

HARD NEWS

1
00:00:00,270 --> 00:00:10,870
[Applause]

2
00:00:15,669 --> 00:00:13,910
oh let's see um i'll get some let's see

3
00:00:18,630 --> 00:00:15,679
what we got here that's joe news what's

4
00:00:20,390 --> 00:00:18,640
joe news doing in here it's confusing me

5
00:00:24,070 --> 00:00:20,400
what am i doing

6
00:00:25,589 --> 00:00:24,080
um let's see so got some uh

7
00:00:27,589 --> 00:00:25,599
let's go here all right so we got what

8
00:00:28,710 --> 00:00:27,599
about pollution causing your junk to

9
00:00:31,029 --> 00:00:28,720
shrink

10
00:00:32,950 --> 00:00:31,039
oh really the ukrainians upset that the

11
00:00:35,030 --> 00:00:32,960
uh all those javelinas they're getting

12
00:00:37,030 --> 00:00:35,040
don't come with uh tech support okay

13
00:00:38,549 --> 00:00:37,040

yeah that's unfortunate i got a guy who

14

00:00:41,030 --> 00:00:38,559

loses his shoe so often he's getting his

15

00:00:42,549 --> 00:00:41,040

feet tattooed look like shoes

16

00:00:44,389 --> 00:00:42,559

that's an interview that's an innovative

17

00:00:46,229 --> 00:00:44,399

solution

18

00:00:48,470 --> 00:00:46,239

i've got people who fell into a

19

00:00:50,150 --> 00:00:48,480

chocolate tank at a chocolate factory

20

00:00:51,750 --> 00:00:50,160

that's some good news on that front that

21

00:00:53,510 --> 00:00:51,760

is some good news

22

00:00:56,310 --> 00:00:53,520

it sounds like a really really a willy

23

00:00:57,670 --> 00:00:56,320

wonky uh wonka problem

24

00:00:59,910 --> 00:00:57,680

here's an one related to an earlier

25

00:01:03,189 --> 00:00:59,920

story is a guy who uh caught a catfish

26

00:01:05,350 --> 00:01:03,199

and it's got a dildo in its stomach

27

00:01:08,469 --> 00:01:05,360

i love that headline

28

00:01:10,950 --> 00:01:08,479

or do you want sexy swedish trash cans

29

00:01:12,630 --> 00:01:10,960

oh boy um

30

00:01:14,550 --> 00:01:12,640

oh wait here's a yellow stone one about

31

00:01:16,550 --> 00:01:14,560

the uh a coloring book on all the ways

32

00:01:17,830 --> 00:01:16,560

you can die in yellowstone we know

33

00:01:22,070 --> 00:01:17,840

buffaloes

34

00:01:22,950 --> 00:01:22,080

geysers that's about it

35

00:01:24,830 --> 00:01:22,960

uh

36

00:01:26,550 --> 00:01:24,840

i'm curious about the chocolate

37

00:01:29,990 --> 00:01:26,560

people chocolate people that's what

38

00:01:33,510 --> 00:01:32,230

uh where is that one

39

00:01:35,510 --> 00:01:33,520

i got too much i got a scroll where did

40

00:01:38,149 --> 00:01:35,520

it go where's my chocolate story where's

41

00:01:42,149 --> 00:01:40,469

uh chocolate alligator actually i'm

42

00:01:44,230 --> 00:01:42,159

hungry why can't i find my chocolate

43

00:01:45,990 --> 00:01:44,240

story i just said it

44

00:01:47,990 --> 00:01:46,000

it was just there if there's no

45

00:01:50,710 --> 00:01:48,000

chocolate store then we can do the sexy

46

00:01:56,310 --> 00:01:54,870

um how am i not oh there it is

47

00:01:57,510 --> 00:01:56,320

i got too many news stories in here all

48

00:02:02,709 --> 00:01:57,520

right here we go

49

00:02:06,950 --> 00:02:04,389

let's see here bring us up on screen

50

00:02:09,350 --> 00:02:06,960

osha investigating after two employees

51

00:02:12,750 --> 00:02:09,360
were trapped in chocolate tank

52

00:02:15,350 --> 00:02:12,760
at mars wrigley factory in

53

00:02:17,750 --> 00:02:15,360
elizabethan town

54

00:02:19,350 --> 00:02:17,760
that's a huge piece of news it doesn't

55

00:02:21,270 --> 00:02:19,360
sound american to me but it's just

56

00:02:22,949 --> 00:02:21,280
elizabethtown pennsylvania oh

57

00:02:25,990 --> 00:02:22,959
elizabethtown

58

00:02:29,270 --> 00:02:26,000
uh oh this is okay this is

59

00:02:31,350 --> 00:02:29,280
right around the corner from us uh

60

00:02:32,470 --> 00:02:31,360
so occupational safety and health

61

00:02:35,190 --> 00:02:32,480
administration has opened an

62

00:02:37,430 --> 00:02:35,200
investigation in on an incident at the

63

00:02:39,190 --> 00:02:37,440

mars wrigley factory involving two

64

00:02:41,670 --> 00:02:39,200

employees being stuck in a tank of

65

00:02:43,910 --> 00:02:41,680

chocolate it sounds like a like in

66

00:02:45,589 --> 00:02:43,920

strange brew yesterday when these guys

67

00:02:47,350 --> 00:02:45,599

threw themselves in a tank of beer and

68

00:02:49,430 --> 00:02:47,360

had to drink their way out and and when

69

00:02:51,589 --> 00:02:49,440

they opened up the tank the one guy

70

00:02:55,110 --> 00:02:51,599

probably weighed uh 2 000 pounds because

71

00:02:57,030 --> 00:02:55,120

he was full of beer true story

72

00:02:59,750 --> 00:02:57,040

kevin chambers then he put out a fire

73

00:03:03,190 --> 00:02:59,760

don't forget then he peed out a fire

74

00:03:08,149 --> 00:03:05,670

uh kevin chambers area director for

75

00:03:09,990 --> 00:03:08,159

osha's uh harrisburg office said that

76

00:03:11,430 --> 00:03:10,000

the investigation could take up to six

77

00:03:13,190 --> 00:03:11,440

months

78

00:03:15,990 --> 00:03:13,200

uh and complementary chocolate to

79

00:03:17,350 --> 00:03:16,000

complete as he said he couldn't comment

80

00:03:20,229 --> 00:03:17,360

further since the investigation is

81

00:03:21,990 --> 00:03:20,239

ongoing osha was alerted on thursday by

82

00:03:26,869 --> 00:03:22,000

the pennsylvania emergency management

83

00:03:32,550 --> 00:03:29,110

more than two dozen emergency personnel

84

00:03:34,949 --> 00:03:32,560

responded to the mars wrigley factory in

85

00:03:36,470 --> 00:03:34,959

elizabethtown thursday shortly after 2

86

00:03:37,990 --> 00:03:36,480

pm after two employees got stuck in a

87

00:03:40,949 --> 00:03:38,000

tank of chocolate

88

00:03:43,350 --> 00:03:40,959

uh this mess reported that at the time

89

00:03:45,750 --> 00:03:43,360

that the while the two individuals were

90

00:03:47,430 --> 00:03:45,760

not floating around in a vat of

91

00:03:49,190 --> 00:03:47,440

chocolate officers had trouble getting

92

00:03:50,789 --> 00:03:49,200

them out

93

00:03:53,910 --> 00:03:50,799

i'm probably down there having a good

94

00:03:55,589 --> 00:03:53,920

time splashing chocolate on one another

95

00:03:57,190 --> 00:03:55,599

doing the backstroke i like how they

96

00:03:59,589 --> 00:03:57,200

said there's two dozen people responded

97

00:04:01,670 --> 00:03:59,599

most of which who immediately said i got

98

00:04:03,270 --> 00:04:01,680

to see this this is free chocolate you

99

00:04:05,190 --> 00:04:03,280

know when you every time you go to like

100

00:04:07,589 --> 00:04:05,200

the chocolate factory you want to see

101
00:04:14,949 --> 00:04:07,599
how the fudge is made and so like hey

102
00:04:16,949 --> 00:04:15,910
everything you walk in there

103
00:04:19,349 --> 00:04:16,959
everything's made out of chocolate

104
00:04:21,349 --> 00:04:19,359
chocolate urinals it's like willy wonka

105
00:04:22,790 --> 00:04:21,359
that's what i'm imagining take a bite

106
00:04:26,950 --> 00:04:22,800
out of the conference room table yeah

107
00:04:30,390 --> 00:04:28,390
they get why they get these guys in the

108
00:04:32,469 --> 00:04:30,400
vat some of that the fizzy lifting drink

109
00:04:34,629 --> 00:04:32,479
and then the that's what they did and

110
00:04:36,469 --> 00:04:34,639
then they just float out of the vat and

111
00:04:37,830 --> 00:04:36,479
then you pull them aside and they're all

112
00:04:40,550 --> 00:04:37,840
good

113
00:04:42,070 --> 00:04:40,560

uh rescue units had to cut a hole out of

114

00:04:43,749 --> 00:04:42,080

the bottom in order to free the

115

00:04:46,070 --> 00:04:43,759

employees according to dispatch how do

116

00:04:48,390 --> 00:04:46,080

they get stuck in there so one guy

117

00:04:49,909 --> 00:04:48,400

goes in i'm assuming one guy was goofing

118

00:04:51,189 --> 00:04:49,919

around and like was like sticking his

119

00:04:52,870 --> 00:04:51,199

leg in there's like hey you bet you

120

00:04:55,909 --> 00:04:52,880

don't think i'd jump in here

121

00:04:57,670 --> 00:04:55,919

and he fell in and then his buddy bob

122

00:04:59,749 --> 00:04:57,680

was like you [h__h]

123

00:05:01,909 --> 00:04:59,759

uh you're not going in alone and dove in

124

00:05:04,230 --> 00:05:01,919

head first i'm gonna save you

125

00:05:06,870 --> 00:05:04,240

i actually dropped his keys

126

00:05:09,110 --> 00:05:06,880

oh yeah maybe oh [\h__\h] my keys are in he

127

00:05:10,629 --> 00:05:09,120

dropped his phone one of the [\h__\h]

128

00:05:12,950 --> 00:05:10,639

probably dropped his phone in there

129

00:05:14,710 --> 00:05:12,960

that's probably what happened

130

00:05:16,070 --> 00:05:14,720

uh so the rest of you fell in and the

131

00:05:18,310 --> 00:05:16,080

other guys tried to get him out and then

132

00:05:19,670 --> 00:05:18,320

he fell in and the third guy should so

133

00:05:20,870 --> 00:05:19,680

by the time they got there's 27 people

134

00:05:22,230 --> 00:05:20,880

in that's the two dozen people they're

135

00:05:23,670 --> 00:05:22,240

all you can throw them down like a rope

136

00:05:26,070 --> 00:05:23,680

made out of licorice or something like

137

00:05:26,080 --> 00:05:29,909

don't give me a red vine or something

138

00:05:36,390 --> 00:05:32,870

throw me a lifesaver

139

00:05:38,070 --> 00:05:36,400

there you go that's how you do it but no

140

00:05:40,629 --> 00:05:38,080

both employees were transferred thursday

141

00:05:41,590 --> 00:05:40,639

afternoon to hospitals

142

00:05:43,830 --> 00:05:41,600

uh

143

00:05:46,230 --> 00:05:43,840

to the hospital in candyland i believe

144

00:05:48,230 --> 00:05:46,240

yeah what happened to you oh covered in

145

00:05:51,990 --> 00:05:48,240

chocolate one was transported by a

146

00:05:54,230 --> 00:05:52,000

helicopter according to dispatch

147

00:05:56,309 --> 00:05:54,240

uh so they were like actually encased in

148

00:05:58,469 --> 00:05:56,319

chocolate like hard shell you know like

149

00:06:00,070 --> 00:05:58,479

for ice cream oh like han solo yeah

150

00:06:03,510 --> 00:06:00,080

chirocarbonite

151

00:06:08,469 --> 00:06:06,390

uh we can confirm that both uh both

152

00:06:11,670 --> 00:06:08,479

external contractors have been taken

153

00:06:12,550 --> 00:06:11,680

off-site for further evaluation

154

00:06:14,790 --> 00:06:12,560

uh

155

00:06:16,870 --> 00:06:14,800

and probably interrogated by willy wonka

156

00:06:18,629 --> 00:06:16,880

willy wonka himself

157

00:06:21,590 --> 00:06:18,639

although this is a mars so it's

158

00:06:23,270 --> 00:06:21,600

completely different mascot

159

00:06:25,029 --> 00:06:23,280

now the factory has resumed normal

160

00:06:27,909 --> 00:06:25,039

operations but no

161

00:06:30,469 --> 00:06:27,919

other details were provided as a friday

162

00:06:32,830 --> 00:06:30,479

officials uh with the elizabeth

163

00:06:35,909 --> 00:06:32,840

elizabethtown fire department declined

164

00:06:37,749 --> 00:06:35,919

comment uh referring

165

00:06:39,990 --> 00:06:37,759

to uh the previous statement so

166

00:06:43,029 --> 00:06:40,000

everything's fine i wanna know what went

167

00:06:44,950 --> 00:06:43,039

down there how they got involved

168

00:06:47,029 --> 00:06:44,960

and what happened to the chocolate did

169

00:06:49,110 --> 00:06:47,039

they just sterilize it and continue to

170

00:06:51,189 --> 00:06:49,120

process that or did that get donated to

171

00:06:52,629 --> 00:06:51,199

homeless shelters yeah i could say that

172

00:06:54,629 --> 00:06:52,639

that's the discount chocolate you see at

173

00:06:55,510 --> 00:06:54,639

the grocery discount store yeah one

174

00:06:57,670 --> 00:06:55,520

dollar

175

00:06:59,430 --> 00:06:57,680

handful of chocolate

176
00:07:00,950 --> 00:06:59,440
10 pounds chocolate one dollar what's

177
00:07:02,550 --> 00:07:00,960
wrong with this chocolate oh maybe

178
00:07:04,230 --> 00:07:02,560
touched by some guy he was looking for

179
00:07:06,629 --> 00:07:04,240
something oh my god

180
00:07:09,670 --> 00:07:06,639
it was bathed in

181
00:07:11,270 --> 00:07:09,680
uh i mean interesting a little short on

182
00:07:15,029 --> 00:07:11,280
details but a fascinating story

183
00:07:18,309 --> 00:07:16,629
uh so let's see what else got here got

184
00:07:19,990 --> 00:07:18,319
uh i also have a county sheriff says

185
00:07:21,430 --> 00:07:20,000
don't touch money it'll kill you with

186
00:07:22,870 --> 00:07:21,440
meth

187
00:07:24,390 --> 00:07:22,880
uh we have michigan police having to

188
00:07:26,150 --> 00:07:24,400

clarify that an alligator wasn't

189

00:07:28,830 --> 00:07:26,160

actually driving the car during a car

190

00:07:31,830 --> 00:07:28,840

chase okay let's uh that's

191

00:07:34,870 --> 00:07:31,840

it that's the one all right i'll get

192

00:07:41,189 --> 00:07:34,880

this link into the carrot shop

193

00:07:46,950 --> 00:07:44,230

alligator wasn't driving during car

194

00:07:48,629 --> 00:07:46,960

chase michigan police say

195

00:07:49,990 --> 00:07:48,639

that's some good news on that front i'd

196

00:07:51,909 --> 00:07:50,000

be terrified he's probably not licensed

197

00:07:54,390 --> 00:07:51,919

to do so so that's good he's all over

198

00:07:58,390 --> 00:07:54,400

the road man

199

00:08:00,869 --> 00:07:58,400

an alligator was rescued by police

200

00:08:03,430 --> 00:08:00,879

after a car chase saturday the lake

201
00:08:07,189 --> 00:08:03,440
county sheriff's office tried to pull

202
00:08:10,390 --> 00:08:07,199
over a car driven on us 10 by 40 year

203
00:08:12,390 --> 00:08:10,400
old oak park man around 11 pm on

204
00:08:14,070 --> 00:08:12,400
june 11 the man was driving at a high

205
00:08:17,189 --> 00:08:14,080
rate of speed police said the driver

206
00:08:19,430 --> 00:08:17,199
fled uh the traffic stop and was pursued

207
00:08:22,550 --> 00:08:19,440
by deputies in law enforcement with

208
00:08:23,430 --> 00:08:22,560
michigan department of natural resources

209
00:08:26,070 --> 00:08:23,440
okay

210
00:08:29,909 --> 00:08:26,080
the chase ended when the car got stuck

211
00:08:32,469 --> 00:08:29,919
between two trees on the rails to trails

212
00:08:35,190 --> 00:08:32,479
path near south foreman road in weber

213
00:08:38,469 --> 00:08:35,200

township police said karen the alligator

214

00:08:40,709 --> 00:08:38,479

was a passenger in the car and tried to

215

00:08:44,070 --> 00:08:40,719

flee please said but was caught caught

216

00:08:46,630 --> 00:08:44,080

shortly after uh after a short scuffle

217

00:08:49,430 --> 00:08:46,640

karen is not facing any charges at this

218

00:08:51,750 --> 00:08:49,440

time police said but we believe she was

219

00:08:54,710 --> 00:08:51,760

an unwilling participant

220

00:08:57,670 --> 00:08:54,720

during the incident nor do uh nor do we

221

00:09:00,550 --> 00:08:57,680

believe she was ever in control

222

00:09:03,269 --> 00:09:00,560

of the vehicle

223

00:09:04,470 --> 00:09:03,279

all right look i have to clarify that uh

224

00:09:07,430 --> 00:09:04,480

yeah we don't think the alligator is

225

00:09:09,110 --> 00:09:07,440

actually driving but uh yeah

226

00:09:10,630 --> 00:09:09,120

the gator's fine

227

00:09:12,470 --> 00:09:10,640

we don't believe

228

00:09:14,389 --> 00:09:12,480

it was driving

229

00:09:16,710 --> 00:09:14,399

we don't know for sure gator don't play

230

00:09:20,870 --> 00:09:16,720

no [h__h]

231

00:09:25,269 --> 00:09:20,880

yeah gator don't plan you feel me yeah

232

00:09:27,030 --> 00:09:25,279

i see here the oak park man was arrested

233

00:09:29,670 --> 00:09:27,040

and is facing charges related to the

234

00:09:31,590 --> 00:09:29,680

chase he also has several warrants

235

00:09:33,030 --> 00:09:31,600

from another jurisdiction okay okay

236

00:09:35,430 --> 00:09:33,040

they've never been about that never

237

00:09:37,509 --> 00:09:35,440

never been about playing no [h__h]

238

00:09:39,829 --> 00:09:37,519

all right there's a uh there's video of

239

00:09:41,590 --> 00:09:39,839

the chase on that same page but it's a

240

00:09:43,829 --> 00:09:41,600

youtube or a youtube a facebook link

241

00:09:46,230 --> 00:09:43,839

which i think oh yeah i don't think i'm

242

00:09:49,269 --> 00:09:46,240

not logged in over here

243

00:09:51,430 --> 00:09:49,279

well i mean i hope karen the alligator

244

00:09:53,430 --> 00:09:51,440

uh

245

00:09:55,269 --> 00:09:53,440

can get to a new home or is released

246

00:09:57,110 --> 00:09:55,279

into the wild in michigan

247

00:09:58,310 --> 00:09:57,120

the natural habitat for alligators

248

00:09:59,509 --> 00:09:58,320

michigan yeah

249

00:10:00,790 --> 00:09:59,519

the racist question is how's the

250

00:10:02,630 --> 00:10:00,800

alligator got to michigan and i'm

251
00:10:04,389 --> 00:10:02,640
guessing by car but they're saying she

252
00:10:07,269 --> 00:10:04,399
wasn't actually driving so

253
00:10:09,829 --> 00:10:07,279
and look at this picture it's a pretty

254
00:10:11,110 --> 00:10:09,839
big gator you know it looks like a 30

255
00:10:12,870 --> 00:10:11,120
pounder

256
00:10:14,069 --> 00:10:12,880
probably can operate a stick shift if it

257
00:10:15,509 --> 00:10:14,079
wanted to

258
00:10:17,269 --> 00:10:15,519
probably not license to do double

259
00:10:19,990 --> 00:10:17,279
clutching but i'm not going to put a

260
00:10:21,750 --> 00:10:20,000
pastor to not drive an 18-wheeler you

261
00:10:23,590 --> 00:10:21,760
know we do have some trucking shortages

262
00:10:26,069 --> 00:10:23,600
going on in the uh

263
00:10:27,990 --> 00:10:26,079

northern cottons here so yeah i think

264

00:10:30,150 --> 00:10:28,000

there's a good future for it police

265

00:10:32,949 --> 00:10:30,160

later clarified uh the gator was driving

266

00:10:35,350 --> 00:10:32,959

but did not have a cdl all right gator

267

00:10:38,710 --> 00:10:35,360

don't play no [h__h]

268

00:10:42,230 --> 00:10:40,150

all right

269

00:10:43,509 --> 00:10:42,240

uh do you so it's not fast food related

270

00:10:45,350 --> 00:10:43,519

but you want to close out with some food

271

00:10:47,430 --> 00:10:45,360

related stuff yeah i think people like

272

00:10:49,670 --> 00:10:47,440

that okay people want

273

00:10:51,430 --> 00:10:49,680

to know i've got i've got donut pricing

274

00:10:57,110 --> 00:10:51,440

news or i've got

275

00:11:00,230 --> 00:10:58,630

uh i think

276

00:11:02,230 --> 00:11:00,240

because of the economy we got to go with

277

00:11:05,350 --> 00:11:02,240

donut pricing all right fair enough i

278

00:11:07,190 --> 00:11:05,360

think it's very uh economically uh

279

00:11:09,430 --> 00:11:07,200

reasonable to talk about this kind of

280

00:11:13,110 --> 00:11:09,440

thing people want to know about their

281

00:11:18,310 --> 00:11:14,630

okay you bring this up on screen right

282

00:11:23,990 --> 00:11:22,230

uh fuel up with krispy kreme oh yes fuel

283

00:11:26,550 --> 00:11:24,000

but krispy kreme

284

00:11:29,670 --> 00:11:26,560

it is the return of your favorite hump

285

00:11:32,150 --> 00:11:29,680

day activity beat the pump is coming

286

00:11:33,910 --> 00:11:32,160

back to krispy kreme that's some good

287

00:11:35,910 --> 00:11:33,920

news on that front i never knew this

288

00:11:37,750 --> 00:11:35,920

existed but so okay news to me but all

289

00:11:40,069 --> 00:11:37,760

right all right this is a new thing to

290

00:11:41,110 --> 00:11:40,079

know about uh we know everyone could use

291

00:11:43,590 --> 00:11:41,120

a little

292

00:11:46,389 --> 00:11:43,600

donut deflation to sweeten the recent

293

00:11:48,150 --> 00:11:46,399

pains at the pump

294

00:11:50,470 --> 00:11:48,160

so each wednesday through the summer

295

00:11:53,509 --> 00:11:50,480

driving season until labor day

296

00:11:56,069 --> 00:11:53,519

we're helping you fill your tank with

297

00:11:59,350 --> 00:11:56,079

original glazed donuts by pricing them

298

00:12:00,949 --> 00:11:59,360

at the cost of the national average

299

00:12:04,310 --> 00:12:00,959

of one

300

00:12:05,990 --> 00:12:04,320

gallon of regular gas

301

00:12:07,190 --> 00:12:06,000

is this a good deal or not i don't know

302

00:12:09,269 --> 00:12:07,200

that's i'm not sure about i mean how

303

00:12:11,190 --> 00:12:09,279

much is how much does a dozen krispy

304

00:12:14,550 --> 00:12:11,200

kreme donuts normally cost i don't know

305

00:12:18,110 --> 00:12:14,560

two yeah maybe four

306

00:12:21,590 --> 00:12:18,120

uh so the national average what is like

307

00:12:24,310 --> 00:12:21,600

507 five dollars

308

00:12:26,550 --> 00:12:24,320

and so what's your average dozen krispy

309

00:12:28,790 --> 00:12:26,560

kreme donuts

310

00:12:30,710 --> 00:12:28,800

i don't know

311

00:12:31,910 --> 00:12:30,720

it's like a dollar my guess is it's

312

00:12:33,590 --> 00:12:31,920

usually about five bucks so what they're

313

00:12:34,949 --> 00:12:33,600

saying is here this ties to the national

314

00:12:37,350 --> 00:12:34,959

average and you'll save a couple of

315

00:12:40,150 --> 00:12:37,360

cents sort of thing so now krispy kreme

316

00:12:44,470 --> 00:12:40,160

donuts is pegging themselves to the

317

00:12:51,990 --> 00:12:47,350

all right so we'll soon be we have a a

318

00:12:54,230 --> 00:12:52,000

petro slash donut economy

319

00:12:57,030 --> 00:12:54,240

all for it okay

320

00:13:00,069 --> 00:12:57,040

let's see putin beat this one

321

00:13:04,949 --> 00:13:02,629

uh prices will be updated weekly so

322

00:13:08,470 --> 00:13:04,959

check back each tuesday so it's a it's a

323

00:13:09,750 --> 00:13:08,480

fluxing price uh yes it's tied to the

324

00:13:11,430 --> 00:13:09,760

national average that could change you

325

00:13:13,750 --> 00:13:11,440

go up go down you could be paying more

326

00:13:16,870 --> 00:13:13,760

you could get be getting ripped off so

327

00:13:19,430 --> 00:13:16,880

if we could convince biden to flood the

328

00:13:22,790 --> 00:13:19,440

market with the national oil reserves we

329

00:13:25,509 --> 00:13:22,800

can drive down the price of donuts

330

00:13:27,990 --> 00:13:25,519

potentially i think we can do it

331

00:13:28,790 --> 00:13:28,000

uh that's good news

332

00:13:30,470 --> 00:13:28,800

uh

333

00:13:32,629 --> 00:13:30,480

funny too that the

334

00:13:34,629 --> 00:13:32,639

krispy kreme was notoriously the one

335

00:13:37,350 --> 00:13:34,639

like get the vaccine and we'll give you

336

00:13:40,069 --> 00:13:37,360

the donut ah now they're on the

337

00:13:43,269 --> 00:13:40,079

the oil train also by the way canadian

338

00:13:46,069 --> 00:13:43,279

shops are not participating

339

00:13:49,110 --> 00:13:47,590

okay oh i put that video in carrot shop

340

00:13:51,430 --> 00:13:49,120

i don't know what it is oh right around

341

00:13:53,829 --> 00:13:51,440

the corner for me uh columbus is

342

00:13:54,710 --> 00:13:53,839

participating out there polaris i know

343

00:13:57,750 --> 00:13:54,720

that

344

00:13:58,790 --> 00:13:57,760

also uh granville road i can go there i

345

00:14:02,550 --> 00:13:58,800

can buy

346

00:14:04,949 --> 00:14:02,560

uh dozens of donuts each day if i so

347

00:14:06,629 --> 00:14:04,959

choose at the national average of a

348

00:14:08,949 --> 00:14:06,639

gallon of gas or you could buy a gallon

349

00:14:10,470 --> 00:14:08,959

of gas or i could do that it would

350

00:14:12,550 --> 00:14:10,480

probably take me a gallon of gas to get

351
00:14:14,550 --> 00:14:12,560
there and back

352
00:14:17,750 --> 00:14:14,560
somehow you're losing money on this deal

353
00:14:20,550 --> 00:14:17,760
i'm i'm losing money on these donuts

354
00:14:22,069 --> 00:14:20,560
i thought i was gonna win

355
00:14:24,550 --> 00:14:22,079
so what we're really saying here is like

356
00:14:25,840 --> 00:14:24,560
uh we can't help you with gas prices so

357
00:14:27,110 --> 00:14:25,850
get fatter america

358
00:14:29,350 --> 00:14:27,120
[Music]

359
00:14:31,189 --> 00:14:29,360
get better so you can't go out yeah well

360
00:14:33,670 --> 00:14:31,199
you're you're you're going to have to

361
00:14:35,269 --> 00:14:33,680
drive but you can't

362
00:14:37,910 --> 00:14:35,279
and we're going to lock you in your home

363
00:14:39,910 --> 00:14:37,920

so you can't exercise yeah but we will

364

00:14:41,189 --> 00:14:39,920

give you a doughnut that you can't

365

00:14:44,629 --> 00:14:41,199

afford

366

00:14:46,710 --> 00:14:44,639

uh if you get the vaccine

367

00:14:49,750 --> 00:14:46,720

and by the way most people who catch

368

00:14:52,790 --> 00:14:49,760

covet have a co-morbidity of obesity of

369

00:14:55,189 --> 00:14:52,800

obesity right yeah and at no point

370

00:14:57,509 --> 00:14:55,199

other than on the alt media

371

00:14:59,910 --> 00:14:57,519

did anyone say oh by the way you should

372

00:15:02,949 --> 00:14:59,920

just exercise like joe rogan got in

373

00:15:05,590 --> 00:15:02,959

trouble for this like exercise eat well

374

00:15:07,750 --> 00:15:05,600

you know these cr i mean exactly krispy

375

00:15:09,750 --> 00:15:07,760

kreme lines completely up with let's get

376

00:15:12,949 --> 00:15:09,760

a thousand vaccines and let's make gas

377

00:15:16,949 --> 00:15:12,959

expensive let's do it [\h__\h] it give us an
