

# SKINWALKER RANCH THE EVIDENCE

1  
00:00:00,270 --> 00:00:06,389  
[Applause]

2  
00:00:10,310 --> 00:00:08,070  
hey everyone before i play the

3  
00:00:11,910 --> 00:00:10,320  
skinwalker ranch segment from the

4  
00:00:14,070 --> 00:00:11,920  
previous podcast i wanted to talk about

5  
00:00:17,189 --> 00:00:14,080  
that 1.6

6  
00:00:18,790 --> 00:00:17,199  
gigahertz signal um and i went over to

7  
00:00:21,429 --> 00:00:18,800  
twitter to take a look to see if i could

8  
00:00:24,870 --> 00:00:21,439  
find more information and i did and this

9  
00:00:28,070 --> 00:00:24,880  
comes from a uapx account

10  
00:00:30,470 --> 00:00:28,080  
and they are writing there has been a

11  
00:00:33,590 --> 00:00:30,480  
lot of talk about the strange 1.6

12  
00:00:38,310 --> 00:00:33,600  
gigahertz signal at skinwalker ranch yes

13  
00:00:41,270 --> 00:00:38,320

travis taylor told us about told us uapx

14

00:00:43,750 --> 00:00:41,280

a specific frequency to look for during

15

00:00:45,430 --> 00:00:43,760

our catalina expedition yes we saw it we

16

00:00:46,229 --> 00:00:45,440

saw a similar

17

00:00:47,910 --> 00:00:46,239

at

18

00:00:50,310 --> 00:00:47,920

swr

19

00:00:52,150 --> 00:00:50,320

as well so that catalina investigation

20

00:00:53,430 --> 00:00:52,160

was that william shatner document a

21

00:00:55,830 --> 00:00:53,440

documentary

22

00:00:58,150 --> 00:00:55,840

a tear in the sky and he goes on to say

23

00:00:59,670 --> 00:00:58,160

that while the the presence of the

24

00:01:01,910 --> 00:00:59,680

signal

25

00:01:04,869 --> 00:01:01,920

isn't necessarily anomalous because that

26

00:01:07,750 --> 00:01:04,879

frequency uh can be used for uh it's

27

00:01:09,109 --> 00:01:07,760

pretty close to like gps satellites and

28

00:01:11,830 --> 00:01:09,119

uh

29

00:01:13,510 --> 00:01:11,840

medical devices and video transmissions

30

00:01:16,550 --> 00:01:13,520

especially at 1600 megahertz at least

31

00:01:18,950 --> 00:01:16,560

that that's what he wrote here uh it is

32

00:01:22,710 --> 00:01:18,960

he's more concerned about the data

33

00:01:24,550 --> 00:01:22,720

inside that frequency and uh i guess

34

00:01:26,550 --> 00:01:24,560

that maybe didn't come across or at

35

00:01:29,590 --> 00:01:26,560

least i didn't hear that come across in

36

00:01:32,390 --> 00:01:29,600

the skinwalker ranch uh season

37

00:01:34,950 --> 00:01:32,400

uh but they do see that frequency pop up

38

00:01:36,630 --> 00:01:34,960

when they see ufo activity

39

00:01:39,109 --> 00:01:36,640

hopefully that meets makes everything

40

00:01:41,910 --> 00:01:39,119

more confusing for everyone

41

00:01:43,830 --> 00:01:41,920

so here is the skinwalker ranch segment

42

00:01:46,950 --> 00:01:43,840

thanks everyone and if you want full

43

00:01:50,550 --> 00:01:46,960

podcast episodes you want full video

44

00:01:52,230 --> 00:01:50,560

podcast episodes go to [obdmpod.com](http://obdmpod.com)

45

00:01:54,789 --> 00:01:52,240

or check the all the links in the

46

00:01:57,350 --> 00:01:54,799

description of this video

47

00:01:59,190 --> 00:01:57,360

youtube does not like us

48

00:02:01,830 --> 00:01:59,200

uh they haven't liked us for quite a

49

00:02:04,469 --> 00:02:01,840

while so please subscribe subscribe to

50

00:02:06,149 --> 00:02:04,479

the podcast and thanks for tuning in bye

51  
00:02:08,630 --> 00:02:06,159  
it was the

52  
00:02:09,910 --> 00:02:08,640  
final episode of skinwalker ranch season

53  
00:02:12,070 --> 00:02:09,920  
three

54  
00:02:13,750 --> 00:02:12,080  
and i captured some clips they didn't

55  
00:02:15,350 --> 00:02:13,760  
want me to capture the clips but i did

56  
00:02:18,070 --> 00:02:15,360  
and this is the final evidence this is

57  
00:02:21,270 --> 00:02:18,080  
the evidence that they are presenting to

58  
00:02:25,110 --> 00:02:21,280  
not only the nation but the actual

59  
00:02:27,750 --> 00:02:25,120  
governor of utah uh where skinwalker

60  
00:02:29,990 --> 00:02:27,760  
ranch is located so they're in this room

61  
00:02:32,949 --> 00:02:30,000  
they got the governor they got the owner

62  
00:02:35,190 --> 00:02:32,959  
of the ranch brandon fugel they got the

63  
00:02:38,630 --> 00:02:35,200

uh the ranch manager and they also have

64

00:02:42,070 --> 00:02:38,640

george knapp noted author host of of

65

00:02:43,670 --> 00:02:42,080

coast to coast am on certain days

66

00:02:45,190 --> 00:02:43,680

and uh

67

00:02:47,990 --> 00:02:45,200

investigative reporters so they're all

68

00:02:49,030 --> 00:02:48,000

in the room they're presenting evidence

69

00:02:51,830 --> 00:02:49,040

and

70

00:02:52,630 --> 00:02:51,840

they got this first little piece here

71

00:02:55,589 --> 00:02:52,640

where

72

00:02:57,589 --> 00:02:55,599

they did a brand new image mapping of

73

00:02:58,869 --> 00:02:57,599

the entire ranch where they're they're

74

00:03:00,470 --> 00:02:58,879

they're piecing together all these

75

00:03:03,270 --> 00:03:00,480

little points of data i think they're

76

00:03:06,309 --> 00:03:03,280

using some kind of lidar or something

77

00:03:07,350 --> 00:03:06,319

and so they can get a topological

78

00:03:09,910 --> 00:03:07,360

3d

79

00:03:12,229 --> 00:03:09,920

rendering of the entire ranch and when

80

00:03:15,750 --> 00:03:12,239

they did this they detected some

81

00:03:17,589 --> 00:03:15,760

anomalies about 100 feet off the ground

82

00:03:19,910 --> 00:03:17,599

maybe even 300 feet off the ground and

83

00:03:21,990 --> 00:03:19,920

this long string

84

00:03:24,869 --> 00:03:22,000

of weird points that

85

00:03:27,430 --> 00:03:24,879

when rendered it just looks like a black

86

00:03:29,430 --> 00:03:27,440

uh piece of smoke that's just kind of

87

00:03:31,910 --> 00:03:29,440

elongated they don't know what it is and

88

00:03:34,149 --> 00:03:31,920

there's two of these things one is over

89

00:03:37,589 --> 00:03:34,159

uh the mesa the the other one is pretty

90

00:03:39,990 --> 00:03:37,599

close to our a circular rock formation

91

00:03:42,149 --> 00:03:40,000

that native americans have noted is a

92

00:03:43,589 --> 00:03:42,159

sacred site so here is their them

93

00:03:45,589 --> 00:03:43,599

talking about this

94

00:03:47,830 --> 00:03:45,599

the day after pete kelsey conducted his

95

00:03:50,309 --> 00:03:47,840

photogrammetry scan of the ranch he sent

96

00:03:51,750 --> 00:03:50,319

eric all of his compiled data files for

97

00:03:53,830 --> 00:03:51,760

us to review

98

00:03:55,990 --> 00:03:53,840

well i've got only about a billion data

99

00:04:00,390 --> 00:03:56,000

points of course this comes out of pete

100

00:04:03,750 --> 00:04:00,400

kelsey's recent survey work

101  
00:04:05,190 --> 00:04:03,760  
this is a three-dimensional model it's

102  
00:04:07,270 --> 00:04:05,200  
point cloud data

103  
00:04:08,630 --> 00:04:07,280  
what it is is individual points that

104  
00:04:09,670 --> 00:04:08,640  
have been located through a complex

105  
00:04:11,190 --> 00:04:09,680  
algorithm

106  
00:04:12,789 --> 00:04:11,200  
coming out of all these thousands of

107  
00:04:14,470 --> 00:04:12,799  
pictures that he's taken

108  
00:04:15,110 --> 00:04:14,480  
so you take all those images you stitch

109  
00:04:16,629 --> 00:04:15,120  
them together you get a

110  
00:04:18,550 --> 00:04:16,639  
three-dimensional model that's

111  
00:04:21,590 --> 00:04:18,560  
incredible oh yeah yeah so i've been

112  
00:04:22,950 --> 00:04:21,600  
diving into this and turns out there are

113  
00:04:26,550 --> 00:04:22,960

some

114

00:04:28,950 --> 00:04:26,560

very interesting artifacts showing up

115

00:04:31,830 --> 00:04:28,960

whoa you might i just did you see it

116

00:04:34,469 --> 00:04:31,840

yeah okay in the sky oh right there yes

117

00:04:36,629 --> 00:04:34,479

oh weird yes

118

00:04:38,629 --> 00:04:36,639

that looks like that's a whole bunch of

119

00:04:39,990 --> 00:04:38,639

points right there oh it is well what

120

00:04:41,590 --> 00:04:40,000

would cause it to do that if that's up

121

00:04:42,540 --> 00:04:41,600

in the air

122

00:04:45,670 --> 00:04:42,550

that's the question

123

00:04:48,230 --> 00:04:45,680

[Music]

124

00:04:50,150 --> 00:04:48,240

look at this structure

125

00:04:52,629 --> 00:04:50,160

this phantom structure that's sticking

126

00:04:55,510 --> 00:04:52,639

up in the sky

127

00:04:57,350 --> 00:04:55,520

this is odd i got to tell you uh

128

00:04:59,590 --> 00:04:57,360

wow i think it was really prominent from

129

00:05:00,790 --> 00:04:59,600

here it's like it's a yeah

130

00:05:03,670 --> 00:05:00,800

some sort of

131

00:05:07,909 --> 00:05:06,950

it looks more than 100 feet in here

132

00:05:09,590 --> 00:05:07,919

so

133

00:05:10,710 --> 00:05:09,600

another anomaly they don't know what it

134

00:05:12,469 --> 00:05:10,720

is

135

00:05:14,510 --> 00:05:12,479

then they move on to talk about that

136

00:05:17,749 --> 00:05:14,520

weird signal at the

137

00:05:20,230 --> 00:05:17,759

1.6 i think it's megahertz uh they

138

00:05:23,029 --> 00:05:20,240

reached out to a few people to confirm

139

00:05:25,110 --> 00:05:23,039

if maybe other people have noticed this

140

00:05:26,310 --> 00:05:25,120

there is another ufo investigation group

141

00:05:27,670 --> 00:05:26,320

i believe in the west coast that

142

00:05:30,790 --> 00:05:27,680

confirmed that they have picked up the

143

00:05:34,469 --> 00:05:30,800

signal when ufos or uaps are cited they

144

00:05:37,749 --> 00:05:34,479

also talked to luis elizondo from atip

145

00:05:39,909 --> 00:05:37,759

he confirmed that in fact that they did

146

00:05:42,390 --> 00:05:39,919

uh measure a signal right around that

147

00:05:43,430 --> 00:05:42,400

when these uh weird aerial phenomena

148

00:05:45,189 --> 00:05:43,440

happen

149

00:05:47,350 --> 00:05:45,199

so they don't really know what it means

150

00:05:49,350 --> 00:05:47,360

uh other people have speculated that the

151

00:05:51,590 --> 00:05:49,360

1.6

152

00:05:52,870 --> 00:05:51,600

megahertz range is used for signal

153

00:05:56,070 --> 00:05:52,880

jamming

154

00:05:58,950 --> 00:05:56,080

um and it may be of terrestrial origin

155

00:06:01,110 --> 00:05:58,960

but it's used to jam signals or

156

00:06:02,710 --> 00:06:01,120

obfuscate other signals

157

00:06:05,110 --> 00:06:02,720

so they don't they don't really know

158

00:06:07,029 --> 00:06:05,120

what it is but it's a it's a data point

159

00:06:08,790 --> 00:06:07,039

that seems to occur every time these

160

00:06:12,150 --> 00:06:08,800

ufos happen now they were digging

161

00:06:13,110 --> 00:06:12,160

through uh parts of the mesa to try to

162

00:06:15,350 --> 00:06:13,120

get to

163

00:06:17,110 --> 00:06:15,360

this cavernous interior that they think

164

00:06:19,270 --> 00:06:17,120

is there they think that there's some

165

00:06:21,510 --> 00:06:19,280

sort of large object

166

00:06:23,990 --> 00:06:21,520

in this mesa so they hired this drilling

167

00:06:26,550 --> 00:06:24,000

company to drill right in the side of

168

00:06:28,070 --> 00:06:26,560

this bugger and they got about three or

169

00:06:30,469 --> 00:06:28,080

four hundred feet in and they hit

170

00:06:31,830 --> 00:06:30,479

something they hit something uh metallic

171

00:06:34,629 --> 00:06:31,840

and as the

172

00:06:37,430 --> 00:06:34,639

the material was coming out they got the

173

00:06:39,270 --> 00:06:37,440

weird wafer-like metallic substance

174

00:06:41,670 --> 00:06:39,280

analyzed and here's them talking about

175

00:06:42,870 --> 00:06:41,680

this strange material

176

00:06:44,070 --> 00:06:42,880

eric

177

00:06:45,670 --> 00:06:44,080

reached out

178

00:06:47,029 --> 00:06:45,680

to the local university here and had

179

00:06:49,029 --> 00:06:47,039

them do an analysis with a scanning

180

00:06:51,749 --> 00:06:49,039

electron microscope and do

181

00:06:53,830 --> 00:06:51,759

precise elemental analysis makeup of

182

00:06:56,629 --> 00:06:53,840

this material the interesting thing

183

00:06:58,469 --> 00:06:56,639

about the analysis that we got tellurium

184

00:07:01,110 --> 00:06:58,479

is only on one side

185

00:07:02,710 --> 00:07:01,120

and europium which is on the other side

186

00:07:05,510 --> 00:07:02,720

now tellurium

187

00:07:07,670 --> 00:07:05,520

and europium are two of the most rare

188

00:07:09,189 --> 00:07:07,680

materials on the planet

189

00:07:10,870 --> 00:07:09,199

and

190

00:07:12,550 --> 00:07:10,880

it was fused

191

00:07:14,550 --> 00:07:12,560

can that happen

192

00:07:15,430 --> 00:07:14,560

naturally if it were going to be made on

193

00:07:17,909 --> 00:07:15,440

earth

194

00:07:21,830 --> 00:07:17,919

it would have to be done deep under the

195

00:07:24,550 --> 00:07:21,840

crust miles deep in a geological process

196

00:07:26,550 --> 00:07:24,560

there's no volcanic processes happening

197

00:07:29,990 --> 00:07:26,560

there on the ranch or in the uintah

198

00:07:30,870 --> 00:07:30,000

basin that that we know of the only

199

00:07:32,469 --> 00:07:30,880

other

200

00:07:34,790 --> 00:07:32,479

natural

201  
00:07:37,189 --> 00:07:34,800  
way to create this would be an asteroid

202  
00:07:38,950 --> 00:07:37,199  
impact

203  
00:07:42,150 --> 00:07:38,960  
but what we're missing

204  
00:07:43,830 --> 00:07:42,160  
from this asteroid is uh we're missing

205  
00:07:46,150 --> 00:07:43,840  
nickel we're missing iridium we're

206  
00:07:48,390 --> 00:07:46,160  
missing some other things that would be

207  
00:07:49,670 --> 00:07:48,400  
there if it were an asteroid this bears

208  
00:07:50,950 --> 00:07:49,680  
a lot of resemblance to things that were

209  
00:07:53,270 --> 00:07:50,960  
made in a furnace

210  
00:07:55,749 --> 00:07:53,280  
as if this is perhaps

211  
00:07:57,270 --> 00:07:55,759  
an engineered material

212  
00:07:59,909 --> 00:07:57,280  
you remember the space shuttle tiles

213  
00:08:01,990 --> 00:07:59,919

that protected it from heat on re-entry

214

00:08:03,670 --> 00:08:02,000

this material makeup is very similar to

215

00:08:05,110 --> 00:08:03,680

that ceramic

216

00:08:07,749 --> 00:08:05,120

so the the governor is sitting there

217

00:08:10,710 --> 00:08:07,759

listening and they present one final

218

00:08:12,469 --> 00:08:10,720

piece of evidence and this happened on

219

00:08:14,309 --> 00:08:12,479

one of the last experiments where they

220

00:08:16,469 --> 00:08:14,319

had these two or three

221

00:08:19,350 --> 00:08:16,479

giant laser beams shooting up into an

222

00:08:22,070 --> 00:08:19,360

apex apex about 3000 feet over the ranch

223

00:08:23,510 --> 00:08:22,080

where they believe an anomaly is

224

00:08:25,670 --> 00:08:23,520

um and as they were doing this they were

225

00:08:26,550 --> 00:08:25,680

going to shoot a giant rocket straight

226

00:08:28,950 --> 00:08:26,560

through

227

00:08:30,469 --> 00:08:28,960

this these these lasers to try to

228

00:08:33,589 --> 00:08:30,479

provoke a reaction and get some

229

00:08:35,350 --> 00:08:33,599

measurements uh uh and collect some data

230

00:08:36,709 --> 00:08:35,360

uh the rocket kind of misfired it didn't

231

00:08:38,790 --> 00:08:36,719

work out the way they hoped they fired

232

00:08:41,190 --> 00:08:38,800

another one but when they reviewed some

233

00:08:42,550 --> 00:08:41,200

of the footage they saw a ufo appear and

234

00:08:46,550 --> 00:08:42,560

it was a bright ball of light that

235

00:08:49,269 --> 00:08:46,560

appeared and it disappeared it zigged in

236

00:08:50,790 --> 00:08:49,279

and then it zigged out and as it was

237

00:08:51,590 --> 00:08:50,800

zigging out

238

00:08:55,670 --> 00:08:51,600

it

239

00:08:58,310 --> 00:08:55,680

almost kind of dissipated or phased into

240

00:09:01,590 --> 00:08:58,320

some sort of portal

241

00:09:04,630 --> 00:09:01,600

or it cloaked and disappeared

242

00:09:05,430 --> 00:09:04,640

and this is uh them talking about

243

00:09:07,350 --> 00:09:05,440

uh

244

00:09:11,910 --> 00:09:07,360

this final piece of evidence and then

245

00:09:14,470 --> 00:09:11,920

their theory about what may be going on

246

00:09:18,230 --> 00:09:14,480

this is through the lens of a camera

247

00:09:19,590 --> 00:09:18,240

that is tasked with surveying the skies

248

00:09:22,150 --> 00:09:19,600

and i'll draw your attention to this

249

00:09:24,230 --> 00:09:22,160

part of the screen

250

00:09:26,310 --> 00:09:24,240

clearly we have an object something

251

00:09:28,550 --> 00:09:26,320

luminous moving

252

00:09:31,110 --> 00:09:28,560

towards the apex of that configuration

253

00:09:33,190 --> 00:09:31,120

of lasers being broadcast upward from

254

00:09:35,670 --> 00:09:33,200

the triangle

255

00:09:37,910 --> 00:09:35,680

and it just i mean it just goes away

256

00:09:39,269 --> 00:09:37,920

yeah wow

257

00:09:41,910 --> 00:09:39,279

what is the theory of what the

258

00:09:43,350 --> 00:09:41,920

explanation could be well what if some

259

00:09:45,110 --> 00:09:43,360

of the stories

260

00:09:47,670 --> 00:09:45,120

that we keep hearing about from the

261

00:09:49,829 --> 00:09:47,680

ancient native tribes and petroglyphs

262

00:09:51,350 --> 00:09:49,839

that from all different kinds of folks

263

00:09:52,470 --> 00:09:51,360

that have been to the ranch that there's

264

00:09:53,670 --> 00:09:52,480

a portal

265

00:09:56,230 --> 00:09:53,680

access

266

00:09:59,269 --> 00:09:56,240

on the ranch what if that's true

267

00:10:01,910 --> 00:09:59,279

it could be what we just saw

268

00:10:02,870 --> 00:10:01,920

this may be a particular point of

269

00:10:05,990 --> 00:10:02,880

interest

270

00:10:08,790 --> 00:10:06,000

for a wormhole or a stargate some type

271

00:10:10,790 --> 00:10:08,800

of interstellar interaction

272

00:10:13,509 --> 00:10:10,800

one of the stories that's been told from

273

00:10:15,350 --> 00:10:13,519

the sherman and bigelow era that caught

274

00:10:17,350 --> 00:10:15,360

the attention of the dia the defense

275

00:10:18,870 --> 00:10:17,360

intelligence agency was about a hole in

276

00:10:21,030 --> 00:10:18,880

the sky

277

00:10:23,190 --> 00:10:21,040

call it a portal

278

00:10:25,670 --> 00:10:23,200

the rancher would see these things open

279

00:10:27,590 --> 00:10:25,680

up it's dusk here it's afternoon over

280

00:10:29,350 --> 00:10:27,600

there it's like you're looking in

281

00:10:30,829 --> 00:10:29,360

through a hole in the sky to another

282

00:10:32,790 --> 00:10:30,839

place

283

00:10:35,030 --> 00:10:32,800

aliens

284

00:10:37,670 --> 00:10:35,040

so that is it their their best theory

285

00:10:41,110 --> 00:10:37,680

right now is that there is some sort of

286

00:10:43,670 --> 00:10:41,120

portal where these objects are coming in

287

00:10:46,310 --> 00:10:43,680

and out of uh this is their their avenue

288

00:10:49,750 --> 00:10:46,320

this is their doorway this is their port

289

00:10:51,910 --> 00:10:49,760

and they're using it and sometimes those

290

00:10:53,269 --> 00:10:51,920

legends those myths are true is what

291

00:10:55,990 --> 00:10:53,279

they're saying so i like that they're

292

00:10:58,630 --> 00:10:56,000

indulging in some of the native american

293

00:11:00,230 --> 00:10:58,640

folklore and tales and they're taking it

294

00:11:01,829 --> 00:11:00,240

serious and they got some pretty

295

00:11:03,910 --> 00:11:01,839

interesting footage

296

00:11:05,430 --> 00:11:03,920

whether or not it is good enough for

297

00:11:08,230 --> 00:11:05,440

some people

298

00:11:10,230 --> 00:11:08,240

uh that's uh that's left to be seen uh

299

00:11:12,710 --> 00:11:10,240

one of those people that for whatever

300

00:11:13,590 --> 00:11:12,720

reason now joe is on my radar is mick

301  
00:11:18,150 --> 00:11:13,600  
west

302  
00:11:19,190 --> 00:11:18,160  
last podcast and i checked out his

303  
00:11:21,590 --> 00:11:19,200  
interview

304  
00:11:24,630 --> 00:11:21,600  
uh and in conversation where with eric

305  
00:11:27,509 --> 00:11:24,640  
weinstein now i'm just being a fed mick

306  
00:11:30,389 --> 00:11:27,519  
west tweets over and over again

307  
00:11:33,670 --> 00:11:30,399  
and now i i start looking at his tweets

308  
00:11:35,829 --> 00:11:33,680  
and i start to get frustrated because

309  
00:11:38,389 --> 00:11:35,839  
in my opinion

310  
00:11:41,030 --> 00:11:38,399  
mick west is a [h\_\_h] [h\_\_h] and

311  
00:11:42,949 --> 00:11:41,040  
i don't know what to do about it

312  
00:11:45,350 --> 00:11:42,959  
i did i honest to goodness like i said

313  
00:11:47,190 --> 00:11:45,360

with the chemtrail [\h\_\_\h] like

314

00:11:50,150 --> 00:11:47,200

again it's all this straw man [\h\_\_\h] and

315

00:11:52,710 --> 00:11:50,160

the guy is a prick he's a total prick

316

00:11:55,030 --> 00:11:52,720

so he just to reiterate he had a

317

00:11:59,110 --> 00:11:55,040

conversation with eric weinstein and

318

00:12:00,069 --> 00:11:59,120

eric weinstein very respected scientist

319

00:12:02,550 --> 00:12:00,079

uh

320

00:12:03,509 --> 00:12:02,560

he's new to the ufo

321

00:12:06,710 --> 00:12:03,519

topic

322

00:12:08,949 --> 00:12:06,720

uh i believe politely and respectfully

323

00:12:12,550 --> 00:12:08,959

asked mick west to stop being such a

324

00:12:14,150 --> 00:12:12,560

[\h\_\_\h] uh to and those are my words to

325

00:12:16,790 --> 00:12:14,160

hey he basically hey mick could you

326

00:12:19,829 --> 00:12:16,800

please be a little nicer to people that

327

00:12:22,509 --> 00:12:19,839

want to come forward with ufo evidence

328

00:12:26,150 --> 00:12:22,519

so they don't feel so apprehensive

329

00:12:28,230 --> 00:12:26,160

presenting uh this pretty far out there

330

00:12:29,509 --> 00:12:28,240

what used to be considered nonsensical

331

00:12:30,949 --> 00:12:29,519

stories

332

00:12:34,710 --> 00:12:30,959

so we can collect the data and see

333

00:12:37,110 --> 00:12:34,720

what's true or not now mick west uh i

334

00:12:39,990 --> 00:12:37,120

think he pretty much said okay you know

335

00:12:41,190 --> 00:12:40,000

what i will do my best as long as you do

336

00:12:44,230 --> 00:12:41,200

your best

337

00:12:46,710 --> 00:12:44,240

and so uh as of like uh a couple hours

338

00:12:49,430 --> 00:12:46,720

ago this is from the 15th

339

00:12:50,949 --> 00:12:49,440

uh mick west uh hold on maybe i gotta

340

00:12:52,629 --> 00:12:50,959

bring this back up on the screen it did

341

00:12:56,629 --> 00:12:52,639

not

342

00:13:00,470 --> 00:12:56,639

this back up on screen

343

00:13:02,069 --> 00:13:00,480

mick west tweeted out now that i am uh

344

00:13:04,310 --> 00:13:02,079

now that he's in my timeline he tweeted

345

00:13:07,430 --> 00:13:04,320

out saying this

346

00:13:10,310 --> 00:13:07,440

the ufo community complains of stigma

347

00:13:12,790 --> 00:13:10,320

alien jokes and general incredu

348

00:13:15,509 --> 00:13:12,800

incredulity preventing serious

349

00:13:16,790 --> 00:13:15,519

incredulity incredulity

350

00:13:18,949 --> 00:13:16,800

i don't give a [\h\_\_\h]

351  
00:13:20,790 --> 00:13:18,959

wrong

352  
00:13:23,030 --> 00:13:20,800

uh uh

353  
00:13:24,790 --> 00:13:23,040

preventing serious research there's some

354  
00:13:28,389 --> 00:13:24,800

truth to that but perhaps scientists

355  
00:13:30,310 --> 00:13:28,399

also see the vitriol and mockery poured

356  
00:13:32,829 --> 00:13:30,320

on more skeptical investigators like

357  
00:13:34,790 --> 00:13:32,839

myself and decide it's not for

358  
00:13:36,710 --> 00:13:34,800

them uh

359  
00:13:38,949 --> 00:13:36,720

i've got a rocky mountain west i just

360  
00:13:41,350 --> 00:13:38,959

want to say yeah i know

361  
00:13:44,629 --> 00:13:41,360

isn't it [h\_\_h] up he says mike's still

362  
00:13:49,350 --> 00:13:44,639

going on farc i see yeah i do yeah i i

363  
00:13:50,389 --> 00:13:49,360

go i go there for some uh strangers

364

00:13:52,790 --> 00:13:50,399

yeah

365

00:13:54,710 --> 00:13:52,800

i do i go to farc.com to collect some

366

00:13:57,430 --> 00:13:54,720

news stories and to see how the other

367

00:14:01,110 --> 00:13:58,790

um

368

00:14:02,949 --> 00:14:01,120

but then mick west finishes uh up with

369

00:14:04,069 --> 00:14:02,959

this i got a thick skin it's not

370

00:14:06,069 --> 00:14:04,079

affecting me

371

00:14:07,990 --> 00:14:06,079

and i know a lot of it comes from

372

00:14:09,269 --> 00:14:08,000

personal experience but

373

00:14:11,430 --> 00:14:09,279

why are you

374

00:14:13,430 --> 00:14:11,440

hashtag ufo twitter possibly

375

00:14:15,590 --> 00:14:13,440

contributing to the very thing you

376

00:14:17,910 --> 00:14:15,600

bemoan will scientists come into the

377

00:14:20,710 --> 00:14:17,920

field where they get attacked if they

378

00:14:22,629 --> 00:14:20,720

give the wrong answer

379

00:14:25,269 --> 00:14:22,639

and so i and i

380

00:14:26,629 --> 00:14:25,279

that's not how science works

381

00:14:27,670 --> 00:14:26,639

listen these scientists are very

382

00:14:31,110 --> 00:14:27,680

sensitive

383

00:14:33,110 --> 00:14:31,120

mm-hmm and uh what i would say to mick

384

00:14:35,509 --> 00:14:33,120

and i really debated even replying to

385

00:14:38,230 --> 00:14:35,519

this is that for the past 70 years

386

00:14:40,949 --> 00:14:38,240

mainstream uh news and this mainstream

387

00:14:43,829 --> 00:14:40,959

science have made fun of people with ufo

388

00:14:46,150 --> 00:14:43,839

experiences calling them crazy psychotic

389

00:14:48,389 --> 00:14:46,160

wrong uh making up the stories for

390

00:14:49,509 --> 00:14:48,399

attention over and over and over and

391

00:14:51,110 --> 00:14:49,519

over again

392

00:14:53,750 --> 00:14:51,120

and now that he

393

00:14:56,710 --> 00:14:53,760

mick west is involved in researching

394

00:15:00,069 --> 00:14:56,720

ufos he wants to put it on the ufo

395

00:15:03,509 --> 00:15:00,079

community to be nicer to the group of

396

00:15:05,829 --> 00:15:03,519

people who make fun of them

397

00:15:07,990 --> 00:15:05,839

that he wants he wants mick west wants

398

00:15:09,189 --> 00:15:08,000

the group that had been made fun of and

399

00:15:12,629 --> 00:15:09,199

ridiculed

400

00:15:15,829 --> 00:15:12,639

for decades to be the bigger person

401  
00:15:16,949 --> 00:15:15,839  
and accept that some of these uh

402  
00:15:19,430 --> 00:15:16,959  
scientists

403  
00:15:21,990 --> 00:15:19,440  
will ultimately make fun of them and and

404  
00:15:24,069 --> 00:15:22,000  
uh diminish their experiences and they

405  
00:15:26,150 --> 00:15:24,079  
should just do it if you want serious

406  
00:15:27,910 --> 00:15:26,160  
scientific research involved instead of

407  
00:15:30,150 --> 00:15:27,920  
them being the bigger person i mean i

408  
00:15:32,310 --> 00:15:30,160  
wouldn't who's who's going to this guy

409  
00:15:33,910 --> 00:15:32,320  
for anything like this this is now

410  
00:15:36,550 --> 00:15:33,920  
ethical advice

411  
00:15:39,829 --> 00:15:36,560  
yes it is he's he's telling ufo

412  
00:15:42,790 --> 00:15:39,839  
people or you hashtag ufo twitter how to

413  
00:15:45,350 --> 00:15:42,800

act if they want this subject to be

414

00:15:47,269 --> 00:15:45,360

taken seriously and if they don't act a

415

00:15:48,949 --> 00:15:47,279

certain way maybe scientists won't even

416

00:15:51,030 --> 00:15:48,959

get into the field to research it

417

00:15:52,949 --> 00:15:51,040

because uh these scientists are super

418

00:15:54,310 --> 00:15:52,959

sensitive

419

00:15:57,189 --> 00:15:54,320

now i understand there's there's

420

00:15:59,509 --> 00:15:57,199

gatekeepers in every community there's

421

00:16:01,590 --> 00:15:59,519

gatekeepers in the metal community

422

00:16:03,350 --> 00:16:01,600

they're people that are that are upset

423

00:16:05,509 --> 00:16:03,360

that metallica had their song in

424

00:16:08,870 --> 00:16:05,519

stranger things the uh there's people

425

00:16:10,069 --> 00:16:08,880

that are upset that uh star wars is not

426

00:16:12,389 --> 00:16:10,079

the way they think it should be there's

427

00:16:14,389 --> 00:16:12,399

people that are upset that i'm that guy

428

00:16:16,470 --> 00:16:14,399

i'll get keep the [h\_\_h] out of that

429

00:16:19,430 --> 00:16:16,480

listen i'm every one of these people but

430

00:16:22,230 --> 00:16:19,440

we do an entertainment show and and we

431

00:16:25,189 --> 00:16:22,240

make fun of everything mick west who is

432

00:16:28,069 --> 00:16:25,199

trying to seriously

433

00:16:29,910 --> 00:16:28,079

well he's debunking ufo experiences and

434

00:16:32,629 --> 00:16:29,920

and supporting what ufo experience is he

435

00:16:34,790 --> 00:16:32,639

though i don't know i don't know uh he

436

00:16:37,030 --> 00:16:34,800

has been given an opportunity

437

00:16:38,870 --> 00:16:37,040

to visit skinwalker ranch

438

00:16:41,670 --> 00:16:38,880

and maybe experience some of the

439

00:16:43,430 --> 00:16:41,680

phenomenon that has been going on there

440

00:16:45,110 --> 00:16:43,440

uh some of the the evidence that we

441

00:16:47,269 --> 00:16:45,120

played here at least some of the the

442

00:16:48,629 --> 00:16:47,279

claims and he hasn't done it yet you

443

00:16:50,949 --> 00:16:48,639

would imagine if you're a serious

444

00:16:52,310 --> 00:16:50,959

researcher you would jump at the chance

445

00:16:53,430 --> 00:16:52,320

to go out there

446

00:16:56,069 --> 00:16:53,440

um

447

00:16:58,550 --> 00:16:56,079

a podcast associated a friend of mine

448

00:17:00,150 --> 00:16:58,560

tony from the confessionals he he used

449

00:17:01,910 --> 00:17:00,160

his own money to not even go to

450

00:17:04,630 --> 00:17:01,920

skinwalker ranch but go to the property

451  
00:17:05,750 --> 00:17:04,640  
next door because he likes the topic so

452  
00:17:08,309 --> 00:17:05,760  
much

453  
00:17:11,189 --> 00:17:08,319  
uh and you'd figure mick west would jump

454  
00:17:12,949 --> 00:17:11,199  
at the chance to seriously investigate

455  
00:17:15,350 --> 00:17:12,959  
all the happenings out there so he could

456  
00:17:18,789 --> 00:17:15,360  
debunk it and call the other people

457  
00:17:20,390 --> 00:17:18,799  
there crazy lunatic uh maybe just doing

458  
00:17:22,789 --> 00:17:20,400  
it for uh

459  
00:17:25,990 --> 00:17:22,799  
money and promotion but he hasn't done

460  
00:17:28,309 --> 00:17:26,000  
it yet so we need to get a gofundme for

461  
00:17:31,590 --> 00:17:28,319  
mick west to go to skinwalker ranch and

462  
00:17:34,950 --> 00:17:31,600  
live there for one month and report back

463  
00:17:37,270 --> 00:17:34,960

okay but he has to fly coach okay

464

00:17:39,430 --> 00:17:37,280

we know he doesn't have a job apparently

465

00:17:41,510 --> 00:17:39,440

all he does for a living is debunk

466

00:17:44,950 --> 00:17:41,520

things like what the [h\_\_h] does he do for

467

00:17:47,350 --> 00:17:44,960

a living does he have a wikipedia um

468

00:17:48,870 --> 00:17:47,360

let's see here this is see the british

469

00:17:50,470 --> 00:17:48,880

science writer skeptical investigator

470

00:17:52,470 --> 00:17:50,480

and retired video game programmer yes

471

00:17:54,590 --> 00:17:52,480

that's him yeah yeah so no he doesn't

472

00:17:56,549 --> 00:17:54,600

know wikipedia well he runs a

473

00:17:58,470 --> 00:17:56,559

metabunk.org

474

00:18:00,710 --> 00:17:58,480

and a funk

475

00:18:03,110 --> 00:18:00,720

meta bunker that's an organization this

476  
00:18:05,270 --> 00:18:03,120  
is serious everybody i would say that

477  
00:18:06,710 --> 00:18:05,280  
that sounds like a uh

478  
00:18:09,270 --> 00:18:06,720  
name of a

479  
00:18:11,350 --> 00:18:09,280  
gay porno you know what for like a a

480  
00:18:13,669 --> 00:18:11,360  
video game programmer you'd imagine he

481  
00:18:15,190 --> 00:18:13,679  
would know some front-end developers so

482  
00:18:17,830 --> 00:18:15,200  
the site wouldn't look like it was

483  
00:18:18,789 --> 00:18:17,840  
wordpress from 1995.

484  
00:18:20,789 --> 00:18:18,799  
like

485  
00:18:22,950 --> 00:18:20,799  
it looks awful look farc is a better

486  
00:18:24,789 --> 00:18:22,960  
designed website than this

487  
00:18:29,430 --> 00:18:24,799  
[h\_\_\h] [h\_\_\h]

488  
00:18:34,150 --> 00:18:31,110

all right you know i like to throw my

489

00:18:35,990 --> 00:18:34,160

trash in the toilet i know that

490

00:18:37,590 --> 00:18:36,000

so i mean i don't really want to pick on

491

00:18:38,950 --> 00:18:37,600

mick west but i will continue to do so

492

00:18:40,630 --> 00:18:38,960

for the next 10 minutes

493

00:18:42,710 --> 00:18:40,640

um

494

00:18:43,510 --> 00:18:42,720

would you have a conversation with him

495

00:18:45,590 --> 00:18:43,520

joe

496

00:18:48,390 --> 00:18:45,600

i just we had a twitter back and forth

497

00:18:50,789 --> 00:18:48,400

and that's it and he is real unrelenting

498

00:18:53,029 --> 00:18:50,799

like he totally under he will just pound

499

00:18:55,110 --> 00:18:53,039

pound pound you will send him something

500

00:18:57,510 --> 00:18:55,120

and it's just like send the same picture

501  
00:19:00,710 --> 00:18:57,520  
over and over and say this is good like

502  
00:19:03,029 --> 00:19:00,720  
he's a [h\_\_h] like he's the shilliest

503  
00:19:04,630 --> 00:19:03,039  
chill he's king of the shells

504  
00:19:07,909 --> 00:19:04,640  
would you be opposed to having him on

505  
00:19:15,350 --> 00:19:10,230  
actually i would rather get in the

506  
00:19:18,390 --> 00:19:16,950  
all right

507  
00:19:19,750 --> 00:19:18,400  
uh because i've been thinking about i

508  
00:19:21,270 --> 00:19:19,760  
just i just saw that image you sent me i

509  
00:19:22,549 --> 00:19:21,280  
put that up

510  
00:19:25,029 --> 00:19:22,559  
i've been thinking about the reason i

511  
00:19:26,230 --> 00:19:25,039  
sent the reason i sent uh crotchets this

512  
00:19:28,070 --> 00:19:26,240  
image

513  
00:19:30,310 --> 00:19:28,080

has it on screen right now it is the

514

00:19:32,390 --> 00:19:30,320

mark of an educated mind to entertain a

515

00:19:34,710 --> 00:19:32,400

thought without accepting it mick west

516

00:19:36,230 --> 00:19:34,720

is the exact opposite of that he's like

517

00:19:38,310 --> 00:19:36,240

[\h\_\_\h] you [\h\_\_\h] your ideas [\h\_\_\h] your

518

00:19:40,390 --> 00:19:38,320

evidence [\h\_\_\h] everything i'm i'm mick

519

00:19:43,029 --> 00:19:40,400

west and i decide what real

520

00:19:45,270 --> 00:19:43,039

is for everybody

521

00:19:47,350 --> 00:19:45,280

to a certain degree i can appreciate

522

00:19:48,230 --> 00:19:47,360

that asshole-ishness

523

00:19:50,549 --> 00:19:48,240

um

524

00:19:51,350 --> 00:19:50,559

but when it comes down to like uh

525

00:19:52,390 --> 00:19:51,360

certainly

526

00:19:54,710 --> 00:19:52,400

these subjects

527

00:19:56,150 --> 00:19:54,720

and that it is very tough to collect

528

00:19:58,789 --> 00:19:56,160

evidence for

529

00:20:00,789 --> 00:19:58,799

ufo related topics and the paranormal in

530

00:20:03,590 --> 00:20:00,799

general that the experiences are very

531

00:20:06,149 --> 00:20:03,600

fleeting they can last uh one to five

532

00:20:07,669 --> 00:20:06,159

seconds and uh yeah technically there

533

00:20:09,590 --> 00:20:07,679

should be more evidence that the public

534

00:20:12,310 --> 00:20:09,600

has uh but everything that's collected

535

00:20:14,549 --> 00:20:12,320

so far is what we have uh we don't know

536

00:20:15,909 --> 00:20:14,559

what evidence has been collected by the

537

00:20:17,750 --> 00:20:15,919

government

538

00:20:20,789 --> 00:20:17,760

and just hasn't been presented in public

539

00:20:21,590 --> 00:20:20,799

i imagine quite a bit if the stories are

540

00:20:23,270 --> 00:20:21,600

true

541

00:20:25,590 --> 00:20:23,280

at least from gary mckinnon the hacker

542

00:20:29,430 --> 00:20:25,600

from the uk and what he found on nasa

543

00:20:31,350 --> 00:20:29,440

servers if those are even uh half true

544

00:20:32,950 --> 00:20:31,360

then there is a considerable amount of

545

00:20:36,070 --> 00:20:32,960

evidence that has been withheld from the

546

00:20:38,310 --> 00:20:36,080

public and uh people like mick west

547

00:20:39,750 --> 00:20:38,320

now even if you went midwest went to

548

00:20:42,070 --> 00:20:39,760

skinwalker ranch and had these

549

00:20:44,710 --> 00:20:42,080

incredible experiences

550

00:20:48,149 --> 00:20:44,720

and he he had the poltergeist encounters

551  
00:20:50,070 --> 00:20:48,159  
he saw uh ufos uh he ran into a dog man

552  
00:20:51,590 --> 00:20:50,080  
or a bigfoot i don't even know if he

553  
00:20:53,590 --> 00:20:51,600  
would report it back

554  
00:20:55,750 --> 00:20:53,600  
i don't even know if he can convey his

555  
00:20:57,590 --> 00:20:55,760  
personal experiences there because there

556  
00:20:59,190 --> 00:20:57,600  
might not be any tangible proof or

557  
00:21:01,029 --> 00:20:59,200  
evidence that he can present to people

558  
00:21:03,110 --> 00:21:01,039  
and he would wind up looking crazy the

559  
00:21:06,390 --> 00:21:03,120  
same people that he bemoans and doesn't

560  
00:21:07,830 --> 00:21:06,400  
like engaging with or makes fun of

561  
00:21:11,430 --> 00:21:07,840  
now he says he doesn't really make fun

562  
00:21:12,549 --> 00:21:11,440  
of them um he may not make fun of them

563  
00:21:15,270 --> 00:21:12,559

per se

564

00:21:16,390 --> 00:21:15,280

but with your experience joe going back

565

00:21:18,870 --> 00:21:16,400

and forth

566

00:21:21,510 --> 00:21:18,880

he seems to really kind of be less than

567

00:21:24,070 --> 00:21:21,520

diplomatic when it comes to these topics

568

00:21:26,710 --> 00:21:24,080

no he's very pushy okay

569

00:21:28,230 --> 00:21:26,720

yeah that's that's why i even

570

00:21:30,630 --> 00:21:28,240

i thought better about even trying to

571

00:21:33,350 --> 00:21:30,640

engage with him on twitter i may do so

572

00:21:35,590 --> 00:21:33,360

only to invite him on the show uh

573

00:21:37,350 --> 00:21:35,600

i would only invite him on a show joe if

574

00:21:39,590 --> 00:21:37,360

you're okay with it and if cretchet's

575

00:21:41,590 --> 00:21:39,600

okay with us i'm totally okay with it i

576

00:21:43,590 --> 00:21:41,600

like talking to people who can be civil

577

00:21:45,669 --> 00:21:43,600

but he's not a very civil person no he's

578

00:21:47,669 --> 00:21:45,679

not okay well then i mean you listened

579

00:21:49,590 --> 00:21:47,679

to him with weinstein what did you do

580

00:21:51,909 --> 00:21:49,600

you think he was civil i thought he was

581

00:21:54,070 --> 00:21:51,919

civil only because it was eric weinstein

582

00:21:56,149 --> 00:21:54,080

if it was somebody else that he didn't

583

00:21:58,310 --> 00:21:56,159

know or respect like he doesn't know who

584

00:21:59,430 --> 00:21:58,320

we are and you wouldn't respect us like

585

00:22:00,870 --> 00:21:59,440

he would probably listen to one of our

586

00:22:01,990 --> 00:22:00,880

clips about skinwalker ranch or

587

00:22:04,470 --> 00:22:02,000

something like that and he's like oh

588

00:22:06,549 --> 00:22:04,480

these guys are are stupid [\h\_\_\h] and

589

00:22:08,950 --> 00:22:06,559

we are playing flip about the broken

590

00:22:10,230 --> 00:22:08,960

phones we'll have a different take on it

591

00:22:14,390 --> 00:22:10,240

sure

592

00:22:16,710 --> 00:22:14,400

i i want to know like i again it's like

593

00:22:19,029 --> 00:22:16,720

who is this guy and why does he have

594

00:22:20,070 --> 00:22:19,039

this authority like what gives

595

00:22:23,430 --> 00:22:20,080

like that's why i asked about the

596

00:22:26,310 --> 00:22:23,440

wikipedia page who the [\h\_\_\h] is he

597

00:22:28,310 --> 00:22:26,320

uh it's like klaus schwab like nobody

598

00:22:30,149 --> 00:22:28,320

voted for you you prick

599

00:22:32,630 --> 00:22:30,159

you know if mick west was getting

600

00:22:35,750 --> 00:22:32,640

bludgeoned to death by bigfoot and the

601  
00:22:37,590 --> 00:22:35,760  
dog man and an alien i'd just piss on

602  
00:22:39,190 --> 00:22:37,600  
him i don't give a [h\_\_h] about this guy

603  
00:22:41,830 --> 00:22:39,200  
and i think he's a dick

604  
00:22:43,029 --> 00:22:41,840  
what is your problem

605  
00:22:44,549 --> 00:22:43,039  
that's what i would say i would just ask

606  
00:22:46,270 --> 00:22:44,559  
him all these alex jones questions what

607  
00:22:48,789 --> 00:22:46,280  
is 2s

608  
00:22:50,630 --> 00:22:48,799  
lgbtqia plus yeah maybe alex jones would

609  
00:22:52,230 --> 00:22:50,640  
do our interview for him what sex are

610  
00:22:54,950 --> 00:22:52,240  
you or what sex are you into let's talk

611  
00:22:57,510 --> 00:22:54,960  
about sex

612  
00:22:59,110 --> 00:22:57,520  
rambo saito

613  
00:23:01,110 --> 00:22:59,120

i i think we could ruin the entire

614

00:23:03,430 --> 00:23:01,120

interview we can invite them on and just

615

00:23:05,430 --> 00:23:03,440

do that stuff so just tell them alex is

616

00:23:06,549 --> 00:23:05,440

on the line just another camera yeah

617

00:23:08,630 --> 00:23:06,559

from

618

00:23:10,470 --> 00:23:08,640

bocato

619

00:23:11,909 --> 00:23:10,480

it is called

620

00:23:16,909 --> 00:23:11,919

mitchell

621

00:23:24,110 --> 00:23:20,830

regulation will somebody look up what uh

622

00:23:26,310 --> 00:23:24,120

trivial literal

623

00:23:28,870 --> 00:23:26,320

regurgitation is i don't know about

624

00:23:31,909 --> 00:23:28,880

pronouncing that right

625

00:23:36,789 --> 00:23:34,950

just throw all those questions at mick

626

00:23:38,789 --> 00:23:36,799

and now mick west is on twitter going

627

00:23:41,750 --> 00:23:38,799

after uh michyukaku

628

00:23:43,510 --> 00:23:41,760

um going after him about the aliens and

629

00:23:47,029 --> 00:23:43,520

uh michio kaku

630

00:23:51,110 --> 00:23:47,039

astrophysicist he has been one of the

631

00:23:53,669 --> 00:23:51,120

the harshest critics to ufo uh

632

00:23:55,269 --> 00:23:53,679

the ufo topic in general it's only as of

633

00:23:57,269 --> 00:23:55,279

2017

634

00:23:59,110 --> 00:23:57,279

since the new york times article came

635

00:24:01,029 --> 00:23:59,120

out and the atip program and that the

636

00:24:04,390 --> 00:24:01,039

government has been a little bit more

637

00:24:06,230 --> 00:24:04,400

honest about this stuff has the uh

638

00:24:09,029 --> 00:24:06,240

regular normal mainstream scientific

639

00:24:12,149 --> 00:24:09,039

community be have been somewhat open to

640

00:24:14,149 --> 00:24:12,159

the topic and nick is there to preserve

641

00:24:16,310 --> 00:24:14,159

the old guard for and for whatever

642

00:24:19,110 --> 00:24:16,320

reason maybe he just does it maybe it

643

00:24:21,430 --> 00:24:19,120

upsets his reality and he's probably

644

00:24:22,870 --> 00:24:21,440

genuinely curious about the topic i

645

00:24:25,350 --> 00:24:22,880

suppose

646

00:24:27,190 --> 00:24:25,360

um but it doesn't seem like he he goes

647

00:24:29,830 --> 00:24:27,200

deep and i'll take a look at his

648

00:24:31,669 --> 00:24:29,840

chemtrail debunking and compare and

649

00:24:33,590 --> 00:24:31,679

contrast it with some of the other stuff

650

00:24:34,950 --> 00:24:33,600

maybe i debunk uh

651  
00:24:36,549 --> 00:24:34,960  
the debunker

652  
00:24:39,510 --> 00:24:36,559  
oh you're gonna double bunk them i'm

653  
00:24:44,390 --> 00:24:42,149  
okay okay early life wait are you gonna

654  
00:24:47,190 --> 00:24:44,400  
rebunk are you gonna rebunk his debunk

655  
00:24:49,669 --> 00:24:47,200  
yeah oh i like that brie bunk well you

656  
00:24:51,029 --> 00:24:49,679  
gotta go at that angle okay i'll read

657  
00:24:52,630 --> 00:24:51,039  
them to the teeth

658  
00:24:55,110 --> 00:24:52,640  
i'll rebunk them

659  
00:24:56,870 --> 00:24:55,120  
here for a rebunking

660  
00:24:59,190 --> 00:24:56,880  
okay maybe i'll i'll tweet that to him

661  
00:25:02,149 --> 00:24:59,200  
come on my show and we're gonna rebunk

662  
00:25:04,549 --> 00:25:02,159  
you come on my show joe i will say that

663  
00:25:05,430 --> 00:25:04,559

to him and he's like who's joe

664

00:25:07,269 --> 00:25:05,440

sorry

665

00:25:09,350 --> 00:25:07,279

okay okay okay so crotch found a

666

00:25:11,350 --> 00:25:09,360

wikipedia do you want to go through it

667

00:25:13,750 --> 00:25:11,360

i'd love to there's nothing

668

00:25:15,269 --> 00:25:13,760

just let's just touch on it we'll just

669

00:25:17,190 --> 00:25:15,279

ignite

670

00:25:19,190 --> 00:25:17,200

we'll sniff the wikipedia articles here

671

00:25:21,669 --> 00:25:19,200

just lean over gently sniff it

672

00:25:26,149 --> 00:25:21,679

yes okay so we grew up in the small

673

00:25:30,870 --> 00:25:29,669

bradford hey we know of bradford yeah

674

00:25:32,549 --> 00:25:30,880

england

675

00:25:35,029 --> 00:25:32,559

as a child he was fascinated by the

676

00:25:36,789 --> 00:25:35,039

paranormal ufo and

677

00:25:38,789 --> 00:25:36,799

stories of alien abductions also

678

00:25:41,029 --> 00:25:38,799

believing he had psychic abilities as he

679

00:25:43,830 --> 00:25:41,039

grew older he came to believe that these

680

00:25:44,870 --> 00:25:43,840

phenomena were not real and instead

681

00:25:47,029 --> 00:25:44,880

that

682

00:25:48,710 --> 00:25:47,039

there were rational explanations to

683

00:25:51,029 --> 00:25:48,720

explain them

684

00:25:52,950 --> 00:25:51,039

i used to be quote i used to believe in

685

00:25:55,909 --> 00:25:52,960

all this stuff and then i stopped

686

00:25:58,630 --> 00:25:55,919

believing in all this stuff and i guess

687

00:26:00,789 --> 00:25:58,640

just figuring out why this stuff was

688

00:26:02,870 --> 00:26:00,799

wrong became interesting to me boy that

689

00:26:03,750 --> 00:26:02,880

is the dumbest quote i've ever heard oh

690

00:26:05,590 --> 00:26:03,760

really

691

00:26:07,590 --> 00:26:05,600

so he used to believe in stuff that he

692

00:26:09,909 --> 00:26:07,600

no longer believes and see if there was

693

00:26:11,750 --> 00:26:09,919

stuff and then i believed in it and then

694

00:26:14,549 --> 00:26:11,760

there were the stuff that i believed and

695

00:26:16,710 --> 00:26:14,559

became stuff i don't believe in okay

696

00:26:18,950 --> 00:26:16,720

that's an actual quote

697

00:26:22,230 --> 00:26:18,960

in early adulthood west found himself

698

00:26:25,909 --> 00:26:22,240

using a pre-internet modern based

699

00:26:27,750 --> 00:26:25,919

bulletin board called fidonet to argue

700

00:26:30,149 --> 00:26:27,760

that's not what internet means that

701  
00:26:32,470 --> 00:26:30,159  
means pre-web not pre-internet

702  
00:26:34,149 --> 00:26:32,480  
yeah can we uh debunk the

703  
00:26:36,230 --> 00:26:34,159  
claim of that yeah

704  
00:26:37,029 --> 00:26:36,240  
yeah let's set fire to this wikipedia

705  
00:26:38,470 --> 00:26:37,039  
page

706  
00:26:39,990 --> 00:26:38,480  
does it say that he went on fighter net

707  
00:26:42,789 --> 00:26:40,000  
to argue

708  
00:26:45,510 --> 00:26:42,799  
it does it literally says that so he he

709  
00:26:48,630 --> 00:26:45,520  
has a history of being combative yeah

710  
00:26:50,549 --> 00:26:48,640  
and uh asshole-ish yeah yep but joe that

711  
00:26:52,549 --> 00:26:50,559  
sentence this passive he he found

712  
00:26:53,269 --> 00:26:52,559  
himself on the he didn't know how he got

713  
00:26:54,950 --> 00:26:53,279

there

714

00:26:56,710 --> 00:26:54,960

he found himself on the bulletin board

715

00:26:59,029 --> 00:26:56,720

missing time he woke up on the internet

716

00:27:00,230 --> 00:26:59,039

oh yeah 14 seconds are gone now i'm on

717

00:27:03,830 --> 00:27:00,240

photo net

718

00:27:09,350 --> 00:27:06,630

uh to argue with people who are using

719

00:27:11,110 --> 00:27:09,360

it to spread conspiracy theories okay so

720

00:27:13,590 --> 00:27:11,120

uh all of a sudden he became an

721

00:27:15,830 --> 00:27:13,600

authority so he's a video game

722

00:27:18,630 --> 00:27:15,840

programmer apparently west co-founded

723

00:27:21,110 --> 00:27:18,640

the video game development company never

724

00:27:22,549 --> 00:27:21,120

soft entertainment so he's got a hard on

725

00:27:25,350 --> 00:27:22,559

constantly

726  
00:27:26,870 --> 00:27:25,360  
never soft entertainment

727  
00:27:29,830 --> 00:27:26,880  
you're right joe i did

728  
00:27:31,470 --> 00:27:29,840  
jesus boner

729  
00:27:35,190 --> 00:27:31,480  
in july

730  
00:27:37,269 --> 00:27:35,200  
1994 with joel jewett

731  
00:27:39,190 --> 00:27:37,279  
what kind of game did he put out what's

732  
00:27:42,310 --> 00:27:39,200  
the value let's look up never soft

733  
00:27:44,470 --> 00:27:43,430  
was it

734  
00:27:46,310 --> 00:27:44,480  
didn't they just

735  
00:27:48,470 --> 00:27:46,320  
oh yeah here we go neversoft is known

736  
00:27:50,389 --> 00:27:48,480  
for spiderman tony hawk and guitar hero

737  
00:27:52,310 --> 00:27:50,399  
video game franchises okay so that's

738  
00:27:54,470 --> 00:27:52,320

pretty cool

739

00:27:56,310 --> 00:27:54,480

before the internet okay

740

00:27:58,789 --> 00:27:56,320

and wes was heavily involved in

741

00:28:01,190 --> 00:27:58,799

programming the first five games of tony

742

00:28:03,110 --> 00:28:01,200

hawk series the company was acquired by

743

00:28:04,389 --> 00:28:03,120

activision so this is how he got his

744

00:28:05,750 --> 00:28:04,399

money okay

745

00:28:07,669 --> 00:28:05,760

got butt out good for him i mean i'm not

746

00:28:08,710 --> 00:28:07,679

going to begrudge that no

747

00:28:09,990 --> 00:28:08,720

name i mean you could have named it

748

00:28:12,389 --> 00:28:10,000

boner entertainment but they called it

749

00:28:14,549 --> 00:28:12,399

neversoft so smart move

750

00:28:18,549 --> 00:28:14,559

it's like microsoft

751  
00:28:21,430 --> 00:28:18,559  
it is tiny limp

752  
00:28:25,990 --> 00:28:23,669  
micropenis.com

753  
00:28:26,000 --> 00:28:29,990  
micropain is 98.

754  
00:28:34,149 --> 00:28:32,149  
so he's got a lot of money he's got time

755  
00:28:36,470 --> 00:28:34,159  
and so he goes on the internet debunking

756  
00:28:39,350 --> 00:28:36,480  
conspiracy theories and honestly if i

757  
00:28:41,510 --> 00:28:39,360  
had a lot of money and i could just sit

758  
00:28:44,389 --> 00:28:41,520  
around and do podcasts i'd do a lot more

759  
00:28:46,389 --> 00:28:44,399  
and i'd probably put out a lot more bs

760  
00:28:48,070 --> 00:28:46,399  
and a lot more fun entertainment and

761  
00:28:50,149 --> 00:28:48,080  
invent my own conspiracies and have a

762  
00:28:51,669 --> 00:28:50,159  
good time with it that's right yeah and

763  
00:28:54,230 --> 00:28:51,679

when he's not beating his kids he's

764

00:28:56,789 --> 00:28:54,240

neglecting them yes

765

00:29:00,149 --> 00:28:58,470

i've worked for a guy one time who

766

00:29:02,630 --> 00:29:00,159

bragged about beating his kids he's like

767

00:29:04,149 --> 00:29:02,640

he's the only way to parent yeah he said

768

00:29:05,830 --> 00:29:04,159

it like we would do these happy hours

769

00:29:07,110 --> 00:29:05,840

and he's like no no man you got to beat

770

00:29:11,269 --> 00:29:07,120

him

771

00:29:12,710 --> 00:29:11,279

wow he's he was like the boss

772

00:29:14,230 --> 00:29:12,720

that's kind of sick

773

00:29:15,990 --> 00:29:14,240

he got fired

774

00:29:18,789 --> 00:29:16,000

for beating his kids or for a whole

775

00:29:21,350 --> 00:29:18,799

another topic no he he beat us on you

776

00:29:22,950 --> 00:29:21,360

know in the office no he just

777

00:29:24,230 --> 00:29:22,960

like there was one day he was drunk at

778

00:29:25,350 --> 00:29:24,240

11 a.m

779

00:29:26,470 --> 00:29:25,360

oh

780

00:29:27,830 --> 00:29:26,480

day drinking

781

00:29:29,510 --> 00:29:27,840

did you beat him that day did you use

782

00:29:31,269 --> 00:29:29,520

like i could meet you at 10 30. i have

783

00:29:33,269 --> 00:29:31,279

avoided him at all

784

00:29:35,350 --> 00:29:33,279

he this is this is the same guy he's

785

00:29:36,230 --> 00:29:35,360

like mick west in a lot of ways like i

786

00:29:37,110 --> 00:29:36,240

said

787

00:29:38,070 --> 00:29:37,120

you know

788

00:29:40,789 --> 00:29:38,080

uh

789

00:29:42,789 --> 00:29:40,799

dan rather reported that the fbi helped

790

00:29:44,630 --> 00:29:42,799

build the bomb that went off in the

791

00:29:46,230 --> 00:29:44,640

world trade center in 1993 he's like

792

00:29:48,230 --> 00:29:46,240

that's [h\_\_\h] [h\_\_\h] what are you

793

00:29:49,430 --> 00:29:48,240

[h\_\_\h] talking about you're just crazy

794

00:29:51,580 --> 00:29:49,440

and it's like

795

00:29:53,110 --> 00:29:51,590

all right yeah whatever yeah

796

00:29:56,070 --> 00:29:53,120

[Music]

797

00:29:58,950 --> 00:29:56,080

well i before i invite him on i'll i'll

798

00:30:01,029 --> 00:29:58,960

let you guys know and uh

799

00:30:04,230 --> 00:30:01,039

then we'll have to set something up and

800

00:30:06,149 --> 00:30:04,240

we'll provide a topic of conversation

801  
00:30:08,870 --> 00:30:06,159  
and we'll have to do our research to

802  
00:30:11,190 --> 00:30:08,880  
i'll see if we can uh debunk the or

803  
00:30:13,590 --> 00:30:11,200  
rebunk the bunker

804  
00:30:15,669 --> 00:30:13,600  
you're some kind of bunko artist

805  
00:30:17,590 --> 00:30:15,679  
yeah hey and and before we leave this

806  
00:30:20,470 --> 00:30:17,600  
topic where you started it on skinwalker

807  
00:30:21,990 --> 00:30:20,480  
ranch i just want to say they like they

808  
00:30:25,669 --> 00:30:22,000  
might as well just say whatever they

809  
00:30:28,870 --> 00:30:25,679  
want like intergalactic space gremlins

810  
00:30:31,350 --> 00:30:28,880  
were coming through the sewer pipes and

811  
00:30:33,269 --> 00:30:31,360  
all of a sudden a dog man emerged from

812  
00:30:35,830 --> 00:30:33,279  
the bushes over there but it was just a

813  
00:30:38,470 --> 00:30:35,840

split second and the ufo appeared right

814

00:30:40,950 --> 00:30:38,480

above the sun and we couldn't tell you

815

00:30:42,789 --> 00:30:40,960

know what kind of shape it was but then

816

00:30:44,549 --> 00:30:42,799

the werewolf howled

817

00:30:45,830 --> 00:30:44,559

in the distance like they're just saying

818

00:30:47,750 --> 00:30:45,840

gobbly cook

819

00:30:49,269 --> 00:30:47,760

bigfoot well

820

00:30:51,590 --> 00:30:49,279

you know and their phones are broken i

821

00:30:54,310 --> 00:30:51,600

am uh i'm playing i i'm editing these

822

00:30:56,230 --> 00:30:54,320

quick clips down as uh as much as i can

823

00:30:58,789 --> 00:30:56,240

so they're not

824

00:31:00,630 --> 00:30:58,799

full-length you know 40-minute shows and

825

00:31:02,950 --> 00:31:00,640

i have to paraphrase a lot of things so

826

00:31:05,110 --> 00:31:02,960

there is a lot more to the show a lot

827

00:31:08,070 --> 00:31:05,120

more interesting uh presentations than

828

00:31:09,430 --> 00:31:08,080

i'm able to to do here in our in our uh

829

00:31:11,909 --> 00:31:09,440

in our show so

830

00:31:14,310 --> 00:31:11,919

um i agree there's some gobbledygook in

831

00:31:16,389 --> 00:31:14,320

there but i think that travis taylor and

832

00:31:18,950 --> 00:31:16,399

the team over there they do as good uh

833

00:31:21,669 --> 00:31:18,960

of a job as they can do to explain some

834

00:31:24,630 --> 00:31:21,679

of these weird anomalies so hopefully

835

00:31:26,630 --> 00:31:24,640

they'll explain it all on season four in

836

00:31:29,350 --> 00:31:26,640

2023

837

00:31:31,190 --> 00:31:29,360

when uh all hell breaks loose

838

00:31:33,029 --> 00:31:31,200

and you know next year

839

00:31:36,310 --> 00:31:33,039

season seven of closer explains or

840

00:31:39,830 --> 00:31:37,750

explained

841

00:31:42,630 --> 00:31:39,840

wrong [h\_\_\h]

842

00:31:44,710 --> 00:31:42,640

clarissa did explain it all

843

00:31:46,630 --> 00:31:44,720

she's doing skinwalker ranch but just

844

00:31:48,630 --> 00:31:46,640

think about it next year if we finally

845

00:31:49,909 --> 00:31:48,640

do get the answer whether there are

846

00:31:51,669 --> 00:31:49,919

interdimensional importers at skin

847

00:31:54,470 --> 00:31:51,679

rocker skin walker ranch we're going to

848

00:31:56,630 --> 00:31:54,480

have the civil war 2.0 we're going to

849

00:31:57,750 --> 00:31:56,640

have interdimensional portals we're

850

00:32:01,029 --> 00:31:57,760

going to have

851  
00:32:04,310 --> 00:32:01,039  
shortages of everything uh it's going to

852  
00:32:05,830 --> 00:32:04,320  
be all happening around the world and

853  
00:32:08,070 --> 00:32:05,840  
no one's going to be able to focus on

854  
00:32:09,430 --> 00:32:08,080  
the fact that oh by the way there are

855  
00:32:11,470 --> 00:32:09,440  
portals they're going to be too

856  
00:32:13,029 --> 00:32:11,480  
concerned about getting their next

857  
00:32:16,909 --> 00:32:13,039
