1  
00:00:00,270 --> 00:00:06,950  
[Applause]

2  
00:00:12,070 --> 00:00:09,430  
well for this one church of england uh

3  
00:00:15,669 --> 00:00:12,080  
clergy not permitted to perform baptism

4  
00:00:17,590 --> 00:00:15,679  
while wearing only underpants tribunal

5  
00:00:19,109 --> 00:00:17,600  
has ruled that's some good news on that

6  
00:00:21,189 --> 00:00:19,119  
front i had to have a whole tribunal on

7  
00:00:23,990 --> 00:00:21,199  
this i guess there were there must have

8  
00:00:26,150 --> 00:00:24,000  
been a slew of clergy showing up only in

9  
00:00:27,750 --> 00:00:26,160  
their underwear well i would just say

10  
00:00:29,830 --> 00:00:27,760  
i'm not allowed to

11  
00:00:31,750 --> 00:00:29,840  
because if it was just one guy this they

12  
00:00:34,229 --> 00:00:31,760  
would have said don't do that what

13  
00:00:36,150 --> 00:00:34,239

happened is probably bob did it first

14

00:00:37,350 --> 00:00:36,160

and then all the rest of them saw bob do

15

00:00:38,709 --> 00:00:37,360

it and it's like well bob's going to

16

00:00:40,470 --> 00:00:38,719

come in his underwear why do i got to

17

00:00:44,950 --> 00:00:40,480

wear robes and then they had a whole

18

00:00:47,110 --> 00:00:44,960

truck just show up my skivvies

19

00:00:50,150 --> 00:00:47,120

performing baptism while dressed

20

00:00:52,549 --> 00:00:50,160

solely in one's underpants while also

21

00:00:56,549 --> 00:00:52,559

pinching the bottoms of a female

22

00:00:59,430 --> 00:00:56,559

parishioner is conduct unbecoming for

23

00:01:02,150 --> 00:00:59,440

the clerk in holy orders uh disciplinary

24

00:01:04,869 --> 00:01:02,160

tribunal of the diocese

25

00:01:06,710 --> 00:01:04,879

ruled this week reverend clive roger

26

00:01:09,990 --> 00:01:06,720

evans 62

27

00:01:12,710 --> 00:01:10,000

of saint peter's uh brom yard

28

00:01:14,070 --> 00:01:12,720

uh was suspended from office for six

29

00:01:15,310 --> 00:01:14,080

months

30

00:01:18,230 --> 00:01:15,320

for the

31

00:01:21,030 --> 00:01:18,240

2017 incident so this

32

00:01:30,069 --> 00:01:22,950

it's been five years

33

00:01:33,109 --> 00:01:31,429

decide on this one

34

00:01:35,350 --> 00:01:33,119

they needed we they they couldn't

35

00:01:36,789 --> 00:01:35,360

assemble enough people for the tribunal

36

00:01:39,350 --> 00:01:36,799

they had to wait

37

00:01:41,429 --> 00:01:39,360

uh mr evans stated that he had been

38

00:01:45,830 --> 00:01:41,439

asked at the last minute to perform a

39

00:01:47,910 --> 00:01:45,840

full immersion baptism in 2017

40

00:01:48,710 --> 00:01:47,920

he uh demured

41

00:01:57,990 --> 00:01:48,720

he

42

00:02:00,069 --> 00:01:58,000

holiday with his wife however his

43

00:02:02,310 --> 00:02:00,079

parishioners said their request was

44

00:02:05,030 --> 00:02:02,320

urgent and he agreed to stop off with

45

00:02:08,389 --> 00:02:05,040

his wife on their way to a holiday

46

00:02:11,670 --> 00:02:08,399

destination to perform the ceremony

47

00:02:13,990 --> 00:02:11,680

to perform in full immersion baptism mr

48

00:02:16,790 --> 00:02:14,000

evans stripped to his shorts

49

00:02:19,110 --> 00:02:16,800

and it was claimed inappropriately in

50

00:02:20,309 --> 00:02:19,120

the claim he was inappropriately

51  
00:02:24,070 --> 00:02:20,319  
touched

52  
00:02:25,830 --> 00:02:24,080  
uh two women during this service

53  
00:02:29,270 --> 00:02:25,840  
so he stripped down

54  
00:02:31,509 --> 00:02:29,280  
and then he touched uh two women okay i

55  
00:02:33,190 --> 00:02:31,519  
guess he figured

56  
00:02:34,949 --> 00:02:33,200  
he in for a penny in for a pound he's

57  
00:02:36,470 --> 00:02:34,959  
like if i'm already i'm already like in

58  
00:02:39,030 --> 00:02:36,480  
my skivvies getting in the water with

59  
00:02:47,509 --> 00:02:39,040  
this kid let's start grabbing some ass

60  
00:02:51,990 --> 00:02:49,270  
well that's like it's like half a page

61  
00:02:53,030 --> 00:02:52,000  
every month you know they had five years

62  
00:02:54,470 --> 00:02:53,040  
they could have fit everything on a

63  
00:02:56,710 --> 00:02:54,480

post-it note

64

00:02:58,790 --> 00:02:56,720

uh the 30-page really noted that while

65

00:03:01,350 --> 00:02:58,800

the request to perform the baptism was

66

00:03:03,589 --> 00:03:01,360

urgent there was

67

00:03:05,430 --> 00:03:03,599

nonetheless ample opportunity to bring

68

00:03:08,630 --> 00:03:05,440

with them an appropriate change of

69

00:03:11,589 --> 00:03:08,640

clothing there was no extreme urgency in

70

00:03:15,190 --> 00:03:11,599

which might be it might be conceivable

71

00:03:18,229 --> 00:03:15,200

uh to justify the state of semi

72

00:03:18,239 --> 00:03:22,869

there's no excuse oh really

73

00:03:28,309 --> 00:03:26,309

uh disciplinary panel held uh

74

00:03:29,110 --> 00:03:28,319

held underwear to be

75

00:03:31,750 --> 00:03:29,120

uh

76

00:03:34,149 --> 00:03:31,760

intimate apparel and was

77

00:03:37,110 --> 00:03:34,159

qualitatively different to

78

00:03:39,110 --> 00:03:37,120

and has different associations from

79

00:03:41,910 --> 00:03:39,120

other forms of clothing

80

00:03:42,949 --> 00:03:41,920

or even of swimwear oh they spent five

81

00:03:44,789 --> 00:03:42,959

years

82

00:03:47,110 --> 00:03:44,799

telling us that underwear is different

83

00:03:50,470 --> 00:03:47,120

than all other undergarments in pieces

84

00:03:54,550 --> 00:03:52,710

as such there's a loss of dignity by

85

00:03:57,750 --> 00:03:54,560

stripping down to underwear in the

86

00:04:00,390 --> 00:03:57,760

circumstances in which it occurred which

87

00:04:02,550 --> 00:04:00,400

is inherently inappropriate in un

88

00:04:06,949 --> 00:04:02,560

becoming

89

00:04:09,110 --> 00:04:08,149

all right

90

00:04:10,949 --> 00:04:09,120

maybe you know i was thinking about it

91

00:04:13,190 --> 00:04:10,959

maybe they had to rule on this at this

92

00:04:15,270 --> 00:04:13,200

level so other guys don't other priests

93

00:04:16,789 --> 00:04:15,280

don't do it yeah they

94

00:04:18,469 --> 00:04:16,799

because if they got away with it they'd

95

00:04:20,629 --> 00:04:18,479

be like well [\h\_\_\h]

96

00:04:24,070 --> 00:04:20,639

if he can do that i'm coming with my

97

00:04:29,590 --> 00:04:25,909

i got a cross i got my banana hammock i

98

00:04:31,670 --> 00:04:29,600

got some oakley's on i'm a cool priest

99

00:04:34,950 --> 00:04:31,680

i'm just hanging out the pool telling

100

00:04:39,430 --> 00:04:36,710

i'm torn whether i want to do image

101  
00:04:42,950 --> 00:04:41,430  
jesus in a banana hammock well i wasn't

102  
00:04:44,230 --> 00:04:42,960  
i was gonna do that to the priest but i

103  
00:04:47,830 --> 00:04:44,240  
don't think i want to search for that

104  
00:04:51,430 --> 00:04:49,430  
um

105  
00:04:54,310 --> 00:04:51,440  
anyone with any concerns relating to

106  
00:04:55,510 --> 00:04:54,320  
this case or any other safeguarding

107  
00:04:57,749 --> 00:04:55,520  
matter

108  
00:05:01,029 --> 00:04:57,759  
is encouraged to get in touch directly

109  
00:05:03,270 --> 00:05:01,039  
with one of our safeguarding advertised

110  
00:05:04,870 --> 00:05:03,280  
advisors safeguarding advertisers who

111  
00:05:07,350 --> 00:05:04,880  
will offer

112  
00:05:10,870 --> 00:05:07,360  
confidential support and advice

113  
00:05:12,390 --> 00:05:10,880

or to speak with someone else they trust

114

00:05:13,590 --> 00:05:12,400

all right i found this image this will

115

00:05:15,430 --> 00:05:13,600

have to do it's all the farther i'm

116

00:05:16,790 --> 00:05:15,440

going

117

00:05:18,150 --> 00:05:16,800

that's pretty close some guy wearing a

118

00:05:20,070 --> 00:05:18,160

cross

119

00:05:21,270 --> 00:05:20,080

a banana hammock

120

00:05:23,189 --> 00:05:21,280

and

121

00:05:25,909 --> 00:05:23,199

he looks great he's ready to baptize all

122

00:05:29,350 --> 00:05:25,919

those guys look at him oh look at that

123

00:05:31,029 --> 00:05:29,360

face he looks like ron jeremy

124

00:05:32,469 --> 00:05:31,039

he does and his body looks like ron

125

00:05:33,749 --> 00:05:32,479

jeremy too

126

00:05:36,150 --> 00:05:33,759

a little little more hair on them and no

127

00:05:38,070 --> 00:05:36,160

shirt needed

128

00:05:39,430 --> 00:05:38,080

that's painful to look at what's known

129

00:05:40,390 --> 00:05:39,440

as a hair shirt but that's different

130

00:05:42,070 --> 00:05:40,400

yeah

131

00:05:43,990 --> 00:05:42,080

so this is they were trying to come up

132

00:05:45,110 --> 00:05:44,000

with a more friendly name for the ithaca

133

00:05:45,990 --> 00:05:45,120

police force

134

00:05:48,790 --> 00:05:46,000

uh

135

00:05:51,590 --> 00:05:48,800

headline safety make safe face they

136

00:05:53,189 --> 00:05:51,600

rejected suggestions for naming ithaca's

137

00:05:54,629 --> 00:05:53,199

police force

138

00:05:56,550 --> 00:05:54,639

okay to make it a little bit more

139

00:05:58,070 --> 00:05:56,560

friendly to the public

140

00:06:00,550 --> 00:05:58,080

uh what was wrong with their current

141

00:06:02,070 --> 00:06:00,560

name ithaca police was what's unfriendly

142

00:06:03,749 --> 00:06:02,080

about that is that representing the i

143

00:06:06,230 --> 00:06:03,759

think a shotgun which is a classic

144

00:06:07,990 --> 00:06:06,240

shotgun probably just the name if or

145

00:06:09,510 --> 00:06:08,000

damn it the name police is probably

146

00:06:11,029 --> 00:06:09,520

triggering to some people

147

00:06:12,710 --> 00:06:11,039

oh i see

148

00:06:15,270 --> 00:06:12,720

uh the restructured ithaca police

149

00:06:17,430 --> 00:06:15,280

department plan has come under quite a

150

00:06:19,110 --> 00:06:17,440

bit of scrutiny from various angles over

151  
00:06:20,550 --> 00:06:19,120  
the last several months

152  
00:06:22,710 --> 00:06:20,560  
and ithaca

153  
00:06:24,870 --> 00:06:22,720  
and at the cans have expressed a wide

154  
00:06:28,309 --> 00:06:24,880  
range of opinions on the plan that would

155  
00:06:30,469 --> 00:06:28,319  
add five un armed community solution

156  
00:06:32,469 --> 00:06:30,479  
workers to the new department alongside

157  
00:06:34,710 --> 00:06:32,479  
the existing ithaca police department

158  
00:06:36,950 --> 00:06:34,720  
and create an overreaching department of

159  
00:06:38,629 --> 00:06:36,960  
community safety sounds like a solid

160  
00:06:40,790 --> 00:06:38,639  
plan guys

161  
00:06:42,950 --> 00:06:40,800  
uh let's add another layer bureaucracy

162  
00:06:45,590 --> 00:06:42,960  
on everything that's what you want

163  
00:06:47,270 --> 00:06:45,600

one particular direct way for them to

164

00:06:49,430 --> 00:06:47,280

show their feelings toward the

165

00:06:52,629 --> 00:06:49,440

department came when a plan to

166

00:06:53,909 --> 00:06:52,639

uh plan was unveiled to those working on

167

00:06:56,230 --> 00:06:53,919

the

168

00:06:58,390 --> 00:06:56,240

reimagining public safety process as for

169

00:07:01,270 --> 00:06:58,400

the community suggestions for naming the

170

00:07:04,150 --> 00:07:01,280

new department the city of ithaca has

171

00:07:06,870 --> 00:07:04,160

made all 30 suggestions available to the

172

00:07:09,270 --> 00:07:06,880

ithaca voice via via a freedom of

173

00:07:10,309 --> 00:07:09,280

information law request

174

00:07:12,070 --> 00:07:10,319

i didn't know you could do that at the

175

00:07:13,270 --> 00:07:12,080

local level

176

00:07:14,710 --> 00:07:13,280

okay you can do a lot of things at the

177

00:07:17,189 --> 00:07:14,720

local level that people just won't do

178

00:07:19,430 --> 00:07:17,199

but yeah why not you can do f and you

179

00:07:20,870 --> 00:07:19,440

can do foils virtually everywhere i'm

180

00:07:23,029 --> 00:07:20,880

pretty sure yeah you can you could ask

181

00:07:24,950 --> 00:07:23,039

how much your your local mayor you know

182

00:07:26,870 --> 00:07:24,960

makes in salary i mean that's it's all

183

00:07:29,110 --> 00:07:26,880

public

184

00:07:31,350 --> 00:07:29,120

um so here are some of the suggestions

185

00:07:32,390 --> 00:07:31,360

uh department of comm of community

186

00:07:34,950 --> 00:07:32,400

safety

187

00:07:39,350 --> 00:07:34,960

that's kind of boring

188

00:07:47,990 --> 00:07:40,150

uh

189

00:07:51,270 --> 00:07:48,000

then there's the fourth one down is

190

00:07:55,909 --> 00:07:52,869

it sounds like someone was just trying

191

00:07:57,909 --> 00:07:55,919

to input something into a a form online

192

00:07:59,670 --> 00:07:57,919

and so they put test idea and that went

193

00:08:05,029 --> 00:07:59,680

through

194

00:08:11,350 --> 00:08:08,390

okay let's name it let's name it that

195

00:08:13,909 --> 00:08:11,360

um the other one is use the resources

196

00:08:17,430 --> 00:08:15,589

okay it's more of a suggestion than a

197

00:08:18,469 --> 00:08:17,440

name i suppose

198

00:08:20,950 --> 00:08:18,479

um

199

00:08:22,150 --> 00:08:20,960

title ideas of new department for public

200

00:08:24,150 --> 00:08:22,160

safety

201  
00:08:27,510 --> 00:08:24,160  
okay the next one had a list there and

202  
00:08:29,830 --> 00:08:27,520  
they basically only sent this first line

203  
00:08:32,709 --> 00:08:29,840  
and the next one is antifa

204  
00:08:35,110 --> 00:08:32,719  
giving me a knobber okay

205  
00:08:36,310 --> 00:08:35,120  
um then ithaca police department it

206  
00:08:37,990 --> 00:08:36,320  
sounds like the police wrote that own

207  
00:08:41,990 --> 00:08:38,000  
suggestion in there just call it that

208  
00:08:44,149 --> 00:08:42,000  
just call it the same thing um

209  
00:08:48,450 --> 00:08:44,159  
the next one is

210  
00:08:50,790 --> 00:08:48,460  
venti's bong rip ceventi's bong rip okay

211  
00:08:53,509 --> 00:08:50,800  
[Applause]

212  
00:08:56,070 --> 00:08:53,519  
uh the next one is okay corral

213  
00:08:59,269 --> 00:08:56,080

uh safety mcsay face

214

00:09:02,470 --> 00:08:59,279

crime spree observers

215

00:09:04,150 --> 00:09:02,480

name of department ithaca psd

216

00:09:05,670 --> 00:09:04,160

oasis

217

00:09:08,509 --> 00:09:05,680

uh ithaca police department that's been

218

00:09:10,070 --> 00:09:08,519

in there a few times the name

219

00:09:12,310 --> 00:09:10,080

cheerios

220

00:09:15,430 --> 00:09:12,320

she rose shiro's i don't know what that

221

00:09:18,150 --> 00:09:15,440

means compromise

222

00:09:20,550 --> 00:09:18,160

community center safety program uh new

223

00:09:22,550 --> 00:09:20,560

department name title and name of new

224

00:09:23,910 --> 00:09:22,560

department so it sounds like it sounds

225

00:09:25,190 --> 00:09:23,920

like name a new department as they they

226

00:09:26,630 --> 00:09:25,200

actually yeah they see them drive by and

227

00:09:28,389 --> 00:09:26,640

then black and white cars it says name

228

00:09:30,630 --> 00:09:28,399

of new department i think that's the

229

00:09:33,190 --> 00:09:30,640

actual winner here

230

00:09:36,389 --> 00:09:33,200

i like non-street observers yeah it's

231

00:09:40,230 --> 00:09:38,389

so which one won which is the winner

232

00:09:41,990 --> 00:09:40,240

here i don't know uh what did they call

233

00:09:46,389 --> 00:09:42,000

it here let's see

234

00:09:47,829 --> 00:09:46,399

um reimagine public safety program

235

00:09:52,150 --> 00:09:47,839

i suspect this is gonna be called the

236

00:09:53,910 --> 00:09:52,160

ithaca police department yeah i probably

237

00:09:55,590 --> 00:09:53,920

well at least they had an open forum for

238

00:09:57,829 --> 00:09:55,600

suggestions

239

00:09:59,990 --> 00:09:57,839  
that's the most 30 so hey that's

240

00:10:01,269 --> 00:10:00,000  
community support right there

241

00:10:04,870 --> 00:10:01,279  
it's important

242

00:10:06,389 --> 00:10:04,880  
process it is interesting if you look at

243

00:10:08,550 --> 00:10:06,399  
the photo at the top

244

00:10:10,389 --> 00:10:08,560  
of the of one of their police cars yeah

245

00:10:11,910 --> 00:10:10,399  
and the badge says police department

246

00:10:13,590 --> 00:10:11,920  
ithaca new york so that's their their

247

00:10:15,910 --> 00:10:13,600  
their title but then on the on the door

248

00:10:18,630 --> 00:10:15,920  
she's written ithaca police yes so what

249

00:10:20,550 --> 00:10:18,640  
the heck's their actual name it's it

250

00:10:21,670 --> 00:10:20,560  
certainly isn't consistent yeah get it

251

00:10:23,750 --> 00:10:21,680

right people

252

00:10:25,990 --> 00:10:23,760

[Music]

253

00:10:27,430 --> 00:10:26,000

all right well uh we'll be following up

254

00:10:28,710 --> 00:10:27,440

on this soon i'm sure

255

00:10:30,949 --> 00:10:28,720

we'll track this one

256

00:10:33,670 --> 00:10:30,959

all right i'll say another one um

257

00:10:36,470 --> 00:10:33,680

uh man contracted a new antibiotic

258

00:10:39,030 --> 00:10:36,480

resistant strain of super gonorrhea oh

259

00:10:40,949 --> 00:10:39,040

wow holy sex workers oh geez man i got

260

00:10:43,509 --> 00:10:40,959

mixed emotions about this one

261

00:10:47,190 --> 00:10:43,519

um illinois is gonna rebrand

262

00:10:49,750 --> 00:10:47,200

asian carp to try to sell more of them

263

00:10:51,350 --> 00:10:49,760

rebrand asian carp is this asian carp

264

00:10:53,590 --> 00:10:51,360

have like a bad

265

00:10:55,750 --> 00:10:53,600

uh condensation is it uh

266

00:10:58,870 --> 00:10:55,760

invasive species does this not taste

267

00:11:01,030 --> 00:10:58,880

good no they just get college entry

268

00:11:03,110 --> 00:11:01,040

easier or actually they get it denied

269

00:11:04,389 --> 00:11:03,120

because they're smarter yeah they score

270

00:11:05,910 --> 00:11:04,399

better on tests

271

00:11:07,430 --> 00:11:05,920

um

272

00:11:10,389 --> 00:11:07,440

i'll spoil that one the name they came

273

00:11:13,350 --> 00:11:10,399

up with is uh copy which sounds terrible

274

00:11:15,190 --> 00:11:13,360

copy yeah

275

00:11:16,310 --> 00:11:15,200

wait you know i do like to cross the

276

00:11:17,110 --> 00:11:16,320

streams

277

00:11:19,590 --> 00:11:17,120

yes

278

00:11:20,870 --> 00:11:19,600

copying that's right to share a stall

279

00:11:22,389 --> 00:11:20,880

um

280

00:11:24,870 --> 00:11:22,399

let's see we did we did bring up the one

281

00:11:26,470 --> 00:11:24,880

about the monkey pox uh or the the new

282

00:11:28,389 --> 00:11:26,480

guidelines from cdc on having sex with

283

00:11:29,990 --> 00:11:28,399

monkey pox we we talked about but we

284

00:11:32,150 --> 00:11:30,000

never got into detail we talked about

285

00:11:34,389 --> 00:11:32,160

the headline but we need to know how to

286

00:11:35,990 --> 00:11:34,399

safely do this

287

00:11:38,470 --> 00:11:36,000

all right i'll get this in here this is

288

00:11:40,150 --> 00:11:38,480

very relevant this is some safety tips

289

00:11:41,829 --> 00:11:40,160

that people need to know if they chew to

290

00:11:43,910 --> 00:11:41,839

have choose to have relations with

291

00:11:46,230 --> 00:11:43,920

another creature

292

00:11:48,790 --> 00:11:46,240

well you need to chew to have relations

293

00:11:50,310 --> 00:11:48,800

with other creatures you just bite them

294

00:11:52,949 --> 00:11:50,320

chewing on them

295

00:11:55,269 --> 00:11:52,959

how far can this go

296

00:11:58,389 --> 00:11:55,279

well we'll find out here monkey pox

297

00:12:01,350 --> 00:11:58,399

outbreaks prompts new cdc guidelines for

298

00:12:02,389 --> 00:12:01,360

safer sex that's good news

299

00:12:04,470 --> 00:12:02,399

yes

300

00:12:05,509 --> 00:12:04,480

if you weren't terrified enough

301

00:12:06,629 --> 00:12:05,519

well

302

00:12:08,870 --> 00:12:06,639

maybe this will put some things in

303

00:12:10,550 --> 00:12:08,880

perspective here this uh hey a health

304

00:12:12,550 --> 00:12:10,560

agency you have sex

305

00:12:14,710 --> 00:12:12,560

yes of course we do

306

00:12:17,269 --> 00:12:14,720

a health agency in the united states

307

00:12:20,470 --> 00:12:17,279

just uh shared new guidelines and how

308

00:12:22,310 --> 00:12:20,480

people can have safer sex amidst the

309

00:12:24,389 --> 00:12:22,320

monkey pox outbreak but they're keep

310

00:12:26,870 --> 00:12:24,399

using monkey pox and that's not the new

311

00:12:29,990 --> 00:12:26,880

term and didn't they read it's called

312

00:12:32,870 --> 00:12:31,670

it also gets confused with the new car

313

00:12:34,710 --> 00:12:32,880

from mazda

314

00:12:36,829 --> 00:12:34,720

you know there's like some illuminati

315

00:12:39,110 --> 00:12:36,839

code for hmpx

316

00:12:43,590 --> 00:12:39,120

maybe it's like

317

00:12:47,990 --> 00:12:45,590

in a document called social gatherings

318

00:12:50,069 --> 00:12:48,000

safer sex and monkey pox the u.s center

319

00:12:52,470 --> 00:12:50,079

for disease control shared information

320

00:12:53,509 --> 00:12:52,480

to help people make informed decisions

321

00:12:56,230 --> 00:12:53,519

on

322

00:12:59,350 --> 00:12:56,240

as the country has more than

323

00:13:02,069 --> 00:12:59,360

100 cases of monkey box this disease

324

00:13:04,389 --> 00:13:02,079

can make you sick with flu-like illness

325

00:13:06,389 --> 00:13:04,399

and can include a rash that looks like

326

00:13:08,629 --> 00:13:06,399

pimples or blisters

327

00:13:09,590 --> 00:13:08,639

monkey pox can spread to anyone through

328

00:13:12,069 --> 00:13:09,600

close

329

00:13:14,230 --> 00:13:12,079

personal often skin-to-skin contacts at

330

00:13:17,269 --> 00:13:14,240

the cdc which believes that direct

331

00:13:19,350 --> 00:13:17,279

contact with rashes sores or scabs from

332

00:13:22,629 --> 00:13:19,360

a person with monkey pox is how it's

333

00:13:24,629 --> 00:13:22,639

primarily spread in the u.s

334

00:13:26,790 --> 00:13:24,639

well what about other countries how is

335

00:13:28,870 --> 00:13:26,800

it primarily spread in other countries

336

00:13:31,350 --> 00:13:28,880

i mean we're going to be talking about

337

00:13:33,670 --> 00:13:31,360

pox renaming i think we should do it

338

00:13:35,430 --> 00:13:33,680

after pokemon it should be like squirtle

339

00:13:39,269 --> 00:13:35,440

box i like it

340

00:13:42,230 --> 00:13:39,279

yes yeah make it fun in in in cutie

341

00:13:43,189 --> 00:13:42,240

tmnt pucks so what is okay so how do we

342

00:13:44,389 --> 00:13:43,199

do this

343

00:13:46,389 --> 00:13:44,399

um

344

00:13:48,470 --> 00:13:46,399

i'm look i'm looking to do this so how

345

00:13:49,750 --> 00:13:48,480

we how do we scroll down it says

346

00:13:52,069 --> 00:13:49,760

there's a list of like eight things

347

00:13:54,550 --> 00:13:52,079

towards the bottom well like this

348

00:13:56,949 --> 00:13:54,560

uh how monkey pox is spread during sex

349

00:13:59,750 --> 00:13:56,959

contact can also happen when you're

350

00:14:03,829 --> 00:13:59,760

having sex at the cdc including

351  
00:14:06,310 --> 00:14:03,839  
uh oral anal and vaginal sex or touching

352  
00:14:08,150 --> 00:14:06,320  
the genitals penis testicles labia and

353  
00:14:10,870 --> 00:14:08,160  
vagina or anus

354  
00:14:12,949 --> 00:14:10,880  
we'll have one of each okay and then uh

355  
00:14:14,470 --> 00:14:12,959  
a gin and soda

356  
00:14:17,189 --> 00:14:14,480  
so you can go

357  
00:14:18,870 --> 00:14:17,199  
penis to penis that's the badge you can

358  
00:14:21,110 --> 00:14:18,880  
also go butt the butt so you got to be

359  
00:14:23,269 --> 00:14:21,120  
careful i don't need permission from you

360  
00:14:25,350 --> 00:14:23,279  
i do like how parenthetically they have

361  
00:14:27,509 --> 00:14:25,360  
to explain both what genitals are and

362  
00:14:30,389 --> 00:14:27,519  
what the anus is yes it is

363  
00:14:32,470 --> 00:14:30,399

anus parenthetical butt

364

00:14:34,710 --> 00:14:32,480

also uh you got to watch out for hugging

365

00:14:37,829 --> 00:14:34,720

massaging and kissing

366

00:14:40,150 --> 00:14:37,839

uh touching fabrics or objects during

367

00:14:42,470 --> 00:14:40,160

sex that were used by a person with

368

00:14:45,030 --> 00:14:42,480

monkey pox and that have not been

369

00:14:46,310 --> 00:14:45,040

disinfected such as bedding towels

370

00:14:48,949 --> 00:14:46,320

fetish gear

371

00:14:50,710 --> 00:14:48,959

and sex toys are sex toys not fetish

372

00:14:52,870 --> 00:14:50,720

gear

373

00:14:54,230 --> 00:14:52,880

uh they may be it's not a specific

374

00:14:56,470 --> 00:14:54,240

category

375

00:14:57,750 --> 00:14:56,480

come on man

376

00:14:59,910 --> 00:14:57,760

well uh

377

00:15:01,990 --> 00:14:59,920

lowering monkey pox risk during sex

378

00:15:05,269 --> 00:15:02,000

sexual partners should be

379

00:15:07,509 --> 00:15:05,279

communicated commutative communicative

380

00:15:10,829 --> 00:15:07,519

communicative

381

00:15:12,629 --> 00:15:10,839

about recent

382

00:15:15,509 --> 00:15:12,639

illnesses and

383

00:15:17,990 --> 00:15:15,519

rashes to each other quote if you and

384

00:15:21,590 --> 00:15:18,000

your partner recently have been sick

385

00:15:23,990 --> 00:15:21,600

currently feel sick or are having new in

386

00:15:26,790 --> 00:15:24,000

unexplained rashes or sores

387

00:15:28,790 --> 00:15:26,800

do not have sex and see a health care

388

00:15:30,069 --> 00:15:28,800

provider

389

00:15:32,310 --> 00:15:30,079

doesn't that kind of go without saying

390

00:15:34,150 --> 00:15:32,320

like typically

391

00:15:35,189 --> 00:15:34,160

when i'm sick i'm not really in the mood

392

00:15:36,710 --> 00:15:35,199

you know

393

00:15:38,470 --> 00:15:36,720

but if you go to health care well it's

394

00:15:39,749 --> 00:15:38,480

pride month mike come on

395

00:15:41,430 --> 00:15:39,759

if you go to the healthcare provider do

396

00:15:43,910 --> 00:15:41,440

they provide the sex

397

00:15:45,350 --> 00:15:43,920

maybe i mean they would do it sterily

398

00:15:47,590 --> 00:15:45,360

and by the way if you're with your

399

00:15:50,389 --> 00:15:47,600

partner and they have

400

00:15:52,790 --> 00:15:50,399

oozing rashes they don't feel well

401  
00:15:54,629 --> 00:15:52,800  
they're covered in scabs does that

402  
00:15:57,189 --> 00:15:54,639  
really get you in the mood hey it's

403  
00:15:59,189 --> 00:15:57,199  
pride month anything

404  
00:16:02,550 --> 00:15:59,199  
i'm just saying like it it's not like a

405  
00:16:03,749 --> 00:16:02,560  
huge turn-on like it's it's not

406  
00:16:05,749 --> 00:16:03,759  
what i want to say everything is

407  
00:16:06,949 --> 00:16:05,759  
somebody's fetish yeah someone taking

408  
00:16:10,069 --> 00:16:06,959  
care of your duties here like you're

409  
00:16:11,910 --> 00:16:10,079  
supposed to yeah ask mr discipline there

410  
00:16:14,150 --> 00:16:11,920  
whatever his name is

411  
00:16:15,509 --> 00:16:14,160  
like my wife just got i i had poison ivy

412  
00:16:19,350 --> 00:16:15,519  
all up and down my arms my wife had

413  
00:16:22,230 --> 00:16:19,360

poison ivy sex was not on my mind

414

00:16:24,550 --> 00:16:22,240

while she was there like like itching

415

00:16:25,509 --> 00:16:24,560

and really going through a lot of agony

416

00:16:28,470 --> 00:16:25,519

and

417

00:16:30,949 --> 00:16:28,480

i i can't imagine like there's people

418

00:16:33,509 --> 00:16:30,959

out there regardless of monkey poc

419

00:16:35,509 --> 00:16:33,519

infections and rashes and oozing pusses

420

00:16:37,829 --> 00:16:35,519

like the hell with all that i'm having

421

00:16:40,949 --> 00:16:37,839

sex right now

422

00:16:46,949 --> 00:16:44,470

well if you still decide to have sex uh

423

00:16:48,310 --> 00:16:46,959

if you still decide to have sex if you

424

00:16:51,110 --> 00:16:48,320

and your partner

425

00:16:53,829 --> 00:16:51,120

have or think you might have monkey pox

426

00:16:55,590 --> 00:16:53,839

here are the cdc tips for

427

00:16:58,470 --> 00:16:55,600

safe sex

428

00:17:00,389 --> 00:16:58,480

have virtual sex with no in-person

429

00:17:02,829 --> 00:17:00,399

contact

430

00:17:06,069 --> 00:17:02,839

okay that's what mark zuckerberg would

431

00:17:08,150 --> 00:17:06,079

like uh and so if that doesn't do it

432

00:17:10,710 --> 00:17:08,160

masturbate together at a distance at

433

00:17:13,110 --> 00:17:10,720

least six feet without touching

434

00:17:14,390 --> 00:17:13,120

or any rashes

435

00:17:18,789 --> 00:17:14,400

or sores

436

00:17:22,230 --> 00:17:20,230

with my shirt off

437

00:17:26,309 --> 00:17:22,240

it's like jerk off in front of 14 year

438

00:17:28,230 --> 00:17:26,319

olds you can do at six feet

439

00:17:30,630 --> 00:17:28,240

i just don't think that's legal to do i

440

00:17:33,029 --> 00:17:30,640

still don't think that's legal to do

441

00:17:35,350 --> 00:17:33,039

uh this third bullet point here here is

442

00:17:38,230 --> 00:17:35,360

uh consider having sex with your clothes

443

00:17:40,710 --> 00:17:38,240

on or covering areas where

444

00:17:43,590 --> 00:17:40,720

the rash or sores are present reducing

445

00:17:44,870 --> 00:17:43,600

as much skin to skin contact as possible

446

00:17:46,470 --> 00:17:44,880

you know when i'm sitting with my you

447

00:17:48,070 --> 00:17:46,480

know my underwear i mean it's pretty

448

00:17:49,830 --> 00:17:48,080

amazing

449

00:17:51,270 --> 00:17:49,840

well didn't they just say tell your

450

00:17:52,230 --> 00:17:51,280

partner if you have rasher sores and

451  
00:17:54,150 --> 00:17:52,240  
then they're saying but just you know

452  
00:17:56,470 --> 00:17:54,160  
hide them hide it yes cover it up so

453  
00:17:58,070 --> 00:17:56,480  
it's not so unsightly

454  
00:18:00,950 --> 00:17:58,080  
you don't want to turn off your pen they

455  
00:18:03,510 --> 00:18:00,960  
legalized uh the ability to give aids to

456  
00:18:06,230 --> 00:18:03,520  
people in california that's fun yeah

457  
00:18:07,750 --> 00:18:06,240  
that was that scott weiner

458  
00:18:09,669 --> 00:18:07,760  
i don't know what that was but they were

459  
00:18:12,470 --> 00:18:09,679  
like uh yeah it's not a crime to

460  
00:18:14,470 --> 00:18:12,480  
disclose your status and so if you're

461  
00:18:15,590 --> 00:18:14,480  
spreading aids like

462  
00:18:17,590 --> 00:18:15,600  
no big deal

463  
00:18:19,830 --> 00:18:17,600

yeah

464

00:18:22,630 --> 00:18:19,840

well remember to wash your hands fetish

465

00:18:24,870 --> 00:18:22,640

gear sex toy is in any fabrics after

466

00:18:26,870 --> 00:18:24,880

having sex

467

00:18:29,350 --> 00:18:26,880

i just let it ferment for a while it

468

00:18:31,990 --> 00:18:29,360

goes with that flavor in there i like a

469

00:18:34,710 --> 00:18:32,000

nice stank on my uh my gear it's a

470

00:18:36,230 --> 00:18:34,720

fermented thing it's actually good for

471

00:18:38,789 --> 00:18:36,240

your biome

472

00:18:41,190 --> 00:18:38,799

your biopic i like a nice vintage

473

00:18:42,950 --> 00:18:41,200

chinese dong

474

00:18:44,789 --> 00:18:42,960

well well used

475

00:18:46,630 --> 00:18:44,799

it's an antique it was my father's

476  
00:18:48,630 --> 00:18:46,640  
before mine

477  
00:18:51,430 --> 00:18:48,640  
it's a family heirloom track all my

478  
00:18:53,270 --> 00:18:51,440  
partners just based on the collected

479  
00:18:56,150 --> 00:18:53,280  
juices oh god

480  
00:18:59,110 --> 00:18:56,160  
uh and then lastly limit your number of

481  
00:19:01,110 --> 00:18:59,120  
partners to avoid opportunities for the

482  
00:19:02,870 --> 00:19:01,120  
monkey pox to spread well

483  
00:19:04,870 --> 00:19:02,880  
joe you just brought up that the cdc the

484  
00:19:06,310 --> 00:19:04,880  
same organization said what was safe for

485  
00:19:08,549 --> 00:19:06,320  
coven what was not if you have less than

486  
00:19:10,150 --> 00:19:08,559  
49 people you have more than 99 how many

487  
00:19:12,230 --> 00:19:10,160  
partners they should put a number on

488  
00:19:14,070 --> 00:19:12,240

that two two

489

00:19:15,909 --> 00:19:14,080

maybe four i was gonna get there and you

490

00:19:18,230 --> 00:19:15,919

said

491

00:19:20,230 --> 00:19:18,240

i'm quick

492

00:19:22,630 --> 00:19:20,240

so he's a he's a sharpshooter he's a

493

00:19:24,310 --> 00:19:22,640

texas man at heart because you know he

494

00:19:26,150 --> 00:19:24,320

could pull that thing out of the holster

495

00:19:29,270 --> 00:19:26,160

but why didn't the cdc give a specific

496

00:19:32,070 --> 00:19:29,280

number they just say limit your numbers

497

00:19:33,909 --> 00:19:32,080

yeah they were very specific with covid

498

00:19:35,590 --> 00:19:33,919

but in here they're being really

499

00:19:38,470 --> 00:19:35,600

loosey-goosey they're just trying

500

00:19:40,070 --> 00:19:38,480

they're saying don't [h\_\_h] so much

501  
00:19:43,029 --> 00:19:40,080  
they should just limit that last bullet

502  
00:19:44,549 --> 00:19:43,039  
point to stop [h\_\_h] so much y'all stop

503  
00:19:46,549 --> 00:19:44,559  
[h\_\_h] so much

504  
00:19:47,909 --> 00:19:46,559  
i'm sorry this is a family friendly show

505  
00:19:49,029 --> 00:19:47,919  
and i don't mean to use that coarse

506  
00:19:50,390 --> 00:19:49,039  
language

507  
00:19:52,150 --> 00:19:50,400  
but

508  
00:19:53,990 --> 00:19:52,160  
you know it calls for in this

509  
00:19:57,029 --> 00:19:54,000  
circumstance because the cdc is so

510  
00:20:00,710 --> 00:19:58,630  
but sometimes

511  
00:20:03,270 --> 00:20:00,720  
i'm just saying this is

512  
00:20:04,630 --> 00:20:03,280  
these are crazy times

513  
00:20:08,789 --> 00:20:04,640

i never thought i would read a list like

514

00:20:10,070 --> 00:20:08,799

this so the cbc building in the walking

515

00:20:12,149 --> 00:20:10,080

dead

516

00:20:13,190 --> 00:20:12,159

is actually one of the newest concert

517

00:20:16,230 --> 00:20:13,200

venues

518

00:20:18,149 --> 00:20:16,240

in the atlanta area oh really the one

519

00:20:19,270 --> 00:20:18,159

that blew up at the end of season one

520

00:20:24,549 --> 00:20:19,280

spoilers

521

00:20:26,789 --> 00:20:24,559

it's up towards uh smyrna georgia which

522

00:20:28,310 --> 00:20:26,799

is one of the great names

523

00:20:29,990 --> 00:20:28,320

i don't even know what that means but it

524

00:20:31,750 --> 00:20:30,000

feels like a verb

525

00:20:33,669 --> 00:20:31,760

hmm

526

00:20:36,070 --> 00:20:33,679

have you been there

527

00:20:38,710 --> 00:20:36,080

yeah i used to live in smyrna yeah but

528

00:20:40,710 --> 00:20:38,720

do you did you see is it is it

529

00:20:43,190 --> 00:20:40,720

was it always a concert venue was it now

530

00:20:47,830 --> 00:20:43,200

a concert venue no it was recently built

531

00:20:49,190 --> 00:20:47,840

i i saw you know the artist there i saw

532

00:20:51,909 --> 00:20:49,200

um

533

00:20:53,430 --> 00:20:51,919

one of these one of those npr dudes who

534

00:20:55,909 --> 00:20:53,440

writes good books but i haven't thought

535

00:20:59,830 --> 00:20:55,919

about for years whatever he was

536

00:21:01,430 --> 00:20:59,840

it like civilization has totally changed

537

00:21:04,070 --> 00:21:01,440

and uh

538

00:21:06,230 --> 00:21:04,080

he was like a brilliant author and at

539

00:21:08,789 --> 00:21:06,240

this point like he's just gone because

540

00:21:10,870 --> 00:21:08,799

we're all so [h\_\_h] eccentric and crazy

541

00:21:12,870 --> 00:21:10,880

like there's too much going on if i

542

00:21:14,310 --> 00:21:12,880

think of it all you know

543

00:21:15,750 --> 00:21:14,320

well i mean

544

00:21:18,230 --> 00:21:15,760

you brought the walking dead and they're

545

00:21:19,990 --> 00:21:18,240

getting ready to wind this entire series

546

00:21:23,430 --> 00:21:20,000

down joe and i know you're you're a big

547

00:21:25,350 --> 00:21:23,440

fan and i think the the newest uh last

548

00:21:27,590 --> 00:21:25,360

part of the season is going to start up

549

00:21:30,630 --> 00:21:27,600

again i think september so everyone tune

550

00:21:32,390 --> 00:21:30,640

in to amc check it out walking dead

551  
00:21:34,710 --> 00:21:32,400  
season 11

552  
00:21:37,190 --> 00:21:34,720  
it's happening

553  
00:21:39,029 --> 00:21:37,200  
make sure you clean your sex toys

554  
00:21:41,750 --> 00:21:39,039  
wash your fetish gear before you watch

555  
00:21:44,149 --> 00:21:43,190  
uh let's see i got a bunch of other

556  
00:21:46,149 --> 00:21:44,159  
stories we're not going to get to i'll

557  
00:21:47,750 --> 00:21:46,159  
give you guys a couple of options here

558  
00:21:49,830 --> 00:21:47,760  
so i know you're both familiar with the

559  
00:21:51,270 --> 00:21:49,840  
columbus area so there's an ohio state

560  
00:21:53,270 --> 00:21:51,280  
gets approval

561  
00:21:54,470 --> 00:21:53,280  
for the trademark v in front of their

562  
00:21:57,350 --> 00:21:54,480  
name

563  
00:21:58,870 --> 00:21:57,360

oh the ohio state really yeah that has

564

00:22:00,710 --> 00:21:58,880

been a point of contention for a long

565

00:22:02,390 --> 00:22:00,720

time if you talk to anybody who's

566

00:22:04,310 --> 00:22:02,400

hardcore about ohio state you say hey

567

00:22:05,990 --> 00:22:04,320

you went to ohio state university and

568

00:22:08,070 --> 00:22:06,000

they they will go

569

00:22:09,830 --> 00:22:08,080

the ohio state university they will

570

00:22:11,830 --> 00:22:09,840

correct you and then punch you with

571

00:22:13,590 --> 00:22:11,840

their fetish gear yeah they i mean

572

00:22:15,350 --> 00:22:13,600

they're very hardcore about it my

573

00:22:17,270 --> 00:22:15,360

brother went there although he's not

574

00:22:19,830 --> 00:22:17,280

hell-bent on correcting people with that

575

00:22:22,470 --> 00:22:19,840

uh the

576

00:22:23,909 --> 00:22:22,480

uh see i i've got three well let me see

577

00:22:27,110 --> 00:22:23,919

here there's one i really want to get to

578

00:22:30,149 --> 00:22:27,120

but we've got a a a ranking of the

579

00:22:31,510 --> 00:22:30,159

a ranking of every oreo flavor

580

00:22:35,669 --> 00:22:31,520

um i didn't realize there was so many

581

00:22:36,950 --> 00:22:35,679

real quick i i did find it david sedaris

582

00:22:39,350 --> 00:22:36,960

yeah i knew he yeah i knew he's like

583

00:22:41,029 --> 00:22:39,360

he's a writer he's a satirist yeah but

584

00:22:43,110 --> 00:22:41,039

he did and he signed books and

585

00:22:47,110 --> 00:22:43,120

everything for us and he was one of the

586

00:22:49,029 --> 00:22:47,120

first people i saw at the cdc

587

00:22:50,950 --> 00:22:49,039

you saw him at the cbc

588

00:22:52,789 --> 00:22:50,960

no okay

589

00:22:54,870 --> 00:22:52,799

he's a customer

590

00:22:56,710 --> 00:22:54,880

but in the walking dead it's like you

591

00:22:58,870 --> 00:22:56,720

know he was carrying a bag full of

592

00:23:00,789 --> 00:22:58,880

fetish gear

593

00:23:04,789 --> 00:23:00,799

he wasn't sure how to clean it properly

594

00:23:05,669 --> 00:23:04,799

joe it's called the cdc get it right

595

00:23:07,510 --> 00:23:05,679

um

596

00:23:10,789 --> 00:23:07,520

he's good dude when you are engulfed in

597

00:23:13,510 --> 00:23:10,799

from uh he's a good writer

598

00:23:16,789 --> 00:23:13,520

uh also have um uh

599

00:23:18,870 --> 00:23:16,799

twinkies are getting into their own um

600

00:23:20,789 --> 00:23:18,880

their own crypto coin calling it twink

601  
00:23:22,950 --> 00:23:20,799  
coin oh that's some good news on that

602  
00:23:25,430 --> 00:23:22,960  
front i love it i love you that's like

603  
00:23:28,390 --> 00:23:25,440  
that's like a pride thing twink twink

604  
00:23:29,669 --> 00:23:28,400  
coin twin coin coin yeah that's fine

605  
00:23:31,909 --> 00:23:29,679  
let's get in let's get on the ground

606  
00:23:33,350 --> 00:23:31,919  
floor so this one is um i'll put this

607  
00:23:35,590 --> 00:23:33,360  
one into just an announcement it's more

608  
00:23:37,430 --> 00:23:35,600  
like a pr i like it i mean if you

609  
00:23:39,190 --> 00:23:37,440  
remember we covered a while ago radio

610  
00:23:40,870 --> 00:23:39,200  
shack that brand has been taken over has

611  
00:23:43,269 --> 00:23:40,880  
been transformed into some sort of

612  
00:23:45,110 --> 00:23:43,279  
cryptocurrency exchange so why can't

613  
00:23:47,350 --> 00:23:45,120

twinkies which by the way i thought

614

00:23:49,430 --> 00:23:47,360

hostess was off the market remember that

615

00:23:52,230 --> 00:23:49,440

thing a whole year a couple years ago

616

00:23:53,990 --> 00:23:52,240

where hostess was going bankrupt and uh

617

00:23:56,230 --> 00:23:54,000

it was going off the market now twinkies

618

00:23:57,350 --> 00:23:56,240

is back in a big way

619

00:23:59,029 --> 00:23:57,360

i think that somebody just bought the

620

00:24:01,269 --> 00:23:59,039

name

621

00:24:02,470 --> 00:24:01,279

okay let's find out

622

00:24:06,789 --> 00:24:02,480

and find out

623

00:24:10,310 --> 00:24:06,799

hostess launches twink coin snack cakes

624

00:24:12,149 --> 00:24:10,320

dude that's like skinny young boys yes i

625

00:24:14,549 --> 00:24:12,159

mean that's what a twink is right joe

626

00:24:17,750 --> 00:24:14,559

yeah they're very effeminate

627

00:24:21,750 --> 00:24:17,760

uh slender young uh gentlemen

628

00:24:22,549 --> 00:24:21,760

that uh like to have sex with uh

629

00:24:23,830 --> 00:24:22,559

no

630

00:24:25,190 --> 00:24:23,840

men

631

00:24:26,230 --> 00:24:25,200

that's what they'd like to do so the

632

00:24:27,750 --> 00:24:26,240

question is did they announce this

633

00:24:32,070 --> 00:24:27,760

during pride month deliberately or did

634

00:24:36,710 --> 00:24:34,549

well hostess brands incorporated debuted

635

00:24:38,230 --> 00:24:36,720

a limited edition snack well if it's

636

00:24:39,909 --> 00:24:38,240

limited why can't i why am i just

637

00:24:42,710 --> 00:24:39,919

finding out about now

638

00:24:43,990 --> 00:24:42,720

you got to get twinks all year okay

639

00:24:45,029 --> 00:24:44,000

limited edition

640

00:24:47,350 --> 00:24:45,039

service

641

00:24:50,230 --> 00:24:47,360

a limited edition snack called twink

642

00:24:52,870 --> 00:24:50,240

coin under its twinkie snack cake brand

643

00:24:54,549 --> 00:24:52,880

the new twink coin is a play on the

644

00:24:57,190 --> 00:24:54,559

current cryptocurrency frenzy and

645

00:24:59,029 --> 00:24:57,200

features coin shaped cakes the cakes are

646

00:25:02,149 --> 00:24:59,039

similar to twinkies in composition

647

00:25:06,310 --> 00:25:02,159

flavor featuring a vanilla sponge cake

648

00:25:09,029 --> 00:25:06,320

exterior and a cream filled interior but

649

00:25:11,590 --> 00:25:09,039

have been made in a disc shape to mimic

650

00:25:12,870 --> 00:25:11,600

the shape of an enlarged coin

651

00:25:17,190 --> 00:25:12,880

probably easier to have sex with that

652

00:25:22,789 --> 00:25:20,230

uh the new twink coin snack cakes will

653

00:25:25,430 --> 00:25:22,799

be available at walmart stores starting

654

00:25:27,830 --> 00:25:25,440

at the end of june for a limited time

655

00:25:29,830 --> 00:25:27,840

they are distributed in boxes of 10

656

00:25:34,149 --> 00:25:29,840

individually wrapped cakes at the

657

00:25:35,909 --> 00:25:34,159

suggested retail price of 349.

658

00:25:37,029 --> 00:25:35,919

uh that's good news

659

00:25:39,110 --> 00:25:37,039

all right but

660

00:25:41,190 --> 00:25:39,120

is there some online cryptocurrency

661

00:25:44,870 --> 00:25:41,200

tie-in like i buy these cakes i scan a

662

00:25:47,190 --> 00:25:44,880

qr code and then i get deposited into my

663

00:25:48,149 --> 00:25:47,200

crypto wallet twink coin that i can then

664

00:25:50,470 --> 00:25:48,159

use

665

00:25:52,070 --> 00:25:50,480

in the metaverse and buy stuff at the

666

00:25:53,909 --> 00:25:52,080

wendy's verse

667

00:25:55,590 --> 00:25:53,919

like there's an opportunity that they're

668

00:25:57,029 --> 00:25:55,600

missing here

669

00:25:59,269 --> 00:25:57,039

i think they should print a qr code on

670

00:26:00,789 --> 00:25:59,279

the bottom of every twink coin

671

00:26:02,310 --> 00:26:00,799

and people if you once you bite into

672

00:26:03,990 --> 00:26:02,320

it's too late yep can't ever get that

673

00:26:05,510 --> 00:26:04,000

twink coin you've ruined it yeah

674

00:26:08,149 --> 00:26:05,520

something like that do you have to meet

675

00:26:09,590 --> 00:26:08,159

a top to get the bottom

676  
00:26:13,190 --> 00:26:09,600  
ah it's like the key master and the

677  
00:26:16,149 --> 00:26:14,710  
something like that

678  
00:26:20,310 --> 00:26:16,159  
at least we're brainstorming here

679  
00:26:24,630 --> 00:26:20,320  
confusing can we just go back to the 90s

680  
00:26:26,870 --> 00:26:24,640  
ray has gone bye-bye e-gun no

681  
00:26:28,310 --> 00:26:26,880  
i i if we're having these brainstorming

682  
00:26:31,909 --> 00:26:28,320  
sessions like this to improve their

683  
00:26:33,190 --> 00:26:31,919  
brand you'd imagine that some people at

684  
00:26:35,269 --> 00:26:33,200  
hostess are having the same

685  
00:26:37,350 --> 00:26:35,279  
conversations they're choosing

686  
00:26:39,029 --> 00:26:37,360  
not to go with these ideas because

687  
00:26:40,470 --> 00:26:39,039  
they're antiquated and they're out of

688  
00:26:43,590 --> 00:26:40,480

step with what the

689

00:26:44,630 --> 00:26:43,600

the public wants out of a snack pack

690

00:26:46,549 --> 00:26:44,640

i wonder if they had somebody on their

691

00:26:48,149 --> 00:26:46,559

marketing team pitch this idea

692

00:26:49,669 --> 00:26:48,159

hey call tell them to call it the twink

693

00:26:50,950 --> 00:26:49,679

coin and they're like oh that's a great

694

00:26:52,870 --> 00:26:50,960

idea and they ran with it and like they

695

00:26:55,190 --> 00:26:52,880

don't realize what they're doing yeah

696

00:26:56,710 --> 00:26:55,200

maybe

697

00:26:58,950 --> 00:26:56,720

you know what i love

698

00:27:01,029 --> 00:26:58,960

handy snacks you remember these goddamn

699

00:27:03,750 --> 00:27:01,039

things you get like four crackers and

700

00:27:05,190 --> 00:27:03,760

this fake is [h\_\_h] cheese with this red

701  
00:27:06,950 --> 00:27:05,200  
plastic

702  
00:27:08,870 --> 00:27:06,960  
butter knife

703  
00:27:11,430 --> 00:27:08,880  
what is the sharp

704  
00:27:13,909 --> 00:27:11,440  
plastic knife we gotta get well

705  
00:27:16,070 --> 00:27:13,919  
they wouldn't let you in there on a 303

706  
00:27:16,340 --> 00:27:16,080  
or whatever it is when you go into you

707  
00:27:17,590 --> 00:27:16,350  
know

708  
00:27:19,830 --> 00:27:17,600  
[Music]

709  
00:27:22,789 --> 00:27:19,840  
they put you in crazy town you can't

710  
00:27:25,110 --> 00:27:22,799  
have handy snacks because you could

711  
00:27:27,269 --> 00:27:25,120  
probably shiv a dude

712  
00:27:30,710 --> 00:27:27,279  
i i i remember getting those uh those

713  
00:27:31,909 --> 00:27:30,720

snack packs in my my sack lunch uh when

714

00:27:33,110 --> 00:27:31,919

i was in grade school like your mom

715

00:27:35,830 --> 00:27:33,120

would throw in

716

00:27:38,070 --> 00:27:35,840

um like one of those crackers and that

717

00:27:39,110 --> 00:27:38,080

cheese that had like a shelf life of 20

718

00:27:41,269 --> 00:27:39,120

years

719

00:27:44,070 --> 00:27:41,279

and you spread it on your cracker you'd

720

00:27:45,350 --> 00:27:44,080

have your peanut butter sandwich and

721

00:27:47,510 --> 00:27:45,360

maybe a chocolate milk from the

722

00:27:50,549 --> 00:27:47,520

cafeteria and your lunch is done that's

723

00:27:53,029 --> 00:27:50,559

a good time maybe if you want to prep

724

00:27:54,789 --> 00:27:53,039

if you want to prep it's healthy snacks

725

00:27:56,630 --> 00:27:54,799

yep right

726

00:27:58,070 --> 00:27:56,640

if that's all you've said aside joe you

727

00:27:59,750 --> 00:27:58,080

are going to be so constipated by the

728

00:28:06,950 --> 00:27:59,760

end of the week

729

00:28:11,269 --> 00:28:09,750

your twink coins twink coins your twink

730

00:28:12,950 --> 00:28:11,279

coins because that's the only way you're

731

00:28:15,190 --> 00:28:12,960

gonna pay for pay for stuff in the

732

00:28:17,350 --> 00:28:15,200

apocalypse prepping like prepping like a

733

00:28:18,549 --> 00:28:17,360

12 year old just all these like

734

00:28:20,710 --> 00:28:18,559

after school

735

00:28:23,590 --> 00:28:20,720

you're gonna need the twink coins for

736

00:28:26,950 --> 00:28:24,789

i'd like to live in a world where twink

737

00:28:29,190 --> 00:28:26,960

coins become the currency

738

00:28:31,830 --> 00:28:29,200

well the shelf life of a twinkie i heard

739

00:28:33,669 --> 00:28:31,840

is right around 10 years so that's

740

00:28:36,149 --> 00:28:33,679

that's not bad

741

00:28:38,070 --> 00:28:36,159

i mean um it has some shelf life

742

00:28:41,029 --> 00:28:38,080

especially in the apocalypse so it could

743

00:28:42,630 --> 00:28:41,039

be traded in that way and i and i think

744

00:28:44,310 --> 00:28:42,640

in the movie there's a zombie movie with

745

00:28:46,630 --> 00:28:44,320

woody harrelson where he was obsessed

746

00:28:47,750 --> 00:28:46,640

with getting hostess like snoop hostess

747

00:28:49,350 --> 00:28:47,760

snowballs

748

00:28:51,669 --> 00:28:49,360

like that was his

749

00:28:54,310 --> 00:28:51,679

zombieland zombie he he wanted to go

750

00:28:55,750 --> 00:28:54,320

around and find hostess snack cakes

751

00:28:57,190 --> 00:28:55,760

and so there's some tie in there with

752

00:28:58,549 --> 00:28:57,200

the apocalypse i don't think it's that

753

00:29:00,310 --> 00:28:58,559

far-fetched

754

00:29:02,950 --> 00:29:00,320

you need comfort food when the shit's

755

00:29:04,789 --> 00:29:02,960

going down yeah for sure and zombieland

756

00:29:07,430 --> 00:29:04,799

is actually a good movie that stands up

757

00:29:10,070 --> 00:29:07,440

that's a rewatchable one it's very fun

758

00:29:12,310 --> 00:29:10,080

was bill murray plays himself and he

759

00:29:13,669 --> 00:29:12,320

gets murdered well you just spoiled it

760

00:29:15,669 --> 00:29:13,679

for anyone's never seen it but yeah

761

00:29:17,830 --> 00:29:15,679

spoiler alert oh it's more than 10 years

762

00:29:19,990 --> 00:29:17,840

we'll allow it it's like yeah it's like

763

00:29:21,750 --> 00:29:20,000

all this [h\_\_\h] come on and it's not even

764

00:29:23,750 --> 00:29:21,760

the biggest part of the plot it's just a

765

00:29:24,870 --> 00:29:23,760

fun movie by the way a quick quick aside

766

00:29:26,389 --> 00:29:24,880

looked up thing about handy snacks

767

00:29:28,789 --> 00:29:26,399

apparently they no longer include the

768

00:29:30,789 --> 00:29:28,799

red spreader stabbing shiv knife thing

769

00:29:33,029 --> 00:29:30,799

why not probably because somebody got

770

00:29:34,950 --> 00:29:33,039

[h\_\_\h] because you could file that down on

771

00:29:36,710 --> 00:29:34,960

concrete outside during recess and then

772

00:29:38,549 --> 00:29:36,720

jab people those things were sharp as

773

00:29:49,029 --> 00:29:38,559

[h\_\_\h] just right out of the box you could

774

00:29:52,149 --> 00:29:50,230

round in there

775

00:29:54,389 --> 00:29:52,159

to spread your cheese and your cracker

776

00:29:56,310 --> 00:29:54,399

the cheese is actually loaded into a 22

777

00:29:58,630 --> 00:29:56,320

shell you just you fire your cheese at

778

00:30:00,190 --> 00:29:58,640

your at your cracker i like that it's

779

00:30:01,990 --> 00:30:00,200

interactive

780

00:30:03,909 --> 00:30:02,000

[Music]

781

00:30:07,029 --> 00:30:03,919

what are you doing over there

782

00:30:09,269 --> 00:30:07,039

let's put cheese on my crackers

783

00:30:11,110 --> 00:30:09,279

i'm gonna go uh to walmart i rarely step

784

00:30:13,669 --> 00:30:11,120

foot inside of walmart but i will for my

785

00:30:15,350 --> 00:30:13,679

twink coin for your twinkling

786

00:30:17,029 --> 00:30:15,360

shove people out of the way at walmart

787

00:30:18,389 --> 00:30:17,039

yeah you should be waiting there before

788

00:30:20,630 --> 00:30:18,399

they open tomorrow

789

00:30:23,269 --> 00:30:20,640

i should like black friday yeah but it's

790

00:30:25,990 --> 00:30:23,279

just you well it says it opens they're

791

00:30:28,789 --> 00:30:26,000

selling it at the end of june so how far

792

00:30:30,230 --> 00:30:28,799

i mean it's the end of june camp out

793

00:30:32,310 --> 00:30:30,240

i don't know

794

00:30:35,669 --> 00:30:32,320

okay it's it's exclusive to walmart

795

00:30:36,789 --> 00:30:35,679

right yeah they said walmart

796

00:30:38,149 --> 00:30:36,799

all here so here's the last story we

797

00:30:39,750 --> 00:30:38,159

have to get to this one i put it off

798

00:30:41,269 --> 00:30:39,760

twice already we need to get into this

799

00:30:42,549 --> 00:30:41,279

story this is a

800

00:30:45,190 --> 00:30:42,559

this one blows your mind and there's

801  
00:30:49,510 --> 00:30:45,200  
video okay great i love it

802  
00:30:51,029 --> 00:30:49,520  
uh ksc introduces new finger spork

803  
00:30:54,870 --> 00:30:51,039  
that's good news

804  
00:30:57,110 --> 00:30:54,880  
a finger spork oh yes

805  
00:30:59,269 --> 00:30:57,120  
it's like uh like what you brush your

806  
00:31:01,430 --> 00:30:59,279  
dog's teeth with right you put it on the

807  
00:31:04,789 --> 00:31:01,440  
finger and you brush your dog's teeth

808  
00:31:07,029 --> 00:31:04,799  
and but this is a spork on the end so

809  
00:31:09,509 --> 00:31:07,039  
like what you'd use like in grade school

810  
00:31:11,430 --> 00:31:09,519  
but you you fit it over your finger and

811  
00:31:14,149 --> 00:31:11,440  
so ideally you could have five going per

812  
00:31:15,830 --> 00:31:14,159  
hand dude you just eating [h\_\_h] like like

813  
00:31:17,750 --> 00:31:15,840

freddy krueger

814

00:31:19,990 --> 00:31:17,760

yeah and then you go to whole foods and

815

00:31:22,950 --> 00:31:20,000

you're just like look i'm just getting

816

00:31:24,870 --> 00:31:22,960

like i mean i'm packing up this this

817

00:31:27,350 --> 00:31:24,880

thing you know they got the hot bar and

818

00:31:29,669 --> 00:31:27,360

all that [h\_\_h] and it's like no i don't

819

00:31:30,710 --> 00:31:29,679

have sparks on my hands i'm just no you

820

00:31:32,710 --> 00:31:30,720

know

821

00:31:34,070 --> 00:31:32,720

i'm just trying to get back are you just

822

00:31:35,110 --> 00:31:34,080

sampling at the bar is that what you're

823

00:31:36,389 --> 00:31:35,120

doing

824

00:31:40,310 --> 00:31:36,399

at the park

825

00:31:46,070 --> 00:31:43,990

well kfc's innovating kfc looks to bring

826

00:31:49,029 --> 00:31:46,080

out the fun in family dinner with the

827

00:31:51,909 --> 00:31:49,039

introduction of the new finger sporks

828

00:31:55,190 --> 00:31:51,919

the fried chicken chain new innovation

829

00:31:58,389 --> 00:31:55,200

new innovative eating utensil that makes

830

00:32:01,190 --> 00:31:58,399

all the ksc favorites literally finger

831

00:32:01,990 --> 00:32:01,200

lickin good oh yes they they really nail

832

00:32:07,110 --> 00:32:02,000

it

833

00:32:10,549 --> 00:32:07,120

looking good at this yeah

834

00:32:13,029 --> 00:32:10,559

uh representing the new spin uh yeah i

835

00:32:14,789 --> 00:32:13,039

guess representing a new spin on the

836

00:32:17,830 --> 00:32:14,799

original sport that ksc helped

837

00:32:19,110 --> 00:32:17,840

popularize in the early 70s kfc finger

838

00:32:22,630 --> 00:32:19,120

sports feature

839

00:32:25,750 --> 00:32:22,640

precision prong articulation interior

840

00:32:28,789 --> 00:32:25,760

branding optimization and sportacity

841

00:32:31,190 --> 00:32:28,799

technology making it even more fun to

842

00:32:34,070 --> 00:32:31,200

scoop out your mac and cheese retrieve

843

00:32:35,990 --> 00:32:34,080

the last piece of corn and delight your

844

00:32:37,750 --> 00:32:36,000

mashed potatoes

845

00:32:39,590 --> 00:32:37,760

oh absolutely

846

00:32:43,590 --> 00:32:39,600

there's a big band name in there

847

00:32:47,350 --> 00:32:46,230

that's the name of their first album

848

00:32:50,630 --> 00:32:47,360

uh

849

00:32:54,710 --> 00:32:50,640

to use simply place your finger in the

850

00:32:57,110 --> 00:32:54,720

kfc finger spork dip said finger into

851  
00:33:00,470 --> 00:32:57,120  
your favorite kfc side item

852  
00:33:01,430 --> 00:33:00,480  
and then elevate the vessel into your

853  
00:33:02,870 --> 00:33:01,440  
mouth

854  
00:33:04,389 --> 00:33:02,880  
wrong

855  
00:33:05,830 --> 00:33:04,399  
i like how they give instructions on how

856  
00:33:12,070 --> 00:33:05,840  
to use

857  
00:33:13,509 --> 00:33:12,080  
place utensil into food shovel into face

858  
00:33:15,110 --> 00:33:13,519  
slow down

859  
00:33:17,269 --> 00:33:15,120  
walk out your door reach out with your

860  
00:33:20,149 --> 00:33:17,279  
hand open the twist the doorknob open

861  
00:33:23,350 --> 00:33:20,159  
the door leave get in your car drive to

862  
00:33:26,230 --> 00:33:23,360  
kfc then exit the vehicle close the door

863  
00:33:27,990 --> 00:33:26,240

walk up to the kfc left right left right

864

00:33:30,149 --> 00:33:28,000

using your feet then open the door with

865

00:33:32,389 --> 00:33:30,159

your right hand walk inside use your

866

00:33:34,470 --> 00:33:32,399

mouth to order your food you did see the

867

00:33:37,029 --> 00:33:34,480

news story where joe biden is literally

868

00:33:39,029 --> 00:33:37,039

handed that level of detail now yes he

869

00:33:40,549 --> 00:33:39,039

is walk into row

870

00:33:45,190 --> 00:33:40,559

right foot left foot right [h\_\_h]

871

00:33:49,990 --> 00:33:48,149

get into that it's too serious

872

00:33:51,269 --> 00:33:50,000

we can talk about joe biden news but uh

873

00:33:53,430 --> 00:33:51,279

there is a video here of the finger

874

00:33:55,750 --> 00:33:53,440

sport i'll play it on screen here has

875

00:33:58,389 --> 00:33:55,760

this ever happened and it has a

876

00:34:01,269 --> 00:33:58,399

whimsical video

877

00:34:03,190 --> 00:34:01,279

that uh it's like an antiquated like

878

00:34:05,269 --> 00:34:03,200

1950s

879

00:34:07,269 --> 00:34:05,279

video of how to

880

00:34:09,589 --> 00:34:07,279

and so we'll play this here it's fun i

881

00:34:11,909 --> 00:34:09,599

like what ksc is doing here

882

00:34:13,829 --> 00:34:11,919

has this ever happened to you

883

00:34:15,829 --> 00:34:13,839

are you tired of eating sides with a

884

00:34:17,909 --> 00:34:15,839

slippery spoon yeah

885

00:34:21,270 --> 00:34:17,919

do you wish all your kfc favorites could

886

00:34:23,190 --> 00:34:21,280

be finger licking yeah well no

887

00:34:26,149 --> 00:34:23,200

they can be

888

00:34:28,069 --> 00:34:26,159

introducing kfc finger sporks our

889

913  
00:35:25,829 --> 00:35:24,150

this guy's playing a saxophone so i

914

00:35:27,589 --> 00:35:25,839

don't i don't know the guy's playing a

915

00:35:29,270 --> 00:35:27,599

saxophone with a finger spork and

916

00:35:31,430 --> 00:35:29,280

they're saying you shouldn't do that

917

00:35:33,349 --> 00:35:31,440

yeah yeah it'd probably be hard can hg

918

00:35:35,670 --> 00:35:33,359

should not have any uh you know

919

00:35:40,470 --> 00:35:35,680

fingersport yeah well i i like the

920

00:35:43,109 --> 00:35:40,480

innovation i like the marketing here um

921

00:35:45,589 --> 00:35:43,119

do you have to use one spork for each

922

00:35:47,109 --> 00:35:45,599

dish you can use do you have no you got

923

00:35:49,349 --> 00:35:47,119

to have a whole hand of figures it's

924

00:35:50,550 --> 00:35:49,359

like edward scissorhands yes you got to

925

00:35:51,990 --> 00:35:50,560

designate

926

00:35:54,390 --> 00:35:52,000

one spork

927

00:35:55,990 --> 00:35:54,400

per side don't mix and match you need

928

00:35:57,829 --> 00:35:56,000

segregation here with your sizes

929

00:36:00,150 --> 00:35:57,839

remember when you've grown up and they

930

00:36:02,630 --> 00:36:00,160

had like this is the salad fork and this

931

00:36:05,910 --> 00:36:02,640

is this you know soup fork yeah this is

932

00:36:08,470 --> 00:36:05,920

the tea fork and everything else

933

00:36:10,310 --> 00:36:08,480

[\h\_\_\h] i got a glove full of [\h\_\_\h]

934

00:36:13,190 --> 00:36:10,320

and i'm ready to go

935

00:36:15,430 --> 00:36:13,200

can't see gloves the eating glove

936

00:36:17,430 --> 00:36:15,440

what what's what's a soup fork that

937

00:36:20,069 --> 00:36:17,440

doesn't sound very effective

938

00:36:21,910 --> 00:36:20,079

it'll be fresh puppy fresh we did we did

939

00:36:24,630 --> 00:36:21,920

it we did the brock lock before whereas

940

00:36:26,950 --> 00:36:24,640

a 50 pound lead glove that you could use

941

00:36:29,349 --> 00:36:26,960

to cook broccoli with

942

00:36:32,150 --> 00:36:29,359

and that is important but i think this

943

00:36:35,510 --> 00:36:32,160

is an innovation that we need to capture

944

00:36:37,190 --> 00:36:35,520

everything says yeah it's the food glove

945

00:36:39,910 --> 00:36:37,200

yeah and then you could

946

00:36:42,230 --> 00:36:39,920

you could put forks to knives and spoons

947

00:36:44,950 --> 00:36:42,240

all on a glove and you can just go

948

00:36:47,589 --> 00:36:44,960

berserk it's like a swiss army glove you

949

00:36:49,349 --> 00:36:47,599

can do anything you want it's a it's a

950

00:36:50,790 --> 00:36:49,359

dining room suicide it's like i don't

951  
00:36:52,870 --> 00:36:50,800  
need to know where this

952  
00:36:54,470 --> 00:36:52,880  
salad fork is

953  
00:36:56,870 --> 00:36:54,480  
yeah

954  
00:36:57,910 --> 00:36:56,880  
or the soup pork

955  
00:37:06,310 --> 00:36:57,920  
soup

956  
00:37:09,270 --> 00:37:06,320  
uh

957  
00:37:11,109 --> 00:37:09,280  
you learned this in charm school

958  
00:37:12,150 --> 00:37:11,119  
charm school at least use utensil to

959  
00:37:14,069 --> 00:37:12,160  
soup fork

960  
00:37:14,950 --> 00:37:14,079  
yeah you learn how to be a proper young

961  
00:37:17,829 --> 00:37:14,960  
woman

962  
00:37:20,310 --> 00:37:17,839  
and how to use your utensils in a proper

963  
00:37:22,870 --> 00:37:20,320

way at the dinner table

964

00:37:24,470 --> 00:37:22,880

especially the soup fork especially the

965

00:37:25,990 --> 00:37:24,480

soup fork

966

00:37:27,190 --> 00:37:26,000

well remember just remember when you sit

967

00:37:29,030 --> 00:37:27,200

down at a fancy restaurant this is no

968

00:37:30,390 --> 00:37:29,040

[h\_\_h] advice you sit down there's way too

969

00:37:31,990 --> 00:37:30,400

many utensils start on the outside work

970

00:37:34,790 --> 00:37:32,000

your way in with each dish

971

00:37:36,470 --> 00:37:34,800

yeah general rule

972

00:37:37,829 --> 00:37:36,480

not with the glove

973

00:37:39,109 --> 00:37:37,839

with the with the eating glove you just

974

00:37:41,990 --> 00:37:39,119

put that thing on you start grabbing

975

00:37:44,750 --> 00:37:42,000

that's an email at our big thumb mouth

976

00:37:47,430 --> 00:37:44,760
