24,319
a teacup or tea kettle some sort of like

62
00:02:28,070 --> 00:02:26,400
middle eastern kind of teeth

63
00:02:30,470 --> 00:02:28,080

pot

64

00:02:32,070 --> 00:02:30,480

uh hookahs and then it's got an x on it

65

00:02:33,830 --> 00:02:32,080

and then some kind of constellation with

66

00:02:35,509 --> 00:02:33,840

an arrow pointed out so another delta

67

00:02:38,070 --> 00:02:35,519

symbol

68

00:02:41,270 --> 00:02:38,080

and then we have uh space delta eight

69

00:02:43,110 --> 00:02:41,280

which looks like this evil scorpion

70

00:02:47,030 --> 00:02:43,120

kind of aliens take something from gi

71

00:02:48,710 --> 00:02:47,040

joe it does it looks like an evil gi joe

72

00:02:51,110 --> 00:02:48,720

organization

73

00:02:53,030 --> 00:02:51,120

and then you have space delta four

74

00:02:55,270 --> 00:02:53,040

all right maybe four

75

00:02:56,470 --> 00:02:55,280

which has a greek god and maybe it's

76

00:02:59,030 --> 00:02:56,480

aries

77

00:03:00,710 --> 00:02:59,040

or just some guy from the movie 300

78

00:03:03,670 --> 00:03:00,720

not sure yeah it's it actually literally

79

00:03:07,030 --> 00:03:03,680

is gerard butler yeah so he's on there

80

00:03:08,229 --> 00:03:07,040

and space delta seven has a bear holding

81

00:03:09,830 --> 00:03:08,239

a key

82

00:03:11,830 --> 00:03:09,840

which is interesting and then a

83

00:03:14,309 --> 00:03:11,840

constellation of the big dipper with a

84

00:03:15,910 --> 00:03:14,319

an arrow pointed to i think then some

85

00:03:17,190 --> 00:03:15,920

other star i don't know

86

00:03:18,550 --> 00:03:17,200

that's polaris in north star how do you

87

00:03:19,750 --> 00:03:18,560

find the north star you go to the front

88

00:03:21,350 --> 00:03:19,760

of the big dipper and you follow the

89

00:03:23,350 --> 00:03:21,360

front it draws the lines right to the

90

00:03:26,229 --> 00:03:23,360

north star oh okay don't you know how to

91

00:03:29,750 --> 00:03:26,239

navigate who gives a [h__\h] uh

92

00:03:32,149 --> 00:03:29,760

i can navigate using a compass

93

00:03:34,869 --> 00:03:32,159

i never use my phone

94

00:03:36,630 --> 00:03:34,879

uh then space delta five it has a tiger

95

00:03:38,470 --> 00:03:36,640

holding two lightning bolts sitting over

96

00:03:39,589 --> 00:03:38,480

a globe also very offensive flat

97

00:03:41,430 --> 00:03:39,599

earthers

98

00:03:43,990 --> 00:03:41,440

this one's also the tiger one also is

99

00:03:44,949 --> 00:03:44,000

like very uh you see this a lot in um uh

100

00:03:50,390 --> 00:03:44,959

in

101
00:03:52,550 --> 00:03:50,400
force

102
00:03:55,750 --> 00:03:52,560
uh maybe

103
00:03:57,830 --> 00:03:55,760
tiger rising possibly and then we have a

104
00:04:01,429 --> 00:03:57,840
very scary one del space delta nine

105
00:04:04,789 --> 00:04:01,439
where it looks like a giant

106
00:04:06,869 --> 00:04:04,799
it looks like a bigfoot carrying a sword

107
00:04:08,309 --> 00:04:06,879
it looks terrifying that's painful to

108
00:04:09,830 --> 00:04:08,319
look at

109
00:04:12,149 --> 00:04:09,840
i'm curious what's going on with with

110
00:04:13,589 --> 00:04:12,159
giant bigfoot with a sword having sex

111
00:04:16,550 --> 00:04:13,599
with the planet that's what it looks

112
00:04:19,749 --> 00:04:16,560
like he looks like a serial killer

113
00:04:22,550 --> 00:04:19,759

he's a cool patch i like the patch

114

00:04:25,909 --> 00:04:22,560

it's just very scary

115

00:04:28,150 --> 00:04:25,919

and then the space delta 3 has a cobra

116

00:04:29,510 --> 00:04:28,160

with lightning bolts that the cobra is

117

00:04:31,510 --> 00:04:29,520

wrapped around the earth like it's

118

00:04:33,830 --> 00:04:31,520

strength constricting it and it's about

119

00:04:36,150 --> 00:04:33,840

ready to bite the earth

120

00:04:38,390 --> 00:04:36,160

these are very like uh

121

00:04:40,550 --> 00:04:38,400

masculine you know very uh full of

122

00:04:42,070 --> 00:04:40,560

violence uh logos also a lot of them

123

00:04:42,870 --> 00:04:42,080

kind of threatening the planet which

124

00:04:44,629 --> 00:04:42,880

makes you wonder what they're doing

125

00:04:47,110 --> 00:04:44,639

they're all threatening the planet and

126

00:04:49,110 --> 00:04:47,120

yeah what's space force up to it's like

127

00:04:51,350 --> 00:04:49,120

sherwin williams

128

00:04:54,310 --> 00:04:51,360

like what are your plans here

129

00:04:56,070 --> 00:04:54,320

it's paint the world yeah do you do you

130

00:04:58,469 --> 00:04:56,080

remember the show throw up the sherwin

131

00:05:01,029 --> 00:04:58,479

williams for the people who are watching

132

00:05:04,870 --> 00:05:01,039

sherwin-williams logo yeah

133

00:05:10,629 --> 00:05:07,350

okay listen he's he's typing away he's

134

00:05:11,990 --> 00:05:10,639

got all the things going on

135

00:05:14,710 --> 00:05:12,000

uh

136

00:05:16,070 --> 00:05:14,720

oh my god so sherwin williams has like a

137

00:05:18,550 --> 00:05:16,080

paint bucket

138

00:05:22,390 --> 00:05:18,560

that is covering the earth with blood

139

00:05:27,830 --> 00:05:25,510

that's what it looks like yeah

140

00:05:31,270 --> 00:05:27,840

that's the illuminati right there notice

141

00:05:33,830 --> 00:05:31,280

the the paint can uh has swp for a

142

00:05:35,350 --> 00:05:33,840

severely weaponized pederast oh my god

143

00:05:38,390 --> 00:05:35,360

yeah

144

00:05:39,990 --> 00:05:38,400

you understand me

145

00:05:42,070 --> 00:05:40,000

that's that is

146

00:05:44,230 --> 00:05:42,080

that's creepy

147

00:05:46,310 --> 00:05:44,240

but i mean these are these are what

148

00:05:48,310 --> 00:05:46,320

we're looking at the space force logos

149

00:05:49,749 --> 00:05:48,320

and all like the denominations of space

150

00:05:51,110 --> 00:05:49,759

force looking like different christian

151

00:05:53,350 --> 00:05:51,120

denominations

152

00:05:54,469 --> 00:05:53,360

uh and they're all all the logos are

153

00:05:59,670 --> 00:05:54,479

very

154

00:06:01,590 --> 00:05:59,680

earth here um we've got a few more to go

155

00:06:04,230 --> 00:06:01,600

oh my god the next one's even worse it's

156

00:06:07,830 --> 00:06:04,240

got it looks like it has some sort of uh

157

00:06:09,110 --> 00:06:07,840

hindu god that is looking over earth and

158

00:06:12,309 --> 00:06:09,120

it looks

159

00:06:17,909 --> 00:06:15,590

oh look at that look at that demon boy

160

00:06:19,749 --> 00:06:17,919

it does it looks like it's very demonic

161

00:06:22,070 --> 00:06:19,759

it doesn't look like it's very friendly

162

00:06:23,990 --> 00:06:22,080

to earth there's no smiles here there's

163

00:06:26,150 --> 00:06:24,000

no thumbs up saying hey earth we're

164

00:06:29,029 --> 00:06:26,160

going to protect you no it says we are

165

00:06:31,510 --> 00:06:29,039

here to dominate you

166

00:06:32,950 --> 00:06:31,520

smile a very uh inoffensive smiling

167

00:06:35,270 --> 00:06:32,960

middle-aged white guy with his thumbs up

168

00:06:37,270 --> 00:06:35,280

hey guys this these they're going to

169

00:06:39,270 --> 00:06:37,280

dominate us like gary brosky dominates

170

00:06:44,550 --> 00:06:39,280

women and his very helpful cds that you

171

00:06:50,629 --> 00:06:45,909

uh

172

00:06:52,630 --> 00:06:50,639

the garrison commands and oh my god it's

173

00:06:54,230 --> 00:06:52,640

got like a six-headed hydra

174

00:06:56,710 --> 00:06:54,240

[Music]

175

00:06:59,270 --> 00:06:56,720

again crawling over earth

176

00:07:01,270 --> 00:06:59,280

hydra and cobra in this same same series

177

00:07:03,510 --> 00:07:01,280

yeah this is getting very this is

178

00:07:05,909 --> 00:07:03,520

strange this is creepy

179

00:07:07,990 --> 00:07:05,919

the last one okay oh my god it's got

180

00:07:08,950 --> 00:07:08,000

like a roman war helmet not the sexual

181

00:07:10,309 --> 00:07:08,960

move

182

00:07:12,550 --> 00:07:10,319

but uh

183

00:07:14,710 --> 00:07:12,560

a real roman war helmet

184

00:07:17,110 --> 00:07:14,720

with a skull on the inside of it with a

185

00:07:18,950 --> 00:07:17,120

delta below it pointed up at the skull

186

00:07:21,189 --> 00:07:18,960

so it's almost like are they saying that

187

00:07:22,390 --> 00:07:21,199

ancient rome launched men into space but

188

00:07:24,710 --> 00:07:22,400

didn't know how to get them back because

189

00:07:27,110 --> 00:07:24,720

it's a space helmet and that guy's dead

190

00:07:29,110 --> 00:07:27,120

i think so i mean why would you put the

191

00:07:30,550 --> 00:07:29,120

skull in there it's not very friendly

192

00:07:32,150 --> 00:07:30,560

symbolize all the astronauts that are

193

00:07:34,150 --> 00:07:32,160

corpses floating around in orbit around

194

00:07:37,110 --> 00:07:34,160

earth that we don't talk about i i okay

195

00:07:39,830 --> 00:07:37,120

i can see that all the the cosmonauts up

196

00:07:42,150 --> 00:07:39,840

there circling in in all all of our

197

00:07:43,990 --> 00:07:42,160

astronauts as well up there circling by

198

00:07:46,390 --> 00:07:44,000

the way that was bad wait to get to the

199

00:07:50,390 --> 00:07:46,400

next one they've got to have been

200

00:07:51,909 --> 00:07:50,400

biodegraded by now no no way up in space

201
00:07:53,670 --> 00:07:51,919
they're pretty pressurized they're

202
00:07:56,150 --> 00:07:53,680
perfectly preserved just oh so they're

203
00:07:57,430 --> 00:07:56,160
like mummified no you can get up there

204
00:07:59,189 --> 00:07:57,440
and have sex with them right now they're

205
00:08:01,830 --> 00:07:59,199
just good to go i would just hope they

206
00:08:04,070 --> 00:08:01,840
were like orbiting boners they might

207
00:08:05,589 --> 00:08:04,080
have some sort of decomposition i don't

208
00:08:08,150 --> 00:08:05,599
know that's a good question can we ask

209
00:08:09,670 --> 00:08:08,160
neil degrasse tyson that like if you

210
00:08:11,589 --> 00:08:09,680
were he's just going to talk about

211
00:08:13,909 --> 00:08:11,599
climate change [h__h] that probably you're

212
00:08:15,350 --> 00:08:13,919
probably right

213
00:08:17,670 --> 00:08:15,360

uh but i'd like to know the answer that

214

00:08:19,990 --> 00:08:17,680

like for the cosmonauts still orbiting

215

00:08:21,749 --> 00:08:20,000

up there like how decomposed are their

216

00:08:23,990 --> 00:08:21,759

bodies

217

00:08:26,469 --> 00:08:24,000

i'd like to know

218

00:08:29,430 --> 00:08:26,479

and then oh my

219

00:08:33,029 --> 00:08:29,440

this is the most evil of all

220

00:08:34,949 --> 00:08:33,039

holy [h__\h] this is for a space delta six

221

00:08:37,350 --> 00:08:34,959

and it's got the number 23 at top and

222

00:08:40,070 --> 00:08:37,360

then there's some sort of uh cloaked

223

00:08:42,790 --> 00:08:40,080

figure with glowing yellow eyes no

224

00:08:43,750 --> 00:08:42,800

facial features at all overlooking a

225

00:08:47,590 --> 00:08:43,760

globe

226

00:08:49,190 --> 00:08:47,600

with a a satellite dish pointed up it is

227

00:08:52,230 --> 00:08:49,200

creepy as hell

228

00:08:54,790 --> 00:08:52,240

he's got wi-fi though he does have wi-fi

229

00:08:56,150 --> 00:08:54,800

look at that face it's the cobra

230

00:08:57,350 --> 00:08:56,160

commander by the way scroll down to the

231

00:08:59,269 --> 00:08:57,360

alternates look at the bottom left the

232

00:09:01,430 --> 00:08:59,279

one with the 62. there's another one oh

233

00:09:03,430 --> 00:09:01,440

my god another bigfoot

234

00:09:06,470 --> 00:09:03,440

another bigfoot walking all over earth

235

00:09:09,430 --> 00:09:07,750

again there's some other good ones like

236

00:09:11,590 --> 00:09:09,440

there's one with wings and a sword that

237

00:09:13,590 --> 00:09:11,600

looks kind of nice but the story is the

238

00:09:16,070 --> 00:09:13,600

sword is stabbing earth at the north

239

00:09:19,190 --> 00:09:17,590

the literal gargoyle demon we have

240

00:09:21,590 --> 00:09:19,200

another hydro one in there and these are

241

00:09:23,990 --> 00:09:21,600

these are creepy uh imagery here yeah

242

00:09:26,389 --> 00:09:24,000

there's nothing happy here uh then uh i

243

00:09:28,310 --> 00:09:26,399

guess that's it oh my god

244

00:09:30,470 --> 00:09:28,320

this is space force now it is now a

245

00:09:32,070 --> 00:09:30,480

denom uh demonic

246

00:09:33,829 --> 00:09:32,080

uh group

247

00:09:36,470 --> 00:09:33,839

that uh

248

00:09:38,790 --> 00:09:36,480

are gonna rule us

249

00:09:40,550 --> 00:09:38,800

from orbit from where we're from raining

250

00:09:42,310 --> 00:09:40,560

down rods

251
00:09:45,350 --> 00:09:42,320
rods from god

252
00:09:47,750 --> 00:09:45,360
i have the tinfoil cowboy hat you will

253
00:09:50,870 --> 00:09:47,760
be protected i will be

254
00:09:52,470 --> 00:09:50,880
that that sherwin williams just like

255
00:09:55,509 --> 00:09:52,480
flow right around me it's like an

256
00:10:00,310 --> 00:09:58,550
i i i'd really like to

257
00:10:02,829 --> 00:10:00,320
like to know what the hell is trying is

258
00:10:05,430 --> 00:10:02,839
going on here i'm trying to find

259
00:10:09,269 --> 00:10:05,440
out like what are these logos about it's

260
00:10:12,069 --> 00:10:09,279
pretty they're pretty darn creepy

261
00:10:15,110 --> 00:10:12,079
i don't know it's crazy

262
00:10:17,829 --> 00:10:15,120
and the only symbols mean something

263
00:10:20,550 --> 00:10:17,839

yeah a lot of uh um

264

00:10:23,110 --> 00:10:20,560

demonic imagery a lot of uh illuminati

265

00:10:23,990 --> 00:10:23,120

imagery in there yeah so um yeah very

266

00:10:25,670 --> 00:10:24,000

strange

267

00:10:27,110 --> 00:10:25,680

very creepy very good

268

00:10:28,949 --> 00:10:27,120

it would be worth taking a lot of these

269

00:10:30,630 --> 00:10:28,959

these logos and the alternate ones that

270

00:10:32,710 --> 00:10:30,640

we didn't go through

271

00:10:33,829 --> 00:10:32,720

individually um and have someone do some

272

00:10:35,670 --> 00:10:33,839

some kind of

273

00:10:37,670 --> 00:10:35,680

uh analysis of them and see what what

274

00:10:40,790 --> 00:10:37,680

all the imagery means i'm sure uh jay

275

00:10:43,190 --> 00:10:40,800

dyer he he digs into that kind of stuff

276

00:10:44,310 --> 00:10:43,200

um there's a lot of people out there way

277

00:10:46,870 --> 00:10:44,320

more

278

00:10:49,670 --> 00:10:46,880

well-versed into that kind of occult

279

00:10:51,829 --> 00:10:49,680

symbology and symbolism

280

00:10:53,190 --> 00:10:51,839

uh oh it's i mean they're cool like on

281

00:10:55,269 --> 00:10:53,200

the face like hey they're cool looking

282

00:10:57,190 --> 00:10:55,279

patches yeah i mean i'm sure someone

283

00:10:59,190 --> 00:10:57,200

who's a part of space force would

284

00:11:01,590 --> 00:10:59,200

you know feel pretty badass wearing that

285

00:11:02,550 --> 00:11:01,600

patch or have a that on their t-shirt

286

00:11:04,710 --> 00:11:02,560

but

287

00:11:06,150 --> 00:11:04,720

at a deeper level

288

00:11:07,829 --> 00:11:06,160

pretty creepy

289

00:11:10,550 --> 00:11:07,839

they don't have anything

290

00:11:12,470 --> 00:11:10,560

like a happy they don't eat i saw no

291

00:11:13,509 --> 00:11:12,480

bald eagle they're

292

00:11:14,870 --> 00:11:13,519

looking for that there are a few of

293

00:11:16,310 --> 00:11:14,880

those in the alternates there's some

294

00:11:18,389 --> 00:11:16,320

bubbles and the alternates but not

295

00:11:20,389 --> 00:11:18,399

accepted so who whoever is part of the

296

00:11:22,870 --> 00:11:20,399

commission the panel

297

00:11:24,870 --> 00:11:22,880

that approves these logos we got to look

298

00:11:26,630 --> 00:11:24,880

at those people because i didn't see

299

00:11:28,389 --> 00:11:26,640

anything that was

300

00:11:31,350 --> 00:11:28,399

a stereotypical

301
00:11:32,790 --> 00:11:31,360
traditional american symbolism i saw a

302
00:11:35,430 --> 00:11:32,800
lot of

303
00:11:38,630 --> 00:11:35,440
uh octopuses bigfoots

304
00:11:41,110 --> 00:11:38,640
cloak figures two big feats like a lot

305
00:11:42,630 --> 00:11:41,120
of bigfoot which i'm okay with bigfoot

306
00:11:43,750 --> 00:11:42,640
being on there maybe that's what

307
00:11:45,750 --> 00:11:43,760
happened all the big feet they're all up

308
00:11:48,949 --> 00:11:45,760
in space i'm okay with that

309
00:11:50,790 --> 00:11:48,959
him being on our our patches but

310
00:11:52,470 --> 00:11:50,800
at least have him like have like a cape

311
00:11:53,590 --> 00:11:52,480
that is the american flag or something

312
00:11:55,430 --> 00:11:53,600
like that

313
00:11:57,590 --> 00:11:55,440

something that's like okay we're back

314

00:12:00,470 --> 00:11:57,600

wearing a uh an uncle sam style american

315

00:12:02,710 --> 00:12:00,480

flag top hat or maybe like a hulk hogan

316

00:12:04,790 --> 00:12:02,720

like bandana you know i was gonna say

317

00:12:07,829 --> 00:12:04,800

hacksaw jim duggan there you go yeah

318

00:12:09,590 --> 00:12:07,839

like a two by four and waving around

319

00:12:12,069 --> 00:12:09,600

american

320

00:12:15,350 --> 00:12:12,079

uh half open overalls right yeah

321

00:12:16,949 --> 00:12:15,360

a [h__h] bigfoot

322

00:12:19,670 --> 00:12:16,959

all right i think there's some there's

323

00:12:21,190 --> 00:12:19,680

some weird symbolism for uh space force

324

00:12:25,110 --> 00:12:21,200

all right yeah that's great give us an

325

00:12:26,509 --> 00:12:25,120
