

Texas Blue Demon

1
00:00:00,270 --> 00:00:06,580
[Applause]

2
00:00:06,590 --> 00:00:14,789
[Music]

3
00:00:18,950 --> 00:00:17,029
all right monsters

4
00:00:21,510 --> 00:00:18,960
and by the way that uh

5
00:00:22,710 --> 00:00:21,520
i was tagged on twitter by someone

6
00:00:25,029 --> 00:00:22,720
saying hey

7
00:00:27,029 --> 00:00:25,039
i sent you that clip of art bell saying

8
00:00:30,390 --> 00:00:27,039
monsters you didn't mention me all right

9
00:00:33,190 --> 00:00:30,400
monsters and mike a guy named mike on tw

10
00:00:35,110 --> 00:00:33,200
on twitter he sent me that

11
00:00:38,069 --> 00:00:35,120
so i mentioned mike even though it's my

12
00:00:40,229 --> 00:00:38,079
own name i mentioned mike

13
00:00:42,790 --> 00:00:40,239

all right mike you're on fire we love

14

00:00:45,750 --> 00:00:42,800

you brother absolutely but how do we

15

00:00:48,150 --> 00:00:45,760

know it's actually him um elon has news

16

00:00:50,869 --> 00:00:48,160

from this week that uh 78 of people on

17

00:00:52,869 --> 00:00:50,879

twitter are fake

18

00:00:54,869 --> 00:00:52,879

i don't know if it's a bot then the bot

19

00:00:57,430 --> 00:00:54,879

listens to the show knows what we need

20

00:00:59,670 --> 00:00:57,440

for monster may finds the clip from old

21

00:01:00,790 --> 00:00:59,680

art bell episodes and then sends it to

22

00:01:03,430 --> 00:01:00,800

me so

23

00:01:07,350 --> 00:01:03,440

good bot good robot

24

00:01:10,310 --> 00:01:07,360

good robot good robot i like it

25

00:01:11,109 --> 00:01:10,320

so monster may i have something kind of

26

00:01:13,350 --> 00:01:11,119

uh

27

00:01:15,590 --> 00:01:13,360

intriguing here this we're going down to

28

00:01:16,870 --> 00:01:15,600

texas you guys ready to go down to texas

29

00:01:19,109 --> 00:01:16,880

a little bit

30

00:01:21,109 --> 00:01:19,119

let's go on down to texas i'm a texas

31

00:01:23,749 --> 00:01:21,119

man

32

00:01:26,390 --> 00:01:23,759

yes you're already there and this story

33

00:01:28,390 --> 00:01:26,400

will terrify you joe okay

34

00:01:31,190 --> 00:01:28,400

you need to be careful

35

00:01:33,030 --> 00:01:31,200

and you need to have uh all your senses

36

00:01:34,149 --> 00:01:33,040

dialed into the environment around you

37

00:01:35,350 --> 00:01:34,159

because the story i'm about ready to

38

00:01:37,270 --> 00:01:35,360

tell you

39

00:01:39,350 --> 00:01:37,280

could terrify you in fact you're saying

40

00:01:41,749 --> 00:01:39,360

don't multitask that's what i'm hearing

41

00:01:45,270 --> 00:01:41,759

we need laser-like focus to prevent

42

00:01:47,590 --> 00:01:45,280

death in unwarranted curses and the

43

00:01:50,310 --> 00:01:47,600

poltergeists because of this monster

44

00:01:51,910 --> 00:01:50,320

that i have for everyone right here so

45

00:01:54,389 --> 00:01:51,920

this story

46

00:01:57,749 --> 00:01:54,399

takes place near amarillo texas

47

00:02:01,350 --> 00:01:57,759

in 1970 all right

48

00:02:03,990 --> 00:02:01,360

so there was a father he lived and

49

00:02:06,069 --> 00:02:04,000

worked at this texas ranch with his

50

00:02:07,429 --> 00:02:06,079

entire family so he worked at the ranch

51
00:02:08,949 --> 00:02:07,439
said hey we got enough room here bring

52
00:02:10,389 --> 00:02:08,959
your entire family

53
00:02:11,750 --> 00:02:10,399
and that's the way it was so as soon as

54
00:02:13,990 --> 00:02:11,760
they moved in

55
00:02:15,190 --> 00:02:14,000
uh everything was uh pretty quiet the

56
00:02:17,750 --> 00:02:15,200
day-to-day

57
00:02:20,390 --> 00:02:17,760
just normal ranch business

58
00:02:23,190 --> 00:02:20,400
then uh one day one of his kids came

59
00:02:24,150 --> 00:02:23,200
home and said that they found a den of

60
00:02:27,190 --> 00:02:24,160
wolves

61
00:02:30,550 --> 00:02:27,200
so the father ray i believe his name is

62
00:02:33,589 --> 00:02:30,560
went out to uh check on this den of wolf

63
00:02:36,229 --> 00:02:33,599

pups but when he showed up all the wolf

64

00:02:39,030 --> 00:02:36,239

pups were dead and he said it looked

65

00:02:42,150 --> 00:02:39,040

like they were just torn apart by

66

00:02:44,070 --> 00:02:42,160

something with huge claws

67

00:02:45,910 --> 00:02:44,080

the night after that they found the

68

00:02:47,190 --> 00:02:45,920

destruction of the wolves then

69

00:02:47,910 --> 00:02:47,200

um

70

00:02:53,670 --> 00:02:47,920

the

71

00:02:56,550 --> 00:02:53,680

with this dream about an angel telling

72

00:02:58,309 --> 00:02:56,560

him that he needs to leave that place

73

00:03:00,550 --> 00:02:58,319

right now

74

00:03:02,630 --> 00:03:00,560

and so that

75

00:03:04,550 --> 00:03:02,640

wakes up out of it out of a dream and

76

00:03:07,750 --> 00:03:04,560

tells it tells the family

77

00:03:09,990 --> 00:03:07,760

and uh he says okay uh i had this weird

78

00:03:11,830 --> 00:03:10,000

dream about this angel it tells us it's

79

00:03:14,070 --> 00:03:11,840

telling us we gotta leave

80

00:03:16,390 --> 00:03:14,080

by the way i really got i gotta use the

81

00:03:18,470 --> 00:03:16,400

bathroom and so the grandfather gets up

82

00:03:20,149 --> 00:03:18,480

out of bed walks downstairs

83

00:03:24,070 --> 00:03:20,159

and has to leave the house because the

84

00:03:25,990 --> 00:03:24,080

only bathroom is the outhouse outside so

85

00:03:28,070 --> 00:03:26,000

as he walks outside in the middle of

86

00:03:30,550 --> 00:03:28,080

night he sees

87

00:03:33,110 --> 00:03:30,560

this dark humanoid figure standing on a

88

00:03:35,750 --> 00:03:33,120

hill not too far from the house

89

00:03:37,589 --> 00:03:35,760

with glowing red eyes

90

00:03:38,869 --> 00:03:37,599

uh he's he thought that was kind of

91

00:03:41,270 --> 00:03:38,879

particular

92

00:03:43,110 --> 00:03:41,280

uh but he was focused on using the

93

00:03:44,149 --> 00:03:43,120

bathroom you know when you really gotta

94

00:03:47,190 --> 00:03:44,159

go

95

00:03:49,030 --> 00:03:47,200

very few things can deter you from from

96

00:03:50,949 --> 00:03:49,040

doing your business

97

00:03:53,190 --> 00:03:50,959

so he proceeded to do his business in

98

00:03:54,869 --> 00:03:53,200

the outhouse and he left the outhouse

99

00:03:57,030 --> 00:03:54,879

and decided i'm gonna go to the well

100

00:03:58,309 --> 00:03:57,040

grab some water so as he turned to go to

101
00:04:00,710 --> 00:03:58,319
the well

102
00:04:02,710 --> 00:04:00,720
he saw that huge black creature with red

103
00:04:06,070 --> 00:04:02,720
eyes standing right in front of him

104
00:04:07,110 --> 00:04:06,080
obviously a little terrified

105
00:04:10,149 --> 00:04:07,120
he

106
00:04:13,830 --> 00:04:10,159
recoiled back ran to his truck picked up

107
00:04:16,629 --> 00:04:13,840
a shotgun and a buoy knife and tried to

108
00:04:19,349 --> 00:04:16,639
maneuver so the truck was between him

109
00:04:21,430 --> 00:04:19,359
and that black figure

110
00:04:24,230 --> 00:04:21,440
uh the this black

111
00:04:25,909 --> 00:04:24,240
shadow kind of figure quickly approached

112
00:04:28,629 --> 00:04:25,919
and as it approached

113
00:04:31,749 --> 00:04:28,639

he picked up his shotgun fired a bunch

114

00:04:33,749 --> 00:04:31,759

of shots point blank at this creature

115

00:04:37,110 --> 00:04:33,759

and nothing happened

116

00:04:39,350 --> 00:04:37,120

uh it didn't recoil it didn't uh stumble

117

00:04:40,950 --> 00:04:39,360

back it it's as if the the bullets just

118

00:04:43,110 --> 00:04:40,960

passed right through it by a shotgun

119

00:04:45,830 --> 00:04:43,120

yeah fire i mean even last

120

00:04:47,430 --> 00:04:45,840

terminator get a house he gets a little

121

00:04:50,310 --> 00:04:47,440

you know he's got a little he's got a

122

00:04:53,590 --> 00:04:50,320

little jfk head when he gets even even

123

00:04:54,950 --> 00:04:53,600

the terminator the t800 series when you

124

00:04:56,710 --> 00:04:54,960

get hit with shotgun

125

00:04:59,110 --> 00:04:56,720

there is

126

00:05:01,110 --> 00:04:59,120

it does recoil back it it does cause

127

00:05:03,270 --> 00:05:01,120

impact it causes some sort of stumbling

128

00:05:05,510 --> 00:05:03,280

but not with this black figure and so

129

00:05:07,110 --> 00:05:05,520

the the creature approached even closer

130

00:05:09,749 --> 00:05:07,120

at which point in time this guy took out

131

00:05:11,510 --> 00:05:09,759

a buoy knife and tried to start stabbing

132

00:05:13,749 --> 00:05:11,520

this thing but nothing was happening he

133

00:05:15,670 --> 00:05:13,759

was dodging weaving he said that claws

134

00:05:17,990 --> 00:05:15,680

were coming right past him this thing

135

00:05:20,870 --> 00:05:18,000

was trying to rip him the shreds at

136

00:05:22,870 --> 00:05:20,880

which point in time this guy uh said to

137

00:05:24,870 --> 00:05:22,880

hell with this i'm running back to the

138

00:05:26,710 --> 00:05:24,880

house so he just bolts straight to the

139

00:05:28,469 --> 00:05:26,720

house and this creature is like

140

00:05:29,830 --> 00:05:28,479

following behind him and as he's

141

00:05:32,150 --> 00:05:29,840

approaching the house he said he sees

142

00:05:34,230 --> 00:05:32,160

that his entire family is out front

143

00:05:37,189 --> 00:05:34,240

obviously hearing the gunshots go off

144

00:05:39,189 --> 00:05:37,199

and a scuffle going on outside

145

00:05:40,870 --> 00:05:39,199

but they said that the creature stopped

146

00:05:43,749 --> 00:05:40,880

short of the house

147

00:05:45,990 --> 00:05:43,759

and retreated back to the the hill it

148

00:05:47,270 --> 00:05:46,000

was just kind of standing on the hill

149

00:05:50,070 --> 00:05:47,280

watching them

150

00:05:52,550 --> 00:05:50,080

uh the family was freaked out so they

151
00:05:54,790 --> 00:05:52,560
all hopped in the truck and they just

152
00:05:57,110 --> 00:05:54,800
took off as fast as possible they said

153
00:05:59,990 --> 00:05:57,120
that this uh black figure started to

154
00:06:01,110 --> 00:06:00,000
chase him but gave up pursuit pretty

155
00:06:03,830 --> 00:06:01,120
quickly

156
00:06:04,950 --> 00:06:03,840
the next day they went back to talk to

157
00:06:10,870 --> 00:06:04,960
the

158
00:06:13,670 --> 00:06:10,880
said okay

159
00:06:15,110 --> 00:06:13,680
fine come back the next day and you can

160
00:06:18,070 --> 00:06:15,120
grab your stuff

161
00:06:19,350 --> 00:06:18,080
so the family comes back the day after

162
00:06:21,189 --> 00:06:19,360
shows up

163
00:06:23,909 --> 00:06:21,199

and they see

164

00:06:26,550 --> 00:06:23,919

that police are there the owner of the

165

00:06:29,189 --> 00:06:26,560

ranch is there canine units are there

166

00:06:30,950 --> 00:06:29,199

and military personnel

167

00:06:32,070 --> 00:06:30,960

and they're kind of like asking around

168

00:06:33,510 --> 00:06:32,080

what the hell is going on because

169

00:06:34,629 --> 00:06:33,520

they're all kind of standing around the

170

00:06:35,430 --> 00:06:34,639

house

171

00:06:38,469 --> 00:06:35,440

and

172

00:06:41,510 --> 00:06:38,479

they the family got the impression

173

00:06:43,350 --> 00:06:41,520

that they were bait for whatever this

174

00:06:47,270 --> 00:06:43,360

thing was

175

00:06:49,670 --> 00:06:47,280

um and so they the family watched as the

176
00:06:51,749 --> 00:06:49,680
canine units approached and entered the

177
00:06:53,430 --> 00:06:51,759
house uh they said that the first floor

178
00:06:55,350 --> 00:06:53,440
was totally destroyed

179
00:06:58,070 --> 00:06:55,360
the canine units went up to the second

180
00:07:00,309 --> 00:06:58,080
floor which was also deployed

181
00:07:01,749 --> 00:07:00,319
uh destroyed um

182
00:07:02,550 --> 00:07:01,759
then they said the dogs picked up a

183
00:07:04,870 --> 00:07:02,560
scent

184
00:07:06,710 --> 00:07:04,880
and it was leading to to the attic so

185
00:07:08,629 --> 00:07:06,720
the canine units uh the officers

186
00:07:11,110 --> 00:07:08,639
released the dogs and the dogs ran

187
00:07:11,990 --> 00:07:11,120
upstairs to the attic where everyone

188
00:07:15,189 --> 00:07:12,000

heard

189

00:07:17,670 --> 00:07:15,199

the dogs attacking and fighting with

190

00:07:20,309 --> 00:07:17,680

something up there a few seconds later

191

00:07:22,629 --> 00:07:20,319

they said that the dogs were thrown out

192

00:07:25,270 --> 00:07:22,639

the attic window landed on the ground

193

00:07:27,510 --> 00:07:25,280

completely skinned alive

194

00:07:30,550 --> 00:07:27,520

at this point i'm the officer is very uh

195

00:07:34,070 --> 00:07:30,560

perturbed that their precious dogs died

196

00:07:37,430 --> 00:07:34,080

ran in upstairs to the attic everyone

197

00:07:39,749 --> 00:07:37,440

outside heard gunfire and a

198

00:07:40,629 --> 00:07:39,759

major firefight going on upstairs in the

199

00:07:42,710 --> 00:07:40,639

attic

200

00:07:45,029 --> 00:07:42,720

uh at which point in time one of the

201
00:07:47,110 --> 00:07:45,039
officers was thrown out the very same

202
00:07:48,950 --> 00:07:47,120
attic window landing down

203
00:07:51,350 --> 00:07:48,960
dead on the ground

204
00:07:52,790 --> 00:07:51,360
the other officer evidently still inside

205
00:07:54,469 --> 00:07:52,800
up in the attic

206
00:07:57,589 --> 00:07:54,479
uh the military guys look at each other

207
00:08:00,070 --> 00:07:57,599
they were given the order to fire

208
00:08:03,350 --> 00:08:00,080
but they as they looked up at the

209
00:08:05,589 --> 00:08:03,360
attic window they saw

210
00:08:08,070 --> 00:08:05,599
what was going on they saw at least who

211
00:08:09,110 --> 00:08:08,080
was doing that damage and they saw a

212
00:08:10,150 --> 00:08:09,120
huge

213
00:08:13,589 --> 00:08:10,160

bald

214

00:08:16,550 --> 00:08:13,599

blue skinned man with red eyes and

215

00:08:17,350 --> 00:08:16,560

extremely sharp claws staring down at

216

00:08:19,830 --> 00:08:17,360

them

217

00:08:21,830 --> 00:08:19,840

um i guess a little bit stunned they

218

00:08:24,710 --> 00:08:21,840

paused but then they raised their rifles

219

00:08:26,550 --> 00:08:24,720

and all proceeded to just empty

220

00:08:29,270 --> 00:08:26,560

every magazine that they had

221

00:08:31,110 --> 00:08:29,280

into the attic and at that creature a

222

00:08:33,670 --> 00:08:31,120

few grenades were tossed inside the

223

00:08:37,029 --> 00:08:33,680

house up in the attic uh major

224

00:08:39,589 --> 00:08:37,039

explosions a fire was started and the

225

00:08:40,550 --> 00:08:39,599

entire structure burnt down to the

226
00:08:41,829 --> 00:08:40,560
ground

227
00:08:43,269 --> 00:08:41,839
the next day

228
00:08:45,750 --> 00:08:43,279
uh they went back

229
00:08:47,829 --> 00:08:45,760
to uh investigate to see if there's any

230
00:08:49,430 --> 00:08:47,839
belongings left over uh

231
00:08:52,550 --> 00:08:49,440
that belonged to the family and anything

232
00:08:54,790 --> 00:08:52,560
was left all they found was the remains

233
00:08:55,670 --> 00:08:54,800
of the officer

234
00:08:57,350 --> 00:08:55,680
and

235
00:08:59,990 --> 00:08:57,360
footprints

236
00:09:01,190 --> 00:09:00,000
from the house leading away

237
00:09:03,430 --> 00:09:01,200
out into

238
00:09:06,949 --> 00:09:03,440

the wooded area

239

00:09:10,230 --> 00:09:06,959

and that is the tail of this weird blue

240

00:09:12,870 --> 00:09:10,240

demon from texas

241

00:09:16,150 --> 00:09:12,880

now i came across a story because i was

242

00:09:20,070 --> 00:09:16,160

i was researching windigos in texas

243

00:09:23,430 --> 00:09:20,080

um there was another story fairly

244

00:09:25,430 --> 00:09:23,440

similar to this from the 2000s where

245

00:09:27,269 --> 00:09:25,440

there was a military guy

246

00:09:29,590 --> 00:09:27,279

who

247

00:09:31,190 --> 00:09:29,600

got on a property a brand new property

248

00:09:31,990 --> 00:09:31,200

everything was fine for a few days and

249

00:09:33,590 --> 00:09:32,000

then

250

00:09:36,230 --> 00:09:33,600

his kids

251

00:09:39,590 --> 00:09:36,240

were lured into the woods by a black

252

00:09:43,030 --> 00:09:39,600

shadowy figure with glowing eyes

253

00:09:46,389 --> 00:09:43,040

and this figure continued to harass uh

254

00:09:48,150 --> 00:09:46,399

him and his family for months on end and

255

00:09:51,110 --> 00:09:48,160

the only thing that seemed to give the

256

00:09:53,509 --> 00:09:51,120

creatures somewhat pause was praying

257

00:09:56,470 --> 00:09:53,519

uh but it was like a windigo kind of

258

00:09:59,030 --> 00:09:56,480

creature some kind of a demon that that

259

00:10:01,590 --> 00:09:59,040

family encountered uh but it was never

260

00:10:03,670 --> 00:10:01,600

described as being blue or with sharp

261

00:10:05,430 --> 00:10:03,680

claws just like kind of like a black

262

00:10:07,990 --> 00:10:05,440

mist kind of thing but also from texas

263

00:10:09,829 --> 00:10:08,000

so apparently texas has got some windigo

264

00:10:12,870 --> 00:10:09,839

in demon problems that i was not aware

265

00:10:14,550 --> 00:10:12,880

of uh but terrifying stuff terrifying

266

00:10:15,750 --> 00:10:14,560

stuff there from the 70s give us an
