

**MICHAEL JACKSON
IS ALIVE**

1
00:00:00,270 --> 00:00:07,269

[Applause]

2
00:00:12,230 --> 00:00:09,509

last week on the saturday show we talked

3
00:00:15,430 --> 00:00:12,240

about how elvis may still possibly be

4
00:00:17,029 --> 00:00:15,440

alive somewhere in argentina

5
00:00:20,070 --> 00:00:17,039

because he was running from the mob he

6
00:00:23,189 --> 00:00:20,080

was running from some some sort of gang

7
00:00:25,109 --> 00:00:23,199

some sort of entity was after him and so

8
00:00:27,029 --> 00:00:25,119

he it could have been corn pop it could

9
00:00:30,150 --> 00:00:27,039

have been anybody and we speculated that

10
00:00:32,310 --> 00:00:30,160

he was hanging out down in south america

11
00:00:34,709 --> 00:00:32,320

probably with hitler and the the area

12
00:00:36,310 --> 00:00:34,719

the leftover remnants of the third reich

13
00:00:37,830 --> 00:00:36,320

which would probably be the fourth reich

14

00:00:39,510 --> 00:00:37,840

at that point they're probably up to the

15

00:00:42,150 --> 00:00:39,520

ninth reich by now

16

00:00:44,709 --> 00:00:42,160

but they don't really advertise it

17

00:00:47,510 --> 00:00:44,719

uh but we also briefly talked about

18

00:00:49,110 --> 00:00:47,520

michael jackson i brought up uh the the

19

00:00:52,389 --> 00:00:49,120

theory that michael jackson didn't

20

00:00:54,069 --> 00:00:52,399

really die that he still could be alive

21

00:00:56,310 --> 00:00:54,079

and i promised people that i would look

22

00:00:59,270 --> 00:00:56,320

into this and report back and that's

23

00:01:00,470 --> 00:00:59,280

exactly what i did so here let's move

24

00:01:08,070 --> 00:01:00,480

over there let's talk about michael

25

00:01:11,670 --> 00:01:09,590

yes

26
00:01:14,469 --> 00:01:11,680
i know people we could be talking about

27
00:01:15,670 --> 00:01:14,479
the uh the the coming civil war the

28
00:01:17,350 --> 00:01:15,680
state of the economy you could talk

29
00:01:19,190 --> 00:01:17,360
about russia ukraine yeah we could talk

30
00:01:20,710 --> 00:01:19,200
about all that stuff no none of that

31
00:01:22,260 --> 00:01:20,720
matters all that matters is michael

32
00:01:23,670 --> 00:01:22,270
jackson exactly

33
00:01:25,030 --> 00:01:23,680
[Music]

34
00:01:27,670 --> 00:01:25,040
all that matters right now squeeze that

35
00:01:28,469 --> 00:01:27,680
one out it's it takes a long time i got

36
00:01:29,590 --> 00:01:28,479
this

37
00:01:31,830 --> 00:01:29,600
what's the date on that one yeah i got

38
00:01:33,510 --> 00:01:31,840

that clip in 2009.

39

00:01:36,310 --> 00:01:33,520

it sounds like it too you've been

40

00:01:38,630 --> 00:01:36,320

playing this segment for 13 years i i

41

00:01:40,390 --> 00:01:38,640

got that clip in 2009 and i really

42

00:01:42,710 --> 00:01:40,400

didn't have too many opportunities to

43

00:01:45,350 --> 00:01:42,720

play it besides now i mean it's a bit of

44

00:01:47,270 --> 00:01:45,360

a long burn but yeah fair play to you

45

00:01:48,469 --> 00:01:47,280

for the long con on that one i knew at

46

00:01:50,310 --> 00:01:48,479

some point in time i'd be talking about

47

00:01:54,230 --> 00:01:50,320

michael jackson or doing a segment on

48

00:02:00,550 --> 00:01:57,749

uh bring this up on screen so the

49

00:02:02,870 --> 00:02:00,560

the rumor is that michael jackson uh

50

00:02:05,990 --> 00:02:02,880

possibly faked his own death

51
00:02:08,550 --> 00:02:06,000
uh or transferred his consciousness into

52
00:02:09,510 --> 00:02:08,560
an android or clone

53
00:02:11,589 --> 00:02:09,520
um

54
00:02:14,470 --> 00:02:11,599
a lot of controversy surrounded michael

55
00:02:15,990 --> 00:02:14,480
jackson uh in his early life up to

56
00:02:17,510 --> 00:02:16,000
adulthood

57
00:02:19,830 --> 00:02:17,520
even in death now

58
00:02:22,949 --> 00:02:19,840
and what he did with all that money and

59
00:02:25,110 --> 00:02:22,959
what actually he believed and so i will

60
00:02:26,070 --> 00:02:25,120
uh i'll bring this first story up on

61
00:02:28,790 --> 00:02:26,080
screen

62
00:02:31,030 --> 00:02:28,800
and this is this comes from the the sun

63
00:02:33,589 --> 00:02:31,040

uk now there are other

64

00:02:36,790 --> 00:02:33,599

articles not just the sun talking about

65

00:02:38,150 --> 00:02:36,800

michael jackson's interest in prolonging

66

00:02:39,589 --> 00:02:38,160

his life

67

00:02:41,110 --> 00:02:39,599

i'm sure everyone wants to live as long

68

00:02:43,030 --> 00:02:41,120

as possible michael jackson had some

69

00:02:44,470 --> 00:02:43,040

different ideas on how to do it

70

00:02:46,790 --> 00:02:44,480

this headline here

71

00:02:47,910 --> 00:02:46,800

you are not a clone michael jackson's

72

00:02:53,430 --> 00:02:47,920

planned

73

00:02:55,750 --> 00:02:53,440

cryogenic chamber before death and was

74

00:02:57,110 --> 00:02:55,760

excited about having thousands of little

75

00:03:00,710 --> 00:02:57,120

jackos

76

00:03:05,830 --> 00:03:02,869

well uh jacko attended a conference on

77

00:03:07,190 --> 00:03:05,840

cloning in cryogenics hosted by the

78

00:03:10,070 --> 00:03:07,200

aurelian

79

00:03:11,350 --> 00:03:10,080

religion bursar a bizarre sect that

80

00:03:14,470 --> 00:03:11,360

believes

81

00:03:30,550 --> 00:03:14,480

human life was created by aliens

82

00:03:35,750 --> 00:03:33,110

well google says do i mean real madrid

83

00:03:38,390 --> 00:03:35,760

no i don't mean that you [h__\h]

84

00:03:41,509 --> 00:03:38,400

so the uh re-aliens

85

00:03:43,190 --> 00:03:41,519

uh they teach that extraterrestrials

86

00:03:46,030 --> 00:03:43,200

known as the

87

00:03:49,589 --> 00:03:46,040

ilom elom e

88

00:03:52,710 --> 00:03:49,599

e-l-o-h-i-m created humanity using

89

00:03:54,550 --> 00:03:52,720

their advanced technology and so it's

90

00:03:56,789 --> 00:03:54,560

it's not that far off with some a lot of

91

00:03:58,949 --> 00:03:56,799

ancient alien theology

92

00:04:02,630 --> 00:03:58,959

and uh what they what they talk about

93

00:04:05,190 --> 00:04:02,640

like our life here was seated by a much

94

00:04:06,229 --> 00:04:05,200

more advanced race of extraterrestrials

95

00:04:08,390 --> 00:04:06,239

now i don't know a lot about the

96

00:04:10,470 --> 00:04:08,400

realians or the elohim

97

00:04:13,110 --> 00:04:10,480

but michael jackson apparently

98

00:04:15,429 --> 00:04:13,120

was pretty interested in uh this group

99

00:04:17,030 --> 00:04:15,439

of people which i believed are based out

100

00:04:17,990 --> 00:04:17,040

of france

101

00:04:20,069 --> 00:04:18,000

that's what going on with this so

102

00:04:22,390 --> 00:04:20,079

michael jackson planned to clone himself

103

00:04:25,110 --> 00:04:22,400

and have his body frozen fortunately in

104

00:04:27,270 --> 00:04:25,120

a cryogenic chamber before his death son

105

00:04:29,189 --> 00:04:27,280

online can reveal

106

00:04:32,070 --> 00:04:29,199

jacko even attended a conference on

107

00:04:33,270 --> 00:04:32,080

human cloning in cryogenics in 2002

108

00:04:35,350 --> 00:04:33,280

hosted

109

00:04:36,790 --> 00:04:35,360

by the re

110

00:04:38,790 --> 00:04:36,800

re-aliens

111

00:04:40,790 --> 00:04:38,800

a bizarre religious sect which believes

112

00:04:43,350 --> 00:04:40,800

humans were created by aliens

113

00:04:45,830 --> 00:04:43,360

the king of pop's former chauffeur al

114

00:04:47,909 --> 00:04:45,840

bowman revealed how he picked up jackson

115

00:04:51,670 --> 00:04:47,919

and a bunch of his doctors and friends

116

00:04:53,909 --> 00:04:51,680

including spoon bender yuri geller

117

00:04:56,950 --> 00:04:53,919

in a hummer and took the group to a

118

00:04:58,629 --> 00:04:56,960

three-day convention he said jackson

119

00:05:01,189 --> 00:04:58,639

came out of the event excited about the

120

00:05:03,670 --> 00:05:01,199

possibility of being cloned and having

121

00:05:05,749 --> 00:05:03,680

thousands of little michael jacksons

122

00:05:08,070 --> 00:05:05,759

running around he bounced out of the

123

00:05:10,150 --> 00:05:08,080

conference i heard him telling

124

00:05:12,790 --> 00:05:10,160

everyone in the back of the limo how he

125

00:05:13,670 --> 00:05:12,800

wanted to be cloned and frozen after his

126
00:05:14,550 --> 00:05:13,680
death

127
00:05:20,390 --> 00:05:14,560
al

128
00:05:23,590 --> 00:05:20,400
probably up there a little bit

129
00:05:26,550 --> 00:05:23,600
uh quote he didn't care how much it cost

130
00:05:28,870 --> 00:05:26,560
he wanted to be reanimated to live

131
00:05:30,550 --> 00:05:28,880
forever i remember he was so excited

132
00:05:32,390 --> 00:05:30,560
that there could be thousands of little

133
00:05:34,950 --> 00:05:32,400
michael jackson's run around

134
00:05:36,310 --> 00:05:34,960
he was smiling and laughing

135
00:05:38,950 --> 00:05:36,320
yeah

136
00:05:42,310 --> 00:05:38,960
i mean how weird would it be if michael

137
00:05:43,670 --> 00:05:42,320
jackson cloned himself and then he

138
00:05:45,510 --> 00:05:43,680

i'm not gonna even go there i'm not

139

00:05:47,360 --> 00:05:45,520

gonna even say what i'm thinking it's so

140

00:05:47,490 --> 00:05:47,370

ridiculous what i'm thinking

141

00:05:49,830 --> 00:05:47,500

[Music]

142

00:05:52,550 --> 00:05:49,840

[Applause]

143

00:05:54,070 --> 00:05:52,560

i mean you know what he was accused of i

144

00:05:55,670 --> 00:05:54,080

i can't i kind of think i know what

145

00:05:57,510 --> 00:05:55,680

you're thinking

146

00:05:58,710 --> 00:05:57,520

i mean is it is it a crime if it's your

147

00:06:01,189 --> 00:05:58,720

clone though

148

00:06:04,230 --> 00:06:01,199

exactly no i think you could diddle

149

00:06:07,430 --> 00:06:04,240

yourself you can't you can't do that

150

00:06:09,350 --> 00:06:07,440

because a clone is uh if it's a

151
00:06:11,029 --> 00:06:09,360
legitimate clone it's a sentient it's

152
00:06:13,110 --> 00:06:11,039
his own thing it's basically you made a

153
00:06:14,309 --> 00:06:13,120
twin of yourself right it's i guess i

154
00:06:16,309 --> 00:06:14,319
don't know the difference between a twin

155
00:06:18,309 --> 00:06:16,319
like an identical twin and a clone to me

156
00:06:20,230 --> 00:06:18,319
they're like the same thing

157
00:06:23,749 --> 00:06:20,240
but i mean would you would you would you

158
00:06:27,749 --> 00:06:25,590
even if you were the same age it doesn't

159
00:06:28,950 --> 00:06:27,759
like say you were like the same age as

160
00:06:32,469 --> 00:06:28,960
you are now

161
00:06:37,029 --> 00:06:34,390
uh i

162
00:06:38,550 --> 00:06:37,039
would i give myself a knobber

163
00:06:40,150 --> 00:06:38,560

because i don't think i don't know that

164

00:06:42,309 --> 00:06:40,160

i would i think it'd be

165

00:06:44,469 --> 00:06:42,319

i think it'd be super weird

166

00:06:45,350 --> 00:06:44,479

it would be it would be beyond weird

167

00:06:47,670 --> 00:06:45,360

yeah

168

00:06:49,670 --> 00:06:47,680

i don't like so part of the reason why i

169

00:06:51,589 --> 00:06:49,680

like the brown dudes is because they you

170

00:06:53,110 --> 00:06:51,599

know white people look too much like me

171

00:06:54,870 --> 00:06:53,120

and it's weird because you might get

172

00:06:56,390 --> 00:06:54,880

confused and find it yourself

173

00:06:58,390 --> 00:06:56,400

yeah

174

00:07:00,469 --> 00:06:58,400

i can see that

175

00:07:02,790 --> 00:07:00,479

so i want to know if michael jackson was

176

00:07:04,710 --> 00:07:02,800

in the back of the limo you know he says

177

00:07:06,150 --> 00:07:04,720

i want to be cryogenically frozen and

178

00:07:08,150 --> 00:07:06,160

they're like no michael we got to go

179

00:07:08,950 --> 00:07:08,160

back to neverland

180

00:07:10,870 --> 00:07:08,960

you know

181

00:07:15,270 --> 00:07:10,880

bubbles he lunged for the steering wheel

182

00:07:19,350 --> 00:07:17,189

um maybe

183

00:07:21,510 --> 00:07:19,360

maybe uh trump took uh his cues from

184

00:07:24,150 --> 00:07:21,520

jacko but uh

185

00:07:26,629 --> 00:07:24,160

jaco was known uh was known to be a

186

00:07:29,830 --> 00:07:26,639

supporter of the re-alien movement which

187

00:07:32,309 --> 00:07:29,840

believes humans uh human souls die when

188

00:07:34,469 --> 00:07:32,319

the body dies uh they believe that the

189

00:07:36,309 --> 00:07:34,479

key to eternal life is cloning

190

00:07:38,950 --> 00:07:36,319

recreating individuals from their own

191

00:07:41,510 --> 00:07:38,960

genetic makeup the sect has a scientific

192

00:07:42,550 --> 00:07:41,520

arm called clonade

193

00:07:43,909 --> 00:07:42,560

uh

194

00:07:46,150 --> 00:07:43,919

that's delicious i like strawberry

195

00:07:48,390 --> 00:07:46,160

cloneate the best uh

196

00:07:50,790 --> 00:07:48,400

which promotes wacky research into human

197

00:07:52,150 --> 00:07:50,800

cloning why is it wacky research they're

198

00:07:53,510 --> 00:07:52,160

wacky mike

199

00:07:54,790 --> 00:07:53,520

they're doing this they're doing the

200

00:07:57,270 --> 00:07:54,800

stuff right now they're just making fun

201
00:07:58,629 --> 00:07:57,280
of like the re-aliens doing this like

202
00:08:00,070 --> 00:07:58,639
we don't i don't know they're they might

203
00:08:01,749 --> 00:08:00,080
have a vast scientific staff that we

204
00:08:03,990 --> 00:08:01,759
just don't know about

205
00:08:06,150 --> 00:08:04,000
uh al who drove mike uh michael jackson

206
00:08:07,510 --> 00:08:06,160
around and an array of other stars over

207
00:08:09,670 --> 00:08:07,520
the years including whitney houston

208
00:08:11,350 --> 00:08:09,680
prince and motley crew vince neil

209
00:08:14,230 --> 00:08:11,360
connection right there

210
00:08:17,589 --> 00:08:14,240
said the uh the group uh he drove wasn't

211
00:08:19,990 --> 00:08:17,599
jacko's usual pals

212
00:08:21,510 --> 00:08:20,000
uh court had driven uh michael jackson

213
00:08:23,350 --> 00:08:21,520

several times over the years but this

214

00:08:25,749 --> 00:08:23,360

time i actually got the job through a

215

00:08:28,150 --> 00:08:25,759

friend who told me that jackson was

216

00:08:30,550 --> 00:08:28,160

planning to go to this re-alien cloning

217

00:08:31,990 --> 00:08:30,560

event and didn't want to fly because it

218

00:08:33,829 --> 00:08:32,000

was a large group

219

00:08:36,230 --> 00:08:33,839

okay this is just mostly a story about

220

00:08:38,829 --> 00:08:36,240

the taxi driver and

221

00:08:42,149 --> 00:08:38,839

and not necessarily the uh

222

00:08:45,430 --> 00:08:42,159

re-alien i believe i believe it's uh

223

00:08:48,150 --> 00:08:46,870

well it's not it's not spelled like

224

00:08:49,670 --> 00:08:48,160

alien though

225

00:08:51,910 --> 00:08:49,680

it's there's two different

226

00:08:54,949 --> 00:08:51,920

like words associated with this there's

227

00:08:56,150 --> 00:08:54,959

the r aliens then there's the re aliens

228

00:08:58,070 --> 00:08:56,160

there's like two different things it's

229

00:08:59,750 --> 00:08:58,080

a-e-l not

230

00:09:01,190 --> 00:08:59,760

a-l-e

231

00:09:02,550 --> 00:09:01,200

there's one there's

232

00:09:05,190 --> 00:09:02,560

i'm looking at one a version on the

233

00:09:06,310 --> 00:09:05,200

screen here by like it's our a spelled

234

00:09:07,829 --> 00:09:06,320

it wrong

235

00:09:09,430 --> 00:09:07,839

i'm just telling you what i see it's

236

00:09:10,230 --> 00:09:09,440

named after the dude in france so anyway

237

00:09:12,790 --> 00:09:10,240

go ahead

238

00:09:15,190 --> 00:09:12,800

it was hosted by the aurelians and it

239

00:09:17,030 --> 00:09:15,200

was mainly french german and belgian

240

00:09:18,870 --> 00:09:17,040

scientists who were there i remember a

241

00:09:22,310 --> 00:09:18,880

female french doctor who was leading the

242

00:09:24,230 --> 00:09:22,320

whole thing and then they had panels and

243

00:09:26,150 --> 00:09:24,240

and scientific displays it was pretty

244

00:09:27,430 --> 00:09:26,160

mind-blowing

245

00:09:28,870 --> 00:09:27,440

um

246

00:09:30,550 --> 00:09:28,880

uh looking back those doctors and

247

00:09:32,389 --> 00:09:30,560

scientists who were who were with him

248

00:09:34,790 --> 00:09:32,399

were probably trying to get michael to

249

00:09:36,389 --> 00:09:34,800

invest all his uh the best money in

250

00:09:37,750 --> 00:09:36,399

their research it was probably all about

251
00:09:38,949 --> 00:09:37,760
money for them

252
00:09:39,750 --> 00:09:38,959
but he was already fascinated with the

253
00:09:45,190 --> 00:09:39,760
stuff

254
00:09:47,509 --> 00:09:45,200
the whole time i knew him lots of people

255
00:09:48,949 --> 00:09:47,519
in hollywood were

256
00:09:50,870 --> 00:09:48,959
okay that's an interesting thing for the

257
00:09:53,430 --> 00:09:50,880
chauffeur to say

258
00:09:54,870 --> 00:09:53,440
al now believes jacko's body may be

259
00:09:57,430 --> 00:09:54,880
frozen

260
00:09:59,750 --> 00:09:57,440
at the alcor life extension foundation

261
00:10:01,670 --> 00:09:59,760
facility in scottsdale arizona which

262
00:10:04,310 --> 00:10:01,680
freezes human corpses

263
00:10:06,949 --> 00:10:04,320

with the hopes of one day reanimating

264

00:10:09,430 --> 00:10:06,959

them and restoring them to full health

265

00:10:11,350 --> 00:10:09,440

there are people who think that the

266

00:10:14,389 --> 00:10:11,360

think that he is one of these people in

267

00:10:16,870 --> 00:10:14,399

scottsdale in the below zero nitrogen

268

00:10:19,430 --> 00:10:16,880

metal tubes they have in crowd in the

269

00:10:21,430 --> 00:10:19,440

cryogenics facility there

270

00:10:24,310 --> 00:10:21,440

um so i mean this is kind of goes on so

271

00:10:27,829 --> 00:10:24,320

um we read a story a few years ago where

272

00:10:29,670 --> 00:10:27,839

there was a cryogenic uh facility

273

00:10:31,990 --> 00:10:29,680

uh and you could sign up and they would

274

00:10:34,069 --> 00:10:32,000

take your body and keep it on ice well

275

00:10:36,470 --> 00:10:34,079

it turns out that they weren't very

276

00:10:38,550 --> 00:10:36,480

careful with a lot of people's uh

277

00:10:41,430 --> 00:10:38,560

bodies and that they often use their

278

00:10:42,470 --> 00:10:41,440

body they they they piled boxes on top

279

00:10:45,590 --> 00:10:42,480

of your body because they were kind of

280

00:10:48,470 --> 00:10:45,600

low in storage or the part like part of

281

00:10:50,150 --> 00:10:48,480

the bodies were were defrosted and so

282

00:10:52,790 --> 00:10:50,160

they didn't really do a lot of good

283

00:10:54,470 --> 00:10:52,800

upkeep on these cryogenically frozen

284

00:10:56,710 --> 00:10:54,480

humans you would hope that michael

285

00:10:58,949 --> 00:10:56,720

jackson had the money to pay for some

286

00:11:01,269 --> 00:10:58,959

top-notch stuff do you think were they

287

00:11:03,430 --> 00:11:01,279

renting the bodies out for parties too

288

00:11:05,670 --> 00:11:03,440

uh they were doing weird stuff i forget

289

00:11:07,910 --> 00:11:05,680

i think that story was out of the uk

290

00:11:08,870 --> 00:11:07,920

but um hopefully the scottsdale one has

291

00:11:10,310 --> 00:11:08,880

a lot more

292

00:11:12,710 --> 00:11:10,320

remember we had a story about two years

293

00:11:14,389 --> 00:11:12,720

ago about the two competing cryogenic

294

00:11:16,230 --> 00:11:14,399

facilities in russia

295

00:11:18,389 --> 00:11:16,240

um and the the people breaking into the

296

00:11:19,509 --> 00:11:18,399

other one and taking bodies out to take

297

00:11:21,030 --> 00:11:19,519

it to theirs

298

00:11:23,509 --> 00:11:21,040

oh i forgot about that one there's

299

00:11:26,310 --> 00:11:23,519

always a lot of weird stuff

300

00:11:30,550 --> 00:11:26,320

um so the reeling movement was founded

301
00:11:32,150 --> 00:11:30,560
in 1973 by called claude

302
00:11:34,790 --> 00:11:32,160
voorheem

303
00:11:37,829 --> 00:11:34,800
or real as he's known

304
00:11:39,509 --> 00:11:37,839
uh who claims he was contacted by an

305
00:11:41,509 --> 00:11:39,519
alien he says that the extraterrestrial

306
00:11:43,509 --> 00:11:41,519
creature emerged from a flying saucer

307
00:11:45,190 --> 00:11:43,519
and told him that humans were created in

308
00:11:47,110 --> 00:11:45,200
laboratories by a race of humanoid

309
00:11:51,590 --> 00:11:47,120
aliens called the

310
00:11:52,389 --> 00:11:51,600
eholem elohim elohim about 25 000 years

311
00:11:53,750 --> 00:11:52,399
ago

312
00:11:57,190 --> 00:11:53,760
the eholem

313
00:11:59,910 --> 00:11:57,200

had pale had pale green skin long long

314

00:12:02,949 --> 00:11:59,920

dark hair green skin and were about a

315

00:12:04,550 --> 00:12:02,959

meter tall according to

316

00:12:06,870 --> 00:12:04,560

realium

317

00:12:08,150 --> 00:12:06,880

green skin

318

00:12:10,949 --> 00:12:08,160

um

319

00:12:13,590 --> 00:12:10,959

real also co-founded the clone aid

320

00:12:15,190 --> 00:12:13,600

cloneate that that business in the 90s

321

00:12:17,590 --> 00:12:15,200

in a bid to promote research into

322

00:12:19,670 --> 00:12:17,600

cloning they even claimed to have cloned

323

00:12:24,389 --> 00:12:19,680

the first baby back in

324

00:12:26,870 --> 00:12:24,399

20 uh 2002. i thought cloney humans was

325

00:12:28,389 --> 00:12:26,880

illegal in europe in the united states

326

00:12:30,069 --> 00:12:28,399

this is a clone free zone people will

327

00:12:32,230 --> 00:12:30,079

never do it mike

328

00:12:34,470 --> 00:12:32,240

well i mean on the books you know

329

00:12:36,550 --> 00:12:34,480

there's there's like laws that you can't

330

00:12:39,030 --> 00:12:36,560

do this i know china doesn't give a darn

331

00:12:41,269 --> 00:12:39,040

about that stuff but i thought at least

332

00:12:42,550 --> 00:12:41,279

the united states and europe are kind of

333

00:12:44,550 --> 00:12:42,560

in an agreement we're not going to be

334

00:12:46,470 --> 00:12:44,560

cloning humans we're not going to talk

335

00:12:48,150 --> 00:12:46,480

about it anyway

336

00:12:50,470 --> 00:12:48,160

well that there's that uh that i'll

337

00:12:52,949 --> 00:12:50,480

bring up just one more story

338

00:12:54,310 --> 00:12:52,959

um so this is actually from the uh

339

00:12:55,750 --> 00:12:54,320

raelians

340

00:12:58,629 --> 00:12:55,760

themselves

341

00:13:00,150 --> 00:12:58,639

um let me bring this up and they say

342

00:13:03,910 --> 00:13:00,160

michael jackson

343

00:13:06,629 --> 00:13:03,920

uh a raelian honorary guide has probably

344

00:13:08,870 --> 00:13:06,639

been cloned by now so this is on their

345

00:13:11,269 --> 00:13:08,880

official site

346

00:13:13,829 --> 00:13:11,279

uh they have their own not just their

347

00:13:15,430 --> 00:13:13,839

own uh ufo cult they actually have a

348

00:13:17,829 --> 00:13:15,440

website

349

00:13:19,990 --> 00:13:17,839

so that's nice um

350

00:13:21,430 --> 00:13:20,000

like fans worldwide realians have uh

351
00:13:24,710 --> 00:13:21,440
mourned the death of michael jackson who

352
00:13:25,990 --> 00:13:24,720
died who in 1992 was one of the first

353
00:13:29,750 --> 00:13:26,000
individuals

354
00:13:32,790 --> 00:13:29,760
to be named a re-alien honorary guide

355
00:13:35,030 --> 00:13:32,800
for his actions promoting world peace

356
00:13:37,269 --> 00:13:35,040
real the spiritual leader of the iranian

357
00:13:39,509 --> 00:13:37,279
movement has expressed condolences to

358
00:13:42,470 --> 00:13:39,519
the jackson family who uh he met last

359
00:13:44,949 --> 00:13:42,480
december in las vegas the occasion was a

360
00:13:47,430 --> 00:13:44,959
special event celebrating the 35th

361
00:13:49,189 --> 00:13:47,440
anniversary of the creation of the

362
00:13:50,470 --> 00:13:49,199
raelian movement

363
00:13:52,230 --> 00:13:50,480

um

364

00:13:54,710 --> 00:13:52,240

uh quote considering all the good things

365

00:13:56,870 --> 00:13:54,720

michael did on earth for peace and love

366

00:13:58,870 --> 00:13:56,880

i'm sure he's alive today

367

00:14:01,350 --> 00:13:58,880

on the elam

368

00:14:03,590 --> 00:14:01,360

eternal life planet he said in a

369

00:14:05,509 --> 00:14:03,600

statement uh released today his comments

370

00:14:07,829 --> 00:14:05,519

referenced the important tenets of the

371

00:14:10,310 --> 00:14:07,839

aurelian philosophy which claims that

372

00:14:12,550 --> 00:14:10,320

all life forms on earth were created by

373

00:14:13,670 --> 00:14:12,560

the elim highly advanced human

374

00:14:15,350 --> 00:14:13,680

scientists

375

00:14:18,389 --> 00:14:15,360

from other planets

376

00:14:21,189 --> 00:14:18,399

who were mistaken by mistaken for gods

377

00:14:23,269 --> 00:14:21,199

by our ancestors ancestors who have the

378

00:14:25,430 --> 00:14:23,279

capacity to recreate individuals

379

00:14:28,069 --> 00:14:25,440

complete with their full identity thanks

380

00:14:30,310 --> 00:14:28,079

to their advanced cloning technology in

381

00:14:32,550 --> 00:14:30,320

addition uh rail's statement implies

382

00:14:34,710 --> 00:14:32,560

that michael jackson is among the few

383

00:14:35,750 --> 00:14:34,720

humans from earth

384

00:14:38,389 --> 00:14:35,760

to be

385

00:14:41,030 --> 00:14:38,399

cloned and will return to earth with the

386

00:14:43,269 --> 00:14:41,040

elim when humanity has finally decided

387

00:14:45,910 --> 00:14:43,279

to welcome them back so it's up to you

388

00:14:48,230 --> 00:14:45,920

people michael jackson's out there on

389

00:14:50,790 --> 00:14:48,240

that planet out there waiting for you to

390

00:14:52,150 --> 00:14:50,800

welcome him back

391

00:14:54,150 --> 00:14:52,160

[h__\h]

392

00:14:56,710 --> 00:14:54,160

aliens did this

393

00:14:59,590 --> 00:14:56,720

uh by the way am i just in general for a

394

00:15:03,030 --> 00:14:59,600

future topic if you dig into to this to

395

00:15:05,110 --> 00:15:03,040

to rael the guy behind realism um

396

00:15:06,310 --> 00:15:05,120

interesting cat and probably right in

397

00:15:07,590 --> 00:15:06,320

line with stuff we've been talking about

398

00:15:08,870 --> 00:15:07,600

here so

399

00:15:10,710 --> 00:15:08,880

i was i've heard of the movement i've

400

00:15:13,269 --> 00:15:10,720

seen a few things on this i think

401

00:15:14,550 --> 00:15:13,279

jacques villa has uh visited

402

00:15:21,750 --> 00:15:14,560

um

403

00:15:23,110 --> 00:15:21,760

into the guys the guy he's all over the

404

00:15:25,030 --> 00:15:23,120

place on youtube he does a lot of videos

405

00:15:27,030 --> 00:15:25,040

himself so it's there's a lot of

406

00:15:29,590 --> 00:15:27,040

material you can pull from so

407

00:15:32,389 --> 00:15:29,600

anyway just interesting idea there yeah

408

00:15:34,389 --> 00:15:32,399

um so that's basically the uh michael

409

00:15:36,790 --> 00:15:34,399

jackson was close i mean uh clone

410

00:15:38,069 --> 00:15:36,800

segment i mean even live science

411

00:15:40,470 --> 00:15:38,079

covered this

412

00:15:41,749 --> 00:15:40,480

like this was a a fairly big story i'm

413

00:15:43,430 --> 00:15:41,759

surprised i didn't cover it back in the

414

00:15:45,590 --> 00:15:43,440

day maybe i did i just forgot about it

415

00:15:47,910 --> 00:15:45,600

but live science covered this uh could

416

00:15:51,670 --> 00:15:47,920

michael jackson have been cloned

417

00:15:54,870 --> 00:15:51,680

uh and this was written in uh july of

418

00:15:57,990 --> 00:15:54,880

2009 and they go into it they talk about

419

00:15:59,590 --> 00:15:58,000

the possibilities i mean yeah he died in

420

00:16:01,509 --> 00:15:59,600

2009 but

421

00:16:04,710 --> 00:16:01,519

um they just talked about the uh what

422

00:16:07,110 --> 00:16:04,720

has been officially cloned so far cows

423

00:16:08,629 --> 00:16:07,120

pigs dogs cats stuff like that they just

424

00:16:10,629 --> 00:16:08,639

throw it in there

425

00:16:12,790 --> 00:16:10,639

michael jackson cats dogs wait what go

426

00:16:16,310 --> 00:16:12,800

back three dogs

427

00:16:18,710 --> 00:16:16,320

um but uh michael jackson was according

428

00:16:23,030 --> 00:16:18,720

to some in addition to cloning he was

429

00:16:25,509 --> 00:16:23,040

just trying to find a way to

430

00:16:28,230 --> 00:16:25,519

prolong his consciousness like whether

431

00:16:30,310 --> 00:16:28,240

it was in a clone or not

432

00:16:33,030 --> 00:16:30,320

he wanted to have his consciousness

433

00:16:34,550 --> 00:16:33,040

transferred to something whether it was

434

00:16:37,910 --> 00:16:34,560

an android

435

00:16:39,829 --> 00:16:37,920

uh or a living breathing clone that's

436

00:16:40,949 --> 00:16:39,839

what he wanted and he desired it and he

437

00:16:43,350 --> 00:16:40,959

thought he had the money to achieve

438

00:16:45,189 --> 00:16:43,360

those goals we don't know

439

00:16:47,910 --> 00:16:45,199

uh we won't know until we welcome back

440

00:16:49,590 --> 00:16:47,920

these uh re-aliens and it with open arms

441

00:16:51,310 --> 00:16:49,600

asking them to save us from ourselves

442

00:16:55,389 --> 00:16:51,320

give us an email at

443

00:16:58,230 --> 00:16:55,399

ourbit.month gmail.com check out

444

00:16:59,300 --> 00:16:58,240

obdmpo.com for all the social media and
