

ELVIS IS ALIVE

1
00:00:00,270 --> 00:00:08,150
[Applause]

2
00:00:11,910 --> 00:00:09,270
oh yes

3
00:00:15,829 --> 00:00:11,920
elvis alive conspiracy reignites over

4
00:00:19,349 --> 00:00:15,839
claims priscilla presley admitted theory

5
00:00:20,790 --> 00:00:19,359
yes oh really well there's uh while

6
00:00:23,990 --> 00:00:20,800
we're talking about entertainment news

7
00:00:26,150 --> 00:00:24,000
there's a new movie about elvis that i

8
00:00:28,070 --> 00:00:26,160
believe is out or coming out

9
00:00:30,470 --> 00:00:28,080
and it looks pretty good

10
00:00:32,069 --> 00:00:30,480
also on paramount plus i think it this

11
00:00:33,990 --> 00:00:32,079
one's out of theaters actually this was

12
00:00:36,870 --> 00:00:34,000
a real movie yeah

13
00:00:39,110 --> 00:00:36,880

so read about this so elvis's death has

14

00:00:41,430 --> 00:00:39,120

been scrutinized and questioned for

15

00:00:43,750 --> 00:00:41,440

years with many fans believing he faked

16

00:00:46,229 --> 00:00:43,760

his fatal heart attack in order to

17

00:00:48,150 --> 00:00:46,239

escape the limelight and growing

18

00:00:49,830 --> 00:00:48,160

pressures of fame a lot of people

19

00:00:51,510 --> 00:00:49,840

believe that about michael jackson as

20

00:00:53,750 --> 00:00:51,520

well although they take it a little

21

00:00:55,430 --> 00:00:53,760

further and believe michael jackson uh

22

00:00:57,670 --> 00:00:55,440

actually uh transported his

23

00:00:59,670 --> 00:00:57,680

consciousness into an android and still

24

00:01:01,110 --> 00:00:59,680

lives

25

00:01:02,869 --> 00:01:01,120

i'm serious it's a real night i've heard

26

00:01:04,630 --> 00:01:02,879

that i've not heard that part oh yes you

27

00:01:07,109 --> 00:01:04,640

can look it up uh michael jackson uh

28

00:01:09,429 --> 00:01:07,119

android consciousness conspiracy theory

29

00:01:11,510 --> 00:01:09,439

maybe i'll i'll delve into that

30

00:01:14,390 --> 00:01:11,520

that's a segment yeah yeah

31

00:01:17,030 --> 00:01:14,400

as a result uh since that day in august

32

00:01:19,749 --> 00:01:17,040

1977 conspiracy theories have continued

33

00:01:22,230 --> 00:01:19,759

to thrive believers have questioned how

34

00:01:25,109 --> 00:01:22,240

the music icon might still be alive with

35

00:01:29,030 --> 00:01:25,119

numerous devotees of the king swearing

36

00:01:30,710 --> 00:01:29,040

that they've seen in public for decades

37

00:01:32,390 --> 00:01:30,720

um

38

00:01:35,190 --> 00:01:32,400

but while many sightings have been

39

00:01:36,950 --> 00:01:35,200

dismissed as croc crackpot claims or at

40

00:01:39,190 --> 00:01:36,960

the very least wishful thinking on

41

00:01:41,270 --> 00:01:39,200

behalf of those who adore him a slip of

42

00:01:43,429 --> 00:01:41,280

the tongue by some close to the star may

43

00:01:46,310 --> 00:01:43,439

have caused even the most hardcore

44

00:01:48,789 --> 00:01:46,320

doubters to think twice

45

00:01:50,230 --> 00:01:48,799

uh ahead of the release of the

46

00:01:53,510 --> 00:01:50,240

baz

47

00:01:56,709 --> 00:01:53,520

man's elvis biopic baslerman

48

00:01:58,950 --> 00:01:56,719

is it bas lerman yeah he's in australia

49

00:02:00,550 --> 00:01:58,960

he did he did uh great gatsby moulin

50

00:02:01,830 --> 00:02:00,560

rouge uh didn't he do priscilla queen in

51
00:02:02,870 --> 00:02:01,840
the desert

52
00:02:04,870 --> 00:02:02,880
years ago

53
00:02:06,550 --> 00:02:04,880
i don't know but those are

54
00:02:08,070 --> 00:02:06,560
strong movies

55
00:02:10,150 --> 00:02:08,080
yep

56
00:02:12,869 --> 00:02:10,160
um so ahead of a boss lerman's elvis

57
00:02:15,190 --> 00:02:12,879
biopic daily star looked at the bonkers

58
00:02:17,430 --> 00:02:15,200
claims that the singer's ex-wife

59
00:02:21,270 --> 00:02:17,440
priscilla had previously admitted

60
00:02:23,510 --> 00:02:21,280
the theory in one tv interview priscilla

61
00:02:25,830 --> 00:02:23,520
from several years ago fans were given a

62
00:02:28,390 --> 00:02:25,840
new glimmer of hope that their idol was

63
00:02:31,270 --> 00:02:28,400

still alive after she supposedly slipped

64

00:02:33,910 --> 00:02:31,280

up during the chat on u.s talk show

65

00:02:36,470 --> 00:02:33,920

on a u.s talk show she was asked by the

66

00:02:38,630 --> 00:02:36,480

host what elvis would have thought about

67

00:02:39,509 --> 00:02:38,640

the public's enduring obsession with

68

00:02:42,070 --> 00:02:39,519

them

69

00:02:43,830 --> 00:02:42,080

and in response to the question she said

70

00:02:45,830 --> 00:02:43,840

he will

71

00:02:46,790 --> 00:02:45,840

he would not believe it

72

00:02:49,750 --> 00:02:46,800

so

73

00:02:51,910 --> 00:02:49,760

she went with a present tense he will as

74

00:02:52,949 --> 00:02:51,920

opposed to a past tense so she corrected

75

00:02:54,710 --> 00:02:52,959

herself

76

00:02:57,430 --> 00:02:54,720

but initially

77

00:02:58,309 --> 00:02:57,440

she went with he will

78

00:02:59,830 --> 00:02:58,319

um

79

00:03:01,830 --> 00:02:59,840

then

80

00:03:03,990 --> 00:03:01,840

a genuine mistake perhaps but the

81

00:03:06,949 --> 00:03:04,000

hesitation and use of the present tense

82

00:03:08,790 --> 00:03:06,959

were enough to convince many that their

83

00:03:10,869 --> 00:03:08,800

beliefs were correct

84

00:03:13,589 --> 00:03:10,879

and if that uh and that wasn't the first

85

00:03:17,509 --> 00:03:13,599

time that it happened either in cnn

86

00:03:19,990 --> 00:03:17,519

uh from 2007 she stated that elvis loves

87

00:03:22,550 --> 00:03:20,000

football as opposed to loved football

88

00:03:25,509 --> 00:03:22,560

following a question about why

89

00:03:27,110 --> 00:03:25,519
he had so many television sets

90

00:03:29,430 --> 00:03:27,120
at his home

91

00:03:31,670 --> 00:03:29,440
i still so he would watch

92

00:03:34,470 --> 00:03:31,680
one game per television screen and just

93

00:03:36,309 --> 00:03:34,480
sit in the room eating fried bananas and

94

00:03:38,309 --> 00:03:36,319
ice cream okay

95

00:03:40,229 --> 00:03:38,319
i'm assuming

96

00:03:42,710 --> 00:03:40,239
i think it hit tvs everywhere she could

97

00:03:43,910 --> 00:03:42,720
keep up with the game yeah so he's a big

98

00:03:45,190 --> 00:03:43,920
football fan

99

00:03:47,350 --> 00:03:45,200
the clip which was posted on youtube

100

00:03:49,750 --> 00:03:47,360
back in 2013 with a caption elvis

101

00:03:52,789 --> 00:03:49,760

presley is alive priscilla slips up

102

00:03:55,429 --> 00:03:52,799

caused the sensation as did her 2005

103

00:03:58,309 --> 00:03:55,439

appearance on oprah winfrey show

104

00:04:00,229 --> 00:03:58,319

uh with dollar with daughter lisa marie

105

00:04:01,190 --> 00:04:00,239

who was married by the way to michael

106

00:04:07,830 --> 00:04:01,200

jackson

107

00:04:08,949 --> 00:04:07,840

do you remember that game moonwalker

108

00:04:10,949 --> 00:04:08,959

yeah i do

109

00:04:12,789 --> 00:04:10,959

the so it was the arcade it wasn't the

110

00:04:14,710 --> 00:04:12,799

sega genesis one but

111

00:04:17,030 --> 00:04:14,720

i think in the genesis one he did it too

112

00:04:18,069 --> 00:04:17,040

but he literally became a robot in both

113

00:04:18,870 --> 00:04:18,079

games

114

00:04:20,870 --> 00:04:18,880

yeah

115

00:04:23,110 --> 00:04:20,880

he did

116

00:04:23,990 --> 00:04:23,120

uh i think i might be onto something

117

00:04:26,550 --> 00:04:24,000

there

118

00:04:29,990 --> 00:04:26,560

uh in a now notorious moment priscilla

119

00:04:32,390 --> 00:04:30,000

was heard saying that's exactly what he

120

00:04:34,710 --> 00:04:32,400

said the other day in a reference to her

121

00:04:35,909 --> 00:04:34,720

ex implying she spoke with him not too

122

00:04:38,150 --> 00:04:35,919

long ago

123

00:04:41,670 --> 00:04:38,160

elvis is still alive quote

124

00:04:43,189 --> 00:04:41,680

one commenter uh one commented uh

125

00:04:45,430 --> 00:04:43,199

after viewing it

126
00:04:46,950 --> 00:04:45,440
while another posted busted i believe

127
00:04:48,710 --> 00:04:46,960
he's alive too

128
00:04:50,310 --> 00:04:48,720
elvis tied the knot with priscilla in

129
00:04:52,629 --> 00:04:50,320
1967

130
00:04:54,629 --> 00:04:52,639
ten years before his death the cuff the

131
00:04:57,670 --> 00:04:54,639
couple remained very close despite

132
00:04:59,670 --> 00:04:57,680
divorcing only six years later

133
00:05:02,390 --> 00:04:59,680
now um

134
00:05:04,230 --> 00:05:02,400
there are numerous sightings of elvis

135
00:05:06,629 --> 00:05:04,240
over the years it was a big thing back

136
00:05:09,270 --> 00:05:06,639
in the uh the 80s when i was growing up

137
00:05:12,230 --> 00:05:09,280
there were always tabloid magazines of

138
00:05:14,150 --> 00:05:12,240

elvis being cited uh you know uh a group

139

00:05:16,070 --> 00:05:14,160

being a groundskeeper or working at

140

00:05:18,150 --> 00:05:16,080

arby's in michigan he's always had these

141

00:05:19,830 --> 00:05:18,160

like these weird jobs

142

00:05:21,670 --> 00:05:19,840

and you'd see him in tabloids i think

143

00:05:24,550 --> 00:05:21,680

even unsolved mysteries did a whole

144

00:05:27,430 --> 00:05:24,560

segment on elvis sightings

145

00:05:30,790 --> 00:05:27,440

and uh by the way if elvis is alive he

146

00:05:32,469 --> 00:05:30,800

would be 87 years old today so it's

147

00:05:33,909 --> 00:05:32,479

still possible

148

00:05:35,749 --> 00:05:33,919

you know it's that's not beyond their

149

00:05:37,510 --> 00:05:35,759

own possibility

150

00:05:39,830 --> 00:05:37,520

but

151

00:05:41,990 --> 00:05:39,840

i don't know i i like this resurgence so

152

00:05:47,510 --> 00:05:42,000

i brought this list of some things that

153

00:05:53,350 --> 00:05:50,710

uh so the very first sighting on the

154

00:05:55,670 --> 00:05:53,360

afternoon of august 16 1977 the day

155

00:05:57,830 --> 00:05:55,680

elvis presley died a man traveled to

156

00:06:00,150 --> 00:05:57,840

memphis airport and purchased a one-way

157

00:06:02,150 --> 00:06:00,160

ticket to buenos aires argentina

158

00:06:04,629 --> 00:06:02,160

allegedly the man looked quite

159

00:06:08,710 --> 00:06:04,639

like the rock legend and gave the name

160

00:06:11,189 --> 00:06:08,720

john burroughs he lived with hitler

161

00:06:13,510 --> 00:06:11,199

maybe maybe uh elvis moved in with

162

00:06:15,749 --> 00:06:13,520

hitler they started a band they started

163

00:06:17,670 --> 00:06:15,759

like a barbershop quartet a crew

164

00:06:21,110 --> 00:06:17,680

mariachi

165

00:06:23,510 --> 00:06:21,120

they started a buenos aires sitcom

166

00:06:24,870 --> 00:06:23,520

you say you get to get them and uh um

167

00:06:28,180 --> 00:06:24,880

android michael jackson on the same

168

00:06:34,150 --> 00:06:28,190

house you got a sitcom there yeah

169

00:06:38,469 --> 00:06:36,150

some transition music for him

170

00:06:41,430 --> 00:06:38,479

um so john burroughs which is allegedly

171

00:06:43,189 --> 00:06:41,440

known as an alias that elvis used when

172

00:06:45,510 --> 00:06:43,199

booking hotels since then many fans have

173

00:06:47,510 --> 00:06:45,520

posted images online of a man walking

174

00:06:50,870 --> 00:06:47,520

around brainus aries who looked

175

00:06:53,589 --> 00:06:50,880

uncannily similar to the king himself

176

00:06:54,390 --> 00:06:53,599

i like that idea joe that he moved down

177

00:06:56,950 --> 00:06:54,400

there

178

00:06:59,830 --> 00:06:56,960

and joined up with the nazis

179

00:07:03,189 --> 00:06:59,840

maybe as some kind of undercover agent

180

00:07:05,110 --> 00:07:03,199

to expose the now formed fourth reich

181

00:07:06,790 --> 00:07:05,120

because as you know elvis loved law

182

00:07:09,909 --> 00:07:06,800

enforcement there's pictures of him he

183

00:07:12,390 --> 00:07:09,919

was like an honorary member of the dea

184

00:07:15,110 --> 00:07:12,400

and richard nixon gave him like an

185

00:07:16,469 --> 00:07:15,120

honorary badge i think deputizing him

186

00:07:20,550 --> 00:07:16,479

meanwhile he was like one of the biggest

187

00:07:22,309 --> 00:07:20,560

drug users that there was yeah

188

00:07:24,629 --> 00:07:22,319

uh then there's a picture of elvis

189

00:07:27,990 --> 00:07:24,639

presley uh poolside photo

190

00:07:30,629 --> 00:07:28,000

where it looks like there's a man in the

191

00:07:33,270 --> 00:07:30,639

his images being reflected in this glass

192

00:07:36,469 --> 00:07:33,280

it kind of looks like elvis presley this

193

00:07:39,749 --> 00:07:36,479

is from december 1977.

194

00:07:41,749 --> 00:07:39,759

um then elvis presley was uh allegedly

195

00:07:45,830 --> 00:07:41,759

in home alone the movie starring

196

00:07:51,510 --> 00:07:48,869

no no no no no he did the i think he's a

197

00:07:53,029 --> 00:07:51,520

little too old to play that but one man

198

00:07:54,469 --> 00:07:53,039

theory

199

00:07:56,230 --> 00:07:54,479

he is a good actor he's a method actor

200

00:07:58,950 --> 00:07:56,240

he's like christian bale

201
00:08:00,550 --> 00:07:58,960
one mad theory claims that elvis presley

202
00:08:03,830 --> 00:08:00,560
elvis presley actually made an

203
00:08:06,469 --> 00:08:03,840
appearance in the 1990 film home alone

204
00:08:08,070 --> 00:08:06,479
13 years after his death here's the

205
00:08:09,830 --> 00:08:08,080
synchronicity here

206
00:08:11,830 --> 00:08:09,840
they they're not even talking about here

207
00:08:14,629 --> 00:08:11,840
macaulay culkin who starred in home

208
00:08:17,670 --> 00:08:14,639
alone good friends with michael jackson

209
00:08:19,830 --> 00:08:17,680
michael jackson wound up marrying elvis

210
00:08:23,029 --> 00:08:19,840
presley's daughter lisa marie

211
00:08:25,189 --> 00:08:23,039
michael jackson who is now an android

212
00:08:27,350 --> 00:08:25,199
lisa presley now works

213
00:08:30,629 --> 00:08:27,360

at a gas station often used by macaulay

214

00:08:32,310 --> 00:08:30,639

calkin yes it's all circular but i do

215

00:08:34,709 --> 00:08:32,320

have a photo of the the apparent scene

216

00:08:36,149 --> 00:08:34,719

of um elvis in home alone i don't know

217

00:08:38,469 --> 00:08:36,159

it's the guy standing back there i don't

218

00:08:40,870 --> 00:08:38,479

know yeah that's where [h__h] like crazy

219

00:08:42,149 --> 00:08:40,880

looks more like al from tool time yeah

220

00:08:44,710 --> 00:08:42,159

looks like heart looks like heart

221

00:08:47,350 --> 00:08:44,720

buckner but i don't think it's that it

222

00:08:48,870 --> 00:08:47,360

kind of looks like owl he's got a beard

223

00:08:50,230 --> 00:08:48,880

doesn't really look i mean he could look

224

00:08:52,470 --> 00:08:50,240

like elvis i've never seen elvis with a

225

00:08:53,750 --> 00:08:52,480

beard though look at that guy that'd be

226

00:08:55,430 --> 00:08:53,760

the best way for him to hide he just

227

00:08:56,790 --> 00:08:55,440

like he lives he lives literally next

228

00:08:59,110 --> 00:08:56,800

door to graceland which has a beard his

229

00:09:02,150 --> 00:08:59,120

name is steve

230

00:09:04,230 --> 00:09:02,160

then there's the uh the 1998 elvis

231

00:09:05,190 --> 00:09:04,240

presley phone call

232

00:09:06,630 --> 00:09:05,200

uh

233

00:09:09,509 --> 00:09:06,640

gail brewer

234

00:09:11,509 --> 00:09:09,519

uh author of the 1988 book is elvis

235

00:09:14,630 --> 00:09:11,519

alive claims to have a a phone call with

236

00:09:17,430 --> 00:09:14,640

elvis presley in the summer of 1988 the

237

00:09:20,470 --> 00:09:17,440

uh writer who birthed theory that elvis

238

00:09:22,150 --> 00:09:20,480

had mafia connections and had to go into

239

00:09:24,710 --> 00:09:22,160

witness protection claim that the phone

240

00:09:26,630 --> 00:09:24,720

call was recorded after elvis contacted

241

00:09:28,150 --> 00:09:26,640

her directly now do you want to hear

242

00:09:29,829 --> 00:09:28,160

this phone call i'm because i'm going to

243

00:09:31,829 --> 00:09:29,839

play it

244

00:09:33,190 --> 00:09:31,839

then it doesn't matter no i don't want

245

00:09:35,430 --> 00:09:33,200

to hear it i'm going to talk over it the

246

00:09:36,949 --> 00:09:35,440

whole time

247

00:09:38,070 --> 00:09:36,959

but i think we need to hear this elvis

248

00:09:40,150 --> 00:09:38,080

phone call

249

00:09:41,990 --> 00:09:40,160

now this is all some good fodder for us

250

00:09:43,829 --> 00:09:42,000

to really get people to go out there and

251

00:09:49,509 --> 00:09:43,839

see this new movie but here's the here's

252

00:09:54,710 --> 00:09:52,630

1977 at his graceland mansion in memphis

253

00:09:56,470 --> 00:09:54,720

elvis was just 42. but on the

254

00:09:59,430 --> 00:09:56,480

anniversary of his passing not everybody

255

00:10:01,030 --> 00:09:59,440

believes that elvis died on this day

256

00:10:02,630 --> 00:10:01,040

over four decades ago a best-selling

257

00:10:04,230 --> 00:10:02,640

author and former record producer living

258

00:10:06,550 --> 00:10:04,240

in georgia said they have reason to

259

00:10:10,870 --> 00:10:06,560

believe that elvis faked his own death

260

00:10:13,350 --> 00:10:11,950

now they're just good

261

00:10:15,590 --> 00:10:13,360

[Music]

262

00:10:17,590 --> 00:10:15,600

i'll i'll skip through it so here's a

263

00:10:20,470 --> 00:10:17,600

little bit more shook up about elvis

264

00:10:23,030 --> 00:10:20,480

presley's death in 1977.

265

00:10:24,949 --> 00:10:23,040

elvis presley died here about 3 30 this

266

00:10:26,870 --> 00:10:24,959

afternoon hospital officials said he

267

00:10:28,790 --> 00:10:26,880

died of respiratory here's her interview

268

00:10:32,550 --> 00:10:28,800

another piece of evidence in support of

269

00:10:35,110 --> 00:10:32,560

her theory i received a call from elvis

270

00:10:36,230 --> 00:10:35,120

and put the suction cup on

271

00:10:39,190 --> 00:10:36,240

hit

272

00:10:40,550 --> 00:10:39,200

record and the rest is history so they

273

00:10:42,470 --> 00:10:40,560

say

274

00:10:45,670 --> 00:10:42,480

she claims elvis called her in the

275

00:10:58,340 --> 00:10:47,590

she said they talked about her book and

276

00:10:58,350 --> 00:11:12,949

[Music]

277

00:11:18,870 --> 00:11:14,949

a bad elvis impression too

278

00:11:20,630 --> 00:11:18,880

yeah well okay well then number five uh

279

00:11:24,710 --> 00:11:20,640

people uh think there's a picture of

280

00:11:25,910 --> 00:11:24,720

elvis spotted on his 82nd birthday so

281

00:11:26,829 --> 00:11:25,920

there's a photo

282

00:11:30,870 --> 00:11:26,839

from

283

00:11:34,710 --> 00:11:30,880

2017. uh that uh reportedly shows a very

284

00:11:37,110 --> 00:11:34,720

fat rotund elvis with a white beard

285

00:11:39,030 --> 00:11:37,120

and he's hanging around

286

00:11:40,790 --> 00:11:39,040

uh at graceland

287

00:11:42,550 --> 00:11:40,800

and then people say hey elvis presley

288

00:11:44,870 --> 00:11:42,560

hanging around in michigan

289

00:11:47,670 --> 00:11:44,880

yes people think that elvis uh was

290

00:11:49,829 --> 00:11:47,680

spotted in michigan in the late 1980s

291

00:11:51,509 --> 00:11:49,839

near kalamazoo that was a famous

292

00:11:53,750 --> 00:11:51,519

sighting and then also people number

293

00:11:56,389 --> 00:11:53,760

seven people think elvis presley is a

294

00:11:58,310 --> 00:11:56,399

groundskeeper at graceland so he's

295

00:12:00,470 --> 00:11:58,320

hanging around graceland he works the

296

00:12:03,269 --> 00:12:00,480

grounds he probably makes a good a good

297

00:12:05,910 --> 00:12:03,279

pay there and is able to uh stay close

298

00:12:08,870 --> 00:12:05,920

to the home that he once had

299

00:12:11,430 --> 00:12:08,880

so there you go there is uh

300

00:12:13,269 --> 00:12:11,440

good you ever had a fried banana it does

301

00:12:15,430 --> 00:12:13,279

sound kind of good

302

00:12:16,550 --> 00:12:15,440

no i've never had a fried banana after

303

00:12:18,470 --> 00:12:16,560

all that that's what you get out of the

304

00:12:21,030 --> 00:12:18,480

whole conversation i think so

305

00:12:22,790 --> 00:12:21,040

it does sound good i think you know what

306

00:12:25,670 --> 00:12:22,800

here's what i'm thinking you take corn

307

00:12:28,389 --> 00:12:25,680

flakes as like the breading right and

308

00:12:30,629 --> 00:12:28,399

you use peanut butter as sort of like

309

00:12:33,030 --> 00:12:30,639

how you mix it up and like whatever you

310

00:12:35,670 --> 00:12:33,040

need to do to fry [h__h] right you and you

311

00:12:37,269 --> 00:12:35,680

use corn flakes to fry that like if you

312

00:12:40,069 --> 00:12:37,279

think about like a scotch egg so it's

313

00:12:41,910 --> 00:12:40,079

like a banana and wrapped in strawberry

314

00:12:42,949 --> 00:12:41,920

and then you wrap that with the corn

315

00:12:45,269 --> 00:12:42,959

flake

316

00:12:47,829 --> 00:12:45,279

uh peanut butter that would be [ʌ__ʌ]

317

00:12:49,910 --> 00:12:47,839

delicious that'd be really good

318

00:12:52,150 --> 00:12:49,920

um

319

00:12:54,550 --> 00:12:52,160

[ʌ__ʌ] i'm gonna eat it anyway i think i

320

00:12:57,030 --> 00:12:54,560

think he's living with batboy on a ufo i

321

00:12:59,110 --> 00:12:57,040

think that's probably where he is

322

00:13:00,629 --> 00:12:59,120

i i like these ideas i like these

323

00:13:02,389 --> 00:13:00,639

theories i especially like the one that

324

00:13:04,069 --> 00:13:02,399

he had mob connections and had to go

325

00:13:05,670 --> 00:13:04,079

into witness protection program and

326

00:13:07,670 --> 00:13:05,680

that's why

327

00:13:08,389 --> 00:13:07,680

no one like he had to fake his own death

328

00:13:10,550 --> 00:13:08,399

go

329

00:13:12,710 --> 00:13:10,560

you know underground but at that point

330

00:13:14,949 --> 00:13:12,720

in time he's under the care and

331

00:13:17,430 --> 00:13:14,959

protection of the fbi

332

00:13:19,509 --> 00:13:17,440

and not less he's like hey

333

00:13:22,310 --> 00:13:19,519

i i personally will take it upon myself

334

00:13:23,990 --> 00:13:22,320

to fly to south america to hide out

335

00:13:25,750 --> 00:13:24,000

and i won't let the authorities know i

336

00:13:29,190 --> 00:13:25,760

won't let anybody know

337

00:13:31,590 --> 00:13:29,200

um i i mean i like all these theories

338

00:13:34,389 --> 00:13:31,600

it's uh but this is kind of almost in

339

00:13:36,310 --> 00:13:34,399

the same vein as very sim as tupac

340

00:13:37,750 --> 00:13:36,320

there's tupac sightings

341

00:13:39,269 --> 00:13:37,760

oh does he live down there with elvis

342

00:13:42,710 --> 00:13:39,279

and maybe they're all gonna go to

343

00:13:45,509 --> 00:13:42,720

argentina with robot michael jackson and

344

00:13:49,430 --> 00:13:47,509

elvis is gonna cut a rap a gangster rap

345

00:13:52,310 --> 00:13:49,440

album soon he's gonna come back they're

346

00:13:53,430 --> 00:13:52,320

all they're all switching genres yes

347

00:13:55,430 --> 00:13:53,440

mix it up

348

00:13:58,150 --> 00:13:55,440

i'd like that if you get though i'd like

349

00:14:00,069 --> 00:13:58,160

to hear tupac's rockabilly album

350

00:14:03,110 --> 00:14:00,079

i'd like to hear uh

351
00:14:05,350 --> 00:14:03,120
and then and then um robot uh jackson

352
00:14:08,550 --> 00:14:05,360
will give uh anti-semitic speeches down

353
00:14:10,810 --> 00:14:08,560
there in argentina

354
00:14:12,790 --> 00:14:10,820
stir up the locals

355
00:14:14,150 --> 00:14:12,800
[Laughter]

356
00:14:16,629 --> 00:14:14,160
god

357
00:14:20,230 --> 00:14:16,639
um i don't know if he beca if michael

358
00:14:21,670 --> 00:14:20,240
jackson did become an android

359
00:14:23,350 --> 00:14:21,680
i mean would he still be a jehovah's

360
00:14:25,509 --> 00:14:23,360
witness

361
00:14:28,629 --> 00:14:25,519
because don't the jehovah witney

362
00:14:31,750 --> 00:14:28,639
witnesses whitney

363
00:14:36,069 --> 00:14:33,910

don't they like forego a lot of

364

00:14:38,790 --> 00:14:36,079

technological traps like they they're

365

00:14:40,710 --> 00:14:38,800

like they have a very particular outlook

366

00:14:42,949 --> 00:14:40,720

i don't think they're like amish per se

367

00:14:45,910 --> 00:14:42,959

like that hardcore but they also don't

368

00:14:47,350 --> 00:14:45,920

like to engage in a lot of

369

00:14:49,269 --> 00:14:47,360

uh

370

00:14:52,069 --> 00:14:49,279

like media maybe i you know i don't know

371

00:14:54,470 --> 00:14:52,079

a lot about him was he a product yeah

372

00:14:56,790 --> 00:14:54,480

i think he was a jehovah's witness

373

00:14:58,629 --> 00:14:56,800

that's crazy i didn't i would not have

374

00:15:00,870 --> 00:14:58,639

guessed elvis the jehovah's witness with

375

00:15:03,030 --> 00:15:00,880

the woman no michael jackson is roberto

376

00:15:05,269 --> 00:15:03,040

michael jackson that i could see yeah

377

00:15:07,110 --> 00:15:05,279

and vegan i think most jehovah was

378

00:15:09,670 --> 00:15:07,120

witnesses aren't they vegan or

379

00:15:11,110 --> 00:15:09,680

vegetarian maybe

380

00:15:12,790 --> 00:15:11,120

i don't know i think we will never know

381

00:15:13,910 --> 00:15:12,800

got into the intellectual deep end here

382

00:15:15,270 --> 00:15:13,920

and if we grab on to each other we're

383

00:15:17,750 --> 00:15:15,280

both gonna drown

384

00:15:20,069 --> 00:15:17,760

[Music]

385

00:15:21,110 --> 00:15:20,079

well there's some uh some fun elvis news

386

00:15:24,550 --> 00:15:21,120

here we're gonna move on we're gonna

387

00:15:28,090 --> 00:15:26,230

now let's go ahead and take the phone

388

00:15:30,870 --> 00:15:28,100

calls 614-388-9109

389

00:15:33,990 --> 00:15:30,880

[Music]

390

00:15:36,470 --> 00:15:34,000

uh we're on the march to

391

00:15:38,550 --> 00:15:36,480

increase the audience of the show we're

392

00:15:41,910 --> 00:15:38,560

trying to promote this show i'd like to

393

00:15:45,030 --> 00:15:41,920

increase the listenership by 10 times

394

00:15:46,550 --> 00:15:45,040

by year's end and i think we can do that

395

00:15:47,990 --> 00:15:46,560

do you mean just increase the increase

396

00:15:50,629 --> 00:15:48,000

the size of the audience so it needs to

397

00:15:52,150 --> 00:15:50,639

eat more but no i mean the actual number

398

00:15:53,590 --> 00:15:52,160

of people listening if they choose to

399

00:15:55,189 --> 00:15:53,600

get larger on their own that's their own

400

00:15:57,749 --> 00:15:55,199

choice

401
00:15:59,749 --> 00:15:57,759
people i we need everyone firing on all

402
00:16:01,670 --> 00:15:59,759
cylinder cylinders here to promote the

403
00:16:04,150 --> 00:16:01,680
show word of mouth

404
00:16:05,509 --> 00:16:04,160
uh joe i need you to go on the rogan

405
00:16:06,829 --> 00:16:05,519
experience

406
00:16:11,509 --> 00:16:06,839
and

407
00:16:12,310 --> 00:16:11,519
austin just stop by

408
00:16:14,550 --> 00:16:12,320
go

409
00:16:16,629 --> 00:16:14,560
walk in the like i'll do kool-aid man

410
00:16:19,189 --> 00:16:16,639
through this room

411
00:16:21,350 --> 00:16:19,199
bust through as well

412
00:16:22,870 --> 00:16:21,360
uh collier you're on the air

413
00:16:24,870 --> 00:16:22,880

how you doing guys it's frostbite hey

414

00:16:27,509 --> 00:16:24,880

frostbite what's up

415

00:16:28,949 --> 00:16:27,519

had a uh pretty weird story i remembered

416

00:16:30,550 --> 00:16:28,959

the other day i wanted to tell you guys

417

00:16:32,470 --> 00:16:30,560

about okay i

418

00:16:34,710 --> 00:16:32,480

was rolling into uh

419

00:16:35,590 --> 00:16:34,720

public supermarkets down here in florida

420

00:16:37,670 --> 00:16:35,600

yeah

421

00:16:39,829 --> 00:16:37,680

and uh just going to get a case of beer

422

00:16:41,590 --> 00:16:39,839

you know normal day

423

00:16:43,749 --> 00:16:41,600

and uh by the way what do you drink what

424

00:16:45,910 --> 00:16:43,759

kind of beer are you buying yingling

425

00:16:49,829 --> 00:16:45,920

okay america's oldest brewery is the

426

00:16:54,310 --> 00:16:52,389

anyway i was walking in there

427

00:16:56,710 --> 00:16:54,320

and uh

428

00:16:59,509 --> 00:16:56,720

as soon as i got in the store a guy was

429

00:17:00,949 --> 00:16:59,519

passing me and we both took a double

430

00:17:04,870 --> 00:17:00,959

take at each other

431

00:17:07,029 --> 00:17:04,880

and we stopped and we both said at the

432

00:17:09,110 --> 00:17:07,039

same time i i know you

433

00:17:11,029 --> 00:17:09,120

and we couldn't figure out how the [h__h]

434

00:17:13,429 --> 00:17:11,039

we knew each other

435

00:17:15,990 --> 00:17:13,439

and we sat there for a good two or three

436

00:17:17,750 --> 00:17:16,000

minutes like hey do you hang out here do

437

00:17:20,069 --> 00:17:17,760

you hang out at this bar or whatever and

438

00:17:23,750 --> 00:17:20,079

we both could not figure it out the rest

439

00:17:28,710 --> 00:17:25,990

third stop

440

00:17:30,470 --> 00:17:28,720

the weirdest part was twice exactly like

441

00:17:32,549 --> 00:17:30,480

a co-worker that i was working with at

442

00:17:33,909 --> 00:17:32,559

the time so the next day when i was at

443

00:17:35,830 --> 00:17:33,919

work i asked

444

00:17:37,190 --> 00:17:35,840

my co-worker who looked similar to him i

445

00:17:38,870 --> 00:17:37,200

was like hey man do you have a brother

446

00:17:41,669 --> 00:17:38,880

like older brother or younger brother or

447

00:17:43,190 --> 00:17:41,679

anything nope no siblings

448

00:17:45,350 --> 00:17:43,200

that would explain why you found him to

449

00:17:48,549 --> 00:17:45,360

be like similar looking but why would he

450

00:17:50,470 --> 00:17:48,559

find you to look some similar that's the

451
00:17:52,230 --> 00:17:50,480
thing it you know

452
00:17:54,470 --> 00:17:52,240
and to i mean this was two or three

453
00:17:55,590 --> 00:17:54,480
years ago and i to this day i have no

454
00:17:56,470 --> 00:17:55,600
idea

455
00:17:59,270 --> 00:17:56,480
how

456
00:18:01,270 --> 00:17:59,280
and it's so weird because that story

457
00:18:03,750 --> 00:18:01,280
sticks out in my head

458
00:18:05,350 --> 00:18:03,760
because i have no clue how i knew him or

459
00:18:08,390 --> 00:18:05,360
how he knew me do you think you have

460
00:18:10,310 --> 00:18:08,400
some kind of unseen connection uh past

461
00:18:11,990 --> 00:18:10,320
life possibly life exactly what i was

462
00:18:13,590 --> 00:18:12,000
thinking i think this was a demonic

463
00:18:15,029 --> 00:18:13,600

doppelganger who was going to clunk you

464

00:18:17,590 --> 00:18:15,039

over the head and replace you and they

465

00:18:20,070 --> 00:18:17,600

got the wrong person

466

00:18:21,830 --> 00:18:20,080

well did you get his name

467

00:18:23,190 --> 00:18:21,840

no i didn't which is kind of michael

468

00:18:24,549 --> 00:18:23,200

jackson

469

00:18:26,150 --> 00:18:24,559

hey you never know

470

00:18:27,830 --> 00:18:26,160

when you have that kind of connection

471

00:18:29,830 --> 00:18:27,840

you got to exchange information just in

472

00:18:31,350 --> 00:18:29,840

case something comes down the pipe where

473

00:18:32,950 --> 00:18:31,360

i don't know there's weird things that

474

00:18:34,950 --> 00:18:32,960

happen in life

475

00:18:36,630 --> 00:18:34,960

it was definitely a weird one well i

476
00:18:38,070 --> 00:18:36,640
guess keep going back to that publix and

477
00:18:39,990 --> 00:18:38,080
keep buying beer and maybe you'll see

478
00:18:41,750 --> 00:18:40,000
them again hang out the beer on howard

479
00:18:43,669 --> 00:18:41,760
county so i'm not going back there all

480
00:18:45,270 --> 00:18:43,679
right man

481
00:18:47,190 --> 00:18:45,280
well thank you frostbite thank you for

482
00:18:49,510 --> 00:18:47,200
that creepy story

483
00:18:50,789 --> 00:18:49,520
yeah it's kind of weird right yeah

484
00:18:53,270 --> 00:18:50,799
all right guys

485
00:18:56,310 --> 00:18:53,280
get clapped yeah absolutely

486
00:18:57,909 --> 00:18:56,320
let's blow you up

487
00:18:59,750 --> 00:18:57,919
by the way i found a photo of elvis and

488
00:19:01,750 --> 00:18:59,760

witness protection so there you go let's

489

00:19:05,190 --> 00:19:01,760

bring it up on screen there he is

490

00:19:07,110 --> 00:19:05,200

he's wearing a black bag on his head

491

00:19:12,710 --> 00:19:07,120

yeah it'd be kind of tough to identify

492

00:19:12,720 --> 00:19:15,669

caller you're on the air

493

00:19:20,310 --> 00:19:18,310

have i been pronouncing biopic wrong all

494

00:19:22,150 --> 00:19:20,320

these years biopic i don't know what did

495

00:19:25,590 --> 00:19:22,160

i say

496

00:19:26,950 --> 00:19:25,600

i thought it was biopic oh biopic

497

00:19:30,549 --> 00:19:26,960

um

498

00:19:32,549 --> 00:19:30,559

oh boy i think he can run both ways

499

00:19:33,909 --> 00:19:32,559

i don't know i don't know

500

00:19:37,190 --> 00:19:33,919

i don't know what the correct way is

501
00:19:40,070 --> 00:19:38,870
hmm that's a good question

502
00:19:42,150 --> 00:19:40,080
[h__\h] i've never heard that

503
00:19:44,150 --> 00:19:42,160
before and now i feel like an idiot no

504
00:19:45,750 --> 00:19:44,160
no no no no go to merriam-webster and

505
00:19:47,990 --> 00:19:45,760
make it say it because mike you're

506
00:19:49,669 --> 00:19:48,000
totally you're it's it's like you're

507
00:19:50,830 --> 00:19:49,679
reading i find it hard to believe that i

508
00:19:53,750 --> 00:19:50,840
said something wrong

509
00:19:55,990 --> 00:19:53,760
joe you also said that michael jackson

510
00:19:59,270 --> 00:19:56,000
needed to escape the uh all the groin

511
00:20:00,310 --> 00:19:59,280
pressures of of life so yeah

512
00:20:01,430 --> 00:20:00,320
well that's what i wanted to call in

513
00:20:03,029 --> 00:20:01,440

about um

514

00:20:04,870 --> 00:20:03,039

you guys covered a story a long time ago

515

00:20:06,549 --> 00:20:04,880

about how a girl was dating the ghost of

516

00:20:08,070 --> 00:20:06,559

michael jackson to possess her body i'm

517

00:20:10,230 --> 00:20:08,080

wondering if that

518

00:20:12,070 --> 00:20:10,240

was before after he put his body into an

519

00:20:13,909 --> 00:20:12,080

android maybe like he had to like

520

00:20:15,510 --> 00:20:13,919

possess that baby's body

521

00:20:17,669 --> 00:20:15,520

and then went into the android or vice

522

00:20:19,909 --> 00:20:17,679

versa how'd that work uh yeah i don't

523

00:20:22,149 --> 00:20:19,919

know the specifics uh i only know the

524

00:20:24,390 --> 00:20:22,159

peripherals of the michael jackson is an

525

00:20:26,070 --> 00:20:24,400

android theory i will look more into

526

00:20:27,990 --> 00:20:26,080

that and i'll see if i can address your

527

00:20:30,470 --> 00:20:28,000

question

528

00:20:32,950 --> 00:20:30,480

okay and then the last thing i wanted to

529

00:20:34,789 --> 00:20:32,960

bring up was just uh it is my personal

530

00:20:36,470 --> 00:20:34,799

opinion and i think hotep

531

00:20:37,669 --> 00:20:36,480

i think hotep jesus has touched on this

532

00:20:39,029 --> 00:20:37,679

as well

533

00:20:41,350 --> 00:20:39,039

it seems like

534

00:20:43,830 --> 00:20:41,360

the push to overturn roe vs wade is more

535

00:20:45,190 --> 00:20:43,840

about uh getting rid of bodily autonomy

536

00:20:47,669 --> 00:20:45,200

at least even just getting rid of the

537

00:20:49,669 --> 00:20:47,679

argument so that people can't say my

538

00:20:51,029 --> 00:20:49,679

body my choice oh but not for vaccines

539

00:20:53,110 --> 00:20:51,039

if they can get rid of that federally

540

00:20:54,710 --> 00:20:53,120

then they can mandate vaccines federally

541

00:20:56,710 --> 00:20:54,720

uh because they've gotten rid of roe

542

00:20:59,110 --> 00:20:56,720

versus weight better thank you i can see

543

00:21:01,669 --> 00:20:59,120

it at an angle i like that take

544

00:21:02,870 --> 00:21:01,679

but then when the same thing i agree

545

00:21:04,230 --> 00:21:02,880

that would go back to the states the

546

00:21:05,110 --> 00:21:04,240

same way though each state could have

547

00:21:07,750 --> 00:21:05,120

its own

548

00:21:10,470 --> 00:21:07,760

don't say in it right

549

00:21:11,830 --> 00:21:10,480

yes so i guess the moral of that is get

550

00:21:14,070 --> 00:21:11,840

out of new york and california if you

551

00:21:16,230 --> 00:21:14,080

don't want to get forcefully injected

552

00:21:19,029 --> 00:21:16,240

but then it would come down to osha and

553

00:21:21,669 --> 00:21:19,039

osha regulations are federal and those

554

00:21:23,270 --> 00:21:21,679

can be mandated on companies

555

00:21:24,470 --> 00:21:23,280

so that and that i think yeah because

556

00:21:26,470 --> 00:21:24,480

they tried that two years ago and that's

557

00:21:28,789 --> 00:21:26,480

going to get overturned yeah okay hey

558

00:21:31,990 --> 00:21:28,799

look good angle i like it

559

00:21:33,270 --> 00:21:32,000

that's all i got blow me up you got it

560

00:21:34,549 --> 00:21:33,280

there's a couple of upcoming supreme

561

00:21:36,230 --> 00:21:34,559

court cases right now where they're

562

00:21:38,390 --> 00:21:36,240

they're talking about like the epa and

563

00:21:40,549 --> 00:21:38,400

things wielding executive power and

564

00:21:42,310 --> 00:21:40,559

that's not the the charter of those

565

00:21:44,310 --> 00:21:42,320

agencies and osha is the exact same way

566

00:21:45,669 --> 00:21:44,320

when osha comes out and says you have to

567

00:21:47,430 --> 00:21:45,679

do this it's one thing to say here's how

568

00:21:49,990 --> 00:21:47,440

to safely claim a ladder it's another

569

00:21:51,590 --> 00:21:50,000

thing forcing people to uh to to do

570

00:21:52,870 --> 00:21:51,600

medical procedures and i think that

571

00:21:55,510 --> 00:21:52,880

would get overturned once it eventually

572

00:21:57,430 --> 00:21:55,520

gets checked and isn't it funny that

573

00:22:00,070 --> 00:21:57,440

these these goddamn sinister

574

00:22:02,070 --> 00:22:00,080

[h__\h] it's like how can we use

575

00:22:05,990 --> 00:22:02,080

the regulatory bodies that we've

576

00:22:06,950 --> 00:22:06,000

established to not pass legislation

577

00:22:08,630 --> 00:22:06,960

yes

578

00:22:09,909 --> 00:22:08,640

how do we get around this the easiest

579

00:22:14,149 --> 00:22:09,919

way possible

580

00:22:19,350 --> 00:22:16,390

hey guys uh i tuned in a little late did

581

00:22:21,669 --> 00:22:19,360

you already just uh discuss the elvis

582

00:22:24,310 --> 00:22:21,679

video where his like face is melting

583

00:22:27,029 --> 00:22:24,320

elvis video where his face is melting no

584

00:22:28,870 --> 00:22:27,039

we did not discuss that

585

00:22:31,110 --> 00:22:28,880

oh you got to pull that up he's like

586

00:22:32,630 --> 00:22:31,120

signed an autograph for little kids

587

00:22:34,310 --> 00:22:32,640

and his face just looks like it's

588

00:22:36,070 --> 00:22:34,320

melting off and

589

00:22:37,830 --> 00:22:36,080

like his manager tries to like he keeps

590

00:22:39,510 --> 00:22:37,840

like patting his face with the tissue

591

00:22:41,909 --> 00:22:39,520

it's really weird are you saying that

592

00:22:44,070 --> 00:22:41,919

michael oh this is an android yeah well

593

00:22:44,870 --> 00:22:44,080

michael jackson had the face melt [h__h]

594

00:22:46,950 --> 00:22:44,880

yeah

595

00:22:47,750 --> 00:22:46,960

i've never seen the elvis face melt

596

00:22:50,230 --> 00:22:47,760

thing

597

00:22:52,789 --> 00:22:50,240

um he could have been on a lot of drugs

598

00:22:55,590 --> 00:22:52,799

and sweating profusely which is possible

599

00:22:57,750 --> 00:22:55,600

but uh let's see if maybe uh crazy could

600

00:22:59,830 --> 00:22:57,760

find elvis face milk but i'm not saying

601
00:23:01,669 --> 00:22:59,840
anything specifically about that so i'd

602
00:23:04,390 --> 00:23:01,679
like to see it i think you got to type

603
00:23:06,950 --> 00:23:04,400
in like elvis reptilian or something oh

604
00:23:08,789 --> 00:23:06,960
elvis reptile here's elvis reptilian

605
00:23:10,630 --> 00:23:08,799
shapeshifter caught on video let's try

606
00:23:13,590 --> 00:23:10,640
that one that's what we want that's 10

607
00:23:15,669 --> 00:23:13,600
minutes long you bastard

608
00:23:17,750 --> 00:23:15,679
no it's like 30 seconds dude yeah but

609
00:23:19,750 --> 00:23:17,760
this one's 10 minutes so somebody's

610
00:23:21,190 --> 00:23:19,760
doing a deep breakdown with spooky music

611
00:23:23,270 --> 00:23:21,200
oh it's one of those it's like those

612
00:23:25,510 --> 00:23:23,280
recipes where it's like oh grandmother

613
00:23:27,750 --> 00:23:25,520

used to she talked about the old world

614

00:23:30,390 --> 00:23:27,760

and you never get to the cookie recipe

615

00:23:32,950 --> 00:23:30,400

until you scrolled like 10 000 minutes

616

00:23:34,950 --> 00:23:32,960

you got to read the blog

617

00:23:37,270 --> 00:23:34,960

i haven't seen that one are you

618

00:23:39,190 --> 00:23:37,280

insinuating that uh elvis is a

619

00:23:42,710 --> 00:23:39,200

shape-shifting reptilian sent here to

620

00:23:48,149 --> 00:23:45,830

or just i wouldn't count it out okay

621

00:23:49,750 --> 00:23:48,159

that's fine

622

00:23:53,750 --> 00:23:49,760

okay i'll uh we'll take a look we'll see

623

00:23:57,269 --> 00:23:55,510

i wasn't aware of the reptilian

624

00:23:58,870 --> 00:23:57,279

connection to elvis so there's a lot of

625

00:24:00,149 --> 00:23:58,880

these videos or a lot of a lot of these

626
00:24:01,510 --> 00:24:00,159
videos but they they're like 10 minutes

627
00:24:04,310 --> 00:24:01,520
long so i did find the one he's talking

628
00:24:05,669 --> 00:24:04,320
about uh god i don't know if you could

629
00:24:07,669 --> 00:24:05,679
make a lower res video if you wanted so

630
00:24:09,830 --> 00:24:07,679
this is early video tape

631
00:24:11,830 --> 00:24:09,840
from the early 70s it looks terrible

632
00:24:13,909 --> 00:24:11,840
i'll give you a link though

633
00:24:16,710 --> 00:24:13,919
and then it gets recompressed when it

634
00:24:18,070 --> 00:24:16,720
gets uploaded and there's there's a

635
00:24:19,830 --> 00:24:18,080
bunch of things that can happen with

636
00:24:21,510 --> 00:24:19,840
that so

637
00:24:23,510 --> 00:24:21,520
yeah and kill the sound on this because

638
00:24:25,750 --> 00:24:23,520

it's just something yeah and skip to

639

00:24:27,990 --> 00:24:25,760

about i don't know about a minute in

640

00:24:30,070 --> 00:24:28,000

it's about a minute okay yeah so here's

641

00:24:32,070 --> 00:24:30,080

elvis on screen

642

00:24:34,070 --> 00:24:32,080

and he's hanging out with a kid there's

643

00:24:35,430 --> 00:24:34,080

a guy with a coat next to him they're

644

00:24:37,430 --> 00:24:35,440

talking to him

645

00:24:40,230 --> 00:24:37,440

and elvis is looking down at the kid

646

00:24:42,630 --> 00:24:40,240

he's wearing his full jumpsuit

647

00:24:45,110 --> 00:24:42,640

and he's shaking the hand of another man

648

00:24:46,390 --> 00:24:45,120

for some reason he likes to shake hands

649

00:24:47,669 --> 00:24:46,400

at two minutes in you can see the guy

650

00:24:49,110 --> 00:24:47,679

come in and dab his face but he's just

651
00:24:51,909 --> 00:24:49,120
applying makeup

652
00:24:53,669 --> 00:24:51,919
and uh elves does look very rotund he's

653
00:24:56,390 --> 00:24:53,679
got he looks very [ʌ__ʌ] looks very

654
00:24:58,310 --> 00:24:56,400
hungry and he grabs a

655
00:24:59,669 --> 00:24:58,320
a plaque from somebody i think he's

656
00:25:00,630 --> 00:24:59,679
looking down at it wondering if he can

657
00:25:03,510 --> 00:25:00,640
eat it

658
00:25:04,710 --> 00:25:03,520
um then he's like should i eat this or

659
00:25:06,310 --> 00:25:04,720
should i eat the little kid because i'm

660
00:25:08,310 --> 00:25:06,320
extremely hungry right now

661
00:25:09,830 --> 00:25:08,320
and then you're right around the

662
00:25:10,870 --> 00:25:09,840
two-minute mark

663
00:25:13,590 --> 00:25:10,880

um

664

00:25:14,870 --> 00:25:13,600

someone comes over dabs elvis's

665

00:25:17,430 --> 00:25:14,880

head yeah and it looks like they're

666

00:25:19,669 --> 00:25:17,440

dabbing sweat off of them i'm not seeing

667

00:25:22,710 --> 00:25:19,679

the reptilian shape shifted and this is

668

00:25:25,510 --> 00:25:22,720

this ultra compressed video yeah

669

00:25:28,230 --> 00:25:25,520

and i can't even tell if those those

670

00:25:29,430 --> 00:25:28,240

lines those film lines over top are like

671

00:25:31,190 --> 00:25:29,440

filters

672

00:25:32,789 --> 00:25:31,200

put in there by after effects or some

673

00:25:34,390 --> 00:25:32,799

other kind of stuff like that it's tough

674

00:25:35,430 --> 00:25:34,400

to know

675

00:25:37,909 --> 00:25:35,440

um

676
00:25:39,590 --> 00:25:37,919
i like the idea

677
00:25:43,590 --> 00:25:39,600
but it's

678
00:25:46,870 --> 00:25:45,590
i want to believe but why would

679
00:25:50,230 --> 00:25:46,880
reptilian have to go into witness

680
00:25:54,390 --> 00:25:52,070
why not just go moving with robot

681
00:25:55,669 --> 00:25:54,400
michael jackson and hitler i guess so

682
00:25:57,669 --> 00:25:55,679
[Music]

683
00:25:59,830 --> 00:25:57,679
three's company right

684
00:26:01,909 --> 00:25:59,840
i'm a knock on my door yes three's

685
00:26:04,630 --> 00:26:01,919
company

686
00:26:06,549 --> 00:26:04,640
[Music]

687
00:26:08,149 --> 00:26:06,559
there we go there's my three company uh

688
00:26:10,149 --> 00:26:08,159

transition you have to say it three

689

00:26:13,029 --> 00:26:10,159

times before it plays yes it's kind of

690

00:26:16,149 --> 00:26:14,710

well by the way beetlejuice that reminds

691

00:26:17,350 --> 00:26:16,159

me beetlejuice i think is gonna become a

692

00:26:18,710 --> 00:26:17,360

real thing i think within the next six

693

00:26:21,830 --> 00:26:18,720

months we're gonna hear about

694

00:26:23,830 --> 00:26:21,840

insect juices just like you have um

695

00:26:26,950 --> 00:26:23,840

uh almond milk and oat milk that soon

696

00:26:30,549 --> 00:26:26,960

it'll be beetlejuice beetlejuice yes of

697

00:26:33,350 --> 00:26:30,559

course yeah beetlegeese

698

00:26:36,870 --> 00:26:33,360

that's the correct pronunciation of it

699

00:26:38,310 --> 00:26:36,880

can i have some beetle geese please

700

00:26:40,390 --> 00:26:38,320

go down to your kroger's and ask for

701

00:26:42,149 --> 00:26:40,400

beetle geese very

702

00:26:43,510 --> 00:26:42,159

confusing

703

00:26:45,190 --> 00:26:43,520

well we're going to move over and do

704

00:26:45,700 --> 00:26:45,200

some uh stories and see what crotch

705

00:26:49,510 --> 00:26:45,710

has

706

00:26:53,590 --> 00:26:51,669

these transitions are confusing they are

707

00:26:55,510 --> 00:26:53,600

they're they're my three company

708

00:26:56,390 --> 00:26:55,520

transitions i don't often use them uh

709

00:26:58,230 --> 00:26:56,400

maybe

710

00:27:05,190 --> 00:26:58,240

i'll do something a little different

711

00:27:09,110 --> 00:27:07,190

okay there we go from the 90s that's my

712

00:27:09,750 --> 00:27:09,120

friends transitions i got like seven of

713

00:27:11,590 --> 00:27:09,760

them

714

00:27:14,230 --> 00:27:11,600

all right um

715

00:27:15,830 --> 00:27:14,240

what if that's a job in hollywood yeah

716

00:27:17,909 --> 00:27:15,840

i'm a transition artist

717

00:27:19,510 --> 00:27:17,919

maybe because um

718

00:27:22,389 --> 00:27:19,520

they have to have original music to

719

00:27:23,990 --> 00:27:22,399

transition from segment to segment and

720

00:27:26,070 --> 00:27:24,000

so they probably hire band to do that

721

00:27:27,990 --> 00:27:26,080

probably pretty good gig

722

00:27:29,590 --> 00:27:28,000

probably higher hooting the blowfish but

723

00:27:31,190 --> 00:27:29,600

i believe that's what darius rucker's

724

00:27:33,029 --> 00:27:31,200

been doing they couldn't get them so

725

00:27:35,190 --> 00:27:33,039

they probably hired the original brand

726

00:27:37,269 --> 00:27:35,200

who uh band who did the theme music for

727

00:27:40,149 --> 00:27:37,279

friends the rembrandts

728

00:27:42,470 --> 00:27:40,159

and uh that was a good gig friends was

729

00:27:46,630 --> 00:27:42,480

on the air for 10 years give us an email
