

NEWS ATTACK

1
00:00:00,270 --> 00:00:06,789

[Applause]

2
00:00:10,230 --> 00:00:08,629

i've got this this one actually would be

3
00:00:11,589 --> 00:00:10,240

good this has happened twice in a row

4
00:00:13,910 --> 00:00:11,599

i'm gonna start with this one

5
00:00:16,550 --> 00:00:13,920

um there apparently was a massive

6
00:00:19,109 --> 00:00:16,560

pool noodle fight

7
00:00:21,189 --> 00:00:19,119

over who gets to use the name josh this

8
00:00:24,070 --> 00:00:21,199

is a real story

9
00:00:27,910 --> 00:00:24,080

a pool noodle fight

10
00:00:30,710 --> 00:00:27,920

okay sounds very controversial

11
00:00:34,549 --> 00:00:30,720

bring this up on uh screen here so we

12
00:00:36,389 --> 00:00:34,559

all can enjoy this together

13
00:00:39,270 --> 00:00:36,399

all right yes

14

00:00:42,869 --> 00:00:39,280

headline pool noodle fight over the name

15

00:00:45,510 --> 00:00:42,879

josh again attracts hundreds

16

00:00:47,830 --> 00:00:45,520

i love that headline

17

00:00:50,069 --> 00:00:47,840

okay a couple hundred people grab their

18

00:00:51,670 --> 00:00:50,079

pool noodles those are like the big like

19

00:00:53,750 --> 00:00:51,680

almost like kind of nerf things that are

20

00:00:55,270 --> 00:00:53,760

like floatation devices yeah people with

21

00:00:56,470 --> 00:00:55,280

them it's industrial pipe insulation

22

00:00:58,549 --> 00:00:56,480

they just had color and suddenly it's a

23

00:01:01,510 --> 00:00:58,559

pool noodle oh okay what an ingenious

24

00:01:04,390 --> 00:01:01,520

idea is that was that on shark tank

25

00:01:05,750 --> 00:01:04,400

i don't know if they put that on there

26

00:01:07,670 --> 00:01:05,760

well a couple hundred people grabbed

27

00:01:11,030 --> 00:01:07,680

their pool noodles and headed to a

28

00:01:12,950 --> 00:01:11,040

nebraska park again again this weekend

29

00:01:14,950 --> 00:01:12,960

to battle over the

30

00:01:16,870 --> 00:01:14,960

right to the name josh

31

00:01:19,830 --> 00:01:16,880

the event started out as an online joke

32

00:01:21,670 --> 00:01:19,840

when josh schwang from tucson arizona

33

00:01:24,230 --> 00:01:21,680

sent out a tweet challenging anyone who

34

00:01:27,109 --> 00:01:24,240

shared his name to fight over it

35

00:01:29,590 --> 00:01:27,119

after it took on the life of zone swain

36

00:01:32,230 --> 00:01:29,600

turned into a real event last year

37

00:01:34,469 --> 00:01:32,240

at the random coordinates he included in

38

00:01:36,630 --> 00:01:34,479

his original note uh which happened to

39

00:01:39,109 --> 00:01:36,640

be lincoln nebraska

40

00:01:42,310 --> 00:01:39,119

uh quote the enthusiasm from everyone

41

00:01:44,550 --> 00:01:42,320

here is just incredible swain told the

42

00:01:46,389 --> 00:01:44,560

lincoln journal star

43

00:01:49,270 --> 00:01:46,399

several other competitors this year

44

00:01:50,950 --> 00:01:49,280

donned costumes including masks animal

45

00:01:53,590 --> 00:01:50,960

suits and football helmets before

46

00:01:55,670 --> 00:01:53,600

heading out to the bowling lake park how

47

00:01:56,789 --> 00:01:55,680

do you swim with a like a football

48

00:01:58,149 --> 00:01:56,799

helmet on

49

00:01:59,670 --> 00:01:58,159

i don't know

50

00:02:00,389 --> 00:01:59,680

i might just drown walk in the water on

51
00:02:02,630 --> 00:02:00,399
the trail i don't think they were

52
00:02:04,389 --> 00:02:02,640
swimming no

53
00:02:05,429 --> 00:02:04,399
they're using pool noodles though i just

54
00:02:07,350 --> 00:02:05,439
assumed that there was going to be some

55
00:02:08,949 --> 00:02:07,360
sort of water involved there's not so

56
00:02:10,630 --> 00:02:08,959
actually i'd say drop you can you can

57
00:02:13,110 --> 00:02:10,640
stop reading at this point and i dropped

58
00:02:15,270 --> 00:02:13,120
a link into the carrot shop of footage

59
00:02:17,589 --> 00:02:15,280
of the event this is from last year this

60
00:02:19,670 --> 00:02:17,599
is the first one in 2021. okay let's

61
00:02:21,830 --> 00:02:19,680
take a look at these [h__\h]

62
00:02:24,150 --> 00:02:21,840
uh it's a new it's a news story i'll

63
00:02:25,990 --> 00:02:24,160

play the news story

64

00:02:28,070 --> 00:02:26,000

gotta get context here and it was a

65

00:02:30,710 --> 00:02:28,080

battle of a lifetime in lincoln today

66

00:02:33,430 --> 00:02:30,720

hashtag josh fight started as a pandemic

67

00:02:35,830 --> 00:02:33,440

joke but instead turned into an event

68

00:02:37,990 --> 00:02:35,840

watched by thousands across the country

69

00:02:40,630 --> 00:02:38,000

reporter yousef nassar takes us to

70

00:02:44,630 --> 00:02:40,640

lincoln for the unusual josh fight that

71

00:02:49,030 --> 00:02:46,949

it was an absolute josh pitt at lincoln

72

00:02:51,430 --> 00:02:49,040

air park on saturday big

73

00:02:52,949 --> 00:02:51,440

spider josh little josh a plethora of

74

00:02:54,949 --> 00:02:52,959

josh's gathered from all over the

75

00:02:57,190 --> 00:02:54,959

country to compete in the ultimate

76
00:02:58,790 --> 00:02:57,200
showdown i'm coming from minnesota i'm

77
00:03:00,790 --> 00:02:58,800
coming all the way from dallas so i'm

78
00:03:02,470 --> 00:03:00,800
from omaha i'm from wichita kansas i do

79
00:03:04,309 --> 00:03:02,480
four and a half hours to be here and of

80
00:03:06,869 --> 00:03:04,319
course the man who started it all josh

81
00:03:08,070 --> 00:03:06,879
swain of arizona i'm feeling josh pretty

82
00:03:09,589 --> 00:03:08,080
insane right now it's kind of out of

83
00:03:12,790 --> 00:03:09,599
body right now i honestly couldn't

84
00:03:14,550 --> 00:03:12,800
really tell you this is damn exciting

85
00:03:16,470 --> 00:03:14,560
at the moment a year ago swain took to

86
00:03:18,790 --> 00:03:16,480
facebook and challenged as many josh

87
00:03:20,630 --> 00:03:18,800
swains as he could to a battle royale

88
00:03:22,550 --> 00:03:20,640

the winner would earn the right to keep

89

00:03:24,309 --> 00:03:22,560

the name as the idea went viral swain

90

00:03:26,149 --> 00:03:24,319

decided to use the opportunity to

91

00:03:27,910 --> 00:03:26,159

contribute to charity the lincoln food

92

00:03:29,910 --> 00:03:27,920

bank and the children's hospital and

93

00:03:31,750 --> 00:03:29,920

medical center josh wayne of omaha took

94

00:03:34,149 --> 00:03:31,760

a year to prepare and competed in an

95

00:03:36,949 --> 00:03:34,159

epic duel of rock paper scissors best of

96

00:03:41,910 --> 00:03:40,149

swain emerged victorious i found another

97

00:03:44,789 --> 00:03:41,920

josh swain that was amazing did not

98

00:03:46,869 --> 00:03:44,799

expect that to happen and i came on top

99

00:03:48,710 --> 00:03:46,879

that's when the real competition began

100

00:03:51,150 --> 00:03:48,720

josh's from all over gathered in a

101
00:03:54,630 --> 00:03:51,160
circle to compete in a noodle fight

102
00:03:56,390 --> 00:03:54,640
[Applause]

103
00:04:08,309 --> 00:03:56,400
when pimp's on shows about pimps and

104
00:04:13,270 --> 00:04:10,309
they gave it to the kid he didn't even

105
00:04:16,229 --> 00:04:13,280
battle this is such like a

106
00:04:18,469 --> 00:04:16,239
oh my god if people like likes like bet

107
00:04:20,069 --> 00:04:18,479
my money on this the the fix was in for

108
00:04:22,150 --> 00:04:20,079
the beginning

109
00:04:24,550 --> 00:04:22,160
there's no way this kid won

110
00:04:26,790 --> 00:04:24,560
he's like four foot he's probably 10

111
00:04:28,950 --> 00:04:26,800
years old i think it's like five or six

112
00:04:31,030 --> 00:04:28,960
yeah i don't even think he's woke he's

113
00:04:32,950 --> 00:04:31,040

too old for joe biden he's not he's not

114

00:04:34,629 --> 00:04:32,960
an anti-racist kid no he's not an

115

00:04:35,670 --> 00:04:34,639
eight-time anti-racist baby that's for

116

00:04:37,189 --> 00:04:35,680
sure

117

00:04:38,950 --> 00:04:37,199
so i dropped a second link in the carrot

118

00:04:40,310 --> 00:04:38,960
shop it should start at 19 seconds it's

119

00:04:41,430 --> 00:04:40,320
just footage of the fight so this is

120

00:04:42,469 --> 00:04:41,440
this year

121

00:04:44,790 --> 00:04:42,479
you can tell because they're not wearing

122

00:04:45,909 --> 00:04:44,800
masks they're back again to fight it out

123

00:04:48,469 --> 00:04:45,919
uh this is still better than the

124

00:04:52,710 --> 00:04:48,479
prequels okay

125

00:04:57,030 --> 00:04:54,790
early saturday morning the united army

126
00:04:58,790 --> 00:04:57,040
of showed up once again to fight it out

127
00:05:00,469 --> 00:04:58,800
how they battle it out you ask the best

128
00:05:02,469 --> 00:05:00,479
way for josh is to duel in a pulling

129
00:05:04,629 --> 00:05:02,479
little battle hi everybody i used to be

130
00:05:06,070 --> 00:05:04,639
named josh but i lost the name josh last

131
00:05:07,510 --> 00:05:06,080
year in the josh fight so maybe i can

132
00:05:09,350 --> 00:05:07,520
reclaim it this year i think i'm going

133
00:05:11,189 --> 00:05:09,360
to win this year minnie josh's sought

134
00:05:13,909 --> 00:05:11,199
after the tightly held crown from big to

135
00:05:17,909 --> 00:05:15,909
but the winner of last year's josh feitz

136
00:05:19,990 --> 00:05:17,919
said he wasn't giving up his title so

137
00:05:21,909 --> 00:05:20,000
easy how do you think you're gonna win

138
00:05:25,270 --> 00:05:21,919

what's your plan

139

00:05:27,270 --> 00:05:25,280

um by everyone little josh had some big

140

00:05:29,029 --> 00:05:27,280

competition with captain josh sparrow

141

00:05:30,790 --> 00:05:29,039

fighting for the top spot and after a

142

00:05:32,790 --> 00:05:30,800

one-on-one fight to the finish little

143

00:05:36,790 --> 00:05:32,800

josh preville yet again keeping his

144

00:05:40,710 --> 00:05:38,550

lincoln will always be home to the fight

145

00:05:42,230 --> 00:05:40,720

and plans to continue the battle next

146

00:05:45,189 --> 00:05:42,240

year hopefully prove that it's kind of a

147

00:05:47,590 --> 00:05:45,199

sustainable event that we can keep going

148

00:05:49,749 --> 00:05:47,600

consistently throughout um each year oh

149

00:05:51,510 --> 00:05:49,759

yeah [h__h] they know kaiser

150

00:05:54,230 --> 00:05:51,520

all right it turned it into some sort of

151

00:05:55,990 --> 00:05:54,240

charity event there's no blood there's

152

00:05:57,510 --> 00:05:56,000

no i was disappointed that there wasn't

153

00:05:58,790 --> 00:05:57,520

some autistic josh who doesn't have a

154

00:06:00,870 --> 00:05:58,800

sense of humor who showed up with like

155

00:06:02,469 --> 00:06:00,880

an actual pipe and just heard it yeah

156

00:06:04,710 --> 00:06:02,479

like some sort of real gladiatorial

157

00:06:06,629 --> 00:06:04,720

combat here that kid runs out with the

158

00:06:08,309 --> 00:06:06,639

uh with the trophy this guy just runs

159

00:06:09,909 --> 00:06:08,319

out there and clocks them yeah really

160

00:06:11,189 --> 00:06:09,919

start kicking teeth and knocking heads

161

00:06:12,950 --> 00:06:11,199

that's what i'm thinking didn't they

162

00:06:15,110 --> 00:06:12,960

have cheating in boxing where they would

163

00:06:15,909 --> 00:06:15,120

put like metal and [h__h] sure gloves back

164

00:06:17,749 --> 00:06:15,919

in the day

165

00:06:21,270 --> 00:06:17,759

that's what i'm thinking you put like a

166

00:06:23,029 --> 00:06:21,280

a rot a copper pipe oh yeah [h__h] in

167

00:06:25,270 --> 00:06:23,039

there right in one of those pool noodles

168

00:06:28,309 --> 00:06:25,280

yeah yeah the guy runs out there with a

169

00:06:28,319 --> 00:06:34,469

knocking 11 year olds out left and right

170

00:06:37,830 --> 00:06:35,830

yeah there's no i don't see any like

171

00:06:39,510 --> 00:06:37,840

really beefy guys like i don't think

172

00:06:41,029 --> 00:06:39,520

there's the word spread to biker gangs

173

00:06:42,790 --> 00:06:41,039

yet if you can get like there's got to

174

00:06:43,909 --> 00:06:42,800

be some biker gangs with his name you

175

00:06:45,430 --> 00:06:43,919

know

176

00:06:47,909 --> 00:06:45,440

or that's only if you're fighting for

177

00:06:49,909 --> 00:06:47,919

the right to the name randy or something

178

00:06:53,189 --> 00:06:49,919

hulk hogan should change his name to

179

00:06:54,710 --> 00:06:53,199

josh swain just to compete in this and

180

00:06:56,870 --> 00:06:54,720

then he can start really knocking some

181

00:06:58,950 --> 00:06:56,880

heads that's for damn sure were there

182

00:07:00,790 --> 00:06:58,960

any big wrestlers in the past who had

183

00:07:01,670 --> 00:07:00,800

the names josh

184

00:07:03,990 --> 00:07:01,680

uh

185

00:07:05,350 --> 00:07:04,000

i don't think so joe would know there's

186

00:07:07,029 --> 00:07:05,360

anything i watched a lot of wrestling

187

00:07:09,270 --> 00:07:07,039

not that i know of i gave up with this

188

00:07:10,870 --> 00:07:09,280

you know stone cold era what about the

189

00:07:14,710 --> 00:07:10,880

ultimate josh

190

00:07:18,309 --> 00:07:14,720

there you go yeah do you what your ideas

191

00:07:22,070 --> 00:07:18,319

your beliefs to live forever

192

00:07:23,830 --> 00:07:22,080

i don't know what beliefs josh wayne has

193

00:07:25,270 --> 00:07:23,840

but uh they might live forever they're

194

00:07:27,670 --> 00:07:25,280

probably more coherent than that of the

195

00:07:29,189 --> 00:07:27,680

ultimate warrior probably the ultimate

196

00:07:36,950 --> 00:07:29,199

josh

197

00:07:38,070 --> 00:07:36,960

[Laughter]

198

00:07:39,270 --> 00:07:38,080

just

199

00:07:40,550 --> 00:07:39,280

comes running off the side in the

200

00:07:42,309 --> 00:07:40,560

background

201
00:07:44,950 --> 00:07:42,319
plowing people over

202
00:07:49,029 --> 00:07:44,960
clotheslining people chugging beer

203
00:07:53,510 --> 00:07:50,869
i kind of i kind of like uh

204
00:07:55,670 --> 00:07:53,520
josh hogan's good stone cold uh

205
00:07:59,589 --> 00:07:55,680
josh steve is good no it's gonna be it's

206
00:08:01,830 --> 00:07:59,599
gotta be uh hollywood hulk josh

207
00:08:03,670 --> 00:08:01,840
macho josh

208
00:08:05,830 --> 00:08:03,680
these are all good names macho man randy

209
00:08:08,869 --> 00:08:05,840
josh yeah

210
00:08:11,350 --> 00:08:08,879
josh the animal steel it could work

211
00:08:14,710 --> 00:08:11,360
all that stuff superfly jimmy josh

212
00:08:18,710 --> 00:08:16,469
like i there's some people dressed up in

213
00:08:19,749 --> 00:08:18,720

costumes but not not what i would think

214

00:08:21,430 --> 00:08:19,759

would be

215

00:08:22,950 --> 00:08:21,440

like over the top you know i didn't see

216

00:08:24,469 --> 00:08:22,960

any klingons i didn't see any like

217

00:08:26,469 --> 00:08:24,479

people dressed up as star trek or star

218

00:08:27,990 --> 00:08:26,479

wars no one from the prequel scratching

219

00:08:30,070 --> 00:08:28,000

it hasn't gotten weird enough there was

220

00:08:31,350 --> 00:08:30,080

people dressed like prequels were they

221

00:08:32,630 --> 00:08:31,360

yeah they were people thought they were

222

00:08:34,550 --> 00:08:32,640

a jedi running around their [h__h]

223

00:08:36,469 --> 00:08:34,560

floppy pool noodles

224

00:08:38,790 --> 00:08:36,479

uh that looks better than the prequels

225

00:08:40,389 --> 00:08:38,800

you got a floppy lightsaber kid yeah all

226

00:08:41,509 --> 00:08:40,399

right kid you gotta

227

00:08:43,269 --> 00:08:41,519

sometimes it happens to us when we get

228

00:08:45,030 --> 00:08:43,279

older like this is yeah

229

00:08:46,070 --> 00:08:45,040

it's not what it used to be that's for

230

00:08:47,590 --> 00:08:46,080

sure

231

00:08:50,710 --> 00:08:47,600

lightsaber only stays lit for a couple

232

00:08:52,949 --> 00:08:50,720

of minutes once or twice a week

233

00:08:55,190 --> 00:08:52,959

this is really bad advice for

234

00:08:56,949 --> 00:08:55,200

kids that's why you never have obi-wan

235

00:08:58,230 --> 00:08:56,959

kenobi give advice about lightsabers to

236

00:08:59,829 --> 00:08:58,240

kids

237

00:09:01,430 --> 00:08:59,839

that would be a different movie if if

238

00:09:02,790 --> 00:09:01,440

luke shows up and you got creepy old man

239

00:09:04,310 --> 00:09:02,800

who's just giving him life advice but

240

00:09:06,230 --> 00:09:04,320

it's all like what's gonna go wrong when

241

00:09:08,310 --> 00:09:06,240

you're 60. the lightsaber gets all

242

00:09:09,910 --> 00:09:08,320

droopy and you can barely go to the

243

00:09:12,870 --> 00:09:09,920

bathroom anymore

244

00:09:14,790 --> 00:09:12,880

get up six times a night yeah just kind

245

00:09:16,870 --> 00:09:14,800

of

246

00:09:18,870 --> 00:09:16,880

get all rashy

247

00:09:21,750 --> 00:09:18,880

you got tattoeey pox

248

00:09:24,710 --> 00:09:21,760

it's always scratchy

249

00:09:26,470 --> 00:09:24,720

shingles that's your uncle talking

250

00:09:28,870 --> 00:09:26,480

all right so i got some food related

251

00:09:31,030 --> 00:09:28,880

stuff i have a this story's not really

252

00:09:32,550 --> 00:09:31,040

oddball stuff but um

253

00:09:34,230 --> 00:09:32,560

i got mcdonald's and wendy's getting

254

00:09:34,829 --> 00:09:34,240

sued because their burgers look bigger

255

00:09:37,430 --> 00:09:34,839

in

256

00:09:39,590 --> 00:09:37,440

ads i i have a story i don't know if you

257

00:09:41,590 --> 00:09:39,600

saw my top one a guy who who mailed

258

00:09:43,110 --> 00:09:41,600

himself from australia

259

00:09:45,110 --> 00:09:43,120

did it work

260

00:09:46,230 --> 00:09:45,120

uh yeah it's pretty weird i'm gonna i'm

261

00:09:47,990 --> 00:09:46,240

gonna preempt you right here because i

262

00:09:49,190 --> 00:09:48,000

this is on my top notes is it lost in

263

00:09:52,790 --> 00:09:49,200

the mail

264

00:09:55,910 --> 00:09:52,800

well this there's a story about this

265

00:09:58,870 --> 00:09:55,920

there's a is a good story about this

266

00:10:02,310 --> 00:09:58,880

so man who posted himself home from

267

00:10:05,110 --> 00:10:02,320

australia in a box took took laxatives

268

00:10:07,590 --> 00:10:05,120

to stop pooing for days

269

00:10:08,949 --> 00:10:07,600

not how laxatives well played

270

00:10:11,430 --> 00:10:08,959

yeah that's what i thought i thought

271

00:10:14,870 --> 00:10:11,440

laxatives make you go

272

00:10:16,710 --> 00:10:14,880

so i mean so i did he take the laxatives

273

00:10:18,790 --> 00:10:16,720

and then get into the box

274

00:10:22,069 --> 00:10:18,800

and so he he was just violently shooting

275

00:10:24,790 --> 00:10:22,079

himself on the the entire ride back to

276

00:10:29,990 --> 00:10:24,800

uh the uk he's like this was a bad idea

277

00:10:34,069 --> 00:10:31,350

so i have to ask the question was this

278

00:10:36,710 --> 00:10:34,079

guy from prague per chance uh man who

279

00:10:39,430 --> 00:10:36,720

posted himself back to the uk from

280

00:10:42,710 --> 00:10:39,440

australia in the 1960s has revealed that

281

00:10:46,069 --> 00:10:42,720

he took a load of laxatives to stop his

282

00:10:47,670 --> 00:10:46,079

box overflowing with waste during the

283

00:10:48,550 --> 00:10:47,680

five day

284

00:10:49,910 --> 00:10:48,560

uh

285

00:10:53,030 --> 00:10:49,920

journey

286

00:10:55,350 --> 00:10:53,040

okay i got a bad feeling about this

287

00:10:57,110 --> 00:10:55,360

i i think don't don't glasses make you

288

00:10:58,310 --> 00:10:57,120

go they don't like blacklight right

289

00:10:59,910 --> 00:10:58,320

unless he was trying to just clear

290

00:11:01,590 --> 00:10:59,920

himself out and prep but then he'd be

291

00:11:03,269 --> 00:11:01,600

like super dehydrated yeah exactly

292

00:11:04,470 --> 00:11:03,279

that's not the best way to travel in a

293

00:11:06,470 --> 00:11:04,480

box

294

00:11:09,750 --> 00:11:06,480

you want to be really hydrated so uh

295

00:11:11,670 --> 00:11:09,760

brian robson's who is 76 originally from

296

00:11:14,230 --> 00:11:11,680

wales moved to australia when he was 19

297

00:11:16,949 --> 00:11:14,240

years old and worked for victoria uh

298

00:11:19,110 --> 00:11:16,959

victorian uh railways

299

00:11:21,509 --> 00:11:19,120

but uh tiring of the life down under

300

00:11:25,030 --> 00:11:21,519

brian hatched upon a plan to return

301
00:11:27,030 --> 00:11:25,040
himself to the uk in 1965 in extremely

302
00:11:29,590 --> 00:11:27,040
desperate circumstances

303
00:11:32,389 --> 00:11:29,600
realizing that a train ticket would be

304
00:11:34,630 --> 00:11:32,399
700 pounds which was unaffordable on his

305
00:11:36,630 --> 00:11:34,640
monthly salary wait a train ticket

306
00:11:38,710 --> 00:11:36,640
that's what it says train you can't how

307
00:11:39,910 --> 00:11:38,720
did you train from australia am i

308
00:11:43,030 --> 00:11:39,920
reading the story from a different

309
00:11:44,630 --> 00:11:43,040
parallel dimension what's happening

310
00:11:45,990 --> 00:11:44,640
what kind of planet that i wake up in

311
00:11:47,910 --> 00:11:46,000
well there you go

312
00:11:49,590 --> 00:11:47,920
uh what's this guy's name

313
00:11:51,190 --> 00:11:49,600

brian

314

00:11:53,590 --> 00:11:51,200

josh

315

00:11:56,230 --> 00:11:53,600

uh he realized 700 pounds which was

316

00:11:57,910 --> 00:11:56,240

unaffordable on his monthly salary brian

317

00:12:00,629 --> 00:11:57,920

hands upon a plan to seal himself in a

318

00:12:02,550 --> 00:12:00,639

wooden crate it to travel from australia

319

00:12:04,629 --> 00:12:02,560

to the uk

320

00:12:07,030 --> 00:12:04,639

to avoid paying the high price to get

321

00:12:08,870 --> 00:12:07,040

home he decided instead to convince two

322

00:12:11,990 --> 00:12:08,880

men from ireland to help him stow

323

00:12:14,710 --> 00:12:12,000

stowaway on on a freight train okay the

324

00:12:16,790 --> 00:12:14,720

two male the two men nailed brian inside

325

00:12:20,150 --> 00:12:16,800

the crate which had been outfitted with

326

00:12:21,350 --> 00:12:20,160

a pillow a suitcase and a book of beetle

327

00:12:27,430 --> 00:12:21,360

songs

328

00:12:30,389 --> 00:12:27,440

why is he reading lyrics from the the

329

00:12:33,030 --> 00:12:30,399

beatles or is it a book of songs sung by

330

00:12:35,030 --> 00:12:33,040

actual insects i don't know it's just

331

00:12:36,550 --> 00:12:35,040

chirp chirp chirp chirp over and over

332

00:12:39,269 --> 00:12:36,560

they didn't they didn't even give a

333

00:12:41,030 --> 00:12:39,279

bucket to crap in like he's got a pillow

334

00:12:43,269 --> 00:12:41,040

i guess you crap in your pillow maybe

335

00:12:44,550 --> 00:12:43,279

one of those guys said um you know

336

00:12:46,790 --> 00:12:44,560

because they're irish don't trust them

337

00:12:49,509 --> 00:12:46,800

but he said hey uh take this pill it'll

338

00:12:52,069 --> 00:12:49,519

help you stop pooping

339

00:12:53,590 --> 00:12:52,079

so uh the journey itself uh was quite

340

00:12:55,750 --> 00:12:53,600

horrific

341

00:12:57,990 --> 00:12:55,760

it took five days in preparation brian

342

00:13:00,550 --> 00:12:58,000

took laxatives for three days beforehand

343

00:13:03,190 --> 00:13:00,560

to avoid any accidents

344

00:13:06,069 --> 00:13:03,200

his iris accomplices had labeled the

345

00:13:08,470 --> 00:13:06,079

small wooden box as a computer and

346

00:13:11,509 --> 00:13:08,480

booked them on to a quasi flight

347

00:13:13,990 --> 00:13:11,519

from melbourne to london without a hitch

348

00:13:15,110 --> 00:13:14,000

so oh my god a computer i mean they

349

00:13:16,790 --> 00:13:15,120

would just throw that thing around they

350

00:13:18,310 --> 00:13:16,800

don't care

351

00:13:19,590 --> 00:13:18,320

i'm still confused by the train thing

352

00:13:20,710 --> 00:13:19,600

yeah the train's not making a lot of

353

00:13:22,230 --> 00:13:20,720

sense but

354

00:13:24,470 --> 00:13:22,240

however in route home the crate was

355

00:13:26,150 --> 00:13:24,480

transferred to a pan am flight because

356

00:13:28,069 --> 00:13:26,160

the original plane was full instead of

357

00:13:31,269 --> 00:13:28,079

london brian was headed

358

00:13:33,509 --> 00:13:31,279

for la and found himself stored in a

359

00:13:37,190 --> 00:13:33,519

freight shed where after five days he

360

00:13:41,030 --> 00:13:37,200

was too weak to hammer himself out

361

00:13:45,590 --> 00:13:43,990

what a [h__h] yeah

362

00:13:47,590 --> 00:13:45,600

why don't you mail yourself right

363

00:13:49,910 --> 00:13:47,600

[h__h] just throw a stamp on your

364

00:13:51,509 --> 00:13:49,920

[h__h] forehead dummy like everybody

365

00:13:55,110 --> 00:13:51,519

else just wear a t-shirt with a stamp on

366

00:13:56,629 --> 00:13:55,120

it shove me in the overhead i'll be fine

367

00:13:58,949 --> 00:13:56,639

so he's uh

368

00:14:01,189 --> 00:13:58,959

too weak in la to hammer himself out

369

00:14:04,790 --> 00:14:01,199

luckily for brian a man looked through a

370

00:14:06,230 --> 00:14:04,800

hole in the wooden knot in the

371

00:14:08,470 --> 00:14:06,240

in the chest

372

00:14:10,710 --> 00:14:08,480

and they caught each other's eye some

373

00:14:13,829 --> 00:14:10,720

sort of glory eye yeah this guy going

374

00:14:17,030 --> 00:14:13,839

around like a good glory hole over there

375

00:14:18,550 --> 00:14:17,040

just sticking his finger in holes

376

00:14:20,710 --> 00:14:18,560

yeah meeting different people doing

377

00:14:23,670 --> 00:14:20,720

weird stuff yeah exactly check out the

378

00:14:25,269 --> 00:14:23,680

hole in this box uh he jumped back

379

00:14:27,110 --> 00:14:25,279

and he said there's somebody in there

380

00:14:29,670 --> 00:14:27,120

brian spent five days recovering in the

381

00:14:31,350 --> 00:14:29,680

hospital and was questioned by the fbi

382

00:14:33,509 --> 00:14:31,360

not too long after he was released and

383

00:14:35,910 --> 00:14:33,519

allowed to fly in a passenger jet back

384

00:14:37,829 --> 00:14:35,920

to the uk without any legal action taken

385

00:14:39,990 --> 00:14:37,839

against him

386

00:14:41,670 --> 00:14:40,000

by the then acting minister of

387

00:14:44,310 --> 00:14:41,680

immigration

388

00:14:46,949 --> 00:14:44,320

uh when back in the uk brian wrote to

389

00:14:49,670 --> 00:14:46,959

the two men who ate it in his plan

390

00:14:51,269 --> 00:14:49,680

but they never responded

391

00:14:52,389 --> 00:14:51,279

denial seven are they gonna turn this

392

00:14:54,069 --> 00:14:52,399

into a movie

393

00:14:56,069 --> 00:14:54,079

they should tom hank should do this

394

00:14:58,470 --> 00:14:56,079

movie oh this would be good tom hanks

395

00:15:00,629 --> 00:14:58,480

one yeah just a man in a box

396

00:15:03,110 --> 00:15:00,639

traveling call it that

397

00:15:04,389 --> 00:15:03,120

and the box okay

398

00:15:05,430 --> 00:15:04,399

all right seriously here's how you

399

00:15:06,550 --> 00:15:05,440

change it though i'm going to i'm going

400

00:15:07,910 --> 00:15:06,560

to flip it up on you i'll flip it on a

401

00:15:09,189 --> 00:15:07,920

little bit

402

00:15:11,430 --> 00:15:09,199

instead of from australia he's from

403

00:15:12,470 --> 00:15:11,440

prague czechoslovakia i'm sorry prague

404

00:15:14,310 --> 00:15:12,480

czech republic

405

00:15:16,069 --> 00:15:14,320

so you can name the movie the checks in

406

00:15:20,230 --> 00:15:16,079

the mail

407

00:15:24,870 --> 00:15:22,310

what'd you do

408

00:15:27,189 --> 00:15:24,880

disappointed

409

00:15:29,670 --> 00:15:27,199

uh he documented his journey in a book

410

00:15:31,910 --> 00:15:29,680

the crate escape

411

00:15:33,829 --> 00:15:31,920

that's better cratchit how come he gets

412

00:15:37,509 --> 00:15:33,839

great escape and you guys can be [h__\h]

413

00:15:39,189 --> 00:15:37,519

for the checks in the mail wrong

414

00:15:40,870 --> 00:15:39,199

if he was we don't he's not we don't

415

00:15:42,870 --> 00:15:40,880

even know if he's czechoslovakia we'd

416

00:15:45,670 --> 00:15:42,880

have to write that into the story or is

417

00:15:46,949 --> 00:15:45,680

he but was he actually escaping

418

00:15:48,550 --> 00:15:46,959

um

419

00:15:50,230 --> 00:15:48,560

well here's the other thing i would name

420

00:15:54,310 --> 00:15:50,240

it the train from australia how about

421

00:15:55,350 --> 00:15:54,320

that no picture

422

00:15:56,870 --> 00:15:55,360

okay

423

00:15:57,910 --> 00:15:56,880

how about how about thank god for glory

424

00:15:59,590 --> 00:15:57,920

holes

425

00:16:01,269 --> 00:15:59,600

i mean of course

426

00:16:03,670 --> 00:16:01,279

or more just i really hit the glory hole

427

00:16:06,230 --> 00:16:03,680

on this one yeah i can always get behind

428

00:16:10,629 --> 00:16:06,240

and in front of a glory hole how about

429

00:16:13,749 --> 00:16:12,629

i'd go see that movie [h__h] yourself to

430

00:16:16,150 --> 00:16:13,759

freedom

431

00:16:20,310 --> 00:16:17,840

[h__h] the gay away

432

00:16:22,310 --> 00:16:20,320

[Music]

433

00:16:23,910 --> 00:16:22,320

how's that i don't know

434

00:16:25,670 --> 00:16:23,920

i don't know if that's applicable to the

435

00:16:27,269 --> 00:16:25,680

actual story but i'm sure we could work

436

00:16:29,910 --> 00:16:27,279

it in if we get the right people to get

437

00:16:32,470 --> 00:16:29,920

away from the box

438

00:16:34,150 --> 00:16:32,480

okay see jesus christ it works on a lot

439

00:16:36,790 --> 00:16:34,160

of different levels there joe we are

440

00:16:38,790 --> 00:16:36,800

swirling around the bowl now

441

00:16:40,150 --> 00:16:38,800

works on a lot of different levels there

442

00:16:41,990 --> 00:16:40,160

huh

443

00:16:45,110 --> 00:16:42,000

uh frightening me suggest check this

444

00:16:47,030 --> 00:16:45,120

crate um i also like uh unchecked

445

00:16:48,710 --> 00:16:47,040

luggage maybe that one that one's not

446

00:16:50,870 --> 00:16:48,720

bad

447

00:16:52,470 --> 00:16:50,880

what about lost and found

448

00:16:54,710 --> 00:16:52,480

it could be more of like a you know a

449

00:16:56,230 --> 00:16:54,720

family it's like a lifetime movie yeah

450

00:16:57,670 --> 00:16:56,240

yeah where they go so it's gonna be a

451
00:16:59,189 --> 00:16:57,680
woman who rescues them and then takes

452
00:17:01,269 --> 00:16:59,199
them home and they fall in love there

453
00:17:07,829 --> 00:17:01,279
you go

454
00:17:12,230 --> 00:17:09,750
his shoes are full he did he so he took

455
00:17:14,870 --> 00:17:12,240
the laxes beforehand so he dehydrated

456
00:17:16,870 --> 00:17:14,880
himself so he was like all out of

457
00:17:19,829 --> 00:17:16,880
[h__h] and he didn't have enough [h__h] in

458
00:17:21,110 --> 00:17:19,839
his body to survive on

459
00:17:22,549 --> 00:17:21,120
i'm surprised he just didn't like take a

460
00:17:24,549 --> 00:17:22,559
lot of sleeping pills and i can't try to

461
00:17:25,829 --> 00:17:24,559
sleep through that and then

462
00:17:27,350 --> 00:17:25,839
i i know i'm kind of curious i want to

463
00:17:29,669 --> 00:17:27,360

read his book now because once you're

464

00:17:30,870 --> 00:17:29,679

flying wouldn't you be extremely cold up

465

00:17:32,710 --> 00:17:30,880

in the uh

466

00:17:34,789 --> 00:17:32,720

high altitudes yeah

467

00:17:37,990 --> 00:17:34,799

dogs die like that yeah

468

00:17:40,070 --> 00:17:38,000

joe biden flies all his dogs like that

469

00:17:41,590 --> 00:17:40,080

so does mitt romney yeah mitt romney's

470

00:17:42,510 --> 00:17:41,600

trapped into the car straps to the top

471

00:17:44,549 --> 00:17:42,520

of the plane yeah

472

00:17:46,870 --> 00:17:44,559

[Laughter]

473

00:17:48,950 --> 00:17:46,880

there's know he can't say like i don't

474

00:17:52,630 --> 00:17:48,960

need this [h__h] because apparently he did

475

00:17:55,750 --> 00:17:52,640

he doesn't have a [h__h] yeah yeah

476

00:17:57,909 --> 00:17:55,760

i lost this [\h__\h] donate this [\h__\h] we got

477

00:18:04,070 --> 00:17:57,919

[\h__\h] in a lot of places yeah there's a

478

00:18:04,080 --> 00:18:07,510

look at this [\h__\h]

479

00:18:11,270 --> 00:18:09,029

they didn't even give him a bucket okay

480

00:18:13,110 --> 00:18:11,280

chris what's your next story

481

00:18:16,549 --> 00:18:13,120

uh all right so i'll let you guys pick

482

00:18:17,909 --> 00:18:16,559

the i have to go with this i've got um

483

00:18:19,430 --> 00:18:17,919

mcdonald's and wendy's getting sued

484

00:18:21,510 --> 00:18:19,440

because their burgers look better in ads

485

00:18:23,909 --> 00:18:21,520

and they do in real life okay i've got

486

00:18:26,150 --> 00:18:23,919

an unholy alliance between ritz crackers

487

00:18:29,510 --> 00:18:26,160

and oreo cookies huh

488

00:18:31,430 --> 00:18:29,520

and i've got a uh um contest from heinz

489

00:18:34,549 --> 00:18:31,440

offering money for their your for your

490

00:18:36,710 --> 00:18:34,559

best burger creation we do do we we do a

491

00:18:38,789 --> 00:18:36,720

lot of heinz news

492

00:18:40,950 --> 00:18:38,799

you know we did the best burger creation

493

00:18:42,549 --> 00:18:40,960

sounds like a self-indulgent load of

494

00:18:44,470 --> 00:18:42,559

[h__\h]

495

00:18:46,150 --> 00:18:44,480

um oh yeah it's a contest so it's gonna

496

00:18:48,630 --> 00:18:46,160

be two do you want rich crackers and

497

00:18:49,909 --> 00:18:48,640

oreos unholy hybrid what was what was

498

00:18:51,830 --> 00:18:49,919

the first one

499

00:18:53,350 --> 00:18:51,840

uh mcdonald's and wendy's getting sued

500

00:18:54,630 --> 00:18:53,360

because their burgers look better in

501
00:18:56,230 --> 00:18:54,640
photos than they do in real life i mean

502
00:18:58,230 --> 00:18:56,240
that's like kind of obvious i would

503
00:18:59,990 --> 00:18:58,240
think so what else do you have what's

504
00:19:01,350 --> 00:19:00,000
behind doors can we join that lawsuit as

505
00:19:03,430 --> 00:19:01,360
a class action

506
00:19:04,789 --> 00:19:03,440
um i don't know we'd probably look into

507
00:19:06,710 --> 00:19:04,799
i didn't read the whole story i skimmed

508
00:19:08,390 --> 00:19:06,720
through it um

509
00:19:09,830 --> 00:19:08,400
how about one about uh shake shack

510
00:19:13,430 --> 00:19:09,840
trying to trick people into eating

511
00:19:17,909 --> 00:19:15,510
and i got this vr story what about the

512
00:19:19,430 --> 00:19:17,919
one that showed up in uh

513
00:19:20,789 --> 00:19:19,440

the the the

514

00:19:24,470 --> 00:19:20,799

the guy who was blocking the

515

00:19:27,110 --> 00:19:24,480

drive-through over uh egg mcmuffin yeah

516

00:19:28,789 --> 00:19:27,120

that's just a guy being a dick okay

517

00:19:30,630 --> 00:19:28,799

and he's in the uk and i don't care i'm

518

00:19:32,789 --> 00:19:30,640

throwing my hands up you yeah i think

519

00:19:34,630 --> 00:19:32,799

gretchen is gonna pick i think this is

520

00:19:36,070 --> 00:19:34,640

this is his time to shine

521

00:19:37,510 --> 00:19:36,080

oh god put a lot put a lot of pressure

522

00:19:41,990 --> 00:19:37,520

on me i'm gonna go with this one because

523

00:19:47,350 --> 00:19:44,710

it's as bad as you think it is okay yeah

524

00:19:49,669 --> 00:19:47,360

no i'm go i wanna see this now

525

00:19:52,390 --> 00:19:49,679

okay i love ritz crackers i used to love

526

00:19:55,590 --> 00:19:52,400

oreos don't like sweets anymore well

527

00:19:56,630 --> 00:19:55,600

rich crackers and oreo cookies unveil

528

00:19:58,070 --> 00:19:56,640

new

529

00:19:59,750 --> 00:19:58,080

retsorio

530

00:20:01,590 --> 00:19:59,760

treat that's some good news on that

531

00:20:03,029 --> 00:20:01,600

front no they might as well call it

532

00:20:05,430 --> 00:20:03,039

monkey oreo

533

00:20:07,430 --> 00:20:05,440

so it's got a rich cracker on top which

534

00:20:09,510 --> 00:20:07,440

probably provides the salty goodness you

535

00:20:11,510 --> 00:20:09,520

got the uh

536

00:20:13,990 --> 00:20:11,520

the filling and then the traditional

537

00:20:15,190 --> 00:20:14,000

oreo cookie on the bottom and you dip it

538

00:20:16,789 --> 00:20:15,200

in hummus

539

00:20:18,950 --> 00:20:16,799

oh my gosh

540

00:20:21,110 --> 00:20:18,960

put some hot sauce on it

541

00:20:21,830 --> 00:20:21,120

jesus christ this just sounds terrible

542

00:20:25,909 --> 00:20:21,840

like

543

00:20:28,310 --> 00:20:25,919

agreed to it well i tweeted about it i

544

00:20:30,390 --> 00:20:28,320

didn't think they were gonna do it but

545

00:20:32,310 --> 00:20:30,400

you guys should take a ritz and an oreo

546

00:20:34,149 --> 00:20:32,320

and put them together

547

00:20:36,470 --> 00:20:34,159

snack brands rich crackers and oreo

548

00:20:39,190 --> 00:20:36,480

cookies are teaming

549

00:20:41,590 --> 00:20:39,200

or i guess teaming up for the support

550

00:20:44,310 --> 00:20:41,600

ours for the release of their new ritz

551

00:20:46,950 --> 00:20:44,320

it's like ritz x oreo a first of its

552

00:20:48,710 --> 00:20:46,960

kind sweet and savory product matched

553

00:20:50,630 --> 00:20:48,720

that one part that is one part which

554

00:20:52,310 --> 00:20:50,640

rich cracker and one part oreo cookie

555

00:20:54,470 --> 00:20:52,320

actually it's like two parts oreo and

556

00:20:56,789 --> 00:20:54,480

one parts rich because

557

00:20:58,070 --> 00:20:56,799

it's got the oreo filling oh but it's i

558

00:20:59,909 --> 00:20:58,080

think it's got peanut butter in there

559

00:21:01,750 --> 00:20:59,919

too add a peanut butter since when did

560

00:21:03,909 --> 00:21:01,760

ritz come with peanut butter this is

561

00:21:05,430 --> 00:21:03,919

[h__h] rich should have cheese and it

562

00:21:08,549 --> 00:21:05,440

should be cheese in there making this

563

00:21:10,310 --> 00:21:08,559

absolutely terrible this is [h__h] yes

564

00:21:11,270 --> 00:21:10,320

i agree that's what i was thinking

565

00:21:12,470 --> 00:21:11,280

cheese

566

00:21:14,950 --> 00:21:12,480

and cream

567

00:21:16,789 --> 00:21:14,960

but that would be terrible

568

00:21:19,430 --> 00:21:16,799

but i think there's probably people

569

00:21:22,230 --> 00:21:19,440

since bread and crackers are close

570

00:21:23,669 --> 00:21:22,240

peanut butter makes sense and so i i

571

00:21:25,750 --> 00:21:23,679

have to imagine

572

00:21:27,270 --> 00:21:25,760

there is an appeal here

573

00:21:29,990 --> 00:21:27,280

limited edition

574

00:21:32,950 --> 00:21:30,000

ritz oreo features one rich cracker in

575

00:21:36,070 --> 00:21:32,960

one oreo chocolate wafer sandwich

576

00:21:39,510 --> 00:21:36,080

insane layers of smooth peanut butter

577

00:21:40,470 --> 00:21:39,520

and the original oreo cream so you got

578

00:21:45,350 --> 00:21:40,480

the

579

00:21:47,270 --> 00:21:45,360

oreo cream it just sounds gross fans

580

00:21:49,590 --> 00:21:47,280

581

00:22:02,789 --> 00:21:59,679

get it by visiting oreos or oreo.com

586

00:22:05,270 --> 00:22:02,799

00:22:07,510 --> 00:22:05,280

four dollars for shipping and uh you

588

00:22:10,630 --> 00:22:07,520

have to ask fact fast because uh things

589

00:22:12,310 --> 00:22:10,640

will be going very quickly so why didn't

590

00:22:13,669 --> 00:22:12,320

they why did oreos team up with

591

00:22:16,789 --> 00:22:13,679

lunchables

592

00:22:19,430 --> 00:22:16,799

and have a half oreo and a half cracker

593

00:22:22,149 --> 00:22:19,440

with a piece of like nasty salami on it

594

00:22:24,870 --> 00:22:23,270

i was like

595

00:22:26,549 --> 00:22:24,880

eat it eat it

596

00:22:28,390 --> 00:22:26,559

as we're just mixing [h__h] together that

597

00:22:29,510 --> 00:22:28,400

like 12 year olds find in in the

598

00:22:31,590 --> 00:22:29,520

cupboard because they don't haven't you

599

00:22:32,789 --> 00:22:31,600

know i'm sitting i'm tired for myself

600

00:22:34,630 --> 00:22:32,799

i'm setting a timer for myself then i'm

601
00:22:36,710 --> 00:22:34,640
not ordered to this honestly i don't

602
00:22:38,630 --> 00:22:36,720
think it would be a bad idea i would be

603
00:22:40,950 --> 00:22:38,640
interested i i mean

604
00:22:42,230 --> 00:22:40,960
it's not keto friendly so i'll say that

605
00:22:44,230 --> 00:22:42,240
up front but

606
00:22:46,230 --> 00:22:44,240
i would be interested in how it tastes i

607
00:22:47,909 --> 00:22:46,240
feel like it could be good

608
00:22:50,230 --> 00:22:47,919
this is how

609
00:22:52,310 --> 00:22:50,240
monkey pox starts with this

610
00:22:53,830 --> 00:22:52,320
release the monkey box

611
00:22:56,230 --> 00:22:53,840
are you gonna be like that guy who shits

612
00:22:57,350 --> 00:22:56,240
himself in a box after eating this thing

613
00:22:59,190 --> 00:22:57,360

yeah

614

00:23:03,590 --> 00:22:59,200

you piece of [h__h]

615

00:23:06,470 --> 00:23:05,190

uh i think i'm gonna i'm gonna order

616

00:23:08,710 --> 00:23:06,480

this one

617

00:23:10,630 --> 00:23:08,720

i'm gonna put this in my phone i'm

618

00:23:12,549 --> 00:23:10,640

creating an alert

619

00:23:15,190 --> 00:23:12,559

and wake up in the middle of the night

620

00:23:18,310 --> 00:23:15,200

honey what's wrong okay

621

00:23:21,270 --> 00:23:18,320

it's 1201 am i need these i gotta order

622

00:23:26,950 --> 00:23:24,710

uh putting cheese on an oreo

623

00:23:29,029 --> 00:23:26,960

what the hell this is just god

624

00:23:30,789 --> 00:23:29,039

you could imagine too dip it in a jelly

625

00:23:32,870 --> 00:23:30,799

i'd go [h__h] berserk if i were gonna

626

00:23:34,470 --> 00:23:32,880

let myself do this how much stuff are

627

00:23:36,789 --> 00:23:34,480

you putting on you're gonna put a pickle

628

00:23:38,870 --> 00:23:36,799

on it too what the hell i gotta say the

629

00:23:41,990 --> 00:23:38,880

branding is nice on this the packaging

630

00:23:43,909 --> 00:23:42,000

it looks like a solid package

631

00:23:45,350 --> 00:23:43,919

i got it up on screen right here joe

632

00:23:46,630 --> 00:23:45,360

you're a brand new design guy you gotta

633

00:23:48,149 --> 00:23:46,640

look at this package you gotta say

634

00:23:50,630 --> 00:23:48,159

that's not enticing that doesn't look

635

00:23:53,029 --> 00:23:50,640

good it's really good it's red and blue

636

00:23:55,669 --> 00:23:53,039

and it's got red white and blue which is

637

00:23:57,029 --> 00:23:55,679

a good thing everybody loves that

638

00:23:59,430 --> 00:23:57,039

american flag

639

00:24:02,789 --> 00:23:59,440

but it comes together like a venn

640

00:24:04,630 --> 00:24:02,799

diagram and it it works

641

00:24:07,110 --> 00:24:04,640

i would say that this is marketing

642

00:24:09,029 --> 00:24:07,120

genius and it'll be it's not like new

643

00:24:10,470 --> 00:24:09,039

coke kind of [h__\h] this is the kind of

644

00:24:12,870 --> 00:24:10,480

[h__\h] that it's like

645

00:24:15,269 --> 00:24:12,880

this is when food could go viral and

646

00:24:16,710 --> 00:24:15,279

yeah maybe the you know that white

647

00:24:17,830 --> 00:24:16,720

cookie layer is

648

00:24:19,750 --> 00:24:17,840

monkey

649

00:24:22,390 --> 00:24:19,760

all right i just set my alarm

650

00:24:25,990 --> 00:24:22,400

and so i got alarm going off tomorrow at

651
00:24:29,510 --> 00:24:26,000
11 55 a.m eastern standard time

652
00:24:31,269 --> 00:24:29,520
to remind me to hop on this website

653
00:24:33,110 --> 00:24:31,279
or you could just go to kroger and buy

654
00:24:35,110 --> 00:24:33,120
these things yourself this is limited

655
00:24:36,870 --> 00:24:35,120
edition cratchit yeah it's impossible

656
00:24:38,789 --> 00:24:36,880
for you to buy rich crackers and also

657
00:24:41,590 --> 00:24:38,799
oreos and then make them fit together i

658
00:24:43,590 --> 00:24:41,600
can't do it i don't have the technology

659
00:24:44,830 --> 00:24:43,600
we don't have the cookie technology what

660
00:24:46,390 --> 00:24:44,840
would you mix with

661
00:24:49,590 --> 00:24:46,400
pringles

662
00:24:51,110 --> 00:24:49,600
would have to put on uh some mayonnaise

663
00:24:53,830 --> 00:24:51,120

just right on top of the pringle [h__h]

664

00:24:58,549 --> 00:24:53,840

yeah and this is a success that we're

665

00:25:01,350 --> 00:24:59,990

people are going to start going through

666

00:25:03,190 --> 00:25:01,360

all the brands that they own and just

667

00:25:04,310 --> 00:25:03,200

seeing what they can mix together

668

00:25:07,110 --> 00:25:04,320

yeah uh

669

00:25:09,590 --> 00:25:07,120

some pickles uh so pickle lily flavored

670

00:25:13,990 --> 00:25:09,600

uh lucky charms

671

00:25:16,070 --> 00:25:14,000

vaseline in fritos oh okay

672

00:25:19,029 --> 00:25:16,080

put it put anything together

673

00:25:20,710 --> 00:25:19,039

well i mean there is a turducken

674

00:25:22,230 --> 00:25:20,720

you know what i mean like this is not

675

00:25:24,470 --> 00:25:22,240

something that people want to do this

676

00:25:26,470 --> 00:25:24,480

[h__h] all the time like there's so many i

677

00:25:28,470 --> 00:25:26,480

think there's like i don't know a dozen

678

00:25:30,950 --> 00:25:28,480

places in austin where they got donut

679

00:25:33,029 --> 00:25:30,960

burgers you know they cut the donut

680

00:25:34,870 --> 00:25:33,039

like a bun and then they throw a burger

681

00:25:36,950 --> 00:25:34,880

in there and you're like i'm not fat and

682

00:25:40,390 --> 00:25:36,960

i eat goddamn it

683

00:25:45,510 --> 00:25:43,190

uh okay i i like the story it's fine

684

00:25:48,870 --> 00:25:45,520

it's good for you and it tastes good the

685

00:25:52,549 --> 00:25:48,880

canadians they like to put gravy uh on

686

00:25:53,430 --> 00:25:52,559

fries right what is that one poutine

687

00:25:55,750 --> 00:25:53,440

uh

688

00:25:57,430 --> 00:25:55,760

i i know vladimir

689

00:25:59,110 --> 00:25:57,440

they do weird stuff up there with their

690

00:26:00,710 --> 00:25:59,120

fries that's for sure but mayo and

691

00:26:02,789 --> 00:26:00,720

everything

692

00:26:04,310 --> 00:26:02,799

so the dutch and i actually like it i

693

00:26:06,549 --> 00:26:04,320

remember when i was a kid people were

694

00:26:08,149 --> 00:26:06,559

like what the [h__h] are you doing my mom

695

00:26:10,950 --> 00:26:08,159

would go to the bowling alley and i

696

00:26:13,190 --> 00:26:10,960

would beg people for quarters and uh my

697

00:26:14,870 --> 00:26:13,200

mom would order fries and [h__h] and she

698

00:26:16,230 --> 00:26:14,880

would always ask for a mayonnaise wait a

699

00:26:17,750 --> 00:26:16,240

second you go around asking people for

700

00:26:20,230 --> 00:26:17,760

quarters at the bowling alley [h__h] yeah

701
00:26:22,549 --> 00:26:20,240
dude i was begging for quarters

702
00:26:23,510 --> 00:26:22,559
i was born to be homeless

703
00:26:25,350 --> 00:26:23,520
oh

704
00:26:26,390 --> 00:26:25,360
so you why'd you want the quarters for

705
00:26:29,190 --> 00:26:26,400
to play the

706
00:26:31,110 --> 00:26:29,200
donkey kong elevator action

707
00:26:33,190 --> 00:26:31,120
all the [h__\h] [h__\h] that was going on

708
00:26:35,590 --> 00:26:33,200
but my mom would order the and and she

709
00:26:42,149 --> 00:26:35,600
would get questions give me money i'll

710
00:26:46,310 --> 00:26:44,310
there were pool sticks nearby so i

711
00:26:48,870 --> 00:26:46,320
probably could have gotten violent if i

712
00:26:50,789 --> 00:26:48,880
wanted to be a violent child but i i

713
00:26:53,190 --> 00:26:50,799

didn't a lot of a lot of people were

714

00:26:55,350 --> 00:26:53,200

like oh that's the wagner kid you give

715

00:26:57,669 --> 00:26:55,360

him a quarter he'll go [h__h] honey

716

00:26:59,750 --> 00:26:57,679

bunny but anyway we would eat mayonnaise

717

00:27:01,990 --> 00:26:59,760

on [h__h] all the time it's mayonnaise on

718

00:27:04,310 --> 00:27:02,000

fries you do that that's europe oh jesus

719

00:27:05,510 --> 00:27:04,320

christ dude it's good

720

00:27:07,430 --> 00:27:05,520

i i

721

00:27:10,789 --> 00:27:07,440

i'm not a big fan of mayonnaise hey

722

00:27:12,230 --> 00:27:10,799

listen you dicks send my night

723

00:27:13,750 --> 00:27:12,240

well i mean the kid was walking around

724

00:27:15,190 --> 00:27:13,760

you got to send it to him i guess you

725

00:27:18,070 --> 00:27:15,200

could throw it at people throw my

726
00:27:18,830 --> 00:27:18,080
[h__h] at me i should have been dancing

727
00:27:22,470 --> 00:27:18,840
you

728
00:27:24,310 --> 00:27:22,480
dicks like that uh what's that kid

729
00:27:26,549 --> 00:27:24,320
who on netflix who's who's always

730
00:27:28,630 --> 00:27:26,559
dancing and getting

731
00:27:31,350 --> 00:27:28,640
josh joe biden

732
00:27:32,870 --> 00:27:31,360
no the netflix kid who was like a

733
00:27:35,350 --> 00:27:32,880
stripper or whatever

734
00:27:36,310 --> 00:27:35,360
oh i know bobby i don't know what the

735
00:27:37,750 --> 00:27:36,320
hell you're talking about you know what

736
00:27:39,669 --> 00:27:37,760
i'm talking about he was it was a

737
00:27:41,269 --> 00:27:39,679
controversy not that long ago where the

738
00:27:42,950 --> 00:27:41,279

kid was uh

739

00:27:45,669 --> 00:27:42,960

i can't remember his name right now but

740

00:27:47,430 --> 00:27:45,679

anyway he was doing these dances and it

741

00:27:50,789 --> 00:27:47,440

was on netflix it was

742

00:27:53,590 --> 00:27:50,799

pre precursor to cuties flicks yeah yeah

743

00:27:55,350 --> 00:27:53,600

yeah so i you know these these days i

744

00:27:57,669 --> 00:27:55,360

would do that i would just come in there

745

00:27:58,710 --> 00:27:57,679

and some skimpy kid underwear

746

00:28:02,470 --> 00:27:58,720

and uh

747

00:28:08,310 --> 00:28:03,909

telling everybody your name is oreo

748

00:28:11,990 --> 00:28:10,310

i'll let you taste my ritz maybe i can

749

00:28:12,860 --> 00:28:12,000

do it today got a quarter of my shorts

750

00:28:14,870 --> 00:28:12,870

need some mayo

751

00:28:16,710 --> 00:28:14,880

[Laughter]

752

00:28:19,669 --> 00:28:16,720

free mayo down here if you catch my

753

00:28:23,590 --> 00:28:21,750

i'm cleaning your ball if you need to

754

00:28:27,909 --> 00:28:23,600

put some mayo on those fries give me

755

00:28:31,190 --> 00:28:29,750

quite a bowling alley you got over there

756

00:28:32,549 --> 00:28:31,200

yeah

757

00:28:33,430 --> 00:28:32,559

professional ball cleaner the bowling

758

00:28:36,710 --> 00:28:33,440

alley

759

00:28:40,549 --> 00:28:38,630

we spray the balls a lot

760

00:28:49,110 --> 00:28:40,559

finally those clips are relevant yeah

761

00:28:49,120 --> 00:28:53,110

[Music]

762

00:28:56,549 --> 00:28:55,110

yeah they're they're they're a little

763

00:28:57,510 --> 00:28:56,559

low i don't know if they're i can bring

764

00:28:59,510 --> 00:28:57,520

them up but if i play them louder then

765

00:29:01,029 --> 00:28:59,520

you're like hey turn those down

766

00:29:02,389 --> 00:29:01,039

it depends on the clip

767

00:29:04,389 --> 00:29:02,399

yeah some are good

768

00:29:06,549 --> 00:29:04,399

normalized desmond is amazing thank you

769

00:29:09,190 --> 00:29:06,559

desmond is amazing

770

00:29:11,110 --> 00:29:09,200

yes i would be the desmond

771

00:29:12,470 --> 00:29:11,120

of the 80s

772

00:29:15,269 --> 00:29:12,480

desmond of the bowling alley that's for

773

00:29:18,149 --> 00:29:15,279

sure yeah i would come in there and some

774

00:29:20,310 --> 00:29:18,159

like swim trunks you know only

775

00:29:22,470 --> 00:29:20,320

barefoot i need a quarter to play

776

00:29:24,710 --> 00:29:22,480

elevator action sure

777

00:29:26,870 --> 00:29:24,720

by the way

778

00:29:29,750 --> 00:29:26,880

how's everything going down there this

779

00:29:32,549 --> 00:29:29,760

is all joe's idea

780

00:29:34,549 --> 00:29:32,559

maybe get your fingers in the used ball

781

00:29:36,789 --> 00:29:34,559

there you go that's it

782

00:29:38,310 --> 00:29:36,799

well i think you found your

783

00:29:40,950 --> 00:29:38,320

part-time gig

784

00:29:42,310 --> 00:29:40,960

if i get i go back in time and tell

785

00:29:43,990 --> 00:29:42,320

myself

786

00:29:45,510 --> 00:29:44,000

i mean yeah it's

787

00:29:47,830 --> 00:29:45,520

you do things differently you wouldn't

788

00:29:50,230 --> 00:29:47,840

go back and like tell yourself to invest

789

00:29:51,669 --> 00:29:50,240

in apple or microsoft he's like no i bet

790

00:29:54,149 --> 00:29:51,679

you dress up like this at the bowling

791

00:29:55,830 --> 00:29:54,159

alley yeah and get like elevator action

792

00:30:02,710 --> 00:29:55,840

for the rest of your life you probably

793

00:30:09,029 --> 00:30:05,590

this is a joe story okay it's from npr

794

00:30:11,190 --> 00:30:09,039

which is awesome um

795

00:30:12,710 --> 00:30:11,200

all right so we have an actual npr story

796

00:30:14,070 --> 00:30:12,720

here because npr you remember they used

797

00:30:15,990 --> 00:30:14,080

to do that they used to have their

798

00:30:17,750 --> 00:30:16,000

actual

799

00:30:19,110 --> 00:30:17,760

they used to have like a radio clip like

800

00:30:20,630 --> 00:30:19,120

a little mp

801
00:30:22,230 --> 00:30:20,640
they have video of this happening but

802
00:30:25,510 --> 00:30:22,240
they don't have the little clip from

803
00:30:27,110 --> 00:30:25,520
their show okay well um

804
00:30:29,830 --> 00:30:27,120
this is a headline

805
00:30:32,710 --> 00:30:29,840
la removes crosswalks allegedly painted

806
00:30:34,789 --> 00:30:32,720
by a secretive group

807
00:30:37,110 --> 00:30:34,799
oh really

808
00:30:38,710 --> 00:30:37,120
wow uh like a

809
00:30:41,110 --> 00:30:38,720
clandestine

810
00:30:42,710 --> 00:30:41,120
crosswalk yeah the short version is

811
00:30:44,710 --> 00:30:42,720
basically there's a bunch of anarchists

812
00:30:46,389 --> 00:30:44,720
going around los angeles creating their

813
00:30:48,149 --> 00:30:46,399

own street markings

814

00:30:49,350 --> 00:30:48,159

based purely on

815

00:30:50,870 --> 00:30:49,360

um

816

00:30:52,549 --> 00:30:50,880

uh feedback from people on twitter so

817

00:30:54,149 --> 00:30:52,559

people say hey our street really needs a

818

00:30:56,789 --> 00:30:54,159

crosswalk and this light shows up and

819

00:30:58,710 --> 00:30:56,799

makes a crosswalk they're like

820

00:30:59,909 --> 00:30:58,720

roadside vigilantes like roadwork

821

00:31:01,190 --> 00:30:59,919

vigilantes

822

00:31:03,190 --> 00:31:01,200

i'm pretty sure rod stewart is one of

823

00:31:04,950 --> 00:31:03,200

them oh yeah yeah i forgot he does he

824

00:31:05,990 --> 00:31:04,960

likes to do a road work rod stewart

825

00:31:08,549 --> 00:31:06,000

personally is out there making these

826

00:31:09,830 --> 00:31:08,559

crossbows but so in the same story

827

00:31:11,669 --> 00:31:09,840

there's a twitter link about halfway

828

00:31:13,110 --> 00:31:11,679

down you'll see embedded there okay in

829

00:31:14,549 --> 00:31:13,120

the same story basically la is now

830

00:31:16,149 --> 00:31:14,559

pissed because well they didn't make

831

00:31:18,870 --> 00:31:16,159

those crosswalks so they have to go

832

00:31:20,630 --> 00:31:18,880

erase them um

833

00:31:22,310 --> 00:31:20,640

but what's wrong with it but there's a

834

00:31:23,509 --> 00:31:22,320

twitter link there of the the same day

835

00:31:25,190 --> 00:31:23,519

that they're talking about erasing these

836

00:31:28,149 --> 00:31:25,200

crosswalks these groups out there making

837

00:31:31,909 --> 00:31:29,509

good get out there make your own

838

00:31:34,549 --> 00:31:31,919

crosswalks come on people you got to

839

00:31:36,389 --> 00:31:34,559

make things safe out there [h__h] them

840

00:31:38,389 --> 00:31:36,399

uh yeah so up on the screen here uh

841

00:31:39,669 --> 00:31:38,399

crosswalk collective la

842

00:31:41,430 --> 00:31:39,679

while the city was removing our

843

00:31:44,310 --> 00:31:41,440

crosswalks at the

844

00:31:47,110 --> 00:31:44,320

romaine in scenario

845

00:31:50,149 --> 00:31:47,120

street crossway um we painted one that

846

00:31:51,909 --> 00:31:50,159

was requested april 11th by resident

847

00:31:54,230 --> 00:31:51,919

through our request form oh they have a

848

00:31:59,110 --> 00:31:54,240

request form that's great uh the city

849

00:32:01,269 --> 00:31:59,120

doesn't keep us safe so we keep us safe

850

00:32:03,830 --> 00:32:01,279

listen this is i i think this is great

851

00:32:06,149 --> 00:32:03,840

this is a citizen actions group uh

852

00:32:08,310 --> 00:32:06,159

street vigilantes making sure people

853

00:32:09,990 --> 00:32:08,320

have a safe place to cross if the

854

00:32:12,149 --> 00:32:10,000

government's not going to do it and we

855

00:32:14,789 --> 00:32:12,159

are the government then

856

00:32:17,909 --> 00:32:14,799

great do it i feel as though there

857

00:32:20,470 --> 00:32:17,919

should be a seven-way stop here

858

00:32:22,070 --> 00:32:20,480

and it's only uh a t-section so let's

859

00:32:24,549 --> 00:32:22,080

get uh

860

00:32:26,710 --> 00:32:24,559

ignore one one of them yes let's just

861

00:32:28,389 --> 00:32:26,720

get seven ways going a seven-way stop

862

00:32:30,310 --> 00:32:28,399

there need me more stop signs that's

863

00:32:32,070 --> 00:32:30,320

what i do in sib city just have all

864

00:32:34,789 --> 00:32:32,080

these convergencies of roads and have

865

00:32:37,269 --> 00:32:34,799

like a thousand stop signs

866

00:32:38,389 --> 00:32:37,279

so the the the uh the npr articles

867

00:32:39,750 --> 00:32:38,399

talking about this intersection where

868

00:32:41,669 --> 00:32:39,760

they went out and made crosswalks and

869

00:32:43,350 --> 00:32:41,679

the city goes to erase them

870

00:32:44,950 --> 00:32:43,360

in that article well the city is already

871

00:32:47,029 --> 00:32:44,960

planning to improve that intersection by

872

00:32:48,389 --> 00:32:47,039

converting it into a traffic circle at

873

00:32:50,470 --> 00:32:48,399

which point they're going to have to rip

874

00:32:51,990 --> 00:32:50,480

up the roads anyway so this is your city

875

00:32:52,950 --> 00:32:52,000

government at work they're going out

876
00:32:55,110 --> 00:32:52,960
there

877
00:32:56,389 --> 00:32:55,120
removing a crosswalk they didn't put in

878
00:32:58,149 --> 00:32:56,399
which does nothing it's already a

879
00:32:59,430 --> 00:32:58,159
four-way stop so it does nothing to the

880
00:33:01,750 --> 00:32:59,440
traffic flow or anything it doesn't

881
00:33:03,590 --> 00:33:01,760
affect anybody except potentially make

882
00:33:05,350 --> 00:33:03,600
the crossing more visible

883
00:33:08,070 --> 00:33:05,360
the city already has that intersection

884
00:33:09,669 --> 00:33:08,080
flagged for conversion into a traffic

885
00:33:12,070 --> 00:33:09,679
circle so they're going to go out there

886
00:33:13,669 --> 00:33:12,080
and erase the free crosswalk that

887
00:33:14,870 --> 00:33:13,679
somebody else put in and then they're

888
00:33:16,470 --> 00:33:14,880

going to come back and tear up the roads

889

00:33:17,990 --> 00:33:16,480

anyway to make a traffic circle so and

890

00:33:20,470 --> 00:33:18,000

by the way congratulations these

891

00:33:23,430 --> 00:33:20,480

crosswalks they look pretty convincing

892

00:33:25,190 --> 00:33:23,440

they have straight lines uh it's blocked

893

00:33:27,509 --> 00:33:25,200

fairly evenly

894

00:33:29,669 --> 00:33:27,519

uh i would say that this is uh some

895

00:33:31,269 --> 00:33:29,679

freelance guys these guys maybe have

896

00:33:33,430 --> 00:33:31,279

done this before

897

00:33:36,389 --> 00:33:33,440

uh they probably had some equipment left

898

00:33:39,029 --> 00:33:36,399

over from their day job doing crosswalk

899

00:33:40,470 --> 00:33:39,039

any kind of road so i just put a link

900

00:33:42,470 --> 00:33:40,480

into carrot shop they have on their

901
00:33:45,190 --> 00:33:42,480
website they explain how they make the

902
00:33:47,029 --> 00:33:45,200
crosswalks it is very well done

903
00:33:48,470 --> 00:33:47,039
i like this with lots of photos i think

904
00:33:51,269 --> 00:33:48,480
i want to hire them for a birthday party

905
00:33:54,230 --> 00:33:51,279
this could be fun these guys good for

906
00:33:56,549 --> 00:33:54,240
gatherings i think they are okay

907
00:33:58,389 --> 00:33:56,559
uh they have an about guide cost time

908
00:34:00,230 --> 00:33:58,399
what's the cost

909
00:34:02,230 --> 00:34:00,240
cost initial cost is three hundred

910
00:34:05,509 --> 00:34:02,240
dollars a hundred and fifty dollars for

911
00:34:08,629 --> 00:34:05,519
the stencil 150 for the remaining items

912
00:34:10,629 --> 00:34:08,639
cost per crop cost per crosswalk about

913
00:34:11,829 --> 00:34:10,639

fifty dollars

914

00:34:13,750 --> 00:34:11,839

i think they

915

00:34:15,909 --> 00:34:13,760

they can do a better more efficient job

916

00:34:17,190 --> 00:34:15,919

budget wise in the city

917

00:34:20,869 --> 00:34:17,200

probably

918

00:34:24,790 --> 00:34:22,790

so this reminds me of another story but

919

00:34:26,149 --> 00:34:24,800

before i get into that like people you

920

00:34:27,510 --> 00:34:26,159

know it's always the roads as a

921

00:34:28,950 --> 00:34:27,520

libertarian it's always the roads

922

00:34:31,270 --> 00:34:28,960

because they're so complicated so

923

00:34:33,750 --> 00:34:31,280

complex to make a road because concrete

924

00:34:34,389 --> 00:34:33,760

is like so sophisticated how does it

925

00:34:36,950 --> 00:34:34,399

work

926

00:34:38,230 --> 00:34:36,960

i don't know i i mean i think scientists

927

00:34:40,230 --> 00:34:38,240

are still working on it's like flat

928

00:34:43,349 --> 00:34:40,240

earth we don't know um

929

00:34:45,909 --> 00:34:43,359

but so there was a story not long ago

930

00:34:47,990 --> 00:34:45,919

well one let me get into the finances

931

00:34:50,069 --> 00:34:48,000

when they build the roads it's usually

932

00:34:52,869 --> 00:34:50,079

some government official passing out a

933

00:34:55,750 --> 00:34:52,879

contract to you know uncle bill

934

00:34:58,550 --> 00:34:55,760

brother-in-law yeah somebody who runs

935

00:35:00,550 --> 00:34:58,560

the like has a concrete company a paving

936

00:35:02,710 --> 00:35:00,560

company and he's a genius because

937

00:35:05,030 --> 00:35:02,720

concrete and roads are

938

00:35:07,670 --> 00:35:05,040

[h__h] hard dude and so

939

00:35:09,750 --> 00:35:07,680

they passed them out at premium prices

940

00:35:11,750 --> 00:35:09,760

right you remember the hammers that cost

941

00:35:13,670 --> 00:35:11,760

800 bucks back in the 90s they were

942

00:35:15,270 --> 00:35:13,680

going on about gold plated

943

00:35:17,030 --> 00:35:15,280

yeah so they were you know it's

944

00:35:19,349 --> 00:35:17,040

basically they put these exorbitant

945

00:35:21,430 --> 00:35:19,359

contracts together for uh you know

946

00:35:22,950 --> 00:35:21,440

nepotistic uh

947

00:35:25,109 --> 00:35:22,960

reasons you know because it's it's like

948

00:35:26,790 --> 00:35:25,119

ukraine it's just like a giant spinner

949

00:35:29,750 --> 00:35:26,800

to get money back in the hands of the

950

00:35:31,670 --> 00:35:29,760

[h__h] criminals so anyway um

951
00:35:33,270 --> 00:35:31,680
there was a story i think it was in

952
00:35:35,190 --> 00:35:33,280
seattle which would make sense because

953
00:35:37,030 --> 00:35:35,200
it's always these lefty retards and the

954
00:35:39,109 --> 00:35:37,040
government itself but people were

955
00:35:40,870 --> 00:35:39,119
filling in potholes because the

956
00:35:42,470 --> 00:35:40,880
government wouldn't come and fix them

957
00:35:44,230 --> 00:35:42,480
and then they were getting fined and

958
00:35:46,150 --> 00:35:44,240
then the government was tearing them up

959
00:35:47,990 --> 00:35:46,160
and filling them in again because they

960
00:35:49,910 --> 00:35:48,000
weren't up to standards or whatever it's

961
00:35:52,470 --> 00:35:49,920
like the same thing like you need a

962
00:35:54,630 --> 00:35:52,480
[h__\h] haircut license to cut people's

963
00:35:55,910 --> 00:35:54,640

hair even if that person just trusts you

964

00:35:57,670 --> 00:35:55,920

and wants a haircut and wants to give

965

00:35:59,990 --> 00:35:57,680

you 20 bucks like it's such a [h__\h]

966

00:36:01,829 --> 00:36:00,000

bonanza of [h__\h]

967

00:36:03,910 --> 00:36:01,839

yeah rod stewart got into trouble doing

968

00:36:06,390 --> 00:36:03,920

that same thing like a few months ago we

969

00:36:08,390 --> 00:36:06,400

talked about it rod stewart was tired of

970

00:36:10,390 --> 00:36:08,400

busting up his fear uh ferrari when he

971

00:36:13,030 --> 00:36:10,400

was driving down the road so he got out

972

00:36:15,349 --> 00:36:13,040

there he put on a safety jacket got a

973

00:36:17,109 --> 00:36:15,359

hard hat on and started filling in the

974

00:36:20,310 --> 00:36:17,119

roads and the government got pissed said

975

00:36:22,870 --> 00:36:20,320

hey you can't do that rod

976

00:36:24,550 --> 00:36:22,880

well he did it anyways

977

00:36:27,109 --> 00:36:24,560

he said what do you do come on stop me

978

00:36:29,510 --> 00:36:27,119

watch this you're going to bring over

979

00:36:30,550 --> 00:36:29,520

your old motown records

980

00:36:33,270 --> 00:36:30,560

it's going to put the speakers in the

981

00:36:37,270 --> 00:36:35,589

well i like uh i like what these guys

982

00:36:38,829 --> 00:36:37,280

are doing and gals there's some gals out

983

00:36:41,349 --> 00:36:38,839

there doing this too

984

00:36:43,030 --> 00:36:41,359

yeah and uh

985

00:36:45,030 --> 00:36:43,040

they do a great job

986

00:36:46,950 --> 00:36:45,040

it just sucks that the the city is not

987

00:36:49,510 --> 00:36:46,960

not like tapping these people going you

988

00:36:51,589 --> 00:36:49,520

know what you're doing a good job

989

00:36:53,270 --> 00:36:51,599

uh make more

990

00:36:56,310 --> 00:36:53,280

you know you're saving us money you're

991

00:36:58,710 --> 00:36:56,320

you're helping improve uh our budget

992

00:36:59,589 --> 00:36:58,720

here at the city

993

00:37:02,630 --> 00:36:59,599

uh

994

00:37:04,710 --> 00:37:02,640

all right oh interesting story cratchit

995

00:37:06,310 --> 00:37:04,720

anyway i saw that one and i thought of

996

00:37:08,390 --> 00:37:06,320

joe's stories about the anarchist doing

997

00:37:10,230 --> 00:37:08,400

their own thing

998

00:37:11,829 --> 00:37:10,240

right yeah all right um so let's go to

999

00:37:13,750 --> 00:37:11,839

this one which is now this is a mic

1000

00:37:15,109 --> 00:37:13,760

story because this is a cyber attack

1001
00:37:22,790 --> 00:37:15,119
story

1002
00:37:28,310 --> 00:37:25,670
i hope i'm not on fire

1003
00:37:30,950 --> 00:37:28,320
let's see here

1004
00:37:33,349 --> 00:37:30,960
here's the headline here bank refuses to

1005
00:37:35,750 --> 00:37:33,359
pay ransom to hackers

1006
00:37:37,910 --> 00:37:35,760
sends dick pics

1007
00:37:39,589 --> 00:37:37,920
that's good news the bank sends dick

1008
00:37:41,990 --> 00:37:39,599
pics instead yup

1009
00:37:45,270 --> 00:37:42,000
wow okay

1010
00:37:47,030 --> 00:37:45,280
uh i'm i'm not sure it would be enough

1011
00:37:50,790 --> 00:37:47,040
for me to switch bank accounts but i

1012
00:37:54,069 --> 00:37:50,800
have something of a sneaking respect

1013
00:37:57,030 --> 00:37:54,079

for the bank of zamba

1014

00:38:01,430 --> 00:37:58,550

that's a real bank against the bank of

1015

00:38:04,069 --> 00:38:01,440

zambia as bleeping computer reports

1016

00:38:06,390 --> 00:38:04,079

zambia's central bank fell foul of a

1017

00:38:08,630 --> 00:38:06,400

ransomware attack orchestrated by the

1018

00:38:10,550 --> 00:38:08,640

hive ransomware gang earlier this month

1019

00:38:11,670 --> 00:38:10,560

in a press release the bank of

1020

00:38:14,069 --> 00:38:11,680

zambia

1021

00:38:16,829 --> 00:38:14,079

uh reassured his customers partners and

1022

00:38:20,390 --> 00:38:16,839

media that it had recovered from the

1023

00:38:23,270 --> 00:38:20,400

attack and so they put out a statement

1024

00:38:26,069 --> 00:38:23,280

in disruption which affected some

1025

00:38:28,310 --> 00:38:26,079

systems at the bank such as the bureau

1026
00:38:31,030 --> 00:38:28,320
of change monitoring systems and the

1027
00:38:33,190 --> 00:38:31,040
website emanated from a suspected cyber

1028
00:38:35,109 --> 00:38:33,200
security incident we wish to advise that

1029
00:38:37,589 --> 00:38:35,119
the systems have since been fully

1030
00:38:40,390 --> 00:38:37,599
restored well it's good to know

1031
00:38:42,150 --> 00:38:40,400
uh but that's not that impressive to me

1032
00:38:44,550 --> 00:38:42,160
rather the claim that the bank responded

1033
00:38:47,270 --> 00:38:44,560
to messages from the extortionist by

1034
00:38:48,870 --> 00:38:47,280
sending them a dick pic with the

1035
00:38:50,310 --> 00:38:48,880
accompanying message

1036
00:38:52,950 --> 00:38:50,320
suck this dick

1037
00:38:55,349 --> 00:38:52,960
and stop locking bank networks thinking

1038
00:38:58,829 --> 00:38:55,359

you will monetize something

1039

00:39:06,710 --> 00:39:03,829

okay that's a that's a huge [h__h] you

1040

00:39:10,390 --> 00:39:06,720

this is damn exciting stuff

1041

00:39:12,710 --> 00:39:10,400

it's a bold move it really is

1042

00:39:15,990 --> 00:39:12,720

so i mean according to bloomberg the

1043

00:39:17,750 --> 00:39:16,000

bamp uh the bank of zambia

1044

00:39:19,030 --> 00:39:17,760

uh their technical director

1045

00:39:21,030 --> 00:39:19,040

greg

1046

00:39:22,790 --> 00:39:21,040

decided it was capable of restoring its

1047

00:39:25,109 --> 00:39:22,800

data itself without

1048

00:39:26,630 --> 00:39:25,119

the assistance of the wannabe

1049

00:39:29,190 --> 00:39:26,640

extortionists

1050

00:39:30,470 --> 00:39:29,200

so they they have full backups they're

1051
00:39:32,950 --> 00:39:30,480
all good

1052
00:39:34,310 --> 00:39:32,960
so i mean obviously like what they do

1053
00:39:37,109 --> 00:39:34,320
they they get a

1054
00:39:39,829 --> 00:39:37,119
a foothold in the system they encrypt

1055
00:39:41,750 --> 00:39:39,839
some data bank accounts all that kind of

1056
00:39:44,230 --> 00:39:41,760
stuff and then they'll say hey if you

1057
00:39:45,670 --> 00:39:44,240
want the password to unencrypt

1058
00:39:47,109 --> 00:39:45,680
give us money

1059
00:39:48,630 --> 00:39:47,119
and uh

1060
00:39:52,470 --> 00:39:48,640
these people have backups of everything

1061
00:39:55,670 --> 00:39:54,150
all right yeah so there's there's a

1062
00:39:57,430 --> 00:39:55,680
another reporting of the same story from

1063
00:39:59,589 --> 00:39:57,440

bloomberg who doesn't reference the dick

1064

00:40:00,470 --> 00:39:59,599

pics at all just says that the uh

1065

00:40:02,230 --> 00:40:00,480

um

1066

00:40:04,390 --> 00:40:02,240

the hackers were given short shrift it

1067

00:40:05,670 --> 00:40:04,400

says only some test data had been leaked

1068

00:40:07,109 --> 00:40:05,680

knowing that we had protected our core

1069

00:40:09,109 --> 00:40:07,119

systems it wasn't really necessary

1070

00:40:10,390 --> 00:40:09,119

necessary for us to even engage so we

1071

00:40:12,550 --> 00:40:10,400

pretty much told them where to get off

1072

00:40:14,150 --> 00:40:12,560

that's as far as bloomberg goes but so

1073

00:40:17,430 --> 00:40:14,160

the question is better

1074

00:40:18,309 --> 00:40:17,440

whose dick picture did they use

1075

00:40:19,750 --> 00:40:18,319

i would like to think it was a

1076
00:40:20,470 --> 00:40:19,760
collective one from the network security

1077
00:40:22,309 --> 00:40:20,480
team

1078
00:40:24,630 --> 00:40:22,319
well they had to get the dick pic from

1079
00:40:28,150 --> 00:40:24,640
somewhere did they say hey

1080
00:40:30,390 --> 00:40:28,160
well go online find a dick pic

1081
00:40:31,750 --> 00:40:30,400
using coppery computers and then send

1082
00:40:33,829 --> 00:40:31,760
that to

1083
00:40:35,430 --> 00:40:33,839
the hackers

1084
00:40:36,950 --> 00:40:35,440
blue ribbon committee to spend the next

1085
00:40:39,109 --> 00:40:36,960
three days to try to find the most

1086
00:40:41,750 --> 00:40:39,119
offensive dick pic

1087
00:40:43,270 --> 00:40:41,760
the director of it says i just so happen

1088
00:40:45,109 --> 00:40:43,280

to have a dick pic on my phone that we

1089

00:40:46,630 --> 00:40:45,119

can use for just such an occasion yeah

1090

00:40:48,390 --> 00:40:46,640

i've got a whole album on my phone do

1091

00:40:49,750 --> 00:40:48,400

you want to use one of these it's a deep

1092

00:40:52,309 --> 00:40:49,760

fake dick pic

1093

00:40:53,910 --> 00:40:52,319

deep fake yes so mike my question to you

1094

00:40:56,390 --> 00:40:53,920

as a secure as a network security

1095

00:40:58,950 --> 00:40:56,400

professional mm-hmm

1096

00:41:01,270 --> 00:40:58,960

how ill-advised or well-advised is this

1097

00:41:02,790 --> 00:41:01,280

response to to hackers you say hey you

1098

00:41:04,069 --> 00:41:02,800

know we've got we installed ransomware

1099

00:41:05,190 --> 00:41:04,079

we have all your data we've got it all

1100

00:41:06,390 --> 00:41:05,200

locked up and we're not going to give it

1101
00:41:08,230 --> 00:41:06,400
to you unless you pay and if you just

1102
00:41:11,910 --> 00:41:08,240
respond with a dick pic

1103
00:41:15,270 --> 00:41:11,920
it depends on the well i i would

1104
00:41:18,470 --> 00:41:15,280
probably say it's not advised to respond

1105
00:41:20,950 --> 00:41:18,480
with such a provocative measure

1106
00:41:23,270 --> 00:41:20,960
if your response is in any way

1107
00:41:26,230 --> 00:41:23,280
you only respond to negotiate in some

1108
00:41:28,150 --> 00:41:26,240
way uh either you know you have some

1109
00:41:30,390 --> 00:41:28,160
sort of cyber security insurance which

1110
00:41:31,750 --> 00:41:30,400
will take care of this kind of thing at

1111
00:41:33,589 --> 00:41:31,760
which point i'm you're not going to

1112
00:41:37,430 --> 00:41:33,599
respond if your

1113
00:41:39,990 --> 00:41:37,440

data is so sensitive and you need it now

1114

00:41:41,589 --> 00:41:40,000

at which point in time you will respond

1115

00:41:44,230 --> 00:41:41,599

and pay whatever they want like what

1116

00:41:46,950 --> 00:41:44,240

happened with the the pipeline stuff um

1117

00:41:49,910 --> 00:41:46,960

they paid but i believe they they paid

1118

00:41:51,990 --> 00:41:49,920

and only were able to partially recover

1119

00:41:54,230 --> 00:41:52,000

some of the data so what was promised by

1120

00:41:56,390 --> 00:41:54,240

the hackers wasn't even delivered

1121

00:41:57,510 --> 00:41:56,400

uh so they they kind of got uh screwed

1122

00:41:59,270 --> 00:41:57,520

out there they thought they're gonna pay

1123

00:42:02,550 --> 00:41:59,280

the money and all was gonna be on the up

1124

00:42:05,190 --> 00:42:02,560

and up i think the uh the going uh

1125

00:42:05,990 --> 00:42:05,200

thought here is don't do it don't give

1126

00:42:08,069 --> 00:42:06,000

in

1127

00:42:10,150 --> 00:42:08,079

because if there's a unified front to

1128

00:42:12,630 --> 00:42:10,160

not negotiate with these hackers and

1129

00:42:14,710 --> 00:42:12,640

terrorists then it will be

1130

00:42:16,470 --> 00:42:14,720

a tactic that will

1131

00:42:18,550 --> 00:42:16,480

not benefit them in the long run it

1132

00:42:20,550 --> 00:42:18,560

becomes a dead end for them if no one is

1133

00:42:23,030 --> 00:42:20,560

willing to pay because their their

1134

00:42:25,510 --> 00:42:23,040

backups are so good or the cyber

1135

00:42:27,190 --> 00:42:25,520

security insurance is

1136

00:42:28,829 --> 00:42:27,200

is put in place and they're able to

1137

00:42:31,270 --> 00:42:28,839

recover some

1138

00:42:33,589 --> 00:42:31,280

funds the other question i had is what

1139

00:42:35,670 --> 00:42:33,599

if when you're attacked by attack

1140

00:42:37,670 --> 00:42:35,680

contacted by the the the hackers with

1141

00:42:39,829 --> 00:42:37,680

your their ransomware what if the

1142

00:42:42,550 --> 00:42:39,839

payment they want is dick pics do you

1143

00:42:45,670 --> 00:42:42,560

send them money instead

1144

00:42:47,109 --> 00:42:45,680

who it depends on how how how much

1145

00:42:49,589 --> 00:42:47,119

like if you have a wealth of dick pics

1146

00:42:50,790 --> 00:42:49,599

to share uh in the quality

1147

00:42:51,750 --> 00:42:50,800

uh

1148

00:42:53,910 --> 00:42:51,760

you think they might come back and say

1149

00:42:55,430 --> 00:42:53,920

this is not good enough send another one

1150

00:42:57,589 --> 00:42:55,440

you know there's there's a lot of things

1151
00:42:59,190 --> 00:42:57,599
there that uh

1152
00:43:00,309 --> 00:42:59,200
there's a lot of unanswered questions so

1153
00:43:02,710 --> 00:43:00,319
i don't know

1154
00:43:04,550 --> 00:43:02,720
uh i would say never negotiate not even

1155
00:43:05,990 --> 00:43:04,560
with dick pics

1156
00:43:08,790 --> 00:43:06,000
not worth it

1157
00:43:11,910 --> 00:43:08,800
and if you are going to send dick pics

1158
00:43:13,829 --> 00:43:11,920
you can support the show by cc'ing me in

1159
00:43:15,670 --> 00:43:13,839
all those sins

1160
00:43:18,710 --> 00:43:15,680
exactly

1161
00:43:20,710 --> 00:43:18,720
joe it will observe and report back if

1162
00:43:22,470 --> 00:43:20,720
you found anything incredible now joe's

1163
00:43:25,030 --> 00:43:22,480

super hardcore

1164

00:43:26,630 --> 00:43:25,040

super hard something

1165

00:43:27,990 --> 00:43:26,640

well let's let's let's switch gears here

1166

00:43:30,230 --> 00:43:28,000

a little bit i have a story in carrot

1167

00:43:31,990 --> 00:43:30,240

shop for you about a school club that is

1168

00:43:35,430 --> 00:43:32,000

having some trouble getting formed

1169

00:43:38,550 --> 00:43:35,440

okay a school club

1170

00:43:41,510 --> 00:43:38,560

all right let's uh get up on screen here

1171

00:43:44,630 --> 00:43:41,520

occult club registration rejected after

1172

00:43:47,430 --> 00:43:44,640

a complaint it may summon satan to

1173

00:43:49,829 --> 00:43:47,440

university of

1174

00:43:52,870 --> 00:43:49,839

was it the adel

1175

00:43:55,190 --> 00:43:52,880

adelaide adelaide university of adelaide

1176
00:43:56,870 --> 00:43:55,200
in awesome okay all right that's a funny

1177
00:43:58,230 --> 00:43:56,880
headline that's a funny headline if i

1178
00:44:00,630 --> 00:43:58,240
can read it

1179
00:44:01,829 --> 00:44:00,640
uh a club of pagans witches and

1180
00:44:03,990 --> 00:44:01,839
satanists say

1181
00:44:05,990 --> 00:44:04,000
its affiliation with the adelaide

1182
00:44:08,630 --> 00:44:06,000
university union has been rejected

1183
00:44:13,109 --> 00:44:08,640
because of a comp a complaint

1184
00:44:14,710 --> 00:44:13,119
its members may summon the devil onto

1185
00:44:17,190 --> 00:44:14,720
campus

1186
00:44:18,790 --> 00:44:17,200
oh really

1187
00:44:21,190 --> 00:44:18,800
uh quote even if we wanted a southern

1188
00:44:24,470 --> 00:44:21,200

satan it's not against university or

1189

00:44:26,710 --> 00:44:24,480

union policy to do so

1190

00:44:29,349 --> 00:44:26,720

it's still not really grounds to reject

1191

00:44:31,190 --> 00:44:29,359

us and i agree if there's no formal if

1192

00:44:33,990 --> 00:44:31,200

it's not in the the the student's

1193

00:44:36,870 --> 00:44:34,000

handbook to not summon satan or demonic

1194

00:44:38,309 --> 00:44:36,880

creatures you can do it i wonder are

1195

00:44:39,430 --> 00:44:38,319

there are there schools that have that

1196

00:44:40,870 --> 00:44:39,440

in there like hey have you ever read all

1197

00:44:42,870 --> 00:44:40,880

the way through this thing probably at

1198

00:44:44,630 --> 00:44:42,880

bible universities

1199

00:44:46,790 --> 00:44:44,640

bible university dot com

1200

00:44:48,870 --> 00:44:46,800

bible university uh

1201

00:44:50,309 --> 00:44:48,880

uh some of those mormon universes they

1202

00:44:52,150 --> 00:44:50,319

got they probably frown upon that they

1203

00:44:54,470 --> 00:44:52,160

probably it's probably in one of their

1204

00:44:56,470 --> 00:44:54,480

handbooks that you cannot practice uh a

1205

00:44:58,470 --> 00:44:56,480

cult you can't have ouija boards in your

1206

00:44:59,750 --> 00:44:58,480

dorm rooms or anything like that i would

1207

00:45:01,589 --> 00:44:59,760

say that this doesn't say that this says

1208

00:45:02,950 --> 00:45:01,599

specifically about summoning satan yeah

1209

00:45:05,270 --> 00:45:02,960

they're very particular about that that

1210

00:45:08,550 --> 00:45:05,280

means that i think sometime in the past

1211

00:45:11,030 --> 00:45:08,560

someone did summon satan oh okay and

1212

00:45:13,109 --> 00:45:11,040

they downplayed it look in 1978 we had a

1213

00:45:14,470 --> 00:45:13,119

student summon the dark lord of hell and

1214

00:45:17,030 --> 00:45:14,480

it would cause all sorts of problems so

1215

00:45:18,630 --> 00:45:17,040

never again yeah i have to do it

1216

00:45:21,109 --> 00:45:18,640

uh the uh

1217

00:45:23,270 --> 00:45:21,119

out of adelaide university occult club

1218

00:45:25,270 --> 00:45:23,280

was formed in late 2020 and

1219

00:45:28,150 --> 00:45:25,280

provisionally registered with the

1220

00:45:30,150 --> 00:45:28,160

adelaide university union in early 2021

1221

00:45:32,630 --> 00:45:30,160

but earlier this month the application

1222

00:45:34,309 --> 00:45:32,640

for full registration was not approved

1223

00:45:37,750 --> 00:45:34,319

the club is now planning to appeal the

1224

00:45:40,069 --> 00:45:37,760

decision of the a you you club committee

1225

00:45:42,390 --> 00:45:40,079

to the union's board however the same

1226
00:45:43,990 --> 00:45:42,400
conservative pro uh progress faction

1227
00:45:45,510 --> 00:45:44,000
controls both

1228
00:45:48,069 --> 00:45:45,520
bodies

1229
00:45:50,390 --> 00:45:48,079
so uh registration opens up funding for

1230
00:45:52,069 --> 00:45:50,400
clubs as well as access to space and

1231
00:45:54,470 --> 00:45:52,079
equipment at the university so they want

1232
00:45:57,109 --> 00:45:54,480
access to the vcrs the overhead

1233
00:45:59,750 --> 00:45:57,119
projectors and probably

1234
00:46:01,190 --> 00:45:59,760
uh the the coffee break room

1235
00:46:03,510 --> 00:46:01,200
so the way this works at a lot of

1236
00:46:05,430 --> 00:46:03,520
schools is they'll have general pool

1237
00:46:06,630 --> 00:46:05,440
funding for student groups and they get

1238
00:46:08,870 --> 00:46:06,640

you know it's a modicum of funds you

1239

00:46:11,190 --> 00:46:08,880

know here's a thousand dollars a year to

1240

00:46:12,470 --> 00:46:11,200

have a party or to you know

1241

00:46:13,829 --> 00:46:12,480

have a guest speaker come in or

1242

00:46:14,950 --> 00:46:13,839

something like that and that's really

1243

00:46:16,069 --> 00:46:14,960

where the push on this is coming our

1244

00:46:18,309 --> 00:46:16,079

push back on this is coming from like

1245

00:46:19,510 --> 00:46:18,319

hey we want to have a club okay uh

1246

00:46:20,550 --> 00:46:19,520

you know and we want a thousand dollars

1247

00:46:23,349 --> 00:46:20,560

okay what are you gonna do we're gonna

1248

00:46:24,470 --> 00:46:23,359

we're gonna um summon satan

1249

00:46:26,790 --> 00:46:24,480

um

1250

00:46:29,829 --> 00:46:26,800

no no well okay we'll invite nancy

1251

00:46:33,990 --> 00:46:29,839

pelosi in on anton levay that's done

1252

00:46:38,390 --> 00:46:36,390

uh the club also organized an open

1253

00:46:40,309 --> 00:46:38,400

letter signed by other club leaders

1254

00:46:42,349 --> 00:46:40,319

supporting his registration while the

1255

00:46:45,750 --> 00:46:42,359

online petition garnered

1256

00:46:47,910 --> 00:46:45,760

571 signatures okay

1257

00:46:49,510 --> 00:46:47,920

uh quote these people have just made

1258

00:46:52,309 --> 00:46:49,520

this decision based upon their own

1259

00:46:54,309 --> 00:46:52,319

political gain rather than what actually

1260

00:46:56,390 --> 00:46:54,319

democratically

1261

00:46:57,589 --> 00:46:56,400

uh represented people desire at the

1262

00:47:00,069 --> 00:46:57,599

university

1263

00:47:01,349 --> 00:47:00,079

the auuu board and two of his club

1264

00:47:04,790 --> 00:47:01,359

committees

1265

00:47:07,510 --> 00:47:04,800

uh are chosen by student votes okay

1266

00:47:10,710 --> 00:47:07,520

there are six christian clubs one muslim

1267

00:47:13,270 --> 00:47:10,720

club one secular club register with the

1268

00:47:15,670 --> 00:47:13,280

union according to its own website

1269

00:47:16,950 --> 00:47:15,680

okay so if if they if they handle this

1270

00:47:18,790 --> 00:47:16,960

correctly they can push back and say

1271

00:47:20,710 --> 00:47:18,800

look we if you know we're we're the

1272

00:47:22,150 --> 00:47:20,720

complaint is they're gonna you know uh

1273

00:47:23,589 --> 00:47:22,160

summon satan the

1274

00:47:25,190 --> 00:47:23,599

yeah what they're saying is look we're

1275

00:47:27,349 --> 00:47:25,200

just we're just pagans and wiccans and

1276

00:47:28,950 --> 00:47:27,359

whatnot um and like hey if you're gonna

1277

00:47:31,750 --> 00:47:28,960

allow clubs that are openly professing

1278

00:47:33,990 --> 00:47:31,760

christianity or or uh islam

1279

00:47:36,069 --> 00:47:34,000

why can't we have a club so

1280

00:47:38,790 --> 00:47:36,079

yeah what about me

1281

00:47:40,470 --> 00:47:38,800

and i don't know what their laws are

1282

00:47:42,150 --> 00:47:40,480

like in australia when it comes to

1283

00:47:43,829 --> 00:47:42,160

freedom of religion

1284

00:47:45,589 --> 00:47:43,839

or freedom of speech

1285

00:47:47,589 --> 00:47:45,599

uh but in the united states i i would

1286

00:47:50,069 --> 00:47:47,599

assume there would be a good court case

1287

00:47:52,630 --> 00:47:50,079

to where this would be allowed i would

1288

00:47:53,750 --> 00:47:52,640

assume we're allowing that at schools in

1289

00:47:54,790 --> 00:47:53,760

the us a lot of times what happens is

1290

00:47:56,230 --> 00:47:54,800

they'll say okay we're not going to

1291

00:47:58,870 --> 00:47:56,240

allow this we're also not going to allow

1292

00:47:59,990 --> 00:47:58,880

any specifically religious clubs yes i

1293

00:48:00,710 --> 00:48:00,000

think that's how that would be quite a

1294

00:48:01,910 --> 00:48:00,720

bit

1295

00:48:03,510 --> 00:48:01,920

yup

1296

00:48:06,549 --> 00:48:03,520

separation church and state that's right

1297

00:48:07,670 --> 00:48:06,559

all right noah call club no satan i

1298

00:48:09,349 --> 00:48:07,680

would love to see what they talk about

1299

00:48:10,630 --> 00:48:09,359

there though i'd be kind of curious to

1300

00:48:12,390 --> 00:48:10,640

see whether they spend their entire

1301

00:48:14,790 --> 00:48:12,400

meetings drawing circles on the floor

1302

00:48:16,549 --> 00:48:14,800

with wax and trying to summon satan

1303

00:48:18,230 --> 00:48:16,559

we're going to chop off a chicken sand

1304

00:48:20,230 --> 00:48:18,240

this class okay

1305

00:48:22,870 --> 00:48:20,240

proper way to chop off a chicken's head

1306

00:48:24,150 --> 00:48:22,880

how to create a blood stitch

1307

00:48:26,870 --> 00:48:24,160

to summon

1308

00:48:29,030 --> 00:48:26,880

the dark overlords to help you manifest

1309

00:48:31,750 --> 00:48:29,040

your own dreams and destiny

1310

00:48:34,790 --> 00:48:31,760

count me in sign me up best times of the

1311

00:48:36,230 --> 00:48:34,800

of the year to create a pentagram yes

1312

00:48:39,030 --> 00:48:36,240

sometimes are better than others if you

1313

00:48:40,710 --> 00:48:39,040

follow the moon cycle so

1314

00:48:42,870 --> 00:48:40,720

all right interesting one

1315

00:48:44,710 --> 00:48:42,880

um all right let's let's move to this

1316

00:48:45,750 --> 00:48:44,720

one because uh this this one cracks me

1317

00:48:47,670 --> 00:48:45,760

up and the fact that this guy calls

1318

00:48:49,510 --> 00:48:47,680

himself this unironically

1319

00:48:51,589 --> 00:48:49,520

and it's also from uh your former neck

1320

00:48:53,750 --> 00:48:51,599

of the woods down in arizona okay i do

1321

00:48:56,630 --> 00:48:53,760

like arizona still

1322

00:48:58,710 --> 00:48:56,640

uh paradise uh paradise valley man calls

1323

00:49:01,910 --> 00:48:58,720

himself poop fairy

1324

00:49:04,230 --> 00:49:01,920

as he works to keep neighborhood clean

1325

00:49:07,030 --> 00:49:04,240

that's some good news on that front

1326

00:49:08,549 --> 00:49:07,040

i tell you what you know paradise valley

1327

00:49:11,430 --> 00:49:08,559

great area if you're if you're going to

1328

00:49:13,670 --> 00:49:11,440

live in phoenix paradise valley is

1329

00:49:14,470 --> 00:49:13,680

absolutely beautiful live very close to

1330

00:49:16,309 --> 00:49:14,480

there

1331

00:49:17,750 --> 00:49:16,319

uh and so i wish i had a poop fairy

1332

00:49:19,829 --> 00:49:17,760

there although i didn't encounter too

1333

00:49:22,230 --> 00:49:19,839

much poop on the sidewalks but maybe

1334

00:49:24,150 --> 00:49:22,240

this guy will uh shed more light on the

1335

00:49:25,670 --> 00:49:24,160

good work that he's doing

1336

00:49:27,990 --> 00:49:25,680

we'll see here i think there's a news

1337

00:49:30,309 --> 00:49:28,000

story there are everyday heroes who

1338

00:49:32,069 --> 00:49:30,319

don't ask for accolades a valley man has

1339

00:49:34,309 --> 00:49:32,079

taken it upon himself to keep his

1340

00:49:36,549 --> 00:49:34,319

community clean yeah he took to the next

1341

00:49:38,470 --> 00:49:36,559

door app to let his neighbors know about

1342

00:49:39,910 --> 00:49:38,480

the thankless job he's doing and he

1343

00:49:42,630 --> 00:49:39,920

wants to encourage them to do their part

1344

00:49:44,950 --> 00:49:42,640

too amy cutler is working this story

1345

00:49:46,470 --> 00:49:44,960

amy he calls himself the poop fairy

1346

00:49:48,309 --> 00:49:46,480

that's right we want to be very clear in

1347

00:49:50,390 --> 00:49:48,319

saying this is a name he has given

1348

00:49:53,109 --> 00:49:50,400

himself not one that we have given him

1349

00:49:55,510 --> 00:49:53,119

the paradise valley homeowner often goes

1350

00:49:57,270 --> 00:49:55,520

for walks and runs and realized he could

1351
00:49:59,670 --> 00:49:57,280
either get angry with his neighbors

1352
00:50:01,190 --> 00:49:59,680
about the trash be laid behind or do

1353
00:50:03,510 --> 00:50:01,200
something about it

1354
00:50:05,990 --> 00:50:03,520
there's no technique

1355
00:50:09,750 --> 00:50:06,000
jim saunders explaining what's become

1356
00:50:12,710 --> 00:50:09,760
his routine i take a plastic bag with me

1357
00:50:14,069 --> 00:50:12,720
and i pick up waste including dog waste

1358
00:50:15,670 --> 00:50:14,079
that's lying on the side of the road

1359
00:50:18,069 --> 00:50:15,680
[h__\h]

1360
00:50:20,230 --> 00:50:18,079
and this paradise valley homeowner has a

1361
00:50:22,790 --> 00:50:20,240
name for it i kind of morphed into

1362
00:50:25,349 --> 00:50:22,800
something called plogging and plugging

1363
00:50:27,670 --> 00:50:25,359

is a combination of two words they're

1364

00:50:30,390 --> 00:50:27,680

actually in swedish it means picking up

1365

00:50:31,510 --> 00:50:30,400

and jogging about the time that i'm

1366

00:50:33,190 --> 00:50:31,520

working

1367

00:50:34,790 --> 00:50:33,200

aka duty

1368

00:50:37,349 --> 00:50:34,800

and pick up i can catch my breath and

1369

00:50:39,349 --> 00:50:37,359

then i start again all right this guy

1370

00:50:41,109 --> 00:50:39,359

so he he's a plugger

1371

00:50:42,470 --> 00:50:41,119

he picks and jogs

1372

00:50:45,190 --> 00:50:42,480

and he goes around he get he's got

1373

00:50:47,190 --> 00:50:45,200

plastic bags that he uses to pick up

1374

00:50:49,270 --> 00:50:47,200

crap from the ground

1375

00:50:51,829 --> 00:50:49,280

he said that was swedish

1376

00:50:55,430 --> 00:50:51,839

i i is that what he said swedish

1377

00:50:58,390 --> 00:50:56,710

there's going to be something for me to

1378

00:51:00,309 --> 00:50:58,400

bend over and pick up i can catch my

1379

00:51:02,150 --> 00:51:00,319

breath and then i start again words

1380

00:51:04,710 --> 00:51:02,160

they're actually in swedish it means

1381

00:51:07,109 --> 00:51:04,720

picking up and jogging about the time

1382

00:51:08,630 --> 00:51:07,119

that i'm winded there's going to be

1383

00:51:10,150 --> 00:51:08,640

something for me to bend over and pick

1384

00:51:12,390 --> 00:51:10,160

up i can catch my breath and then i

1385

00:51:14,390 --> 00:51:12,400

start again there's no pride in that

1386

00:51:16,950 --> 00:51:14,400

saunders also does it when he's walking

1387

00:51:18,630 --> 00:51:16,960

his dog this is today's load i learned

1388

00:51:19,589 --> 00:51:18,640

about his newest job so many good

1389

00:51:22,390 --> 00:51:19,599

questions

1390

00:51:24,870 --> 00:51:22,400

post on next door in it he calls himself

1391

00:51:28,150 --> 00:51:24,880

the poop fairy writing quote it's not

1392

00:51:31,750 --> 00:51:28,160

something i applied for or desired aka

1393

00:51:34,549 --> 00:51:31,760

dental or 401k he also encourages those

1394

00:51:37,670 --> 00:51:34,559

walking in pv who see him with a load in

1395

00:51:40,950 --> 00:51:37,680

hand to wave and give a shout out thanks

1396

00:51:42,630 --> 00:51:40,960

poop fairy you can't convince anyone of

1397

00:51:44,870 --> 00:51:42,640

anything anymore

1398

00:51:46,790 --> 00:51:44,880

and so i said well i'll just write a

1399

00:51:47,670 --> 00:51:46,800

tongue-in-cheek post

1400

00:51:49,109 --> 00:51:47,680

and

1401
00:51:51,510 --> 00:51:49,119
at least make people aware of this

1402
00:51:54,630 --> 00:51:51,520
situation hopefully encouraging others

1403
00:51:56,790 --> 00:51:54,640
to take part being a poop fairy is not a

1404
00:51:59,109 --> 00:51:56,800
one-person job if anybody else would

1405
00:52:00,470 --> 00:51:59,119
like to pick up the load

1406
00:52:03,030 --> 00:52:00,480
welcome to it

1407
00:52:04,870 --> 00:52:03,040
and not all heroes were a cape saunders

1408
00:52:07,510 --> 00:52:04,880
tells me that that post was really just

1409
00:52:09,670 --> 00:52:07,520
a stream of consciousness but it got my

1410
00:52:11,990 --> 00:52:09,680
attention and it's really just another

1411
00:52:14,230 --> 00:52:12,000
reminder to pick up your trash nicole

1412
00:52:16,549 --> 00:52:14,240
yetta yeah pick up your trash and

1413
00:52:18,790 --> 00:52:16,559

everything else nobody else wants to do

1414

00:52:20,790 --> 00:52:18,800

he is a fairy a little bit of an angel

1415

00:52:23,670 --> 00:52:20,800

for that neighborhood

1416

00:52:25,670 --> 00:52:23,680

great story thank you thanks guys

1417

00:52:27,670 --> 00:52:25,680

this is quite the story by the way so

1418

00:52:29,589 --> 00:52:27,680

that i forgot to mention that credit to

1419

00:52:33,109 --> 00:52:29,599

herman from holland for finding that one

1420

00:52:35,349 --> 00:52:33,119

uh in swedish placca is the word for pick

1421

00:52:37,270 --> 00:52:35,359

so plaque and jogging which is also a

1422

00:52:38,950 --> 00:52:37,280

swedish word so would be plogging i

1423

00:52:40,390 --> 00:52:38,960

guess but

1424

00:52:42,309 --> 00:52:40,400

i think this is probably one of my

1425

00:52:44,549 --> 00:52:42,319

favorite stories of the year there are

1426
00:52:47,510 --> 00:52:44,559
so many quotes in there they say poop

1427
00:52:49,829 --> 00:52:47,520
fairy there's so many isos that are able

1428
00:52:50,630 --> 00:52:49,839
to be harvested from that it's insane

1429
00:52:52,870 --> 00:52:50,640
and

1430
00:52:55,349 --> 00:52:52,880
he's not only doing they spent two

1431
00:52:57,589 --> 00:52:55,359
minutes talking about this guy who walks

1432
00:52:59,430 --> 00:52:57,599
around carrying [\h__\h] you know he stinks

1433
00:53:02,150 --> 00:52:59,440
like he's walking around

1434
00:53:03,829 --> 00:53:02,160
smelling like [\h__\h] walking his dog

1435
00:53:05,829 --> 00:53:03,839
i mean he's an old man probably in his

1436
00:53:07,670 --> 00:53:05,839
fifties or sixties and he's just walking

1437
00:53:08,630 --> 00:53:07,680
around town the beautiful paradise

1438
00:53:11,430 --> 00:53:08,640

valley

1439

00:53:13,190 --> 00:53:11,440

smelling like human feces they also

1440

00:53:15,030 --> 00:53:13,200

never pointed out mike my question is

1441

00:53:18,230 --> 00:53:15,040

what does he do with all the waste he

1442

00:53:20,230 --> 00:53:18,240

collects exactly he doesn't say what he

1443

00:53:21,750 --> 00:53:20,240

does with it possibly

1444

00:53:23,430 --> 00:53:21,760

they don't show him like putting it in

1445

00:53:25,670 --> 00:53:23,440

one of those little cans with the bags

1446

00:53:28,710 --> 00:53:25,680

or anything on he's got a big it showed

1447

00:53:31,349 --> 00:53:28,720

sprouts it was a big grocery store bag

1448

00:53:33,030 --> 00:53:31,359

full of stuff is he taking that home

1449

00:53:35,109 --> 00:53:33,040

i guess so

1450

00:53:37,670 --> 00:53:35,119

i'm building a humunculus out of uh out

1451
00:53:39,910 --> 00:53:37,680
of human [h__h] yeah we want homelessness

1452
00:53:41,750 --> 00:53:39,920
in needles and feces he's he's he's

1453
00:53:43,829 --> 00:53:41,760
grabbing it all he's taking it all he's

1454
00:53:47,109 --> 00:53:43,839
stockpiling some people who are toilet

1455
00:53:48,390 --> 00:53:47,119
paper this guy hoard [h__h]

1456
00:53:50,309 --> 00:53:48,400
but you're right i'm willing to bet

1457
00:53:51,190 --> 00:53:50,319
everything he owns everything that you

1458
00:53:53,190 --> 00:53:51,200
know

1459
00:53:57,510 --> 00:53:53,200
everything in his house it just stinks

1460
00:54:01,190 --> 00:53:57,520
of it it stinks of homeless species

1461
00:54:02,549 --> 00:54:01,200
it's just awful reminder of eating feces

1462
00:54:04,790 --> 00:54:02,559
well i mean

1463
00:54:06,390 --> 00:54:04,800

he's doing like uh he's picking up trash

1464

00:54:08,470 --> 00:54:06,400

and litters so good on him for doing

1465

00:54:09,990 --> 00:54:08,480

that he just smells awful we should send

1466

00:54:12,950 --> 00:54:10,000

him deodorant or something or some sort

1467

00:54:15,589 --> 00:54:12,960

of like potpourri spray so spread we

1468

00:54:17,510 --> 00:54:15,599

spray feces on people yep does he have a

1469

00:54:19,349 --> 00:54:17,520

jet pack perhaps uh he does i think he

1470

00:54:21,190 --> 00:54:19,359

has a jet i fly a jet pack spraying

1471

00:54:22,710 --> 00:54:21,200

human feces on people that's what he

1472

00:54:24,230 --> 00:54:22,720

does so he goes around collects crap

1473

00:54:25,510 --> 00:54:24,240

puts it in his jet pack and that's how

1474

00:54:26,950 --> 00:54:25,520

he powers it

1475

00:54:27,990 --> 00:54:26,960

what about uh does bill gates drink the

1476

00:54:29,030 --> 00:54:28,000

water

1477

00:54:31,670 --> 00:54:29,040

uh

1478

00:54:32,549 --> 00:54:31,680

what you don't get one no i think poop

1479

00:54:34,470 --> 00:54:32,559

water

1480

00:54:36,630 --> 00:54:34,480

let me see

1481

00:54:39,030 --> 00:54:36,640

you bill

1482

00:54:42,630 --> 00:54:39,040

water

1483

00:54:45,109 --> 00:54:42,640

uh it's not coming up for me

1484

00:54:47,829 --> 00:54:45,119

i swear you had that one

1485

00:54:49,750 --> 00:54:47,839

maybe it's in big luther

1486

00:54:51,589 --> 00:54:49,760

it is one of the things though that bill

1487

00:54:53,750 --> 00:54:51,599

gates was talking about where it's like

1488

00:54:55,670 --> 00:54:53,760

we're gonna shove a bunch of [h__\h] in

1489

00:54:57,750 --> 00:54:55,680

this giant machine if i remember

1490

00:54:59,510 --> 00:54:57,760

correctly it was pretty large it wasn't

1491

00:55:01,510 --> 00:54:59,520

like you could just like move this thing

1492

00:55:03,750 --> 00:55:01,520

around he's like oh this water's

1493

00:55:07,030 --> 00:55:03,760

delicious which probably came out of a

1494

00:55:08,309 --> 00:55:07,040

jasoni bottle but he he does want you to

1495

00:55:09,270 --> 00:55:08,319

drink poop

1496

00:55:12,069 --> 00:55:09,280

yes

1497

00:55:15,270 --> 00:55:12,079

he does he he desires you to eat uh poop

1498

00:55:16,390 --> 00:55:15,280

uh eat bugs and uh dance around and

1499

00:55:17,910 --> 00:55:16,400

urine

1500

00:55:19,910 --> 00:55:17,920

that's that's the life that uh we're

1501
00:55:22,789 --> 00:55:19,920
headed towards all being tracked with ai

1502
00:55:25,430 --> 00:55:24,069
uh

1503
00:55:26,710 --> 00:55:25,440
i'm trying to

1504
00:55:28,390 --> 00:55:26,720
let me just

1505
00:55:30,870 --> 00:55:28,400
what is this right here i just spilled a

1506
00:55:34,230 --> 00:55:30,880
big glass of water in here

1507
00:55:36,069 --> 00:55:34,240
that was the wrong clip right there i

1508
00:55:38,069 --> 00:55:36,079
see you're going to slit your wrists you

1509
00:55:39,349 --> 00:55:38,079
want to slit them in hot water in a tub

1510
00:55:41,670 --> 00:55:39,359
and you don't really feel it you just

1511
00:55:43,750 --> 00:55:41,680
pass out in about 5-10 minutes and die

1512
00:55:46,390 --> 00:55:43,760
okay that's not obviously not the the

1513
00:55:48,069 --> 00:55:46,400

right clip so

1514

00:55:49,190 --> 00:55:48,079

i have to find the bill clip bill

1515

00:55:50,950 --> 00:55:49,200

clinton

1516

00:55:52,390 --> 00:55:50,960

bill gates clip later

1517

00:55:55,750 --> 00:55:52,400

the bill clinton clip of him drinking

1518

00:55:57,990 --> 00:55:55,760

bill gates yes they can drink each other

1519

00:55:59,589 --> 00:55:58,000

sit around 69 drink each other guys

1520

00:56:02,309 --> 00:55:59,599

whatever you whatever you want to do was

1521

00:56:03,270 --> 00:56:02,319

it gonna go that far but thanks

1522

00:56:05,510 --> 00:56:03,280

uh

1523

00:56:08,230 --> 00:56:05,520

okay one more story cratchit and then

1524

00:56:09,990 --> 00:56:08,240

i'll i for next week i will talk about

1525

00:56:12,230 --> 00:56:10,000

grain graham crackers and how they

1526

00:56:13,670 --> 00:56:12,240

prevent masturbation

1527

00:56:14,630 --> 00:56:13,680

uh that was actually why they were

1528

00:56:16,870 --> 00:56:14,640

created is that what you mean you're

1529

00:56:18,309 --> 00:56:16,880

talking about yeah that's why by the way

1530

00:56:21,190 --> 00:56:18,319

that's why breakfast cereal exists

1531

00:56:22,630 --> 00:56:21,200

people it's not not fake

1532

00:56:24,470 --> 00:56:22,640

the reason that kellogg made breakfast

1533

00:56:26,309 --> 00:56:24,480

hero was anti-masturbation i'm not

1534

00:56:27,910 --> 00:56:26,319

[h__\h] you look it up

1535

00:56:29,910 --> 00:56:27,920

um

1536

00:56:31,190 --> 00:56:29,920

uh all right so let's see i got a couple

1537

00:56:33,990 --> 00:56:31,200

of headlines here i got a headline about

1538

00:56:35,510 --> 00:56:34,000

a cruise to the bermuda triangle

1539

00:56:38,470 --> 00:56:35,520

got a headline about a woman who eats

1540

00:56:39,510 --> 00:56:38,480

nothing but um potato chips and and on

1541

00:56:40,870 --> 00:56:39,520

bread

1542

00:56:43,430 --> 00:56:40,880

um

1543

00:56:45,430 --> 00:56:43,440

and and a story questioning if your

1544

00:56:47,750 --> 00:56:45,440

house is haunted do you have to tell

1545

00:56:50,230 --> 00:56:47,760

potential buyers when you're selling it

1546

00:56:51,990 --> 00:56:50,240

um i kind of oh boy the meter triangle

1547

00:56:53,510 --> 00:56:52,000

one let's say this next week i kind of

1548

00:56:56,230 --> 00:56:53,520

want to know about the haunted haunted

1549

00:56:57,750 --> 00:56:56,240

house one like do we have to do that oh

1550

00:57:00,150 --> 00:56:57,760

and one i forgot down here at the bottom

1551

00:57:03,109 --> 00:57:00,160

um somebody who is a no [h__\h] a water

1552

00:57:04,710 --> 00:57:03,119

sommelier who tells you how to drink

1553

00:57:05,829 --> 00:57:04,720

water

1554

00:57:08,150 --> 00:57:05,839

so their

1555

00:57:10,390 --> 00:57:08,160

job is to tell you

1556

00:57:13,030 --> 00:57:10,400

how and this guy is a super over the top

1557

00:57:16,470 --> 00:57:13,040

german gay man so and there's lots of

1558

00:57:18,789 --> 00:57:16,480

video of him well i believe him um

1559

00:57:21,510 --> 00:57:18,799

that or haunted house

1560

00:57:23,589 --> 00:57:21,520

well let's do the uh i'm kind of curious

1561

00:57:25,990 --> 00:57:23,599

about the the german gentleman with

1562

00:57:26,950 --> 00:57:26,000

water i mean i i want but i want to know

1563

00:57:29,270 --> 00:57:26,960

about the haunted house maybe we'll do

1564

00:57:31,589 --> 00:57:29,280

two so let's do the the german guy who

1565

00:57:33,109 --> 00:57:31,599

can tell us how to drink water properly

1566

00:57:35,270 --> 00:57:33,119

and then we'll close with the haunted

1567

00:57:36,470 --> 00:57:35,280

house

1568

00:57:40,470 --> 00:57:36,480

not a joke

1569

00:57:41,990 --> 00:57:40,480

water sommelier

1570

00:57:44,470 --> 00:57:42,000

i'm not sure what the term sommelier

1571

00:57:47,109 --> 00:57:44,480

means somalia is the uh the wine snob

1572

00:57:49,030 --> 00:57:47,119

who tells you how to select wine

1573

00:57:50,470 --> 00:57:49,040

okay

1574

00:57:52,630 --> 00:57:50,480

all right

1575

00:57:55,990 --> 00:57:52,640

uh let's see what uh they got up on

1576

00:58:01,829 --> 00:57:59,270

so uh what's ticks tick tock's leading

1577

00:58:03,750 --> 00:58:01,839

water small yay thinks about your

1578

00:58:06,470 --> 00:58:03,760

favorite brands

1579

00:58:08,950 --> 00:58:06,480

well we're gonna find out

1580

00:58:10,950 --> 00:58:08,960

uh it's it's tick-tock official some

1581

00:58:13,030 --> 00:58:10,960

water just tastes better than other

1582

00:58:14,309 --> 00:58:13,040

water and that's an excuse for you to

1583

00:58:17,750 --> 00:58:14,319

not

1584

00:58:19,190 --> 00:58:17,760

and yeah

1585

00:58:21,430 --> 00:58:19,200

i will point out this is the the

1586

00:58:23,030 --> 00:58:21,440

whatever the um

1587

00:58:25,190 --> 00:58:23,040

[h__h] was the name of this group that uh

1588

00:58:27,510 --> 00:58:25,200

got sued um by hulk hogan i can't

1589

00:58:29,030 --> 00:58:27,520

remember the name but the oh uh

1590

00:58:29,910 --> 00:58:29,040

was it gander

1591

00:58:31,270 --> 00:58:29,920

uh

1592

00:58:36,150 --> 00:58:31,280

gawker

1593

00:58:37,190 --> 00:58:36,160

the writing is absolutely terrible uh if

1594

00:58:38,870 --> 00:58:37,200

you wanted you can just scroll down to

1595

00:58:40,069 --> 00:58:38,880

where there's an embedded video yeah

1596

00:58:42,390 --> 00:58:40,079

because there's like

1597

00:58:43,349 --> 00:58:42,400

they use triple negatives

1598

00:58:45,589 --> 00:58:43,359

it's just

1599

00:58:47,109 --> 00:58:45,599

poorly written articles just like triple

1600

00:58:49,030 --> 00:58:47,119

negatives okay we'll scroll down and

1601
00:58:51,910 --> 00:58:49,040
he's gotta take that video uh and he's

1602
00:58:53,430 --> 00:58:51,920
gonna tell me and you what we should do

1603
00:58:55,430 --> 00:58:53,440
hello everybody here smart in your

1604
00:58:57,750 --> 00:58:55,440
personal water summary i'm in beautiful

1605
00:58:59,910 --> 00:58:57,760
palm springs because i'm doing a water

1606
00:59:02,710 --> 00:58:59,920
class today look at this there's already

1607
00:59:04,950 --> 00:59:02,720
everything set up and i'm gonna be right

1608
00:59:06,549 --> 00:59:04,960
over there in a second and we're gonna

1609
00:59:08,549 --> 00:59:06,559
taste several waters and i want to

1610
00:59:10,710 --> 00:59:08,559
showcase what kind of waters we're gonna

1611
00:59:13,510 --> 00:59:10,720
sample here today in palm springs so

1612
00:59:15,910 --> 00:59:13,520
we're gonna start with leo from naval

1613
00:59:18,630 --> 00:59:15,920

with a tds of 340

1614

00:59:20,150 --> 00:59:18,640

then we're going to denmark is skilled

1615

00:59:22,309 --> 00:59:20,160

this is when i'm shaking the bottle

1616

00:59:24,549 --> 00:59:22,319

turns into like a cloudy almost like

1617

00:59:28,390 --> 00:59:24,559

milky texture really cool water with a

1618

00:59:30,470 --> 00:59:28,400

tds of 320 then we going further to

1619

00:59:32,069 --> 00:59:30,480

three base this is the water i had on

1620

00:59:34,390 --> 00:59:32,079

the sac efferent show it called back in

1621

00:59:35,990 --> 00:59:34,400

the days aqui life and this is why anna

1622

00:59:38,630 --> 00:59:36,000

kendrick said like oh my god what is

1623

00:59:41,910 --> 00:59:38,640

happening uh this is a very thick water

1624

00:59:43,270 --> 00:59:41,920

because the tds is 1 300 and it's very

1625

00:59:45,750 --> 00:59:43,280

and you hear all that rumbling it sounds

1626
00:59:48,470 --> 00:59:45,760
like he's broadcasting from a submarine

1627
00:59:50,470 --> 00:59:48,480
like he's under the water he's it's a

1628
00:59:52,470 --> 00:59:50,480
star trek background noise he loves yeah

1629
00:59:54,230 --> 00:59:52,480
it is it's like the star trek uh next

1630
00:59:56,870 --> 00:59:54,240
generation like hum in the background

1631
00:59:59,349 --> 00:59:56,880
heavy on your palette the next one

1632
01:00:00,870 --> 00:59:59,359
hilden hilton from great britain this is

1633
01:00:02,230 --> 01:00:00,880
the queen's water this is what queen

1634
01:00:04,390 --> 01:00:02,240
elizabeth is drinking every day you can

1635
01:00:08,150 --> 01:00:04,400
even see the crest here on the bottle uh

1636
01:00:09,510 --> 01:00:08,160
tds of 312 and tiny gently bubbles be

1637
01:00:10,870 --> 01:00:09,520
careful when you're drinking too much

1638
01:00:12,710 --> 01:00:10,880

children water your arm will do like

1639

01:00:15,349 --> 01:00:12,720

this and like this like the queen

1640

01:00:16,950 --> 01:00:15,359

then it's further we're going to italy

1641

01:00:19,589 --> 01:00:16,960

farewell the number one consumes

1642

01:00:21,510 --> 01:00:19,599

sparkling water in italy i don't know i

1643

01:00:23,670 --> 01:00:21,520

kind of find it fascinating to hear what

1644

01:00:25,190 --> 01:00:23,680

the uh the elites are drinking water

1645

01:00:26,549 --> 01:00:25,200

wise yeah i didn't realize that queen

1646

01:00:28,470 --> 01:00:26,559

elizabeth has like her own water the

1647

01:00:30,390 --> 01:00:28,480

question is does she process that water

1648

01:00:31,589 --> 01:00:30,400

herself and bottle it or is she putting

1649

01:00:32,630 --> 01:00:31,599

it back in the bottle when she's done

1650

01:00:34,789 --> 01:00:32,640

with it

1651

01:00:36,789 --> 01:00:34,799

well i yeah i have no doubt that the

1652

01:00:39,430 --> 01:00:36,799

water that the majority of us drink is

1653

01:00:42,549 --> 01:00:39,440

absolute crap that's why we we spent uh

1654

01:00:44,470 --> 01:00:42,559

some money uh on a water filtration

1655

01:00:46,950 --> 01:00:44,480

system for our house and then we have

1656

01:00:48,630 --> 01:00:46,960

additional like berkeys upstairs but

1657

01:00:51,990 --> 01:00:48,640

you know i'm told that that's not even

1658

01:00:53,430 --> 01:00:52,000

enough to get really good pure water um

1659

01:00:56,710 --> 01:00:53,440

because it is very important in your

1660

01:00:59,349 --> 01:00:56,720

life so i'm curious about this guy uh

1661

01:01:01,750 --> 01:00:59,359

i just wonder how affordable is it to

1662

01:01:02,950 --> 01:01:01,760

the average person out there probably

1663

01:01:04,390 --> 01:01:02,960

not people are going to drink right now

1664

01:01:05,430 --> 01:01:04,400

tap water you're going to drink dog

1665

01:01:07,109 --> 01:01:05,440

water

1666

01:01:08,390 --> 01:01:07,119

for the for the most part most municipal

1667

01:01:09,910 --> 01:01:08,400

tap water with few exceptions most

1668

01:01:10,870 --> 01:01:09,920

municipal tap water is just fine what

1669

01:01:12,150 --> 01:01:10,880

you have to watch out for is all the

1670

01:01:13,349 --> 01:01:12,160

fluoride in other ships

1671

01:01:17,190 --> 01:01:13,359

yeah

1672

01:01:20,309 --> 01:01:17,200

you get your well fixed yet uh our well

1673

01:01:22,390 --> 01:01:20,319

produces are well is fine so we have

1674

01:01:24,870 --> 01:01:22,400

one primary well and we have secondary

1675

01:01:27,589 --> 01:01:24,880

well which i have yet to fix because the

1676
01:01:31,829 --> 01:01:27,599
threads got stripped so our primary weld

1677
01:01:32,789 --> 01:01:31,839
dumps in about 50 to 75 gallons of water

1678
01:01:34,630 --> 01:01:32,799
that's what they're that's the

1679
01:01:36,950 --> 01:01:34,640
estimation per day

1680
01:01:39,030 --> 01:01:36,960
um i think it's actually less than that

1681
01:01:42,789 --> 01:01:39,040
i think our well is a little too shallow

1682
01:01:44,870 --> 01:01:42,799
to really sustain our entire house uh so

1683
01:01:47,750 --> 01:01:44,880
we have to supplement with a cistern

1684
01:01:49,829 --> 01:01:47,760
which is municipal water

1685
01:01:51,270 --> 01:01:49,839
so it's a mixture so you you could

1686
01:01:54,390 --> 01:01:51,280
actually bottle once you get that sorted

1687
01:01:57,430 --> 01:01:54,400
out you could bottle obdm water i i

1688
01:01:58,549 --> 01:01:57,440

probably yeah we could say obdm

1689

01:02:01,190 --> 01:01:58,559

well water

1690

01:02:04,390 --> 01:02:01,200

um we tested it it's pretty good it's

1691

01:02:05,430 --> 01:02:04,400

pretty good there is a little trace of

1692

01:02:08,470 --> 01:02:05,440

lithium

1693

01:02:09,750 --> 01:02:08,480

but we're not sure where that comes from

1694

01:02:11,510 --> 01:02:09,760

um

1695

01:02:13,430 --> 01:02:11,520

so that's the that's the mystery so i'm

1696

01:02:15,190 --> 01:02:13,440

very docile over here

1697

01:02:17,589 --> 01:02:15,200

very docile

1698

01:02:19,829 --> 01:02:17,599

i do find this interesting in that this

1699

01:02:21,349 --> 01:02:19,839

is a big tick tocker

1700

01:02:23,589 --> 01:02:21,359

like uh i'm gonna take a look at his tic

1701
01:02:25,829 --> 01:02:23,599
toc channel he's got

1702
01:02:28,630 --> 01:02:25,839
267

1703
01:02:30,230 --> 01:02:28,640
000 followers

1704
01:02:32,069 --> 01:02:30,240
so people like to hear about water on

1705
01:02:33,990 --> 01:02:32,079
tick tock

1706
01:02:35,349 --> 01:02:34,000
yeah and he has stories like um no

1707
01:02:37,430 --> 01:02:35,359
stories what do you call tick-tock

1708
01:02:39,670 --> 01:02:37,440
things tick-tock videos uh

1709
01:02:42,789 --> 01:02:39,680
i don't know but i think he talks about

1710
01:02:43,510 --> 01:02:42,799
like can water go bad or uh how does

1711
01:02:49,270 --> 01:02:43,520
like

1712
01:02:50,309 --> 01:02:49,280
goes through some of that stuff which is

1713
01:02:52,230 --> 01:02:50,319

which is good but i think a lot of it's

1714

01:02:53,430 --> 01:02:52,240

kind of over the top like these crazy

1715

01:02:54,470 --> 01:02:53,440

like you said the elite stuff these

1716

01:02:57,029 --> 01:02:54,480

crazy

1717

01:02:59,670 --> 01:02:57,039

20 bottles of water i would i would

1718

01:03:01,750 --> 01:02:59,680

imagine like they're 80 or a bottle but

1719

01:03:04,150 --> 01:03:01,760

maybe i don't know i gotta look up the

1720

01:03:05,349 --> 01:03:04,160

queen's water yeah the queen's water

1721

01:03:07,270 --> 01:03:05,359

like i've been thinking about getting

1722

01:03:08,950 --> 01:03:07,280

some really good tobacco

1723

01:03:11,349 --> 01:03:08,960

uh like there's some really like

1724

01:03:13,190 --> 01:03:11,359

high-grade tobacco out there you can buy

1725

01:03:15,510 --> 01:03:13,200

uh not just like the the crappy stuff

1726

01:03:17,430 --> 01:03:15,520

that you get from american spirits or

1727

01:03:19,430 --> 01:03:17,440

marlborough i want some really premium

1728

01:03:20,230 --> 01:03:19,440

stuff and i got my word would you want

1729

01:03:21,750 --> 01:03:20,240

that

1730

01:03:23,190 --> 01:03:21,760

to smoke it i'm going to smoke to i want

1731

01:03:24,069 --> 01:03:23,200

to smoke that [h__h]

1732

01:03:26,069 --> 01:03:24,079

okay

1733

01:03:28,789 --> 01:03:26,079

well you know

1734

01:03:33,109 --> 01:03:30,390

i may have told the story

1735

01:03:36,390 --> 01:03:33,119

uh on the show before but uh my

1736

01:03:38,309 --> 01:03:36,400

ex-husband and i we you know i i was

1737

01:03:40,950 --> 01:03:38,319

asking him he worked at trader joe's and

1738

01:03:43,510 --> 01:03:40,960

i was like bring that like greenland

1739

01:03:44,470 --> 01:03:43,520

iceland water whatever it was supposedly

1740

01:03:45,750 --> 01:03:44,480

nine

1741

01:03:47,990 --> 01:03:45,760

ph

1742

01:03:51,029 --> 01:03:48,000

which is higher than seven which is

1743

01:03:52,710 --> 01:03:51,039

what's recommended for your body to be

1744

01:03:55,910 --> 01:03:52,720

and uh

1745

01:03:58,230 --> 01:03:55,920

then i also had this i don't remember

1746

01:04:00,470 --> 01:03:58,240

the name of it it's like holy

1747

01:04:01,190 --> 01:04:00,480

whatever it's some kind of name that is

1748

01:04:36,950 --> 01:04:01,200

a

1749

01:04:40,069 --> 01:04:36,960

ceremony pour the [h__h] out of your

1750

01:04:42,069 --> 01:04:40,079

goddamn faucet okay buy some water from

1751

01:04:43,270 --> 01:04:42,079

the store and buy some water from your

1752

01:04:45,109 --> 01:04:43,280

filter like

1753

01:04:46,870 --> 01:04:45,119

you can tell i mean

1754

01:04:48,950 --> 01:04:46,880

there's a

1755

01:04:50,870 --> 01:04:48,960

there are a couple brands of water here

1756

01:04:53,990 --> 01:04:50,880

in town there's worse diner

1757

01:04:56,950 --> 01:04:54,000

that's one it's a it's a soda water they

1758

01:04:59,029 --> 01:04:56,960

are 100 i like it tastes

1759

01:04:59,990 --> 01:04:59,039

like cleanliness

1760

01:05:02,870 --> 01:05:00,000

hmm

1761

01:05:05,589 --> 01:05:02,880

it's crazy there's another one called

1762

01:05:08,390 --> 01:05:05,599

rambler here in town all right and and

1763

01:05:10,950 --> 01:05:08,400

it's the minerals that are in there or

1764

01:05:14,950 --> 01:05:10,960

i i don't know exactly what it is but it

1765

01:05:16,870 --> 01:05:14,960

just tastes clean and i would highly

1766

01:05:18,950 --> 01:05:16,880

recommend that people aim in that

1767

01:05:22,150 --> 01:05:18,960

direction right you don't want to have

1768

01:05:24,870 --> 01:05:22,160

like piss and lithium in your [h__h]

1769

01:05:30,230 --> 01:05:27,750

that's where i live on piston lithium

1770

01:05:32,470 --> 01:05:30,240

but i will i will try that test uh and

1771

01:05:34,549 --> 01:05:32,480

and see if i can tell the difference i

1772

01:05:36,470 --> 01:05:34,559

don't know if my palette is that

1773

01:05:38,069 --> 01:05:36,480

good but maybe i'll be able to figure it

1774

01:05:40,630 --> 01:05:38,079

out so apparently what the queen drinks

1775

01:05:41,990 --> 01:05:40,640

is the brand is malvern water or malvern

1776

01:05:43,190 --> 01:05:42,000

mineral water there's some debate

1777

01:05:44,630 --> 01:05:43,200

because of how much minerals are

1778

01:05:46,230 --> 01:05:44,640

actually in it

1779

01:05:48,150 --> 01:05:46,240

they take a huge amount of it with her

1780

01:05:50,150 --> 01:05:48,160

with with them every time they travel so

1781

01:05:51,990 --> 01:05:50,160

she doesn't drink local water which is

1782

01:05:53,270 --> 01:05:52,000

not to say a bad thing because

1783

01:05:55,510 --> 01:05:53,280

you know joe to your point about what's

1784

01:05:56,950 --> 01:05:55,520

in your tap water uh for a lot of people

1785

01:05:58,789 --> 01:05:56,960

that's fine but if you're from somewhere

1786

01:05:59,910 --> 01:05:58,799

else and you get different mineral and

1787

01:06:01,589 --> 01:05:59,920

uh

1788

01:06:03,109 --> 01:06:01,599

content in it it can you know that's

1789

01:06:04,630 --> 01:06:03,119

where montezuma's revenge comes from it

1790

01:06:06,710 --> 01:06:04,640

can basically just you can mess up your

1791

01:06:08,390 --> 01:06:06,720

gi for a couple of days so

1792

01:06:09,910 --> 01:06:08,400

so the queen's like nope bottled water

1793

01:06:12,309 --> 01:06:09,920

only

1794

01:06:14,630 --> 01:06:12,319

does it say how much it is

1795

01:06:16,390 --> 01:06:14,640

uh you i don't know how to figure out

1796

01:06:20,230 --> 01:06:16,400

can you buy it online

1797

01:06:23,029 --> 01:06:20,240

i would hope so but i'm curious about it

1798

01:06:24,950 --> 01:06:23,039

i'd buy some i try it

1799

01:06:27,190 --> 01:06:24,960

it's really really good i'm sure i'm

1800

01:06:29,829 --> 01:06:27,200

assuming it comes in glass bottles most

1801

01:06:32,870 --> 01:06:29,839

of that stuff i believe it's carried by

1802

01:06:35,029 --> 01:06:32,880

um uh

1803

01:06:37,430 --> 01:06:35,039

by virgins in jars

1804

01:06:39,829 --> 01:06:37,440

no okay it's very expensive

1805

01:06:41,910 --> 01:06:39,839

and a cheap product but okay

1806

01:06:45,109 --> 01:06:41,920

so apparently uh schweppes has been

1807

01:06:46,710 --> 01:06:45,119

bottling it from malvern it since 1851

1808

01:06:48,470 --> 01:06:46,720

and then coca-cola bought schweppes so

1809

01:06:50,470 --> 01:06:48,480

it's bottled by coca-cola so god only

1810

01:06:52,069 --> 01:06:50,480

knows what it actually is anymore oh my

1811

01:06:54,549 --> 01:06:52,079

god okay

1812

01:06:56,309 --> 01:06:54,559

one interesting story

1813

01:06:57,270 --> 01:06:56,319

uh one last one let's do the haunted

1814

01:06:59,750 --> 01:06:57,280

house

1815

01:07:01,349 --> 01:06:59,760

so i gotta know

1816

01:07:03,750 --> 01:07:01,359

not i don't think my house is haunted i

1817

01:07:05,589 --> 01:07:03,760

hope not

1818

01:07:07,190 --> 01:07:05,599

maybe i should invite that occult club

1819

01:07:08,870 --> 01:07:07,200

over from australia to determine if my

1820

01:07:10,470 --> 01:07:08,880

house is haunted they wouldn't know

1821

01:07:12,069 --> 01:07:10,480

another one that uh hermann found

1822

01:07:13,190 --> 01:07:12,079

somewhere and this is from motley fool

1823

01:07:15,349 --> 01:07:13,200

about investments and they're basically

1824

01:07:16,470 --> 01:07:15,359

saying from the standpoint of disclosure

1825

01:07:17,990 --> 01:07:16,480

when selling a house do you have to

1826

01:07:19,270 --> 01:07:18,000

disclose if you think your house is

1827

01:07:21,910 --> 01:07:19,280

haunted you have to disclose that when

1828

01:07:24,150 --> 01:07:21,920

selling it yeah yeah

1829

01:07:27,190 --> 01:07:24,160

uh headline here do you have to tell

1830

01:07:29,190 --> 01:07:27,200

potential buyers if you think your house

1831

01:07:30,789 --> 01:07:29,200

is haunted man i got mixed emotions

1832

01:07:32,789 --> 01:07:30,799

about this one yeah

1833

01:07:34,549 --> 01:07:32,799

well you have to disclose if there was a

1834

01:07:36,630 --> 01:07:34,559

murder or a suicide in your house i

1835

01:07:38,789 --> 01:07:36,640

believe at least in the united states

1836

01:07:40,470 --> 01:07:38,799

but whether or not those uh people

1837

01:07:42,150 --> 01:07:40,480

decide to stick around in the spirit

1838

01:07:44,230 --> 01:07:42,160

world on your property that's another

1839

01:07:46,549 --> 01:07:44,240

issue

1840

01:07:47,990 --> 01:07:46,559

uh so when you sell your home are you

1841

01:07:50,150 --> 01:07:48,000

are in the best position to know the

1842

01:07:51,750 --> 01:07:50,160

details about your property as a result

1843

01:07:53,589 --> 01:07:51,760

many states have laws requiring you to

1844

01:07:56,069 --> 01:07:53,599

disclose certain details about the house

1845

01:07:58,069 --> 01:07:56,079

you are selling specifically you'll

1846

01:08:00,230 --> 01:07:58,079

likely need to explain any material

1847

01:08:02,309 --> 01:08:00,240

defects so buyers can make an informed

1848

01:08:04,870 --> 01:08:02,319

choice about whether to make an offer

1849

01:08:06,390 --> 01:08:04,880

get a mortgage or pay you for your

1850

01:08:10,630 --> 01:08:06,400

property

1851
01:08:12,950 --> 01:08:10,640
uh there are certain known defects that

1852
01:08:15,349 --> 01:08:12,960
you're gener generally required to

1853
01:08:17,510 --> 01:08:15,359
report to potential buyers such as roof

1854
01:08:19,510 --> 01:08:17,520
leaks or problems with the foundation

1855
01:08:22,630 --> 01:08:19,520
but what about if you believe your house

1856
01:08:25,430 --> 01:08:22,640
is haunted because you have experience

1857
01:08:27,990 --> 01:08:25,440
evidence of paranormal activity is this

1858
01:08:30,229 --> 01:08:28,000
something you need to share

1859
01:08:31,829 --> 01:08:30,239
i'd be curious about this some people

1860
01:08:33,269 --> 01:08:31,839
list their house

1861
01:08:36,149 --> 01:08:33,279
uh this is not the story but some people

1862
01:08:38,709 --> 01:08:36,159
list their house as it is haunted in the

1863
01:08:40,470 --> 01:08:38,719

hopes that it will attract people

1864

01:08:41,829 --> 01:08:40,480

who want to buy a haunted house yeah i

1865

01:08:43,349 --> 01:08:41,839

think we we talked about that there was

1866

01:08:45,430 --> 01:08:43,359

like famously like the house that they

1867

01:08:47,269 --> 01:08:45,440

filmed the exorcist no the house there

1868

01:08:48,789 --> 01:08:47,279

yeah amityville i think

1869

01:08:50,550 --> 01:08:48,799

well there was one where the the

1870

01:08:52,390 --> 01:08:50,560

exorcist story was based on something

1871

01:08:54,309 --> 01:08:52,400

that happened in that house

1872

01:08:56,149 --> 01:08:54,319

and then even uh william friedkin went

1873

01:08:57,910 --> 01:08:56,159

there to like get information about it

1874

01:08:59,510 --> 01:08:57,920

before he made the exorcist or something

1875

01:09:01,829 --> 01:08:59,520

and then that house sold for a huge

1876

01:09:03,430 --> 01:09:01,839

amount because of the guys who owned it

1877

01:09:04,470 --> 01:09:03,440

so they so you're right you can lean

1878

01:09:05,349 --> 01:09:04,480

into that we covered that story a couple

1879

01:09:06,550 --> 01:09:05,359

of months ago well i mean you can

1880

01:09:09,669 --> 01:09:06,560

definitely lean into the haunted house

1881

01:09:10,470 --> 01:09:09,679

thing it was famously uh

1882

01:09:16,149 --> 01:09:10,480

uh

1883

01:09:19,269 --> 01:09:16,159

by by crowley he bought it because he

1884

01:09:21,829 --> 01:09:19,279

wanted access to crowley's portal

1885

01:09:23,749 --> 01:09:21,839

and uh rephrase that please

1886

01:09:25,510 --> 01:09:23,759

his uh

1887

01:09:27,030 --> 01:09:25,520

spiritual

1888

01:09:30,149 --> 01:09:27,040

envelope

1889

01:09:31,189 --> 01:09:30,159

i would rephrase that yeah i don't know

1890

01:09:33,189 --> 01:09:31,199

uh

1891

01:09:35,189 --> 01:09:33,199

back to the story what are the rules

1892

01:09:36,870 --> 01:09:35,199

regarding a suspected haunted house

1893

01:09:38,550 --> 01:09:36,880

perhaps unsurprisingly most states do

1894

01:09:41,189 --> 01:09:38,560

not have laws in the books

1895

01:09:42,789 --> 01:09:41,199

that specify exactly whether a seller

1896

01:09:44,870 --> 01:09:42,799

must disclose whether property is

1897

01:09:46,630 --> 01:09:44,880

haunted however this issue has been

1898

01:09:48,950 --> 01:09:46,640

addressed in a limited number of

1899

01:09:51,189 --> 01:09:48,960

locations including new york new jersey

1900

01:09:52,870 --> 01:09:51,199

massachusetts and minnesota

1901

01:09:55,030 --> 01:09:52,880

in minnesota massachusetts the law

1902

01:09:56,149 --> 01:09:55,040

specifically indicates that paranormal

1903

01:09:58,149 --> 01:09:56,159

activity

1904

01:09:59,750 --> 01:09:58,159

does not have to be disclosed to

1905

01:10:02,229 --> 01:09:59,760

potential buyers

1906

01:10:04,630 --> 01:10:02,239

but in new york in new jersey there are

1907

01:10:06,950 --> 01:10:04,640

circumstances where this information

1908

01:10:09,430 --> 01:10:06,960

must be shared

1909

01:10:11,590 --> 01:10:09,440

uh in new jersey sellers are must be

1910

01:10:13,750 --> 01:10:11,600

truthful in reporting any ghostly

1911

01:10:17,350 --> 01:10:13,760

activity but only

1912

01:10:19,830 --> 01:10:17,360

if the possible buyer asks

1913

01:10:22,310 --> 01:10:19,840

so those home uh home buyers who are

1914

01:10:24,470 --> 01:10:22,320

concerned about getting unwanted

1915

01:10:25,590 --> 01:10:24,480

departed guests along with their new

1916

01:10:27,990 --> 01:10:25,600

mortgage

1917

01:10:30,630 --> 01:10:28,000

uh when buying the property should be

1918

01:10:33,750 --> 01:10:30,640

sure to inquire about whether there are

1919

01:10:35,350 --> 01:10:33,760

any ghosts on the premise

1920

01:10:37,510 --> 01:10:35,360

you're saying it's up to me as the buyer

1921

01:10:39,430 --> 01:10:37,520

to inquire buyer beware you got to ask

1922

01:10:43,510 --> 01:10:39,440

you got to ask all these questions

1923

01:10:46,950 --> 01:10:44,790

that wouldn't that be something though

1924

01:10:49,430 --> 01:10:46,960

if you bought a house the buyer said no

1925

01:10:51,430 --> 01:10:49,440

it's not haunted you move in it is

1926

01:10:52,790 --> 01:10:51,440

poltergeist non-stop could you go back

1927

01:10:53,910 --> 01:10:52,800

and then sue

1928

01:10:55,270 --> 01:10:53,920

i think if they

1929

01:10:56,870 --> 01:10:55,280

if they said as you just did that it's

1930

01:10:58,950 --> 01:10:56,880

not haunted if they said it's not

1931

01:11:00,229 --> 01:10:58,960

haunted if they just never mention it

1932

01:11:03,030 --> 01:11:00,239

that's where you can that's where you're

1933

01:11:05,590 --> 01:11:03,040

in a gray area there yeah i guess so

1934

01:11:07,510 --> 01:11:05,600

by the way the consensus is um crowley's

1935

01:11:10,070 --> 01:11:07,520

portal would be a good name for a

1936

01:11:11,350 --> 01:11:10,080

haunted gay bar

1937

01:11:13,270 --> 01:11:11,360

well i mean

1938

01:11:15,750 --> 01:11:13,280

it certainly uh would attract attention

1939

01:11:19,030 --> 01:11:15,760

that's for no no doubt about that

1940

01:11:21,189 --> 01:11:19,040

i i like i love this idea that like

1941

01:11:24,390 --> 01:11:21,199

you could you have to

1942

01:11:26,390 --> 01:11:24,400

like this is a disclosure on your house

1943

01:11:29,510 --> 01:11:26,400

so would you

1944

01:11:31,990 --> 01:11:29,520

be at an advantage if you were one of

1945

01:11:34,390 --> 01:11:32,000

these like home inspectors or you were

1946

01:11:37,350 --> 01:11:34,400

in charge of appraisals you know it's

1947

01:11:39,669 --> 01:11:37,360

like you said you had one ghost i see

1948

01:11:43,189 --> 01:11:39,679

four there's there's a lot of ghosts in

1949

01:11:46,070 --> 01:11:43,199

here way more than you indicated two

1950

01:11:48,630 --> 01:11:46,080

maybe four my my uh pke meter says

1951

01:11:50,470 --> 01:11:48,640

there's 5.6 ghosts in no no no no don't

1952

01:11:52,149 --> 01:11:50,480

believe the 5.6 i got a different

1953

01:11:54,630 --> 01:11:52,159

inspector on this he gave me a different

1954

01:11:56,470 --> 01:11:54,640

number what a second opinion what's all

1955

01:11:59,910 --> 01:11:56,480

in this house

1956

01:12:02,390 --> 01:11:59,920

a gorgon a zombie a vampire a werewolf a

1957

01:12:04,709 --> 01:12:02,400

chubacabra a bigfoot there's a lot of

1958

01:12:06,830 --> 01:12:04,719

things going on bigfoot

1959

01:12:09,669 --> 01:12:06,840

yeah so this house is great shape uh

1960

01:12:10,550 --> 01:12:09,679

1930s uh original post-modern uh by the

1961

01:12:12,470 --> 01:12:10,560

way there's a big foot in the house

1962

01:12:14,070 --> 01:12:12,480

somewhere uh it's original tile floors

1963

01:12:16,310 --> 01:12:14,080

original wood paneling like wait the

1964

01:12:18,709 --> 01:12:16,320

house comes with a bigfoot uh yeah you

1965

01:12:21,030 --> 01:12:18,719

leave your alone mostly

1966

01:12:22,709 --> 01:12:21,040

but yeah don't go the third floor

1967

01:12:25,350 --> 01:12:22,719

over we read that story in maryland

1968

01:12:27,990 --> 01:12:25,360

where you uh you brought where the

1969

01:12:30,950 --> 01:12:28,000

sellers uh said uh the house comes with

1970

01:12:32,149 --> 01:12:30,960

people squatting in the basement right

1971

01:12:34,550 --> 01:12:32,159

you're pretty sure there's a bear down

1972

01:12:36,630 --> 01:12:34,560

there this could have been a bear or a

1973

01:12:37,910 --> 01:12:36,640

team of bears and they didn't go down to

1974

01:12:40,310 --> 01:12:37,920

check

1975

01:12:42,550 --> 01:12:40,320

uh but in new york sellers who

1976

01:12:44,550 --> 01:12:42,560

perpetuate a home's reputation for being

1977

01:12:45,510 --> 01:12:44,560

haunted cannot turn around and sell a

1978

01:12:48,390 --> 01:12:45,520

property

1979

01:12:51,270 --> 01:12:48,400

to unsuspecting buyers or the court

1980

01:12:53,350 --> 01:12:51,280

court could rescind the sale of the home

1981

01:12:55,430 --> 01:12:53,360

so if you go around bragging to people i

1982

01:12:57,430 --> 01:12:55,440

got a haunted house i got ghouls and

1983

01:12:58,630 --> 01:12:57,440

goblins and then you go around trying to

1984

01:13:00,390 --> 01:12:58,640

sell house like nah there's nothing

1985

01:13:02,229 --> 01:13:00,400

going on like that then you're lying

1986

01:13:03,750 --> 01:13:02,239

you're being a two-faced paranormal son

1987

01:13:05,430 --> 01:13:03,760

of a [h__h] and the court's going to get

1988

01:13:06,870 --> 01:13:05,440

you on that yeah i'm sure i want to look

1989

01:13:08,470 --> 01:13:06,880

at that sentence again so in new york

1990

01:13:10,870 --> 01:13:08,480

sellers who perpetuate a home's

1991

01:13:13,590 --> 01:13:10,880

reputation for being okay so if you lean

1992

01:13:14,870 --> 01:13:13,600

in and try to sell it as a haunted house

1993

01:13:16,709 --> 01:13:14,880

i see

1994

01:13:18,709 --> 01:13:16,719

but then it says

1995

01:13:19,830 --> 01:13:18,719

but sell the property to unsuspecting

1996

01:13:21,350 --> 01:13:19,840

how would you how would it be

1997

01:13:23,030 --> 01:13:21,360

unsuspecting buyers if you're

1998

01:13:25,350 --> 01:13:23,040

perpetuating the reputation of it being

1999

01:13:26,950 --> 01:13:25,360

haunted out-of-towners people who are

2000

01:13:29,510 --> 01:13:26,960

out of town not familiar with your

2001
01:13:30,550 --> 01:13:29,520
reputation of harboring goblins on the

2002
01:13:32,709 --> 01:13:30,560
property

2003
01:13:36,149 --> 01:13:32,719
and they didn't ask

2004
01:13:37,189 --> 01:13:36,159
it's so legit that a legit bat

2005
01:13:39,110 --> 01:13:37,199
says

2006
01:13:40,310 --> 01:13:39,120
chupa squatter

2007
01:13:42,630 --> 01:13:40,320
squatter exactly that's what we're

2008
01:13:44,470 --> 01:13:42,640
dealing with in some of these places

2009
01:13:46,790 --> 01:13:44,480
bigfoot

2010
01:13:49,990 --> 01:13:46,800
well this new york case is uh based on a

2011
01:13:53,030 --> 01:13:50,000
court ruling in 1991 when a family spoke

2012
01:13:55,669 --> 01:13:53,040
publicly about ghostly activity and then

2013
01:13:57,110 --> 01:13:55,679

subsequently sold their house to buyers

2014

01:13:59,750 --> 01:13:57,120

from out of town

2015

01:14:03,030 --> 01:13:59,760

who were unaware of his reputation it's

2016

01:14:03,990 --> 01:14:03,040

often referred to as the ghostbusters

2017

01:14:05,510 --> 01:14:04,000

case

2018

01:14:07,189 --> 01:14:05,520

well but that's them just like basically

2019

01:14:08,310 --> 01:14:07,199

not doing disclosures so that's yeah

2020

01:14:10,790 --> 01:14:08,320

you're selling a house that's got a

2021

01:14:12,229 --> 01:14:10,800

major roof leak or something yeah but at

2022

01:14:14,229 --> 01:14:12,239

the same time it does raise to your

2023

01:14:15,669 --> 01:14:14,239

question when you buy a house you hire a

2024

01:14:17,110 --> 01:14:15,679

home inspector to come through and give

2025

01:14:18,709 --> 01:14:17,120

it a check you know and see what's going

2026

01:14:20,390 --> 01:14:18,719

on and give you some heads up on things

2027

01:14:23,510 --> 01:14:20,400

do you also hire a paranormal

2028

01:14:26,149 --> 01:14:23,520

investigator or a medium yep yep you got

2029

01:14:28,709 --> 01:14:26,159

you oh no no no no no i think this is an

2030

01:14:31,590 --> 01:14:28,719

additional qualification

2031

01:14:34,470 --> 01:14:31,600

right you say no no i'm not just like an

2032

01:14:37,030 --> 01:14:34,480

inspector i actually have the paranormal

2033

01:14:40,229 --> 01:14:37,040

certificate too yeah i'm not only a

2034

01:14:41,910 --> 01:14:40,239

mortgage broker i can bust these ghosts

2035

01:14:43,350 --> 01:14:41,920

also i have some divining rods in my

2036

01:14:45,430 --> 01:14:43,360

truck so i can find you water in your

2037

01:14:48,550 --> 01:14:45,440

living room yeah i get my mortgage and

2038

01:14:49,830 --> 01:14:48,560

my ghostbusting through chase

2039

01:14:52,229 --> 01:14:49,840

they wouldn't give us the mortgage until

2040

01:14:53,430 --> 01:14:52,239

they came in and bust all these ghosts

2041

01:14:55,189 --> 01:14:53,440

it was hard to get a mortgage for this

2042

01:14:58,229 --> 01:14:55,199

house but once those ghostbusters showed

2043

01:15:00,310 --> 01:14:58,239

up cleared that right up

2044

01:15:03,430 --> 01:15:00,320

uh it's fascinating well there's no set

2045

01:15:06,550 --> 01:15:03,440

law uh it varies from state to state and

2046

01:15:08,149 --> 01:15:06,560

apparently if you're concerned uh buy in

2047

01:15:09,510 --> 01:15:08,159

new york because

2048

01:15:11,590 --> 01:15:09,520

apparently you gotta disclose that stuff

2049

01:15:13,350 --> 01:15:11,600

there but some people i did find that

2050

01:15:16,310 --> 01:15:13,360

story from it was from last fall it was

2051

01:15:18,310 --> 01:15:16,320

october 9th 2021 when we talked about it

2052

01:15:21,110 --> 01:15:18,320

the uh says couple buys the haunted

2053

01:15:22,550 --> 01:15:21,120

house that inspired the exorcist

2054

01:15:24,310 --> 01:15:22,560

but when they bought it they didn't

2055

01:15:25,910 --> 01:15:24,320

realize why it was so cheap on the

2056

01:15:28,149 --> 01:15:25,920

market because it was a haunted so this

2057

01:15:30,630 --> 01:15:28,159

is a disclosure problem yeah

2058

01:15:33,990 --> 01:15:30,640

uh where is this this is in

2059

01:15:36,070 --> 01:15:34,000

um i'm curious it's in new york state

2060

01:15:38,709 --> 01:15:36,080

doesn't say thank you

2061

01:15:40,709 --> 01:15:38,719

good job i think it's maryland anyway so

2062

01:15:42,390 --> 01:15:40,719

these guys bought a house that inspired

2063

01:15:44,390 --> 01:15:42,400

the story of the exorcist decades

2064

01:15:46,790 --> 01:15:44,400

earlier obviously but they didn't

2065

01:15:49,430 --> 01:15:46,800

realize that it was a uh potentially a

2066

01:15:51,590 --> 01:15:49,440

haunted house

2067

01:15:54,149 --> 01:15:51,600

yeah i i don't know i don't know who to

2068

01:15:55,510 --> 01:15:54,159

blame on that one i mean

2069

01:15:57,910 --> 01:15:55,520

i'd blame them for not hiring a

2070

01:15:59,510 --> 01:15:57,920

ghostbuster before they bought the house

2071

01:16:02,310 --> 01:15:59,520

yeah you get home inspection now you

2072

01:16:04,550 --> 01:16:02,320

gotta get spiritual and inspection

2073

01:16:06,950 --> 01:16:04,560

paranormal invest it's just another bill

2074

01:16:09,990 --> 01:16:06,960

who needs this crap

2075

01:16:11,430 --> 01:16:10,000

all this [h__\h] adds up

2076

01:16:12,950 --> 01:16:11,440

oh i guess if you can live with a

2077

01:16:15,430 --> 01:16:12,960

bigfoot in the attic

2078

01:16:18,950 --> 01:16:15,440

yeah save a bunch of money

2079

01:16:24,630 --> 01:16:20,709

much we appreciate all the support

2092

01:16:53,510 --> 01:16:52,480

uh and uh yeah i guess if anybody is

2093

01:16:55,590 --> 01:16:53,520

going to

2094

01:16:57,990 --> 01:16:55,600

same show on thursday in columbus i'll

2095

01:16:59,990 --> 01:16:58,000

2096

01:17:02,229 --> 01:17:00,000

2098

01:17:05,750 --> 01:17:03,520

uh the

2099

01:17:07,110 --> 01:17:05,760

seven o'clock thursday show are you

2100

01:17:09,830 --> 01:17:07,120

gonna are you gonna bootleg record it

2101

01:17:12,950 --> 01:17:09,840

and then release it on uh um on patreon

2102

01:17:14,950 --> 01:17:12,960

i may i may take my recorder and uh see

2103

01:17:16,470 --> 01:17:14,960

if i can get some some good quality

2104

01:17:18,390 --> 01:17:16,480

sound samples

2105

01:17:19,669 --> 01:17:18,400

i wouldn't release it massively i'd

2106

01:17:20,870 --> 01:17:19,679

probably release like a clip here or

2107

01:17:23,590 --> 01:17:20,880

there but

2108

01:17:26,390 --> 01:17:23,600

you can reach them so why don't you ask

2109

01:17:28,310 --> 01:17:26,400

to get the audio off of the board

2110

01:17:29,910 --> 01:17:28,320

i might i'll say hey do you want a

2111

01:17:31,750 --> 01:17:29,920

really really good recording i'll get

2112

01:17:32,870 --> 01:17:31,760

the the board audio and yeah maybe i'll

2113

01:17:33,510 --> 01:17:32,880

do that

2114

01:17:34,630 --> 01:17:33,520

you should

2115

01:17:37,830 --> 01:17:34,640

um

2120

01:17:46,470 --> 01:17:44,960
