1
00:00:07,909 --> 00:00:05,349
[Music]

2
00:00:09,910 --> 00:00:07,919
hey welcome back to epic battle

3
00:00:12,230 --> 00:00:09,920
simulator 2.

4
00:00:14,310 --> 00:00:12,240
today we have something

5
00:00:18,550 --> 00:00:14,320
of uh a bit of a challenge so what we

6
00:00:21,109 --> 00:00:18,560
have here on the map is this large swarm

7
00:00:22,710 --> 00:00:21,119
of zombies two million zombies let's

8
00:00:25,189 --> 00:00:22,720
zoom in

9
00:00:27,830 --> 00:00:25,199
and these zombies

10
00:00:29,109 --> 00:00:27,840
are going to attack this fort and this

11
00:00:32,549 --> 00:00:29,119
fort

12
00:00:35,350 --> 00:00:32,559
is protected by a very small number of

13
00:00:37,350 --> 00:00:35,360

world war ii american

14

00:00:38,869 --> 00:00:37,360

shotgun soldiers

15

00:00:40,790 --> 00:00:38,879

as you see we have like the fort

16

00:00:44,229 --> 00:00:40,800

entrance right here

17

00:00:47,110 --> 00:00:44,239

we have right around 900

18

00:00:50,389 --> 00:00:47,120

shotgun shoulders up front we have about

19

00:00:53,029 --> 00:00:50,399

250 on either side then in the middle

20

00:00:54,709 --> 00:00:53,039

we have another 250 just to reinforce

21

00:00:56,389 --> 00:00:54,719

and support

22

00:00:58,790 --> 00:00:56,399

and then this little dot right there

23

00:01:00,229 --> 00:00:58,800

this little square in the middle

24

00:01:02,630 --> 00:01:00,239

uh those

25

00:01:05,830 --> 00:01:02,640

are five

26
00:01:06,789 --> 00:01:05,840
john wicks five john wicks these guys

27
00:01:09,590 --> 00:01:06,799
have

28
00:01:11,429 --> 00:01:09,600
a good range very accurate very powerful

29
00:01:13,990 --> 00:01:11,439
but there's only five of them

30
00:01:14,950 --> 00:01:14,000
and then if all else fails we have

31
00:01:16,469 --> 00:01:14,960
another

32
00:01:19,109 --> 00:01:16,479
75

33
00:01:20,390 --> 00:01:19,119
shotgun soldiers back here

34
00:01:21,270 --> 00:01:20,400
so we're going to see what happens here

35
00:01:23,510 --> 00:01:21,280
so the

36
00:01:26,950 --> 00:01:23,520
the shotguns obviously don't have a

37
00:01:28,390 --> 00:01:26,960
massive amount of range um

38
00:01:29,910 --> 00:01:28,400

and so

39

00:01:33,190 --> 00:01:29,920

they're gonna have to deal with this

40

00:01:35,910 --> 00:01:33,200

zombie horde let's check it out

41

00:01:37,590 --> 00:01:35,920

so here we are as you can see here the

42

00:01:41,350 --> 00:01:37,600

world war ii

43

00:01:43,830 --> 00:01:41,360

shotgun soldiers

44

00:01:46,789 --> 00:01:43,840

and then we have just a few

45

00:01:48,310 --> 00:01:46,799

john wicks right there five just mingled

46

00:01:52,350 --> 00:01:48,320

in milling about

47

00:01:54,710 --> 00:01:52,360

and so on team one there's a total of

48

00:01:56,310 --> 00:01:54,720

1730 soldiers

49

00:01:58,789 --> 00:01:56,320

versus

50

00:02:00,149 --> 00:01:58,799

the nearly two million

51

00:02:02,630 --> 00:02:00,159

zombies

52

00:02:04,550 --> 00:02:02,640

over here now looks like already a few

53

00:02:06,389 --> 00:02:04,560

of them died i don't know why now

54

00:02:09,029 --> 00:02:06,399

there is some interesting terrain it

55

00:02:11,910 --> 00:02:09,039

dips down right here

56

00:02:16,229 --> 00:02:11,920

uh and it also dips down right there

57

00:02:17,190 --> 00:02:16,239

maybe this would impact how quickly

58

00:02:19,430 --> 00:02:17,200

uh

59

00:02:21,750 --> 00:02:19,440

these shotgunners can

60

00:02:24,390 --> 00:02:21,760

kill the zombies so let's see what

61

00:02:29,750 --> 00:02:24,400

happens here

62

00:02:38,949 --> 00:02:33,589

and as you can see the john wicks

63

00:02:42,790 --> 00:02:40,150

they got tremendous range with those

64

00:02:44,070 --> 00:02:42,800

pistols very accurate very deadly

65

00:02:50,470 --> 00:02:44,080

long range

66

00:02:54,869 --> 00:02:52,630

but that doesn't uh

67

00:02:58,470 --> 00:02:54,879

seem to matter too much

68

00:03:02,830 --> 00:03:00,470

and you see the zombies are going down

69

00:03:04,390 --> 00:03:02,840

there a lot of bodies falling right in

70

00:03:07,270 --> 00:03:04,400

there

71

00:03:09,509 --> 00:03:07,280

into the pit of the spare

72

00:03:12,309 --> 00:03:09,519

and it looks like the zombies are really

73

00:03:17,030 --> 00:03:12,319

making some

74

00:03:20,470 --> 00:03:18,949

now it does appear as though a lot of

75

00:03:22,390 --> 00:03:20,480

these corners

76

00:03:24,229 --> 00:03:22,400

appear to be weak although they're

77

00:03:26,149 --> 00:03:24,239

they're

78

00:03:28,550 --> 00:03:26,159

the shotgunners are doubled up over here

79

00:03:29,910 --> 00:03:28,560

they're they're very dense

80

00:03:32,550 --> 00:03:29,920

and so they might be able to make a

81

00:03:35,110 --> 00:03:32,560

pretty good stand right here let's check

82

00:03:36,470 --> 00:03:35,120

out over here oh no oh no oh no if you

83

00:03:37,990 --> 00:03:36,480

look over here

84

00:03:40,229 --> 00:03:38,000

on this side

85

00:03:41,830 --> 00:03:40,239

it appears the zombies

86

00:03:49,190 --> 00:03:41,840

are making

87

00:03:53,750 --> 00:03:51,190

the john wicks i gotta say they're doing

88

00:03:55,270 --> 00:03:53,760

a good job and even our fallbacks right

89

00:03:57,190 --> 00:03:55,280

down over there

90

00:03:58,470 --> 00:03:57,200

75 of them they're shooting right down

91

00:04:03,589 --> 00:03:58,480

the middle

92

00:04:07,270 --> 00:04:03,599

giving uh just reinforcing the barrage

93

00:04:09,429 --> 00:04:07,280

of bullets and shells

94

00:04:11,270 --> 00:04:09,439

good zombies

95

00:04:13,670 --> 00:04:11,280

oh they're making

96

00:04:15,509 --> 00:04:13,680

some real gains over here i think

97

00:04:17,509 --> 00:04:15,519

besides

98

00:04:18,469 --> 00:04:17,519

we can see see that there's a little gap

99

00:04:22,150 --> 00:04:18,479

right there

100

00:04:27,270 --> 00:04:23,510

i think that's going to be exploited

101
00:04:27,280 --> 00:04:29,270
and 1650

102
00:04:34,790 --> 00:04:32,710
soldiers on team one versus the zombies

103
00:04:36,390 --> 00:04:34,800
well it looks like

104
00:04:38,310 --> 00:04:36,400
they're down to about a million so

105
00:04:42,710 --> 00:04:38,320
they've lost

106
00:04:45,430 --> 00:04:42,720
almost a million zombies at this point

107
00:04:47,990 --> 00:04:45,440
i gotta say i i didn't expect them to

108
00:04:49,510 --> 00:04:48,000
do this well team one is doing

109
00:04:51,670 --> 00:04:49,520
pretty well

110
00:04:53,990 --> 00:04:51,680
i think it's mostly uh the

111
00:04:56,550 --> 00:04:54,000
john wicks that are

112
00:05:02,710 --> 00:04:56,560
giving them the edge here at range very

113
00:05:05,990 --> 00:05:04,390

let's take a look at the front lines oh

114

00:05:08,790 --> 00:05:06,000

oh no oh no it's going to collapse right

115

00:05:10,550 --> 00:05:08,800

here it's it's collapsing

116

00:05:15,670 --> 00:05:10,560

this side is absolutely collapsing at

117

00:05:20,310 --> 00:05:18,550

it's it's gone they they may be overrun

118

00:05:21,830 --> 00:05:20,320

at this oh my god this side is

119

00:05:24,390 --> 00:05:21,840

absolutely collapsed both sides have

120

00:05:27,270 --> 00:05:24,400

collapsed pretty much at the same time

121

00:05:30,150 --> 00:05:27,280

they were not reinforced enough

122

00:05:32,790 --> 00:05:30,160

they couldn't get the job done now

123

00:05:33,990 --> 00:05:32,800

it appears the zombie swarm is going to

124

00:05:36,469 --> 00:05:34,000

surround

125

00:05:38,230 --> 00:05:36,479

these soldiers out here

126

00:05:41,270 --> 00:05:38,240

and devour them although they seem to be

127

00:05:42,950 --> 00:05:41,280

holding their own well

128

00:05:44,710 --> 00:05:42,960

they're down to almost

129

00:05:46,710 --> 00:05:44,720

800 at this point so they're not holding

130

00:05:52,070 --> 00:05:46,720

their own it's just

131

00:05:54,070 --> 00:05:52,080

they are slow slowly dying

132

00:05:56,070 --> 00:05:54,080

dying at a slower rate than the zombies

133

00:05:58,309 --> 00:05:56,080

if you take a look at the the rate here

134

00:06:00,550 --> 00:05:58,319

the zombies are down to only about a

135

00:06:01,350 --> 00:06:00,560

half million at this point

136

00:06:03,430 --> 00:06:01,360

down

137

00:06:05,909 --> 00:06:03,440

they've lost

138

00:06:07,430 --> 00:06:05,919

1.5 million zombies at this point so

139

00:06:09,749 --> 00:06:07,440

they're doing a good job they have a

140

00:06:13,909 --> 00:06:09,759

strong potential team one has a real

141

00:06:13,919 --> 00:06:18,710

uh they're huddled up here

142

00:06:25,270 --> 00:06:21,510

basically uh certainly circling the

143

00:06:29,590 --> 00:06:26,710

they're doing a good job i i gotta give

144

00:06:31,110 --> 00:06:29,600

him credit but it's

145

00:06:32,790 --> 00:06:31,120

it's very fleeting

146

00:06:35,510 --> 00:06:32,800

let's take a look at the

147

00:06:39,430 --> 00:06:35,520

there's a lot of zombies

148

00:06:43,029 --> 00:06:40,480

swarming

149

00:06:45,909 --> 00:06:43,039

[Applause]

150

00:06:48,309 --> 00:06:45,919

like a little piranha

151
00:06:51,029 --> 00:06:48,319
going for their meal and this is it

152
00:06:54,710 --> 00:06:53,189
let's take a look at what it's what it's

153
00:06:57,189 --> 00:06:54,720
what it looks like

154
00:07:00,230 --> 00:06:57,199
from this side so this is

155
00:07:03,430 --> 00:07:00,240
the interior looking out

156
00:07:05,189 --> 00:07:03,440
so this is the ball back location if all

157
00:07:07,589 --> 00:07:05,199
else fails

158
00:07:09,749 --> 00:07:07,599
this is it oh my god oh my god what's

159
00:07:11,110 --> 00:07:09,759
going on out here

160
00:07:13,270 --> 00:07:11,120
who is left

161
00:07:18,070 --> 00:07:13,280
a couple shotgunners a couple of john

162
00:07:19,830 --> 00:07:18,080
wicks the bodies are piling high

163
00:07:21,909 --> 00:07:19,840

the john wicks are doing everything they

164

00:07:24,550 --> 00:07:21,919

can to annihilate these zombies as

165

00:07:27,589 --> 00:07:24,560

quickly as possible

166

00:07:32,390 --> 00:07:29,830

are stacking up so high that the

167

00:07:35,589 --> 00:07:32,400

elevation is rising you see

168

00:07:37,029 --> 00:07:35,599

uh the john wicks are rising

169

00:07:39,430 --> 00:07:37,039

with each kill

170

00:07:41,430 --> 00:07:39,440

a body falls and they stand on that

171

00:07:42,830 --> 00:07:41,440

corpse

172

00:07:46,869 --> 00:07:42,840

and there appears to

173

00:07:53,189 --> 00:07:51,270

82 soldiers left 81 81 soldiers left

174

00:07:55,029 --> 00:07:53,199

on team one

175

00:07:59,110 --> 00:07:55,039

versus

176

00:08:01,350 --> 00:07:59,120

a quarter million zombies at this point

177

00:08:04,150 --> 00:08:01,360

the john wicks are going for it they are

178

00:08:06,309 --> 00:08:04,160

it's possible that the john wicks piano

179

00:08:09,830 --> 00:08:06,319

reeves they're so powerful they have so

180

00:08:13,029 --> 00:08:09,840

much health they can fire so rapidly

181

00:08:14,950 --> 00:08:13,039

that they could defend against this

182

00:08:18,150 --> 00:08:14,960

onslaught

183

00:08:19,350 --> 00:08:18,160

maybe john wick's too powerful for this

184

00:08:22,150 --> 00:08:19,360

we will see

185

00:08:24,230 --> 00:08:22,160

but it does appear as though one john

186

00:08:28,869 --> 00:08:24,240

wick has died

187

00:08:33,190 --> 00:08:31,350

oh my god not now the zombies are

188

00:08:35,589 --> 00:08:33,200

dividing their attention some are trying

189

00:08:37,750 --> 00:08:35,599

to make encroachments into

190

00:08:39,269 --> 00:08:37,760

the castle

191

00:08:41,750 --> 00:08:39,279

we're being murdered

192

00:08:44,389 --> 00:08:41,760

exactly

193

00:08:45,509 --> 00:08:44,399

we're all getting killed here

194

00:08:48,710 --> 00:08:45,519

there are

195

00:08:49,670 --> 00:08:48,720

a total of two john wicks left at this

196

00:08:51,509 --> 00:08:49,680

point

197

00:08:54,470 --> 00:08:51,519

only put down five

198

00:09:02,790 --> 00:08:54,480

and there are only two let's take a look

199

00:09:07,670 --> 00:09:04,710

they are doing some amazing work now

200

00:09:09,990 --> 00:09:07,680

only one john wick is left

201
00:09:11,990 --> 00:09:10,000
let's see what's going to happen here

202
00:09:15,190 --> 00:09:12,000
as the zombies

203
00:09:18,790 --> 00:09:15,200
turn their attention to the interior

204
00:09:21,430 --> 00:09:18,800
to the castle entrance we will find out

205
00:09:24,070 --> 00:09:21,440
when that last john wick falls which he

206
00:09:27,030 --> 00:09:24,080
will oh he he fell he fell

207
00:09:28,630 --> 00:09:27,040
now the zombies turned their attention

208
00:09:31,590 --> 00:09:28,640
to the castle

209
00:09:34,230 --> 00:09:31,600
and the 75 remaining

210
00:09:36,070 --> 00:09:34,240
soldiers that are still using shotguns

211
00:09:39,030 --> 00:09:36,080
that's what they got limited range

212
00:09:40,389 --> 00:09:39,040
limited fire limited firing rate

213
00:09:41,670 --> 00:09:40,399

and they're doing the best to defend

214

00:09:43,110 --> 00:09:41,680

themselves

215

00:09:45,750 --> 00:09:43,120

against

216

00:09:50,870 --> 00:09:45,760

two uh what is left it looks like we

217

00:09:54,070 --> 00:09:50,880

have 21 000 zombies remaining

218

00:09:56,470 --> 00:09:54,080

and they're piling through

219

00:09:58,630 --> 00:09:56,480

like cockroaches

220

00:10:02,470 --> 00:09:58,640

not scared of the light

221

00:10:05,990 --> 00:10:03,990

now you can see these bodies snacking

222

00:10:11,350 --> 00:10:06,000

high it looks like we still have oh we

223

00:10:14,790 --> 00:10:13,829

oh boy they need their strength in

224

00:10:19,190 --> 00:10:14,800

numbers and they're not getting right

225

00:10:24,470 --> 00:10:21,670

60

226
00:10:26,710 --> 00:10:24,480
oh my god oh no we're all getting killed

227
00:10:27,910 --> 00:10:26,720
here

228
00:10:34,790 --> 00:10:27,920
this

229
00:10:38,150 --> 00:10:34,800
here it's going to come down to the wire

230
00:10:40,150 --> 00:10:38,160
had i put a hundred soldiers back here

231
00:10:43,350 --> 00:10:40,160
to this fallback location

232
00:10:44,870 --> 00:10:43,360
maybe that would have been enough to

233
00:10:47,190 --> 00:10:44,880
stop them dead in their tracks but

234
00:10:51,430 --> 00:10:47,200
apparently this is it they're down to

235
00:10:55,710 --> 00:10:54,310
zero soldiers

236
00:10:57,430 --> 00:10:55,720
so

237
00:10:59,269 --> 00:10:57,440
1730

238
00:11:03,110 --> 00:10:59,279

world war ii

239

00:11:04,550 --> 00:11:03,120

shotgun soldiers and five john wicks

240

00:11:07,110 --> 00:11:04,560

were able

241

00:11:09,269 --> 00:11:07,120

to kill

242

00:11:12,949 --> 00:11:09,279

one million seven hundred eighty six

243

00:11:14,949 --> 00:11:12,959

thousand and twenty two zombies

244

00:11:18,069 --> 00:11:14,959

amazing effort

245

00:11:19,990 --> 00:11:18,079

amazing job guys

246

00:11:21,910 --> 00:11:20,000

but maybe

247

00:11:24,550 --> 00:11:21,920

just needed to include

248

00:11:26,710 --> 00:11:24,560

100 to 200 more troops

249

00:11:31,830 --> 00:11:26,720

and maybe uh they would have won
